Quota of \$76,000.00 Set For Donley County In Security Loan Campaign Drive

A quota of \$76,000 has been set for Donley County in the Security Loan Campaign, April 15 through June 30, Judge J. R. Porter, county Savings Bonds chairman, announced today after receiving the figure from the U. S. Treasury Department.

"This is the highest quota we have received since the war," Judge Porter said, "but the threat that today's peacetime inflation offers to our personal and national economic security makes it vital that we achieve the objective. I have no doubt that this county can and will meet the quota."

He said that rapid progress was being made toward completion of the volunteer organization that will carry out the Savings Bonds solicitation in the county, but urged that individuals, clubs and organizations offer their services in the campaign.

"The United States cannot be strong unless we have a strong national economy," he said. "If the individual citizens of this and every county in the nation provide for their own financial security, it follows that the nation is strong economically. Widespread ownership of Savings Bonds by the people fights inflation, provides a guard against possible depression and allows for the sound management of our national debt. Money received from the sale of Savings Bonds is used to retire inflationary short-term government obligations which are held by banks and large corporations."

NEELY HUDSON BUYS INTEREST IN FARMERS EXCHANGE

It was announced this week that Neely Hudson had purchased the interests of U. J. Boston in the Farmers Exchange Grocery & Market and would take an active position with the business some time after the first of next month. Mr. Hudson has been in the employ of the J. A. Ranch for the past few years and has made his home in Donley County for a long number of years. Howard Stewart is the other member of the firm and has been managing the business for the past several years.

The Farmers Exchange has been remodeled inside and additional floor space has been added to the front of the business, allowing greater shopping convenience to customers.

It has been understood that Mr. Boston plans to move to Amarillo where his present business interests are centered. Grover Heath has purchased the Boston home.

INVITATION BREAKFAST TO BE HELD AT AIRPORT SUNDAY MORNING

The first invitation breakfast of the year in the Panhandle area will be held here at the Clarendon Airport Sunday morning April 18th and a record crowd of flyers from all over the area is expected to attend with approximately 150 planes of all types and descriptions expected to land at the local field.

This also will be a treat to the public in general, along with the local flying enthusiasts and those in charge who are pointing out that everyone, whether they fly or not, is invited to come out and take a part in the big event and help welcome the large group of flyers who will be flying in for the affair.

The price of the breakfast will be 50 cents per plate and you will have the opportunity to eat all the eggs and bacon you want for the one price. The breakfast is being sponsored by Joe Jones, Mrs. J. Fred Smith and the Donley County Aviation Club. If there are any proceeds derived from the breakfast or any deficits, the same will be absorbed by the Aviation club. The breakfast will be served from 7:30 til 9 a. m., so you can come out any time between those hours and feed out, Joe Jones stated.

In addition to the breakfast, there will be several prizes given, he added. We want everyone in town to come out and join us if they will and we know you will enjoy it, he stated further.

It has been learned that the breakfast affair will be broadcast on the air Sunday morning by KAMQ, Amarillo, between the hours of 7:15 and 8 a. m. Those in charge stated also that the High School band would probably be on hand to help make the occasion a greater success.

MASTERSONS CELEBRATE FIFTIETH WEDDING ANNIVERSARY SUNDAY

Mr. and Mrs. J. B. Masterson, prominent Hedley residents, celebrated their Golden Wedding Anniversary at their home in Hedley Sunday, April 10th.

Numerous relatives and friends journeyed from near and far to congratulate them and help them celebrate this memorable occasion that this fine couple has had the opportunity of enjoying.

Mr. and Mrs. Masterson are long time residents of Hedley and have a host of friends who wish them many, many more years together in the future.

SCHOOL BOARD RE-ELECTS TEACHERS THURS. NITE

The Clarendon school board met last Thursday night and re-elected the following teachers to their respective positions for another year in the Clarendon school system. Coach E. J. McKnight was among those re-elected but he has turned in a written letter of resignation. R. E. Drennan and O. D. Lowry still have another year to serve under their contract and were not up for re-election at this time.

