GOODNIGHT HOMEMAKERS' CLUB

The Goodnight Homemakers' Club met at the community center on Thursday afternoon, May 12th, with eight members present. After the business meeting, the president, Mrs. Don Harlan turned the meeting over to Mrs. W. M. Crain, program chairman for the afternoon. Mrs. Crain opened the Mothers' Day program by giving the origin of Mothers' Day. Mrs. Ed Airington gave the story, "Cornelia's Jewel", followed by the group singing "My Mother's Bible". Two Mother's Day poems were given by Mrs. J. D. Mansfield; Mothers' Day quotations, by Miss Mary Miller; "Mothers' Day", by Mrs. Don Harlan; "Tribute to Mother", by Mrs. Clyde Hudson; and "The Two Mothers" by Mrs. W. M. Crain.

The hostesses for the afternoon, Mrs. Myrtle Reed, Mrs. W. M. Crain, and Mrs. G. A. Blankenship, served cake and punch.

Mrs. Steve Donald, who prepared the program for the meeting, was unable to attend.

LILLY LARSEN TO PRESENT JANICE SMITH IN RECITAL

Lilly Larsen is presenting Janice Smith in a very exacting piano recital, Sunday afternoon, May 29 at 4 o'clock in the College Auditorium.

Assisting will be Billie Jean Stroehle, soprano. Both are young artist pupils of Lilly Larsen. The public is invited.

MIDWAY CLUB

This Club met with Marjouria Hensley as hostess May 17th and had a nice attendance. Fifteen members and four visitors were present. Those present were Beth Bennett, Eula Butler, Lillie Carmichael, Bobbie Dishman, Lucille Eanes, Loyd Hillis, Ellen Moreland, Ida Pickering, Allie Quantlebaum, Josie Simmons, Eddie Williams, Leona Scott, Katie Bell Wells; so good to have her with us again, and the hostess. Our visitors were Donna and Gary Bennett, Mesdames Frank Hardin and W. L. Jordan; nice having them. Two quilts were finished.

In the afternoon Clara Hodge demonstrated her Tupperware and each one present had the privilege of buying the pieces needed. Our thanks to you Mrs. Hodge.

Next meeting which will be the last for the summer will be held with Ida Pickering June 7th. Will be pollyanna day—so don't forget.

—Reporter.

H. D. CLUB

The Senior Home Demonstration Club met Friday afternoon, May 20, in the home of Mrs. G. L. Green. In the absence of the president, the vice-president, Mrs. Clyde Butler presided over the business session.

Mrs. Lena Antrobus read Club Collect to the group. Roll call was answered with reports on the May Baskets sent the shut-ins and sick.

Refreshments of sandwiches, olives, tea and coffee were served to two visitors: Mrs. D. F. Wadsworth and Mrs. A. L. Chase; and to members Mesdames Bertha Benson, Clyde Butler, William Payne, Ella McDowell, Virgil Poole, M. C. Rampy, Lena Antrobus, and O. C. Watson by the hostess, Mrs. G. L. Green.

—Reporter.

Diana Roberts, Defense Savings Bonds Queen for the current Texas "Full Speed Ahead" Savings Bonds campaign during May 22-28, breaks through Treasury posters to ask all Texans to purchase Defense Savings Bonds during the drive. Diana, who is 23 years of age, has been directing for over five years customers and depositors of Dallas' Texas Bank and Trust Co., to purchase Savings Bonds. Diana would like to see Texans everywhere sign up for payroll savings or purchase bonds regularly at their local banks during the "Full Speed Ahead" week. Treasury volunteers hope to double the number of payroll savers and Defense Savings Bond purchases.

GARDEN CLUB HOLDS MORNING COFFEE

A morning coffee for members of the Garden Club was held at Patching Club House Thursday, May 19, with Mrs. Joe McMurtry hostess.

Guests arrived wearing hats of their own creation. The hats were in varied styles and were both pretty and unique.

Refreshments of crispy cinnamon rolls, pimiento cheese slices, nuts and coffee were served from an attractively laid table covered with a linen cloth and centered with a bouquet of asters. Mrs. Jim McMurtry presided at the coffee service.

Due to the dampness of the weather, the plans for the pil-

GRIMAGE TO THE YARDS

grimage to the yards over town was abandoned temporarily. Members held a round table discussion on the culture of flowers and many new ideas were brought out. Mrs. Lena Antrobus gave a clever reading of a poem she composed concerning a foolish bonnet.

Attending were one visitor, Mrs. C. E. Bairfield, and members Mesdames C. D. McDowell, Lee Holland, John Goldston, M. C. Rampy, Lena Antrobus, O. C. Watson, H. T. Warner, John Head, Jim McMurtry, Frank Phelan, Sr., Walter Taylor, Joe Goldston, and the hostess, Mrs. Joe McMurtry.

—Reporter.

HONORED ON BIRTHDAY

Mrs. A. L. Thornberry was honored on her 77th birthday, Friday, May 20th when a number of friends and relatives came down from Claude surprising Mrs. Thornberry and bringing covered dishes. They met at the home of Mr. and Mrs. W. C. Thornberry.

Those enjoying the happy occasion were Mr. and Mrs. Arthur Stephenson, Mr. and Mrs. Roy Stephenson and three girls from Fairview Community; Mr. and Mrs. Willie Stephenson, Mr. and Mrs. Charles Culver, Mr. and Mrs. Fred Stephenson of Claude; Mr. and Mrs. Ashby Osborn and wife of Amarillo; Mrs. Edith Reed and daughter Vera and her little girl of Borger; Mr. and Mrs. M. W. Thornberry of Clarendon.

RUBINSTEIN CLUB

The Rubinstein Club met in the Lilly Larsen Studio Wednesday afternoon, May 18. Bill Todd presided in the absence of the president, Janice Christal. Beth Gillham led in the reading of Club Collect.

