PORTRAIT OF A DISASTER which could happen anywhere is this truck-train collision at West Newton, Pa. Almost immediately after the crash, which killed five and seriously injured two, Westmoreland County's civil defense rescue truck went into action with its power winches, cutting torches and other special disaster gear. Complicating the job was an upended boxcar of explosives only two cars away from the one which the truck hit. While CD rescue teams dug into the wreckage, CD auxiliary police helped local officers evacuate a two-block business area until the explosives could be removed. Clarendon Selected As Winner In Area I F.F.A. Chapter Contest

The Clarendon F.F.A. Chapter was selected as the top chapter in Area I in both the State and National F.F.A. Chapter Contest at the Area I Convention held at Lubbock Saturday, May 12th. There are 95 chapters in 28 counties in Area I. Silverton was runner-up to the local group in the Area Chapter event. The Clarendon and Silverton Chapter entries will be judged at the State F.F.A. Convention in July and at the National Convention this fall at Kansas City.

The Chapter contest is based upon the activities carried out by the chapter during the school year. Conduct of meetings, projects, participation in shows and fairs, judging contests, presentation of public programs, community service work, scholarship, and recreation are all considered in selecting the top winning chapters.

The Clarendon Chapter was selected as the chapter having the most outstanding newspaper publicity program in the area and will receive a special engraved plaque from the Texas Vocational Agriculture Teachers Association at that association's meeting to be held at San Antonio in August. The Donley County Leader was selected as the newspaper in Area I that has done the best job of cooperation with and publicizing the vocational agriculture program in its community. A special award plaque will be presented to the publishers of the paper at the August meeting of the Vocational Agriculture Teachers' Association. W. W. Pinkerton, Superintendent of the Clarendon Schools, was selected at the Area Meeting as the superintendent in the Area who had cooperated most fully and who had done the most to promote Vocational Agriculture among the Superintendents in Area I. A special plaque will be presented to Superintendent Pinkerton at the August teachers' meeting by the Texas Vocational Agriculture Teachers' Association. These three awards will be presented at a special awards breakfast during the State Vo-Ag teachers meeting.

Services Held Mon. For Mrs. Clayton

Funeral services were held Monday afternoon at the First Methodist Church for Mrs. Mary Ella Clayton with Rev. E. D. Landreth, Rev. Hugh H. Hunt and Rev. J. H. Sharp officiating. Mrs. Clayton, 79, died Saturday in the home of her daughter, Mrs. Bessie Norman, in Amarillo where she had made her home the past eight years. She was a long time resident of Clarendon prior to moving to Amarillo. She was a member of the Methodist Church.

Survivors include three daughters, Mrs. Laura Mahaffey of Clarendon; Mrs. Thelma Cornelius of Lubbock and Mrs. Bessie Norman of Amarillo; two sons, Roy L. Clayton of Pomona, Calif., and Thomas Clayton of Memphis; two sisters, Mrs. Lee Blackwell and Mrs. Will Daugherty of Weatherford; a brother, J. E. (Ed) Spann, Amarillo; four half sisters, Mrs. Will Campbell of Lubbock, Mrs. Ruth Ford of Lawton, Okla., Miss Ida Mae Spann of Wichita Falls and Mrs. W. E. Donnell of Azle; three half brothers, John Spann and Oscar Spann of Munday and George Spann of Abilene, 11 grandchildren and 9 great grandchildren.

Pallbearers were Graham Saunders, Glen Williams, Jack Robertson, Arlie Wood, John White and J. R. Brandon.

Burial was in Citizens Cemetery with the Murphy Funeral Home in charge of arrangements.

Dusters Win First League Game

The Clarendon Dusters came from behind last Sunday afternoon to defeat the boys from Wheeler 3-2 in one of the best games of the season. The game was played at Duster Park here. Fate Breedlove did a very fine job on the mound for the Dusters and had some good defensive playing to back him up. The Dusters have an open date this next Sunday.

Cattle Grubs Could Be On The Way Out

H. M. Breedlove, County Agent, said livestock producers got good and cattle grubs bad news yesterday when the U. S. Department of Agriculture announced that for the first time the common cattle grub, experimentally, had been prevented from developing within cattle. The chemical, designated for experimental purposes as Dow ET-57, is systemic. It moves through the bodies of cattle to destroy grubs wherever they may occur in the animal's flesh. Research is currently in progress to determine the suitability of ET-57 in terms of grub control, toxic effects on the animals and chemical residues in milk or flesh.

Breedlove said the men responsible for research with ET-57 are entomologists G. W. Eddy and A. R. Roth of the ARS laboratory at Corvallis, Ore., and W. S. McGregor and R. C. Bushland of the Service's Kerrville, Texas, Station. Veterinarian R. D. Radeleff, also at Kerrville, has carried on research to determine toxicity of ET-57.

Cattle grubs cost the livestock industry an estimated \$100 million a year in losses of meat, milk and damaged hides. The pest is currently controlled by the use of the insecticide rotenone. However, it goes into effect only after the grub has spent some 7 months developing as a parasite within the body of the animal.

ET-57 is not the first systemic to control cattle grubs but is the first to prevent their emergence. In the Kerrville tests last year the systemic was fed to grub infested cattle at the rate of 100 milligrams per kilogram of animal weight (a 1,000 pound animal would receive 1.6 ounces). Treatment was made 2 to 5 months before grubs normally appear in the backs of cattle. Only one grub appeared in the backs of four out of five treated cattle while 98 grubs appeared in the backs of five similar but untreated cattle. At Corvallis it was 88 percent effective in preventing grub development.

Annual Celebration Dates Set For July 2-3-4th

L. T. Shelton, president of the Outdoor Entertainment Association, announced this week that this organization had met and set the dates for the Annual July 4th Celebration for three days, July 2nd, 3rd and 4th which will be Monday, Tuesday and Wednesday. Rodeo performances will be held on the nights of the 2nd and 3rd and afternoon and night of July 4th. Arrangements have already been made for the rodeo stock and it was agreed that another free barbecue would be one of the main attractions again this year.

DOYCE GRAHAM

Clarendon F.F.A. Officers Win Top Honors In Area Contest

Doyce Graham, W. T. Elliott, and Charles Bates of the Clarendon F.F.A. Chapter were three of the top winners in the area contests held at Lubbock, Saturday, May 12th. Graham was selected as third highest ranking Lone Star Farmer of the Area I from among the 110 youths seeking the state F.F.A. Degree. He also placed fourth in the Area I Farm Electrification Contest. W. T. Elliott's application for the Lone Star Farmer Degree was approved by the area committee and he was awarded first place in the Area I Farm Mechanics Contest. Bates was selected as winner of the Charles M. Wood Life Conservation Award.

