NUMBER 39

Local Blood Bank to Collect Wednesday

One of the best kept secrets of the nation is the information relative to the Panama Canal deal. We heard something about it in last year's political campaigns, and occasionally heard other statements since. But all we really know is there's a controversy over giving the canal to Panama. And as Paul Harvey stated a short time ago, about three fourths of us are opposed to the giveaway.

Apparently, however, we are no less informed than the U.S. Senate. As related by Vincent Drosdick in August 15 Spotlight, Senator William Scott of a Senate subcommittee studying the deal states that "it just isn't true that the administration has kept the Senate informed on canal treaty talks."

If that's the fact it means that just one elected person, the president, and his group of appointed official officeholders outrank the 100 senators who are elected by the American people. It makes one wonder whether this is a representative form of government or one man rule.

A skimpy news release last week said that by terms of the treaty the canal will become the possession of Panama at the end of this century, also that opposition is growing in the Senate and Ronald Reagan will participate in a nationwide effort to stop the deal.

Lots of legitimate objections have been advanced during the past year, the most important probably being that we bought the zone fair and square and spent big money in constructing the canal. It is ours by the most fundamental principles of possession.

Another big reason is that our country's best interest is betrayed by turning over control of the canal to a dictator who is in cahoots with the global communist conspiracy.

With those people in charge, we're not even assured that the canal will still be available to us. It could be a sticky situation in case of international tensions.

Under these circumstances only, the thought of the giveaway is flabbergasting. But wait, there's more. Senator James Allen of the Senate subcommittee was amazed in light of figures of up to \$5 billion being considered as payments to Panama for accepting the canal.

Some people, it seems, are concerned about Panama's welfare and its poor economy which could adversely affect Panama's ability to efficiently operate the canal. In other words Uncle Sam is expected to give the canal plus a \$5 billion fund to operate it.

However, this is not how it is understood by Rep. George Hansen of Idaho. He's quoted as saying "the current wheeling and dealing over the Panama Canal and a proposed sea level canal is a cleverly contrived fraud designed to benefit big international corporations by a rip-off of the American taxpayer."

In his opinion "the panic for an early treaty to authorize the giveaway of the Panama Canal is nothing more than a blatant attempt to bail out a number of big international banks who desperately want financially troubled Panama's assets shored up to protect large loans soon to mature."

"The big banks will be well taken care of if they can get American taxpayers to shell out the \$5 billion currently (Continued on Page 10)

The next collection for the Muenster blood bank will be held next Wednesday, August 24, when the Bloodmobile of the Red Cross blood center of Wichita Falls makes its semi-annual visit to town. Personnel of the center will have their facilities set up in the K of C hall from 2 to 7 p.m., and will be assisted by local hospital and auxiliary people.

The quota again is set at 100 pints, the quantity normally used in a half year by patients of Muenster Hospital and residents of the hospital district receiving transfusions in other hospitals.

A generous response is especially urged, partly because this is a critical use time with increased need of the blood and partly as a matter of community obligation and pride. The collection

of only 49 pints in February is the smallest since the program started here several years ago. As a result the community is overdrawn at the blood bank and needs to go over the top to get back in good standing.

Another inducement is the financial advantage of maintaining the program. Patients receiving this blood are not charged for it, because it is given free by the donors. The only charge is for collection, processing, storage etc., usually, about half the cost of a transfusion with commercial blood.

The program is possible through cooperation of twenty six communities, including Muenster. All draw on the Wichita Falls center and each in its turn provides for the entire system. In this way all have a constant supply of fresh blood. And the success of the system depends on each community doing its part.

The program is possible through cooperation of twenty six communities, including Muenster. All draw on the Wichita Falls center and each in its turn provides for the entire system. In this way all have a constant supply of fresh blood. And the success of the system depends on each community doing its part.

Tom Hesse Is SH Alumni President

Election of officers and plans to participate in a number of football-season events were principal features of the SH Alumni meeting on August 10.

Tom Hesse is the new Alumni president. Charles Bayer is vice-president; Mrs. Angelo Nasche (LaVerne) is secretary and Mrs. Ervin Henschel (Carol) is treasurer. Retiring officers are Claude Bayer (Mary) and Mrs. Dave Berres (Kathy).

Chairmen were assigned for the concession stands during home football games. It was announced that "The Disco" will play for the Homecoming Dance following the football game; also that Corkey and the Del Rays will perform for the New Year's Eve Dance.

Coach Stock attended the meeting and reported on progress of his 46 member squad. In other business, chairmen were named and volunteers accepted to operate two concession stands at the parish picnic on September 4.

Sales Tax Rebate Shows Increase in Business Volume

Business in Muenster continues at 14 per cent better than last year, according to a report received from State Comptroller Bob Bullock's office this week with the latest rebate of city sales tax. To date this fiscal year the city has received \$29,118 as compared with \$25,490 at this time last year.

However, the city's rate of increase is definitely behind the state's, which was reported at 19 per cent ahead. The city's check for the period ending July 29 was \$3,014.69. With it was a statement indicating gross tax collection of \$3,138.99. Deducting the 2 per cent collection fee of \$62.78 and amount retained of \$61.62 accounts for the remittance of \$3,014.69.

Sales tax receipts at this stage of the fiscal year in other cities of the area were reported as follows by the comptroller's office: Gainesville \$242,874, up 8%; Lindsay \$20,796, up 9%; Nocona \$47,851, up 1%; Pilot Point, \$13,808, up 12%; Saint Jo, \$8,166, up 8%; Sanger \$11,686, up 12%; Whitesboro, \$30,523, up 12%.

Survivors are his wife; two sons Jerry and Will; two daughters, Mrs. Mitzi Biggins and Mrs. Norma Lehmann; ten grandchildren and two great grandchildren. Leonard Endres is a nephew and Mrs. Agnes Lehnertz is a sister-in-law.

Tiger Scrimmage Scratched, Hornets Will Test Nocona

Plans for two local scrimmages Friday went awry when Trinity Valley of Fort Worth informed Sacred Heart Tuesday that it is unable to come because of a present shortage of players on the team.

However, the other contest is still on schedule as Nocona's Indians come here for a test with the Hornets. It will be preceded by a meeting of junior varsity teams of the two schools, starting at 6 p.m.

Attendance at the event is free, but coaches are asking for towels and soap in lieu of a charge, with emphasis on the towels.

Rate Lower But County Tax Bill Will Be Higher

The tax rate in Cooke County for the next fiscal year has dropped from \$1.00 to 90 cents per \$100 of assessed valuation, but tax bills will be substantially higher because of a hike in assessed valuation from 20 to 30 per cent of actual value.

This means that property worth \$10,000 formerly was assessed on the county roll at \$2,000 and the tax bill, at \$100 per hundred, was \$20. But now the assessed value is \$3,000 and the tax bill at 90 cents per hundred comes to \$27. An estimate of the county at this rate was set at a million dollars whereas the present year's tax income is expected to be near \$750,000.

All but one member of the commissioner's court approved the rate, the other preferred to retain the \$1.00 rate because of financial strains facing the county. Some of the anticipated increases of expense are the ambulance service, the new jail, salary increases and higher insurance cost.

Salvage Paper Drive Resumes At Sacred Heart

Sister Mary John Seyler has announced a tentative plan to re-activate a paper drive at Sacred Heart School, with acceptable types of paper strictly regulated by the collecting agency.

