## QUATTLEBAUM LEADS 59 IN POULTRY SHOW CONTESTS

Fifty-nine exhibitors, the largest group in the history of the green Belt Poultry Show, exhibited 458 birds of thirty-seven different breeds in the annual show which closed Saturday afternoon. U. H. Milner, Hardeman-King Poultry Specialist, Amarillo, Texas, placed the birds.

The Rhode Island Reds swept all major honors in the particular breeds. E. V. Quattlebaum's reds won four sweepstakes prizes in capturing the best parti-colored hen, pullet, cock and pen prizes. G. W. Beasley won best parti-colored cockerel on his Rhode Island Red. Beatty Hillman won best parti-colored hen and cockerel prizes with his Black Langshans. Billy Thornberry's Rhode Island White was awarded the premium for the best solid colored pullet; Troy Moffett's Buff Orpington pen won the solid colored pen prize, and J. Bullman exhibited the best solid colored cock bird with a white leghorn entry.

Large crowds viewed the exhibit during each of its three day run. The show was sponsored jointly by the Clarendon F.F.A. and Chamber of Commerce, and approximately \$100 in premiums were distributed to the winners.

## MRS. BOB ADAMSON IS BURIED AT HEDLEY

Funeral services were conducted at the Baptist church in Hedley Wednesday afternoon for Mrs. Bob Adamson who died in Denver Sunday. Rev. A. L. Teaff, the pastor, was assisted by Rev. I. E. Biggs, pastor of the Methodist church.

Mr. and Mrs. Bob Adamson were married in Clarendon in 1910. The husband and three children survive. The children are Harold and F. L. of Denver, and Mrs. Thelma Malone of Hedley. There are three grand children.

They made their home in and near Hedley for many years, moving to Denver some five years ago.

## CLARENDON PIONEER DIES IN WICHITA FALLS

Old residents will recall the administration of G. W. Baker as tax assessor here some forty years ago, or there about. His widow, Mrs. Alice Baker, recently passed away in a Wichita Falls hospital.

Her daughter, the former Millie Baker, preceded her mother in death there by one week.

## CLARENDON LADY VIVIDLY RECALLS SEEING PARKER COUNTY INDIAN RAIDS

There were stirring times in Parker county, Texas during Indian raids following the Civil War period, recalls Mrs. Sam B. Kutch, revered citizen of Clarendon since 1912, and who celebrated her eighty-third birthday Wednesday.

Mrs. Kutch is a native of Parker county where she was born in 1858, her parents being Mr. and Mrs. A. Parsons.

Indians drove off her father's horses at times, and on one occasion when he attempted to save his horses, the Indians almost came between Mr. Parsons and his house. "That was the most thrilling experience that I saw with my own eyes," Mrs. Kutch stated.

Mr. and Mrs. Kutch came to Clarendon in 1912 where they reared a family of six children, four girls and two boys. The daughters were all with their parents Wednesday when the mother observed her 83rd birthday. The daughters are Mrs. A. C. Hallmark of Shamrock, Mrs. M. W. Lemmons of Plainview, Mrs. Fred Buntin and Mrs. Eva Atteberry of Clarendon.

## VISIT IN CLAYTON

Mr. and Mrs. Weston C. Hodges are spending the week in Clayton where he spent the greater part of his life. They are visiting his mother and two sisters there.

## Passion Play Good Friday

The young people of the First Presbyterian and First Christian Churches of this city will present the Passion Play, three showings on Good Friday, April 11th.

This will be a dramatic picturization of the world's greatest of all Passion Plays, depicting the life story of Jesus Christ. Greater and more elaborate than the Oberammergau stage passion play. Every scene was taken in the Holy Land and Egypt.

Keep this in mind. The place will be announced later. Everyone will want to see this impressive, soul-stirring and uplifting production.

## YOUNG PEOPLE'S MEETING HELD AT HEDLEY

A number of the young people of the Methodist church have been attending the training classes of the church at Hedley this week. Rev. J. O. Quattlebaum was one of the instructors.

## FARMER LOSES BILLFOLD WITH \$39 IN IT

Somewhere in this section is a billfold bearing the name of the owner, Sam Tankersley. The bills were four 1's, one \$10 bill and five 5's bills.

A check given him for \$47.50 by Frank Hommel was also in this billfold.

Mr. Tankersley will give the finder a liberal reward. He believes he lost the money in the Postoffice. If the finder is honest, the money will be restored to the owner, and the reward for honesty accepted.

The loser is a hardworking farmer, has a family and would do as much for any one else as he requests here. The family needs the money badly.

## ATTEND ENDEAVOR MEET AT CANYON FRIDAY

Several members of the Christian Endeavor of the First Christian church attended a district meeting at Canyon Friday night, accompanied by their pastor, Rev. Cecil E. Harvey.

Those to attend were Earl Eudy, Dorothy Nell Oller, Arline Dozier, Zoy Fronabarger, Jean Bell, Calie Mae Gunter, Viola Hearn, Dorris Cooper, Mildred Faye Sullivan, Leona Pearl McCraw, Bill Sullivan, G. D. Shelley.

## MRS. RUSSELL SHOWS IMPROVEMENT NOW

The many friends here will rejoice to learn that Mrs. Fred Russell is much improved at this time. She continues a patient in Room 146, Baylor hospital, Dallas. A letter or card written to her at that address will bring cheer. Many have wished to write Mrs. Russell, but did not know her address.

