

MORE THAN MILLION DOLLARS DEPOSIT HERE

REPORTS MADE AT CLOSE OF BUSINESS DEC. 31ST SHOW FINANCES OF COUNTY IN FINE SHAPE FOR THE COMING YEAR.

That 1922 is starting off with more prosperity and hope than 1921 is shown by the fact that once more the deposits in the local banks are spoken of in millions. It has been many months since this could be said until the last call which was at the close of business for the 31st of December. The statements of the three banks in Clarendon show that on that date there was on deposit \$1,083,213.90. With this is the further fact that those who have been borrowing have been able to pay up enough that the loans are reduced from a total of more than nine hundred thousand to slightly more than eight hundred and fifty thousand. The last call before this was made the 31st of September, and on that date there was on deposit \$881,567.76, the loans amounted to more than twenty thousand dollars more than the deposits, being in exact figures \$906,240.84. Today with the deposits indicated above, the loans in exact figures amount to \$652,581.36.

With the state of finances shown above, many business and professional men report that their trade is holding up fine, and as has been the case ever since the slump in the fall of 1920, no one is worrying in the slightest about the present, it is the future that is giving any worry.

MR. AND MRS. BUNTIN CELEBRATE GOLDEN WEDDING ANNIVERSARY LAST WEEK.

Mr. and Mrs. P. A. Buntin celebrated their golden wedding anniversary January 2nd with all their children once more assembled at home. The children were Tom Buntin and family of Amarillo; Mrs. Ella Price and family, and Mrs. Emma Cooper and family, of Ft. Worth; and Fred Buntin and family of this city.

Mr. and Mrs. Buntin came to Clarendon in the spring of 1888 from Moberly. But their old home was Kentucky, there being, in fact, where they were married.

Mr. Buntin relates that when he first came here, the present site of the city was dotted only here and there by a house, and box cars served as grocery stores; the ranchmen were glad to be able to get their groceries out of the box car here rather than have to haul from Ft. Worth or Dodge City.

For the first twelve years that he lived here, Mr. Buntin operated a dairy which was situated north of this city. Following this Mr. Buntin bought a livery stable and here continued in that business until he saw that it would eventually be put out of business by the automobile. He says that he was glad to sell that business when he got the chance. Following this Mr. Buntin ran the daily mail line between here and Silvertown. He left Clarendon each morning in his hack and met the hack from Silvertown usually somewhere in Mulberry Flat. On the other side of the J. A. Ranch headquarters. During this time he did not miss a trip. In order to make the trip with the necessary speed, he had a fresh team of mules stationed every fifteen miles.

Later Mr. Buntin went into the undertaking business, and he has followed that for the past nineteen years, he and his son, Fred being partners in that business today. The many friends of Mr. and Mrs. Buntin join in extending to them con-

EASTERN STAR CELEBRATES ANNIVERSARY

CLARENDON CHAPTER, O. E. S., CELEBRATES ITS TWENTY-THIRD ANNIVERSARY BY PROGRAM AND BANQUET FRIDAY NOON, JAN 6TH.

Friday of last week the local chapter Order of Eastern Star, celebrated its twenty-third birthday in a fitting program and sumptuous banquet between the hours of 11:30 a. m. and 2:30 p. m. In addition to the membership present they also invited all companions of members and something like fifty guests in this category were present for the festivities.

Shortly after 11:30, the members and guests being assembled in the main Masonic hall, Worthy Patron R. C. Weatherly sounded the gavel and on behalf of the order welcomed the guests and reviewed the work of the local chapter for its long and honorable years of usefulness. Following this address a very excellent and interesting program was rendered as follows:

Guitar solo—Miss Jessie Morrison. Reading—Miss Thelma Allen. Piano Solo—Mrs. Edythe Cameron. Vocal solo—Miss Anna Moores. These numbers were of a high order and won hearty applause from the attendance, receiving the thanks of the master of ceremonies.

The meeting was then turned over into the hands of Worthy Matron, Mrs. Bromley, who extended the immediate invitation to all those who held the blue cards distributed earlier in the morning to repair at once into the banquet hall where the dining was held. Here the membership and their delighted guests found a marvellous array of good things to tempt the appetite and here two consecutive times the seats were filled, as it was necessary in order to feed the large attendance to have two tables. Nothing good was left out of the menu and those versed in banqueting were frank in their praise of the skilled hands of the ladies who prepared and served so delightfully and complete a meal.

After all had been served a most enjoyable social time was had and the unanimous consensus of opinion was that the occasion ranked with the most elaborate affairs ever held in our city.

The Order of Eastern Star was organized in Clarendon twenty-three years ago with a bare constitutional number of members, but today it boasts of two hundred members and is considered one of the largest and most active chapters in Texas. The present efficient corps of officers includes:

- Worthy Matron, Mrs. E. W. Bromley.
- Worthy Patron, R. C. Weatherly.
- Associate Matron, Mrs. T. L. Benedict.
- Secretary, Mrs. R. C. Weatherly.
- Treasurer, Miss Nora Headrick.
- Conductress, Mrs. James Trent.
- Associate Conductress, Mrs. J. B. Baird.
- Warder, C. R. Skinner.
- Sentinel, Mrs. Joe Horn.
- Ada, Mrs. Guy Stricklin.
- Ruth, Mrs. John Clark.
- Esther, Mrs. R. W. Talley.
- Martha, Mrs. Donna Green.
- Electra, Mrs. C. R. Skinner.
- Pianist, Miss Mildred Martin.

REV. DIGBY TO PREACH HERE

Rev. L. A. Digby, of Grinnell, Kansas, will preach here Sunday morning and evening at the Christian Church. Following the recent resignation of Rev. Sam J. White, the local congregation made a call for another pastor, and Rev. Digby may be called. He is said to be a fine organizer and a good preacher. A good attendance of the church membership is urged.

Lee Holland had business at White Deer Monday.

gratulations, and wishing for them many more prosperous years with their attendant happy wedding anniversaries.

POULTRY CAR TO STOP HERE THURSDAY P. M. GREAT SUCCESS

WORD RECEIVED FROM THOSE TO BE IN CHARGE OF CAR SETS DATE. REQUESTS CO-OPERATION IN MAKING THE SCHOOL SUCCESS.

Word received from M. B. Oates, agricultural agent for the Ft. Worth and Denver Railway Company, states that the poultry car, which it was advised last week would stop here, will stop in Clarendon Friday, January 27th. The morning will be devoted to lectures and like work in the poultry business, while the afternoon will be devoted to demonstrations of the latest methods of raising poultry.

First, second, and third prizes of three, two and one dollars respectively are being offered for the best dozen eggs exhibited that day. It is from these eggs that the poultry specialists will give demonstrations of the selection of eggs.

Another feature that is receiving special attention at this time is the procuring of funds sufficient to lend five dollars to each boy and girl who wishes to start a thoroughbred stock of poultry. Some of the bankers and business men have signified their willingness to lend money under these circumstances, and in some instances it has been talked of lending money to anyone who wishes to start such a flock of chickens. This money which will go to buying pure bred baby chicks can easily be paid back and good profits made the first year.

This movement is going hand in hand with the movements for more dairy cattle and fine hogs in this county. These movements have been on foot for some time and have been receiving support on all hands, and the thoroughbred poultry movement is but another phase of the attempts to put aside the one crop idea.

Homer Mulkey has agreed to let his theatre building to be used for the morning school, and the demonstrations in the afternoon will take place in the car which is provided with the latest equipment in the poultry line.

Miss Trulie Richmond and Roy W. Hendrix, demonstration agents for this county are working to make the day a success, and they are receiving the co-operation of the Clarendon Chamber of Commerce and others in making this the success that it should be. Other arrangements will be completed as the day approaches.

HEDELY HIGH BASKETBALL TEAM DEFEATS CLARENDON

The basket ball players of Hedley High School proved themselves more than a match for the Clarendon High School Saturday afternoon on the local court in the Y building with a score of 46 to 34. The game was hard fought on both sides, and was heartily enjoyed by the many fans present. Coach Burton, of Clarendon College acted as referee.

For the first twenty points made by each side, it seemed uncertain who would win, for as soon as one side made a goal, the other side would do the same. But after the middle of the first half, Hedley, due to her better form, began to climb away from Clarendon. The visiting boys thus won the game by hard playing, showing better work than Clarendon in that they always kept a forward near their goal, while Clarendon did not. Again Hedley attempted longer passes with success while Clarendon relied almost exclusively on short passes except for many unsuccessful attempts at a long goal. But despite the fact that Clarendon did not do as good team work as Hedley, the outstanding stars of the game were Morris Woods and Dave Waldron of the local team. Woods showed remarkable precision at making goals, especially long goals, and Waldron was a star as guard. Not only did he keep his opponent from making a goal but he broke up the plays of the visitors capturing the ball time and again.

