Donley Fair, Show & Race Winners Announced

The Donley County Fair for 1949 is over and it was proclaimed by those who saw it, as being the biggest fair ever held in Donley county. All nine departments of the fair were big shows to see and every committee functioned in perfect order. The entire show board of Donley County has asked county agent H. M. Breedlove to thank every one for making the fair a big success. The Donley County Fair is a fair of the people of the county and the perfect cooperation of every one is what did the job.

The show board will have a meeting in the very near future and make plans for next year while many things are still fresh on their minds and try to have a bigger and better county fair in 1950. The winners of all departments are as follows with winners named in consecutive order:

LADIES AID TO HOLD RUMMAGE SALE OCT. 8

The Ladies Aid of the Christian Church will hold a rummage sale Saturday, October 8. Those having clothes to donate may leave them at the Church Friday morning or at the Burns-Bain Funeral Home Friday afternoon. It is especially requested that anyone leaving clothes, mark the price on the rummage before leaving it for sale.

Womanless Wedding To Be Presented October 18th

The Broncho Mothers Club will sponsor a "Womanless Wedding" October 18th at the College Auditorium. Particulars in this regard will be announced in the Leader next week, but in the meantime it is the ladies desire that you be making your plans ahead of time to set this date aside so that you may attend.

FOURTH GRADE ROOM MOTHERS TO SPONSOR "42" PARTY

Room mothers of Mrs. Headrick's fourth grade are sponsoring a "42" party Thursday night, Oct. 13th, at 7 o'clock at the Elizabeth Stevens Gym. Sandwiches, pie and coffee will be served. Everyone is invited to attend.

FIRST CHRISTIAN CHURCH FOUNDER TO BE HERE

It is with pleasure that we announce the coming of Rev. W. T. Dickie, who was the founder of the First Christian Church in Clarendon, who will conduct a series of services beginning Sunday, Oct. 9th. Many old friends will recall Rev. Dickie and his work here and others, we feel sure, know of his work elsewhere in the state. This church issues a cordial invitation to all who wish to come and hear him and welcome him in the true spirit of Christian fellowship.

DONLEY COUNTY GROWS SWEET 'TATERS, TOO

Believe it or not, Ed Wheeler, prominent farmer in the Ashtola community, brought in a sweet 'tater that measured thirty inches from tip to tip and was six inches in circumference in the middle. Ed said he had only a small patch but that he made a very good yield—more than enough to run him through the winter. At any rate, that is some 'tater - - can you beat it?

F. F. A. Elects New Officers

The Clarendon Chapter of FFA had their first meeting of the year last Saturday. New officers elected for 1949-50 term were President, Vernon Goldston; V-President, Claude Moffet; Reporter, Bill Jack Cornell; Treasurer, Clarence Stwendell; Parliamentarian, Lelton McBrayer; Secretary, Ray Davis; Sentinel, Fred Molesworth. Claude Moffet is treasurer for the District FFA.

Jo Ann Ritter was elected as the Sweetheart of the Chapter. A coronation ceremony is being planned at which time she will be presented with a sweetheart jacket and Future Farmer pin.

A Father and Son banquet was planned to be held later on in the year. 150 baby chicks are to be put on feed for this event.

Meetings of the F.F.A. are to be the first Monday of each month. Some of these are to be joint F.F.A. - F.H.A. socials.

Other extra curricula activities for the year are to include an educational trip to the State Fair at Dallas, the erection of an educational booth at Amarillo, and the showing of livestock and farm products at all of the major shows and fairs in Texas.

Judging teams are to be trained for the following: Poultry, Livestock, Dairy Cattle, Grain, Cotton, Milk, and Meats. These teams will compete in all of the District, Tri-district and Area contests and possibly the State.

Other contests in which the Chapter will compete are the Jr. and Sr. Chapter Conducting, Jr. and Sr. Quiz, Farm Demonstration, Public Speaking, and Grass Judging.

There is to be one applicant for the American Farmer Degree and three for the State Farmer Degree. These are the highest degrees to be awarded by the National and State organizations respectively.

About ten members with their sweetheart and Mr. Seay attended the District meeting at Turkey last Tuesday.

DUANE LITTLEFIELD SHOWS GRAND CHAMPION PIG AT TRI-STATE FAIR

Duane Littlefield, son of Mr. and Mrs. Bill Littlefield of Goldston, took the grand championship honors with his Hampshire pig at the Tri-State Fair Monday over all other breeds in the show. He netted \$33 in prize money. Other FFA members winning in the Hampshire class were Arlis Mooring 2nd, Blackie Johnson 3rd, James Baggett 4th and Joe Ballew 5th & 6th. Doyle Ray Littlefield and Troy Hamblen showed chester whites.

DONLEY COUNTY REPRESENTED AT TRI-STATE FAIR

County Agent H. M. Breedlove is displaying the county agriculture exhibit at the Tri-State Fair. All agriculture commodities on display were taken from the Donley County Fair. Everyone is invited to go to the agriculture building and see the Donley County display, showing crops grown in Donley County.

Amateur Show Nets \$199.00 For Youth Center

The Youth Center wishes to thank you, the public, and the contestants for making the Amateur program a success — and to you who bought tickets and were turned away for lack of seats, we apologize. The program was really a bigger success than we had anticipated.

Our door receipts and money taken in on the cake that was given away, was \$199.00. We thought you would like to know — as we told you before — this will be applied on our air conditioners that we bought this summer.

There were twenty two contestants and all very good. The judges decisions were as follows: 1st place, Jackie Estlack and Iva Jean McAnear, novelty number, \$10; 2nd place, Lois Marie Hommel, piano, \$7.50; and 3rd place, Rebecca King, violin, \$5.00.

Rev. Warrin Fry was master of ceremonies and in his own clever manner added much to the show.

Again we say "Thank you" — to every one, who in any way, contributed to our program.

Bronchos Lose First Conference Tilt To McLean

The Clarendon Bronchos took their first defeat of the season last Friday night at McLean by the tune of 13-0, handed to them by the McLean Tigers.

The Bronchos were doped to win the game since McLean had such a poor starting record but they certainly had a wonderful comeback to show up as well as they did against the Bronchos.

