Wheat Marketing Quota Election June 25th

The final decision on whether or not marketing quotas will apply to the 1956 wheat crop will be made by wheat producers themselves on June 25th.

H. M. Breedlove, county agent, has been advised by the ASC Committee for Donley County that four voting places will be available for producers on the twenty-fifth and that the voting hours will be from 8:00 A. M. to 7:00 P. M. The voting boxes will be at Boydston Elevator for all in the north part of the county; Whitefish and Skillet will vote at the Jess Grogan residence at Whitefish; Clarendon and vicinity will vote at the ASC office in Clarendon and the east end of the county will vote at the City Hall in Hedley.

It takes two thirds of the voters in favor of marketing quotas for them to be in effect; if less than two thirds approve, then they will not be in effect. According to the state committee, acreage controls will be in effect regardless of whether marketing quotas are in effect or not.

Everyone is urged to vote, and vote as you desire, express your opinion one way or another but be sure to vote. Remember the time and the places to vote. Breedlove added.

Rev. Aly To Preach Sunday Nite at First Baptist Church

Rev. C. T. Aly, pastor of the First Baptist Church of Crowell, Texas, will supply the pulpit of the First Baptist Church here next Sunday night, June 19th at 8:00 o'clock.

Rev. Aly is coming before the church by invitation of the pulpit committee, as a prospective pastor. The membership of the church is most urgently requested to be in this service, the public in general is cordially invited.

Monthly Moisture Total Growing

The moisture total for the month of June is still growing with more in prospect. The total here in town so far for the month is 2.18 inches which is .32 over the 1954 total. This brings our yearly total to 11.70 inches according to Tommy Saye's records. He reported .07 on the 8th, .25 the 13th and .42 on the 14th. The low temperature recorded for the month was 46 degrees on the 2nd and the high so far was 92 degrees on the 13th.

The unexpected hail storm which struck late Tuesday afternoon was more or less limited to the city limits of Clarendon. Tommy Saye recorded .42 inch but other sections of the city reported as much as .60 inch. The Marble-size hail damaged gardens and flowers considerably. The downpour of rain and hail fell within a very few minutes and the cloud dumping the hail apparently dropped its entire load over town as it was practically clear overhead moments after the rain and hail stopped.

Another storm with a strong late season norther passed across the area last week end and the Lakeview - Antelope - flat - area caught the blunt of the damage again. Two bridges were washed out at Lakeview and heavy hail was reported in some areas. Dusty Taylor reported heavy hail damage at the Burson Lakes resort between Brice and Silverton. Hail beat the roofs off of all their buildings, broke out window lights and did other damage. Hail was reported as large as baseballs there. Tanks in the area were reported overflowing and thousands of dollars of damage to fields, houses, etc. was reported from the Lakeview to Memphis area due to the heavy downpour and heavy hail.

MYSTERY FARM NO. 7—Can you identify this farm home? If you think you can and get your guess in to the Leader office by Monday morning you may win a free subscription or free movie ticket. Names of those correctly identifying the Leader Mystery Farm are placed in a box. The first name drawn wins a free subscription for one year to the Leader; the second will receive a movie pass to the Mulkey Theatre good for two people; the next three names will receive a movie ticket for one. Only one subscription will be given per family but you may guess each week and be eligible for the movie tickets. Everyone has an equal chance this way. You do not have to buy anything or be obligated in any manner to participate. Call or come by the Leader office only with your guess any time during office hours.

Services Held Tuesday For C. F. Corder

Funeral services were held Tuesday afternoon in Boxwell Bros. Ivy Chapel in Amarillo for C. F. Corder with E. R. Foster, pastor of the Assembly of God Church, officiating.

Charles Franklin Corder, 66, died Saturday morning at his home in Amarillo following a lengthy illness. He was a long time resident of Clarendon prior to moving to Amarillo in 1941. He was a carpenter by trade. He was a member of the First Christian Church and the Odd Fellow Lodge here.

Survivors include his wife, Mrs. Sara Corder; four sons, Frank William Corder, Dallas; Pvt. David Corder, stationed in Alaska, and Troy Lee and Richard Eugene Corder, both of Amarillo; five daughters, Mrs. Charlene Geary, Miss Sara Jane Corder and Miss Elsie May Corder, all of Amarillo. Mrs. Emeline Sisk, Riverton, Wyo., and Mrs. Ruth Cade, Barstow, Calif.; three sisters, Mrs. J. C. Estlack and Mrs. Edith Longan, both of Clarendon, and Mrs. Cecil Beach, Loveland, Colo.; a brother, Tom Corder, Amarillo, and five grandchildren. Pallbearers were Harold Fisher, Bill Crawford, Charles Geary, Milton Womiche, Frankie Brunson and Ricky Hatter. Burial was in Citizens Cemetery, Clarendon.

Matched Roping Sunday, June 19

There will be a matched roping Sunday, June 19 at the local Rodeo Grounds between the Clarendon Roping Club and the Pampa Roping Club. Time for the roping is 3 p. m. and the admission will be 50 cents for adults and 25c for children.

There will be ten ropers for each club competing in the match. Cold drinks and candy will be available also.

The roping club still has plenty of tickets for sale on the saddle and hat that will be given away July 4th. You may be the lucky one, so be sure and buy one or more of these tickets.

The Roping Club is also having a bake sale this coming Saturday at Junior's Food Market.

Mr. and Mrs. C. L. Mann and children visited Wednesday night in the home of Mr. and Mrs. John Slater of Panhandle.

Breedlove Issues Hopper Warning

County Agent H. M. Breedlove is again warning farmers and ranchers to be on the lookout for grasshoppers. Watch for the hatch areas and start poisoning before the hoppers start to migrate.

Good poisons to use in the control of grasshoppers are aldrin, toxaphene, and chlorodane. The packages containing the above poisons usually give the dosage per acre for the control of hoppers but if you are in doubt on the mixing of the poison for spraying, then be sure to call by the agents office for help. Remember the time to start on grasshoppers is when they are still in the hatch areas and before they start to migrate. Look over your place and watch for the hatch and this might save you some crop a little later on in the summer. Grasshoppers are giving some trouble in the north part of the panhandle and even as close as Armstrong county they have started a rather extensive control program. Early control can save a lot of trouble after the hoppers start to migrate.

J. I. BRIMBERRY IS NEW MINISTER CHRISTIAN CHURCH

Sunday is Father's Day and since the writer is a dad to the tune of no small number, he extends greetings to the dads of Clarendon and vicinity. So let's make Sunday a real Father's Day and one that he will remember because of its spiritual content and worth.

Then, too, the writer wants to see and get acquainted with more of Clarendon's fine people.

So, welcome to the Christian Church Sunday and thereafter. Come!

J. I. Brimberry, Minister

REVIVAL TO START SUN. AT PENTECOSTAL CHURCH

Rev. N. J. Pope, pastor, announced this week that a Revival would start Sunday, June 19th at the local Pentecostal Church. Services will be held at 7:45 p. m. daily.

Evangelists for the meeting will be Mr. and Mrs. J. W. Johnson of Hobbs, New Mexico. The public is cordially invited to attend any or all services.

Services Held Thurs. For Pioneer Lady

Funeral services were held Thursday afternoon at the First Baptist Church here for Mrs. Willie Mae Reeves with Rev. L. E. Godwin officiating.

Mrs. Reeves, 77, died at her home in Jericho Wednesday, June 8. She was the widow of E. R. Reeves, prominent rancher who died in 1928. She had lived in the Jericho community since 1903 when she moved from Gray County.

Mrs. Reeves was born Jan. 25, 1878, in Chapel Hill, Titus County, Texas. She was a member of the Baptist Church.

