

Veterans' Day observed in Muenster

Muenster Ladies Auxiliary to Veterans of Foreign Wars Post 6205 paid tribute to its living and deceased veterans as they celebrated Veterans' Day on Sunday, Nov. 11.

The observance began with Mass for living and deceased veterans in Sacred Heart Church with Father Ken Robinson as celebrant. Scripture readings were read by Auxiliary President Frances Bayer and Auxiliary Conductress Linda Knabe.

At the conclusion of Mass, Father Ken asked all veterans to stand and be recognized. He gave them a special blessing.

The assembly then gathered at the Soldiers Plot in Sacred Hearty Cemetery, as President Bayer welcomed all and told the history of Veterans' Day. Christy Hesse led the group in singing "God Bless America," before Post Commander Doug Martin led the gathering in the Pledge of Allegiance. President Bayer laid a memorial wreath at the Veterans Monument in honor of those women and men who paid the ultimate sacrifice for their country as Christy sang "How Great Thou Art."

Father Ken gave a reading from Thessalonians and praised the veterans for their service and for being "people

of God." He then led the group in the recitation of the Litany.

President Bayer read the Military Code of Conduct that all veterans adhere to, and asked all to say thank you to any veterans for their patriotic service to our country. Christy closed the service with the singing of "America the Beautiful."

Auxiliary Color Bearers were Auxiliary Sr. Vice President Mary Lee Hennigan, Auxiliary Junior Vice President Sandra Hennigan, Auxiliary Treasurer Lucille Hesse, Auxiliary Trustee Agnes Hesse, with Auxiliary Conductress Linda Knabe presiding.

It's starting to look a lot like Christmas

Wednesday morning Gary Fisher of Keep Muenster Beautiful instructed students of Sacred Heart Catholic High School in the correct method of decorating the lamp posts around town for the Christmas holiday. Muenster is preparing for their annual Christmas parade to be held Saturday, Nov. 24. Janie Hartman photo

Raffle entry boxes set out as Parade entries come in

By Janet Felderhoff
Local trees are just beginning to show their autumn color pallet, temperatures are unusually warm for November, and Thanksgiving is early this year. That means decorations come out earlier than usual despite Mother Nature's procrastination in changing seasons.

Margie Starke, Chamber of Commerce secretary, announced that boxes and registration slips for the Annual Muenster Marks Raffle will be distributed to participating businesses this weekend. Total prize money to be raffled will be more than \$1,000. Amounts were not available at press time. To enter or to win, one must be at least 18 years of age. The drawing is held on Main Street after the Christmas Parade.

Margie asks that those planning to enter the Christmas Parade bring their entries in no later than 5 p.m. on Tuesday, Nov. 20 if at all possible. She needs to develop

the line up order, get numbers ready, and prepare information for the Parade announcer.

A Norman Rockwell Christmas is this year's chosen theme. Entries do not have to follow the theme.

Entrants will be competing for prizes in the following categories:

- Best Theme - \$150;
- Most Creative - \$150;
- Best Religious - \$100;
- Best Business - \$100;
- Best Organization - \$50;
- Best Equestrian - \$50;
- Best Band - \$50;
- Best Drill Team - \$50.

For more information, call the Muenster Chamber of Commerce.

County's audit report praises improvements

By Janet Felderhoff
Tom Schalk of Schalk and Smith reported on the County's fiscal year 2006 annual financial report Tuesday, Nov. 13. "It was a very good report," Schalk remarked. "Once again we are able to render a clean opinion, an unqualified opinion."

After reviewing highlights of the report, Schalk said, "You spent less than you planned to spend, and you actually brought in more income than you spent. That's

a very conservative form of government. I think you should be commended because it's good management."

County Judge Bill Freeman asked about the Management Letter Comments. This identifies deficiencies in each department (if any exist). Schalk said that there were no new findings for this year, and they were going in the right direction working to make needed changes to correct deficiencies from the previous year that hadn't yet

been completed. Some changes have been made and some are in the process of being implemented.

Schalk was asked by Freeman to sum up the audit report. Schalk commented, "About as good as you can get. Your revenues are bigger than you budgeted and your expenses are less than you budgeted and the fund balances come out."

Precinct #3 Commissioner Al Smith said, "The credit really goes to some depart-

ment heads, some other elected officials who work hard in some difficult situations and hold to their budgets. We are always under pressure from our electorate to spend more money."

Judge Freeman noted that the County has some companies coming who will be located outside the city limits of Gainesville. He said he's had meetings with them and they have discussed tax

Lady Knights take State I-A Cross Country Championship

By Janie Hartman
The Lindsay Lady Knights brought home the Class 1A State Championship Cross Country title last weekend in Round Rock, edging out Seymour by 4 points.

Lindsay took the title with 88 points, followed by Seymour with 92, Guthrie 105,

Hamlin 122, Sunray 151, and Brackettville 162.

Leading Lindsay across the finish line was Rose Hermes, coming in 6th overall and 3rd place for 3 team points. Her time was 12:16.10. Chelsea Hermes clocked in at 12:22.10 for 8th place (5 points), followed by Kelsey Hermes 37

(18 points) at 13:12.60, Katelyn Brewer 49 (25 points) finishing 13:29.60, and Shirley Hess 61 (37 points) 13:42.05.

Also competing were Jessica Block 86 and Bethani Eberhart 106 with times of 14:07.45 and 14:55.40.

"I am really proud of the girls," noted Coach Robin

Hess. "They have worked hard all year for this. They deserve it." Hess also commented how the support from school staff and parents was really "amazing."

Lady Knights All-State Awards

Three Lady Knights Cross Country runners earned All-State Awards. Named to the Cross Country Coaches Association All-State Team were Chelsea Hermes and Rose Hermes. Hermes, Hermes, and Katelyn Brewer earned a spot on the Texas Girls Coaches Association All-State Team, with Chelsea also named to the All-State Academic Team.

