

# MUENSTER ENTERPRISE

VOLUME XIII

MUENSTER, COOKE COUNTY, TEXAS, NOVEMBER 11, 1949

NUMBER 51

**CONFETTI**  
By  
"COR" FETTE

For the benefit of those who will have an opportunity to see this paper Thursday afternoon, the column ventures an opinion that the Hornet-Mustang tussle at Gainesville Thursday night is going to be the most exciting football spectacle they have seen in a long, long time. In the field of sports they won't have many opportunities ever to get as much for their money as when they plunk down for a ducat to that game.

Just now it looks as though the toss of a coin is as good a way as any to predict the outcome. Of course there are wishful thinkers here who can tell just why the Hornets will win and other well wishers over Gainesville way who can cite as many factors in favor of the Mustangs. But figure them all and it looks like a toss-up.

So while little if anything favors the teams there's plenty to favor the crowd. Both outfits are going in with a determination to win. Both want this victory more than any other on the schedule. There's a lot of keen rivalry to intensify a lot of skillful and evenly matched competition.

So far these remarks have emphasized that the game promises to be a big treat for the fans. Frankly this column is more interested in what fans will do for the players than vice versa. So while we're hoping that Muenster's all time record attendance will thoroughly enjoy a good game topped by a favorable final score, we're also hoping that the Hornets will have the best sideline support they have ever had.

Make it a point to be there for the enjoyment you'll get and for the help you'll give.

While on the subject of football the column notes with more than a little regret the absence of two lads who are doing big things on another team this year. They are Cotton Endres and Rupert Hoenig of the Subiaco, Ark., Trojans. Both are seniors, both played with the Hornets in their sophomore year, both would be handy men to have in the local line-up this year.

A Jonesboro paper gave Cotton a terrific boost a couple of weeks ago after the Trojans had swamped Jonesboro Hi. It referred to him as probably the best T-quarterback in the state, a slick ball handler, a bull dozing runner and a crafty team general.

Being a lineman Rupert doesn't get noticed a lot, but we can draw our own conclusions from the fact that he's holding down the regular tackle position on a team that's already copped district honors and is now contending for the state high school championship.

Well, whether they're here or elsewhere, they're doing things for Muenster prestige, and we're proud of them.

The mighty B-36 which is well known to be a permanent pain in the neck to Navy big shots, may have caused a few temporary pains in the neck around here Tuesday. But if there were any cricks, we'll wager that there were fewer complaints for the sight of that fiery flying monster with its fiery wake were well worth a little discomfort.

Really it was something to behold, more fascinating than an eclipse or shooting star or other such natural phenomena and probably just about as rare. At least Muenster seemed to think so. All over town people were craning their necks and gawking.

It happened at dusk. Daylight was fading out but the bomber which must have been about 40,000 feet high was still in the sunlight. The sky was crystal clear and the plane's customary white wake of vapor reflected the sun's light just right and made it appear as a streak of fire. It looked like a slow moving comet. One person who failed to distinguish the plane thought it was a comet.

That happened as the plane passed over some distance west of town and headed north. Then it turned around and came (Continued on Page 10)

## Hornets Outscore Bearcats 26-12 in Thrill Packed Game

In a football classic, by far the most aggressive and most exciting game played on the local schedule this year, Muenster's Hornets outscored Whitesboro's Bearcats 26 to 12 here Friday night.

The Hornets were at their season's best as they marked up their seventh win against two defeats. Every player on the team played a great game and a few were outstanding. Bernard Luke was a giant on the defense and his performance more than any other factor accounts for the visitors' failure to get a better score on a fine offensive attack. Two Hell-mans, Roger Wolf, Emmett Walterscheid and Gilbert Yosten also contributed plenty to the Bearcat troubles. On the offense it was Emmett Walterscheid with two long touchdown runs and lots of shorter gains who was conspicuous. Yosten and Mollenkopf also figured in long and frequent gains.

For the visitors Dutton was the big power with his vicious running, accurate passing and deceptive ball handling. He is due most of the credit for the visitor's sustained ground gaining offensive. With the ball in their possession almost two thirds of the time, the Bearcats built up a set of statistics that matched the Hornets in everything but the score. They surpassed in first downs and total yardage but also lost more on fumbles and failures to make first downs. Their gains were shorter and sustained whereas the Hornets' gains were sensational and paid off quickly.

Taking the opening kick Whitesboro scored in 8 plays starting from its 25. The drive was featured by a hidden ball play in which Brooks, a guard, got loose for 50 yards before being hauled (Continued on Page 2)

## News Of Sick And Injured

Urban Rohmer is recovering from a tonsillectomy performed Friday at Gainesville sanitarium. Illness has confined John Eberhart to bed for the past week. While he is ill Joe Swinger is substituting as mail dispatcher for him.

Margie Knabe, six-year-old daughter of Mr. and Mrs. Albert A. Knabe, is recovering nicely after being sick about two weeks.

Walter Luttmer sustained two badly mashed fingers on his left hand last Wednesday when he was cranking a motor and his hand caught in a V-belt. He is employed with F & M Drilling Co. He received treatment at the local clinic.

