Hornets - Bearcats To Play Saturday In Leeper Stadium

The Muenster High Hornets' 1952 season opener with the Whitesboro Bearcats will be played in Leeper Stadium at Gainesville Saturday night, beginning at 8:30 o'clock.

The game was originally scheduled to be played Friday night at Whitesboro but was changed because improvements on the Whitesboro field will not be complete by Friday night. Local school officials declined an opportunity to transfer the game here because in returning it next year they would leave only four home games on their schedule.

Coaches Stewart and Embry are expecting a stiff contest. According to reports they have received the Bearcats lost only one letterman from last year's squad which lost a 19-7 tilt to the Sacred Heart Hi Tigers. Muenster Hi did not play the team last year but holds victories over it in two previous encounters. The Hornets won 26-12 in 1949 and 30-7 in 1950.

News of Sick And Injured

Mrs. Clem Reiter underwent major surgery at St. Vincent's Hospital in Sherman last week and is reported doing well.

H. L. Herron was in Denison Friday for a check-up at the Katy Hospital and x-rays of his broken leg. Bones are knitting satisfactorily and doctors removed the old cast, replacing it with a light weight cast which will have to remain on about 30 days.

Carl Schilling entered veterans hospital in McKinney last Thursday for observation and treatment.

David Walterscheid, 13, has been dismissed from Gainesville Sanitarium where he had an appendicitis operation and is recovering nicely at the home of his parents, the Alfons Walterscheids.

Reports on Florence Fette show slow and steady recovery from the polio which struck her early in July. Her parents say that she is able to practice walking and the tightness in her face and throat muscles is gradually relaxing. She is also off the liquid diet, able to eat anything she wants.

Dale Wilde, 7, son of the Richard Wildes, who was in isolation in a polio ward at Parkland Hospital in Dallas since Aug. 24, was moved to Texas Children's Hospital in Dallas last Friday and is making progress toward recovery although he is still having trouble with a stiff back and weakness in his legs. Doctors believe it will be about four weeks before he will be able to leave his bed. His mother, who remained in Dallas during the first two weeks of his illness, returned home Friday after visiting with him. Mr. and Mrs. Wilde both visited him Sunday and Tuesday and will see him again next Sunday during regular visiting hours at the hospital.

Mrs. Jimmy Atteberry of Bulcher suffered a light stroke in her face last Thursday and was taken to the Nocona Hospital where it was learned she has a blood clot on the brain. Her condition is serious but she was some improved Monday, according to members of her family who attend her bedside.

RAY SWIRCZYNSKI BUILDS
Ray Swirczynski will be moving in a few months to a location just outside the east city limits on Highway 82 where he'll have ample space for a home and trucking equipment. The new house, started this week will have three bedrooms, white asbestos siding, car port attached. Later he intends to build a shop for equipment maintenance. After he moves his brother, Bernard, will move into Ray's present home on east First Street.

RAISING THE ROOF—Nonchalantly walking away from a hut in Korea, a Leatherneck of the First Marine Division doesn't even turn to see the damage wrought by the phosphorous grenade he has thrown. The hut was destroyed to prevent enemy snipers from using it.

Car Accident Fatal To Windthorst Man

Jacob Scheffe of Windthorst, known locally through his association with the Muenster Mutual Insurance, was killed in an automobile accident Monday near Scotland. He was 82 years old.

Funeral services were held Thursday at 9 a.m. in St. Mary's church at Windthorst with burial in Windthorst Cemetery.

Scheffe was a salesman and a farmer and an old-time auctioneer. At the time of his death he held the office of secretary for the Windthorst branch of the Muenster Mutual.

Survivors include his wife, three sons, four daughters, 19 grandchildren and eight great grandchildren.

Local Dairy Entries Win 11 Ribbons at Cooke County Fair

Muenster dairymen showed 11 winners at the 1952 Dairy Animal show held at the Cooke County Fair last week. Some of the top dairy animals in Texas were exhibited. More animals were entered this year than during the 1951 fair. Judging was by Uel D. Thompson of Texas A&M College.

In the Jersey division Paul Fisher showed the champion cow, which was the blue ribbon winner in the senior yearling heifer class.

Fisher also showed the blue ribbon winner in the Guernsey senior yearling heifer class and exhibited the red ribbon winner in the senior heifer calf class of the same type. Another winner in this class was Ed Pick whose Guernsey junior yearling heifer won a red ribbon. Donald Bayer's Milking Shorthorn junior yearling heifer was a red ribbon winner in its class.