Break in reported

By Janet Felderhoff
Muenster Police Chief Bob Stovall reported that a break in occurred on Maple Street Monday night. Access was gained into the MMH Family Health Clinic via a window.

The perpetrator then tried to gain access to the Muen-

ster Pharmacy through a wall between the two buildings. There was damage done to the buildings, but nothing was reported missing from either location.

Chief Stovall responded to the scene at 9:25 p.m. He found nobody there when he arrived.

MMH Auxiliary has a selection of angel ornaments for its Angel Tree Project. Angels selected will be hung on a tree in the Hospital foyer during the holidays. Each will bear a ribbon noting in whose memory or honor it was purchased. Janet Felderhoff photo

MMH Auxiliary fundraiser sprouts Angel Tree project

By Janet Felderhoff
With the holidays come fond memories of the people in our lives - relatives and friends who hold a special place in our hearts and others who have done something special for us or our families. That is why the Muenster Hospital Auxiliary decided to decorate a tree with angel ornaments.

Angel ornaments are available in various designs and prices. After a donation is made and the angel selected, a ribbon will be attached with the name of the person to be honored, and then the Angel

will be displayed on the Angel Tree until after Christmas. After the holidays, the donor may pick up the ornament and take it home.

Angels may be in memory of someone who has died or in honor of someone still living. All proceeds go to the Hospital Auxiliary for use in various projects for the Hospital and its patients and staff.

Donation amounts are \$100 for the larger, more ornate angel ornament; \$50 for the medium size; and \$25 for the smaller ornament. All ornaments are glass. The tree

will be on display in the front foyer of the Muenster Hospital during the holiday season. This is a great way to thank someone or to remember someone.

Ornaments will be on display in the gift case near the front desk. They can be purchased there during regular business hours. The tree will be set up on Nov. 26.

Notice to all City of Muenster residents
Trash pickup dates for the week of Thanksgiving are Monday, Nov. 19 and Friday, Nov. 23.

OBITUARIES

William Fields Reed

1922 - 2007

Funeral services for William Fields "Bill" Reed of Saint Jo are scheduled for 2 p.m. Friday, Nov. 16, at the Landmark Missionary Baptist Church in Saint Jo with Rev. Ricky Kerr, pastor, officiating. Burial will follow in Reed Cemetery in Montague County, near the home of Mr. Reed. Services are conducted by McCoy Funeral Home of Saint Jo. Bill died at the age of 85 at 7:25 p.m., Monday, Nov. 12, 2007 at Denton Regional Hospital.

Born Feb. 21, 1922 in Montague County, Bill has lived on the same farm/ranch since the age of one year. He was one of 11 children born to Elisha Galveston and William Alma Lankford Reed. He has lived near Saint Jo all his life except for his service time during World War II from 1942 until 1945. Bill was a member of the Saint Jo First Baptist Church. He had been a contract pumper for Eastern Oil Company, O'Neal Oil Company, Burke Royalty, and Bennett Oil Company. He had done this work from 1945 until 2002, while at the same time he was caring for his cattle on the ranch and doing the farming. He enjoyed cutting and baling hay that he needed to feed his cattle and

doing all sorts of farm work on his tractor. His main entertainment was riding his gator, fishing, caring for and being with friends, family, and a very special girlfriend, Lorene Schmitz.

Survivors are: daughter Clara Ellen Reed of Saint Jo; sons Don Reed and wife Linda of Saint Jo, and William "Butch" Reed of San Ramon, California; sister, Jewel Reid of Medina, Texas; brother Ira Reed of Gunter, Texas; five grandchildren and one great-grandchild. Also surviving is a very special girlfriend Lorene Schmitz.

Preceding him in death were his wife Murray Ellen; sisters, Dovey Eaton, Ida Watson, Lora Reed, Effie Hyman, and Hazel Lacement; and brothers Jack, Capp, and Isom Reed.

Pallbearers are Dustin Mayfield, David Reed, Melissa Reed, Jody Reed, Mindy Hobbs, and Mark Graves.

A visitation was held at the funeral home from 6-8 p.m. on Thursday.

The family requests memorials be made to American Heart Association, American Kidney Foundation, or to The Saint Jo Volunteer Fire Department/EMS.

Herman Eberhart dies

Services for Herman Ruben Eberhart of Muenster were held at 2 p.m. on Saturday, Nov. 10, at Family Life Church in Gainesville. His son, Larry Eberhart, pastor of Family Life Church, officiated, assisted by Pastors Jim Hester and Daniel Plowman. Interment followed at Fairview Cemetery. Visitation was held Friday at Geo. J. Carroll & Son Funeral Home in Gainesville.

Herman "Hermie" Eberhart died at the age of 83 on Wednesday, Nov. 7, 2007 at Harris Hospital in Fort Worth.

Born at the home of his parents, Ed and Minnie Eberhart, in Muenster, he lived in the area all his life. He married Katie Jones on Jan. 6, 1948 in Muenster. Hermie farmed for 21 years, from 1948 to 1969, then worked in the oilfields for Sohio until his retirement. In his later years, he was pumper, gang pusher, and then foreman until his retirement. Then he and Katie drove school buses in Muenster for 10 years. Many area residents will remember Hermie and Katie riding through the country in their little red pickup, enjoying counting deer throughout the area from Muenster to

Marysville. Hermie was a member of Family Life Church.

Survivors include his wife Katie; his only son Pastor Larry Joe Eberhart of Gainesville; his daughter-in-law Kathy Jo Eberhart; four grandchildren; six great-grandchildren; sisters Elvira Flusche of Lindsay, Dorothy Smith of Gainesville, Isabel Stelzer of Post, and Margie Krahl of Muenster; brother Walter Eberhart of Gainesville.

