

MUENSTER ENTERPRISE

VOLUME XLIV

MUENSTER COOKE COUNTY TEXAS 76252

JANUARY 25, 1980

NUMBER 10

CONFETTI
COR FETTE

After more than two and a half months of the humiliating situation in Iran, American people are rightfully beginning to wonder if and when their country is going to do anything about bringing our hostages home. Concerned as we were about the lives of the men who are at the mercy of a senseless mob poorly controlled by fanatical leader, US public opinion rallied behind President Carter's calm resolve not to place lives of the captives in jeopardy. As a result of it, his personal popularity poll surged and Senator Kennedy's stock nose dived in the election sampling polls.

But the attitude is starting to change. America deeply resents the continued inhuman, degrading and physically harmful treatment of the hostages, which appears more and more like an insulting answer to our civilized and peaceful efforts to work out a solution. If the US and the UN, and various diplomats, still can get no response, perhaps it is time to get tough.

James Kilpatrick, nationally syndicated columnist, observes that the steam has leaked out of the heady emotion that so aroused our people in November. Not many cars honk as they pass the Iranian embassy now. Horns, candles, bells, yellow ribbons and public demonstrations have not relieved the tension. The hostages are still in prison. Perhaps it's time to issue an ultimatum. The Khomeini could possibly be impressed if he were convinced that at long last US patience has reached its limit and it is not bluffing when it threatens drastic action.

A suggestion is to send a transport plane escorted by heavily armed fighter planes and warn the Iranians that unless the hostages are brought unharmed to the airport and put safely aboard the transport, retaliation will be swift and dramatic. Kilpatrick thinks that if we do not have armed forces capable of destroying obvious targets in Iran, we have wasted more than a trillion dollars on defense appropriations in the past decade.

One of the most obvious targets for retaliation would be the oil fields on which Iran's economic survival depends. The country's leaders should be made to understand that they are inviting this disaster if they persist in their inhumanity. Of course appeasers of our country can be expected to object to such a severe ultimatum. And lots of people would fear the consequence. Who knows that the Iranian fanatics would not choose to kill the captives rather than free them? Who knows that this ultimatum or any other would not backfire and leave the US with a bigger problem than it has now?

The thought of possible consequences distresses us. While still regarding ourselves the strongest country on earth we are painfully aware that we can be pushed around by fanatics. This is true partly because we hesitate to hold a nation responsible for the crimes of its terrorists, and partly because our prestige in the world has so sadly deteriorated. Considering the past few decades of our history we have to realize that a country might challenge our ability or our intention to back up an ultimatum. In our hearts we know that US is not what it used to be.

We like to remember the legendary message sent by Teddy Roosevelt to a North African Chief who was holding an American soldier for ransom. Teddy said "Perdicaris alive or Raizuli dead," and sent a warship to pick up our man. When the boat arrived the man was waiting, unharmed. Some

Registration Time Nears For State Beferendum

Cattlemen will have an opportunity in the next few weeks to vote for a unique self-help program that can assure them a better future, according to J.D. Sartwelle and O.J. Barron, state chairmen of the Texas Beferendum. Sartwelle is a rancher at Sealy, Texas, and Barron a rancher-feeder at Spur, Texas.

Beferendum is a cattle industry effort to win approval of a uniform collection plan for beef research, consumer information, promotion and foreign market development.

Registration will begin next week, Jan. 28, at the county ASCS office and continue through Feb. 6. Then, cattlemen who register may vote Feb. 19-22 at the ASCS office.

"The need for a self-help program by cattlemen never was greater," says Sartwelle. "Self-appointed critics of our industry are charging that beef causes cancer, that beef causes heart disease, that beef prices are a consumer rip-off. Cattlemen don't believe these unproven charges but many people do. And the result is a gradual erosion of demand for beef."

"If a majority of cattlemen voting approve the program," he continues, "20 cents out of each \$100 of

College English Course Available At Muenster High

An opportunity to earn college credits in English is available during the remainder of this school year at Muenster High School.

Tom Fluker, MHS counselor, announced this week that the Freshman course will be taught in the public school library by Dr. Ona Wright, head of the English Department of Cooke County College.

The course is open to this year's high school seniors and graduates of former years. Upon completion the student will receive three semester hours of credit which can be transferred to any accredited college.

Fluker said that the course is especially attractive to students who want to get a head start on next year's college work and it has added value as an introduction to the college level of study.

Classes are scheduled each Monday night, 6 to 9:15, and the first class, with registration, will be held on February 4. The cost is \$49 for tuition and \$19.58 for books.

More information is available by calling Muenster High School or Cooke County College.

ten years later American sailors were arrested and marched through the streets of Tampico. President Wilson retaliated by shelling and seizing the Mexican port of Vera Cruz. Still later Pancho Villa raided a town in New Mexico, and Wilson answered by sending General Pershing with 1200 cavalrymen to Mexico to destroy the bandits forces. Those old timers demanded and got respect, and they did not hesitate to hit the enemy in his own country.

It's quite a contrast to our policy in Korea and Vietnam where we failed to hit vulnerable targets across the line and lost a couple of wars in the end.

With a record like that, plus tolerating Communist expansion in Cuba and Latin America and the African countries, plus the Panama giveaway and Taiwan betrayal, plus foot-dragging in our military buildup while Russia was

going strong...with all these factors working we should not be surprised about erosion of world respect. So, how confident can we be that our ultimatum really has clout? Obviously the solution to our problem still is not in sight.

value added to an animal will be used to:

- Fight anti-beef propaganda
- Promote the nutritional value of beef
- Combat beef substitutes
- Counter extremes in the cattle cycle
- Increase demand for beef.

"This is a cattlemen's program all the way," adds Barron. "Cattlemen developed it, cattlemen will finance it and cattlemen will run it--through a Beef Board comprised of 60 cattlemen. Members of the Beef Board will be selected by existing cattlemen's organizations and Texas will be entitled to six members.

During the 9 a.m. services at Sacred Heart Church, District Deputy Eddie Fleitman read a special liturgy while Grand Knight Wayne Klement and Deputy Grand Knight Harold Flusche and their families presented a red rose symbolic of the pro-life campaign. Also, the KCs presented some 1250 small replicas of roses at First Baptist and Sacred Heart services.

After the 9 o'clock mass at Sacred Heart about 75 KCs and guests had breakfast at the KC Hall.

"This program is voluntary in that any cattlemen not wishing to participate can get a prompt refund," concludes Barron. "It's a positive program aimed at

Greenbug Season is Near

Farmers should be keeping a close check on small grains for greenbug infestations, advises Neil Tibbets, county agent with the Texas Agricultural Extension Service, Texas A&M University System.

Greenbugs are aphids which feed on small grains by extracting plant juices. This may cause plants to turn yellow and then brown. Heavy infestations can even kill plants, says Tibbets.

When checking fields, look for light yellow spots

and examine them closely for greenbugs. This tiny pest will be about 1/6 of an inch in size. They are pale on the underside of leaves. In cold weather they may be on the ground or even as much as one inch below the ground line around the plant's crown.

Small grains 3 to 6 inches tall can withstand populations of up to 100 greenbugs per foot of drill row. If populations are high, begin treatment, recommends Tibbets.

Among effective insecticides are methyl parathion, parathion, dimethoate and Di-Syston. Check the insecticide label for grazing restrictions before using, reminds Tibbets.

Historical Marker

A historical marker for the city of Muenster has just been received according to a report this week from Mrs. Bill Reed of Gainesville, chairman of the Cooke County Historical Commission. Plans are under way to have the dedication as a part of Germanfest.

Arbor Day Program Offers Fruit Trees

The National Arbor Day Foundation is offering free fruit trees as part of its 1980 campaign to encourage tree planting.

The Arbor Day Foundation, a nonprofit organization, is working to improve the quality of life in communities throughout the country by encouraging tree planting. The Foundation will give three fruit trees to new members contributing \$10 or more. Each tree will be 3 to 4 feet tall. All trees will be ready for planting and will be sent postage paid.

The Foundation says that if the trees are planted according to the enclosed instructions they will provide years of enjoyment and will add to the Foundation's goal of a greener America. And they will bring fruit to the table year after year.

To become a member of the Foundation and to receive the three free fruit trees, a contribution of \$10 or more should be sent to the National Arbor Day Foundation, Arbor Lodge 100, Nebraska City, NE 68410. The donation should be sent along with a choice of any three of the following trees. Any combination or as many of any one variety may be specified.

Apples - Red Delicious, Yellow Delicious, Stayman Winesap, Red Rome Beauty, Red Jonathan.

Peaches - Belle of Georgia, Elberta, J.H. Hale, Golden Jubilee, Hale-Haven.

Cherries - Montmorency, Early Richmond.

Apricots - Moorpark, Early Golden.

Pears - Bartlett, Kieffer.

Plumbs - Damson, Burbank.

K of C's Sponsor Pro-Life Event

Muenster Knights of Columbus joined other members from all over the state last Sunday in a special program supporting the nationwide Pro-Life campaign. The occasion was the seventh anniversary of the Supreme Court decision legalizing abortion.

Stating that the ruling has legalized the murder of more than eight million unborn children, Father Denis Soerries referred to it as a violation of the law of God and the country and urged a widespread appeal for legislation to have the ruling reversed.

During the 9 a.m. services at Sacred Heart Church, District Deputy Eddie Fleitman read a special liturgy while Grand Knight Wayne

Klement and Deputy Grand Knight Harold Flusche and their families presented a red rose symbolic of the pro-life campaign. Also, the KCs presented some 1250 small replicas of roses at First Baptist and Sacred Heart services.

After the 9 o'clock mass at Sacred Heart about 75 KCs and guests had breakfast at the KC Hall.

Funeral Service Held For Donna K. Fisher, 18

Muenster's Sacred Heart Church was crowded to capacity Wednesday morning at 10 a.m. for the funeral of Donna Kay Fisher, 18, with her uncle Father Harry Fisher of Pilot Point officiating and Father Denis Soerries concelebrating at the Mass of Christian Burial and also delivering the funeral sermon.

Other participants were the Sacred Heart High School choir, Ruth Walterscheid and Rita Sicking in scriptural readings, Father Stephen Eckart in prayers after mass preceding depart-

ure to the cemetery, and Former Pastor Father Placidus Eckart.

Burial was directed by Nick Miller Funeral Home. Pallbearers were Steve Taylor, Danny Fisher, Richard Fisher, Carl Pagel, Greg Wilde and Danny Walterscheid. Rosary for her was recited Tuesday at 4 and 8 p.m. in the chapel of Miller Funeral Home.

Donna Kay, daughter of Mr. and Mrs. Earl Fisher died at 11 p.m. Sunday, January 20, in Muenster Memorial Hospital shortly after sustaining a gunshot wound

in front of her home on Fourth Street.

Eugene Luttmer, 18, was arrested Monday as a suspect, arraigned before Justice of the Peace Tommy Crawford, and released on a \$10,000 bond. He remains free while an investigation is being conducted by Police Chief David Province, who said that the filing of formal charges may be delayed as much as a week or ten days. An autopsy report on the cause of death is also pending.

Donna Fisher was born in Gainesville on March 22, 1961. She was a 1979 graduate of Muenster High School and a student of Cooke County College.

Survivors are her parents, Mr. and Mrs. Earl Fisher; four brothers, Robert and Allen of Arlington, Gary of Mesquite and Glenn of the home; five sisters, Joan Demshock of Lutherville, Md., Doris Kooy of Kenwick, Wash., Judy Fisher of Arlington, Janice Hellman of Muenster and Mary Fisher of the home; and a grandmother, Mrs. Rose Evers of Canyon.

Social Security Increases Limit on Exempt Earnings

Increases in average earnings covered by social security the past year have triggered an increase in the retirement test annual exempt amount for people receiving social security benefits, Gus Jones, social security district manager in Sherman said recently.

The retirement test annual exempt amount is the amount of earnings a person can have and still receive all benefits for the year.

