## Muenster War Dead Will Be Honored At Memorial Ceremony

A special Memorial Day service, combining both religious and military rites, will honor this community's war dead early Friday. A high mass at 6:30 o'clock will be followed by solemn procession to the cemetery where the special services will be conducted before the crucifixion group and the soldiers' monument.

This year's observance follows the precedent established last year when the monument was dedicated in connection with memorial services.

According to Father Herman Laux, the unusually early hour was selected as a convenience to farmers, many of whom will be engaged in grain cutting by that time. Those who wish to attend can do so with the least possible loss of time.

Groups participating in the ceremony, besides the pastor and altar boys, are the VFW honor guard, rifle squad and bugler, the youth band, the choir and several school children.

The order of procession as announced by Father Herman is as follows: Colors and guards, rifle squad, band, cross bearer and two acolytes, children participating in the service, soldiers in uniform, immediate families of deceased, choir, priest and two acolytes, other children, other adults.

Service at the cemetery begins with a ceremony at the crucifixion group and placing a bouquet at the foot of the cross followed by procession to the memorial monument.

There the flag will be raised, while the band plays the national anthem, then lowered to half mast for the remainder of the service, which consists of the following in the order named: Memorial recitation by Eugene Luke, "Dear Queen of Our Army" by the choir, decoration of graves by the children, prayers for the dead, salvo by the rifle squad, taps, and return to church reciting the rosary.

## Notes On Soil Conservation

A group of farmers northeast of Saint Jo, met in the home of B. C. Redman and invited Soil Conservation Service technicians to explain the Upper Elm-Red Soil Conservation district program. Technical assistance available to the farmers, as well as the district program, was explained in detail and those men making application for assistance included: B. C. Redman, J. H. Embry, Ed Knauf, J. A. Denison, Wright Embry, and J. C. Embry. These men realize the need of saving the soil that still remains and they are highly interested in a coordinated soil and water conservation plan on their farms.

Gary Hess, cooperater in the West Muenster Conservation Group, recently seeded ten acres of Bermuda Grass along a waterway that will eventually serve as an outlet for his terraces. Earlier in the spring, Mr. Hess worked his seedbed and then firmed it with a culti-packer. Before planting, he used a one-way plow, very shallow, to clean up the vegetation and then used a spike tooth harrow to cover the seed slightly. After planting and harrowing, a tractor was used to roll the ground and again firm the seed bed. Mr. Hess followed a wide-spread plan of seeding a border of Buffalo Grass around the Bermuda to keep it from spreading into his cultivated fields.

J. W. Fleitman of the Muenster Conservation Group, this week also planted Bermuda. He used the district-owned two-row planter with small seed attachment to establish the Bermuda in wet land that is seldom fit for cultivation.

## SUGAR STAMP NO. 12 MADE VALID AT ONCE

The agricultural department Monday ordered spare stamp No. 12 good for 10 pounds of sugar, made valid immediately.

This is the stamp that was to become valid on June 1. The department said it was necessary to make more sugar available for canning early crops.

The action does not increase anybody's sugar allotment. It merely means that stamp No. 12 is good at once.

## WILD STEER ATTACK TOPS REGULAR RODEO; BILL BIFFLE UNHURT

An unscheduled event, a wild steer's attack on Bill Biffle, was the high point in last Saturday's rodeo. There were a few breath-taking moments when the episode threatened to end in tragedy, but the final result was mere bruises.

In dismounting, after completing his ride, Biffle lost balance and fell, taking a glancing blow on his head from the steer's hoof. Slightly dazed he was slow to get up, and by the time he was on his feet the steer was charging from behind. Biffle was flipped about ten feet into the air and lost his footing again. Before he reached safety the steer hit him again. The assailant is one of the show's headline performers, a bad actor named "Man Killer" with horns fortunately blunted.

Another feature of the show, the antics of two clown bull-fighters, failed to materialize. High water kept the men from appearing.

Winning contestants were as follows: Bronco riding: Bill Henley, Bill Biffle, Bill Scott. Steer riding: Bill Henley, Bill Scott, Manzy Pemberton. Calf roping: Mutt Lacy, Roy Brannon, Otis Cobb. Ribbon roping: Mutt Lacy, Bill Henley, J.C. Russell.

## Cold and Rain Cause Further Delay But Little Crop Damage

The cold wave and rain that plunged thermometer readings below the freezing mark in northern states hit Muenster about 7 o'clock Wednesday evening bringing a touch of winter with light hail and .94 inch of surplus moisture.

The sudden change moved in like a storm, first a hard straight wind followed by the hail then a short hard rain. By 8 o'clock the skies were clearing, but the temperature had dropped at least 20 degrees.

First reports are that crop damage is measured mostly by the further delay in tilling or harvesting. Little if any damage was done by the hail. Row crops, being choked out by grass and weeds, are badly in need of cultivating and several grain fields are ready for the binder. The community's first grain cutting got under way early this week.

## TEN GRADE PUPILS GRADUATE WEDNESDAY FROM PUBLIC SCHOOL

Commencement exercises and a pleasing end of the year program were presented in the public school Wednesday night when ten grammar grade graduates received their diplomas.

The program opened with an invocation by E.S. Lawson member of the school board, and was followed by the address of welcome by Frances Tuggle, salutatorian.

Albert Henschel, president of the school board, presented the diplomas, and awards were presented by John J. Hoffman, superintendent. Sheldon Doughty brought the valedictory address entitled "Education in Atomic Age".

Other numbers on the program included selections by the Toy Orchestra composed of children from grades 1 through 4; an original playlet, "The Cooky Man" by first grade pupils; addresses, dialogues, instrumental and vocal numbers and a playlet, "Peggy Makes Up Her Mind" by High school students.

