NUMBER 45

A disturbing situation was indicated by Congressman Omar Burleson last week in relation to a proposed cargo preference bill soon to be before the Congress. The bill provides that at least 9 1/2 per cent of the eight million barrels of oil imported into the U.S. each day must be shipped in this country's flagships.

At present, little oil is brought in by US ships, simply because it is cheaper for ships chartered under foreign flags to deliver the oil. The difference of cost is principally the cost of wages paid to seamen. Although the United States subsidized the building of merchant ships and even their operation, the maritime unions demand wages far beyond that of competing nations. As a result our merchant marine and tanker fleets have become smaller until, at this time, there is a real threat of further diminishing our ocean shipping capability.

There is dispute as to the added cost of requiring that 9.5 per cent of the imported oil be transported in our ships. Oil companies say it will bring on a \$2 billion increase in prices. Shipping interests estimate the increase at \$240 million a year and a new estimate by General Accounting Office sets the guess at \$550 to \$600 million.

The Carter Administration, which supports the bill estimates that it will add 2 cents a gallon to the price of gasoline. Also to be expected are increased costs due to increased imports plus increase of domestic crude price to meet the cost of imported oil.

The proposal presents quite a predicament. Americans don't like the idea of losing the shipping business and maritime jobs. But neither do they like the idea of forcing consumer prices upward. The nation is the loser no matter how the proposal goes.

Even so, the problem would be more tolerable if it referred only to oil and shipping. But the sad fact is that it applies to hundreds of industries. Millions of people have lost their jobs by pricing themselves out of the labor market. They learned to their sorrow that their products, with a high price caused by high wages, could not compete with the products of cheaper labor. This is the reason import cars and appliances and gadgets, and dozens of other every day needs bear the label of the foreign factory.

Technological progress in this country originally gave our workers an advantage in world competition. They were able to produce more per person and earn higher pay while enjoying a favorable market. But then came the know-it-all economists saying we can eat the cake and still have it. Wages went up but after a time the market had vanished and workers discovered they had lost their jobs.

Many millions of Americans are convinced that the country does not have to operate on a high wage scale. Reasoning tells them that they can well afford to work for a lower wage if they can also buy at a lower price. This system in the long run enables us to live as well as we could with the high wage and higher price. But at the same time our reduced price would appeal to the foreign market.

... more exports as well as more domestic sales. And still another benefit is the increased buying power of savings and fixed income, which creates more business potential.

This theory is as sound today as it was fifty years ago. The only trouble is that a comparative few financial moguls in government and banks are cashing in on the system. Federal deficit allows them to repay obligations with cheaper money than they took. At the same time constantly increasing wages enable workers to keep ahead of the price increases they cause. They're ready for the next raise before prices catch up with them.

Common sense tells us that present economic woe in the midst of abundance is a sure sign that our country needs to get its money elements back in order. Congress needs to start with itself, reducing pay to a level of reasonable comfort instead of wealth and extravagance. The same applies to federal employees

SH Alumni Plans For Homecoming

Plans for the SHHS Homecoming observance were announced by Alumni members during their Sunday evening meeting in the High School Library.

Activities scheduled to coincide with the Tiger-Notre Dame Knights game on November 12 include a social hour to honor graduates of 1937-47-57 and '67 in the meeting rooms of the Sacred Heart Community Center, 6-7:30 p.m.

Following the game, a dance will be held in the Community Center. It is open to the public.

Plans for the New Year's Eve Dance, sponsored by the Alumni, are developing. Corley and the Del Rays will play.

Tommy Hesse, alumni president, conducted the business meeting. Refreshments were served following adjournment.

County United Way Drives for \$80,000

Muenster and the rest of Cooke County will participate this month and next in the most ambitious fund raising effort in the history of the Cooke County United Way.

The goal for the 1977 drive is \$80,000, an increase of \$5,000 over the 1976 goal of \$75,000.

Last year was the second successful drive in a row for the county. County residents have boosted the drive over its goal by almost \$3,000 each year.

Virgil Henscheid heads the drive in Muenster and Gene Davenport is chairman of the area division.

Mike Arrington is president of the United Way, and Dr. Harry Roark is this year's overall drive chairman.

Money from the United Way goes to serve 10 member agencies which affect nearly every family in the county.

