ANNUAL C. OF C. MEET IS HELD MONDAY

Friday, January 31, Final Date For Payment Of Poll Tax

Williams Tells

By Fred L. Williams

C. of C. Banquet—
The Chamber of Commerce banquet Monday night was a huge success. A very satisfactory crowd was present with a large representation of the farmers of the community on hand. The program was excellent, and was thoroughly enjoyed by all, as was the splendid plate served by the ladies of the First Christian Church.

It is a shame that every farmer in the county could not have heard the talk made by Mr. H. H. Fennel, head of the Soil Conservation Service in this section. His discourse on soil erosion and method of combating it, was highly educational and illuminating, and land owners of this section could profit greatly from the facts he disclosed.

All in all, the meeting was one of the best of its sort I have ever had the pleasure of attending. Everybody seemed to feel that they had benefited from it, as well as having spent a pleasant and enjoyable evening.

Much Progress Made—

The report of Secretary-Manager J. M. Hill was very interesting. It reviewed the work that had been done by the organization during the past year, and a splendid record it is. The entire county owes a vote of thanks to the retiring officers of the body, as well as to Mr. Hill, for the good they have accomplished during the past year.

Flood Control Project—

Great interest was shown in the flood control project, commonly referred to as the "dam project." This undertaking is one of the most outstanding of its sort in the state. It has attracted attention from far and wide. The city dads, who have been so capably assisted in the project by Messrs. Meredith and Willis and the WPA forces, as well as the Chamber of Commerce, is deserving of the gratitude of the citizenry of Clarendon for this splendid piece of work, which is rapidly nearing completion.

The system, when complete, will consist of 18 retarding dams, so arranged that experts are firmly convinced that the menace of flood waters, which has been present ever since the town was founded, will be completely eliminated. And, the old timers who have gone through so many of these floods, will not hesitate to confirm that it will be well worth while if these floods can be curbed.

New Acquaintances—

I had the pleasure of making the acquaintance of George May, enterprising young newspaperman connected with the Amarillo News-Globe, at the meeting. Mr. May was there to "get the story" for his paper, and we are all grateful for the interest shown in our city by this splendid newspaper organization. Mr. May stated that he plans to be here Friday to make an inspection tour of the local flood control project, for the purpose of securing data for a feature story for his paper on the subject.

Accompanying Mr. May was Mr. Byron Singleton, young attorney with the firm of Underwood-Kirkland in Amarillo. Mr. Singleton is a active member of the Amarillo Junior Chamber of Commerce and the Young Democrats organization. It was a real pleasure to have the privilege of meeting these two prominent young men from the neighboring city, and this writer wishes to extend to them a hearty welcome any time they are in Clarendon.

Inspection Tour—

Mr. Meredith and Mr. Willis remained in the city overnight, and were guests at the meeting of the Clarendon Lions Club at noon Tuesday. Both of these gentlemen made talks at this meeting. (Continued on Page Eight)

PLANS BEING MADE FOR COUNTY BABY BEEF SHOW HERE

WILL BE HELD IN HARRY BLAIR'S BARN; PRIZE MONEY DONATED.

The Donley County Baby Beef Show, to be held in Clarendon March 7, will be staged in the Harry Blair horse barns, according to an announcement by County Agent H. M. Breedlove this week.

"This is a good, convenient place for everyone to come and see the show," Breedlove said, "and it is through the courtesy of Mr. Blair that we are being permitted to have the show under cover in case of bad weather."

"To date there has been more than \$135 donated by the business men and Chambers of Commerce of Hedley, Clarendon, and Lelia Lake. This money will be divided up into prizes to be given away at the Donley County show to the winners."

"The various prizes will be (Continued on Page Eight)

PLYE CANDIDATE FOR CITY OFFICE

ANNOUNCES CANDIDACY FOR OFFICE OF CITY COMMISSIONER.

The News has been authorized this week to announce the candidacy of T. M. Pyle for the office of city commissioner of Clarendon, subject to the city election to be held in April, 1936.

Pyle, known as "Flo" by his large circle of acquaintances here, has been a resident of Clarendon for many years. He served the city in the capacity of city marshal for a number of years, and is familiar with city affairs.

H. C. Kerbow & Sons local hardware and furniture dealers, announce through the advertising columns of The News this week the removal of their stock of merchandise to the building recently occupied by the Salmon Dry Goods Company, two doors south of the Cozy Theater.

This institution, one of the oldest business firms in Clarendon, is moving back into the location it occupied in 1917. H. B. Kerbow, manager, states that a complete stock of hardware and fur- (Continued on Page Eight)

Clarendon Lions Club Makes Inspection Tour of Flood Control Project Tuesday; Is One of State's Outstanding WPA Projects

A. A. Meredith, WPA director for the Panhandle district, and R. W. Willis, supervising engineer for the WPA in the same district, were guests at the regular meeting of the Clarendon Lions Club Tuesday at noon, and were both featured on the program. They both made interesting talks concerning the activities of the WPA, and stressed the fact that one of the outstanding projects of the state was under way in Clarendon—the flood control project.

Immediately after the meeting adjourned, the membership of the organization accompanied the WPA officials and the Clarendon city officials on a tour of inspection of the project. The tour lasted about an hour, and a

PENALTY ADDED ON PROPERTY TAXES SATURDAY, FEB. 1

1,340 POLL TAX RECEIPTS HAVE BEEN ISSUED; 2,400 ELIGIBLE.

Friday, January 31, is the final date for payment of taxes without the assessment of penalties. It is also the final date for the payment of poll taxes for the year under any conditions. And, citizens who do not pay their poll tax will not be allowed to vote at the forthcoming elections.

Tax Assessor-Collector Joe Bownds disclosed Wednesday night that a total of 1,340 poll tax receipts had been issued in the county to date. This is something more than 1,000 short of the number of qualified voters in the county, he said, figures being based on the number of receipts issued during 1933. He said that 86 exemptions had been issued through Wednesday.

Bownds said that his office would remain open until a late (Continued on Page Eight)

BOY SCOUTS ARE "COPS" FOR A DAY

BOYS EMPLOYED AS TRAFFIC DIRECTORS HERE LAST SATURDAY.

A unique method of traffic law enforcement was brought into play in the city limits Saturday.

City officials secured the services of the local Boy Scout troop to assist them in enforcing traffic laws on that day. Boy Scouts were stationed at each of the stop signs with red flags to remind motorists to observe the rules.

The city has recently passed an ordinance to the effect that all cars must come to a full stop at all stop signs within the city limits. This is being done in an effort to curtail accident hazards. (Continued on Page Four)

PROGRESS OF PAST YEAR IS REVIEWED AT BANQUET HERE

THOMPSON, TEER, WILLIAMS AND CHASE ARE ELECTED DIRECTORS.