Taking part in the program were Vernon Clayton, Robert Ryle, Elizabeth Cannon, Wendell Rich, Anna Lee Mitchell, Mary Ruth Howard, Jo Burchfield, Jackie and Bobbie Robertson, Teddy Cannon, Milburn Cravens, Toogie Jones, Nellie Pearl Winchester, Janie Reeves, Mearle Tivis, Stuart Noland, Maynard Williams, James Hammer, Barbara Duffey, Vern Dell Martin, W.L. Wylie, Bonnie Hammer, Junior Hammer, Vida Mae Doughty, Dorothy Pierce, Stanley Wylie, Dorothy Sicking, Harold Reeves, Alene Moore, Douglas Robison.

Mr. and Mrs. George Bayer have returned from a week's trip to west Texas, New Mexico and Colorado.

Paul Nieball started Monday on a ten day vacation from his duties as rural mail delivery man on Route 1. Jake Horn Jr. is relieving him.

## Heart Attack Fatal To J.B. Tanner, 79, Gainesville Merchant

J.B. Tanner, 79, former mayor of Gainesville and well known merchant of that city for many years, succumbed to a heart attack at 9:45 Tuesday morning. He was stricken at his home Monday evening and was taken to a hospital about midnight.

Funeral services were held Wednesday at 2 p.m. at the First Baptist church, Rev. T. Hollis Epton, pastor officiating, and burial was in Greenwood cemetery, Fort Worth.

Mr. Tanner was a native Texan. He was born January 8, 1868, in Springtown, and engaged in farming until he was 24 years old. He then engaged in the grocery business in Fort Worth and was associated with a furniture store there before entering the furniture business in Gainesville in January, 1913. He retired about a year ago, selling his business to his daughter-in-law, Mrs. Elizabeth Tanner.

Survivors are his wife, Mrs. Nora Nichols Tanner, a daughter, a son, four grandchildren and two great-grandchildren.

## 48 PAROCHIAL GRADE PUPILS GET DIPLOMAS AT FRIDAY SERVICE

Forty-two eighth grade graduates of Sacred Heart school received their diplomas in solemn services at Sacred Heart church Friday evening, May 23. Rev. Herman Laux, pastor presented the diplomas and addressed the graduates briefly, telling them that the process of learning is a life-long task, and that the completion of the eighth grade, while a turning point in their lives, is only the beginning of more intensive study to prepare them for service to their community and their country and to God.

Father John gave the principal address in which he mentioned that all life is a school and that the completion of the 8th grade is a starting point from which students must go on, making greater effort than ever to acquire more knowledge which will certainly be needed before they are fit to take their place in the world. He cautioned them to remember the lessons taught and to conduct themselves accordingly, and concluded with a plea for religious vocations.

May devotions and benediction concluded the services.

## GARDEN CLUB WILL GIVE FLOWER SHOW ON SUNDAY, JUNE 8

Arrangements are complete for Muenster's annual community flower show sponsored by the Civic League and Garden Club. It will be held on Sunday, June 8, in the parish hall beginning at 3 o'clock and continuing during the evening hours.

The sponsor group invites and urges everyone to take part in the show by making displays. It is not a member event only, but is open to the entire community.

When possible entries should be brought to the hall the afternoon before, on Saturday. The deadline for accepting exhibits has been set at 9:30 a.m. Sunday morning. All flowers, with the exception of specimen roses and gladioli, must be brought in suitable containers arranged for exhibit.

All flowers in season will be displayed and other divisions include fruit and vegetable arrangements, men's exhibit, junior display, corsages, end table and book end arrangements, coffee table arrangements, potted plants, scout exhibit, commercial exhibits and shadow boxes.

Mrs. J. M. Weinzapfel and Mrs. T. S. Myrick are the staging chairmen and anyone desiring further information is asked to get in touch with them.

## Texarkana Seniors Will Appear In Play Wednesday

Recommended by Father Thomas Weinzapfel as a dramatic riot, the three act comedy "Grandpa Steps Out" will make its appearance at the parish hall next Wednesday night, June 4, at 8 o'clock. It is being presented by the senior class of Sacred Heart high school of Texarkana. Father Weinzapfel will accompany the players on their trip to Muenster.

## BALL TEAMS OPEN SEASON WITH SEVEN WINS OUT OF SEVEN

Muenster has started its baseball season with a bang, winning all of its seven games to date, of which six were chalked up by the boys and one by the girls.

Both teams are vastly improved since last season and show signs of developing into contest winners.

The season opener was a double header Monday night, the 19th, in which the local boys gave Cecil Cain excellent support in winning 9 to 5 over Saint Jo. Muenster also led 11 to 3 in hitting. The nightcap was an 18 to 5 win over Caps Corner with Frank Hennigan on the mound.

Hitting again was as one sided as the score, being 17 to 3.

The team's best test was the game Friday night with Era, the club that won consistently last year. With a 4 to 3 advantage in hits and a few lucky breaks they scored a 6 to 0 shutout.

For their Sunday afternoon program the boys had both softball and baseball the softball opponents being a team from Wichita Falls. Muenster netted 11 runs from 13 hits while Wichita netted 3 runs from 7 hits. A very unusual feature was a single handed triple play by Vincent Becker, third baseman. With runners on second and third he caught a pop fly and tagged the base then tagged the runner from second.

The baseball game was a pitching duel between two old timers, Shine Davenport and Buck Knabe, heaving for Caps Corner and Muenster respectively. Buck had 12 strike-outs and Shine 11 while Buck's team scored 3 runs on 5 hits and Shine's scored 2 runs on 6 hits.

Monday night's opener was a close, well matched game between Muenster's and Saint Jo's girls, the final count being 9 to 7 for Muenster. The game that followed was a comedy or errors, both Muenster and Saint Jo boys booting and fumbling all over the field. After a first inning score of 10 to 8 the boys finally settled down and ended 19 to 18.

## News Of Sick And Injured

Mrs. Joe Swingler is still confined to bed with an illness that afflicted her three week ago but is reported improved this week.

Joe Sieger has been seriously ill with intestinal flu since Sunday and is confined to bed at the home of his sister, Mrs. Joe Hacker.