The following teachers are the ones who were re-elected:

Mabel Johnson, Virgie Strawn, Elizabeth Stevens, Mildred Thomas, Edgar Mae Mongole, Mertie Headrick, Mrs. E. R. Blevins, Claudine S. Todd, Marjorie Bain, Mrs. Van Kennedy, Annie Ruth Thomas, Clara Gilham, Chloe Darden, Clara Burton, Willie G. White, Marguerite Goodner, Mary Howren, Mrs. L. N. Cox, Lucile Polk, Dorothy J. Taylor, Loyd Richerson, E. J. McKnight, Wilma Dee Smith, Mrs. O. D. Lowry, W. C. Larimer, E. R. Blevins, Thomas Seay, H. T. Burton, Beatrice Chavers, Mildred Kelley.

Club Calves To Go On Feed Soon

Club calves will be put on feed by 4-H club boys in Donley County in the next two weeks says county agent H. M. Breedlove. There will be approximately seventeen beef calves on feed for the coming year and Breedlove and his boys have started looking at calves all over the county to select the best they can find for club calves. The feeding of beef calves is a big project for Donley county club boys because we want to encourage more feeding on the farms and ranches.

Pigs will go on feed for the fall fair during the month of May and the fall pig show promises to be a big show in connection with the fair and horse show to be held during the month of September. Breedlove says that any boy he has not contacted who is interested in feeding calves or pigs to contact him at his office.

Mr. Tom Seay, vocational teacher at Clarendon and Mr. L. E. Grove of Hedley, report that their feeding demonstrations are well under way and the program for club work by these three men touch many boys in Donley county. These club boys are the future ranchers and farmers of tomorrow and these men are anxious to get them in club work and give them all the information at their command to help them become better farmers and ranchers after they go into business for themselves.

District Boxing Meet Begins Tonight At High School Gym

LOCAL LEGIONNAIRES HEAR NATIONAL COM'DR AT AMARILLO

James F. O'Neil, national commander of the American Legion, addressed about 500 Panhandle Legionnaires, including a group from Clarendon, at a dinner held in his honor at the Herring Hotel at Amarillo Saturday night.

Commander O'Neil advocated universal military training, the Marshall plan and took a blast at Henry Wallace. He placed heavy emphasis on the growth of communism in this country. He stated that "I don't know whether Russia wants war. In my own mind I believe she doesn't. She's getting everything she wants, anyway."

He said, "The Legion feels selective service, apparently favored by most law-makers, is a stop-gap measure until UMT is passed."

The group of Legionnaires from Clarendon and their guests attending were Mr. and Mrs. Rayburn Smith, Mr. and Mrs. Cap Morris, Mr. and Mrs. M. M. McCully, Mr. and Mrs. Walter Hughes, Mr. and Mrs. Glenn Hoggatt, Mr. and Mrs. G. W. Estlack and Mr. L. E. Thompson.

OIL WELL RUMORED TO BE ABANDONED

The oil well which is located on the Donald Bullew farm about 3 miles south of town is rumored to be abandoned probably some time this week. No report has been received whether any important formations were encountered but according to an informed source the rig is to be moved off of the present location due to the loss of a section of drill stem in the hole. It was understood that several days have been spent in fishing operations in an effort to pick up the drill stem and bit but all efforts up until the present time have failed. This naturally necessitates the abandonment of a hole, for after a drill stem section remains in a hole several hours, the hole begins to cave, complicating the matter to a greater extent. The depth at the time of the breakdown was believed at around 1,400 feet.

Mr. and Mrs. John Rhodes were joined by Claude Lewis of Sunray and Mr. and Mrs. Jack Perkins and Olena of McKnight and left last Thursday for Cooper to visit their mother, Mrs. Mattie Lewis who is ill. Mrs. Lewis is 91 years old.

Mrs. Everett Stevenson returned home from Goodall hospital at Memphis Friday. She was there a week for medical treatment.

PLEASE TURN YOUR NEWS AND ADVERTISING COPY IN EARLY

It is quite a problem to publish a newspaper even when everything clicks just right and if you don't believe us, just drop in at our plant any of the first four days of the week and see for yourself, and it is especially a job to get your Leader out on time when we are short handed and the news comes in late. One of our printers left two weeks ago and it will be June before a former employee returns to take up his old position.