She is survived by a daughter, Miss Anne Reeves, Jericho; a son, Rex Reeves, Canyon; a grandson, Reggie Reeves, Canyon; two sisters, Mrs. Roy Bruner and Mrs. Jeff McSpadden, both of Amarillo; two brothers, G. L. and Glad Snodgrass, Floydada; two half-sisters, Mrs. Arthur Savage and Mrs. Kathleen Hill, both of Amarillo, and a half-brother, Clarence Snodgrass, Fort Worth.

Pallbearers were Frank Hermsmeier, Lloyd Littlefield, Elmer Ashmead, Jodie Helm, R. T. Darnell and Arthur Brown.

Burial was in Citizens Cemetery with the Murphy Funeral Home in charge of arrangements.

PAT SLAVIN RE-ELECTED LOCAL COMMANDER AMERICAN LEGION

At a special meeting of Clark-Brock Post No. 126, American Legion, on Tuesday, June 14, the following officers were elected and appointed to serve the above Post for 1956:

Post Commander, Pat Slavin; 1st. Vice-Commander, Richard Maxey; 2nd Vice-Commander, Harley Gordon; 3rd Vice-Commander, Emmett O. Simmons; Chaplain, H. T. Burton; Sgt. at Arms, Bill Mears; Service Officer, Glenn Hoggatt; Historian, Jack Gray; Ex. Comm., Pat Slavin, Clyde Putman, J. R. Porter; Appointed officers-Adjutant, B. C. Antrobus; Finance Officer, R. L. Smith.

Emergency Feed Program Extended

The Emergency Feed Program for Donley County along with other designated Counties has been extended. County Farmers Home Administration Committees are now authorized to certify eligible applicants for a sixty day supply of feed grain beyond June 30th, taking into consideration the supply of feed on hand.

Applications can be filed at the FHA Office, Clarendon until 5:00 P. M. Wednesday, June 22nd. Applications cannot be filed after this date.

Celebration Date Only Two Weeks Away; Plans Humming Along

Dusters Down Hedley 8 to 3

The Dusters bounced back into the winning bracket last Sunday afternoon by defeating Hedley 8 to 3 at the Hedley park. This was a coveted win for the locals as they always have to put forth their best efforts to down the Hedley boys any time they get together.

Fate Breedlove went all the way on the mound for the Dusters, doing an excellent job all through the game. Dorman and Hill were on the mound for Hedley.

Hedley was leading 2-0 at the end of the second inning but Gene Putman's homer in the 3rd with the bases loaded pushed the Dusters ahead, to lead the remainder of the game. The Dusters scored 5 in the 3rd, two in the 4th and 1 in the 5th for their total of 8. Hedley pushed over 2 in the 2nd and 1 in the 8th.

The Dusters will journey to Wheeler next Sunday with revenge in their minds as the Wheeler team defeated the locals here in the first game of the season. At that time the Dusters had not found their best line-up and pitching strength in the arm of Fate Breedlove. The Wheeler club is headed by the Dorman brothers, Don and B. F. If you can make the trip, go along with the Dusters and give them your support.

Seven Identify Mystery Farm Number 6

There were seven persons who correctly identified the Leader Mystery Farm of the Air No. 6 last week. Mrs. Roy Jackson drew out for the free subscription to the Leader; R. C. Bingham drew out for the two free tickets to the Mulkey Theatre and each of the following drew out for one free show ticket each: Mrs. W. D. Higgins, Mrs. R. D. Finley, and Mrs. Ivan Mayes.

The other two to correctly identify the place were H. M. Breedlove and Raymond Waldrop.

If you can identify the mystery farm published each week, be sure to call or come in and make your identification. If you don't draw out the first time you still have a chance to win a free subscription or movie tickets. If you win the free subscription you are not eligible to win again for it but you have a chance to win free movie tickets every time you guess, regardless whether you have received movie tickets before.

Time zips along and two weeks from now will find things beginning to bustle along as the first Rodeo performance of the annual celebration will get under way Friday night, July 1st. L. T. Shelton, President of the Outdoor Entertainment Association, reports everything progressing nicely toward the celebration at this time.

Ray Palmer, committeeman in charge of ticket sales, reports that only 9 boxes are left in the box seat reserved section. There are six seats in each box and most boxes are going for all four performances. If you want one of these boxes in the new grandstand section on the north side of the arena, you should contact Palmer at the Palmer Motor Co. He has reserved seat tickets for all performances on sale also. Tickets for the parking spaces around the arena are on sale now also. George Thompson at Thompson Bros. Hardware is in charge of these tickets so if you want a parking space, better see him right away also.

Voting in the queen contest is picking up right along with a total of thirty-three contestants in the race at the present time. The three top girls will receive prizes.

Roy Ferris Injured In Tractor Mishap

Roy Ferris, prominent farmer in the Chamberlain community, received painful injuries last Thursday afternoon when he became entangled in farm equipment he was operating on his farm southeast of Clarendon. He was rushed to Northwest Texas hospital, Amarillo in a Murphy Funeral Home ambulance for treatment of his injuries. He is reported improving as well as can be expected at this time. His many friends are wishing him a speedy recovery.

Legion Sponsoring Dance Sat. Nite

The local Legion is sponsoring another dance Saturday night, June 18th at the Legion Hall. Music for the dance will be furnished by Emmett Allen and his Sunset Ramblers. Admission will be \$1 per person and the starting time is 9 p. m.

Donley County Fair Building Now Complete

Construction of the new Donley County fair building is now complete. John Jones, contractor, turned the building over to the building committee of John Head, Homer Estlack, and J. R. Brandon. H. M. Breedlove, county agent, says that the building is now being wired by Bill Williams and then the plan is to put in a black top floor when the highway work starts in the county and a price can be worked out with a contractor.

The building is complete but there is a great deal of work to be done before the building is ready for use. It is planned by the show board to try to have the building ready for use by the first part of August.

E. S. Ballew, finance chairman, says that all who have not paid their pledges, he would like to have this as soon as possible as other bills on the work will be due as soon as they are completed. Pledges can be paid to any of the committee or Curtis Mears who is treasurer.

When the entire work on the building is complete then the board will meet and a financial statement will be published on the cost of the new fair building. Committees are to be appointed at the next meeting of the board on the handling of the building and how it will be used, etc.

GABIE BETTS BURTON LIBRARY NOTES

By May L. Prewitt

We have quite a few new books. The boys will enjoy an illustrated copy of "Our Fighting Jets" by Maj. C. B. Colby. While it is a 1951 edition this is the fifth printing. There are nine new supplementary readers for those twenty-five pupils that Mrs. Bal- lew paid for the cards. Then I had about thirty primary readers, and have ordered six more. These just received are: "Bing", "Splash", Mr. and Mrs. Big, "Toby", "Tuffy & Boots", "Bun- ny", "Frisky the Goat", "The Lit- tle Crow", and "Where Is Cubby Bear?" These books are on a simple reading level, but our lit- tle people do not recognize new words readily so these books will stimulate their reading interest.

Among the books donated re- cently is "The Wonder" by Mika Waltori. I had his "The Adventu- rer" but I do not have "The Egyptian." "This novel has given Waltori all the scope he needs to make his talents sing like the scimitors of his jannasaries." We have "Tallulah" by Tallulah Bankhead. If you have not read it you will enjoy this copy.

Mrs. Thornberry gave us the two last Readers' Digest condensed book. These are "The Winter 1955 Selections," and "The Spring 1955 Selections."

We purchased "Nectar In a Sieve" by Kanola Markandaya. She comes of a Brahmin family of South India. "Nectar In a Sieve" is her first book. It is a novel of the real India, the India of the villages, where life is de- termined by the relentless al- ternatives of earth-cracking

drouths and monsoon floods. It is a vivid picture of Indian village life.

