

Holland, Chase Elected In City Election

Baptist District Convention Closes 3-day Meet Today

A. L. CHASE AND JOE HOLLAND WIN

COMMISSIONER CHASE RE-ELECTED WHEN FRIENDS WRITE NAME IN

In what is considered the most heated election ever in the history of Clarendon, A. L. Chase was re-elected to the commission and Joe Holland was named to replace John Sims, retiring commissioner Tuesday.

It was a great election with Mr. Chase nosing out to the front following a final spurge in the late stages of the day.

By virtue of the unusually high interest with which the race was held by the citizens of the city the vote ran exceptionally high setting a new voting strength in city balloting.

Mr. Edington finished third and gave a splendid race against Mr. R. S. Moss training the crowd.

Unofficial tabulations show: Joe Holland.....349 A. L. Chase.....244 H. J. Edington.....230 R. S. Moss.....121

PAMPA WINNER OF B. & P. W. MEETING

FIRST BALLOT FOR CONVENTION CITY TIES CLARENDON AND PAMPA

Thirteen members from the Business and Professional Women's Club attended the district convention held April 2nd and 3rd at Vernon, when 150 members were registered at the Bailey Hotel.

A number of state officers were present including Miss Mary O'Lilyerston of Beaumont, state president; Mrs. Faye Gordon, second state Vice President; Mrs. Jack Ellridge, State Treasurer; Miss Mary Jane Higgins of Ft. Worth, director at large; Miss Frankie Gober, director District No. 1; Miss Ollie Mooty of Temple editor of the Texas Woman Magazine; Miss Nell Adams of Shamrock, state publicity chairman; Mrs. Bessie Smith of Clarendon, State Magazine Chairman; Dr. Minnie L. Massett of Dallas, first president of the Texas Federation.

All clubs in the district with the exception of Dalhart were present and were well represented. Members from the clubs of Wichita Falls, Mangum and Altus were guests of District No. 1.

Three towns, Pampa Clarendon and Lubbock, made a bid for the 1933 Convention, Pampa and Clarendon tying for the honor in the first ballot, but on a second vote Pampa won and will be host to the convention next year.

Members attending the Convention from Clarendon were: Norma Rhodes, Mantie Graves, Bessie Smith, Irene Mitchell, Fannie Perry, Carrie Davis, Helen Wiedman, Lottie Lane, Ruth Teat, Onal Pvie, Winnie Weatherly, Rhoda Wiedman and Mrs. Andrew Jay.

Miss Pauline Bell of Amarillo spent the week-end with her friend, Mrs. Phillip Engle. She returned to Amarillo on Sunday afternoon accompanied by Mrs. Engle and son, Edward Engle, who will visit a few days with her.

Mrs. Fred Weworka and son, Fredrick, of Muskogee, Okla., arrived on Friday for a visit with her father, Mr. J. W. Martin.

SCHOOL ELECTION RE-ELECTS BOARD

MESSRS. CHAMBERLAIN, PORTER AND TAYLOR RECEIVE GREAT MAJORITY

The voters of the Clarendon Independent School District showed their confidence and expressed their satisfaction with the services of the present school board when they cast a decisive vote Saturday which re-elected Messrs. Fred Chamberlain, W. W. Taylor and J. R. Porter for another term at the helm of the local school.

Six splendid citizens were offered to voters on the ticket, all of whom would unquestionably have served well, but the trying conditions under which the school board have been laboring was sufficient for the majority of the voters to see their way clear to return the present board.

The vote on each of the six candidates are given below.

Fred E. Chamberlain.....100 J. R. Porter.....186 W. W. Taylor.....216 Geo. H. McCleskey.....26 Ralph Kerbow.....41 O. W. Latson.....45

The election polled a greater vote than any city election in Clarendon before, there being 235 votes cast.

Boys Movement Gets Off To Fine Start Saturday Night With Over 100 Present

OLDER BOYS ARE INVITED TO COME

YOUNGSTERS HAVE TIME OF THEIR LIVES AT FIRST CLUB MEETING

It looks like the boys of Clarendon are going to have plenty of entertainment and good times this summer. At least so it seemed last Saturday night at the American Legion Hall where over one hundred boys gathered and organized what will be known as the Clarendon Boys' Club. The purpose of the club being to promote citizenship and to sponsor various forms of supervised entertainment and athletics throughout the entire summer and also next winter.

The sponsors of the plan were agreeably surprised with the large number of youngsters who responded to the initial meeting of the formation of such a club. Only one thing was found disappointing to those having charge of the event, that being the lack of older boys—boys in the "teens". A few were present, but the idea evidently spread to the effect that only lads of eight years of age and thereabouts were wanted in the boys work of the city. However, such is not the case, and all the boys in the city are invited and urged to join the club and enjoy the benefits of supervised competitive sports and other forms of amusement during the coming months.

A full program of games and athletic contests will be under way in the very near future, and boys of all ages will be expected to participate in the sports of their choice, and if they like other games will be taught them by the instructors having charge of each division of sports. There will be playground ball, tennis, volleyball, baseball, etc. this summer and next fall the youngsters will get a chance to have regular games of football. All these will be offered the young citizens of Clarendon and absolutely no money or charge of any nature will be expected at any time from the members of the Boys' Club, same chosen by the lads for their organization. This is a movement designed by those interested in the growing boys of the city to fill their idle moments with fine wholesome pastime.

But this is not all, the boys will learn interesting and constructive ideas of citizenship and

Pastime Theatre Sponsors Contest

On page two of this issue of The News an interesting announcement from the Pastime Theatre of this city will attract the attention of the majority of the readers. On the evening of Friday, April 15th, the most beautiful girl in the city will be named "Miss Clarendon" at the Pastime Theatre. The beauty contest which will be staged that night will be a charming affair and a crowded house is certain.

The rules of the contest is outlined below. Every business house in the city who is interested will be allowed to sponsor a local girl in the contest, the young lady to be known as "Miss....." name of firm to be inserted in the blank sponsoring the entry. An entry fee of one dollar will be charged the firm sponsoring a candidate for the title of "Miss Clarendon". Manager Mulkey states that it will not be a style show affair, the cost of the costume will not be considered by the three impartial out-of-town judges.

On the night of the contest the candidates will be shown on the stage of the Theatre and the selections will be made. The event was staged at Memphis last week and was declared a great success, with fifty-eight Memphis beauties taking part in the contest. Many such contests have been held throughout Texas and the southwest and all have been declared fine events.

School Census Shows Loss of One Student

Figures recently released through Superintendent H. T. Burton of the local schools concerning the 1932 Clarendon Independent School District census shows a loss of only one student from the total turned in last year. The totals show that a gain of four students was accounted for in the white census, this year's figure being 794 as against 790 last year. However the loss in the colored census which turned in a total of 35 students this year as against 40 last.

Supt. Burton is exceptionally well pleased with the splendid showing made this year in the face of adverse circumstances and is agreeably surprised at the sameness of the census figures with that of 1931.

BLOCKERS VISIT RELATIVES

Through an oversight The News failed to record the trip made by Mr. and Mrs. John F. Blocker accompanied by Mrs. W. H. Patrick during the Easter Holidays to Mineral Wells where they visited in the home of Mrs. Blocker's parents, Mr. and Mrs. S. T. Sayre. While there they visited their daughter and grandson, Mrs. Penelope Ellis and son. The young man returned to Clarendon with the party and will visit here for a while. Mrs. Blocker reports both Mr. and Mrs. Sayre in splendid health and extend the best of greetings to their many friends here in Clarendon.

their allegiance to this symbol of their own country.

