ALL THE COMFORTS OF HOME—Nearly all the villas have open fireplaces which provide cheery surroundings for the airmen during long winter evenings. Bomb packing cases furnish material for bureaux, chests, stands and chairs. Used bomb racks are foot-stools.

Services Held Tuesday For S. T. Clayton

Funeral services were held at the Methodist church here Tuesday afternoon for S. T. Clayton with Rev. E. D. Landreth officiating, assisted by Rev. H. W. Hanks and Rev. John S. Ellis.

Mr. Clayton was killed when struck by an automobile near the intersection of Sixteenth and Fillmore at Amarillo about 8 a. m. Sunday morning. Driver of the car, Walter Simon, Amarillo, stopped and rendered all aid possible. Amarillo police, following an investigation, said the accident was unavoidable.

Mr. Clayton, a retired groceryman, had boarded a northbound bus at the northeast corner of the intersection but asked the driver to wait while he went back to a grocery store across the street to get something he had forgotten, police said. He left the bus and started across the street, walking fast, and as he stepped in front of the bus he was struck by the car also going north, police said.

Mr. Clayton apparently failed to look up and down the street as he started to the Superior Market where he had been working at odd times.

He suffered a compound fracture of the skull, a fractured right leg and other injuries. He was taken to a hospital but died a few minutes later.

Mr. Clayton, long time resident of Clarendon where he operated a grocery store and was engaged in farming, moved to Amarillo seven years ago.

Survivors are his wife; two sons, Roy L. Clayton of Clarendon and Thomas Clayton of Memphis; four daughters, Mrs. F. O. Naylor and Mrs. H. S. Mahaffey, both of Clarendon, Mrs. Roy Cornelius of Lubbock and Mrs. Ray Norman of Amarillo; two brothers and two sisters.

Pallbearers were L. L. Moreland, Glenn Williams, Heckle Stark, Dudley Wilson, Cap Morris and Arlie Wood.

Honorary Pallbearers were John Black and Mr. Smith of Amarillo and C. M. Lowry, L. L. Wood, Paul Shelton, Pink Marshall, F. E. Chamberlain, M. R. Allensworth and W. R. Hardin of Clarendon.

Track Meets Scheduled

Coach J. L. Naylor announced this week that he would accompany a group of boys to White Deer Monday afternoon where a tri-cornered track meet will be held between White Deer, Lefors and Clarendon. The following Friday, he will take his boys to another such meet at Wellington, between that city, Shamrock and Clarendon. His boys are looking very promising in their workouts every afternoon.

Mrs. Martin Thornberry is still in the hospital at Wichita Falls.

APPLICATION TO REBUILD COZY THEATRE SUBMITTED

Lee Bell, manager of the Pastime and Cozy Theatres, announced yesterday that he had appeared before the War Production Board and several other government agencies in Dallas the first of the week and that an application for rebuilding the Cozy Theatre had been submitted and has been forwarded on to Washington for approval. From all that Mr. Bell could learn, the possibilities for rebuilding look mighty good.

A contract to draw up plans for the new building has been let to Theatre Architect, Jack Corgan of Dallas. Going ahead with this procedure will enable Mr. Bell to go ahead toward making plans for the construction, if and when the project is approved.

Public Enjoys Barn Dance

The barn dance last Friday night, sponsored by the band, proved to be a show worth the money. Everyone had a wonderful time. The band queen turned out to be Miss Elise Norwood, a senior in CHS. She should fill her position very nicely. The band is very proud of her.

Sam Roberts and R. E. Drennan provided a little "hoe-down" for an attempt at square-dancing. However, the various sets, composed mostly of students, danced in a variety of fashions. Conglomeration was the result; yet, they enjoyed it. That's something!

Mr. Stanley, director of the band, announced that the dance and sweetheart election netted about \$300. This will buy several uniforms, but is still far from the amount needed.

LT. WAYNE L. JOHNSTON ARRIVES IN EUROPEAN WAR THEATER

A U.S. STRATEGIC AIR FORCE STATION IN ENGLAND—2nd Lt. Wayne L. Johnston, the son of Mr. and Mrs. Virgil V. Johnston of Brice Route, Clarendon, recently arrived in this war theatre of operations and received a brief orientation course at this station designed to help him adjust himself to life in a combat zone.

Lt. Johnston will soon transfer to his permanent station from which America's fighting planes cover our advance into Germany.

Prior to entering the services, Lt. Johnston attended the University of New Mexico at Albuquerque.

BETTY JO BARTLETT RECEIVES DEGREE

Degrees were conferred on 272 students at the University of Texas recently, including seven master's and five doctor's degrees. Among those receiving degrees was Betty Jo Bartlett of Clarendon, a daughter of Mr. and Mrs. J. R. Bartlett of this city.

Noblitt Expands Business Here

Ray J. Noblitt, owner of the Noblitt Sales Company, announced this week the purchase of the Arthur Campbell Garage and surrounding grounds. The building has been remodeled and sealed on the inside and further improvements will be made as soon as materials are available. Mr. Noblitt stated.

This new department of the Noblitt Sales Company will comprise auto and tractor service which will be efficiently handled by Andrew Jay who is well known by vehicle owners in this territory.

Mr. Noblitt states that first-class equipment has been installed and that more will be added as it becomes available.

In addition to the auto and tractor service, the building will also house the Butane-Propane gasses now handled by Mr. Noblitt. All operations pertaining to these gasses will be handled at the new place as soon as the proper type of equipment can be obtained.

"The Store on main street, comprising the clothing, hardware, feed, etc. departments will remain at the same location and the store building there will be enlarged within the near future," Mr. Noblitt stated.