## GONE TO STRATFORD

Mr. and Mrs. Clinton Martin and children moved to Stratford Tuesday where he will be employed on highway work. He has been on the county highway force here for several months.

## Giles School Is Closed Since Bus Rammed

Blinded by the sun late Monday afternoon, Chester Hill drove his car into the side of the Giles school bus. The accident occurred a short distance west of the Hedley school building and the bus was driven by Principal Ed Wilmett of the Giles school.

Martin and Margaret Johnson were cut by broken glass. Other pupils sustained minor injuries. No one was seriously injured.

In an exchange, the higher grades of the Giles school attend the Hedley school, and some of the lower grades of the Hedley school attend the Giles school, it is explained.

The Giles school closed the remainder of this week until the bus could be repaired. "Shine" Martin of the Chevrolet firm in Clarendon took the bus to Amarillo Wednesday to have the frame straightened. Other repairs will be made here in the paint and body repair department of the Chevrolet motor company.

## FORMER RESIDENT DIES WEDNESDAY NIGHT

Funeral services for H. C. Herndon were held this afternoon at Quitman, Texas where he passed away early last night.

Herndon acquired considerable wealth in the sale of his farm in the early days of the Burk boom, and came to Clarendon and purchased the Denver hotel building in 1919. He made his headquarters here until about 1925.

Dewey Herndon and Mrs. Annie Cobb, children of his first marriage, attended the last rites.

## JUDGE DAY RETURNS TO NEWSPAPER WORK

Judge Hubert P. Day, former citizen of Clarendon, was for a few years publisher of the weekly published at Laraine, Texas after leaving here.

Recently he moved his place of residence to Sweetwater. After being employed by Montgomery Ward for several months, he resigned that position the past week and has again entered newspaper work on the Sweetwater Reporter, a daily there that also owns the radio station.

## GONE TO DALLAS

W. H. Patrick is one of the many to attend the Federal Reserve Bank convention in Dallas to be held Friday night. He left today.

## LADY'S FINGER BROKEN IN CAR COLLISION

Gilmer Ayers' car was damaged considerably when he collided with a car at Claude about 11 pm. Saturday. With him was Mr. and Mrs. Dan Brazile and their two children, and Cleo Russell and Durwood Mears.

The finger of Mrs. Brazile was broken and others received minor cuts and bruises.

## FAT STOCK SHOW DATE IS SET ON FEBRUARY 27

A meeting of the Board of Directors of the Donley County Fat Stock Show was held Friday afternoon, January 17th at 2:30 p.m. in the County Agent's office. This was the first meeting of the board held this year, so the following new officers were elected for the coming year:

J. D. Swift, President; C. L. Lewis, Vice-President, and Verna Lusk, Secretary and Treasurer. John Gillham and H. M. Breedlove were appointed by the board to select a place for the 1941 Fat Stock Show and the board also voted to hold the show on the 27th day of February, which is the last Thursday preceding the Amarillo Fat Stock Show held in March each year and it was decided that this show here in Clarendon would be held from 8 a. m. until 4 p. m. The same premium list used last year is to be used

## Quail School Wins First In Judging

Quail won their second consecutive Green Belt Poultry Judging Contest Saturday with 1001 out of a possible 1200 points. Claude, Quitaque, Panhandle, Turkey, and Memphis finished in order named. Glen Ramsey, Quitaque was high point man of the contest. Approximately 50 F.F.A. members from eight schools competed in the contest.

Bobby Harold Smith won the intra-mural contest with a total of 361 out of a possible 400 points for the best mark scored in either the intra-mural or inter-school judging event. C. G. Kirkland finished second and Redell Henson third in the second year class' intra-mural event. Ray Pittman, O. A. Smith, Billy Jack Green, Roger Hester, and Ralph Morrow were the top five in the Green-hand or first year students contest.

## Statistics On School Lunch Room From Nov. 1 to Jan. 11

Food received from Government Surplus Commodities: 20 different commodities including 3250 pounds of food, plus 660 cans evaporated milk, plus 225 dozen eggs.

Number of meals served: 2715 individual meals in 46 school days.

Local money expended: \$139.50.

Daily per pupil average: Of government surplus commodities each child has had daily 1.2 pounds of food, plus 1 egg, plus .24 can of evaporated milk (used in cocoa). Of local money expended, each child has had daily 5c per meal.

Community spirit of cooperation has been 100% perfect. Donations to the lunch room have totaled \$25 in cash, in addition to dozens of items such as dishes, silver, and kitchen supplies. The schools greatly appreciate this cooperation. Interested patrons are cordially invited to visit the lunch room project. At the present time, proceeds from the sale of paid lunches are sufficient to buy all necessary supplies and foods.

Four workers are employed in the lunch room and all lunch room projects in Donley County are under the supervision of Mrs. Gladys Powers. Lunch rooms will soon be in operation in other schools in the county.

## LOCAL MINISTER TEACHES HEDLEY BIBLE CLASS

Growing interest is noted in the attendance on the Bible class at Hedley being conducted by Minister Claude C. Smith, pastor of the local Church of Christ.

Classes are conducted each Thursday evening beginning at 7 p. m. All those interested are invited to attend, the Minister stated.

## Hospital Still In Jeopardy

The county commissioners held "open house" Monday for a discussion of the hospital situation, to which all the allopath doctors were invited. Drs. B. L. Jenkins, Guy Stricklin, E. F. Hamm, T. H. Ellis were present.