Celebrating a year's remarkable progress and marking the beginning of another still more ambitious civic betterment program, Clarendon's leading citizens radiated well-founded confidence in themselves and their city when they gathered Monday night for the annual chamber of commerce banquet.

For those civic leaders who have spent years planning and fighting for the improvements that are now becoming realities, the occasion was more than another annual party.

As the Clarendon folk took stock Monday night they realized that within a few weeks Highway 5 will be paved into Amarillo to the northwest and to Dallas and Fort Worth, in the opposite direction.

They know that the famous Clarendon floods can no longer harass the citizens and put the city's business under water every time there is a light rain. During the past year the schools have been improved, business conditions have been better.

Farming communities have established. Clarendon is a part of this and these are all important achievements.

Appropriate for the occasion was the selection of H. H. Fennel, regional conservator of the U. S. Soil Service, as the principal speaker.

He confined part of his talk to the soil problems of Donley County, and asked the farmers, business men, and citizens to give the campaign on the ravages of erosion the same whole-hearted community support that has enabled them to accomplish so much for the city and county.

Because the Plains and the humid area overlap in Donley County, there exist in this section more varied types of wind and water erosion than in other parts of the Panhandle.

Mr. Fennel discredited the idea that Plains land should be abandoned as unfit for agriculture. Restoring the mistreated land to normal fertility, he said, is not a matter of possibility, but a fairly easy job if the correct methods are applied. Keeping the farm land in good condition, safe from blowing is a matter of good, sound farming.

W. H. Patrick, pioneer Clarendon banker and one of the first citizens of the state, conducted the meeting. There were about 25 visitors from other Panhandle cities and towns at the banquet.

Mr. Fennel was accompanied here by C. R. Enlow and G. C. Fuller of the Washington office of the soil service. Two others from the Amarillo office were C. Luker and A. W. Fanning.

Amarillo was represented by County Agent Ernest R. Duke; Byron Singleton, of the American Junior Chamber of Commerce; Mark Taylor, district manager for the Phillips Petroleum Company; P. D. Berthelot, assistant district manager for Phillips; W. R. Johnson, F. P. McGraw, and W. B. Colwell, all of the Phillips of- (Continued on Page Four)

Pay City Taxes!

ADDED PENALTIES IF NOT PAID BEFORE FEBRUARY 1

In the past it has been the policy of the city, to forget about the penalties and interest on delinquent taxes. Remember, January 31, 1936, is the positive deadline for the payment of delinquent and 1935 city taxes with the addition of the penalty of six per cent interest.

In the future the policy of the City of Clarendon will be to collect the taxes before the "deadline" date or assess the penalty and interest as prescribed by law. All people are created equal and as public citizens, they should receive fairness and justice from their officials. Is it fair to collect taxes from one person when they are due and then remit prescribed penalties and interest charges to another who pays his taxes days and months after they are past due? In the future all will receive the same treatment, so take heed and don't let your taxes go delinquent for there will be no penalty and interest remissions as in the past.

Interest Remitted On All Taxes If Paid Before February 1, 1936

MAE SHAVER, City Secretary

Deputy State School Superintendent Says Local Schools in Good Condition

By J. D. WILSON
Deputy State Superintendent
After visiting 16 schools in Donley County, I am happy to state that I found them in excellent condition. I found the school property and equipment well cared for, and a splendid spirit of co-operation existing in each school district.

It has been a pleasure for me to meet the teachers and school patrons of this county, and the State Department of Education is glad to find the people vitally interested in the education of their children.

In checking the schools, I have found them to be in good financial condition, and I wish to commend the school authorities for the good business that has been used in the administration of the schools.

This county has a splendid educational set-up. The people of Donley County should be proud of their schools. In the county seat, Clarendon, you offer to every child the advantages of a junior college education. Every child should have the ambition to finish the junior college before leaving school. The rural parents should encourage their children to go through junior college. How fortunate the parents are in having a college in reach of their home. With the present transportation set-up, the child can stay at home and get two years of college work. The State Department of Education appreciates the advantages being offered to the school children of Donley County.

Since the State Department of Education is asking the school people of Texas to give much thought and attention to the study of the revision of the school curriculum, I wish to state that we want in every school, where possible, some vocational, industrial and business training. We believe that every high school student should have some practical business knowledge to enable him to reach sound judgment. We need to offer this type of education in order to hold the boys and girls in school. The youth of today requires greater training in vocational and trades subjects, in industrial and business technique, and in consumer and buyer-ship education. By changing the course of study we may be able to train the hand as well as the head. We believe that every girl in Texas should be taught how to cook and sew.

We want every school to teach music, especially we want every child to be taught how to sing and to enjoy singing. By including music within the curriculum we hope to build up a happier citizenship.

I am recommending the following rural schools for standardization: Ashtola, Bray, Midway, Windy Valley, Martin, Goldston, and Chamberlain.

These schools have met the requirements, and will be known as first class rural schools of the state.

I wish to express my apprecia-

ASHTOLA SCHOOL NEWS

Ashtola Launches Landscape Project—

Dreams continue to come true, as Mr. Dillard announces that financial aid from the Federal Government and 75 shade trees have been secured to start our landscape project in a big way. These trees will be planted according to a specified plan and the school yard will be landscaped according to the very latest ideas of school ground beautification.

The trees were donated by many individuals through the county, and we wish to take this opportunity to thank them and to promise the very best of care for them.

If present plans are carried out as now approved, we also intend to plant a small plot of grass to the west of the school house. In short, we intend to make the school house and school yard a place of community pride.

Trusting we will never be completely satisfied with the progress we have made, we now set out on a program to make our school a perfect school. In other words, to score 1000 points on our standardization score card. We think this a goal worth working for and are going to try and accomplish it before this school is out in May.

We are spending a large amount of time on Texas history. This is Texas Centennial year and our teachers are determined that we shall know about Texas. The eighth and ninth grades are studying the new adopted text for senior high schools, entitled, "Do You Know." To the boy or girl that discovers the most significant facts about Texas, Mr. Dillard will give them any book about Texas that they choose.

In order to be sure that we know the fundamentals by the time we go away to school next year, reading, spelling, writing, and general information are coming in for a large part of every subject. To the pupil that makes most perfect score in spelling Mr. Dillard has promised a trip to hear Richard E. Byrd when he appears in Amarillo in February.

Interscholastic activities are progressing rapidly. Declamations have been assigned, the spellers are well along in the book and making good grades, essay writers are gathering information, and the entire school is once more a hive of industry.