W. K. HARDIN SERVING WITH NEW ENGINEER COMBAT BATTALION

WITH THE 2755th ENGINEER COMBAT BATTALION, SEVENTH ARMY, FRANCE — The 591st Engineer Boat Regiment, many of whose members are serving with the 2755th Engineer Combat Battalion, has been awarded the Meritorious Service Plaque with Star in recognition of the regiment's outstanding achievements in the North Africa Theater of Operations. The award was earned during a period from January 1, 1944 to February 29, 1944 and again as indicated by the Star from March 1, 1944 to September 30, 1944.

Units of the 591st Engineer Boat Regiment, one of the first American units to be sent to the European theater, served in five major amphibious operations; namely, the landings in North Africa, Sicily, the initial landing in Italy, the landing at Anzio and the landing in Southern France.

For their individual contribution to the regiment's success each member is entitled to wear the Meritorious Service Insignia, a golden yellow wreath and star on his right sleeve.

Corp/T. W. K. Hardin, son of Mrs. Watt Hardin of near Clarendon, is a former member of the 591st Engineer Boat Regiment now serving with the 2755th Engineer Combat Battalion on the Seventh Army front.

Master Magician Here Tonight

Birch, America's foremost magician, with his company of assisting artists will play an engagement in this city tonight at the College Auditorium beginning at 8 o'clock.

The Birch show is the largest magic production now on tour in this country. Equipment, scenery and effects valued in excess of \$25,000 are carried and will be seen at the local performance.

Slicing a beautiful girl into four parts, shooting a live canary into a burning light bulb, causing a live pony to vanish in mid-air, and many other startling mysteries will be presented by this master magician and company in a magic pot-pourri of thrills and fun.

The current tour is Birch's twentieth annual one, and his attractive personality makes him

one of the most pleasing entertainers the magic world has ever produced. Thurston publicly declared that Birch is the only magician sufficiently talented to be his successor and the man he picked to "fill his shoes."

Heading the Birch staff of assisting artists is Mabel Sperry, hailed by critics as the world's greatest girl xylophonist. Miss Sperry charms music lovers everywhere with brilliant solos on her special built Marimba Xylophone.

The show is being sponsored by the Clarendon Lions Club in the interest of the Community Center Fund.

BETTY JOHN GOLDSTON AWARDED GOOD CONDUCT MEDAL

A "Good Conduct" Medal was awarded Betty John Goldston this past week at the A.A.A.F. by the commanding officer of the Post, General Connell.

Miss Goldston is a clerk-typist in the military personnel office at the Amarillo Field, having been there since her graduation from Clarendon Jr. College this past year. She is the youngest daughter of Mr. and Mrs. John Goldston of Midway.

Paper Drive Still In Progress

In last week's issue of the Leader, there appeared an article stating that the entire town would be scoured for waste paper by the C.H.S. Band. Due to the acquisition of much more waste paper than was anticipated, only a portion of the city was covered. J. G. Stanley, director of the band and in charge of the drive, extends an apology if he and his boys failed to visit your house last Saturday for your waste paper. He plans to carry out his original plan, however, and will surely knock on your door this next Saturday.

The paper that has been piling up in the Leader office was contributed to the band and was removed from this office by its members.

New uniforms are the primary object of the band's efforts, and at the same time, it is performing a necessary patriotic duty.

MEAT ALLOCATIONS FOR CIVILIANS TO DECREASE

The tightening of meat ration values which became effective Sunday, March 4, was necessary to bring them into line with restricted supplies of meats for civilian use resulting from heavy military requirements and the fact that hog marketings are running below previous estimates, according to Ely Fonville, District Rationing Executive for the Office of Price Administration.

The meat allocation to civilians in March, Fonville said, will be five or six percent below February on an average weekly basis, and 13 to 15 percent under January. "It is likely that for the first six months of 1945 the supply of meat for civilians may be further below that of a year ago than the 15 percent we originally anticipated."

Local Boxers Score Again

Apparently, the art of winning is the only thing that the local boxing team knows. Again last Monday night, they thoroughly plastered the Wellington team for the second time when they won three bouts, lost two, and drew two. In addition, a few bouts between sluggers of the local team provided further entertainment.

Coach "Slick" Naylor announces that the team will go to Shamrock on Tuesday, March 20, for another evening of anticipated victory over that team. However, that team should offer some stiff opposition, as it has had a lot of experience where the local team has not. Also, the local team will participate in a tournament there on March 29, 30, and 31st. Details in connection with this tournament will be given later.

BI-COUNTY TEACHERS MEETING MARCH 23

The Bi-County Teacher's Meeting for Donley and Hall Counties will be held at Memphis on Friday evening, March 23. The Texas State Teachers Association units of the counties mentioned will meet for about three hours of fun and instruction. New school laws will be explained.

School board members are invited. All teachers are requested to attend.

"Let's show a professional attitude or quit teaching," said Chester O. Hill, President of the Donley County Unit.

Miss Ruth M. Richerson, Supt. of Donley schools is Secretary of the Donley Unit.

CPL. LLOYD W. JOHNSON WITH 14th AIR FORCE

Cpl. Lloyd W. Johnson, son of Mr. and Mrs. F. C. Johnson, and former operator of the Sugar Bowl, is now based in China. He is serving with Chenault's 14th Air Force, formerly the Flying Tigers.

Overseas since October 1, 1943, Lloyd has served first in North Africa, then India and at present is a Signal Man operating a Wireless Telegraph.

The father here sends Lloyd the Leader every week and Cpl. Johnson says he enjoys every inch of it and looks forward to the news from home every week.

Mrs. Lloyd Johnson resides with her parents, Mr. and Mrs. R. A. Blair at Carthage.

F. G. CROFFORD PROMOTED

The Leader has received word that Pvt. F. G. Crofford, a rifleman in Uncle Sam's army, has been promoted to Private First Class. He is a son of Mr. and Mrs. Floyd C. Crofford of near Clarendon.