Dr. Jenkins was spokesman for the doctors and explained the value of the hospital to the county and the benefits resulting from the operation of Adair hospital.

It was the general consensus of opinion of the doctors that they would not practice at Adair hospital if Osteopathic physicians were allowed to practice there. It was further stated that registered nurses would not accept employment except in hospitals maintained exclusively for medical doctors of the Allopath school.

County Judge R. Y. King read the law pertaining to this point in which it provided that "any reputable physician must be admitted to practice in any hospital being maintained at taxpayer's expense."

It was further brought out that the law provides that "ten percent of the voters on a petition presented the county commissioners may call an election, and that the majority of the qualified voters of the county must approve, before tax funds may be paid for hospital support."

The question of the meaning of the term, "reputable physician" was discussed. The certificate filed with the district clerk by Dr. Cox of Hedley, an Osteopath, was taken as a basis. An examination of his certificate disclosed that he was admitted to practice in Texas upon a "written examination" supervised by the State Board of Medical Examiners, one member of this board being a brother of our own Mayor Tom F. Connally.

Com. G. G. Reeves then proposed that the doctors present lease the hospital and permit the county to pay them for caring for the charity patients. There was no response to this proposition.

C. J. Douglas represented the Douglas-Goldston drug firm, and Jerome D. Stocking represented the Stocking drug store at the meeting. Others present besides the four commissioners and county judge were Mayor Tom F. Connally, Bill Sercomb of the News and J. C. Estlack of the Donley County Leader.

Upon inquiry, it was disclosed that no osteopathic physician had taken any interest in the hospital matter, neither had any such physician been invited to this meeting.

## HOWARD GOES TO SOUTH PLAINS COUNTRY

John Howard, Lelia merchant of some thirty years, has disposed of his holdings there to C. L. Cook. He is now giving his attention to his large farm interests in Cochran county, down near the New Mexico line and the new oil field.

## HERE FROM ALABAMA

On the 8th, Mrs. Frank Thomas and Mrs. L. C. Phillips were called to Ft. Payne, Alabama to be with their mother, Mrs. Carroll, who was ill. They returned to Clarendon this week accompanied by their mother who is much improved in health.

## NURSE SUPERVISOR

Mrs. Edythe Maher, who has been stationed at Borger for some weeks, has been transferred to Claude as nurse supervisor of Armstrong county. Mrs. Maher is a daughter of Mrs. Lena Antrobus.

## MRS. SLOAN CRITICALLY ILL AT HER HOME

In failing health for several months, Mrs. E. A. Sloan, a resident here for more than thirty years, is said to be critically ill at this time. She is said to be unconscious the greater part of the time.

Her daughter, Mrs. Bess Rolfe, has been her constant attendant through all her illness.

## PORTER WILL BE TOASTMASTER AT CHAMBER OF COMMERCE BANQUET FEBRUARY 4th

### CORNELL IS WEST TEXAS COLLEGE LETTER MAN

Jesse Cornell, a junior, has been granted a letter in football at West Texas State College, this honor being announced at the annual banquet last week.

Cornell traveled and played with the Buffaloes last season in games as far away as Fresno, Calif. The schedule for next season will cover several thousand miles.

Jesse Cornell is a son of Mr. and Mrs. J. M. Cornell of Sunnyview community.

### ATTENDED EPISCOPAL CHURCH MEETING

Those from here to attend the Convocation of the Episcopal Church at Sweetwater over the week end were Rev. and Mrs. E. W. Henshaw, Mrs. W. H. Patrick, Mrs. R. L. Bigger, and Mrs. Geo. A. Ryan.

Rev. Henshaw filled the pulpit at the Episcopal church in Big Springs Sunday.

### AGED MAN INJURED

Mr. Roy Terrell of Vashti, Texas fell at the Antro hotel here Tuesday and painfully injured himself. There is said to be no bone fractures. He is now at the home of his daughter, Mrs. Geo. Noah Dozier.

### HAZELWOOD TO SERVE ON COMMITTEES

Senator Grady Hazelwood was named on the highway and motor traffic committee when the state lawmakers began work at Austin Saturday. He is also to serve on mining, irrigation and drainage committees, as well as agriculture, banking constitutional amendments, criminal jurisprudence, insurance, labor and public lands committees.

## Martin School Movie Friday Evening

Principal F. L. Behrens, Jr. announces the showing of the Bagby Travelogue at the Martin school Friday night, January 24th, at 7:30.

This picture is most educational since it brings scenes from several western states before the eyes of pupils and elders who will delight in the four months tour to be taken within approximately an hour and a half.

The Golden Gate Exposition in all its glory is a change of scenery from the volcanic lakes and mountain country. One sits and dreams as the picture rapidly unfolds the wildest outdoors of the nation.

Lakes, rivers, large trees, mountains like needles reach high into the heavens as they are thrown upon the scene in this beautiful moving picture series in technicolor.

The admission will be ten and fifteen cents. Candy will be sold and with these purchases go many forms of gifts contributed by the merchants of Clarendon.

This moving picture treat is being sponsored by the Martin P. T. A. of which Mrs. Virgil Jordan is president, and Miss Nova Cook secretary. The funds secured from the exploit will go toward the purchase of necessary school fixtures.