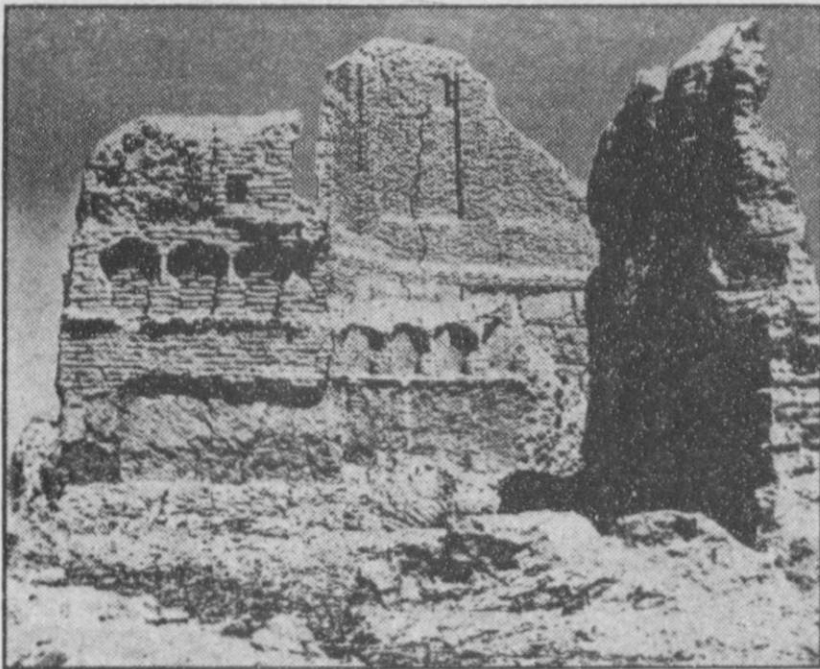

There's quite a story behind the limp that Quentin Lehnertz has these days. While driving from Washington state a couple of weeks ago he and Fred Horst broke through a frozen over blanket of snow on a mountain pass and stalled their car. Quentin went back about 20 miles to a lumber camp for help. After several miles his cowboy boots wore blisters on his feet, so he took them off and walked stocking footed... and froze his feet. He's still nursing serious infections and lots of sore muscles.

## Hornets Prime for Tough Tussle With St. Mary's Broncs

The old grid rivalry between the Muenster Hornets and the Saint Mary's Mustangs is getting red hot this week as each team is priming for the big clash Thursday night at 8 in the Gainesville Hi stadium.

Regarded by both sides as the important game of the season, it promises to be the most thrilling event that either group of fans has witnessed this year. Unless bad weather moves in to spoil the evening, both coaches are expecting the largest crowd that either team has played before this season.

According to comparative figures in previous games neither team has an advantage. Both won by a two touchdown margin over Whitesboro and both lost to Lanier and St. Xavier. However boosters have other ideas. Ballyhoo and bets are plentiful in support of either team and some of the more enthusiastic betters, on both sides, are giving odds,

**"LOST CITY" FOUND IN DESERT**—This is part of an ancient "lost city" discovered in the deserts of southwestern Afghanistan. It is believed to be the once great city of Peshawarum, which reportedly had a population of 100,000 at the time of the Crusades. Scientists from the American Museum of Natural History "stumbled" on the ancient city.

## Scouts Start Work To Qualify for "Ad Altare Dei" Medals

When the Bishop of Dallas makes his second annual award of Ad Altare Dei medals to qualified Boy Scouts of the diocese, the Muenster troop will probably be represented by 7 or 8 of its members. Scoutmaster Nick Miller stated this week that a group of youngsters is starting now to meet eligibility requirements.

The award is available to all Catholic boy scouts who know the basic truths of their religion and live up to the standards of exemplary Catholic boys.

In advancing to eligibility a scout completes three separate steps of requirements. One step applies to the tenderfoot and cub scouts, the next applies to second class scouts and the third to first class scouts.

Some requirements of the first step are to attend regular religious instruction; know the ten commandments and the precepts of the church, the seven sacraments, a group of simple prayers, and the proper etiquette for attending church services.

Among requirements for the second step are a knowledge of vestments and articles used in the Mass, a detailed knowledge of the sacraments of Penitence and the Eucharist, basic points of spiritual first aid, and evidence of having participated in parish church activity.

Included in the third step are a thorough knowledge of the Mass, evidence of having rendered personal service to the parish church, a knowledge of the diocese, its boundaries and principal institutions and leaders, and a knowledge of proper procedure in case of sick calls.

## Amendments Lose Anderson Wins in Light Voting Here

Muenster voters observed a typical off-year election Tuesday by mustering approximately a third of its voting strength to cast ballots on ten proposed amendments to the state constitution and district representative on the state school board.

Their average was in line with that of the rest of the county and state and their choice in general coincided as well. They agreed with the county majority in rejecting all 10 amendments and favoring R.B. Anderson as representative on the state school board. In doing so they had their way on all but two issues. Proposals 7 and 8 on the ticket, referring to district court proceedings and rural fire prevention districts were adopted by the state electorate.

The combined votes in the North and South Muenster voting boxes is as follows.

County Civil Service: for 20; against 185.  
Legislative Pay Raise: for 5; against 205.  
Hospital Districts: for 16; against 193.  
Poll Tax Repeal: for 37; against 173.  
Health Units: for 16; against 192.  
County Pensions: for 17; against 191.  
District Courts: for 38; against 167.  
Rural Fire Prevention: for 41; against 162.  
Lunacy Trials: for 20; against 189.  
Women Jurors: for 27; against 180.  
School Board Representative: Stone 38; Anderson 143.

Ed Endres, Teddy Gremminger, Alvin Hartman, Henry Pels and Jerry Fette took a weekend trip to Arkansas to see the Subiaco Trojans defeat the Catholic High team of Little Rock, there.

## Latest Equipment Units Get Board's OK for New School

An automatic signal system, a public address system and an electric basketball scoreboard are three gadgets approved by the school board Tuesday night for Muenster's modern new school building.

The signal system which operates from a clock is equipped with bells, buzzers, horns and gongs all of which can be set to sound off at any specified time. In that manner the school can have separate class signals for the elementary and high school departments and still other signals for any desired purpose.

The PA system will have its central control in the superintendent's office and connections with each class room. It can be used to contact any room individually or all rooms together. It is also equipped with a radio and record player to transmit programs to any or all rooms.

The basketball scoreboard keeps a record of both teams' scores and the minutes left to play in the period.

## Hornet Juniors Win 19-6 Contest With Whitesboro Kittens

In a short practice game with the Whitesboro Bearkittens the Hornet Juniors maintained their perfect record by a score of 19-6.

It started as a one sided affair but simmered down to a fairly even match toward the end of the first half when Coach Hood sent in his lightweights. After that the balance of power, if any leaned slightly to the other side and the visiting lads scored their only touchdown of the evening.

The first Hornet tally came on the first play of the game when David Endres took the kickoff on his 35 evaded a couple of would be tacklers and raced all the way to the goal.

The second was not far behind as Muenster stopped the Whitesboro drive and returned the kick 19 yards to the Bearkitten 41. Hamric's 20, and two short gains reached the 12 and Wylie went the rest of the way. Tommy Walterscheid hit the line for point Number 13.