We have some regular readers here. Some of them are excep- tionally well informed. We are al- ways delighted to see them.

Brock - Porter Nuptials Solemnized

In a candlelight service at First Methodist Church, Wednesday evening, June 8, Miss Mable Dean Brock, daughter of Mr. and Mrs. Roy D. Brock, Clarendon, Texas, became the bride of William M. Porter, son of Mr. and Mrs. J. R. Porter, also of Clarendon. Rev. I. E. Biggs read the double ring ceremony.

A background of candelabra against fern, yellow gladioli, white chrysanthemums, and Marconi daisies ornamented the altar with high points of the decoration being circular arrangements of white candles interspersed with yellow chrysanthemums. White aisle cord draped the chancel rail with swags of the same cord joining the circular arrangements of interchanging candles and flowers suspended from the floor. The bridal aisle was marked with white satin ribbon and greenery.

Miss Mantie Graves, organist, and Miss Rebecca King, violinist, played a nuptial prelude and the traditional wedding marches. Mrs. Ray Moore, accompanied by Miss Graves sang "Because" by D'Hardelot, "O Promise Me," by De Koven, and as a benediction "The Lord's Prayer" by Malotte. As a soft musical background for the ceremony Miss Graves played "Liebestraume."

Candles were lighted by Jackie McClellan and Judy Thompson. They wore dresses of polished cotton in yellow and bandeaus of yellow French carnations. Gary

Stewart was ring bearer.

Miss Vanetta McClellan attended the bride as maid of honor. Bridesmaids were Misses Genella Mooring and Ruth Ann King. Their dresses of crystalline were styled identically with long fitted torsos and full skirts extending to a ballerina length. The maid of honor wore yellow and carried a white basket of yellow rosebuds. Bridesmaids wore pastel green and carried white baskets of yellow daisies. Their small hats corresponded in color with their dresses and were ornamented with matching flowers.

Best man was Don Thornberry. Groomsmen and ushers were John Downs of Albuquerque and Joe Ballew. Bill Lowe and Joe Landreth of Dumas served as ushers.

Mrs. Robert Bain presided at the guest book at the Church.

Escorted to the altar and given in marriage by her father, the bride was lovely in a waltz length dress of Chantilly lace and tulle. The fitted lace bodice was styled with an insert of tulle at the neckline and small buttons to the back. The full skirt fashioned with tiers of lace to the back joined the front piece of tulle with the first tier of lace forming a single strand of tulle at the neck and a peplum at the waist line. Her elbow length veil of illusion fell from a lace hat and was ornamented with seed pearls and sequins. She wore mits of tulle and a single strand of pearls, and carried a colonial bouquet of a white orchid and stephanotis with stephanotis secured in the love knot tied in the white satin streamers. For her daughter's wedding, Mrs. Brock chose a dress of navy blue accented by white trim and navy and white accessories. Mrs. Porter wore a rose-beige, printed sheer complemented by white accessories. Both wore corsages of white glamelias.

MR. and MRS. WILLIAM M. PORTER

Following the ceremony, a reception was held in the home of the bride's parents. The refreshment table was laid with a white linen cloth and centered with the tiered wedding cake decorated with yellow rosebuds and green leaves and topped with a miniature bride and groom. The floral arrangement of yellow and white rosebuds added to the beauty of the setting. Mrs. Ray Holland and Mrs. Wm. Lowe presided at the table.

For traveling, Mrs. Porter chose a mauve colored suit accented by white accessories and the white orchid from her wedding bouquet.

Mrs. Porter is a graduate of Clarendon High School and has attended Clarendon Junior College the past year. She has taken part in F.H.A. and Choral work

and played basketball. She is also a member of the Sub-Debs.

Mr. Porter graduated from Clarendon High School and has attended Clarendon Junior College and New Mexico A&M. The couple will make their home in Clarendon thru the summer months.

NEEDLE CLUB

The Needle Club met June 9th in the home of Mrs. Ross Darby as hostess. The afternoon was spent making flowers out of cloth.

Lovely refreshments were served to Mrs. Amel Carter, Mrs. Gilbert Mann, Mrs. Carl Barker, Mrs. Henry Mann, Frances Mann and Johnny Carter and hostess, Mrs. Ross Darby.

Next meeting will be July 14 in the home of Mrs. Amel Carter as hostess.

RUBINSTEIN CLUB HOLDS DINNER

The Rubinstein Club met at the Donley Hotel, Monday evening, June 6, for a dinner commemorating the first birthday anniversary of the Club, and installation of officers for the year 1955-56.

The table laid with a damask cloth was centered with a bouquet of red roses, the club flower, and a large, white sparkling treble cleff sign, also one white candle and one red candle.

The president, Janiece Christal, gave the Club Collect, and while Janiece read "A Tribute to Music," Marie Blackburn and Marcia McMurtry lighted the candles. The Club is divided into three groups — Grade School, Junior High, High School and College, for the Keyboard practice contest, and Miss Larsen awarded miniature statues of famous composers to the member of each group who had practiced most. Two other members received appropriate awards for attending every club meeting since its organization. The white birthday cake was sliced and served to the members and guests by Janiece Christal.

Officers installed were President, Beth Gillham; Vice-President, Connie McMurtry; Secretary-Shirley Wiedman; Treasurer, Linda Hardin; Historian, Marcia McMurtry; Roll Call Chairman, Bonnie Ellen Rodgers; Program Chairman and co-sponsor, Claudine Todd.

Guests present were Mesdames Thad Rodgers, C. E. Blackburn, Alfred McMurtry, and Hall Hardin.

Members and sponsors present were Misses Larsen and Ellis, Janiece Christal, Beth Gillham, Connie and Marcia McMurtry, Bonnie Ellen Rodgers, Linda Hardin, Marie Blackburn, and Claudine Todd.

Club members would like to express their thanks to Misses Larsen and Ellis for their untiring efforts in organizing and sponsoring this Club. We also want to thank the mothers represented by this group who have been so generous, kind and helpful to us. Especially do we thank Mrs. Curry of the Donley Hotel for providing the pretty table and delicious food for this occasion.

Next meeting will be July 14, 8:30 p. m.

Janiece Christal has been a wonderful president and we will surely miss her next year. She plans to pursue her college education and music studies elsewhere. We wish her the best of everything in her future study and work.

REHEARSAL DINNER HONORS BROCK - PORTER WEDDING PARTY

Mr. and Mrs. J. R. Porter were hosts in their home at a rehearsal dinner for the members of the Brock-Porter wedding party, Tuesday evening, June 7.

The dinner was served buffet style from a table laid with a lace cloth and centered with an arrangement of miniature dolls dressed as members of the wedding party. These dolls were given as party favors.

Attending were Misses Mable Dean Brock, Vanetta McClellan, Genella Mooring, Ruth Ann King, Bill Porter, Don Thornberry, Joe Ballew, John Downs of Albuquerque, N. Mex., also Jackie McClellan and Judy Thompson, Miss Mantie Graves, Mrs. Roy Stewart and Gary, Mr. and Mrs. Roy D. Brock, Rev. and Mrs. I. E. Biggs, Mr. and Mrs. Robert Bain, Mrs. Joe Landreth and Porter of Dumas, and the hosts, Mr. and Mrs. J. R. Porter.

CLARENDON REBEKAH LODGE

Clarendon Rebekah Lodge met Tuesday, June 7 in regular session with 11 members present. The monthly Pot Luck Supper preceding lodge, was fairly well attended.

The meeting was presided over by Noble Grand, Helen Land, during which 10 sick calls were reported. Officers for new term were elected. Eddith Spivey was elected Noble Grand and Jo Briggs was elected Vice Grand.