For people under 65, the 1980 annual exempt amount will be \$3,720. The 1979 amount was \$3,480.

For people 65 or over the 1980 annual exempt amount is \$5,000. The 1979 amount was \$4,500.

A person whose 1980 earnings go over the annual exempt amount generally has \$1 in benefits withheld for each \$2 of earnings above the exempt amount.

Another figure increased is the amount of annual earnings required to receive social security credits. A person needs credit for a certain amount of work to be eligible for social security benefits. This credit is measured in "quarters of coverage." A person can receive

up to 4 "quarters of coverage" in a year.

In 1980, a person receives credit for 1 "quarter of coverage" for each \$290 of earnings, up to a maximum of 4 if annual earnings are \$1,160 or more. The 1979 measure was \$260.

More information about social security credits and about the retirement test can be obtained at the Sherman social security office. Free leaflets are available that give more detail about both of these subjects. The office is located at 810 North Travis, and the phone number is 893-4654.

Jerry Lewis Asks For Re-election to Commissioner Job

Jerry Lewis, now serving in his first term as commissioner of Precinct 3, has authorized the Enterprise to announce this week that he is a candidate for re-election subject to action of the Democratic Primary.

Mr. Lewis will make a formal statement to precinct voters in a later issue of the Enterprise.

Notary Public Law Now Part of State Constitution

Senator Ron Clower (D-Garland) announced today that, effective January 1, 1980, the new Notary Public law, which was approved by the people of Texas in the November election, is now officially part of the State Constitution.

Clower, who introduced the bill into the Texas Senate last year, said "the new law will bring about some necessary changes in the appointment and commissions of notaries public, while making the application pro-

NT Library System Offers Selection Of Books by Mail

The Books By Mail Service of the Northeast Texas Library System announces a new Fall Supplement. The list of 100 newly released titles, including current best sellers, romances, westerns and books for children, is currently being mailed to residents of Northeast Texas who qualify for this service.

Over 1000 titles in paperback on subjects ranging from biography to home-crafts are offered through Books By Mail. A selection of Large Print books is also available.

Books By Mail serves residents in counties where there is no local library service and upon request to anyone who is homebound due to a physical handicap, lack of transportation, or residency in a nursing home. This service is made possible by state and federal funds through the Northeast Texas Library System.

If you qualify for this service or would like more information, contact Books By Mail, Northeast Texas Library System, 1954 Commerce, Dallas, TX. 75201.

cess more efficient."

"Under the old system," Clower explained, "an application for notary public was filed with the County Clerk, who would then send it to the Secretary of State. There it would be processed and returned to the Secretary of State. There it would be processed and returned to the County Clerk and, finally, back to the applicant. The new law eliminates the County Clerk from the process so that applications are filed directly with the Secretary of State. This saves postage and handling to and from the County Clerk's office as well as the need for the staff persons to handle applications at the County level."

Senator Clower also stated "that instead of renewing their commission every two years, notaries public will only need to re-apply every four years." Clower further commented "that this will provide the Secretary of State with address changes and more updated files on the notaries public throughout the

State."

"Also under the new law," Clower said, "the jurisdiction of each notary public becomes statewide. Previously, a notary could perform his or her duties only within the county in which they were appointed."

Senator Clower remarked, "I am very pleased that in November of 1979 the people of Texas went to the polls and overwhelmingly approved the Notary Public Act. By removing the step of applying with the County Clerk's office, this measure will cut cost, time, and duplication to the advantage of the taxpayers in this State."

Clower mentioned "that the Act does not invalidate those commissions of notaries appointed under the old system before January 1. They will just need to re-apply with the Secretary of State upon the expiration of their present term." He further indicated "that the new system regarding notaries public is much more practical in today's world."

SH Alumni Plans V'Ball Tournament

The SHH Alumni-sponsored Valentine Dance held top attention at the January 13 Alumni meeting in the SHHS Library. Peggy Grewing, general chairman, reported on details and progress. The date is February 16. Committee chairmen were also appointed.

Members discussed the Alumni-sponsored volleyball tournaments and scheduled two all day Sunday events on February 24 and March 2, with admission \$1.50 per player and .75 for spectators.

The December 22 Exes Football game was reported. A social followed the game

and sandwiches and other refreshments were served to about 80.

Slightly Cooler

Temperatures have been lower but not severe during the past week, and moisture meanwhile has been skimpy. Low and high readings have been recorded as follows by Steve Moster. Jan. 17, 39 and 62; Jan. 18, 36 and 70; Jan. 19, 50 and 60; Jan. 20, 43 and 45; Jan. 21, 41 and 47; Jan. 22, 40 and 60; Jan. 23; 28 and 60.

Also rain recordings were .01 on the 20th, 1.15 on the 21st and .13 on the 22nd. The month's total is 1.32.

Anti-Shock Device Demonstrated to Hospital Personnel

A new item of equipment available in Cooke County ambulance service was demonstrated last Friday to doctors, nurses and administrative personnel of Muenster Memorial Hospital.

It is the Medical Anti-Shock Trousers (MAST), which makes more blood available to a patient's head and vital organs by displacing some of the blood in the legs and lower abdomen. This is made possible by placing the device on the lower part of the patient's body and inflating. It is used in case of shock or low blood pressure.

The unit was installed as standard equipment in each of the county's three ambulances. Demonstration of using it and removing from the patient was given at the hospital by Joe Gray, paramedic, and Joe Goodin, administrator of the ambulance service.

Envelopes for Germanfest Arrive

The Chamber of Commerce has announced that the Germanfest envelopes are now available in letter size and the smaller window statement envelope and may be obtained from Bertha Hamric or Monica Hess. The design, similar to last year's, differs in that the emblem and print are in orange and brown. Anyone needing the envelopes may pick them up at Hamric's or phone Monica Hess at 759-4254.

Course Available On Resuscitation

A program on the basis of cardio-pulmonary resuscitation, (CPR), is available here if a sufficient number of persons wish to take it. Sponsored jointly by Muenster Memorial Hospital and the hospital auxiliary, it is an 8 hour course ending in presentation of a certificate. Instructions are to be given by personnel of the county ambulance service.

Jo Ann Walterscheid of the hospital nursing staff said that any person who wishes to learn about restoring breathing in an emergency is a prospect for the course. It can be a lay person as well as members of the medical profession.

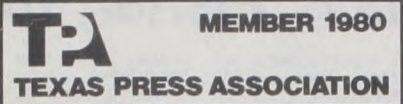

Anyone interested is invited to notify the hospital, Ph. 2271, from 8 to 5, or call Harriet Pagel, Ph. 4303 after 5:30. The number of calls will determine if a class will be organized. And if so an organizational meeting will determine where and when the classes will be held.

THE RIGHT OF PRIVATE PROPERTY

Any civilized society, in order to prosper and to be free, must uphold the right of private property. However, private property is not only a right but it is essential to general well-being. A fundamental characteristic of private property is the owner's right to dispose of the property. In a socialist society where supposedly the people own the means of production and distribution, the right of disposal belongs not to the

people, but to the government and its bureaucracy. Therefore, the government and its bureaucracy are in fact the real and only owners of the property.

Monopoly. Some socialist-minded people argue that the right of private property leads to monopoly, to a concentration of property in the hands of the few, with the people as a whole being victimized by the few. However, this is not true in our Republic because the government by the people deals with monopoly through means of laws.

The solution to monopoly offered by the socialists and communists, who cry out concerning monopoly in a private enterprise system, is to establish one gigantic monopoly — the monopoly called the socialist government. Under communism, this monopoly is called the dictatorship of the proletariat. Socialism and communism concentrate all economic power, all educational endeavors, banking, communication, agriculture, production and distribution in the hands of the government and its planning commissions. It is more than strange that any Americans should think that politicians, in any country, can be trusted with such power over the lives of us all.

A View of Human Nature
 Communism and socialism insist that man's nature is shaped by the economic system. They believe that man is greedy and grasping; that there is war and poverty, because of the economic system which is based on the private ownership of the means of production and distribution. They insist that if the economic system is changed to socialism, the nature of man will likewise be changed.

What If They Are Wrong?
 The Communists have been the ones who have established socialism on the largest scale. Furthermore, to the extent that a country has socialism, to that extent it must concentrate power of all types in the hands of the government. What if they are wrong about human nature? In such a case they have placed economic, political, social, educational, communicational, transportation, agricultural, military, and every other source and type of power in the hands of a dictatorship who would then use that power for its own selfish purposes.

What if there is in some men the lust for power? And what if the persons who control that power have ill-will in their hearts? Or what if the ruler is so arrogant that he thinks that he alone knows what is good for the people and that for their own good they must be made to bow to his will? The very fact that he has the power can be interpreted by him as proof that history has ordained that he use that power to deal with society as he sees fit. Why else had history conferred on him this power? Furthermore, it takes a man with a hard nature and a fixed will to be a dictator.

STATE CAPITAL HIGHLIGHTS

By Lyndell Williams
 TEXAS PRESS ASSOCIATION

AUSTIN—Texans are going to have to wait at least until August, maybe later, to watch their Legislature debate tax relief, initiative and referendum, and wiretapping... and possibly a few other issues thrown in a la carte.

Governor Bill Clements last week announced he will wait until next fall to call his promised special session.

Clements wants to spend a state surplus for tax relief in the special session, but, he said no one really knows right now how much surplus will be available.

The governor has estimated there will be some \$600-\$700 million he can turn back to taxpayers, but State Comptroller Bob Bullock recently predicted a biennial surplus of only \$124 million. Clements said he is putting the issue on the back burner until he and Bullock get a clearer picture.

Others say there is more to the postponement than

meets the eye. One view is that Clements is waiting until right before the general election in November to give Republican challengers an advantage over incumbent Democrats in the Legislature. However, Clements has recently angered rural Democrats and he may be afraid of losing Senate confirmation of some of his new appointees. The Senate may vote to confirm in any session meeting longer than ten days.

Hunger Strike

A Central Texas farmer continued his hunger strike outside the governor's office last week to symbolize his disillusionment with Clements' agricultural policy.

Charlie Fitts of Milam County vowed he would stay at Clements' door until he can personally apologize to Clements' 1978 opponent, former Attorney General John Hill, for voting for Clements.

Fitts was irritated by the dismissal of the Texas farmers' liaison in Washington DC, and for Clements' failure to keep campaign promises to farmers.

Clements v. White?

Attorney General Mark White says the Texas Department of Human Resources can build its planned \$40 million office building and the governor says it can't.

Clements vetoed the project in June 1979, but White said then that the governor lacked the power of veto in that issue. Clements then raised 31 questions of illegality in the project.

White came back again last week and ruled down the governor's objections. Clements has threatened to take the issue to the Texas Supreme Court.

Teacher Pay Hikes

House Speaker Bill Clayton said the Texas Legislature will be inviting unionization of the state's public school teachers if they don't receive a bigger pay raise in the 1981 session.

Teachers received a 5.1 percent pay increase last spring at Clements' recommendation. They had wanted a 7 percent hike.

Clayton said he will fight unionization and make the pay raises a priority issue.

Presidential Polls

President Jimmy Carter and former Texas governor John Connally have moved out front in their parties in this state, a recent poll showed.

The Texas Monthly magazine poll showed Carter leading Ted Kennedy 52.7 percent to 20.6 percent among Democrats. California Gov. Jerry Brown registered 5.9 percent in the poll.

Carter led Kennedy in virtually all areas of the state and other categories, except among Mexican-Americans and Blacks where Kennedy led by some 15 points.

Republican Connally with 35 percent had a nice lead over Ronald Reagan's 26.6 percent. Fellow Texan George Bush received 12.1 percent approval and Tenn. Sen. Howard Baker got 5.7 percent.

Like the Democratic front-runner, Connally led his party in all areas of the state, with Reagan showing a lead among blacks and senior citizens.

AG Opinion

In a legal opinion last week, Attorney General White ruled the sale contract of rock may be voided where a county commissioner receives royalties on the sale of the rock to a company which in turn sells it to the county.