T. D. Nored gave a brief outline of the future plans of the organization and gave the group a number of interesting pastimes which they might look forward to throughout the coming months. He then turned the meeting over to G. L. Boykin who directed a lengthy play period which proved a popular move to the more than one hundred boys present. Others helping put the club in motion were Frank Steoking, P. B. Gentry, R. E. Drennan, R. W. Moore, Sam Braswell, Jr., Nathan Cox and H. T. Burton.

The next meeting will be on Saturday evening, April 16th, at 7:30 o'clock at the American Legion Hall in the city Hall Building. All you boys eight years of age and on up make your arrangements to attend and help put this movement over in grand style.

Rotary Club Celebrates Second Natal Day With Special Program Friday Eve

PAMPA VISITORS OFFER PROGRAM

ROTARY CLUB IS ONE OF CHIEF ASSETS TO CITY'S CIVIC LIFE

It was a gala occasion last Friday evening at the Clarendon Hotel when the Rotary Club of Clarendon celebrated their second birthday with a splendid party with 14 members of the Pampa Rotary group with their wives and 10 Pampa High School students as guests of the evening.

The Rotary room was beautifully decorated in club colors and proved to be a charming background for the delightful program which was presented by the visiting Pampans.

After the delicious well served banquet plate had been consumed President Estlack turned the program over to Rotarian Buck Blocker, president of the Pampa Club who in turn gave the program over to Rotarian Frank Foster, chairman of the inter-city relations committee. Rotarian Foster's ability to act in the capacity of Master of ceremonies has seldom been matched and never surpassed.

Two charming visiting ladies, Mesdames Nevil Dilli and Tom Rose, proved capable entertainers with delightful numbers. Mrs. Dilli offered two beautiful vocal numbers with Mrs. Rose accompanying at the piano.

The feature of the entertainment was a Civil War Drama, "The High Heart", by a cast of characters from Pampa High School. The performance was difficult and intricate, but the actors displayed talent short only of professional

300 HERE FOR BAPTIST MEET

SPLENDID RESULTS BEING OBTAINED IN 10TH DISTRICT CONVENTION

Over three hundred visiting delegates are attending the 10th District Baptist Convention which closes here today. A splendid crowd has marked each of the various meetings and the work of the officials in charge is meeting with fine response and is certain that the results will be realized in better work being accomplished throughout the district.

Dr. T. C. Gardner of Dallas has brought the convention many interesting and inspiring messages and Mr. Andrews has been meeting with wonderful results in his departments of the work. The program as carried in The News a few weeks ago has been adhered to practically as announced and all are of the opinion that it is one of the outstanding events ever held in this district or in any district of the Church. Rev. B. N. Shepherd is being complimented upon the smoothness of the three-day meeting which is declared to have been run off with great convenience and ease.

The convention authorities wish to thank the citizens of Clarendon for their splendid co-operation and to the various churches for their unselfish help in seeing that the big crowd was handled with the grace and courtesy of

SINCLAIR BEGINS NEW GARAGE WORK

HOMMEL BROTHERS WILL OCCUPY NEW BUILDING WITHIN FORTY DAYS

The first construction work in the business section of the city in a long while was started Monday morning of this week when Contractors John Bass and Speed Brothers began tearing away a portion of the Davis Buildings just south of The News office in preparation for the new Sinclair Filling Station to be occupied by Hommel Brothers of this city upon completion. The entire front of both buildings will be changed a great deal, with the ceiling being raised, floor lowered a number of inches and a spacious driveway being built through the major portion of both buildings.

The new structure will be a complete station with all the modern conveniences incorporated into making it one of the most modern filling stations in the entire Panhandle. It will be finished in Spanish style embodying white and green tile.

There will be a complete washing and greasing service department within the building equipped with the latest and most modern machinery and equipment. A storage space 50x26 feet will be available with entrance on the south side of the building. The front of the building has been dropped back six feet and will lend a fine appearance to the place of business.

Another feature of the new station will be the almost universal use of plate glass on all sides of the building. Plenty of light and display room will be utilized by the City Garage in their new home.

A fine lunch room will be found in the space just north of the driveway and will be leased to some cafe operator in the near future. A spacious ladies lounge and rest room has been planned and will be one of the most pleasing parlors found by lady travelers.

Something like six pumps will be installed to insure the customers of the place fast and efficient service without unnecessary delay.

The driveway will extend some 62 feet down the South wall of the present building.

With favorable Weather Messrs. Hommel anticipate moving into the new quarters shortly after the first of May.

ROAD PETITIONS BEING SIGNED NOW

PLEA FOR RIGHT-OF-WAY WARRANT ELECTION TO BE MADE MONDAY

Petitions asking the Commissioners' Court of Donley County to order an election to ascertain the will of the majority on the proposed issue of warrants not in excess of \$30,000 for the purchase of right-of-way for Highway No. 5 across Donley County on location designated by the highway department, are now being circulated over the county and this morning fifteen percent of the voters of the county had already signed, with prospects of twenty-five percent before the petitions are to be presented to the court next Monday at the regular session of the court.

Several delegations of citizens supporting the movement to accept the proposal of the highway department to do the grading and drainage structures free of cost to the county if right-of-way is furnished, will be on hand to urge the prompt ordering of the election, as the department is ready to begin construction just as soon as it is seen Donley County is ready to perform her part of the bargain, which means that with dispatch actual work could begin by June 1st.

The petitions urge the ordering of the election, and the issuance of the warrants on deferred basis and payable out of the road and bridge fund of the county from car license money received from Donley County car owners, and with the distinct understanding that there is to be no increase in the county tax rate on account of the warrants in question.

This is the last offer from the department whereby Donley County can expect to get the routing of Highway No. 5 through the towns of Hedley, Lelia Lake and Clarendon, and supporters of the project are urging a united effort to see that all these points are served.

Granting thirty days for advertising the election, a date around May 15th is the earliest date on which the citizens of the county may pass on this issue of warrants, without increase in taxation.

PETITION RESPONSE GRATIFYING

Proponents of the acceptance of the offer of the State Highway Department to do the drainage structures and grading on Highway No. 5 through Donley County are much gratified this week over the splendid response from the citizenship in signing the petitions asked for by the Commissioners' Court.

Citizens, irrespective of section of the county, have signed readily and in large numbers, with present indications that several hundreds more than the necessary number of ten per cent of the voters of the County will have their names attached to the petitions before Monday of next week.

A large number of the county's most careful and successful business men have endorsed the plan as submitted and have added their names to the petitions and with rare exceptions no positive refusals are being encountered when the matter has been explained.

The proposal before the County, is fair and generous. It is a good business stroke for the county. Let no one indulge in personalities, pro or con, but let the discussion be based on the facts in the case, meeting every issue with a smile.

BUYING AT HOME A PRINCIPLE

If it were possible to get people to stop and consider the matter, it would be no great task to get them to buy every want obtainable from the home merchant. They would do this from principle—a simple principle that will prove to every man that his own prosperity and stability comes from building up a prosperous and stable community about him.

Only last week two local men were in conversation and it was found that each had discovered that it was possible to obtain through a local dealer an article that both had formerly bought in Dallas. The local dealer doesn't carry the article in question, but he has a source of supply which allows him to make special orders and realize a profit which he formerly missed. Both local buyers are men who always buy their needs at home if at all possible, and both are happy over having been able to swell the profits of the local dealer on the item in question.