Next meeting will be Tuesday, June 14, 8:30 p. m.

ENGAGEMENT ANNOUNCED

Mr. and Mrs. E. W. Mooring announce the engagement and approaching marriage of their daughter, Genella, to Jack Eads, son of Mr. and Mrs. W. A. Eads of Wellington.

A wedding is being planned for July 1st.

JR. H. D. CLUB

Members of the Jr. H. D. Club were surprised with a slumber party Friday night, June 10, at the home of Mrs. Frank Hommel. Hostesses knocked on doors at 11:30 p. m. to take the members to the party. When we arrived at the Hommel home, we found a table laden with a delicious meal. Some of the group played dominoes and Canasta while others were busy to be sure no one was asleep. At 5:00 a. m. the group was served coffee and donuts.

Attending were Emma Ayers, Thelma Behrens, Gladys Blackburn, Nora Decker, Ruby Fitzgerald, Leona Henson, Verdine Tipton, Nita Graham, Oma Bentley, Sadie Head, Jean Putman, Cula Trout, Mary Belle DeBord, Eddith Spivey and the hostesses, Gladys Hommel, Helen Land, Noma Lewis, Wilma Spier, Stella Spurgeon, and Ona Tatum.

KIL KARE KNEEDLE KLUB

Mrs. Frank Whitlock entertained the Kil Kare Klub in her home Thursday afternoon, June 9. The entertaining rooms were artistically decorated with bouquets of roses, snapdragons, and gypsophila. Needle work and visiting provided interesting amusement.

Mrs. Whitlock served delicious refreshments of pineapple cake, strawberry ice cream, ice tea and candy orange slices to members: Mesdames Homer Mulkey, G. C. Heath, Major Hudson, Buel Sanford, E. H. Noland, S. W. Lowe, J. R. Bartlett, R. O. Thomas, A. O. Hefner, F. L. Goldston, and Misses Ida and Etta Harned.

The next meeting will be held in the home of Mrs. E. H. Noland, Thursday afternoon, June 23.

GARDEN CLUB NOTICE

The Garden Club will meet Thursday afternoon, June 16, at 4:00 o'clock in the home of Mrs. Joe Goldston. Mrs. John Head will be assisting hostess. Everyone is asked to make their own corsage and wear it to the meeting.

H. D. CLUB TO MEET

The senior H. D. Club will meet Friday afternoon at 2:30 in the country home of Mrs. W. L. Jordan.

art. Everyone enjoyed the refreshments and a good time. —Reporter.

THE LION'S TALE

By Carl Allmond

For the past two weeks we have taken a vacation from this chore. The first week, no excuse; the second week was our big barbecue. We were surprised beyond all expectations when suddenly, we heard our name mentioned. We were taking notes for the paper, but we dropped our pen, swallowed our tongue, and lost our sense of hearing. We can not remember a statement made by "Dub" Nelson, but we have been told, Dub made several complimentary statements that we do not deserve. However, we do appreciate the honor, and are grateful for the opportunity to serve our community by recruiting 25 new members for the local club. We regret that we have not put as much into Lionism as we have received.

Bill and Helen Lowe left by air for Atlantic City Wednesday, to attend the world's largest convention for the world's largest civic club, Lions. They left early in order to make several stopovers before attending the convention. The first stop will be Washington, D. C., then on to New York City. After the convention, they will fly to Detroit, Mich., and also visit Helen's sister in Pontiac, Michigan.

We are anxiously awaiting Bill's return, and his report on the convention. Helen thinks it would be appropriate (since the convention is being held in Atlantic City) for Bill to appear in a bathing suit, when he struts down the board walk to accept the clubs award. We wonder if the banner will say, in gold, "Mr. America of 1955", or has that title been won by Mr. Atlas?

Watch for the election date concerning opening the hospital. The required number of tax payers signed the petition, and it has been presented to the city commission.

Lion Drennan introduced Mrs. Joe Ritter and Ward Taylor of Seymour. They presented facts to the club concerning the wheat program. Farmers, who are interested in wheat raising, should make it a point not to miss the voting date.

Tuesday's visitors were Lion Hubert Owen of Morton, Texas, Bill Word of Silver City, N. M., Lion Fancher Upshaw, Amarillo, Wes Knorpp, Allen Homer Estlack, Jack Matthews, and Rev. Paul Wright of Clarendon.

Rev. Wright is pastor of the Presbyterian church, and a reinstated member of our club. Clarendon is fortunate to have Paul return.

P. S. Thank you Mrs. Anderson, for that excellent lunch Tuesday.

Mrs. J. C. Estlack, Mrs. Edith Longan, Charles and Harley were met at the Chas. Corder home in Amarillo Sunday by Mr. and Mrs. C. E. Beach of Loveland, Colo. All were called there by the death of their brother and uncle, Chas. Corder who passed away Saturday.

Mr. and Mrs. Elbon Naylor, Miss Ina Naylor and Mrs. R. M. Chunn are on vacation in Colorado. They plan to visit the Radon Mine near Denver while on vacation.

Mr. and Mrs. C. L. Mann and children, Chester, Milton, and Wilma, attended the Slater-Metcalf family reunion at Thompson Park in Amarillo, Sunday, June 12. About 95 were present to enjoy a lovely picnic dinner.

Harold Clampitt To Be Presented In Recital

Harold Clampitt, son of Mr. and Mrs. W. L. Clampitt, will appear in an organ recital, Tuesday evening, 8:00 P. M. in the College Auditorium. Assisting is Janiece Christal, pianist. These are artist pupils of Lilly Larsen. The following program will be presented:

- Organ: Jesu, Joy of Man's Desiring—Bach.
- Prelude and Fugue in F major—Bach.
- Prelude and Fugue in A major—Bach.
- Piano: Etude Op. 10, No. 12—Chopin
- Organ: Suite Gothique—Beolman

CARD OF THANKS

I would like to take this means of thanking my friends for the many lovely cards, letters and flowers, also the visits paid me while I was in the hospital. Your thoughtfulness has been sincerely appreciated. Mrs. Winnie Wester

Week end guests in the home of Mrs. E. W. Bromley were Mrs. Emma Burnett and Mrs. Carroll Dexter and Bob of Ardmore, Okla.; also Mr. and Mrs. Bill Bromley and Pete of Clarendon.

Dr. and Mrs. Eugene Davis of New York City visited in the Chas. Speed home Saturday. Dr. Davis is a nephew of Mrs. Speed. He has been attending Cornell University and his wife is a trained nurse and is a member of the staff of one of New York City's hospitals.

Bruce Fricks left Sunday for Ft. Worth to spend the next two weeks with his grandparents, Mr. and Mrs. Geo. R. Lewis and other relatives.

Mrs. Jean Ivy Barnes announces the arrival of a baby daughter, Catoline Lanell, born June 1st at Goodall hospital in Memphis. She weighed 8 lbs., 12 oz. Her grandmother is Mrs. W. H. Ivy.

Mrs. Robert Davis returned home Thursday from a two week visit to Ft. Worth, Dallas, and Rockwall.

TWO NAMED ON SPRING SEMESTER HONOR ROLL

CANYON—Two persons from Clarendon were among the 57 students named to the spring semester honor roll at West Texas State College by Dean Walter H. Juniper.

Making averages of 2.57 or better of a possible 3.00 were Harold Bier, son of Mr. and Mrs. John Bier of Milton, Oregon; and Inelle Cox, daughter of Mr. and Mrs. L. N. Cox of Clarendon.

The honor roll at WT consists of the top five per cent of the entire undergraduate student body.

VISIT WITH MOTHER

Mrs. Lowell E. Anderson returned to her home at Fletcher, Okla. Saturday after a two week visit with her mother, Mrs. Belle Davis. Her son, Edward, remained to spend three weeks with his grandmother. Mrs. Leon Middleton and children, Gerald and Jo Ann, of Amarillo also visited last week with her mother, Mrs. Davis.