After business was taken care of, Beth directed the program which followed. The theme was "Latin-American Music." Each member contributed to the program. Miss Larsen showed books and pictures of Latin-American composers which proved interesting to everyone. She also told many interesting experiences which she enjoyed on a trip to Cuba.

After the program, Mrs. Charles Blackburn served decorated Angel food cake and lemonade.

—Reporter.

MARTIN QUILTING CLUB

The Martin Quilting Club met May 19, at the school house with Dorothy Sullivan. One quilt was finished. A lovely fried chicken luncheon was served to six members, one visitor and three children.

Those present were Blanche Higgins, Eunice Land, Melba Risley, Margaret Waldrop, Glenn Harmonson; visitor, Lizzie Morrow; Jim Risley, Beth Waldrop, David Harmonson, and the hostess, Dorothy Sullivan.

—Reporter.

LAFF OF THE WEEK

"I'm still getting good results from my Dewey button—What bait are you using?"

GOLDSTON QUILTING CLUB

The Club met May 19th with Gertrude Reid. One quilt was finished.

Those present were Ola McBrayer, Patsy Reid, Tootsie Jackson, Bertha Reid, Geraldine Jackson; and visitors Ola Bradshaw and Mrs. H. M. Reid and hostess, Gertrude Reid.

The club will meet next on Thursday, May 26th with Patsy Reid.

Everyone enjoyed a nice time and the refreshments.

—Reporter.

CARD OF THANKS

We wish to thank our friends for your many acts of kindness, sympathy and beautiful floral offering in the death of our loved one. May God's richest blessings be with each of you always.

Mrs. A. B. Johnson and Family.

Mr. and Mrs. Lee Shelley and boys of Lubbock and Mr. and Mrs. Ben Chamberlain and girls of Claude spent the week end with their parents, Mr. and Mrs. John Rhodes and other relatives. Also visiting in the Rhodes' home are Mr. and Mrs. Forrest Adamson and Vickie of Long Beach, Calif.

READY—AND ABLE!—Private First Class James W. Lord of Corsicana, Tex., left, and Private First Class George W. Eames of Baton Rouge, La., report their radar control ready to "go on the air" during the annual practice shoot for Nike battalions at Red Canyon Range Camp, N.M. The guided missile battalion being put through its paces is the 36th, which guards the important Washington-Baltimore area against possible enemy air attack, first unit to complete the practice run.

THE LION'S TALE

By Carl Allmond

The Clarendon Lions Club has been doing "big things" all year. One of the biggest events yet, will be a barbecue for the district, June 7th. Over 12 hundred tickets have been mailed out. Reports are coming in with such gratifying results, that were it not for Flip Breedlove (who knows how to handle large crowds), the thing could get out of hand.

Clubs reporting their intention of coming are: Amarillo, Hereford, Stratford, McLean, Hedley, Memphis, and Childress. McCully says 150 cars will be coming from Amarillo. Weather permitting, the chances are we will have about 500 Lions roaring for beef and beans, Tuesday evening, 7 o'clock, June 7th, at the Country Club. Anyone wishing to share the Lions hospitality may do so by purchasing tickets from Mike McCully. Tickets are \$1.50 for adults, and \$1.00 for students and children.

After the barbecue, a dance will be held at the American Legion Hall, with Eddie Armstrong's Band of Amarillo, playing. Those purchasing barbecue tickets will be admitted free.

All we know concerning the hospital is, the City has graded the street leading to the front entrance. Also an inspector from the State Board of Health was here last week. His purpose in coming was to determine the possibilities of our qualifying for Federal Aid. It will be another two or three weeks before we receive his reports, but do not lose faith; the chances of opening the hospital are favorable.

The College quartet was presented to give our program. Misses Sonja Atkinson, Shirley Bulman, Jane Mosley, and Ruby Mann sang several numbers, and were accompanied by Marilyn Hill. Shirley Bulman expressed their appreciation to the club for their trip to Lions District Convention at Lubbock. These girls did a good job for Clarendon, and McCully thanked them for their efforts. Billy McDowell gave us a skit on the troubles of a Scotchman in America.

Visitors were: Wes Knorpp, Bill Porter, and Connie Williams, Clarendon; L. J. Strait, and C. E. Johnson of Amarillo.

SOCIAL SECURITY NEWS

If you have been totally disabled for more than six months or become totally disabled in the future, and have engaged in Social Security covered work for a substantial period of time, you should apply for a "freeze" to protect your benefit rights.

This part of the Federal Social Security Law protects your insurance rights while you are totally disabled. It does not provide cash disability payments. Your earnings record may be "frozen" if:

- (1) You have a disability which has lasted more than 6 months, is expected to continue indefinitely, and keeps you from doing any substantially gainful activity.
- (2) You worked in a job covered by the social security law for 5 of the last 10 years before you were disabled, of which 1½ were during the last 3 years before you were disabled.

An application made by a disabled person can establish a period of disability as far back as the total disability actually began (but not earlier than October 1941), providing the disability still exists. After June 30, 1957, the application can go back for only one year.

If you are already receiving old-age payments, but you were totally disabled for an extended period before reaching 65, and are still disabled, your benefit may be refigured to see whether the new disability provisions would increase your benefit amount. No benefits can be increased under these provisions before July 1955.

Inquiries regarding filing or for further information should be sent to the Social Security District Office, Amarillo, Texas.

Mrs. Jerry LaGrone and daughter of Amarillo is visiting a few days this week with her parents, Mr. and Mrs. A. J. Emmons.

Have Your Car Safety Checked At Regular Intervals

"Today's inspection is tomorrow's protection!"

In these words, Mr. E. C. McFadden of Dallas, Vice-President, Employers' Casualty company and President, Texas Safety Association, Inc. summed up the thinking behind the vehicle safety check program which is recommended by the Texas Safety Association, Department of Public Safety and National Safety Council.

The purpose of this program is to convince every driver in the community that it is extremely important to have his car safety checked periodically," Mr. McFadden said.