The Clarendon Chapter was selected as tops in the farm safety contests among the chapters in the area, and was awarded a check for \$25. Graham was awarded \$30 for third high ranking Lone Star Farmer and \$20 for fourth place in the farm electrification contest. Elliott was awarded \$25 for first in the Farm Mechanics Contest, and Bates was awarded a \$50 bond for the winner's award in the wildlife conservation contest.

The three chapter members represented the chapter in the Area Meeting and each appeared on the television program televised by the Lubbock Station at 4 p. m. Saturday. Elliott's entry in the farm mechanics contest, the chapter's entry in the chapter safety contest, and Bates' application in the wildlife conservation contest have been forwarded to the State F.F.A. office and will be entered in statewide competition at the state convention in July.

Hedley Legion And Auxiliary Entertain Veterans In Hospital

The Hedley American Legion and Auxiliary furnished a program and refreshments to the patients in Veterans Hospital, Amarillo, recently, Myrtle Reeves had charge of the program and Mrs. Wayne Latimer had charge of all other arrangements.

Cigarettes were passed around to all patients who couldn't get out of bed and cigarettes and refreshments were served to all who watched the program. "If everyone would just go to one of these, you could see the appreciation on each veteran's face. We all came away with such a warm feeling, knowing we had done a little to help them after they have given so greatly of themselves for us to have a free country to live in," was the statement of one of the group from Hedley.

Those making the trip were Mr. and Mrs. Wayne Latimer, Mr. and Mrs. J. D. Foster, Mrs. Kenneth Brinson, Mrs. A. E. Ranson, Clifford Johnson, Booker Shaw, H. C. Crawford, Dr. and Mrs. D. H. Cox, Mr. Hinds, Myrtle Reeves and 13 youngsters from Hedley who gave a wonderful program.

Giles Picnic Slated May 30; First Time In Fifty Years

By Virginia Rogers

For the first time in fifty years, there will be an old-fashioned picnic at Giles, Texas, May 30. As always, all who knew Giles in an early day or, for any other reason, might enjoy the gathering on the bank of Buck Creek are invited to come and share in the festivities.

For several years Giles residents and neighbors had an annual picnic and celebration. May 30th became known as "Giles Picnic Day" and folks came for miles around to enjoy the visiting and fellowship, the good food and baseball game.

The last such celebration was in 1906 at which time the Ft. Worth and Denver Railway Company sent a special train from Childress to bring the baseball team and boosters from Childress to Giles.

There are no tickets to buy, coupons to clip, or wrappers to send in, just come. Quaintness will be the order of the day, with pink lemonade, and singing on the ground. Women in sun-bonnets and percale dresses and men in western attire will be right in style at the GILES PICNIC. Fiddle music, a quartet, community singing, and a baseball game will add spice to the celebration.

As an added attraction at the Giles celebration, Virginia Rogers hopes to have her story, The Giles Chronicle, off the press and ready for sale at that time.

HEDLEY LIONS ELECT NEW OFFICERS

New officers and directors elected at last Thursday night meeting of the Hedley Lions Club are as follows: Ross Springer, president; J. S. Hinds, 1st vice-pres.; C. C. Chesser and Carl Morris.

ATTEND GUILD MEETING

Miss Mantie Graves, Mrs. Dee Williams and Harold Clampitt attended a meeting of the American Guild of Organists in Amarillo Monday evening. This is the last meeting of the Guild for the current season. Mr. and Mrs. Ray J. Lowe of the Sherwood School of Music attended as guests of Miss Mantie Graves.

Dinner guests in the home of Mr. and Mrs. George Bulman Sunday were Mr. and Mrs. B. J. Land and children, Mr. and Mrs. Geo. Bulman, Jr. and family of Dumas, and Mr. and Mrs. Pete Land.

School closing activities will be concluded here this week end with the Senior graduation exercises tonight (Thursday) in the College gym at 8 p. m. and the College commencement Friday night at the same hour and place. The Jr. High services were held Tuesday evening with a large crowd attending.

Dr. A. K. Knott, head of the English Department at West Texas State at Canyon will deliver the address to the seniors tonight. He is regarded as one of the best speakers in this area and it will be a treat to hear him speak to this graduating class. The program for the Senior High commencement is as follows:

Processional — Mrs. Dee Williams.

Invocation — Rev. J. I. Brimberry.

High School Quartet—"Everybody's Got a Home", "Suddenly There's a Valley", accompanied by Joyce Eddings.

Address—Dr. A. K. Knott. American Legion Awards — J. R. Porter.

Knorr Cup Awards—Walter B. Knorr.

Presentation of Diplomas — Supt. W. W. Pinkerton and Homer Estlack, Pres. Board of Education.

High School Quartet—"I Believe", accompanied by Joyce Eddings.

Recessional — Mrs. Dee Williams.

On Friday night, Rev. Richard W. Crews, pastor of the First Christian Church at Pampa, will deliver the commencement address to the College graduates. He is a highly recommended speaker also. The College commencement program is as follows:

Processional — Mrs. Dee Williams.

Invocation—Rev. W. F. Vanderburg.

"Young America Sings"—College Choir.

Address — Mr. Richard W. Crews.

College Trio—"Welcome Sweet Springtime."

Presentation of Diplomas — Dean R. E. Drennan and Alfred McMurtry, Vice Pres. Board of Education.

"Lords Prayer"—College Quartette.

Recessional — Mrs. Dee Williams.

Everyone is invited and urged to attend all of the graduating exercises. There will be plenty of room for everyone.

Supt. W. W. Pinkerton announced that final exams would be completed today and that all buses would run at the regular time both Friday morning and again Saturday morning. Students will turn in their books Friday and on Saturday they will come back again to receive their report cards. This extra day was needed for teachers to complete their records.

Two Youths Charged In Connection With Entering Theatre

Two local youths have been charged here as juvenile delinquents in connection with entering the Mulkey Theatre late Saturday night according to Sheriff Truett Behrens.

Behrens reported the youths had rented a room at the Donley Hotel, climbed out a window and took to the roof tops to enter the Mulkey Theatre thru the air-conditioner trap. A case of gum and approximately \$1.50 in pennies were found in their possession.

After spending the remainder of the night and most of Sunday in the county jail, the youths were released to their parents until Monday, May 21st at which time a hearing will be held in County Court before Judge Jack Gray.

Sheriff Behrens stated that both youths had records of previous law violations.