### GIRLS INTERESTED WITH N.Y.A. ADVANTAGES

On Tuesday afternoon, between the hours of one to five, Miss Eula Joyce Burselson will be able to interview young women between the ages of sixteen and twenty-four who are interested in employment by the National Youth Administration.

Those interested should call at the NYA home in Clarendon.

Judge J. R. Porter, president of the organization, was selected by the program committee to serve as toastmaster at the annual banquet February 4th. He will also make the welcome address.

Wes Izzard, news commentator and announcer over station KGNC of Amarillo, and well known writer on the News-Globe, will deliver the principal address of the evening.

Rev. Cecil E. Harvey, pastor of the Christian church, will give the invocation, and some out-of-town speaker will respond to the welcome address, according to tentative plans announced today by Secretary John R. Gillham.

Announcement of winners in the Christmas decoration contest will be made at this meeting.

Officers for 1941-43 will be selected by the nominating committee. J. R. Porter, Sam Braswell and Ralph Andis are the three members whose terms expire, and J. T. Patman, C. J. Douglas, H. L. McElvany and Isadore Mellinger are the directors whose terms will expire in 1942.

C. J. Douglas and Isadore Mellinger have been appointed the nominating committee.

Ralph Andis, C. J. Douglas and J. T. Patman are on the ticket sales committee. J. T. Patman will make arrangements for the banquet.

Isadore Mellinger, J. R. Porter, Sam Braswell and H. L. McElvany are the members of the program committee.

### BASKETBALL GAME AT GOODNIGHT CALLED FRIDAY NIGHT

The Goodnight Buffalo basketball teams, girls and boys, will play the Alanreed boys and girls at Goodnight Friday, January 24th, 7:30 p. m.

A very small admission charge will be made. Here are four strong teams to clash. You can't afford to miss it if you are at all interested in basketball.

### DONLEY COUNTY SCHOOLS RECEIVE \$21,685

That is the total sum received in Donley county from the state rural aid equalization fund during the past fiscal year, according to a report of state auditor Tom C. King Saturday.

The amount received by various counties shows Armstrong got \$101; Briscoe 10,030; Carson 75; Collingsworth 42,986; Childress 21,973; Hall 41,352.

## Lelia Pioneer Branches Out

It is said that Donley county has more citizens who have been residents of the county for more than thirty years than any other county in West Texas in proportion to her population.

It might also be said that the pioneer element have the most faith in the future of the county. A recent instance is that of C. L. Cook of Lelia Lake, a resident there since about 1908.

He recently purchased the mercantile business of John Howard, the oldest firm of the village. He has erected a modern business home 50x80 feet of rock veneer type, using the famous Palo Pinto county flag stone, one of the most ornamental limestones of the state. The front of the building has a large space for plate glass display.

A general merchandise stock will be at the disposal of his patrons.

A portion of this building is occupied by the cafe of K. K. Day. The furnishings, tables, booths, chairs, etc. are of the cedar veneer type. The cafe in toto is of streamline type thoroughly in keeping with similar facilities of a cafe in any man's town.

The building is occupying the site of the old postoffice building.

AUSTIN—Plans are being made now for a big crowd in Austin on Tuesday, January 21st, for the governor's inaugural barbecue and ball. Chairman O. P. Lockhart of the Austin reception committee was busy this week caring for a lot of sheep, goats and beehives, which will be slaughtered for the barbecue dinner to be served on the lawn of the Governor's Mansion.

Austin, rumors have spread over town that several upheavals in departments will take place soon, brought about by investigating committees to be called for this week. The Austin Tribune says there will likely be an investigation of the transportation division of the Railroad Commission.

PRISON RECORDS 55 ESCAPES IN 1940

The Texas Prison System lost only 55 men by the escape route in 1940, figures from the prison showed last week, and of these, 28 have already been recaptured, leaving a net loss of 27.

General Manager O. J. S. Ellingson said this indicated "good custodial work," since over 3,500 prisoners are daily taken to the fields and timberlands to work. An additional 1,000 prisoners are classified as trustees and are not guarded.

Ellingson said that ten years ago, there were more than 100 per cent more escapes than last year, despite a prison population 24 per cent under today's average daily of 6627 inmates.

"This prevention of escapes requires careful study, as well as planning," he said. "Factors that have contributed to this record include classification of prisoners and segregation of the maximum security risks as well as safe housing, good food, clean quarters, good treatment and a well-organized educational and recreational program."

Adell Williams and family spent the week end at Stinnett, visiting Mrs. Williams' sister and family.

Load Limit Fight

The Austin American, after announcing that Lon E. Alsop will sponsor a scientific load limit bill in the House, has the following to say on the subject:

"It is well for Texans to remember that even with the present 7,000-pound limit law and its violations, trucks have destroyed a section of the main north-south highway through the State—the Highway 81 through Hill County, serving both the Forth Worth and the Dallas connections; and have badly damaged the Dallas section north of Hillsboro. Shippers and truckers pay taxes. That is undisputed. But they don't own the highways. The individual who pays his license fees and gasoline taxes is entitled to part of the road. **TEMPLE OF TRUTH**  
By The Apostle  
**GHOULS OF HYSTERIA.**

Had you ever noticed that war periods hatch out a lot of imps who prey upon the hysteria of a lot of folks by proposing to impart to them occult knowledge? This is all done for a price, of course. While they are fakirs of the first water, they do rake in a lot of money. One fellow claims to have had a conversation with a Hindu who died centuries ago. Another says he had a "talk with God" and found out a lot of new stuff that he is willing to sell suckers. After all, no one in modern times has been able to see into the future a split second with any certainty. Your Donley County Leader refuses all such advertising. Any reputable newspaper should.

