

County approves fee increase for citations

By Janet Felderhoff
Three increases were proposed for three of the 2012 Cooke County Sheriff's and Constable fees, but only one will see an increase. Precinct #1 Constable Terry Gilbert presented the proposals on behalf of both departments. There has not been a price increase for these fees in several years. Currently, they are: writs - \$175 (proposed \$200); forcible detainers or eviction suites - \$100 (proposed \$125); and citations - \$60 (proposed \$80). Gilbert noted that writs are the most time consuming. If they take more than two hours, additional fees per hour may be charged. Justice of the Peace Precinct 4 Jason Brinkley also offered proposals on the user fees. He showed fees of other counties in the area. He said Cooke County is low on the citations, but the writs are already a little higher than most. He hoped to keep Cooke County in line with other counties' fees. The Court voted to increase the cost of citations to \$75 and make no change to the other two fees. County Auditor Shelly Atteberry explained that certain counties were targeted with above average occurrences in certain medical areas. Cooke County was targeted as having angina, COPD, emphysema, bron-

chitis (heart and lung diseases). The Texas Department of State Health Services is offering a grant to targeted counties. That money would be used to partner with local health authorities to promote residents to get check ups, wellness care, to quit smoking, to diet, etc. to reduce medical costs. The County would apply and oversee the grant. Both Muenster Memorial Hospital and North Texas Medical Center and the local health agency and the County medical director, and the Extension office were contacted about the grant. The first 19 counties to sign up should receive grant funds. If fewer counties sign up, more money may become available, she added. Commissioners Court voted to approve applying for the grant. Oct. 2-8 was proclaimed as National 4-H Week in Cooke County. There are 300 4-H members in the County assisted by more than 85 volunteers. Several 4-H officers and Extension Agent Phyllis Griffin were present to accept the proclamation. Human Resources Director Diana Allen asked the Court to consider allowing Liberty National Life Insurance to offer products to Cooke County employees. She said some would benefit from its life insurance. After

much discussion, no action was taken. The court felt that it would be best to not promote one company. The topic may be discussed in a future Court. County Fire Marshal Ray Fletcher reported the Keetch-Byram Drought Index (KBDDI) as having a mean of 750, a low of 686, and a high of 788 in the County. He again warned residents to make the exteriors of their homes ready for wildfire danger. Water hoses that reach around the home, keeping grass short, and dead shrubs and trees cleared were some of his recommendations. In other business conducted at the Monday, Sept. 26 meeting, Commissioners Court:

- Approved agreement between Muenster Water District and Cooke County and between North Central Texas College and Cooke County to share polling places for the Nov. 8 elections.
- Approved contract with Douglas Lewis, M.D. to be the Cooke County EMS medical director.
- Appointed election judges and alternates for the Nov. 8 Constitutional Amendment Election.
- Changed Pct. 19 and 21 polling places from Centennial Hall to Conrad Hall in Lindsay for the Nov. 8 elections.
- Approved Cooke County Library applying for the Texas Commission on the Arts Quarterly Grant.
- Accepted the Association of Rural and Small Libraries donation for \$492.68 and a \$15 donation from Melissa Swafford for the Cooke County Library.
- Approved Courthouse fire alarm monitoring contract.
- Approved contract with United Elevator for electronic installations for the Courthouse elevator.
- Approved indigent burial of Melonie L. Pointer.
- Approved the surplus of items for Commissioner Precinct #2 and for the disposal of various items by sealed bids or auction by Precinct #2.
- Approved renewal of employee honesty bond for the Texas AgriLife Extension Office and a bond for Patty Brennan, assistant treasurer.

Only memories remain...

A piece of Muenster's history crumbled under the striking blows of a backhoe and jackhammers this week. Muenster's swimming pool was deemed too expensive to repair as its aging pipes corroded causing massive leaks this summer. Muenster built the public swimming pool in 1955. It has been the location of swim lessons for decades, seen many swim parties, and provided untold hours of cooling summer entertainment. Doug Fleitman and his crew were contracted by the City to demolish the pool. The site will be covered with soil and allowed to settle before a new pool is built. That is, if a new pool is built. That topic will be discussed at Monday night's City Council meeting. City Administrator Stan Endres said it may be decided to wait for a year, to build this winter, or not to build at all. Hearing set on proposed closing of Myra Post office

The U.S. Postal Service, in a notice posted in Myra Post Office and a form letter to customers, proposes to close the post office. This is the first step, under law, the Postal Service must take before closing or consolidating a post office. This notice must be given 60 days before a final decision on the matter to allow time for local customers of the post office to evaluate the proposal and offer comments. This is a stipulation of the Postal Reorganization Act of 1970 and Title 39, U.S. Code, Section 404(b). Postal officials will schedule a public meeting with customers of any post office proposed for closing or consolidation. Locally, this meeting is scheduled for Thursday, Oct. 6 from 6-7:30 at the First Baptist Church Fellowship Hall, 101 Bradford St. Written comments also may be submitted to the local district office of the Postal Service, located at 4600 Mark IV Parkway, Ft. Worth, Texas 76161. Local citizens served by the Myra Post Office should seriously consider the consequences of the Postal Service's proposal and be prepared to voice their concerns at the Thursday, Oct. 6 meeting. Only the citizens of the community may take action to prevent the closing or consolidation of their post

office and prevent service from being transferred to a contract community post office, station, Village Post Office and/or rural or cluster box delivery. To preserve their post office as it now exists - a regular United States post office operated by career postal employees - local citizens must speak up now. In addition to the 60-day period provided by law for customer comments, the law also provides appeal rights for local citizens if the final decision is in favor of closing or consolidation. The appeal

Tax rate remains \$0.175 for Muenster Hospital District

By Janet Felderhoff
There will be no change in the 2012 tax rate for Muenster Hospital District taxpayers. The Board voted unanimously at its Sept. 20 meeting to keep the same rate as last year. This year's effective tax rate is \$0.1784. Financials for the month of July showed a net revenue of \$630,648 and operating expenses of \$688,323 for a net operating revenue of negative \$57,675. Other

revenue such as ad valorem taxes totaled \$84,291 to bring the excess of revenues over expenses for July to \$26,616. In July, there were 16 acute patient admissions and 10 long term care admissions for a combined average daily census of 7.61 and an average length of stay of 8.04. Percent of occupancy in July 2011 was 42.29%. During July, there 89 ER visits, 374 outpatient visits,

524 Family Health Clinic visits, and 641 Home Health visits. Compliance Officer Diane Neu presented the Critical Access Hospital Program Periodic Evaluation report for the fiscal year ending June 30. The report covered all departments and is required to determine if the utilization of services was appropriate and if established policies were followed. The report also gave patient statistics. There were 179 inpatient admissions and 176 discharges of acute inpatients and 119 swing bed admissions with 121 discharges. The average daily census for acute patients was 1.85 and for swing bed 6.48. Both show a decrease in numbers from the previous year. For FY 2010-11, there were 6,113 visits to the Family Health Clinic, 8,986 Home Health visits made, outpatients visits totaled 4,165, and there were 1,063 ER patients seen. It was reported that the flu vaccines have been received. In other business, the Board:

- Approved a Bad Debt write off of \$40,071.82.
- Approved Christopher Miller, M.D. for hospital courtesy privileges as recommended by the Medical Staff.
- After review of three options for warranty plans offered by Hydroworks for the therapy pool and equipment, accepted the middle-priced plan.

Peggy Braun joins newspaper staff

By Janet Felderhoff
Peggy Braun of Whitesboro is anxious to meet Muenster residents. The *Muenster Enterprise* hired her as an ad salesperson. She began her duties on Sept. 22. "I can't wait to meet the Muenster people," Peggy remarked. "I like a small town and I like the agricultural influence here, and the strong community." She has been very active in the Whitesboro community with the schools and church. Although a resident of Whitesboro for the past 16 years, Peggy came to the U.S. from Canada in 1991. She has a strong agricultural background. Peggy's family farmed wheat in Canada and she was involved in horse ranching

in Texas for 17 years. She is an architect and teaches drafting at Grayson County College. Prior to accepting her teaching position, Peggy designed horse ranches and facilities. Since she is not teaching full-time, Peggy decided to try her hand at ad sales. She will be selling for both the *Enterprise* and *The Lindsay Letter*. Peggy has three sons. Two are in school and the other is enrolled in university in Canada.

At left, Peggy Braun is ready to help you place your ads in the *Muenster Enterprise* or *The Lindsay Letter*. Mindy Arendt photo

Lorene Schmitz 1930 - 2011

Mass of Christian Burial for Lorene Mary Schmitz of Muenster was held at 10 a.m., Friday, Sept. 23 at Sacred Heart Catholic Church in Muenster. Fr. Ken Robinson celebrated the Mass. Burial was in Reed Cemetery in Montague County under the direction of McCoy Funeral Home of Muenster. A Rosary and vigil led by Fr. Ken were held at 6 p.m., Thursday at the funeral home.

Lorene died at 3:38 a.m., Sept. 19, 2011 at the age of 80 at the Muenster Health and Rehab Center.

Born Dec. 30, 1930 in Muenster, Lorene was one of the seven children of William Joseph and Elizabeth Bindel Derichsweiler. She attended Sacred Heart School and lived her entire life in Muenster and Saint Jo.

Lorene married Eugene Schmitz on Oct. 19, 1949 in Sacred Heart Church. In her early years, she worked at Hofbauer's Grocery Store and later retired in 1995 from Tom Thumb Grocery Store in Gainesville.