She said her purpose is two fold: a paper drive lends an ecological boost to the community and gives a financial assist to the school.

The Wichita Paper Company has placed a covered container between the grade and high schools. It will remain in place until filled. Sister M. John said that arrival of additional containers will depend on the response the drive receives from the community. Therefore, she encourages good cooperation from all residents.

However, only newspapers will be accepted. No cardboard boxes, no books, no magazines, nor any other paper products may be included, because the machinery of the paper company can handle only newspapers. The reclaimed product is recycled to produce more paper.

Newspaper bundles should be tied but not boxed and must be kept dry at home and at school. Sister Mary John cautioned that moisture-damaged newspapers will not be accepted by the paper company.

Proceeds of the drive will benefit Sacred Heart School. Curtis Pagel, Kim Walterscheid, Wayne Wimmer, Bert Walterscheid Mark Klement, Floyd Felderhoff, Carl Pagel, Kim Hale, Duane Knabe, Eddie Serna, Neil Walterscheid and Lenzy Dyer.

Junior Varsity: Ricky Winn, Phil Wolf, Tim Hermes, John Zimmerer, Monte Wimmer, Larry Fleitman, Bob Hamric, Michael Sicking, John Walterscheid, Jeff Tempel, Gary Zimmerer, Jim Biffle, Benji Luke, Mark Felderhoff and Robert Weinzapfel.

Members of the Muenster Quarterback Club will have their first meeting of the season next Tuesday night, the 23rd at 7:30 in the MHS auditorium.

On their program are the annual election of officers and a movie of the Hornets' Friday night scrimmage with Nocona. In addition there will be a short report on the club's activity since the past football season.

New Principal Is Army Retiree

Alford Winn, the principal just appointed to succeed Charles Cash at Muenster Public School, is a former army career man who retired in 1968, after 22 years of service, to enter the teaching field.

He is a native of Marlow, Okla., 48 years old, received a BS degree from Cameron University of Lawton, Okla., and a Master of Education degree from North Texas State University. He also attended Sam Houston State University and the University of Oklahoma.

His army service includes assignments to Guatemala, Honduras, Vietnam, Korea, Japan, Guam and Hawaii. He has been awarded the Army's Commendation Medal.

Since entering the field of education he has taught five years at Fairfield High School and was principal one year at Cummy. He is qualified as a teacher of Spanish and business, also as a principal and superintendent. His wife and four children expect to move here during the weekend.

Hornet Coaches Are Happy with Season Outlook

In the middle of their second week of practice the coaches of Muenster's Hornets are looking forward confidently to a good season. Jerry Stinson, the new head man of the athletic department, said the fellows looked great in their Tuesday workout, measuring up to the high rating they are receiving from the football prophets.

A single sad note at this time is Kevin Klement's fractured collar bone, which will sideline him through most of the pre-conference action. Otherwise the team is well, and endowed with both experience and size.

Eleven of the 23 varsity members are seniors, veterans of last year's hot team which advanced to quarterfinals of the state race. Though some of the former talent was lost by graduation, all of the carry-overs have gained in size and experience. Along with strength in the line they have good speed in the backfield.

However the outlook is not as bright for the junior varsity which is handicapped in experience, size and depth. The team is made up of five sophomores and nine freshmen, and the huskiest of the lot weighs only 145 pounds.

The two rosters, directed by a coaching staff of Jerry Stinson, Don Osterman, Biff White and Herb Ellis, has been named as follows. Varsity: Nick Walterscheid, David Felderhoff, Phil Wolf, Todd Richey, Randy Reiter, Bryan Sicking, Gregg Wilde, Deryl Zimmerer, Kevin Klement, Gary Hermes, Fray Webster.

Junior Varsity: Ricky Winn, Phil Wolf, Tim Hermes, John Zimmerer, Monte Wimmer, Larry Fleitman, Bob Hamric, Michael Sicking, John Walterscheid, Jeff Tempel, Gary Zimmerer, Jim Biffle, Benji Luke, Mark Felderhoff and Robert Weinzapfel.

Swim Season Will End Next Sunday

The 1977 swimming season in Muenster will end next Sunday, September 21, at the pool's regular closing time. Park Manager made the announcement this week pointing out that both schools will enroll students Friday, and the pool's business traditionally declines sharply at that time.

Arrangements to have one be made by phoning the pool, 4393, before the Sunday closing, or phoning Sandy Diftfurth until Sept. 28.

Too often habits make men instead of men making habits.

Schools Will Have Registration Friday

In just a few days it's going to be back to school for the students of Muenster. They will register Friday at both Muenster Public School and Sacred Heart and then have a few more days of freedom before reporting for first classes on Thursday, the 25th.

The enrollment at Sacred Heart is a come and go event from 9 to 3 o'clock in the high school library. Elementary as well as high school students will enroll there.

On Monday, Tuesday and Wednesday teachers will be occupied with meetings and arrangements of schedules, and the school year will start on Thursday with a special liturgy at the 9:30 Mass in Sacred Heart Church.

Registration at the public school will be a three hour operation, 9 a.m. to noon. Buses are scheduled to arrive in time for a 9 o'clock assembly of all students, kindergarten through grade 12, in the auditorium. After that gathering they will be assigned by groups to the rooms in which they will register. They will be sent home before noon.

After enrollment the faculty will be back Monday through Wednesday for three days of in-service duty before the first classes starting at 8 a.m. Thursday.

Golfers Invited To Meet Aug. 24 on Organizing Club

Persons interested in organizing a golf association in Muenster will have an opportunity to get together and talk it over Thursday night, August 25 at 8 p.m. in the auditorium of Cooke County Electric Co-op. The meeting will be sponsored by the Muenster Chamber of Commerce.

Johnny Pagel, president, said the chamber's only purpose is to bring the subject up for consideration in relation to the city's proposed lake, and let local people carry on if they are interested.

Denton Team Wins Slo Pitch Tourney

Two Denton teams had it out in the wee hours of last Sunday morning, and when it was over Silver Dollar was declared champion of the 1977 Schlitz slo pitch softball tournament with a perfect, undefeated record. Number 2 was Quick Gas.

The contest just before, to determine third and fourth place honors was won by First Reality of Gainesville over Quicksilver of Dallas. Number 5 was the hosting Schlitz team, which was eliminated by the Big D outfit.

Besides trophies to the four top teams, there was another Montague for sportsmanship. The tournament was hailed as a great success presenting 20 North Texas Teams in a marathon playoff including several classic contests. And something extra special were two fifteen minute time out periods of respectful silence during rosary service at the funeral home.

Neatness was another, distinguishing feature. After every night's closing the hosts and wives and friends gave the place a thorough cleanup. Members of the Schlitz team are John Monday, Danny Endres, Cary Jenkins, Larry Gobble, Roger Endres, Tim Wolf, Rodney Flenor, Terry Walterscheid, Tim Endres, Mark Lippe, Bobby Hermes, Tom Flusche and Randy Wolf.

The elementary faculty of Sacred Heart has been announced as follows by Sister Georgia, principal. Sister Lillian Marie, Gr. 1; Connie Beznar, Gr. 2; Kathy O'Rourke, Gr. 3; Anna Hermes, Gr. 4; Charles Smith, Gr. 5; Sister Lenore, Gr. 6; Dorothy Bengfort, Gr. 7 & Science 8; Jane Smith, Gr. 8; Sister Alberta, Reading and Religion 3; Ken Stock, assistant PE and teacher aide; Sister Christopher, Language Arts 7, assist in reading lab and Religion 5. She returns to SH after an absence of 10 years.