Included on the list of agencies is the Muenster Youth Council which will receive \$1,175 if the 1977 goal is met.

Other agencies are the Boy Scouts of America, \$8,000; Camp Fire Girls, \$9,305; 4-H & FFA, \$3,000; American Red Cross, \$12,500; Council on Alcoholism, \$200; Gainesville Boys Club, \$24,000; Salvation Army, \$8,500; Southwestern Diabetic Foundation, \$7,000; and the Texas Rehabilitation Hospital, \$600.

In addition, the county United Way office is funded for \$5,720 in order to keep the office open on a year around basis and to pay for costs of the annual campaign.

The drive got underway Tuesday in Gainesville with a kickoff breakfast for the advance gifts division.

A giant rally for the estimated 180 United Way workers in the other divisions is slated for noon Tuesday at Cooke County College.

The United Way office is located in Room 214 of the Schad & Fulte Building at 110 S. Dixon St., Gainesville. The telephone number is 665-1793 and the mailing address is P.O. Box 208, Gainesville, 76240.

Mr. and Mrs. Ted Gremminger of Denver arrived Monday to visit his father, Ted Gremminger and her parents, Mr. and Mrs. Victor Hartman.

Mr. and Mrs. Bobby Yosten, Codi and Terri of Eules were Sunday guests with their parents, the Al Yostens.

Saturday Is Date for PP&K

The 18th annual Punt, Pass & Kick competition co-sponsored by Endres Motor Co. and the Muenster Jaycees will be held at 2 p.m. Saturday, October 1 on the MHS football field.

The contest is open to boys and girls of ages 8 to 13, and the registration deadline formerly set at September 30 has been extended to starting time on Saturday. Youngsters who fail to sign up on time are reminded that they will still be welcome.

Jaycees, who will run the show, expect the usual number of about 80 kids to report. Jacki Flusche, project chairman, said that about 40 came last year for the special clinic preceding PP&K and twice as many came to the contest. And about 40 were there again last Saturday.

There are six levels of competition, one for each age group 8 through 13, and each level will receive trophies for the first three places. Contestants will compete only with the entries of their own age group. Also, since there is no contact, an entrant's size is not as important as his ability to punt, pass and place kick for distance and accuracy.

The method of scoring is to measure the distance of the punt, pass or kick less the distance from a center line. Then the three separate scores are added together for the contestant's total score.

Local PP&K is a part of the nation wide contest. Winners can advance through zone, district, area and division contests to the national final at the Superbowl game. The Zone contest will be held in Muenster on October 15.

Junior Football

Junior teams of both Muenster schools will be busy with double header football games Thursday night, Sacred Heart will play the Alvord kids at home and the Public School will be at Lindsay. Starting time is 6 p.m. both places, junior high playing the opener and junior varsity next.

Bryan Wiesman, who is attending college at Northeastern A and M in Miami, Oklahoma, has received a football scholarship with the Horsemen. Brian is the son of Mr. and Mrs. Leroy Wiesman of Tulsa and a grandson of Mr. and Mrs. Al Haverkamp of Muenster and Carl Wiesman of St. Richard's Villa, Muenster.

MHS Clobbers Chico 58-0

A big and productive change took place in the Hornet line-up last week. The team which had been floundering in a veer formation found its potential in the I formation accompanied by a few changes in backfield personnel. The results were amazing. Whereas the Hornets had been dumped 12-7 by Tom Bean, they annihilated Chico 58-0.

Another factor no doubt also had a bearing. The Hornets were opposing their former coach, Don Jones, and were determined to make it a memorable farewell party for him. They were about as ready as a team can be.

Nevertheless the change of procedure was the important point. It soon became apparent that talent was being more efficiently used when David Felderhoff relieved Nick Walterscheid at quarterback allowing him to join his brother Neil and Gary Hermes as the running backs. With abundant help from a sturdy line, the ball toters gained consistently throughout, as indicated by the fact that Muenster punted only once, and that was by reserves near the end.

On the other hand Chico punted seven times and fouled up an eighth punt attempt. The vicious Hornet defense held the Dragons helpless. Net rushing yardage was -8 for Chico and 360 for Muenster.