Preceding him in death were his parents; brother Bill Eberhart; and sister Madella Eberhart.

Melissa Dangelmayr dies 11-14

Melissa "Missy" Dangelmayr died Wednesday, Nov. 14, 2007 at the age of 45. Mass of Christian Burial was set for 10 p.m. on Friday, Nov. 16 in Sacred Heart Church. Rosary was held Thursday at 4 p.m. and Vigil at 5:30 p.m., both in Sacred Heart Church. Complete obituary will be in next week's Muenster Enterprise.

NCTC Phi Theta Kappa inducts new members

The fall semester induction ceremony for the Phi Theta Kappa (PTK) honor society at North Central Texas College paid tribute to 30 students for outstanding academic performance and exemplary citizenship.

The induction ceremony was held at the First State Bank Center for Performing Arts, with inductees signing the traditional membership register as they were individually introduced, and as a group, reciting the traditional membership pledge. Officiating was Dr. Franz Klutschkowski, faculty sponsor.

Phi Theta Kappa inductees for the Fall of 2007 at NCTC included Nicole M. Bayer of Muenster and Courtney D. Kohler of Forestburg.

"We are very proud of each of you for your academic achievement and grateful to you as well—not only for choosing NCTC for also for representing our college so well," said Dr. Lee Ann Nutt, vice president of instruction, as she congratulated the new

members and encouraged them to continue with their striving toward excellence.

"Phi Theta Kappa membership is viewed as an exceptional honor at North Central Texas College, and its members are among our most effective campus leaders," said Dr. Klutschkowski, professor of psychology at the NCTC Corinth Campus.

Established in 1918, Phi Theta Kappa is recognized by the American Association of Community Colleges as the official honor society for community colleges. The society serves to recognize and encourage the academic achievement of two-year college students and provide opportunities for individual growth and development through scholarship, leadership, fellowship, and service programming.

Membership is by invitation only, extended to students who have completed at least 12 hours of coursework leading to an associate degree with a grade point average of 3.5 or higher.

Resource information offered at expo Nov. 17

Residents of North Texas will have the opportunity to discover what resources are available to them at the first annual Community Connections expo in Gainesville. Community Connections will be held from 10 a.m. to 2 p.m. Saturday, Nov. 17 at the Gainesville Civic Center at 311 S. Weaver Street in Gainesville, and is free to the public. Expo goers will "get connected" with information about non-profit organizations in Cooke County, how to volunteer for various organizations, and where to turn for information.

Community Connections

will have something for everyone, including concessions, door prizes, wellness checks, and information. The event will be a drop-off point for canned goods, discarded cell phones, and eye glasses.

For more information, call 940-665-1793 or 940-668-5415.

The event is sponsored by Texoma Workforce Solutions, 2-1-1 Texas, Cooke County Home Hospice, Cooke County United Way, The Weekly News of Cooke County, Texas Cooperative Extension, and Protective and Regulatory Services of Texas.

SH Church promotes "Keeping Christ in Christmas" program

Would you or you and your family like to observe the Advent season with a spiritual focus on Jesus rather than getting caught up in all the parties, shopping, and gift-giving of the pre-Christmas season? If so, come join in the fun and fellowship at the "Keeping Christ in Christmas" event to be held Sunday, Dec. 2, from 4 to 6 p.m. in the Sacred Heart Community Center.

All ages are invited to come — families with children, single adults, teenagers, and older folks. There will be singing, a talk by Father Pat Murphy, and age-appropriate activities for children and adults. Children will be coloring symbols for a "Jesse" tree.

At the end of the event, each family will receive a

"Jesse tree" and symbols to take home and use with a Bible verse each day of the Advent season. The symbols recall some person or event in the Bible that led up to the coming of Jesus.

A meal, and child care for children under the age of three will be provided. Those families or individuals who would like to attend are asked to make reservations by Monday, Nov. 19. To reserve a place call Angela Hennigan at 736-0595 or Karen Davis at 759-2053.

Registration forms will also be at the entrances of Sacred Heart Church. You may drop them off at the business office or mail them to Sacred Heart Church, Attn: Barbara Rohmer, 714 N. Main, Muenster, TX 76252.

Jenna honored on 3rd

A family gathering marked the third birthday of Jenna Klement on Sunday, Oct. 21. Her actual birthday is Oct. 25. The party was held in the home of Jenna's parents Cory and Brenda Klement of Valley View.

A Sponge Bob Square Pants theme was carried out in party decorations. Guests enjoyed a Sponge Bob pinata, watching Jenna open her gifts, and riding around the backyard on her new Dora the Explorer four-wheeler. Refreshments included snacks, drinks, and a Sponge Bob Square Pants cake.

Guests included her parents; brother Cade; grandmother Doris Stephenson; aunts Melinda Reed and Tracey Klement; cousins Hannah Hagemann, Susanna Hagemann, and Camille Aranda.

Jenna is the granddaughter of the late Marcie and Roman Klement, and the late Wallace Stephenson, and the great-granddaughter of Joe Wimmer of Muenster.

10 ways to maintain your healthy brain

1. Head first. Good health starts with your brain. It's one of the most vital body organs, and it needs care and maintenance.
2. Take brain health to heart. What's good for the heart is good for the brain. Do something every day to prevent heart disease, high blood pressure, diabetes, and stroke - all of which can increase your risk of Alzheimer's.
3. Your numbers count. Keep your body weight, blood pressure, cholesterol, and blood sugar levels within recommended ranges.
4. Feed your brain. Eat less fat and more antioxidant-rich foods.
5. Work your body. Physical exercise keeps the blood flowing and may encourage new brain cells. Do what you

can - like walking 30 minutes a day - to keep both body and mind active.