It would pay every citizen to check over his wants and if he has not been able to get locally this item or that item, begin this week to inquire of his home dealers so that he might supply the need and make the profit.

Such team work as this will make this community strong and prosperous. It will increase business. It will help all of us.

WETS ALL WET DECLARE DRY

If the prohibition law were modified it would also "modify our prosperity," is one of the claims of the "drys" in a leaflet recently published by the Board of Temperance, Prohibition and Public Morals of the Methodist Episcopal Church.

"Savings which have enormously increased under prohibition would decline. Some industries would collapse, all business would suffer depression. The standard of living of the people would be greatly lowered. The death rate which has greatly declined would increase. The public health which is generally improved would suffer."

From Evanston, Illinois, the "Signal Press" also sends out a leaflet containing arguments offered by members of the Dry Cause.

Quoting the Modern Dictionary, the leaflet state that "wet" means "saturated in liquid"—"All wet" signifies being wrong, mistaken, ignorant of facts."

To repeal the 18th amendment and abolish national prohibition is "all wet" continues the Signal Press leaflet, "before prohibition 1200 to 1800 drunks every night were brought into Salvation Army homes in New York—now seven drunks average per night."

SECTIONAL CONTACTS FOR CLARENDON

There is no one thing better for the sectional good-will of any community than contacts with its neighbors in varied avenues.

Recently the Business & Professional Women's Club of Clarendon attended a convention of its organization at Vernon and staged a contest for the convention of 1933. They lost, but in so doing, they impressed that convention with the intelligent aggressiveness of Clarendon and the good sportsmanship of the local club.

Likewise the Clarendon Rotary Club entertained a large delegation from the Pampa Rotary Club last week at the anniversary of the local charter, and further cemented fraternal contacts thereby.

Next week at Lubbock the Clarendon Lions Club will present a large delegation at the district convention of that body, and nobody in that city or at that conference will fail to note the activity of the local boys.

For a number of years Clarendon has had influential representation in meetings and conventions of state-wide and sectional scope, until today there are few cities of this size so well known in such meetings.

Clarendon deserves the best representation possible.

PAMPA LIONS PLACE MAN FOR DISTRICT GOVERNOR

PAMPA, April 4.—The Pampa Lions club, one of the most active in the "T" or West Texas district, has launched a campaign urging its president, C. Herbert Walker, for district governor.

Clubs all over the district are being asked to support the Pampa business man, and very encouraging support has been pledged to John Sturgeon, chairman of the steering committee which is backing Walker for the post.

Mr. Walker, now a dealer in office equipment and supplies, is a former publisher, legislator, and good roads advocate and is one of the best known Lions in the Panhandle. Born in Tennessee, whence came Sam Houston and so many other noted Texans, he moved to Dalhart in 1909. He was postmaster there during the administration of Woodrow Wilson. He served in the 33rd Texas legislature as representative for his district of ten counties.

For eleven years he was editor and publisher of the Dalhart TEXAN. He was one of the organizers of the Colorado-Gulf Highway association. Locally, he is carrying on his civic duties and is president of the Board of City Development.

Mr. Walker was the first president of the Dalhart Lions Club. His interest in the organization took him to the Omaha and Toronto International Conventions. He has the means and the leisure to give to the important office of district governor.

The Pampa Club will have a large delegation at the Lubbock convention April 11 and 12, when the vote for district governor will be held.

FORMER CLARENDON PASTOR CELEBRATES 76TH BIRTHDAY

CANYON, March 23.—Rev. T. B. Hilburn, formerly pastor of the Methodist Church at Clarendon, celebrated his seventy-sixth birthday here last week, surrounded by friends, many of whom had known him and Mrs. Hilburn before they became custodians of the Methodist Camp Ground in Palo Duro Canyon Southeast of Canyon.

Mr. and Mrs. Hilburn were dinner guests of Miss M. Moss Richardson whose birthday it was also, and at the table were two college students, Miss Mary Jo Gates of O'Donnell and Miss Wertha Taxter of Wellington who were celebrating their birthdays.

During the afternoon Mr. and Mrs. Hilburn were guests of Rev. and Mrs. C. E. Jameson, and many friends called to wish Mr. Hilburn many happy returns of the day. Rev. and Mrs. J. H. Braswell were guests. Both Mr. Braswell and Mr. Hilburn are now supernumerary ministers.

Mr. and Mrs. Hilburn recently celebrated their fiftieth wedding anniversary, and on his birthday Mr. Hilburn recalled that he had served Chillicothe, Shamrock, Wheeler, Estelline, Clarendon Circuit, Panhandle, Mobeetie, Lockney and Turkey since he came to the Northwest Texas Conference. He began preaching in 1881 at Harrisburg, Arkansas.

Mrs. Fred Mayer and daughter of Dallas are spending a time in the home of her parents, Mr. and Mrs. G. W. Antrobus.

TRAVEL IN COLOMBIA

Perhaps no country in the world affords such a varied means of transportation as Colombia, where the traveler may get about by methods ranging from mule-back to airplane, and including boat, train and auto and aerial cable.

From the Caribbean port of Santa Marta, Cartagena and Barranquilla, tourists can fly direct to Bogota, the capital, over 700 miles of thick jungle through which the Spanish "conquistadores" made their way in the 16th century. This flight is made by one of the safest plane systems in the world, the Scania, operated for the last ten years by German pilots without a single accident to passengers on regular flights. Or, they may take a long route by stern-wheel river boats up the Magdalena to Honda, and thence by train and auto to Bogota.

From the Pacific side, disembarking from the Grace Line at Buenaventura, the trip to the capital is made by train and auto, one point on the way reaching an altitude of 14,000 feet in the Andes. For side trips into the great prairies beyond, mules are used.

But the most novel trip of all is that by aerial cables jumping across space and transporting coffee and passengers 72 kilometers from Manizales to the Magdalena river. These carry tiny cars swinging from 13 to 200 feet above ground and traveling only four and a half miles an hour. But slow as it seems, it isn't so bad. On foot one would do well to make four and a half miles in a whole day in that type of country.

Miss Mable Mongole, student of West Texas State Teachers' College at Canyon returned to Clarendon on Thursday evening and with Miss Edgar Mae Mongole and Miss Irma Lewis motored to Dallas on Friday where Miss Mable received medical attention.

PARAMOUNT THEATRE IS MAGNIFICENT STRUCTURE

In building the new Paramount Theatre at Amarillo, the engineers of the Public Theaters corporation planned for modern perfection and a beautiful simplicity, plus comfort and enjoyment for their patrons. They have used every means of improved theater equipment and modern mechanical devices to this purpose.

On approaching the theater one will be struck by the utter simplicity of its soft tones exterior walls in contrast to its gorgeous marquee and the towering vertical sign. Many thousands of twinkling colored lights are made to flash in rapid rotation by means of the latest mercury power flashers. This electrical contact is made as the mercury flows from end of the glass tubes to the other.

Greeted by a courteous attendant, the patron purchases his ticket at the box office and is met by the cashier's smile in this enclosure of glass and marble. Inside the main lobby, a gracious doorman will direct patrons to their seats with an ease that will do much toward putting them in a happy frame of mind.