A. L. BANQUET THURSDAY P. M. GREAT SUCCESS

AMERICAN LEGION MEMBERS AND INVITED GUESTS GATHERED FOR APPETIZING BANQUET AND INTERESTING PROGRAM.

The Aubyn E. Clark, Post, American Legion of this city held a banquet Thursday evening of this week at the White House for their membership and a number of invited guests. Post Commander Jas. W. Adams, served as toastmaster and master of ceremonies in his own easy style and the hospitality of the membership made every guest feel the welcome that was theirs' and proved the wonderful spirit of the lads who wore the khaki. The attendance was in the neighborhood of fifty as many of the members were unable to be present.

After the splendid menu Toastmaster Adams spoke of the pleasure of the post in having guests with them in their pleasures of the evening and called upon the following visitors to make short talks: Sam M. Braswell, A. N. McCardell, Dr. Jenkins, O. C. Watson, Tom F. Connally and A. M. Beville, Sr. Most of the talks were along the line of the accomplishments of the American soldier in the world war and the tasks of citizenship that now confront them here at home. Dr. Jenkins pointed out as a model for the post membership the life and character of the young men for whom the post was named—Sgt. Aubyn E. Clark, martyr to his country on the fields of France. Mr. Beville's address was along the lines of the fraternal spirit that permeates the whole American Legion membership from coast to coast. All visitors who spoke expressed their hearty confidence in the organization and declared their whole-hearted co-operation in the work of the local post.

Hon. Curtis Thompson representing the post, reviewed the work of the Legion for the past year and laid down the program for the coming year. Although the past year has been one of financial stringency, yet the work of the post in 1921 when summed up shows to have been very creditable and is greater in extent than most people imagine.

Following Mr. Thompson's address the toastmaster introduced Rev. W. H. Foster who is head of the Boy Scout Troop in Clarendon, who talked along the lines of the "big brother" movement of the Legion in interesting themselves in the scout work all over the nation. He pled for more thought and larger support of the work here in our city. A number of short talks were made by members of the post including those of Mess. Byron Blevins, Roy W. Hendrix, Adjutant Roy Kutch, Ralph Kerbow, Clyde Douglas and Capt. Simpson.

Adjournment came with an even stronger feeling of fellowship between the boys who marched away and these who stayed at home by the stuff.

CITY DRUG STORE CHANGES HANDS

The inventory of the City Drug Store is being taken this week completing a deal whereby Cobb Harris becomes the owner of the store and Grimes Brothers become the owners of a fine Donley county farm. S. A. Andrews will remain with the store as pharmacist, and Jesse Grimes will remain there another month.

W. A. WOMACK DIES IN MEMPHIS LAST WEEK

W. A. Womack, of Memphis, died suddenly there Saturday. He is the father of Mrs. Ralph Andis, of this city, and was well known here having resided here for several years, moving to Memphis only a few years ago.

W. A. Newland, of Amarillo, was in this city Saturday on business.

GUESTS OF LUNCHEON PRAISE CITY

COURT OFFICIALS AND LAWYERS GUESTS OF TUESDAY LUNCHEON PRAISE PROGRESSIVE SPIRIT OF CLARENDON.

District Court being in session the Tuesday luncheon had as its guests, Dist. Judge Henry Bishop, Dist. Attorney W. H. Childers, Court Stenographer Henry Gould, Sheriff Rutherford, et al. The usual excellent menu furnished by the White House was given minute and hearty attention after which the toastmaster, Secretary A. N. McCardell introduced one after another of the guests who responded in cheerful vein and appreciative manner.

Mess. Frank Ryburn, Marvin McCullough and Rollie Seales being detected in the dining room and all being from Amarillo the hibernating headquarters of the majority of the court officials they were presented with a cigar and pressed with an opportunity to speak. Mr. Ryburn commented on the spirit of Clarendon and the forward-looking men who control her destinies, saying that we cannot overdo the matter of devoting time, energy and talent to the making of a better community in which to live and rear our families. Mr. McCullough recounted the fact that Clarendon had been the first county in the entire Panhandle to take care of their part of the annual budget for the Panhandle Plains Chamber of Commerce and complimented the vision of the local organization here who made such a step possible. He said the action of the city here was being heralded about the country as a movement to the spirit of Clarendon and her people. Mr. Seales responded in a happy manner saying that he always enjoyed the privilege of being in Clarendon and among her people.

A number of the guests took occasion to follow the lead of Mr. Gould in urging that Clarendon people take a greater interest in the good that the Chamber of Commerce is trying to do for the city and county.

FAREWELL ENTERTAINMENT FOR REV. AND MRS. WHITE

A reception was given Thursday evening at the Christian Church in honor of Rev. and Mrs. Sam J. White. Rev. White recently resigned as pastor of the church here, and they departed Monday morning for Ft. Worth where they will make their new home. A program, in charge of Miss Velma Sue Green, was rendered to the delight of the audience. After this J. R. Tucker, superintendent of the Sunday School, made a snappy talk in which he told Rev. and Mrs. White how they were appreciated; he then invited others to speak.

Mrs. John Beverly made the speech of presentation, and presented to Rev. and Mrs. White a fine set of silverware, a gift from the church. Rev. J. T. Griswold, pastor of the Methodist Church then made a farewell speech to the honorees voicing the sentiments of the congregation. Rev. White replied in his usual jovial manner, and Mrs. White replied in fitting words.

The guests then repaired to the basement where a delightful course of sandwiches, cake and coffee awaited them. A social hour then followed.

During their residence of more than a year in this city, Rev. and Mrs. White made many friends, not only among their own congregation, but among the other church people of the town, and as they leave the best wishes go with them and the hopes for Rev. White's success in his return to the evangelistic work.

COLLEGE P. T. A. TO MEET MONDAY

The Parent-Teachers Association of the College will meet Monday afternoon at three thirty o'clock with Mrs. G. S. Slover. Every member is invited to be present.

TWELVE CENT REDUCTION IN CITY KEY RATE

COMMUNICATION RECEIVED FROM STATE INSURANCE COMMISSION TELLS OF REDUCTION DUE TO RECENT CITY IMPROVEMENTS.

Due to the improvements recently completed on the city water system, the State Insurance Commission has allowed a reduction of twelve cents from the insurance key rate for Clarendon last year. It has been estimated that this new rating which, for the most part, applies only to the business district, will effect a saving of from \$1,200 to \$1,800 to the business district. The saving may really be called thirteen cents, as only recently there was an addition to the key rate, making it 59 cents; but as the rate stands today it is 46 cents.

The credits allowed were for the self-propelled engine with chemical attachment, for methods which include the teaching of methods in the public schools, and for arson rewards maintained by the city.

The above deductions do not apply to dwellings more than one thousand feet from a public fire hydrant. The deduction was on the basis of twelve cents for mercantiles, six cents for special classes, and six cents for special hazards.

Another reduction is expected in the spring with the installation of one hundred water meters which have been ordered. These are expected here in the near future; and the reduction due to their installation will be, perhaps, about one cent.

MANY TRADES BEING MADE AT THIS TIME

With the opening of the new year the optimism and faith in the times is manifesting itself in the number of trades being made. In most instances the trades are with the fine farming lands that lie on all sides of this city.

W. L. Blaylock, of Wellington, has purchased one hundred acres of fine farming land lying south of this city, and paid cash in the transaction. The purchase was made from Henry Williams. A. V. Clark of this city has purchased the Henry Riley farm northeast of this city.

Charles Johnson of the J. A. Ranch has bought the J. W. Peenington home in this city, and is moving there. John Clark has bought a section of land two miles east of this city from Frank Boutland. Henry Williams has bought an eighty acre cotton farm two miles west of Clarendon from Boutland and Holder.

A feature of many of the trades is the fact that oftentimes the whole of the amount or a large part is paid cash.

MORE SMOKE THAN FIRE IN LABORATORY EXPLOSION

Considerable excitement was caused at the college Monday afternoon by an explosion in the laboratory. An experiment in which phosphorus was used was being conducted when the explosion took place. No one was hurt very badly, but excitement reigned for a while when the smoke filled the administration building. The small flames had been extinguished when the city fire truck arrived.

DR. SLOVER HOLDS QUARTERLY CONFERENCES

Dr. Slover returned Tuesday from a trip to McLean, Shamrock and Wellington where he preached Sunday and the first of the week in the place of Rev. J. R. Henson. Dr. Slover reports that the quarterly conference at McLean was highly successful, and large contributions were raised.

A. J. Barnett, of Amarillo, a former resident of this city and for many years the justice of peace, is in this city this week visiting with friends and attending business.

LONG DROUTH BROKEN HERE MONDAY NIGHT

SHOWERS CONTINUE THROUGHOUT THE EVENING. GROUND IS SOAKED AND WATER RUNS OVER SURFACE OF EARTH.