6. Jog your mind. Keeping your brain active and engaged increases its vitality and builds reserves of brain cells and connections. Read, write, play games, learn new things, do crossword puzzles.

7. Connect with others. Leisure activities that combine physical, mental, and social elements may be most likely to prevent dementia. Be social, converse, volunteer, join a club, or take a class.

8. Heads up! Protect your brain. Take precautions against head injuries. Use your car seat belts; unclutter your house to avoid falls; and wear a helmet when cycling or rollerblading.

9. Use your head. Avoid unhealthy habits. Don't smoke, drink excessive alcohol, or use street drugs.

10. Think ahead - start today! You can do something today to protect your tomorrow.

What parents need to know about community staph "super bug" MRSA

A lesser known antibiotic-resistant bacteria is a growing danger to otherwise healthy children across the nation. Doctors are seeing the potentially deadly staph infection known as Community Acquired Methicillin-Resistant *Staphylococcus aureus* (CA-MRSA) emerging in epidemic proportions. It has been reported to have affected students in area schools in the last couple of years.

"We've seen that MRSA working in the community is much more virulent and does not respond to traditional antibiotics," said Jaime Fergie, MD, a leading international expert on CA-MRSA and director of Pediatric Infectious Diseases at Driscoll Children's Hospital in Corpus Christi.

South Texas was one of the first regions in the country to experience the infection and has since become a hot bed for it, adds the pediatric researcher. The infection can be spread through casual contact or contaminated objects. In the past, MRSA was well

known as an infection acquired in health care facilities or nursing homes by long-term patients. The microbes also spread in locker rooms where athletes commonly shared towels, razors, and sweaty equipment. Today, the contagious "super bug" is stronger and it's in the community.

The *New England Journal of Medicine* states MRSA is the most common identifiable cause of skin and soft-tissue infections in emergency rooms nationwide. Commonly referred to as "community staph," the infection's bacterium enters the body through skin wounds and appears as a boil or abscess sometimes mimicking a spider bite. It can also be more dangerous and invasive by entering the blood stream infecting bones, joints, muscles, and lungs.

Most children present with skin and soft tissue infections and are treatable with a simple incision and drainage, and use of stronger antibiotics. Others who are severely infected develop life-threatening conditions requiring multiple surgeries including orthopedic and cardiothoracic procedures to get rid of the infection. A few have even died.

Fergie has been studying MRSA and CA-MRSA com-

prehensively for 13 years. Based on his research conducted at Driscoll, he has seen a significant spike in the number of patients with community staph and its severity.

Fergie, and Kevin Purcell, MD, co-authored a 2004 study which indicated the rate of patients with CA-MRSA increased from five per 10,000 patients in 1999 to 360 per 10,000 in 2004. Additionally, 628 cases were identified in 2006 and 281 cases have been reported in 2007 to date. "Although not preventable, there are some practices to help keep CA-MRSA infection from spreading including diligent hand washing and good hygiene," says Fergie. "Parents need to know what the symptoms are, so the infection can be caught and treated early."

What is community staph?

Community Acquired Methicillin-Resistant *Staphylococcus aureus* (CA-MRSA) is resistant to all penicillin-type antibiotics. It is treatable with other antibiotic therapies. Most community staph infections mimic spider bites, but are boils or abscesses caused by infected skin fat.

Spotting the signs

Monitor skin closely for oozing skin infections, boils, or abscesses that are red and tender.

Can possibly start with a minor skin irritation in the diaper region.

Looks like a spider or insect bite causing minor swelling, redness, pain, and itching.

If anyone in your family or in close proximity has MRSA, monitor your other children

closely. If a wound doesn't get better in a few days, visit your pediatrician quickly.

Mention MRSA to your pediatrician and ask that the wound be cultured and tested.

How to avoid infection
 Wash hands and fingers frequently with soap, water, and a lot of friction.

Avoid fragrance-based hygiene products. They may cause the skin to become irritated, creating tiny openings in the skin through which staph could enter.

Keep cuts and scrapes well bandaged to avoid contact with other people's wounds or bandages.

Avoid sharing personal items, such as towels, wash cloths, hair brushes, razors, or clothing with others especially those infected.

For older kids - practice good locker room hygiene. Do not share towels and always wear flip flops in the shower. Always take all antibiotic medicine as prescribed by a doctor. Using only part of the medicine can cause antibiotic-resistant bacteria to develop.

If you are in the hospital, remind doctors and nurses to wash their hands.

Severe MRSA infections are rare. More typical - and more widely known - are cases that involve skin infections. In some cases, the germ can turn a tiny skin wound into a potentially life-threatening boil or abscess. In others, it morphs into a systemic infection that causes deadly forms of pneumonia, as well as muscle, bone, and joint disease.

Landlord tips

A leaky toilet can cost you its weight in gold. Failure to maintain your property and handle complaints quickly can lead to tenants withholding rent, suing you for injuries, or moving without notice.

Your tenants' home is their castle. Give at least 24 hours' notice (or the minimum required by your state law) before entering a rental unit, and make sure it's for a good reason, such as making repairs. FYI, snooping to determine whether your tenant is a 'boxer or brief man' is not a good reason.

SCHOOL

Schedule discussed by MISD Junior High Student Council

The MJH Student Council held their monthly meeting on Nov. 6. They discussed the first annual Turkey Bowl. The seventh and eighth graders will be collecting paper goods for the local food banks. The classes are encouraged to bring paper towels, toilet paper, and napkins. Each item will be assigned points; the class with the most points will win the chance to go turkey bowling.