Richard Yosten sustained and badly cut and bruised finger Saturday while working in the oil field. It's the middle finger of his right hand and will keep him from work for several days.

Mrs. James Hott was up and around Saturday after being confined to bed all last week suffering from a severe case of influenza. Monday night she was taken to the local clinic suffering from an abscessed ear and was a patient there until Tuesday night. She is convalescing at the home of her husband's parents, Mr. and Mrs. J.E. Hott.

Smyrel Owen is confined to his home since Monday when he sustained a back injury while working in the oil field.

Little Rita Hennigan had the chicken pox this week.

Mrs. William Walterscheid, who underwent surgery on May 13 at St. Vincent's hospital, Sherman, was sufficiently recovered to be brought home Tuesday. Her daughter, Mrs. Joe Walter of Gainesville went to Sherman for her. Mrs. Walterscheid is still confined to bed but is convalescing nicely.

Walter Eberhart, who was seriously ill in St. Vincent's hospital, Sherman, after undergoing an operation for hernia on May 12, was sufficiently recovered to be moved to the home of his parents, Mr. and Mrs. Ed Eberhart, Sunday. He is still confined to bed but is regaining his strength satisfactorily.

Beans Schmitz has been nursing a sore hand since Sunday afternoon when, while catching at the ball game, he caught one of Buck Knabe's fast pitches on the tip of his finger.

Mrs. Katie Martini of Wichita Falls, well known here for her frequent visits with her brother, F.J. Schenk, while he was a resident of Muenster, is reported in a serious condition in a Wichita Falls hospital following the amputation of a leg. The operation resulted from an infected toe.

## Rev. Molloy to Speak At Commencement; 18 Will Get Diplomas

Rev. Peter Molloy of Gainesville will be the commencement speaker next Sunday night when eighteen students of the Sacred Heart High school will be candidates for graduation at exercises held in the Sacred Heart church.

The service will begin at 7:30 o'clock with a formal procession of graduates and their pages and flower girls from the school to the church. Father Molloy will then give his address and Father Herman Laux will distribute diplomas after which the service will end with Benediction.

Another graduation day ceremony is the group attendance of candidates at the 8 o'clock mass and group reception of the Eucharist.

The graduates and their pages or flower girls are: Clyde Fisher, Francis Fisher; Herbert Miller, Theodore Miller; Bernard Swirczynski, Roy Swirczynski, Arthur Bayer, Leonard Bayer; Paul Luke, Clifford Endres; Rufus Henschel, William Flusche; Anthony Felderhoff, Billy Joe Dangelmayr; Gerald Bayer, Regie Bayer.

Coralee Fuhrman, Rebecca Mosman; Rose Marie Becker, Monica Fette; Bernice Luttmir, Mary Lou Vogel; Terese Walter, Karen Endres; Marian Gremminger, Carol Lee Sicking; Edna Hartman, Virgilla Schilling; Mary Nell Hennigan, Rita Hennigan; Philomena Felderhoff, Jane Hesse; Rosalee Muller; Jeanette Muller; Anna Grace Wimmer, Joan Herr.

## MRS. RUDY HELLMAN RE-ELECTED TO HEAD SACRED HEART P-TA

Mrs. Rudy Hellman was elected president of the Sacred Heart Parent-Teachers Association for the third consecutive year when the annual election of officers was held during the regular monthly meeting on May 21. Because of her outstanding good work and leadership since the P-TA was organized she was returned to office by a unanimous vote.

Mrs. John Furbach was elected first vice president, and other members of the executive board to serve by re-election are Mrs. T.S. Myrick, second vice president; Mrs. Al Walterscheid, third vice president; Mrs. J.M. Weinzapfel, recording secretary; Mrs. Tony Gremminger, corresponding secretary; Mrs. Al Wiesman, treasurer.

An athletic committee was organized with Father John as chairman and Adolph Walterscheid, Joe Mages, John Wieler, John Furbach, Frank Bayer, Arthur Hellman, Tony Felderhoff and Bill Derichsweiler.

Room mothers appointed are: Mrs. Ben Luke, seniors; Mrs. Al Fleitman, juniors; Mrs. John Furbach, sophomores; Mrs. Joe Hoenig, freshmen; Mrs. Ervin Hamric, 7th and 8th grade boys; Mrs. John Kathman, 7th and 8th grade girls; Mrs. Buddy Bernauer, 5th and 6th boys; Mrs. Dick Cain, 5th and 6th girls; Mrs. Frank Herr, 3rd and 4th boys; Mrs. Henry Pick, 3rd & 4th girls; Mrs. C.J. Kaiser, 1st and 2nd boys; Mrs. John Wieler, 1st and 2nd girls.

## Four Muenster Knights Attend State Convention

Four members of the Muenster K of C council were in Dallas the early part of this week for an initiation Sunday and the order's annual state convention the following three days.

Herbert Meurer, state treasurer, was there for the four day program, and J.M. Weinzapfel, committee member, was there Monday. Local Delegates Arthur Endres and J.W. Fisher attended Tuesday and Wednesday and Fisher also attended the initiation. All were accompanied by their wives. Fisher was alternate for Grand Knight John Hoffman.

## David Lehnertz Receives Injuries in Motor Crash

After one day in the Muenster Clinic, David Lehnertz is back home nursing injuries received in a motorcycle spill shortly after 6 o'clock Sunday evening on Highway 82 east of town.

He is badly bruised and skinned on his face, hands, arms and legs but has no fractures.

Imagine the personnel at Fisher's store working in gas masks and meeting patrons at the door with clothes pins or something to clamp over their noses. That might be happening now if Bill Hoehn had been less successful at a very delicate job Monday afternoon.

Moving crates and cartons the employees discovered a little black and white animal. It was a shy, well behaved little thing, but employees sweated out some tense moments wondering if or when it might become provoked and flood the store with a well known black and white odor.

Meanwhile Bill got his rifle and took careful aim at a point midway between two beady eyes. It worked. The kitty died without a quiver — and without an odor.