Ruth Felderhoff, part time music and primary library. Sister Georgia, Principal, Gr. 8, Reading, Math, Religion. Mrs. O'Rourke, new on the staff received a degree from NTSU in 1971, will move here from Denton when quarters are available. Her husband teaches at Gainesville State School. School will be dismissed at 2 p.m. August 25 and September 1 (Thursdays). Other days until September 2 it will be dismissed at 2:30. A reckless driver is one who passes you on the highway in spite of all your car can do.

Schools Will Have Registration Friday

In just a few days it's going to be back to school for the students of Muenster. They will register Friday at both Muenster Public School and Sacred Heart and then have a few more days of freedom before reporting for first classes on Thursday, the 25th.

The enrollment at Sacred Heart is a come and go event from 9 to 3 o'clock in the high school library. Elementary as well as high school students will enroll there.

Nursing Home Has New Owner

In a transaction completed last week and effective on September 1, W. D. Fuson became the new owner of the Muenster nursing home succeeding O. D. Garland.

The transfer includes a change from the present name of Hillcrest Manor to St. Richard's Villa. Fuson will be the owner-operator and Mrs. Richard Cain will be the administratrix.

Another announced change is an increase of services. The institution will have residential facilities for senior citizens as well as a continuation of its nursing care.

Trustees Adopt \$457,376 Budget

A budget of \$457,376 was adopted by trustees of the Muenster School District at their annual budget meeting in August.

The amount is based on this year's record to date, which indicates a probable expenditure of about \$442,000, plus an upward adjustment for continued inflation.

Principal items of expense for the year were listed as follows. Instruction \$267,486; pupil transportation \$41,930; debt service \$49,571; general administration \$32,604; plant services \$26,870; school administration \$19,500; instructional resources \$13,685; and a number of smaller items added to \$5,810.

Income to support the program is expected from two sources. Local revenues are estimated at \$338,125 and state funds at \$165,555. A more detailed listing indicates local maintenance tax at \$280,665, debt service tax at \$53,460 and other local revenue at \$4,000. Funds anticipated from the state amount to \$165,555, and the principal items are per capita and foundation \$139,500 and transportation \$23,305. Total revenue from the two sources is \$503,680, which should leave a balance of \$46,304 if all the guesses are correct.

Master Degree Awarded by TWU To Sandra Hoenig Sandra Sloan Hoenig is one of 112 students awarded a Master of Education degree on Saturday, August 13 at Texas Women's University, Denton. She completed requirements for a master's degree in the field of language and learning disabilities in special education.

Sandra is the daughter of Mr. and Mrs. Mike Sloan, and is married to David Hoenig. This fall she will begin her fourth year as a special education teacher in the Bridgeport Elementary School System. Attending the graduation ceremonies on Saturday were her husband; her parents the Mike Sloans, her sister and brother-in-law Mr. and Mrs. Paul Caplinger.

City Officer Will Attend Texoma Police Academy

Carlton R. Armstrong, 28, of Gainesville is a new member of the Muenster Police Department under provisions of a Title 2 federal grant in cooperation with the Texoma Regional Planning Commission.

He is under contract to the city for one year on condition that he will attend a nine weeks training course at the Texoma police academy in Sherman. Classes of 4 hours four days a week and 8 hours on Wednesday are a part of his regular duty. On graduation he will be officially certified as a police officer.

The program is a part of the nationwide federal program for improving police departments. Police chief Jim Eaves said the city has an ongoing opening of the same kind and invites interested persons to come and inquire. The police department now has three regular officers. . . Armstrong along with Chief Eaves and David Province, and Mrs. Jim Eaves is a part time volunteer officer.

Mr. and Mrs. Armstrong and their two children will continue living in Gainesville until they make arrangements for living quarters here.

23 Kids Practice For SH Junior Hi

The Tiger Cubs of Sacred Heart's seventh and eighth grades turned out 23 strong Monday morning for their first practice of the 1977 season. With their first game scheduled for September 6, they are making an early start to get ready for the action.

Eighth graders are Brian Herr, Curtis Hesse, Hal Mollenkopf, Mark Miller, Chris Mosler and Darrell Swirczynski.

Seventh graders are Mike Bartsch, Keith Bayer, Mike Dangelmayr, Gene Haverkamp, Joe Hennigan, Ricky Hennigan, Lonnie Henschel, Darrell Herr, Troy Hess, Chris Rohmer, Craig Stoffels, Floyd Truhenbach, Greg Walterscheid, T. J. Walterscheid and Wade Walterscheid.

3 Days of Week Top 100 Degrees

The community has had no relief from the heat in the past week and very little relief from the drought. Though encouraging clouds moved in occasionally they gave up only .04 inch on the 12th and .15 on the 16th. Along with .77 inch measured on the 1st, the month's total rainfall is .96 inch, and the year's total is 24.03.

Temperature has been equally disappointing with a solid week ranging from 95 to 102 degrees. High-low readings were recorded as follows by Steve Mosler. August 11, 99 & 71; 12th, 95 & 73; 13th, 100 & 74; 14th, 99 & 74; 15th, 96 & 78; 16th, 102 & 80; 17th, 100.

Attends Dettien Reunion
Mrs. Odella Dettien returned Monday from Amarillo where she attended the Dettien family reunion Sunday, August 7. Joining her there were her children and their families, Mr. and Mrs. Jerry Det-

ten of Garland and Mrs. Bill Farrar and two children of Fort Worth. Recent surgery prevented Billy Dettien's attendance. The Dettien family tree shows that in 87 years since members have kept a family history, the relation-

Mrs. Elizabeth Neu, center, was honored last week Tuesday during the SNAP luncheon at the Community Center, in observance of her 106th birthday on August 21. Shown with her are her daughters, Mrs. John Kupper, left and Mrs. Catherine Hermes, right. Mrs. Neu received a mauve satin banner inscribed with her venerable age. The banner was designed by Mrs. Dan Luke and presented by Mrs. Gladys Lutkenhaus. A decorated birthday cake, honoring six senior citizens who observe birthdays in August, was served to 80 who attended the SNAP luncheon.

Mrs. Neu was born in 1871 in Minnesota, was married to Joseph Neu in Iowa and they moved to Muenster. He died 40 years ago. There are three daughters, two sons, 25 grandchildren, over 106 great-grandchildren, and one great-great-grandchild. Mrs. Neu makes her home alternately with Mrs. Kupper and Mrs. Hermes.

ship has grown to 427 members. More than half of these attended the all day reunion held in a park in Amarillo. Mrs. Dettien drove to Amarillo with the Peter Trieb family who was enroute to a sight-seeing trip in Carlsbad, New Mexico, Juarez, Mexico and Colorado. She returned to Muenster with the Jerry Dettens and Mrs. Farrar. The Trieb's have also returned to Muenster.

3 Weeks Vacation Ends for Walters

Mr. and Mrs. Al Walter and their son and family, Mr. and Mrs. Claude Walter and four children of Miami, Oklahoma vacationed together for three weeks, traveling in two cars, July 23-August 11.