Lorene enjoyed tinkering around with her very large garden where she grew all types of vegetables. She loved canning these home grown vegetables and fruits and always shared with her family. Her great meals always included fresh vegetables from the garden. Her meals always ended with some of the three to four gallons of ice cream (various flavors) which were always in her freezer. She will be remembered for her baking, especially around the holidays. Her chocolate covered cherries, pecan rolls, and Christmas candy ranked among the best. Everyone gathered at her house for the holidays. Cards were played, sometimes lasting through the night. Lorene was a serious player! She also loved playing dominos. While the adults were playing the games, the grandchildren played with the toys and games that she kept in large boxes for them.

Lorene enjoyed sports and fishing. She excelled in pitching softball, playing volleyball, and horseshoe pitching. The family spent hours playing softball in her backyard, while the youngsters had fun climbing her fruit trees.

Most of Lorene's spare time was spent crocheting beautiful afghans for her family and friends. She crocheted numerous baby afghans, each of which consisted of many varying colors and designs.

Lorene was a kind, loving lady who always had a smile for everyone, even up until her last day on this earth.

Survivors are sons and daughter-in-law Kenneth and Kristina Schmitz of Arlington, Jerome Schmitz of Sherman, James Schmitz of Myra, and Robert Schmitz of Indianapolis, Indiana; 12 grandchildren and 14 great-grandchildren sisters Alvina Crow of Archer City, Della

Lorene Schmitz

Knabe of Argyle, Dolores Zimmerer of Muenster, and Cathy Hess of Lewisville.

She was preceded in death by brothers Raymond and Irvin Derichsweiler.

Assisting during the funeral Mass were altar servers Alvin Hartman and Sylvan Walterscheid. Frances Bayer gave the First and Second Readings. The Gospel and Prayers of the Faithful were read by Fr. Ken. Eucharistic ministers were Carolyn Bayer, Viola Rohmer, Teresa Walterscheid, Kim Felderhoff, and Theresa Mae Walterscheid.

Music ministers were Christy Hesse, vocalist, and Linda Flusche, organist. Songs included "Amazing Grace," "I Have Loved You," "Hail Mary, Gentle Woman," "Songs of the Angels," and "On Eagles Wings."

Pallbearers were Jackie Knabe, Nick Knabe, Chris Knabe, Doug Zimmerer, Anthony Zimmerer, and Ron Derichsweiler.

Norma Williams

Funeral for Norma Williams of Gainesville, was held Sept. 25 at the Hillcrest Church of Christ. Burial was in Fairview Cemetery.

Born in Sherman to Fred W. and Leafy Molly Wright Klas on Nov. 16, Norma married Velton Williams on July 4, 1943 in Gainesville. She retired after 28 years of service from the Agricultural Stabilization Conservation Service. A charter member of Hillcrest Church of Christ, she was an active volunteer for Home Hospice of Cooke County and North Texas Medical Center Auxiliary. Norma died Sept. 22, 2011 in her home.

Survivors are her husband; son and daughter-in-

Charlie Herr 1940 - 2011

Charlie Kenneth Herr of La Quinta, California, formerly of Muenster, died at the age of 71 on Sept. 2, 2011 in Rancho Mirage, California. He was born in Muenster on Jan. 27, 1940 to Ida Mae and Frank Herr. Charlie attended school at Sacred Heart in Muenster until he went to Subiaco Academy in Subiaco, Arkansas where he graduated from high school. He then attended Texas Tech University. He graduated from pharmacy school at Southwestern State College of Pharmacy in Weatherford, Oklahoma in 1963. He was a practicing pharmacist for 48 years. He held a pharmacy license in 10 states.

Charlie served his country proudly as a First Lieutenant in the United States Air Force from 1963 to April 1967. He was based at Kelly Air Force Base in San Antonio. He served as Chief Medical Supply Officer, which took him worldwide being in charge of and setting up medical supply offices.

After his service to his country, he began his lifelong endeavor of practicing pharmacy. He owned and operated pharmacies of his own, along with partnerships in three pharmacy corporations over the years.

Charlie Herr

Survivors include his wife of 40 years, Cheryl Fowler Herr of the home; daughter Courtney Donnelly; son-in-law Travis Donnelly; and precious grandson Jackson James Donnelly of Los Angeles, California; brothers and sisters-in-law Ronnie and Alma Herr of Gainesville and Tom and Virgilla Herr of Muenster; sisters and brothers-in-law Della Walterscheid of Muenster, Joanie and Jim Price of Denton; sister-

in-law Patsy Williams and her husband Max of Oklahoma City, Oklahoma; and numerous nieces, nephews, great-nieces and nephews, and cousins.

He was preceded in death by his parents; brothers Joseph and Melvin, nephew Kenny Walterscheid, brother-in-law Denis Walterscheid, and nephew Michael Dale Williams.

Rosary and vigil led by Fr. Ken Robinson was held Friday evening at Sacred Heart Catholic Church in Muenster. Memorial Mass was held Saturday, Sept. 24, at 10 a.m. in Sacred Heart Church with Fr. Ken officiating. Burial with military honors was in Sacred Heart Cemetery. Muenster VFW Post #6205 served as Color Guard and gave the 21 gun salute. Taps was played by Ronnie and Tina Weinzapfel.

Assisting during the memorial Mass were altar servers Sylvan Walterscheid and Butch Fisher. The First Reading was given by family friend Kevin Cumiskey. Lori Studer, niece, gave the Second Reading. Prayers of the Faithful were read by Brad Herr, nephew. Offeratory Gifts were brought up by friends Marti Cumiskey, Kelly Cumiskey, Kersee Cumiskey, and Annlynn Polen. Eucharistic ministers were Carolyn Bayer, Theresa Mae Walterscheid, Joann

Pagel, Alma Herr, and Paulette Swirczynski.

Music ministers were Linda Flusche, Diane Grewing, Doug Yosten, Isaac Davis, and Christy Hesse. Songs were "Amazing Grace," "Psalm of the Good Shepherd," "I Have Loved You," "How Great Thou Art," "I'll Fly Away," and "On Eagles Wings." "Ave Maria" was sung by Christy Hesse as a meditation song.

The eulogy was given by son-in-law Travis Donnelly. He remembered Charlie's life "so rich in love, shared with so many people, and spread across so many places... Charlie touched countless people... Maybe the best metaphor for Charlie's life is that of a great oak tree. With deep roots, a strong, stable trunk, and branches that spread far and wide, the oak tree stands tall and proud. Just like Charlie did, despite only being 5 foot 7..."

"Charlie loved his family and loved being from Texas... That was the theme of Charlie's life - taking care of other people... Charlie lived a beautiful life..."

The family requests in lieu of flowers consider a donation to The American Cancer Society, Sacred Heart Trust Fund, Subiaco Academy, or the favorite philanthropic charity of choice.

Rebecca "Becky" Crowley 1954 - 2011

Mrs. Rebecca "Becky" Jaska Crowley, 56, died Monday, Sept. 19, 2011 in her home in Anna. Becky was born in Hillsboro to Ernest H. "Bobo" Jaska and Virginia Muehlstein Jaska, the oldest daughter of eight children. The Jaskas moved to Muenster when Bobo Jaska took a job as manager of the TP&L office located here at the time. Becky was a 1973 graduate of Muenster High School and attended Texas Woman's University where she received a Bachelor of Science degree, and then attended East Texas State University in Commerce, where she received a Master of Education.

Becky married David Crowley in 1979 at St. Mary's Church of the Assumption in Waco. Becky began as a teacher in 1976 and then later worked as an educational diagnostician for 29 years throughout the North Texas area. She retired from Allen ISD in June 2010.

Survivors include her husband David Crowley of Anna; daughters Heather Crowley of Little Elm, Christy and husband Scott Kenady of RAF Mildenhall, England, and Kimberly Crowley of Anna; father-in-law Gaylen Crowley of Little Elm; brothers and sisters-in-law Michael and Linda Jaska of College Station, Mark and Lucy Jaska of Modesto, California, Matthew and Gretchen Jaska of Katy, Christopher and Lisa Jaska of Bruceville, David and Carolyn Jaska of College Station; sisters and brothers-in-law Alexandra and Bill Wetterman, Jr. of McKinney, and Bridget and Jim Krahula of Pflugerville;

several nieces and nephews, cousins, and many friends.

Becky was preceded in death by her parents; and her mother-in-law Rose Crowley.

Funeral services were held on Friday, Sept. 23 at St. Gabriel's Catholic Church in McKinney. Internment was in Fatima Cemetery in Abbott.

In lieu of flowers, memorial contributions may be made to St. Gabriel the Archangel's "Clearing the Ground" Debt Reduction campaign, 110 St. Gabriel Way, McKinney, TX 75071.

Becky Jaska Crowley

Juanita Coomer Clark 1934 - 2011

Juanita Coomer Clark of Gainesville died at the age of 77 on Friday, Sept. 23, 2011. Funeral was Sept. 27. Burial was in New Hope Cemetery.

Born Feb. 2, 1934, in Gainesville to James and Ada Bell Roberson Coomer, she married Edwin Douglas Clark on Dec. 4, 1949.

Survivors are son Neil

Clark and his wife, Jan; daughter Colleen Clark Carri and husband Keith of Gainesville; five grandchildren and three great-granddaughters; brother-in-law L.D. Clark of Gainesville. She was preceded in death by her husband, parents, infant son Phillip Alan, and brothers Wayne and Albert Coomer.