He warned that brakes that don't take hold at a critical moment, a tire that blows out as you're rounding a difficult curve, or windshield wipers that don't function properly in a sudden downpour can cause a serious accident.

"The only way you can be sure your car is in safe operating condition," Mr. McFadden said, "is to have it safety checked at regular intervals."

Such checks, he said, should include the 10 items recommended in the vehicle safety check program. They are: brakes, headlights, rear and stop lights, tires,

wheel alignment, exhaust system and mufflers, windshield wipers, glass, horn and rear-view mirror. "The most skilled driver in the world can't drive safely in a unsafe car," Mr. McFadden said. He urged all Texas drivers to take no chances, but to have their cars checked as often as necessary.

Mrs. Linda Buck, David and Lee of Bay City will arrive Thursday, today, to visit about ten days in the home of Mr. and Mrs. A. J. Emmons.

Mrs. Lloyd Risley and children will leave Thursday, today, for El Paso where they will visit with her parents, Mr. and Mrs. V. V. Johnston.

Visitors with Mrs. Ida Couch Sunday were her daughter, Mrs. Guy Andis, Mrs. Bob Andis, Bobby Lee and Linda Kay.

Mr. and Mrs. Jim Warren from Clarendon visited Mrs. C. J. Talley Sunday afternoon.

Mr. and Mrs. D. L. Brinkley and Eddie visited in Amarillo and other points Sunday.

Mr. and Mrs. Geo. Bulman visited in the Morrow home Sunday night.

Mr. Lee Wood visited Miss Della Wood Monday eve.

Lawn Parties Need Not Be Bothered With Chiggers

Chiggers can deal a lot of misery. Although it wouldn't be practical to control the pests all summer, H. M. Breedlove, County Agent says that 50 to 75 cents worth of toxaphene or chlordane will kill the red bugs on the average home lawn for about seven days.

Such a scheme is suggested to anyone planning an occasional picnic, party or other out-of-doors activity. Or apply the insecticides to areas where the family sits or plays in the yard.

One pound of five percent dust of either of the insecticides applied to 1,000 square feet of lawn area is recommended by the Texas Agricultural Extension Service. The dusts are available from most feed, drug and grocery stores.

Sulfur has long been a popular chigger killer but toxaphene and chlordane are more effective, says Breedlove.

Miss Patsy Emmons and Joe Taylor of Lubbock were weekend guests in the A. J. Emmons home.

Mr. and Mrs. W. E. Emmons have returned home after visiting relatives at Decatur and Bonham.

TUBELESS
DOUBLE EAGLE
by
GOODYEAR

The world's finest auto tire with all the sensational advantages of tubeless construction.

- BETTER BLOWOUT PROTECTION
- BETTER PUNCTURE PROTECTION
- MIRACLE STRENGTH AND DURABILITY
- MAXIMUM SAFETY—EXCLUSIVE RESIST-A-SKID TREAD DESIGN
- EXTRA MILEAGE

Get yours now on our "NO LOSS" TRADE-IN PLAN!

NOW regardless of the condition of your present tires we'll allow you their full value when traded on Tubeless Double Eagles.

You'll enjoy the ultimate in beauty, comfort and safety from this wonderful new tire. Miracle strength and durability from its triple tempered 3-T All-Nylon Cord plus Goodyear's exclusive Grip-Seal construction. And this great new Tubeless Double Eagle has the new "Velvet Ride" — floats right over road bumps. "Safety Silencers" practically eliminate annoying "squeal" on turns. Extra safe Resist-a-Skid tread grips at all angles of skid. Deeper non-skid tread gives up to 42% more safe mileage.

Your old tires may make the down payment.

MYSTERY FARM NO. 3—This farm home was identified by sixty persons last week as the Richard Cannon Dairy Farm located 1 1/2 miles northwest of Martin. Mrs. Cannon came in and made positive identification and received the free glossy picture of the place.
Mr. and Mrs. Cannon moved to this place in 1934 and purchased the farm 5 years ago from Mrs. J. A. Pool. This farm contains 160 acres of which 100 acres is irrigated. The Cannons farm additional land also. They operate a Dairy farm and raise feed and alfalfa as their principal crop. Since the purchase of the place they have built two three room homes with baths, a large chicken house, feed barn and made numerous other improvements. They put down a six inch irrigation well three years ago. The place is known as Cannon's Dairy Farm. Mr. Cannon's favorite crop is sorghum.
Richard Cannon and Miss Minnie Pool were married in 1921. Donley County Leader, \$2.50 year

(Cut courtesy of Vocational Agriculture Teachers Ass'n of Texas)

The Clarendon Future Farmer team won sixth place in the Dairy Products division at the annual Future Farmers of America contest at Texas A&M College Saturday, May 14th. Members of the team were John Payne, Doyle Hall and Donald Miller. The team was under the direction of T. H. Seay, teacher of Vocational Agriculture in the Clarendon High School. Pictured with the boys is J. R. Gillham, teacher of Vocational Agriculture in the Lelia Lake High School.

Non-laying Hens Are Expensive Boarders Says County Agent

A hen that lays 250 eggs a year eats only 25 to 26 pounds of feed more than one that doesn't lay an egg. That's evidence enough why producers can't afford to feed a non-producer, says H. M. Breedlove, County Agent. A four pound non-laying hen will eat about 56 pounds of feed a year, while the same bird that lays 250 eggs yearly will consume about 81 pounds. Feed costs make up 60 per cent or more of the total cost of producing eggs, says Breedlove. By culling closely, producers can cut feed costs per dozen eggs and

help maintain their profits, he adds. Go along the roost at night with a flashlight and check the health signs of hens in production. Look for enlarged combs and wattles with a bright red color. They feel soft and waxy. The hen's abdomen should be enlarged, but still soft and pliable. And, her pubic bones should be wide apart, with the vent, loose, moist and dilated. A good layer has loose, soft and pliable skin. If a bird fails to meet these standards, put her in a crate and examine her again in the daylight. If she doesn't pass the test, cull her.