Three members of the high school are entering the Walter Woodul essay contest. More power to them.

Farming Is Much Easier and Cheaper When a Farmall Does the Work

McCormick-Deering

SPEED and flexibility are brought to the row-crop farm by the Farmall Tractor. It is so far ahead of horses when it comes to planting, cultivating, and doing other row-crop and general farming work that there is no comparison. And most important of all, Farmall farming means lower-cost farming.

Until you own and operate a Farmall you cannot appreciate the benefits and advantages of it. But just ask any Farmall owner about it. He is the man who is enthusiastic about the Farmall. He knows. He has farmed with horses and with the Farmall and you can bet that he isn't going back to horses.

If you want a real demonstration of the Farmall, call us up and we will arrange one for you. We'll show you how much easier it is to farm with a Farmall and why you cannot afford to be without one. There are three sizes—to fit the needs of any farm.

Ford ANNOUNCES \$25-A-MONTH TIME PAYMENTS AND A NEW UCC 6% FINANCE PLAN

Any New Ford V-8 Car
Can Now Be Purchased for \$25 a Month
with Usual Low Down-Payment

THIS \$25-a-month time-payment plan enables you to buy a New Ford V-8 car through your Ford dealer on new low monthly terms.

After the usual low down-payment is made, \$25 a month is all you have to pay for any type of new car, including insurance and financing.

Your cost for this extension of credit is only 1/2 of 1% a month on your original unpaid balance and insurance. This plan reduces financing charges for twelve months to 6%. For example, if you owe a balance of \$400 for your

car and insurance, you pay \$24 for the year of credit; if the balance is \$200 you pay \$12. Your credit cost for one year is the original unpaid balance multiplied by 6%.

UCC plans provide you with insurance protection at regular conference rates. You have not only fire and theft insurance, but \$50 deductible collision, and protection against other accidental physical damage to your car.

The Universal Credit Company has made these plans available through all Ford dealers in the United States.

50,000 Eligible for Old-Age Pensions

Only 50,000 Texans are eligible for old-age pensions according to an estimate made by State Auditor Orville Carpenter who becomes director of the Old-Age Assistance Commission February 14, when the law becomes effective. Carpenter said there are 300,000 who are 65 years of age and more and he expected that 150,000 would apply for pensions but that only 50,000 would be eligible. Each case must be investigated separately.

C of C Banquet—

(Continued from Page One)

Lelia Lake, Goodnight, Memphis, Hedley and Ashtola were also represented.

The chamber secretary, J. M. Hill, reported of the organization's activities in agriculture, civic affairs and governmental projects during the year.

The flood control project which is being carried on under WPA, he listed as the most important one of its kind in the Panhandle. Many civic improvements have been made during the year, and the chamber is now boosting to have a former Clarendon College dormitory building made into a school classroom building.

Clarendon has been one of the most active cities in boosting Highway No. 5.

In agriculture, the chamber sponsored a county-wide terracing program, the Donley County poultry show, and 4-H Club work for farm youths.

A. A. Meredith, WPA supervisor for the Panhandle area, and K. W. Willis, district WPA engineer, discussed the local flood control project, while Frank Peterson told of the WPA tax survey. Mr. Willis is here to inspect the flood project.

The dinner of Donley County turkey was served in the First Christian Church by the Ladies Aid Society, of which Mrs. O. D. Leisburg is president.

There were approximately 140 seated for the dinner. F. E. Chamberlain welcomed visitors to the banquet, while Mr. Meredith responded.

W. E. Ray is president of the chamber.

New directors of the board of directors elected Monday night were A. L. Chase, J. E. Teer, F. L. Williams, and L. E. Thompson.

The chamber trophy for the best Christmas window display was awarded to Greene Dry Goods Store. Dr. T. H. Ellis won the prize for the most attractive Christmas home decoration.

J. T. Patman, Joe Goldston and Tom Connally comprised the committee in charge of the program arrangements for the meeting.

Vernon Reid underwent an appendectomy at the Adair Hospital this week. His condition is very favorable, attending physicians report.

Dr. H. F. Harter was in Amarillo Friday and Saturday attending the Panhandle dental convention.

Marie Thornton of Wellington spent the week-end in Clarendon at the home of her mother, Mrs. M. E. Thornton.

Clarendon Lions—

(Continued from Page One) this rock to be used in enforcing the retarding dams. This work is in full swing, and hundreds of tons of the rock have already been hauled to the city.

The project calls for the construction of 18 retarding dams, to be constructed at advantageous points around the city. At the present time, eight of these dams, including the two largest, are practically completed. It is believed that these dams alone will serve to protect the city from the devastating floods it has experienced in the past, and Mr. Willis is very emphatic in the statement that, upon the completion of the entire project, the city will be saved from a recurrence of the floods.

Mayor J. W. Martin stated that assurance had been received from Fort Worth & Denver Railway officials that the outlet under the railway tracks near the water tank will be enlarged in the near future. This will permit the water to pass through this point as rapidly as the retarding dams let it through into the city, and will prevent the business section from becoming flooded in the future.

The dams that are being constructed have small concrete enright openings to permit the passage of a certain amount of water, and spillways are being constructed at each end of each dam to care for overflow. Everything has been figured out to a point where it is possible to tell just how far each dam will back the flood water, and what amount of water will be permitted to pass through the openings and around the spillways.

Present plans call for the completion of the entire project by June 30, 1936.

This project is one of the greatest of its kind ever to be undertaken in Texas, and Clarendon is truly grateful to the men and organizations who have worked so faithfully and untriflingly in eliminating the flood hazard that has been present ever since the founding of the city.

Lions club members who inspected the dams Tuesday afternoon were loud in their praise of the splendid work being done on the project.

Rhoden Chase of Amarillo was in Clarendon Sunday for a visit with his parents, Mr. and Mrs. A. L. Chase.

MRS. FRED L. WILLIAMS, Editor

Marjorie White and Lloyd Benson United in Marriage Here Sunday

Miss Marjorie White became the bride of Mr. Hardy Lloyd Benson Sunday morning, January 26, at 8:30, at the home of the bride's parents, Mr. and Mrs. F. A. White. Both the bride and groom are well-known in Clarendon and their marriage is the source of much interest in this city.

The ceremony was performed before an improvised altar, with fern banked at the sides and a bowl of sweet peas on a stand in front. The scene was illuminated by the glow from fourteen white tapers in tall, silvered candleholders. These tapers were lighted before the ceremony by Miss Vera Noland, who is a close friend of the bride. The bridegroom entered to the strains of Mendelssohn's Wedding March, played by Miss Rhoda Weidman. The beautiful bride was attired in a navy blue suit with grey accessories. She wore a corsage of sweet peas and roses. Her only attendant was her sister, Miss

Dorothy White, who also wore navy blue and whose corsage was of sweet peas and roses. The groom was attended by Roy Stargel of this city.