Their first stop was in Mineral Wells to visit the E. J. Swirzynski family. In Phoenix, Arizona they were guests of Al Walter's nephew, Rod Everette and family where the Charlie Everettes were also visiting. They are sons of Mrs. Charles Everette, the former Sylvia Walter of Olney, Ill.

The two Walter families continued their vacation in Sequoia National Park and the redwood trees. They also saw the General Sherman Redwood, believed to be the earth's largest living thing.

They went sightseeing in Carson City, Nevada, Virginia City ("Bonanza" territory) and in Reno.

They spent five days in Richland, Washington, visiting their son and brother & family, the Gene Walters.

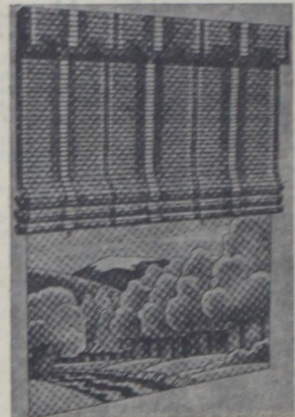

Together, the three families went sightseeing over a wide area, visiting in Grandview, Washington, with former Muensterites, Charlie Schmitt and daughters and spent one day with Mr. and Mrs. Leo Schmitt in Yakima, Washington.

They also saw the Hanford Science Center where Gene Walter works and the Cooley Dam, north of Richland.

Enroute home the two Walter families toured the Norman Temple area in Salt Lake City, Utah, went sightseeing in many places in

Kary Phillips of Dallas spent a two week vacation with his maternal grandparents, Mr. and Mrs. Al Yosten. Last Wednesday they visited the Bobby Yosten family of Eulem. Friday Kary's mother and brother, Mrs. Dan Phillips and Paul came for the weekend and Kary went home with them Sunday.

Bluebonnet HD to Sponsor CF Drive

The Bluebonnet Home Demonstration Club is sponsoring the 1977 Breath of Life Campaign in Muenster for the North-East Texas Chapter of the Cystic Fibrosis Foundation. The announcement was made by Houston E. Holmes, Jr., president of the Chapter. Heading the local drive are

Mrs. Linda Vogel, club president and Mrs. Betty Walterscheid, chairman.

Holmes pointed out that, "through volunteer efforts and increased community support, we may one day realize a future in which children no longer suffer from lung-damaging diseases, the most serious of which is cystic fibrosis."

Little more than a decade

ago the CF Foundation was working to keep children with cystic fibrosis alive long enough to start school. Now, the foundation is trying to help some of these same patients, who have grown to young adulthood, enter college or find jobs.

"Longevity has increased year by year," Holmes said, "and we have every hope that scientists will find a control

or cure for cystic fibrosis. A major purpose of the CF Foundation is to conquer this tragic inherited disease which occurs once in every 1,600 live births in the United States."

Icebergs are always formed of fresh water.

A person normally has twelve pairs of ribs.

Cain Baptism

Cory Michael Cain, infant son of Mr. and Mrs. Chris Cain, was baptized in Sacred Heart Church on Saturday, August 6, with Father Stephen Eckart officiating.

God-parents were an uncle and aunt, Mr. and Mrs. Dickie Cain of Ardmore. Cory wore a christening suit given to him by his maternal grandparents, Mr. and Mrs. Ray Wilde.

Attending the baptism were the baby's parents, his sister Christin, the god-parents, the grandparents Mr. and Mrs. Ray Wilde and Mrs. Richard Cain; the great-grandparents Mrs. Joe Wilde and John Schmitz.

Also Mr. and Mrs. Mike Sturm and Amy of Gainesville, Mrs. Wayne Trachta, De Ann and Cody of Norman, Oklahoma; Mrs. Gene Hartman, Jeanna, Pam and Doug of Denton; Mr. and Mrs. Bill McCollum, Kelly and Tracey of Dallas; Mrs. Jimmy Christian, Richey, Kevin and Chad of Lewisville.

Also a great aunt who is Mrs. Chris Cain's godmother, Mrs. Al Horn; Shawna and Troy Cain; Robynn, Stephanie and Melanie Richey.

Mr. and Mrs. Ray Wilde hosted a gathering for all for refreshments and picture taking, following the christening service.

NOTES FROM THE LIBRARY

The Texas Summer Reading Club program has come to a close. All readers are asked to bring their reading logs to the library and receive their certificates, before school starts to close a successful 1977 season.

In July the library staff shelved 257 new books. A few of the adult books are "What to do about the Flu" (how to avoid, and how to survive it); "When Your Parents Grow Old" (includes what Medicare will and will not pay for); "You are What You eat" (a common sense guide to the modern American diet); "The Great Food Processor Cookbook" (the definitive book on the new wonder-working food processors that are revolutionizing home cooking, with over 400 recipes, etc.); "The Golf Swing" by Cary Middlecoff (a study of all the champion swingers); "Trappers, Traps, and Trapping"; the 1976 issues of Illustrated Football and Basketball rules; "Warning to the West" and "From Under the Ruble" by Solzhenitsyn.

Children's books include over 20 of the I Can Read Series, "I Watch Flies," "Beginner's Book of Trains," "Costumes for Nursery Tale Characters," "Wild Orphan Friends," and "Glory, Glory, How Peculiar" (a collection of 15 popular tunes with words that kids have created to go with them).

Come in and see for yourself all the interesting books we have processed this summer. Library hours Tuesday and Thursdays, 8:30 to 5; Wednesdays, 3 to 6.

The game of volleyball was first played in the U.S. in 1895.

The knot, or sea-mile, is about one and one-sixth land miles.

THANKS

I want my relatives and friends to know how much I appreciate their cards, visits, flowers and prayers while I was a patient at Muenster Memorial Hospital. Special thanks also to Dr. Juarez, the nurses and hospital staff for their kindness and care and to our neighbors who brought gifts of food when I arrived home. R. D. joins be in saying "Thank You".
Mrs. Ruby Morris

We would like to express our sincere thanks to our many friends and relatives for their kindness during the loss of our loved one.
Mrs. Martin Friske and family

We would like to take this opportunity to thank everyone for the Masses and food sent during our recent bereavement. We are grateful to Dr. Antonetti, Father Placido and Father Stephen, S. H. Choral Group, Hospital Staff, Hillcrest Manor Staff, and also for the wonderful dinner we received at the K. C. Hall.
The family of Annie Knabe.

The Miller Funeral Home expresses sincere thanks to the managers and ball players of the Schlitz Slo-Pitch Tournament, for their consideration and cooperation in maintaining a period of silence and in stopping all activity during the prayer service at the funeral home Thursday night.
Nick and Adelina Miller

Our sincere thanks to all our friends, relatives and neighbors, the priests, doctors and nurses for their concern, help, love and support during the long illness and at the death of our dear mother. God bless you all.
The family of Kathene Huchton

Pelzel on Duty in Western Pacific
Navy Aviation Electronics Technician James D. Pelzel, a graduate of St. John's of Ennis, son of Mr. and Mrs. Carl Pelzel and grandson of Mr. and Mrs. Joe Hoening, is on an extended deployment in the Western Pacific.

He is a member of a Tactical Electronic Warfare Squadron aboard the aircraft carrier USS Constellation. The squadron recently visited Singapore, the Philippines and Thailand. Additionally, when the Constellation crossed the Equator, initiation into "Ancient Order of the Deep" was held for squadron members who had never before "crossed the line". The squadron will participate in training exercise with other Seventh Fleet units and will visit other Western Pacific ports.