The Bronco team as a whole seemed to be putting forth the effort but never were able to really get started. A goodly portion of the squad experienced full fledged cases of the flu during the week and there were several of the players that would have probably been better off at home in bed. The Bronchos threatened one time during the game and that was at the end of the fourth quarter when they had the ball on the 2 yard line and McLean intercepted a pass and the game ended.

Watson, a very capable Tiger back, made both scores for McLean and kicked the extra point.

A very good crowd of Clarendon fans followed the Bronchos to McLean and not too many of them were overly disappointed, for they figure the Bronchos can still knock some of the even stronger conference teams off their perch as they have already shown their ability to do so in their tangles with Perryton and Chillicothe.

The first downs in the McLean game were 9 to 6 in favor of McLean.

DOGGETT GRAIN CO. TO ERECT ELEVATOR FACILITIES HERE

Trammell Crow, representative of the Doggett Grain Co. of Dallas, announced this week that his firm was erecting elevator equipment here this week on the lot north of The Clarendon Produce and that it would be in operation by next Monday or Tuesday.

The equipment now being installed will handle the loading but no storage facilities here, but through the firms storage facilities down the line they will be able to handle all government storage grain of low moisture content, Mr. Crow stated.

"If our present plans work out right, we plan to erect a forty or fifty thousand bushel capacity elevator here within the near future and since time is so short we are only putting in the loading equipment at the present time to handle the current grain crop now coming on."

Mr. C. A. Wood of Amarillo will come to Clarendon as manager of the business. He has many acquaintances here as he is a former Clarendon resident.

COLTS GOING STRONG, DEFEAT CLAUDE 33-0

The Jr. High Colts are still running rough-shod over their opponents even though having to play on a muddy field. Last Friday afternoon they journeyed to Claude and defeated the Mustang Colts 33-0 and the final period was played in a downpour of rain.

These youngsters are certainly showing up mighty well in every department and are already handling the old pigskin just like veterans.

A game with the Wellington Firecrackers was scheduled for last night but due to our going to press early on account of the Amarillo Fair, we are unable to give you the score, but we bet the Colts are on the top side of the ledger.

SECOND GRADE TO HAVE CAKE SALE

Miss Strawn's second grade class will hold a cake sale Saturday, October 8th in the first bldg. north of the Pastime Theatre. The sale will start at 10 o'clock and everyone is invited to come by and pick out a cake for their week end meals.

ALATHEAN CLASS TO HOLD RUMMAGE SALE SATURDAY

The Leader has been asked to announce that the Alathean Sunday School Class will hold a rummage sale this Saturday, Oct. 8, located in the building just north of the Mulkey Theatre. The sale will be held throughout the day.

Bronchos To Meet Skyrockets At Wellington Friday Night

The sparks are likely to fly Friday night when the Bronchos invade Powell field at Wellington, for the locals will be out to recapture a portion of their prestige in the 2-A conference after losing their first game to the McLean Tigers last week.

According to the fellows who figure the winners out before game time the Skyrockets will have the edge over the Bronchos, but that is to be seen when the final whistle is blown. The Rockets have lost more games so far this year but have played reportedly stronger teams. They defeated Perryton 19 to 7 compared with the Bronchos 20 to 13.

Coach Clinton stated that the local squad is in a little better shape for the game this week with less sickness among the squad and should be able to give the Rockets a first class battle from start to finish.

The probable starting line-up for Clarendon, starting at left end: Trussell, Tatum, Travis Mulanax, Gene White, Jones, Whitaker, Leon Mulanax, and Carlile, Jenkins, LaGrone and Bradford in the backfield.

The Bronchos were proud of the crowd that went along to the game at McLean last week and will appreciate the same following to Wellington this week at which time they hope to make the entire group proud and happy.

Those boys do their best under all circumstances, so get a bunch together and go over to Wellington Friday night and let them know you are with them all the way.

The Lion's Roar
By O. D. Lowry

The Lions Club held its regular meeting Tuesday, October 4th in the Club Hall. Attendance was 82 per cent. There was one guest present at this meeting.

The Boss Lion announced that the Board of Directors would meet Monday night at 7:30. Any Lion who missed the Tuesday meeting may make up his attendance at this meeting.

Lion Walker Lane was the lucky Lion at this club meeting.

The program consisted of talks on the Donley County Fair and the Tri-State Fair as given by Lions Seay and Breedlove. Thanks for these fine reports, Lions.

The membership committee will meet next Wednesday and attendance may be made up by attending this meeting.

Former Resident Charged With Manslaughter

Lloyd B. (Squirrel) Scoggins, operator of the T & N Bar at Glenrio, N. M. was released Friday night on \$1,000 bond after he was charged with manslaughter in the bar room death Friday of J. C. Crim of Adrian.

Crim died about 10 minutes after he fell and struck his head on a post in the bar at Glenrio.

According to Scoggins' story to Sheriff Bert Jennings, who investigated the death, the bartender and Crim began fighting after Crim had used profanity before a waitress in the tavern.

Scoggins was a former stock-trader and cafe operator here.

JOE BALLEW PLACES 2ND IN FOUNDATION SWINE PROGRAM

Joe Ballew, Donley County 4-H Club boy was the second place winner in the Sears Roebuck foundation swine program at the Amarillo Fair. Thirty four counties are in this area and Joe competed against all winners from other counties. H. M. Breedlove, County Agent, stated that all gilts in the show were tops and it was keen competition.

Joe won first in the county Sears show and his winnings in Clarendon and Amarillo on the gilt amounted to fifty three dollars.

The Donley County gilt was a registered Hampshire bred by E. S. Ballew of Clarendon.

Joe Ballew is the son of Mr. and Mrs. Donald Ballew of Clarendon. Joe brought his gilt home to keep her for a brood sow. Joe also won fifth and sixth places with his fat Hampshire barrows.

