Investigate Kansas City Killings

KANSAS CITY, MO.—Police and prosecutors are pictured examining a tape-recording device which was found in the desk of Charles Binaggio, Kansas City Democratic political chief who was shot down along with his aid Charles Gargotta. The murders were charged either to gambling or the ballot box theft of 1948; and echoes of the case were heard in Washington when Rep. Short and Sen. Kem, both of Missouri, demanded federal investigation.

Senior Play, "Meet Me In St. Louis," Tonight & Friday, April 13-14th

Curtain time for the Senior class play is eight o'clock Thursday and Friday nights, April 13 and 14. The play, "Meet Me In St. Louis," is set in St. Louis about the turn of the century. Characters in the play will wear costumes of that period.

"Meet Me in St. Louis" promises an evening of exciting entertainment. Mr. and Mrs. Smith, played by Dewey Foster and Jean Ballew, wrestle heroically with their family of four daughters, Mary Jo Hester, Frankye Wilson, Jusselle Davis, and Jo Ellen McGowan and the only son, Jimmy Jenkins. Grandpa Propriator, Mrs. Smith's father, is really Bobby Whitaker. He is a spry old gent in his seventies, with a neat white beard. The children adore him and never tire of hearing his tales. Katie, the cook, is ageless, good-humored, generous — and Irish, played by Reba Wade. Nancy Bennett is the fussy, irate, middle-aged neighbor who can not tolerate kids in her flower beds. Sam Patterson, as Duffy, adds much humor to the play.

Of course, there are the usual boy friends, this time played by Jerry English and Jimmy Beard. Dorothy Brock, playing the part of the flirt, is a very affected girl from the East. Papa's boss, who is all business, is played by Gepe White. The part of the harassed conductor is played by Doug Wadsworth. You should meet us at the College Auditorium to see "Meet Me in St. Louis."

Mr. and Mrs. A. L. Vaughn and family of Lubbock, Mr. and Mrs. Goble Barker and family of Ashtola, Mr. and Mrs. Richard Maxey and Mr. and Mrs. Billy Goodman and daughter visited in the home of Mr. and Mrs. Clyde Barker Sunday.

"MARSHALL MARS" EXPLODES

HONOLULU, T. H.—The U. S. Navy's giant amphibious transport "Marshall Mars" exploded after it caught fire and landed in the Pacific during a test flight. The seven crew members escaped without injury after the emergency landing in the smooth sea.

Goodnight Lions To Sponsor Jacket Fund Ball Game

Goodnight High School had its first boys and girls basketball entries in several years this past season, and while the campaign was not sprinkled with numerous victories, the "little-uns" played some good basketball, and probably most important, earned the enviable reputation of being good sports.

Both the boys and girls teams posted season records of ten defeats and three victories, which is a fair record, considering that these youngsters are short both in stature and experience. Watch out for Goodnight in the future, however, for none of the boys and only one girl will go the graduation route this May.

Since Goodnight is a small community, and large basketball crowds are not the rule, the school needed some assistance in buying letter jackets. The newly chartered Goodnight Lions Club was called upon, and they are sponsoring a donkey basketball game Friday (April 14) at 8 p. m. Tangling in this anticipated high-scoring encounter will be the "Old Men" of the Lions Club, and the "Young Pups" of the High School team.

Admission will be 25c for students and 50c for adults, so come on over for an evening filled with hilarious laughs, and a spill a minute.

8th District P-T Conference Held At Dumas

"We build a world, child by child" was the theme of the 8th District Parent-Teacher Conference which was held in Dumas Monday, Tuesday and Wednesday. Meetings were conducted in the new Dumas school building.

Principal speaker of the conference was Mr. Earl Fischer, principal of Summit School in Amarillo, whose topic was "Beyond The Three R's."

Tuesday's program opened with a coffee at 8:30, courtesy of the Dumas Federated Clubs and luncheon was served in the school cafeteria.

Present from the National Congress of Parents and Teachers was Mrs. Howard J. Maughan, a national vice-president. Attending from Clarendon were Mrs. Frank White Jr., district vice-president, Mrs. Johnnie Blocker and Mrs. B. C. Antrobus, president and vice-president of the local unit, and delegates, Mrs. Lee Bell, Mrs. H. M. Breedlove and Mrs. Homer Bones.

Services Held Sunday For Porter Infant

Funeral services were held Sunday afternoon at the First Methodist Church in Hedley for Lyndia Glynn Porter with Rev. Frank Story officiating.

Lyndia Glynn, age 1 year and 11 months, died Friday following an acute illness of only a few hours. She and her mother were visiting Mrs. Porter's parents, Mr. and Mrs. H. Hoggard at Hedley when she was stricken ill. Her home was at Amarillo where her father, Earl (Doc) Porter is employed on the Amarillo News-Globe. Mr. Porter is a former Clarendon resident.

Survivors besides the parents are one brother, Ronald Earl of Amarillo; the grandparents, Mr. and Mrs. E. E. Porter of Tulia and Mr. and Mrs. H. Hoggard of Hedley.

Local Library Named For Mrs. Burton

Donley County people who visited the City-County Library when Mrs. Gabie Betts Burton was librarian thought of it as "Mrs. Burton's Library." Because she spent much time and thought in selecting the books, she spoke of them always as "my books."

It is her library now. "The Gabie Betts Burton Library," renamed in her memory.

Mrs. Burton asked for the privilege of serving as librarian when the Pathfinder Club started the library in December, 1923. On the 14th anniversary of its opening, December, 1937, she wrote in her column "Library Notes" which appeared each week in the Leader, "If I were asked to name the institution of most value to all people of a community, leaving out the church and school, of course, I should answer a library. Nothing else contributes to the happiness and well being of as many individuals, both old and young, rich and poor. For books are no respecter of persons. They contribute their stored treasures of wisdom, of beauty, of inspiration, of wit and eloquence to all who are willing to delve into them."

Mrs. Burton was untiring in her efforts to share with others the pleasure and inspiration she received from books.

She served as librarian until a few months before her death on March 12, 1948. The Pathfinder Club, of which she was a charter member, petitioned the city and the county commissioners to rename the library.

Services Held Saturday For Mrs. Hahn

Funeral services were held Saturday afternoon at the Murphy-Spicer Funeral chapel for Mrs. Mahala Odessa Hahn with Rev. Daniel Heckman officiating, assisted by Rev. Adron Oldom.

Mrs. Hahn, 77 years old, died Friday morning at the home of her daughter, Mrs. Lee Tyler. She had been a long time resident of the Panhandle and had lived at Quitaque, Happy, Amarillo and Clarendon.

She is survived by three daughters, Mrs. Tyler and Mrs. Bill Row of Clarendon and Mrs. Jim Robertson of Amarillo; four sons, E. P. Hahn, Clarendon; John and J. C. Hahn of Ft. Worth, and W. N. Hahn, Portales, N. M.; two step daughters, Mrs. George Fowler, Clarendon, and Mrs. A. F. Winter, Aspermont, and four step-sons, F. M. Hahn of Oregon, G. F. Hahn, Aspermont, David Hahn, Amarillo and H. R. Hahn, Portales; also fifty-six grandchildren and 51 great-grandchildren.

Pallbearers were Bill Todd, W. W. Taylor, J. C. Shields, Glenn Churchman, Davis Williams and Hugh Sanders.

Burial was in Citizens Cemetery with the Murphy-Spicer Funeral Home in charge of arrangements.

P. T. A. TEA TO HONOR LOCAL TEACHERS

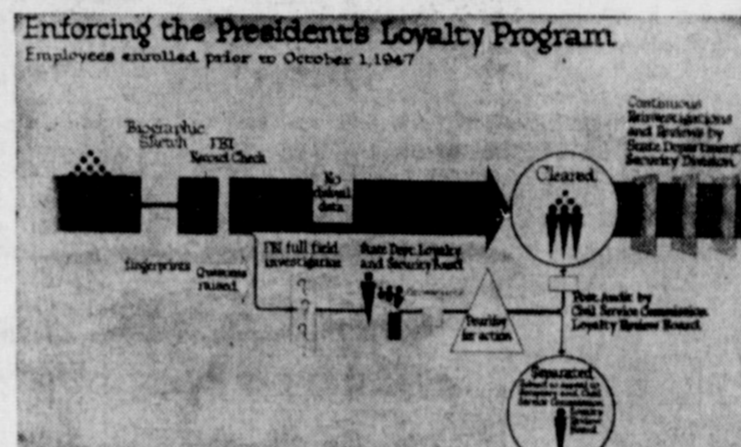

On next Thursday, April 20th, the second annual P. T. A. tea honoring local teachers, will be held from 4:00 to 6:00 at the Patching Club House. All federated clubs are asked to join with the Parent-Teacher group in honoring our teachers.

Everyone is invited to take part in this tribute—parents, grandparents and friends. Remember the date—April 20th from 4:00 to 6:00 at the Patching Club House.

Visiting in the home of Mr. and Mrs. Austin Rhoades Easter Sunday were their children, Mr. and Mrs. Hubert Rhoades and Mary Sue of Ashtola, Mr. and Mrs. Loren Rhoades and son Leon of Amarillo, Mr. and Mrs. Skeet Brown and children Charlotte, Wayne and Bettie of Alanreed, Mr. and Mrs. Harold Green and Mr. and Mrs. L. B. Mauldin of Borger.

Donley County To Practice 7-Point Cotton Program

STATE DEPT. LOYALTY CHART

WASHINGTON, D. C.—Top state department security officials submitted the above chart to the senate committee which is probing charges of Sen. McCarthy of Wisconsin that communists infest the state department. The chart outlines personnel security procedure.

County Agent H. M. Breedlove and Mr. H. Wood attended a meeting at Memphis, Texas on Tuesday, April 11th on a 7-step cotton program being put into effect by the Extension Service over the state of Texas. A committee will be formed to work with the county agent in putting this program into effect which will deal with rotation of cotton acreage, insect control, legumes, better cotton seed, fertilization, soil conservation and marketing.

The acreage in Texas for cotton for 1950 is much less than in previous years and the acreage in cotton allotted to farms must be made to produce to the maximum for him in order for the farmer to get the most money out of his cotton acreage.

Breedlove says this will result in cotton being on the best land on the farm; it must be rotated to get the best results and legumes and fertilizers will have to be used for the farmer to get the most production from his acreage. Meetings will be held before planting time and the program outlined to the farmers of the county.

A committee to help with the education program in the county will consist of G. I. Instructors, Vocational Teachers, ginners, farmers, business men, SCS leaders, PMA Committees, machinery dealers and fertilizer and insecticide dealers.