The Council assisted in the Veterans' Day Program on Nov. 12 in the High School gym. President Emily Hell-

man gave a reading during the program and Council members helped set up the gym on Sunday, Nov. 11.

The Council also planned a December holiday celebration to be held on Dec. 21 after semester tests. The Council will be serving hot chocolate and selling marshmallows. All the proceeds will be donated to the Littlest Angel project.

Treasurer Landon Presnall reported that the Council fundraiser was a great success. The Council was responsible for selling football pro-

grams and spirit items at the Hornet varsity games. The profits they made will fund the annual dance and other activities.

The Red Ribbon Committee reported on Red Ribbon Week held Oct. 22 through 26. Using the theme of "Don't be Bugged by Drugs," members decorated Mr. Waneck's office with giant spider webs and the message "Don't get caught in a web of drugs." They also created a bulletin board with anti-drug messages and photos of the Junior High students celebrating life without drugs.

The Student Council concluded the week with the annual Stomp Out Drugs Footprint contest. Seventh and Eighth graders were invited to decorate a footprint to be placed on the trophy cases in the hall. Winners of the contest were Kayla Acuna, Kendra Walterscheid, and Shelby Simpson. They each received a drug free sack of drug free goodies at the Junior High pep rally.

The next regular meeting will be held Dec. 11 in the High School Computer Lab.

Students attending, from left to right, starting at top are: Samantha Endres, Brandy Dangelmayr, Noel Barnhill, Carmen Reiter (teacher), Tori Wright, Hillary Swirczynski, Jenni Luke, Alex York, Jordanne Hellman, Emily Stoffels, Ricky Grewing (aid), Jeff Schiederjan, Paul Crabtree, Brandon Bindel, Matt Flusche, and Jared Flusche.

On Thursday, Oct. 25, the Muenster High School Spanish III classes attended the Latin American Festival. The Hispanic Flamenco Ballet at the Kemp Center for Arts in Wichita Falls gave the performance. During the show, students were asked to join in singing some of the more well known songs including "La Bamba," "Guantanamera," and "Cielito Lindo."

Before the show, selected students were given a ticket claiming that they would be rewarded with a prize to-

wards the end of the performance. After the show, the students with tickets and the teachers were called to the stage where they were asked to join in a dance for everyone to see. Here the students were able to see the salsa side of some fellow students and our very own Mrs. Reiter!

The students finished off the day with lunch at the Jalapeno Tree. This surely was a day to remember. Adios!

Wildlife myths

Myth: If you touch a baby bird the parents will abandon him.

Fact: Birds have a limited sense of smell, but are strongly bonded to their chicks. They will not abandon them if handled by humans. The best thing humans can do if a baby bird falls from its nest is to put him right back in it. The parents will return to feed them. Watch carefully: They will feed their chicks several times an hour, from dawn 'til dusk.

SPORTS

Football concludes for Tigers

One hundred points lit up the score board at Tiger field last Friday night as the Sacred Heart Tigers battled Fort Worth Calvary for a TAPPS playoff spot.

The Tigers had a very successful pre-district season, losing their first game by only 1 point, then taking four big wins, for a total of 174 points to their opponents' 69. Their first district game was a 50-8 win, but the season changed with a trip to Tyler. Coming up a TD short in non-conference play, the Tigers then had two weeks with no action after Harvest cancelled a contest. The final two district games saw the Tigers on the short end, out-scored 100-55, the final game Friday night, a 66-34 loss to Calvary.

seven plays to score on a 30 yard run. The points after failed for a 14-12 score.

The Tigers punted after six plays, but shortly regained possession when Clay Knabe covered a loose ball on the Calvary 19 yard line. Incomplete passes and a flag returned the ball to Calvary, who scored two plays later on a 76 yard run. The PAT gave the visitors a 20-14 lead with 3:38 on the clock.

Starting at midfield, the Tigers took six plays to regain the lead. A Hartman to Spruill pass, and runs by Yosten and Spruill moved the ball to the 24. A pitch to Sparkman found the end zone to tie the game. The extra kick by Hartman gave Sacred Heart a 21-20 lead

extra kick tied the game 28-28 5 minutes into the quarter.

Calvary controlled the next 4 minutes, scoring on 51, 72, and 21 yard runs to take a 48-28 lead with 3 minutes on the clock. The Tiger offense was shut down, gaining only a yard in four possessions, three ending with interceptions. Calvary opened the final period with a 26 yard touchdown run to spread the score to 54-28 with 11:09 still remaining in the game.

From their 41, Sacred Heart moved inside the Calvary 20, but couldn't score. A 72 yard run was followed by a 7 yard TD for a 60-28 score with 6:42 on the game clock.

Three plays later, Colt Spruill scored on a 74 yard

"A tough game," noted Tiger Coach Charles Boles. "The boys gave everything they had. They played the last game like they played all season, with lots of guts and determination." Coach Boles also stated how proud he was of the past season and how the Tigers played all year long.

The teams exchanged punts the first minutes of the game, with Sacred Heart's second drive beginning on their 41 yard line. A Nolan Hartman to Sam Sparkman pass picked up 21 yards. Runs by Colt Spruill, Josh Yosten, and Hartman took the Tigers to the 10 yard line. Sparkman then scored and Hartman added the PAT for a 7-0 Tiger lead with 6:29 on the clock.

Calvary came back their second drive, using five plays and scoring on a 33 yard run. The PAT failed for a 7-6 score. The teams once more exchanged punts, placing Sacred Heart on Calvary's 41 yard line. Another Hartman to Sparkman pass gained 21 yards, Yosten added 5, and a Hartman to Colby Richey pass was good for 6 points. Hartman booted the extra point for a 14-6 Tiger lead with 1:24 remaining in the 1st quarter.

Calvary carried the ball into the next period, taking

with 1:30 remaining in the 1st half.