Mr. and Mrs. Ollie McCrary and Ollie Ann of Silver City, N. Mex. visited last week with his parents, Mr. and Mrs. C. L. McCrary.

Mrs. Winnie Wester who underwent surgery at Goodall Hospital last week is reported improving and expects to be at home this week.

Mr. and Mrs. G. W. Estlack and Jackie, also Miss Kathy Truax of Gruver returned home Sunday after spending several days at Platoro, Colo.

Guests in the home of Mrs. Robert Davis thru the week end have been Mr. and Mrs. Clyde Davis and Cynthia Ann of Ft. Worth. Mrs. Ben Kyser and Mrs. J. E. Hollingsworth of Turnersville, Mr. and Mrs. Joe Davis of Denver, Colo., and Mrs. Joe Crawford of Amarillo.

Kay and Margaret Marsh of Duncan, Okla. spent the week here with their grandmother, Mrs. W. H. Patrick. They returned home Sunday.

John Downs of Albuquerque, N. M. visited last week with Bill Porter and Don Thornberry.

Deer Survive Mild Winter

AUSTIN—Texas' main deer herds in the Hill Country, although dangerously concentrated in some areas, survived the winter without abnormal dieoff, reports the Director of Wildlife Restoration for the Game and Fish Commission.

He said thousands of deer were undernourished during the cold months but escaped death from starvation because there was no sustained severe freeze.

The Director said this development merely prolongs critical conditions in many locations where deer overpopulations have become acute because of the record drought and inadequate harvests.

Commission technicians long ago foresaw the crucial status created by surplus deer but were able to correct the situation in only a comparatively few places where localized regulatory authority prevailed over game. Extra harvest of antlerless deer was ordered in these instances to spare lingering death from starvation and to supply added game for sportsmen.

"It's hard to look very far ahead about the deer herd conditions in the Hill Country where conditions have been so unfavorable because of the drought and chronic overpopulation," said the Director. "Our Wildlife Biologist Bob Ramsey said the winter dieoff was about normal. This means we are carrying over a large number of animals in areas which lack the food to sustain all of them in good times, much less in the dry spell which has denuded the ranges."

He emphasized that "everything hinges on the weather. If we get the rains from here on in," the Director observed, "we could count on plenty of fat deer for fall."

The Director stressed Ramsey's notation that a wet cycle would endanger young deer during the fawning season now just getting under way since deadly screw worms thrive during moist weather. He added that continued dry weather would benefit the fawns but would sign the death warrant for many older deer.

Ramsey reported that while the ranges were barren during the

winter, thousands of deer survived by eating scraps from prickly pear and tassajillo cactus after ranchers, feeding cattle, had burned off the thorns. He said deer particularly benefitted from small berries on the small-rtassajillo plants which were scattered into inaccessible places as cattle tromped down the cactus beds.

The Director pointed out that many ranchers have been feeding deer ever since the crisis became so pronounced.

Mr. and Mrs. F. A. Fitzgerald and Gary went to Plainview Friday where they visited with her mother and brother, Mrs. E. L. Strange and George.

Mrs. O. L. Favors of Lakeview visited in the home of Mrs. F. O. Hodge and Nedra Tuesday morning.

Mrs. Billy Ray Young and son, Mike, of Belen, N. Mex. visited Wednesday in the F. O. Hodge home.

Mrs. Jeanne McDonald Barnes of San Antonio visited her uncle and aunt, Mr. and Mrs. A. T. Jefferies the fore part of last week.

Warren Krutch of Raton, N. Mex. visited from Tuesday to Thursday in Clarendon and attended the Brock-Porter wedding.

FARM NEWS

from the County ASC Committee

JUNE 25 VOTE WILL AFFECT 1956 WHEAT PRICE SUPPORT

The outcome for the wheat marketing quota referendum on June 25 will affect the price-support level and determine whether marketing quotas will be in effect for the 1956 crop of wheat.

Another point which wheat growers should have in mind when they cast their ballot is that if the vote is favorable, marketing quotas will be in effect and those who exceed the farm acreage allotment will be subject to a marketing penalty of 45 percent of parity on their excess wheat. If the vote is unfavorable, marketing quotas will not be in effect and there will be no penalty for excess wheat. Acreage allotments will be in effect for price support purposes even if marketing quotas are disapproved.

PINK OR TREATED WHEAT

A number of cars of pink or treated wheat have been seized by the Food and Drug Administration in the area served by the Chicago CSS Commodity Office. This is extremely serious problem. Pink or treated wheat may not be disposed of for human food or animal feed use. The only authorized disposition other than for seed purposes is certain commercial outlets for non-food and non-feed use. These commercial processors, as a matter of policy, will not buy treated wheat so there is virtually no market outlet. PRODUCERS SHOULD NOT MIX ANY LEFT OVER TREATED SEED WITH WHEAT BEING DELIVERED UNDER PRICE SUPPORT PROGRAMS.

1955 WHEAT PRICE SUPPORT RATES
The 1955 minimum price support rate for Donley County, for wheat grading U. S. No. 1 is 2.07 per bushel. The minimum terminal support rate at Corpus Christi, Galveston, and Houston, Texas for wheat grading U. S. No. 1 is \$2.51 per bushel. The above rates are calculated on the basis of a national average price support level of \$2.06 per bushel and

are subject to an increase, if necessary, to reflect 82 1/2 per cent of the parity price of wheat on July 1, 1955.

LELIA LAKE WINS FINAL QUIZDOWN THIS SEASON

In a mental battle royal, a team of fourth, fifth and sixth graders from Lelia Lake bested River Road School of Amarillo, 1,050 to 900 points, Sunday in the last edition of Quizdown, KGNC-TV and radio's Sunday feature for children, before the simulcast takes a summer vacation.

With the victory, Lelia Lake was presented a new Motorola table-type radio and individual competitors received gold medals and special red, white and blue mechanical pencils.

Trailing 300 to 200 points at the end of the initial round, Lelia Lake pinned 500 points on the scoreboard in the second question and answer session compared to 300 for River Road, and added 350 in a third round while River Road could muster only 300.

Competing for Lelia Lake were fourth graders Keith Mann and Darrell Holland, fifth graders Judy Castner and Keith Dishman and sixth graders Patsy Watts and Bobby Reed.

Fourth grader Molly Floyd, fifth grader Vela Tomlinson and sixth grader Carolyn Castner were their alternates.

POST OFFICE BOX RENT MAY BE PAID YEARLY

Joe Bownds, clerk in charge of the post office box rent department, announced this week that patrons of the local post office may pay their box rent by the year. The office's fiscal year begins July 1st and box rents may be paid on the yearly basis or by the quarter which has been the custom in the past.

TO ATTEND AMARILLO MEETING

Miss Mantie Graves, instructor in Organ and Piano, was in Amarillo Tuesday to attend a meeting of the Texas Music Teachers Association. A report on the State meeting was heard and work for the coming year discussed. The gathering was held at Mrs. McDaniels' Studio.

Voting In Rodeo Queen Contest Picking Up

Tuesday of this week was the first count in the Rodeo Queen Contest voting which showed that interest in this event was beginning to pick up considerably and will really be going strong within the next week. Each penny counts 1 vote for your favorite candidate, so cast your votes in the little containers as often as you wish.

According to the Tuesday count, Miss Glenna Dingler is leading the field of 33 candidates with Linda Lamberth second and Carolyn McAbee in third place. Some of the contestants failed to bring in their boxes Tuesday so no votes are listed opposite their name. All girls are reminded to bring their boxes to the Palmer Motor Co. by 9 a. m. each Tuesday morning for a weekly count. Results of each counting will also be posted on a big card in the window at Bob King Pharmacy each week. Prizes will be given to the three highest girls in the contest.