If you are intending to see the high school boys graduate next Sunday night, here's a tip for you. Before going, take a look at the water tower. If that "senior artwork" is still there, don't bother to go, 'cause the boys won't be graduating.

That's how the situation stands at this writing. Neither the teachers nor Father Herman were at all edified by the display of class enthusiasm. In fact they consider it rather as a sour reflection on the school. So Father has given his ultimatum. If this blot isn't removed from the school's escutcheon the boys will not get their diplomas.

Several days have passed since the case was dumped back into the boys' lap and it's a little hard to decide whether their delay should be explained as cold feet or a desire to keep the community guessing.

The current issue of Reader's Digest has another article based of former high ranking Soviets exposing the shabby conditions in Russia. Entitled "I didn't want my children to grow up in Soviet Russia", the story tells of the constant atmosphere of hunger, want, treachery, fear and mental and physical servitude existing in the Red paradise. It's recommended reading for all who have any doubts about the destiny of this country if the Reds should ever get into control.

Apparently some of the boys in our state legislature are finally becoming aware of the old slogan "What's sauce for the goose is sauce for the gopher". According to a liquor control amendment approved by the Senate, local option elections will apply both ways.

At the present time, as Muenster is well able to testify, a wet precinct is not allowed in a dry county whereas a dry precinct is allowed in a wet county.

The amendment, if passed, will correct that situation and permit any precinct not satisfied with its county liquor status to vote itself wet or dry as the case may be.

It's the very provision Muenster has wanted for the past 15 years. This precinct with its overwhelming majority of wet votes has been imposed upon all these years by a circumstance that should not have existed in the first place. Dry precincts in other corners of the county, precincts that neither affect us nor are affected by us, have consistently controlled our status here. We have been helpless because of the county's dry majority. But dries have never been tied down because of a county's wet majority.

As might be expected, the voice of prohibition lost no time in defying the proposed amendment. Before the Senate vote was taken one senator threatened that the amendment would bring about a vote to make the entire state dry. Certainly not a very commendable attitude for the man to show — and that's putting it mildly.

The senator's remarks indicate all too clearly a desire to force unwanted legislation on other people. It doesn't show the old give and take cooperative spirit that should exist in every democracy. In effect the senator says we are not satisfied with the privilege of voting alcoholic drinks out of our precincts, we also want to deny the privilege of voting them into other precincts — and if we don't have our way we're going to get really nasty and call for a vote to dry up the whole darn state.

But of course the threats are not likely to have much effect on fair minded legislators. The amendment has enough merit to rate approval no matter how strong the "dog-in-the-manger" opposition gets to be. Texas lawmakers have been known to exercise fairness and common sense. (Continued on page 10)

## YOU CAN START CANNING NOW!

—Photo courtesy Ball Bros. Co.

There's hardly a day during the growing season of the year when you can't find something to put up for winter use. Fresh vegetables and fruits are on the way to market. It pays to keep a supply of your favorite jars, caps, lids and rubbers on hand. Then you'll always have them when

they're needed. Remember to select clean, sound, fully ripe fruits and young, tender, garden-fresh vegetables. Your canned product can be no better than your raw one! Can the fruits and vegetables as soon as you get them into the kitchen in order to preserve their fresh flavors. It's best to

wash and can only a small amount, the amount your canner will hold, at a time. Examine all your jars for nicks which prevent perfect seals. Always use new rubber rings. And do the job right, according to manufacturer's instructions! It's the economical way, and how you'll enjoy the results!

Mr. and Mrs. John Schmitz and Mrs. Joe Wimmer and son spent last Wednesday in Denison with Mr. and Mrs. Joe Schmitz.

Mrs. Albert Steinberger and daughter, Maxine, Mrs. Edna Hunsberger and Mrs. Louis Steinberger visited in Sherman Thursday.

Leroy Cannon who is employed in Electra spent the weekend with his parents, Mr. and Mrs. Sam Cannon and family.

Mrs. Ray Evans had as her guest Saturday night and Sunday, Mrs. Bertie Lamb of Marietta, Okla.

John Furbach, Rudy Hellman and Herman Swirczynski left Tuesday at noon on a fishing trip to the Pecos river near Santa Fe, N.M.

## SENIORS AND JUNIORS PRESENT CLASS NIGHT PROGRAM WEDNESDAY

An enjoyable Class Night program was presented Wednesday in the parish hall by seniors and juniors of Sacred Heart High school with parents, relatives and friends in attendance.

Rosalee Muller, salutatorian, gave the welcome address after which Gerald Bayer read the class history. Evelyn Vogel paraded the seniors and Coralee Fuhrman presided at stalking the juniors. "Can You Imagine?" was recited by Edna Hartman,

and the prophecy for her classmates' future was read by Bernice Luttmer. Clyde Fisher read the last will and testament and Terese Walter brought the valedictory address.

The Glee Club presented three songs, the seniors sang their class song, and the senior boys gave the vocal interpretation of Ave Maria.

Senior and junior class presidents, Bernard Swirczynski and Monte Hellman presided at the presentation and acceptance of the memorial gift, and Rev. Herman Laux presented awards of merit. Dolores Henscheid distributed conical gifts while reciting clever, appropriate lines, and the school song by the student body closed the program.

lady by Miss Patricia Ezell.

Guests served themselves from a long buffet table and were seated at quartet tables. The refreshment board was centered with an arrangement of pink rosebuds, flanked with tall green candles in crystal holders. The quartet tables were covered with green cloths and each was centered with a paper lace doily. Paper lace nut cups marked places for 40 guests.

Souvenir booklets, tied with green ribbon, listing the names of the guests, the menu, and space for 42 scores marked each guest's place.

In the games, high score was won by John Klement, galloping by Mrs. Frank Yosten and low by Albert Henscheid.

Members of the home economics class, wearing dresses they made during sewing class, were hostesses. Miss Elfreda Luke is the instructor.