Independence is the greatest gift parents can help their children obtain, according to Mrs. Ilene Miller, family life education specialist with the Texas Agricultural Extension Service, The Texas A&M University System.

Accent On Health

Texas Department of Health
 Raymond T. Moore, M.D.,
 Commissioner

The labels and inspection marks on the meat and meat products you buy in Texas are not there by some whim of a grocery store chain or meat producer.

They tell a story and are required by the Texas Meat and Poultry Inspection Act. The Act, administered by the Bureau of Veterinary Public Health of the Texas Department of Health, shows that wholesome products are being provided.

"Most people really aren't aware of the value of labels on meat products," said F. V. McCasland, D.V.M., Chief of the Bureau of Veterinary Public Health. "The purpose of the labeling requirements is to provide the consumer with truthful information. There are five categories we are concerned with on labels."

1. Name of the product: The product name must be the common or usual one, and must truthfully describe or represent the product. If the product contains ingredients not normally expected by the consumer, the product name must say so. For example, frankfurters may contain up to three and one-half percent cereal provided the name is qualified with "cereal added."

Names which include terms identifying two or more of the ingredients must show the predominant ingredient first. Therefore, a product identified as beef and pork sausage must contain more beef than pork. One exception to this would be pork and beans, which has so little pork that it doesn't fall under the meat inspection laws.

2. Statement of ingredients: Products produced from two or more ingredients must have the ingredients listed by their usual names in descending order of predominance. "These ingredient statements are very important to persons with food allergies or other special dietary problems," said Dr. McCasland.

3. Quantity of contents: The contents must be described in terms which are not misleading or false. Pictures, drawings or other graphics must not be misleading. For example, if four

pieces of meat or four servings are shown on the label, the package must contain that number. Devices such as false bottoms or incomplete fills which would be misleading may not be used.

4. Establishment's name and address: The name and address of the producing firm or the firm for which the product was produced must be part of the label.

5. Special instructions: Any necessary handling or serving instructions such as "Keep Refrigerated" or "Perishable" must be included in a conspicuous location.

Equally important as the label is the state inspection mark. The mark is in the shape of an outline of the State of Texas and bears a number identifying the specific producing plant.

"Meat inspection and meat grading are confused by many people," said Dr. McCasland. "They are two completely separate processes and serve two completely separate purposes. Meat inspection relates to cleanness and wholesomeness. Grading relates to the quality of the meat, either poor, good, better or best quality. Tenderness is the major quality looked at here. USDA standard, good, choice, prime, etc., are the most commonly used grades and are applied by the United States Department of Agriculture."

Dr. McCasland said that in Texas each year the meat and poultry inspection program inspects more than 815 million pounds of meat at a cost of about seven-tenths of a cent per

pound. About 800 diseased animals and 195,000 diseased poultry are detected and condemned. Over a half-million pounds of unwholesome meat products and 175,000 diseased parts are condemned annually.

"In the absence of the inspection program, these diseased and unwholesome meats would presumably have reached the Texas consumer," Dr. McCasland said. "These meats could have produced many diseases, including tuberculosis, trichinosis, staph infections and botulism."

Dr. McCasland explained that one beef carcass infected with cysticercosis or tapeworm cysts, has the potential of causing tapeworm infection in some 480 humans.

The Cooperative Meat Inspection Division of the Texas Department of Health has 275 plant inspectors, plus 26 supervisory personnel and 19 veterinarians involved in the inspection and labeling process. Six additional compliance officers keep surveillance over meat products as they move in areas not under routine inspection. Personnel of the Meat Inspection Program inspect animals throughout the slaughtering process. The whole carcass, or any part of it, is eliminated if found to be unfit for human consumption. Strict sanitation of the slaughtering facility itself is also enforced.

Laboratory analyses are used to assist the plant inspector in determining that proper labeling, handling and processing procedures are being used.

Mr. and Mrs. Joe Galloway of Wichita Falls have announced the engagement and wedding plans of their daughter, Mary Ellen to Robert August Baumer, Jr. of Wichita Falls, son of Mr. and Mrs. Robert Baumer of Scotland, Texas. The couple has chosen May 24 for their wedding day, and the ceremony will be held in Sacred Heart Church of Wichita Falls. The bride-elect is a junior at Midwestern State University. The future groom is a graduate of Windthorst High School and is a partner in Baumer and Sons Construction. They will reside in Wichita Falls. The bride-elect is a granddaughter of Mrs. John A. Fisher of Muenster.

Society to Honor 50 Year Members On April 13

St. Anne's Society members made plans to honor 50 year members at a breakfast in the Community Center on April 13, following the 7 a.m. Mass that Sunday in Sacred Heart Church.

Mrs. Denis Walterscheid, president, led the business meeting. Mrs. Harold Knabe gave minutes and Mrs. Leo Henscheid gave the annual treasurer's report, and emphasized that dues are now payable.

Get-Well Cards were sent to Mrs. Arnold Knabe and Mrs. Sue Wieler. Thank You Cards were received from the Benedictine Nuns, Lu Vogel and Elizabeth Mollenkopf.

Members discussed the NCCW meeting scheduled for the Community Center on January 17. They also made plans to assist St. Joseph's Society in its Germanfest Booth.

Marie Henscheid read "Take Time" and "All Things Bright and Beautiful." Mrs. Joe Hoenig won the door prize. Twenty five members attended with one guest, Sister Barbara Bernauer.

A social hour followed with St. Joseph's Society.

St. Richard's Villa News

St. Richard's Villa was a happy, busy place during the holidays, with programs and cards provided by clubs and organizations. Families and friends of residents brought "goodies" of all descriptions...cakes, cookies, candy, gifts, flowers, etc.

The beautifully decorated pine Christmas tree was sparkling with lights, tinsel and miniature Santas and popcorn strung by residents as they helped Activity Director Shelly Kneupper with decorations.

The Knights of Columbus came on December 19 with gifts for each resident and sang carols after Santa and helpers distributed gifts.

The special noon meal on Christmas Day, chicken and dressing and home made hot yeast rolls with all the trimmings — was served to residents and guests. Another feast day was on January 1 when the menu featured baked ham and blackeyed peas for the traditional "Good Luck for the New Year's."

From the TAP Kitchen

TEXAS PECAN PIE

Crust:

- 1 1/3 C. all-purpose flour
- 1/2 tsp. salt
- 2/3 C. shortening
- 3 T. water

Mix flour and salt together; add shortening and cut into flour with fork or pastry blender. Add water and mix gently with fork in stirring motion. Gather pastry into a ball and place in pie tin. With tips of fingers, spread pastry along bottom and sides of pie tin, shaping with a high, fluted edge. Makes one 9-inch pie shell.

Filling:

- 1 1/2 C. brown sugar, firmly packed
- 1/2 C. granulated sugar
- 1/4 C. water
- 2 T. all-purpose flour
- 1/2 tsp. salt
- 2 eggs
- 1/2 C. evaporated milk
- 1 1/2 C. pecan halves
- 3/4 tsp. vanilla

Combine first five ingredients in small bowl and mix well. Beat in eggs, one at a time. Add evaporated milk and mix well. Stir in pecan halves and vanilla. Mix well and turn into unbaked 9-inch pie shell. Cook in preheated 400 degrees F. oven for 10 minutes. Reduce heat to 350 degrees F. and cook an additional 35-40 minutes, or until filling is puffed in center and is well browned. Let pie cool before cutting.

News of the Sick

Samuel Fleitman, the 10 year old son of Mr. and Mrs. J.D. Fleitman is a patient at Muenster Memorial Hospital, where he is being treated for a broken leg, suffered at play at home after school Tuesday afternoon.

Mr. and Mrs. Jerry Fette of Waco were guests of his relatives in Muenster Sunday.

Attend Re-opening of Wichita Falls School

On Monday, January 14, Lesli Perkins, accompanied by her mother, Mrs. Anne Perkins and grandmother Mrs. Joy Dickerson of Nocona, joined Lesli's cousins Lance and Jennifer Dickerson in Wichita Falls. They went especially to attend the Flag Raising ceremony for the re-opening of Ben Milam School in Wichita Falls, where the Dickerson children are students.

The Ben Milam School was almost totally destroyed by the April 10 tornado. During its reconstruction, students attended nearby Cunningham School. Cunningham students attended morning classes and Ben Milam students attended afternoon classes from 12:30 to 5:30 p.m.

The Flag which previously flew over the nation's capital was raised by Boy Scouts of Ben Milam. Speeches by the school principal and school board members preceded the ceremony and the National Anthem followed, played by the Barwise Junior High Band. Students, kindergarten through sixth grade sang "America" and "Texas, Our Texas." Then visitors were invited to tour the beautiful almost new school.

Hospital Notes

The following patients were dismissed during the past week at Muenster Memorial Hospital.

Tuesday, Jan. 15: Carrie Roberg, Muenster; John Griffith and Manuel Johnson, Gainesville; Tim Cash, Sanger.

Wednesday, Jan. 16: Albert Edwards, Nocona; Mrs. Doyle Gates and baby boy, Forestburg; Mrs. Silvina Cano, Dallas; Mrs. Lettie Frazier, Joliet Illinois.

Thursday, Jan. 17: Joe Williams, Muenster; Jane Singletary, Lake Charles, La.; Carl Singletary, Sulphur, La.; Hal Peterson, Filer, Idaho; Ora Thurman, Forestburg; Mrs. Paul Downam, Gainesville.

Friday, Jan. 18: Mrs. Roy Oldham, Marietta, Okla.

Saturday, Jan. 19: Al Vogel, Muenster; Leo Hoebeck, Gainesville.

Sunday, Jan. 20: Shawna Hellman, Lindsay; Mrs. Lena Brown, Springtown.

Monday, Jan. 21: Mrs. Ferd Luttmier and Jim Endres, Muenster; Bill Pollard, Martin McGilvary, Jammie Rains, Lawrence Flowers and Sakina Bradley, Gainesville; Mrs. Howard Mackey and baby girl, Whitesboro; Connie Landreneaux, Bowie.

Valentine Dance Plans Are Shaping

The Valentine Dance Committee is promising a gala affair and plans are well under way for the second annual event, says Peggy Grewing, general chairman. The date is Saturday, February 16, 9 til 1:00 and the band is "Hard Times;" and the place is the Sacred Heart Community Center. Beer and set-ups will be available.

Advance tickets, at \$3.50 per person are available at Modern Floors and Fabrics, H&W Kountry Korner, or Peggy Grewing.

Committee members include Peggy Grewing chairman, reservations and decorating; Alvin Hartman tickets and bar; Julie Bayer publicity; Janet Voth admissions; Monica Hartman, beer tickets.

There will be Valentine decor, table snacks and a Valentine door prize. To be assured tables and reservations call Peggy Grewing early. The dance is sponsored by the Sacred Heart Alumni.

ing Mrs. Jo Ann Pagel gave the inspiration. Members discussed participation in Germanfest and voted to sponsor a booth. Mrs. Marilyn Luke and Mrs. Betty Rose Walterscheid accepted co-chairmanship. Members were reminded to bring prizes for the Rest Home

March 7-9 Booked For SW Farm Show

Hundreds of Future Farmers of America will converge in Fort Worth, March 7, opening day of the 1980 Southwest Farm Show.

These youthful FFA members from across Texas will be competing for hundreds of dollars of prizes during their annual statewide Champion Tractor Mechanics Contest.

The Farm Show, which is free and open to the public, will be held March 7, 8 and 9, with the opening scheduled for 10:00 a.m., Friday, March 7.

In addition to the free Farm Show, there will be a Natural Fibers Fashion Review on Saturday, March 8, at 4:00 p.m.

This event, also free, will be held in the Convention Center Theater.

Championship tractor pulling is scheduled for Thursday, Friday, Saturday, and Sunday nights, March 6, 7, 8 and 9.

Tickets are required for the pulls and can be ordered

Valentine party to be held February 12.

Eighteen members attended and welcomed one new member, Mrs. Rita Russell.