In the boy's division William Fisher's entry in the Guernsey show was a blue ribbon winner in the 18 months and under two years class. In the same division for heifers one year and under 18 months, Ed Pick's entries won blue and white ribbons.

In the Milking Shorthorn division Donald Bayer's entry in the class for heifers one year and under 18 months, placed second and Sylvan Walterscheid's entry in the same class for Holsteins placed third.

In the sheep division Paul Hesse won five ribbons on his entries. His aged ram won third place, his ewe yearling second place, champion ewe, second and third, and yearling ram, second. All were in the Suffolk class.

Mrs. Werner Becker returned to her home Sunday after receiving medical treatment at Gainesville Sanitarium.

SHHS Gets Asphalt Basketball Court

When the basketball season arrives players of the Parochial School will be doing their practicing on an asphalt court. Members of the Sacred Heart Booster Club last week cleared a spot for it north of the high school building and will be hauling in a gravel base soon. After allowing about a month for the base to settle asphalt topping will be applied.

The size of the court is 90 x 50. Besides goals at the ends it will have goals at the side for practice shooting.

Plans are to arrange schedules so that games can be played in the MHS gym. The outside court is intended for practice only.

KCs Beat VFWs in Band Benefit Game

The band fund benefited in the amount of about \$100 Wednesday night as a good crowd saw the KCs trim the VFWs 16-11 after spotting them 5 runs in the first inning.

A team of old timers was no match for the vets so the Knights started replacing their starters after their first trips to the plate. By the third innng they had mostly younger talent and started playing steady baseball. A 7 run rally in the fifth put them in front and they held the lead from then on.

Mrs. Anna Simonizh Of Rhineland Dies

Mrs. Anna Simonizh, 88, a resident of Rhineland for more than 55 years, died Friday in an Abilene hospital following a three-week illness. A stroke and pneumonia caused her death. She was the sister of Mrs. Maggie Grewing and half-sister of *Joe Fisher Sr. and was well known here.

Funeral services were held Sunday afternoon at Rhineland in St. Joseph's church and burial was in the parish cemetery.

Mrs. Simonizh, the former Miss Anna Knauf, was a native of Germany. She was born near Cologne and settled in Wisconsin, then Iowa, after coming to America. From Iowa she and her husband moved to Rhineland. He died there years ago. During the past year Mrs. Simonizh made her home with a daughter in Abilene.

Survivors include one son and five daughters.

Among Muenster relatives at the funeral were Mr. and Mrs. Joe Fisher Sr., C. A. and J. W. Fisher, the Frank Bayers, the Ed Knaufs and his mother, Mrs. John Knauf, the Henry Grewings and John Grewings, and Misses Catherine and Veronica Rollman.

City Proceeds with Plans for Low Rent Housing Project

Muenster's public housing project, initiated early in July, moved another step forward Monday night in a special meeting of the city council and the local housing authority with R. C. Heartsill, a member of Paul G. Bentley Co., consulting engineers, of Dallas.

The meeting marked the expiration of a 60 day period during which residents of Muenster were to register their objections, if any, to the project. Mayor Hoffman stated there were no formal objections.

Thereafter the council agreed to comply with a PHA requirement to waive its right to taxing the property. In lieu of tax the housing authority agreed to pay the city 10 percent of the shelter rent earned by the houses.

Shelter rent was specified as that portion of income remaining after utility deductions have been made. PHA units are rented with utilities included, however there is a limit on the renter's utility allowable. He has to pay the excess over a specified figure.

After reaching agreement with

the council the local authority made formal application for reservation of preliminary funds to cover the cost of surveys and other expenses prior to actual construction. When those funds are received the group can continue its work of developing the project.

Heartsill is assisting the council and local authority to meet requirements necessary to qualify for the housing project.

He explained that the local project is a part of the low rent housing program that has been in effect in larger cities for several years. Its purpose is to provide adequate homes for people of low income.

A project is financed by bonds which are endorsed by the Public Housing Authority of the federal government. Interest rates are low and payment schedules are set up to liquidate the bonds in 40 years. After the buildings are paid off they become the property of the city.

Administration of the project is entrusted to a local housing authority, consisting of five men appointed by the mayor. Local members are L. A. Bernauer, J. M. Weinzapfel, C. J. Wimmer, (Continued on Page 2)

Walterscheid Child Stricken by Polio

Little Chris Walterscheid, this community's latest polio patient, is reported to be recovering nicely in Parkland Hospital Dallas. The 27 months old lad was taken to a Gainesville Hospital last Friday and transferred to Dallas the next day.