After an exchange on kicks the local lads took the ball on an interception and Weinzapfel got loose from the 27 for the third touchdown shortly before the half ended.

Back after the half the Kittens promptly racked up a first down reaching Muenster's 42 and flipped a pass Watson to Ashford two plays later for 37 and a touchdown. From then on the Juniors made one more first down and the balance of the game was a deadlock until the last play when the Kittens got another first down on a 20 yard pass.

## Mrs. W. A. Griffin Dies Sunday, 1 Day After Heart Stroke

Mrs. W.A. Griffin, 46, passed away in a Gainesville hospital Sunday at 9:15 p.m. as the result of a heart attack which afflicted her Saturday night.

Funeral services held Tuesday afternoon in the George J. Carroll and son funeral chapel in Gainesville and burial was in the Valley View cemetery. Rev. C.M. Thomas, pastor of the First Baptist chapel of Gainesville, officiated.

Mrs. Griffin was born March 14, 1903, in Cooke county and spent all of her life in the Freemound community, south of Muenster. Survivors are her husband and two brothers, Mims Lewis of Muenster, and George Lewis of Gainesville.

Mrs. Griffin had never been ill and had spent Saturday afternoon in town. She was drying dishes after the evening meal when she suffered the stroke.

## Parish Groups Plan Dinner and Carnival For Thanksgiving

Muenster will observe Thanksgiving this year in the traditional manner on the traditional day, Thursday, Nov. 24.

Members of the Saint Anne's Society, meeting Sunday afternoon, initiated plans for the events they will sponsor with the assistance of the other three parish societies.

The gay's program will open at 11:30 with dinner featuring fresh country sausage and chicken, and will continue during the afternoon and evening with carnival concessions, games, lunches, varied entertainment in the church basement. At 9 p.m. a dance in the K of C hall will supplement other attractions.

An added feature to the evening's program this year will be the coronation of the Thanksgiving Carnival Queen. This event is sponsored by the Sacred Heart High school students.

All proceeds from the event will go into the new church building fund.

## Six Sacred Heart 4-H Boys Receive Achievement Awards

Six members of the Sacred Heart 4-H Boys' Club received medals as achievement awards at a luncheon Monday in Gainesville.

Muenster winners are Tommy Hesse for poultry, Donald Bayer for field crops, Donald Reiter for dairy and tractor maintenance, and Edward Pick, Ernest Bayer and Paul Fleitman for tractor maintenance.

Cooke county 4-H boys and girls won a total of 60 awards, and lead all counties in the state in the number of medals awarded.

## MRS. MARY STRENG OF SHINER DIES TUESDAY

Relatives received word Wednesday morning that Mrs. Mary Streng of Shiner had passed away Tuesday at 11:45 p.m. after a long illness. Funeral services will be held Friday and relatives from here will attend. Mrs. Streng formerly lived in Muenster.

## SCHOOL AFFILIATION ASSISTANCE ASSURED

Recent verbal assurance that a representative of the State Department of Education will soon be here to assist with affiliating Muenster High School was confirmed this week in a letter received by Superintendent Cowan. It revealed that Frank Hubert of the state department will visit within four weeks to advise with the superintendent and teachers on any matters pertaining to accreditation.

More than 90 percent of the polo ponies used in the U. S. come from Texas.

## Schedule of Coming Events

THURSDAY, NOV. 17, Sacred Heart P.T.A. meeting, church basement, 8 p.m.

FRIDAY, NOV. 11, CDA meeting, church basement, 8 p. m.

**LUCKY KIDS**—These boys and girls are the envy of their friends. They got a chance to romp about at a big preview of 1949 Christmas toys in New York. Manufacturers report that Santa's pack will carry close to \$300,000,000 worth of toys this Christmas.

### Vows Exchanged By Rufus Bezner And Gladys Wilde

Miss Gladys Wilde, daughter of Mr. and Mrs. J.B. Wilde of Muenster, and Rufus Bezner of Gainesville, son of Mr. and Mrs. John Bezner of Lindsay, were married Wednesday morning, November 9, in an impressive ceremony in Sacred Heart church at 9 o'clock.

Rev. John Walbe officiated at the double ring ceremony and at the nuptial high mass before an altar adorned with white mums and ferns. Baskets of bronze mums and potted ferns adorned the communion railing, and bronze mums caught with net and satin streamers marked the pews in the center aisle.

Anthony Luke, organist, played the traditional wedding marches and remained at the organ to accompany the church choir in singing the mass. The choir, directed by Leo N. Henscheid, sang the Mass of the Angels.

Escorted to the altar and given in marriage by her father, the bride wore an exquisite antique ivory satin gown. It was designed with a nylon tulle yoke dotted with seed pearl clusters. The elongated fitted bodice gave the effect of a weskit midriff, and the long satin sleeves tapered into petal points over her hands. The very bouffant skirt flowing from the waistline with unpressed pleats swept into a cathedral length train. The bride's veil of imported French ivory illusion was fingertip length attached to an ivory satin queen's crown. She carried a cascading bouquet of calla lilies with lilies of the valley and satin streamers.

For something old, the bride wore a handsome lavalier, over 35 years old, belonging to the bridegroom's mother. Something new was a white prayerbook, a gift from her mother. Something borrowed was a chiffon handkerchief belonging to her sister-in-

law, Mrs. Ray Wilde, and brought from Belgium by Ray Wilde during the war. For something blue she carried a blue rosary and she completed the tradition with a penny in her shoe.

#### Bride's Attendants

Miss Mary Louise Bezner, sister of the groom, was maid of honor and Miss Juanita Weinzapfel, close friend of the bride, was bridesmaid. They wore dresses of gold brocade designed with deep oval necklines, trimmed with scalloped berthas of Indies Copper velvet, short sleeves, fitted bodices and ballerina skirts with unpressed pleat detail. They wore matching copper velure cloches and carried arm bouquets of bronze mums.

Attending the bridegroom were Leroy Metzler and Hubert Bezner. James Bezner and Walter Bezner were ushers. Ray Wilde and Hugo Bezner took moving pictures during the ceremony.