The rugged defense started in the first series, which ended with Carl Pagel's fumble recovery on the 10 yard line. From there Nick Walterscheid hit the line three times for the first TD and booted the bonus punt.

Ending their next series the Dragons punted and the

Survivors include her husband; one daughter, Mrs. Nancy Nance of Waco, one son, Herbert Nance of Gainesville; two grandchildren; her mother, Mrs. Leona Burk of Saint Jo; one sister, Lillie Harvill of Saint Jo; and two brothers, J. C. Burk of Bowie and Thomas B. Burk of Big Spring.

Grid Classic Heads MHS Homecoming

Coming up at Muenster High is a big weekend of homecoming activity featuring a football classic with Aledo, homecoming formalities and two nights of social activity.

The festive spirit started Wednesday night with a bonfire and pep rally near the Weinzapfel Lake. It took place on schedule, and possibly inspired extra enthusiasm because of extra effort involved. A stack of material originally intended for the blaze was ignited Monday, and students labored into the wee hours Tuesday building a new pile.

A second session of pep rally is scheduled at 3 p.m. Friday at the Hornet grandstand, instead of the downtown rally originally planned. Efforts are under way to make it something special and visitors are invited to come.

Traditional formalities will begin with a parade preceding the game. Principals will be the Hornet Band, directed by Bob Hayes, and the

queen's party on the homecoming float. Also, the band's usual half time show is advanced to a 7:45 pre-game show. Crowning ceremony will be at half time.

Candidates for homecoming queen are four seniors: Shirley Monday, Gay Mollenkopf, Ruth Walterscheid and Robynn Richey. One of them will be announced as queen and the other three will be named princesses with representatives of the three lower classes: Rita Sicking, Janell Lutkenhaus and Kellye Klement.

Escorts are Jim Koelzer, Tim Wolf, Mark Mollenkopf, Calvin Otto, Mark W. Sicking, Doug Clever and Greg Knabe.

Tina Mollenkopf, last year's queen will crown Her Majesty. Mr. and Mrs. Rick Walterscheid, homecoming co-chairmen, will present a bouquet of red roses to the queen. Mrs. Jill Swirczynski Kralicke, '67 queen, and Mrs. Mary Pick Schwartz, '57 queen, will present hand corsages to the princesses. Grads of the '57 and '67 classes are specially honored at the homecoming. Mr. and Mrs. Jim Endres are chairman of arrangements.

A dance in the Community Center will follow the game. Music will be by Sound Committee, formerly Sunrise.

A special event for the 1967 grads will be a pre-game get-together in the home of Wayne Klement.

1957 grads will have their event the following evening in the VFW Hall. They and Sacred Heart grads of the year will have a joint reunion beginning with supper at 5 p.m. The party will have time out for attending the Tigers' football game and will be resumed after the game.

Friends of Library Are Asking for Favorite Recipes

The Friends of the Library are sending out the last call for recipes to be included in the cookbook they will publish in time for Christmas gift-giving.

They have collected a number of favorite recipes in the community and are appealing this last time for residents to submit any recipe which they enjoy cooking or eating.

Recipes should be given to Mrs. Andy Klement (Emily), Mrs. Harold Flusche (Jeanine) or Mrs. John Pagel (Jo Ann) by Sunday, October 2. That is the deadline for assembling, organizing and preparation for printing. The books will be offered for sale in early December.

More Football

Something extra on the local football program this week is the meeting of Tyler Gorman and Christ the King, Lubbock, on the Sacred Heart field Saturday, 2 p.m. It's a TCIL conference game.

The schools are compromising by meeting here so that neither will have to make the long trip.

Tigers Blast Panthers 36-0

Sacred Heart's Tigers continued their perfect record Saturday night with a 36-0 win over the Panthers of Saint Jo. The game was a decisive affair in which a stout defense held the Panthers to very few gains while the aggressive SH offense gobbled big chunks of yardage all night.

Probably the outstanding feature was the amazing rash of Tiger penalties which tripped them up in the initial action and cost a total of 158 yards during the contest.

Following kickoff Bob Hartman, Ken Felderhoff and Joe Sicking made a first down but got fouled up by a clip penalty in the second series. They kicked and Panthers kicked four plays later.

Then came a repeat of original procedure. SH completed the first series and was stopped by a big penalty in the second.