A drouth of several months duration was broken here Monday night when almost an inch of rain fell. The drouth commenced about six thirty and lasted intermittently throughout the night. Last week this vicinity was visited by light showers, but these were of no other value than to inspire the hope that the drouth would soon be passed. From the reports the rain was a very general one.

The rain gives a nice winter moisture and now gives the basis for the spring planting. Wherever there is any wheat sowed, it is thought that most of it is still capable of a fair yield; and the freezes that have visited this territory since the rain will aid in the production of the crop.

In part the health of this territory, which has not been as good as usual for some time, has been attributed to the continued drouth and warm weather; but the predictions are now frequent that the health will be better.

The actual drouth in Clarendon was slightly more than eight inches of an inch, which is as good as been reported from anywhere out reports from other places vary from .38 to .75 inches.

Farmers and business men are optimistic over the prospects for the year; and everyone feels that as it has been proved that a crop failure is unknown in Donley county.

OPERA TO CONCLUDE COLLEGE LYCEUM MONDAY

The last number of the College Lyceum course for this year, and by far the greatest thing of the sort ever brought here will occur Monday evening when the Hinshaw Company presents "The Impresario," an opera by Mozart. Heading the company is the celebration American baritone, Percy Hemus. The rest of the company which is an all American one, includes singers of national recognition. The company is one which makes the larger cities, but the college authorities decided to bring one number here such as is usually heard only in the cities, hoping that the support of local music lovers would justify the act.

Those in charge of the lyceum this year announce that thus far the course has not been a financial success due to the lack of support, and state that unless the attendance is large at this number, they will suffer a large financial loss on the course; and are, therefore, planning in that event to discontinue bringing a course here.

INTERMEDIATE LEAGUE TO HAVE SOCIAL SATURDAY

The Intermediate League of the Methodist Church will have a social Saturday evening commencing at seven o'clock in the church basement, the nature of the affair being a candy pulling. A good time awaits everyone and all the young people are invited to be present.

STEWART AND ANTHONY TAKE YEAR'S AD SPACE

Stewart and Anthony, progressive business men in the plumbing and fixture business here last week contracted for a regular ad space in the News for a year. That their work is of the highest type is evidenced by the fact that their services are constantly in demand; at the same time they are taking this method of keeping in touch with the trade.

Harold White returned Monday evening from a visit at Waco and other cities in the central part of the state.

Mr. and Mrs. W. A. Bryant, of Wichita Falls, were here last week attending business.

about normalcy—every day boys are hanging their vest tions on the marble while they nk "coco cola water" at five ats a throw.

The pessimist is losing out while the optimist is already laying plans and beginning to bring things to pass for a successful and prosperous year in 1922. Get on the right side and get busy.

Our city needs a large and modern hotel, it needs more street paving, it needs an extension of the fire mains into the residence districts, it needs an overground reservoir of ample capacity, it needs street lights, it needs more cement sidewalks, it needs a municipal auditorium, it needs a new depot—we might enumerate ad finitum, but those needs named

above are the most pressing and let us all hope that most, if not all, will be realized in 1922.

Just another evidence of the wonderful recovery of big business—the Federal Reserve bank at Dallas announced the first of the week a reduction in the rediscount rate from five and a half per cent to five percent. That helps the bankers is helpful to business and to everybody.

It bodes well for the times when men of affairs like Col. Humphries and General Pershing pause in their daily tasks to give thanks to the Giver of all good gifts and in the words of the former "do nothing except in the name of our Lord." While little minds, vanished and unvanishing by the emptiness of higher education, scoff and pass on to their ends, it is refreshing to see men great in mind and deed recognize and render homage to the Lord of all the universe. Take a lesson, O man of this busy age!

Clarendon is to have a new school building to take care of the overcrowded condition of our present equipment. The new high school building is a credit to any city, but it is overflowing, the two cottages are overflowing, therefore the new brick building of commodious capacity will not be completed before we need it. There is great work being done in the Clarendon Public Schools under the superintendency of Prof. Nelson and the citizenship is to be commended for voting the \$75,000 issue of bonds for additional building. Another mark of progress for Clarendon.

Roger Babson says in his last Sunday's review of financial and business conditions that while the results from advertising have been be-

low normal for some time and while they will continue a little below normal for a few months to come, yet the business man or corporation who hopes to make a good showing in 1922 must give added attention to his advertising, must increase his advertising and thereby be ready to cash in on the good business that is predicted for next fall and winter. To do no advertising is to be behind the procession when business passes over the crest of the hill and once behind means never to catch up. Here in Clarendon there are more business men contracting for regular space than in over a year, which means that our merchants are alive to the possibilities of the year and intend to be ready when good business has fully asserted itself. Join the ranks of those who are going to be responsible for 1922 being a big year.

It isn't many weeks until the local chamber of commerce will begin its work of signing up new members for the monthly budget of the new year. Those who are familiar with the work of the organization will be the first to sign up their amounts for the coming year's work, and those not so familiar should begin thinking about the matter in the light of the many things that are needed for the city and community, keeping in mind the fact that the more money the body has to operate on the better and more extensive will be its work. The duty of furnishing the golden sinews of the work rests upon one citizen the same as on another. Let us then do our share on the equitable basis of not expecting our neighbor to do his and ours. Our personal success depends on it; our business success depends on it and our community success demands it.

If every man could serve as president of his local Chamber of Commerce for a year it would give him a new outlook on the affairs of his city and a new appreciation of those who are always willing to do their part of any community work which must be done. Business is now organized on such a complex basis that no man can undertake to operate a business on a selfish basis, keeping narrowly to himself and ignoring the claims of community life and the interests of his fellows. The methods of the old cross-rails store are obsolete and the large majority of the failures recorded in the insolvency records of the country are those of men who have failed to recognize the new relations they must bear to their fellows and their community. Being a good and loyal member of a man's home town chamber of commerce is one of the best tests one can apply to the measure of that man's fitness for conducting business and attaining success in the new age and under the new and changing conditions. Be a community man alive to the interests of your neighbors and your environment.

PROCLAMATION

of Governor of Colorado

TO THE PEOPLE OF COLORADO:

The attention of the executive has been directed to an apparent decline in the Dairy Interests of the State, a decline not at all warranted by conditions as they prevail throughout the State, and in these times of depression in the Beef Industry and in many other lines it is imperative that this matter be called to the attention of the citizenship.

The Colorado Dairy Council, deeply interested in this important subject is authority for the following statements.

A comparison of census returns on the number of Dairy Cows in Colorado during each of the past five years shows a progressive falling off in increase of herds, said decrease being greater in 1920 than in each of the four preceding years. Corn and Alfalfa are cheap—far too cheap for the good of the man who raised them and is trying to sell them as such. An average Dairy Cow will require about 415 pounds of corn chop, 83 pounds of cottonseed meal and 2,075 of alfalfa to produce 100 pounds of butterfat. At the present market prices, this amount of butterfat is worth \$32.00, bringing for the feed consumed a value of \$4.25 per hundred for the corn chop, as against a market price today of about \$1.25 per hundred, and \$12.00 per ton for the alfalfa which has a value in the stack of from \$2.00 to \$5.00 per ton. In other words, the return to the Dairyman for his feed is approximately trebled by feeding it to Dairy Cows, and such an increase is

eminently desired under the unsatisfactory conditions existing today.

In view of these facts, and the further fact that the Dairy Division of the United States Department of Agriculture Reports that bank deposits in Dairy sections of the country are actually increasing under the adverse conditions prevailing, while deposits in non-dairy sections show a heavy falling off, and that authorities agree that the development of animal husbandry, particularly in dairying, is vital to the maintenance of the value of our land, its producing power and its continued profit to the producer, the desirability and necessity of earnest stimulus being applied to the Dairy Industry in Colorado is apparent to all who are interested in aiding in the restorations of normal conditions in our state, and for these reasons I feel it my duty to call upon all farmers to pay added attention to Dairy Cows—and upon all allied interests to give th farmer every possible support in their endeavors to increase the dairy herds of the State.

IN WITNESS WHEREOF, I have hereunto set my hand and caused to be affixed the Executive Seal, at the Capitol, in Denver, this fifth day of December, A. D. 1921.

Oliver H. Shoup, Governor State of Colorado.

UNITED CAMPAIGN FOR AGRICULTURE

Dallas, Texas, Dec. 20.—"The United Campaign for Better Agriculture has had the full and complete co-operation of the entire Extension Service of the A. & M. College, including the District and County Agents for Better Agriculture.