Calvary came back, taking four plays to cover 57 yards, scoring on a 30 yard pass play with 25 seconds on the clock. The PAT put the visitors on top 28-21 at halftime.

Calvary punted away their first possession in the 2nd half. A good return by Spruill took the Tigers to the Calvary 48. Yosten picked up 14 yards and Spruill another 23. A couple of plays later, Hartman connected with Spruill for a 16 yard touchdown. The

run. The PAT failed and the scoreboard read 60-34. Calvary took three plays to again find the end zone to stretch their lead to 66-34 with 3:44 on the clock.

Spruill, Hartman, and Yosten ran eight plays, gaining 59 yards to the Calvary 7 yard line before the last second ticked off the clock.

Muenster ends season with loss

The annual Battle of the Hornets last Friday night in Era wasn't much of a battle for the Hornets in Gold, as Era handed the Muenster Hornets a 57-19 season final loss. The Red Hornets finished the season with only one victory.

"I wish the year had gone better for the seniors," Muenster Coach Monte Endres commented. "We gained lots

of valuable experience with the young guys. We'll have to work to make things better for next year."

Muenster lost a yard their first possession and punted. Era scored on a 61 yard pass play with 10:29 on the clock for an 8-0 score.

Muenster's next drive put them on the scoreboard. T.J. Acuna ran for 43 yards, Garrett Hennigan added 15, and

Levi Trubenbach 6 to the 1 yard line. Trubenbach then found the end zone with 7:16 on the clock. The PAT failed for an 8-6 score.

Era got in eight plays and raised the score 15-6. An outside kick was covered by Era, but two plays later, Eric Hellman intercepted the ball.

Muenster carried the ball into the 2nd quarter, getting to the Era 1 yard line. A Trubenbach to Matt Flusche pass was good for 6 points. The PAT kick was blocked for a 15-12 score.

The next snap was followed by a 61 yard Era run for a touchdown and a 22-12 Era lead.

Muenster got in eight plays before running out of downs. Era's drive of five plays ended in 6 points. With 4:42 on the clock, Era took a 29-12 lead.

Muenster's offense struggled, with a blocked punt giving Era 2 points from a safety, to make the score 31-12.

Era's next drive ended when Charles Womble covered a fumble. Three plays later, Era picked off a pass. Era's drive ended at the Muenster 15 yard line when Jacob Klement intercepted a pass to end the 1st half of play.

The 3rd quarter saw Era score three touchdowns, a 54 yard run, a 55 yard run and a 45 yard pass play for a 51-12 score going into the final quarter.

Era covered a fumbled ball and scored after four runs for a 57-12 score.

Muenster's final drive began on their 26. Hennigan, Walterscheid, and Acuna traded runs to the 12 yard line. Trubenbach took the ball the last dozen yards for a Muenster 6 points. Tanner Herr added the point after for a 57-19 score with 3:53 remaining in the game. Era ran out the clock to claim the season final win.

Tigerettes get win

The Sacred Heart Tigerettes added victories to their early season record. On Friday, Nov. 9, the Tigerettes had a match against Forestburg, taking a 30 point win. "We are progressing," said Coach Jon LeBrasseur. "We rebounded better tonight and I thought our shot selection was much improved. You have to crawl before you can walk, and we understand it will be a slow process to get to where we want to be, but we are continuing to improve in many areas."

Kara Felderhoff was high scorer with 18 points, which included four 3s. Kristin LeBrasseur dropped in 16 points, had 4 assists, and 5 steals. Lauren Creed added 11 points and pulled down 11 rebounds. Sydney Hoedebeck put in 4 points and got 8 rebounds, Shelby Hess and Lisa Miller each added 3 points. With Kalyssa Pollard, Rebekah Hesse, Raynee Hogan, and Taylor Reiter, 2 points each.

Era Junior High beats Muenster 7th

The 7th Grade Muenster Hornets took on a bigger, older junior high team from Era Thursday and were handed a 24-0 loss. Paul Mouring and Tony Schniederjan were captains for the night.

Era took the opening kick. A gang tackle by J.J. Horsman, Mike Karas, and Tommy Harrison on the return caused a fumble that was covered by Horsman on the Era 28.

Runs by Trevor Hess and Steven Flusche gained 14 yards, but a fumble in the backfield gave the Gold Bees the ball on their 16 yard line. The next play, on a reverse, Era scored on an 86 yard run. The extra run gave the Bees an 8-0 lead with 4:04 remaining in the 1st period.

A short Era kick was covered by Austin Hennigan on the Muenster 38. Hess ran for

3, then a Klement to Hennigan pass picked up 33 yards to the Era 27. Muenster gained, then lost yards, giving the ball to Era on downs as the 1st quarter ended. A couple of plays later, Era scored on an 81 yard pass play with 4:34 on the clock. The extra run made the score 16-0.

Muenster couldn't get a 1st and the Bees took the ball at midfield. A Hess sack, a tackle behind the line by Flusche, a flag, and a Klement and Horsman tackle held the Bees till the half-time.

It was three plays and punt for Muenster as the 2nd half began. Era got in seven plays, the final a 43 yard touchdown run. The PAT put the Bees ahead 24-0 with 1:20 still on the clock.

Hess got a good kick return to the 45. Muenster carried the ball into the final stanza

and punted. Klement and Jimmy Dale Abner stopped the return. Tackles by Klement, Muller, and Hess, and two quarterback sacks by Hess returned the ball to Muenster near midfield.

Flusche and Hess gained 11 yards, followed by a 28 yard pass play from Klement to Travis Sicking. Muenster got inside the 1 yard line, but couldn't score.

Era killed out the remaining 37 seconds to end the game.