In a telephone report to the child's parents, Mr. and Mrs. Earl Walterscheid, Wednesday morning, a Dallas doctor said Chris is making splendid progress. He has overcome coma and fever and apparently has no trace of paralysis. He is able to take liquid foods and is in bright spirits . . . and does a great deal of talking. The child is expected to get out of an isolation ward this weekend.

WITH THE MEN IN SERVICE

Pfc. Quintin Lehnertz, who has been at Camp McCoy, Wis., has been transferred to Fort Atterbury, Ind., for advanced infantry training, he has written his parents, Mr. and Mrs. Joe Lehnertz.

Cpl. Urban Rohmer who was on leave here visiting his parents, the Leo Rohmers, since returning from duty in Germany, left Thursday of this week for San Antonio where he is to receive his army discharge. He expects to be back home as a civilian on Sept. 24. While doing overseas duty he was stationed for six months at Kaiserslautern, Germany.

Hornets Trim Hood's Boys in Scrimmage

Though it doesn't count on the season's record, the MHS Hornets have the satisfaction of getting off to a good start in a pair of practice tussles Friday and Monday nights. Especially pleasing is the fact that they bested the new charges of their former coach, Doyle Hood.

Both scrimmages were very similar to regular games and time was almost evenly divided between offense and defense. Coaches were on the field advising the boys and several details such as kickoffs, penalties and accurate checks on yardage were omitted.

In the first, played under the local lights Muenster crossed the goal three times and Henrietta once. Noggler and Hamric each sprinted about 40 yards accounting for two TDs. On the other Noggler intercepted a pass and raced 90 yards to the line. Henrietta scored on a 20 yard plunge through the line.

At Henrietta Monday Noggler and Hamric accounted for the two scores. Noggler's was a 50 yard dash and Hamric's was a plunge from the 1 yard line. Henrietta went over three times in that scrimmage.

37 Local Students Leave for School

A mass exodus of Muenster youth is under way. At least 37 young men and women have been reported to the Enterprise as enrolling for continued studies in institutions away from here.

Monte Hellman who received his BS degree at Marquette University, Milwaukee, in June, will enter the Marquette medical school.

Twenty one will attend college. Betty Lue Buckley and Bill Fuhrman have returned to St. Louis University. Ruth Fisher has returned to Gonzaga University, Spokane Washington. Glenn Hellman has returned to East Texas State College at Commerce. Douglas Robison, Ralph Cole and Virgil Walter will return this week to Texas A&M, and John Myrick will return to Texas University on the 15th.

Four students are enrolling as freshmen at Texas Tech. Ronald Herr left early to start football training. Damian Hellman, Larry Walterscheid and Roger Wolf will go next week. Jeanette Meurer, a student at ETSC last year will also attend Tech.

Four are going to NTSC at Denton. They are Merlin Joe Evans, Willard Hartman, Raymond Reiter and Keith Tompkins.

Jeanette Fisher, Anselma Knabe, and Pauline Mages will enter Victory College at Fort Worth. Ella Dell Starke has enrolled at Gainesville Junior College.

Student nurses are Jeanette Walter and Anselma Kathman, both at St. Paul's Hospital, Dallas, and Margie Baumhardt at Providence Hospital, Waco.

Eight students have enrolled in academies away from here. Jerry Fuhrman, Ray Luke, Rodney Walter, Richard Hess and James Hess are at Subiaco. Henrietta Mages is at Holy Angels Academy, Jonesboro, Ark. Anna Grace Fette and Irma Hesse are at Victory Academy, Fort Worth.

Joe Weinzapfel Jr. is attending Conception Seminary, San Antonio, Thomas Moser is at Mary Immaculate Seminary, San Antonio, Max Swirczynski is at Carmelite Seminary, Little Rock, Ark., and Jerry Klement is at St. John's Seminary, San Antonio.

SCHEDULE OF COMING EVENTS

SATURDAY, Sept. 13, Football Hornets vs Whitesboro at Leeper Stadium, Gainesville, 8:30.
TUESDAY, Sept. 16, Lions Club dinner and meeting in Homemaking room. 6:30 p.m.
TUESDAY, Sept. 16, PTA meeting, 8 p.m.