The February meeting will be the Valentine party at St. Richard's Villa on February 12 at 7:30 p.m. Mrs. Jo Ann Pagel will be chairman.

by writing Championship Tractor Pull, Box 938, Fort Worth, Texas, 76101 or by calling (817) 338-1122.

According to R.B. Allen, Executive Vice President, Southwest Hardware and Implement Association, sponsors of the big Farm Show, the 1980 mammoth exhibition will be the largest in its nine-year history.

All exhibit spaces in the Convention Center have been reserved, and thousands of square feet of additional space will be filled on outdoor parking lots, he said.

"Anyone thinking about buying new farm and ranch equipment or supplies should see this show," he concluded.

Texas A&M medical school trains rural doctors

COLLEGE STATION — Texas A&M University's College of Medicine, the state's newest, is designed to produce "primary care" doctors — family, internal and general practitioners — for nonurban areas of Texas, where medical help has lagged in past years.

About 60 percent of Texas A&M's first medical school graduates are expected to enter such practice, but it will be 1981 before the first M.D. degrees are issued here.

Texas A&M's medical students, who are younger and score higher scholastically than the national average, receive two years of predominantly classroom training at College Station followed by two years of clinical training in Temple at Veterans Administration and Scott and White hospitals.

Wheat Planting Up in Texas But Production Forecast Down

AUSTIN—Despite the fact that Texas farmers have planted their largest wheat crop since 1949, field conditions indicate that production will be down in the state from last year, Agriculture Commissioner Reagan V. Brown has reported.

A Texas Crop and Livestock Reporting Service survey indicates that 6,800,000 acres have been planted.

"The acreage is 17 percent more than last year; however, based on conditions in the fields on December 1, production is expected to be significantly lower, down to 88 million bushels," Brown said.

Germination on dryland seedings was slow due to lack of moisture in August and September. High Plains wheat fields were providing only fair grazing for cattle on December 1. Early snow storms damaged some of the Plains crop.

Production in 1979 from 5.8 million acres reached 138 million bushels.

Conditions in Texas are

comparable to those in other wheat-growing states, with the U. S. production forecast to be 1.57 billion bushels, 3 percent less than that in 1979.

According to preliminary surveys by the Reporting Service, counties in the Northern High Plains have increased acreage from 2.7 million to 3.1. The Blacklands area also has a substantial increase, from 660,000 acres in 1979 to 1,060,000 for the 1980 harvest.

Other regions showing increases are the Northern Low Plains with 760,000 acres contrasted to 710,000 in 1979; Southern Low Plains, moving from 680,000 acres to 830,000; South Central Texas, 115,000 acres in 1979 and 127,000 acres for 1980.

Acreage reductions are forecast for the Southern High Plains, 260,000 acres in 1979 down to 240,000 for 1980; Cross Timbers, 380,000 to 370,000, and the Edwards Plateau, 175,000 to 160,000.

All other regions account for 153,000 acres planted for the 1980 season as contrasted to 120,000 for 1979.

AMBER WAVES—Texas farmers may have sown the largest wheat planting in Texas since 1949 but poor field conditions will most likely force production significantly below 1979 levels, according to Agriculture Commissioner Reagan V. Brown.

Hood Club Plans Barbecue Supper

The business meeting held by the Hood Community Improvement Club on January 14 included plans for a barbecue supper to be served to club members at the next meeting. Dominoes and games of 42 will follow. The party will be held in the Hood Club building on February 11 at 7:30 p.m. A box of Valentine candy will be a special prize.

J.T. Barker conducted the

business meeting; Joe Lewter offered the opening prayer and Mrs. Mary Evelyn Hermes gave the secretary treasurer's report.

Members decided to have no domino tournament this year and discussed entering the Community Improvement Contest.

Mrs. Lanny Lewter and Mrs. C.A. Morris served cake and iced tea to club members present.

Meat Output Down in Texas

AUSTIN—During the first 11 months of 1979, Texas commercial slaughtering plants produced 3,393 million pounds of red meat, a figure some seven percent below the same period in 1978, Agriculture Commissioner Reagan B. Brown has reported.

Cattle slaughter was down 13 percent below a year ago,

and calf slaughter slid 44 percent below 1978 totals for the eleven-month period, Brown said.

The Texas Crop and Livestock Reporting Service figures show increases in hog slaughter, up 25 percent at 1,214,900 head, and in sheep and lambs, up 19 percent at 867,900 head.

Gains in Agricultural Cash Receipts May Boost Texas Farmers, Ranchers into No. 2 U.S. Position

AUSTIN—Gains in cash receipts, which have outstripped all other competing states, are likely to boost the national ranking of Texas' farmers and ranchers, Agriculture Commissioner Reagan V. Brown recently reported.

For the first nine months of 1979, Texas (currently ranked third) registered substantially greater improvement in farm cash receipts than either first-ranked California or the No. 2 state, Iowa, said Brown.

"Cash receipts were up 18 percent in Texas, compared to a 13-percent increase for Iowa and only a five-percent rise for California," he said. "During 1979, Texas recorded excellent crops of cotton, wheat, grain sorghum, peanuts and pecans. When marketings of crops and livestock for the entire year are tabulated, it is likely we will overtake the No. 2 position."

For the January-September period, Texas farm and ranch cash receipts totaled \$6.34 billion, compared to \$6.68 billion for Iowa and \$7.23 billion for California. Brown noted that for the nation as a whole, farm cash receipts were up 14 percent to \$85.59 billion.

However, he also pointed out that during this same time, farm and ranch production expenses rose an estimated 16 percent, led by a 45-percent average increase in fuel prices. In the 12-month period ending October 15, 1979, for instance, Texas farmers and ranchers saw prices for on-farm delivered diesel fuel shoot up 36 cents a gallon, with gasoline prices following a similar pattern. Further price increases have come about since then.

"In spite of the fact that Texas farmers and ranchers are doing a tremendous job of

producing and selling, inflation continues to severely erode net profits," Brown added.

Report your News to the ENTERPRISE 759-4311 Box 190 Births

Mr. and Mrs. Howard Mackey are parents of a daughter, Jenifer Ranette, born in Muenster Memorial Hospital on Friday, January 18, 1980 at 9:34 a.m. weighing 7 lb. 6 1/2 oz. She is a sister for Rusty and J.R.

Mr. and Mrs. Michael Hofbauer announce the birth of their son, Jacob Marshall Hofbauer in Clay County Memorial Hospital of Henrietta, on Tuesday, January 22, 1980, at 3 p.m. weighing 8 lb. 1/2 oz. The

grandparents are Mr. and Mrs. John Gaston of Illinois Bend, Mrs. Norma J. Dowd and Denis Hofbauer of Muenster. The great-grandparents are Mr. and Mrs. Mike Schilling and Mr. and Mrs. Clem Hofbauer, all of Muenster, and Mrs. Emily Snapp and Mrs. C.L. Gaston both of Nocona. Jacob is a baby brother for John Michael.

Fort Worth and Mr. and Mrs. Joe Bayer and family of Denton. Leon Bayer, after working in Washington for a year has returned to Muenster. Mel Bayer has returned to Brewster and Larry Bayer has returned to Baton Rouge after their week of vacation.

Tony Fleitman
Christmas dinner and supper and all day reunioning were hosted by Mr. and Mrs. Tony Fleitman on December 25. Their guests were Mrs. Anna Jostwerner, Andrew Fleitman, Mr. and Mrs. Eugene Fleitman and Tony and Laciasha of Muenster, Mr. and Mrs. Paul Hermes and Weldon

and Charles of Lindsay, Mr. and Mrs. Patrick Fleitman of Nocona, joining Virginia, Theresa, Alfred, Melvin, Donnie, Agnes, Nancy, Susan, David and Karla of the home.

On New Year's Day, the same group was joined by Mrs. Jenny Schilling of St. Richard's Villa for a family party.

Theo Miller
The W.J. Millers hosted two family gatherings in observance of Christmas. On Sunday, December 23 their guests were their children and grandchildren, the Robert Millers and Julie and

Home for Christmas

Melissa of Muenster; the Terry Millers and Shawn and Chad of The Colony; the Alan Millers and Eric and the Jack Flusches and Greg all of Muenster, joining Mark Miller of the home.

On Christmas Day Therese and Billy Joe hosted members of the Theo Miller family. Attending the covered dish dinner and all day gathering were the Stan Yostens and Paul Yostens of Fort Worth; the Herbie Miller family, the Tommy Felderhoff Sr. family, the Ervin Henschel family and the W.J. Miller family all of Muenster; and the Ted Miller family of Sherman.

The Randy Bayer family of Grapevine was unable to attend.

Mrs. Bonnie Hess

Mrs. Bonnie Hess enjoyed having her family together for a Christmas reunion. Attending were Mr. and Mrs. Don Hess and family; Mark Hess and Bob Hess all of Muenster; Mr. and Mrs. Denis Hess and family of North Richland Hills; Mr. and Mrs. Dave Hess and family of Lewisville; Steve Hess of Irving; Larry Hess of Denton; Frances Hess of Dallas; also Liz Thompson of Irving; Randy Whitehead of Lewisville.

Very interesting for the

family was seeing Frances Hess on TV, with the Dallas Cowboys Cheerleaders.

Part of the picture was filmed at Scottish Rite Hospital where she is a registered nurse. Frances was shown moving a boy patient in a wheelchair and was also in the group circled around the cheerleaders as they danced for the children.

Dick Cains

The Richard (Dick) Cain family celebrated Christmas early when they all were together for a covered dish meal in the home of Mr. and Mrs. J.C. Christian in Lewisville on December 23, to enable Mrs. Eula Grace Cain to be at St. Richard's Villa on Christmas Day.

A gift exchange followed the noon meal. Attending were the Bill McCollums and Kelley and Tracey of Dallas; Mrs. Cain and the Wendell Richeys and Craig, Robynn, Todd, Stephanie and Melanie all of Muenster, Nick and Neil Walterscheid and Brenda Henschel all of Muenster; the Chris Cains and Christin and Cory and the Dickie Cains and Troy, Scott and Shawna, and Tami and her husband Lynn all of Lake Murray Village, Ardmore.

Also the Biff Whites; De Ann and Cody Trachta of Giddings; the Gene Hartmans, Jeanna, Pam and Doug of Denton.

Ed Cler

Mr. and Mrs. Ed Cler were surprised on Christmas Day with a visit from their son and family Mr. and Mrs. Gary Cler and Keith, Michael and Steven of Snohomish, Washington on their first trip to Muenster since 1975.

They arrived on December 22, stayed with his sister and family, Debbie and Eric Randolph in Thackerville, Okla. and came to surprise his parents on December 25.

Joining them were the Eric Randolphs and Melissa and Julie Wyatt; the Leon Fuhrmanns and family of Myra; the Tommy Youngbloods and family of Springtown; the Mark Cler of Muenster and Jim, Doug and Tony Cler of Muenster. Christi and Jerry Bob Cash who visited her parents last Thanksgiving were unable to attend.

The children and grandchildren of the Ed Cler were together again to see the New Year in at the family home. Together they observed the Mark Cler's wedding anniversary, Jim Cler's birthday and Debbie Randolph's birthday. The Gary Cler family left here on January 6, encountering snow and ice only after nearing Washington State, luckily missing bad weather that was all around them.

YOU CAN BANK ON IT!

This early in the new year nearly everyone is still ticking off resolutions for 1980. One of the most common is to resolve to save. There are two crucial elements to this resolution. One is to get started. The second is to keep doing it after you start.

How much you save is your decision, but everyone should make a real effort to save between five and ten percent of their income. This is a good practice to following financial planning whether you have a specific goal (such as education) or just want the financial security created by such a savings plan.

The best time to start is when you receive your next pay check. Determine the percentage you want to save... then open a savings account. Now, when you set up your budget for the year (or week or month) include your savings. You'll be surprised how quickly saving can become an automatic habit and one of the most profitable... you can BANK on it!

Pilot Point Beats Three MHS Teams

Muenster High teams were three time losers in their games at Pilot Point last week. While Hornets and junior varsity continued their losing streaks, the Hornets dropped out of contention in their 14-A schedule.