### MISS QUEVA JEAN DENNIS COMPLIMENTED WITH PARTY

The home of Mrs. Joe Parker was the scene of a delightful informal party and shower Sunday afternoon honoring Miss Queva Jean Dennis, bride elect of Roy Ramsey. The affair was given by members of the local Baptist Women's Missionary Union.

Games and refreshments were enjoyed by twenty eight guests.

Miss Dennis, daughter of Rev. and Mrs. J. Calvin Denis of Bulcher, will be married to Mr. Ramsey next Sunday morning in the Muenster Baptist church of which her father is pastor. He will perform the ceremony. It will be the first wedding to be solemnized in the church.

Miss Dolly Lehnertz of Saint Joseph's hospital, Fort Worth, and a classmate, Miss Keeta Mosser, whose home is in Slaton, spent the weekend with the former's parents, Mr. and Mrs. Joe Lehnertz. Miss Mosser also visited her cousin, Mrs. Emmet Fette and family.

P.J. Kleiss returned to his home in Sedalia, Mo., Tuesday after visiting here a week.

Mr. and Mrs. Jack Robertson and sons were Denton visitors Saturday.

## Washington News Letter

By Congressman Ed Gossett

Washington, D.C., May 23 — The House this week passed the Navy Appropriation Bill. The Navy requested \$3.5 billion for the next fiscal year. The House cut this appropriation \$377,000,000, or approximately 11%. Our peace-time armed services are notoriously inefficient. The Army and the Navy could both do a better job on much less money. Friends returning from overseas theaters give authentic reports of the waste of manpower and duplication of efforts by both Army and Navy. The Army has sent hundreds of civilian employees abroad with no jobs for them when they get there. But they will keep them as long as possible, even if they have nothing to do but shine some officer's shoes.

The House this week also passed the so-called "Wool Bill". In 1942 we had 49,807,000 sheep in this country. We now have 32,542,000 — a drop to 35%. In 1942 we produced 459,073,000 pounds of wool. Production has now fallen to 300,000,000 — a reduction of 35%. In 1946 this country consumed over one billion pounds of wool. Thus, we produced less than one-third of the amount we were consuming. Last year we imported 819,253,000 pounds of wool. The wool growers of the country lost 9 1/2¢ a pound on wool produced in 1946. They have been crying out, apparently justifiably, that they cannot survive in competition with foreign wool. Australia produces wool at about a third of what it costs to produce it in this country. The bill just passed authorizes the President to impose duties, i.e., a tariff, on wool imported. It also authorizes the Commodity Credit Corporation to dispose of its stockpile of 450,000,000 pounds in such a way as to maintain wool prices at the 1946 level.

The price of the raw wool apparently has little to do with the price of finished woolen goods.

While I favor greatly restricted immigration, I do not think we should discriminate against certain classes who are residents of this country. Numerous classes of aliens are not eligible to become naturalized citizens, such as Japanese, Koreans, Indonesians, Burmese, Polynesians, etc. A number of native born sons of these aliens served honorably in the American armed forces and many of them gave their lives. At the suggestion of the Veterans of Foreign Wars, I introduced a bill to permit the Goldstar parents of American soldiers legally resident in this country to become naturalized citizens, irrespective of race, if they could qualify otherwise. In support of this bill Mr. Omar B. Ketchum, Director of the Veter-

ans of Foreign Wars, has this to say:

"I hope that you and your subcommittee will agree that the bill is a meritorious one and is worthy of every consideration. We are all familiar with the exemplary combat record of the Japanese-American units operating in the Italian Theatre of War; and I am confident that the devotion to duty and country of the men who made up these units cannot be surpassed by that of any other group of men. We must therefore feel that Gold Star Mothers and Fathers of over five hundred of these boys who fell in battle for this country have a tangible stake in the America for which their sons died. It is the least that a grateful Republic might offer — this tendering to them the opportunity of becoming citizens of the United States.

"In behalf of the two million overseas veterans who are members of the Veterans of Foreign Wars, I urge your subcommittee's early and favorable consideration of the bill, H.R. 3305. Should the subcommittee decide to hold hearings on the bill, I would appreciate your affording a representative of this office an opportunity to testify in behalf of the bill."

This week, our subcommittee on Immigration favorably reported this bill. I know of one Japanese mother who had four

sons in the American Army. Three of them died in battle. Under the proposed bill she and several hundred others would be eligible to apply for naturalization.

Astronomy is thought to be the most ancient of the sciences.

### Want to Run a "Collective" Farm?

Was reading the other day about the "collective" farms they have in certain countries. It seems the folks who run them have plenty of help . . . good hours . . . and the best equipment.

Sounds pretty nice—till you learn that the "farmer" doesn't own his land, or even farm it, in our sense. He takes orders from the state; produces whatever they want him to produce, at prices they set. Even his off-hours are spent according to state regulations.

No, that would never go here.

We're willing to work hard, but we like to farm the land our own way, put our own value on the crops, and relax as we like—if only with a temperate, companionable glass of beer.

From where I sit, collective farming may produce results. But the American way—freedom to work and relax as we see fit—is what makes this country a great place to live. So let's not change it!

## State Amendment To Be Voted On In August

SENATE JOINT RESOLUTION NO. 4

proposing an amendment to Article VII of the Constitution of the State of Texas by the addition of two new sections to be known as Sections 17 and 18 providing a special fund for the payment of Confederate pensions and providing a method of payment for the construction and equipment of buildings and other permanent improvements at state institutions of higher learning; providing for a five-cent reduction in the maximum allowable state tax on property; providing for an election and the issuance of a proclamation therefor.