It is planned to order cotton seed in large quantities for farmers in the county who will plant good seed in 1950 and get it for them at cost.

Farmers who are interested in this good seed program should contact the county agent in the near future.

Sale of Car Tags Already Over 1949

There were 199 more automobiles and trucks already registered in Donley County this year than in 1949, the local tax office announced this week. A total of 2,216 tags have already been sold with the remainder of the year left which is nearly 10 months. The entire total for last year was 2,017. Broken down, these sales include 1,615 auto licenses (1,492 in 1949), 213 commercial trucks (208 in 1949), and 388 farm trucks (317 in 1949).

Mr. and Mrs. Carl Naylor and Joe Tom went to Dallas Wednesday of last week to get Joe Tom a stronger brace. They visited relatives at Ft. Worth and Wichita Falls. They also visited their son, Rev. and Mrs. J. R. Naylor at Archer City Sunday and attended church there where they heard Rev. Naylor preach at the Baptist Church.

MAGNOLIA SERVICE STA. CHANGES HANDS

Joe Bownds and B. D. Buckley are announcing in this issue of the Leader the purchase of the interests of H. H. and W. L. Buckley in the Magnolia Service Station two blocks east of main street.

Mr. Bownds announced that the policy of the business would not be changed and the business would continue to feature a complete line of Magnolia products. Both the new owners have been either employed or connected with the firm at various times and are old hands at the business.

FORMER RESIDENT RETURNED TO HEDLEY FOR BURIAL

Funeral services have been tentatively set for Friday afternoon at Hedley for Mrs. Evelyn Arnn, age 24 years, who was killed last Saturday afternoon at Bakersfield, Calif. in an auto accident. Her body is due to arrive on the midnight train tonight.

Mrs. Arnn had been a resident of Hedley prior to moving to California about 11 months ago. She is survived by her mother, Mrs. Lola Brown of Hedley; one sister, Peggy Jo Mullins of Hedley; four brothers, Marvin, William Earl, Leonard and Tinsley Mullins, all of Hedley; step-father, Curtis Mullins of Hedley; her grandmother, Mrs. Bob Moore of Quail.

Burial will be in Rowe Cemetery at Hedley with the Murphy-Spicer Funeral Home in charge of arrangements.

Country Club Officers & Directors Elected

Around sixty members of the Clarendon Country Club met at the Lions Club hall last Thursday night and elected the following men as directors of the newly organized club: J. Alfred McMurtry, W. B. Knorpp, Lloyd Benson, Claude Moore, Bob Head, Bill Lowe, Emmett Simmons, Rufus White and Frank Phelan Sr.

A report on the progress of the work on the dam was made and it was revealed that the probable leak had been found and remedied. Financial aid and other assistance toward the work on the dam was donated by the following men with very little expense to the club: J. L. McMurtry, Charlie McMurtry, Bob Head and H. T. Warner. Bids will be received within the next few days on the swimming pool and if everything is satisfactory, the pool should be ready for use by June 1st, one of the committeemen in charge stated. Club dues were set at \$3 per month and will become effective whenever the directors decide same should start.

On Friday night the directors met and elected the following officers: J. Alfred McMurtry, President; Claude Moore, Vice-president; Bill Lowe, Secretary and W. B. Knorpp, Treasurer. It was pointed out that three new directors would be elected each year with three retiring each year.

Red Cross Drive Exceeds Quota

Emmett O. Simmons, Red Cross Chairman for Donley County, reported yesterday that all community reports had been made and a grand total of \$1,646 had been raised in the recent Red Cross Drive. This amount exceeds the quota set for Donley county by around \$150 which in itself speaks very highly of the donors in this county.

Mr. Simmons praised the efforts extended by all workers connected with the drive and stated that he desired to thank, in behalf of the local chapter as well as the national, everyone who gave their time and money to this worthy cause.

Piggly Wiggly To Re-open This Week

Jr. Spier, manager of the local Piggly Wiggly grocery & Market, stated yesterday that everything would be in readiness for their grand re-opening tomorrow. The business was damaged by fire several weeks ago and has been completely remodeled throughout. The building now has a concrete floor, new lighting and many additional fixtures which will make it one of the most modern stores of this nature in this area.

Turn to their page advertisement in this issue of the Leader and see what all they have to offer for this special event which is slated to run through next Wednesday.

U. S. TROOPS IN THE TROPICS—Among tangled reeds in the Panama Canal Zone Cpl. Vernon L. Pope, Marshfield, N. C., (right) and Pfc. Paul G. Oliver, Bassett, Va., prepare for joint Armed Forces in Puerto Rico in amphibious-airborne "Exercise Portez." Participating in the maneuvers under the direction of the Joint Chiefs of Staff are 80,000 Armed Forces personnel plus ships and planes of the Army, Navy, Air Force and Marines. Climax of the training exercise is an airborne-amphibious assault on the island of Vieques southeast of Puerto Rico. (Official Department of Defense Photo)

+ Haunted Gulch," The Lone Ranger on Powder Horn Trail," "The Lone Ranger Traps the Smugglers," — then "Young Robin Brand Detective" by Crafts, "Gene Autry and The Thief River Outlaws" by Bob Hamilton. There are twenty-three others that are replacements. Among these are The Hardy Boy Series and O'Brien's Silver Chief series of dog books. This is one of the largest gifts of children's books we have ever received. Almost every week some of the boys bring a book or two they have completed. Fred Clifford recently I and II. gave Kiplin's Jungle Books Vols. The books left as memorial gifts recently are: Clarence Day's "Lift With Mother" in memory of Mrs.

do you Live in Fear of COCCIDIOSIS?

Do you dread the hour when you walk into your poultry house and recognize the unmistakable symptoms of this most costly of all poultry diseases?

WELL STOP WORRYING

You can now guard against Coccidiosis with Red Chain Chick Starter or Red Chain Turkey Starter fortified with Sulfaquinoxaline. Just ask your Red Chain dealer for Red Chain Chick Starter or Red Chain Turkey Starter with SQ.

And remember—you can switch from regular starter to starter with SQ and then back to regular starter without interfering with the normal growth and development of your birds. However, a lot of poultrymen prefer to start with the SQ starter and continue it throughout the entire growing period of the birds.

Important People! WHO IS Important?

E. T. BURK FOR CONGRESS

E. T. Burk, leading candidate for Congress, says: "Nearly all of us have children. Some of us have grandchildren."

"And how we love them! How we pray for peace, freedom, well-being for them. We are ready to fight for them and their welfare!"

"And we have senior citizens who are important and who have hard-earned rights. Just because a man or woman has a few gray hairs is no reason that he or she should be put on a shelf and marked off the list."

"Nothing else has hurt me more than the knowledge that many of our senior citizens have been kicked around as political footballs. I oppose this. I abhor it. I am the only candidate who has promised to fight the battles of senior citizens, and I will keep that promise. All senior citizens can count on E. T. Burk, candidate for Congress, Amarillo, Texas."

THERE IS NO DOUBT! . . .

That E. T. Burk is the leading candidate. Burk CAN win! Never before have the senior citizens had such a wonderful opportunity to have a true friend in Congress. Pass the word on!

And

BACK BURK FOR CONGRESS

John T. Sims, "Crusade In Europe" by Dwight D. Eisenhower (which has been asked for so often), a new copy of "Charles Goodnight" by J. Evetts Haley—illustrated by Harold Bugbee — our other copy was so badly worn.

Mrs. Millie Jones Porter's "Put Up or Shut Up." She wrote "Memory Cups" and is a Wheeler, Texas writer. In this book she has interviewed some of our Clarendon people—"old timers." These last three were placed in memory of Mrs. Jennie Dale Porter, and several others have been ordered but not here.

Our last issue of the "Cattleman" is in demand with its JA scene cover, the origin of the Chuck Wagon with credit to Col. Goodnight. Quite a few familiar characters' pictures are in the issue and sketches relating to incidents. Periodicals are quite attractive and I'm pleased that we can supply our readers with some of the best. Mrs. Burton was quite anxious to have this asset, besides the miscellaneous magazine stacks. Her ambition would be partially realized should she have lived to see our present library arrangement, and since the Library name has been added as a memorial to her memory our readers will be reminded of the

work she ardently devoted her time to for so many years.

+ ASHTOLA
+ Mrs. Doyce Graham
+ *****

Bill Reid of Kansas City, Mo. is visiting his parents, Mr. and Mrs. Lloyd Reid.

Those to spend Easter Sunday with the Doyce Grahams were Mr. and Mrs. Alva Vaughan and Aubrey Glenn and Don Barker of Lubbock, Mr. and Mrs. W. F. Barker, Mr. and Mrs. C. C. Barker and Mary Lou, Mr. and Mrs. Earl Barker and children and Mr. and Mrs. Bill Mooring and David.

Mrs. J. M. Graham spent the week end in Hugo, Okla. visiting a sister, Mrs. Nollie Jesse.

James Reid and Joe Tom Lovell spent the holiday with their parents, Mr. and Mrs. Ben Lovell. They returned to Dallas Monday.

Mr. and Mrs. Hubert Rhoades visited relatives in Amarillo Friday.

Mr. and Mrs. B. F. Lindsey and Pamela Whitfield of Amarillo visited Mr. and Mrs. H. E. Tolleson Friday.

L. P., Gene and Ruby White and Mary Belle DeBord shopped

in Amarillo Saturday.

Charlotte Pike visited Saturday with Jeanette Tolleson.

Allen Ray Graham accompanied a group of boys to Lake Kemp for a fishing trip this week end.

Mr. and Mrs. H. E. Tolleson and eanelle visited their daughter, Mr. and Mrs. Cleve Ingham in Amarillo Saturday.

A large crowd gathered for the Easter program, lunch and singing Sunday. Mr. and Mrs. J. R. Brandon, Mr. and Mrs. Ted Tomlinson and Mr. and Mrs. Hunt were guests of the Ben Lovells that day. Mr. and Mrs. Everett Miller and sons were guests of the Pooveys. Many more out of town-ers were present and all are invited back.

Mr. and Mrs. Leo Wallace were in Amarillo Monday.

Mr. and Mrs. J. E. Thompson of Pampa spent Easter Sunday with his mother, Mrs. Margaret V. Thompson. They left Amarillo in Oct. 1949 when Jimmy resigned as attorney for the Phillips Petroleum Company to become an associate of attorney Walter Rogers of Pampa.

Lancaster, Pennsylvania was capitol of the United States for one day.