And, incidentally, let's try to understand how absurd it is to fight communism abroad and denounce it here, but heap abuse on a man who has the courage to name a communist agent or dupe.
Politicians are storming again about Senator Joe McCarthy. Calling him a character assassin and all sorts of names, just as they have for every charge he made in the past.
To our way of thinking this is no time for abusive talk. The only important question is, can McCarthy produce evidence to
(Continued on Page 8)

Housing Project - - -
 J. H. Otto and I. A. Schoech. They will determine who occupies the houses, also collect rents and supervise maintenance. Buildings, Heartsill said, are usually constructed as duplex

apartments with tile covered cement floors and brick veneered walls. An apartment consists of a kitchen-dinette, bath, living room, hall and one to three bedrooms. The number of one-, two- and three bedroom units will be determined by the survey which will start when preliminary funds arrive. Kitchens include range, refrigerator and water heater. There are no garages. Average cost is \$1300 to \$1400 a room.

Sites for the buildings have not been selected to date. That detail, along with the number and size of units will be determined by a survey of locations and general conditions of the community.

Heartsill said that approval of the local project is very likely. As far as he knows no city has been refused funds for a preliminary survey and only one has been denied a project. If this one develops according to the usual schedule construction on it should start early next summer, he added.

Garden Club Meets, VFW and Auxiliary Hears Book Review Plan for District Meet Here Oct. 18-19

A book review and a talk on roses of recent introduction provided an entertaining and informative program for members of the Civic League and Garden Club Monday night at their first meeting of the new season. The club had been disbanded during the summer months.

Mrs. Steve Moster, president of the organization, and Mrs. L. A. Bernauer were co-hostesses for the meeting in Mrs. Moster's home.

Miss Mary Catherine Anderson of Gainesville gave a review of the book, "The Tent Maker" by Julius Berstl. It is the story of Saint Paul, beginning with Saul as young man during his early days in Tarsus, through the fanatically anti-Jesus period, to Jerusalem to the awakening on the road to Damascus, which began the turning point — his and Christianity's history.

Miss Olivia Stock spoke on "Roses of Recent Introduction". She named and told about new roses including All American Rose Selections for 1953 which are a hybrid tea rose, the Chrysler Imperial, and a floribunda, the Ma Perkins. Three other roses mentioned were the Glacier, a floribunda; and two climbers, Pink Cloud and Coral Dawn.

During the business session committee chairmen gave reports and members discussed routine business.

Not Inactive While Disbanded
 Committee reports revealed that although the club was disbanded during the summer members were not inactive.

Mrs. Lee Toothaker, conservation chairman, reported on a vetch meeting she attended at Gainesville, and recommended the planting of vetch as a cover crop for gardens and yards.

Mrs. T. S. Myrick gave a report on park and flower bed work during the summer saying that shrubs and plants at the ball park had been tended and watered and the memorial rose bed at the public school had been weeded and watered.

The yearbook committee met during the summer to add a supplement to the book, the program from January to June 1953. The club year formerly from January to January is now September to September.

Mrs. Tony Gremminger, sanitation chairman, announced a city cleanup to be held on Saturday, Sept. 20. Boy Scouts will do the work.

Members also discussed important dates to remember: Sept. 29-30—Fall Board Meeting of Texas Garden Clubs, Inc., at Abilene; Oct. 14—Garden Club Day at State Fair of Texas; Oct. 29—District 2 Fall Meeting at Mineral Wells.

The hostesses served refreshments of punch and individual small cakes, decorated with green icing and white rosettes carrying out the club's colors, to 21 members and guests. Guests were Mrs. T. L. Anderson and Miss Mary Catherine Anderson, of Gainesville and Mrs. Weldon Holland of Muenster.

Never put off until tomorrow what you can do today—there may be a law against it tomorrow.

Members of the Muenster VFW Auxiliary initiated plans Monday night at their regular meeting for the district convention to be held here Oct. 18 and 19. The local VFW Post and the Auxiliary will share host duties for the two days.

Members outlined a list of committees needed to take charge of various details. Mrs. Earle Otto accepted chairmanship of registrations, Mrs. Carl Schilling and Mrs. Francis Wiese are in charge of decorations for the banquet and the dance, respectively, and Mrs. Frank Kathman Sr. is in charge of banquet plans.

Mrs. Maurice Pagel presided during the business session, which featured also a discussion on plans for initiation ceremonies to be held next month. Mrs. Paul Sicking, head of the dance committee, gave a report and Mrs. John Huchton reported on the honor roll.

Members voted to send a donation to the Texas Cottage Fund and reserved \$25 for an underprivileged school child. Mrs. Herman Stoffels was appointed hospital chairman. The organization endeavors to cheer patients at the VA hospital in McKinney, which is assigned to this area.

Misses Dorothy and Cecilia Sicking were hostesses for the social hour following business and served refreshments to those present. Miss Rose Marie Becker won the attendance prize.