BE IT RESOLVED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. That Article 7 of the Constitution of the State of Texas be amended by adding thereto Sections 17 and 18 which shall read as follows:

Section 17. In lieu of the state ad valorem tax on property of Seven (7c) Cents on the One Hundred (\$100.00) Dollars valuation heretofore permitted to be levied by Section 51 of Article 3, as amended, there is hereby levied, in addition to all other taxes permitted by the Constitution of Texas, a state ad valorem tax on property of Two (2c) Cents on the One Hundred (\$100.00) Dollars valuation for the purpose of creating a special fund for the payment of pensions for services in the Confederate army and navy, frontier organizations, and the militia of the State of Texas, and for the widows of such soldiers serving in said armies, navies, organizations or militia; provided that the Legislature may reduce the tax rate hereinabove levied.

"Also, there is hereby levied, in addition to all other taxes permitted by the constitution of Texas, a state ad valorem tax on property of Five (5c) Cents on the One Hundred (\$100.00) Dollars valuation for the purpose of creating a special fund for the purpose of acquiring, constructing and initially equipping buildings, or other permanent improvements at the designated institutions of higher learning; and the governing board of each of such institutions of higher learning is fully authorized to pledge all or any part of said funds allotted to such institution as hereinafter provided, to secure bonds or notes issued for the purpose of acquiring, constructing and initially equipping such buildings or other permanent improvements at said respective institutions. Such bonds or notes shall be issued in such amounts as may be determined by the governing boards of said respective institutions, shall bear interest not to exceed three (3%) per cent per annum and shall mature serially or otherwise not to exceed ten (10) years from the first (1st) day of January of each year in which such funds are allocated or re-allocated to said respective institutions; provided, the power to issue bonds or notes hereunder is expressly limited to a period of thirty (30) years from the date of the adoption of this amendment; and provided further, that the Five (5c) Cent tax hereby levied shall expire finally upon payment of all bonds hereby authorized; provided further, that the state tax on property as heretofore permitted to be levied by Section 9 of Article VIII, as amended, exclusive of the tax necessary to pay the public debt, and of the taxes provided for benefit of the public free schools, shall never exceed Thirty (30) Cents on the One Hundred (\$100.00) Dollars valuation. All bonds shall be examined and approved by the At-

torney General of the State of Texas, and when so approved shall be incontestable; and all approved bonds shall be registered in the office of the Comptroller of Public Accounts of the State of Texas. Said bonds shall be sold only through competitive bids and shall never be sold for less than their par value and accrued interest.

"Funds raised from said Five (5c) Cents tax levy for the ten (10) year period beginning January 1, 1948, are hereby allocated to the following institutions of higher learning, and in the following proportions, to wit:

Institution	Per Cent of Total
John Tarleton Agricultural College	5.72107
North Texas Agricultural College	6.17028
Texas State College for Women	11.52992
Texas College of Arts and Industries	4.75551
College of Mines and Metallurgy	4.71936
Texas Technological College	16.54877
East Texas State Teachers College	8.10657
North Texas State Teachers College	12.64522
Sam Houston State Teachers College	5.55068
Southwest State Teachers College	6.78474
Stephen F. Austin State Teachers College	4.55414
Sul Ross State Teachers College	2.15315
West Texas State Teachers College	5.41643
Prairie View Agricultural and Mechanical College of Texas	5.34416

"Not later than June 1st of the beginning year of each succeeding ten (10) year period, the Comptroller of Public Accounts of the State of Texas, based on the average long session full-time student enrollment for the preceding five (5) year period of time, shall reallocate, to the above designated institutions of higher learning then in existence, all funds to be derived from said Five (5c) Cent ad valorem tax for said ten (10) year period; and all such designated institutions of higher learning which participate in the allocation or reallocation of such funds shall not thereafter receive any other state funds for the acquiring or constructing of buildings or other permanent improvements for which said Five (5c) Cents ad valorem tax is herein provided, except in case of fire, flood, storm, or earthquake occurring at any such institution, in which case an appropriation in an amount sufficient to replace the loss so incurred may be made by the Legislature out of other state funds. This amendment shall be self-enacting. The State Comptroller of Public Accounts shall draw all necessary and proper warrants upon the State Treasury in order to carry out the purpose of this amendment; and the State Treasurer shall pay warrants so issued out of the special fund hereby created for said purpose."

"Section 18. For the purpose of constructing, equipping or acquiring buildings or other permanent improvements, the Board of Directors of the Agricultural and Mechanical College of Texas is hereby authorized to issue negotiable bonds or notes not to exceed a total amount of Five Million (\$5,000,000.00) Dollars, and the Board of Regents of the University of Texas is hereby authorized to issue negotiable bonds or notes not to exceed a total amount of Ten Million (\$10,000,000.00) Dollars. Any bonds or notes issued hereunder shall be payable solely out of the income from the Permanent University Fund. Bonds or notes so issued shall mature serial-

ly or otherwise not more than twenty (20) years from their respective dates, and in no event later than twenty-five (25) years after the date of the adoption of this amendment. This amendment shall be self-enacting.

"Said Boards are severally authorized to pledge the whole or any part of the respective interests of the Agricultural and Mechanical College of Texas and of the University of Texas in the income from the Permanent University Fund, as such interests are now apportioned by Chapter 42 of the Acts of the Regular Session of the 42nd Legislature of the State of Texas, for the purpose of securing the payment of the principal and interest of such bonds or notes. The Permanent University Fund may be invested in such bonds or notes.

"All bonds or notes issued pursuant hereto shall be approved by the Attorney General of Texas and when so approved shall be incontestable."

"Sec. 2. The foregoing Constitutional Amendment shall be submitted to a vote of the qualified electors of this state at a special election to be held throughout the state on the fourth Saturday in August, A.D. 1947, at which election all ballots shall have printed thereon:

"For the amendment to Article VII of the Constitution of the State of Texas, adding Sections 17 and 18 providing for the levying of a state ad valorem tax on property in lieu of the present state ad valorem tax of Seven (7c) Cents for Confederate pensions in order to create special funds necessary for the payment of Confederate pensions and for the financing of the construction and equipment of buildings and other permanent improvements at state institutions of higher learning, in the amounts of Two (2c) Cents and Five (5c) Cents respectively; providing for a Five Cent reduction of the maximum allowable state tax on property, making such tax not to exceed Thirty (30c) Cents on the One Hundred (100.00) Dollars valuation; providing a method of payment for the construction and equipment of improvements and buildings at the Agricultural and Mechanical College of Texas and The University of Texas."