A combination of their own misfortune and a hot performance by the Bearcats explains what happened to the Hornets. Don Frazier, who has been a key man all season, was eliminated with a twisted knee early in the first quarter, resulting in a shake-up of game plan as well as a critical shortage of man power. The other factor was a good exhibition of speed by the host team. Scores by quarters, with Pilot Point leading all the way, were 16-8, 37-22, 50-32 and 66-53. Phil Wolf led MHS with 20 points (10 in the fourth period) and Floyd

Felderhoff was next with 14. Mark Felderhoff added 7 and Ricky Winn and Todd Richey each 6.

Junior Varsity girls were in contention for half of their game, trailing by counts of 8-6 and 12-10. But after that they went ice cold while Pilot Point continued its slightly better previous pace. Scores were 17-12 and 22-13 ending the third and fourth. Sandy Wimmer made 8 for MHS and Renee Wimmer 5.

The Hornets, winless to date in 14-A were simply over-run by the Pilot Point gals, who are in the running for district honors. Scores by periods were 21-3, 42-11, 61-16 and 80-27. Point makers for MHS were Wanda Schneider 8, Stephanie Richey 8, Renee Wilde 4, Kyla Hale 3, Judy Walterscheid 2.

In the Hornets' game with Aubrey, Todd Richey shoots for 2. Also in the action are Floyd Felderhoff, Mark Felderhoff and Phil Wolf. —Janie Hartman Photo

Mel Walterscheid adds 2 in Sacred Heart's game with Christ the King as Brian Bindel, 40, is set for a rebound. —Janie Hartman Photo

MHS Hornets hold a strategy huddle with Coach Nix at half time in their game with Aubrey. But it failed to help them win. —Janie Hartman Photo

SH Teams Play In TCIL District Tourney

Basketball teams of Sacred Heart High will close out their district season Friday and Saturday in a TCIL district tournament hosted by Alamo High of Amarillo.

The outcome will determine official standings of the loop. Until now the season had decided only who will play whom in the opening games. Standings in the boys division are Christ the King 4-0, Sacred Heart 2-2, Notre Dame 2-2 and Alamo 0-4. It means that starting opponents will be Christ the King and Alamo and Sacred Heart and Notre Dame.

In the girls division the standings are Alamo 3-1, Christ the King 3-1, Notre Dame 2-2, Sacred Heart 0-4. The two top teams will flip a coin in deciding first game opponents.

Closing out the regular season, the SH teams played Notre Dame there Wednesday and here Saturday, and both teams did better at Wichita Falls. The Tigers won 57-48 and the Tigerettes were leading when disaster hit them in the last period.

The SH girls, after lagging behind 10-4 and 17-16 in the first and second, moved to a 27-26 lead at the third. But their success did not last. Rhonda Endres and Virginia Bartush fouled out and Toni Hoedebeck went out with a sprained ankle. After that the ND gals took charge and gained for their 45-35 win. Scorers for SH were Toni Hoedebeck 10, Christy Felderhoff 7, Carol Walterscheid 6, Ginger Fleitman 6, Rhonda Endres 4, Shellie Walterscheid 2.

After a SH lead of 9-7 at the first quarter and a ND lead of 20-16 at the half, the score was tied at 32 ending the third. Then came a fourth period see saw in which ND was ahead 44-43 at the buzzer. Tiger scorers were Kenny Hartman 9, Mel Walterscheid 8, Monte Endres 7, Kirk Mollenkopf 5, Gene Fuhrmann 5 (plus an extra good defensive job), Mark Nasche 4, Craig Walterscheid 4.

Toni Hoedebeck tries for two in the Tigerettes game with Christ the King while Shellie Walterscheid gets set for a rebound. —Janie Hartman Photo

Aubrey Hi Sweeps Series with MHS

Hard times continued for Muenster High basketball teams when Aubrey came to town last Thursday night. The Hornets, who made a good start in the district run, had a miserable night and dropped to a standing of 3-2. Hornets did a good job for three quarters but weakened in the fourth, whereas Hornets JVs were simply outclassed by their visitors.

Double troubles haunted the varsity boys for the second consecutive time. Don Frazier's injury, sustained the previous game, kept him out of the lineup. And to make matters worse the team was under pressure of foul trouble since early in the game. Eventually four starters, Winn, Wolf and the two Felderhoffs fouled out and the Hornets finished the game with four reserves on the floor. Nevertheless their

scoring progress was fair, as they trailed by counts of 15-10, 32-25, 49-36 and 69-60. The scorers were Floyd Felderhoff 14, Mark Felderhoff 12, Todd Richey 11, Phil Wolf 10, Ricky Winn 6, Larry Fleitman 4, Scott Marquardt 3.

The Hornets were tied 15-15 at the half and trailed 21-19 at the third and finished at the short end of 29-24. Their point makers were Carla Walterscheid 8, Wanda Schneider 6, Stephanie Richey 5, Sherri Hess 3, Kyla Hale 2.

Junior varsity boys were outscored in all periods but the last as the counts were 12-6, 30-16, 38-20 and 48-32. Their scorers were Kevin Felderhoff 8, Gary Klement 6, Wayne Carroll 6, Tony Otto 4, Glenn Fisher 4, Billy Grewing 2, Wylie Lewis Jr. 2.

Muenster Juniors

Junior High and Junior Varsity boys of Muenster Public School lost both ends of their double header with Aubrey's kids on the MHS court Monday night.

The junior high team, made up mostly of seventh graders, had their usual problem of competing with mostly eighth graders who enjoyed a clear advantage and came out as a 27-14 win. David Winn, Ronnie Fisher and Cory Klement scored 8, 4 and 2 respectively.

Next game was equally one sided as Aubrey rolled on by scores of 7-0, 21-7, 29-19 and 53-25. Kevin Felderhoff made 7 for MHS, Wayne Carroll added 6, Steven Fisher 4, Michael Lewis 4 and Stanley Livingston 4.

MHS Wins 2 of 3 at Callisburg

Tuesday was one of the better nights in Muenster High's basketball schedule. Returning from Callisburg the teams had a pair of wins out of their three game program. Junior varsity girls and varsity boys won 25-20 and 67-47 respectively and the varsity girls lost 56-16. As a result the Hornets now have a 3-3 standing in the 14-A race and the Hornettes remain winless.

Varsity boys had it their way from the start, including the satisfaction of a minimum of foul trouble. After stepping out to a 17-12 first quarter lead, they kept improving it for counts of 32-18, 49-34 and 67-47. Todd Richey was the leading Hornet scorer with 18. Floyd Felderhoff made 16, Phil Wolf 11, Ricky Winn 7, Gary Klement 6, Kevin Felderhoff 6 and Mark Felderhoff 3.

JV girls started slow, trailing 4-1 and 13-5 at the first and second but took charge in the second half. Ending the third they were near even with 16-15, then went on to a 25-20 win. Scores were made by Sherri Hess 8, Renee Wimmer 8, Sandy Wimmer 5 and Mary Winn 4.

The Hornettes game was no contest, as indicated by only 4 points out of 22 free throws. Meanwhile Callisburg went on and on in its 56-16 run-away. MHS

scorers were Stephanie Richey 6, Wanda Schneider 4, Carla Walterscheid 2, Judy Walterscheid 2, Peggy Winn 2.

The season's final showdown will begin next week in a tournament style schedule. The Hornets first opponent will be named after Thursday's game with Sanger. MHS girls will play their first tournament game Monday, the 28th at 7:30 at Lindsay.

Because of the varsity girls game, junior high and junior varsity boys games at Sanger are postponed to Tuesday night.

Teacher shortage

AUSTIN, Texas (Spl.) — Teachers are in short supply in Texas, says the director of placement in The University of Texas College of Education.

Dr. William Bennie attributes the shortage to a number of factors: the "job scare" in education several years ago when an oversupply of teachers caused students to go into other fields; the declining enrollment in education because of continuing low pay for teachers, and the movement into Texas of more families.

He says the calls his office is receiving now is not for next year's staff but for more teaching personnel immediately.

Honor Roll For Jr. High, 2nd Quarter

The Junior High honor roll for the second quarter has been announced as follows: 8th grade, Susan Walterscheid, Anne Felderhoff, Gus Reiter; 7th grade Sondra Hess, Connie Bayer.

Honorable mention: 8th grade Jeannene Voth, Nicky Hess, Mark Hesse, Neil Hesse, Shannon Fleitman, Duane Haverkamp, Lorene Bartel, Rita Pels, Sara Stoffels; 7th grade Rose Felderhoff, Le Ann Mollenkopf, Sandy Taylor, Kyle Walterscheid.

College Representatives

On Monday, January 28, College recruiters will visit SHHS to speak to the Juniors and Seniors about their respective schools. Each speaker has expressed an interest and willingness to meet with parents during their visit. The schedule is as follows: 9 to 10:30 representatives from Midwestern University of Wichita Falls; 10:30 to 11:30 representatives from East Texas State University of Commerce; 2:30 to 3:30 counselors from Cooke County College. All juniors and seniors of SHHS and parents and recent alumni are invited to attend these presentations, which will be held in the Sacred Heart Library.

Baptism Anniversary Observed By SHS Kindergarteners

Sacred Heart Kindergarten children celebrated the anniversaries of their baptism with a special Liturgical worship in the Convent Chapel on Thursday, January 24 with Father Denis Soerries as celebrant of the Mass.

Dana Hess, Scott and Melanie Wilde, Chad Simmons, Leah Walterscheid, Helmut Koelzer, Jason Frost and Bernice Bartel observed December or January baptismal anniversaries.

For the entrance hymn they sang "Sing of the Glory of the Lord." After the first reading by their teacher, Sister Genevieve, they responded with the hymn "His Love is Everlasting." The reading of the Gospel and the homily by Father Denis preceded simple renewal of baptismal promises.

After the song "He Called Me" each of the above eight children was called by name as a reminder that

God called each one to be His adopted child through baptism. As each child responded he received a white crocheted star as a reminder of the duty to live as God's children.

Symbols used in the administration of the sacrament of baptism were presented at Offertory. Misty Vogel carried a lighted candle. Kristi Bierschen carried the white garment. Lisa Schilling carried the water. This water was brought from the River Jordan by Sister Genevieve when she traveled in the Holy Land in 1972.

The Eucharistic gifts were presented by Cheramie Mosier, Kristen Klement, Cindy Schilling and Vickie Bayer.

The children sang "This Loving Heart of Mine" at Offertory and "Children, Hear Lord Jesus Calling" for Communion. The Mass ended with the hymn "This Little Light of Mine."

Forestburg Class Hears Earl Fisher

On Tuesday, Jan. 15, the Forestburg Senior Consumer Education class welcomed Earl Fisher of the Muenster State Bank to lead a discussion on Consumer Banking. Mr. Fisher presented information on the history of banking, checking accounts, consumer credit and careers in banking.

The class will complete Personal Checking Account kits as an introduction to their next unit which will be Understanding Income Taxes '79. In this unit, each student will be able to complete his own tax 1040 or 1040A form based on eligibility requirements. The class thanks Muenster State Bank and Mr. Fisher for devoting time to the class.

M. Grewing Heads MHS Annual Staff

Mark Grewing heads the Muenster Hornet Annual Staff as editor. Others chosen on January 17 were Claudia Flusche as business manager, Beverly Trubebach in charge of Copy, Jo Ann Gibson in charge of Lay-Out, and Brent McElreath in charge of Activities.

Mark has served on the annual staff for the past three years; Claudia has served one year; Bev has been on the staff for four years; Jo Ann for two years and Brent is serving for his first year.

Members of the Annual Staff made the selections on merit. Mrs. Nancy Perryman is the Advisor. Their goal is to complete the Annual during the '79-80 school year.

Honor Students

Two Muenster students are included on the Dean's List of the Fall Semester just announced at Southwestern Oklahoma State University. They are Judy Krahl and Christopher Schilling. Requirement for the honor is a grade point average of at least 3, a minimum load of at least 15 hours and no grade lower than C.