Tigers kicked again and Panthers needed to do the same ending the first series. Then the home team got a break. Snap to the kicker was

covered it for SH on the 20 yard line. From there Joe Sicking gained 4, a penalty moved the ball back to the 21 and Bob Hartman scored from there. The play was a beauty ... good blocking to get him started plus nice footwork. Ken Felderhoff's PAT made the count 7-0 at 0:35 in the first period.

Once the ice was broken the job seemed to get easier. Following a Panther punt on first play of the second quarter the SH boys went from midfield in 8 plays for the next TD. Big plays were 15 by Danny Walterscheid on an option and runs of 14, 7 and 11 by Joe Bartush. The last was the scoring play followed by Felderhoff's second PAT. Scoreboard clock read 8:41.

For the rest of the quarter the visitors were back in the game. To begin, their gain plus a penalty reached the SH 47. A partly blocked kick on the next series put the Tigers in possession on their 38. A gain of 7 by Danny (Continued on Page 10)

On Monday, Sept. 12 Meerle started to work in the local Linda Jo Shoe Factory.

There are about 8 or 9 vacant houses in the Burg itself. Think it is a shame that these houses have to sit around without occupant. They sure do go "down" fast when no one lives in them and that is also a shame. However, some folks would rather see the house collapse and ruin instead of renting them. This reasoning seems odd to me but then "they" ain't me.

Mr. and Mrs. Howard Sockwell left D-FW Airport August 26 for Seattle, Washington to join the Johanson Tour Group. They went by tour bus and visited points of interest in Canada — such as Vancouver, Harrison Springs, Vernon, Lake Louise, Banff, Jasper. They visited ice fields and glaciers around and between Banff and Jasper. The first snow of the season had fallen on 1st of Sept. between Banff and Jasper. On the way back to Vancouver the tour followed the Fraser River on to Seattle where the tour ended. Marion says 36 very nice people were on this Johanson tour. They met a very lovely couple from Australia. From Seattle they took a night flight back to D-FW.

Mrs. Cleo Lanier and daughter, Mrs. Jeanette Montgomery of Greenwood visited with Mark and Hettie Landers in Pleasant Manor, Nocona on Friday, Sept. 16.

Mrs. Donna Scott and sons of Lewisville visited her parents, the A. B. McMillions of Dewey recently.

To our friends and readers of this column who now reside in Saudia Arabia we would like to say it is still rather warm and humid here in the "Burg-country". However on Monday, Sept. 12, some showers did move thru the area — leaving behind various amounts of moisture. Here at the Denham abode we had about 2 inches. Others had more and some had less an we hope fall is nearly here.

2 New Members Join VFW Auxiliary

The annual visit of District I President, Betty Guy and reception of two new members highlighted the September 19 business meeting of the VFW Auxiliary in the Post Home.

Mrs. Guy was accompanied by Helen McDonald, deputy chief-of-staff, both of Denton. They were introduced by the local president, Mrs. Linda Knabe. Mrs. Guy praised the

Auxiliary for its membership and achievement.

Mrs. Knabe conducted the business meeting and presided for a reception ceremony for new members, Lu Vogel and Armella Cler.

The membership chairman reported that 86 members have paid dues for 1978.

Members discussed the October activity project, and voted to pay the hospital pledge, and the per capita tax from the auxiliary treasury.

Mrs. Guy reminded the group of the Cancer Fund project and members planned a bake sale for that benefit. It will be held Friday, October 14 at Pagel's Hofbauer's and Fisher's from 1-6 p.m. Co-chairman are Mrs. Ethel Hesse and Mrs. Knabe, who accepted volunteer helpers.

Mrs. Hilda Sicking was hostess for a cold buffet following the meeting and served 26 present, 22 members, two new members and the two guests.

Mrs. Agnes Hesse won the door prize and members presented a gift of Muenster cheese and German sausage to Mrs. Guy.

Muenster Juniors Lose Two to Chico

The junior teams of Chico took a pair of closely contested games from Muenster juniors Thursday night. The first was anybody's until late in the fourth when the visitors iced it away with a big play for a score of 18-6. The other score was 14-6.

In the opener Chico was first to get on the board. The scoring play was a 7 yard run completing a drive of about 30 yards.