**IZZARD TO SPEAK.**

It is possible that Wesley Izzard of KGNC and News-Globe fame will be the principal speaker here

at the annual Chamber of Commerce banquet on the evening of February 4th. Wess Izzard is the best informed man from an all-round literary standpoint in West Texas. He is the best informed man on world affairs as well. He speaks so that you can understand every word and every word carries a punch. You will enjoy hearing this man after listening to his "News Comments" each Sunday afternoon over KGNC. His voice and personality has influenced so many people through the years that he has been talking on the air, that hundreds of youngsters refer to him as "Uncle Wes." I told him of this fact some time back and he seemed to enjoy knowing that his listening audience included the younger set as well as thousands, and perhaps millions of elders.

**BOOK PENDING.**

Well sir, that book idea of "Predicaments Pave Panhandle" has created a lot of furor. Some have written daring me to print certain things on them. One fellow whom I have known 42 years allowed as how he "had not stole anything for 20 years, and that

all his family had quit except his son-in-law, and he was not responsible for him!" Others sent in copy for the book and still others wrote or called at my office to say they were ready to help in any manner possible. They want a real first-hand history of the Panhandle on "predicaments," and will likely get it some time this summer. Of course we would leave out anything that would cause any one embarrassment. For instance, a man declared insane here by a jury in 1908 has since made a successful business man despite the panic and new deal and the whole works. The doctor and 3 of the jury yet living would be embarrassed in this case—not the victim. He laughed as he told me about it.

**OUT OF SEASON.**

He stood on the bridge at midnight  
And tickled her face with his toes,  
For he was only a mosquito,  
And he stood on the bridge of her nose.

Here's hoping the Governor cleans house down at Austin just as he has planned. They need some new blood at the helm of state.

**Neuralgia**

Neuralgia may occur in the face, head, over the eyes, in the lumbar region, along the spine, in the ovaries, between the ribs or follow the course of the sciatic nerves in the lower extremities. Its one outstanding symptom is a darting, cutting or tearing pain often very severe. The principal predisposing cause in most cases are a nervous temperament, poor nutrition, over work, and such conditions of the blood as accompany gout, rheumatism, malaria and some diseases of the kidneys. Decayed teeth or crowding of teeth may be a cause of facial neuralgia in its severest form known as (tic dolereaux), or pressure on a nerve from a bony growth, exposure to wet or cold, and also excessive excitement or emotion.

Sciatica is a true neuralgia since the pain follows the course of the sciatic nerve, extending from the hip to the leg and foot, and may even be felt in the inner side of the knee joint. Exposure to cold and excessive physical exertion are prominent causes; gout muscular rheumatism and the highly nervous temperament predisposes one to it. It occurs more often in men than in women. The pain is very severe in acute cases, which should run their course in about six weeks, but may become chronic unless a Chiropractor is seen immediately.

**People, Planes, Cannon And Bands Sound Welcome For Gov. O'Daniel**

W. Lee O'Daniel, a radio flour salesman two and a half years ago, Tuesday was inducted for a second term as the thirty-second governor of Texas. He won without a "run-off" the first term, and defeated eleven opponents without a run-off for his second term.

The program of an hour and a half came to a climax with the administering of the oath by Judge James P. Alexander of the Supreme Court.

Bands played, cannon boomed, airplanes circled above the capitol, the third largest public building of the nation. The Texas A&M band played the Governor's own composition, "Beautiful Texas," and, led by the Governor, the crowd stood at attention.

The principal theme of the Governor's address was the condemnation of over-lapping boards, bureaus and commissions. The Governor was frequently cheered, and especially when he declared that he "wanted to return the government back to the people."

The Governor was given rapt attention during his address as he explained his views of state government. At the close, the Longhorn band played the Star Spangled Banner, followed by the Eyes of Texas and the great crowd again stood at attention.

He declared the Governor of Texas has about as much power in guiding the ship of state as an experienced captain who attempts to cross the ocean in a vessel with neither rudder, engine nor sail. He voiced hope that the current Legislature would break the hold of self-seeking, influential cliques on the control of government in Texas and restore it to the people.

O'Daniel advocated careful industrial economy, adequate provision for health and education, care for the unfortunate, next told of his pledges to the President of every assistance Texas can give in the national emergency.

**AT MINERAL WELLS**

**STUDENTS EARN WAY IN STATE UNIVERSITY**

AUSTIN—The University of Texas is no "rich man's school"—not when 60 per cent of the 11,000 students work their way through school.

Earnings of 2,942 of these working students last year totaled \$215,013.44, the Students Employment Bureau, University job-getting agency, has reported.

N.Y.A. jobs were filled by 1,173 students, who earned \$120,366.90, while the bureau obtained "spare time" work for 1,739 others at a total payroll of \$67,354.54, Arno Nowotny, assistant dean of men and bureau director, said.

Some 3,500 students found work on their own initiative, he added.

The bureau also found full-time jobs for 30 graduates, whose salaries totaled \$37,292, he said.

Student jobs numbered approximately 100 different varieties, Nowotny pointed out. One student, for example, was a combination nut-candy, life insurance and tombstone salesman. Others washed windows, managed flower shops, drove ambulances, barbered, and waited tables.

