VOLUME XXV

MUENSTER, COOKE COUNTY, TEXAS

OCTOBER 27, 1961

NUMBER 49

From Cuba comes a pathetic report of 52 parents who have made a horrifying agreement to murder their children rather than surrender them for rearing under state supervision in a children's institution for communist indoctrination.

By their crude logic they are convinced that in such a case the end justifies the means. As they explained in a letter which was made public in this country, they would rather condemn their own souls forever by their terrible crime if by doing so they were choosing between sending their innocents to heaven or permitting them to be trained as agents of Satan.

It is not for us to judge these heart broken people on their agonizing decision, except that it presents a paradox of awful extremes of good and evil. The proposed crime is terrible, still there's no greater love than their willingness to lay down their eternal lives for the salvation of their children. We can question the method but not the motive.

The predicament of these people seems almost too horrifying for discussion, and it is mentioned here only to point up the equally horrifying condition which drives distressed people to such a decision. As far as we are concerned, that is the great tragedy. For it involves not only half a hundred families but thousands of families. In order to carry out more efficiently the diabolical scheme of communism, these pliable young innocents are to be torn away from their only remaining contacts with Christian influence and systematically trained as the enemies of God and man.

That crime in itself is unpardonable. And there is still another, which is also unpardonable. That is the brutal separation of children and parents, depriving the little ones of the care and love which is their God-given right, and depriving parents of their God-given right to enjoy the affection and development of their children. By deep conviction we know that the beauty and sacredness of family relationship is the Lord's way and violation of it is the devil's way.

For three years we've been hearing of all sorts of atrocities in Cuba. Thousands of practically every kind of human right. Along with it we've seen the methodical build-up of the international crime system which is dedicated to our destruction. We have endured insults and outrages. We have tolerated hundreds of incidents which provided more than ample justification for moving in and ridding that country of its awful curse. Are we also going to allow the break-up of Cuban homes? Can we, as we cherish the blessings of our own family lives, tolerate the violation of our neighbors' right to the same blessings?

United States has fought one world war to make the world safe for democracy. It fought another to guarantee human right to the four freedoms. We rose twice in defense of human ideals which are less basic and less sacred than those now threatened at our doorstep. If our crusading spirit was aroused by those lesser violations of human right, what's holding us now?

If we insist on being coldly practical about this matter we still have no justification for delay. True, the sufferings of Cubans are not felt by us. If we are no longer impressed by the distress of others our reluctance to act is understandable. But how can we reconcile our policy with even our most selfish motives? By now we should all be aware that we too are marked for the same miseries being endured in Cuba. The reds have told us in plain language. Their progress to date gives ample substance to their threat.

Let's face it. We are en-

## Next Day at City Library is Oct. 31

Muenster City Library staff has announced a change in Library Day for the first week in November.

Because the usual open day falls on Nov. 1, a holy day in the parish, the library will be closed so as not to conflict with All Saints' Day services.

The library will be open instead the day before, on Tuesday, Oct. 31.

## A Proclamation

WHEREAS, the 1st day of November, traditionally called, "All Saints Day" is set aside as a day of religious activity by Christians in remembrance of all Saints, and,

WHEREAS, this day is recognized as a Holyday and a time to pay respects to the deceased citizens of this Community,

THEREFORE, as Mayor of the City of Muenster, I do hereby proclaim, for the city of Muenster, that the first day of November A.D. 1961 be hereby recognized as "All Saints Day" and recommend that business firms suspend business activity between the hours from 3 p.m. to 4 p.m. in order to allow citizens to participate in religious services for the deceased during this time.

Herbert Meurer,  
Mayor

## Floor Plan for Local Hospital Gets Final OK

Final approval of floor plans for the Muenster hospital was reached Tuesday in a meeting at Dallas of local directors and their architect with officials of the state and federal health agencies.

With that stage of the planning finished the architect now can proceed with detail plans and specifications for the construction. That work, according to the estimate of President J. M. Weinzapfel, will take until about Jan. 1, after which invitations for bids can be sent out.

The principal change considered at the Dallas meeting was that resulting from last week's meeting here with Mother Philippa of the Benedictine Convent concerning changes in quarters for administrative personnel. Also added were features for more fire protection.

All the changes will probably raise the total cost above the previously estimated half million dollars. Weinzapfel said, but federal officials agreed to go all the way in paying half the cost.

Muenster people at the meeting were J. M. Weinzapfel, J. W. Fisher and Mrs. T. S. Myrick, representing the Hospital Authority, and Mrs. J. M. Weinzapfel.

## NEWS OF THE SICK

Three-year-old Monica Hartman had surgery Tuesday at the Sanitarium to shorten a muscle in her left eye. The doctor said she would be hospitalized three or four days. Her parents, Mr. and Mrs. Alvin Hartman, divided time staying with her.

Adolph Walterscheid is getting back into circulation after being dismissed from Nocona Hospital last Friday. He had surgery Oct. 9.

Mrs. Roy Endres Jr. underwent surgery Saturday at Nocona Hospital. She'll be back at home this weekend.

At Harris Hospital in Fort Worth, Mrs. S. M. (Annie) Steen of Forestburg is a patient. She had surgery and will be hospitalized for some time. Her room number is 566.

Mrs. David Trachta responded to treatment at Baylor hospital in Dallas and avoided surgery for a kidney stone.

Mrs. Joaline Roberg is recovered from recent surgery at Gainesville Sanitarium but will be hospitalized through this week for further treatment not connected with the operation.

Mrs. Bill McCollum, dismissed during the past weekend from Nocona Hospital, was re-admitted early Sunday for minor surgery and is making normal progress in recovery. She will probably be strong enough to leave the hospital this weekend and will be at the home of her parents, the Dick Cains for convalescence before returning to her home in Dallas.

Five-year-old Donna Zimmerer, daughter of Mr. and Mrs. Bruno Zimmerer of Lindsay, underwent a tonsillectomy at the Sanitarium Wednesday morning and returned home Thursday morning.

A virus infection kept Linda Wilson out of school three days this week.

## Heart Attack Takes Joe Dickerson, 55

Joe Dickerson, 55, brother of Mrs. Ray Evans and Mrs. Howard Couch, died suddenly Tuesday night at his home in Magnolia, Ark., following a heart attack.

He and his son Scotty had spent Tuesday here and at Gainesville with his sisters and had just returned home when he was stricken.

Funeral services were held in the Methodist Church at Magnolia Thursday afternoon at 2:30 and burial was there.

Mr. and Mrs. Ray Evans and Mr. and Mrs. Howard Couch left early Wednesday morning to be with the family and attend the funeral.

The Dickersons are known locally through their frequent visits.

Mr. Dickerson is survived by his wife; one son Scotty; one daughter, Mrs. Larry Johnson and one grandchild, all of Magnolia, and two sisters, Mrs. Evans of Muenster and Mrs. Couch of Gainesville.

## Local Group Bids Farewell to Kin of 49th Division

A scene oft repeated during World War II and the Korean conflict was re-enacted at Gainesville Sunday night when members of the 49th Armored Division headed for active duty training at Fort Polk, La.

Among relatives seeing their men off by chartered bus from the National Guard Armory at 11:30 were parents and other family members from Muenster saying goodbye to six young men from here. Those who were there said it was a quiet and solemn crowd bidding the soldiers farewell.