TWO MEN PASS PRE-INDUCTION PHYSICAL

Two Donley county men passed their pre-induction physical at Oklahoma City, March 2nd. They were Fred Easterling and Lenzie L. Johnson.

MEDICAL DISCHARGE

J. M. Waddell, S F/c, U. S. Naval Reserve has received a medical discharge from the Naval Hospital at Shoemaker, Calif., and is now doing defense work at Odessa, Texas. He served two years in the South Pacific area.

Contribute to the Red Cross War Fund!

Lee Bell, chairman of the Donley County Red Cross War Fund Drive, announced today that \$4,600 of the \$6,100 quota for Donley County had been raised. This leaves \$1,500 to be raised within the next 16 days. Practically all of the county has been covered in the drive to date, netting the \$4,600. This means that those of you who were possibly missed by some worker will need to get busy and turn in your contribution to put the drive over the top.

The first money is always the easiest in a drive like this and sometimes the last few dollars are awful hard to bring in. If you haven't contributed yet, see one of the workers or turn your money in at any of the four banks or the Pastime Theatre.

The Red Cross is not letting our boys down, so don't let your Red Cross down in this drive. For in reality, you will be letting your own son or friend down. Where he is now, the going is rough and tough and he needs all you can give him—through the Red Cross.

Presbyterian Revival Begins Sunday

Dr. R. K. McCall of the Grand Ave. Presbyterian Church, Sherman, Texas will conduct the pre-Easter Evangelistic Services at the First Presbyterian Church of Clarendon, beginning Sunday, March 18th. The meeting will continue through Sunday, March 25th.

All are invited to attend these services. Dr. McCall is a renowned speaker and a Bible scholar of great reputation. He has had long experience as a pastor and a minister. He is a man who is well qualified to preach and instruct in the word of God. All will benefit and find great spiritual refreshment from his sermons.

During this meeting there will be a special men's Choir and other special selections in music.

"May our love and devotion to our Master Jesus Christ be shown by preparing our hearts during this season when He made His great sacrifice for us," stated Rev. John Ellis, local pastor.

Time of services is as follows: Sunday morning, 11:00; Sunday evening and every night during the week at 8:00.

PLAN TO COME!

Mr. and Mrs. E. N. Foster and D returned Friday from Phoenix, Ariz. and are visiting in the home of her parents, Mr. and Mrs. Fowler for an indefinite stay.

WORLD WAR MEMORIAL BLASTED—Enemy shells that wrecked this church at Saintenay, France, did not spare the town's monument to its heroes of 1914-18.

G. D. Shelley Writes From Iwo Jima

The following letter was received last week by Mr. and Mrs. Guy Shelley from their son G. D. who is with the 5th Marine Division on Iwo Jima Island.

Dear Folks:
Here I am again after what has been quite a wait. As you know by now, I or we, haven't been able to do a bit of writing for quite some time.

At present I am sitting in a fox hole and you can't guess how I have learned to love them. The greatest invention yet, has been the good old shovel.

I am feeling fine and doing alright under the present conditions. I can think of places I had rather be though.

Mom, a person cannot know the need of God and his protection until he has been over here. Don't ever give up praying. I know the Lord has been with me and I am ever so much more a Christian than I was before. So keep on praying mom and I am too. I won't say anything about this

over here. It's best not to talk about it.

Well, mom, tell all hello for me. I love you all very much. Tell the people around home hello. Must close now. Love again. Your son, G. D.

Election Notice

In obedience to the mandates of more than ten percent of the qualified voters in the City of Clarendon, as expressed by Petition presented to me, as Mayor, this the 28th day of February 1945, an Election is hereby ordered, to be held at the City Hall on April 3rd, 1945, to determine if the Voters of Clarendon desire to abandon the present Commission form of City Government and go back to the Alderman form of

City Government, as was ineffect before said Commission form of City Government was adopted, by votes cast at an election held, on April 17th, 1917.

The Petition also requests, that should the said election so ordered as above set out, be in favor of returning to the old Alderman form of City Government, then in due time, the Mayor is requested to call another special Election to elect five Aldermen, to serve until the next regular City Election on the First Tuesday in April 1946.

W. M. Patman is named Judge of said Election to be held April 3rd, 1945, and Walter Knorrpp and Allen Bryan to be Clerks.

Given under my hand and Seal this the 28th day of February 1945.

Mayor, City of Clarendon, Texas. (2-c)

BEES NEED BUMBERSHOOTS?

They say that "bees never get caught in the rain." Maybe you claim you've seen different. But the changed natural light as a storm approaches is supposed to make bees get busy and fly home. They may be weather-wise or not. But you've simply got to bet—for Spring weather demands an oil change in the car you cannot replace, and Conoco Nth motor oil will give your engine OIL-PLATING for extreme resistance to wear—

That's really how to hold down carbon, gum and sludge.
That's really how to keep up engine power.
That's really how to get good mileage from your oil and your gasoline.
The special life-giving quality of OIL-PLATING comes from patented Conoco Nth oil's additional ingredient—a climax of notable research. This effort developed the magnet;

like effect that makes metal attract OIL-PLATING—lubricant fastened square in the path of friction. And you can credit the same intensive research with making your OIL-PLATED engine defy corrosion.

Then both worst causes of wear are curbed. And you're safer from lay-ups—junking—walking! Surely Conoco Nth is worth its slight extra cost. OIL-PLATE today. Continental Oil Company

THE TEMPLE OF TRUTH
By the Apostle

There is an old saying that "to live a long time, fall heir to a chronic disease early in life." That's why chronic grumblers live too blame long maybe.