Delmar L. King, Deputy Internal Revenue Collector of Amarillo, was in Clarendon Tuesday checking up on the boys for Uncle Samuel.

**To Meet in Austin**

Former Representative Bailey Ragsdale, president of the Dirt Farmers Congress of Texas, announces his organization will hold its third annual congress in Austin on Feb. 3 and 4. Under the leadership of Ragsdale, the agency now functions as a central office for 22 farmer and stockman organizations of the state, representing a total membership of 100,000 farm and ranch owners, such as the Texas Sheep and Goat Raisers, the American Rice Growers, the Texas Co-Op Ginners As-

sociation, the Texas Grange and many others.

The story is going the rounds in Austin now that the cement trust was back of the resignation last summer of Julian Montgomery as State highway engineer. Montgomery had been using too much asphalt and not enough cement in building highways. With a new member to be named by the Governor on the Highway body next month, many wonder if the present State engineer will be retained. It is an interesting question—Attorney General Mann has the full backing of the man on the street in his appeal to the United States Supreme Court the question of whether or not state civil officials can serve in the Army and retain their civilian offices. The Texas Supreme Court, to the astonishment of everyone, recent-

ly ruled it can be done and the officials draw salaries from both jobs. Jerry Mann will likely win in the federal court, it is believed here. Dan Dove, new member of the legislature from Mexia, says one of his opponents last summer was named "Robin". Dan says his wife came along to watch him and not let the gay parties here get him down. A new state senator reveals he had an "opportunity" recently to sell an oil lease on a 400-acre tract, although the oil prospects had never been there before his election to the senate. Other senators are wishing they owned large tracts of land, believing it would be valuable now for "oil" leasing! Nuf Sed! Most of the governor's appointees will go through without any trouble, says one powerful member of the upper house. One or two will have some trouble.

**LIQUOR MONOPOLY PLAN PUSHED**

The old issue of controlling the liquor by placing its legal sale in the hands of the state will be raised at the forthcoming session of the Legislature.

This is promised by Thomas Hudson McKee of Vernon, former state worker, who has long advocated the "state monopoly" system of liquor control. This year he asserts he has the backing of his legislators. "My state senator, George Moffett, and Rep. P. Q. Mills will back it hard," he said.

McKee's advocacy of the bill is in the belief that it will also meet social security financing problems.

The estimated annual yield if the state should take over the retail liquor business, said he, is \$10,000,000 "plus a vast improvement in the control of the sale of liquor, wine and beer."

McKee said he had prepared the text of the bill, after studying the plans of thirteen states where liquor monopolies have been established: Maine, New Hampshire, Vermont, Pennsylvania, Ohio, Virginia, Alabama, Michigan, Iowa, Utah, Idaho, Oregon and Washington.

"This is an alternative to a tax measure," said McKee, emphasizing that it would raise considerable sums of money in excess of what is now realized from taxes on liquor.

Mrs. Ray Wilson spent the week end here, having returned her mother, Mrs. Cap Lane, who had visited her the past week in Paducah.

**GOBBLER DRIFTED 35 MILES**

Another instance of wild turkeys drifting a considerable distance has been found by the State Game Department. A gobbler trapped in the Hill Country last spring and released near Kerrville in April, was shot by Dr. Dalton Richardson of Austin near the close of the hunting season on a ranch approximately 35 miles from where the gobbler had been banded and released nine months previously.

Turkeys will drift in search of food and cover if there is not sufficient of one or both on the area they inhabit.

**Salaries of WPA Officials In Texas**

WASHINGTON, Jan. 22.—Salary records of the works projects administration made public today by the house appropriations committee disclosed that the WPA administrator for Texas, Henry P. Drought, received a \$7,000 annual salary as of Dec. 1.

Numerous other officials under Drought at state headquarters in San Antonio received salaries of \$3,000 or more per year in line with scores of superintendents and assistants through the state.

WPA administrative personnel drawing \$3,000 or better, by cities to which they were assigned, include:

San Antonio (state headquarters offices)—Henry P. Drought, state administrator, \$7,000; Stearns S. Tucker, deputy administrator, \$5,600; Robert W. Colglazier, director of operation, \$4,800.

Marshall (district)—Albert W. Elrod, manager, \$4,200; Whitten K. Woodruff, operations director, \$3,200.

Waco (district)—William H. Beazley, manager, \$4,200; John C. Stilley, operations director, \$3,300; Weldon B. Price, employment officer, \$3,000.

Austin (district)—Cullen E. Wayman, manager, \$3,900; Joe F. Minter, operations director, \$3,100.

Laredo (district)—Bille H. Tate, manager, \$3,600; Harold T. Boyle, operations manager, \$3,300.

Amarillo (district)—Alson A. Meredith, manager, \$3,600; Geo. A. Linder, operations director, \$3,000.

Lubbock (district)—John O. Jones, manager, \$3,900; William E. Burke, operations director, \$3,300; Early E. Kerr, employment supervisor, \$3,000.

**UP TO THE PEOPLE**

How can good government be obtained?

It obviously does not come by chance. Good government must be sought after and worked for. Good government must come from the efforts of the people.

Here is the line of endeavor suggested by the Utah Taxpayer. It is applicable to Texas:

"If the people as a whole are alert, informed, and active in government, it will be good.

"They will see to it that the offices are well managed and the work efficiently performed.

"All work will be carefully planned and budgeted.

"There will be no duplication of effort or overlapping of jurisdictions.