Should the patron become thirsty he may stop to drink water from a fountain cooled by electrical refrigeration and after the thirst is quenched he will be likely to take a deep breath. Whether he takes a deep breath or not while in the theatre his lungs are filled with a purified air made free from all impurities by a giant air distilling plant.

Passing from the foyer the patron is escorted through a sound proof door opening into the auditorium and protected from all annoying noises, down richly carpeted aisles, directed by unique lighting attachments on the seats, to a deep, upholstered seat where he will be able to enjoy to the full the attractions presented amid a surrounding of perfect comfort and beauty. Noiselessly the great curtain filling the proscenium opening is drawn aside as by invisible hands, and on the screen is flashed the picture story, perfect in sight and sound.

The Paramount will open Thursday April 21, at 6:30 P. M.

BETTER PRICES SEEN BY MACHINE COMPANY

Higher prices for wheat, corn and cotton are guaranteed by the International Harvester Company in an offer to this year's purchasers of certain important crop producing and harvesting machines. The higher prices guaranteed are 70 cents a bushel, Chicago, for wheat, 50 cents a bushel, Chicago, for corn, and 8 1/2 cents a pound, New Orleans, for cotton.

George A. Ramsey, Vice President in charge of sales, said today: "We are convinced that the reluctance of farmers to buy implements needed for the economic production and harvesting of their wheat, corn and cotton crops is due to the present unsatisfactory prices of these commodities, and we believe that if they were assured of higher prices for their products they would not hesitate to purchase the new cost-reducing machines they need."

"In order to meet this situation and to evidence our faith that prices of farm products must soon improve, we are now offering growers of wheat, corn and cotton assurance of higher prices with which to pay notes given hereafter and maturing this year for purchases of certain machines most vitally needed in making and gathering these crops."

"The list of machines to which this offer applies includes farm tractors, harvester, threshers or combines, windrow-harvesters and stationary threshers. The higher prices of which these new terms guarantee are 70 cents a bushel, Chicago, for No. 2 hard wheat, 50 cents a bushel, Chicago, for No. 2 Yellow Corn, and 8 1/2 cents a pound, New Orleans for Middling cotton.

"On notes maturing in 1932, given hereafter in payment of the machines listed and representing not more than 40 per cent of the purchase price, there will be endorsed the equivalent number of bushels of wheat or corn or pound of cotton computed at the prices named. If the average market quotation for the 5-day period prior to and including the maturity date of the note is less than the price named, the purchaser will be credited with an amount representing the price differential multiplied by the number of bushels or pounds endorsed on the note."

"For example, if the note due in 1932 amounts to \$420, it will require 600 bushels of wheat at 70 cents, Chicago, to meet the obligation; should the price of wheat at maturity be less than 70 cents, say 60 cents per bushel, Chicago, the purchaser's note will be accordingly reduced \$60.00. "I take this opportunity of reiterating that the Company said in its recent annual report for 1931—that the present abnormally low prices of farm products could not long prevail; also that only a slight improvement in prices for farm products would have an important effect in correcting the vicious circle into which all business has been forced in the period through which we are passing."

An old man went to a rejuvenation specialist and asked how much it would cost to rejuvenate him.

"To make you 30 again, it will cost you \$1000," said the surgeon, "but to make you like 25 again will cost \$2000, and anything below that age \$5000."

"I don't care about the cost; just make me eighteen again," said the oldest.

The operation seemed to be a success. But when the surgeon sent in his bill, the rejuvenated one sent it back with this notation: "You can't collect from a minor!"

Mr. and Mrs. J. T. Sims, Mrs. I. D. Stocking, Mr. and Mrs. W. H. Patrick, Miss Lorain Patrick and Mr. Harold Bugbe expect to attend the meeting of the Panhandle Historical Society in Canyon on Friday.

Mrs. Eula Cox went to Hedley on Monday where she will spend the week end in the home of her sister, Mrs. T. R. Moreman and Mr. Moreman.

WHAT CAN A CIVIC SERVICE LUNCHEON CLUB DO FOR THIS COMMUNITY THAT IS NOT BEING DONE

A Civic Service Luncheon Club can, if conducted in the right manner, be of very much service to its community. One way in which it can help will be to better the streets in the city limits. Of course all streets within the city limits can not be paved, because of the expense to the taxpayers; however, dirt roads can be greatly improved. Gravel can be put on the roads without so much expense and, in the long run, would be cheaper. In muddy weather one might compare gravel roads, to a certain extent with pavement, because they do not get slick and make deep ruts; this gives one a very bad impression of a city.

Such a club as this can also help by beautifying the city. This can be done by having a city park, a zoo and by seeing that trees are placed in different sections of the city and that they are properly cared for. Such improvements as these will in the end prove their good to a community.

It is a custom each year to have a Father and Son Banquet, which indeed is a very beneficial and enjoyable affair for the boys; but can not the Civic Service Luncheon Clubs help in some way to bring about a Mother and Daughter Banquet? I am sure that something of this nature would also be very beneficial to the girls. Another need is to have a community center for the young people, a place in which they can go and have their parties, dances, and banquets.

A better cooperation between the luncheon clubs of a city will help them in doing their duties. The money from the different civic clubs will be placed in the hands of one treasurer, and from this, money can be taken for educating boys and girls whose parents are not financially able to send them to school. A cooperation will give the club a better way of feeding the underfed children. This can be done by having a free cafeteria where they can go and get their required amount of food without so much embarrassment.

The Clubs can also help bring about a better and more friendly understanding between rural districts and the city by making the rural districts realize that the city is trying to treat them fair and to make them feel welcome when they are in our city.

Clarendon Well Represented at B. & P. W. Meet

Clarendon was well represented at the Business and Professional Women's Meet in Vernon on Saturday and Sunday of the past week. Some of the representatives left in cars on Saturday that they might be present for the opening festivities of the district Number One Conference which opened at the Bally Hotel Saturday afternoon while others attended only the sessions of Sunday, leaving here early Sunday morning and returning in the late afternoon.

The hostess club had not spared expenses or trouble in entertaining these guests and in expression of welcome of the delegates from all clubs of the district program. Attending from here were Miss Norma Rhodes, president of the local organization, Mrs. B. G. Smith, Miss Fanny Perry, Miss Carrie Davis, Miss Lottie Lane, Miss Helen Weidman, Miss Rhoda Weidman, Mrs. Ruth Teat, Mrs. Andrew Jay, Miss Opal Pyle, and Miss Winnie Weatherly.

MacDowell Changes Date of Program

The regular monthly program usually enjoyed by the membership of the MacDowell Club on the second Saturday of each month will not be given until April 16th on the third Saturday of this month due to some changes in the regular routine work of the chorus.

Mrs. Tren Stargell Is Hostess

With members of the Young Matrons' Bridge club as her guest, Mrs. Tren Stargell entertained with bridge at the home of her parents, Mr. and Mrs. Geo. W. Antrobus on Monday.

In the games Mrs. Rex Reeves played high receiving a lovely gift. Others in the playing were Mrs. B. C. Antrobus, Mrs. Roy Ingram, Mrs. Simpson, Mrs. Cleo Norwood, Mrs. C. W. Bennett, Jr., Mrs. George Norwood, and Mrs. Fred Mayer of Dallas.

Home Economic Club Well Attended

One of the best attended meetings of the year for the Home Economics club was that of Friday afternoon when Mrs. M. T. Crabtree was hostess at her home. Roll call was answered by the best methods of preserving food. Miss Martha Buttrill gave a demonstration on yearly budgets which conformed with the program of the afternoon, "Farm Food Supply".