Leading Muenster in rushing yards were Steven Flusche 28 yards, Trevor Hess 16, and Hunter Klement 14. Pass completions went to Trevor Muller 61 yards, Austin Hennigan 33 yards, and Travis Sicking 28 yards. Tackles: Trevor Hess 8, Hunter Klement 5, J.J. Horsman 4, Tommy Harrison 3. Fumble recovery: Horsman.

8th Grade Hornets finish season with 44-20 victory over Mustangs

The 8th Grade "Red" Hornets finished the 2007 season with a strong 44-20 win over the Saint Mary's Mustangs.

Chase Hammer kicked to open the game. Saint Mary's returned it 46 yards before River Stewart made the stop. Hammer and Luke Kaufman both dropped the Mustangs for losses, with Kaufman causing a fumble. Muenster covered the ball on their 46. The next play, a Hammer to Caleb Winters pass was good for a 54 yard touchdown play with 6:59 on the clock. Hammer ran in the extra points for an 8-0 score.

Luke Crabtree and Mark Jones stopped the Mustangs' next kick return. Five plays later, Saint Mary's returned on a 47 yard run. The extra point was stopped by Crabtree for an 8-6 score with 5:18 remaining in the 1st period.

Dalton Koelzer's kick return of 44 yards put Muenster on the Mustang 36. A Koelzer run was followed by five runs by Hammer, the final for the 3 for 6 points. The PAT failed for a 14-6 score with 2:06 still on the clock.

The Mustangs moved the ball slowly against the Hornets, with Crabtree, Hammer, Blake Voth, Stewart, Koelzer, and Kaufman getting tackles before the 1st period ended. Crabtree and Hammer dropped Saint Mary's for losses, giving

Muenster the ball near midfield.

A double reverse pass from Voth to Tyler Anderle picked up 17 yards. Hammer ran for 21, with Koelzer taking the last 11 yards to the end zone with 4:24 on the clock. Hammer ran in the points after for a 22-6 score.

A loose ball on the return was covered by the Stingers, setting up Muenster's next score. An Anderle to Stewart pass play was awarded 10 yards after a holding flag. Koelzer and Hammer took turns running, with Hammer scoring on a yard run. With 51 seconds on the clock, The Hornets took a 30-6 lead.

Saint Mary's then returned the kick 67 yards for a 30-12 score.

A good return by Anderle on the kick, an 11 yard run by Hammer, and a 33 yard pass play, Anderle to Voth, put 6 more points on the board. Hammer ran in the extra points for a 38-12 Muenster lead with 9 second before the halftime break. An inside kick, covered by a sack by Crabtree and Jones for a 13 yard loss.

Muenster's offense controlled the 3rd quarter, running 10 plays before turning the ball over on downs on the 6 yard line. Kaufman and Crabtree dropped Saint Mary's for a loss, but the next play was a 97 yard scoring

run by the Mustangs. With 17 seconds on the clock, Saint Mary's closed the score to 38-20.

Eleven seconds into the final period, Hammer scored on a 50 yard run and the scoreboard read 44-20.

Crabtree and Cole McAden didn't allow a kick return. The teams traded possessions, with Voth stopping one drive with an interception. Muenster got inside the Mustang 20 and took a knee to end the game.

Lady Knights at Regional

The Lindsay Lady Knights volleyball team competed in the 1A Region II State Playoff Tournament last weekend at Weatherford.

Friday night, the Lady Knights defeated the Gorman Lady Panthers in the Semi-Final round of the playoffs, by scores of 15-25, 25-22, 25-14, and 25-21.

Team stats were: Madisen Burrows, 39 assists; Katelyn Brewer, 2 aces, 3 digs; Chelsea Hermes, 3 aces, 25 kills, 10 blocks, 5 digs; Kristin Martin, 8 digs; Kaylee

Murphree, 22 kills, 1 ace, 10 blocks, 2 digs; Rose Hermes, 2 digs; Taylor Loch, 2 aces, 4 digs.

Saturday, the Lady Knights finished their season with a loss to the Kopperl Lady Eagles in the final Region round with scores of 25-17, 24-26, 25-22, 20-25, and 11-15.

Game stats were as follows: Burrows, 1 kill, 8 digs, 53 assists; Brewer, 1 ace, 3 kills, 4 digs; C. Hermes, 29 kills, 8 blocks, 17 digs; Martin, 3 aces, 2 kills, 2 blocks, 14 digs;

Murphree, 29 kills, 5 blocks, 6 digs; R. Hermes, 1 kill, 2 digs; Loch, 1 ace, 3 digs.

The Lady Knights' overall season record was 25-11, ending as Region Finalists. "This has been an incredible journey, thanks to all of you who came along for the ride. These girls are incredible! Lindsay fans are the best on earth with their support!" Coach Bridget Anderle said.

The volleyball team will be losing seniors Madisen Burrows, Katelyn Brewer, and Chelsea Hermes.

Knights beaten by Pirates 48-21

The Lindsay Knights traveled to Collinsville last Friday with hopes of earning the number one playoff seed in the District by defeating the Pirates. Collinsville didn't give in, taking a 48-21 victory. Both the Pirates and the Knights will advance into round one as the 2nd and 3rd place teams.

"We just didn't play very well. We had no intensity," said Coach Bounds. "I didn't get the team excited enough about the game and they (Collinsville) were fired-up. We weren't ready to play."

The Knights took the opening kick, gained 5, and punted. Three plays later, Collinsville scored on a 65 yard pass play for a 6-0 score with 8:53 on the clock.

Keith Hermes picked up a 1st down, then came up short and punted. Six plays later, 12-0.

After gaining no ground, Lindsay punted again. Five Pirate plays and Collinsville had a 19-0 lead.

The Knights threw three incomplete passes, punting again. This time the Pirates did not succeed, forced to punt on 4th and 17.