MISSILE MAIL BRINGS CLARKSVILLE COUPLE HERE ON VISIT

Back about 3 1/2 years ago Mr. and Mrs. Willard Hudson of Clarendon received some mail addressed to their name but the mail had been addressed to Clarksville, Texas and missed to Clarendon. This started a correspondence between the two Willard Hudsons and after 3 1/2 years of corresponding they finally got together this past week end when the Willard Hudsons from Clarksville came up for a visit.

According to Mrs. Hudson of Clarendon, the other Hudsons had their excuses already planned so they could leave Sunday morning if everything didn't go as they had hoped for - - but everything was just fine and the two couples enjoyed the visit very much and the Clarksville Hudsons remained until Tuesday morning, enjoying their visit thoroughly. Each of the Hudsons have a son of the same age, Buddy being 4 months older than his new friend from Clarksville. The couple from Clarksville are about 20 years older, though, than our local residents.

Going to get your \$2,064 bait back?

Your shiny new automobile—with prices averaging about \$2,064—has to get you a whale of a lot of use to justify its cost.

Winter wear is the worst bait-snatcher. It can strip your car of plenty of service...

Unless you OIL-PLATE it!

2. Always on Guard! Even when the fine lubricating oil itself isn't covering a part, OIL-PLATING is! It protects your engine against grinding "dry-friction" starts... from corrosive combustion acids... from sludge and carbon caused by wear.

1. Oil-Plating—a feature of patented Conoco Nth Motor Oil—performs a wear-preventing miracle by fastening a shield of special lubricant to working parts. OIL-PLATING can't all drain down—even overnight!

3. Watch Out for Winter! The frigid months are the most dangerous months for these car-killers. New and older cars both urgently need Conoco Nth. Don't wait... drive yours in today and armor it against winter with Conoco Nth.

Recipe of the Week
BY MARY LEE TAYLOR

Jiffy Fruit Gingerbread
Broadcast: October 8, 1949

1/2 package gingerbread mix
1/4 cup water
1/2 cup Pet Milk
1/2 cup ice cold Pet Milk
1 tablespoon sugar

1 tablespoon lemon juice
1/4 teaspoon grated lemon rind
1 cup canned, sliced peaches, drained

Grease a loaf pan 8x4x2 in. deep, then line with waxed paper. Put gingerbread mix into bowl; add water; mix until free from lumps. Stir in the 1/4 cup milk; pour into pan. Bake according to directions on gingerbread package. When cold, split to make 2 layers. Put cold milk and sugar into small cold bowl. Whip with chilled rotary beater or electric beater at high speed, until fluffy. Add lemon juice. Continue whipping until stiff. Fold in lemon rind. Spread 1/2 of this topping on layer of gingerbread. Rural Youth Day At State Fair of Texas Set For Oct. 15th

Post-war rural youth activity in the state will reach its high point this year when the largest single gathering of farm boys and girls in the nation's history will be honored by the State Fair of Texas on Rural Youth Day, Oct. 15th, James W. Aston, chairman of the Fair's rural youth day committee, has announced.

"At least 75,000 4-H Club boys and girls, Future Farmers and Future Homemakers from farms and ranches in every corner of the state, will make the trip to the Fair," Aston said. "Last year's attendance of 60,000 was considered phenomenal, but all indications point to a 25 per cent increase for this year."

The youngsters are traditionally given free admission to the Fair, and a free lunch which is provided by Dallas business leaders.

"Purpose of Rural Youth Day is primarily to help youngsters become better citizens," Aston said. "The sights they see and the information they obtain on this day broaden their vision, and their knowledge of trends in agriculture, livestock, poultry, and modern life in general. They find out what is going on, gain valuable 'know-how,' learn how to profit from the experience of others and, as a result, they become better business men, homemakers, farmers, ranchers, and citizens."

Rural Youth Day was inaugurated at the Fair in 1946. Through the cooperation of the Texas A&M College Extension Service, state Vocational Agriculture and Homemaking departments, the event has grown from an initial attendance of 30,000 to 75,000 which is the goal for 1949.

Attendance prizes of \$100 each will be awarded the county 4-H Club delegation and the Future Farmer and Future Homemaker chapters which have the highest score, based on the number of members present multiplied by the number of miles traveled to the Fair.

A banquet honoring the 50 outstanding Future Farmers, Future Homemakers, and 4-H Club boys and girls in the state during 1949, will be held in the Texas Room of the Baker Hotel at 7 p. m. October 14th.

Rev. Clyde Hemley and family of Jacksboro visited over the week end with her cousin Mayor Joe Jones and wife and her aunt, Mrs. Leona Jones.

NEW MASSEY-HARRIS COMBINES HAVE MORE CYLINDER CAPACITY

More efficient cylinder and beater design lets you harvest faster.

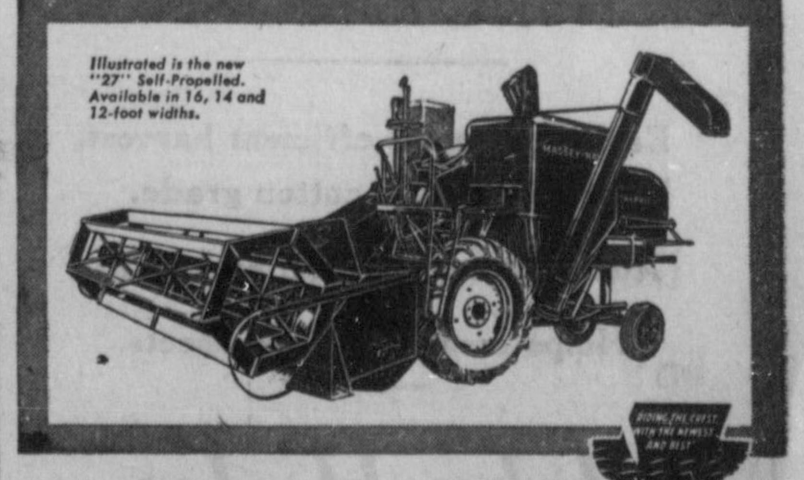

★ More cylinder capacity lets you cover more acres a day... up to 50 with the new Massey-Harris big capacity "28"—up to 70 with the "27"—the biggest capacity combine on wheels.