FARM NEWS

from the County ASC Committee

REPORT PERFORMANCE ON WIND EROSION PRACTICE—F-4

We wish to remind all farmers who signed up for the Special Wind Erosion Practice, that June 1st, is the final date the county committee set for reporting performance. Therefore, all approval forms for this practice that are not returned to the county ASC office by the above date will be cancelled and NO PAYMENT CAN BE MADE. Payments for this practice will be made as soon as application can be submitted to the State Office.

1956 WHEAT REFERENDUM

The Secretary of Agriculture on May 13, proclaimed a National Wheat Marketing Quota for the 1956 wheat crop as required by law. A national referendum among wheat growers on whether or not quotas will be in effect for the 1956 crop, will be held on June 25, 1955.

If more than 2/3 of the wheat growers in the United States vote in favor of marketing quotas, the program will become effective. If more than 1/2 of those voting in the referendum disapprove Marketing Quotas, then the program will not become effective.

WHEAT ALLOTMENTS FOR 1956

The wheat allotments for the 1956 crop-year will be determined and notices mailed out to all regular wheat growers in the near future.

Producers on farms that have not had wheat planted in any of the past three years, 1953, 1954 or 1955, will not be eligible for an "old wheat grower allotment."

ATTEND GRADUATION EXERCISES

Mr. and Mrs. A. J. Hicks and Pamela, also Mr. and Mrs. J. I. Spurgeon attended graduation exercises at Canyon Sunday evening. Mr. Hicks' nephew and namesake, Alvin Floyd Hicks of Amarillo, is a member of the West Texas State College graduating class.

Mrs. C. C. Tims Enjoys Family Gathering

Mrs. C. C. Tims entertained relatives and friends in her home in East Hedley, Sunday, May 22 with a buffet dinner. Among the visitors were two brothers and one sister whom she hadn't seen in 18 years; also her own children, grandchildren and great-grandchildren.

Those to enjoy the occasion were Mr. and Mrs. Willie Tew, Mr. and Mrs. Leon Miller, Mr. Alfred Tew, all from Alabama; Mr. and Mrs. L. C. Tims and Clyde, Mr. and Mrs. Dan Tims, Friona; Mr. and Mrs. W. G. Tims and Nelda, Lockney; Gilbert Tims and Dan, Kress; Mr. and Mrs. Odell Osburn, Brenda and Judy, Clarendon; Mr. and Mrs. Johnnie Gibson, Lonnie, Tommie and Denny, Kress; John Tims, Hedley; Mr. and Mrs. La Rue Hughes, Kenny and Davy, Kress; Mr. and Mrs. Alfred Tims, Howard, Kathy and Gary, Chickasha, Okla.; Mr. and Mrs. Weldon Tims and Beverly Faye, Muleshoe; Mr. and Mrs. Othel Elliott, Otha Dean and Welma, Mr. and Mrs. Pat Myers, Clarendon.

Leon Foster, Hedley; Luie Foster and Danny Ray Cearley, Clarendon; Mrs. W. P. Doherty and Jack Donald, Mrs. W. B. Morgan, Mrs. Lela Moffett, Hedley; Mr. and Mrs. Orion Stout, Paula and Brenda, Fritch; Mrs. Pauline Cearley, Wanda Elliott, Ann Elliott and W. T. Elliott, Clarendon.

Visiting Sunday evening with Mrs. Maurine Lackey and Mrs. L. H. Mullens were Mrs. Jack Lackey and Miss Ruby Bain of Fort Worth, Mr. and Mrs. Claud Bain and family of Amarillo, and Mr. and Mrs. Bernard Adamson of Hedley.

Mrs. Maurine Lackey and her mother, Mrs. L. H. Mullens have returned to Clarendon for the summer. Mrs. Lackey teaches in the public schools at Post, Texas.

Mrs. Duane Hearn of Hutchinson, Kansas is visiting here this week with her parents, Rev. and Mrs. Ernest Phillips, and Mr. and Mrs. C. C. Hearn. Duane will come for a visit this week end.

Sixty Identify Mystery Farm Number 3

There were sixty persons who correctly identified the Leader Mystery Farm of the Air No. 3 last week. R. R. Dingler drew out for the free subscription; C. R. Briggs drew out for the two free movie tickets to the Mulkey Theatre; Mrs. Raymond Waldrop, Mrs. Carl Barker and Dennis Bradshaw drew out for one free movie ticket each.

Others to correctly identify the mystery farm were: Mrs. Frank Hommel, Mrs. Dick Allen, Jack Eddings, Mrs. W. B. Armstrong, Mrs. E. P. Hahn, Kathleen Yankee, Mrs. Frank Lyle, Patsy Reid, Mrs. Virgil Siddle, Mrs. L. L. Wood, Mrs. W. L. Jordan, Joanne Sibley, Mrs. George Bulman, F. A. Fitzgerald, Mrs. Bill Land, Mrs. Walter Hutchins, Kenneth Morrow, Mrs. Sam Owens, H. T. Bradshaw, Dick Shelton, Edwin Baley, H. T. Warner, J. E. Kidd, Bill Gerner, W. E. Gregory, Mrs. Kenneth Morrow, Mrs. H. S. Mahaffey, Bobby Head, Nora Jackson, Mrs. W. H. Morrow, Junior Davis, Mrs. Hulda Wilson, Gene Bulman, Sayle Dozier, Mrs. Charles Deyhle, Jimmie Graham, Neal Bogard, Mrs. M. L. Putman, Hazel Guy, P. C. Messer, Billy Goodman, Eula Chunn, Ray Stewart, Mrs. Ed Hodges, T. A. Nelson, W. D. Higgins, Mrs. M. W. Hatley, Mrs. R. C. Hill, J. B. Lane, D. G. Ballew, Mary Neal Risley, Mrs. Willard Marshall, Carmen Rhode, Mary Lynn Briggs, and Mrs. Frank Reid.