Included from Muenster were William Fisher, Roger Taylor, Clifford Swirczynski, James Harris, Billy Joe Dangelmayr and Donnie Trubenchal.

Three others connected with the 49th left at two different times. Harvey Schmitt and Jim Voth were with the advance party going Wednesday of last week and Donald Bayer left early Sunday morning with a smaller contingent going in private cars.

The Texas National Guard division has been called up to bolster the nation's armed might during the current Berlin crisis.

## Sanger Replaces S&S as Member Of Football Loop

Two changes in membership of the local Football District were announced last week by headquarters of the Texas Interscholastic League.

The report received by Superintendent L. B. Bruns discloses that Sanger comes back into the loop after an absence of two years and Sadler-Southmayd drops out after being a member for two years. Also the district number changes from 12-B to 10-B. Local members starting next season are Muenster, Saint Jo, Era, Valley View, Callisburg and Sanger.

Increased enrollment is the reason for the change at S&S. With more than 115 students in high school, it moves up to Class A rating and will compete in District 16-A.

According to Interscholastic League requirements Class B schools must have less than 115 students. Class A schools have 115 to 200 and Class AA have 200 to 400. Eight-man football is limited to schools under 100.

## City Moves Fence From Ball Park To Sewer Plant

A long delayed fencing job at the city's sewer plant got under way this week. The first step is removing chain link fence from the baseball park, and installation will start promptly.

City Manager Steve Moster said that the work was authorized by the council to eliminate both hazard and nuisance. Children wandering about the premises could drown in the treatment tanks. And some have caused trouble by throwing in junk. The council agreed that it's better to keep the youngsters fenced out.

Improvement at the ball park is also planned. The south side will be curbed at the same time curb is installed for the new post office across the street. And the low area at the southwest corner is to be filled in to improve drainage as well as the contour of the ball field. Dirt that becomes available from jobs around town will be put there rather than just hauled away.

## Tigers Edged 6-0 In Tight Tussle With Laneri High

Two determined goal line stands which held Laneri's Ravens to a 6-0 win were proud moments for the Sacred Heart Tigers on the local field last Friday night.

Outlasted in tonnage and numbers they gave their Cowtown visitors a big tussle in the first half and gave way to the pressure the next period.

However it was during the first half, which the Tigers dominated, when the Ravens got their TD, and the second half, which Laneri dominated, that went scoreless.

Three scattered first downs by Sacred Heart was the only progress shown by either team until the closing minutes of the second quarter. Four times the Tigers were stopped by interceptions. Meanwhile Laneri lost more than it gained until the one big play when Armstrong got loose for a 41 yard gallop to the goal.

Next half the Ravens made a pair of first downs and kicked on the next series. Sacred Heart also made two first downs and lost possession.

## BIRTHS

Mr. and Mrs. Rufus Henschel have announced the birth of a nine pound ten ounce son, a baby brother for Johnny and Janet. He arrived at 10:42 p.m. Saturday, Oct. 21, at M&S Hospital. The grandparents are Mrs. Will Bierschenk of Valley View and Mr. and Mrs. Henry Henschel.

It's a boy for Mr. and Mrs. Carl King. He arrived Friday, Oct. 20 at the Sanitarium, 11:55 p.m. checking in at six pounds 12 ounces. The couple has one other child, 13-month-old Carla Ann. Mr. King is a teacher at Muenster Public School.

From La Feria come announcement of the birth of a son to Mr. and Mrs. Albert Bauer Jr. making Mr. and Mrs. Paul Arendt of Lindsay grandparents again. The eight pound one ounce boy is the Bauers' sixth child. They've named him Joey James. He has three brother and two sisters. The paternal grandmother lives in La Feria.

Mr. and Mrs. Donald Bayer welcomed their second daughter Friday afternoon, Oct. 20, at M&S Hospital. She's a seven pound sister for Sonda Jean and has been named Lea Carol. The father is Lt. Donald Bayer with the 49th Division and he left early Monday morning for Fort Polk, La., after sweating out the stork's arrival during the five days extension time allotted him. He was to have been in the advance party leaving Oct. 18 for camp. Lea Carol is a granddaughter for the Joe Fettes and the Martin Bayers. The great-grandparents are Mrs. Joe Otto, Mrs. Joe Walterscheid and Mr. and Mrs. Henry Fette. Mr. and Mrs. Joe Fette are their granddaughters' godparents. The baptism was Sunday afternoon with Father Martin officiating.

## Wesley Landsfeld 38, Dies at Ennis Of Heart Attack

A heart attack while he was visiting in Ennis brought sudden death to Wesley Landsfeld Saturday. He was 38.

The family had gone to Ennis to attend the marriage of a relative and he suffered the fatal attack at the wedding dance. He was rushed to an Ennis hospital but died shortly after being admitted. Funeral services were held Tuesday morning at 9 o'clock in St. John's Catholic Church at Ennis with the Rev. Hubert Neu, assistant pastor, as celebrant of the requiem high mass. The pastor, Rev. William Botik, gave the funeral sermon. Burial was in the parish cemetery. Among pallbearers were Gus Lutkenhaus and Arnold Arthur Hess. More than 30 friends from Muenster attended the rites.

The Landsfeld family came to Muenster five years ago from Vernon after living in Ennis where both Mr. and Mrs. Landsfeld were born. They were married there in 1944. She is the former Miss Betty Liska.

Landsfeld came here as a mechanic for Endres Motor Company, later worked for the Ford Tractor agency and at the time of his death was an employee of Hess Brothers Drilling Company. He was a member of the parish St. Joseph's Society.

Survivors are his wife and five children, Betty, Anne, Helen, Wesley and Steven. Also his parents, Mr. and Mrs. Joe Landsfeld, a brother and two sisters, all of Ennis.

Attending the funeral from here were Messrs. and Mmes. Arnold, Gary and Ray Hess, Dan Haverkamp, Herbert McDaniel, J. W. Fisher, Alvin Fuhrman, Paul Fetsch and Gary and Gus Lutkenhaus and Leo.

Also Albert and Arthur Hess, Earl Hess, Bill and Lee Haverkamp, Billy Joe Miller, Dr. Kenneth Dobbs, Ludwig Kieninger and Mmes. George Mollenkopf, Ted Greminger and Joe Hoening and Miss Helen Hess.

## Era Scoring Spree Smothers MHS By Count of 52-0

As expected, Muenster was helpless last Thursday night in its effort with Era's power machine. The final count was 52-0 and Muenster's only satisfaction was in stopping a few of the Era drives and in making a few first downs against the long odds.

It's a case of Era claiming one of the better teams of its career, and putting in a strong bid for a repeat of last year's district championship, whereas Muenster is undersized and undermanned, and crippled to boot, about the weakest in the school's history.

The two extremes were apparent immediately. Southard, Era's big power runner returned the kickoff to Muenster's 43 and five plays produced the first score. Roberts went over from the 15.

Next Era stopped Muenster's first series and got going on another drive. Six plays gained 40 to Muenster's 1 and a penalty moved the ball back to the 6. On the second play Southard made the last 3. Davis followed over for extra points.