The squadron's "Prowler" jet aircraft are specifically equipped to conduct electronic warfare (jamming) operations in addition to their all-weather ability to detect and locate enemy targets.

Hospital Notes

The following patients were dismissed during the past week at Muenster Memorial Hospital.

Tuesday, Aug. 9: Robert Knabe Sr. and Mrs. August Lutkenhaus, Muenster; Charles Clayton, Gainesville.

Wednesday, Aug. 10: Mrs. Wayne Moseley and Mrs. Giles Walterscheid and baby boy; Mrs. Enrique Martinez and baby girl, Gainesville; Kevin Bentley, Denison; Mrs. Cora Bellah, Nocona, Charles Young, Dallas.

Thursday, Aug. 11: Randall Frazier, Henrietta, Thomas Howell, Saint Jo; Rayfield Wright, Dallas; Mrs. Herbert Richardson, Forestburg.

Friday, Aug. 12: William Reinart, Lindsay; Mrs. Ronny Ward and baby boy, Gainesville; Mrs. Mark Tompkins and baby boy, Keller.

Saturday, Aug. 13: Kenneth Reiter and Mrs. R. D. Morris, Muenster; Mrs. Wm. Englebright, Gainesville.

Sunday, Aug. 14: Mrs. Clem Reiter and Patricia Reiter, Muenster; Charles Welch, Saint Jo; Mrs. Charles West, Decatur.

Monday, Aug. 15: Theresa Luke and Sister Theresina, Muenster; Jeff Brown, College Station; E. P. Wood Jr., Gainesville, Antonio Hernandez and Margasito Escamilla, Dallas; Mrs. Lex Prescher, Valley View; Mrs. Herbert Richardson and baby boy, Forestburg; Thad Garrison, Denison.

Guests of Mrs. R. D. Morris after she was dismissed from Muenster Hospital recently have been her sisters Mrs. Effie Morris of Myra and Mrs. Paul Groves and Mr. Groves of Sanger, and a neighbor and friend, Mrs. Lena Wilcox.

Heat Wave Ups Power Bill

Most customers of Texas Power & Light Company have experienced higher electric bills this summer, compared to the same period of 1976. TP&L Manager Mike Arrington says that while a portion of the increase may be due to the recently implemented rate increase, the major responsibility for the higher electric bill can be attributed to 1977 summer's blistering heat.

Temperatures over this area have closely paralleled those in the Dallas-Fort Worth area, and records of the National Weather Service in Dallas show just how hot it has been.

In the first 15 days of July, records of the NWS office show high temperatures have averaged 100 degrees, as compared to the 89 degree average for the same period in 1976.

It was also unseasonably hot in June, with a 96 degree average high for the month. This is considerably above the 90 degree average for the 30 days of June 1976, records show.

Even the month of May was considerably above normal. High temperatures in

May averaged 88 degrees, compared to 79 for the same month a year ago.

It is no surprise that air-conditioning equipment has been working overtime. Consequently, use of electricity is up considerably.

Company officials who have charted the patterns over the past ten years say energy used during the periods requiring air-conditioning increases about 2.5 to 3% for each degree Fahrenheit increase in the temperature.

Given the temperature differences of 1977 and 1976, thus far, this means some residential and commercial customers of TP&L, those who make heaviest use of air-conditioning, this summer, could exercise bills as much as 20-25% higher than those for the same periods of 1976. Obviously, this will vary from customer to customer.

However, Mike Arrington reminds customers they can do a great deal to minimize the increase by keeping thermostats set at 78 degrees or above.

Hostesses Wednesday afternoon at Hillcrest Manor were Mrs. Al Yosten, Sister Agnes Voth, Mrs. Felix Yosten, Mrs. Joe Fisher and Mrs. John Hacker.

Mr. and Mrs. Billy Don Wolf and Kevin and Donna, and Mr. and Mrs. Walt Klement spent a weekend in Spring Grove, Missouri, joining the family of Mr. and Mrs. Werner Henscheid. Enroute, they stopped in Claremore, Oklahoma, to see the Will Rogers Museum, and returning they went sightseeing in the Ozarks and in the Turner Falls area. One night was spent in Tulsa. Before the trip to Missouri, the earlier part of the Wolf's vacation was several days spent at Lake Texoma.

Barbie Hess, a May graduate of Grayson County College School of Nursing, is employed at Presbyterian Hospital of Dallas.

Jerry Ray Fette, son of Mr. and Mrs. Jerry Fette of Waco, is recovering from serious illness which hospitalized him for almost three weeks.

Family Observes 80th Birthday of Mrs. H. Felderhoff

Mrs. Hubert Felderhoff's 80th birthday was observed by her children, grandchildren and great-grandchildren on Tuesday, August 16, during a party at her home that evening.

A hamburger cook-out was followed by dessert of ice cream and a beautifully decorated birthday cake. A daughter, Mrs. Henry Spaeth made the cake and decorated it to signify "mother, grandmother, and great-grandmother."

Special guests were Mr. and Mrs. Peter Tribel, Daniela and Heiko of Frankfurt Germany, guests of relatives here and who had just returned from a trip to Carlsbad Caverns.

Others attending the party were Mr. and Mrs. Norbert Felderhoff and family, Mrs. Henry Spaeth, Mrs. David Spaeth and children all of Gainesville; Mrs. Henry Voth and children, of Lindsay; Mr. and Mrs. Tommy Felderhoff Sr. and family; Mr. and Mrs. Tommy Felderhoff, Jr.; Mr. and Mrs. Gus Felderhoff and children; Mr. and Mrs. Bob Knaut; Mr. and Mrs. Ed Knaut and Don Knaut, and the honoree's husband.

Mr. and Mrs. Tony Felderhoff visited briefly with birthday greetings and Mrs. Buster Wilkes (granddaughter Janie) phoned good wishes from Austin during the party.

Mr. and Mrs. Paul J. Dostart of Houston will move after September 1 to live on Manhattan Island, New York City, for a year. Mrs. Dostart is the former Joyce Sicking, daughter of Mr. and Mrs. Emmett Sicking.

ENERGY MANAGEMENT IS A FAMILY AFFAIR

INSULATION - Adequate insulation reduces temperature leakage during both the winter and summer. The greatest loss or gain of heat is through the roof. This is also the easiest area to install insulation. One should also consider insulating the walls and floors. The effectiveness of insulation is measured by its R value. The higher the R value the greater the resistance to the passage of heat. With electricity at the present cost, the following minimum R values are recommended for this area.

Ceiling . . . R 33 which is equivalent to 10" of blanket type insulation

Walls . . . R 19 equivalent to 6"

Floors . . . R 13 equivalent to 4"

You Can't Escape The Energy Crisis . . . But You Can Do Something About It!

COME IN FOR A DEMONSTRATION TODAY

Cooke County Appliance Muenster Butane

406 E. Calif., Gainesville, 665.0811 E. Highway 82, Muenster, 759-4411

Treason is the only crime defined in the Constitution of the United States. Rhode Island, smallest state in the union, has the longest name. The only mammal purple in color is the blesbok, a small South African antelope. The penultimate day of the month is the next to the last day. Be pleasant until 10 a.m. The rest of the day will take care of itself. According to law, a minimum of three persons can create a riot.