That's how it remained until the young Dragons completed a touchdown pass for 40 yards in the third. Then Muenster put a 50 yard drive together and climaxed it with Matt Sicking's plunge for 2 yards.

On the following kickoff Chico recovered and Muenster took possession on the 40, then went to the 20 but could not keep going. And shortly after that Chico cinched the game with an 80 yard scoring gallop. Another Dragon score was presented by a stout defensive stand at the 5.

In the second game as in the first the physical odds were staked. The little Hornets were vastly outmuscled on the field and outnumbered on the sideline. Junior High had three reserves and Junior Varsity two, still they gave a good account of themselves.

An interception by Weinzapfel early in the second quarter gave Muenster a start on Chico's 38. Four short gains plus two 5 yard penalties advanced the Hornets to the 19 where Winn got loose on an end run.

Following kickoff return and 15 free yards Chico too got started from the 38. Only four plays were needed to reach pay dirt. Score was 6-6 at the half.

Early after intermission Muenster lost possession on the 26 by interception and six play later a 13 yard pass broke the tie, after which the PAT run made the score 14-6.

Early in the fourth Winn's interception seemed to spark a Hornet drive but it could not keep going. It gained 33 before being abruptly stopped by an interception. Twice more before the end Muenster lost possession by interception. Weinzapfel, Winn and Floyd Felderhof each intercepted four times.

Mr. and Mrs. Harvey Schmitt and children were guests of her sister, Mrs. Keith Tompkins and family in Arlington Sunday and together they attended the Fall Festival at St. Maria Goretti Church in the afternoon.

Tiger JV Loses to Callisburg Kids

Sacred Heart Junior Varsity broke even with Callisburg's juniors in performance last Thursday night but they could not do as well on the scoreboard. While losing 14-6 they matched the young Wildcats 6 to 6 in first downs and made a pair of nice drives, though only one of them went all the way.

The first score was a safety near the end of the opening quarter. From their 42 yard line the Tigers were moved back to the 27 by a holding penalty. Next play was an attempted pass that turned into a quarterback scramble and kept drifting back in an effort to evade tacklers. It finally ended on the 4 and the next play was a sack behind the goal line.

Shortly after that a fumble recovery on the Tiger 44 inspired a Wildcat touchdown drive. A 28 yard pass was the big gain and a 22 yard run four plays later reached the

5. A fine stand by the Tigers held for three downs but the fourth went in from less than a yard. Early in the second half the Callisburg kids scored their second TD on three big plays: a gain of 14 to the 50, a gain of 11 to the 39 and a 39 yard and run to pay dirt.

An exchange of fumbles following the next kickoff and the Tigers started moving at their 26. Craig Walterscheid stepped off 27 to the Callisburg 47. Two tries netted a yard, then a screen pass from Ken Hartman to Mark Nasche gained 12 and a facemask penalty added 15 to the Callisburg 15. Three more tries gained 5 before a pass, Hartman to Monte Endres, yielded a TD.

Later in the half SH put on another good drive but failed to keep it going. Starting from their 24 they toughed out 43 yards in twelve plays. The tries were mostly for short yardage, except a pass, Hartman to Monte Endres for 19. But then they stalled at the 28. Three plays made no gain and the fourth was a five yard loss.

Attend Convention Of State HD Clubs

by Evelyn Yeatts
Three members of Home Demonstration Clubs in Cooke County are attending the annual Texas Home Demonstration Association Conference September 20-22 in Galveston. Delegates attending are Mrs. Monica Hess, council chairman; Mrs. Wilma Richardson, T.H.D.A. chairman, and Mrs. Alice Hellman, Muenster Home Demonstration Club. Also attending to represent District IV extension agents is Mrs. Evelyn Yeatts, county extension agent.

Among highlights of the meeting are keynote addresses, educational workshops and social events. Educational workshops during the meeting include sessions in health, safety, family life, citizenship, cultural arts and 4-H.

From those workshops, members will bring background, teaching methods and actual subject matter for developing local programs in Cooke County.

Organized Home Demonstration and Extension Homemakers Education (EHE) clubs now have 22,000 members in Texas. A 1973 national survey reported national membership at 600,000 — to total a larger membership than any other women's organization in the United States. Cooke County has 12 Home Demonstration Clubs over the county.