The members of the immediate families and a few close friends were in attendance at the wedding.

After the wedding Mr. and Mrs. Benson left on a trip to Roswell and Carlsbad, New Mexico. They returned to Clarendon Tuesday night, and are occupying their home in this city.

Mrs. Benson until her marriage was a student at the Clarendon Junior College. She graduated from the Clarendon High School and has always been a popular and charming member of this city's younger set. Mr. Benson is the son of Mr. and Mrs. C. L. Benson of Clarendon. He is a graduate of Clarendon Junior College and New Mexico Military Institute and is at present engaged in farming at Brice.

Birthday Party For Ira Jean Estlack

Mrs. A. D. Estlack, assisted by Mrs. J. C. Estlack, entertained at her home Tuesday afternoon, January 28, with a birthday party for her daughter, Ira Jean. It was Ira Jean's fourth birthday and she was presented with gifts by the little guests.

House games were played during the afternoon and ice cream and cake were served to the following children: Melva Ruth Grady, Juanita Carpenter, Melanie Williams, Charlotte Ann Merchant, Betty Jean Decker, Louva Hunt, Vondell Hommel, Jackie Heath, Patsy Ann Estlack, Rochelle Estlack, James Wesley Palmer.

Mr. and Mrs. W. C. Stewart and Mr. and Mrs. B. P. Brents spent Sunday in Paducah.

Mrs. Stegall Hostess To Auction Club

The members of the Auction Bridge Club were entertained Thursday afternoon, January 23, at the home of Mrs. A. L. Chase, with Mrs. Keith Stegall as hostess.

The bridge games were enjoyed by Mesdames H. M. Breedlove, Wiley Carmichael, Roy Ingram, Olin Bain, Heckel Stark, B. P. Brents, F. L. Williams, and Mrs. Chase. Mrs. Heckel Stark had high score for the afternoon and was awarded the prize. Mrs. Breedlove won the consolation prize.

The hostess served a delicious salad course to her guests.

Mr. and Mrs. W. C. Stewart and Mr. and Mrs. B. P. Brents spent Sunday in Paducah.

Marilyn Maher Given Birthday Party

Mrs. G. W. Antrobus, assisted by Miss Lucille Hvass, entertained for her granddaughter, Marilyn Maher, on her ninth birthday Saturday, January 25.

The table, on this occasion, was laid with a pink lace spread. The birthday cake was iced in pink and decorated with blue birds. The favors for the afternoon were small wooly dogs harnessed to pink candy boxes. The table was lighted by blue candles.

After the cake and cream had been enjoyed the fortunes of each of the guests were read. Games were played and a good time was had by all. The guests were Carl Bennett, Carl Parsons, Imogene Baker, Marian McCanne, Marilyn Bartlett, Constance and Barbara Antrobus, Elise Norwood, Helen and Jean Dale Porter, Jean Stargel and Mrs. Ben Pruitte.

Baptist Ladies Give Silver Tea

The ladies of the Woman's Missionary Society of the Baptist Church entertained with a very lovely silver tea at the home of Mrs. Allen Bryan Wednesday afternoon, January 29, from 3 to 5 o'clock.

As the guests arrived they were received by Mrs. Bryan, Mrs. J. Perry King and Mrs. A. T. Cole, who is president of the Missionary Society. Each guest was asked to register in the guest book.

Music furnished by Mrs. Sam Cauthen, Bobby Leathers and Hubert Reavis provided the entertainment for the afternoon and was greatly enjoyed by all those who attended. Miss Anna Moores Swift gave a very entertaining reading during the last hour.

In the dining room of the lovely home a color scheme of pink and green was very effectively carried out. The table was laid with a Normandy lace cloth and was centered with pussy willows in a green glass swan on a mirror. Lighted pink tapers in miniature green swan holders added their charm to the setting. The silver coffee and tea services were presided over during the first hour by Mrs. Bob Webster and Mrs. Ben Hill. Mrs. H. T. Burton and Mrs. G. G. Kemp poured the latter part of the afternoon.

Mrs. Bartlett Hostess To KiKare Klub

The KiKare Needle Klub met Thursday afternoon, January 23, at the home of Mrs. J. R. Bartlett. The afternoon was spent in sewing and chatting.

In the late afternoon the hostess served a salad plate to one guest, Mrs. G. A. Rieger, and to the following club members: Mesdames Joe Cluck, H. C. Brumley, W. A. Land, Sam Lowe, J. Perry King, E. M. Ozier, Buel Sanford, W. C. Stewart, Miss Etta Harned, and Miss Ida Harned.

The next meeting of the club will be held on February 13 at the home of Mrs. W. C. Stewart.

Justamere Club Meets With Pauline Sanford

The Justamere Bridge Club met with Miss Pauline Sanford Thursday evening, January 23. The usual bridge games were enjoyed and Mrs. Byrum Haile was awarded the high score prize.

A salad course was served to the following members: Dorothy Jo Taylor, Dorrace Allensworth, Evelyn Murphy, Vera Noland, Eugenia Noland, Mesdames Byrum Haile, Sam Cauthen, O. C. Watson, Jr., and to Miss Thurza Turner, who was a guest for the evening.

Annual Pathfinder Reception Is Held At Home of Mrs. Sella Gentry Friday

Commemorating the 25th anniversary of the Pathfinder Club a reception was held Friday afternoon, January 24, from 3 until 5 o'clock at the home of Mrs. Sella Gentry. This reception is an annual affair and is always looked forward to as one of the highlights of Clarendon's social season. The expectations of those who attended this year were fully realized.

The guests were received as they arrived by Mrs. Sella Gentry, Mrs. Fred Rathjen, the outgoing president of the club, Mrs. Nathan Cox, the president-elect, and Mrs. George Ryan. Each was asked to register in the guest book, which was presided over during the first hour by Mrs. C. A. Burton and during the last hour by Mrs. A. T. Cole.

The theme of the entertainment for the afternoon was the Texas Centennial. An orchestra, composed of Arthur Chase, Hubert Reavis, and Gus Stevenson, played Texas music or music pertaining to Texas, throughout the afternoon. This was interspersed with an occasional piano solo by Mr. Chase and a duet by Mr. Reavis and Mr. Stevenson, with Mrs. Allen Bryan accompanying.