Chili Proclaimed Official State Dish

At last, clandestine chili cooks around Texas can walk proudly into the light of the day. Chili is no longer a dish cooked by a few firebreathing, fun-loving weirdos. It has been placed in its well-deserved place of honor by the recent State Legislature which proclaimed it the official State dish.

Winners Named in Lettermen's Club Golf Tournament

Good participation and good scores featured the low ball golf tournament sponsored by Sacred Heart Letterman Sunday at the Gainesville municipal course.

Coach Ed Stock said afterward that many of the players are already talking up another tourney and the lettermen are equally interested in promoting it. He was highly pleased with the tourney's success and grateful to all who played.

At the close trophies were awarded to the following teams: Division 1: H. K. Hatcher & Herman Garcia, 66; Joe Hellman & Mike Arrington, 71; Father Placidus & Earl Fisher, 73; Division 2: Dan Hamric & Denis Hess, 76; Mark Krebs & David Nortman, 79; Virgil Henschel & Leroy Hess, 80; Paul Walterscheid and Paul Wiese, 80. Division 3: Tim Endres & Babe Schilling, 80; Ronnie Hess & Roger Endres, 85; Rody Klement & Jim Klement, 86. Denis Hess won the trophy for nearest to the pin (69') and Fred Fuhrmann for the longest drive.

Other division 1 scores were: Dale Klement & Carey Jenkins, 75; Richard Hundt & Dan Nortman, 75; John Schneider & Jim Endres, 76; Virgil Hess & Frank Hess, 76; Kenneth Hale & Willie Walterscheid, 76; Roy Endres & Pat Endres, 77; Mike Frost & Tom Pierce, 78; Gerald Graham & Mark Hess, 80; Don Eckart & Fred Fuhrmann, 80.

Division 2: Coach Stock & Ken Hartman, 81; Craig Sangster & Gene Hermes, 84; Larry Bayer & Bob Gieser, 84; Ray Voth & Len Endres, 85; John Eckart & Bill Black, 85; Kevin Pels & Ronnie Huneycutt, 85.

Division 3: Harold Flusche & Wayne Klement, 90; Dale Swirczynski & Nick Walterscheid, 92; Alcuin Schilling & Gilbert Hess, 92; Bob Hess & Steve Hess, 93; Richard Patterson & Dan Eberhart, 98; Ray Klement & Albert Herr, 100; Allen Trubenbach & Bill Bayer, 102; Kenny Hess & Earl Koelzer, 104.

YOU CAN BANK ON IT!

Why is it that when the farmer is most in need of a loan, the bank may find it more difficult than usual to make the loan? Often it is a problem of tight cash flow: Here's what happens: Uncertainties beyond control of the farmer often create a "money pinch". Prices may fall below the cost of production while machinery, fuel, and other costs keep going up. When earnings are driven down and costs go up - cash flow decreases. When there is little money to spend, less money circulates. And as money circulation falls, so does the bank's ability to loan money. But the bank still is the best place to seek help. Even with tight money, ideas are plentiful. For instance, some government programs may be available - such as Emergency Livestock Loans and Drought Emergency Loans. If you need assistance in an emergency, ask any of our officers. When they advise you on agricultural financing... you can BANK on it!

Felderhoffs Visit Illinois Relations

Mrs. Joe Felderhoff and daughters Ann and Rose have returned from a vacation trip by train to Joliet, Illinois, July 28-August 11. They visited their mother and grandmother, Mrs. William Frazier.

In addition they made several trips into Chicago, toured the Museum of Science and Industry and enjoyed the very unique "Old Chicago", a Mall modern in sales but 19th century in appearance.

Mrs. Felderhoff and daughters visited with several college classmates and their families. Mrs. Frazier joined them on all their sight-seeing tours.

While they were on vacation, Jenny Felderhoff spent a week in Dallas with an uncle and aunt, the Charles Felderhoff family; and Christie Felderhoff attended the Speech and Debate Workshop at Baylor University in Waco.

Cler, Schmidkofer Engagement Told

Mr. and Mrs. Ed Cler have announced the engagement and approaching marriage of their daughter, Christa to Walter Schmidkofer, son of Mr. and Mrs. Herbert Schmidkofer of Lindsay. The couple has chosen September 3 for their wedding day. Fr. Stephen Eckart will officiate for the Nuptial Mass at 5 p.m.

Contributors Listed For Swim-A-Thon

Swim-A-Thon contributors include the following donors of \$25 bonds: Muenster State Bank; National Building Center; Community Lumber Co.; Joe Walter Lumber Co.; Gainesville National Bank; Gilbert Endres, Distributor, Inc.; Endres Motor Co., Charm Shop and Willie Walterscheid Mobil Consignee.

A \$50 savings bond from Clyde Fisher; literature and fact sheets from Gainesville Printing Co.; 1st, 2nd and 3rd place ribbons from Holt Sporting Goods; ice cream for all participants from the Dairy Inn.

Those who assisted Beta Kappa members include: Donnie Ostermann, Edgar Dyer, Kim Walterscheid, Terry Walterscheid, Andy Serna, Gerry Bob Cash, Coach Stinson, Ronnie Hess, Elizabeth Kralicke, Sandy Dittfurth, Connie Flusche, Charles Fette and Rose Felderhoff.

HD Meeting Hears Dr. Schachar Talk

Dr. Les Schachar of Gainesville was guest speaker for the Muenster Home Demonstration Club when the regular August meeting was held in the home of Mrs. Paul Fisher. He included a presentation of slides and the use of a chalk board in his highly informative and entertaining program on eye care. Also he touched briefly on a wide variety of subjects during a question and answer period and discussed the Eye Donor Program, mentioning that the gift of an eye benefited not one, but several people.

During a brief meeting Mrs. Alois Rohmer and Mrs. Ray Klement volunteered to be hostesses at the Women's Building during the County Fair. Mrs. Rudy Hellman was elected one of three delegates from the County Council to the State convention in Galveston, in September.

Mrs. Paul Fisher served a dessert plate to twelve members and fourteen guests. The hostess was assisted by daughters and daughters-in-law, Mrs. Mike Kleiss, Herbie Fisher, David Fisher, Miss Lillian Fisher and Miss Linda Fisher of Dallas.

Colorado has the highest average altitude above sea level of any state.

Denny Gets Grant For Study in Ohio

John B. Denny of Dallas will attend the Fall meeting of the American Society for Pharmacology and Experimental Therapeutics in Columbus, Ohio, August 21-24. He will present research completed at the University of Texas Health Science Center at Dallas, which fulfills the requirement for the M.A. degree.

He will then enroll in the Department of Chemistry at the University of Texas in September.

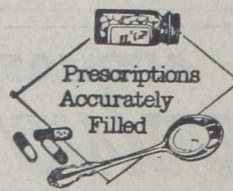

Denny and his mother, Mrs. Charles Denny of San Antonio, spent the past weekend here with their mother and grandmother, Mrs. Ben Luke and other relatives.

At Homemaking Teacher Workshop

Mrs. Joni Sturm, homemaking teacher at Muenster High School, attended the State Inservice Education Conference for homemaking teachers in Dallas July 25-29.

Speakers for the general sessions were Dr. Betty L. Siegel of Western Carolina University; Mrs. Elizabeth F. Smith, Texas Education Agency; Dr. Aleene Cross of University of Georgia and Mrs. Dorothy Johnson, of Dallas Independent School District.