"Against the amendment to Article VII of the Constitution of the State of Texas, adding Sections 17 and 18 providing for the levying of a state ad valorem tax on property in lieu of the present state ad valorem tax of Seven (7c) Cents for Confederate pensions in order to create special funds necessary for the payment of Confederate pensions and for the financing of the construction and equipment of buildings and other permanent improvements at state institutions of higher learning, in the amounts of Two (2c) Cents and Five (5c) Cents respectively; providing for a Five Cent reduction of the maximum allowable state tax on property, making such tax not to exceed Thirty (30c) Cents on the One Hundred (100.00) Dollars valuation; providing a method of payment for the construction and equipment of improvements and buildings at the Agricultural and Mechanical College of Texas and The University of Texas."

Sec. 3. The Governor shall issue the necessary proclamation for said election and have the same published as required by the constitution and laws of this state.

Sec. 4. The sum of Ten Thousand (\$10,000.00) Dollars, or so much thereof as may be necessary, is hereby appropriated out of any funds in the treasury of the state, not otherwise appropriated, to pay the expenses of such publication and election.

**Freshmen Win Cup For Best Parent Turn-out In P-TA Attendance Contest**

The freshman class won the P-TA loving cup and the cash award of fifty dollars for having the most parents present at meetings during the year, it was announced at the May meeting of the organization on the 14th.

In the grade school contest Sister Canisa and her fifth and sixth grade boys won the money and the cup.

For the month of May the cups were claimed by the juniors and by Sister Gabriel's first and second grade girls, who ran a close second to winning the money and retaining the trophy.

Sponsored by the P-TA to create more interest in meetings, the contest resulted in a marked increase of attendance at the monthly sessions.

As a special entertainment feature of the May meeting the girls of Grade I and II presented a short playlet entitled "What's In The Basket?"

**MISS GREMMINGER HONORED AT OPEN HOUSE SHOWER**

Mrs. Herman Fette and Mrs. Ted Gremminger were co-hostesses Sunday afternoon, May 25 in the former's home for an open house miscellaneous shower honoring Miss Geneva Gremminger, who was married to Maurice Pagel on Tuesday, May 27.

Upon arriving between the hours of two and five the guests registered in a white leather bridal book presided over by Mrs. Jerome Pagel. Seventy five guests attended.

The rooms were decorated with Madonna lilies and red roses at vantage points, and party sandwiches with punch and cake were served during the informal gathering.

**8TH GRADE GRADUATES HONORED WITH PARTY**

Members of the 8th grade graduating class were honored guests at a party sponsored by the Sacred Heart P-TA in the parish hall following graduation exercises Friday evening. Other guests were parents of the graduates, and members of the freshman and junior classes of Sacred Heart Hi and their parents.

Musical games and dancing were enjoyed, music being furnished by a trio of young people, Monte Hellman, piano; Miss Virginia Walterscheid, accordion and Daniel Luke, drum.

Refreshments of punch and cake were served to about 150 persons.

The refreshment table was laid with a white linen cloth and was centered with an arrangement of blue corn flowers. One end of the table held the crystal punch service and the other end held a large white decorated cake inscribed with congratulations in blue.

**MRS. DON COOKE BACK FROM EXTENDED TRIP**

Mrs. Don C. Cooke has returned from an extended visit with relatives since April 30. On May 2 she was with her mother, Mrs. A.D. Halliburton at Bruni, Texas, where an all-day reunion of relatives and an open house afternoon for friends was held in observance of Mrs. Halliburton's 88th birthday. She spent a week there and then accompanied by her mother, went to Freer to visit relatives.

From there Mrs. Cooke went on to San Antonio to visit a nephew and friends, and then to Fort

Worth to visit her son, Harold Cooke and family.

**GET-TOGETHER CLUB TO MEET NEXT WEDNESDAY**

## TUESDAY RITE UNITES GENEVA GREMMINGER AND MAURICE PAGEL

Miss Geneva Gremminger, daughter of Mr. and Mrs. A.F. Gremminger, became the bride of Maurice Pagel, son of Mr. and Mrs. Jacob Pagel Jr., in a pretty double ring ceremony at Sacred Heart church Tuesday morning, May 27, at 8:30 o'clock, with Rev. John Walbe officiating at the rites and at the nuptial high mass in the presence of a large assemblage of relatives and friends of the couple.

Anthony Luke presided at the organ for the processional and accompanied the choir in singing the mass. The altar before which the vows were exchanged was adorned with Madonna lilies, and baskets of pink roses on pedestals adorned the sanctuary and were repeated at the communion railing.

Mr. Gremminger gave his daughter in marriage. She was a lovely picture in a gown of white slipper satin fashioned with a high round neckline and shoulder yoke of chiffon, long, fitted sleeves ending in petal points over her hands, moulded waist, and extremely full skirt featuring a modified bustle and extending into a cathedral length train. The floor length bridal veil of chiffon fell from a queen's crown of seed pearls and the bride carried a white prayer book topped with a single orchid caught in white satin streamers. Her only jewelry was a strand of matched pearls, a gift from the groom. The bride's veil was the one her mother wore at her wedding and "something borrowed" was the prayer book which belongs to Mrs. Herman Fette.

Miss Marian Gremminger, sister of the bride was maid of honor and Miss Dolores Gremminger, another sister, was junior bridesmaid. They wore identical frocks of white marquisette embossed with a blue floral design. The dresses featured neck lines with self ruffles simulating the off-shoulder Bertha effect, fitted bodices and hooped skirts. They wore matching mitts, blue net halo hats, and carried heart-shaped bouquets of shredded pink and white carnations.

Attending the groom were his cousins, Paul Luke as best man, and Charles Pagel.