Mr. and Mrs. John Rhodes and Mr. and Mrs. Forrest Adamson and Vickie of Long Beach, Calif. visited Tuesday with Mr. Rhodes' brother, Howard Rhodes and family at Tell, Texas.

Mrs. Winnie Wester went to Denton Wednesday to return her daughter, Jeanette Stogner, home for the summer. Jeanette has attended TSCW in Denton the past year.

Mrs. J. H. Easterling underwent major surgery in St. Mary's hospital in Lubbock several days ago. She is reported to be improving nicely at this time.

(Cut courtesy of Vocational Agriculture Teachers Ass'n of Texas)

The Lelia Lake Future Farmer team won fifth place in the Dairy Products division at the annual Future Farmers of America contest at Texas A&M College Saturday, May 14th. Members of the team were Roddy Seago, Don Rumpy and L. B. Phelan. The team was under the direction of J. R. Gillham, teacher of Vocational Agriculture in the Lelia Lake High School.

FIRE NOTICE!

An extensive effort is being made by the local Volunteer Fire Department to acquaint local residents with the greatest problem confronting the firemen when an alarm is sounded. That problem is "Parking and Crowding Around Where a Fire is in Progress."

Local firemen are asking all the curious, thrill seekers and those actually interested, to park their automobiles at least two (2) blocks away from a fire and leave all streets and intersections clear in the fire area. Upon numerous occasions in the past, firemen have been unable to string hose or have been delayed due to the public gathering in too close. In

addition to the possible loss of time, you or a fireman may be injured on account of this one thing. Firemen are expected to put out a fire and just as quickly as possible—and with your cooperation they certainly can do a better job. There are laws governing parking to a fire, parking in a fire area, etc. Local officers will be cooperating to see that the above request is observed. The firemen don't want anyone fined - - all they want is your cooperation so they will have a chance to protect the property of the citizens of Clarendon and do the best job they can.

Olen W. Sneed who is in the Veterans Hospital in Amarillo, is reported as doing fairly well.

Is it necessary? Will it be harmful to anyone? Would it be better unsaid? —:—
 Someone has said; "The only Bible your neighbor reads may be you."
 —:—
 "The worst trouble with the younger generation is that most of us don't belong to it anymore."
 —:—
 Our hat is off again this year to the community of Fairview. For the very wonderful success that these fine folks have made in

Rural Neighborhood Improvement Contest. Winners for two years in a row is something to really write home about. Last year winning the district and coming out sixth in the state. This year winning again in the district and at the time we turned this copy in it looked like either on top or right up there close in the state; wish we knew for sure.
 —:—
 But the prize money is not the real pay-off. The real thing has been the making of a better community. More folks are going to church and Sunday School. More people are voting in the school elections. People are making repairs on their homes and learning new ideas through cooperation with each other. The other day when the judges were looking the situation over and the photographers were snapping pictures here and there one of the neighbors, Forrest Bennett, just about hit on the right expression when he said;
 "The real thing here can't be made into a picture. The real thing is the spirit of working to-

gether as neighbors and friends." And he is right. We would surely go all out in recommending a program such as this for any community that has the courage to get behind it. It has worked wonders for Fairview."
 —:—
 "Someone has said; "If you can't think of any other way to flatter a man just tell him that he is the kind of a fellow who can't be flattered."
 —:—
 The next generation can say; "My, my, those biscuits are delicious; they are just like the ones mother used to pop out of a can."
 —:—
 There is not another thing like a good rain to put smiles on the faces of all the people. And rain we have had for the last week. Too late for the wheat but not too late. At least not too late to bring smiles to the faces of everyone.
 —:—
 Someone's prayer: "Lord, give me something to work at—Something to do; maybe just some knittin', Lord. But most of just

give me the common sense to tend to my own little knittin' and leave the other feller's alone."
 —:—
 Before this goes into the mails we are supposed to attend the annual convention of the United Peace Officers of America to be held this year at Boys Ranch. This is the second anniversary of this organization dedicated solely to the job of helping the ranch have a new school building. This time we are taking a young lad along with us for a visit who is to make his home there in the next few weeks. It takes a close-up look like this to see the real worth of the Ranch. Anyone wishing to help by being a member or an honorary member of this group can do so by just a donation of one dollar or more. We will mail it in for you if you wish and get you a membership card. Anyone wanting to help is eligible to become a member.

runoff water. This terrace will intercept the runoff water from adjacent land and carry it on a safe grade to a pasture on the east side of his farm.
 —:—
 District cooperators who plan to plant some of their diverted acres to Guar are as follows: Gene Martin, Cap Anderson, Cap Morris, Elmer Dishman, Edwin Eanes, J. N. Weaver, Graham Brinson, Tige Hill, and J. K. Skaggs.
 —:—
 "Wisdom, Justice, Moderation," is the motto of the state of Georgia.

THE 1954 TEXAS TRAFFIC SCORE
 Texas Dept. of Public Safety
 AUSTIN—Pedestrian fatalities in Texas traffic dropped from 380 in 1953 to 345 in 1954, a 9.2% reduction. 153 pedestrians were killed on rural roads and 192 were killed on city streets. In 1953 there were 179 rural pedestrian deaths and 201 pedestrian deaths in cities.