All we ask is that everyone turn in your news items and ad copy just as early as you possibly can. We don't want to leave anything out and we are going to have to do just that unless we get the copy earlier.

We are asking that all rural news copy be mailed on Monday and not later than Tuesday morning whereby it will reach our office Tuesday evening, and those living in town are asked to phone or turn your news items or ad copy in to us just as soon after it happens as possible.

We will certainly appreciate these favors and will do our best at all times to give you the best Leader that we can produce. Thanks again.

CLARENDON BAKERY TO OPEN FOR BUSINESS SATURDAY

The Clarendon Bakery, which is located first door north of the Mulkey Theatre, is announcing in this issue of the Leader their formal opening date which will be Saturday, April 17th.

The new bakery business is owned and operated by J. A. Howard and Charlie Brown. Both men are well known around Clarendon and they stated that they would offer only the very best in bakery products to their future customers in this trade area.

"We will feature a fine loaf of bread and a complete line of pastries and we invite the public to drop by and visit our establishment any time you are passing by," one of the owners stated.

Mr. and Mrs. Dub Tyler and Grady Tyler and their mother, Mrs. G. W. Tyler and two sons of Claude visited the weekend with Mr. and Mrs. Buster Campbell at their ranch near Silverton.

Reserved tickets are unheard of for the district boxing meet which gets underway tonight at the high school gymnasium at 8 p. m. There will be lots of good seats in the general admission category, but the first arrivals each night will probably grab them off right quick. The reason for the shortage of reserved seats has been explained by the fact that each town entering the tournament asked for their part of the reserved seat tickets and received same as this tournament is operated by all the teams and not the local athletic group, and the proceeds from the event will be divided among the five teams entered.

If you weren't lucky enough to get a reserved seat, just be up there plenty early and most likely you will be able to find a seat.

This tournament will bring together all the better boxers of the district as each team will be allowed to enter 21 boys and it will be only natural for each town to enter the best team possible. The five towns entered in the tournament are Wellington, Shamrock, McLean, Canadian and Clarendon.

The teams from the above towns have already started arriving as the weighing in takes place today with Stina Cain, one of the officials, doing the weighing act, and there will be two other out of town judges to help him throughout the three-night event; two acting as judges with the third working in the ring.

Each fight won will count one point for the team represented, and may we say here, "may the best boys and the best team win in a clean sportsmanship manner." The tournament will continue each night through the final night which is Saturday, April 17.

HELEN TANKERSLEY TO APPEAR IN WHO'S WHO AMONG TEXAS SENIORS

Mary Helen Tankersley, Clarendon High School Senior, will appear in "Who's Who Among Texas Seniors" in the forthcoming edition.

Miss Tankersley was chosen to appear in Who's Who because she was elected area parliamentarian for the Future Homemakers of America meeting which was held at Tulia last year.

This is the first time a Clarendon student has appeared in the publication.

MR. J. MARVIN RAMPY COMES TO FIRST BAPTIST CHURCH

Mr. J. Marvin Rampy has moved to Clarendon to serve as Music and Educational Director for the First Baptist Church. He served in that capacity last Sunday for the first time and is a very fine worker.

Mr. Rampy is a graduate of Burleson College where he studied in music. He has also had training in conducting under Mr. J. D. Riddle, head of the Music department for Texas Baptists.

"We are fortunate to have this fine consecrated man and his family in Clarendon and in our church," said Rev. L. A. Sartain, local Baptist pastor. "Adding of this worker is another evidence that the First Baptist Church is going forward in the work of the Kingdom of God. We invite all who do not attend church else where to come with us and we will seek to do you good."

IMPORTANT LEGION MEETING

All Legionnaires are urged to be present at the regular meeting of the Aubyn E. Clark Post next Tuesday, April 20th.

Plans are to be discussed for organizing a Junior Baseball Team. Mr. Clifford Johnson, District Chairman, will meet with us to help work out details for a program that will include boys from all communities in the county. Rayburn Smith, Adjutant.

SINGING AT MARTIN SCHOOL SUNDAY AFTERNOON

It has been announced that there will be a singing at the Martin School house this Sunday April 18th beginning at 2 p. m. Everyone who enjoys good singing or likes to sing is invited to join in with the group.