Forestburg FHA Sets Goal for MOD

Forestburg FHA's regular meeting on January 9 featured a talk on teenage pregnancy by Kay McClure of Life Planning Health Services and a film entitled "Woman Child."

In observance of the annual March of Dimes Campaign, the chapter has adopted a goal of \$100 for birth defects.

The entire chapter plans to attend the area FHA meeting in Abilene on the weekend of March 7-9 when Leann Hays will be the chapter candidate for area officer.

News of 4-H

The Muenster Community 4-H Club meeting on January 15 was attended by 18 members, one adult leader and Extension Agent Linda Moody.

John Zimmerer presided. Members discussed the following projects: Photography II, Livestock, Dairy Judging and Clothing.

Linda Moody talked about conserving energy; also about various ways to heat and cool a home.

Amy Davidson is reporter for the Muenster Community 4-H Club.

PTO Meeting Hears Talk on Nutrition

Mrs. Doris West of the Fort Worth Education Service Center, Region XI spoke to members of the Muenster PTO during their regular meeting on January 21 at 7:30 p.m. She discussed Nutrition and urged them to use nutrition kits available from her office, for future meetings and study.

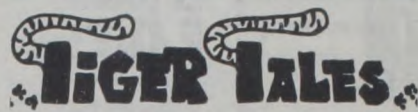

Anticipating coming events which they will sponsor at Muenster Public School, members of the Muenster PTO set the date of the annual Arts and Crafts Show for March 4, during Public School Week. Also set were the Junior High Banquet for April 22 and the All Awards Banquet for May 5.

Blue Jays News

The second grade Blue Jays held the January 7 meeting in the Baptist Church. Taking part was Vice President Tony Grewing in the absence of President Donnie Boydston. Also taking part were Erin Perkins secretary, David Rohmer treasurer, Jeff Hellman and Billy Covington, who led the Blue Jay Wish and Pledge to the Flag, respectively, and Jimmy Herr sentry and Joe Weinzapfel reporter. Troy Berres and Troy Pagel served chocolate chip cookies and fruit punch.

The boys began their "Blue Jay Trail to Happiness" by learning two camp songs taught by Meredith McDaniel. The room was left clean and tidy by the clean-up committee of Michael Abney, Stephen Koelzer and Jason Walterscheid.

SCHOOL NEWS

Friday, January 11 was Blue Jean Day.

SH School Menus

Jan. 28 - Feb. 1

Mon. Fried Ham, mashed potatoes, corn, whipped dessert, bread, milk.

Tues. Spaghetti and Meat, green beans, apple sauce, hot rolls, butter, milk.

Wed. Railroad Pies, combination salad, corn bread, pears, butter, syrup, milk.

Thurs. Fried Chicken, rice, gravy, peas, cranberry sauce, bread, milk.

Fri. Toasted Cheese Sandwiches, tomato soup, apples, celery sticks, milk.

Joint-Assembly

Sacred Heart High School attended a joint-assembly with Muenster Public High School in the MHS Auditorium on Wednesday, January 23. The speaker was a former member of the Unification Church.

Jr. Olympics

The Student Council sponsored Junior Olympics Day, beginning at 1:30, with all classes participating. Winners were determined by total number of points accumulated. Games were penny drop, football in a basket, pencil on a string, and free throw, with all members of the classes taking part. Then 8 boys and 8 girls from each class participated in cheerio on a toothpick, balloon pop, and thread in order named, sophomores, juniors, seniors, freshmen.

Thursday, January 17 was Senior Day. All seniors were allowed to wear blue jeans.

Friday, January 25 is Fray Day - counting for points for Super Class. On Fray Day everyone wears sunglasses.

Annual

Senior pictures and pictures of groups and clubs were made for the Annual on January 8. The next day the class of 1980 group picture was made.

Civics Class

Many students of the Civics Class attended the Gainesville City Council meeting on January 15, where they viewed procedures.

For you wood cutters, we have a large stock of bars, chains and sprockets to fit any size or brand of saw plus we can sharpen and repair any saw that needs it. We also have STIHL, ECHO and McCULLOCH chain saws to fit any need or budget. Come by the Garden Center for all your chain saw or gardening needs.

It's time to plan dormant oil spraying of Fruit and Pecan trees for overwintering insects. Also check your evergreen EUNYMOUS shrubs for those small white scale insects that can cover the leaves and stems and cause death to the plant. These should be sprayed with dormant oil also. We have the oil in stock or if you prefer we will spray for you. Just give us a call at 759-2766.

It's also fruit tree planting time. We have just received a large shipment of Fruit, Pecan, Walnut and some Shade trees. These should be planted as soon as possible to allow good root growth thru the winter.

The Odds Against You... Want to guess your chances of having a car accident this year? One in a hundred, or one in fifty? ... Both answers are far too optimistic. The fact is that one in every five American drivers is involved in an automobile accident every year... It's the day to day driving that gets you, too. Three out of every four crashes that result in deaths occur within 25 miles from home. Moral: wear your seatbelt, all the time...

Read it and Weep! This year America will send \$60 billion overseas to buy foreign oil. Over half of all the oil we use goes for transportation. We're petroleum junkies, and we may become the first people in history to drive ourselves to the poorhouse... Just driving at the speed limit would be a big help: the average car gets 20 percent better fuel economy at 55 instead of 70...

Abbot Alfred Visits
Abbot Alfred Hoenig of Corpus Christi Abbey visited in Muenster Tuesday through Friday of last week with his brothers and sister, members of the Hoenig relationship. One day he accompanied Mr. and Mrs. Joe Vogel and Mrs. T. Vogel to Rhineland where they visited another sister and her husband, Mr. and Mrs. Leo Fetsch.

Busch Breweries Sell 46.2 Million Barrels in 1979

Anheuser-Busch, Inc., the world's leading brewer, sold 46.2 million barrels of beer in 1979, another all-time record for any brewer in a single year, it was announced today by August A. Busch III, chairman and president of Anheuser-Busch Companies, Inc. The 1979 barrelage represents approximately 26.6 per cent of estimated total brewing industry sales in the U.S. (including imports), compared with 1978 barrelage representing approximately 24.7 per cent of total industry sales. Anheuser-Busch sales in 1979 reflect an increase of 4.6 million barrels, or 11.0 per cent, over the company's 1978 beer sales volume of 41.6 million barrels.

Mr. Busch said that the 1979 record barrelage "underscores the momentum and fundamental strength with which Anheuser-Busch enters the 1980s, and reaffirms our commitment to producing only superior quality, naturally brewed beers."

"Our 1979 sales results and those of preceding years reflect solid, steady growth and the strength of the industry's most balanced product line," he added.

"Through 1979, Anheuser-Busch has led the brewing industry in sales for 23 consecutive years. That is a remarkable testimony to the quality of our products, to the dedication of our employees and to our 950 independent wholesalers nationwide," Mr. Busch said, adding: "There is no doubt that we will continue to lead the industry in the years ahead."

Mr. Busch said that in 1979 production at the company's ten breweries was at an all-time high. In fact, third quarter sales in 1979 were capacity-constrained. "Our employees established more than 300 production records during the year and capacity utilization during that time was virtually 100 per cent," he said.

Anheuser-Busch is the brewer of Budweiser, Michelob, Natural Light, Michelob Light and Busch beers.

Tips on Avoiding Freeze Damage to Landscape Plants

Homeowners can take certain steps to reduce or prevent freeze damage to landscape plants, says Neil Tibbets, county agent with the Texas Agricultural Extension Service, Texas A&M University System.

To reduce the likelihood of freeze damage, especially to evergreen plants, be sure to mulch root areas to prevent low soil temperature. This allows continued uptake of moisture and less chance of dehydration. Do not allow soil to become excessively dry. Water thoroughly before a freeze but do not water while ground is frozen.

Tibbets suggests covering choice plants with large cardboard containers or by wrapping them with polyethylene film. If film is used, be sure to remove whenever direct sunlight hits it, as extremely high temperatures can develop and cause more damage to the plant than that caused by the cold.

Do not be over-anxious to remove plants that appear to have been killed by a freeze, adds Tibbets. Often damaged plants will send out new shoots from the roots. Unless they are budded or grafted plants, new growth will be the same as the original plants.

Careful pruning to encourage compact growth will produce an attractive plant. Be sure to remove dead or damaged wood by pruning to good, sound tissue. However, wait until new growth starts before pruning so you can determine the extent of injury, advises Tibbets. Pruning too soon can result in removing too much uninjured wood or having to repeat the pruning operation because not all dead tissue was removed.

Wildflower Calendar Sales Aid Native Plant Crusade

A wildflower poster calendar which lives long after the year is exhausted is now in its seventh edition and is growing in popularity each season.

The calendar's increasing popularity is a good thing for the originator—Carroll Abbott of Kerrville, the state's only fulltime wildflower seed and plant collector.

Sales of the calendars help fund Abbot's crusade to save the native plants of Texas by getting folks to

grow wildflowers in their homescaping, in city and state parks and on school grounds.

The big calendar measures nearly two by three feet in full color and is bordered with 22 individual portraits of the most popular Texas wildflowers. A tranquil landscape with windmill and country cabin decorates the center.

The "Beautiful, Beautiful Texas" calendar never dies, Abbott says, because the individual portraits are useful

later for framing and découpage work. And the centerpiece often is laminated between plastic sheets for a place mat.

The calendar also serves as an educational tool. An accurate description is given for each plant, along with its botanical name. Many teachers use it as a classroom aid.

The calendar is available by mail for \$3.90 each, which includes sales tax and postage, from Green Horizons, 500 Thompson, Kerrville TX 78028.

Public Notice

Texas Power & Light Company, in accordance with provisions of the Public Utility Regulatory Act of Texas, hereby gives notice of the Company's intent to implement new schedules of electric service rates in areas served by the Company, effective February 8, 1980, or as soon thereafter as permitted by law.

The rate schedules will result in a 15.35 per cent increase in the gross revenues of Texas Power & Light Company.

A complete copy of the new rate schedules is on file with the Public Utility Commission at Austin, Texas, and with each affected municipality, and is available for inspection in each of the Company's public business offices.

TEXAS POWER & LIGHT COMPANY

Homemakers Hear Landscaping Talk

A program of Landscaping by Mrs. Henderson of Woolfolk Nursery was presented to the Hood Extension Homemakers Club on January 16 at 1:30 p.m. in the Community Club Building.

Mrs. Henderson discussed planning and planting of lawns, gardens, flower beds, trees and shrubs.

Lawane Pyrot was hostess. Members discussed the district meeting in Gainesville; also an all day meeting on March 27 with a luncheon included at the Community Center.

The next meeting of the Hood Extension Homemakers Club will be on February 20 in the club building, with a program on Family First Aid.

Jimmie Lyn Harris of NTSU, Denton, was a guest of her grandmother, Mrs. Harold Walterscheid, Friday through Sunday.

Make-Ahead Meals To Please The Family

Dinner Doldrums? Here's a trio of hearty, one-dish meals guaranteed to collect family praise. All offer make-ahead convenience, a reprieve for the food budget, and terrific homemade flavor.

- 1 10-oz. pkg. frozen chopped broccoli, thawed, drained
- 1 cup chopped tomato
- 1/4 teaspoon basil
- 1 tablespoon Parkay margarine, melted

Combine meat, 1/4 cup cracker crumbs, egg, onion and salt; mix lightly. Form into 12 meatballs; brown in oil. Combine rice and pepper; place in bottom of 1-1/2 qt. casserole. Cover with meatballs. Combine process cheese spread, broccoli, tomato and basil. Pour over rice and meatballs. Top with remaining cracker crumbs tossed with margarine. Bake at 350°, 30 minutes. 4 to 6 servings

To make ahead: Follow recipe directions, omitting cracker crumb topping. Cover and refrigerate overnight. Add cracker crumb topping and bake, uncovered, at 350°, 45 minutes.