DONLEY COUNTY SOIL CONSERVATION DISTRICT NEWS

Clyde Slavin reports that his cattle prefer Sand Lovegrass to Johnson grass. This observation was made recently by Slavin, owner and operator of a 1600 acre ranch 5 miles northwest of Hedley.
 A few weeks ago Slavin turned his cattle into a field of young and succulent Johnson grass; however, the cattle watered in an adjoining field of seeded Sand Lovegrass. The cattle grazed the Sand Lovegrass almost exclusively and finally he had to remove them from the field to prevent overgrazing the Lovegrass.
 A cooperator with the Donley Soil Conservation District for a number of years, Slavin has seeded about 500 acres of cropland back to grass, most of which has been Sand Lovegrass. He planted about 200 acres of this grass this spring.
 Technicians of the Soil Conservation Service recently staked an erosion control dam on the Frank Hermesmeier ranch. Hermesmeier is a District cooperator of the Donley Soil Conservation District, living southeast of Jericho. The contractor on this job is H. T. Warner.
 An erosion control dam has just recently been completed on the Allen Bryan ranch 7 miles southeast of Lelia Lake. This dam was contracted by Grady Tyler.
 J. W. Sullivan, whose place is 3 miles west of Clarendon, has requested engineering assistance from the District in staking a diversion terrace on his place to protect his land from erosion by

DON'T BE A HURRY BUG!

SLOW DOWN and LIVE!

An Appeal for 101 Days of Safe Driving

During the summer months—from Memorial Day through Labor Day—highway traffic fatalities are high. So high that the Governors' Conference has endorsed a nation-wide safe driving program during the 101 days between the two holidays.

Only you, the motorist, can make this campaign a success . . . If you, and every other highway traveler, will resolve to drive at a safe speed, to follow the recommendations of Safety Associations for safe highway driving, literally hundreds of lives will be saved during this summer's travel. One of them may be your own.

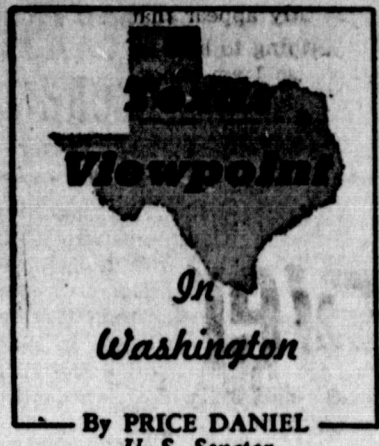

Wherever you drive this summer, PLEASE DRIVE SAFELY

- Safety Associations recommend that you follow these simple rules for a safe vacation trip:
- Observe all posted speed limits; don't hurry, ever.
 - Regulate the speed of your car to highway and traffic conditions.
 - Don't drive too long—stop when you're tired.
 - Observe all highway caution warnings—slow down for curves, when descending steep hills, etc.
 - Don't drink when driving.
 - Follow the golden rule of traffic courtesy: give other motorists the same consideration you'd like for them to give you.

May Benefit From Solar Energy

AUSTIN — Small towns and rural areas should benefit first from developments of solar energy apparatus, Dr. Farrington Daniels, one of the nation's foremost chemists, said in a public lecture at the University of Texas.

He spoke on "New Energy Resources: Atomic and Solar Energy." Devices which transform sunlight into electricity, heat or cold will require relatively large amounts of space — something rural areas have and more-populous areas don't have, Dr. Daniels pointed out.

The problem is to capture energy from the sun, concentrate it and store it, he explained. So far, that requires spreading some heat-absorbing substance — such as water or metal — over a considerable area. Plastics may provide a material cheap enough to make practical solar heaters, refrigerators, air coolers and batteries, Dr. Daniels said.

predicted. However, the U. S. can strike a powerful blow in the cold war with Communism by providing Asia with solar-energy devices as soon as possible.

Sales get BIGGER! and BIGGER! and BIGGER! This '55 Buick must have something that folks just won't do without!

TWO months ago, in the public print, we said that this looks like Buick's biggest year — and we weren't fooling. But what has happened — and continues to happen — is almost beyond belief. People buy up these stunning new Buicks practically as fast as we get them from the factory.

hundreds of thousands just won't do without? It's many things. It's styling that's boldly distinctive and fresh as tomorrow. It's beauty of line and beauty of interior décor. It's a ride that's level, firm and steady.

But above all, it's a new kind of performance, from a new kind of automatic transmission that was born of flight thinking. It's Variable Pitch Dynaflo* — engineered from the principle of the modern plane's switch-pitch propeller — and what it brings you in the way of pure thrill, mere words can't describe.

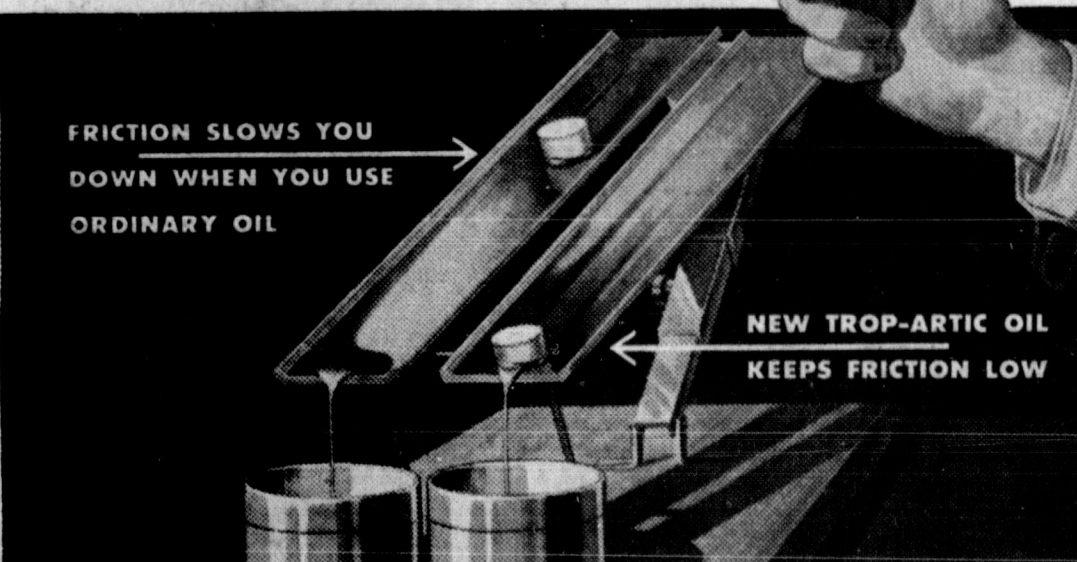

Just you drop in on us this very week and try it. That way you can see what a terrific automobile — and a terrific buy — the hottest-selling Buick of all time really is.