Mr. and Mrs. J. W. McCrary spent Saturday night with Mr. and Mrs. O. D. Knick of Amarillo, leaving early Sunday morning. They all drove to Lubbock to visit with Mr. and Mrs. T. L. Fanning, returning home Sunday night.

LOCAL JUDGING TEAM WINS TROPHY PERMANENTLY

The Clarendon F.F.A. Dairy Judging team composed of Tommy Heatherly, Ralph Nichols and Wayburn Wilson functioned under pressure Monday at the Dairy Products contest at Plainview and were capable of doing just exactly what they went over there to achieve. During the past two years, the Clarendon team had won first in the Dairy products contest and had the honor of taking the beautiful trophy home for the current year. This year the above boys won the trophy again and this time it was for permanent keeping as the team that wins it three years in a row are awarded the trophy for keeps. In this same contest Hed-

ley won second and Plainview third.

In milk judging Heatherly placed 1st and Wilson second. In the Cream judging, Wilson placed 7th, Heatherly 9th and Nichols 10th.

The Dairy Cattle team that functioned at the contest were Bobby Whitaker, Jerry Morgan and Lavon McBrayer. Whitaker placed 3rd in Jersey judging, Morgan placed 6th in Jersey and the entire team placed 5th in Jersey.

Clarendon placed 9th in the entire contest which included all departments. The local teams are supervised by T. H. Seay, local Ag instructor.

CITY-COUNTY LIBRARY NOTES

By May L. Prewitt

This has been a very interesting week at the Co-City Library as quite a few exceptionally valuable books have been added to our collection.

Past" by Roger Butterfield, is a history of the United States from Concord to Hiroshima, 1775 to 1945. It is told with the aid of a thousand pictures reproduced from original photographs, paintings, cartoons, lithographs, engravings, and drawings.

influential character whose life work contributed greatly in the making of Texas History.

An attractive pictorial copy of "Ships of the Merchant Marines" by S. Kip Farrington, Jr., and introduction by Admiral Chester W. Nimitz was given by the publishers. Then a friend of the library was in Dallas recently, and brought six books of fiction to add to the collections of several of our popular fiction writers.

Theme material is sent from the Library to various schools of the county. Daily contacts with these boys and girls are constant reminders of the usefulness of this small library.

Six books pertaining to landscaping, plant culture, flower arrangement, and several phases of gardening have recently arrived. The Library will try and supply the demand for all such material after this season.

Weekly SURPLUS NEWS WAA

The regional War Assets Administration office will shift into new quarters during May by moving a few hundred feet into

Plant A, of the former North American Aviation plant near Grand Prairie. The relocation next door to the present WAA headquarters in Plant B was declared most satisfactory from the viewpoint of government economy and suitability to some 600 employees, most of whom reside in either Dallas or Fort Worth. The move will be made to clear B Plant for the navy. Plant A is un-

der a navy lease to the Texas Engineering and Manufacturing Company, now engaged in aircraft modification and other work. Both Temco and WAA will occupy the A Plant.

The WAA is looking for a new buyer for the big Continental Motors plant at Garland. The National Equipment Company of Marshall, Texas, previously had contracted to buy the 104 acre installation, but failed to meet the down payment deadline. The factory, with its eight additional subsidiary buildings, is described as one of the finest plants still under government ownership. Letter proposals for purchase, accompanied by one percent deposit, will be received by the Grand Prairie office of real property disposal between April 9 and April 29.

Seventy-five buildings of the Childress Army Air Field are not to be included in the airport property to be transferred by WAA to the city of Childress. They will be offered in a public location sale at the field April 21 and 22. The buildings will be sold regardless of priority, enabling purchasers who desire individual structures for their own use to buy them on high bid basis for removal. Catalogs will be available at the Childress location, where the inspection period will continue through April 20.

No punches will be pulled in describing the condition of 40 house trailers soon to be sold by WAA at Houston. The trailers are actually unusable due to deterioration of roofs, sides and flooring, the agency advises. Thirteen are located at the University of Houston, 3801 St. Bernard St., with the others at 3201 Wheeler St., where they may be inspected on April 28. They'll be offered on a high bid basis to World War II veterans from 10 to 11 a. m. April 27, with any remaining going to the general public thereafter.