A Hermes to Garrett Block pass got Lindsay to midfield. Hermes then scored on a 50 yard quarterback keeper to

put Lindsay on the board. Ross Jones' PAT was good for a 19-7 score with 9:41.

Collinsville scored again, seven plays later to extend their lead to 27-7. The Knights got in two Hermes to Block passes for 28 and 23 yards, and a Hermes run. From the 1 yard line with 2:40 remaining in the 1st half, Hermes crossed the goal line. Jones booted the PAT for a 27-14 score.

Tackles by Jeremy Perry and Mason Ward forced a Pirate punt. Hermes completed passes to Josh Mueller and Jones for 14 and 11 yards, but three incomplete passes and a quarterback sack returned the ball to the Pirates. Hermes and Ward got in tackles before the halftime intermission.

Collinsville came out the 3rd quarter and quickly scored on a 65 yard run. With 50 seconds off the clock, the Pirates had a 35-14 lead.

A Hermes to Jones pass was good for a 26 yard gain, but plays that followed were less successful, with the Pirates picking off a pass.

Joey Block, Jones, Perry, Dustin Reed, and G. Block got tackles, holding Collinsville to four plays and a punt. The teams continued to exchange punts going into the final quarter. Dillon Ott blocked a Pirate punt and returned the ball 20 yards for a Lindsay touchdown. Jones added the PAT for a 35-21 score with 9 minutes remaining in the game.

Collinsville scored twice the next 5 minutes, on 37 and 12 yard runs, for a 48-21 score with 4 minutes left on the clock.

Mueller, Nathan Martin, and Ryan Haverkamp all got in runs before the game ended.

TXDOT releases impact statement for TTCorridor

Existing highways will be considered first as state transportation officials continue work to identify an alignment for I-69/TTC, an effort that will include unprecedented public involvement opportunities during the next several months, according to the Texas Department of Transportation.

TXDOT, in coordination with the Federal Highway Administration released the Draft Environmental Impact Statement (DEIS) for the proposed Trans-Texas Corridor project, saying it will make transportation safer, faster, more reliable, and provide for faster hurricane evacuation.

The 1,072 page report is the result of nearly three years of work with local officials and input from citizens through hundreds of public meetings. It looked at a wide, 650-mile long study area stretching from far south Texas to extreme northeast Texas.

The report recommends additional detailed examination and public comment on a narrower study area to see where I-69/TTC can be located while minimizing environmental impacts. The recommended study area is approximately one-half to four-miles wide.

As a result of public comment to date, the report recommends continued environmental studies on I-69/TTC focused on using existing highways first with new corridors as a secondary option.

"We are doing what the public asked us to do and that is look at existing highways first," said Amadeo Saenz, TXDOT executive director. "If improvements to existing highways and infrastructure cannot be made to handle long range transportation needs — or if citizens and local officials tell us they prefer a new corridor — other options will be considered. Decisions will be made based

on public input and detailed studies of environmental and social impacts."

The report also looked at future transportation needs along the corridor where 12.1 million people are expected to live by 2040. Activity at Texas ports is growing rapidly, which will mean more trucks along the corridor, according to the report.

The announcement kicks off what TXDOT officials call an unprecedented public involvement and public comment period.

The report is available on two TXDOT web sites: www.keeptexasmoving.com and <http://www.txdot.gov>

It is also being sent to many public libraries along the entire study area where it will be available for citizens to review. It will be available at TXDOT offices in the study area. Citizens may also call the I-69/TTC project office for information. The toll-free number is 1(866) 554-6989.

In January 2008, TXDOT will hold 10 Town Hall Meetings along the corridor. The scheduling of Town Hall Meetings is a direct result of public comment that citizens want more opportunity to ask questions and get answers about the Trans-Texas Corridor.

In February, TXDOT will begin the formal public hearings on the environmental study. Forty-six public hearings will be held throughout

"In the first place, we should insist that if the immigrant who comes here in good faith, becomes an American, and assimilates himself to us, he shall be treated on an exact equality with every one else, for it is an outrage to discriminate against any such man because of creed, or birthplace, or origin."

U.S. hay prices hit record high

From the Livestock Marketing Information Center

On a national basis, hay prices are record high. For the current U.S. hay crop-marketing year (2007-08), the national average all hay price is forecast to be about \$130 per ton, surging past the prior record set last year of about \$110 per ton.

This crop year, the national alfalfa hay and other hay prices are both forecast to be record high at more than \$135 per ton and more than

\$115 per ton, respectively. Record-high hay prices are the result of very tight supplies and strong demand, as all feedstuff prices are closely related based on nutritional components. That is, current hay prices largely reflect high energy and protein values as indicated by corn and soybean meal prices.

Hay prices differ on a regional basis due to the high cost of transporting hay. Still, national data provide important market indications. Since 2004, U.S. hay production has steadily declined, with U.S. hay production in 2006 being the smallest since 1988. In 2007, U.S. hay production increased, but at about 140 million tons it was still the second smallest since 1993.

At the beginning of the 2007-08 hay crop-year (May 1), U.S. hay stocks were just 15 million tons, the smallest in relevant history (since 1960). With normal winter weather, U.S. hay stocks as of May 1, 2008, may not increase much. Current forecasts put May 1, 2008, national hay stocks at 15.4 million tons, just 3% more than 2007's.

Preliminary forecasts suggest U.S. hay acreage harvested will increase some in 2008. But competition from other crops, especially in irrigated areas, will remain intense. Overall, national average hay prices are expected to remain well above a year ago for the balance of the 2007-08 crop-marketing year.

Hay prices, like other feedstuffs, will remain very high next crop year (2008-09) and may average more than \$100 per ton in 2008-09 for the third consecutive year.