For her daughter's wedding Mrs. Wilde chose a taupe crepe dress with a dusty rose velure hat and other accessories in brown. Variegated camellias were worn as a shoulder corsage. Mrs. Bezner wore a black crepe ensemble with black accessories and the bride's grandmother, Mrs. John Eberhart, wore a brown costume with brown accessories. Both wore variegated camellia corsages.

#### Brunch At Bride's Home

Immediately after the services, the bride's parents entertained with a brunch in their home for the bridal party, immediate members of both families, the officiating minister, and Rev. Anthony Schroeder, Muenster. Rev. Peter Molloy of Gainesville, and Rev. Thomas Weinzapfel of Valley View, who were also present in the sanctuary for the mass.

Gold and bronze mums adorned the Wilde home. The table, laid with a white linen cut work cloth, held a huge tiered wedding cake.

#### Reception And Dinner

At 4:30 an informal reception began at the parish hall and at

6 o'clock about 300 relatives and friends were guests for a turkey dinner. The bride's sister, Mrs. James Bezner, and her sister-in-law, Mrs. Ray Wilde, presided at the bride's book.

The bride's table carried out the white and gold theme and held the wedding cake. Gold and bronze mums adorned the hall and were repeated in centerpieces for the tables.

The bride and groom cut the cake and it was served to the guests.

A dance in the K of C hall brought the day's festivities to a close.

When Mr. and Mrs. Bezner left during the latter part of the dance, Mrs. Bezner was wearing an ensemble of Terra-cotta and Hunter's green worsted suit with a self shawl collar and notched lapels, diagonal slit pockets with round flaps and a straight skirt. She wore a Terra-cotta cloche sprinkled with mirrored clover disks and a deep purple orchid corsage. Her accessories were in brown kid.

When they return from a wedding trip they will be at home at 900 N. Clements street in Gainesville where Mr. Bezner is in business. He graduated from St. Mary's High school and attended Texas Tech in Lubbock. During the war he served with the Merchant Marines.

The bride is a graduate of Sacred Heart High school and of Texas Tech with the class of 1948. She was a teacher at the Gainesville Training School for girls last year and this term is a member of the teaching staff at the Muenster Public school in the elementary grades. She will continue teaching when she returns from the wedding trip.

#### Pre-Nuptial Courtesies

Mrs. Bomar Woods of Gainesville and Miss Mary Louise Bezner were hostesses for a linen shower on Friday, Nov. 4, in the former's home. Seventeen guests presented the honoree with linen gifts and played progressive 42 and Canasta. Mmes. Ray Wilde and James Bezner won the awards and presented them to the honor guest. The hostesses served refreshments of pecan pie a-la-mode and coffee.

Mr. and Mrs. James Bezner entertained with a dinner party in their home at Lindsay on Sunday, Nov. 6, honoring the couple. The table carried out the all-white theme and place were laid for members of the family.

On Sunday morning Mrs. Lambert Bezner of Gainesville entertained with a coffee at the Turner Hotel. The hostess presented the honoree with a gardenia corsage and a bronze ash tray. Present were Mmes. Herbert Bezner, Bomar Woods, Ray Bezner, Ray Wilde, Darrell Adams, James Bezner, Miss Mary Louise Bezner, the hostess and the honoree.

#### Hornets - - -

down by Red Walterscheid on the 11. Three plays from there netted the first touchdown with Murphy totting the ball.

The Hornets comeback was short and sensational. Returning the kickoff to their 37, they retaliated in 4 plays. Walterscheid added 5, Yosten 13 and Hellman 6 before Walterscheid tore through center for the remaining 39 yards.

For a while after that both braced their defense. The Bearcats advanced from one 30 stripe to the other before losing on downs. The Hornets got as far as the visitors 35 and kicked out of bounds on the 8. On the next play Dutton fumbled after a 9 yard gain and the Hornets had only 17 to go. Four tries reached the 1 and Herr scored on a quarterback sneak.

Walterscheid carried the ball for the extra point.

The next play placed the Hornets in scoring position again. Luke dashing downfield after the kickoff crashed the receiver causing a fumble that was recovered by a Hornet on the 20. Yosten's 13 and Hellman's 6 reached the 1 but on the next play Walterscheid took the hand-off and was tackled before he had a good hold of the ball. A Bearcat recovered the fumble on his 10.

The Bearcats came back strong, marked up 2 first downs and reached the 39 when hard luck hit them again. Luke dashed through just in time to break up a lateral behind the line of scrimmage. As the ball tumbled toward the goal line Luke followed and pounced on it on the 26. The next play, a pass Yosten to Mollenkopf brought the score to 19-6 as the half ended.

The second half started as a repetition of the first. Whitesboro returned the kick to its 46 and crossed the goal line in 6 plays with Dutton and Murphy doing the heavy work. A lateral Dutton to Murphy and good for 22 was the thriller of the drive. Dutton scored from the 8.

Muenster also repeated. The kick was returned from the 15 to 25. Yosten added 5 and Walterscheid took it from there on a 70 yard gallop. A pass Herr to Hellman added the extra point.

That ended the scoring but not the thrills. The Bearcats received, failed to gain and kicked. It was high and Knabe, failing to signal for a fair catch was tackled the moment he touched the ball. A Bearcat recovered on Muenster's 49. Dutton's 8 and Murphy's 4 got a first down on the 37, but the next series was stopped when Fisher caught Murphy for a 13 yard loss, and the visitors kicked.

Hellman returned the kick from the 5 to 25. Two plays later Yosten was smeared for a 16 yard loss while fading back to pass. Walterscheid's 17 yard gain on the next still left 9 to go and the Hornets kicked.

The Bearcat offense opened again from its 31 with a pass Dutton to Burrow for 44. Dutton's 15 reached the 10 but the next four plays failed to crack the Hornet goal line stand and the ball went over on downs on the 5.

On three tries the Hornets got back to the 14 and with a yard to go on the 4th down elected to kick.

Starting again from the 32 the Bearcats passed to the 18 and lost 6 on the next series of downs on an 8 yard smear, a 2 yard gain and two incomplete passes.