Continuing its continuous series of public sales of war housing, War Assets will move its traveling crew soon to the Pampa Air Field. Approximately 207 surplus buildings at this field will be offered without priority through-

formal bidding May 4, 5 and 6. Almost every standard type of GI camp building will be included in the sale. The general public is invited to complete inspection by visiting the field between April 22 and May 3, excepting Saturdays and Sundays.

As WAA scurries toward the finish line in its disposal job, a number of small site clearances will place quantities of consumer goods on the market at scattered locations in Texas. Goods discarded for military usage are being assembled now for lot bid sales at Love Field, Dallas, and camps near Lubbock. WAA emphasized that the army and navy still has top priority for withdrawal of any materials it may conceivably need. Advance announcement of location sales will be made thru the Grand Prairie Customer Service Center.

Mr. and Mrs. Frank Ward of Denver, Colo. visited his sister, Mrs. J. D. Stockett several days last week on their way to visit at Ft. Worth and Dallas. They left Saturday.

WASHINGTON NEWS LETTER

I am glad to report further progress in connection with enlargement of the Veterans Hospital at Amarillo. In a conference with the President at the White House last Wednesday, he personally assured me of his approval and full cooperation in securing early action. As advised last week, I have already introduced necessary legislation to increase the capacity to 500 beds and hope to secure the earliest possible Congressional approval.

Another matter of vital importance to farmers and ranchers of the Panhandle is passage by the House last week of the bill providing for research on the Foot-and-Mouth Disease virus. The efforts of this government in cooperation with Mexico in stamping out the disease in Mexico have not been nearly as successful as either country had hoped they would be. The only known way to positively stamp out the

disease has been slaughter and immediate burial of infected and exposed livestock. Should the disease spread into this country, it has been estimated that land values in Texas alone would drop a billion dollars. The States and Federal Government would have to begin immediate slaughter and burial of infected livestock. The result of this would not only be the actual loss of the cloven-hoofed animals themselves but would also create greater scarcity of meat supplies. Quarantine lines would be necessary with a resultant freezing of many types of commerce between Mexico and the United States and among the States themselves.

The purpose of the legislation is to set up a research laboratory

with the hope of finding a preventative or cure for this dread disease. It will be staffed by the top-notch scientists. In order to eliminate as much danger as possible to our own livestock industry, the bill provides an island site shall be used. Scientists have assured Congress that every possible safeguard will be taken and the quickest possible work will be done. The disease is now within 300 miles south of the Texas border. So far the quarantine line established at that point has held but this country cannot afford to overlook any step designed to confine the disease to Mexico and continue every effort to eradicate it from that country. The Senate will probably adopt the House bill this week.

HAS FOUND A GREAT FRIEND IN RETONGA

Felt so Miserable at Times He Could Hardly Think, Says Mr. Bert Pittra. Now Eats, Sleeps and Feels Like Different Man. Gives Retonga Full Credit.

"Before I had finished the second bottle of Retonga I was feeling more like myself again," states Mr. Bert Pittra, Class A aircraft mechanic who lives at 12422 Pacific Ave., Mar-Vista, Cal. He gratefully praises Retonga in his statement:

"I often felt so miserable I could hardly think," declares Mr. Pittra. "My appetite was shot to pieces. Food seemed to churn around in my stomach and cause awful gas pains which felt like they shifted around in me. I was constipated most of the time which made me suffer from awful headaches. I felt jumpy frequently and I seemed to never get a

good night's sleep. My legs pained me sometimes until I could hardly walk.

"Before the second bottle of Retonga was used up it brought me relief from acid indigestion, gas pains, and those terrible muscular aches and pains in my limbs. I sleep like a top now and my sluggish bowels are relieved. I never have to take harsh laxatives like I did. I don't feel toxic like I did and I have regained my appetite. I'll sure give Retonga full credit for getting me back in shape again, as the saying is."