Cotton Burrs Will Be Available This Fall To Haul Home

County agent H. M. Breedlove announced this morning that cotton burrs would be available this fall for farmers to haul home and put on their land. Arrangements have been made by the gins in the county to add larger fans to comply with the pink boll worm control law and the cotton burrs can be put on the land this fall.

Cotton burrs added to land at the Lubbock experiment station has increased cotton production on farms as much as fifty pounds of lint per acre and has been very beneficial in controlling blowing of the land. Breedlove says that in the past few years some of our best conservation has gone up in smoke but now farmers can haul burrs back to the farm.

Gins will not be able to hold large stacks of burrs around the gin because of fire hazards and lack of space, so farmers will be required to load the burrs right after ginning their cotton. Breedlove says that at that time of the year farmers are very busy so they can haul the burrs home and put them in a big stack and then put them on the land in the winter. This plan is good anyway because with moisture on the burrs, harmful weed seed will germinate and make the burrs safer to put on the land.

ADMITTED TO SCOTTISH RITE HOSPITAL

Billy Rampy, 13 year old son of Mr. and Mrs. J. F. Rampy of Clarendon, was admitted on Wednesday, June 1, to the Scottish Rite Hospital for Crippled Children in Dallas.

Texas Scottish Rite Masons founded the hospital more than 30 years ago in an effort to provide a chance at a normal life and a useful place in society for the handicapped child.

The Scottish Rite Hospital has accepted almost 100,000 children for treatment since 1925. An expert staff, plus unique physical facilities, make it an outstanding treatment center which serves the entire state. It is supported by public contributions and bequests.

Mrs. J. D. Swift and Miss Anna Moores spent last week in Dallas.

ARMY RECRUITING SGT. TO BE HERE EACH THURS.

Sgt. Roy, your local Army recruiting Sgt. will be in Clarendon every Thursday from 10 a. m. to 2 p. m. weekly. The Army has a variety of opportunities open for both young men and young women, Sgt. Roy stated. Today a high school graduate can enlist for the technical school of his choice which numbers over 100. Those interested may contact Sgt. Roy at the local post office each Thursday or at 212 East 7th St., Amarillo, Texas.

Mrs. J. W. Fitzgerald, Mrs. Ruby Stroehle and daughter, Billy Jean, of Memphis were guests in the home of Mr. and Mrs. F. O. Hodge and Nedra Monday evening.

JOINS BORDER PATROL

Lewis Underdown has joined the Border Patrol and is now attending a two month training school at El Paso. Mrs. Underdown and son, Michael, will spend this time with her parents, Mr. and Mrs. C. L. McCrary. The Underdowns have previously made their home in Amarillo where he has been in the Postal Service for the past six and a half years.

Miss Florence Slater of Jeromesville, Ohio, and Mr. and Mrs. Ola Kaylor and daughter, Karen of Ashland, Ohio, have returned to their homes after spending the past two weeks in the homes of Mr. and Mrs. C. L. Mann of Clarendon, Mr. and Mrs. B. K. Bentley of Panhandle, and Mr. and Mrs. John Slater of Panhandle.

Tomorrow's husband may say: "My, my, honey, you thaw out food just like my mother used to do."

Some of our most heart warming stories of courage come from the lives of those who are afflicted with some of the ailments of

disease that touch so many lives here in this world. From these who suffer patiently from day to day we find experiences of faith and trust in the Almighty, and of love for their fellowman that can not be touched by the lives of us who lead what we choose to call a normal life.

Typical of this is a true story about an interview between a Mr. Worrall, a shut-in, and that of Dr. Faust of a certain radio program. Upon Dr. Faust's insistence that he answer the question: "How are you this morning", Mr. Worrall replied:

"Look here Dr. Faust, you're never going to get me on that subject. I have learned from experience that if I think about myself I get so discouraged that I

just can't stand it at all. So, I've gott a circle drawn about myself and I never let my mind get within that circle."

Wouldn't that be such a good policy for each of us? We seldom get the blues until we get within that little circle where our thoughts are about our own selves. It is then that we run into danger.

I guess it must have been Hamlet who said something akin to the above; "The Love of liberty is the love of others; The love of power is the love of ourselves."

To each of you who sometimes write to the shut-ins that we mention in this column; we have another new member. She is Miss Nellie Harris, 3401 S. Blvd., Dallas 10, Texas. She was recommended by Miss Maurine Seals of Amarillo. We do not know a great lot about Miss Harris; only that she is handicapped. She uses

crutches and manages to work at the Good Will House in Dallas—a place that seems to use all of the folks possible that are handicapped. We want more information on both Nellie and the place that she works. Anyway, each of you write and find out this information for all of us.

It has been some time since we have heard from our good friend from way up in Ohio, Mrs. R. E. Boone. But in a sort of a round about way we received the following poem that she wants dedicated to all her friends. The poem is by Rosalie Carter, called ONLY GOD CAN GIVE A FRIEND. I think that God will never send A gift so precious as a friend, A friend who always understands And fills each need as it demands. Whose loyalty will stand the test, When skies are bright or over-cast. That sees the fault that merits blame, But keeps on loving just the same;

Who does far more than creeds could do, To make us good, to make us true.

Earths gifts a sweet contentment lend

But only God can give a friend. Mrs. R. E. Boone lives at 2579 Berwyn Road Columbus 12, Ohio. She has for her hobby collecting poems. Everyone send her a poem as sort of a shower, please.

Veterans starting summer school under the Korean GI Bill may have to wait until late in the summer term for their first GI allowance checks, since under the law it takes about two months for the money to reach them, Veterans Administration said today.

For that reason, VA urged veteran-trainees to bring along a "nest egg" of their own to tide them over for the initial period. Very often an entire summer semester may last no longer than two months, VA said.

Once the GI checks start coming, they will cover every month of training completed, so long as veterans make sure their schools file monthly attendance certificates with the VA.

VA gave these reasons for the length of time it takes to make initial GI allowance payments: First, the law requires the allowances to be paid after the end of each month of training completed, and not before. Further, payment for an initial period of training of less than a full month may be deferred until the end of the following full month. All that accounts for at least one month's delay.

And second, after the end of the month, the veteran must sign a certification stating he was attending class during the month. The school sends this certification to VA. Usually, a veteran's check should go out within 20 days after the time VA receives the certification. This, roughly, accounts for the remainder of the

two-month waiting period. Colleges throughout the country have reported that many Korea veterans have been coming to school without sufficient funds to tide them over until they get their first GI allowance checks.

This has created unnecessary hardships for many veteran-students. Some have taken advantage of the limited resources of college loan funds, but many more have been hard put to remain in school.

Most of the financial problems could have been prevented, VA said, if the veterans would have remembered to bring money of their own to last until their GI checks arrived.

TO THE PEOPLE OF THE 18TH DISTRICT

By Congressman Walter Rogers

FOREIGN RELATIONS

The Senate has just passed the President's foreign aid program by a vote of 59 to 18. This calls for 3.4 billion dollars in new money to supplement the present unspent funds in the foreign aid program. I have been told from several sources that these un-

spent funds are in the amount of several billion dollars. The estimates vary from 2 billion to 12 billion. This is a wide variance. The reason for the variance lies in the fact that it is very difficult to get the entire story on a subject from a bureau. You do not receive false information, but you receive only such information as will barely answer the question that you ask. This procedure is not very enlightening. Unless you know how to ask questions, you will end up with no information at all. In any event, it presently appears that the 3.4 billion dollars in new

money means that the foreign aid program will have available to it somewhere between 12 and 15 billion dollars. Part of this has been obligated, part has not.