Words cannot adequately express how much the outpouring of love and support from family, friends, and community has meant to us during our sorrowful time at Billy's passing.

We are so thankful for all your prayers, those who visited, called, brought food, sent flowers, donations, and cards.

We are also grateful for the spiritual support that Father Ken and Father Kyle gave us.

Our heartfelt appreciation also goes out to the Catholic Daughters who served the delicious meal after the funeral and to the Knights of Columbus for the use of the hall.

Your love and concern for our family will always be remembered.

from local citizens must be in the hands of the Postal Regulatory Commission in Washington, DC, within 30 days after the Postal Service's written determination for closing or consolidation.

Local citizens should take notice that once the Myra Post Office has been closed or contracted out, there is very little possibility of it ever returning to its present status.

Special effort gets drunk drivers off roads

Texas Highway Patrol troopers arrested 2,033 intoxicated drivers during a special Labor Day holiday enforcement program from Aug. 19 through Sept. 6.

Of the 2,033 arrests, 550 were made by Troopers whose patrols were funded by a special Texas Department of Transportation grant. Troopers focused on looking for intoxicated drivers in high-risk locations during the times when alcohol-related crashes occur most often.

During the last four special enforcement periods, 1,947 intoxicated drivers were arrested by Troopers working on overtime paid for by the TxDOT grants.

"By keeping our Troopers on the roadways longer, we were able to get additional drunk drivers off the road and in doing so saved lives or prevented serious crashes," said Chief Luis Gonzalez, assistant director/chief of the Highway Patrol Division.

The next special impaired driving mobilization is set for the Christmas/New Year holiday period, as the program enters its second year.

Letter to the Editor

Dear Editor:

Before building a new pool, I recommend looking at all facts before taking the leap. Even with donations and fundraisers, taxpayers will end up funding the bulk, and then annual operating expenses, for another 40 years. This is one moment in pool-history where we can be without a pool for a year and find a way to judge demand from taxpayers. All across the nation, towns are cutting back. Public swimming pools are the most obvious choice because of the high operating cost, health issues with water or facilities, and the liability exposures. So for taxpayers sake, please take this decision slow and look for alternatives for at least a full swimming-year. We should seriously separate the "want" from the "need" for taxpayers' sake.

I started the Kiwanis Public Swim Night and required users sign in. Those "use" sheets showed only a third were taxpayers. Normal pool-use guessed about 50/50, but just a guess because no program is in place to judge. With no measure of taxpayer use, how can a decision be made that is in the best interest of all taxpayers?

Some point to swim lessons as a reason to keep the pool open. There too, how many taxpayers use the service? Swim lessons can be given anywhere. Parents today will drive hundreds of miles to enroll kids in all sorts of camps. In these troubled times, should taxpayers support those programs too?

Some justify a new pool based upon nostalgic times at the pool. But fond memories can't hide the fact things have changed which reduce demand. A pool in Muenster does not make sense because of reduced demand from: Usage down from the Baby-Boomer era; Our population actually down with the last census; There are multiple-dozens of private pools further reducing demand; Parents concerned about water health further reduces; Shower and restroom facilities are in very poor condition and unhealthful further reducing demand; Clientele has degraded and parents do not want to expose their kids to foul language. And many concerned parents no longer allow swimming during the day when sun is at the worst. Today there are also many more things for kids to do, and swimming at the public pool does not fit in most lifestyles. A new pool will not change demographics, taxpayer expectations, or lifestyles changes. Times have just changed!

But there is a way to judge demand that makes sense at least for one year. The annual pool budget deficit runs anywhere from \$10,000 to \$15,000, and some years are higher. That is cash that comes from taxpayers to support the pool every year. In addition, with a new \$150,000 pool will be a need to spend another \$50,000 on bringing the showers and restrooms to acceptable standards. Then we also deal with cost of annual depreciation, which will be larger because modern pools will never last like a pool built in the 50s. I suggest we judge demand by having a simple reimbursement program for taxpayers who use the Gainesville pool during the year we wait and watch. With the annual deficit we could fund 100 people swimming 6 days a week for 10 weeks at the Gainesville pool. If it proves demand, it is worth it.

I think most taxpayers would rather have the \$150,000 spent for another water well, tank, and a proper feed line. Combined, taxpayers in Muenster probably lost more than the \$150,000 in lost yards, shrubs, and trees. Those that didn't, well they lost their summer at the end of a garden hose. So prioritize for the "need" right now for all taxpayers' sake. But for sake of taxpayers, I urge the new well not be on the same feed (old Katy rail line) with the other wells. Spread the risk and go east with a new well, tank, and feed line.

Gary Fisher
Muenster, Texas

Nothing great was ever achieved without enthusiasm.

Hultstrand and Chapin pledge marriage vows in McKinney

Ashley Ann Hultstrand and Alan Ray Chapin were united in marriage on Sunday, July 3, 2011 at four-thirty in the afternoon at Redeemer Presbyterian Church in McKinney. The Rev. Michael Patton of Norman, Oklahoma, a long-time friend and former Sunday-school teacher of the couple, officiated for the double ring ceremony.

The bride is the daughter of Bob and Diann Hultstrand of Frisco. She is the granddaughter of Mr. and Mrs. Arthur Felderhoff of Muenster and the late Wally and Delores Hultstrand. Ashley is a graduate of Salem College in Winston-Salem, North Carolina and is an interior designer with Dawn Henderson & Associates in Dallas.

The groom is the son of Randy and Linda Chapin of McKinney and Bernie and Joan Pruis of Fort Wayne, Indiana. The groom's grandparents are Frances Olsen of Lakeview, Michigan and Donelda Chapin of Greenville, Michigan and the late Leo Olsen and Paul Chapin. Alan is a graduate of Calvin College in Grand Rapids, Michigan and is employed by Hewlett-Packard in Plano.

Given in marriage by her parents and escorted by her father, the bride wore a stunning floor-length, white organza, strapless gown with a sweetheart neckline from the Mori Lee Blu Collection, by designer Madeline Gardner. Gorgeous 3D rosettes covered the entire gown with tiny pearls, sequins, and crystals accenting the rosettes. A sheer sash tied in a bow at the back on the natural waist. Small, covered buttons graced the back of the gown. The slim-fitting gown trumpeted at the hemline and the back was accented with a slight, graceful

Mr. and Mrs. Alan Ray Chapin ... 'nee Ashley Ann Hultstrand ...

train. Her veil was a custom-made teardrop cathedral veil, dusted with scattered Australian crystals.

Ashley's bouquet was designed with a collection of purple orchids, white hydrangeas, and tangerine calla lilies and roses, the stems wrapped and tied with white organza ribbon.

For something new, the bride wore a beautiful diamond bracelet, a wedding gift from the groom. For both something old and something borrowed, the bride wore on her right hand a treasured ring which her father had given her mother on the day Ashley was born.

Whitney Hultstrand and

Lacy Hultstrand were their sister's maids of honor. Bridesmaids were Martha Dennis, Sandi Altstaetter, Kristy Biggs, and Andrea Maness.

The bridesmaids wore violet, satin, A-line tea-length gowns designed by Alfred Angelo. The strapless gowns featured a sweetheart neckline, side ruching, and a corseted back. The bridesmaids carried hand-tied bouquets designed with purple orchids and tangerine roses and calla lilies.

The groom's best man was Evan Mulligan. Groomsman were John Knights, Todd Webster, Mike Bachman, Joey Ayers, and Tim Taylor.

Ushers were Tyler Webster and Brenner Bachman.

House party members included Jen Mulligan and Heather Hobbs distributing wedding programs and Terri Smith and Jennifer Tapp at the guest book.

Diann Hultstrand and Randy Chapin represented the couple's parents in lighting the family candles used for the unity candle ceremony. Mark Gaither, friend of the couple, welcomed guests and offered a brief history of how the couple met and love blossomed. Mark closed his comments with a special prayer for the two. Charissa Gaither, also a friend of the couple, did the scripture readings.

A wood-wind quintet from the bride and groom's home church, Stonebriar Community Church in Frisco, provided instrumental music for the wedding ceremony. The seating of the grandparents and parents was to the hymn "Come Thou Fount of Every Blessing." The bride made her entrance to the "The Wedding March." The vows were recited and a unity candle lit with the couple's theme song, "Be Thou My Vision," softly playing in the background. Other selections during the ceremony included "Canon in D," and "Danser-eye Suite." The presentation of the couple and recessional were accompanied by a joyful rendition of the "Hallelujah Chorus."

A wedding reception dinner and dance followed the ceremony at the historic McKinney Cotton Mill in McKinney. Originally used as a cotton mill in the early 1900s, and later the site of the largest denim manufacturer in the world, the McKinney Cotton Mill is now a popular location for special event venues.

The bride's cake was a

square, three-tier confection iced with a white butter cream frosting. The frosting was applied in simple horizontal, wavy stripes, giving it a simple, understated elegance. The top and bottom layers of the cake were a white cake with raspberry filling. The middle layer of the cake was German chocolate cake with German chocolate filling. Purple orchids walked up each layer of cake at one corner, culminating in an orchid grouping on the top layer. Betty Rose Walterscheid of Muenster provided the cake.

The groom's dessert choice was cherry pie, which was served in miniature martini glasses, topped with whipped cream. The martini glasses were displayed on a separate three-tier table. The pies were provided by The Pantry in McKinney.