SAN ANTONIO TO STAGE FIFTY-FIFTH ANNUAL FIESTA SAN JACINTO

SAN ANTONIO — Texas communities and local festivals will receive a special tribute from San Antonio in April when the Alamo city stages the fifty-fifth annual Fiesta San Jacinto.

The special recognition will be paid in Fiestas Illuminated Night Parade, which will climax the spectacular week-long celebration on Saturday, April 22. The parade theme is "The Best of Everything".

Reynolds Andricks, parade chairman, announced:

"We extend a hearty welcome to every community in Texas to

enter our night parade. We have set up a special section to welcome them. We particularly invite Queens and other representatives of local celebrations to be our guests."

The local "Queens" and other representatives will be honored at a reception after the night parade and will be presented in spectacular ceremonies at a huge square dance to be held in Houston street, San Antonio's main business thoroughfare.

Information on entering the parade may be secured by writing to the Fiesta San Jacinto Assn., 203 Insurance Building, San Antonio 5. Fiesta pamphlets also may be secured at the same office.

J. Blake Timmons Advocates Repeal of Taft-Hartley Act

ENDORSES FULL PARITY FARM PRICE SUPPORTS

J. Blake Timmons, candidate for Congress from the 18th Texas District, last week advocated repeal of the Taft-Hartley Act, took a staunch stand against socialized medicine and endorsed full parity farm price supports.

He said he would advocate sub-

stitution of a labor control act "similar to the Timmons Bill" which he submitted to the Texas Legislature, emphasizing the interest of the general public in labor peace.

"Much of the Taft-Hartley Law is fair and just," Timmons said, "but parts of it are definitely discriminatory."

"For example," Timmons said, "the law requires laboring men to sign affidavits that they are not Communists, but does not require the same action by representatives of management. I think both

sides should be required to sign non-Communist, non-Fascist affidavits."

Timmons voted in the Texas Legislature for anti-Communists affidavits in our tax-supported schools, but he said the application of such a ruling "must be general and apply to everyone, not just a single group."

In releasing his twelve-point program Timmons outlined stands on many controversial issues.

Advocating economy in all branches of government, he said he believes "in the American tra-

dition of the civil militia as the basis of the armed might of our nation, and I advocate an adequate unified permanent defense force to protect our nation from another insidious attack such as Pearl Harbor."

"I believe that the American dollars spent in Europe and other continents should be used only in those nations striving toward a genuine democracy," he said, "and no assistance should be given to nations which permit Communism to infiltrate into the national scene."

"As a small businessman," Timmons said, "I am opposed to the socialization of any business or profession whose functions can be better performed by our traditional American system of free, competitive enterprise. Specifically, I am opposed to socialized medicine or any program which will destroy the patient-doctor relationship, or which would give any organized group monopoly control."

Timmons advocated full parity farm prices to give "protection to

the family farmer and rancher." He said they must be "guaranteed cost of production plus a reasonable profit because the agricultural economy is in a more competitive market than the tariff-protected industry which can hold production in line with demand."

"I believe in the R.E.A.," Timmons said, "and in the last session of the Legislature, I led the fight to permit our farmers and ranchers to organize rural telephone co-operatives."

"I will always fight for adequate public education," Timmons said, "and I believe in the retention of Texas' remaining school-owned tidelands."

He pointed to his authorship of the Boys Ranch school support amendment and his support of the Youth Development Commission. "I believe in rehabilitation of our youth who have made mistakes rather than schools to make them more hardened criminals," Timmons said. "In 1937 I was commended by J. Edgar Hoover for my part in organizing the Texas Parole Supervisory System."

"I am vigorously opposed to legalized gambling," he said, "and I advocate strict regulation of the liquor traffic."

Timmons said that he will visit over the district "as often as humanly possible" and "I want to discuss every issue with the people frankly."

The shot fired by the American colonists at Concord was the "shot heard round the world."

Napoleon was morbidly afraid of cats.

Walter E. Rogers Believes In Stabilized Prices For Farmers And Ranchers

Walter E. Rogers, prominent Pampa attorney, and candidate for congress in the 18th congressional district, realizes fully the economy of this section of the country is based on agriculture and livestock and that unless the farmers and ranchers can depend upon stabilized prices, this whole section can be sorely injured and hurt.

Mr. Rogers recently said that the farm program and the farm problem are as important as any other problems facing congress, if not more important.

He believes that farmers of this section are capable, sound thinking Americans, who can solve their own problems, if they can be protected from the so-called middle-men and that a speaking acquaintance between the price received by the producer and the price paid by the consumer is in order.

He contends that crop controls or price supports should be at the

option of the farmer and not at the whim and caprice of some eastern bureaucrat, who has never crossed the Mississippi.

He is of the opinion that the farm problem is being slowly solved, but that it is a problem that cannot be solved overnight and that there is a great deal more work to be done and that the farmer should be consulted and his suggestions followed and used.

Another problem in which Mr. Rogers is vitally interested is the future care of the old people of the nation.

He contends that the old people have been imposed upon and that they are entitled to a remedy; that they are entitled to consideration and that a lot of wasted funds used in useless administrative costs should be channeled to this particular group.

Fortunes are elusive things, and no man is entitled to look down upon his neighbor because the neighbor has suffered financial setbacks through sickness or some other adversity over which he has no control.

Napoleon crowned himself Emperor of France.

Look how you save with Dynaflo

FIRST thing you notice, of course, is the bother and effort Dynaflo Drive* saves.

Next, that Dynaflo saves you physically—after long trips you're less tense and tired, more relaxed.

But then, as the miles pile up—and this comes from cold, recorded fact after Dynaflo's two years of public operation—you spot savings you hadn't expected . . .

You save on tires—because power application is steady, even. On clutch expense—the usual friction clutch is gone.

You save on transmission maintenance, and the rear-axle expenses likely to go with it. And the way your engine is oil-cushioned against normal shocks and strains shows up in less engine upkeep.

* Standard on ROADMASTER, optional at extra cost on SUPER and SPECIAL models.

You may well discover another pleasant surprise, too.

We are getting a steadily mounting number of well-satisfied letters about gasoline mileage with Dynaflo cars.

The SPECIAL has shown some records little short of phenomenal. The SUPER is delivering mileage that compares most favorably with gear-shift cars. And the ROADMASTER more than holds its own with cars of its size and bulk.

In short, there's a lot more to please your budget in the 1950 Dynaflo than its new lower price. Refinements over the past two years result in savings that are sizable over the life of the car.

Knowing that, don't you want us to demonstrate the big side of Dynaflo—the utter smoothness of America's first oil-does-it-all Drive?

Only Buick has Dynaflo—

and with it goes HIGHER-COMPRESSION Fireball valve-in-head power in three engines. (New F-263 engine in SUPER models.)

- NEW-PATTERN STYLING, with MULTI-GUARD forefront, taper-through fenders, "double bubble" taillights
- WIDE-ANGLE VISIBILITY, close-up road view both forward and back
- TRAFFIC-HANDY SIZE, less over-all length for easier parking and garaging, short turning radius
- EXTRA-WIDE SEATS cradled between the axles
- SOFT BUICK RIDE, from all-coil springing, Safety-Ride rims, low-pressure tires, ride-steadying torque-tube
- WIDE ARRAY OF MODELS with Body by Fisher.

Matchless Team — DYNAFLO and F-263

In the Buick beauty pictured here you can have both Dynaflo and Buick's very latest in power. For every 1950 SUPER has the F-263 engine, that lively high-compression stepper that's the big power thrill of the season. Dynaflo Drive is optional equipment at extra cost.

FOUR-WAY FOREFRONT
This rugged front end (1) sets the style note, (2) saves on repair costs—vertical bars are individually replaceable (3) avoids "locking horns," (4) makes parking and garaging easier.

WEST TEXAS CHAMBER OF SPONSOR DOMESTIC AND IRRIGATION WATER DEVELOPMENT PROGRAM

ABILENE — Significance of a \$200,000,000 domestic and irrigation water development program sponsored by the West Texas Chamber of Commerce and West Texas Domestic Water Association in cooperation with the Bureau of Reclamation was highlighted in a news letter released Saturday from J. M. Willson, WTCC president, to the 180 directors of the WTCC-WTDWA.

The letter also transmitted a brief prepared by the Domestic Water Rights Committee of the WTDWA for President Truman's Water Resources Policy Commission which recommended that the federal water laws be amended to recognize "inadequate water as a menace to the national welfare" and that "municipal water be given first priority use in federal water projects, and established as a criterion for dam building."

Commenting on the municipal and irrigation water program for West Texas, Willson commended the work of management and officers' committee, Homer D. Grant of Lubbock, WTDWA president, and of the association for rapid development of the projects.

Five group meetings have been held during the period March 1-15, at Abilene, Big Spring, Eastland, Knox City and Quanah in pursuance of the multi-city reser-

voir program instigated by the WTCC last year when the Bureau of Reclamation was invited to survey the watersheds of the Brazos and Colorado Rivers for dam sites to serve all West Texas communities in need of water. A further study of the Red River basin was launched at the Quanah meeting on March 16, when the Upper Red River Basin Water Development Association was organized.

The letter cites proposals for a 600,000 acre foot reservoir on the Colorado River near Robert Lee to cost \$43 million, serving Snyder, Big Spring, Odessa and Midland; an \$11 million project near Eastland for that city and Ranger, Cisco, Gorman and De Leon; an enlargement of Lake Brownwood to serve the additional needs of other cities in the area and added irrigation storage; and a reservoir to be located on California or Paint Creek with a capacity of 60,000 acre feet to deliver water to 30 communities lying in the area from Spur to Throckmorton and from Truscott to Anson. An irrigation reservoir on Double Mountain Fork near Rule was also proposed which would irrigate 30,000 acres extending 35 miles below the dam.

Prior to launching the studies on the Brazos and Colorado River watersheds, the Bureau of Reclamation processed the Canadian River project near Borger to provide a 2,000,000 acre foot reservoir serving cities south to Lamesa. Cost of the reservoir and

pipelines is estimated at \$85,000,000.

All municipal water projects costs are based on present laws covering the work of the Bureau of Reclamation which provide for a 50-year loan at 2% interest and are calculated to fully repay the government on those terms.

Under provisions of the proposed new federal water policy recommended to the Truman Commission, government loans could be secured without interest which would greatly reduce water rates to the cities and at the same time return to the government its capital expenditure. The federal government would still be repaid far more than on its present \$40 billion water program, the letter states.