At the close of the first hour Mrs. E. D. Landreth sang "Have You Ever Been in Texas in the Spring?", and followed this with a parody on the same song written by Rev. E. D. Landreth. During the second hour Mrs. Landreth entertained with the

song, "Out Where the West Begins," and repeated her first number by request. She was accompanied by Mrs. J. L. McMurry at the piano.

The dining room of the beautiful home presented a most attractive picture to the guests who had been directed there to be served. Here the Texas Centennial theme was carried out also. The dining table was laid with a beautifully embroidered white cloth and a most unusual and attractive centerpiece attracted immediate attention. The club flower, the pink carnation, was used to form a beautiful star. This centerpiece was flanked by pink tapers in crystal holders. Beautiful silver coffee and tea services graced either end of the table, and were presided over during the first hour by Mrs. J. W. Evans and Mrs. H. T. Burton. Mrs. Sella Gentry and Mrs. U. J. Boston poured during the last part of the afternoon. The appointed color scheme, pink and silver, was carried out in the plate and favors were tiny Texas flags.

The pink carnations were used as cut flowers throughout the reception rooms of Mrs. Gentry's beautiful home.

Mrs. R. L. Bigger is social chairman of the Pathfinder Club and Mrs. J. L. McMurry is program chairman. Much of the success of this delightful affair was due to their untiring efforts.

Marjorie White Honored With Tea

In honor of Miss Marjorie White, bride-elect, a lovely tea and miscellaneous shower was given by Mrs. Byrum Haile and Misses Evelyn Murphy, Vera Noland and Eugenia Noland at the home of Mrs. Byrum Haile from 2 until 6 o'clock Friday afternoon.

Guests were greeted at the door by Mrs. Byrum Haile and presented to Miss White.

The tea table, covered with a handsome lace cloth, was centered with a large three-tiered wedding cake decorated with tiny red hearts and a miniature bride on top, and was lighted with tall white tapers in crystal holders. The valentine motif was also carried

out in the refreshments.

Guests who called or sent gifts during the afternoon were Mesdames Dorothy Jo Taylor, Dorrace Allensworth, Pauline Sanford, Jeanne Bourland, Rhoda Weidman, Herloise Burrell, Ineva Headrick, Temple Harris, Mary Howren and Dorothy White and Mesdames F. A. White, John Blocker, George Ryan, J. L. McMurry, Charlie McMurry, U. J. Boston, C. L. Benson, G. G. Kemp, "Buss" Bell, E. H. Noland, Sam Cauthen, O. C. Watson, Jr., Floyd Lumpkin, Bill Carroll and Bill Greene.

June Adams Has Birthday Party

June Adams celebrated her 11th birthday with a party at the home of her parents, Mr. and Mrs. Karl Adams, Thursday afternoon, January 23.

After the honoree had opened the gifts brought her by her guests, games and contests were enjoyed. A pink and white color scheme was carried out and the birthday cake was iced in these colors.

Refreshments were served to the following young people: Zona Pat Grady, Frankie Hommel, Charlotte Ann Tomb, Margaret Fay Wadsworth, Marilyn Sawyer, Imogene Baker, Naomi Morris, Cassandra Morris, Lavoise Armstrong, and June Adams.

S. & C. Club Meets With Mrs. Whitlock

Mrs. Lawrence Whitlock entertained the members of the Stitch and Chatter Club at her home Tuesday afternoon, January 28. All members were present to enjoy this meeting with the exception of Mrs. Homer Bones who was ill and unable to attend.

Bride-Elect Given Unique Shower

Miss Marjorie White, whose marriage to Mr. H. Lloyd Benson took place Sunday morning, was complimented with a miscellaneous shower given Thursday afternoon, January 23, at the home of Mrs. J. N. Wood, with Mrs. Wood and Mrs. E. C. Herd as hostesses. They were assisted by Misses Ruth and Ruby Tucker.

After the guests had arrived, several amusing contests were enjoyed, among them a flower contest and a chewing gum contest.

A jar of colored candy was passed around and guesses were made as to how many pieces of candy it contained. A very clever auction was held with beans being used as money. The articles thus purchased provided much amusement. The last contest was a book contest and immediately after it a huge, white bride's book was presented to Miss White by little Miss Patsy Pittman. Upon opening this book, Miss White found a number of beautiful gifts. The remainder of the gifts were then brought in and after they had been opened and admired Miss White very charmingly voiced her thanks.

Refreshments were served to the following: The honoree, Marjorie White, Mesdames Eva Atterberry, Bill Patman, Jack Reid, Henry Williams, A. T. Cole, R. J. Laver, S. E. Haning, Curtis Galloway, R. J. Dillard, D. W. Clappitt, C. L. Knight, Essie Tice, Cecil Thomas, J. H. Casey,

Well, the high school basketball teams, both boys and girls, made a clean sweep in the two games played last Friday night. These two closely contested games gave the fans plenty of excitement throughout the evening. The C. H. S. boys played a nice game, and evened the score with Memphis who handed the bronchos a defeat the preceding week. As is indicated by the score, 28-27, those basketball fans who were not at the gym Friday missed a good game. The starting lineup for Clarendon was as follows: Center, Wesley Powell; forwards, Jessie Cornell and Joe Stewart; guards, Gerald Noble and Otis Rolls. Substitutes were Gene Butler and Ralph Grady. The boys have a series of games with Hedley on January 31 and February 5 at Hedley and on the 7th they play here.

The C. H. S. girls also proved their basketball ability Friday when they defeated the Lelia Lake girls in another heated battle. The girls played a good game, considering the fact that this was their opening game of the season. Starting lineup for the girls was: Forwards, Joan Thompson, Francis Grady, Letha Warren; guards, Rebas Nichols, Lotta Rolls, Jo Word. Tomorrow night, Friday, a game is scheduled with the Hedley girls. The college team had a game scheduled with Groom last Thursday, but Groom failed to come. Those C. J. C. players include Ralph Stewart, H. W. Lovell, Raymond Cheves, Billie Howard, Tommie Atkinson, Willard Cook and Truett Behrens. Watch for another exciting game in the future.

The only scheduled game in the Southwest conference basketball league this week is Baylor versus T. C. U. If Baylor wins this game, it will place her behind S. M. U. in the standings. As you know Texas and Arkansas are the co-leaders while following Rice is S. M. U., and the Texas Aggies hold the cellar position. Last week Rice defeated S. M. U., and also took a couple of non-conference games from L. S. U., while Arkansas defeated a Tulsa team.

It is quite amusing to read what Braddock has to say about Joe Lewis. The "champ" says boastfully, "Louis will take Schmeling easy enough, but by the time he faces me, I will be in a position to whip the 'Brown Bomber'."