Blessed Events

Mr. and Mrs. Tony Rohmer announce the birth of a son, their first child, at M&S Hospital Sunday at 10 p.m. Mrs. Rohmer is the former Miss Margie Sandman. The baby's grandparents are Mr. and Mrs. John Rohmer of Muenster and Mr. and Mrs. Bill Sandman of Lindsay.

Warrant Officer and Mrs. Jack Janicki are the parents of an eight pound six ounce girl, their third daughter, born at the local clinic Tuesday at 3:20 a.m. Also welcoming the newcomer are her sisters, Cheryl and Donna, her grandparents, the Jacob Pagels of Muenster and John Janicki of Chicago. Mrs. Janicki is the former Miss Marcella Pagel.

Mr. and Mrs. Frank Beyer of Gainesville are the parents of a son, a brother for Sharon, born at M&S Hospital on Sept. 4. The eight pound boy, named Richard Mark, is the grandson of the Henry Grewings of Muenster and Mrs. Adam Beyer of Lindsay. He also has three great grandparents Mrs. Maggie Grewing of Muenster and Mr. and Mrs. Frank Mages of Lindsay. His uncle and aunt, Robert Beyer and Miss Rosalee Grewing were his baptismal sponsors.

Mr. and Mrs. H. L. Herron Sr. of Longview spent Wednesday here with their son and daughter-in-law, Mr. and Mrs. H. L. Herron. Mr. Herron Sr. is depot agent for the Santa Fe at Longview.

Escalator Clause
 Said the eye specialist to his office secretary, "That fellow I just fitted for glasses—use the escalator approach on him. Tell him that'll be \$20—and if he doesn't yell too hard, say 'for each eye'—and if he isn't roaring by then, tell him the frames are extra."

Asked in an examination to "Give an account of the creation of man," a small schoolgirl wrote:

"First God created Adam. He looked at him for awhile and said, 'I think if I tried again I could do better.' Then He created Eve."

Signs
 In front of the flower gardens on the grounds of the City Hall in a small western town a sign reads:

"Love 'Em and Leave 'Em."

If ignorance is bliss, why aren't there more happy people?

Many a man who is proud of his right to say what he pleases wishes he had the courage to do so. Link Belt News.

Soil Conservation Notes

A seed harvest brought on by the prolonged dry spell has been going on around Muenster. Alfalfa fields that were cut only once for hay this summer are now laden with seed and co-operators of the Upper Elm-Red Soil Conservation district are quick to take advantage of this unlooked for cash crop and are getting the seed into the sacks. The alfalfa is short and is being combined standing. The seed is then spread to dry out.

Alfalfa seed yields are running all the way from 60 to over 100 pounds per acre. A 100 pound yield means a cash crop of about \$40 per acre. So, alfalfa which is our best soil improving legume cover crop and is undisputed king of the forage crops, proves

CONVEYANCE COMBO—Thanks to his ingenious father, this Tokyo tyke has a combination tricycle-carriage. When mother doesn't feel like pushing, baby takes over, and when he grows up, this Japanese lad will just remove the bars, and presto, he'll have a tricycle.

its worth in a dry year as a seed producer.

John Kreitz harvested 2700 pounds of seed and Paul Endres has 900 pounds of clean alfalfa seed. At Saint Jo, H. D. Fields harvested 1800 pounds of seed from about 18 acres.

The time to prepare for washing rains is before they come. Dr. L. B. Holland has just finished construction of four miles of channel type field terraces on his farm northwest of Muenster. Terraces outlet onto a Bermuda grass waterway that was sodded two years ago. Dr. Holland is also taking advantage of the dry weather to clean and deepen one of his stock ponds.

Alfred Sicking, near Myra, also has faith in the weather. He is adding terraces to his existing terrace system to give his fields added protection against run-off water when the rains do come.

To landowners who are anxious to get winter legume crops planted, personnel of the Muenster SCS offer these words of caution:

Alfalfa, vetch and peas require proper inoculation with nitrogen fixing bacteria if they are to grow successfully. If inoculated and planted in a dry, hot seedbed the inoculation soon dies and is lost. Also if seed is planted before a general rain the first little shower will cause it to sprout before enough subsoil moisture is available. The odds are against planting legumes before we get good soil moisture. For best results have phosphate, seed and inoculation on hand, and sow after the first good rain.

The reason there were fewer wrecks in the horse and buggy days was because the driver didn't depend wholly on his own intelligence.