According to Home Demonstration guidelines, members are organized to improve family and community life through the study of health, food, clothing, housing and furnishings, money management and family life.

Irving Class Has Moss Lake Outing

The senior class of Cistercian High School of Irving was entertained recently by Dr. and Mrs. Monte Hellman, whose son, Chris is a member of the class. They spent a day at Moss Lake as guest of Dr. Hellman's mother, Mrs. Alice Hellman.

Father Rock accompanied the 30 boys who enjoyed water-skiing and sailing, and also the large raft.

Chris Hellman brought a collection to show his grandmother, of "summer memorabilia" he accumulated during his trips abroad for summer study and class work at Feldclading. He also showed a number of pictures, especially of the area where he was born, while the family was stationed in Germany.

Father Rock was with the group of Cistercian students during their trip abroad, and met his mother in Vienna. She lives in Hungary, but since Father Rock could not get a visa to visit his Hungarian homeland, she came to meet her son.

The lake outing two weeks ago was a special treat for the senior class of Cistercian, planned as a "welcome home" for the students who were returning from summer study and travel in Germany.

Highlight of the trip was touring the Grotto in Westend, Iowa. Reputed to be the largest grotto in the world, it was begun in 1912 and is still building more.

Roger Haverkamp was released from Muenster Memorial Hospital Sept. 18 after ten days of treatment for a knee injury during a football game. He will recuperate at home until he is able to return to classes at SHHS.

First, they are easy. They brush or roll like a dream, dry in minutes, and the tools wash up in water. More important still, they really last, and I do enjoy the longer time between repaints.

If you'd rather take it easy than paint, next time try Satintone, the latex paint by Colony Paints. We have Satintone for all surfaces; indoors or out.

YOU CAN BANK ON IT!

Almost every person every day uses money - nickels, dimes, quarters, dollar bills. Obtaining even life's simplest necessities once was far more complicated. The settlers of America used commodities like corn, tobacco, and rum as money. Items were priced according to how much of the basic commodity they would buy; and the value of the basic commodity in the barter system was fixed by colonial legislatures. But the system was cumbersome. Colonial governments began to mint coins and print paper money. The main purpose of America's first banks was to issue currency. Living became less complicated. Today the bank still plays an important role in meeting the public's need for a medium of exchange. But payment has changed again. Today checks are used more than currency. About 90% of all payments now are made by check. Buying and selling is further simplified. We are proud to be a part of a system which continues to make the business of living easier.

Muenster Public High School had their bon fire Wednesday, September 23, in preparation for the Homecoming game Friday night. They are hoping that the bon fire helped the boys get all fired up for the game.

The traditional homecoming float is going through the final stage of completion. This year the homecoming theme is "The Year of the Hornet." The float and band will head the parade Friday night before the game. The band will also have the pre-game show and again at half time.

The Senior Civics Class is having a debate over Capital Punishment. Six are for capital punishment and seven are against, the rest of the class is the jury. The jury will grade the Pro's and Con's on how they participate verbally in the arguments.

\$280 Donated to Cystic Fibrosis

Cystic Fibrosis collections at both Muenster churches totaled \$280.20. The Bluebonnet Home Demonstration Club, sponsor, contributed an additional amount to enable them to send a check for \$300 to the Foundation.

The club expressed thanks to all who contributed, and all who helped in any way. Assisting club members with collections were Polly Fisher, Mary Lee Hennigan, Ginny Schneider, Jane Taylor, Patsy Bayer, Jolene Henscheid, Joan Walterscheid, Deann Walterscheid, Sug Bindel and Tonya Fisher. Betty Rose Walterscheid was project chairman.

Another very exciting program coming up will be held October 11 through 13. This will be the 4-H Home Economics Extravaganza. There will be five sessions in which the leaders may choose from Foods and Nutrition; Housing and Home Furnishings; Clothing; Family Life; and Family Resource Management. The 4-H Home Economics Extravaganza is for the experienced leader, that is the leader who understands 4-H work and has worked with at least one 4-H Project Group.

This Extravaganza is being planned as a bonus or something extra special for leaders which will enhance the 4-H leader training on projects that the County Agent has previously conducted. This opportunity is well worth the time and effort and any leader who is interested in attending has the option of the 4-H Council paying for half of their travel price. If you are interested in attending the 4-H Home Economics Extravaganza in Brownwood, please contact the County Extension Office at 665-4931, and we will be happy to give you further information.