"We have, therefore," Willson concludes, "a \$200,000,000 water development program that will solve many of our municipal water problems for 50 years to come, that will give us a 70,000 acre ir-

rigation project, and will return to the government all of the money advanced for their construction, operation and maintenance."

"Certain organizations and special interests," he continued, "have been and still are criticizing the leadership of our management and officers committee in launching the multi-city dam program; in organizing the West Texas Domestic Water Association; and in securing the aid of the Bureau of Reclamation, but when judged by cooperation being extended by our cities and by the largest membership response in our organization's history, it appears that our efforts to develop water supplies for West Texas is meeting the overwhelming approval of the people of our region."

What couldn't the Farm Bureau do if it had 100% membership? (Adv.)

HUSKY, Dependable Power

THE MASSEY-HARRIS 3-4 PLOW "44"

Here's a 4-cylinder husky that's built for more than just average conditions... a tough, versatile, dependable tractor, the "44" walks away with the most stubborn 3-4 plow jobs on your farm. It's out on a tough field job that you really get to know the "44." That you really discover its lugging ability and economy. You take heavy plowing and discing jobs in stride... plant, cultivate, haul seemingly with no effort.

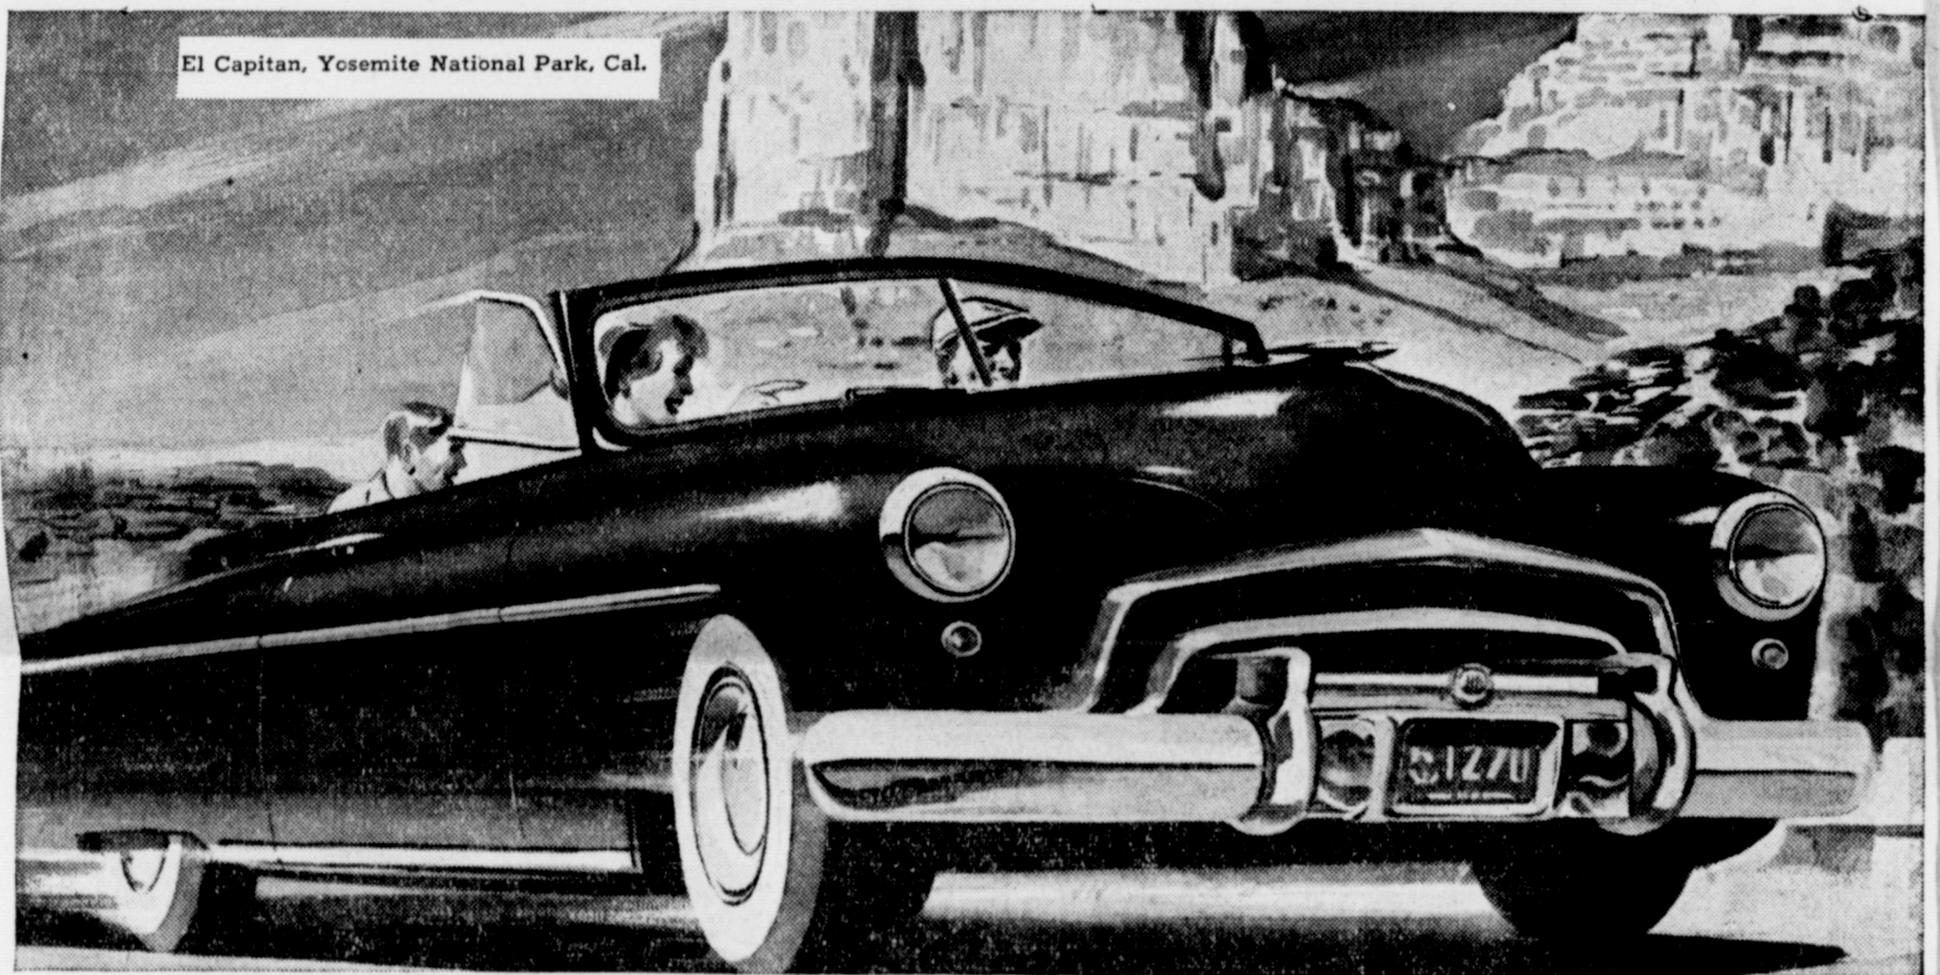

And you do it on less fuel!

There are more acres of work in every tank of gas with the "44." More furrows plowed, more rows planted, more dollars and cents savings in every operation. See us soon for complete details on the Massey-Harris 3-4 Plow "44." Get the power and economy leader for your farm.

50,000 Miles - No Wear!

1. Five Years' Driving in 70 Days! Racing over hot Mexican-border highways... 14 hours a day for 10 weeks... six brand-new cars put amazing new Conoco Super Motor Oil to one of the toughest tests ever devised. After 50,000 miles of continuous driving, engines showed no wear of any consequence... in fact, an average of less than one one-thousandth of an inch on cylinders and crankshafts! Original factory finishing marks were still visible on piston rings!

2. New-Car Gasoline Mileage! Amazing result: gasoline mileage for the last 5,000 miles of the run was as good as for the first 5,000 miles... actually there was an average difference for the fleet of only 4/100 of a mile per gallon! This astounding test—equal to 5 years of normal mileage—showed that Conoco Super Motor Oil, with regular care and proper crankcase drain intervals, can keep your new car new!

3. New-Car Power! Quicker Starts! Yes—Conoco Super Motor Oil's extra protection keeps that factory flash... that showroom smoothness... year after year! Only Conoco Super Motor Oil OIL-PLATES metal surfaces to make your engine last longer, perform better, use less gasoline and oil! Conoco Super Motor Oil virtually stops wear before it starts... keeps your engine new and clean! Conoco Super Motor Oil is the great new modern wear-fighter!

Mr. and Mrs. W. G. Tims and Nelda visited Sunday night with Mr. and Mrs. J. M. Rice and children.

Mr. Roy Waldrop from Texas

Tech in Lubbock visited from Friday till Monday with Mr. and Mrs. L. L. Waldrop and Mr. and Mrs. Raymond Waldrop and boys.

Mr. and Mrs. Raymond Waldrop and boys, Mr. and Mrs. W. D. Higgins took Easter dinner with Mr. and Mrs. Clyde Pittman and son of Stratford.

Bobby Neal Cole spent Saturday night with Mr. and Mrs. W. D. Higgins.

Workers, Interviewers, and Clerks are needed primarily in the smaller cities and towns throughout the state.

Key Punch Operators and Tabulating Machine Operators are needed to work in Austin.

Qualifications for these positions vary from high school graduation to college graduation. Appropriate experience may be substituted for education in many cases. The positions of Key Punch Operator and Tabulating Machine Operator require training in the use of these machines.

Gardiner stated that these examinations present to people the opportunity for employment with the state under the most favorable conditions. Work under the Merit rule, he pointed out, leads to permanent employment, with good salary, promotional possibilities, liberal vacation and sick leave, and retirement benefits.

STATE JOB OPENINGS ANNOUNCED

Competitive examinations for positions with the Texas Employment Commission and the State Department of Public Welfare will be given on May 6 by the Merit System Council, Chas. S. Gardiner, director, announced in a statement released March 25.

Stenographers are needed in every part of the state, Gardiner declared. Clerk-Typists, Field

Whatever THE TIME -

Doctors ARE ON THE JOB!

DOCTORS certainly are not contributors to a "philosophy of idleness," nor have they figured out a way to regiment illness. In hospitals, homes, offices and laboratories, Doctors are on the job day and night, taking care of patients—or seeking better methods of making and keeping them well.

Rare, indeed, is the Doctor whose working time is confined within certain hours.