Take notice that the football players have finally got their sweaters, believe it or not!

Psalm of a Soph

Miss Headrick is my English teacher, I shall not pass. She maketh me to punctuate hard sentences and exposeth my ignorance to the class. She causeth me to write hard sentences for her own sake. Yea, though I study 'till midnight, I shall gain no knowledge for English troubles me. She prepareth tests in the presence of the class for me, she giveth me low marks. Surely sadness and distress shall follow me all the rest of my days. For I shall remain in the English class forever.—Author unknown.

Curtain Club To Present "Crooks For A Month" Feb. 6

The Curtain Club, a school dramatic organization, will present "Crooks for a Month," a hilarious three-act comedy, next Thursday, February 6.

This club was quite successful in the vaudeville which was staged last fall. The play is under the direction of Miss Sarah Virginia McGowen. Practice has started now in order to be thoroughly prepared to present a good play. The proceeds will go for improvement of college athletic equipment, so be sure to plan to go. Patrons will be aiding the sports equipment fund as well as enjoying a good evening of entertainment.

The plot of this comedy can be summed up in this one sentence. Three college chums are trying to make some quick, easy money. It is easy to imagine the many amusing incidents that will be connected with this idea.

Following is a list of the cast: Mr. Bentwood, Drew Wilkerson; Mrs. Bentwood, Mary Frances Dewey; Winfield Bentwood, Ardis Patman; Doris Bentwood, Peggy Taylor; Marty Copping, Alex Cooke; Mr. Fostick, Woodrow Bulls; Jack York, Sam Barrow; Eunice Cossels, Mary Frances Powell; Hilda Fields, Wilma Dee Smith.

Remember, "Crooks for a Month," on February 6.

A TO Z

"Alright boys and girls don't let me catch you flirting and making eyes at each other, (and a lot more), that is, on the campus and here in the buildings." This comes from Mr. Drennan, and from the expression on his face I would take it that he means every word of it. Had you noticed that it does not seem nearly so bad as it was last year? I wonder why? Could it be that some of the worst flirts (or should I say flirts?) have graduated or moved off?

While ago I glanced down and saw a red haired girl with brown eyes and about five feet tall, no, I mean I glanced down and saw that she had on a pair of white anklets. Boy did I shiver as it is about zero weather outside. How does she do it?

Don't tell anyone but I know someone who went to sleep in Miss Headrick's freshman English class last week. That is, someone said that someone else told

BAND CONCERT AT ASSEMBLY

The students thoroughly enjoyed the assembly program last week. The band, under the capable direction of Mr. Ray Robbins, made its first appearance before the student body.

The pieces played by the band include "Over the Top," march; "National Guard," march; "Lakes of Ocala," waltz; "Harvard Special," march, and "The Eyes of Texas."

At the conclusion of the concert, Mr. Drennan made the announcement that anyone wishing to take music lessons could do so, free of charge, by simply obtaining a horn. The statement was also made that a band is one of the most important organizations a town can have.

Mr. Robbins can certainly be complimented on his splendid work here in re-organizing the band, and if progress continues, Clarendon will have a band that will fully represent the city.

them that he did.

Seeya next week if I don't freeze between now and then; who laughed at red flannels?

Azy Bones

Gripe, gripe, gripe, is all you can hear from the college and high school boys, why? Well it seems that some of the boys haven't paid for their sweaters and the rest of them would gladly ring their necks if it would do any good. Anyway, maybe they will have them by the time you read this.

Had you noticed that there seem to be more coming to the basketball games down on the junior high gym than ever before? Maybe that is a sign of better times, more interest, better games or something.

Says a person to me the other day, "Who do you think is the biggest flirt in college and high school?" So I says, "I hadn't thought much about it, but I believe that Atkinson boy from Lelia Lake would take first place in college and let me see, I guess either that big old Tolson boy or Glenn Riley would talley out first in high school."

Jo Ella Stewart of Paducah spent Saturday night and Sunday in Clarendon with her parents, Mr. and Mrs. W. C. Stewart.

Style Show To Be Given By Home Ec

The classes of the home economics department will entertain with a program and Style Show on Friday, January 31, at 4 o'clock in the home economics department. The program will consist of a short play and the singing of songs by eight girls.

Dresses of both early and modern periods are to be modeled as a feature of the Style Show. And the girls of the first year class will display dresses that they made during the first semester.

The public is cordially invited to this entertainment.

HIGH SCHOOL GIRLS WIN TWO BASKETBALL GAMES

The high school basketball girls have been staging a few money-making schemes lately in order to pay for the basket ball suits that have been ordered. As yet, the suits have not arrived, but they are expected to get here soon.

The C. H. S. girls had two games last week. Playing Goldston on Thursday afternoon, the girls won with a score of 36-10. Friday night the C. H. S. girls played Lelia Lake, and won by the slight margin of 18-14.

On the thirty-first of the month, next Friday, there is a game scheduled with Hedley. There is only a small admission charge to these games. Everyone is urged to come and back the team.

CAMPUS DIRT

On these cold mornings as we hover blue-nosedly about the cold radiators, everyone seems to get to feeling friendly, but not friendly enough to tell any gossip fit to print.

The other night at the basket ball game between goals (which were mostly made by little Joan Thompson) we saw Rosalyn Bass and Tommy Atkinson sitting on the side lines. Do we smell a romance? If so, what of Cheves?

Later we rambled over to Eloise Hill's birthday party. That young lady was celebrating her sixteenth year in this cruel old world. All the girls were raving over a gold silk blouse worn by Sue Powell, but that individual was raving over a Shirley Temple doll which was a birthday gift from Daddy Hill.

Mr. Drennan, on these cold mornings, spends most of his time running from room to room gazing reproachfully at the wicked thermometers. Imagine his surprise when, on walking into a freezing senior room he found the thermometer registering 110 degrees. A closer examination revealed that some bright senior had broken it by striking a match on it.

Peggy Taylor, one of our foremost college freshmen, received one vote in the high school beauty contest. Do you suppose it was the one "Lighten" cast? More about the beauty contest.

When Ruth Cornell saw her name among those of the winners, she screamed, "Do I feel silly?" Now, why should she? We sort of thought it was a compliment.

Thoughts at random: "Sitting on a Hilltop," Vivian Taylor and Dick Shelton. "Three's a Crowd," Arthur Chase. "Double Trouble," Pete Powell.

P. S. The love angle about Beatrice and Jack is about to become a triangle.

National Youth Administration Head Brings Message To Youth of Nation

By MRS. C. A. BURTON Sec. Home Service, A. R. C.