State Patrol Force Needs Young Texans

Captain J. W. Blackwell, Commanding Officer of the Amarillo District of the Texas Highway Patrol, said today that applications are being received from young Texans who are interested in appointment to the state patrol force.

The Patrol Captain said that he will be happy to talk to prospective candidates at his office in Amarillo, located at 2200 East 10th Avenue. He pointed out that the last Legislature authorized an increase of 200 men in the Patrol's strength and that the remaining vacancies would be filled through examinations given state-wide late in June from the list of applicants filing between now and June 10.

General qualifications for appointment to the Texas Highway Patrol, according to Captain Blackwell, include the following: age 21 to 35 years, inclusive; high school education, or equivalent; minimum height of 5 feet 8 inches; weight in proportion to height; good moral character; perfect physical condition; and excellent character.

Rookie Patrolmen are paid during their training and probationary period, the Captain said, and other job benefits outlined by the Captain include: two weeks paid vacation annually; sick leave; State Retirement and Federal Social Security.

Application blanks may be obtained from the District Patrol Office in Amarillo or by writing to Chief W. J. Elliott, Texas Highway Patrol, Austin, Texas.

DR. OLIVER S. WILLHAM

CANYON — Commencement speaker for West Texas State College's 230 candidates for degrees May 20 will be Dr. Oliver S. Willham, president of Oklahoma A&M College.

Combined baccalaureate and commencement exercises will be held in the WT field house at 5 p. m. May 20, according to President James P. Cornette. Spring commencement was held there for the first time last year.

First graduate to attain the presidency of Oklahoma A&M, Dr. Willham has spent nearly half his life on the Stillwater campus.

He has been president since January 1952.

Dr. Willham moved with his family to Oklahoma in 1907, settling near Randlett, where his father was a cattle feeder. He attended school in Randlett and entered A&M in 1919. He was graduated in 1923 with a B. S. degree, majoring in animal husbandry. Dr. Willham received his masters degree in animal breeding at Iowa State College, and his doctorate in animal breeding and genetics there in 1935.

Shortly after his graduation from A&M in 1923, Dr. Willham joined the staff of Panhandle A&M college at Goodwell. He became dean of the college in 1927 and vice-president in 1929. He became assistant professor of animal husbandry at Oklahoma A&M in 1934, and vice-dean of agriculture and a full professor in 1939.

With the appointment of the late Dr. Henry G. Bennett to a State Department post in 1950, Dr. Willham was selected as executive vice-president of A&M. He assumed the presidency in 1952.

NAVY CHAPEL DEDICATED

MALTA—The first U. S. Navy Chapel to be built on the island of Malta was dedicated recently with an overflow congregation in attendance.

The Protestant members of Fleet Aircraft Service Squadron (Special) 201, based at the Royal Naval Air Station, Hal Far, Malta, are visited monthly by a U. S. Navy Chaplain, but had no regular place of worship until the chapel was completed. Men of the Roman Catholic faith attend local civilian churches.

A Sunday School begun in 1954, and carried on under lay leadership, underscored the need for chapel facilities and prompted

squadron members to begin construction.

The first director of the WAVES was Captain Mildred McAfee Horton, former president of Wellesley College.

GABIE BETTS BURTON LIBRARY NOTES

By May L. Prewitt

The Pulitzer Prize awards were announced. "The Diary of Anne Frank" by Albert Hockett, and Frances Goodrich won the drama award for their stage adaption of the Diary of a 13 year old Jewish girl who died in a Nazi concentration camp in World War II. "Andersonville" by Mackinley Kanter is an historical recital of the horrors of a Confederate Prison Camp of the Civil War. This is the fiction prize winner. We have the abridgement of the latter in one of the Readers' Digest condensed versions.

We received "Spurgeon's Sermons on the Sermon on the Mount" as a Mother's Day memorial to Mrs. T. B. Lumpkin from Jim Lumpkin and his daughter Patti. Our spiritual shelf has some excellent material.

The local readers are interested in the "Collier's Magazine" this week as there is a feature with wonderful photographs and a very good story of the J. A.

Ranch, but it didn't rate cover advertising as a teenage article and a baseball discussion were cover suggestions. This J. A. feature was better written than Life Magazine story of the ranch a few years ago.

Mr. W. W. Taylor gave us a volume on Insurance from the First National Bank. It is an attractive edition on the subject.

A friend brought several recent magazines for the rack this week. We have such limited space that we can't possibly keep our magazines after they have been read. We keep the issues three months, and then find somebody who can use them.

JR. H. D. CLUB

The Jr. H. D. Club enjoyed a Mexican dinner at Patching Club House Thursday, May 10. The entertaining rooms were decorated to carry out this theme. The buffet table was laid with a dark cloth and centered with a bare-grass surrounded at the base with spring flowers. Small tables were marked with colorful flowers in Mexican containers.

After lunch a business meeting was held. The following officers were elected for the coming year: President, Leona Henson; Vice President, Helen Land; Secretary-Treasurer, Edith Spivey; Reporter, Polly Schull. Plans were made for the family picnic to be held in the summer and all old business was dispensed with.

Twenty members were present.—Reporter.

PATHFINDER CLUB

The Pathfinder Club held its annual musical tea Friday, May 11th, at 4:00 p. m. in the First Methodist Church. The delightful musical program was furnished by local and out-of-town artists. Mrs. Frank Phelan, Jr. welcomed the members and guests, and introduced Mrs. Olean Leggett, program chairman.

The program was opened with "A Prayer Perfect" sung by Larry Stewart, accompanied by Mrs. J. N. Weaver. Following, Harold Clampitt played a beautiful arrangement of organ numbers.

George Keeter, of Groom, played two groups of violin solos and two groups of piano solos. Accompanying him at the piano for the violin arrangements was Mrs. J. R. Carney, also of Groom.

A reading, "Were You There?" was given by Sandra Barnhill. Rebecca King, accompanied by Harold Clampitt at the piano, entertained with two groupings of violin solos.

Rounding out the program, the sextette composed of Glenda Borden, Catherine Dingle, Joyce Hall, Nedra Hodge, Pat Knox, and Elizabeth Smith sang two songs—"Trees" and "A Prayer." The accompaniment for the first was played by Harold Clampitt while Joyce Eddings provided the accompaniment for the second.

After the program, guests were served punch from a beautifully appointed table in Fellowship Hall. Presiding at the crystal services were Mrs. L. N. Cox and Mrs. Frank Phelan, Jr.