While studying this foreign aid situation recently, I came across an article written by a prominent Italian journalist, which was originally entitled, "The Americans and Us". Actually the article undertook to explain the resentment that many Europeans have for America. It was an excellent piece of work, and I wish I could print it in full. He points up that the many claims that Americans have on the gratitude of Europeans are obscured by one incurable defect in the Americans. That defect is the craze in Americans to improve foreigners, to make them kinder to each other, juster, richer and happier. He points out that good faith and honest intentions are such rare commodities on the European market that Europeans scarcely expect to find them anywhere else. He further comments that the United States as a victor in a war which was declared by Italy, asked for no colonies and no commercial servitude, but on the contrary, accepted further taxation in order to aid the defeated. He says that the real trouble is: "The great inexplicable crime of the Americans is that they really are better than the Europeans." (Remember this is an Italian talking; not an American.) The article is very soul searching, and I repeat I wish I could make it available in full to all of you.

Concerning our foreign problems, it must be remembered that we also have the immigration problem, which has been in the news a great deal recently. No doubt, there are many, many foreigners who would give their eye teeth to come to America, and I might add that certainly as Christians, we would like to be of some assistance to them. However, we must face reality and appreciate the fact that the popu-

lation recently passed the 165 million mark; that the United States is growing no larger in size. Every time a person is born or a new immigrant enters the country, the size of the country shrinks to that extent. This simply means that Americans are reproducing themselves at a rate much faster than was anticipated even five years ago. It would seem to me that it would be much better if people who live in other countries would put their shoulder to the wheel to correct their own governments and try to bring to their own countries the things that we in America have. A much better balance on a world scale could be maintained.

THE PUBLIC DEBT

It is anticipated that the Administration will ask for a new ceiling on the public debt. It presently stands at around 277 billion dollars, which is a figure that is among the all-time highs in the public debt of this country. You will recall that Congress authorized an increase in the public debt authority to 281 billion on a temporary basis. (Incidentally, I voted against that increased authority.) The debt will recede a few billion when corporation taxes come in, but will increase thereafter for several months. The Administration no doubt feels that they will need additional authority to borrow more money. Very little has been said recently about the public debt, probably because it has been increased rather than reduced, as the American people were told it would be. The Administration will have to make out an excellent case if they get the authority to increase it.

The Dealer Council program of Ford Division was started in 1945 as a system for exchange of information between the manufacturer and its dealer organization. Recommendations of the nation's 6,600 Ford dealers on matters of sales and advertising policy and product development and improvement are sought annually in the meetings at zone, district, region and national levels.

More than 80 per cent of all formal recommendations of the National Dealer Council have been adopted, according to E. F. Williamson, Ford's Oklahoma district sales manager.

Company reaction to the dealer recommendations and information on Ford plans and activity are brought back to the dealer organization in a series of reverse dealer council meetings which will be held this year in August.

By PRICE DANIEL U. S. Senator

Evils of the narcotic traffic are being forcefully described in Washington this the second week of the Senate hearings.

As chairman of the Senate

Judiciary subcommittee to investigate the narcotics problem in the nation, it falls my lot to conduct these hearings. This is the first time that a nationwide investigation has been made of this vicious traffic which causes so much misery and death. It is truly a multimillion-dollar traffic. Our first witness, Harry J. Anslinger, Commissioner of Narcotics, estimates an annual expenditure of some 300 million to 400 million dollars by the nation's 60,000 drug addicts, and he says that much of this money comes from thefts, robberies and other crimes committed by the addicts in order to buy their dope. Anslinger is the world's foremost authority on the drug problem, having served as head of the Narcotics Bureau since it was organized, and he also represents our country on the United Nations Commission on Narcotics.

Texas Faces Problem

Due to much publicity recently about narcotics traffic in Texas, it was heartening to find out from Mr. Anslinger's figures that our State is making progress on arrests and convictions of these law violators. The problem is still bad enough, with our State ranking 7th highest in the nation in the number of drug addicts thus far reported and 6th in the number of narcotic and marijuana arrests. Encouraging is the fact that Texas is 4th in the number of convictions.

Texas officials have reported 771 drug addicts during the past two years as compared with 9458 for New York, over 7000 in Illinois, 2350 in California, 1229 in Michigan, 887 in the District of Columbia, and 785 in Ohio.

During 1953 and 1954 Texas had 1465 narcotic and marijuana convictions as compared with over 6000 each for New York and California and over 3000 for Illinois.

Four Texas Cities Affected Bureau of Narcotics reports show four Texas cities to be among the top 45 cities in the na-

tion in narcotic and marijuana arrests and convictions. Houston ranked 11th in the nation, with 647 arrests and 179 convictions. San Antonio was 18th with 292 arrests and 226 convictions. Dallas was rated 21st with 248 arrests and 85 convictions. Fort Worth was 38th with 69 arrests and 51 convictions. As serious as these figures may be, they are far below such cities as Los Angeles with over 12,000 arrests and 4,000 convictions, New York City with over 8,000 arrests and 6,000 convictions, Chicago with over 6,000 arrests and 3,000 convictions and Detroit with over 3,000 arrests and 430 convictions.

Canadian Senate Committee

Senator Tom Reid of Canada, chairman of the Canadian Senate's Narcotics Committee, consulted with us last week and sat with our committee at the opening session. It is a coincidence that the Senates of these two countries should be investigating the narcotic traffic at the same time. On the other hand, it should not be surprising, because our countries have the same problems in combating the illicit traffic in narcotic drugs. International gangsters are supplying retailers in both countries from the same sources.

The necessity for correction of the present situation becomes more obvious as additional facts are brought out. This is especially true in view of the uncontradicted statements that the main source of narcotic drugs which appear in the United States and its neighboring countries is Communist China. In purchasing drugs the addict is not only de-

grading the moral fiber of our own nation but at the same time is sending dollars necessary for the build-up of our enemies straight to the Communists.

Release of Communist-held Flyers

It was good news last week that four of the American servicemen being held by the Communist Chinese were released. However, there are others still being held in Communist prisons. Every means should be used to obtain their release. So long as world tensions make it necessary for the United States to continue to draft our sons for service in the armed forces of our country, we should afford them every protection which this government can extend. We would like to see strong measures taken to secure the release of the Americans held in prison in Communist China and have urged this to President Eisenhower and the State Department.

one end of its stubby chassis to the other.

Here's what they say about the caterpillar:

As in the case with immature stages of several types of moths and butterflies, the oak worm has poison glands scattered over its body from which arise large, hollow spines.

The tips of the spines readily penetrate human skin and break off, liberating some of the poison. When this happens a serious rash may be produced—especially in children—resulting in systemic disturbances requiring medical attention.

People up East call these sting-ers "buck moths", presumably because they are most active in the fall of the year—during deer season.

Females deposit eggs on oak leaves and twigs, and occasionally on other trees and shrubs. The larvae get along very well together, frequently feeding in

clusters. In addition to their harmful effect on humans, the worms are economic pests in that they damage young foliage. After completing their larval development, they drop to the ground to transform into the harmless adult stage.

The caterpillars have chewing mouthparts and that's the thing that gets them in trouble, entomologists say. It means they can be controlled with most insecticides of the stomach poison type which can be purchased commercially.

Health department entomologists recommend lead arsenate applied to infested foliage at the rate of 1 ounce per 1 1/2 gallons of water.

AUSTIN — It's been a great year for the "oak worms."