Then there was the old man gossiper known as "Steam Shovel" because he was always picking up the dirt. . . . It seems the only thing of which we have a plenty is short-ages. . . . O course you want to see the magician perform wonders this Thursday evening up at the Col-

lege. That recalls an old story that you have perhaps already heard. A magician traveling on a troop ship, had his pet parrot with him. When the magician performed his sleight of hand stunts, the parrot began a running fire of observations and questioning and kept it up all through the act. Finally their troop ship was torpedoed and sunk. Magician and parrot managed to get parked on the same life raft. After they had been floating around for hours, the parrot said in disgust: "All right, all right old boy I give up. What did you do with the ship?"

Be Quick To Treat Bronchitis

Chronic bronchitis may develop if your cough, chest cold, or acute bronchitis is not treated and you cannot afford to take a chance with any medicine less potent than Creomulsion which goes right to the seat of the trouble to help loosen and expel germ-laden phlegm and aid nature to soothe and heal raw, tender, inflamed bronchial mucous membranes. Creomulsion blends beechwood creosote by special process with other time tested medicines for coughs. It contains no narcotics. No matter how many medicines you have tried, tell your druggist to sell you a bottle of Creomulsion with the understanding you must like the way it quickly allays the cough, permitting rest and sleep, or you are to have your money back. ASHTOLA
Mrs. Van S. Knox

Friends of Mr. and Mrs. H. S. Mahaffey and family were greatly shocked Sunday morning when they learned of the death of Mrs. Mahaffey's father, S. T. Clayton of Amarillo who died after an unavoidable car accident in Amarillo Sunday morning about 8 o'clock. The community joins the writer in extending our deepest sympathy to the bereaved wife and children of Mr. Clayton.

Mr. and Mrs. Clayton are old settlers of Donley county and they and their children are well-known around Clarendon.

Mr. and Mrs. LuMcClellan visited Dr. and Mrs. Kelly of Pampa last Thursday.

James Reed Lovell accompanied Mr. Gillham to Ft. Worth to attend the Fat Stock show thru out the week.

Ray Morris and Bobbie Brown left Sat. for the Fat Stock show.

LaVera Ramsey and son, also Mr. and Mrs. Plimons all of Phillips visited Mr. and Mrs. W. A. Poovey Sunday.

Goble Barker and family visited his parents, Mr. and Mrs. W. F. Barker of Martin Sunday.

Mr. D. F. Randel visited Mr. and Mrs. E. V. Quattlebaum Sun.

Mr. F. M. Watkins and daughters Wilma, Faye Deene and Marie Miller and son Butch went to Bellevue, Texas to visit his mother over the week end.

Mrs. Henery Moor's brother P. N. Lonsore of Los Angeles, Calif. and her father J. P. Lonsore of Memphis are visiting with her.

Rev. and Mrs. Frank Baugh and the twins visited homefolks Wed.

night and attended to business in Amarillo Thursday, returning to Hollis after attending church services at Clarendon Thurs. nite.

Mrs. A. Reed's daughter and husband, Mr. and Mrs. Morehead of Amarillo visited Mrs. Reed over the week end.

ASHTOLA SCHOOL NEWS

Spring Fever
Spring fever affects people in different ways. The teachers and children of Ashtola school have been having "spring house cleaning" in the school building.

Many of the children like to get out and stroll on warm days such as Sunday was. Royce Morris, Theron Holland, James King, Lovell Myers and Don Carrol Springer explored canyons, "scared cattle" and looked for Indian remains.

Alvyn Barker rode a horse while his sister Evalyn Barker and Mary Evelyn Brinson just plain "walked" for the fun of it. Betty Anglin and Don Ray went fishing but caught a snake instead.

Claude DeBord and parents went to Amarillo Saturday. Claude bought a new hat.

Good News
Mrs. Marie Miller is relieved and happy to report that she has heard from her husband now. She had not heard from him in approximately 6 weeks. He is in the Philippine Islands.

Census Business
If your son or daughter brings a small white rectangular piece of white paper marked "Family Census Blank" across the top,

take every precaution to fill out the spaces and blanks you are asked to supply information for and return them promptly.

If you know of a child or children that you are afraid might be missed, dont hesitate to report him or them to either of the teachers or trustees.

Hot Time
Ashtola had a bit of excitement last Tuesday. When the group of children on the first bus route got to school, Mrs. Hickey's class room was full of smoke. Theron Holland, Royce and Ray Morris were brave scouts and took measures to put the fire out.

Mr. Nelson and Mr. Brandon were summoned and Mrs. Brandon did her part by calling men on the telephone to report the fire.

We wish to express our heartfelt thanks and deepest appreciation to every man that partici-

pated in any way to help put the fire out.

A big hole was burned in the floor and the wall was smoked, but the building was saved. Thank goodness!

Prize Ribbons
You have read about our boys winning ribbons and money at the Stock Show, but we are so proud of them, we would like to call their names once more. Gene White, Royce Morris and Alvyn Barker really have the "chicken feed" now.

Queer Quirk
Mrs. Lena Mae Graham and daughter, Betty Ruth, had a birthday on the same day, March 11th. The mother was 33 and daughter was 3 years of age.

Orchids To:
Mrs. Hazel Brandon and Mrs. Viola Graham for leaving their home duties and offering their assistance in teaching for us teachers when the need arises.

MRS. GARY ENGLE HONORED WITH SHOWER

On Thursday afternoon Mrs. Everett Stevenson entertained with a shower honoring Mrs. Gary Engle. In the word contest Mrs. J. R. Chamberlain won the prize which she in turn presented to the honoree. Mrs. Will Chamberlain gave two poems that were enjoyed by all, after which the honoree opened and admired her many lovely gifts.

Those attending were Mrs. L. S. Lattrell, Mrs. J. R. Chamberlain, Mrs. John Thomas, Mrs. Will Chamberlain and children Evelyn, Betsy Ann and William Rhode, Mrs. J. H. Derrick, Mrs. Hulitt Swinney, Mrs. J. A. Meaders, Miss Katie Meaders, Mrs. Clarence Davis, Mrs. Arthur Davis, Mrs. Glenn Williams, Mrs. Frank Hardin, Mrs. Delmar Koonitz, and daughter, Mrs. Charles Blackburn and daughter, Mrs. J. T. Sykes and children Winette and Joe.