Hostesses for the afternoon were members of the social committee composed of Mesdames Heckle Stark, chairman, George Benson, C. E. Bairfield, Royce McCluskey, Lynn Leathers, and Forrest Sawyer. Mrs. Pete Kunz presided at the guest book.—Reporter.

TEXAS MU GAMMA

GAMMA KAPPA PICNIC ON SJ RANCH

Mrs. Charlotte Word of the SJ Ranch was hostess to the Gamma Kappa Chapter of Delta Kappa Gamma Society, Saturday, May 12th.

Members from Childress, Wellington, and Memphis arrived at the home of Mrs. Velma Weaver around 10:00 A. M., left their cars, and were driven out to the ranch by the Clarendon members.

Upon arrival at the ranch guests that were daring enough to face the West Texas prairie winds strolled over the beautiful ranch grounds while others spread the bounteous picnic lunch. At 12:00 noon all were willing and ready to consume the delicious food that had been prepared by Mrs. Word and the Clarendon group.

In the afternoon the meeting was called to order by the president, Miss Zady Belle Walker. Miss Lucile Polk, as program chairman, introduced the following numbers: a poem "True Enough" by Mrs. Marguerite Goodner; a talk "The Truth About Teachers" by Mrs. Mame MacCasland, a guest from Groom, and a talk "Things That Attract to Teaching" by Mrs. Charlotte Word. Mrs. Word also played several of her own compositions, "The Sandman," "The Green Meadow March," "Prayer of St. Francis" and "Margaret's Waltz."

At the conclusion of the program a business meeting was conducted by Miss Walker. Reports on the state convention were made by the four delegates who attended. The meeting was concluded with the installation of officers for the ensuing year. The group then extended their thanks to Mrs. Word for her hospitality and for being such a delightful hostess.

Clarendon members who attended were Mesdames Olean Leggett, Marguerite Goodner, Claudine Todd, Hazel Brandon, Velma Weaver, Anna B. Ballew, Misses Mary Howren, Edgar Mae Mongole, Ruth Richerson, and Lucile Polk.—Reporter.

PICNIC RECITAL HELD IN STUDIO

Pupils of Miss Mantie Graves enjoyed a picnic recital in the Studio Saturday morning. Students came dressed in their levis and peddle pushers. Parents and guests were entertained with a program consisting of piano solos and several songs in commemoration of National Music Week.

Following the program, the group went to the river for lunch and play. Each child brought a lunch for himself and guest. Games were played and marshmallows toasted.

Taking part on this unusual program were Carol Cornell, Barry Hudson, Dennis Stewart, Betty Dever, Scheillon Barker, Mary Louise Caldwell, Millie McMurry, Robert Moss, Gayle and Jerry Bones, Marjorie Fraser, Jennie McAnear, Karen Knopp, Connie Williams, Sue Yankie, Glynelle Hoggatt and Dianne Moore.

Everyone reported a good, good time!

BUSINESS WOMEN'S CIRCLE

The Business Women's Circle of the Baptist Church met in the home of Jane Bownds, Monday evening, May 14. Nine members were present.

Emma Ayers gave the devotional and Juanita Heatherly gave the lesson from the last chapter of the book of study, "The Tribe Goes Up." A short business meeting was held.

The next meeting will be held May 28 in the home of Mrs. Regan Bryan. —Reporter.

Guests in the home of Mr. and Mrs. C. W. Martin Sunday were Mr. and Mrs. Merl Holland and boys and Mr. and Mrs. Doyle Martin of Amarillo; Mr. and Mrs. Theron Holland and sons of Lelia Lake.

HEDLEY BUFFET SUPPER

The Sodalitus Club of Hedley were hosts to the 1919 Study Club and a number of invited guests Thursday evening, May 10 in the School Cafeteria.

Mrs. Jay Stewart invited the guests into a festive decorated dining room. The table was gay with balloons, flowers and popcorn along with a horn and a circus hat marking each place. A buffet supper was served and Mrs. L. D. Moore gave the invocation.

After a delicious meal and visiting, Sue Weatherly showed the film of last years party which everyone enjoyed, especially the costumes worn last year.

Sue Weatherly, in charge of the program, introduced Evelyn Messer, Ring Master of Barnum-Bailey Circus. She entertained with all the circus-acts from the jolly clowns to the wild woman in chains. Each character wore appropriate costume and entertained in a wonderful way. The Madam Zato fortune teller read some very humorous fortunes for the guests.

Club members taking part in the circus were Sue Weatherly, Betty Morgan, Charlene Wells, Mary Ruth White, Odell Moore, Dorothy Brinson, Ida Lou Dixon, Joy Stewart, Deloris Ray, Mary Lou Adamson and Myrtle Reeves. High school girls assisting were Linda Hansard, Sandra Davis, Sandra Youree, Wanda Penick and Retha Ranson. —Reporter.

MUSIC STUDENTS HONOR MOTHERS

On last Saturday afternoon the music students of Mrs. Page Harmon presented a very interesting Mother's Day Musical program, honoring their mothers at the music studio.

Later Cokes and cookies were served to all present.

1926 BOOK CLUB

The members of the social committee of the 1926 Book Club honored Mrs. Carrie Porter at the annual President's Dinner Tuesday evening, May 15, at Patching Club House.

The ladies of the Methodist Church of Lelia Lake served an elaborate meal from a beautifully appointed table. Garden flowers decorated the individual tables.

Mrs. Mollie Ritter gave a humorous reading, "A Visit to the Photographer's Studio." Mrs. Porter presented her outgoing officers with daintily wrapped gifts, and after she made a speech of appreciation to the members of the club, she introduced Mrs. Virgie Johnson, the incoming president.

Mrs. Dorothy White called on each member to relate the high points of the club year. The club members will enjoy two meetings during the summer, a breakfast and a picnic. —Reporter.

An invitation is extended to the public.

FORMER CLARENDON GIRL WINS MANY HONORS

Every one here recalls the personal Miss Marianne Longan. This winsome young lady has really "gone places" in her school work in Greeley, Colorado to which place the family moved some two years ago. The following is but one of many publicity articles which this winsome young lady has been honored. The article is copied from the Greeley, Colorado newspaper, as being most interesting among a number of publicity compliments paid her. We know that her many friends in Clarendon will be delighted to know of Marianne's many accomplishments in her new home.