I am looking forward to meeting with the 4-H clubs in Cooke County, and I am excited about all the new programs that the clubs have talked about and are putting into action.

The Tigers - - -

Walterscheid and 30 by Felderhoff advanced to the Saint Jo 25. Then a 15 yard setback on penalty followed by a fumble recovery put the Panthers on their 42.

Next the Tigers got a break. Mike Bayer blocked a punt putting SH back in possession on the 30. From there Felderhoff scooted for 12 and Hartman's pass to Glenn Walterscheid was good for TD No. 3. The kick was wide leaving the score at 20-0.

For the remaining few minutes Saint Jo marked up a pair of first downs advancing 37 yards to mid field. The short drive included a 26 yard pass, Weede to Cook.

Along with their 20-0 lead at intermission the Tigers led in first downs at 10 to 4 and rushing yardage at 166 to -5. The second half was to be less decisive as all reserves got to share in the win. But yards still favored SH 116-40 and first downs were 5-4.

On the first series of the second half Hartman recovered a Panther fumble on Saint Jo's 37. But SH failed to cash in the break. After a 15 yard penalty the Panthers got the ball back on a fumble and started going the other way. They gained two first downs to the SH 30 where Fred Koessler intercepted.

Finally, then the Tigers started working on their fourth touchdown. With 72 yards to go Bartush gained 9. Danny Walterscheid 6, Felderhoff 9 and Walterscheid galloped 38 big yards to the 10. Free yardage half way to the goal was for rough stuff on the tackle that stopped Walterscheid. And two plays later Koessler scored on Hartman's pass. Sicking's run for extra points was good. The score was 28-0 at 4:13.

Following Saint Jo's punt to end the first series, SH was set back to its 41 by a 15 yard penalty and on the next play lost possession by

a Panther interception. Four plays later Sicking's fumble recovery on the 50 inspired the game's final touchdown. Only three runs were needed for it: 12 by Bartush, 12 by Walterscheid and a fine 26 yard broken field run by Felderhoff. Hartman's run added bonus points at 11:50 in the fourth.

Youngsters took on the chores then and the scoring came to an end. Also the reserves did a fine job considering that they held their own in spite of the continued gash of penalties which invariably turned out to be gains for the Panthers and losses for the Tigers. The final quarter consisted of two kicks by each of the teams.

The Hornets - - -

from Felderhoff to Hermes upped the score to 34-0 and the clock read 9:58.

Next one came in a hurry. Ending first series Chico had to punt. Hermes stormed in to block the kick and Eddie Serna pounced on it in the end zone. Nick's place kick made the score 41-0.

On the kickoff that followed a Dragon fumble and Wayne Wimmer put the Hornets back in possession with 34 yards to go for pay dirt. Hermes and the Waltersheids used eight plays in going to the 1 where Neil finished the drive. Nick's extra point made it 48-0 at 4:08 in the third.

Thereafter the lineup consisted mostly of reserves, and Hornets made less progress. Among the happenings were a fumble recovery by Serna, an interception by Chico, nice runs by Greg Wilde and Randy Reiter and the final TD by Reiter. Felderhoff's pass to Todd Richey raised the count to 56-0.

Also during that time MHS failed on a field goal attempt, the Dragons made two first downs and Todd Richey made Muenster's only punt of the game.

In the closing minute a bad snap to the punter cost the Dragons two more points. The ball went into the end zone and was recovered by the intended kicker for a safety.

David & Goliath Situation Faces Tigers This Week

The big test of the season is coming up Saturday for the Tigers of Sacred Heart High. They are reaching far beyond their class to do battle with the Friars of Bishop Lynch High School of Dallas. Action will be on the Sacred Heart field starting at 7:30.

According to Coach Eddie Stock this kind of David and Goliath contest is very rare. By the UIL system of classification it would be Class B versus 3-A. He stated further that an upset of that magnitude is normally unthinkable, but the Tigers will be trying. The possibility is based on last year's record when the Tigers had a prestigious loss of only 21-6 in a game that was closer than the score. After two early TDs by the Friars the Tigers played 'em about even. Next fact is that SH is stronger than last year. The coach and his boys are convinced their dream is not impossible.