A delicious plate lunch was served by the hostess to the following members:

Mesdames G. A. Antrobus, T. R. Brown, C. L. Benson, Brady, Jno. Clark, H. J. Eddington, J. C. Estlack, O. L. Fink, Lawler, Ralph Grady, Major Hudson, W. H. Martin, C. D. McDaniel, L. A. Reavis, Wm. Spitzer, Ed Speed, J. A. Tombs, and W. D. Van Eaton.

All patrons are invited to attend.

Miss Swisher Addresses Women

Miss Mattie Mae Swisher, student secretary of West Texas State Teacher's College of Canyon and who is assisting in the revival meeting now in progress at the Methodist Church, addressed members of the Woman's Missionary Auxiliary in the church parlors on Wednesday afternoon. She outlined her duties as student secretary and told of some of the work accomplished as well as work she hoped to accomplish while stationed in Canyon in her present capacity.

The women are very grateful to Miss Swisher and now that they understand more fully her work are pledging their support to her cause.

Episcopal Auxiliary Completes Study

Meeting in the home of Mrs. James Trent members of the Episcopal Auxiliary had the satisfaction of completing their recent study which enables them to take up something new.

After completing the study and adjournment of the business session a social hour was enjoyed.

W. M. S. Have Business Meeting

On Monday afternoon a business session was held by members of the Woman's Missionary Union of the Baptist Church. As this is held only once each month it took up the entire afternoon hours of the meeting.

Next week the society will meet in their respective circles, places to be announced later.

Contract Club Guests of Miss Mary Cooke

Miss Mary Cooke charmingly entertained the members of the Contract Club at her home Tuesday afternoon, where spring blossoms adorned the rooms in welcome to the guests.

A number of rubbers were played at the close of which Miss Loraine Patrick scored high and received the lovely club favor. Later covers were laid for a tempting plate luncheon.

Those present included Mrs. W. H. Martin, Mrs. Charles Trent, Mrs. J. H. Ellis, Mrs. Earl Alexander, Mrs. John Sims, Jr., and Miss Loraine Patrick.

1926 Book Club Has Book Reviews

Mrs. Manley Ozier and Mrs. Elba Ballew had arranged spring blossoms attractively about the ladies club room in welcome to members of the 1926 Book Club who gathered in the club room at 3:30 o'clock for two interesting book reviews.

Mrs. G. T. Boykin presided over the business meeting during which Miss Fray Stallings requested the membership to place her name on the associate roll which automatically released her from the duties of treasurer for the coming year. Mrs. Henry Tombs was elected to fill this office and Mrs. McHenry Lane was given membership in the club. quaint quotations. Mr. and Mrs. W. H. Patrick Entertain 500 Club

One of the most attractive and delightful social functions of the week was that given by Mr. and Mrs. W. H. Patrick at their home on Monday evening.

A pink and green motif with lovely tulips announcing the spring season was used to accentuate the dinner appointments and bridge accessories. A bowl of pink tulips centered the long table and tulip place cards marked the place for the guests who were served a lovely three course dinner preceding the games of 500.

Mrs. Fred Chamberlain and Mrs. J. F. Blocker received ladies favors of the evening with Mr. A. L. Chase and Mr. J. T. Sims being prize winners of the gentlemen.

To enjoy this colorful and delightful affair were Mr. and Mrs. A. L. Chase, Mr. and Mrs. Fred Chamberlain, Mr. and Mrs. Odos Caraway, Mr. and Mrs. J. F. Blocker, Mr. and Mrs. John Sims, Mr. and Mrs. James Trent, Mr. and Mrs. Charles Bagbee, Mr. Harold Bagbee, Mr. John S. Buebe, Mr. Bill Carroll, Mr. Carroll Knorrp, Misses Loraine, Elaine and Catharine Patrick.

Win-One Class Has Social

With Mrs. E. B. Bowen and Mrs. T. R. Brown as the gracious hostesses members of the Methodist Sunday School spent an enjoyable afternoon, Monday, in the home of Mrs. Bowen.

Mrs. Victor Smith gave an interesting devotional on "Giving" before the business session over which the president, Mrs. J. G. Sherman presided. Reports from the chairmen of the standing committees were given before the hostesses introduced April Fool games also playing an April fool joke on the guests by serving a delicious refreshment course to the twenty members present.

Mothers' Club in Interesting Study

Mrs. Walter Taylor was hostess to members of the Mothers' Club on Friday afternoon at her home.

Sixteen members were present to participate in the business session and to enjoy the following program with Mrs. Fred Buntin as leader: Greek Mythology, Mrs. Cap Morris; Character Training, Mrs. John M. Bass; Violin Solo, Dan Boston, Mrs. John M. Bass, accompanying; Reading, Carroll Brumley; Reading, Naomi Morris.

Mrs. Vestal Mosley was elected to membership in the club during the business session. The next Tuesday "Child Psychology" will be the club.

An enjoyable salad course was served at the close of the afternoon's study.

Bronchos '32 Conference Gridiron Schedule Complete

BIG SCHOOLS IN SAME DIVISION

COACHES MEETING TUESDAY AT CLAUDE MAKES SCHEDULE FOR 1932

Next Fall, instead of having the football teams of the small schools competing with those of the larger class "B" teams, the Big Four, Memphis, Wellington, Shamrock and Clarendon will be in the same division, with the smaller school, Turkey, McLean, Hedley, Groom, Quitaque and Estelline making up a separate division of the district. This was culminated Tuesday afternoon in a coaches meeting at Claude, who decided the change would be considerably fairer than that of last year which placed the small and large schools together. This way will allow the teams which do not have the material of the larger ones to play a round robin schedule among themselves before meeting the winner of the large school division.

The schedules of the various teams were made out and the dates approved by the coaches. The incomplete schedule for the Clarendon High School Bronchos defending champions of District One and Two is as follows:

Sept. 29, Quitaque there
Oct. 7, Claude here.
Oct. 14, Open.
Oct. 21, Shamrock here.
Oct. 28, Wellington here. (tentative).
Nov. 4, McLean here.
Nov. 11, Memphis there.

It is probable that games will be arranged with Pampa and Childress for early season clashes. The 1932 model Bronchos will be playing their first season on their new turf field and with entirely new equipment will present a wonderfully well dressed machine. If their prowess on the gridiron ranks anywhere near their uniforms and their field they will easily defend their title against all comers.

The football field has been equipped with a sprinkler system from a pipe which runs the entire length of the field from goal post to goal post. Grass has been sowed and planted and plentiful supply of water is being kept on hand. It is expected that the field will become thickly matted before football time.

Those attending the meeting at Claude Tuesday from Clarendon were Coaches John G. Hutton and Frank Stocking, and H. T. Burton, director.

Howdy, lads and lassies, how you all be these fine days? Whoa, we sure have had some hot elections here in the city the past week. They all went off in the best of spirit though and nobody lost any of their friends. There are a fine bunch of candidates and voters in Clarendon and all of them know they are going to have to live in the community after the election and no hard feelings are being harbored by any one.