A letter from Lyndon B. Johnson, director for Texas of the National Youth Administration, says, "We have a message that is of vital importance to all agencies working with youth. We are calling upon you directly to use every means in your power through bulletin boards, signs, newspaper articles, radio, meetings, personal contacts, to get to the eligible youth in your community the following message: "The National Youth Administration has a half million dollars to spend in the state of Texas on

"Supply all of our needs according to his riches and glory by Christ Jesus." How we do need God in the maze of life. Without Him and His leadership and His wisdom, the network of life is so confusing and baffling and intricate, that we find ourselves bewildered, cast down, perplexed and amazed. When the young King of England stood by the bier of his earthly father the other day, he simply stood with his face lifted toward the heavens, as if to implore the help of one who is almighty. When the outlook is bad we need to try the outlook. Christ said to His disciples, "Lift up your eyes and look." How blessed it is to see the higher, nobler, and more worthwhile things of life. Your church service will help you do that. Be in your place next Lord's Day and hear the message of your pastor. It might be just what you need.

The First Baptist Church will be glad to have you worship with them at any or all of the services. The time for the evening service is 7.30. J. Perry King, Pastor.

projects that will give employment to youth from relief or WPA families, that will provide job training and these projects, when completed, will be of use to all youth in a community. These youth may earn from \$1 to \$4 per day, depending upon their skill and the wage scale in the county in which they are employed. A youth may work only 46 hours each month on these part-time NYA projects, but by using three or four groups, a project may be operated continuously.

"In order to be eligible, these youth must be certified by the caseworker of the Texas Relief Commission and must also be registered with the National Re-employment Service or the Texas State Employment Service."

Mr. Johnson says he feels that there are many youth available for these projects, and that the money given this state by Washington should and can be put to serve a useful purpose.

SEE IT NOW--This New JOHN DEERE Tractor With 9 Advanced Features

JOHN DEERE Model A General Purpose Tractor

You have read about it . . . you have heard about it . . . now it's here . . . ready for you to see . . . ready for you to operate . . . a remarkable new John Deere two-row tractor for all row-crop and general farm work.

It's a brand new product of John Deere engineering skill . . . built to reduce costs on all of your important farm jobs . . . to give new and better results.

We cordially invite you to come in and inspect this new tractor. It has all of the special features row-crop farmers have been wanting, yet it has every one of the fundamental principles that have made John Deere tractors so successful in the past . . . simple, heavy-duty, two-cylinder engine; light-weight, well-balanced; all tractor parts easy to get at, easy to understand; burns low-cost fuel, etc.

Take just a minute now to look over the features shown at the right. Aren't they just the things you have been wanting in a row-crop tractor?

And that's not all--there are other refinements that you will appreciate when you get up on the seat and handle this remarkable tractor yourself.

Be sure to see the new tractor on your next trip to town. You'll be just as enthusiastic about it as we were when we first laid eyes upon it. There's a real treat in store for YOU.

UNIT EQUIPMENT
Enables You to PLANT (2 or 4 Rows)
LIST (2 Rows)
Besides You Can Handle ALL DRAW-BAR JOBS
ALL BELT JOBS
ALL POWER TAKEOFF JOBS
Within its 2-Plow Power Range

BURNS DISTILLATE
This feature saves you from \$1 to \$2 a day in fuel costs alone.

ADJUSTABLE REAR WHEEL TREAD
You can fit the tractor to a great variety of row widths and successfully handle a greater variety of crops.

CENTERED HITCH FOR PLOWING
When wheels are set in on rear axle you get a centered hitch in plowing and thus eliminate side draft.

FULL-VIEW EFFORTLESS VISION
In all row crops and other jobs.

EASY, POSITIVE STEERING
Little more than a touch of the wheel causes instant response in steering and there's no whip or backlash of the wheel under roughest field conditions.

YOU CAN SIT OR STAND AT WILL
With platform and seat you can change your position to relieve fatigue, get above dust or get better view of work.

FOUR FORWARD SPEEDS
Four forward speeds ranging from 2-1/3 to nearly 7 miles per hour with which to meet the varying requirements.

SIMPLE--EASILY ACCESSIBLE
Inspection of all parts and the few adjustments required, can be made from a standing position without hiring a mechanic.

LIGHT WEIGHT--WELL BALANCED
Weights only 3525 lbs., but develops ample power to handle a two-bottom plow and other jobs requiring proportionate power.

Services Held For Lester Schull, Jr.

Funeral services for Lester R. Schull, Jr., infant son of Mr. and Mrs. Lester Schull, who died suddenly from pneumonia at the home of his parents in West Clarendon Sunday, were held from the First Methodist Church Monday at 3 p. m. Rev. E. D. Landreth officiated.

Lester, Jr., at the time of his death, was 11 months and 25 days old.

Flower bearers were Mrs. Homer Bones, Mrs. Jack SoRelle, Mrs. C. W. Bennett, Jr., Mrs. Ben Andis, Mrs. Walter Hutchins, Mrs. Lawrence Whitlock, and Miss Fannie Perry.

Interment was in the Citizens Cemetery.

Basketball Game With Hedley Is Postponed

The basketball game scheduled for last night between the Hedley and Clarendon teams was called off because of bad weather, according to Coach J. L. Kerby.

The game, which was to start the county championship race, will be played sometime in the next two weeks, Kerby said.

Two 4-H Clubs

(Continued from Page One) start on their demonstrations. Demonstrations will be started in the spring but in the meantime meetings will be held and agriculture discussed, Breedlove said.

There are 25 members in the Hedley club and the boys elected as their president, Frank Spalding; vice president, Monty Alewine, and secretary, T. J. Hansard and Ward Grimsley. The latter two tied in the election for secretary so both boys will serve.

There are 15 boys in the club at Giles and they elected as their president Jackie Ranson; vice president, Milton Foster and secretary, M. L. Sims.

Definite demonstrations for all of the boys have not been set but the demonstrations will be discussed at the meetings and boys will all have something to do in club work.

It is planned to have about 150 boys enrolled in club work in Donley County. All boys who are not in school and want to join the 1936 4-H club should get in touch with the county agent and get enrollment cards. Clubs will be organized in every community.

Williams Tells

(Continued from Page One) and after the meeting adjourned, the entire organization accompanied them, and the city officials on a very interesting inspection tour of the work that is being done on the flood control dams. Very interesting, indeed, was the tour, and very illuminating. It is one that is well worth while for anyone to make, and gives a much clearer conception of how the system will work, and how the work is being done.

Collingsworth Sheriff Is Injured In Wreck

A wrecked bloodstained car, believed to belong to Sheriff McKinney of Collingsworth County, and containing his gun lying on the seat, sent the law officers of Donley County on a hunt that lasted all of Monday night and until the early hours Tuesday morning.