Music for the reception was provided by friends of the bride who make up a popular area band, Sabrina & The Gypsy Bleu. The bride and groom's first dance was

to "If You Could See What I See" and the father and daughter danced to "Unforgettable." Ashley's grandparents, Arthur and Evelyn Felderhoff, were the longest married couple remaining on the dance floor after the traditional Anniversary dance. They have been married for 62 1/2 years and offered their advice to the new couple on how to cultivate a long and happy marriage.

Whitney and Lacy Hultstrand and Evan Mulligan provided best wishes and toasts for the happy couple. At the end of the evening, the bride and groom exited the party to a garden path of well-wishers holding brightly-lit sparklers.

Prior to the wedding, a rehearsal dinner was hosted Saturday evening by the groom's parents at the Eldorado Country Club in McKinney for the bridal party and out-of-town relatives and guests.

After a honeymoon trip in Hawaii, the couple is now residing in McKinney.

Leon and Sandra Fuhrmann of Muenster announce the engagement of their daughter Michelle Renae Fuhrmann to Dewayne Juarez, both of Amarillo. Grandmother of the bride-elect is Aileen Cler. The prospective groom is the son of Mike and Estella Juarez of Silverton. His grandparents are Henry and Julia Juarez of Snyder, Mary Valdez of Quitaque, and Arnulfo Valdez of Abernathy. The couple plans to wed Oct. 15, 2011, at St. Thomas the Apostle Catholic Church in Amarillo. The bride-elect is a 2000 graduate of Sacred Heart High School and a 2005 graduate of West Texas A&M University. She works as a copy editor at the *Amarillo Globe-News*. The prospective groom is a 1995 graduate of Silverton High School. He is a co-manager at Walmart.

Area Events

Second Saturday Nature Program

Hagerman NWF and Friends of Hagerman NWR are presenting their Second Saturday Nature Program on Oct. 8 at 10 a.m. Dr. Connie Taylor will present Grasses & Fall Wildflowers. The Second Saturday for Youth (for ages 4 - 10) will be held from 10 to 11:30 a.m. Reservations required; call 903-786-2826. The programs will be held at Hagerman National Wildlife Refuge, 6465 Refuge Road in Sherman.

On Oct. 15, from 8 to 11:30 a.m. will be the Autumn Photo Safari. For more information, email Fohphotoclub@gmail.com

Wildfire danger to rural homes and suburbs

Whether you live in a rural or suburban area, you can protect your home from the dangers of wildfire. Protect your property by clearing brush and grass away from your home and buildings. Clear out brush between trees. Prune lower branches. Make sure areas under utility lines are clear of brush, tall grass, and trees so that utility service will continue. Create a fire break by clearing vegetation from areas between your house and nearby fields or wildland areas.

Bake sale by VFW Auxiliary set for Oct. 7

The Muenster VFW Auxiliary #6205 will be holding their annual bake sale at Fischer's Meat Market on Friday, Oct. 7. Proceeds will benefit the Auxiliary's cancer aid for research and relief. The cancer relief funds are used in Muenster. Sale items are all homemade goodies. The sale will be held from 7 a.m. to 5 p.m.

CCRW to hear of proposed Constitutional Amendments

The Cooke County Republican Women Club will meet on Thursday, Oct. 6, at 7 p.m., at the First Christian Church Fellowship Hall. The program will be about the 10 proposed amendments to the Texas Constitution that will be on the Nov. 8 ballot, presented by Toni Anne Dashiell, immediate past president of the Texas Federation of Republican Women (TFRW). Dashiell will also present information about the Texas and National Federations of Republican Women (NFRW).

Dashiell is the current

Kendall County Republican chairman. Over the last 16 years, she has served in many positions with TFRW and NFRW, as well as with Kendall County Republican Women and the Republican Party. She has recently started working with Women Democracy Network to train women in other countries in campaign management, leadership, and communication.

Guests are welcome! For more information, call President Pauline Lesch, 940-726-3954.

GAVA kicks off annual Depot art exhibit with auction and kids crafts

Gainesville Area Visual Arts (GAVA) invites all art lovers to its annual art exhibit and silent auction at the Santa Fe Depot, 605 California Street in Gainesville, during the month of October. This juried show with the theme, "Art in Motion" will be judged by Paige Davidson of Cahoot's Gallery of Gainesville. The exhibit can be viewed from Oct. 7-26. The exhibit consists of art from GAVA members as well as non-members.

The art display is also available on Depot Day, Oct. 8, and includes refreshments. GAVA will also provide a free craft table for kids. Large Halloween candy-ready bags will be pro-

vided for the kids to decorate with scary faces. This event takes place between 11 a.m. and 2 p.m. Children need to have a parent accompanying them. There is no charge for this event and each decorated bag will go home with its creator along with candy to sweeten the bag. Parents are encouraged to come enjoy the art exhibit while their kids are creating.

GAVA also will hold a silent auction of donated items to raise funds for the group's many annual activities, which include a \$500 scholarship to a local arts student headed to college. Items donated for the auction include a \$99 certificate for one hour valued flight experience

from US Aviation Academy in Denton for one person; fine art prints; a large box of Prismacolor pencils; a one-hour facial; a \$100 gift certificate for a frame from Heritage Framing; fine art books; a decorative scented candle; and much more. Highest bid takes the items.

Silent auction bidding can be placed on items from Oct. 7-14. Winners will be announced at a reception Oct. 14 at 7 p.m. Auction winners do not need to be present for the evening event.

Hours for the Santa Fe Depot in Gainesville are: Wednesday to Friday, 10:30 a.m. to 2 p.m., and Saturday, 10 a.m. to noon. The formal reception on Oct. 14 is from 6-8 at the Depot.

Protect your hearing

There are at least 96 different drugs that may cause permanent or temporary hearing loss. When you stop taking aspirin and aspirin-containing drugs, your hearing may come back. Excessive use of Non-steroidal Anti-inflammatory Drugs (NSAIDs), cisplatin (a cancer drug), and erectile dysfunction drugs can also cause hearing loss.

Hope is like the sun, which, as we journey toward it, casts the shadow of our burden behind us.

Bradley celebrates birthday with Cars 2

Friday, Sept. 16 was a day of celebration for Bradley Lutkenhaus who turned seven on Sept. 26. Family and friends honored him at his Cars 2 themed birthday party.

The party opened with a pizza dinner followed by opening of gifts and eating cake and ice cream.

Guests included Bradley's parents Jason and Michelle; sister Alyssa, and brother Zachary; grandparents Bob-

Muenster Girl Scouts presented decorative pillowcases to Cook's Children's Hospital as their Silver Award project. Pictured are, from left, Anna Mae Downs, Rachel Hare, two hospital volunteers, Mikaela Lamar, Lora Walterscheid, and Girl Scout Leader Dana Walterscheid. Courtesy photo

Girl Scouts earn Silver Award

Rachel Hare, Mikaela Lamar, and Lora Walterscheid, members of Girl Scout Troop 4614 since kindergarten, have worked to earn their Silver Awards.

The Silver Award is the highest award earned by a Girl Scout at the Cadette level, 6th-8th grade. It focuses on community service, working with others, leadership, and the importance of following through with a project. The girl has an opportunity to give service back to the community by using her skills, talents, and resources. The project must be preceded by specific badge work completion, leadership

training, project planning, and presentation of intent.

For this Silver Award project, Rachel, Mikaela, and Lora became interested in a service already in action for Cook's Children's Hospital. Lora's great-aunt Anna Mae Downs explained that no child wants a plain white pillowcase. Anna Mae and her sewing group makes colorful decorative pillowcases to brighten up a child's room. So, the Girl Scouts wanted to join in on this project. Anna Mae gave the girls an easy pattern called the "hot dog." The girls used this to learn how to mix and match material, cut and pin pieces together, and use the material without wastage. They shopped and compared prices of material and learned about which fabrics were easier to sew. They learned the basics of the sewing ma-

chine, threading the needle, filling a bobbin, making decorative stitches, and even how to rip out errors and start over. The Scouts also learned the use of the serger machine to finish the hems nicely.

The girls felt this was a worthwhile project for the community of children at Cook's Hospital and hope that it relieves some of the worry and stress during their hospital stay.

Rachel, Mikaela, and Lora presented 81 handmade pillowcases to the volunteer center at Cook's Hospital in Fort Worth on Sept. 11. They all enjoyed the day's events with a lunch and yogurt stop.

As Freshmen, they all have now bridged to the Senior Girl Scout level and have begun working on requirements for the Gold Award.

New Arrivals

Hudson Neu

Neu

Mark and Lacy Neu of Muenster joyfully announce the birth of their son Hudson Andrew Neu. Hudson was born Monday, Sept. 5, 2011 at 4:34 p.m. at North Texas Medical Center. Sacred Heart reveals Duke Talent qualifiers

The Duke University Talent Identification Program has been a national leader in identifying academically talented students and providing innovative programs to support the development of their optimal educational.

For Sacred Heart 7th Grade students, the invitation to participate in the program is mainly based on the

scores from the Iowa Tests of Basic Skills (ITBS) and the Cognitive Abilities Test (CogAT). The students must have scored in the 95th percentile or higher to participate.

This year, 50% of Sacred Heart 7th graders are eligible and invited to participate in the 2011-12 Seventh Talent Search. Benefits of

participating in the program are gaining the knowledge and experience of taking an above level test like the SAT or ACT, receiving resources that provide guidance in test-taking skills, strategies on working with schools, and information about the college process. Students also will be informed about summer and academic year programs across the United States.