Well, the Memphis golf wall-pers spanked the locals last Sunday in the first inter-city match of the season. No alibies, but just for information, Ira Merchant, Dude Gentry, Meredith Gentry, A. N. Wood, Walter Wilson and several others of the foreranking players were not given a match. Our mutual friend Rufus Greene is without a peer when it comes to matching these golf players. He siced what he stated was a "dub" on ye old sports writer and told us he shot around a hundred. Then our opponent opens up with a flock of pars and has us four down at the end of the fifth hole. By that time we had a feeling that somebody had been kiddin' us up near the matching board so the battle was on. We came in the first round with a fine 44 and was two down. However pars on one and two failed to relieve the complicated situation, but another one was whittled off on the third. A bad case of headitis sent a beautiful fly into the furthestmost crevices of the delightful canyon which materially helped our situation. We went two down on the fifth when he sank a birdie against the strong wind. (pretty good we thought, again, for a 100 shooter). A couple of pars on the seventh and eighth halved the match for the first time and on the eighteenth Rufus Greene's "dub" eased his second shot onto the sand of the green which ultimately was enough to settle the match without further comment. The last round for us was a 40, the best golf we have shot in two years, then we get licked by a 100 shot "dub". If I were you Mr. Wright I'd take that as a personal insult from Mr. Greene. After the fine golf displayed on your first visit on the Hillcroft course, I'll take a 140 shooter next time please, Mr. Greene.

It has just occurred to us that with the several splendid golf clubs in the various cities of the Panhandle a plan might be adopted which will form a six or eight city golf loop for this summer. There are Memphis, Childress, Hedley, Wellington, Pampa, Shamrock, McLean and Clarendon who will without a doubt be interested in the formation of such a league.

The plan has been in working form for some time in other parts of the state with the Oil Belt loop, West Texas Golf loop, Wheat Belt league and others.

Here is the working plan as we see it. Every club would have a team of 12 or 16 players. A committee composed of members from all the clubs would meet and draw up a schedule calling for two matches between each city, on the home and home basis. The play would be according to schedule and a percentage kept for record following the matches. The results of the matches with the players score will immediately be sent to the league statistician for record following the matches, who will in turn send the results of the matches played to all the member clubs with the place standing of all the teams.

I believe Memphis will be in.

terested and with a little effort the movement should easily be started. It will interest the players and the clubs will benefit materially therefrom. How does the plan suit you?

Jimmy Millsap, coach of the championship Chamberlain track team, asked the writer for information on the Class B State Meet this year. Well, Jimmy, here 'tis: The Class B State Track Meet will be held in Denton, Texas, May 6th and 7th.

And by-the-way folks, Donley will offer some first class competition tea with Hughes and Duck-tracker's of Texas plenty in the way of capable performers.

Folks, you should have seen that bunch of boys—last Saturday night over at the American Legion Hall when the first meeting of the Boys' Club was held. Over one hundred, and all of 'em red blooded American youngsters. A splendid crowd of boys and a wonderful movement on the part of the American Legion and other organizations helping sponsor the boys' work. All of the youngsters had a great time and you should have seen them when they started their games—a hundred boys can move and move mighty fast. All you boys come back and bring your big brothers to the next meeting. Things will begin humming in the way of outdoor activities and those in charge want all of the lads, young and old, to join the club and participate in the many games and contests planned throughout the summer. And don't forget, boys, there's to be a big camping trip in the late summer for those who have taken the greatest interest in the Boys' Club. See you at the Legion Hall, Saturday evening, April 16th. Be there.

And the tennis courts continue to blossom forth. Work is progressing nicely on four new courts at the junior high school and more and more interest is being manifested in the game as the days roll by. The greatest increase is noted in the number of girls taking up the game. Every afternoon the College courts are flooded

with girls enjoying the fine game and on the various private courts one finds the feminine population greatly in evidence.

A meeting at the college Monday afternoon was attended by about fifty or sixty boys and girls who were enthusiastic about claying the courts at the senior school. Frank Stocking states that the boys have offered their labor in topping the courts with a fine clay finish and now if any of you folks in the rural sections near Clarendon know where there is a good lot of clay, will you please let us know about it. It will certainly be appreciated. We believe the city will furnish us the services of a truck and there will be no cost to any one—just a little work and when you get to play on a fine clay court you will be well paid for the time and labor spent.

Oh, boy, we cringed the sport page of the Sunday Fort Worth Star Telegram, hot dog. In Amos Melton's column "Chips and Chatter", our friend Amos makes the statement, "Sam Braswell, Jr. of Clarendon is planning to attend 'the Green Belt at Electra. And ho wabout the Cooke boys?"

Knowing well the honesty and integrity of all scribes, Amos, we know some one has been misleading you. Our game is badly off and the old pocketbook is worse so we are afraid the report is a bit premature. But now about the Cooke boys. You can bet your typewriter they will be among those present and also those lastly eliminated. But you mustn't forget Clarendon's ace golfer, Ira Merchant, real owner of the Green Belt Title. Following an operation some weeks ago Country Merchant has emerged from the bushes and is shattering old man par almost every round on the local course and you know it is one of the most difficult layouts in West Texas. Clarendon will be represented and you can tell Quannah it'll take more than a slip of cardboard and a faulty official this year.

Thanks, Amos, come see us—we like you up here.

This baseball situation is getting down to the starting place now and next week SPORT SLANTS will give again, absolutely free of charge and with no strings attached, our prediction on the outcome of the major races. Don't miss it.

By-the-way folks let's get together and get good roads for Denton County. A Highway engineer told us that unless some action was taken by the county this time the citizens of Donley would never have opportunity to say where the location of the road would be. Why some people will admit they don't know a thing about the proposition as offered by the State Highway Department and then turn right around and tell a lot of untruths in an effort to contaminate public opinion is more than we can understand. Maybe you can explain it.

Local Golfers To Invade Memphis Sun.

The members of the Hillcroft Golf Club will play a return match Sunday afternoon on the Memphis Country Club course. Officials of the local club wish every golfer who can to make the trip to the Hill county capital where the Hillcrofters will attempt to avenge the defeat hung on them last Sunday by the Memphis golfers. The matches will begin about 1:30 o'clock which will give the Clarendon players ample time to have dinner here before leaving for Memphis. A goodly number of golfers are asked to make the trip so make your plans now to bring back a scalp of the Memphis golf elite.

Goldston Ball Team To Be Powerful Nine

Special to The Clarendon News

Goldston Base Ball Team. Look out for the Golden Arrows. They are working on their team and we are expecting a success from them. Charlie Risley will be the manager this year, and he is planning on having all the ball players meet soon to organize a team. We have all the same players that we had last year including a few more. We had a real ball team last year and are going to have another on this year. They won the \$50.00 last 4th of July and are going to try to win \$100.00 this coming July. They played all their games fair and only took defeat (with a smile) one time. The Junior boys and girls are going to get up a "Yelling Team" for the ball players and will dress in gray and white. "The Seniors can play, and the Juniors can yell, the ball players can fight and will fight like ????" Come on Goldston Arrows.

Three full cheers for our future ball team. We are all for you, Goldston, and will stand

by you through thick and thin. Stay right in there and play, and win all you play. Take defeat with a smile and make this year worth while.

As the County Meet is over all the Goldston school children have settled down to home affairs and all find amusement in several different ways.

A SAFE FARM PROGRAM FEED—FOOD—CREDIT

The present agricultural conditions and the prospects for all prices of all agricultural commodities in the future suggest that a program of live at home for the farmer is imperative.