You move along at a good clip because straw is kept open... loose, to give the rasp bar cylinder a better chance to rub out the biggest percentage of your grain. Leaving the cylinder, straw moves directly onto the longer, wider walkers so you get all of your grain, cleaner grain to increase your profits... more capacity in the entire combine to get your grain in faster, easier, at less cost.

And Balanced Separation

This amazing new Massey-Harris combine principle assures perfect control of grain and straw through every step of harvesting. Every unit has the capacity it needs to do a better job of harvesting your grain.

Stop in soon for complete details on these new, better Self-Propelled.

MR. AND MRS. ROBERT E. BEARD

Carpenter-Beard

A candle light ceremony read September 28 in the home of the bride's parents united in marriage Juanita Carpenter, daughter of Mr. and Mrs. V. W. Carpenter, and Robert E. Beard, son of Mr. and Mrs. J. W. Beard. Rev. L. A. Sartain, pastor of the First Baptist Church officiated at the double-ring ceremony.

Vows were spoken before a background of woodwardia fern and greenery, banked with white gladioli and asters. Preceding the ceremony Mrs. Allen Bryan played the traditional wedding music. Marvin Hillis sang "Because" and "I Love You Truly."

Jimmy Beard, brother of the groom and Douglas Wadsworth lighted the candles.

Layma Tatum, maid of honor, was attired in a wine gabardine suit and wore a corsage of white carnations.

Leo W. Underdown acted as best man.

Given in marriage by her father, the bride wore a teal blue gabardine suit with grey accessories. She carried a white Bible topped with a bouquet of gardenias with satin ribbons.

Mrs. Carpenter, mother of the bride wore a grey, satin stripe dress with black accessories and a corsage of rosebuds. Mrs. Beard, mother of the groom wore a green crepe dress with black accessories and a corsage of rosebuds.

A reception was held at the home following the ceremony. The serving table which was cov-

ered with a cutwork table cloth, was decorated with a centerpiece of white roses and a three-tiered wedding cake topped with a miniature bride and groom.

Miss Portia Hay served the wedding cake and Mrs. Bill Jordan served the coffee to the guests.

MOTHERS' CIRCLE ORGANIZED

A meeting was held in the parlors of the Methodist Church Wednesday afternoon for the organization of a group to be known as the Mothers' Circle of the Missionary Society. Mrs. C. B. Morris, whose idea it was to organize the group, presented the devotional and explained the aims and purposes of a missionary group.

Mrs. Frank Phelan was selected to head the group with the assistance of Mrs. Caldwell, who will be program director. Mrs. Haskell Kemp will serve as secretary-treasurer.

The Mothers' Circle will be composed of the mothers of young children, who, although interested in the work and studies of the Missionary groups of the church, found themselves unable to attend meetings because of their children. This problem was solved by hiring an attendant to supervise the children while they amused themselves in the church nursery.

Although organized primarily for the mothers of young children, the group cordially invites any homemaker interested in Christian study and missionary work to attend the next meeting of the circle on the last Wednesday of the month at four o'clock in the church parlors.

WIN ONE S. S. CLASS

The Win One Sunday School Class met in the home of Mrs. Bertha Benson Monday afternoon. Mrs. Cook gave the devotional. The new officers for the year took their offices.

Donley County ACA Farm News

PAYMENT EARNERS:
 Tommy W. Bain of F Community has an approval for the construction of an Earthen Dam. Mark Allen of C Community has his application in for an Earthen Dam. Several producers in the County have approvals for contour seeding small grains. They are: Leonard Putman, Mack L. Sims, John F. Skaggs, Park L. Chamberlain, Lloyd Risley, and Wilson Gray. Those producers having an approval for seeding grass are: Ansil Adamson, Carman Rhode, Jay Gould, William R. Christal, and Fred Watt. Van Knox, Glen Williams, Wm. C. Bridges, Elmer Dishman, Roy Bartlett, and Frank Finch have an approval for leaving stalks and stubble on the land.

NEW OFFICE HAND
 Ruth Jackson started to work for us this week. Ruth is going to work half days and help us keep up our news letter work and correspondence. We know she will do a grand job, and we are happy to have her with us.

COTTON
 The community committeemen did a good job out in the County helping us adjust our cotton acres. However, they didn't get to see all of the producers. The County Committee met this week and made adjustments on those that the Community Committeemen hadn't contacted, and they will be notified in the near future. We want the producers in the county to know that this was not a correction on your cotton acres, but an adjustment so that the total of our cotton acres in the county would equal the total of the cotton acres that the Bureau of Agriculture Economics had down for us. When this work is completed, on all the 532-c's, we will then begin work on computing the actual allotments.

PRIOR APPROVALS
 Lately we have had a lot of producers coming to the office to get an approval after they have carried out a practice. One of the policies of AAA is to have your approval before you carry out a practice. The State office requires that we issue an approval before any producer carries out any practice. If the practice is carried out, and then you come to the office for an approval, we will have to turn you down on a payment for that practice. So please try to remember to secure a PRIOR APPROVAL before carrying out a practice.

GRAIN SORGHUM LOANS
 We have some information on the grain sorghum loans for this year. The loan rate for farm stored grain is \$2.03 per hundred pounds. The loan will be made on grain testing not more than 14% moisture for warehouse loans,

SERVING the Gulf South

...by BUILDING LEADERSHIP among farm youth

All over the Gulf South, industries are recognizing the need for training boys and girls in the principles and practices of good citizenship, and are doing their part to develop leadership among our citizens of the future.

United Gas, for example, encourages the development of leadership among farm youth, and participates in a number of agricultural activities to build better citizenship among the boys and girls of the farm.

This is another example of the way the American Business System works to bring better living to your community.

School Boy's Essay From Old Contact

I don't know how newspapers got into this world and I don't think God does, for he never mentioned them in the Bible. Maybe the editor was one of the Fallen Angels, for he seems to fall for about everything people tell him. If the editor makes a mistake folks say he ought to be hung; if a lawyer makes a mistake he appeals the case; when a doctor makes a mistake they say nothing 'cause they don't know Latin. And they could not read his writing if they did.