What with free clinics, hospital staff service, operation hours, emergency calls—the average Doctor's working day is long and arduous. It is difficult to find "vacation" time.

Even the physician with a highly specialized practice is not immune to broken hours of sleep and rest, when emergencies arise.

Don't allow Federal "paper work" and red tape to be added to the load of your family Doctor.

Ben Guill, of Pampa, Announces For Congress

Ben Guill, 40 year old Navy Purple Heart veteran and Pampa businessman, has announced his candidacy for Congress in the special election on May 6. Guill is the only Republican in a field containing ten Democrats. The high man at the polls will be elected Congressman without a run-off.

Guill, who has lived in the Texas Panhandle for 31 years, is married to the former Marjorie Buckler, of Pampa. They have a nineteen month old son.

Why a Republican

Guill, a graduate of West Texas State College and a former teacher in the public school system in the Panhandle, said he was running as a Republican because "I am opposed to the Socialistic policies of the present administration and the only honest way I know of fighting the Socialistic theories of the Santa Claus boys is to join the other team. I have no intention of telling the people of the Panhandle that the Republican Party is perfect or all virtuous. It is nothing of the sort. I merely think there is more Americanism to the square inch in the Republican party today than among the Socialistic leaders who have cold-bloodedly stolen the party of Jackson, Jefferson, Calhoun and Wilson away from the people."

Was a Democrat

Guill, who was an independent Democrat until now, is strongly in favor of reducing income taxes. He is bitterly opposed to socialized medicine. He wants the government to stop dictating to the farmer about what, and how much, he can raise, and he believes the Panhandle cotton farmer was given a "raw and heartless deal" in the recent setting of quotas.

"I am the son of a farmer," Guill said. "I believe the farmer is the backbone of the national economy. I'm sick and tired of hearing pink little bureaucrats tell the farmer what he should do. It's high time the farmer tells Washington what ought to be done. The farm problem should be settled by the farmer himself and if I am sent to Washington as Congressman from the Panhandle I shall bring with me a farm program which embodies the wishes

and the ideas of the Panhandle farmers themselves."

Chances Good

Guill, who has thousands of friends and former students in the Panhandle, is given an excellent chance of winning the special election. With the votes split among ten Democrats, it is estimated that he will be elected if he receives as many votes as Frank T. O'Brien, the Republican candidate for Congress in 1946 received in his race against Gene Worley. If he gets half as many votes as Jack Porter, the Republican candidate for the Senate in 1948, received in the Panhandle he will be an easy winner.

Guill won the Purple Heart in combat in the Pacific. He went through seven amphibious landings and earned four battle stars. He is a member of St. Matthew's Protestant Episcopal Church in Pampa, is a director of the Pampa Rotary Club, the American Legion and the Veterans of Foreign Wars. He is waging one of the most vigorous campaigns in the history of Panhandle elections.

LES BEAUX ARTS CLUB

Les Beaux Arts Club met Friday, April 7, in Patching House with Mrs. Frank Bourland as hostess.

During the business meeting, Mrs. Walter Taylor gave a report on the cleaning of the City Park and stated that seed would be planted later. Mrs. W. J. Lewis Jr. gave a report from the Social-Finance committee on plans for the annual reception. There was also a report from the Picture committee given by Mrs. Pete Kunz.

It was announced that the convention of the 7th District of Federated Women's Clubs will be held in Memphis. The club voted to send Mrs. Paul Laird as representative.

Mrs. Ruth Kennedy, assisted by Miss Katherine Ross and Mrs. Emmett Simmons, presented a very interesting program on moss, Victorian and modern arrangements of flowers. Several lovely arrangements of tulips, daffodils, jonquils and red bud were displayed.

The club had two guests, Mrs. Cal Merchant and Miss Katherine Ross of Greenville.

Members attending were Mesdames Lloyd Benson, J. W. Evans, W. K. Hardin, Ruth Kennedy, Pete Kunz, W. J. Lewis, Jr., Frank Phelan, Jr., C. C. Powell, J. R. Ross, Emmett Simmons, J. D. Swift, W. W. Taylor, Frank White Jr., Frank Bourland and Walker Lane.

GARDEN CLUB

The Garden club members will meet at Fellowship hall for supper at 7 p. m. on April 17. "Round the World" pictures will be shown in the Methodist Church at 8 p. m.

Mr. and Mrs. Gene Butler who live at Freno, Calif. announce the arrival of a 8 lb. 1 oz. baby boy, born March 24. His name is Fred Eugene Butler. Mrs. Butler will be remembered as Louise Russell.

FAMILY REUNION

The Land clan held their annual family reunion on the Brainerd Ranch near Spearman Easter Sunday.

The ladies prepared a fine noon meal which included almost any thing you might find from Florida to California. The afternoon was spent in the children hunting Easter eggs. The older ones reviewed old times and expressed their plans for the future.

Present to enjoy the happy occasion included Mr. and Mrs. Everett South and Harold, Mr. and Mrs. Toots South and boys of Canadian; Mr. and Mrs. Alvin South and Bobby, Mr. and Mrs. Corbett South of Spearman; Mrs. A. L. South and daughter of Elk City, Okla.; Miss Millie Ellen Faye Land, Mrs. Elmore Bailey, Stanley, Jean, Terry and Nita from Hedley; Mr. and Mrs. Jack Land, Jackie and Patricia, Mr. and Mrs. Jiggs Land and Karen from Amarillo, Mr. Zeb Land, Pampa; Mr. and Mrs. Tige Hill, Mr. and Mrs. Rosco Land and Jerry of Clarendon.

ASHTOLA NEEDLE CLUB

The Ashtola Needle Club met April 6 at 2:30 in the Club Room with Florence Evans as hostess and program leader. Roll call was answered with "The Significance of What Easter Means to Me." Reading the Way of the Cross and Easter prayer by Lillie Knox Ruby, White, Charlotte Word, Deleene Beverly, Sue Rhoades, Laura Mahaffey and Johnnie, all had parts on the Easter program which made a very interesting program. Several received Pollyanna gifts.

Delicious refreshments were served to 14 members and several children.

The next meeting will be April 20 with Vena Hudson as leader with a stunt program.

—Reporter
Mrs. John Semrad visited her children at Amarillo Sat. night.

MARTIN QUILTING CLUB

The Martin Quilting Club met with Mrs. Alleen Talley. Two quilts were completed. There was 14 members and 2 visitors. Members present were: Mmes. Gracie Crofford, Margaret Waldrop, Lois Sibley, Rubye Jordan, Blanche Higgins, Lela Bulman, Lois Stevenson, Sallie Christie, Bessie Helton, Della Barker, Maybelle Phillips, Yvonne Barker, Emma Davis and hostess Alleen Talley. Several received Easter gifts from their pollyannas.

Next quilting will be with Mrs. Lois Stevenson, April 20th. Plan to be present.

—Reporter

CUE AND CURTAIN CLUB

The Cue and Curtain Club met Monday, April 10 in the home of Tommy Gattis' grandparents.

After a short business meeting Ladelle Cox gave an interesting speech on "Recent Dramatic Events," and Inelle Cox gave a very nice reading "Mary Stuart."

The host and his mother served lovely refreshments to two guests, Harold Mayfield and Ralph Nichols, and to the following members: Mae Morris, Doris Wallace, Mary Elmore, Mary Ann Landers, Sandra Shelton, Patsy Estlack, Inelle Cox, Ladelle Cox, Joe Dill, Bob Clifford, Bill Porter, Joe Ballew, Mrs. Johnson, Dorris Knorpp and Ramona Rhea.

GOLDSTON QUILTING CLUB

The Goldston Quilting Club met Wednesday, April 5 with Eloise Ashcraft. One quilt was finished and another one almost finished.

Those present were: Billy Ashcraft, Nora Jackson, Connie Talley, Ruth Littlefield, Geraldine Jackson, Edith Jackson, Mazie Eichelberger, Blanch Gray, and the hostess Eloise Ashcraft.

The club will meet all day Wednesday, April 19, with Maizie Eichelberger.

—Reporter

MOTHERS CLUB

The Mothers Study Club met in the club home Tuesday afternoon April 11, with Mrs. Frank Hommel and Mrs. Clyde Wilson as hostesses. Mrs. Bill Weatherly and Mrs. Dale Hill had the program. Mrs. Simmons McCaskey was voted into the club.

Refreshments were served by the hostess to the following members: Mesdames Dale Hill, Mike McCully, Bill Riney, Horace Green, Bill Weatherly, Dalton Swinney, Carmon Rhode, Nelson Anderson, Evert Johnson, Frank Hommel.

Next meeting will be April 25. All members are urged to be present.

CARD OF THANKS

We wish to thank all our many friends and neighbors for their kindness during the illness and in the passing of our loved one. Thank you for the food and floral offerings. May God bless you all.

Mr. S. R. Harrington from Childress visited his cousin, Miss Lee Patten Friday.

OPEN FORUM

Well, it looks as if Uncle Sam Santa Claus is running out of gifts. Like a bolt from the blue comes the news that funds for building lakes and dams in Texas is cut about half of what was expected and is needed.

That is a warning that Texas and other states must stand on their own feet. If we are to have water conservation and flood control, we have got to pay for it out of our own pocket, and not grab from the U. S. treasury.

Hundreds of millions of dollars will be required, and there's only one way to get it. Already everything is taxed that can be, except water itself.

Water is the most valuable and essential natural resource on the globe. All of our water resources are being given free to anybody who wants to grab them up, while we draw from the Federal treasury to build lakes and dams and equipment for handling the water.

Big New York corporations are hogging the best water sources in the state, and some of them are actually selling water to the cities.

Why doesn't the state of Texas take possession of that which is already its own, and sell water to consumers. As sure as the sun shines, that has got to be done sooner or later. Why doesn't the legislature enact laws placing a royalty charge per thousand gallons of water against consumers, just as the New York corporation has done against one West Texas city?

Such a royalty of a few cents per thousand gallons would provide ample funds for all conservation and service needs, and leave a substantial surplus revenue to help pay the cost of state government, old age pensions, etc., and lighten the heavy load on taxpayers.

This is election year, the time to act and get results. Voters should talk to all candidates for the legislature and make them pledge support to a practical water program, the only one which will solve the problem.

Wallace, Jenkins, Farmer, Dallas, Texas.

Mr. and Mrs. Bob Boston and children of Amarillo spent Easter with her parents, Mr. and Mrs. Eugene Noland.