"We had the full co-operation and support of the A. & M. Extension Service, District and County Agents, in the program of the United Campaign for Better Agriculture to maintain and increase the present extent of diversified farming as practiced this year and against any increase in the present cotton acreage for 1922. "That the campaign is based upon sound, economic principles and that the successful conclusion of the campaign will bring financial advantages to every interest of the State is unquestioned by the more thoughtful student of agricultural conditions.

"Now that Texas Live at Home Day, Saturday, November 19th was successful in a majority of the cotton producing counties of the State, the next big work of the campaign is to put its entire efforts and support behind the District and County Agents of the State in making effective the diversified program for 1922 as worked out by the Extension Service of the College. The County Agents in their work should have the hearty co-operation and support of the farmers, bankers, and business men in every county in which they are located, as they are the harbingers of better agriculture and better agricultural conditions in our State.

"We request that our County Chairman and Vice-Chairman and every individual banker and business man throughout the State give their support to the County Agent in his work at this time in making cooperative the scientific diversified program worked out by their experts, believing that in the co-operation given and the service rendered in this effort, the mutual welfare and advantages of all our people are advanced."

POWER OF PAID PUBLICITY

Churches should advertise because of the power of paid publicity and empty pews. The church is engaged in the biggest enterprise of any organization on earth. The big business institutions of the country advertise or go out of business, the church will never go out of business but a lot of business may go away from it.

Another reason why the church should advertise is because of the wonderful quality of the goods which it handles and the universal need of these materials. To show the uninterested that you have faith in the enterprise. Thinking people are interested in a thing that commands self respect.

The church should advertise because of the uniqueness of its message and the dependability of its services, the kind of character its work possesses, the lasting benefit to be derived from attending on its services.

What to advertise is not a question to cause any fear for lack of material. Advertise its services, special and otherwise the choir, the music, its plans, connectional interests and many other things that the non church goer knows nothing about unless you inform him through the press. Advertise the Sunday school, its teachers, their classes, collections, attendance and any special work done by the school as whole. Advertise your pastor his personality, looks, ability or anything about him that you think would convince some

one that he is worth hearing.

When to advertise, right now, not spasmodically but persistently and continually. Try a campaign of three or six months advertising and count up your results and you will be agreeably surprised. Advertise every week if your church is in a small town or community or daily if in a city. Advertise all the time because the last man, woman and child must be reached and because of the bigness of the task.

Where to advertise, in your local paper, bill boards, bulletins, letters, the movies, posters and the telephone. By whatever route you choose be sure to do it persistently and continually. Your local paper is by far the best route to choose. Buy a space for six months and be careful where that space is located. Remember you always look on the right hand column of any page first. Choose the page you think most folks will read first.

The eternal question of the cost and where the money will come from to finance an advertising campaign will always loom large in the mind of the average church worker. Your expenses will be more than met by the increase in the regular offerings because of the increase in attendance. Sometimes an interested layman will be willing to finance the campaign for three months trial, especially if he be a successful business man. Then again different organizations in the church will undertake the responsibility for the funds. Why should different churches in a community depend for their publicity on the occasional write up by the local editor when all other business institutions of the town use paid publicity?

Much of the success of an advertising campaign depends on the ability of the man or woman selected by the Church to prepare the publicity matter.

Miss Dorothy White returned last week from a visit with friends at Chillicothe.

T. N. Russell, of Panhandle, had business in this city Thursday.

SAYS RED PEPPER HEAT STOPS PAIN IN FEW MINUTES

Rheumatism, lumbago, neuritis, backache, stiff neck, sore muscles, strains, sprains, aching joints. When you are suffering so you can hardly get around, just try Red Pepper Rub.

Nothing has such concentrated, penetrating heat as red peppers, and when heat penetrates right down into man and congestion relief comes at once.

Just as soon as you apply Red Pepper Rub you feel the tingling heat. In three minutes the sore spot is warmed through and through and the torture is gone. Rowles Red Pepper Rub, made from red peppers, costs little at any drug store. Get a jar at once. Be sure to get the genuine, with the name Rowles on every package.

KEY RATE REDUCTION OF 12 CENTS

will assist our patrons to carry ample insurance to cover their property risks.

Nearly everyone carries just a little less insurance than they really need on account of its cost.

—Take advantage of the lowered cost and let us write you another policy on that insufficiently covered property.

RYAN BROS.

MEMBER CLARENDON CHAMBER OF COMMERCE

At Your Service With Building Supplies

Conditions favor an active building campaign in Clarendon. Rents have been high for years and are growing higher each month. As an investment, rental property in Clarendon is one of the very best. As a matter of home ownership we believe labor materials can be gotten under conditions favoring the poor man or the man who heretofore has been unable to construct a home.

We believe we can be of real service to you in your plans for building.

THE DONLEY COUNTY STATE BANK

Clarendon, Texas

Established 1906

Capital \$75,000.

Member of Clarendon Chamber of Commerce

Report of the Condition of

THE FIRST NATIONAL BANK

AT CLARENDON, IN THE STATE OF TEXAS AT THE CLOSE OF BUSINESS ON DEC. 31, 1921.

Table with 2 columns: Description and Amount. Includes items like Loans and discounts, Overdrafts, U.S. Government securities, etc.

Table with 2 columns: Description and Amount. Includes LIABILITIES such as Capital stock paid in, Surplus fund, Undivided profits, etc.

TOTAL \$394,475.87. State of Texas, County of Donley, ss: I, W. W. Taylor, cashier of the above named bank, do solemnly swear that the above statement is true to the best of my knowledge and belief.

RED CROSS PUBLIC HEALTH

Nurse's Report For December

Following is the report of the work of the Donley County Public Health Nurse, Miss Ella Yeager, for the month of December; included in this is attendance of the meeting of Four County Medical Association meeting held at Memphis and the District meeting of Nurses at Amarillo:

THE OLD FASHIONED BOY

What has become of the old-fashioned boy who loved his mother, was polite to his sisters, and respected all womankind? We mean the boy who got up and gave his mother the easy chair when she came into the room; the boy who refused to laugh when a dirty story was told, and who looked upon his sister as his special charge when they were out in company.

COUNTY AGENT IMPORTANT

Communities that are making greatest progress in agriculture are those availing themselves of every advantage offered through science, to put their work upon the most dependable basis possible, from the production end. The most valuable way through which to aid this desire for forwarding the interest of agriculture, is the good, live, aggressive county agent.

Provide For Future Needs

A man with a family to support cannot afford to allow future needs to be wholly unprovided for. Live in the present as tho you were a little poorer than you really are, and in the future, if misfortune should come, you will be richer than you seem.

Cream

If you can't sell the butter—sell the cream, there is always a good market for it. We buy poultry, hides, eggs and cream. PHONE 335

CLARENDON PRODUCE CO. D. J. Dooley, Mgr. Located at Parson's old Produce House.

WHAT THE TELEPHONE DID

"It does not seem many years ago when it was a sign of wealth and luxury for a man to have a telephone in his home," says the Piqua, Ohio, Daily Call. "Many of the newspaper fellows can remember the vast exercise in leg muscle that took place during that period when you had to walk all over a city to collect the news about a church social."

development of civic progress during the past ten years is due about as much to the telephone as any one thing. It has become ten times easier through this means to secure the co-operation of a mass of people."

POSTED NOTICE

All persons are hereby warned against hunting, wood hauling and trapping in the C. T. Word & Son pasture in Hall and Donley counties. All violators will be prosecuted promptly. C. T. Word & Son.

The Panhandle Hosptial and Sanitorium

MRS. ISABELLA GRANT, Supt. AMARILLO, TEXAS

Now Receiving Patients

The Panhandle Hospital and Sanatorium (non sectarian) meets a long felt need in Amarillo and the Panhandle. The Lowry-Phillips School Buildings northwest of the city have been converted, at great expense, into a thoroughly modern Hospital Building. Thirty-five private rooms are now available and at the completion of the wards in a few days, 200 patients can be taken care of. Patients from country will be met at train by an Ambulance.

The Equipment

- Four Story Brick Building
Fifty Private Rooms
Four Wards
Two Operating Rooms
Two Recovery Rooms
Two Main Kitchens
Diet Kitchen on each Floor
Guest's Dining Room
Nurses' Dining Room
Steam Heat
Own Lighting System
Electric Elevator.

Rates

The rates including board, general nursing and any treatment your physician might prescribe are as follows: WARD, per week \$12.00 to \$15.00 PRIVATE ROOMS, per week \$15.00 to \$60.00 All physiological treatments given in any Sanatorium will be given here under the direction of the patient's physician. Special Department for the Care and Dieting of Chronic Cases.

BALDWIN BROS.

Disolution Sale

Having contracted with my Brother for his interest in the firm of Baldwin Bros., at exceedingly low prices. I am enabled to throw on Sale—Our entire stock of merchandise consisting of Ladies ready-to-wear, men and boys Furnishings and all kinds of piece goods. Mens' ladies and children's shoes—infact everything to wear for men, women and children.