An editor makes a mistake, there's lots of hollering, cussing, and a libel suit, while when the doctor makes one there's a funeral, with flowers and crying and perfect silence. A doctor can use a word a mile long, and it don't make any difference if he knows what it means, for folks will think he's educated, while an editor has to be able to spell any word he uses. If a doctor goes to see another man's wife he charges for the visit, if the editor goes he gets shot. People that call the doctor and get well think he's a great man. If they don't get well they're dead and can't say any-

thing. Two-thirds of the folks in town are sore at the editor all the time, either because the paper said something about them they don't like or said something nice about somebody else. So it all looks just about hopeless to me.—The Echo.

Ray Burns of Burns-Bain Funeral Home can now be called Dr. Burns, having delivered a baby boy last week to Mrs. Shannon Barker, of McLean. Mr. Burns answered the ambulance call at McLean taking Mrs. Shannon to a Shamrock hospital. The race was given up within 10 blocks of the hospital. The little boy weighed less than 6 lbs.

Water won't stop it!

The beautiful Chrysler New Yorker with Prestomatic Fluid Drive... the simplest of all automatic transmissions.

When others cough and quit... Chrysler doesn't even splutter. Storm—damp—high-water—can't faze it! Throw a bucket of water over the engine and you can't stop it. Once again Chrysler brings you the year's most needed engineering feat. The first and only completely waterproof ignition system on any passenger car in America—and it's standard on all Chrysler models! Coil—distributor—wiring harness—spark plugs—everything sheds water like a duck! And mind you... this is only one of 50 stand-out advances this year on the beautiful Chrysler. Better see how they add up to the sweetest driving, best riding Chrysler ever built for you. Visit your nearby Chrysler dealer for an eye-opening demonstration today.

CARD OF THANKS
 We wish to thank each and every organization and individual for the many favors and financial assistance during our time of misfortune. All four of our children were stricken with polio and your kindness has certainly lightened our load of worry in many ways. We shall always remember and cherish every kindly act. May God bless you all.

Planning The Kitchen

COLLEGE STATION — The kitchen is the main work center of the house. The efficiency of the entire household depends to a large extent upon how well the kitchen is planned and arranged, says Mrs. Bernice Claytor, extension specialist in home management of Texas A&M College.

There is no one model or ideal kitchen plan, she adds. Any kitchen, to be convenient, should be planned according to the needs of the family who will use it. Those needs vary with the size and ages of the members of the family, the principle industry of the farm or ranch and the kinds and amount of work done in the kitchen. Consideration must also be given to the amount of entertaining that is done, the standards for preparing and serving meals, the amount of food purchased ready-prepared, the amount of outside help used and the utilities available.

Essential kitchen equipment, says Mrs. Claytor, includes a range, water supply—and this is usually combined with a sink and drainage facilities—work tables or work surfaces at comfortable heights for the worker, provision for refrigeration and adequate storage space for everything used in the kitchen. The storage space, continues Mrs. Claytor, should be located as near as possible to the place where these articles will be used.

Health Notes

AUSTIN — Undulant fever or Malta fever, a disease contracted from cattle, goats or sheep which are infected with contagious abortion, is being reported sporadically throughout Texas and the nation, according to Dr. Geo. W. Cox, State Health Officer. This indicates malta fever to be a public health problem and the attendant need of more general recognition by the public to the disease.

Undulant fever is so called because of the wave-like variations in temperature. The symptoms include rise in temperature, loss of weight and strength, chills, sweats and joint pains. The disease has rather a low mortality rate, but important because symptoms may persist for a number of weeks and even months before normal health and strength are restored.

Notes from - - - CITY HALL

This week we want to call your attention to the signs we put up on the boulevard. We have been very lenient with speeding on the boulevard but since you people will not conform to the proper speed laws we are giving you warning that anyone caught speeding (driving in excess of 20 miles per hour) will be fined. We are not doing this because we want to but trying to protect the lives of innocent people - so you people who have been speed demons on the boulevard had better take notice.

We were supposed to have an announcement this week but nothing has developed to date. We had the state fire insurance inspectors this past week and have been busy repairing fire plugs and other squaks they gave us.

We appreciate so many of you people coming in early and pay-

ing taxes, saving you money and saving us such a rush at the last minute. May we suggest since this situation has arisen several times that any of you who buy property be sure to check to see if all taxes are paid up to date before you close your deal. We had our tax sale Tuesday and sold several lots but still have a number of pieces of valuable property that was bought in by the City and that we will sell at private sale at a very attractive price. Come in and talk it over.

Newest member to the Ain't Smoking Right Now Society is Glenn Burrows of Goodnight, Texas. Glad to have you as a member Glenn, and the best of all our wishes to you in your efforts to quit the weed.

Walter McClaren is all worried. He had a dream that the tobacco companies were bringing suit against me for hurting their business. Surely, if thru their pretty ads and by giving away free cigarettes to our school kids they could have the lives of 75% of our folks until they were past middle aged; surely they wouldn't be piggy and not want a few of us fellows, wheezy and ulcerated

that we are, banding together and trying to help each other pick up a few more days of joyous living -- Surely not Walter, anyway, let's don't worry; worry causes ulcers too.

I liked the following from Mr. Izzard's column in the News-Globe; "mm supposed to be a credit rating on someone. We have a report that this party has no property, either real or personal; no credit, actual or potential; no prospects, either present or future; and no hope either here or hereafter" --

By the way, does anyone have any mesquite tree beans or seed? If so, please put a few in an envelope and mail to George Young, % KAMQ, Amarillo, Texas -- Remember his request for them, and how we promised to send them in season.