Those sending gifts were Mrs. D. S. Smith, Mrs. Arthur Seaton, Mrs. Edith Longan, Mrs. Elba Ballew, Mrs. Carl Morris, Mrs. Dorothy Adamson, Mrs. Odie Naylor, Mrs. Donald Harlan, Miss Mary Williams and Mrs. Slaton Mahaffey.

Refreshments of sandwiches, cake and coffee were served by the hostess, assisted by Mrs. Glen Williams, and Mrs. Huelitt Swinney.

MOTHERS STUDY CLUB

Mrs. Bill Weatherly was hostess to guests and members of the Mothers Club Tuesday afternoon, in her home. The house was beautifully decorated with pot plants.

After the short business session, Mrs. C. A. Burton gave a splendid review of the book, "No Time for Each Other" by Margaret Lee Runbeck.

Refreshments were served to guests, Mrs. C. A. Burton, Mrs. Earl Porter, and Mrs. Clyde Barker and members, Mesdames G. D. Shelley, Bud Anderson, R. Y. King, Everett Johnson, Geo. Darden, Frank Hommel, Dalton Swinney, Walter Clifford, G. W. Brandshaw, G. W. Estlack, Dr. Laura Lowell and the hostess, Mrs. Bill Weatherly.

FRIENDSHIP CLUB

The Friendship Club with 11 members present were entertained by Mrs. J. D. Stocking at her home Tuesday afternoon. Club opened with the Lords Prayer in unison. Mrs. Stocking read the 1st Psalm. The ladies started to piece a quilt for the Club.

At the social hour a lovely plate refreshment was served to Mesdames Tyree, J. W. Morrison, Teal, L. Ballew, C. E. Lindsey, R. O. Thomas, Van Eaton, J. L. Allison, J. A. Meaders, and Miss Katie Meaders and hostess, Mrs. Stocking.

EH 2/c and MRS. JAMES M. CLARK

The recently wed couple pictured above arrived here Sunday from San Diego where they were married Feb. 17th. They are visiting their parents, Mr. and Mrs. F. L. Clark of Claude and Mr. and Mrs. Carl Barker of Clarendon, until March 21st when he will return to San Francisco for overseas assignment. The bride will live in Clarendon.

KILL KARE KNEEDLE KLUB

This club was entertained Thursday afternoon at the home of Mrs. Buel Sanford. Lovely potted geraniums were placed in the guest rooms. The usual needle work and pleasant conversation were enjoyed, also a grab bag where each member gave a gift and paid for one—the money going to the club fund.

Mrs. Sanford served a delicious plate refreshment to guests, Mrs. Frank Whitlock and Mrs. Genoa Dozier and members, Mesdames H. C. Brumley, J. R. Bartlett, Eva Draffin, W. A. Land, H. Mulkey, Lon Rundell, E. H. Noland, R. R. Dawkins, Grover Heath, Ed Speed, Frank White Sr., and Misses Ida and Etta Harned and hostess, Mrs. Sanford.

SENIOR LES BEAUX ARTS CLUB

Mrs. Walter Taylor entertained the Art Club at her home Friday, March 2nd. Bowls of lovely sweet peas were used to make the guest rooms more attractive. Mrs. Lloyd Benson and Anna Moores Swift were elected to membership.

Mrs. Pete Kunz, assisted by Mrs. Taylor, had charge of the program which was on Russian Architecture. Mrs. U. J. Boston read an interesting article by Madam Chiang Chi Chek of China.

Mrs. Taylor served a lovely plate luncheon to Mesdames U. J. Boston, J. D. Swift, Pete Kunz, Delene Bagby, M. R. Allensworth, J. D. Stocking, A. B. Turner, Frank Bourland, John Blocker and Miss Mary Howren.

HARMONY CLASS

The Harmony Class was delightfully entertained with a party on Thursday eve at Mrs. Fred Buntins, she being hostess with the assistance of Mrs. B. C. Antrobus. The meeting was opened by the president, Mrs. O. D. Lowry, with the business session. Mrs. E. D. Landreth gave an interesting devotional. The remainder of the evening was spent in pleasant conversation.

METHODIST CHURCH

H. W. Hanks, Pastor
We had a splendid crowd Sunday. Let each one bring another one next Sunday. We have set as our goal 250 in S. S. Easter. This can be reached if all of us work. Tell your neighbor. Bring yourself and some one else. Let each member ask himself or herself this question. What kind of a church would my church be if every member were just like me? All of us want a better world. The only way we can have a better world is to be better people. The religion of Christ is the only cure for our sin sick world. God is anxious to work through you and me to make this a better world. So come. One and all. We need you. We will try to help you. You can help us. We will have special services Sunday morning and night. The Intermediates meet at 7:15.

Preaching at eight. Pray for me. Pray for each other. Pray for the salvation of the whole world.
Rev. Landreth will preach at Goldston at 12:00 Sunday and will hold Quarterly Conference.

CARD OF THANKS

We wish to thank our many friends for their kindness and sympathy in the death of our husband and father. May God's richest blessings be with each of you always.

Mrs. S. T. Clayton, Mr. and Mrs. Thomas Clayton, Mr. and Mrs. F. O. Naylor, Mr. and Mrs. H. S. Mahaffey, Mr. and Mrs. R. W. Norman, Mr. and Mrs. Roy Cornelius and Mr. and Mrs. Roy L. Clayton.

REPORTED MISSING

Mrs. Ella Jean Tyler has received word that her husband, Pfc. Harry D. Tyler, who was in service in Holland, is reported missing in action, March 1st.