How To Save Valuable Time

While cooking a full oven dinner Relax or do other tasks... meal cooks automatically

Cooking Temperature — 350°F.
Cooking Time — 3 1/2 to 4 hours
6 pound pork loin
4 medium size potatoes, pared and half cooked
4 large carrots, pared and half cooked
4 medium size onions, pared and half cooked

Wipe roast with damp cloth and season with salt and pepper. Place on trivet in uncovered roasting pan with fat side up. Cook in 350°F. oven 35 to 40 minutes per pound. About an hour before meat is done, remove from oven and drain off about two-thirds of fat. Arrange half cooked potatoes, onions and carrots around meat and return to oven to complete cooking.

REVIVAL MEETING,
MARTIN BAPTIST CHURCH
APRIL 14th to 23rd
Real revivals are rare. There are many series of meetings but revivals are few. Revivals are not worked up but prayed down. They are not man made but Heaven sent. They are not of human origin but divinely inspired. Real revivals are like fire. They catch up from heart to heart, family to family and from church to church.
May we pray that we may have such a revival at Martin Baptist Church beginning Friday night, April 14th at 7:30. Day service at 10:45 a. m.
The preaching will be done by the pastor. The sermons will be plain simple Bible sermons. Bro. Bill Gallimore of Cleburne, Texas will lead in the singing. Bro. Gallimore has been with this good church in three revivals and is well known and loved. Come and join in the singing.
"Come thou with us and we will do thee good."

The church with a friendly welcome.
Ernest Phillips, Pastor

Collins Howard Is Candidate For Seat Vacated Recently By Gene Worley

Collins Howard, former Childress County attorney and judge, has announced his candidacy for United States representative from the 18th Congressional District in the May 6th special election.
Howard is a native of Texas, former machinist at the Fort Worth and Denver railroad shops in Childress and a veteran of World War Two. He has been a resident of the Panhandle district since childhood.

"In these critical times," Howard said, "I feel the nation needs men of mature judgment and with experience in public affairs in places of leadership."

"I believe my experience as a laborer, as an attorney and public official, and as an overseas veteran in the recent war, qualifies me to represent the people of this district in the United States Congress."

"I have no promises to make," Howard said; "but I will use my training, experience and ability to the best advantage possible in representing all of the people of the Panhandle district. I think preservation of the peace is the most vital question facing the world today; and, of course, I will do anything within my power to prevent another war. Equally important, I think, is maintenance of our democratic way of life. I shall always favor sane legislative action to protect that way of life from enemies, whether they are in this country or in foreign countries."

"I am opposed to all 'isms' except Americanism; and I do not favor nor am I supported by any group, clique or organization."

"I sincerely ask the support of the voters of the district in this brief campaign."

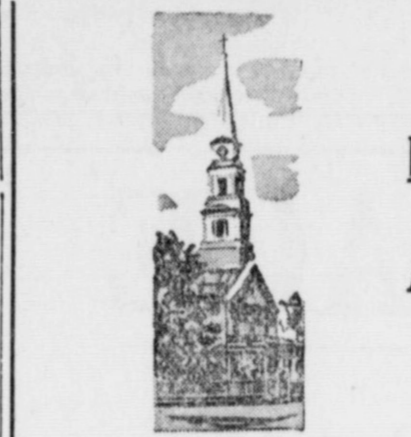

Mr. and Mrs. Curtis Moffett and Lanny spent Sunday afternoon with Mrs. U. G. Koontz and boys.

It's MISS AMERICA for beauty

Just one look will tell you why the '50 Ford is a style show all by itself . . . why it's the only car in automotive history to twice receive the Fashion Academy's Gold Medal Award as "Fashion Car of the Year" (and two years in a row, at that!)

It's MR. BIG for size

No other car in Ford's field offers so much hip and shoulder room. The '50 Ford is big and feels big. The minute you take this great car out on the road you'll feel its luxurious big car comfort, its effortless "Finger-Tip" steering and its solid roadability. A ten-minute "Test Drive" will convince you that the '50 Ford is truly Mr. Big for spaciousness, for comfort, for performance and for value.

And Champion of its Class for **ECONOMY**
'50 FORD

Here's real evidence of Ford's extraordinary gas economy. In the official AAA supervised Mobilgas Grand Canyon Economy Run, a '50 Ford Six equipped with Overdrive won in its class—the three full-size cars in the low-price field. Low first cost, low operating cost and high resale value mark Ford—V-8 or "Six"—as the "Big Economy Package" in its field. "Test Drive" it at your Ford Dealer's today. (*Available at extra cost.)

FARM NEWS

From the County PMA Committee

APPLICATIONS FOR MORE COTTON:

All producers in the county who are interested in signing an application for an increase in their cotton allotment have until April 23, 1950 to do this. Although the county is not getting an actual increase, there will be some producers in the county affected by the new law that Congress passed. To date we have had 325 producers sign up for this.

COTTON PRE-MEASUREMENT: Those producers in the county wanting their land measured, before they plant their cotton, should make sure they get to the office by the 20th of this month. Pre-measurement is not compulsory, but if you want it done, we have this service. The charge is \$6.00 per farm, \$1.25 per plot to be planted plus 3c for each acre

in the allotment.

1949 ACP CHECKS:

We received word this week that the checks, for those producers carrying out practices in 1949, are coming in from the Dallas office. Be sure and watch your mail box, you will probably get a check any day now!!

PERFORMANCE REPORTS:

We have sent Performance Report notices out to all producers having out approvals for terracing, dams, ditches, grass seeding, crop residue management, winter legumes, and rye. It is most important that all producers receiving one comply with the regulations stated in the notice. If you cannot complete your practice by the closing date, please come to the office to see about an extension of your approval.

VISITORS:

Mr. Ward M. Taylor, District Field Officer, was in the office this week. Mr. Taylor comes by at regular intervals to help us with our various problems that

arise in connection with the operation of the office.

MARKET FOR GRAIN SORGHUM:

Those producers, having farm storage loans and purchase agreements on grain sorghum, that haven't sold this grain will be pleased to know that the Thomas Grain Elevator of Vernon, Texas will pay \$1.90 per hundred weight for your grain and pick it up for you at your barn or storage place. If you are interested in selling your grain to the Thomas Elevator, contact this office at once.

COMMUNITY NEWSLETTERS:

The office is preparing a summary of the 1949 farm program in Donley County. Each producer in every community in the county will be mailed a newsletter full of facts, names, and figures about his own community. We think these letters are really very interesting, and we would like to know how you like them.

DONLEY FARM BUREAU TO SPONSOR TALENT CONTEST FRIDAY NIGHT, APRIL 14

The Talent Contest, being sponsored by the Donley County Farm Bureau, will be held Friday night, April 14 at 7:30 p. m. in the Lelia Lake school building.

Students from Clarendon, Hedley, Martin, and Lelia Lake are expected to compete; others are invited.

Prizes will be awarded: 1st \$10, 2nd \$7.50, 3rd \$5.00. Arrangements are being made for out of county judges.

Mrs. Altavene Clark will explain to us, "How Congress Works."

Special music and the Clarendon Quartet will be an added attraction.

The purpose of this program is to encourage the students to compete and perform before the public.

Admission: Adults 25c, students 10c.

Holly Wood, President Donley Co. Farm Bureau Lee Shaller, V-Pres.

Dr. and Mrs. Robert Younger of Amarillo visited her mother, Mrs. W. H. Martin Sunday. Mrs. Martin is in the Adair Hospital for rest.

FFA & FHA Depts. Hold Father-Son, Mother-Daughter Banquet April 5

By Vernon Goldston

A banquet honoring the Future Farmers, Future Homemakers, and their parents was held last Wednesday night, April 5th at the local Lion's Club Hall.

The menu featured baked chickens which had been raised by the local F.F.A. department, and other foods which had been furnished by the two departments. The banquet was served by the first year boys in the class of Home Economics.

Arlis Mooring, president of the local F.F.A. Chapter, acted as toastmaster and spoke on the boy's phase of agriculture. Mary Edna Elmore represented the girls in her remarks on the future homemaker. Music by Merl and Ray David made it really a gay occasion.

Mr. Weathered, postmaster at Pampa, was the evening speaker. His talk on the youths' part in the world today was enjoyed by all.

The banquet was under the supervision of Miss Lloyd Richerson, head of the Home Economics department, and Mr. T. H. Seay, head of the Vocational Agriculture department.

EXPLORER NEWS

By John Miller Morris

At the regular meeting tonight the Explorers are going to make up the house numbers that have been sold in the west part of town as it has been numbered.

The Explorers are also going to Amarillo for a swim next Saturday. While in Amarillo they plan to spend 30 minutes going thru the Helium plant. We hope to have an outline of the Explorer program for the next three months by next week which will be printed in this space.

Mr. and Mrs. Evert Johnson had as their guests Sunday from Plainview, Mrs. Carrie Thompson, Floyd Thompson, Mr. and Mrs. Lloyd Thompson, Mr. and Mrs. Sam Thompson and son Dale, Mr. and Mrs. G. H. Robertson and family; also Mr. and Mrs. R. D. Gilliland and family of Muleshoe, and Miss Wanda Gilliland of Lubbock.

Mr. and Mrs. Frank Whitlock and Price have returned home from a two weeks trip to Escondido, Calif., where they visited their daughter and family, Mr. and Mrs. Geo. Garrison. They also visited relatives and friends in other places in Southern Calif and New Mexico. Mr. and Mrs. Garrison accompanied them home for a weeks visit.

Monday night Mr. and Mrs. Frank Whitlock enjoyed all their children at their home for a family reunion; Mr. and Mrs. Geo. Garrison from Calif., Mr. and Mrs. Clarence Whitlock and Mr. and Mrs. Lawrence Whitlock and Larry Tom from Amarillo and Price Whitlock.

Alex Anderson of Las Cruces, N. M. is visiting his brother, Mr. and Mrs. G. A. Anderson this week.

Mrs. Lena Antrobus is visiting her granddaughter Mrs. M. J. Long at Long Beach, Miss.

Attention Wheat Farmers

Don't forget the meeting at the office of the County Agent, on Friday, April 14, at 1:30 p. m.

The purpose of this meeting is to arrive at a plan most suitable for our territory, and the most practical for the Texas Wheat Producers Ass'n., as a whole.

The program selected by the State Ass'n. will be the one that sounds like the most practical to the directors, at their meeting in Amarillo at the Herring Hotel, on Monday, April 17, at 10 a. m.

It is the desire of all of us concerned to secure a plan, for a wheat program that will meet the approval of every wheat producer in Texas.