Hearty Cabbage Casserole

- 8 cups chopped cabbage
- 1-1/2 cups onion rings
- 4 rye bread slices, cubed
- 1 lb. pork sausage links, cooked, drained
- 2 tablespoons Parkay margarine
- 2 tablespoons flour
- 1/8 teaspoon pepper
- 1/2 cup milk
- 1/2 cup Velveeta pasteurized process cheese spread

Parboil cabbage and onions 7 minutes; drain. Make a white sauce with margarine, flour, milk and pepper. Add 1/2 lb. process cheese spread, cubed; stir until sauce is smooth. Layer half of cabbage mixture, bread and sausage in 1-1/2 quart casserole. Repeat layers of cabbage mixture and bread; top with sauce. Let stand 5 minutes before baking. Bake at 350°, 30 minutes. Top with additional process cheese spread slices; continue baking until melted. 6 to 8 servings

Natural and processed cheeses are excellent protein alternatives. Cheese has no waste and doesn't shrink in cooking, so every pound purchased can be eaten.

Cheese is also versatile. It's a good accompaniment for almost all vegetables. Broccoli, cauliflower, and tomatoes are some familiar combinations. Though not so common, cheese and cabbage is also a delicious duo, as this recipe for Hearty Cabbage Casserole illustrates.

Mixing several types of cheese is another palate pleaser. For example, mozzarella, grated parmesan, and cottage cheese are tastily teamed in Marvelous Mostaccioli. This recipe is also adaptable. It micro-cooks in less than 15 minutes and it freezes well. Complete make-ahead directions are included for this main dish and the others which can be made oven-ready "the day before" and refrigerated overnight.

Meatball Casserole

- 1/2 lb. ground beef
- 1/2 cup cracker crumbs
- 1 egg
- 1/4 cup chopped onion
- 1/4 teaspoon salt
- Oil
- 2 cups cooked rice
- Dash of pepper
- 1 8-oz. jar Cheez Whiz pasteurized process cheese spread

Memorials Aid in Cancer Campaign

An indication of the growing popularity of the American Cancer Society's Memorial Program was given today by Horace Lesley, of the Society's Cooke Unit. "The rapid growth of Memorial giving is due to a keener public appreciation of the fact that more tools are needed in the fight against cancer," Mr. Lesley said.

He pointed out that research against the disease has progressed so rapidly that there has not been enough money available to follow-up on the many new leads which have been un-

covered in recent months. "Research against cancer has widened tremendously, and most scientists now believe that the disease will be conquered before many more years have passed," he stated.

Mr. Lesley said that the Memorial contributions received by the Cooke Unit of the American Cancer Society are made not only as remembrances of those who have died of cancer, but frequently in honor of happier events, such as birthdays and anniversaries. "Some contributors," he said, "have established the habit of making Memorial gifts at regular intervals during the year."

Every Memorial contribution is acknowledged with a dignified card naming the person in whose memory or honor the gift is made. This card is sent to the person designated by the contributor. The card does not state the amount of the gift.

To make ahead: Follow recipe directions. Cover and refrigerate overnight. Uncover and bake at 350°, 45 minutes.

Marvelous Mostaccioli

- 1/2 lb. Italian sausage
- 1/2 cup chopped onion
- 1 16-oz. can tomatoes
- 1 6-oz. can tomato paste
- 1/3 cup water
- 1 teaspoon oregano leaves
- 1/4 teaspoon pepper
- 8 oz. mostaccioli noodles, cooked, drained
- 3 cups (12 oz.) shredded Casino natural low moisture part-skim mozzarella cheese
- 1-1/2 cups cottage cheese
- 1 teaspoon marjoram leaves
- 1/4 cup (1 oz.) Kraft grated parmesan cheese

Brown meat; add onion.

Cook until onions are tender; drain. Stir in tomatoes, tomato paste, water and seasonings. Cover; simmer 30 minutes. Combine cottage cheese and marjoram. Layer half of noodles, meat sauce and mozzarella in an 11-3/4 x 7-1/2-inch baking dish; spread with cottage cheese mixture. Repeat layers of noodles, meat sauce and mozzarella cheese. Sprinkle with parmesan cheese. Bake at 350°, 30 minutes. 6 to 8 servings

To make ahead: Follow recipe directions. Cover and refrigerate overnight or freeze. When frozen, thaw before baking. Uncover and bake at 350°, 50 minutes.

Microwave directions: Assemble according to recipe directions. Microwave uncovered on high for 12 to 14 minutes or until center is bubbly. Rotate dish one-half turn after 6 minutes.

Mrs. Doyle Hess Is Honored at Shower

Mrs. Doyle Hess was the shower honoree Sunday, January 6 when three hostesses, Mmes. Joyce Monday, Pat Wimmer and Patty Hess entertained at the TP&L Building. Corsages were given to the honoree and the future grandmother, Mrs. Kate

Wilson. The paternal grandmother, Mrs. Caroline Hess was unable to attend.

About 35 guests were present. After gifts were displayed, refreshments of cake and punch were served. The cake was baked by Charlotte Dangelmayr in the shape of a baby buggy and decorated in traditional pink and blue.

Real estate expert predicts a scarcity of mortgage money

COLLEGE STATION — Recent fluctuations in the prime interest rate, the rate banks charge their best customers, will send shock waves through the Texas home mortgage rates, predicts a Texas A&M University real estate expert.
 Dr. Jack Friedman, head of the Research Division of the Texas Real Estate Research Center at Texas A&M, said mortgage funds in Texas will no doubt become scarce and that could cause a slowdown in both new home construction and the resale of existing homes statewide.
 The present prime rate, combined with an already tight money policy, will surely cause a scarcity of mortgage money from supply and demand standpoints, added the expert.

Texas Ports Reporting Dramatic Increases in Exports of Cotton

AUSTIN—Cotton, once the undisputed king of traffic from Texas Gulf Coast ports, may be in the process of regaining its crown, according to Agriculture Commissioner Reagan V. Brown, with port authorities reporting recent dramatic increases in export activity there as the highest waterborne movement from the state in almost 10 years.
 "Large movements of cotton to the People's Republic of China are accounting for the bulk of export increases from Texas ports," Brown explained. This has been bolstered by the fact that cotton shippers have been switching in recent months from minibridge movement via the West Coast ports to the Gulf port facilities due to container shortages and West Coast port congestion.
 The bulk of the cotton going out of the Gulf Coast

ports, primarily from the bumper 5.7 million bale Texas crop, is being exported break-bulk instead of by containers. Port of Galveston's expected shipment of more than two million bales by the end of the year puts the annual total there up sharply over 1978 while Corpus Christi officials report that their movement of more than 150,000 bales in 1979 is three times that of a year ago.
 Figures available from Port of Houston authorities show nearly 491,000 bales shipped out through August, 1979, an increase of 38 percent over the same period a year earlier.

Cotton exports from Texas port facilities have reached their highest levels in nearly 10 years, according to Agriculture Commissioner Reagan V. Brown. Large movements of cotton to the People's Republic of China account for the bulk of the Texas exports which have been bolstered by a switch to Texas facilities due to West Coast container shortages and port congestion.

One-Armed Gandy Dancer

A long, claw-like arm that can install 2,000 ties in an average day has taken much of the physical labor out of the ongoing task of maintaining the nation's railroads. Santa Fe Railway has installed some 5 million new ties during the past three years to ensure a smooth ride for the 300 freight trains that speed along its tracks every day. There are about 60 million ties under the rails on Santa Fe's system, most of which last about 35 years. Ties are made primarily from hardwoods and impregnated with a creosote solution under pressure. Wooden ties are still the most practical and economical, although Santa Fe has experimented with concrete ties and ties that have been recycled.

Greater Demand for Texas Pork Boosts State's Hog Inventory

AUSTIN—Latest monthly hog and pig count, showing some 910,000 animals on hand in Texas, represent a seven percent increase over the same period a year ago, according to Agriculture Commissioner Reagan V. Brown.
 Brown attributed the increase in the Dec. 1, 1979, inventory, completed by the Texas Crop and Livestock Reporting Service, to greater demand for pork by consumers.
 Breeding hogs were 4 percent below the number of December 1978, but market hogs were up 9 percent with a total of 780,000.
 Commercial slaughtering plants in Texas reported that by the end of November 1,214,900 hogs had been slaughtered, 25 percent above the same period in 1978.
 Brown said that apparently, producers expected the demand for pork to continue to be strong in the first part of 1980 with farrowing during the September-November 1979 quarter up 9 percent at 98,000 head. Producers indicated, however, that there will be cutbacks in farrowings of 13 percent through May 1980, according to the Reporting Service.
 "Agricultural producers, like everyone else in business, are approaching 1980 with some caution," Brown said. "Energy costs are still unpredictable, and possible increases in feed prices are another factor they must consider."

GET GOING EARLY

Winter is the time to get your lawn and garden equipment ready for use in spring.

Cold weather, condensation and lack of use can seriously hamper the performance of your engine. Be ready for the season ahead by bringing your lawn and garden equipment to us now. Tune-up or major overhaul, we have factory trained mechanics using original Briggs & Stratton parts, to work carefully and unhurriedly in restoring power and performance to your engine. When Spring arrives there will be no needless waiting or delay for using your powered equipment.

BRIGGS & STRATTON

Our trained mechanics use special tools and genuine replacement parts to put your equipment into running operation.

IN STEP

MARCH OF DIMES 1980 National Poster Child Betsy Burch represents more than 250,000 babies born annually with birth defects. Betsy, 6, from Stone Mountain, Ga., was born with webbed fingers and a malformed right leg. She has had 14 operations to correct both problems.

Many large, migratory birds, such as geese, who mate for life, do so out of necessity. After migrating thousands of miles to their nesting grounds they don't have time to court a new mate each year.

CITATION BY PUBLICATION THE STATE OF TEXAS

TO: Herbert Steed and Herbert Steed, Jr., et Al, Defendants, Greeting:
YOU (AND EACH OF YOU) ARE HEREBY COMMANDED to appear before the 235th District Court of Cooke County at the Courthouse thereof, in Gainesville, Texas by filing a written answer at or before 10 o'clock A.M. of the first Monday next after the expiration of forty-two days from the date of the issuance of this citation, same being the 14th day of January A.D. 1980, to Plaintiff's Petition filed in said court, on the 27th day of September A.D. 1979, in this cause, numbered 79-411 on the docket of said court and styled O.M. QUATTLEBAUM, Plaintiff, vs. Herbert Steed and Herbert Steed Jr., et al, Defendants.

A brief statement of the nature of this suit is as follows, to-wit:

Suit to clear cloud cast on title of land, being all that certain lot, tract or parcel of land situated in the state of Texas, Counties of Grayson and Cooke, being 8 acres of land out of the John Morris Survey, Abstract No. 724, described as follows:

BEGINNING on the North line of the said Morris survey at the Northeast corner of the 52 acre tract out of said Survey conveyed by J.B. Morris et ux to J.T. McLaughlin by deed recorded in Vol. 104, Page 609 of the Deed Records of Cooke County, Texas;

THENCE South 308.81 varas;

THENCE North 45 deg. East 425.05 varas to the North line of said Survey;

THENCE West with said line 300.83 varas to the place of beginning.

If this citation is not served within ninety days after the date of its issuance, it shall be returned unserved.

The officer executing this writ shall promptly serve the same according to requirements of law, and the mandates hereof, and made due return as the law directs.

Witness, Bobbie Calhoun, Clerk of the District Court(s) of Cooke County, Texas.

Issued and given under my hand and the seal of said court at Gainesville, Texas this 14th day of January A.D. 1980.

Bobbie Calhoun Clerk, District Court, Cooke County, Texas.
By Donna Shaver, Deputy.