Local News BRIEFS

The new voice saying "Number Please" at the Muenster Telephone company is Miss Patsy Gremminger's. She began training Sunday as a relief operator. The Misses Herr, Lena, Elizabeth and Katie, are continuing at their regular duties for the company.

The Conrad Flusches and son, Jerry of Decatur have returned from Subiaco, where they took their son, James who entered school there for the coming term. He is a junior at Subiaco Academy. Ray Zimmerer Jr. accompanied them on the trip.

Mr. and Mrs. Herb McDaniel are spending this week vacationing at Lake Texoma.

Charles Moster has joined the staff at the FMA Store, working after school hours.

Mr. and Mrs. Joe Swirczynski, Mrs. Bob Yosten and the Larry Yostens drove to Oklahoma City Saturday to spend the weekend in the John Swirczynski home where Sisters Ruperta and Angelina Swirczynski of Grand Island, Neb., were visiting. The Sisters arrived last Friday and left Wednesday, stopping enroute in Emporia, Kansas, to see their niece Mrs. Alex Knauf and family. Both nuns have celebrated their diamond jubilees in recent years. The Larry Yostens and Mrs. Swirczynski returned home Sunday night but Mrs. Yosten and Mr. Swirczynski remained until Wednesday when their sisters left.

Joe Mages, Pauline, Albina and Loretta Mages, Raymond Hesse, Irma, Caroline and Edna Hesse, Anselma Knabe and the George Schmidkofers of Lindsay were in Fort Worth Monday. Pauline Mages and Irma Hesse remained there at OLV and Anselma Knabe made arrangements to enter when the fall term opens.

HOUSE WARMING PARTY

A house warming party was given in the home of Mr. and Mrs. Tony Hacker at Valley View last Wednesday night. It was also a "thank-you" party for about 40 friends and relatives who helped the Hacker family move from Muenster to Valley View last week. Staying with the Hackers are her parents, the Joseph Preschers of Scotland. They will be there several months until Mrs. Hacker, who is recovering from polio, regains better use of her arms, and recovers her strength.

TWO SHARE HONORS AT BIRTHDAY OBSERVANCE

A surprise birthday party honored Mrs. Leo J. Haverkamp on Sept. 3 when relatives gathered at her home for the occasion. Also sharing honors of the afternoon was Mrs. Troy Cooper who will have a birthday on Sept. 14.

The guests brought birthday gifts, a decorated cake and ice cream.

Making up the party were Mmes. John Sturm of Gainesville, Ray Kupper of Lindsay, Anthony Luke and son, Frank, Walter Luttmer, and J. J. Haverkamp, Miss Rosebell Haverkamp, Mrs. Leo J. Haverkamp and Mrs. Troy Cooper.

LOOKING AHEAD

by GEORGE S. BENSON
 President—Harding College
 Searcy, Arkansas

SHALL WE PAY OUR DEBTS?

Sometime next year a new milestone is expected to be reached in Washington, D. C. The national debt, according to several official estimates, will reach the legal limit of \$275,000,000,000. If it wishes, Congress may lift the limit to some new astronomical heights. If Congress doesn't, whoever is President next year will be obliged to operate the government within its income.

This will be an important milestone. It will bring a decision on whether to place additional mortgages on earnings of future generations or whether we citizens of today shall begin paying our own way. I've been studying the budget for this fiscal year—"House Document No.

285." It weighs five pounds, one ounce. It contains 1,222 pages. Two paragraphs, 15 lines of type, are devoted to "Borrowing and The Public Debt." Those two paragraphs predict that the \$275,000,000,000 debt will be reached next year.

Examining the Facts

If the people of America knew and understood all the facts involved in the decision to be made on the limit for the national debt they would flood Congress with requests not to permit a further increase. For the past week I've been examining some of the facts. In 1900 we had a public debt of slightly more than one billion dollars. Fifteen years later the debt was smaller. The Federal government borrowed money throughout World War I. But beginning in 1920 and for the next 10 years the budget was balanced and the debt reduced each year—following the pay-as-you-go practice that had been the rule since our Federal government was founded.

In 19 of the 22 years from 1930 to 1952 the government each year spent more money than it received, and thus the debt grew—in peacetime as well as wartime. The budget for our present fiscal year called for expenditures of \$91,400,000,000. Congress whittled this down to \$80,300,000,000, which is more than the average spent during each of the four big spending years of World War II. The approved budget will necessitate the borrowing of about \$10,000,000,000 and will push the debt close to the \$275,000,000,000 limit.