"Scientific principles of government will be utilized.

"There will be security of tenure for efficient public servants.

"Favoritism will be eliminated. Corruption will not be tolerated.

"The laws will be justly administered.

"The tax burden will be bearable."

Those things are worth working for—in Texas and everywhere.

ing for—in Texas and everywhere.

**29 DENOMINATIONS ARE REPRESENTED IN STATE UNIVERSITY BODY**

AUSTIN—Church membership is held by nearly nine-tenths of the University of Texas student body, a current registrar's report shows.

Out of the 11,078 students enrolled last year, 9,610 were members of some church, while 1,252 others indicated a preference among the 29 denominations represented.

More students belong to the Methodist Church than to any other—2,909. Following in order are Baptists, 1,955; Presbyterians, 1,221; Catholics, 857; Episcopalians, 812.

Other large contingents belong to the Christian (Disciples of God) Church, 581; Jewish, 440; Lutheran, 294; Church of Christ, 253; and Christian Scientists, 98.

J. F. Stiles of Bray was in town Wednesday.

**PIONEERS CATERED TO RECREATIONAL HALLS**

In the earliest period of the colonization of Texas, the town of San Felipe, Stephen F. Austin's colonial capital, boasted of possibly a dozen log cabins and only one frame building—which was a saloon and billiard hall, records in the University Library show.

**Be Quick To Treat Bronchitis**

Chronic bronchitis may develop if your cough, chest cold, or acute bronchitis is not treated and you cannot afford to take a chance with any medicine less potent than Creomulsion which goes right to the seat of the trouble to help loosen and expel germ laden phlegm and aid nature to soothe and heal raw, tender, inflamed bronchial mucous membranes.

Creomulsion blends beechwood creosote by special process with other time tested medicines for coughs. It contains no narcotics.

No matter how many medicines you have tried, tell your druggist to sell you a bottle of Creomulsion with the understanding you must like the way it quickly allays the cough, permitting rest and sleep, or you are to have your money back. (Adv.)

**We're Ready to Serve Uncle Sam**

**-But We're Not Forgetting You!**

It has been asked:

*How soon can the electric industry prepare?*

The question was answered by a noted editor who wrote:

"When there is a big job to be done, it is logical and sensible to assign it to hands that are willing, ready, able and experienced. . . This is directly applicable to the problem of electric power for defense. The willing hands in this case are your everyday friends and acquaintances. . . the men and women, working under a system of private initiative and enterprise, who operate your service company. Their experience and ability cannot be questioned. . . They are ready NOW."

The United States today has more than 40,000,000 kilowatts of generating capacity—50 per cent above demand—of which 90 per cent is privately owned by people who invested their savings in sound business enterprise. By way of comparison, Germany, England and France each have less than 9,000,000 kilowatts.

Not only is power for defense assured by this capacity, but it is further guaranteed by interconnections and integration—started 30 years ago and bringing electric service in West Texas and the nation to

a higher peak of EFFICIENCY and ECONOMY THAN ANYWHERE ELSE IN THE WORLD. Jobs are provided 275,000 men and women, every one of whom is fully trained in some special post necessary to producing and distributing power. The industry is paying \$400,000,000 a year in taxes supporting the various local, state and federal governments and school and highway systems.

Guiding Your Electric Servant are capable, willing hands—your assurance of plentiful, cheap electric service.

**Electric Power..and Man Power, too**

We've prepared in advance to help Uncle Sam with electric power without peril to our service to you. And we are contributing manpower for defense as well. Twenty-three of our men already are in uniform. Those left behind are "carrying on" without impairment of service to you.

Summary of a recent survey among our thousand employees shows that as of January 1:

- 7 are reserve officers awaiting call
- 27 are eligible draftees awaiting immediate call
- 115 are within draft age

### 55-Piece School Band Concert

Thursday, January 30, the high school band will present one of the most interesting programs since the organization of the band. The band is composed of 55 members and has a very fine instrumentation.

The program opens with the famous 'On the Mall', march by Edwin Franko Goldman. The Goldman Band is one of the outstanding bands in the United States, and is heard weekly over N.B.C. Following this famous march will be the 'Crusaders Overture' by Buchtel. Mr. Buchtel is one of the outstanding band composers in America, and this number is one of the 1941 contest numbers. In February Mr. Buch-

tel will conduct the All-State Band at Waco in a three day clinic. Next appearing on the program is the great number of Jean Sibelius, 'Finlandia'. Mr. Sebelius is the great Finish composer and is known the world over for this number. Last Spring during the war with Russia, Mr. Sebelius was reported killed, but later was found safe. Closing the first half of the program will be the ever popular 'Star Dust', by Hoagy Carmichael.

Following a short intermission a brass sextet composed of John Burton King, Fred Lynn, Billy Jack Shelly, Victor Smith, Raymond Johnson, and Jack Lackey, will play 'Memories of Stephen Foster'. Of course Stephen Foster is recognized as one of America's greatest composers.

A very unique feature will open the second half of the program.

Each year at the State and National contest each band is required to sight read two numbers. Therefore, to prepare for this part of the contest the band will sight read an overture never before rehearsed. In fact the number will be passed out during the concert. Following the sight reading number will be 'Azalea', Overture by Fulton. This number was a 1940 contest number, and also used for the student conductors contest. Another favorite will follow with the band playing the 'Desert Song', by Romberg. Closing the program will be one of Sousa's most famous marches, 'High School Cadets'. Mr. Sousa is known the world over as the march King, having written over six-hundred marches.