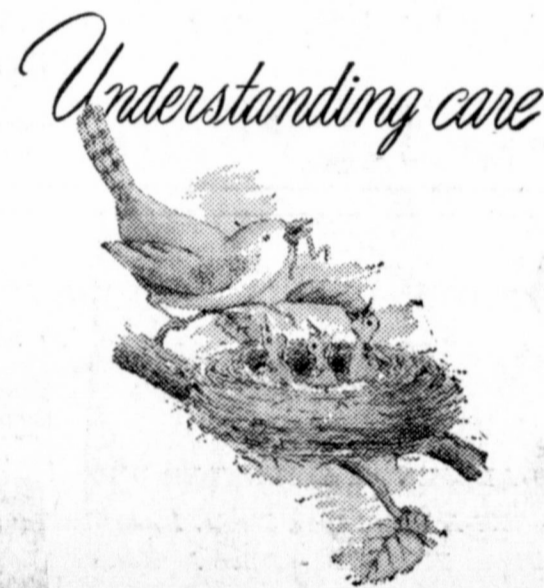

The thick-set, 2-inch long caterpillars with the stinging hairs have been out in force in Texas this spring—notably central regions of the state. Curious youngsters see the crawling leaf-eaters on low hanging limbs of oak trees or on lawns, pick them up and get uglylooking welts for their trouble.

Handle With Care

Tractors are like horses—or mules—in more ways than one. They can be pretty tricky if you don't handle them right.

Too many tractor accidents happen because of carelessness. The day grows hot and drowsy, the job grows monotonous—and bingo! Someone forgets to throttle down when making a turn, or something, and there's a bad spill.

Credit Slim Hartman's missus for the fact that there's never been tractor trouble on their place. Midway through every morning, and afternoon she brings him snacks. "He'll stay on

the alert," she says, "if I get him off the tractor for ten minutes."

From where I sit, carelessness can cause plenty of harm in our off-the-job personal lives, too. For instance, suppose a neighbor prefers a glass of beer with supper. You might not share this particular preference with him—but if you're careless about protecting his right to choose, your own freedom of choice is in danger of being "plowed under."

Highlights and Sidelights FROM YOUR State CAPITOL

By VERN SANFORD
Texas Press Association

AUSTIN—Despite the big news about final passage of the huge tax bill, news about Bascom Giles stole the spotlight from the Legislature the past week.

This time events took quite a different turn.

The climax came when a 75-year-old, retired mail carrier, John Cass Adrian, was arrested and charged with attempting to extort \$800,000 from the former

land commissioner. Filing of the charge against Adrian was preceded by a series of events, all kept secret, dating back to Feb. 1.

Giles reported receiving two letters, prior to the one Adrian is charged with mailing, in which the writer each time asked for \$5,100.

Travis Co. Sheriff T. O. Lang revealed that the first letter, received by Giles before he was indicted, threatened to expose

documentary evidence unless \$5,100 was paid. With this letter was a crude drawing. It directed Giles to a culvert south of Austin where he was to leave the money, wrapped in a burlap sack. He was to drop the money there at 4 p. m. on Feb. 4. Included was a promise to return the money in 30 days—after using it "to pull a deal on the border" that would net \$100,000.

As Giles was out of town, he did not receive the first letter in time to act.

When the second letter arrived, dated Feb. 9, it directed Giles to leave the money in the culvert by 4:30 p. m., Feb. 11, or "the evidence could not be bought at any price."

A trap was set. Giles drove to the drop site and left \$70 in a burlap sack, as deputies watched the area. No one stopped to pick up the sack. But a man later identified as Adrian drove by. After 36 hours of waiting, Giles returned to the culvert and picked up the money.

A third letter then came. It was dated Feb. 11. It advised Giles that the writer was aware of the trap. It read "All three of us was watching you with field glasses when you placed the law on both sides of the culvert - -"

This letter directed Giles to prepare \$800,000 in \$20, \$50 and \$100 bills for delivery at a place and time to be designated in a future letter. But the promised instructions were never received.

When arrested, Adrian flatly denied knowing anything about the extortion attempt. He was released after posting a \$1,500 bond. Trial was set for June 13.

More Taxes Coming
Jefferson Davis' birthday was celebrated by the Legislature. The solons handed Governor Shivers a tax bill! It levied an additional \$49,000,000 per year. Thus ended another bitter tax battle.

As finally voted, the measure provides \$57,038,000 added revenue for general purposes during the next two years. Also \$41,069,000 additional for road work. Thus it furnishes the funds to unblock the \$56,000,000 new money requirements of the \$1,525,000,000 appropriations bill already passed.

It's biggest take was from beer. And a bitter-end fight by beer partisans nearly wrecked the measure in its final stages. Their argument was based on the fact that conferees dropped out of the final bill the Senate's "token" \$2,000,000 levy on "dedicated" natural gas and an intangible assets tax on gas pipelines.

On final passage the tax bill cleared the house only by a 72 to 67 vote; and the Senate by a scarce 18 to 13 margin.

Included in the tax bill was a one-cent increase in the present four-cent gasoline tax; a one-cent increase in the present four-cent cigarette tax; and an increase of \$2.30 per barrel, or six mills per barrel, on beer.

Senators voted a \$3.30 per barrel beer increase while Representatives favored small increases in beer and wine dealers' license fees.

Dropped on the final round were the House taxes on cigars, tobacco, trading stamps, and an

increase in the natural gas production tax.

Rejected were numerous Senate proposals for gross receipts levies on manufacturers, hotels, motels, department stores, metals and chemical industries.

A \$65,500,000 cushion was given the general revenue fund for the next two years. This permitted passage of several small appropriation bills for new courts; for putting state employees under federal security; another \$475,000 for legislative expenses; and grants to state agencies for further investigation of the Land Office and Veterans' Land Board affairs.

Different Money Problem
An entirely different money problem faced the State Board of Education.

Where to find eligible securities in which to invest a cash surplus of \$12,060,095 of its permanent fund was this board's problem.

DONLEY COUNTY SOIL CONSERVATION DISTRICT NEWS

John Knorpp has just completed seeding 20 acres of Blackwell Switchgrass on his place 2 miles west of Clarendon. This planting was made in standard 40 inch rows and will be used primary for seed production. The land was fertilized prior to seeding, the grass and will be irrigated.

Soil Conservation Service technicians assisting the Donley Soil

Conservation District encouraged Knorpp in planting Blackwell Switchgrass as it is especially well adapted to most all soil types in the District. The seed generally has been in short supply and relatively high in price.

Blackwell Switchgrass is an improved strain of common Switchgrass which is native to this area. This grass is highly productive, and is particularly palatable and nutritious for summer use.

The Woodward Field Station's results from a 5 year grazing study of this grass show an average annual gain of 107 pounds per acre and 334 pounds per head with Hereford steers.

If Knorpp's planting proves successful it will be of great benefit to other farmers in the District in providing a local source of this seed.

Hall Hardin, District Coopera-

tor 3 miles northwest of Ashtola, is trying something new for this area in the way of soil improvement. He is interplanting about 100 acres of New Era peas with grain sorghum.

This plan of growing a soil building crop without missing a cash crop has proven quite successful in other irrigated areas. It is like having your cake and eating it too.

Hardin plans to make a trial planting of New Era peas alone and a trial planting of a new summer legume called "Guar". Next year he will follow these crops with cotton and compare the yields with cotton following cotton.

The horned frog's only defense is to shoot a stream of "blood", a reddish fluid, from his eyes to blind an enemy long enough to make an escape.

High time you discovered the difference in Dodge!

Next time you're driving around town, just notice the number of gleaming new Dodge cars you see on the street!
They discover it in the solid, substantial feel of the car—the way it handles and rides. They learn to appreciate it in the deep-down goodness of every part and feature: Doors that don't rattle. Body joints that don't squeak. Windows that work smoothly.
There is really no substitute for the dependability that is built into Dodge. Isn't it time you discovered this difference for yourself?