Lunch Menus

WEEK OF OCT. 3 - 7 MUENSTER ISD

Mon. - Corn dogs, pinto beans, macaroni and cheese, pineapple, cake.

Tues. - Chicken nuggets, creamed potatoes w/gravy, corn, pears, wheat hot rolls.

Fri. - Grilled cheese uncrustables, chips, banana, apple, ice cream.

Education is what survives when what has been learned has been forgotten.

- B.F. Skinner

Mission collection planned to feed hungry school children for a year

During Aug. 12 - Sept. 16, \$719.94 was collected during school Mass collections. All money donated during that time was donated to Outreach.

For the next six weeks, all money collected at school Masses will go to Mary's Meals. According to Youth Minister Dan Aedo, the goal is to meet this past six weeks collection and reach \$1,000 which will help feed 100 hungry children for a whole school year!

Mary's Meals sets up and runs school feeding projects in communities where poverty and hunger prevent children from gaining an education. Although a small organization, they provide

daily meals in school for many thousands of children in Africa, Asia, Latin America, and Europe.

The aim of Mary's Meals is to address the immediate needs of a hungry child by giving them something to eat, and to enable that child to receive the education that can offer an escape from pov-

erty. It operates in 16 countries, from Albania to Zambia, and is able to provide school meals for a year for just a few pounds. They can keep this figure low because they rely on the contributions of local volunteers and they source food locally. Find out more at www.marys-meals.org.

Free oak trees offered by Arbor Day

As part of the Arbor Day Foundation's Trees for America campaign, everyone from Texas who joins the Foundation in September will receive 10 free live oak trees.

The trees will be shipped postpaid at the right time for planting, between Oct. 15 and Dec. 10. The 6- to 12-

inch trees are guaranteed to grow or they will be replaced free of charge. To receive 10 free live oak trees, send a \$10 membership contribution to Ten Live Oaks, Arbor Day Foundation, 100 Arbor Ave., Nebraska City, NE 68410, by Sept. 30 or join online at arborday.org/september.

SHCS Robotics begins prototyping for robot

By Quinn Sicking

The Sacred Heart Robotics team is now getting into full swing as the dis-

tractions of the Homecoming Week are behind them. Due to a busy schedule of Homecoming events last

week, the Robotics team found itself short on manpower. Nonetheless, the team managed to get the design and engineering process effectively started and designed a rough blueprint for the robot. The team is now in the process of prototyping the design and building a model of the game field that will be used in the competition. This enables the team to test its prototypes on a field that will simulate the competition on Game Day, which is set for Saturday, Oct. 29.

Sacred Heart Catholic School Robotics Team members discuss their prototype design. Pictured are, from left, Darrell Walterscheid, Bailey Walterscheid, Mikayla Fleitman, Kylie Hess, Austin Miller, and in the background Aaron Davis. SHCS photo

With roughly five weeks before competition, the team hopes to carry on with its mission without encountering any more delays in order for both the team and robot to be ready to go on Game Day.

Sacred Heart Catholic School students, grades PreK through 8, were invited to participate in "Crazy Hat Day" on the Friday of Homecoming Week. Pictured are some of the students who displayed school spirit by participating in the fun. They are, from left, front - Emma Grewing and Ivan McCoy; back - Trevor Walter, Anna Marie Becker, Charlotte Rondon, Mady Brown, and Nathan Hesse. SHCS photo

Those who expect moments of change to be comfortable and free of conflict have not learned their history.

DIGITAL MAKES A DIFFERENCE

NOW OFFERING STATE-OF-THE-ART DIGITAL MAMMOGRAPHY & STEREOTACTIC BIOPSY

Texas Health Presbyterian Hospital®-WNJ

Healing Hands. Caring Hearts.™

DIGITAL MAMMOGRAPHY IS CLEARLY BETTER.

Texas Health Presbyterian-WNJ is offering the most advanced generation of digital mammography and stereotactic biopsy - and digital makes a difference. Digital is significantly better at detecting cancer than conventional film mammography, especially in women under 50 and women of any age with dense breasts. This state-of-the-art screening option also offers less exposure to radiation and quicker results. We also offer advanced stereotactic biopsy. This simple, outpatient procedure is quick, less invasive but just as accurate as surgical biopsy, and leaves little or no scarring.

Sharper, more accurate scans, quicker results, and the best equipment mean that our renowned staff of fellowship trained radiologists will have the best information available to assist with your preventative health care. Remember, you have a choice in where and how you receive your mammogram. Request the best the region has to offer. Schedule your next mammogram at Texas Health Presbyterian-WNJ.

The Tiger defense moves in on a Mustang in Sacred Heart's Homecoming victory last Friday. Tacklers pictured include Michael Davis (54), Austin Springer (74), and Benjamin Yosten (65). Scott Wood photo

Wolfe City threatens Hornets' undefeated season record

The Wolfe City Wolves hosted the Muenster Hornets last Friday night in the Hornets' closest battle of the season to date. Wolfe City scored the first touchdown, but the Hornets came back to take and keep at least a 1 or 2 point lead, but were unable to feel comfortable about the score until the final period with a 15 point lead. Muenster did bring home a 35-20 victory for a 5-0 season record.

"From a defensive standpoint, we had too many missed tackles," commented Coach Brady Carney. "And we didn't do a very good job making plays in the secondary." Carney also noted that the offense had too many drive-killing penalties and two-too many turnovers. "The special teams did a good job," the Coach added. "On a positive note, our starters got to play all four quarters, something they have not done all season."

Muenster had nine drives in the game. Five ended with touchdowns, two by turnovers, and two ended the halves of the game. The Wolves had eight drives, three for touchdowns, three over on downs, and two punts.

Wolfe City took the opening kick, driving 70 yards in 15 plays to get on the scoreboard. At 4:48 in the 1st quarter of play, the Wolves were beating the Hornets 6-0.

Muenster's first drive ended after three plays when Wolfe City intercepted a Hornet pass. The Muenster defense knocked the Wolves for a loss of 12 yards, forcing a punt.

Runs by Trevor Hess and Chase Hammer, and Tyler Anderle passes to Dalton Koelzer and Andy Flusche moved in to the 2nd period and to the Wolfe City 10 yard

line. Hess picked up 3 more yards, with an Anderle to Flusche pass play covering the last 7 yards for 6 points. Hunter Klement kicked the extra point to give Muenster a 7-6 lead 45 seconds into the 2nd quarter.

A couple of sacks by the Hornet defense forced a Wolf punt. Runs by Koelzer, Hess, and Hammer, and a pass play to Cole Walterscheid moved Muenster to the Wolf 5 yard line. A quarterback keeper saw Anderle score. Mason Binder ran in the extra points to extend the Hornet lead to 15-6 with 4:36 on the clock.

A pass interference call and two long runs later, Wolfe City closed the point spread to 15-14.

Muenster's offense returned to Wolf territory, getting to the 1 yard line, but a flag with 32 seconds on the clock set Muenster back on the 16. The Hornets got off three incomplete passes before time ticked off the clock to end the 1st half of play 15-14.

Muenster took the 3rd quarter kick, but lost it in a fumble three plays later. The Wolves got the ball to the Hornet 11 yard line. Two incomplete passes were followed by a 20 yard loss on 4th down, giving Muenster possession on their own 31 yard line. Five plays later, Chase Hammer scored on a 45 yard run. Klement added the PAT point to extend Muenster's lead to 22-14.

Wolfe City fought back and after seven plays, scored on a 30 yard pass play. The PAT run was stopped by the Hornet defense for a 22-20 score with 4 minutes remaining in the 3rd quarter.

Muenster mixed runs and passes to take the ball from their own 41 to the 1 yard line. Hammer had the honor

of the next 6 points. The PAT kick was unsuccessful and Muenster led 28-20 with 2:18 on the 3rd quarter clock.

Wolfe City got in one good run, then couldn't get the needed 10 yards after getting inside the Muenster 20 yard line.

From the 18, Anderle ran for 11, Hammer 39, Hess 7, Hammer another 7, and Hess 17 yards to the 1 yard line. Hammer pounded in that last yard for the touchdown. Klement added the PAT kick for the 35-20 score with 9 minutes still on the game clock.

Again the Wolves threatened to score, getting to Muenster's 10 yard line before running out of downs. The Hornets got in eight plays and used up the remaining time to claim the victory.

 The Hornets, along with most area teams, have an open date this Friday before starting district play. Muenster will return to the field on Oct. 7 at Petrolia.

Tigers hold on to take victory over City View Mustangs

With a 32-7 halftime lead, the Sacred Heart Tigers appeared to have an easy victory number five, but three fumbles in the 2nd half gave the Mustangs three touchdowns for a final 32-27 Tiger Homecoming victory. And speaking of fumbles, the game had a total of 18 fumbled balls, 8 lost by the Tigers and 4 by the Mustangs.

"It was a tale of two halves," Coach Dale Schilling said. "The 1st half we played with so much intensity and passion. In the 2nd, there were too many turnovers and City View took advantage of our mistakes."

The game started good for Sacred Heart. The third play saw Keith Metzler intercept a Mustang pass. A 20 yard run by Mark Bartush and a 33 yard Josh Biffle to Austin Aldridge pass put the Tigers in the end zone. The PAT failed for a 6-0 score with 10:48 on the clock.

The Mustangs bounced back, taking eight plays to score. The extra kick gave City View a 7-6 lead with 6:28 remaining in the 1st quarter.