"Marianne Longan, or shall we say "Miss Personality Plus," always has a cheerful "Hi!" for everyone. She has been a student at College high for only two years, but she is a friend to all. "Her friendliness has won Marianne the honors of being president of FTA, vice president of the Girls' Association, vice chairman of the social committee, a member of Pep club, and alternate choice for DAR girl. Last year she was vice chairman of the noon hour committee and secretary of Mr. Shoemaker's advisory. "She was a candidate for BA queen last year, this year was crowned Junior Red Cross queen, and is a candidate for Prom queen for 1956. In the Exchange Assembly this year she was one of the sparkling Bop-a-loos.

"Her future interests lie in Colorado A&M, where she plans to enroll next fall to study veterinary medicine."

Mr. and Mrs. Jack Hewitt and children of Abilene visited thru the week end with her parents, Mr. and Mrs. H. R. Hensley and Leon. Mrs. Hewitt and children remained for the week.

Jr. College Business Administration Classes Make Field Trip

Thursday, May 10th, students of Mr. Oliver J. Able's Business Administration classes of the Clarendon Junior College made a field trip to Amarillo by car, where they were guests of Furr Food Store Inc. for a tour and observation of a large business in operation.

Mr. Able and his students were met at the entrance of Furr's Business and Warehouse building at 4th & Jefferson by Mrs. Emmadene Ockander, assistant personnel director, who directed them to the company coffee shop, where they were introduced to Mr. Nichols, produce manager of the Amarillo warehouse; Mr. Robinson, head of the bakery department and Mr. Frank Beasore, advertising director, while the students enjoyed coffee, Cokes and doughnuts and other pastries furnished by Mr. Robinson's department. Mrs. Ockander gave a brief history of the late C. W. Furr, founder of the Furr Foods Inc. Mr. Furr first entered the grocery business in 1903 with a small general store at Kirkland, Texas. Later he bought into the M-System and Piggly-Wiggly groceries and later formed his

own chain of Food Markets bearing his name. At one time Mr. C. W. Furr's sons, Ray (now president of the Lubbock stores) and Key (now president of the Amarillo stores) attended the Old Clarendon Methodist College.

Furr Food Inc. now operates 30 stores in 4 states—Texas, Oklahoma, Colorado, and New Mexico. 19 of these stores are supplied with fresh produce, market and drug items from the Amarillo warehouse. These items are delivered by Furr's refrigerated trucks regularly.

After refreshments the students were invited into the business offices where they met Mr. Larsen, head of this department; he in turn introduced a number of the business employees who demonstrated the operation of the different office machines—such as the National Cash register and bookkeeping machine on which the operator writes the payroll for over 750 employees weekly, the comptometer, etc.

From the business offices next came the advertising department where Mr. Beasore gave a brief talk on the different advertising agencies used by Furr's, such as TV, newspaper, radio and show window banners. He explained some of the "joys" and "headaches" of his phase of the business. Next he had two of his artists demonstrate and explain the art of silk screen printing and its use in the home as well as in industry.

Mr. Nichols conducted the students on a tour of the warehouse storage vaults. First they visited the dry vault where the dairy products, eggs, etc. were stored—the temperature being 40 degrees. Next the wet vault was shown where the leafy vegetables, tomatoes, watermelons and other perishables were stored. Upon leaving the business-warehouse build-

ing, they went by car to the recently opened Furr Super Market at 4021 S. Washington. There they were met by the store manager and a number of his employees who were excellent hosts as they guided them through the store, giving explanations and wherever possible demonstrations in each department of the store. For instance the stocker clerk price marked 24 cases of milk in 13 seconds.

In the meat department, meat was cut, cleaned, packaged and labeled. It was brought out several times in the lectures that Furr's operate on a large scale. They sell their merchandise at the lowest possible rates for a quick turn over.

After the tour ended at the retail store on Washington, Mrs. Ockander, Mr. Nichols and the store employees invited the students back and gave a small memento. The greatest gift however, to each student was the knowledge of viewing a large business in operation and the hearty welcome that was felt in every department visited.

Those attending were: Instructor, Mr. O. J. Able and students, Doris Newberry, Howard Hensley, Jimmy Garland, Richard Liner, Billy McDowell, Lola Duhon, Wanda Sibley, Eva Lee Farr, Sue Talley, Nita Heatherly, Harold Clampitt, Joyce Dunn, Allene Estlack, Boyd White, Lucy White, Broadius Spivey, Ruth Ann King, Edwin Berlin, Robert Duncan, Susie Jones, Jo Ann Crawford. —Student reporter.

Theodore Roosevelt said he wished not to "preach the doctrine of ignoble ease, but the doctrine of the strenuous life."

Longest Korean truce negotiation talks lasted two years and 17 days, with 575 meetings.

Corporal Killed Rescuing Buddy

EDITOR'S NOTE—The following is a reprint from the **CAMP PENDLETON SCOUT, Camp Pendleton, Calif.**
 A Division Marine used his last moments to save a companion before going to his death in an overturning road grader on Horno Ridge road last Thursday afternoon, April 26, 1956.

Dead of internal injuries is Cpl. Ralph A. Phillips, "B" Co. 1st Eng. Bn. His assistant driver, Cpl. Kenneth F. Hay, also of "B" Co. was dazed but uninjured.

Cpl. Phillips, son of Rev. and Mrs. Ernest Phillips of Clarendon, Texas is being recommended for the Navy-Marine Corps Medal for his valiant act of heroism.

Phillips was returning to his organization after doing some road-grading when the grader began to overturn on a steep bank.

According to Hay, Phillips shouted for him to jump and gave him a push. Phillips stayed in the grader's cab trying to fight the roll. Hay said.

A doctor pronounced Phillips dead at the scene of the accident. An autopsy revealed that death was instantaneous.

Memorial services were conducted at the Camp Christianito's North Chapel Center Monday morning for the deceased. Members of his family were in attendance.

A spokesman from the Engineer battalion said an investigation is underway to determine the exact cause of the accident.

Leonardo da Vinci, famous Renaissance painter, invented an aeroplane.

Vincent van Gogh, the artist, once cut off his ear and presented it to a woman.

NATIONAL INVENTORY ON SOIL AND WATER CONSERVATION ANNOUNCED

Work will begin immediately on a national inventory of soil and water conservation needs. The inventory, according to Secretary of Agriculture Ezra Taft Benson is intended to equip the Department for more efficient planning and carrying out of its work involving soil and water.

Each county in the United States will be inventoried. Plans call for completing the initial work in three years, with periodic revisions thereafter to keep the information and figures up to date.

Benson said, "With the inventory, we can make reasonable estimates of the magnitude and urgency of the various conservation measures needed to maintain and improve the country's productive capacity for all the people."