Mrs. Tyler is the daughter of Mr. and Mrs. Ed Speed.

Mrs. R. M. Morris and Mrs. Joe Terry accompanied by Mrs. Clyde Butler and son Leroy, attended the Memorial Services for T. W. Collinson who was killed in action Feb. 8th at Luzon. He is the husband of Irene Small, granddaughter of Mrs. Morris. Irene was operator at the Little Beauty Shop for some time.

Mr. and Mrs. Nathan Cox and Mr. and Mrs. R. T. Brown visited their brother, Mr. Cox at Miami Sunday.

LIBRARY NOTES

By Mrs. C. A. Burton
Amarillo has enjoyed J. Frank Dobie this week as he gave his impressions of England during his year there as professor of American History. His "On The Open Range," one of his first books is on our shelves as well as his "Vaquero of the Brush Country" and "Coronado's Children." Dr. Sherwood Eddy is another author enjoyed by Amarillo recently. He is one of the most widely traveled Americans and besides many religious books, he has lately written "Why America Fights."

The readers of White's "They Were Expendable," will be pleased to know that the nurse who was "Peggy" in the book and who is Lt. Beulah M. Greenwood of St. Louis, is to pass through Amarillo soon on her return home from her internment as a prisoner of war.

Lindsey and Crouse, who sold "Arsenic and Old Lace" to Warner Bros. for \$100,000 plus a percentage have made over \$500,000 from the deal to date.

"Green Dolphin Street" by Elizabeth Goudge is being produced for the screen.

The Literary Guild's selection for March is Booth Tarkington's "Image of Josephine," and for April they have chosen Margaret Irwin's "Young Lass," a novel based on the early life of Queen Elizabeth. It is being filmed.

A story which is being compared with "Miss Minerva and William Green Hill," of enduring fame—is "Cori" by Alex Melancon. It is said to be taken from true stories by a lad who hero-worshiped the soldier-author of the Air Force. Perhaps we may be able to own it soon.

Maurice Hindus has lately been a Dallas visitor and lecturer. He is the author of "Red Bread," "Humanity Uprooted," and lately of "To Sing With the Angels"—all of which we have. He was born in Russia, one of eleven children and came to America with his mother when he was 14. He learned enough English to get himself a job as errand boy and proceeded to work for his education, a bachelor's and Master's degree from Colgate and then graduate work at Harvard. His free lance writing took him to Western Canada where he spent several months with the Russian Doukhobars—this led to a commission to do some writing for Century Magazine—others followed, and he is recognized as the leading writer on Russia in this country.

Mr. and Mrs. Homer Estlack and children, Allen Homer and Donna Jare returned home Thursday night from attending Memorial Services for her brother, Glen Drennan, at Electra who died Feb. 10th overseas from wounds received while fighting in Germany.

Mrs. A. Holmberg who has been visiting her daughter, Mrs. E. D. Landreth, returned to her home at Paducah Monday.

Mr. and Mrs. Clyde Butler have for guests this week their daughter, Mrs. Loren Roach and small son of Lefors and Mrs. Louise Hodges of Amarillo and Miss Lola Stevenson of Claude.

Mr. and Mrs. Marvin Land and sons Billy Marvin and Tommy spent the week end with his parents, Mr. and Mrs. W. A. Land.

Doris Fowler was home over the week end from Las Vegas, N. Mex., bringing with her Arlene Heidersdorf and Jeanette Pieschel from Wisconsin.

LOCALS

Mr. and Mrs. F. L. Behrens have moved back to their farm east of town after spending the winter with their son, Mr. and Mrs. Truett Behrens. Mrs. F. L. Behrens, who has been ill for some time, is much improved.

Coy Looper of Amarillo spent the week end with homefolks.

GUN CONTROL ON B-29

Centrally controlled remote multiple-gun power turrets, and pressurized cabins are only two of the many features of the new B-29 Superfortress, a plane with more electrically operated mechanisms than any previously built. The first bomber with enough fighting power to fly unescorted through a hornet's nest of enemy fighters, the B-29 has five multiple-gun installations. Its central fire control system, produced by General Electric, includes computers which automatically corrects various factors while putting the fire directly on the target. As many as three of the turrets can be controlled and fired simultaneously by a single gunner from a single sight; never before could a gunner control more than one turret.

Mrs. Frankie Henson of Almagorda, N. Mex. is at home.

Mr. J. R. Bulls has returned from a trip at Scott & White hospital at Temple.

Doris Fowler left Tuesday morning for LaJunta, Colo. to work for the Santa Fe.

H. L. Riley has returned to the hospital at Longview for medical checkup.

Texas has approximately 196,000 miles of designated and country roads.

A New Freedom of Speech

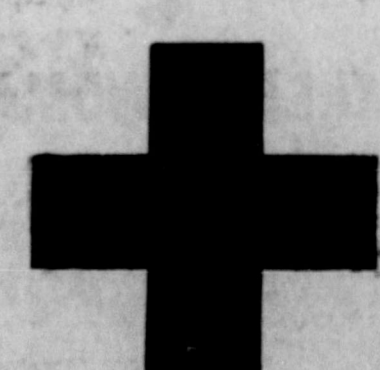

* Sixty-nine years ago this month, the first spoken words were successfully transmitted over the telephone.

The telephone gave a new meaning to freedom of speech. It made men free to talk to the whole world... breaking down boundaries of distance... overcoming natural obstacles.

Still serving the cause of freedom, the telephone industry is tirelessly working to help speed the day when it can resume its true function: of serving peace and progress.

 And if you call he won't be chop-
 ping lumber
 Around C.H.S. he's the head man
 And everyone thinks he's grand.

Nearly any day why don't you
 call 381-J
 You will find an expert in art
 and history
 She's the sweetest on the campus,
 and that's no mystery.