The Tigers got in three plays and fumbled. The next play, City View lost control of the ball. Hayden Schilling recovered it on the Mustang 38. A run each by Biffle and Metzler took the Tigers to the 25. With 4 minutes on the clock, Sacred Heart regained the lead with a Bartush touchdown. Bartush then ran in the extra points to give the Tigers a 14-7 lead.

Defensive plays by Michael Davis, Aldridge, and Metzler were followed by a failed fake punt and the Tigers took over on their 44 yard line. Biffle and Justin Brown carried the ball into the 2nd period. Two Bartush runs later, Sacred Heart scored from 5 yards out. The PAT pass was picked off for a 20-7 Tiger lead with just 13 seconds off the clock.

Again the Tiger defense, led by Bartush, Quinn Sicking, Schilling, and Aldridge forced a Mustang punt. A good run by Biffle quickly moved the ball to the 5 yard line. Two fumbled snaps and City View had the ball on

their 11 yard line. A Mustang fumble was recovered by Austin Springer in the end zone for 6 points, and with 6:46 on the clock, the Tigers were up 26-7.

The Mustangs punted, Sacred Heart lost a fumble, the Tiger defense held on 4th and goal, Sacred Heart punted, and City View fumbled at midfield with Davis covering for the Tigers.

Bartush gained 44 yards. A quarterback keeper three plays later put Biffle in the end zone. With 20 seconds remaining in the 1st half, Sacred Heart led 32-6. Then the 2nd half began...

Sacred Heart took the kick, had two flags, a Bartush run, and fumbled on the Mustang 16 yard line. Springer, Benjamin Yosten, and Brown stopped the City View runners and the Mustangs punted. The next snap, the Tigers lost a fumble. On 4th and 9, City View scored. The PAT made the score 32-14.

The Tigers got in four plays, fumbled again, and the Mustangs scored after eight runs to close the points to 32-21.

An on-side kick was covered by Michael Weinzapfel as the Tigers carried the ball into the final quarter and punted. Defensively, John Paul Hesse, Sicking, and Davis forced a punt, the Tigers fumbled, the Mustangs punted again, and the Tigers lost another ball, 5 yards from the end zone. With 7:20 remaining in the game, City View closed the score to 32-27.

The Tigers got in one run and fumbled again. Bartush, Davis, Hesse, and Yosten gave up no yards and the Mustangs punted. Sacred Heart worked the clock down to 1:36 before having to punt. The kick was fumbled and covered by Davis. The Tigers took a knee and a delay of game to kill the remaining time on the clock.

Next Action
 Sacred Heart is one of the few teams in the area that will take the field this Friday night. Most have an open date before starting district.

The Tigers will travel to Dallas to tangle with the Lutheran Lions, the 4th ranked team in TAPPS Div. 3 District 2.

"Lutheran is a 75% throwing team. They have good size, good speed, and a very good quarterback," noted Coach Schilling. "We'll have to put a lot of pressure on the quarterback and slow down their slot receivers."

Last season, the Tigers fell to the Lions 52-32. Lutheran, 1-3 this season, lost to Covenant Christian 42-15 last week and are placed 11th out of 17 Div. III teams in the state of Texas.

The Lions also lost to Lutheran North 51-21 and Trinity Christian 35-0. Their one win was over Lutheran South Academy 22-0.

JV Tigers fail to score at City View

The Mustangs struck quickly and scored three touchdowns in just over 10 minutes, while the Tigers fumbled away their first two possessions, as City View took a 27-0 win from the Junior Varsity Tigers of Sacred Heart.

The City View Mustangs scored on the third play of the game on a 75 yard run. Sacred Heart looked to be fighting right back when two good runs by Dylan Clure and Omar Colmenero took the ball inside the Mustang 20. A fumble at the 8 yard line lost the ball. Six plays later, City View led 13-0.

The Tiger offense struggled and fumbled again as the 2nd period began, this time 4 yards from the end zone. Next play, 20-0.

Sacred Heart gained 2 yards and punted. A long pass quickly moved the Mustang ball to the Tiger 27 before tackles by Michael Weinzapfel, Jason Knabe, and Isac Walterscheid stopped the drive at the 30. No gain for Sacred Heart, who punted. Two plays later Walterscheid intercepted a pass. A Brady Endres pass to Walterscheid gained 23 yards before the Tiger offense sputtered and punted.

Tackles by Garrett Wheeler, Weinzapfel, and Knabe kept the Mustangs in the hole until the halftime break.

The 3rd quarter saw the ball punted back and forth, with the Tigers getting a 1st down, fumbling a snap, and Weinzapfel getting a sack.

The Tigers started the final period throwing an interception. Five plays later, 27-0. Clure got in three runs for 33 yards before the Mustangs picked off another pass. From the Tiger 15, City View had three flags back them up and keep them out of the end zone as the game ended.

Ponies out-run Cubs

The Sacred Heart Cubs took on the City View Ponies last Thursday in Wichita Falls, but came up short 22-14.

City View put the first points on the board in the 1st period and started the 2nd quarter with a second touchdown for a 16-0 halftime lead.

The Cubs received the opening 2nd half kick, but threw an interception that set up City View's third touchdown for a 22-0 score with 1:15 remaining in the 3rd quarter.

Sacred Heart moved the ball into the final period with a Kason Reeves pass to Jared Dangelmayr picking up 10 yards followed by a Reeves run to the Pony 42. A facemask flag moved the ball to the 27 where Tyler Spruill ran in for the touchdown. The PAT pass fell incomplete for a 22-6 score with 5:08 remaining in the game.

Tackles by Reeves, Spruill, Zach Flusche, and Julian Hesse, and a flag returned the ball to the Cubs on downs. With a minute on the clock, a Reeves to Tyler Walterscheid pass moved the ball from the Cub 45 to the Pony 37. Another Reeves pass, this time to Spruill, found the end zone. The PAT pass, Reeves to Flusche, closed the score to 22-14 with 3 seconds on the clock.

Junior high runners in Lindsay CC meet

Muenster, Sacred Heart, and Lindsay junior high runners were among competitors in the Lindsay Invitational Cross Country Meet last Saturday.

Sanger and Gainesville teams led the girls division, while Gainesville and Pilot Point headed the boys. The Lindsay girls finished 6th as a team and Muenster 8th. The Muenster boys team came in 4th and Lindsay 5th.

Individual Muenster, Sacred Heart, and Lindsay finishers included:

GIRLS
25, Sydney McCage, L; 26, Lindsey Gibbs, L; 28, Hope English, L; 30, Hailey Cooper, L; 36, Amanda Aldridge,

SH; 41, Alison Morris, M; 43, Alane Bartush, SH; 48, Campbell Williams, L; 61, Riley Reiter, SH; 64, Reagan Weger, M; 66, Leah Knabe, SH; 76, Kelsie Sicking, M; 79, Alaina Reiter, M; 80, Bailey Klement, M; 86, Laura Wyrick, L; 87, Morgan Eldridge, M; 104, Macie Pagel, M.

BOYS
9, Bryce Herr, M; 14, Blair Martinson, L; 19, Brennan Binder, M; 20, Justen Nasura, M; 21, John Michael Fuhrmann, L; 34, Ethan Henry, SH; 39, Devon Brinkley, M; 41, Dawson Anderle, L; 43, Collin Clark, L; 55, Zach Green, L; 63, Billy Felderhoff, M.

JV Hornets in action - top - Jace Fredrick (10) makes the catch; above Zach Stalder (22); at right, Clayton Hess (21) gets assistance from a teammate.
Janie Hartman photos

CCcont. from pg. 8

Walterscheid, M, 15:16.94; 56, Kalynd Dangelmayr, M; 15:29.17; 58, Kelsey Reeves, SH, 15:37.57; 59, Karleigh Reeves, SH, 15:52.44; 61, Devan Henry, SH, 16:12.37; 63, Brianna Sandmann, L, 16:15.78.

Local times and places in the varsity boys race included: 3, John Price, L, 17:11.03; 14, Travis Block, L, 17:56.64; 15, Dakota Ellender, L, 18:02.07; 26, Chance O'Shel, L, 18:38.85; 29, Joe Bartush, SH, 19:01.33; 36, Jaime Proctor, SH, 19:24.75; 38, Trevor Cheaney, M, 19:35.47; 42, John Paul Hesse, SH, 19:53.11; 45, Luke Cochran, SH, 19:55.40; 50, Jeff Hellman, L, 20:06.66; 58, Conner Polk, L, 20:52.94; 66, James Cochran, SH, 23:47.11.

Muenster JV had runners at the Lindsay meet, but not enough to field a team. Of the 40 competing in the girls JV

division, the Lady Hornets finished as follows: 4, Lora Walterscheid, 15:07.14; 10, Kendi Bayer, 15:38.69; 21, Mikaela Lamar, 16:53.40; 33, Kristen Reiter, 18:14.28. Austin Creswell was the lone JV Hornet at the Lindsay meet. He finished in 41st place with a time of 27:54.92.

Both Muenster and Lindsay will be competing in the Saint Jo Cross Country Meet this Saturday.

Wolves over JV Hornets 22-14

The Wolfe City JV Wolves gave the Muenster Junior Varsity a challenge last Thursday, taking home a 22-14 win from the Hornets.

A sleeping Hornet hive allowed Wolfe City to return the opening kick 70 yards for a quick touchdown. The extra run gave the Wolves an 8-0 lead with just 17 seconds ticked off the clock.