Retonga is intended to relieve distress due to insufficient flow of digestive juices in the stomach, loss of appetite, borderline Vitamin B-1 deficiency, and constipation. The active ingredients of Retonga are purely herbal, combined with Vitamin B-1. You can get Retonga at Rexall Drug Store.—Adv.

HOW TEXAS INDUSTRIES PUT NATURE'S RESOURCES TO USE FOR THE BENEFIT OF MANKIND

Cracking NUTS or OIL or ATOMS

You can't get to those tasty kernels until you crack the shell. That's the way it is with nuts... and with crude oil, too.

Nearly all natural resources must be gathered, processed and moved to market before they become of value. Crude oil, for example, is worth little under the ground. But it built a great industry in Texas when it was produced and transported to places where it could be put to use.

The United Gas companies are helping to build another great industry from a natural resource—through the production, processing and transportation of natural gas. Under the ground, natural gas is a worthless and wasted resource. But it's a dependable, low-cost fuel for a thousand purposes when United moves it to market. This is practical conservation, for it stimulates industrial development, creates jobs and benefits all the families in Texas.

OIL REFINING

Privately-owned, business-managed refineries in Texas met the challenge of war-time production, and are meeting soaring post-war demands for all petroleum products. This is a classic example of Free Enterprise—providing thousands of jobs for Texas people, spending millions with local suppliers, paying scores of taxes for the support of state and local governments. The petroleum industry deserves your support for its important contribution to the economy of Texas.

Q—I have a discharge from the draft of World War I. May I consider myself a veteran? A—For the purposes of laws administered by Veterans Administration in order to be classified as a veteran, you must have had active military service during a time of war. A discharged draftee is not considered to have had such service. Q—I received a pension as a Spanish-American War veteran's

widow. I remarried and my second husband is now dead. Am I eligible for a pension again as a widow of the Spanish-American War veteran? A—Yes, if you meet the other requirements of the law and regulations.

Q—May I receive death benefits for my husband and my son? A—Yes, if both were veterans and you are otherwise eligible.

Q—What proof is required to obtain death compensation or pension for an illegitimate child? A—Acknowledgement in writing, signed by the veteran, or evidence showing he has been judicially ordered or decreed to contribute to the child's support or has been, prior to his death, judicially decreed to be the father of such child, or evidence satisfactory to the Administrator of Veterans Affairs that the veteran is the father of such child.

Q—Is it necessary that a child, in custody of the widow, file a separate claim for compensation? A—No.

Good tip for any trip!

Take it from those who know travel and travelers best . . . before any trip, drain out that dirty old winter oil and OIL-PLATE your engine with fresh, new Conoco Nth! Conoco Nth Motor Oil (Patented)* contains a plus ingredient that acts magnet-like to fasten an extra film of lubricant so closely to metal that your engine's cylinder walls and all moving parts are actually OIL-PLATED! And because protective OIL-PLATING stays up there where it belongs . . . won't all drain down even when your engine's idle overnight. . . Nth Oil extra-protects from "dry-friction" starts . . . from power-choking sludge and carbon due to wear! For extra-powerful, extra-cool, extra low-cost miles . . .

Make a date to OIL-PLATE!

PATHFINDER CLUB

Mesdames C. T. McMurtry and Pat Slavin were hostesses to members of the Pathfinder Club, Friday, April 9, at 4 o'clock in the Club Room.

Mrs. Ernest Hunt, president, directed the business discussion, and twenty-three members responded to roll call.

Mrs. Millard Word conducted "A Service of Tribute," in memory of Mrs. C. A. Burton. After the club sang a verse of "My Faith Looks Up to Thee," with Mrs. Word at the piano, Mrs. J. T. Patman read the 46th Psalm. The Lord's Prayer, repeated in unison, preceded Mrs. Patman's remarks on "Mrs. Burton's Religious and Educational Life." Mrs. Word talked on "Mrs. Burton—The Good Neighbor," and closed the service by reading Proverbs 31:16 and 26.

As the program, Mr. H. T. Burton was featured in a series of very interesting excerpts from his book, "History of the J. A. Ranch."