The one who answers at 226-J
 Is never home during the day
 But in the building on College
 Hill
 You'll find her ready to help if
 you will.

In any other land
 You'll never find a better man
 And for a waltz to renew ya
 Just call 242-W.

The number is 226-W
 He's so tall he'll nearly slay ya
 But at a game you never find
 A better man on the old sideline.

NUMBER PLEASE?

You'll never, never find her at a
 bar
 But to ask about Spanish or Eco
 You just need to call 210-R.

She knows the most about our
 books
 And she's not at all hard up for
 looks
 But if you are raising the roof,
 she'll shoo ya
 Just for a hint call 395-W.

BARN DANCE

Everyone showed an extremely
 good time at the barn dance
 given by C. H. S. Band in order
 to raise funds for new uniforms.
 The gym was decorated like a
 typical barn with hay and feed
 scattered about. Excellent barn
 dance music was furnished by Mr.
 Roberts and Mr. Drennan. They
 furnished music for two-steps,
 square dance, waltz, and schot-
 tisches. Everyone said they cer-
 tainly got their money's worth of
 fun. The band wishes to express
 its thanks to everyone who at-
 tended the dance or had anything
 to do with making it a success.

CHAPEL

A very interesting chapel pro-
 gram was presented Friday the
 fifth period. The guests included
 Rev. Hal Upchurch, Rev. Henry
 Kinkeade, and Mr. Pete White.
 First the entire student body

was led in several songs by Mr.
 White.

Mr. White then sang a vocal
 solo. He was accompanied by
 Lucille Wallace.

Mr. Drennan next presented
 Rev. Hal Upchurch who in turn
 presented Rev. Kinkeade, the
 principal speaker. Rev. Kinkeade
 delivered a very interesting ora-
 tion. Everyone enjoyed him im-
 mensely.

Then after making several an-
 nouncements, Mr. Drennan dis-
 missed the students.

Everyone enjoyed the band
 music and chorus of girls that
 entertained us Friday on the Chapel
 program.

The seventh grade has two new
 pupils, Betty Lee Craig and Bil-
 lie oris Tims. Both from Hedley.

SOUTH WARD

Mrs. Meier's pupils are vitally
 interested in a Bird Unit.

Miss McGowan's room is con-
 tinuing the study of fruits and
 vegetables, the room made a trip
 to the M System Wednesday.

Mrs. Prewitt's room is studying
 Rosa Bonheur as an artist and
 some of her pictures in their art
 appreciation class.

Miss Mongole's room has a
 border of Texas maps around the
 room.

Frank Jones, Harold McDonald,
 and Don Owens won ribbons in
 the Fat Stock Show.

Miss Stevens' room has a new
 pupil, Alice Marie Mathews.

Mrs. Headrick's room is start-
 ing an art booklet.

PRESENTATION OF BAND SWEETHEART

Friday night, at the gym a
 beautiful presentation was wit-
 nessed by a large crowd of Clar-
 endon citizens. The doors in the
 middle of the stage were opened,
 and a white path down the mid-
 dle steps was layed for the Queen.
 W. S. Carlile and Lee Shelly
 opened the doors and helped the
 girls down the steps. The Glee
 Club sang "Let Me Call You
 Sweetheart" in the background.
 Nova Lee Barker, Sue Smith, and
 Billy Hodnett were the Sweet-
 heart's attendants. They came
 first by dim light. As they group-
 ed around the center of the steps
 the lights went out, and the
 Sweetheart, Elise Norwood, walk-
 ed with a spotlight on her. She
 was presented with a bouquet of

WITH ALL 8 GUNS firing, this Republic P-47 Thunderbolt is one of many types of fighting planes which fly with Phillips high-octane fuel on all the world's fighting fronts.

The United States Produces 85% of the World's Aviation Gasoline

Phillips is one of the Six Largest U. S. Producers!

Wonderful GASOLINES after the war? . . . Of course, because of today's greatly intensified program of research and production.

The headline above clearly and simply states the outstanding position achieved by Phillips in the wartime production of combat aviation fuels. It is more than a hint of what you can expect from Phillips in peacetime gasolines for postwar cars.

Phillips is also a major producer of butadiene for synthetic rubber.

And high-octane fuel and butadiene are both synthetic chemicals . . . two of the limitless thousands of products which can be made by using petroleum and petroleum gases as a chemical raw material.

That is why we say, every time you see the Orange and Black Phillips 66 Shield, let it remind you that Phillips refineries . . . in addition to producing gasolines, lubricants, and fuel oils . . . are also gigantic chemical plants pour- ing out weapons for victory.

THE GLEE CLUB

The Glee Club of Clarendon Jr. College and High School sang at the Baptist Church Thursday night during the revival meeting. The choir, under the direction of Bro. Pete White, visiting song-leader from Plainview, sang several songs with the congregation. Under the direction of Mr. Stanley, the Glee Club director, they sang a special arrangement of "The Crusader's Hymn," with Cora Lee Muse singing the solo part. Mr. Stanley organized the club last week, and the results of so little practice is very promising.

NEW ROCKET LAUNCHERS

Several new rocket launchers or "bazookas" were added last year to the infantry model first announced by General Electric in 1942. Among the new types were the paratroop model, the flying

bazooka, and the portable field artillery type. All stemmed from the original bazooka and, like the first, were engineered, developed and produced by those who in peace years had devoted their attention to washing machines and other household appliances.

MAY THE BEST WOMAN WIN!

There's the bell... hold your hat... hang on to your purse... and may the best woman win!

Bargain sales look as exciting as ever these days, but this ancient sport isn't what it used to be. So much merchandise is up in price or down in quality.

However, there's at least one real bargain that still provides high prewar quality at low prewar prices. That's the electric service you enjoy in your home.

Actually you're getting about twice as much electricity for your money today as you did 15 years ago. If your total electric bill is no less today, it's because you have more electric conveniences now and use them more. But the cost per kilowatt-hour average is much less.