Third TD followed the same pattern. Muenster kicked to end its first series. Era scored in 4 plays starting at the 47. The pay-off was a pass to Southard for 29. Ending the first quarter the count was

## News of the Men in Service

**Re-call To Army**  
Eddie Grewing will get back into uniform on Nov. 3 after being out of the army three years. A member of the active reserves, he has orders to report at Fort Hood. His wife and son Keith will stay at their home in Lindsay.

**Has Address Now**  
Pvt. Lawrence Noggler, settled at Fort Carson, has an address now. Complete it reads: Pvt. Lawrence C. Noggler, RA 1863682; Co. G, 3rd Tng. Regt., (B.C.T.); Fort Carson, Colorado.

## Parish Collection For Cemetery Fund Scheduled Sunday

Members of the Sacred Heart parish are reminded this week of the semi-annual cemetery collection next Sunday at Sacred Heart church. Ladies of the Garden Club will be at the church doors following all services to accept donations.

Funds collected are used for regular maintenance, consisting principally of water, labor for mowing and trimming, and replacement of shrubs. The two collections each year are held on or near Memorial Day and All Saints' Day.

## Area Service at Denton to Honor Christ the King

Catholics from the ten parishes making up the Sherman deanery will gather in Denton next Sunday for special services observing the feast of Christ the King. The ceremony will carry out a diocesan tradition of public demonstrations of loyalty to God on that occasion.

Services will be held at the Immaculate Conception Church, corner Second and North Elm Streets.

As members of visiting parishes arrive, prior to 3 o'clock, they are asked to assemble in parish groups at the areas marked for them.

The ceremony consists of a procession with recitation of the rosary and Fourth Degree Knights of Columbus serving as honor guards for the Blessed Sacrament, a sermon and solemn benediction. Msgr. Thomas Zachry will give the sermon. Father John Duesman, assisted by Fathers Joseph Thomas and James Gillespie, will give the benediction and conduct a consecration to Christ the King.

Parishes participating are from Denton, Muenster, Lindsay, Gainesville, Valley View, McKinney, Denison, Sherman and Perrin AFB.

## Hornets Look for Lots of Trouble From Valley View

Another hopeless situation faces the Muenster High Hornets this weekend. Playing the Valley View Eagles, strong bidders for the 12-B district title, they are due again to be on the short end of whatever score the opponents choose to run up.

Last week's 8-7 win over Callisburg established Valley View and Era as remaining contenders for the loop trophy. Muenster is not in a class with either of them, as shown at Era last week.

To prolong a bad situation, three of the Hornet regulars will continue to struggle along with injuries. Mark Hellman's ankle still hasn't recovered since his pre season injury. Jimmy Wiesman, hand-capped until lately by a broken finger, is nursing a cracked rib. And Dickie Pagel has a back injury.

## Cubs End Season With 28-0 Win Over St. Joseph's

The Tiger Cubs of Sacred Heart Elementary closed their season at Sherman last Sunday with a 28-0 decision over St. Joseph's Academy. The win gave them a near perfect record for the season, being marred only by one tie with Windthorst.

A week before the Cubs had cinched the title in the North Texas Parochial League by beating Windthorst. Even losing to Sherman they would have tied Windthorst on the season record and their win over Windthorst would have favored them for the title. The final win, however, gives them a clear claim.

Virgil Swirczynski was the big operator of the game, going over for two TDs and passing to Morris Hacker for another.

Dale Klement was first to score. From the 3 he completed Sacred Heart's first drive early in the game. Hacker followed over for extra points.

The second score was a 60 yard kick return by Swirczynski, the third was Swirczynski's interception and 35 yard gallop. The pass to Hacker for the fourth tally made 40 yards. Kenneth Stormer went over for bonus points after that one.

## Death Ends Long Illness of Pioneer Mrs. Ben Hellman

Death late Tuesday evening brought an end to the long illness of Mrs. Ben Hellman, 78, widow of Muenster's first mayor and a pioneer resident of this community. She died at about 6 p.m. in Gainesville Sanitarium where she had been a patient since last June.

Funeral services were held Thursday morning in Sacred Heart Church at 10 o'clock with Father Martin Fischer as celebrant of the requiem high mass and officiant at graveside rites in Sacred Heart Cemetery. Nick Miller Funeral Home was in charge of arrangements.

Bearers were Billy Ben and Tommy Boyles, Tim and Jimmy Hellman, Dr. Monte Hellman and Glenn Hellman.

Rosary services were conducted at the Miller Chapel Wednesday at 4 and at 8 p.m. The first service was by members of the local court Catholic Daughter of America and St. Anne's Society of which she was a charter member.

The former Miss Mamie Mertes was born in Houghton, Michigan, Jan. 28, 1883, and came to Texas with her family in 1895 settling in Muenster. She was 12 years

## Long Series with Laneri Hi Ravens Ended Last Week

A long time football relationship came to an end last week in the Sacred Heart-Laneri game. And the passing of basketball and baseball seasons will bring the end of all athletic relationship between the schools.

The reason: Laneri is going out of business. It is being replaced by a new central high school to serve all Catholic high school students of Fort Worth. At this time the school has four classes of high school girls and a freshman class of high school boys. Laneri has the three upper classes of boys this year and will have none next year.

Sacred Heart's games with Laneri started in 1946, the year after a team was organized here. A game was played each year except in 1949 and 1950, when Sacred Heart had no team. During much of the time both teams were members of the Southwest Academic League.

Laneri had the lion's share of the wins, by a count of 11 to 3. Sacred Heart's wins were 7-0 in 1952, 40-18 in 1953 and 26-0 in 1959.

## Injury Will Hurt As Tigers Tangle With Godley High

Tough competition combines with a tough break to cloud the outlook for Sacred Heart Tigers as they prepare for their game with Godley High on the local field Saturday night at 7:30.

The visitors are rugged, according to a report Coach Adam Wolf got from the Laneri skipper last week. Godley lost by a grudging 26-20 count to the Ravens.

To make matters worse, the Tigers will be operating without the service of their regular quarterback Johnny Wolf fractured his collar bone mixing with the Ravens last week and will be out for the rest of the season.

His replacement most likely will be Dennis Hess, who is short on experience in the all important assignment of initiating the offensive plays. Another problem is a change in the defensive pattern.

Organization is the only worry, however. Physically all the Tigers except Wolf are well and ready.

## Schedule of Coming Events

FRIDAY, Oct. 27, MHS vs Valley View, here, 7:30.

SATURDAY, Oct. 28, Sacred Heart vs Godley, here, 7:30.

### "ACTIONS SPEAK LOUDER . . ."

As the turning leaves begin to fall and the first frosts become frontpage news, comes announcement of "Operation Clothes-Closet" that, once more, for the 13th consecutive year, will shield hundreds of thousands of the ragged, the shivering, the under-nourished and the sick around the globe from the deadly blasts of winter. From a Christian impulse in 1948, this Thanksgiving Clothing Collection conducted by the Catholic Bishops of the US, has grown into an operation that last year provided 15 million pounds of usable

clothing, shoes, blankets and bedding to those in direst need in 48 different countries. Thusfar, some 135 million pounds, valued at well over \$160 million, have been turned over by the Bishops to Catholic Relief Services of the National Catholic Welfare Conference — the largest, and probably the most efficient private overseas relief agency in the world — for shipment and distribution where it would do the most good.