Not easily Done

So we're not paying our way today. We didn't pay our way in 19 of the last 22 years. Since 1930 we the people, through our government, have borrowed \$260,000,000,000—a quarter of a trillion dollars. How much of it will today's earners pay? How much will this adult generation leave to be paid by today's children? These are fair questions. Some political orators answer: "Forget the national debt; forget the fact that we're borrowing; we're doing all right, aren't we?"

Debts have to be repaid—by someone, sometime. If we do not pay this debt made during our lifetime, who will? Future generations will have to. If we are to pay it we must do three things that aren't easily done: (1) reduce government spending; (2) balance the budget; and (3) begin immediately a program of debt reduction. When the debt reaches \$275,000,000,000 next year the interest alone will require \$7,000,000,000 a year from the taxpayers.

Can We Be Proud?

If in addition to paying the interest we decide to reduce the debt itself by \$10,000,000,000 a year that would mean the national debt alone would be costing each citizen with an income an average of \$261 a year. And it would require 27 years to wipe out the debt. When we add taxes for this year's \$80,000,000,000 budget, we have a yearly tax bill averaging \$1,500 a year for every

No Wonder Johnny's Puzzled

person with an income. That's the outlook immediately ahead when we face up to the hard facts on the budget and the national debt.

The most important first step citizens could take in this situation would be to prevail upon their Congressmen to balance the budget. This is a proper function of Congress. And it is the only way through which the citizens can exercise any control over government finances. The second needed step would be to drastically cut government expenses. Then the taxpayers could support a program of debt reduction that would permit us, 20 or 30 years from now, to say to the youth of America: "Here: This is your nation. We have enjoyed its blessings. Our Stewardship now is ended. We are passing it on to you free of debt."

On such an occasion we could be proud. But can we be proud of the situation today?

WHAT WE CANNOT BE VERY PROUD OF

We Americans have many things to be proud of, but our voting record isn't one of them. In Europe, particularly since the war, people seem to value the franchise more than we do here—perhaps because, since they lost their freedom during enemy occupation—they appreciate it now that they have it again.

In our last Presidential election, only 54 of every 100 eligible voters cast ballots. Yet in a recent Italian election, 94 out of 100 voted. A Dutch election drew 89 per cent, and in Great Britain 83 per cent voted. Sweden, Norway, Denmark and France each held elections in which 78 per cent or more of the eligible voters cast ballots.

If private enterprise had not begotten the richest world that ever existed, there would have been much less for the Welfare State to distribute.

Followers Of Karl Marx Continue Persecution Of Christian Missionaries

by Thomas E. Comber

"ESPIONAGE" was the charge against him—he was an American in Communist China. Robert W. Greene was raised in Jasper, Indiana. When he decided to follow Christ, he never dreamed that his footsteps would also be the bloody steps of Calvary. Kwangsi Province is a long way from Jasper, Indiana.

Terror rule under the Communists is a long way from America's tradition of justice for all men. Here are the facts. This is the way the Communies treated Robert W. Greene because he was an American—because he was a missionary.

Before they made his arrest official at Tungan, North Kwangsi on April 3, 1952, Father Greene had been under "house detention" for seventeen months.

TERROR-TREATMENT began on April 3, 1952 and was to last for eleven days. He was questioned ceaselessly, his head bowed and his arms tied behind him. He was lined up against a wall and threatened by a soldier with a machine gun.

Robert Greene was put through two public "trials"—at which hysterical mobs chanted, "Kill, kill!"

At the first "trial" on Palm Sunday the Chinese Reds brought him out before one mob. A guard struck his nose,

another clawed at his face. At the second "trial" on Easter Sunday four thousand Chinese yelled for his blood. This Maryknoll missionary was accused of "spying, possessing guns and ammunition, spreading rumors, supplying money to bandits, and killing People's Liberation Army soldiers with ether."

AFTER HIS second "trial" Father Greene was expelled from Red China. Three United States missionaries were in Tungan when the Communists arrived in Kwangsi, December 19, 1949. Besides Robert Greene, there were Gregory Gilmartin of Waterbury, Conn., and Irwin Nugent of Dorchester, Mass. They had both been previously expelled from Red China.

They had both seen the Communists seize Chinese Christians and execute them outside their mission as "counter-revolutionaries."

THESE THREE AMERICANS got out. There are still hundreds of missionaries behind the bamboo curtain and the iron curtain. They look to the free peoples of the world to help them—at least we can give them our prayers. They want us to pray for their Communist tormentors too! They want us to pray: "Father, forgive them, they know not what they do."