The credit for this wartime bargain belongs to your friends and neighbors in this company. Their hard work, plus sound business management, made it possible. You can count on them to continue to furnish cheap, dependable electricity for still finer electric living after the war.

A TOUGH JOB WELL DONE...

It may be something new under the sun for a newspaper to praise a utility, and it may of a surprise to them, but we feel that the United Gas company and its affiliated firm, United Gas Pipeline, and its personnel, who assisted in the emergency here Saturday, are entitled to special commendation.

It is a tradition in the theatre that "the show must go on". In the newspaper business, it becomes, "the presses must roll". In the gas business, they evidently have a similar creed, for during a period of 30 to 40 hours the men who represent the gas business in this section displayed a do-or-die spirit that seemed to say, "the public must be served".

First, we think a word of thanks is in order for those men who managed to keep gas in the lines serving us here, and the other towns. We know they did the best they could, and it is a matter of regret that they were unable to "save" all the towns on their line. Considerable ingenuity and plenty of resourcefulness was necessary to keep the lines open, and it meant staying right by the pressure gauges and valves at a number of points for hours on a stretch.

Second, we think the crew that repaired the break, in foul weather, in mud and slush, working 30 hours on a stretch, eating hamburgers and drinking coffee but staying right on the job, are entitled to a great deal of credit. The same to those who placed the all-important blocks on the line above and below the break, so that service could be resumed through other channels until the break could be mended. They worked fast and well.

We are all so used to turning on the gas and enjoying its warmth and other important uses that we never stop to think of the men who keep up the lines, protect our source of supply, read our meters, and otherwise serve us. It takes a real emergency to discover what a dependable breed of men they really are, and we are proud of the loyalty they show for their jobs and their deep sense of responsibility for those they serve.

WE PROUDLY ACKNOWLEDGE...

It is always a proud moment when somebody tells you that you have done a good job at whatever you are doing.

The men of our organization are no exception. The editorial in the February 6 issue of the New Iberia, La. Weekly Iberian is sincerely appreciated, the more so because it was spontaneous and ably presented.

The fact is, such emergencies do happen in the Natural Gas business. They are handled as promptly and efficiently as trained workmen can handle them. It is a part of the Natural Gas man's code that, as the editorial says, "The public must be served."

As to the unselfish devotion of these men to such hard work and trying conditions, there was nothing unusual about that to them... for they are pipeliners, and proud of it!

Control and Treatment

CLEANLINESS IS THE KEY TO THE CONTROL OF MASTITIS

1. Classify all cows according to degree of infection as evidenced by amount of fibrotic changes in the udder, or abnormal milk. Place them in a different barn or at the end of the milking line. Place the most badly infected cattle last, even in the infected cow string.

2. Use a strip cup Daily and consider as infected any animal whose milk shows clots or other abnormalities.

3. If possible, have the apparently normal animals examined by an experienced veterinarian who, by physical examination and the aid of various tests, can determine whether any apparently normal cows are infected.

4. Every effort should be taken

to prevent carrying infection from one animal to another. In milking—wash each cow's udder with a clean cloth, using warm (130 degrees F.) chlorine water, 400 P.P.M. or its equivalent.

(a) Using a strip cup, milk one full stream from each teat. Discard all milk showing flakes or stringiness.

(b) Using a small cup, dip each teat in chlorine water after milking.

(c) Wash hands in chlorine water after milking each cow. In absence of a suitable disinfectant, plain soap and water removes much infection from hands.

5. Machine milking—

(a) Leave machines on cows long enough to milk out and no longer. Usually 3 minutes is long enough.

(b) See that the vacuum recommended by machine manufacturer is maintained.

(c) After milking each cow, dip teat cups in a pail of clean water, then dip in chlorine water.

6. Acute cases of mastitis should be milked frequently. If markedly inflamed, cold (ice bags) should be applied the first 24 to 48 hours followed by hot applications. Sulfathiazole or sulfanilamide may be given by mouth at the rate of 1 grain per pound a day for the first three days, then 1/2 grain per pound given the following three days. The daily dose should be divided into three portions and twice the regular amount given the first dose. For example, to a 900 pound cow, give 600 grains the first dose, then 300 grains each 8 hours the next three days. All concentrates should be removed from the ration and the animal kept as comfortable as possible.

7. Sulfanilamide in oil is probably the least irritant of the substances recommended for injection into the udder.

8. Silver oxide preparations are more satisfactory when used on dry udders. Occasionally a treated animal will freshen with a blind quarter.

9. Never inject any substance into an udder where any inflammation exists.

10. Tyrothricin and similar preparations appear more effective when the cow is treated during the dry period.

11. No substance given by

mouth or intravenously will remove all infection from the udder. Cows that recover from acute cases of mastitis must be considered as possible carriers of infection.

12. Introduction of any substance into a cow's udder is DANGEROUS. Care must be taken to prevent doing more harm than good by introducing extraneous bacteria or by mechanically injuring the udder. Do not allow anyone to introduce anything, teat dilator, injection needle, or medicinal agent, into the udder without taking every possible precaution to prevent infection.

Because mastitis is causing serious loss in the average dairy herd, every practical means should be used to control this infection. The foregoing program is not complicated. It does not require a lot of extra work. You will be agreeably surprised at the ease with which these steps can be worked into your milking program. Progress in the control of mastitis is being made where the above plan is in effective use.

.54 INCH MOISTURE RECEIVED HERE WEDNESDAY

The official weather station at the Airport recorded .54 inch of moisture which fell throughout the day yesterday.

The rainfall was believed to be heavier here in town and reports from all over the county indicate a fall from 1/2 inch to 1 inch. This moisture came at a very opportune time as most everyone has acquired a touch of spring fever, and have started working their Victory gardens and flower beds.