There is no use for anyone to fight the movies. They are, or could be a good thing. Anyway, they are as much a part of our lives as the newspapers or the

radio. Almost as important to the lives of our children, and in influencing their lives as our schools and our homes and our churches. But, they should be cleaned up; you can hardly see a picture that does not have a filthy drunken scene in it; bottles of rotten liquor stacked in the home bar, and in most cases you can see the brand name on the bottles. It is said that the companies pay money to the movie companies to use their bottles so the brands will show. We as fathers, and as supposed to be good members in the church, go with our boys and girls to the show; sit there and laugh at the pitiful antics of some wobbly drunk as he shows off before our children. And then we wonder where little Mary or Willie got the idea that it wasn't too bad to take a little drink. If they, the children, failed to catch their father taking a little "Swig" with the boys; it is a cinch that they saw it in the movies or heard it on the radio. We don't have to put up with these things; according to their mail bags, more of us want this kind of thing that doesn't --

I like the movies; a good show relaxes and rests us and can, or could be one of the greatest teachers of good citizenship and fair play and right living of any of our modern day inventions --

One of the kindest and sweetest persons that I have had the joy of knowing is Mrs. R. E. Boone. To me, it seems such a crowning reward that as we grow older in years, we grow sweeter in ways, and more and more unselfish in our hearts. Maybe this is as it should be; as we come neeger and nearer to the next life, and to that perfect life we should put on more and more of the ways of that world, but so few of us seem to be able to do this. Anyway, when you talk to Auntie Boone you feel refreshed, you feel better, and close to God. You feel that you wouldn't mind growing older, if you could be like she. I gather from talking to Auntie Boone that in dedicating her life to helping her family and friends and others she has discovered an endless fountain of joy in living that can come only into lives that

are so dedicated. Anyway, I am proud to have known this sweet lady; sweet and beautiful in her heart and in her face. I wonder if being good on the inside keeps you beautiful on the outside. Anyhow, thanks Auntie Boone for coming our way, and for letting your light shine along our path, that we might miss a few more of the bumps of life -- Thanks again and again and over and over.

THE TEMPLE OF TRUTH
 By the Apostle

INDUSTRY.
 The man who covers a chair instead of territory is on the bottom all the time.

Son, instead of waiting for your ship to come in, why not paddle your own canoe out to meet it?

THE ARTIST.
 If you think the change in a boy's voice is startling, did you

ever notice the change in a woman's voice when she quits scolding her old man to answer the telephone?

PEST.
 A bore has been defined as a man whose life is an open book and from which he keeps reading aloud all of the time.

DESCRIPTION.
 Usually, those who drive so fast past a school are the ones who took so much time going through them.

HELTER-SKELTER.
 When asked how he was coming along with the construction of his new home the old boy said: "Just fine. I have a roof and a mortgage on it and the wife is going to furnish it with the prize she expects to win over the radio broadcast contest!"

THE VACATIONER.
 A local man who made a trip into the Ozarks this fall stated that he stopped at the home of a native who advertised "Cider—both kinds." He drank a portion of the alleged cider from the gourd and then inquired as to how much the old fellow had made up, and was informed that he had 15 barrels of it stored in the cellar. Then the local man suggested: "Old fuzzy--wuzzy, pick up another apple and make another barrel of the blame stuff!" He must have been followed by another sucker from Texas.

VARIETY.
 The girl was elated when her father spoke kindly of the new boy friend who was much given to poetry. The last fellow the father tried to throw out was a plumber-wrestler.

FAMILY STUFF.
 A few nights ago a couple with their son and daughter "fell" into an eating joint where beer was served up on the Plains. Within a short time the program was underway. Shortly afterwards, the lady conducting the place was taken to a hospital, the father, mother, son and daughter were

taken to jail. The older son might have been a great help except for the fact that he was in jail in Amarillo, otherwise there might have been five to enliven the atmosphere in the eating joint. There might be something to environment after all.

INDUSTRY.
 If you failed to see the recent fair exhibit of old Donley county, you missed a real show. Even the natives were surprised that some unheard-of varieties were grown here. Others marveled at the quality. This writer marveled at the amount of work our folks did to put on such a worthy project. It was by far the best show ever shown in old Donley—everybody says just that.

Visit in W. C. Jones Home
 Mr. and Mrs. L. A. Wilkins of El Paso, Texas, Mrs. T. T. Butler of Borger visited Mr. and Mrs. W. C. Jones over the week-end. Mrs. Butler and Mrs. Wilkins are sisters of Mr. Jones. Also visiting in the home was Mrs. C. A. Jones of Clarendon, a sister-in-law. Other visitors were Mr. and Mrs. Horace Parker and two children, Mr. and Mrs. Luther Hall and two children, Mr. and Mrs. Clyde Butler and granddaughter, all of Clarendon; Miss Opal Jones of Groom; Mr. and Mrs. Milton Thurman and daughter, Mrs. Earl Runyon and three children, Mrs. E. W. Jones and daughter, Mr. and Mrs. Ray Thurman and two children, Mrs. Dorothy Burk and two daughters, all of Borger. These folks all visited in the W. C. Jones home while Mr. and Mrs. Wilkins were there.

Mr. and Mrs. L. A. Wilkins left for Quanah, Texas Sunday afternoon.

OLD PATHS

By DOYLE WILLIAMS
Minister of Christ

But some man is saying by this time; in these Studies, if the Gospel is such a plain matter, or if you have any thing clearer, plainer, or more intelligible than what we have tried, let us have it. To this, attention shall now be given. Beginning, then, at the starting point, what must a man believe? "Many other signs truly did Jesus in the presence of his disciples, which are not written in this book; but these are written that you might believe that Jesus is the Christ the Son of God, and that believing you might have life through his name." Jno. 20:30, 31. As Philip was preaching Jesus to

the Ethiopian officer, they came to a certain water, and the officer said, "See, here is water, what hinders me from being baptized?" The reply of the evangelist was, "If you believe with all your heart, you may." He said, "I believe that Jesus is the Christ the Son of God." Acts 8:37. Paul says, "If thou wilt confess with thy mouth, that Jesus is Lord, and believe in your heart that God has raised him from the dead, you shall be saved." These plain Scriptures show beyond controversy what a man must believe to become a Christian. He is not required to believe this creed, that creed, or the other creed; the thirty nine articles of one, nor the twenty five articles of another; this theory, that theory, or some other theory; but the truth concerning the living, ascended, exalted, and glorified Jesus, who has gone into heaven and is seated at the right hand of the throne of the Majesty in the heavens, far above all principality, and power, and might, and dominion,

and every name in heaven and on earth. The faith of a Christian does not center in a few articles of opinion, drawn up by a few uninspired men, setting forth the difference between their opinions and the opinions of some other uninspired men, but in the living person of our Lord Jesus Christ. This explains how it was that so many heard the Gospel and believed to the salvation of their souls in a single day. They believed on a person, the glorious person of the Messiah. They could hear of him and believe on him in a single day, and become ready to place themselves under him, ready to be taught by him and follow him.