Zach Stalder returned Wolfe City's kick to the Hornet 44 yard line. Two runs by Kyle Vogel and a Clayton Hess pass to Jace Fredrick moved Muenster to the 12 yard line. Hess then found the end zone for 6 points. Vogel ran in the extra points to tie the game 8-8 with 7:39 remaining in the 1st period.

Muenster's kick rolled to the 10 yard line. Brandon Hennigan stopped the return on the 12. Tackles by Hess and Clayton Fangman and pressure on the quarterback by Hennigan forced a Wolfe City punt that rolled to midfield.

Before the Hornets could get a drive going, the Wolves picked off a pass. Again Muenster's defense, led by Fredrick, Vogel, Hennigan, Stalder, and Jonathan Pierce forced a Wolfe City punt. A bad snap and Vogel caught the punter in the backfield, giving the Hornets the ball 12 yards from the end zone. Two plays later, a Hess to Hennigan pass added 6 points to the scoreboard. The PAT failed, for a 14-8 Muenster lead with 20.8 seconds remaining in the 1st period.

The Wolves' next play turned into an interception by Grant Simpson and Muenster's offense carried the ball into the 2nd quarter.

Runs by Hess and Colton Moseley, and a Hess to Hennigan pass were haunted by flags, a fumbled ball recovered by Coltin Pagel, and ended with an interception by Wolfe City on the 19 yard line.

The Wolves got in one good play after Darrell Hermes, Moseley, and Hess dropped them for losses, but Muenster's defense prevailed when Fredrick covered a loose ball.

Incomplete passes returned the ball to Wolfe City who took less than 2 minutes, and only six plays to find the end zone to tie the game 14-14 with 30.8 seconds remaining till the halftime break. Pierce stopped the extra point attempt to keep the tied score.

Fumbles swatted the Hornets as the 2nd half began - two in their first attempted drive, the second covered by Wolfe City on the Hornet 30. The Wolves moved the ball inside the 20. A touch-

down was called back due to a holding flag. Tackles by Hennigan, Vogel, and C.T. Beecham, and two quarterback sacks by Hermes, and the ball went to the Hornets. Another high snap was picked up by Wolfe City and carried in for 6 points. The extra run gave the Wolves a 22-14 lead with 4:22 on the period clock.

The teams exchanged possessions a couple of times, with Beecham and Hermes making a 4th down stop

A Hess to Fredrick pass picked up a quick 29 yards to midfield, but two plays later, another turnover as Wolfe City intercepted a pass, then killed out the remaining minute and a half to claim the victory.

Leading rushers: Kyle Vogel, Clayton Hess, Colton Moseley. Receivers: Brandon Hennigan, Jace Fredrick. Tacklers: Jonathan Pierce, Kyle Vogel, Brandon Hennigan, Darrell Hermes, Clayton Hess, C.T. Beecham, Colton Moseley.

People may doubt what you say, but they will always believe what you do.

Muenster Memorial Hospital Rehabilitation Program

SciFit Arm Bike

The Muenster Memorial Hospital FIT Center has a SciFit Arm bike which provides upper body strengthening and cardiovascular training. This is an equipment option for those unable to use their lower body. Many patients recovering from shoulder injuries and illnesses have been using the arm bike to improve their endurance and upper body strength.

Our Swing Bed Program patients are already benefiting from the new Functional Innovative Therapy (FIT) Center.
Therapists provide Occupational Therapy, Physical Therapy, and Speech Therapy

Stingers come up short against Wolfe City

Muenster Junior High Hornets hosted the Wolfe City Cubs last Thursday evening. With less than 2 minutes until game time, the Wolfe City bus pulled into the parking lot. When the officials finally got the visiting team on the field, Zane Kemp, Travis Vogel, and Russell Griffith went to center field for the coin toss.

Action started when Justen Nasura booted the ball. Dalton Bartel made the tackle on the return. The Cubs moved the ball for five plays before Dalton Hess and Zach Klement halted the drive on 4th and 3.

The Stingers' first drive started with a loss, but an 11 yard run by Dalton Bartel got a 1st down on the Wolfe City 39 yard line. A flag and a 6 yard run by Hess moved Muenster into the 2nd quarter. A Trace Klement pass to Blayne Jones gained 25 yards. Runs by Bartel, T. Klement, and Devon Brinkley took the Stingers to the 7 yard line. Hess gained 4, but a flag lost 5. On 3rd down, a fumble on the 2 yard line was covered by the Cubs to end Muenster's scoring threat.

Defensive plays by Griffith, T. Klement, Chase Deeken, and Hess forced a punt from the end zone on 4th and 9. Muenster fumbled the punt and Wolfe City regained possession at midfield.

The Cubs made gains in four plays, but with 48 seconds on the clock, Z. Klement intercepted a Cub pass, putting Muenster on their own 18 yard line. A holding flag backed the ball to the 10. A high snap of the ball caught the Stingers for a safety. With 21.6 seconds remaining in the 1st half, Wolfe City took a 2-0 lead.

The 3d quarter began when Z. Klement downed the kick on the Muenster 35. Bartel picked up 9 1/2 yards. A 4th down fumbled snap was picked up by T. Klement who made the 1st down. A fumbled hand-off lost 4. Runs by Bartel, T. Klement, and Hess came up short and Wolfe City took over on downs.

The Cubs' first play was fumbled and Griffith recovered the ball for Muenster. Going into the final quarter, the Stingers again didn't get the 1st, and again the Cubs fumbled, with Sammy Saucer covering the ball at midfield.

Runs by Bartel, T. Klement, and Hess moved Muenster to the 7 yard line. The Stingers gained only 2 yards in four attempts, giving the ball to the Cubs with 1:36 remaining in the game.

Tackles by Vogel, Bartel, Griffith, Jones, and T. Klement gave up only 2 yards. A short Wolf punt was downed on the 15 yard line, giving Muenster 33 seconds to score.

Two incomplete passes allowed 11 seconds to tick off the clock. A quarterback keeper by T. Klement got the ball 9 yards closer to the end zone. As the seconds ticked off the clock, the Stingers' hurry-up offense got off one last play, but couldn't score and the game ended in a 2-0 Muenster loss.

Leading rushers for the young Hornets were Dalton Bartel, Dalton Hess, and Trace Klement. Leading receiver was Blayne Jones. Muenster top tacklers were Travis Vogel, Blayne Jones, Trace Klement, Russell Griffith, Chase Deeken, Dalton Bartel, and Dalton Hess.

Lady Knights continue District on court

The Lindsay Lady Knights defeated the Valley View Lady Eagles last Friday. Game scores were 25-11, 25-3, 25-13. Stats were Tara Atkins, 2 kills (K), 16 assists (A); Jalyn Anderle, 7 aces (AC), 6 K, 2 digs (D); Taylor Atkins, 3 K, 3 D; Nicole Fleitman, 2 AC, 2 K, 4 blocks (B), 2 D; Jordan Fleitman, 10 K, 7 B, 5 D.

On Tuesday, the Lady Knights traveled to Chico to continue District play. They were defeated by the Lady Dragons to move to 4-1 in District play. Scores were 17-25, 22-25, 18-25. Their overall record is 20-12.

Lindsay defeats Era 42-12

By Pat Springer

The Era Hornets hosted the Lindsay Knights Friday in a non-district contest that saw Era's head coach Matt Fanning pull out all the stops to compete against a fast improving Lindsay team.

Lindsay scored first when junior running back Blake Walker ran for his first of two touchdowns for the night.

Era struck back with a sustained drive to put 6 on the board when senior Austin King drove past the goal line, but the PAT by Madison Pearse failed.

Hud Harrison, junior running back, responded, taking a pitch-out into the end zone for another Lindsay TD.

In the second quarter, the Hornets were down 14-6 when Fanning called for a fake punt. The play failed and the Knights took over deep into Hornet territory. Walker took the ball in for his second Knight touchdown and Garrett Yancey made good on the PAT.

Coming out of the locker room to begin the second half, and down 21-6, Fanning again took a chance, this time with an onside kick. The attempt failed as Harrison jumped high to retrieve the ball and scamper 55 yards for another Lindsay score and a 28-6 lead.

Era quarterback Jacob Metzler fumbled a snap and Lindsay's Conner Pelzel, a lineman recently moved up to varsity from JV, recovered. Justin Ott, another JV recruit, scored on a run and the Knights were ahead 35-6.

Hornet junior Bobby Riley fumbled the kickoff return and the Knights took over with great field position on the Hornets' 27-yard line. Junior running back Tyler Dennington scored from two yards out on fourth down, bringing the Knights score to 42-6 at the end of the third quarter.

The Hornets didn't give up, holding Lindsay scoreless in the fourth and putting another 6 points up on an Austin King run. At the final buzzer, Lindsay had won the contest 42-12, but the Hornets played tough till the end.

Coach Matt Fanning of Era was pleased with the effort of his kids.

Coach Cody Bounds of Lindsay was happy for the win but upset with his players for the number of mistakes made in the game and for the 5 penalties that cost them 45 yards.

"We made lots of mistakes and personal fouls. That's not the way we play. We'll get that fixed," Bounds said.

Lindsay (3-2) will have a week off to nurse injuries before taking on Chico in their homecoming game Oct. 7. Chico brings a 4-1 record to the contest with a 61-6 win over Ranger last week.

Although the Dragons are picked to finish last in the 5-1AD1, nearly all their players on both sides of the ball are returners.