In the coming days, therefore, millions of good Americans of all faiths will be ransacking their clothes closets and bureaus and chests for good, wearable clothing and

shoes that have been outgrown or that they no longer need and for quilts and blankets that they can spare to comfort young and old wherever disaster, famine and pestilence have struck; to warm the sick and destitute wherever they may be found. These gifts, priceless beyond belief of those who have not witnessed their distribution, will be collected in the churches of America's 16,500 parishes during the week of November 19th to 26th. Then, they will be sent to the warehouses of Catholic Relief Services, where they will be sorted and baled for shipment to areas of suffering and privation.

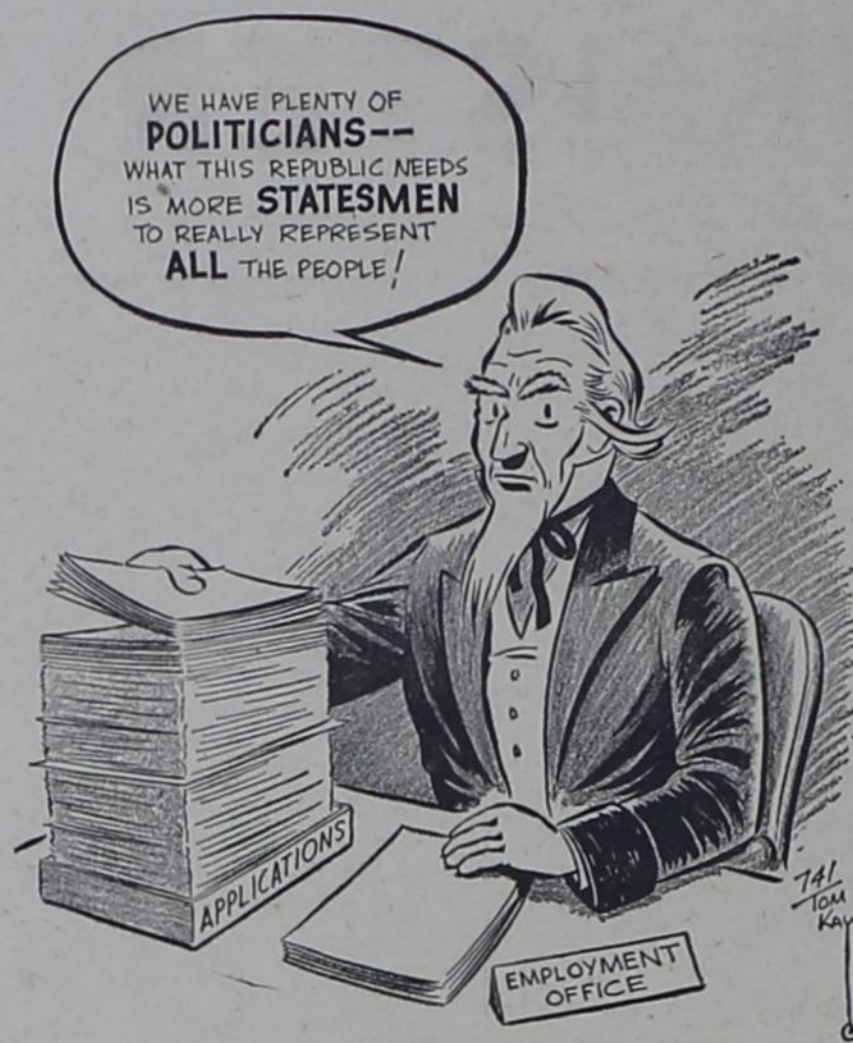

And this will come to pass again in 1961 — and in fuller measure than ever — because fortunate Americans have discovered that actions of Grace give fuller meaning and deeper satisfaction to those words of Grace at the great American Thanksgiving dinner-table.

### "CLASSIC INFLATION"

Your dollar is shrinking 2.1 percent yearly, and has been since 1950, First National City Bank of New York reports. This means that you have lost \$21 of \$100 put in the bank or bonds 10 years ago. You must earn \$3,400 today to buy as much as with \$2,000 in 1946. The \$5,000-a-year man 15 years ago must earn \$7,844 in 1961 to break even.

An American receiving \$50,000 in 1939 must now earn \$335,000 to have the same purchasing power — but the government will take \$240,000 of this.

And a cup of coffee costs 15c at students' favorite eating spot in Austin.

First-Class Help Wanted

Speaking in Dallas, former U. S. Budget Bureau Director Maurice H. Stans warned that the federal deficit may be "20 billion dollars or more" by 1962. Your dwindling buying power, of course, stems directly from the mountains of dollars drained off to Washington, and Stans, now president of Western Bancorporation, says the annual spending of the federal government soon will total 95 billion dollars.

He sees serious danger of inflationary deficits so large that "we shall head down the road toward economic collapse."

Yet, the secretary of the U. S. treasury, Douglas Dillon, recently said: "I see no present danger of inflation in the classic pattern of too many dollars chasing too few goods."

The average man doesn't know what "classic inflation" is, and does not care. He may know what "present danger" is. You don't have to understand economists' jargon to know your dollar buys less. No matter what government officials call it, that's inflation.

Down this drain go the country's savings. Neither rich nor poor can escape the whirlpool of deficit financing and unsound management of money. The thrifty suffer most of all — the aged and widowed with fixed incomes.

To deny the danger is cruel mockery. To be blind to it is folly. The answer is at the polls. Only Congress can check recklessness with the dollar. And only the people, at the ballot box, can "check" Congress. Mr. Kennedy, or any other president, can only request money. Congress must appropriate it. (Dallas News)

### MORE FOREIGN-AID NONSENSE

We love our neighbors in the Latin American countries. We are heartily in favor of giving them a helping hand, but —

We do not believe that the huge sums promised to these South American countries by President Kennedy and Secretary of the Treasury Dillon will do the trick.

Oh, yes, it's quite true that they have laid down conditions that our neighbors institute "reforms." But what are these reforms? The Latin American countries are to embark on programs of national planning, socialized housing, etc. — in other words they must embrace the welfare state and move still further toward socialism and eventual communism.

Nowhere that we've been able to discover in the "conditions" is there anything to encourage free enterprise, to remove obstructive controls, to reduce government waste and extravagance, to protect property rights, to halt inflation and to balance budgets — the things that would really help our South American friends to lift their economies out of the ruck.

So, we'll throw away another \$20 billion or so in "Foreign Aid," and our Latin American friends will find their economies worsened because of our ill-conceived largesse.

Apparently the White House and the Treasury Department do not understand free prices, free markets and the old law of "supply and demand." Just too bad for us American taxpayers, who will have to pay the tab.

### PASTE IT IN YOUR HAT

Come next spring, you'd better have your number of that "declaration of estimated tax" (deadline April 15). If you have a Social Security number that is. If you on't you get a form at the post office or an office of the Internal Revenue Service.

From there on, you're a number to Uncle Sam's tax collectors, and to every organization that reports on payments made to you. If you forget it on your income tax return, it will cost you five bucks. And the penalty will be the same every time you fail to supply it to any source of income that requests it. And that ain't all.

Congress hung this one on your eye on September 26th — to give the IRS a full-Nelson on every taxpayer. We predict tattoo artists will be coming back — strong!