But a man complains that he can not tell what repentance is; that the preachers refer to lexicons and learned authorities, and he can not tell what is right. There are but few men who have not already a pretty good idea what repentance is. This can be easily demonstrated. Suppose a man should be immersed and unite with a church, but, in a very short time, be seen reeling from intoxication, using profane and obscene language; what would the men of the world say of him? They would, without hesitation, say he never repented. How do they know, if they do not know what repentance is? The truth is, they know what repentance is, or, at least, the fruits that ought to proceed from it. They understand that it ought to be such a change of mind as will result in a good life. No matter whether you know the learned definitions or not, nor whether you can explain precisely how the change is; you know it must be such a change in a man as will result in a good life. If the good life does not follow—no matter how much a man tells of wonderful changes, feelings, and emotions with him; of great heart work, experience, and joys—nobody believes he has truly repented. No man in our day will have much confidence in any great work of grace within a man, while there is no change without. This shows that there is a pretty correct understanding what repentance is; that it is a change in the mind sufficient to change the life. If a man is traveling for some city, but on a wrong road, he will not turn and take another road till he is convinced that he is going a wrong road—till his mind is changed in regard to the road; nor will any intelligent man believe there is such a change in his mind so long as he persists in traveling on the wrong road. But

when he turns and earnestly pursues another road, all admit there is a change in his mind. So, when a sinner turns from his sins and travels another road, there is no doubt about the change in his mind.

SOCIAL SECURITY NEWS

Q—Last week we explained the difference between Old-age Assistance and Old-age and Survivors Insurance. Today we have the question—what is the difference between Old-age and Survivors Insurance and Unemployment Compensation?

A—Old-age and Survivors Insurance is payable either to eligible persons at age 65 or to survivors in case of death. Unemployment Compensation is payable to eligible persons at any age if they are unemployed through no fault of their own and are "ready and available" for suitable work.

Q—Is everyone eligible for Unemployment Compensation?

A—No. Only workers who have worked for employers who pay Unemployment Compensation taxes. In Texas this is an employer who is engaged in work covered by Social Security and then only if he normally hires 8 or more people. This requirement varies in the separate states, and any employer can elect to be covered if he desires.

Q—Doesn't the worker pay for Unemployment Compensation?

A—No - - not in Texas. A worker gains credit by working for a covered employer who pays the total tax.

Q—What does the 1% deduction pay for?

A—That pays for your Old-Age and Survivors Insurance.

For further information you are invited to write the Amarillo social security office, or contact the representative when he is in Clarendon. Floyd B. Ellington, Amarillo office representative, will be at the County Court House, Tuesday, October 11, at 10:00 a. m.

"Man and the Atom" Show Acquired For State Fair of Texas

The famed "Man and the Atom" show from the American Museum of Atomic Energy at Oak Ridge, Tenn., has been acquired for the 1949 State Fair of Texas Oct. 8-23. W. H. Hitzelberger, vice president and general manager of the Fair, has announced.

This is the first display of this spectacular show anywhere in the South outside of Oak Ridge, cradle of the atom bomb, Hitzelberger said.

The exhibit will demonstrate how nuclear science is providing new tools for atomic research, and how it may help unravel some of the greatest mysteries of science.

The comprehensive Oak Ridge show is expected to be supplemented by other important exhibits from manufacturers cooperating with the atomic program and from institutions which are among those participating in the Oak Ridge Institute of Nuclear Studies. The University of Texas, Rice Institute and the University of Oklahoma are Southwestern sponsors of the Institute, which operates the Museum of Atomic Energy—first and most complete

of its kind in the world.

Many of the exhibits are animated and presented in such a simple manner that grammar school children can understand the complex factors involved in the release of nuclear energy.

Among the graphic mock-ups and dioramas which will be shown at the Fair is a "Nuen" reactor model depicting the probable future of atomic energy and which looks 25 or 50 years into the world of tomorrow. It reveals the principles of the Nuen plant around which industrial and other community life of that time will be centered. "Nuen" is a

coined word combining the first syllables of nuclear and energy.

A model of a uranium pile will demonstrate how radioactive isotopes are produced for use in medical and industrial research. A display of Geiger counters will measure the radiation from luminous dial watches worn by Fair visitors. There will be an exhibit which shows several of the more important types of instruments used in detecting and measuring radioactivity. A cartoon representation of atomic fission will picture how "Dagwood Splits the Atom."

"Buick's the Buy"

It's part of every street scene—something you see every day.

Car owners in three different price classes—all happy about the same thing.

One of them drives a new Buick SPECIAL, which you see poking forth its new, bold-look forefront at the left of our picture.

Another will tell you there's nothing like the SUPER's "happy medium" of size and comfort, power and easy handling, style and standing.

And if you're looking for prestige, where is your money going to buy so much as in that handsome 18-footer, the ROADMASTER, with its 150-hp performance and really royal bearing?

But all these good folks get together on this:

There's no ride quite so soft and cushiony as the Buick ride, whatever the size and series. There's no power quite so satisfyingly lively as Buick's high-compression, high-pressure Fireball power.

Above all, there's no "buy" like a Buick—no car that gives you such a rich dollar's worth of smartness, handling, comfort and liveliness for every dollar you pay.

So why not look the whole line over? Your Buick dealer has these grand travel-mates in a baker's dozen of different body types and sizes. Start your shopping in his showroom—and you'll find that even on delivery he has exactly what you want.