Era will face Petrolia in their final non-district game this Friday. Petrolia, 1-3 for the season, dropped a game to Windthorst last week 46-0 and will be looking for redemption. Era 1-4 is anxious to put another win on the board.

Rushing: Blake Walker - 7-161, Hud Harrison - 3-62 yards, Tyler Dennington - 6-26, Caleb Anderle - 6-18, John Haverkamp-3-15, Justin Ott - 1-57 yards. Total Rushing: 26-309.5

Tackles: John Haverkamp, Elijah Walker, Chisam Reiter, Connor Fuhrmann, Hud Harrison, Dakota Ellender, Tanner Kuhn, Nick Rose. Fumble recovery: Drew Cooney. Interception - Dawson Holt.

Knight Drew Cooney prepares to claim a fumbled Era ball. Janie Hartman photo

FARM & RANCH

Obama debt reduction plan cuts ag by \$33 billion

President Obama recently unveiled his plan to reduce the federal deficit by \$3 trillion, which includes a tax increase and more than a \$30 billion cut to agricultural spending.

In an *AgriPulse* article, a White House Fact Sheet indicates that the President's debt reduction plan includes eliminating direct payment programs and reducing risk mitigation tools like crop insurance by lowering rate of return and administrative costs.

Under the proposed plan, conservation programs also are on the chopping block. Conservation assistance would be cut by \$2 billion over the next 10 years.

The fact sheet often called on higher commodity prices as validation for lowering

farm safety net spending. However, in Texas, drought conditions have prevented many of the state's growers from producing major crops like cotton and corn.

The plan already is drawing opposition from House Agriculture Committee Chairman Frank Lucas (R-Okla.) and other Washington lawmakers.

"The agriculture community remains willing to do its part in getting our fiscal house in order, but, in essence, President Obama's plan for economic growth and deficit reduction is not credible," Lucas said. "The President's policy priorities reveal a lack of knowledge of production agriculture and fail to recognize how wholesale changes to farm policy would impact the people who

feed us. For example, cutting \$8 billion from the crop insurance program puts the entire program at risk. We have heard again and again from producers that crop insurance is the best risk management tool available. In jeopardizing this program, the President turns a deaf ear to America's farmers."

Texas pumpkins—another drought casualty

Drought conditions have shrunk crops across the Lone Star State this year—and Texas pumpkins are no exception. With Halloween just around the corner, visitors to Texas pumpkin patches will find smaller supplies and likely higher prices.

Researchers at the Texas AgriLife Research and Extension Center in Lubbock typically grow 40 pumpkin varieties each year. This year, he noted 25 varieties, which are struggling to yield a decent crop.

East Texas wildfires impact timber industry

As East Texas wildfires have ripped through 207,763 acres since Nov. 15, 2010, the Texas timber industry has fallen victim as hard as anyone. To date, 2,151 East Texas wildfires have destroyed 175 million cubic feet of timber resulting in \$97 million in losses, according to the Texas Forest Service.

Texas Forest Service analysts estimate the losses could have generated \$1.6 billion in forest products, including homes, furniture, and paper, that would have contributed \$3.4 billion in economic impact to East Texas.

TDA market recap

For the week ending Sept. 24, feeder cattle prices at Texas Panhandle auctions were mostly steady to \$5 lower per hundredweight. Feeders were \$1 to \$3 lower at San Angelo and steady to \$3 lower at Oklahoma City. Market influences remain unchanged as lower fed cattle, prospects for lower feeder supplies, drought, and lack of grazing were all factors. Fed cattle prices were \$1.42 lower and wholesale beef prices were lower.

Wheat prices were lower amid continued weak export demand and ample world production. Corn prices declined due to ongoing questions about demand and pressure from increased harvest-time supplies. Grain supplies could again become a concern with drought threatening the winter wheat crop. Corn also is still vulnerable with less than half the U.S. crop mature and only 18% harvested.

As for futures markets, feeder cattle, fed cattle, cotton, wheat, corn, and lumber were all lower.

Scattered showers fell over much of the state during the week with totals generally one-half inch or less. Topsoil moisture remains in mostly short to very short supply statewide.

Most crops were again rated in fair to very poor condition, except rice, which was mostly good to fair. Corn was 88% mature and 69% of the crop has been harvested, both near the average for this date. Grain sorghum harvest was behind normal at 60% complete. Cotton bolls were opening on 73% of the acreage, well ahead of normal; and 17% of the crop has been harvested, equal to the average pace. Pastures were rated in 96% very poor to poor condition as supplemental feeding and reductions of livestock herds continue. Winter wheat seedings were 14% complete, well behind the average 34% because of the very dry conditions.

County Agent's Report

Creating a sacrifice area: rest over-used pastures due to drought

During this dry spell, commercial livestock producers and small acreage producers have already depleted their source of forage, or they are quickly running out! The grass they do have is being trampled or eaten into the ground. Since grass growth is minimal, it is important to rest the grass crop that you do have. Allowing your animals to "graze a pasture to ground" throughout the year reduces grass growth later.

Trampling out grass or removing all top growth stresses grass significantly. This will make pasture recovery slow for next spring. A sacrifice area is a good idea. It provides a place to put animals while the pastures rest. It is called a sacrifice area because a small portion of ground is "sacrificed" for the benefit of the remaining pasture. For small acreage, this may be a lot that is completely dirt, in larger operations this may be a smaller pasture where water is available and erosion will not become too great of a problem.

Grazing Bermudagrass below three to four inches stresses the plant by reducing the leaf surface which grasses use to make their own food, thus forcing them to use up food reserves in their roots. Eventually, the grass depletes its stored reserves and dies, leaving bare spots in your pastures. Leaving three to four inches of stubble can protect bermudagrass crowns in winter and improve spring production. Native grasses require even more stubble.

Texas food prices hold steady in third quarter

Texans are paying about the same for groceries this quarter with the total basket price for 16 staple food items increasing by 72 cents from June to Sept. 2011, according to the Texas Farm Bureau's (TFB) Grocery Price Watch survey.

"This latest Grocery Price Watch shows Texas food prices tracking in line with our basically flat economy," said TFB President Kenneth Dierschke. "However, these prices likely don't yet include the effects of the extreme drought we've experienced here in the southwest region of the United States."

Of the 16 food staples surveyed, seven items increased in price, while the remaining nine either stayed the same or decreased in price from last quarter. The most significant increases include grapefruit, up nearly 25% during its off season, and sliced turkey meat, up 14.26%.

Texas shoppers paid more for dairy items like a one-pound block of cheddar cheese (up 8.84%) and a gallon of 2%

milk (up 5.72%). However, a half-gallon carton of Blue Bell Homemade Vanilla ice cream cost 19 cents less this quarter, down 3.42%.

With the exception of sliced turkey meat, all other meat items decreased in price during the third quarter. Beef products, including lean ground beef and top sirloin steak, posted a slight decline, but Texas ranchers warn this year's drought may cause long-term price increases in the coming months and years.

"Texas cattle ranchers have been hit hard by this devastating drought we've been in since last November. Without enough rain to fill stock ponds and grow pastures for grazing, these ranchers have had to sell large portions of their herds. This will cause a supply shortage down the road, and for consumers, this could result in higher beef prices even after rain does fall," Dierschke said.

The current survey data was collected by 39 shoppers from Sept. 1-9, 2011.

All Texas counties eligible for USDA Livestock Forage Disaster Program

USDA Texas Farm Service Agency (FSA) Acting Executive Director James Douglass, announced that all counties in Texas have met the Livestock Forage Disaster Program (LFP) trigger requirements for a three-month payment for native pasture, improved pasture, and forage sorghum.

Eligible ranchers and livestock producers have until Jan. 30, 2012 to apply for LFP benefits for losses incurred during the 2011 crop year.

LFP provides payments to eligible livestock producers who have suffered livestock grazing losses due to qualifying drought or fire. Fire losses apply only to federally managed rangeland. Eligible livestock under LFP include beef cattle, alpacas, buffalo, beefalo, dairy cattle, deer, elk, emus, equine, goats, llamas, poultry, reindeer, sheep, and swine. For losses due to drought, qualifying drought ratings are determined using the U.S. Drought Monitor located at <http://www.drought.unl.edu/dm/monitor.html>.

"It is imperative that livestock producers meet this deadline for disaster assistance as there are no late file provisions for LFP," said Douglass. "I encourage eligible producers to contact their local FSA office to learn more about LFP eligibility requirements," he said.

For more LFP information, please contact your local FSA office. Information can also be obtained online at <http://www.fsa.usda.gov>.

WELDING?

Watch your sparks!

- Remove dry vegetation from work area.
- Wet down dry work area.
- Keep water and a fire extinguisher handy.
- Post a fire watch. Assign someone to watch for sparks that may ignite dry vegetation.
- Avoid parking vehicles in tall, dry grass.

A safety reminder from the Muenster Volunteer Fire Department

www.gainesvillelivestock.info

Sold at Friday's sale SEPT. 23 there were 3375 cattle sold, compared to 4131 the previous week. Sold at Tuesday's sale SEPT. 27 were 65 Goats, 150 Sheep, and 288 Hogs. The numbers from last week were 289 Goats, 102 Sheep, and 117 Hogs. Packer cows 2 lower due to high numbers. Vaccinated calves be steady. Fleishy bull calves and plainer calves be softer. The demand for choice steers and heifers be good, with the number 2s losing interest. With no rain in forecast look for high numbers and softing market.