Two days were devoted to interest group sessions on such topics as "Creative Methods for Helping People Learn", "Techniques to Conserve Energy", "New Consumer Education Strategies" and "Responsible Parenthood".

Parker Electric
112 S. Rusk, Gainesville

An important part of your electric bill.

Time was when your electric bill probably was "just another item" in the family budget. You knew from the year before about what to expect.

Regrettably, this is no longer true. As the costs of producing and supplying electricity have gone up Texas Power & Light has had no choice but to ask its customers to pay more for what they use. The electric bill has become a large item in most family budgets.

You and each member of your family are important parts of your electric bill. How you use appliances and equipment

makes a big difference in the amounts of your bills. Make a family project of keeping the air conditioner thermostat set at about 78°. Operate the clothes washer, dryer and dishwasher only with full loads. Turn the television off when you leave it. And check around the house for other energy-saving, dollar-saving measures.

Texas Power & Light is working to assure an adequate supply of electric power for all of its customers and to help them get the most value for their electric dollars.

TEXAS POWER & LIGHT COMPANY
A tax-paying, investor-owned electric utility

Three Grandchildren Visit
As a "before school starts" special treat, Kristi Fitch of Dallas spent last week here with her maternal grandparents, Mr. and Mrs. Al Hess. She is a fourth grader at St. Monica's School. This week her sister Leann, a seventh grader in the same school, has a week's vacation with their grandparents and next week their older brother, Wayne, will visit for a week. They are children of Mr. and Mrs. Bob Fitch of Dallas.

Local News BRIEFS

A telephone visit Rosa Diever had with her son and family, the Mike Drievers, who called from Watsonville, Calif., Sunday night brought them together across the miles for a 45-minute exchange of family and local news. Chief conversationalist was Angela Amanda Drievers, 13, who related enthusiastically her participation that day in the Santa Cruz Gymkhana, winning five ribbons, including one first, two seconds and one third riding her horse La Rhone.

Mr. and Mrs. Gilbert Boyd-stun and children Sherri and

Donnie and Mr. and Mrs. Skipper Bezner and daughter Brandy visited Mr. and Mrs. Leroy Wiesman in Tulsa, Oklahoma, over the weekend. Dana and Lisa Wickliffe of Irving vacationed there the week before and the Boyd-stuns brought them home.

Mrs. Ann McDaniel is recovering from hip surgery at Westgate Hospital on Wednesday, August 10. Cards may reach her at Room 312, Westgate, Denton. She will be there for 10 more days.

Neus Gather for Family Reunion

The five children, a daughter-in-law and 3 sons-in-law and twenty three grandchildren of Mr. and Mrs. Joe J. Neu gathered in Lindsay Park Sunday evening for a family reunion, covered dish dinner, games and visiting.

The gathering also observed belatedly the birthday of their son Father Hubert Neu of Wichita Falls, Our Lady, Queen of Peace Parish, as well as the birthdays this week of Mrs. Lionel Garcia (Phyllis), Wilfred Bindel and Tim Bindel.

The Joe J. Neu's children are Father Neu, Mrs. Wilfred Bindel (Ida Mae), Mrs. James Bayer (Ann) Charles Neu and Mrs. Ray Hoenig (Cecilia).

Attending from out of town were Mr. and Mrs. Mac Dennis of San Antonio, Mr. and Mrs. Lionel Garcia of Lewisville, Guy Bindel and Miss Linda Pruitt of Wichita Falls and Mr. and Mrs. Mike Bengfort of Gainesville. About 40 attended.

2 Events Surprise Mrs. Robert Beyer

Mrs. Robert Beyer of Lindsay was doubly surprised on her birthday Sunday when the event was observed during the annual Beyer family reunion and again when members of her family joined the reunion party at Lindsay park on August 14 about 3:30 p.m.

Arriving then were the honoree's mother, Mrs. Joe Vogel, also Mrs. Wilfred Walterscheid, Mrs. Leo Hess, Lu Vogel, Mrs. Leonard Vogel of Dallas, Mrs. Danny Hoenig and sons of Denton, Mrs. Ken Sherrill and sons of Fort Worth, Paula Keys of Little Rock, Arkansas, Mr. and Mrs. Clifford Otto of Gainesville, Linda Otto of Denton and John Lusk of Dallas.

Also the honoree's children Gary Beyer of Nacogdoches, Janie and Brenda Beyer of Denton, and Carol Beyer of the home; also neighbors and friends, Mr. and Mrs. Henry Kuhn and Linda.

Vic Hartmans End Visit to Colorado

Mr. and Mrs. Victor Hartman and their granddaughter, Carla Wolf of Gainesville have returned from a vacation visit to Denver, Colorado, where they were guests of a daughter and family, the Ted Gremmingsers from August 8 through August 16.

In Denver, their hosts took them sightseeing in the Red Rock scenic area and Amphitheater; they attended a Denver Bronco-Cincinnati football game; they attended the dog races, had dinner at Casa Bonita, went sightseeing at Cinderella City, the Buffalo Bill Monument on Lookout Mountain, and drove through the 1.7 mile Eisenhower Tunnel between Denver and Grand Junction.

Enroute home, they stopped Monday and overnight in Hereford to visit Mr. and Mrs. Carl Luke and saw three of their daughters and their families. They returned to Muenster Tuesday.

Hoenig Twins Get Birthday Party

Scott and Darrin Hoenig, twin sons of Mr. and Mrs. Danny Hoenig of Denton were one year old Monday, August 15 and their birthdays were observed with a party planned by their mother, and held in their home.

Identical birthday cakes each held one candle. There were gifts for the honorees and pictures were made; guests included the maternal grandmother, Mrs. Joe Vogel who spent two days with the Hoenigs; also Mrs. Wilfred Walterscheid, Lu Vogel, Mrs. Robert Beyer of Lindsay, Mrs. Jimmy Kupper and son of Valley View, Paula Keys of Little Rock, Janie, Brenda and Carol Beyer. Several neighbors and friends visited later in the evening.

Junior Food Fun Course Completed

Approximately 45 girls in the Muenster area have completed another year of Food Fun for Juniors. This year the girls studied the use and care of the range, use and care of small appliances with main emphasis on the fry baby, crepe-maker, super shooter and blender.

At the end of each one week session the girls planned a party for their parents and guests, preparing refreshments and conducting a program on things they have learned during the week.

Graduates include: Valerie Vogel, Donna Wolf, Connie Bayer, Jean Truelsen, Dolle Pagel, Julie Fisher, Ginnie Fisher, Charla Bayer, Kim Eldred, Jeri Johnson, Lorene Bartel, Cindy Fleaman, Renate Hess, Susan Walterscheid, Amber Grewing, Jean Pagel, Sandra Walterscheid, Rita Walterscheid, Janet Reiter,

Luisa Magdalena Gonzalez Espinosa, Tammie Reiter, Donna Fuhrmann, Laura Flusche, Sara Walterscheid, Paula Russell, Shawna Wimmer, Tenna Tisdale, Jill Wimmer, Cindy Tisdale, Carmen Flusche, Debbie Bindel, Lisa Serna, Carol Reiter, Angela Hellinger, Sondra Truelsenbach, Anita Meurer, Sherri Boydston, Deann Walterscheid, Penni Hess, Sandy Taylor, Jenny Hellman, Jo Ell Hellman, Dana Dankesreiter, Sharen Wolf, Karen Wolf.