BUICK alone has all these features

- Silk-smooth DYNAPLOW DRIVE
- FULL-VIEW VISION from enlarged glass area
- SWING-EASY DOORS and easy access
- "LIVING SPACE" INTERIORS with Deep-Cradle cushions • Buoyant-riding QUADRUFLUX COIL SPRINGING • Lively FIREBALL STRAIGHT-EIGHT POWER with SELF-SETTING VALVE LIFTERS (Dynaflo Models) plus HI-POISED ENGINE MOUNTINGS • Low-pressure tires on SAFETY-RIDE RIMS • Double-Duty VENTIPORTS • DUREX BEARINGS, main and connecting rods • BODY BY FISHER

MARGIE TIMS, JERRIE KING, TO LEAD FRESHMAN CLASS

Officers were elected for the freshmen class of 1949 and 50 recently at Lelia Lake High School. Margie Sue Tims was elected as president. Jerrie Fay King was chosen vice president. Billy Scott was elected secretary and reporter of the class.

PARTY GIVEN BY EIGHTH GRADERS

The eighth grade of Lelia Lake had a party Tuesday, Sept. 27, 1949, in the gymnasium. Games were played, and refreshments served. There were thirty-two people present. There were three sponsors; Mrs. J. O. Richie, Mrs. J. B. McDaniel, and Frank Duncan. Everyone had a nice time and hopes to have another one soon.

NEW STOVE BOUGHT FOR HOME EC. DEPT.

The Lelia Lake school has purchased for the home economics department a new "Magic Chef" cooking stove. It is an improvement over the former stove the department had.

It has the broiler, oven, and two drawers in which to put the utensils after using. It has four burners on each side with a clock and a place to put two lights.

It is the best stove that the department has ever had. The home economics girls are all very proud of it and anxious to use it.

AYERS, SEAGO, HEAD BLUEBIRD STAFF

Ralph Ayers was elected editor and Bobbie Seago associate editor, of the BLUEBIRD in a Press Club staff election Tuesday, September 27. Other members composing the staff are: Billy White, Sports editor; Shirley Aten, Society editor; Keith Reed, Feature editor; and Billy Hill, Make-up editor. Other members of the Press Club will be given the opportunity to select the branch of work they like best. The Club is composed of thirty members.

BUNNY LOWE, SUE SEAGO ENTERTAIN WITH PARTY

The seventh grade had a party Thursday night, September 29, at the home of Mrs. Eula Lowe. Hostesses were Miss Bunny Lowe and Miss Sue Beth Seago.

After the games were played, sandwiches, pop, cake, cookies, punch and ice cream were served to sixteen guests.

LELIA BOOTH PLACES THIRD IN COUNTY

Third place was taken by the Lelia Lake Home Economic Department in the Donley County Fair last Friday and Saturday.

The booth consisted of three things. The high school girl's wardrobe, baby layette, and how to arrange your kitchen.

The average high school girl's wardrobe was what a girl should have or usually has while going

to school. The wardrobe should cost about \$129.87. It consisted of two basic suits which could be arranged in many different ways and other necessary articles.

The thing that caught people's eyes was the baby layette. In the center of the layette arrangement was a doll taking a bath in a tub of water.

The third thing was how to arrange your kitchen. It contained three small kitchens: The "L" shape; the "U" shape; and the corridor-shape kitchen. It also showed how many steps a woman takes in the kitchen according to the way it is arranged.

WILCEY WHITE ELECTED SOPHOMORE PRESIDENT

The sophomores of Lelia Lake High School elected their class officers recently.

Wilcey White was elected president; Romaine Anderson, vice president; Joanne Chrystal, secretary and treasurer; and Woodie Vardeman, class reporter.

BUTLER, WHITE, SMITH WORK ON LELIA BOOTH

Luther Butler, Earnest White, and James Smith were the men who rounded up the projects for the Lelia Lake Community Agriculture Booth. These men worked very hard getting the booth set up and in order.

The prize money is to go to the Lelia Lake High School, if there is any. This booth is similar to the other community booths, that showed the products grown in those communities.

PERSONALS

Miss Bobbie Seago attended the production of "Arsenic and Old Lace" in Amarillo Municipal Auditorium as one of the guests of the Clarendon Cue and Curtain Club Tuesday night, September 26.

James and Jerrie Fay King visited a relative in the Childress hospital Sunday.

Patsy and Don Moss visited Mr. and Mrs. Roy Armstrong of Floydada, Sunday.

Benny Darnell visited relatives in Wellington Sunday.

BLUEBIRDS LOSE TO OUTSIDERS 21-26

The Lelia Lake Bluebirds lost their first basketball game of the season to the Outsiders, a local team, 21-26 Friday night, Sept. 30.

Both teams kept the score about even until the last quarter and then the Outsiders edged ahead five points to win the game.

ZEBRAS EDGE PAST OPPONENTS, 25-24

The Zebras, Lelia Lake girls' basketball team, beat a local team of girls 25 to 24 Friday night, September 30.

The opposing team of Outsiders were slightly favored over the school girls. However, Coach Craig Johnson's faith in his team proved correct although the game was won by one point.

CITY-COUNTY LIBRARY NOTES

By May L. Prewitt

The books received this week are "Tommy Carries The Ball," and "A Touch Down for Doc" each by James and Marion Penick. These are for the fifth and sixth grade boys. For the adults there is "A Little Sleep, A Little Slumber" by Norman Kat Kov who wrote "Eagle at My Eyes." This book produces tears, burning anger, and gently loving laughter thru out the story. But most of all there is love—the deep love of a simple man for his family, the humble love of an immigrant for his new country. It is also the story of a man who was never ashamed of the honest sentiment of family love. The next adult edition is "Root Out of Dry Ground" by Argye M. Briggs. This was a \$5000 prize novel of 1948. A book that produces much thinking—a magnificent story in plot and execution, packing a genuine message without preaching or moralizing.

Several books that have had best seller listings for months have been recently banned. Alfred Hayes' "Girl on the Via Flaminia" has been popular for four months, and George Orwell's "Nineteen Eighty-Four" rated an abridgement in the Reader's Digest last month. Then last is Norman Mailer's "Naked & The Dead" which was a 1948 publication—all are banned, so the Associated Press reports. The police, acting on the advice from the attorney general are attempting to suppress their sales. So many books published by "experienced" soldiers have been bluntly written.

However, the Library shelves contain books that will appeal to various temperaments, so read with us at least thru the winter months.