BETTER MANAGEMENT NEEDED ON LATE PLANTED CROPS

Recent rains over much of the state have greatly improved the prospects for a cotton crop. The lack of moisture had forced a delay of planting and in some areas will be as much as three weeks late.

Growers generally realize, that greater risks are involved with late cotton. Experience last year showed that late planted fields produced below average yields and returned little or no profit. But the use of the best known production practices can help close the gap.

Of prime importance are early weeding and insect control. The use of the rotary hoe and weed seedlings. This type of cultivation is cheaper than slower row-type cultivation and get the young cotton off to a fast start. If a rotary hoe isn't available why not rent one, or even consider a purchase. Spot-planting for controlling johnsongrass is also recommended.

Insects must be controlled on late cotton in order to get a set of the first bolls. Local county agents can supply copies of the Texas Guide for Controlling Cotton Insects.

Mrs. Florence Parnell of Van Nuys, Calif. visited Mrs. Ethel Mann Monday afternoon.

THE LION'S TALE

By Carl Allmond

The food was as good as usual; still you could feel the absence of the most faithful booster the Clarendon Lions Club has had for the past thirty five years. Our Chief Cook, Mrs. G. A. (Mava) Anderson underwent surgery last Thursday, and will be out of circulation for several days. Boss Lion Lowe read a "thank you" note from Mrs. Anderson, and expressed his and the club's wishes for her speedy recovery.

Lowe also reminded the club of the District Convention to be held in Amarillo Thursday, Friday, and Saturday. Lions Burton, Bartlett, and McGee were elected as delegates.

In presenting program chairman Drennan, Lowe informed us that there would be no announcements by Drennan. Well! we couldn't believe it, so we objected. Drennan made a feeble attempt to tell us about the different closing exercises of the school system; then we got all mixed up, and don't remember what he said. Did he have a cold?

John Gillham and his "prize-winning boys" pulled Drennan out of the hole again. The boys brought a shot gun and a 22 rifle with them to give away by a drawing. To keep the drawing honest and on the up and up, Gillham asked us to draw the lucky names. Jack Gray won the 22 rifle, and George Weatherall the shot gun. We won what George shot at. Charles Bates, Carl Talley, W. T. Elliott, and Doyce Graham were with Gillham as his top prize-winning FFA's. After these boys win first, then they go ahead and take 2nd, 3rd and 4th places. Supt. Pinkerton was nominated by John and won 1st in his class, as doing more than any other Supt., in working with the F.F.A. chapter in Area I. The Donley County Leader also won 1st place in the area for promoting the local chapter, and informing the public of their activities. "The Lion's Tale" also ran! After the gun drawing and John's justifiable bragging on the boys, he presented Carl Talley as one of the best 1st year boys he has had the privilege of instructing. Mr. Talley gave the club a startling report on soil erosion. Everyone must have been broke Tuesday, no guests; just old home week.

Mr. and Mrs. Ray Hefner and Patsy of Amarillo visited Sunday afternoon with his parents, Mr. and Mrs. A. O. Hefner.

Mr. and Mrs. Paul Mullings of Brownfield were week end guests in the home of Mr. and Mrs. D. E. Stevenson.

Mr. and Mrs. C. T. Williams left Monday morning for Los Angeles, Calif. and vicinity where they will visit with their children.

Mrs. Bob Baird has been confined to her bed the past week.

Mrs. Ethel Mann and Mrs. A. C. Carter visited Mrs. Sam Roberts at Lelia Lake Friday afternoon.

Mrs. Mark Allen and Mrs. Ethel Mann shopped in Memphis Monday morning.

PICNIC ITEMS

A new addition is gaining popularity as an item for the family picnic basket this summer. It isn't something to eat or drink, but still an item that can help make these outings more pleasant for all concerned. Families are discovering that tossing a well-planned first aid kit in next to the catsup and mustard bottles will do the job. Salt tablets (for heat fatigue), iodine and bandages (for cut fingers), eye drops (for sun-strained eyes) and sun-tan lotion (for sun-burned backs) will prove a real aid in bringing the family back in the evening as happy as it was when it left in the morning.

COTTAGE COMFORT

When you make that final check of supplies before leaving for the cottage this summer, be sure you have provided for your family's physical safety as well as its comfort. And take these items with you—you might need them on the way. You should have iodine and bandages; sun-tan lotion if you are planning much beach activity; eye-drops; aspirin and salt tablets.

By VERN SANFORD
Texas Press Association
AUSTIN—Texas is buzzing with activity!

Although political squabbles take the headlines, the state's general prosperity affects the average Texan's life more significantly.

In almost all areas—industry, construction, retailing and employment—the graphs are pointing up, up and up. General business activity hit a new record high—4 per cent above 1955 and 6 per cent above the first quarter of last year.

Texas also is out in front in national comparisons. Estimates of gross national production show a 3 per cent rise for the first quarter of '56. Texas' rise was 4 per cent.

Retail sales in Texas were up 3 per cent over the first quarter

of 1955. Department stores led with 5 to 10 per cent increases.

Texas' increase in industrial activity is regarded as the most significant factor in the overall picture. Business research experts believe that Texas will receive more than its proportionate share of the \$34,000,000,000 which industry is expected to spend nationwide on new plants this year.

Contractors are confident they are headed for a record year. April construction totaled \$88,000,000—an increase of \$21,000,000 over April of '55.

Employment followed the general upward trend. This, despite drought-crippled farm activity. Latest figures show 2,248,200 wage earners in March. That is 115,000 more than for March of last year.

POLITICS IS BOILING

In bitter precinct battles, Gov. Allan Shivers lost the first skirmish of his long political career. Sen. Lyndon Johnson led all the way in the rural areas. He also won in San Antonio, Houston, Fort Worth and Austin. Of the metropolitan centers, Dallas alone went for Shivers.

Just as the rural vote cost Ralph Yarborough the governorship in 1954, so did the small towns defeat Shivers in 1956. In the final analysis, it was the Country Boy's vote that was the hub of victory.

FARMERS GET NEW HOPE

Farmers over wide areas of Texas are full of optimism. Long-awaited rains, the heaviest in years, fell in North, Central and East Texas.

However, even where it rained, substantial moisture deficiencies have not been wiped out. But to many farmers the wonderful rains that finally came made them look forward to a good year.

SANFORD CLEARED BY COURT

A decision with far-reaching effect on political advertising expenditures has been handed down by the Court of Criminal Appeals.

The decision was made in connection with an application of Vernon T. Sanford, Texas Press Association manager, for relief from two indictments returned against him by a McLennan Co. Grand Jury. Indictments charged he had violated the Texas Election Code by spending more than \$25 for political advertising in behalf of Ben Ramsey for Lt. Governor in 1954.