**FOR and AGAINST**  **for CHRIST-against COMMUNISM**  
 BY **BILLY JAMES HARGIS, LL.D.**  
 FOUNDER CHRISTIAN CRUSADE

### The War Against American Production

In the April 30, 1961 Worker the communists complained as follows: "In 1947 some 300 Ford workers were needed to make 60,000 to 65,000 pistons. In 1961 some 20 men make 16,000 pistons." Here the communists are complaining because the Ford Motor Company has increased production per person of pistons from 200 to 800. This complaint in the official communist weekly newspaper touches upon an important aspect of the conspiracy's war against our American free enterprise system. The fight against American production is a part of the Marxist class struggle which communists and their ideological allies have been waging inside our nation for years.

The central idea of this resistance against increased production is that such an increase will knock people out of jobs. The big error in this line of thinking is that its proponents look only at the immediate effect of increased production on one group of people rather than the long-range effect upon the entire population. Increased production through the use of improved machinery over the years has brought prices down to where many people are able to buy goods they could not have afforded otherwise. Furthermore, increased production in our nation through the years has created more jobs in a number of fields.

For example, let us look beyond the communist complaint

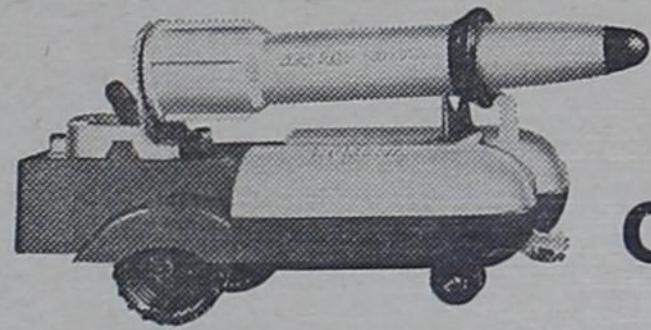

about increased production of pistons by the Ford Motor Company and look at the entire automobile industry. In 1910, 140,000 persons were employed in the United States in the newly created automobile industry. Prices of automobiles were very high. In 1920 the product had been improved, its cost reduced, and as a result the automobile industry employed 250,000 people because more people were able to buy automobiles. By 1930, as the product improved further and reduction of prices continued, more and more automobiles were sold and employment in the industry rose to 380,000. These increases have continued since 1930.

The introduction of the automatic dialing system in 1919 caused much fear among female switchboard operators. However, the Bell system now employs 182,000 operators for special calls. If we still relied upon switchboard operators there would not be enough women in our nation today to operate the phone system. The average American would have no possible chance of telephone service in his home today had the present day communist-socialist struggle against increased production been in effect and succeeded.

### Mrs. Wimmer Hosts Progressive Club

Mrs. Charles E. Wimmer was hostess in her home Thursday night when the Progressive Club met for its monthly 42 session.

After the games, the group of 12, eight members and four guests, were served apple pie a la mode and coffee while scores were figured.

Guests outscored members for prizes with Mrs. Ray Otto taking the top award and Mrs. Larry Yosten received the galloping award. Mrs. Gene Gieb made second high tally and Mrs. R. N. Fette won the consolation prize. Other guests were Mrs. Pat Hennigan and Mrs. Eddie Fleitman.

Mrs. Ray Walterscheid will be hostess for the November meeting.

### Spend Vacation in Chicago, New York

New York City and Chicago were vacation sites this year for Mr. and Mrs. Loffie Smith of Carrollton and they gave an account of the two weeks, illustrating with slides, while they visited here over the weekend with her parents, the Herman Swirczynskis. Mrs. Smith is the former Edna Swirczynski.

Mr. Smith works for an airline and they had free passage, going and returning by jet airliner.

New York was fabulous with sight-seeing, a TV show — The Price Is Right — and ball-games — the Yankees and Red Sox — and tours that included the Statue of Liberty, the United Nations Building and Radio City.

In Chicago they were guests of cousins, the Alvin Knaufts and family, who took them sight-seeing and otherwise entertained for them.

Mr. and Mrs. Ervin Hamric spent Sunday in Dallas at market buying merchandise for Hamric's Men's and Boys' Store.

### Idle 8 Club Has Evening Meeting

Members of the Idle Eight Club had a night meeting instead of the usual afternoon get-together when Mrs. Joe Horn entertained in her home for the October social.

Members and guests were served sandwiches, coffee and cake as they arrived and then settled down to a progressive 42 series.

Miss Anna Hellman led the scoring for top award and Mrs. Joe Kathman was runner-up for the next prize. Mrs. Paul Nieball, a guest, won the consolation award. Another guest was Mrs. Ben Seyler. Mrs. Joe Kathman will be hostess for the November meeting.

### Mrs. Otto Hostess For Club Meeting

Members of the Friendly Neighbors Club had their October social with Mrs. Earle Otto as hostess in her home Wednesday night. They played progressive 42.

Winners in the series were Mrs. Paul Endres, a guest high. Mrs. Urban Endres was runner-up and also secured the galloping prize and the hostess won the consolation award.

A dessert plate and coffee were refreshments. Additional guests joining members for the party were Mrs. Ray Swirczynski and Mrs. Henry Felderhoff.

### At Rhineland for Cousin's Funeral

Mr. and Mrs. Joe Luke were among relatives at the funeral of her cousin, Robert Vadney, in Rhineland Saturday. Father Anthony Schroeder officiated at the 3 p.m. requiem mass in St. Joseph's Church and at graveside rites in the parish cemetery.

Robert Vadney, 32-year-old crop duster, was killed Wednesday when his plane crashed shortly after take-off and burst into flames at an airstrip just east of Munday. A farmer and pilot, Vadney had served in the Air Force six years. He was a native of Albany, N. Y., and married Miss Mildred Michels at Rhineland in 1951.

Survivors are his wife, and four children Barbara, Carol, Robert and Stephen, his parents of New York and three brothers.

Mrs. Pat Stelzer of Dallas was a weekend visitor here with her mother, Mrs. T. S. Myrick, while Pat was in Texarkana on business.

### Linda Fuller and R. D. Walterscheid Say Vows at Mass

— Boyd and Breeding Photo

Miss Linda Fuller became the bride of Robert Dean (Bobby) Walterscheid in nuptial ceremonies here Saturday afternoon in Sacred Heart Church at 4 p.m. Father Bonaventure Maechler of Lind-say officiated at the wedding high mass and presided for the exchange of vows in a double ring ceremony.

Parents of the couple are Mr. and Mrs. Earl Cooper of Myra and Mrs. C. M. Walterscheid and the late Mr. Walterscheid of Muenster.

The bride wore a lovely gown of white silk organza and Chantilly lace over taffeta, the wide skirt with a semi-bustle effect sweeping into a chapel train. The empire bodice of lace had a high waist line marked with a bow at center front and was fashioned with long petal point sleeves. Pearls and sequins outlined the Sabrina neck line.

A halo of bridal jewels held her waist-length veil and her flowers were a cascade of white pom pom mums centered with a Catalina orchid. An heirloom gold chain and cross belonging to the groom's grandmother, Mrs. Mike Kleiss, was something old and borrowed to carry out bridal tradition. Her prayer book was a gift from the groom.

Bride's attendants were Mrs. James Mollenkopf, sister of the groom, matron of honor, and Miss Alice Walter and the groom's niece Miss Margaret Ann Lawson, bridesmaids. Another niece, tiny Lisa Mollenkopf was flower girl.