A small admission charge of 10 and 25 cents will be made for the concert with the hope that this money will start the band to the National Contest to be held in Waco in May.

The band is looking forward to a very busy Spring, in fact concerts have already been scheduled for February 7th at Memphis, and February 25th the band is to play the chapel program at West Texas State College at Canyon.

#### JESS BOONE MET WITH ACCIDENTAL DEATH

While removing a 22 rifle from his car at Lubbock Wednesday of last week, the gun fired causing almost instant death to Jesse Boone.

The deceased resided in Donley county and at Hedley for some forty years, moving to the Lubbock country about 18 months ago.

He is survived by four children. They are Billy Bob, J. C., Jean Marie and Clinton. He also has three brothers and three sisters living.

Rev. I. E. Biggs conducted the funeral service at the Hedley Methodist church the 16th.

**ATTEND ZONE MEET**

Messrs. Verna Lusk, McHenry Lane, Ralph Andis and L. B. Penick attended a zone meeting of the Lions Club at Silvertown, Wednesday night.

### CHRISTIAN CHURCH ROLL CALL HAS LARGE ATTENDANCE

#### Sheriff Office Changes Fast

CLAUDE—Sheriff H. B. Dye, who resigned Wednesday after one night and part of a day in office, was succeeded by Ray Burton, 31, Claude oil and gas wholesaler.

The office of sheriff was left vacant by the death of James A. Best, who died Saturday night, on the 11th day of his new term.

Burton was elected by the county commission after Sheriff Dye announced he preferred to remain on his farm about 10 miles from town.

#### RED CROSS GARMENTS

All garments being made for the Red Cross here must be turned in by January 30th. Miss Charlotte Molesworth announced Wednesday.

This includes both knitted and sewed garments being made for the war refugees.

#### HERE FROM ODESSA

Mrs. S. M. Eltoft of Odessa spent the week end here with her parents, Mr. and Mrs. A. O. Hefner and other relatives. She was accompanied by Mrs. Sales who visited her daughter, Mrs. A. D. Phillips.

#### Stephens Rites Are Held Here

Funeral services were conducted by Rev. J. Perry King at the First Baptist church here Wednesday at 3 p. m. for J. M. Stephens who died following an operation in Baylor hospital in Dallas Tuesday, the 21st. A brain tumor is said to have caused death.

Attending the casket were W. W. Taylor, Ed Duncan, Frank Whitlock, Jim Headrick, Tom Connally and Leck Goldston.

John Morgan Stephens was born September 10, 1872 in Cleburn county, Alabama, and married Miss Lola Amos in that state in 1892. To this union two daughters were born. Mrs. Flora Lummus, deceased, and Mrs. Hattie Obrian who resides in Corpus Christi.

He had been a resident of Texas since 1901, and resided in Donley county from 1913 to 1940. For several years he engaged in the grocery business here under the firm name of Cox & Stephens.

He is survived by his widow, a daughter named above, a brother, two sisters and six grandsons. The grandsons are J. M., Royce and L. D. Lummus; Granville, Otis and Floyd Guthrie.

Mr. Stephens united with the Baptist church early in life, and moved his membership to Corpus Christi where he had resided since the spring of 1940.

The Annual Roll Call of the Clarendon Christian Church was held Sunday with fine crowds attending all the services. During the day, two members were received into the church. One by statement and one by baptism.

The ladies served dinner after the morning service to over 80 people.

Mr. Roy Clappitt conducted the afternoon service. This year marked the largest number of members present to answer to their names in five years. Letters were read from former members and pastors. The oldest member Mrs. Kate Johnston, and the youngest, Miss Patsy Pittman, were recognized.

Short talks were made by Mrs. Johnston, Mr. and Mrs. John Beverly of Pampa, Mrs. Roy Blackwell of Amarillo, Mrs. Mormon of Allanreed and Mr. Frank White Sr. Each told of interesting events in the past years of the church's growth.

Mr. White gave a fine history of the beginning of the Christian church. "The church was organized in 1892 with 16 charter members by Rev. A. T. Nance. Among the charter members yet living in the Panhandle are F. R. McCracken of Allanreed, Mrs. Kate Johnston of Amarillo, Mrs. Lee of Amarillo. While this church never had a large membership, yet, their records show nearly a thousand conversions during these 49 years of service. One thing among many others, the First Christian church of Clarendon have always been in the front ranks in every moral issue and for a better Clarendon."

The present church was dedicated in 1919 at which time Bro. Huckleberry was pastor.

Rev. Joe Findley of the Memphis Christian church was the principal speaker for this occasion bringing a message on "Jesus and Home-Coming."

Out of town visitors and former members included Mr. and Mrs. John Beverly of Pampa, Mrs. Blackwell and daughter-in-law of Amarillo, Mr. and Mrs. Mormon and son of Allanreed, Mr. and Mrs. Glen White of Shamrock, Mr. and Mrs. Richards of Memphis and others.

The service concluded with singing, "God be with You till We Meet Again," and the benediction was pronounced by G. A. Anderson.

Next year is the 50th Anniversary of the Clarendon Christian church and plans are being made to observe this milestone in 1942.

Rev. Cecil E. Harvey, a very talented young man, is the present pastor, having begun his work with the local church only recently. Under his able leadership, the members are taking much interest in all departments of the church.