We wish to point out to the farmers of this territory, as we did last year, that from our viewpoint the time has come, more than ever, when it behooves to grow his feed and food at home, consisting of fruits, vegetables, poultry, meat and milk, and have these products preserved in sufficient quantities to feed a family at least one year, and a two year supply of feed for live stock. It is an utter impossibility to produce any one crop (particularly cotton) and meet your obligations. One crop programs have always proven disastrous.

We have no disposition to dictate to our farmer customers, but it is our seasoned judgement and experience that unless a live at home policy is adopted and continually pursued, farmers can never prosper. We would respectfully urge the planting of gardens this year, and if the gardens should fail, then we would urge that farmers go to the sections of this country that raise truck and garden stuff in abundance, and buy or barter for the same, thus supplying their home needs with vegetables, fruits, etc. that they fail to raise on their farms. A good many farmers last year employed the barter system, and are this year borrowing very little money, as a result of it.

It will be the policy of the following banks to base their farm loans in the future on whether or not the farmer is following the program as outlined above.

This statement is made at this time so farmers may plan their 1932 farming activities accordingly.

PRESS CLUB REPORT

The Press Club met Tuesday afternoon for the first time in several weeks as meetings have been postponed during preparation for the League Meet. Several members attended and a discussion of a new type of newspaper stories was the topic for the afternoon.

HOME ECONOMICS

The Boy's Class of Home Economics is planning a party for the near future for which the members will prepare and serve the refreshments, receive guests and write invitations. This is being done as part of their home project.

Instead of having a style show as in the past the classes are planning a series of exhibits. One of which will be the cost of a balanced ration for a family of five for a week and in which all the food stuffs are abundant. This is to be prepared at local prices. A proper set luncheon table will also be exhibited in a local store in the near future.

There will also be a clothing exhibit put on by the clothing class.

A series of tests and an at home are being planned by the first year classes at which guests will be present.

AGRICULTURE REPORT

The second year Agriculture Class has been drawing plans for a swing and figuring cotton. Later they will finish drawing the plan for the swing, they were to find the cost of lumber and other material to be used in making the swing. They figured the cost of the different classes of cotton.

The first part of last week the students figured the cost and expenditures of different things, calves, cotton, etc. They also worked on their notebooks and had their examination Thursday.

SENIOR CLASS PICNIC

The Senior Class has had several meetings to make the plans for the annual Senior picnic. At the meeting on Tuesday the final plans were made. Because of the great majority of boys in the class the motion that members be allowed to invite outsiders carried. The class decided to go to Hardin's Ranch Friday the 15th. The Seniors also voted that all would stay at home the night before the picnic, and if the Juniors wish to fight, they will have to fight among themselves.

300 EXPECTED AT LIONS DISTRICT MEET

Special to The Clarendon News
LUBBOCK, Texas, April 6.—Three hundred Lions from District 2-T, including practically all of West Texas, are expected here April 11 and 12 for the annual district convention of Lions International.

Judge E. L. Klett and W. D. Girard will give addresses of welcome at the opening session Monday morning to which Chas. C. Thompson of Colorado will respond.

District Governor Sam Braswell of Clarendon will preside at the meetings. A banquet honoring Braswell with Judge E. L. Pitts Lubbock Club president, presiding will be held Monday evening. Wm. H. Wallace of Lamesa will make the principal address of the evening.

Following the banquet, Julien Hyer, Fort Worth, president of Lions International, will speak. H. M. Long, Fort Stockton, Texas will speak on the morning pro-

gram, and the Amarillo club will have charge of the noon luncheon program that day.

Tuesday morning the club secretaries will have a breakfast with Lawrence Koch, El Paso, presiding, and the club presidents will likewise have a breakfast with C. H. Walker, Pampa, presiding.

Tuesday afternoon, the business session, including election of district officers, selection of next meeting place and other business, is on the program. C. H. Walker, Pampa, and D. W. Harrington, El Paso, are candidates for district governor, while Big Spring and Amarillo are seeking the next convention.

A number of musical and other entertainment numbers are on the convention program, including selections from the Rotan Lions' Club Violin Quartet, golf, theatre parties, an automobile tour and other entertainment features have been worked out for the pleasure of the visiting Lions and "lionesses."

THE ASHTOLA SCHOOL NEWS

The Fairview Community is going to bring a play up here Friday night. We want a large crowd present on that night. We took a play up there last Wednesday night and there was a large crowd present and we want a large crowd present for them. It will be worth your money and time.

The high school and 6th and 7th grade students went on a picnic Friday. We went on the J. A. Ranch. Everybody reported a nice time.

Mr. Baker gave the High School a party Saturday night. They played several different games. There were several present and we all enjoyed the party and

Heavy Fire Loss In Vacant Bldgs.

According to the local Fire Marshal's reports, which do not cover the entire State, there were 769 vacant dwelling fires in Texas during 1931, the loss on which amounted to \$662,000. During January of this year out of 483 fires on dwellings, 71 were vacant. Twenty-two of these 71 were reported as being of incendiary origin. Eight of the 22 were overinsured. Approximately one-sixth of the dwelling fires are on vacant dwellings, while certainly one out of every six dwellings in Texas is not vacant.

These amazing figures have pictured so vividly to this Department an approaching disastrous situation, that we feel it necessary

are looking forward for another one.

to take an active step toward the elimination of this large number of vacant dwelling fires and thereby protect the insuring public from higher insurance premiums.

LIONS PROGRAM PLEASES KIDDIES

CLUB MAKES PLAN TO SEND DELEGATION TO LUBBOCK FOR DISTRICT MEET

The general public enjoyed the Lions Club program Tuesday noon in front of the Lions den when Dr. Mackey of the Schell Bros. Circus brought a pair of live lions and four trained elephants for a short exhibition of stunts before the main street parade. The cage of lions furnished a great deal of wonder to the huge crowds who gathered at that portion of the street, but the antics of the ponderous elephants were even more unusual and demonstrated the marvelous ability of trainer McQuay.

In order that the members of the club could witness the circus parade the program was started before the luncheon was complete and a number of committee reports were made. The question of the Lubbock convention was brought up for discussion and the committee took personal canvass of the members at the time to ascertain just how many would make the trip to represent the local club. A fine response was made and every one is certain that quite a goodly number will be on hand when District Governor Sam M. Braswell calls the meeting to order on the morning of the 11th.

It was reported that International President Julien C. Hyer of Fort Worth would arrive in the city on the early Sunday morning train and a breakfast will be given by Lion Braswell honoring the distinguished guest at the Country Club with the entire membership invited. The group will meet at the Lions den at 7 o'clock Sunday morning and will then make their way to the club grounds where the early meal will be served.

Guests were introduced as Dr. Mackey of New York City, Rev. Roy Deer of Lansing, Michigan, Dr. Bunyan Spencer of Granville, Ohio and Mr. Christian of Claude, Texas.

Baptist Convention

Resolution Resolved: first, that this Convention representing 19 counties in the Panhandle section of Texas with 86 Baptist churches with a membership of 15,073 go on record as heartily and enthusiastically favoring a movement set in action by our State B. T. S. Convention of Texas to promote temperance and prohibition sentiment among the Baptists of Texas through the oratorical contest when national prohibition will be discussed. This contest is to be promoted in all of our churches in our district with the elimination contest at the State Convention in Houston, Thanksgiving Day, and two days following. That we assure our State Director T. C. Gardner of Dallas of our cooperation in this great movement.