IT HAPPENED 40 YEARS AGO

Jan. 19, 1940

Muenster sewer project gets \$25,781 grant from WPA. Report of Civic League and Garden Club cemetery committee shows \$1,363.85 spent on beautification project. Elfreda Luke is elected president of Young Ladies Sodality. Statistics for S.H. Parish show the following: total members 1380, marriages 11, baptisms 48, solemn communions 21, pupils in school 324, in grammar grades 283, in high school 41. H.S. Wilde opens implement agency in Gainesville. Funeral services are held in Gainesville for Mrs. Matt Pulte. Mrs. Rosa Bezner, 86, of Lindsay, dies.

35 YEARS AGO

Jan. 19, 1945

Joseph Hacker, 69, dies after short illness. Some 70 young farmers will take physical examinations for military service this week. FMA members re-elect J.B. Klement president. Mayor J.M. Weinzapfel is guest speaker at Garden Club meeting. City council warns that livestock ordinance must be observed. Werner Henscheid is named president of Holy Name Society. We're building today for tomorrow's opportunities.

Texas is one of the nation's most exciting states for companies looking to relocate their headquarters or for sites for major branch expansion. And, for good reason — we offer much that is more attractive than in many other areas of the country. Included in that is a dependable supply of essential electric power at reasonable rates.

We're building electric plants today to serve our present customers... and to provide ample power for the business, industry, and people who will be moving to our part of the state in years to come. And, we think that's important because new companies create new jobs and bring many other benefits that improve the quality of life throughout our entire area.

TPGL feels it's important to build to assure dependable service today... but we're also building for tomorrow's opportunities.

Forestburg News by Myrt Denham

Forestburg has itself a new little citizen and Rocky Dale Gate has himself a new baby brother since 5:25 p.m. Monday January 14th. The new arrivals name is Joe Perryman Gates—and he weighed in at 7 lbs. 2 ozs. at the Muenster Memorial Hospital. His parents are Renee (Perryman) and Doyle Gates of the burg. Grandparents are Mrs. Ceil Perryman of Forestburg and Mr. and Mrs. Guy Gates of Torrance, Calif.

Mrs. Billie Poyner was admitted to the Muenster Hospital Saturday January 19th for a few days.

Ben Perryman is a patient in a Sherman Hospital since last week.

Bobby Dean Johnson entered the Decatur Hospital Wednesday January 16th with pneumonia. Bobby Dean returned home Monday January 21st and is doing very well.

Mrs. Vera Mae McGee reports that her son-in-law Bud Griffin of Wichita Falls is now doing very well.

Mr. and Mrs. Danny Bolton and daughter of Nocona spent the weekend of January 12th with her grandparents Mr. and Mrs. Clifford Hudspeth.

Mrs. Louise Shults attended funeral services for Guy Ford in Gainesville on Sunday January 13th. The

late Mr. Ford was from Era.

Funeral services were held in the Alford Church of Christ Wednesday January 16th for Mrs. Mary Frances (Caubel) Meyers of Argyle and burial was in the Rosston Cemetery. Mrs. Meyers was the sister of Mrs. Irene Harry of Rosston and an aunt of Mrs. Merle Hudspeth of Forestburg.

Mr. and Mrs. E.B. McMillion of Bowie spent a week in Hawaii—returning home Tuesday p.m. January 15th. The trip to Hawaii was a Christmas present from the McMillions children.

Myrtle McMillion visited with her Aunt Rachel Reynolds and with the E.B. McMillions of Bowie from Thursday a.m. Jan. 17th to Friday p.m. Jan. 18th.

The Forestburg Jr. High boys and girls were in a basketball tournament in Montague last week. The boys won 2nd place and the girls won 1st place.

Visitors of Mrs. Louise Shults on Monday January 14th were her nephew Willis Kelly of New Orleans, La. and Mrs. Dorothy Penton of Rosston.

Mrs. Cleo Lanier and granddaughter Janice Lanier and Perryman Denham attended a reception for Congressman Charles Stenholm at the Montague Court House Tuesday a.m. January 15th. After the reception Mr. Denham drove over to Nocona to visit with Tony Fenoglio in a Rest Home there.

Tuesday night the 15th found Cleo Lanier attending the annual banquet of the Cooke County REA in Muenster.

Mrs. June Eldridge and Connie of Denton visited in the community the weekend of January 18th.

Mr. and Mrs. Paul Putnam of New Harp visited with Mr. and Mrs. Sam Williams and Mrs. Eunice

Lively of Wichita Falls the weekend of January 18th.

Mrs. Betty Reynolds, Miss Ruth Smith and Howard Sockwell were honored with a birthday dinner-party in the home of Mr. and Mrs. Clifford Hudspeth Friday night January 18th. The festive evening began at 6 p.m. with a super delicious dinner, followed by a fellowship period during which the honorees were given their gifts, then various "sitting down" games were played by all present. Those attending were: Ruth Smith, Mmes. Betty Reynolds, Cleo Lanier, Alice Shears, Vera Mae McGee, Rev. and Mrs. George Thompson, Mr. and Mrs. Ross Littell, Mr. and Mrs. Perryman Denham and the host and hostess. It was a very delightful fun-filled evening.

Mrs. Decie Ellzey returned home late Saturday p.m. January 19th after visiting with daughter and family, the Sam Wrights of Temple from Tuesday January 8th.

Sunday a.m. January 20th the Forestburg United Methodist Youth Group enjoyed breakfast in the Church Annex in connection with a special group song they sang at the morning worship service. We are all very proud of our young people—and we think they are extra special in so many areas.

Miss Kathy Kenas, Shirley McArtley and Keith Rogers of Denton spent Sunday afternoon January 20th with Miss Kenas' grandparents, the Howard Sockwells.

Mrs. Delene (Greenwood) Langley of Dallas, she is the daughter of Billy Bob Greenwood, and Christie Dell Greenwood celebrated their birthdays Sunday Jan. 20th.

Let us remember that Atrice Sledge celebrates a birthday Sunday January 27th.

Monday January 21st must have been Forestburg day in Muenster, for it found Gladys Barclay, Mabel Covington, Ora Thurman, Mr. and Mrs. Bennett Reynolds, Mrs. Merle Hudspeth and mother Irene Harry of Rosston over there.

Perryman Denham visited with Mr. and Mrs. Wayne Thompson of the Dye-mound Community Monday p.m. January 21st.

Miss Veronica Edwards, reporter for the Forestburg 4-H sends the following report:

The 4-H had their monthly meeting Wednesday afternoon January 9th. The meeting was called to order by Janice Lanier. Pledge and motto was recited by the members. Pam Edwards called roll and read the minutes. Ray Ford Pullan, County Agent, showed

Report Your News to Myrt Denham 964-2395

slides on "How to Do a Method Demonstration," Leann Hays and Janice Lanier gave a method demonstration to the group. Refreshments were served to the 16 members present.

Geological Data Made Available

The Geological Information Library of Dallas, in response to numerous requests the past year for any geological and geophysical information relating to the Fort Worth Basin Area of Texas, has compiled and just published an Annotated Bibliography of the Fort Worth Basin Area. It contains 544 references, including 45 unpublished master's and doctoral theses, indexed by author and subject. The area searched includes 51 counties, 30 of them within the area bounded by the Bend Arch, Llano Uplift, Quachita Structural Belt, Muenster Arch and the Matador Arch. Among these are Bosque, Clay, Coryelle, Dallas, Denton, Erath, Hamilton, Hill, Hood, Jack, Johnson, McLennan, Montague, Palo Pinto, Parker, Somervell, Tarrant, Wise and Young counties.

The Bibliography is available at the Geological Information Library of Dallas, GILD Publication No. 2, One Energy Square, 4925 Greenville Avenue, Dallas, Texas 75206, for \$10.00 plus 50 cents tax and \$1.50 postage and handling.

Help Offered to Cancer Patients By County Society

If there is a cancer patient in your family, you might want to know what facilities and services are available in your community. No doubt you have heard of the American Cancer Society volunteers, but have you ever given them a call?

The Cooke Unit of the American Cancer Society has a Service and Rehabilitation program specifically designed to provide information and counseling to cancer patients and their families in your neighborhood.

This means that when you call, a trained volunteer will help you find sickroom equipment or rehabilitation assistance or will just be a good listener. Service volunteers know what the resources are and can promptly refer you to the one you need.

Also available are supplies of educational materials, including literature, films and exhibits.

Mrs. Robert Blessing, phone 665-2505 is Service and Rehabilitation Chairman, and Frank and Elaine Stewart, phone 668-8297, are Education Chairmen.

Visiting Bruno Fleitmans
Kevin Cox spent last week with his grandparents, Mr. and Mrs. Bruno Fleitman. He came with Jerry Fleitman who was returning from a visit in Houston. On Thursday Mrs. Janie Cox and Kelly and Kris arrived to visit her parents and on Friday Frankie Cox joined his family here. They returned to their home in Houston Sunday.

Cheese Featured At Meeting of Homemakers Club

Mrs. Bertha Pick hosted members of the Muenster Extension Homemakers Club on January 9 and, assisted by Mrs. Lucille Lutkenhaus, presented a program on "Cheese, Please". They prepared and baked a Quiche Loraine, which they later served with Broccoli Cheese Soup and Frosted Cheese Dessert Mold to 17 members.

Lehnertz Brothers Here for Holidays

The home of Mrs. Agnes Lehnertz was busy with guests and visiting during the Christmas holidays and for several weeks after.

Her sons, Claude Lehnertz of Spokane, Washington came for Christmas and New Years and Quintin Lehnertz (Chick) came for New Years. Also arriving was Donna Hall of Spokane.

Another son, Floyd Lehnertz came from Rhode Island for New Years. After visiting here for a week, they all met in Tyler with their brother G.M. (Bub) Lehnertz. Together they spent a week in South Texas bird hunting.

During the following week when they returned to Muenster, they were entertained by friends and relatives. On Tuesday they were joined by Mr. and Mrs. Jim Lehnertz of Gainesville for dinner in their mother's home.

Other hosts for dinners in their honor were Mr. and Mrs. Gussie Felderhoff, Mr. and Mrs. Bernard Haverkamp, Jr., Mr. and Mrs. Mike Stoffels and Jim and Therese Lehnertz whose daughter Cheryl of Dallas joined them on Saturday for the noon meal.

Friday evening there was a fish and chicken fry at the VFW Hall for 150 guests hosted by Mike Stoffels and

Benny Haverkamp, who prepared the fish, with other catering by Lorene Wilson of Gainesville. "Hard Times" played for dancing.

A number of get-togethers with friends were held at The Center Restaurant and Tavern.

The Lehnertz brothers departed Sunday, January 20 and have phoned their mother since, of safe arrivals at home.

Blood Pressure Check
The free Blood Pressure Check for senior citizens will be available at the SNAP Center in the Community Center Tuesday, January 29, 3 to 5 p.m.

Myra Improvement
The Myra Community Improvement Club will meet on Tuesday, January 29.

Social Security Urges Accuracy in Making W-2 Forms

The Social Security Administration observed a very significant anniversary on January 1, 1980, according to Gus Jones, district manager in Sherman. On that day the agency completed the first year of processing Forms W-2, W-2P, and W-3. Before 1979, these forms were processed by the Internal Revenue Service.

The Form W-2 is an especially important form, Jones said. From it the Social Security Administration gets the wages to be credited to an employee's record. These wage credits are used to determine insured status and the amount of the monthly benefit to be paid to a worker, his dependents, and survivors at the time of retirement, death, or disability.

Jones stated that he wanted to stress accurate completion of all the items on the form W-2 by employers or their tax accountants. Errors or omissions can cause loss of wage credits for an employee which could result in smaller monthly benefits or possibly even loss of insured rights.

Jones stated that the Social Security Administration realizes that the requirements for completion of the forms are very strict. However they assure accuracy and could lead to great savings in processing costs. Overall most employers in the area did a very good job of completing the 1978 forms.

While expressing appreciation to employers for their cooperation in 1978 Jones stressed the importance of following instruction exactly in completing the 1979 forms. If an employer does a great savings in money and time for everyone concerned, he guarantees that they can be machine-processed at ed.

forms. If an employer does a great savings in money and time for everyone concerned, he guarantees that they can be machine-processed at ed.