Of course Lynch is receiving utmost respect from Sacred Heart. Its record so far is a 14-3 win over Dallas Adamson (4-A), a 20-3 win over St. Mark's (2-A), and a 20-12 loss loss to Ferris (2-A). Meanwhile SH has a 22-12 decision over highly rated Era (B) and big wins over three other B teams.

All systems of the Tigers' big adventure are Go, in the opinion of Coach Stock. The only absentee will be Roger Haverkamp who was hurt two weeks ago. All others are physically and psychologically fine. And, more important, their quality of play is good. Following last week's game Stock said that the boys did a great job offensively and defensively except a few minutes of jitters early in the game. Thereafter they were in control all the way. The only problem, an epidemic of fumbles, is being corrected this week.

Another factor with a possible bearing is the home field advantage.

Sacred Heart IVs Beat Junior Rams

Sacred Heart Junior Varsity served a small sample of what was coming later when they tangled with the S&S youngsters, except the score was less devastating. This one was only 14-6.

SH started after the opening kickoff with a drive that was temporarily delayed by an exchange of kicks. The score came on a screen pass from Brian Bednorz to Mark Nasche for a 65 yard gain.

For the rest of the half neither team could move and the Tigers lost possession twice . . . a fumble and an interception.

Again in the third quarter the Tigers were stopped once by an interception and once by a fumble. Then early in the fourth the Rams got back into the game on a single big play. It was a fake kick that went 70 yards to the end zone. The PAT kick was blocked and the score remained tied. Shortly after that Mark Nasche almost got away but was caught at the 30 after a 55 yard gain. Kirk Mollenkopf went to the 19 and the next series stalled on the 10.

A fumble recovery by Mel Walterscheid gave the Tigers another chance from the 13. From there Nasche went to the 10 and Bednorz passed to Mel Walterscheid for the go ahead TD. Kirk Mollenkopf's run upped the score to 14-6.

Homets Take on Big Tough Aledo For Homecoming

Homecoming visitors at Muenster High Friday night have a real treat awaiting them, according to advance info on the Hornets' tussle with Aledo. The sign is that it will be more evenly matched than last year's big tussle which sent the MHS boys home as 21-6 losers.

Anticipation is high at Muenster High this week as Coach Jerry Stinson and the Hornets get set for the contest. They are working hard to polish their newly developed offense which demolished Chico 58-0 last week. They looked their best by far with Nick and Neil Walterscheid and Gary Hermes as the tough running backs taking handoffs from David Felderhoff.

Also, for the first time Bryan Sicking and Kevin Klement have the OK to play. Both have been healing from injuries received before the first game.

According to reports, the Hornets will need lots of offensive power to overcome an extra stout Bearcat defense. Aledo, with a 2-2 standing, just like Muenster, has given up points very grudgingly in the season to date. It has played only AA teams, beating Joshua 10-6 and Hillsboro 10-0. Decatur, rated in the state's top ten, beat Aledo 28-0.

One thing for certain about the school is that it has abundant source of talent. Classified as A, but barely under AA, it had more than 100 reporting for first practice. Besides Freshmen and JV teams it has a double platoon varsity. This factor will be in their favor as most Hornets have to play both offense and defense.

Over-all appraisal of the Bearcats is that they are not as strong as last year, especially on offense. Backs, though big and stout, are not the break-away type. Also, the team has had quarterback problems. The outlook for Hornet defense appears better than a year ago.

On the other hand there is the question of how the improving Hornet offense will cope with Aledo's rugged defense.

Everything considered, the game looks like a toss up to be determined by the breaks.

for instance the civil service people who get \$20 to \$40 thousand a year with 30 days of vacation and fringe benefits and retirement benefits for an easy job.

By comparison think of the average farmer or business man whose multi thousand dollar investment plus long days of hard work and complete absence of fringe benefits and retirement yield a much lower pay per year.

Yes, it would be good to assure the American seaman more business, but it would also be proper to work out more realistic wage scales for them and lots of other workers.

Though weather did not cooperate, the Muenster Jaycees and ten participating teams had a lively tennis tournament Sunday in the Muenster City Park.