The four were identically gowned in bouffant street length dresses of emerald green taffeta with net overskirts. Their matching pillbox hats were covered with brief circular veils and their flowers were white pom pom mums.

James Mollenkopf was best man, and a brother Conrad Walterscheid and Milton Fette

were groomsmen. Joey Walterscheid, nephew of the groom, was ring bearer. Brothers Tommy and Herbie Walterscheid ushered.

After mass the groom's sister, Mrs. Leo Lawson, was vocal soloist while the bride placed white gladioli on the Blessed Mother's altar. Anthony Luke was organist and the men's choir sang the mass.

For her daughter's wedding Mrs. Cooper wore a blue lace sheath with black accessories and the groom's mother wore a magenta dress with matching hat and other accessories in black. They had white carnation corsages.

Wedding reception and smorgasbord dinner were held in the Parish Hall. Miss Bob-bye Tuggle of Myra and Mrs. James Krahl of Gainesville registered guests. Mrs. Joe Lehnertz catered and other members of the house party were Mrs. Conrad Jostwerner and Mrs. Gertrude Bayer. The wedding dance was held in the VFW Hall.

The couple spent a short honeymoon at Lake Texoma and are making their home in

Myra. For going away the bride wore a lavender wool suit with black accessories. He is employed as a mechanic at Wilde Chevrolet Company here. Both attended Muenster High School.

Among out of town wedding guests in addition to those from Cooke County were Mr. and Mrs. Earl Walterscheid and children of Wichita Falls, Mr. and Mrs. David Endres of Fort Worth, Messrs. and Mmes. John Pelzel and Raymond Boerner of Pilot Point and Paul Hesse of Dallas.

## '62 CORVAIR MONZA

### NEW FACE, SAME SPORTING HEART

We might as well tell you straight off: Corvair's the car for the driving enthusiast. Think that lets you out? Maybe. Maybe not.

Until you've driven one, you really can't say for sure, because Corvair's kind of driving is like no other in the land. The air-cooled rear engine sees to that. You swing around curves flat as you please. You whip through the sticky spots other cars should keep out of in the first place. (Especially this year, now that you can get Positraction as an extra-cost option.) You stop smoothly, levelly with Corvair's beautifully balanced, bigger brakes.

Corvair's found other new ways to please you this year. A forced-air heater and defroster are standard equipment on all coupes, sedans and both Monza and 700 Station Wagons. So are dual sunshades and front-door armrests and some other goodies. You'll note some new styling, inside and out. Nice. And safety-belt installation is easier, too, and cheaper.

So you can see we haven't really done much to Corvair this year. Why on earth should we? If this car, just as she is, can't make a driving enthusiast out of you, better take a cab.

A New World of Worth

And here's America's only thoroughbred sports car, the '62 CORVETTE. We warn you: If you drive a Corvette after your first sampling of a Corvair, you may well end up a two-car man. And who could blame you?

See the '62 Corvair and Corvette at your local authorized Chevrolet dealer's

## Local News BRIEFS

Coming from Pilot Point Tuesday for an all-day visit with their parents, the Fred Hennigans and John Hackers, were Mrs. Felix Pelzel and sons Wayne and Randy and Mrs. Donald Pelzel and daughter Melinda. It was baby Wayne's first trip to Muenster to visit his grandparents.

Mr. and Mrs. R. P. Cain and children Phyllis, Kenneth and Pamela of Fort Worth spent the weekend here visiting the Dick Cain family.

Mr. and Mrs. Bert Fisch of Fort Worth drove over Sunday to visit Mrs. M. J. Endres and Mr. and Mrs. Joe Lehnertz.

Weekending here with their families were Mr. and Mrs. Jerry Henschel and sons

Jeffrey and Mark of Dallas. They were with the Leo Henschels and Ray Owens. Other visitors with the Henschels Sunday were their daughter and family, the Damian Hellmans of Irving.

The new employee in the bookkeeping department at Wilde Garage is Mrs. Adrienne Kennedy of Saint Jo.

Mr. and Mrs. Ed Swirczynski and children James, Debra and Gary of Fort Worth visited their parents, the Joe Swirczynskis over the weekend.

Mr. and Mrs. Roy Swirczynski, Johnny Fette and Robert Meurer returned to Perryton Monday after a free weekend to visit their families. The men work on an oil rig.

Mr. and Mrs. Sonny Walterscheid are setting up housekeeping on a farm north of town since they returned from their wedding trip. They visited points of interest in Texas, Oklahoma and Kansas.

### Sees Birthplace For First Time

Seeing her birthplace for the first time was interesting for Mrs. Larry Yosten when she visited in Durant, Okla., Tuesday. With her were her children, Alane, Connie and Martin and her mother, Mrs. Lena Arend of Lindsay.

The old home place from which the Arend family moved to Lindsay 31 years ago still stands, has been kept in good repair and is occupied by a former Cooke Countian, J. J. Derryberry, formerly of Dexter, and his family. All of the Arend children were born on this farm near Durant.

After visiting the Derryberrys and taking pictures, Mrs. Yosten and children and mother visited Mrs. Arend's sister-in-law, Mrs. E. T. Purcell and son Tom at Calera, Okla.

### Nig Wilsons Mark 29th Anniversary

Twenty-ninth wedding anniversary of Mr. and Mrs. Nig Wilson was celebrated Sunday with a family outing in Oklahoma. Their son and his wife, the Don Wilsons, planned the event.

The two couples and Danny and Linda Wilson drove to Lawton, saw Fort Sill, the museum, the Easter Pageant grounds and Mt. Scott, driving to the top. They had a picnic dinner and supper in the mountains.

### Anniversary Party For Albert Rohmers

Seventh wedding anniversary of Mr. and Mrs. Albert Rohmer was celebrated October 18 when they entertained their 42 club to mark the occasion. They were hosts in their home.

There are 13 members in the club and all were present. After the progressive 42 series the hostess served refreshments.

Joining in the party with the Albert Rohmers were the Norbert, Urban, Alois and Arnold Rohmers, Miss Mary Rohmer and the Ben Voths. The club meets once a month.

### Lynn Huchton Is Birthday Honoree

Lynn Huchton had a birthday celebration Sunday afternoon observing his seventh birthday. Eleven boy friends of the second grade at Sacred Heart School were present. They came with gifts.

Party favors were miniature cars and trucks and outdoor games were entertainment. Birthday cake, ice cream and soda pop were refreshments.

Mrs. John Huchton was hostess for her son's party at the family home. Her sister, Mrs. Henry Huchton, helped serve.

### Alvin Hoenig, 10 Observes Birthday

Tenth birthday of Alvin Hoenig was celebrated with a party Sunday afternoon, his mother Mrs. Tony Hoenig, serving as hostess for a group of 11 guests present for the observance.

The 12 boys, all classmates at Sacred Heart, played games outdoors and had refreshments of birthday cake, ice cream and cold drinks. Birthday gifts, brought by the guests, were displayed.

### Over 100 Attend Adult Workshop on Youth Guidance

Father James Fitzpatrick of Dallas, diocesan youth moderator, was the featured speaker here at an adult workshop for youth guidance last Thursday in the Parish Hall.

Also in attendance and a key speaker was Mrs. J. P. Collora of Dallas, diocesan youth council chairman.