WE MUST RAISE TEN THOUSAND DOLLARS -- \$10,000.00

From this sale in order to make satisfactory settlement, and we have gone over our entire stock and marked it so low until it will pay you to come for miles to get yours at these prices, bring your cars and wagons, and load them down—for this is the real thing in the way of money raising and money saving sale. Our store will be closed Friday to arrange our stock and the Sale will open promptly at 9:30 a. m., Saturday, January 14th and will continue for two weeks—ending January 28th. The first ten ladies entering our store Saturday morning will be presented with free dress pattern each. This is not intended as hurrah sale, but cold facts stated with cold Type—to intelligent people. We will not have room to quote many prices—but you can get some idea from the ones quoted. We are not paying a sales promoter \$1000 to launch this sale—we can use this better in reducing prices.

THE PRESBYTERIAN CHURCH
"This May Be Your Church"
"Through the love of God, Our Savior,
All will be well;
Free and changeless in His favor,
All, all is well.
Precious is the blood that healed us,
Perfect is the grace that sealed us,
Strong the hand stretched forth to shield us,
All must be well.
Though we pass through tribulation,
All will be well;
Ours is such a full salvation,
All, all is well.
Happy, still in God confiding;
Fruitful, if in Christ abiding;
Steadfast, through the Spirit's guiding;
All must be well.
We expect a bright tomorrow;
All will be well.
FAITH can sing through days of sorrow,
All, all is well.

On our Father's love relying,
Jesus, every need supplying;
Or in living, or in dying,
All must be well."
"B."
Bible House, Los Angeles.
We will observe the Communion of the Lord's Supper next Sunday morning. We hope all of the members can be present: "As oft as ye eat this bread and drink this cup, ye proclaim the Lord's death till He come."
O, brother, how long since?
W. H. Foster, pastor.

H. C. BRUMLEY ANNOUNCES FOR SHERIFF AND COLLECTOR
The News is this week authorized to announce the candidacy of H. C. Brumley for sheriff and tax collector of this county. Mr. Brumley has been a resident of Donley for more than twenty-three years, and is well acquainted with the conditions of the county.

He seeks the office on his merits, and promises should he be elected to fill the office to the best of his ability. His candidacy is subject to the action of the Democratic primary.

ESTATE OF B. W. CHAMBERLAIN, DECEASED
Notice is hereby given by Mrs. Katie Chamberlain who has qualified as executrix of the estate of said decedent, to all persons having claims against said estate, to present the same within the time required by law. That letters executrix were granted to the said Katie Chamberlain, January 7th, 1922; that the post-office address of said executrix is Clarendon, Donley County, Texas, where she now resides. (5c.) Mrs. Katie Chamberlain.

The Methodist ladies are still holding their Saturday market at Shelton, Watts & Sanford Grocery.

LITTLELIFELINES
W. H. F.
"Opportunity"
"To every man there openeth a way, and ways, and a way."
And the high soul climbs the high way.
And the low soul gropes the low; And in between, on misty flats The rest drift to and fro. But to every man there openeth a high way and a low, And every man decideth, The way his soul shall go."
—John Oxenham.
How do you walk in Nineteen and twenty-two?
Over a quarter of a million well-known men and women from different parts of the country have signed written endorsements for Tanlac.

BARROW-MOORE
Miss Emma Kate Moore and Jesse Barrow were quietly married Tuesday evening at the home of the bride's sister, Mrs. Charles Speed. All relatives and close friends were present at the ceremony at which Rev. J. A. Smith, pastor of the Baptist Church, officiated. Wednesday morning they left by car for their future home, San Antonio. Enroute they will visit with friends at Plainview, Floydada and San Angelo.
The bride is the daughter of E. E. Moore of this city and has many friends whose best wishes she has. The groom is a young man of fine character, being in the contracting and building business. Their many friends will wish for them many happy years on the sea of matrimony.

HAY FOR SALE
Johnson Grass, Oats and Alfalfa, either by the bale or ton. (2c) E. M. Ozier

M. W. Andis and wife and Ben Andis and wife attended the funeral of W. A. Womack in Memphis Monday afternoon.

Electra Man Suffered With Indigestion
OBTAINED WONDERFUL RELIEF FROM FERRASAL

I have had indigestion for five years, and had been to several doctors, with no results. Before taking Ferrasal every time I ate a meal I would bloat terribly. I have taken two boxes of Ferrasal, and can now eat anything I want without any bad effect. I am very much pleased with the results, and am sure it will cure me. It is the only thing I have ever taken that gave me any relief. I have obtained wonderful benefits from Ferrasal.

J. M. JONES.
Electra, Texas.
Acid stomach is the cause of 30 percent of our health troubles. It results in chronic indigestion, ulcers of the stomach, bowel trouble, kidney trouble and rheumatism, if neglected. Ferrasal acts on the source of the trouble—the stomach—neutralizing the excess acids and expelling them from the system. In this way it keeps the blood pure and the whole system toned up. We guarantee Ferrasal to permanently relieve acid stomach, indigestion and constipation, or your money refunded. Don't wait until your condition becomes chronic. Buy 50c box of Ferrasal from your druggist. It will keep you healthy.

Ferrasal
THE ACID NEUTRALIZER
Sold by R. A. Long Drug Co., and other good druggists everywhere.

ITCH!
Money back without question! HUNT'S GUARANTEED SKIN DISEASE REMEDY (Hunt's Salve and Soap), kills the treatment of Itch, Eczema, Ringworm, Tetter or other Itching Skin Diseases. 25¢ treatment at our store.

PEOPLE'S PHARMACY

DRINK HOT TEA FOR A BAD COLD
Get a small package of Hamberg Breast Tea at any pharmacy. Take a tablespoonful of the tea, put a cup boiling water upon it, pour through sieve and drink a teaspoon full at any time during the day or before retiring. It is the most effective way to break a cold and cure grip, as it opens the pores of the skin, relieving congestion. Also loosens the bowels, thus driving a cold from the system.
"Try it the next time you suffer from a cold or the grip. It is inexpensive and entirely vegetable, therefore safe and harmless."

RUB BACKACHE AND LUMBAGO RIGHT OUT
Rub Pain and Stiffness away with a small bottle of old honest St. Jacobs Oil

When your back is sore and lame or lumbago, sciatica or rheumatism has you stiffened up, don't suffer! Get a 35 cent bottle of old, honest "St. Jacobs Oil" at any drug store, pour a little in your hand and rub it right into the pain or ache, and by the time you count fifty, the soreness and lameness is gone.
Don't stay crippled! This soothing, penetrating oil needs to be used only once. It takes the ache and pain right out of your back and ends the misery. It is magical, yet absolutely harmless and doesn't burn the skin.
Nothing else cures lumbago, sciatica and lame back. Apply as promptly!

FINAL CLEARANCE

of All Winter Goods

at Less Than Wholesale COST

To make room for New Spring Merchandise that will arrive soon, we will sell the balance of our stock at **YOUR OWN PRICE**

We seldom carry over goods from season to season, as it is our policy to clean out all goods before the new season. We have forgotten COSTS during this sale and it will pay you to see these Values we are offering during this sale, which will end Jan. 31st.

THE NATIONAL FLAG

HENRY WARD BEECHER

A thoughtful mind, when it sees such an errand, or went forth upon a nation's flag, sees not the flag, but the nation itself. And whatever the nation itself. And whatever the sea carrying everywhere, he reads chiefly in the flag the government, the principles, the truths, the history, that belongs to the nation that sets it forth. When the French tricolor rolls out to the wind we see France. When the new-found Italian flag is unfurled, we see resurrected Italy. When the united crosses of St. Andrew and St. George, on a fiery ground, set forth the banner of Old England, we see not the cloth merely; there rises up before the mind the idea of that great monarchy.

This nation has a banner, too; and until recently wherever it streamed abroad men say daybreak bursting on their eyes. For until lately the American flag has been a symbol of imperial authority; they see the symbol of Liberty, and men rejoiced in it. Not another flag on the globe had Dawn.

The Clarendon News' Americanization series

(Editor's Note—The articles appearing in the above space from week to week are taken from "Americanization" by Elewood Griscom, Jr. This excellent volume, which is a collection of articles upon the general theme of patriotism and good citizenship, is presented to the schools of Texas by the Bodies of Scottish Rite Masonry in Texas.

CORRECTION IN ADVERTISEMENT

On account of unforeseen circumstances I will not be able to open the new and second-hand furniture business in the Kerbow building as advertised elsewhere in this paper. I ask my friends to watch for further announcements at some near future date.