Temporarily the Hornets were off again. The first play drew an off-side penalty setting them back to their 19. Yosten added 12 then heaved a long pass to Mollenkopf who reached the visitors' 22 before being stopped. But an interception by Deckard 2 plays later shattered all hopes for another touchdown. The final whistle sounded before the Bearcats got going again.

In first downs and total yardage the visitors emerged with the figures but that fact is accounted for mainly by their being in possession of the ball for almost exactly two thirds of the game. They had 60 tries from scrimmage the Hornets had 31.

#### The Game at a Glance

	M	W
First downs	5	12
Gains rushing	250	257
Losses rushing	22	45
Net gain rushing	228	212
Passes attempted	4	11
Passes completed	2	6

**William Arend and Duncan, Okla., Girl Marry November 3**

Miss Margaret Ann Tomlinson of Duncan, Okla., became the bride of William Arend of Lindsay in a double ring ceremony performed Thursday morning, Nov. 3, in the Church of the Assumption in Duncan. The pastor, Rev. Ferdinand, officiated at the service and at the nuptial Mass.

The bride is the daughter of Mrs. R.A. Tomlinson of Duncan and the groom is the son of Mrs. Lena Arend of Lindsay.

The bride wore a suit of blue with a white blouse and gloves and accessories in sable. Her flowers were a shoulder corsage of aqua blue gardenias.

Mrs. Eddie Rauscher of Wichita Falls, sister of the groom, was the bride's only attendant. She wore a grey suit with black accessories and a corsage of pink carnations.

John Arend of Valley View, brother of the groom, was best man.

The bride's mother wore a tan suit with black accessories and a white carnation corsage and the groom's mother wore a black suit with black accessories and a white gardenia corsage.

After the church services, the bridal party and immediate members of both families were guests at a reception held in the home of the bride's brother, W.E. Tomlinson, after which the couple left on a wedding trip to south Texas. After their trip they will make their home in San Antonio. The groom has reentered the army air corps and will be stationed at Randolph Field.

The bride attended Hardin College in Wichita Falls where she met Mr. Arend who was also a student there. He graduated from Lindsay High school in 1944 and entered the army the following fall. He served two and a half years in Europe, 18 months of which was with the Civil Service Occupation. He returned in the summer of 1948 and entered Hardin College.

Relatives at the wedding included Mr. and Mrs. Larry Yosten and family and Mrs. Bob Yosten of this city.

Mr. and Mrs. George Gehrig and baby spent two days of last week in Fort Worth and Dallas shopping and were overnight guests of the Paul Herts in Arlington where they also visited with the Joe Herr family.

**LUTTMER-BEYER RITES SET FOR NOVEMBER 22**

Mr. and Mrs. Herman Luttmere have announced the engagement and approaching marriage of their only daughter, Miss Bernice Luttmere, to Lambert W. Beyer, son of Mrs. Adam Beyer of Lindsay.

The wedding will be solemnized here in Sacred Heart church on Tuesday, November 22, at 8:30 a.m.

BETTER COOKING RESULTS

Yes, ladies, it's true, there's a big change-over from the old to the new ... from old-timey methods of cooking to the new, electric cooking. Why are more electric ranges being sold today? That's because no other range or method of cooking gives you such cleanliness, safety, and the high degree of cooking perfection. It's better for you, better for your family. Don't wait any longer to join the swing to electric cooking!

## The American Way

### HOW DUMB CAN WE GET?

By DeWitt Emery

among the American people is their failure to realize the high portion of their personal incomes which are taken by hidden taxes. Former President Herbert Hoover, in his 75th Birthday Address, spelled out for the American people their grossly excessive tax burden in a way that no one could possibly misunderstand. He put it this way, "Out of the 235 working days in the year the average American citizen works 61 days to pay his taxes."

Stop for a minute and figure out what this means to you. Multiply your daily wage or salary by sixty-one and that's what the government is taking out of your pocket as your share of the taxes it collects each year. If you make ten dollars a day your tax bill is over fifty dollars per month. Keep that in mind the next time you hear an office-holder telling all of the things he has done for the American people.

Mr. Hoover also pointed out in his birthday speech that there are enough new spending projects under consideration by the Federal Government to take at least twenty more days' pay a year away from every employed person in the nation.

The fact that you cannot see the amount of tax you pay every time you make a purchase does

The American Institute of Public Opinion recently reported that one of the chief "areas of ignorance" not mean that you are not being taxed. In fact, because the bulk of your taxes are well concealed—hidden—is what enables the taxpayers to get away with throwing your money to the four winds all over the world.

The Illinois Federation of Retail Associations reported to its members that there are 126 hidden taxes in a pair of shoes, 78 hidden taxes in a quart of milk, 154 hidden taxes in a cake of soap, 63 hidden taxes in a lady's coat and 47 in her dress, 53 in your hat, 148 in a pair of overalls, etc., on throughout a long list.

Yet, in the face of this excessive taxation our Federal Government is operating in the red. In the three months ending September 30th, the deficit was \$1,211,440,000. These were three mighty prosperous months with tax receipts of \$9,257,648,000, representing a near-record peacetime tax collection, being an increase of \$113,819,000 over the corresponding boom quarter of the preceding year. So the deficit was not caused by a falling off in revenue but rather by a new mad wave of bureaucratic spending.

Where did all this extra spending money go? The largest single item of increased spending went to crop supports which jumped in the quarter ending September 30th, from \$75,272,000 last year, to \$816,198,000 this year. This is the amount added to your food bill for three months in addition to the high price you paid for the

The Pied Piper

food itself. Maybe Federal spending and high taxes don't mean anything to you personally; then again maybe they do.

One thing you can be sure of is that these backbreaking taxes and this grossly excessive spending will go on just as long as the "dumb taxpayers" will pay the bill. Every politician likes patronage, and the more there is to spend the more patronage there is to dish out. That's the way it is, and that's the way it will be until the American people start yelling at the top of their lungs for economy. Then when there are more votes to be gotten by economy than by big spending the expenditures will melt away like a snowball in that well-known hot place.

It's just that simple, Mr. and Mrs. America. If you want lower prices and want to spend more of your own money for clothes, furniture, better food, better housing, etc., start yelling and keep it up. It's your government and you have it in your power to have good or bad, wasteful or economical government. It's yours to choose.