During the tea hour, the hostesses served dainty refreshments to three guests: Mr. H. T. Burton, Mrs. R. A. Summers and Mrs. W. E. Garrison. Members present included Mesdames Carl H. Allmond, C. E. Bairfield, Fred Buntin, H. T. Burton, O. W. Elliott, Marguerite Goodner, Lee Holland, Ernest Hunt, C. T. McMurtry, Ray Palmer, J. T. Patman, W. H. Patrick, J. R. Porter, Paul Shelton, Pat Slavin, Oscar Thomas, Warrin Fry, Millard Word, A. T. Cole, Van Kennedy, S. W. Lowe, and Misses Ruth Richerson and Chloe Darden.

SISTERS MARRIED IN DOUBLE CEREMONY

In a double wedding ceremony Saturday, March 27, Miss Ruth Drake became the bride of Frank Jackson and Miss Nell Drake became the bride of Bill Cornell. The wedding took place in the home of the brides' parents, Mr. and Mrs. G. D. Drake with Rev. Paul Wright officiating.

Mrs. Jackson's wedding suit was of deep rose faille. She had white accessories and a corsage of white roses. She is a senior of Clarendon High School. Mr. Jackson attended the Clarendon Schools and is now employed at Gene Noland's Garage.

Mrs. Cornell had a light blue summer dress with grey accessories. Her corsage was pink rose buds. She graduated from Clarendon High School in 1947. Mr. Cornell is employed at the Conoco Service Station.

Mr. and Mrs. F. G. Crofford served as best man and matron of honor. Mrs. Crofford, sister of the brides, wore a pink faille dress with brown accessories and a corsage of white carnations.

The mother of the brides wore an aqua dress with black accessories and a corsage of white carnations.

Those attending the wedding were Mr. Jackson's sisters, Tootsie, Patsy and Geraldine, Miss Margie Nell Crofford, Mr. and Mrs. G. D. Drake, Sandra, Ken-

neth and Janice, and Mr. and Mrs. F. G. Crofford.

The couples left immediately after the ceremony for Lawton, Okla. on a short wedding trip. Both couples are at home in Clarendon.

BIRTHDAY CELEBRATION

Mrs. R. M. Morris celebrated her 79th birthday Saturday, April 10th at her home. Lots of nice gifts were received by Mrs. Morris, also cards and messages from relatives and friends.

Old Times Visits Here

For the past several days Mrs. Tom Mulhall has been staying in Clarendon visiting old friends and getting acquainted with new ones. In the old days her husband was employed by the Ft. Worth & Denver Railway and they lived here until the turn of the century. Mrs. Mulhall's maiden name was Maude Calvert. Three sons were born here and all three are still living. Lyle lives in St. Louis, Mo., Tommy at Salt Lake City, Utah and Lansing in San Francisco, Calif. Mrs. Mulhall says she hardly recognizes any part of the town and that most of those people she knew have either died or moved away during the last fifty years.

Mr. and Mrs. L. D. Carlile and family spent Sunday in the home of Mr. and Mrs. Bud Anderson.

Mrs. Don Martin and Mrs. E. O. Barns of Amarillo visited their mother, Mrs. Lola Barns Monday.

Mrs. R. C. Weatherly who spent the winter in Los Angeles and nearby points has returned home and says she is glad to be back.

Annual Spring Convention of 18th District American Legion At Pampa, April 17-18th

PAMPA — Dr. George Pratt, manager of the Veterans' Administration Hospital at Amarillo, will be the principal speaker at the annual Spring Convention of the 18th District of The American Legion which will be held for two days here Saturday and Sunday, April 17 and 18, G. F. Sanders, Childress, 18th District Commander, has announced.

A full two day program for The American Legion, the 40 and 8 and The American Legion Auxiliary has been arranged by the local Post which is commanded by Lee Roy Franks.

Registration will start at 12 noon at the Schneider Hotel, Saturday. At 1:30 o'clock that afternoon an open house for Auxiliary members will be held at the city club rooms at the city hall. At 3 o'clock an 18th District 40 and 8 wreck will be staged. At 4 o'clock a tea for Auxiliary members will be given at the city club rooms. At 6 P. M. a dinner for registered 40 and 8 delegates will be enjoyed in the Palm Room at 7 o'clock. This will be followed by a business session of the District 40 and 8. At 8 o'clock Saturday evening, a Pan-American program "Argentina" will be presented for the Auxiliary. Saturday's program will be climaxed with a dance starting at 9:30 o'clock in American Legion building with music by R. E. Smith and his 11 piece orchestra.