BACKUS-WEBB

A very charming wedding ceremony took place Sunday morning at 8 o'clock at the University Methodist Church, when Miss Elsie Katherine Webb of Clarendon became the bride of William Backus of Vernon, Texas. The ceremony was witnessed by a number of friends of the young people and was impressively pronounced by Rev. K. P. Barton, pastor of the church. The wedding music was played by Douglas Bailey.

The bride wore a lovely dark blue tulle with accessories to match and carried an exquisite bridal bouquet of white chrysanthemums and sweet peas. She was attended by Miss Maudie Barnes as maid of honor, and was given in marriage, in the absence of her father, by Morris Burns, Benjamin Primer of Austin was best man.

The bride is a lovely University girl, a senior who will take her degree in June. The bridegroom is a graduate of the University of Texas and is a student at the medical college at Galveston. He is a member of the Nu Sigma Nu medical fraternity.

The wedding, which had been set for a later date, took place earlier than was expected by their friends on account of change of plans of the bridegroom. Mr. and Mrs. Backus left on a honeymoon trip immediately after the ceremony, the bride sending her bridal bouquet before starting out, to her mother in Clarendon. After a visit home she

will return to Austin to complete her course at the University.—Austin Statesman.

CLIFFORD GOES

Bill Clifford left Saturday evening for Dallas where he has a very responsible position with the Central State Bank. Bill has been with the Donley County Bank of this city for almost two years, and has made a good record for himself. The best wishes of his many friends go with him for success in his new position. His place with the local bank is being filled by Dick Walker.

SLIGHT CHANGE IN

TRAIN SCHEDULE

Commencing Sunday the evening northbound Denver passenger now arrives here at 9:20 instead of 8:50 as heretofore. The time of arrival and departure of the other trains here is unchanged under the new schedule.

K. S. Weiner, of Denver Colorado, was here Thursday on business.

Charles Baldwin had business in Memphis Thursday.

C. H. Dean returned Friday from Tillman County Oklahoma where he attended business last week.

Mrs. Allen Beville, of Amarillo, visited here last week with her parents, Mr. and Mrs. J. B. Baird.

PIONEER OF PANHANDLE RELATES MEMORIES OF THE EARLY DAYS HERE

Emanuel Dubbs, a former resident of Clarendon now of Milford Indiana, by invitation of the superintendent of the public schools there has been of late delivering a number of lectures giving his early experiences in the Panhandle of Texas. The following is the first of his addresses:

"I certainly appreciate the honor of appearing before you this morning, my dear young people, by the request of Professor Stout, to give you the introductory to a short series of talks in a narrative form of personal experiences, incidents, events and conditions that can never be witnessed again. Why? Because in all this wide world there can not now, and never will be a repetition for such a country and conditions do no longer exist. They must just be numbered with the things that have passed out.

After Mr. Dubbs had finished his introduction and a retrospection of the life of a very ignorant and backward boy, he related to them the theme of this talk.

"The incident that I will relate occurred in the Battle of Stone River or Murfreesboro. It was the 3rd and general engagement not counting skirmishes that I had participated in.

In First "Shilo" second battle of Perryville, Ky. At this time we were in the 21st Army Corp. Gen. McDowell, Me Cook commanding Our brigade occupied the extreme right wing of the army, and we did not get into position until after ten o'clock at night. It was just at the day break in the morning that the enemy having massed a large force of during the night, made their attack. They doubled up our picket line at once. We hurriedly jumped out of our beds and sprang into line of battle in an open field, and behind an old fashioned rail fence.

The front rank knelt down and took rest on the lower rail of the fence, and the rear rank shooting over our heads with the order to fire at will.

That order signified that we should load and fire as rapidly as we could. (You must remember that the breech loaders had not then come into use.) The front line of the enemy melted away like snow.

flakes in June, but they outflanked us and we were pouring in a heavy fire from our right straight down along our line to fall back on our reserves who had taken up a position on the rail road right by the side of the Nashville and Murfreesboro pike. Just as the order came to fall back, a Johnny Reminick program Sunday evening was a very interesting one and was carried out with much pep. Several excellent talks were made on the various phases of prayer, and music was rendered by a male quartet composed of Messrs. Thompson, Walker, Craig and Peoples, and a violin solo by Miss Beatrice Stary.

The membership of the League is approaching the two hundred mark, and the attendance and interest shown in each meeting presages greater accomplishments in the near future.

incidents that happened to me that day, but that does not really matter; only this much I must tell you before I close this incident, and experiences of that day, the 31st day of December, 1863.

You see as I grow older, I have had time to think and study more about God's answer to prayers. You will understand me better when I tell you that I was as I truly believe the only one of the hundreds of wounded that fell that morning and laid inside the enemy's lines, that was saved. Do you remember the old story of that young man Solomon and his prayers? He did not pray to God for emoluments and honor or self aggrandizement but he prayed that God would give him wisdom that he might be able to rule his people justly, and God not only gave him great wisdom but he gave him great wisdom, but he gave him power and riches above any man of all ages.

GOVERNMENT OFFERS NEW SAVINGS SECURITY

That the new series of the Government's registered Treasury Savings Certificates are obtainable locally by investors and savers has been officially announced by Postmaster C. C. Powell. The certificates of the new series are to be had at the postoffice in \$25, \$100 and general engagement not counting \$1,000 (maturity value) denominations.

"I am particularly pleased with the new scale of prices; this scale permits one to invest \$20 and receive a \$25 certificate; for the investment of \$80 the \$100 certificate can be had; right wing of the army, and we did not get into position until after ten o'clock at night. It was just at the day break in the morning that the enemy having massed a large force of during the night, made their attack. They doubled up our picket line at once. We hurriedly jumped out of our beds and sprang into line of battle in an open field, and behind an old fashioned rail fence.

The front rank knelt down and took rest on the lower rail of the fence, and the rear rank shooting over our heads with the order to fire at will.

RESOLUTIONS OF TEACHERS IN FOUR COUNTY INSTITUTE

We your Committee on resolutions for the Joint Institute for teachers of Childers, Collingsworth, Hall and Donley Counties, held at Clarendon, December 19th to 23rd, 1921, beg to submit the following:

Whereas the people of Clarendon have shown their hospitality by opening their homes to us and furnishing such excellent accommodations and, whereas the School Board, faculty and students of the Clarendon High School and the Boy Scouts of Clarendon have provided so thoughtfully for our convenience and entertainment and,

Whereas we have received so much inspiration from the devotional exercises conducted by the ministers of Clarendon and from the numbers rendered by the musicians and other artists of the City:

Be it resolved that we express to all of these our sincere appreciation. Be it further resolved that where Dr. Frederick Eby of our State University and Miss Lillie L. Martin of Baylor University have by their splendid lectures throughout the week contributed so largely to the success of our institute, and where we are indebted to Mrs. Phoebe K. Warner of Claude for her uplift address, and whereas our State Superintendent, Miss Annie Webb Blanton, has honored us with her presence and strengthened us with her counsel, we thank each of these, the State and through this interest

Whereas it has come to the knowledge of the members of this institute that in all probability the State support of public schools will be decreased materially after 1922, which will result in shorter school terms and more inadequate salaries for teachers, be it resolved for the purpose of guarding against this calamity which would seriously jeopardize the interests of the future citizenship of our State:

First, that we do all in our power to bring about the submission and

passage of a Constitutional amendment that will levy a direct tax for the adequate support of our entire State school system from the rural school to the State University, to the end that all State educational institutions may be placed on a firm financial basis and that they may be removed from the uncertainty of appropriations by the Legislature; and that we urge school districts to increase their local tax rate on the property valuations for the year 1922 in order that sufficient funds may be supplied temporarily; third, that we respectfully urge the Governor, in the event he should assemble the Legislature in Special Session, to submit such measures as will temporarily relieve the situation of enable schools to finance adequate programs.

Believing that every child in this State has an inalienable right to educational opportunities equal to that of every other child, and believing that children in the rural districts will not be able to realize that right under the present district system, we express our unqualified endorsement of the County Unit System of schools and urge our Legislators to lend their support to legislation to this end.

Realizing that the Texas State Teachers' Association has in the past worked untiringly for educational progress and that it has, through its efforts, aroused a deeper educational interest among all classes in the State and through this interest effected many improvements along educational lines, we hereby heartily endorse its work and purposes and further express our conviction that every teacher of the State should be a member of the Association and give to it his active support.

Also be it further resolved that copies of these resolutions be sent to the newspapers of our respective counties for publication and to members of the Legislature of counties here assembled.

Second, that we do all in our power to bring about the submission and

passage of a Constitutional amendment that will levy a direct tax for the adequate support of our entire State school system from the rural school to the State University, to the end that all State educational institutions may be placed on a firm financial basis and that they may be removed from the uncertainty of appropriations by the Legislature; and that we urge school districts to increase their local tax rate on the property valuations for the year 1922 in order that sufficient funds may be supplied temporarily; third, that we respectfully urge the Governor, in the event he should assemble the Legislature in Special Session, to submit such measures as will temporarily relieve the situation of enable schools to finance adequate programs.