I repeat, "How dumb can we get?"

Texas has 973 miles of coast line on the Gulf.

There are four communities in Texas named Pleasant Grove.

Texas did not surrender in the Civil War until May 30—more than a month after General Lee surrendered.

If opened to capacity, Texas oil wells would produce more oil in a day than the U.S. could use in a month.

In Temple, Texas, there is an ordinance requiring all U.S. Presidential trains to stop for five minutes.

Mrs. Matt Stelzer of Post is visiting relatives and friends here this week. She is enroute home after a visit in Chicago with her son, Gerald Stelzer. She went to Chicago in company of her granddaughter, Geraldine Stelzer, who had spent the summer with her grandparents in Post.

**Hobo Day Is Busy Day for FHA Girls**

Members of the Future Homemakers of America found plenty to do on Hobo Day, Monday, when they called on Muenster homes and business firms offering to work for a handout. They handled no less than a dozen varieties of odd jobs and realized a sizeable sum for their club fund.

According to Instructor Miss Ruby Kelly, the girls are elated over the success of their venture and are grateful for the cooperation they received. Working in pairs the girls roamed over town asking business men and housewives for a chance to earn some money, the amount to be determined by the persons paying. The response they got kept them busy until time to report back to school. Some of the jobs were washing windows, scrubbing floors, washing dishes, hanging out wash, cooking dinner, chopping weeds, cleaning a garage and baby sitting. Money earned goes into a fund to finance FHA projects such as a homemakers' library, furnishings, decorations and sending delegates to meetings.

**M. L. MCGOWANS GIVE PARTY FOR CHURCH MEMBERS**

Mr. and Mrs. M.L. McGowan entertained with a church social in their home Sunday night. There were 54 guests, members of the First Baptist church of this city. Games of cards and dominoes entertained the guests and Mmes. Lyndal Dickerson and M.F. Milner won the awards. Mrs. McGowan served pie a-la-

**Kyle Waggoner and Bride Return From Trip to New Mexico**

Mr. and Mrs. Kyle Waggoner are making their home in Muenster since they returned from their wedding trip Saturday. She is the former Miss Mary Sue Williams, daughter of Mr. and Mrs. B.L. Williams of Saint Jo, and he is the son of Mr. and Mrs. J.O. Waggoner of Gainesville.

The double ring ceremony was read at the home of Rev. Glenn Field in Saint Jo at 3 o'clock Saturday afternoon, October 29.

The bride wore a navy blue gabardine suit with navy and white accessories and an orchid corsage. For something old and borrowed were wore a ruby ring belonging to her grandmother, Mrs. Lester Phillips, and she also had a penny in her shoe.

Attending the couple were Miss Sue Sears and Charles Davidson.

Immediately after the ceremony the couple left on a trip to Carlsbad, N.M., and other points of interest. Since returning they are at home in the Arnold Rohmer cottage. Mr. Waggoner is employed at the Ben Seyler Motor Co.

Mrs. Waggoner attended Saint Jo High school and graduated with the class of 1949.

**GET-TOGETHER CLUB MEETS WITH MISS ANNA HELLMAN**

Members of the Get-Together Club gathered at the home of Miss Anna Hellman last Thursday for their regular social of the month. They enjoyed a progressive 42 series and a delicious plate lunch.

Winners in the games were Mrs. John Kathman, high score, Mrs. John Klement, low score, and Mrs. John Hartman, galloping prize. Mrs. Henry Fette received a birthday gift from her Sunshine Pal.

Members and three guests, Mes. Ben Seyler, Andy Hofbauer and Ben Hellman, attended.

NUMBER 7

Edited by Murlin Evans and Johnny Fisher

The contest for football queen at the Muenster High School will end on November 15 at 3:00 p.m. The queen will be crowned during half-time activity at the Homecoming Game with Gunter, November 18, at 8:00.

At present the contest stands:  
 Senior - Lue Edythe Cherry 161 votes  
 Junior - Eva Muller 212 votes  
 Sophomore - Jeanette Fisher 2500 votes  
 Freshman - Anna Grace Fette 1497 votes  
 One cent buys one vote.

The Future Homemakers of

America wish to thank the community for the cooperation on Hobo Day. Windows, dishes, laundry, and cars were washed; lawns mowed, gardens hoed, floors swept, horses were driven out, garages cleaned, lumber yards cleaned, vines clipped, houses cleaned, dinner cooked, and babies cared for. Much experience working was gained by the girls, and money was added to the treasury of the Future Homemakers of Muenster.

Girls were dressed as hoboes for this annual occasion in Future Homemakers of America Week.

Recent birthdays observed in the first and second grades were Tommy Stennet, Stan Russell, and David Kennedy.

Roger Fleitman, who is in the second grade, fell from the merry-go-round during the afternoon recess last Friday and suffered a broken arm.

On November 1, the Era Chapter of the Future Homemakers of America gave the Muenster Chapter a formal initiation at the K.C. Hall. The officers were given corsages as tokens of appreciation. The candle light ceremony was very beautiful. Pictures were taken of the group and of the President. The initiation was closed with the singing of the FHA prayer and song. After the initiation open house was held and punch and cookies were served to local guests and the Era group.

Future Homemakers of America will sponsor an assembly on "Charm" for the School students, parents, and friends who wish to come. Everyone is welcome to this assembly at 10 a.m. Thursday morning, November 10.

The Muenster FFA Chapter held a meeting Friday, October 28. The Sweetheart contest will be continued till November 11. Wilfred Klement was elected third Vice-President to represent the chapter at district FFA meetings. Clyde Muller and Mr. Maglaughlin will accompany Wilfred to the November meeting. The meetings are held on the second Tuesday of each month. This month's meeting will be held in Denton.

The Chapter made \$80 at the Halloween Carnival.

Tommy Walterscheid has purchased two registered Hampshire gilts; Billy Bezner and Jerome Hoening each a registered Poland-China gilt; while Clyde and Donald Muller have purchased Duroc-Jersey gilts. The Muenster Chapter of FFA was represented at the area five meeting in Lewisville by Donald Muller and Wilfred Klement.

**Third and Fourth Grade News**  
 Beth Wylie's brother, Weldon, who is stationed with the army in California is visiting his family, the W. B. Wylies.