The deanery program was attended by some one hundred persons from six of the deanery's parishes: Lindsay, Sherman, Pilot Point, Valley View, Denison and Muenster. Three parish pastors were present: Father John Duesman of Sherman, Father Anthony Gajda of Valley View and Father Bruno Fuhrmann, deanery CYC moderator.

Father Fitzpatrick's address was entitled "The World of Today and Tomorrow." Mrs. Collora explained how women fit into the youth program and pointed out ways in which they can help the young people of their parishes.

An inept golfer drove his tee shot on an anthill. After many swings, he demolished the anthill but still had not hit the ball.

At this point, one of the two ants still alive turned to the other and said: "If we're going to survive — we better get on the ball!"

### Halloween Event Sunday Promises Fantasy, Festivity

Fun, fantasy, festivity, a real country fair atmosphere, plus spooks, ghosts and goblins await visitors to the annual Halloween Carnival here Sunday in the Parish Hall. The fun begins at 2 p.m.

There'll be such attractions as the Candy Corner, the Cake Counter, Ice Cream Parlor, Shooting Point, Spook House, Kitchen Corner, and many more to provide entertainment for youngsters and oldsters.

Special attraction for children only — grownups will want to watch — is the Costume Contest. It will take place at 4 o'clock on the stage. Three prizes in several categories will go to winners.

Another show the children will put on is a Talent Contest to be staged at 8 p.m. This, too, parents and friends will want to see. It will present young entertainers in skits, songs, dances, musicales and recitations.

Roommothers, and just about all parents of Sacred Heart Grade School students, are lined up to take part in managing the concessions and serving as hosts for the event which will continue during the evening and into the night. The sponsors are preparing for a big crowd and are inviting everyone to attend.

### Reynold Reiter Is Off for Honduras

Reynold Reiter is off for Honduras, Central America, where he'll be working for Seismic Engineering Company of Dallas. He left Sunday by bus from Gainesville to Dallas to join others going to Honduras, first taking their vehicles and equipment to Houston to go by boat. The men will fly. Reynold had been working for the company in Madill, Okla., the past eight months.

Reynold's parents, Mr. and Mrs. Clem Reiter, had a farewell dinner for him Sunday at noon, the Andy Arendts and children of Lindsay and the Bob Reiter and sons joining in the meal.

### Party Held but No Farewells Said

What was planned as a farewell party and family reunion Sunday for Willie Walterscheid — a courtesy before he left for military service with the 49th — turned into a happier occasion.

Willie received official notice Saturday that his previous orders were revoked and he need not report for army duty. But the party was all planned in the home of Mr. and Mrs. H. H. Homsley in Fort Worth and his parents, the Bruce Homsleys of Poolville, were already there so it went on as scheduled.

celebrating a stay-at-home instead of a going-away.

Mr. and Mrs. Al Walterscheid went from here with Willie and his family and the two other Homsley girls and their families joined in. After a noon dinner younger oldsters and the older youngsters went to Dallas to take in the State Fair and Ice, Capades.

All nations report more women working, each year. Looks like the menfolks are going back to the method used by the American Indians.

**SPOOF SPOOK**—Wide-eyed, frozen with fear, this kitten watches a witch streak across a Halloween sky on a broomstick near Ottawa, Canada.

### Hellmans Entertain With Park Picnic

Sunday's picnic weather prompted an outing for the Rudy Hellman family and they had a picnic dinner in City Park.

Dr. and Mrs. Monte Hellman and children were here from Dallas, Mr. and Mrs. Damian Hellman and children were present from Irving and Dolphy Joe Hellman was at home from Texas Tech, Lubbock.

Others joining the party with the hosts and out of town visitors were Mrs. G. H. Hellman, Miss Annie Hellman, Miss Della Wimmer and Frank Trubenbach.

### Children's Group Hears Explanation Of Special Classes

At a meeting here Thursday night concerning special education for retarded children of the community, Mrs. Johnnie Corbin of Denton was the featured speaker and Joe Walter, president of the Cooke County Association for Retarded Children, presided.

Purpose of the special meeting was to create interest in organizing special education classes for retarded and handicapped children of the Muenster area.

Mr. Walter and Mrs. Corbin explained requirements for such a class. Mrs. Corbin said only eight children are required by the state to have a class. She told of qualifications for teachers, stating that teacher's salary and materials used in the classroom are paid by the state. Mrs. Corbin is a former teacher of special education in the Gainesville schools.

A question and answer session followed and names of eight children from here were secured. Any others interested in attending classes are invited to contact Mrs. Ed Sicking here or Joe Walter in Gainesville.

Some 30 people attended the meeting and afterwards had refreshments served by Mmes. Ed Sicking, Joe Sicking and Kenneth Dobbs.

25 of our 50 states have parts of their area reaching to sea level — California and Louisiana, each, have parts extending below sea level.

### Judy Sicking Gets High Rating in National Test

Judy Sicking of Muenster High School has been honored for her high performance on the National Merit Scholarship Qualifying Test given last spring. For that achievement she will receive a formal letter of commendation signed by the local school principal and the president of the National Merit Scholarship Corporation.

She took the test under supervision of Tom Riddle, counselor who serves at Muenster along with other rural high schools of the county.

Miss Sicking is one of nearly 25,000 students of the United States to qualify for the commendation.

According to John M. Stal-

maker, president of the National Merit Scholarship Cooperation, the merit program has several objectives: To select merit scholars and foster the pursuit of excellence among students of promise. To encourage those students to attend college and increase their opportunity for financial assistance if needed.

**Family Surprises Robert Pultes on 10th Anniversary**

Family members turned up in a group at the home of Mr. and Mrs. Robert Pulte at Gainesville Saturday evening to surprise them with a party on their tenth wedding anniversary. They came with party refreshments and an anniversary gift.  
 Attending were the honorees' parents, the Charles Pultes of Gainesville and the H. J. Fuhrmans of Muenster, also Miss Ruth Pulte of Dallas, Mr. and Mrs. Bill Fuhrman and children Bobby and Tina of Fort Worth, the Alvin Fuhrmans and Kent, the Gilbert Endresses and Lou Ann and the Robert Bayers and Carl, Carol, Dolores, Betty and Allen all of Muenster and the honor couple's children, Mike, Chris, Don and Stephen.  
 The Bill Fuhrmans and children came Saturday and after helping in the anniversary celebration helped his mother celebrate her birthday Sunday.  
 All of the Fuhrman children dropped by during the day to say happy birthday to Mrs. Fuhrman and brought gifts for her. Adding to the day's pleasure was a telephone call from Austin, the Jerry Fuhrmans saying greetings and visiting over the line.

Lindsay families said farewell to their men as the 49th Division left Gainesville for Fort Polk, La. Among those leaving were Melvin Fleitman, Gene Block, Paul Sandmann and Buster Kubis who went Sunday night and Gilbert Kubis who left with another group Monday at 5 p.m.

Mr. and Mrs. Paul Arendt are grandparents again. The newcomer is Joey James Bauer, son of the Albert Bauers of La Feria.

Mike Fuhrmann, one of Lindsay's pioneer residents, observed his 82nd birthday Sunday surrounded by children, grandchildren and great-grandchildren who brought dinner and gifts. A special guest for the occasion was Mr. Fuhrmann's daughter, Sister Henry Ann of Denison. Mr. and Mrs. David Endres and baby John David of Fort Worth were among those greeting her grandfather.