Ushers were Jerome Pagel, David Trachta, Thomas Gremminger, Walter Richter and Tony Trubenbach Jr.

The bride's mother wore a pastel blue crepe dress with black and white accessories and the groom's mother wore an aqua print crepe with brown and white accessories. They both had shoulder corsages of gardenias.

After the church services breakfast was served in the home of the bride's parents. Members of the bridal party and immediate families were guests. The bride's table was laid with white linen and centered with a three-tiered wedding cake flanked with blue and white tapers in crystal candelabra.

The breakfast preceded Mr. and Mrs. Pagel's departure on a wedding trip by car. The bride's going away costume was brown

crepe with brown and white accessories. Her corsage was of Wanda orchids. When they return they will make their home here. She is associated with the Muenster beauty shop and he is in the grocery business with his father.

Born in El Reno, Okla., Mrs. Pagel moved to Muenster as a child and attended Sacred Heart school, graduating with the high school class of 1944. Mr. Pagel is a native of Muenster and a graduate of the Public High school. He served in the army during the war and was on duty in the Pacific theatre for 23 months.

Among out of town relatives at the wedding were H.J. Weinzapfel of Windthorst, grandfather of the bride, Miss Anselma Pagel of San Antonio, sister of the groom, Mr. and Mrs. John Janicki, brother-in-law and sister of the groom from Tyler, and Floyd and Miss Allene Morbitzer of Scotland, cousins of the bride.

Green beans are a nourishing food you can have in plentiful supply for your family by canning them in your own kitchen. Select fresh beans and be sure to wash them thoroughly before the pods are broken or cut. The short fuzz or nap on the pods holds dust and possibly bacteria, yeasts or moulds which may cause spoilage. After

washing the beans, string, and break or cut them into two-inch pieces. Boil five minutes and pack into hot Ball jars. Add one teaspoon salt to each quart. Cover with water in which the beans were cooked. Process beans with small, young pods 35 minutes and those with large pods 55 minutes at ten pounds pressure.

**MORAL: LET HER HANG  
THE FAMILY PICTURE**

Men, if you don't want to hang that picture of your mother-in-law on the wall, just remind your wife that safety experts say every fifth man who mounts a ladder in his home suffers injury! It's a fact, women have far fewer injuries because they're more careful and more agile.

Safety authorities of the National Conservation Bureau point out that because women think they cannot climb ladders as well as men they are naturally more careful. Being careful is of prime importance in protecting yourself from injury.

**NEW LIQUOR CONTROL LAW MAY PERMIT WET AREA IN DRY COUNTY**

AUSTIN — An amendment to a bill revising some liquor-control laws was adopted Thursday by the Senate, despite the fact opponents warned, it would soon bring on state-wide prohibition.

The amendment would allow the holding of elections in dry territory to determine whether precincts would be voted wet.

At present, dry elections can be held in wet counties, but wet elections can not be held in dry territory.

Sen. Wardlow Lane of Center warned the Senate that adoption of the amendment would bring about a vote at the polls upon a constitutional amendment to make the entire state dry.

"Residents of dry territory will rise up and bring about submission of such an amendment," Lane warned.

Snug-fitting cotton slipcover made of a new stretchable cotton fabric is examined by Tuley Wright of New York. It's also being used for sportsclothes and other garments.

**Shaves In the Making**

Tubes for shaving cream are one of the 3,500 articles which the Aluminum Association reports are being made with aluminum, as revealed in the first industry survey since before the war when 2,000 uses were recorded. Here the tubes are being prepared for labeling. The conveyor is moving them, left to right in front of the girl in the rear, into the oven shown in the far background where annealing takes place. Emerging from the oven, they are brought to the machine in the foreground to receive a base coating just before the label is printed on them.

Miss Keeta Mosser, a student nurse at St. Joseph's hospital in Fort Worth spent the weekend visiting relatives and friends here and in Muenster. Her home is in Slaton.

Little Doris Lee, Florene and

Shirley Horn of Muenster spent the weekend with their grandfather, Theo Schmitz, while their parents, Mr. and Mrs. Jake Horn Jr., were on a business trip to Baird and Abilene.

Mrs. Adam Beyer had as guests Sunday her children, Mr. and Mrs. Carl Beyer and daughter, Carol Ann, and Miss Dorothy Beyer of Fort Worth, Mr. and Mrs. Ferd Luttmer of Muenster, and Mr. and Mrs. Frank Sandmann and family.

W.J. Loerwald, cooperater of the Upper Elm-Red Soil conservation district, planted 7 1/2 acres of weeping love grass recently. He fertilized his planting with 100 pounds of 4-12-4 per acre.

**Don't Trust Other Drivers And You'll Live Longer**

Los Angeles. — L.L. (Lee) Jordan, who bought a motorcycle when he was 16 some 30 years ago and since then, including 17 years as a Calif. highway patrolman, has ridden an estimated 500,000 miles, has a simple recipe for safety.

"All you have to do is to keep in mind every single second you drive that you can't trust anybody else's driving."

He said he has had one accident, when a woman drove through a stop sign in front of him while he was chasing a speeder at 45 miles an hour through a business zone. It cost him two scalp stitches.

**Confetti---**

As far as Muenster is concerned the amendment is the very thing we have been looking for, in fact the best possible solution to our beer and liquor control problem. We like the precinct control set-up because it gives us a chance to do as like while permitting the same privilege to neighbors a few miles away. Different localities have different likes and dislikes and fairness demands that whenever possible each should be permitted to determine its own conditions — and by this arrangement it is possible.

And of course it is hardly necessary to add that Muenster will welcome the change. Those who want a glass of beer will be glad to get it in a clean legitimate business place at a reasonable price instead of sneaking around corners and then paying bootleg prices. At the same time beer retailers will prefer operating as business men instead of playing hide and seek with the cops.

What's more, this isn't too early to consider what standard we propose to establish once beer and liquor are permitted to come out into the open. Our object is to have the drinks available for our enjoyment but at the same time to check drunkenness and rowdiness.