Nolan Hammer's brother, Junior, has returned to California, after a visit with his family.

Deanna Richey visited her grandparents in Gainesville Sunday.

Mary Lynn Mitchell had a birthday party Saturday. Many of her little friends came. Cake and ice cream were served. Sammie Biffle went to Turner

Falls, Oklahoma Sunday.

On the evening of November 18, Homecoming Game night with Gunter, the fathers of the Hornets will wear the football numbers which their sons wear during the season games. They will be given seats on benches along the sidelines. At half time the fathers will be introduced over the Public Address System.

Friday, November 4, the seventh grade went on a science field trip. Leaves, plants, and insects were collected. These were used as exhibits for class discussion after the group returned to school. Instructor Frederick Huff accompanied his class and gave illustrated talks on the subject.

Billy Whitt and Douglas Robison accompanied by Mr. Weldon Cowan went to Gainesville Monday, November 7, for a lunch. Sixty medals were awarded to outstanding boys and girls for 4-H club work. Two Cooke County 4-H boys will go to the National Convention in Chicago. Douglas Robison and Billy Whitt will leave on a train tour November 13. They board the train at Ft. Worth.

The Red Cross School Health nurse, Mrs. T.P. Frost, visited the Public School Tuesday, November 8. Children in the first six grades were checked. Mrs. Frost recommended dental care for several and eye examinations for a few. For this work to be beneficial there must be cooperation from the parents.

Most land in Texas was originally measured in varas, equivalent to about 33 inches.

In Crystal City, Texas, the spinach capital, there is a 12-foot statue of Popeye.

Edna and Alice, Texas, are named for daughters of a French Count who surveyed the first highway to Mexico.

### Four Continue In Race for Queen of Turkey Day Party

A contest to determine a young lady to reign as the Thanksgiving Carnival Queen continues with four contestants, winners in the first lap of the contest.

Sponsored by Sacred Heart High school students as an added attraction for the Thanksgiving benefit for the new church building fund, the four classes of the

school selected three favorites each at the beginning of the contest.

The high four contestants now in the run-off are Misses Gladys Hoffman, freshman; Floradell Endres, sophomore; Marianne Luke, junior, and Olive Haverkamp, senior. They will continue the contest, securing votes at a penny each, until shortly before the big day.

The queen's coronation ceremony will be held in connection with the evening program of the Thanksgiving carnival. Runners-up in the contest will serve as the queen's princesses and others who took part in the contest will be duchesses in the queen's court.

### Garden Club Hears Jasper Estes Speak On Insect Control

Jasper Estes of Gainesville was a guest speaker at the regular meeting of the Civic League and Garden Club Thursday night, Nov. 3, when the organization met in the home of Mrs. Ben Luke.

Mr. Estes spoke on insects, their characteristics, the damage they do and their control by spraying and dusting. In a round table discussion after his address he answered numerous questions asked by the members.

Mrs. Lou Wolf, flower show and pilgrimage chairman, named members of her committee. They are Mmes. Joe Luke, Ralph Maglaughlin and Ed McKinney. Mrs. Ervin Hamric asked Mmes. T.S. Myrick and Steve Moser and Misses Olivia Stock and Ruby Kelly to serve on her committee to plan the program for the coming year.

After the business session Mrs. Luke served refreshments to 23 members including one new member, Mrs. John Wieler, and five guests, Mr. and Mrs. Estes, Mmes. Felix Becker, Al Fleitman and Anthony Tagliavia.

### Gainesville C of C Honors County DHIA Members at Dinner

At their meeting last Wednesday night following a banquet in their honor, members of the Cooke County Dairy Herd Improvement association elected officers for the coming year.

John Voth was re-elected president and Peter Prescher was re-elected vice-president. The new secretary is W.L. Meyer.

About 75 persons attended the banquet at which Jack McCullough, Collin county agent, was the principal speaker. Twelve of the 13 members of the D.H.I.A. and their wives were present. Presiding at the banquet in the Community Center building was Weldon Blanton, chairman of the Gainesville Chamber of Commerce dairy committee. Clyde Bohls gave the invocation and Dr. J.R. Reuther performed several feats of magic.

Speaking briefly, Chamber of Commerce President F.E. Schmitz told the dairymen that "We, the business people, are at your service whenever you need assistance."

Texas dairymen must increase milk and butterfat production of their herds, Jack McCullough stated, and to achieve greater yields he outlined a four-point program of herd improvement: Careful selection of cows, culling, good feeding, and breeding.

The D.H.I.A. cow, the speaker observed, produces 346 pounds of butterfat annually. This record, he said, compared with the Texas average, supports his outlined herd-improvement. The average Texas cow, he added produces 136 pounds of butterfat annually which is much less than the national average.

### PRESERVE THE BIRD'S NATURAL QUALITIES IN DRESSING POULTRY

The last word on scientific preparation of chickens and turkeys for food locker and home freezers was heard here Wednesday by almost 40 adults and 40 students when F. Z. Beanblossom, poultry marketing specialist of A & M College Extension Service gave a demonstration in the K of C hall.

The main objective Beanblossom said is to kill, dress and process the bird in such a way as to preserve its natural qualities. Two steps toward that end, he explained, are to bleed thoroughly and scald lightly. A heavy scald will take off the outer layer of skin and make the bird more subject to dehydration.

Wrapping is the next important consideration. The package should be air tight to prevent loss of moisture through it.

Even after correct processing procedure has been observed the meat should be eaten within 3 or 4 months, Beanblossom said. Quality deteriorates with age, and the locker or freezer is a poor investment if the food turnover in it is too slow.

Mr. and Mrs. Adolph Walterscheid returned Tuesday from a vacation trip to the Rio Grande Valley, the Gulf Coast and Old Mexico. In Corpus Christi they visited Father Thomas at Spohn Hospital and learned that he will be permitted to leave the hospital this weekend.

Texas' Capitol building is seven feet higher than the Capitol in Washington, D. C.

Underground in Texas are more than half the known U.S. oil reserves.