When our delegates and representatives, go to Kansas City, to the National Wheat Conference, April 20, we want them to know that the plan they are fighting for is what their fellow farmers want.

We are very likely to have a change, and it is not apt to be what we want, unless we attend this county meeting and express ourselves.

Claude Moore, Sec.-Treas. Donley County Wheat Producers Ass'n. Lee Shaller

Mrs. A. H. Moore had for Easter Sunday dinner her family, Mr. A. H. Moore from LaJunta, Colo., Mr. and Mrs. Doyle Walls and baby Brenda of Floydada, Mr. and Mrs. Dwight Blair and Sharon of Austin and Mr. and Mrs. L. P. Moore and son Perry and James, Jerry, Gordon, Don and Jack Moore.

Mr. and Mrs. Claude Hearn and baby of Amarillo were visiting in Clarendon Sunday.

A Common Paper for Common People

PLOWIN' Out the CORNERS

by Uncle Zeb

Uncle Bob Robertson sent me an English Magazine called Picture Post; in which appears a lot of the same pictures that were in the article about the JA Ranch that appeared in Life last year. In this article for the English magazine a different brand of humor had been added. It stated among other things that "The cattle got so poor on the plains that they would crawl through the chicken wire to the annoyance of the cowboys." Another statement; "Well, the ranch blew away to Nebraska, but we didn't lose all, we still

have the mortgage left." Anyway, Uncle Bob says; "The cattle in these pictures don't look like the ones I helped drive through here 63 years ago." - - Thanks Uncle Bob.

Heard this one about the teacher getting after the little boy for them at anyone" said the teacher, throwing rocks. "Don't throw 'If someone throws one at you, just come tell me". "A lot of good that would do", said the boy. "You couldn't hit the side of a barn."

Do you know what the rich rabbit said to the poor rabbit?? Supposing that as I did you give up, here t'is: "I have plenty of jack - - - Rabbit."

Over the Easter week-end, Mama's school chum and her husband came to visit us. They are the folks that we visited last year at the time we attended the reunion of Mama's old friends and

sweethearts down in Oklahoma. We showed them the canyons from Mulberry draw to the Devils Tombstone at Palo Duro Park. There is something even more thrilling about the canyons around Easter time; so much that reminds one of the story of Jesus. Nothing that man has ever thought of can inspire and thrill our hearts like the beautiful things of nature; which in their simple beauty are the handiwork of God.

Anyway, we enjoyed the visit from the Tom Ivey's from down Oklahoma City way. She has been a teacher for twenty-five years. She is now teaching a group of the so-called impossibles from the odds and ends of the worst they have in the City. It is interesting to hear her tell about the problems facing such a set-up. Anyhow, she never tackles the problem of the child until she has visited the home, and when troubles arise she goes back to the home and back and back until she finds the cause of the child's trouble. She loves her work; and how else could she be such a success, and according to our friend the trouble is always due to some kind of a mix-up in the home. Maybe when we accept their invitation to visit with them again we can write some more about this wonderful work being done by this little woman with courage; working among the little toughies of the back alleys of this some-

what large city. By the way, I undertook to convince her that what we didn't have around Claude or Clarendon or Groom could be found in Amarillo to the complete letting down of the said Oklahoma City but I couldn't win. Finally she got around to quoting census estimates. If I didn't misunderstand they are expecting to reach one-half million. My goodness anyway, I'll get lost.

Census Expected To Show Million More Women Than Men In United States

The 1950 Census, now under way, is expected to show there are one million more women than men in the United States.

"If more than half of our citizenry are women, then it's even a greater responsibility for women to participate in the political life of this country". Such was the statement of Mrs. Altavene Clark, only woman candidate for Congress in the 18th Congressional District special election, May 6. Mrs. Clark's opponents are men-nine of them.

Thus Mrs. Clark partly explained her entrance into the race seeking the Representative seat recently vacated by her former employer, Eugene Worley. "The fact women should be as interested in government as the men",

said Mrs. Clark, "Is but one reason I seek this honor from Panhandle voters. The other reason is my experience in having served the district for the past 17 years. I believe this experience qualifies my seeking the voter support." Mrs. Clark went to Washington 17 years ago after a successful business career in the Panhandle. It was her ability as a businesswoman and her knowledge of Panhandle people and affairs which prompted Marvin Jones to offer Mrs. Clark the position.

"From that day until this," Mrs. Clark continued, "I have worked for Panhandle projects. I have served the voters of the district in regional, local and personal problems to the best of my ability. I always returned to the district during recesses of congress to continue work on behalf of the district."

When Marvin Jones was appointed to a judgeship and Eugene Worley became congressman, it was only natural for Altavene Clark to continue her duties in her important position. Mrs. Clark acted as the district congressman during the year Worley served overseas in the Navy and during other periods when he was out of the country on official

business. It was during this period that Mrs. Clark made a hurried flight from Washington to prevent moving of the rubber plant at Borger to another state.

Further evidence of Altavene Clark's experience came when the House Agriculture Committee forgot "Party Politics" to unanimously elect her executive officer of that all-important committee.

"And I do consider the committee's functions most important to the 18th Congressional District," Mrs. Clark said emphatically. "After all, the Panhandle is basically agricultural and livestock conscious. I feel my 17 years acquaintance in congress and my 17 years of actual service on all Panhandle problems, qualifies me or the position I seek."

"Experience is my basic qualification to be your Congressman. When you hire an employee, regardless of the job, it is good business to employ the one with the most experience—where honesty and integrity are equal. That is what I'm asking voters to do—employ me as their congressman and take advantage of my knowledge, my acquaintances, and my ability. This is an important elec-

tion. No one has a right to complain against his government if he does not fulfill his duty and vote. Every single vote is important", she said. She added, "The declaration of independence was adopted by one vote. One vote elected Thomas Jefferson as president of the United States. I hope the day will never come when one unused vote loses the battle for Democracy."

The real importance of forests, soil and other natural resources cannot be expressed entirely in dollars and cents, but rather must be measured in terms of the security and happiness of all people who depend upon these resources for the necessities of life.

Forest resources are the concern and responsibility of all Texas even though most of the commercial forest land is in East Texas on about one-fourth of the land area of the State.

Texas has three native pines—longleaf, shortleaf and loblolly. Slash pine has been introduced successfully throughout East Texas.

From where I sit... by Joe Marsh

Gabby Enjoys Going to The Dentist

One of my molars was giving me a bad time Tuesday afternoon, so I slipped over to Doc Jones, hoping to catch him free. When I arrived, Gabby Jackson was sitting there reading a magazine. I said hello to Gabby and he nodded.

Doc comes out and says I'm next. "Wait a minute," I says. (My tooth seemed to have stopped aching.) "How about Gabby—doesn't he have an appointment?" Doc smiles and says, "Gabby? Why, he's got the finest teeth in the county. He just comes up here and reads the magazines whenever he's in town!"

As Doc went to work he told me that he's glad to have Gabby come up and read magazines... they might not all be fresh off the newsstand, but if Gabby—or anyone wants to while away some time who is he to stand in their way?

From where I sit, this "live and let live" spirit helps make America what it is. If I prefer a friendly glass of beer with my supper and you prefer milk—who's to say one's right and the other wrong?

Joe Marsh

Vol. 1 No. 23 LELIA LAKE SCHOOL NEWS April 13, 1950

MUSICAL PRESENTED TO ENTHUSIASTIC CROWD

The Lelia Lake School musical was presented Friday night, April 7, to a filled house. The proceeds of this annual affair will go to the junior and senior classes and will be used in June to finance their school trip.

The students and faculty wish to express their gratitude to all of those people who helped to make this program a success.

Marilyn Butler spent Monday night with Bobbie Seago.

Romaine Anderson spent Monday night with Shirley Aten.

Mrs. Jack Brooks has been teaching the seventh and eighth grades, and high school English in Mrs. Bill Lowe's place.

Billie Poole spent Saturday night with Joanne Christal.

Benny Darnell spent Monday night with Ralph Ayers.

Carolyn White spent Sunday in

the home of Bobbie Seago.

Mr. and Mrs. Craig Johnson spent Sunday in Hedley with Mr. Johnson's mother who has been ill.

Shirley Aten spent Wednesday night with Bobbie Seago.

HOME EC GIRLS SELL SHAMPOO

The Lelia Lake Home Economics girls are selling shampoo. As their premium they will receive service for six of tall sherberts, short sherberts, goblets, and fruit dishes in Floral Leaf Crystal. The three- and one-half ounce jar of shampoo sells for \$1.00.

YOUNG PEOPLE ATTEND RALLY

A youth rally for the young people of the Baptist District Association was held in Hedley, Saturday night, April 1.

Those attending from Lelia Lake were: Billie Jean Poole, Bobbie Seago, Woody Vardeman, Terry Monk, Mattalaine Bowling.

Adell Fox, Ardath Monk, Shirley Aten, Joanne Christal, Janice Christal and Juandell Brown.

SEWING PROJECTS TO BE COMPLETED

The Lelia Lake Home Economic Girls will complete their projects in sewing Friday, April 14.

The girls will then take up interior decorating. This unit will cover the study of color, material, textures, and construction of home furnishing. One of their first projects will be to upholster an overstuffed chair. The students feel this kind of work will be very helpful in later years.

JUNIOR-SENIOR PLAY PRODUCTION STARTS

The Lelia Lake junior and senior classes have started working on the annual play. The name of the play is "Mystery In The Library."

The cast will consist of the following: Ellsworth Larson, Keith Reed; Claribeth Harris, Bobbie Nell Seago; Dick Martin, Ralph Ayers; Jay Manson, Benny Darnell; Shorty George, Lee Roy Jackson; Dora Dean, Ardath Monk; Margaret Allison, Shirley Aten; Anne Goochy, Billy Jean Poole; President Haiman, Billy Hill; Martha Lyan, Martha Jo Painter; Inspector Burke, Billy White; Swenson, Kenneth Wilkinson; electrician, Bobby Hill; and Heinrich, T. J. Carter.

TRUSTEE ELECTION HELD SATURDAY

Trustee election was held Saturday, April 1.

Those elected were: Capp Anderson, Clarence Ayers, and John Richey.

Officials for the election were J. W. Shields, D. M. Cook, and W. P. Howard.

LARGE EXHIBIT TO BE SHOWN

In the near future the Lelia Lake School plans to offer an evening of free entertainment and show for the public. This program will consist of a display of numerous pieces of furniture and home furnishings made by the woodworking class; a complete style show of all the garments made in the home economics clothing class; a display of the

NERVOUS STOMACH

projects made in driver education class; and a musical program given by the grade school students.