Tulu Hickerson, Home Service Advisor with Cooke County Electric Cooperative, conducted the classes and was assisted by Gene Davenport, Member and Community Service Manager, who presented the diplomas at the close of each week.

Construction of the Pentagon was finished on Jan. 15, 1943. It spans 34 acres and was built at a cost of 83 million dollars.

Bake Show Items Welcome at Fair Until 1:30 Friday

Mrs. Evelyn Yeatts has announced details of the Women's Baked Foods Show at the County Fair and said it is not too late to enter.

The show will be open to the public Friday afternoon. Baked foods should be brought to the Home Demonstration Building in Gainesville before 1:30 p.m. Friday for judging. They will remain in place until Saturday at 6 p.m.

At this time prize money and ribbons may be picked up. Suggested baked foods to be entered include cakes, layer, loaf or variation of any favorite; cookies, drop, icebox, rolled or bar; yeast breads, cinnamon, white or whole wheat or any favorite; also quick breads.

Classification judging, with blue, red or white ribbons, will be done on a point system. Questions may be phoned to the County Extension Office 665-4931.

Students Return From Workshop

Six members of the Sacred Heart Debate squad returned late Thursday night from the second session of the Baylor University Debate workshop at Waco. Cindy Sangster, Christi Felderhoff, Mary Margaret Rohmer, Cheryl Luke, Karen Koch and Nancy Luke attended the session, returning with a creditable amount of materials on this year's topic "Resolved: that the Federal Government should guarantee comprehensive medical care for all citizens in the United States."

The above six, and Gary Henschel, Bert Miller, Mark Nasche and Mel Walterscheid, who attended the first session, make up a strong debate squad for Sacred Heart — probably the best prepared group so far.

There will be a squad meeting at the school sometime next week to compare material and solidify cases to be used in this year's tournaments.

67 Attend SNAP

Sixty seven lunches were served Tuesday in the SNAP program and the usual table games followed at 2 p.m. in the Community Center. Thursdays schedule will be similar.

Encouraged by good response from the Senior Citizens, local directors of SNAP look forward to continued good attendance for meals at 12:30 every Tuesday and Thursday, followed by table games.

CCC Has Course in Diesel Mechanics

Cooke County College will embark upon one of the school's most ambitious new programs in recent years this fall with the initiation of a complete two-year course of study in diesel mechanics.

CCC officials announced that completion of work on a new \$250,000 facility designed expressly to house the new program on campus is definitely scheduled in time for the beginning of fall semester classes on Aug. 29.

During this upcoming fall term, the new program will get underway with a basic principles course to be followed in subsequent semesters by a total of seven other six-semester-credit-hour diesel mechanics courses making up the core curriculum.

According to T. D. Bolinger, associate dean for occupational-technical education at CCC, the new diesel program is designed to culminate in a two-year associate of applied science degree requiring completion of a total of 63 semester credit hours. Diesel mechanics courses will account for 48 of these hours.

Paul Clayton, a veteran of 30 years' experience on the job and in the classroom who will handle the bulk of instructional duties for the new program, echoes Dr. Laird's observations regarding diesel mechanics as an area of tremendous vocational opportunity.

Clayton emphasizes that the new diesel program is aimed at giving students knowledge which goes far beyond that related just to trucks. The curriculum is set up to provide training on all types of diesel powered equipment such as farm tractors and related machinery, heavy construction equipment, buses, automobiles and even stationary engines used in the oil field and industry.

He makes special note of the fact that diesel powered automobiles are no longer the exclusive domain of foreign manufacturers and that demand for qualified mechanics will be rising sharply with the introduction of several new diesel models onto the market by the major U.S. car makers beginning this year.

Explaining that the program is VA approved for prospective students wanting to take advantage of veterans' educational benefits, Bolinger stresses also that a full schedule of both day and night classes will be offered. The basic principles course this fall, for example, will be offered also from 6 to 10:30 p.m. on Tuesdays and Thursdays for the convenience of students who cannot attend regular day classes.

"It should also be emphasized," says Bolinger, "that although the college has established diesel mechanics as a two-year degree program, we will also welcome persons who wish to enroll part-time for individual courses even if they do not have the time or desire to pursue a degree."

Veterans should be aware, however, that filing of an "educational objective" or degree plan is a requisite for receiving educational benefits.

Class schedules for the fall term at Cooke County College are now available, and interested persons are urged to write for a current college catalog and course listing for the diesel mechanics program.

Living It Up on Fishing Vacation

Mr. and Mrs. Harry Scoggins spent a 16 day truly successful fishing vacation on Lake Texoma at Cedar Mills. It was a special treat following Mrs. Scoggins' hospitalization for a week at Richardson Hospital.

The Denison Herald carried a story of their catch during a 4 day period, when Harry hooked a 5 1/2 lb. black bass and an hour later his wife caught a 6 1/2 pounder. A couple of days later Harry also caught a 6 1/2 pounder. In the meantime, the couple was busy catching 220 sand bass, but it will be the big blacks they'll remember longer.

Also on August 13 the Scogginses each caught four strippers at Preston Point. Two each weighed 3 lb. dressed and two others weighed 2 1/2 lb. dressed.

They were visited at the lake several times by their daughter Vickie and by their son and family, Mr. and Mrs. Bobby Scoggins and Melanie who spent past weekend. Mrs. Harry Scoggins returned to Richardson for a few hours on August 12 for a check-up. They all returned to Muenster last Sunday and observed Melanie's first birthday with a family party and birthday cake in the grandparents' home.

Voice of America Contest Sponsored By VFW Auxiliary

The VFW Auxiliary will again sponsor the annual Voice of America contest in which students of the 10th, 11th and 12th grades of both local schools are invited to participate.

Rose Hudspeth, chairman, will contact the schools and distribute information. The script-writing contest for this year is "My Responsibility to America". Muenster VFW Post, co-sponsor, will award prizes for 1st, 2nd and 3rd place winners. The top winner will tape his or her entry and it will go on to District I competition.

The other community activities participation for August, Senior Citizens month, was met by a \$20 contribution to Hillcrest Auxiliary for prizes in its weekly game parties at Hillcrest Manor.

Linda Knabe, president, reported on the District I convention she attended with her husband on August 6 & 7 in Denton. Others attending were Mr. and Mrs. Herbie Herr and VFW Post Commander, Don Hess.

Petitions for reinstatement of two members, Rosalie Bayer and Laujuana Klement were approved. It was announced that Betty Guy of Denton, District I president will attend the September 19 meeting.

Hilda Sicking was refreshment hostess for 14 members present and also won the door prize.

Mrs. Nancy Hoedebeck was the winner of a guitar at the first anniversary celebration of the Musique Shoppe in Gainesville. The business is owned and operated by Mr. and Mrs. Terry Fowler.

Confetti - - -

demanding by Panama for taking over the canal."

Rep. Hansen is also critical of a proposed new \$2.8 billion sea-level canal as our country's replacement of the canal we have now. It would be a special benefit to big oil companies and their super tankers which already carry efficient pay loads.

A reason given by the Administration for the new canal is to accommodate big warships, a statement which does not harmonize with a former official opinion that the Panama Canal is of diminishing importance to naval operations, nor with official opposition to building more large aircraft carriers.