COOL COMFORT FOR HOT WEATHER DRIVING WITH Buick's Airconditioner (A genuine Frigidaire) Automatically cools down the hot interior quickly — and keeps it cool, even in slow-moving traffic.

*Dynaflo Drive is standard on Roadmaster, optional at extra cost on other Series. CAN YOU SEE + STEER + STOP SAFELY? CHECK YOUR CAR — CHECK ACCIDENTS

Less Friction with Trop-Artic Motor Oil!

In the experiment below, the slide on the left is coated with ordinary motor oil, while the one on the right is coated with TROP-ARTIC All-Weather Oil. When two steel blocks are dropped on the two slides at exactly the same time, the one on the right slips down nearly twice as fast as the one on the left.

IT'S PERFORMANCE THAT COUNTS!

New Phillips 66 TROP-ARTIC reduces friction far more effectively than any ordinary oil. By reducing friction, it extends gasoline mileage. And it can reduce wear, even to the extent of doubling the life of an engine.

In Service Stations, too IT'S PERFORMANCE THAT COUNTS! SEE YOUR PHILLIPS 66 DEALER!

Thrill of the year is Buick

WHEN BETTER AUTOMOBILES ARE BUILT BUICK WILL BUILD THEM

Enjoy cooled, filtered air for less than you think with Buick's AIRCONDITIONER It's a genuine Frigidaire

CHARLIE SEEDS BUICK COMPANY 212 Sully St. Clarendon, Texas

TO THE PEOPLE OF THE 18TH DISTRICT

By Congressman Walter Rogers

ANOTHER FIRST

My good friend Tom Steed, who ably represents the 4th Congressional District in Oklahoma, is serving on the Public Works Committee and recently represented this government and Congress in the opening of the Inter-American Highway between Nicaragua and Costa Rica. This was the first time that it has ever been possible to go from the Capital of Costa Rica to the Capital of Nicaragua on an all-weather highway. It is one of the important links in the Inter-American Highway which we all

hope will be completed in the not too distant future. Tom is a very loyal Oklahoman and never fails to heckle any of us Texans about everything from football to flapjacks if he thinks Oklahoma might be a little bit superior at that particular time. As soon as he returned from Central America and the dedication ceremonies, he looked me up and said, "Rogers, I've got to tell you this story even though it might hurt my pride." He then proceeded to relate to me the fabulous ceremonies attending the cutting of the ribbon and the opening of this important gap of highway; about the gathering of the natives from both countries and the high officials of the governments. He said that immediately after the ceremonies had concluded and the highway had been officially opened, everyone was waiting to see the first car to make use of the road. He said it was just a few minutes before a car hove into sight, and everyone was waiting to see where it was from. Tom's face then fell and he said, "I swore it couldn't happen, but it did. The license plate was TEXAS." He then laughed, because he is an excellent sport, and walked off mumbling to himself that no matter where you go, the first fellow you run into is a Texan, even in the wilds of the Central American jungles.

FEDERAL CONTROL OF GAS

As I pointed out in several

previous newsletters, we are engaged in a very serious and most difficult fight to prevent the Federal Government from regulating the production and gathering of gas and the price at the wellhead. We had extended committee hearings concerning this matter and heard from witnesses from every conceivable source. The public hearings were then concluded and we began consideration of the proposed legislation (several bills) in executive session. This means that the discussions are in confidence and are not to be divulged except through the Chairman by proper agreement. Immediately after our first executive meeting on the gas bills, the newspapers came up with a story purporting to be authentic as to what the committee had done. It was partially true and partially untrue, but created sufficient confusion to require a correct statement to be made by the Chairman. No one knows where the leak was in the first place, but it was a good example of how people can get misled. A story in a Washington paper concerning the matter stated in the headlines that the committee had decided upon certain federal controls of gas at the wellhead. This was not true at all, but it would very easily serve to confuse the average reader. It would actually indicate to some readers that some of the wild misrepresentations that have been published about gas producers were true and that federal control was necessary. This is a very dangerous practice. It is not fair to the reader, it is not fair to the sub-

ject, and it is not fair to the publisher. The simple truth is that the committee has not reached any conclusions on any of the issues involved and probably won't for several days. Wouldn't it be nice if the people could have the truth, the whole truth, and nothing but the truth on all of the issues, domestic and international? It would no doubt be a short cut to peace. But I guess there will always be the confusion created by innuendo, insinuation and misunderstanding.

CONGRESS

Congress moves into its cleaning up process before the closing days. The committees are all hard at work trying to get the legislation on the House Calendar within the next two weeks, knowing that unless it is brought before the House before the 10th of the 15th of June, it will have no chance of passing both Houses this session. This means that efforts will be made by many groups to have legislation helpful to them passed upon as speedily as possible. This will require added vigilance upon the part of the Members of Congress because history has shown that sometimes

questionable legislation slips through these busy hours. Each committee and subcommittee must carefully scrutinize the bills coming before it. We hope to adjourn by July 15th, but realize that it will probably be nearer to August 15th or September 1st.

It does not presently appear that there will be anything to hold us past August 15th, so I am choosing that as the adjournment date.

Midnights and Sidelights FROM YOUR State CAPITOL

By VERN SANFORD
Texas Press Association
AUSTIN — This may be the final week of the 1955 Legislative session.
Gov. Allan Shivers' guess for final adjournment, made two weeks ago, was May 25. It appears now that the Legislature may beat that date by a few days.
Overshadowing everything the past several weeks has been the

big tax bill. But it is reaching its final form. Only a long hassle in the House, over acceptance or rejection of Senate changes in the \$100,000,000 new-tax measure will cause further delay in adjournment.