We feel that all parents and friends will find this evening to be educational as well as entertaining. Watch in The Bluebird for the announcement of the date of this program.

Sums Up 50 Years Of Business Activity

AUSTIN — "Texas does" may well supplant "Texas brags" before the second half of the century is well begun.

Such is the conclusion of Booth Mooney, who sums up 50 years of business activity, and takes a look at the next half century, in the March issue of "Texas Parade" magazine.

"Expert business opinion foresees a continued high level of capital investment in new industries, machinery and plant equipment and in commercial structures," Mooney writes.

He quotes Burt C. Blanton, Dallas consulting industrial engineer and industrial forecaster, as predicting that capital investments in Texas during 1950 will aggregate about \$1,700,000,000.

By 1960, according to Blanton, there will be 10,000 industries operating in Texas, employing more than half a million production workers.

"Texas will pace the nation's industrial growth and expansion," Blanton prophesies.

Summing up the last 50 years, Mooney shows that there have been startling changes since 1900, when Texas depended mainly upon the cattle industry for its wealth. In 1901, the Spindletop oil field discovery changed the state's economy and offered a great new source of riches.

More recently, the billion-dollar basic chemical industry came to Texas, with about 150 plants scattered along the Gulf Coast. Expansion in this industry may be expected to continue for many years, Mooney says.

Much of Texas' industrial growth, the writer declares, has come about through the efforts of far-sighted business men who applied capital to the development of the state's natural resources.

"Capital is put to work productively in Texas," Mooney observes. "That explains the un-

precedented growth of the last decade. It explains why Texans look forward with confidence to the second half of the Twentieth Century."

What couldn't the Farm Bureau do if it had 100% membership? (Adv.)

M. April 19, 1950, and then publicly opened and read.

This is a "Public Works" Project, as defined in House Bill No. 54 of the 43rd Legislature of the State of Texas and House Bill No. 115 of the 44th Legislature of the State of Texas, and as such is subject to the provisions of said House Bills. No Provisions herein are intended to be in conflict with the provisions of said Acts.

In accordance with the provisions of said House Bills, the State Highway Commission has ascertained and set forth in the proposal the wage rates, for each craft or type of workman or mechanic needed to execute the work on the above named project, now prevailing in the locality in which the work is to be performed, and the Contractor shall pay not less than these wage rates as shown in the proposal for each craft or type of laborer, workman, or mechanic employed on this project.

Legal holiday work shall be paid for at the regular governing rates.

Plans and specifications available at the office of James G. Lott District Engineer, Amarillo, Texas, and Texas Highway Department, Austin, Usual rights reserved.

Make a Date with a "Rocket 8"!

"OO"

Oldsmobile's "Rocket" ride—most thrilling ride you ever tried!

Drive the new "Rocket" Engine "88"—for a Futuramic thrill you'll find in no other car! Those are big words—but your Oldsmobile dealer can back them up—with an "88" demonstration! He wants you to find out for yourself the famous thrill of "Rocket" action. He wants you to feel the swift surge of "Rocket" power... smoothed to a silken flow by Whirlaway Hydramatic*. And he knows that a demonstration is the only way he can really acquaint you with the "88's" personality... the special handling ease, the spirited eagerness that have made this Oldsmobile the talk of motorists everywhere. So make a date with a "Rocket 8." Once you do—you won't be happy until you have your own Futuramic "88"—especially at today's lower prices!

*Whirlaway Hydramatic Drive, at reduced price, now optional on all Oldsmobile models.

OLD PATHS
By
DOYLE WILLIAMS
Minister
Church
of Christ

The New Testament Church is a called together group of people who have been called together by

the Lord, and are to be governed by His Law—the Gospel of Christ. Any group of people who have been called together may be referred to as a church; but they are not the Church of our Lord unless they have been called together by him, and are being governed in all of their work and worship by his law, which law is the Gospel of Christ, and recorded in the New Testament for our guidance.

In answer to Peter's question that Jesus is the Christ, our Lord told his disciples that he would build his Church; and that the

gates of Hell would not prevail against it—would not exceed it in power—would not prevent him from building it. Mtt. 16: 18.

When this was spoken by Jesus, the building of the Church was in the future—it had not yet been built, for he said, "I will build." In order to be the Church of the New Testament, it is not enough that the group be called together by Christ's law in the New Testament; but the group must be governed in all of its work and worship by what the New Testament teaches—they must not have in their work, worship, and services

to God any thing that the Gospel of Christ does not authorize. To do so, would be to be governed by something different from that which the Lord has given to govern His Church. Sufficient information for both the worship and the government of the Church of our Lord is found in the Gospel of Christ which is recorded in the New Testament.

To be governed by something different from the New Testament is to be a church different from the one built by our Lord—it is to be a church different from the New Testament Church. How could it be the New Testament Church when it is being governed by something different from the New Testament itself?

The New Testament contains all the information "that pertaineth unto life and Godliness, through the knowledge of him that hath called us to glory and virtue." Thus, to be governed by something different from that which we find in the New Testament, is to admit that the Lord did not understand how to arrange for the government of His Church; and that man can do a better job of it than the Lord did. Paul said, "But though we, or an angel from heaven, preach any other gospel, unto you than that which we have preached unto you, let him be accursed." Gal. 1:8.

What are forest values? A logger sees the forest as a source of jobs; the banker eyes timberland in terms of investment; a fisherman thinks of angling in clear forest streams; a water engineer appraises forests for the part they play in flood control. Forests have all these values and many more.

Concentration of population in urban centers and the shortening of the work week has intensified the need for easily accessible recreational areas.

Big-Smart-Impressive!

The Chieftain De Luxe Four-Door Sedan

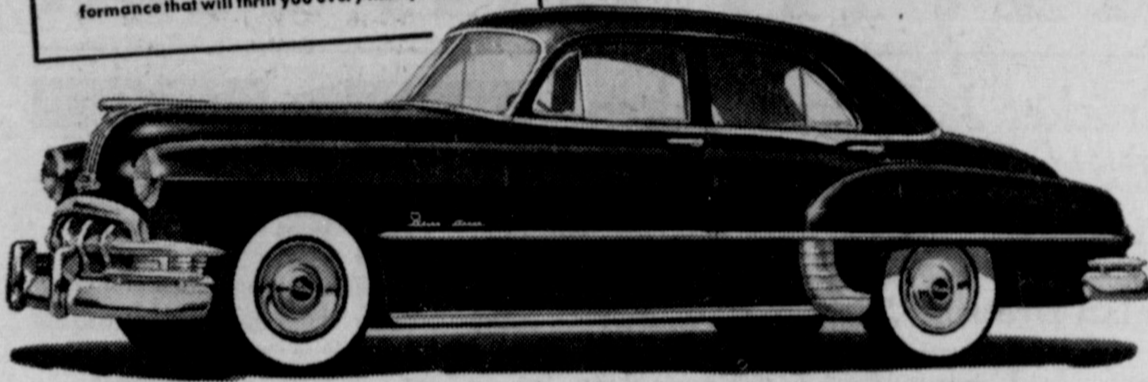

MOST POPULAR PONTIAC OF THEM ALL!

The beautiful Chieftain De Luxe Four-Door Sedan . . . A big, luxurious car with loads of room for solid comfort . . . Wide, comfortable seats with restfully contoured cushions . . . Arm rests and quality floor coverings . . . Wide, easy-access doors with child-proof locks . . . Luggage space galore in a trunk with counter-balanced, self-locking lid . . . Super-safe, super-strong all steel bodies by Fisher . . . And performance that will thrill you every time you drive!

This is the most popular model of a most popular car—the wonderful new 1950 Pontiac. It's certainly easy to see why—it's a big, beautiful, impressive automobile.

The basic virtues of this fine car are yours in any Pontiac you choose—a Straight Eight or a Six, a Chieftain or a Streamliner, a Sedan or a Coupe. Every Pontiac is a thoroughly good car, a wonderful performer built to deliver years of economical service.

Dollar for dollar, you can't beat a Pontiac!

"I smile on rainy washdays"

The lady is referring to another convenience made possible by her natural gas service . . . the new, economical, gas appliance that dries clothes indoors. This is but one of the long list of household tasks which are simplified or accomplished entirely by natural gas. No other fuel performs with such speed, cleanliness, efficiency, or at such low cost.

Natural Gas Service Is Dependable

Dependable natural gas service doesn't just happen . . . it is the result of round-the-clock diligence and careful planning. Experienced gas company crews are on duty day and night to insure an uninterrupted supply of the world's finest fuel to hundreds of Gulf South communities.

UNITED GAS SERVING THE *Gulf South*

Veterans' News

Questions and Answers

Q—I am an honorably discharged World War II veteran. Are VA education or training benefits available to me if I go to a private teacher who will prepare me to enter college?

A—If you are training under Public Law 16 because of a service-incurred disability, you may have a private tutor if one is prescribed for you by VA vocational guidance counselors. No private tutor is available to you under the GI Bill which stipulates that a veteran must attend a State-approved school or training establishment to receive VA benefits.

Q—Will VA guarantee my loan for the purchase of residential property containing more than one family unit? I am a World

War II veteran.

A—Yes, but the total number of separate units in the apartment cannot be more than four if you are the only buyer. If other veterans are joining with you in the purchase, then one additional unit may be added to the above-mentioned four for each veteran participating in the purchase.

Q—Where does Veterans Administration conduct medical examinations for rating purposes?

A—Examination for rating purposes are made whenever possible in regional and sub-regional offices. If more convenient, they may be made in VA hospitals or by VA designated private physicians.

Q—Have I any recourse to civil courts if I do not like the decision of Veterans Administration on my claim for disability compensation?

A—No. The law specifically provides that the decision of the Administrator of Veterans Affairs in such matters is final and conclusive.

CANCER CONTROL MONTH NOW UNDERWAY IN TEXAS

COLLEGE STATION—Cancer Control Month in Texas opened last week as the American Cancer Society began its statewide Cancer Crusade.

Gibb Gilchrist, chancellor of the Texas A&M College System and state Crusade chairman, said that county units throughout the state are beginning their annual campaign for two purposes.

"First," he said, "They strive to tell every Texan the true facts about cancer—that cancer must be discovered and treated in time if it is to be curbed, and that cancer often gives warning signs which, if heeded, may save a person's life."

"Second, cancer control volunteers are accepting contributions with which to carry on cancer research, public education and service throughout the state."

Large areas of shin oaks on the plains and rolling hills of West Texas are called "pigmy forests".