### St. Mary's Nuptial Unites Sarah Schad And John J. Arendt

Miss Sarah Frances Schad of Gainesville and John J. Arendt of Lindsay exchanged marriage vows Thursday morning, Nov. 3, in Saint Mary's church in Gainesville. The bride is the daughter of Mr. and

Mrs. Henry P. Schad and the groom is the son of Mr. and Mrs. Paul Arendt. Rev. Peter Molloy, pastor, performed the ring service and officiated at the nuptial high mass. Baskets of white mums and green palms and fern decorated the church and white satin streamers marked the pews. Mrs. Ray Winder presided at the organ for the wedding marches and accompanied Mrs. J.W. Schad, aunt of

the bride, who sang "Ave Maria". She remained at the organ to accompany the church choir in singing the mass. Mr. Schad escorted his daughter to the altar and gave her in marriage. **Bride's Gown** The bride was lovely in a formal white satin gown with a fitted bodice topped by a high collar. Modified leg-o-mutton sleeves were finished with petal cuffs. The full skirt was gathered at the drop waist and fell into a graceful chapel train.

The bride's shoulder length veil of imported, appliqued French illusion was attached to a satin bonnet with lilies of the valley. She carried a white prayerbook topped with gardenias and mums and showered with white satin streamers. For something old wore a gold link necklace, more than 100 years old, which had belonged to her great-great grandmother. Her something borrowed was a rosary belonging to Mrs. A.G. Hutton, which came from Jerusalem.

Miss Eleanor Schad, cousin of the bride, was maid of honor. She wore a chartreuse taffeta dress made similar to the bride's with a shallow, boat-shaped neckline, short caps sleeves and full skirt, and carried a muff of the matching taffeta topped by a corsage of pink pom pom mums. Her head-dress was a bonnet shaped like the bride's.

Miss Joan Arendt, sister of the groom, was bridesmaid. Her gown of forest green taffeta was identical to that of the maid of honor, and she carried a muff topped with bronze pom pom mums.

Alfred Neu, cousin of the groom, and Johnny Sturm were the groom's attendants. Vincent Zimmerman, Andrew Arendt and Paul Arendt Jr. were ushers.

Mrs. Schad wore a satin suit of French lime for her daughter's wedding. With it she wore navy accessories and a corsage of orchid mums. Mrs. Arendt wore a brown matelasse crepe dress with green and brown accessories and a yellow mum corsage.

**Reception Is Held** Following the wedding a reception was held to honor the couple. The home was decorated with arrangements of varicolored mums. Mrs. Francis Wiese presided at the bride's book. The table held a wedding ring cake and Mmes. Maxine Geisler and Fred Dulock presided at the silver coffee service.

When the couple left on a wedding trip the bride was wearing a cocoa suit with cocoa and green accessories. When they return they will make their home at 510 South Dixon street in Gainesville.

The bride graduated from St. Mary's High school and attended OLV College in Fort Worth. The groom graduated from Lindsay High school and is employed with his father.

**Rehearsal Dinner** A rehearsal dinner was given Wednesday evening when Mr. and Mrs. F.C. Beattie, uncle and aunt of the bride, and Miss Frances Schad, aunt of the bride, entertained in the home of Mrs. Eugene French, Marysville road. There were 20 guests.

Sgt. Nick Arend of Great Falls, Mont., spent a leave with his mother, Mrs. Lena Arend, and left for Fairfield Suisan AFB in California, where he will have a short assignment before going to Japan.

Texas has three Declarations of Independence.

### Lindsay School Tattler

Reporter, Viola Kuhn

**ORGANIZE VOLLEY BALL TEAMS** Drip! Splash! Drip! Those are some of the sounds which greeted the Seniors, Juniors and the rest of our school mates. Why did it make us loose our smiles for a while? The secret is that the high school girls have organized two volley ball teams and we didn't want to miss practice. We could hardly wait until the patter of the rain stopped so we could get in full swing again. With our captain, Clara Belle Fleitmann and co-captain, Viola Bezner, we were soon at practice again — even though the first time we did get spattered with mud in the places where it was not quite dry enough.

**BLUE AND WHITE UNIFORMS** The girls decided to get white sweaters and blue ballerina skirts as uniforms. It is also hinted that blue and white "beanies" are on the way.

**REORGANIZE SODALITY** We also reorganized the Sodality for this year, acting officers being Clara Belle Fleitmann, President; Alma Louise Kubis, vice-president; Mary Elizabeth Kubis, secretary; and Rita Hermes, treasurer.

**HAVE THEATRE PARTY** The first event of the year was to be a party with the Seniors acting as hostesses but it was postponed in order to enable us to take advantage of the State Theater's generous offer to see "Come to the Stable" on Monday afternoon.

Sweetwater gets its water from Bitter Spring.

The Rio Grande River is about 1,569 miles long.

### Confetti ---

directly over town headed south, presenting a more beautiful sight than the first one. In addition to the fiery wake streaking thousands of feet to the rear the plane itself threw a fiery reflection from its under side. We of Muenster are grateful to somebody at Carswell Air Force Base for a mighty fine free show.

From the University of Texas comes a report that the registration for public school teaching courses is up 66 per cent over last year. A very gratifying bit of news which offers a hope that before many years Texas children will have better scholastic opportunities. It will take a while of course, but we now see possibilities of enough adequately trained teachers to fill currently existing vacancies and also to replace many fill-in teachers who have had emergency instruction only.

The reason behind this sudden change, of course, is the recent shake-up in state school policies, especially that applying to the salaries of teachers. The level of compensation, now high enough to assure a comfortable living, is attracting young talent and ambition that used to turn to other fields.

It's a very constructive trend. As things were going a teacher had little more than the hum-

anitarian urge to carry on the vital task of molding children into good citizens. There was many a heartbreaking case of kids quitting high school to accept better paying jobs than their teachers held. Thousands of illiterates received more than college trained teachers. But that is changing. The teacher's prestige is rising. He can live in a state of dignity and comfort that becomes his important task.

The change will benefit children as well as teachers. As more enter the profession the standards will rise. Competition will take care of that. And

the net result will be better teachers as well as more teachers.

To date we have filled **441,005** PRESCRIPTIONS Just as your doctor ordered. Bring yours to us **WATTS BROTHERS** Gainesville