Optimists thought final agreement might be reached by Friday on the tax bill. This would unblock the big billion and a half dollar, two-year appropriation bill on which conferees already have agreed. If and when that is done the Legislators will go home. They have been serving since May 10 without pay.
Final agreement on the constitutional amendment reviewing the veterans land program—passed in different form by the two

chambers—and on the \$100,000,000 bond issue to aid water districts—amended in the House to change the form of taxation—would round up major business.

Both branches virtually abandoned efforts to pass any more of the untouched calendar bills.

A final vote on Sen. George Parkhouse's "Port Arthur Strike Bill" in the House, early this week left it awaiting only Senate concurrence or conference action. The bill prohibits picketing to force an employer to recognize a union, or to force workers to join it, unless the union represents a majority of the employees. It authorizes a court to order an election to see if the union has the majority.

Already passed was Parkhouse's "Ford Motor Bill" to deny unemployment benefits to workers idled because of a strike of their union in some other plant of their employer.

Hanging fire in the House was the third of Parkhouse's labor bills, authorizing suits for injunctions and damages in picketing or strikes contravening the "Port Arthur bill."

Insurance Remedy
One of the major jobs that faced the legislature has been completed, says Lt. Gov. Ben Ramsey, by the passage of four insurance bills. This is what the measures do:

Plug up legal loopholes that permitted promoters in the last four years to sell \$100,000,000 in worthless insurance stocks.

Require fire and casualty insurance companies to have capital of at least \$150,000.

Require stock life companies to have \$100,000 capital and \$100,000 surplus and prohibit future organization of \$25,000 limited capital stock companies. Limit investment in home office buildings to one-third of a company's as-

sets.
Define the authority of the State Insurance Commission to act as a board and authorize it to make stricter and more frequent examination of insurance companies. Provide for the commission to review the management operations and financial plans of proposed new companies.

Shivers, Shepperd Talk
Governor Shivers and Atty. Gen. John Ben Shepperd appeared before the House investigating committee to talk about the veterans land problem.

Shivers remarked that he had been criticized because, as a member of the Veterans Land Board, he had not discovered any of the irregularities.

"Regular checking by the state auditor failed to uncover any wrongdoing," Shivers said, "and it is well known that irregularities were discovered outside the land board's records."

Both Shepperd and Shivers assured the committee that no change has been made or ordered in the minutes of the Veterans Land Board.

Where errors occurred, it was pointed out, the original minutes were rubber-stamped to show that corrections were made in the minutes of the April 27 meeting.

Land Bill Debated
On the Senate floor, there was debate on a bill which the House has passed and which is aimed at preventing future villainy in the veterans land program.

Rep. Dolph Briscoe of Uvalde is author of the bill which would more strictly regulate land sales and introduce new safeguards into administration of the program.

Surprise Development
Biggest development was the surprise call by Justice of the Peace Travis Blakeslee of a court of inquiry, at the request of Attorney General Shepperd, to start a six-week check of the operation of the entire billion-dollar General Land Office under former Commissioner Bascom Giles.
This involves money of state land sales, the leasing and sales

by the Board for School Land Leasing, the Board for Mineral Development of University lands. The tidelands leasing is in the school program.

GABIE BETTS BURTON LIBRARY NOTES

By May L. Prewitt

Catherine Marshall seems to be a versatile writer. First we have books for adults; then children, and recently, "The Unwilling Heart" for Junior girls is advertised. I wish we could purchase it, but such is not possible a present. Fact is there are several recent books for girls, but they have a fair reading supply.

There have been numerous inquiries for "Tales of the South Pacific" but it was only recently that I learned who wrote it, and could make the order. It is on our shelves now.

We had some excellent help this week. Mrs. Spivey from near Goodnight came in and worked 1½ hours clipping filing material in science and medicine from the "Times," "Colliers" and other

periodicals we had accumulated. Any clippings you find of these subjects can be used. Just write the name of the magazine so the articles can be used for themes. The boys and girls are using modern subjects at the college, or have this spring.

The school children have begun to enroll for vacation reading. Some of them are quite advanced for their classification; others have a very low reading level.

The June magazines are interesting. The Progressive Farmer has a story by Miss Erdman that terms Miss Laura Hamner as "Mother to a Region."

The Mothers' Study Club gave six dollars to the Library this week. We shall use this fund to order a few new books for the first grade shelf. The little people will be happy to read these during vacation. Thanks to the Mothers' Study Club for donating to the Library. Children certainly enjoy reading here.

THE 1954 TEXAS TRAFFIC SCORE

Texas Dept. of Public Safety

AUSTIN—The pine box score of Texas traffic deaths in 1954 was 2,431. This was a 2.7% increase over the deaths in 1953 when 2,368 people were killed. Traffic fatalities in the nation in 1954 decreased 5% from 38,300 to 36,300. During 1954 someone was killed in a traffic accident every 3 hours and 36 minutes on an average. Someone was injured every 5 minutes and 7 seconds.

The famous liberty bell was cracked while tolling for the death of John Marshall, Chief Justice of the United States, who died in 1835.

New Dodge Custom Royal Lancer. Other Dodge models priced below many models in the "lowest price field."

Some things you can see right away that tell you this is the year of the big Dodge move. (Sales have doubled over last year!)
You can stack the new Dodge up against other cars in its field, and see how much larger and more luxurious it is: Up to 9 inches longer than competition.
You can see the distinction of new Dodge styling, with eager lines that are stealing the "OH's" from the costliest cars. The swept-back sweep-around windshield. The "sparkle" of twin-jet taillights and three-tone color combinations. The beauty of Jacquard tapestry interiors.
But more important than this is the deep-down dependability engineered into every unseen part and feature of this great Dodge!
That is something you discover through the years and over the miles. It is your sure reward for choosing the new Dodge.

THE NEW
DODGE