J. W. Sharp, Childers County.

W. M. Boston, Collingsworth Co.
 H. B. Portwood, Hall County.
 Fred L. White, Donley County, Committee.

Mrs. Jim Adams returned last week to her home in this city from a visit with relatives at Italy.

R. L. Bigger returned Friday from Amarillo where he had business last week.

Allen Beville, of Amarillo, was here Saturday on business.

IF KIDNEYS ACT BAD TAKE SALTS

Says Insokache is a sign you have been eating too much meat, which forms uric acid.

When you wake up with backache and dull misery in the kidney region it generally means you have been eating too much meat, says a well-known authority. Meat forms uric acid which overloads the kidneys in their effort to filter it from the blood and they become sort of paralyzed and loggy. When your kidneys get sluggish and clog your bowels, relieving them, like you relieve your bowels; removing all the body's urinous waste, does you have backache, sick headache, dizzy spells; your stomach sours, tongue is coated, and when the weather is bad you have rheumatic twinges. The urine is cloudy, full of sediment, channels often get sore, water acids and you are obliged to seek relief two or three times during the night.

Either consult a good, reliable physician at once or get from your pharmacist about four ounces of Jad Salts; take a tablespoonful in a glass of water before breakfast for a few days and your kidneys will then act fine. This famous salt is made from the acid of grapes and lemon juice, combined with lithia, and has been used for generations to clean and stimulate sluggish kidneys, also to neutralize acids in the urine so it no longer irritates, thus ending bladder weakness.

Jad Salts is a life saver for regular meat eaters. It is inviolative, cannot injure and makes a delightful, ever-vigilant lithia-water drink.

Electric Irons

Why quit using an electric iron because the service bill is above the minimum? It is true that it costs more to operate the electric iron. But it costs more to buy coal to keep the stove hot to heat the old fashion irons. You can easily waste thirty cents worth of coal trying to save fifteen cents worth of electric current, besides the waste of time and labor.

SAGE TEA DANDY TO DARKEN HAIR

It's Grandmother's Recipe to Bring Back Color and Lustre to Hair.

You can turn gray, faded hair beautifully dark and lustrous almost overnight if you'll get a bottle of "Wreth's Sage and Sulphur Compound" at any drug store. Millions of bottles of this old famous Sage Tea Recipe, improved by the addition of other ingredients, are sold annually, says a well-known druggist here, because it darkens the hair so naturally and evenly that no one can tell it has been applied.

Those whose hair is turning gray or becoming faded have a surprise awaiting them, because after one or two applications the gray hair vanishes and your locks become luxuriantly dark and beautiful.

This is the age of youth. Gray-haired, unattractive folks aren't wanted around, so get busy with Wreth's Sage and Sulphur Compound to-night and you'll be delighted with your dark, handsome hair and your youthful appearance within a few days.

This preparation is a toilet requisite and is not intended for the cure, mitigation or prevention of disease.

WHAT CHRIST LOOKED LIKE

The following is the only reliable pen picture of Christ as seen in actual life, and is an exquisite piece of word painting. It is taken from a manuscript now in the possession of Lord Kelly, and in his library. It was copied from an original letter of Publius Lentulus at Rome, it being the usual custom of Roman governors to advise the senate and the people. Tiberius Caesar, Publius Lentulus, procurator of Judea, wrote the letter to the senate:

"There appeared in these, our days, a man of great virtue named 'Jesus Christ,' who is yet living amongst us, and of the Gentiles is accepted as the prophet of Truth. He raised the dead and cures all manner of disease. A man of stature somewhat tall and comely, such as the beholder may both love and fear. His hair is of the color of a chestnut, full ripe; plain to his ears, whence downward it is more orient and curling, and waving about the shoulders.

"In the midst of his head is a seam, a partition in the hair, after the manner of the Nazarites. His forehead plain and very wrinkleless; his face without spot or wrinkle, beautiful with a lovely red. His nose and mouth so formed that nothing can be reprehended. His beard is in color like his hair, not very long, but forked. His look innocent and mature.

"His eyes, gray, clear and quick and luminous. In reproving he is terrible, his eyes piercing—as with a two-edged sword—the greedy, the selfish and the oppressor, but look with tender pity on the weak, the erring and the sinful. Courteous and fair spoken; pleasant in conversation, mixed with gravity. It can not be remembered that any have seen him laugh, but many have seen him weep. In proportion of body most excellent—a man for his singular beauty surpassing the children of man."—M. L. Robertson in Dallas News.

Whit Carhart, of the J. A. ranch, was in this city on business Monday.

OPEN NOSTRILS! END A COLD OR CATARRH

How To Get Relief When Head and Nose are Stuffed Up.

Count fifty! Your cold in head or catarrh disappears. Your clogged nostrils will open, the air passages of your head will clear and you can breathe freely. No more sniffling, hawking, mucous discharge, dryness or headache; no struggling for breath at night.

Get a small bottle of Ely's Cream Balm from your druggist and apply a little of this fragrant antiseptic cream in your nostrils. It penetrates through every air passage of the head, soothing and healing the swollen or inflamed mucous membrane, giving you instant relief. Head colds and catarrh yield like magic. Don't stay stuffed-up and miserable. Relief is sure.

RULES GOVERNING THE MUCH DISCUSSED FEDERAL INCOME TAX GIVEN OUT

With the approaching of the period for filing income tax returns—January 1 to March 15, 1922—taxpayers are advised to lose no time in the compilation of their accounts for the year 1921. A new and important provision of the Revenue Act of 1921 is that very person whose gross income for 1921 was \$5,000 or over shall file a return, regardless of the amount of net income upon which the tax is assessed. Returns are required of every single person whose net income was \$1,000 or over and every married person living with husband or wife whose net income was \$2,000 or over. Widows and widowers and persons separated or divorced from husband or wife, are as single persons.

Net income is gross income, less certain deductions for business expenses, losses, taxes, etc. Gross income includes practically all income received by the taxpayer during the year; in the case of the wage earner's salaries, wages, bonuses and commissions; in the case of professional men, all amounts received for professional services; in the case of farmers all profits from the sale of farm product, and rental or sale of land.

In the making of an income tax return for the year 1921, every taxpayer should present to himself the following questions:

- What were your profits, from your business, trade, profession or vocation?
- Did you receive any interest on bank deposits?
- Have you any property from which you receive rent?
- Did you receive any income in the form of dividend or interest from stocks or bonds?
- Did you make any profits on the sale of stocks, bonds or other property, real or personal?
- Did you act as a broker in any transaction from which you received commissions?
- Are you interested in any partnership or other firm from which you received any income?
- Have you any income from royalties or patents?
- Have you any minor children who are working?
- Do you appropriate, or have the right to appropriate, the earning of such children? If so, the amount must be included in the return of income.
- Has your wife any income from any source whatsoever? If so, it must be in a separate return of income.
- Did you receive any directors' fees or trustees' fees in the course of the year?
- Do you hold any office in a benefit society from which you received income?

Answers to all these question are necessary to determine whether a person has an income sufficiently large to require that a return be filed, and may be the means of avoiding the heavy penalties imposed for failure to do so within the time prescribed.

ONE HUNDRED HENS AND THREE COWS FOR EVERY FARM

The Scurry county Chamber of Commerce, which boasts of a number of farmers as members, has adopted a program of 100 hens and three cows for every farm. The county has been divided into districts, with a chairman for each, and in this way it is believed that the program will be put over.

Whether or not Scurry county makes a perfect score in the work in hand, there are sure to be a large number of farmers, who, thus encouraged, will become interested in more and better poultry and cows, with the result that the county will become more prosperous. If the committee succeeds in securing 25 per cent of the farmers to endorse its program, enough will have been started on the right road of diversification and home living to set a good example to others.

Chambers of Commerce in our smaller cities will do well to follow the lead of Scurry county. Better results are obtained in encouraging and helping the agricultural and livestock industries than in striving for factories. There is much more satisfaction in living in a happy, prosperous community where farmers are contented than in living in a factory town where there is a sharp contrast between the poor and the rich.—Farm & Ranch.

POSTED NOTICE

The public is hereby warned that hunting and wood hauling is forbidden in the R. O. pasture. All trespassers will be vigorously prosecuted.
W. J. Lewis (1f)

You can't fool the youngsters. They can always tell the difference between Kellogg's and the imitations!

Kellogg's Corn Flakes

snap up fussy appetites something wonderful!

No coaxing needed to tempt family folks and visitor folks to eat a-plenty—not when there's a big pitcher of milk or cream and lots of Kellogg's Corn Flakes—and, maybe some handy fresh fruit—ready to tickle fickle palates!