The car was found by motorists on Highway 66 near Rockledge. The motorists notified police of Amarillo. Sheriff Pierce was called into the hunt when it was thought that McKinney had met with foul play.

Early Tuesday morning Sheriff McKinney was located in an Amarillo hospital, it was said, where he had been taken by another motorist for treatment after he had smashed his car in attempting to round a corner. His injuries were not serious, it was learned.

A very interesting program is being planned by the arrangement committee, which is composed of Mrs. Paul Shelton, Miss Anna Moores, and Mrs. R. C. Land. The program and further details will be published next week.

Local Club

(Continued from Page One) til the invitation has been accepted.

This tournament is one of the largest and most important of its kind to be held in the Panhandle each year. More than 100 golfers are expected to take part, and the local club feels confident that the invitation will be accepted.

Mercury Tumbles

(Continued from Page One) fall. A low of 16 degrees was registered Wednesday. Skies cleared Wednesday night, and Thursday morning dawned bright.

Poor visibility and snow covered roads took their toll yesterday when two automobiles collided on the Highway 5 detour one-half mile East of Lelia Lake. No serious injuries were received but both cars were badly damaged, it was reported.

and clear, bringing the lowest temperature of the year.

This is the fourth snow that has fallen here this month, and farm lands in this section are reported to be in the best winter condition since 1931. Yesterday's moisture will go still further toward putting the soil in excellent condition for the spring.

Following are maximum temperatures recorded by Joe Goldston for each day of the past week: Friday, 57-21; Saturday, 37-13; Sunday, 27-19; Monday, 34-25; Tuesday, 45-16; Wednesday, 19-16; Thursday, 10.

(Continued from Page One) niture will be carried, and that a removal sale is now in progress.

The building being vacated by the firm will be occupied in the near future by a new grocery store, which will be operated by Ben Hill. Although no definite announcement has been made yet, it is understood that the building will be divided up and that some other business institution will also be housed in the building.

Pyle Candidate

(Continued from Page One) his candidacy, Pyle promises that, if elected, he will give a square deal to all and that he will conduct his duties to the best of his ability.

Willie Glenn Parton was a week-end visitor in Amarillo.

Nelse Robinson

(Continued from Page One) Mr. Wilson advised the school people present to make the curriculum more practical.

Judge Helton, county judge of Hemphill County used as the theme for his speech, "Trends in Modern Education." He emphasized the importance of the teacher in the new curriculum movement toward a more practical education. Judge Helton is ex-officio county superintendent of Hutchinson County, and stated that the school is the most important element in the life of the people.

The cowboy quartet consisting of Bill Todd, J. B. Milsap, Clarence Jackson and Dennis Smith sang three popular numbers. Lopez Whitt's reading was entertaining. Margaret Milam, with Mrs. Sloan Baker accompanying at the piano, sang "Old Faithful" and "Home on the Range."

County Superintendent Sloan Baker spoke on the subject, "Co-Operation." Superintendent H. T. Burton outlined the authority of the county board in the county transportation set-up and in the classification of schools. He praised the attitude of the school people of the county toward the formation of better schools for the education of the child.

Mr. Dial Corley stressed the safety items in transportation of the pupil and the responsibility of the teacher and patron toward the guarantee of safety for the child riding the bus.

Final Date

(Continued from Page One) hour tomorrow night for the convenience of tardy taxpayers who wish to pay their poll taxes as well as those who wish to save the penalty by paying their property taxes on this date.

Clarendon city officials also announce that January 31 is the final date for the payment of city taxes without the addition of a penalty, and urge that all taxpayers who can possibly do so pay their taxes on this date and avoid the additional expense.

Plans Being Made

(Continued from Page One) worked out this week when the agricultural council meets and will be published soon.

"We have a long list of donations and these will be published also because we are proud of the fact that the show has been made possible for the boys through these donations for the show," Breedlove said.

Pioneer Rancher

(Continued from Page One) 1854, and was a cowboy and rancher for a quarter of a century. Following a stroke of paralysis seven years ago, Mr. Ground retired from active farm and ranch life, and spent his remaining years in peace and comfort.

Flower bearers at the funeral were Mrs. Jack Eddings, Mrs. Vera Kempson, Ruth Tucker, and Ruby Tucker.

Attending the casket were F. E. Chamberlain, J. G. Teel, W. W. Taylor, J. H. Headrick, Paul Shelton, and Lee Holland.

Mr. Ground is survived by two daughters, Mrs. Effie Eddings and Mrs. L. B. Gerner.

Interment was in Citizens Cemetery.

9,171 Bales

(Continued from Page One) to the federal department, 9,171 bales of cotton had been ginned in Donley County prior to January 16, which is a total of something over 2,000 bales more than had been ginned in the county on the corresponding date last year. On the same date last year a total of 7,019 bales had been ginned.

Local cotton men state that the amount of cotton yet to be ginned in the county is negligible.

Bronchos Nose Out Cyclone In Cage Tilt

Fighting desperately every inch of the way, the Clarendon High School Bronchos nosed out the Memphis Cyclones by a 28 to 27 score, at the high school gymnasium here Friday night.

Packed with thrills throughout the game, the Bronchos were never out of danger, and the final whistle found the Cyclones within a goal of victory.

Childress, of Memphis, was high point man with five field goals to his credit for a total of ten points, while his team mate, Davis, and Cornell of Clarendon, found the basket for eight counts each.

LEGION POST WILL BRING T-ANCHOR COWBOYS HERE

The Aubyn E. Clark post of the American Legion will present the T-Anchor Cowboys of Canyon in a program of old cowboy songs, string orchestra music, request numbers, and a talk on the history of famous Panhandle cattle brands, at the College Auditorium Friday night, February 8.

Tickets Are Being

(Continued from Page One) endon Opera House Friday night, January 31. The entertainment is being held on this date instead of Thursday night because an orchestra was not obtainable for the Thursday engagement.

The proceeds from the affair will go as a benefit to the local crippled children's fund and to the Warm Springs Foundation in Georgia to aid in its fight against infantile paralysis.

Mr. Mulkey urges that all who can afford to do so, purchase a ticket, whether they plan to attend the dance or not. Every ticket that is sold will mean that some crippled child will have a better chance in life, and Clarendon citizens are expected to do their part, as citizens of the entire nation are doing this week.

Tickets are priced at \$1.00 each. The dance will begin at 9 o'clock, Friday evening, and a large number of people are expected to be on hand to dance to the music of Harry Hickox and his orchestra.

Mike Strickland left Tuesday night for Dallas where he will enter school.