Mr. and Mrs. Leo Cutaia and daughter Carol of Dallas drove over Sunday and visited until Monday morning with her mother, Mrs. Joe Bezner.

Mrs. Joe Bezner Jr. was dismissed from the Sanitarium Monday after four days of medical care.

Mr. and Mrs. Gene Pelzel and daughter Michelle spent Sunday in Pilot Point with his parents and family, the John Pelzels.

**Family Joins in 40th Anniversary And Farewell Fete**

Fortieth wedding anniversary of Mr. and Mrs. William Sandmann and a farewell courtesy for their son, Paul Sandmann, were combined events that brought the Sandmann children and grandchildren to the family home Sunday for a reunion. All of them for a total of 40 attended. Dinner was served at six o'clock.

Paul left Sunday night with members of the 49th Division for Fort Polk, La. Actual wedding date for Mr. and Mrs. Sandmann is November 15. The observance came early while all the family could be together.

Present with the honorees were Mr. and Mrs. Herman Stoffels and seven children, Mr. and Mrs. Pat Hennigan and four children, Mr. and Mrs. Tony Rohmer and four sons, all of Muenster; Mr. and Mrs. John Louis Hess and three children, Mr. and Mrs. Raymond Sandmann and son, Mr. and Mrs. Edward Sandmann and two daughters, all of Lindsay. Also Mr. Sandmann's sister Mrs. George Spaeth and his brother Frank Sandmann and Mrs. Sandmann and their daughter Barbara.

**Lindsay Invites Visitors to Spook Carnival Sunday**

Lindsay school roommothers met in the home of Mrs. Robert Lutz, vice president of the Parent-Teacher Club, to make final plans for the annual Halloween Carnival and have been busy as bees all week.

Sunday, Oct. 29, is the date, Parish Hall is the place and 6:30 is starting time.

A stand-out attraction for the youngsters is the costume contest in which prizes will be awarded to the last to be recognized, the best dressed and prettiest. Another special attraction will be the spook room.

There will be games and entertainment, home made goodies and a variety of refreshments to satisfy young and not so young visitors. Everybody is invited.

**Tigers Lose . . .**

Sacred Heart kicked on fourth down and the Ravens failed to make yardage on their next series. Next the Tigers lost yardage and kicked, putting Laneri in business on the Tiger 45.

Oliver almost got away but was hauled down on the 15 after a 30 yard gain. Three tries then lost short yardage and Armstrong plowed to the 3. After that the Tigers and the stop-watch can share the credit for preventing another Raven score. One play made almost 2 yards and the second stopped about three inches short of the line. But that's where the clock stopped.

**Hornets Lose . . .**

Again Muenster kicked on its first series and the champs went for the goal. Four tries made 42 yards, the score on a pass to Ford for 4 yards. Another pass to Hudspeth added bonus points.

For the rest of the half the teams played on fairly even terms. After an exchange of fumbles Muenster made two first downs and kicked on the third series. Era also made two first downs, and a score that was called back, and missed four pass attempts on its third series. An interception stopped Muenster's next effort and time stopped Era's.

Second half started like the first. Two quick scores as soon as Era got its turn at the ball. Southard made both on runs of 31 and 23. Passes to Hudspeth and Roberts added points after each.

From there on frequent substitution and Muenster's improved pass defense slowed down the champs. Era kicked once, lost possession on Vogel's interception, and failed twice to make yardage for first down. Meanwhile Muenster kicked three times and lost possession twice on interceptions. The last was on the 36 from which Southard's 25 and Stan Russell's 11 made the last TD. David Hutcherson made extra points on a run. The final minute was Muenster's, a push for 31 yards ending on the 28.

**Squires Play Last Game of Season**

Lindsay's little Squires got off to a winning start in their game with Windthorst here Sunday and held the lead until the last quarter when their visitors scooted ahead and claimed a victory.

On the second play in the opening quarter, fleet-footed Jimmy Eberhart got away for a long run and the first touchdown. The extra points failed and the score stood at 6-0 until the final quarter.

Windthorst scored twice in quick succession, counted the extra points after the first TD and when the final whistle blew the score was 14-6.

This was the Squires' last game of the season. They won over Sherman and lost to Windthorst and Muenster.

**Mrs. Hellman . . .**

old. Muenster had been colonized six years earlier.

On her nineteenth birthday, Jan. 28, 1902, she was married to Ben H. Hellman who had come here from Iowa in 1891, two years after the community was established.

After their wedding Mr. and Mrs. Hellman were proprietors of the old Park Hotel, the former KC Hall, until 1911 when they moved to Dallas for three years residence and then to Spokane, Wash., for three years. During this time Mr. Hellman was a street car conductor.

They returned to Muenster in 1916, settling on a farm northwest of town. For several years after moving to town the Hellmans operated City Hotel.

Mrs. Hellman became Muenster's first First Lady when her husband was elected mayor of the city following its incorporation in 1927. He served 4 two-year terms retiring in 1935. He died in May 1944.

Mrs. Hellman continued living alone until declining health forced her to live with her children. About a year later she entered a Dallas rest home and was there about a year until entering the Sanitarium.

As an early day resident Mrs. Hellman was active in city and parish undertakings. She held charter membership in the Civic League and Garden Club.

She is survived by three sons, Clarence Hellman of Muenster and Joe and Gus Hellman of New Orleans, La.; two daughters, Mrs. Irene Frost of Gainesville and Mrs. W. G. Boyles of Raeland, La.; 13 grandchildren, ten great-grandchildren and one sister, Mrs. Frank (Nell) Phillips of Oakland, California. Three sisters and two brothers preceded her in death.

**Confetti . . .**

gaged in a death struggle with a criminal godless ideology which is determined to enslave all of mankind, including us. So far we have been inclined to compromise. But the enemy does not compromise. It has gained steadily, and freedom has lost steadily. Final world enslavement is inevitable if we permit that to continue.

Common sense insists that we must start winning. It also insists that the logical place to start is on the nearest threat. We're dopes, as well as traitors to our traditional ideals, if we fail to move into Cuba and get rid of communism there.

Let's not be concerned about Moscow's howls of aggression. We've already had more than enough justification. Also more than enough provoca-

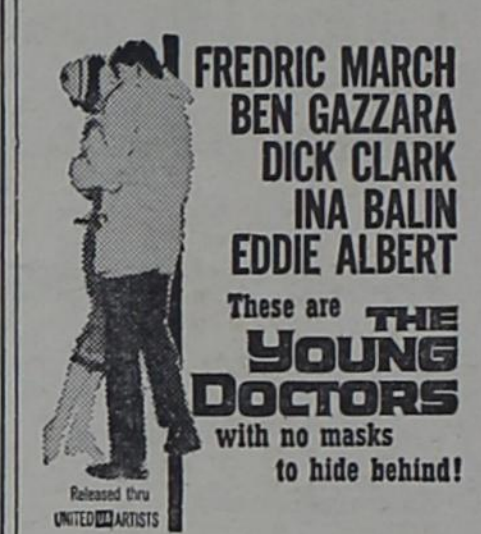

tion. In other times of our history we wouldn't have allowed nearly as much of either. Isn't it time to revive our old time prudence and self respect?