VEGETABLE PLANTS NEED STARTER SOLUTION TO GET EARLY START SAYS COUNTY AGENT

To get an early start in the growth of egg plant, tomatoes and peppers, county agent H. M. Breedlove recommends that a starter solution be used to give the plants a good send off. When setting out the plants in the garden pour a teacup full of the starter around each plant. The directions for making the starter is to take one pound of 5-10-5

fertilizer and add it to five gallons of water. Let this stand for awhile and be sure it is completely dissolved. It is a good idea to stir the solution several times. The solution should be added to the plants again in about seven to ten days. This will sure give good results and the cost is very small he said.

Mrs. Lola Barns visited her son and wife, Mr. and Mrs. Joe Barns at Nacona and daughter Annalynn Barns at Wichita Falls Friday and Saturday.

I know that I shouldn't try to write this week, but forgive me this once. I have always tried to be cheerful and helpful, but I know that I can't this week. Anyway about a year ago I marked an X on the calendar for the 9th and 10th of April. A must, that I attend the Panhandle Press Meeting in Amarillo. I saved up my pencils so that I could stick one behind each ear, fill my pockets with them, scratch paper and notebooks sticking from all my pockets. I intended to walk up and offer them the money for a membership, looking like a veteran newspaperman, and with every confidence that they would take me in. But it was not in the books. My Grandfather believed that: "What is to be, will be," and I wonder if he wasn't right. Anyway, when I should have been parading back and forth, taking notes on the Editors, eating steaks and chewing on my pencil, I was home putting hot towels on my sore neck. A two weeks growth of beard on my face, and not even able to hold my wheatstraw in my mouth. Anyway, forgive me for the way I feel, and excuse me for the things I write. Next year I won't promise, I won't make any plans.

Thanks to Mrs. S. C. Shore of Richmond, Ind. for the fine letter on politics. Mrs. Shore reads our column in the Canadian Record,

and she tries to straighten me out on who to vote for in the presidential election. She feels that it would be alright, under the circumstances, to vote for one of the Generals; even if I had to offend my Grandfather's spirit in order to do so. Anyway, I am proud of the fine letter, and will answer it soon, when I feel a little better. Thanks again Mrs. Shore.

I wonder if the Editors will do me a favor. Would each of you write me a letter giving me some of the high points of the convention. It would help my feelings a lot, but I guess they will be too busy.

I hope we all read the fine editorial by Mr. Johnson, in the Amarillo Times about our neighbor and school mate Rep. Gene Worley. I do not always agree with his vote in Congress, but as to the honesty of his purpose, and the sincerity of his desire to serve the people in his district, I never have any doubts. We had the same teachers in High School and I always think that if I had listened to the teacher, as he did, instead of watching that little girl in the third row, maybe things would have been different with me. Oh me.

Mr. and Mrs. Leck Goldston and their daughter, Mrs. Frey and her son Johnny left Monday morning for Okla. City for medical treatment for Mrs. Goldston.

Miss Emma Sheffield attended the Golden Wedding anniversary of Mr. and Mrs. J. B. Masterson in Hedley Sunday, April 11th.

Time To Keep Your Chickens Pinned Up

That time of the year has rolled around again when everything has greened out and flowers have begun to pop in bloom - - and the chickens, or a number of them have started their wander-

ing ways which include the visiting of a neighbor's flower bed. The city officials are pointing out that there is an ordinance against such wanderings and since a number of complaints have already come into the city office, they are urging everyone to fix up their fences and keep their chickens at home - - especially if you want to keep your chickens as your neighbor has a perfect right to dispose of them if you don't keep them up.

They are also making the same suggestion in regard to dogs and other pets as they have a bad habit of playing in flower beds and gardens also.

Mrs. W. N. Blackman returned home Sunday from Spurr where she visited her daughter.

Mr. and Mrs. Joe Carlile of Amarillo visited his sister and family, Mr. and Mrs. U. T. Fowler Sunday.