Sanford and the TPA Board of Directors contended that any law which limits an individual to a \$25 expenditure prohibits freedom of expression and therefore is unconstitutional.

In reviewing the matter, the court found that two laws on the same subject were in direct conflict. Each limited advertising to widely different amounts and set different penalties. Therefore

both were declared invalid.

Result: Charges against Sanford were dismissed and Texas now has no applicable law regarding political advertising expenditures by an individual.

LABOR LAW AT STAKE

Atty. Gen. John Ben Shepperd was forced into the role of apprehensive spectator in the fight to save Texas' right-to-work law.

He asked, but was refused, U.S. Supreme Court permission to be heard. He did, however, lend moral support and advice as Nebraska's attorney general argued in the high court for his state's law.

Nebraska, like Texas and 16 other states, has an anti-closed shop law which unions contend is in conflict with the National Railway Act.

Reason for Shepperd's apprehension is the general belief that Nebraska's case is weaker than the Texas case, which still is tied up in state court.

PLOWIN' Out the CORNERS

Our good friend, Lester Grumpke after all these many months still has to go to the hospital from time to time for more plastic surgery as a result of the near fatal burns that he received a few years back. Lester in our opinion is certainly a brave young

man. Most of us can build ourselves up to one or more visits to a hospital but when these trips come by the dozens we know it must take courage. Right now he is in John Sealy Hospital in Galveston. Everyone drop him a card or a letter real soon. You will be glad that you did and if he should be out and back home when your card arrives we know that the hospital will send his mail on to him.

We have another thing that we need help on. Another good friend of ours is trying to locate Frank Coleman, who is a Texas lecturer, entertainer and lawyer, who was featured at one time by the late Robert Ripley as the "Armless Marvel". Now that we have thought it over we remember the article. Mr. Coleman spent much of his time giving needed help and inspiration to veterans. Anyway, if you know anything about the present whereabouts

of Mr. Coleman please write this information to us, or send it directly to Mrs. Mable White, Strahan, Iowa. We will appreciate your help in getting this information for this friend of ours, who her own self gives much of her time to the good and happiness of many shut-in folks. Please help us with these two requests.

"The most successful physicians are those who mix hope and faith with the medicines they prescribe."

Someone has said that: "Hot Heads go with Cold Feet". It is said that a person that loses his temper easily is usually a "Bluffer", and when "Called" is likely to be a "Quitter."

In reading over the reports from the Panhandle counties and their county Democratic Conventions all looks beautiful and peaceful and quiet. It doesn't even look like that any fireworks will develop on the state level. In fact, Sen. Johnson and the favorite son nomination seemed to go together like a horse and carriage, or love and marriage. Anyway you look at it Mr. Johnson

has had a phenomenal rise in the eyes of Texas voters and we certainly want to wish him the best as he takes over the leadership of the greatest political party from the state with no equal anywhere. We hope along with thousands of Texans that he can be the leader that can hold high the traditions of our great Democratic Party and at the same time keep for us as Texans the rights and privileges that are our own heritage. This job carries with it staggering responsibilities; this leadership of our party, and the man who accepts this leadership needs the help and understanding encouragement of every Texan. We for one believe that there must be a way in which we can be real Democrats and still remain true Texans. Let's hope and pray that this leader can show us the way. He deserves a chance.

Last week along with our sheriff and Brother Jack Matthews of the First Christian Church in Claude we made another visit to Boys Ranch. This time we again had the joy of attending another meeting of the MM U.P.O.A. This organization made up mostly of peace officers from all over the United States has for its main purpose the improvement of the facilities at the Ranch. During the something over two years that this group has been organized a brand new school building has been built. Through their help and leadership this quarter of a million

dollar project was possible. Many people joined in with their money and became honorary members. It was a wonderful thrill to visit at the Ranch again and to see the pride of these boys in this new school. The project for the next year is to be a new dining hall. It is needed and we just know that it will be built. Judge Clarence Williams of Panhandle is the treasurer and anyone donating as much as one dollar can become a member and have a part in this grand project. If you send your dollar to us we will pass it along to the Treasurer.

TWO FROM CLARENDON ELECTED OFFICERS AGGIE RODEO ASSOCIATION

STATE COLLEGE, N. MEX.—The Aggie Rodeo Association at New Mexico A&M College has elected officers to serve during the year of 1956-57. A team to compete in the Intercollegiate rodeo at West Texas State College May 13 and 14 has also been chosen.

Gary Schlothauer, sophomore animal husbandry major from Las Cruces, was elected president. Other officers are Don Thornberry, junior animal husbandry major, Clarendon, Texas, vice president; Martha Oliver, junior animal husbandry major, Alamo, secretary; John Downs, junior agronomy major, Albuquerque, treasurer; and Bill

Porter, junior animal husbandry major, Clarendon, Texas, parliamentarian.

The team chosen to enter the West Texas State rodeo are Lannie Terry, Pete Fredericks, Buzz Fredericks, Tommy Perez, Slim Lockhart, Don Thornberry, Betty Sims, Buddine Fredericks, and Pat Dunigan. These members will be attempting to raise the team standing above the third place they hold in this region.

From where I sit... by Joe Marsh

Doc Nurses a Daydream

It's a treat when I get together with Doc Sherman. The Clarion keeps me much too busy—and Doc, well I think he puts in sixteen hours a day at the hospital.

But Tuesday—a beautiful day—he and I slipped away for a ride around Turtle Lake. Doc's driving a 1956 humdinger—it's like riding on a cloud.

Anyway, at one point Doc slowed almost to a halt. "Used to fish there as a boy, Joe," he said. "Used to sit and imagine myself up on the highway driving a high-powered car. Nowadays, I

just sit here and wish I were down there again."

From where I sit, few of us are ever content with the way things are at any given moment. It's human nature. On the other hand, I've been rooting for years that someday everybody will show enough good American tolerance to respect his neighbor's right to enjoy a friendly glass of beer. When that day comes I assure you that I'll never want to change back.

DONLEY COUNTY SOIL CONSERVATION DISTRICT NEWS

Selective Service may be applied to the land just as it has been applied to the nation's manpower during the war emergency.

According to the most intensive use that can be safely made of them with essential soil conservation practices, lands of the Nation can be grouped into eight different classes. Under this system of classification, the heaviest burden of crop production is placed on the best land.

The first four classes are suitable for cultivation:

Class I—may be cultivated indefinitely, with no special treatment other than good farm management.