Kellogg's are unlike any corn flakes you ever ate! They're the original kind—they ought to be best! No other corn flakes are so deliciously flavored; no other corn flakes retain such wonder-crispness till eaten! And, Kellogg's are never leathery or tough or hard to eat!

Kellogg's are always a delight to serve—and a treat to eat at any meal! In fact, you'll never know how good corn flakes can be until you know KELLOGG'S! The difference is astounding!

Do more than ask for Corn Flakes—say KELLOGG'S CORN FLAKES! The kind in the RED and GREEN packages!

KELLOGG'S Corn Flakes are made by the folks who gave you the JUNGLELAND Moving Pictures. Coupon inside every package of KELLOGG'S Corn Flakes explains how you can obtain another copy of JUNGLELAND.

1921 HEALTHIEST YEAR IN HISTORY OF U. S.

According to statistics of the largest life insurance companies in the United States and Canada, and these are statistics that can not be doubted, 1921 was the healthiest year in the history of the United States and Canada. This information was compiled from the mortality records of all the largest companies; so no matter what else we have to say about 1921, we can remember it for the health that it gave.

J. W. Pennington and family left Friday evening for Prairie View Arkansas where they will make their home in the future. During their residence of several years in Clarendon, they have made many friends who will regret to see their going, but will wish for them prosperity in their new home.

EVERY, ITCHY SKIN QUICKLY SOOTHED BY THIS SULPHUR

Mentho-Sulphur, a pleasant cream, will soothe and heal skin that is irritated or broken out with eczema; that is covered with ugly rash or pimples; or is rough or dry. Nothing soothes itchy skin eruptions so quickly, says a noted skin specialist. The moment this sulphur preparation is applied the itching stops and after two or three applications, the eczema is gone and the skin is delightfully clear and smooth. Sulphur is so precious as a skin remedy because it destroys the parasites that cause the burning, itching or discomfort. Mentho-Sulphur always gives you quick relief. Get a jar of Mentho-Sulphur at any good drug store.

CITY KEY RATE REDUCED

The key rate of the city has been reduced from 58 to 46 cents by reason of the improvements of the city water-works, instead of the increase which was advertised as sure to come. Anyway the public is to be congratulated and the city officials commended for the splendid accomplishment and let us trust that with the splendid equipment which we now have that the Public will vote some bonds and extend the water mains and erect an elevated tank which will give the city quite a lot more reduction in key rate. All policies within 1000 feet of a fire hydrant written after Jan. 1st, will get the benefit of this key rate reduction.

You can get Bran shorts, corn chops, maize chops, at the M. & M. Store at the right price. Phone 39. (2c)

TWO BANKS ELECT DIRECTORS FOR THIS YEAR

At meetings of the stockholders held Tuesday afternoon, the Farmers' State and the First National Bank of this city each elected directors for the coming year. Owing to the fact that many interested parties were not in town, the Donley County bank did not elect. In addition to electing the directors, the First National Bank elected officers.

The election of the officers of the Farmers State Bank will probably be within the next week. The directors for the year are: J. B. McClelland, C. R. Skinner, C. L. Benson, W. B. Quigley, G. Leathers, J. D. Swift and J. W. Morrison.

The officers of the First National Bank are: W. H. Patrick, president; W. W. Taylor, cashier; and Miss Delena Parsons, assistant cashier. Of the board of directors H. W. Taylor is chairman; and the other directors are W. H. Patrick, Mrs. R. I. Patrick, Lewis Barnem and W. W. Taylor.

FARM BUREAU MEETING TO BE SATURDAY

A meeting of the farmers of Donley county looking to the thorough organization of a farm bureau here will be held Saturday afternoon at two o'clock at the Y. M. C. A. building.

KILL KARE KLUB

Last Saturday afternoon, Mrs. Artie Clark was the gracious hostess to the Kill Kare Klub. A very enjoyable time was spent in needle work. Late in the afternoon a delicious salad course was served to about twenty members and guests. The next meeting will be with Mrs. Cyra Cope, on Friday afternoon, January 20th.

DISCUSS PLANS FOR ADOBE WALLS BRIDGE

"Another epoch in the history of the Panhandle of Texas" was written Monday, when more than 300 citizens of this section of the State met at the Adobe Walls in Hutchinson County to discuss the plans and details for the bridging of the Canadian River, linking the State Highway 33-B.

The meeting was one of enthusiasm according to reports by F. P. Reid, mayor of Pampa who has fathered the movement to an almost successful finish. The demand for a bridge across

the Canadian is great, Mr. Reid says and the county officials of the several counties were almost unanimous in their spirit of co-operation.

State and Federal aid will be asked in the construction of the bridge and Mr. Reid says if they are successful in securing the aid fund, a bridge will be built which will be a monument to the Panhandle.

The county commissioners of Hutchinson County declared at the meeting that they would give W. T. Coble permission to establish and maintain a toll crossing at the bridge site until the project can take definite shape. Mr. Coble said that he would establish the crossing and keep a team to handle the traffic.

One of the most important features of the convention Monday was the offer of Mr. Coble to deed to the State or County the Adobe Walls site for memorial purposes. The offer was accepted by the officials of Hutchinson County, and it is expected that monuments in memory of the Panhandle citizens who offered their all in the face of the Indians, will be erected there. Three of the Panhandle's pioneers are buried in one grave, and the grave was staked off.

Mrs. Billy Dixon, whose husband was one of the leaders in the great Indian battles, declared Monday that if her children are willing, the body of Mr. Dixon will be removed to the Adobe Walls ground and buried with his three comrades. It was the shot from Billy Dixon's rifle that ended the great fight. He was three-fourths of a mile away when he shot the Indian medicine man in the forehead. The Indians heard no shot nor the whizzing of a bullet, and for that reason they thought the Great Spirit had spoken and withdrew from the field.

The M. & M. Store delivers all orders amounting to \$5.00. Phone 39. (2c)

Grundy Morrison, of the Morrison ranch north of Pampa, visited here last week with his parents, Mr. and Mrs. J. W. Morrison.

Harold Bugbee made a trip Saturday to Amarillo where he exhibited some of his paintings to a newly formed art society.

Mrs. Clara Turner left Friday with Rev. and Mrs. Sam Joekel for Waxahachie where she will make her home.

Just received another car of the Amaryllis & Great West Flour at the M. M. Store. The Flour you hear so much talk about. If you have not tried it you should, you will like it. Phone 39. (2c)

P. W. Reedy, a former resident of this city, and Joe Cunningham, of Claude, were here last week on business.

Frank Houston, of Childress, arrived here Saturday on business connected with the local light and power plant.

Carl Bennett, of Memphis, arrived here Saturday morning for a week end visit with his parents, Mr. and Mrs. C. W. Bennett.

You will be surprised to see how many groceries you can get for \$5.00 at the M. & M. Store. (2c)

Mr. and Mrs. W. C. Veazey, of the Goldston community, returned here Saturday from Childress where they were called by the illness of Mrs. Veazey's mother. They reported that she was better at the time they returned.

J. R. Edmunds, district agent for the agricultural extension work, was here the first of the week looking over the work in this county. He was highly pleased with the work of both the county and the home demonstrators.

We cut any design you choose. See our line. Clarendon Monument Works. (2c)

PARENTS-TEACHERS HAVE INTERESTING MEETING

The Parent-Teachers' Association of the public schools met in regular session Thursday, Jan. 5th at the High school. Mrs. J. D. Stocking First Vice-president of the association presided over the meeting which was one of the most interesting held so far this year.

Following the business session was a round table discussion on "Rats," led by Mrs. Stocking and responded to by the parents and teachers, also pupils of the sixth and seventh grades.

Not only were the stories told on "rats" interesting but educational as well. A drive on rats will probably be arranged for early spring which will be beneficial to the city as these pests destroy much valuable material and aid in spreading.

It is especially urged that all members of the Parent-Teacher Association be present at the next meeting which will be Thursday, Jan. 19th at 3:30 at the High School. Miss Yeager, Donley County Red Cross nurse and Miss Rice of the domestic science department will have charge of the program.

Miss Cricket Talley has returned to her home in this city from an extended visit at Elk City Oklahoma.

Ferrasal Instantly Popular Here

The free demonstration at our store of Ferrasal, the Acid Neutralizer, has already resulted in making this one of the most popular household remedies in town. When your digestion goes out of whack the cause is generally Acid Stomach—and if you have a box of Ferrasal among your medicines your troubles will be quickly over.

For Acid Stomach

Ferrasal neutralizes the acids in the digestive system which cause 90 per cent of all digestive trouble—indigestion, heartburn, biliousness, headache, constipation, kidney trouble, rheumatism and kindred ills. FERRASAL IS GUARANTEED to improve these conditions or we return your money. Buy a box today.