Resolved: second, that we enter our protest against any attempt of wet minority in Congress to alter or weaken the laws enforcing the Eighteenth Amendment to the Constitution of the United States. That we will vote only for dry candidates for offices whose work has to do with the enforcement of our prohibition laws. Resolved: third, that we will not in any way encourage by our example the violation of our prohibition laws, but will, by the practice of total abstinence from strong drink honor our flag and endeavor to bring about the conditions of sobriety that the American people anticipated and hoped for in adopting prohibition as a national policy. Resolved: fourth, that we appeal to our honorable representatives in

FAMOUS RADIO STAR TO APPEAR ON PASTIME SCREEN

Radio fans of Clarendon and Donley County will be pleased to note that on next Monday and Tuesday Seth Parker and his Jonesport Neighbors will be presented in "Way Back Home" at the Pastime Theatre, according to an ad appearing in this issue of The News. Press comments on this show indicate that it is without a doubt one of the best pictures released in the past few years. Seth Parker, the lovable old character who conducts those enjoyable Sunday night neighborhood singings at Jonesport, will also please his audience from the talking screen just as much and possibly more than over the radio. This is a show for all ages, and every one is especially urged to attend this showing.

JUDGE FIRES MAD-NOT ENOUGH CRIMES TO TRY

Judge A. J. Fires, Judge of the 100th Judicial District, who is holding court here is rather disgusted with Donley County. In conversation with The News representative this morning the Judge stated that he was ready to take his satchel and go home. The disdain for the local community and county, it was learned, comes from the small number of court cases. He is just about to get out of practice presiding over courts.

The genial Judge laughed and stated that Donley was sure getting poor—when about the only criminal cases it could get came from Collingsworth and Hall counties. It has just come to the point when all he had to look forward to from the Clarendon court session was a good rest. Only one case has been tried before a jury this term and that was made up of parties from another county. Judge Fires said that since the formation of Clarendon, Donley County there has been less crimes here than in any county in West Texas. He said it was due to the splendid type of people who made up its citizenship, and that Donley was one county he had no fears about whatsoever going wrong. Thanks Judge.

FIRE INSPECTOR VISITS BUSINESS FIRMS MONDAY

State Fire Inspector D. O. Olive was a Clarendon visitor Monday and made a thorough inspection of the business houses in the city relative to fire hazards throughout the day. City Fire Marshal, James Trent, made the rounds with the inspector also looking over the property. Inspector Olive stated to a representative of The News that the condition of the majority of the Clarendon firms were in excellent shape and that he saw no reason why the good fire credit record should be lost to the city. He passed a number of compliments on the fine work of Mr. Trent and the fire department expressing the belief that Clarendon was as well fitted in fire prevention facilities as any city of like size in the state.

MEMPHIS GOLFERS BEAT LOCAL CLUB

VISITORS TAKE 10 MATCHES FROM HILL CROFT PLAYERS HERE SUNDAY

The visiting golfers from the city of Memphis staged a successful invasion of the local golf sanctum last Sunday and grabbed the initial inter-city match of both teams with a 10 to 7 score. A blustery wind hampered the play of the homelings and visitors alike and rather high scores were the result, but every one enjoyed the match play to the fullest extent and other matches are planned in the near future.

In the feature match of the day Frank Foxhall of Memphis and one of the outstanding players in west Texas took Al Cooke into camp after each had played comparatively poor golf both rounds. The score was two and one to nlay when the issue ended on the seventeenth green. Ira Merchant, Clarendon's number one player and city champ was without an opponent as were some other of the better golfers of the city.

The matches with their results are: Regnal Greenhaw defeated Dick Cooke 4 and 3. Thomas Hampton was defeated by Fred Buntin 1 up. J. T. Paiman defeated M. J. Draper 1 up. H. B. Kerbow defeated L. M. Hicks 1 up. Tom Connally defeated David Huggins 2 up. Leon Pliland defeated Doss Palmer 1 up, (19 holes.) O. V. Alexander defeated Carl Parsons 1 up. Nobin Walters defeated Frank Stocking 5 and 4. Ira Nuby defeated Homer Parsons 2 up. Geo. Greenhaw was defeated by Carol Knopp 6 and 5. J. B. Wright defeated Sam Braswell, Jr. 1 up. W. C. Dickey was defeated by R. C. Westtherly 2 and 1. Lesley Foxhall defeated Dr. Harter 4 and 3. Carl Harrison defeated Pinkie Kerbow 5 and 4. Rolnh Kerbow defeated Fred Finch 1 up. Frank Foxhall defeated Al Cooke 2 and 1. R. S. Green defeated Clyde Douglas 6 and 5.

FUGITIVE BOOTLEGGER GIVES UP TO SHERIFF

Yesterday Sheriff Guy Pierce was surprised to have Haskell Munica walk into his office and give himself up. Munica is under indictment for manufacturing intoxicating liquor, being one of the party who escaped in a foot race with local officers nearly two years ago after the arm of the law had surprised them while awaiting the still. The prisoner has been a fugitive since then and decided to give himself up and his trial will be disposed of Monday.

Schell Bros. Circus Presented Here Tues.

Tuesday was a gala day for the kiddies of the city and country, and for the older folks it was reason enough for them to shelve their worries for a time and themselves become kids again and enjoy the "circus day" as once they did years before. A huge crowd thronged the streets at the noon hour and witnessed the circus parade, which featured elephants, highly colored wagons, blaring bands and wild animals. A small crowd attended the afternoon performance but the evening attendance filled the huge tent to near capacity. The animal acts and aerialist performances were exceptionally good and all in all it was far above the average circus outfit. The personnel of the show is high class and the entertainment was clean and wholesome. Many compliments have been passed on the show and to the local merchants for the opportunity of seeing a first rate circus for the small admission price of one dime.

An old Negro, down South, handed a letter to his preacher. It was addressed to "De Lawd." It said the writer was about to lose his house because he could not pay interest on the mortgage; also that he was without food and was hungry. He asked "De Lawd" to lend him \$50. The preacher, taking pity on the old man, collected \$42 among his friends and gave it to him. A week later the old man handed the preacher another letter addressed to "De Lawd." It read: "Deah Lawd: I ax yoh to loan me \$50 an' de preacher done gib me forty-two. From now on please do business with me direct." —Textiletelegram.

The old men are looking so young these days that they all seem to die before their time.

WE WANT TO THANK YOU

Our Hearty Thanks Goes Out to People of Donley and Neighboring Counties

After having been in business in Clarendon for the past sixty days we feel that it is time to express our hearty appreciation and thanks for the splendid patronage accorded us at the Jitney-Jungle Store.

Our reception has been most hearty, and the instant favor our system of merchandising has found, proves that people of Donley and neighboring counties want new, fresh groceries, priced in accord with conditions, and sold them in the Jitney-Jungle way.

This was especially proven last Saturday when the largest crowds ever to visit our store in one day was present and the volume of our sales was in proportion to the conditions and number of people present. It was an absolute proof of the value of straight, honest and systematic advertising—something that we always use in our merchandising, because you must tell 'em to sell 'em, and because the people respond.

We want you to know just how much we appreciate your kindly welcome to Clarendon, and the friends we have made since coming here, as well as the fine volume of business you have given us. We assure you that we shall continue in our efforts to merit your patronage with high class groceries, low prices and the economical Jitney Jungle way of serving our patrons.

Come to see us, and let us help you in enjoying table and kitchen comforts on just a little outlay of money.

Cordially yours,