Class II—may be cultivated indefinitely with the use of simple practices to protect the land.

Class III—may be cultivated indefinitely with the use of intensive treatment or practices to protect the land.

Class IV—land that is best

suitable to permanent grass, but which may be cultivated occasionally, primarily to erosion-resisting crops, with very intensive practices.

The next three classes are for land not suitable for cultivation: Class V—land suitable for permanent vegetation. It is only slightly susceptible to deterioration, and requires no special practices or restrictions in use.

Class VI—land suitable for permanent vegetation but subject to moderate deterioration. It requires moderate restrictions in use, with or without special conservation practices.

Class VII—land suitable for permanent vegetation but subject to severe deterioration. It requires severe restrictions in use, with or without special conservation practices.

The eighth class of land is for land suitable for neither grass, woodland, nor for cultivation. It is land of little or no economic value, except for wildlife purposes. Our riverbeds are an example of this class of land.

After a landowner has applied to the district for assistance in establishing a conservation system on his land, the first step taken is a soil conservation survey by the Soil Conservation Service. This survey is an inventory of the land resources, to determine the soil type, the slope, the use being made of the land, and the extent and kind of soil erosion. Land classifications are based on this

information and are used in working with the landowner to plan the needed conservation treatment of his property.

Condition classes also are worked out for ranges by range surveys. An excellent range is one that is producing its greatest possible quantity of the best quality forage. Ranges are classed "good," "fair" or "poor" as they deteriorate from the excellent condition. This information likewise is used in planning for the conservation treatment of the land.

Once the conservation plan is completed, technical assistance is given through the district by the Soil Conservation Service in establishing the practices. Technicians run lines for terraces, contour ridges, help to select, design and stake out stock pond locations, to design other small structures, and to give other types of assistance, such as the planting of shelterbelts, retiring land to grass, and management of fish ponds.

Requests for district assistance may be given to the individual supervisors, or to the Soil Conservation Service technicians. The Soil Conservation Service office is in the County Agricultural

building located in the block southeast of the courthouse.

SOCIAL SECURITY INFORMATION

"Self-employed farmers past age 65 who had net profit of at least \$400 or gross income of at least \$800 from their farming activities in 1955 should discuss their cases with a Social Security representative as soon as they have grossed \$800 in farm income in 1956," said John R. Sanderson, manager of the Amarillo District Office.

Mr. Sanderson explained that optional methods of determining the amount of farm earnings to be credited to their Social Security accounts are available to farmers in the above income brackets

under some conditions. He added that it is important for an accurate Schedule F to be filed with Internal Revenue Service as part of the income tax return in order for proper Social Security credit to be given.

To assure accurate advice with respect to their specific cases, these older farmers are urged to take with them a copy of their complete 1955 tax returns, including Schedule F, and a statement of their gross farm receipts and expenses so far in 1956 and meet their Social Security representative as soon as their gross receipts in 1956 reach the \$800 level.

A representative from the Amarillo District Office will be in Clarendon on May 21 at 9:30 A. M. and can be contacted at Court House. If you have any questions about your particular case, he will be glad to answer your question.

"But Can It Be Found In The Bible?"

People often indignantly demand that Catholics prove their teaching from the Bible. The Bible is their "rule of faith" ...and they argue that every man has the right and ability to discover for himself, by his interpretation of the Bible, what he must believe and do in order to be saved. We do not question the sincerity of these people and we applaud all who strive earnestly to understand and observe the Scriptures. But—are they right in calling the Bible, privately interpreted, the sole source of Christian teaching? "Hold the teachings that you have learned," wrote St. Paul, "whether by word or by letter of ours" (2 Thess. 2:15). He refers to Christian teachings, some oral, some written ...and demands that all be received. Christianity did not begin with the Bible. It began with the coming of Christ. The Lord instructed His Apostles to "go forth ... teach all nations" — and to insure that His truths would always be maintained, Christ established His Church, "... the pillar and mainstay of the truth" (1 Timothy 3:15). The last part of the Bible ... written by St. John ... was not completed until 60 years after the Crucifixion of Christ. There was no Bible in anything resembling its present form until nearly 400 years after Jesus had died on the Cross. And the widespread distribution of the Bible as we know it today was impossible until the invention of printing, some 1400 years after the Savior's death. By what "rule of faith" did the millions of Christians live during those 1500 years? The answer is, of course, that the teaching of the Church was the rule of faith for the Christian world. And St. Paul reminds us that Christianity consists of "one Lord, one Faith, one Baptism" (Eph. 4:5). "God is a God of peace, not of disorder," St. Paul said further (1 Cor. 14:33). Yet today we have nearly 300 different religious denominations, all calling themselves Christian ... all professing the Bible as their rule of faith ... and all differing to some extent or another in their understanding of what the Bible means. Could Christ have left a "rule of faith" that would permit such confusion? Would He have left the interpretation of His Word to the fallible and changing judgments of men—when our very souls depend on a correct understanding and observance of the things Christ has taught us? Because it certainly does matter what a man believes, we invite you to examine the rule of faith of the first Christians—a rule that is still maintained by the Catholic Church. Because the Bible is God's Word, and because He gave it to us for a purpose, we invite you to see what this purpose is. An interesting pamphlet on the correct use of the Bible, will be sent to you free, in a plain wrapper. And nobody will call on you. Ask for Pamphlet No. KC-13.

Emergency

*What do you do
when you can't wait?*

COPYRIGHT 1956 D. E. SCOTT

WHEN A CRISIS COMES

- ... and you need a prescription filled at midnight
- ... or your plumbing starts leaking
- ... or your car won't start
- ... or you run out of clean shirts
- ... or when the cupboard or the baby is bare

DO YOU saddle up and take a day off to get the matter taken care of in the City, or do you write to a catalog house for help?

OF COURSE NOT. Likely you hardly recognize these and similar predicaments as crises.

Because YOU'VE GOT NEIGHBORS, right here at home . . . with their skill and their money invested in establishments able to take most of your troubles on their own shoulders so quickly

that you scarcely notice they are difficulties at all.

But HOW MANY skilled craftsmen, and good business men, and good neighbors, and good workers in civic and church affairs, and good taxpayers . . . how many of these have cut down their stocks, laid off employees, or left the country . . . because all you were buying from them was the things you couldn't wait to get somewhere else . . . and how many will leave in the future to go where your money is going?

*It Pays to Buy
where you Live*

YOU get Everything that Your Money Pays for --- Merchandise and a trade-invigorated community to live in --- when you buy from your home town merchants ---