From where I sit... by Joe Marsh

Narrow Town—Broad Outlook

The wife's cousin Ben, and Belle his bride are back from honeymooning in the Rockies. Took them to dinner last night at the Garden Tavern. Ben told about the trip:

"Went through a town in Idaho that was only 100 feet wide. No kidding! Built into a long, narrow canyon. And it shares those 100 feet with a railroad track that runs right through the hotel!"

"To get gas there we had to park right on the tracks. Suddenly Belle screams—'there's a train coming!' But the gas fellow just laughs and says we were there

first. Blamed if the engineer didn't stop the train and wait, too!"

From where I sit, it's a good illustration of how people can learn to "think of the other fellow" so that the community benefits. Railroaders and townspeople, Democrats and Republicans, malted milk fanciers and those who prefer a temperate glass of beer—we all have to share the same space. Let's maintain our neighbor's "right of way."

Joe Marsh

**It Happened
15 Years Ago**

Sept. 10, 1937

Automobile crash near Whitesboro results in Joe Felderhoff's death on Sept. 2; business of city is suspended as hundreds attend funeral Saturday morning. Ben Otto wins bare-handed attack on Oklahoma criminal; captures convict near his home at Gainesville with assistance from Ewald Berend; Malloy (Red) Kuykendall, jail breaker and desperado, is returned to Oklahoma penitentiary. Permit is granted and poles arrive for baseball park lights. Boy Scouts have picnic as farewell for Ed Endres who leaves for school in Subiaco. Local relatives of the John Henschelds go to Norman, Okla., to help them celebrate their silver wedding anniversary. Labor Day picnic is big success for new church building fund. John Orth of Lindsay observes 80th birthday with all-day reunion for family and friends. Mr. and Mrs. John Streng announce the birth of Clara Louise. Miss Gertrude Roberg of Sherman visited here Monday.

10 YEARS AGO

Sept. 11, 1942

Rev. Thomas Buergler arrives today to take up duties as new pastor of Sacred Heart church. Rev. Richard Eveld remains as assistant. First day finds 305 children enrolled at parochial school; public school will begin classes next Monday. Ceremony and erection of service flag is held by local K of C council. Bernice Walterscheid is recovering from a tonsillectomy. Local sponsors and hostesses attend first USO dance in Gainesville. Veronica Rollman and Myrtle Friske have enrolled in classes at St. Mary's at Gainesville. Dinner party is farewell tribute for Florine Endres who will enter OLV College at Fort Worth. Pvts. Frank Hoedebeck, Paul Tempel and Paul Streng are at Camp Wolters reception center awaiting assignment. Pvt. Elmer Fette has been called for foreign service and has sailed from the west coast. Sister Bertha leaves Muenster after 30 years of teaching in the parochial school.

5 YEARS AGO

Sept. 12, 1947

C. J. Bernauer, 62 dies of heart ailment Thursday, Sept. 4. Death Friday halts apparent recovery of Henry Trachta, 66, community pioneer. Muenster schools enroll 518 children on opening day. T. P. Frost and J. B. Wilde start oil drilling business. Paul Hacker has surgery for acute appendicitis. Mrs. Herb McDaniel is in Glen Rose for eye treatments. Paul Luke left Friday for Muskogee, Okla., where he will study and work with his uncle, Henry Pagel, for the Katy. Dorothy Mae Yosten and Curtis Holland marry in Fort Worth on Sept. 3. Rufus Henscheld joined the staff at Cain's Humble Station this

SHE'S COLLARED—Pretty Barbara Ralston, secretary at the United States embassy in Rome, wears a colorful horse-collar which is being sent to Gen. George Marshall by Palermo craftsman Angello Vasello. It completes the harness ensemble and horse cart sent the soldier-statesman by Sicilians appreciative of Marshall Plan assistance.

**Local News
BRIEFS**

Mr. and Mrs. William Schroeder Jr. of Windthorst were here Friday to visit his sister and family, the Robert Knabes, and served as godparents for their new niece, Barbara Jean, at her baptism in the afternoon. Father Louis officiated at the service in Sacred Heart church. Brabara Jean joined the Knabe family on Aug. 26.

Miss Rita Hoenig left Saturday to return to her position in Dallas after spending a week at home with her parents, the Joe Hoenigs and family.

David Trachta and son, Jimmy, and Jerry Klement were in Dallas Friday for the boys' regular dental appointments.

Recent guests in the Don C. Cooke home were their children, the Harold Cookes of Fort Worth, the J. R. Halliburtons and son of Clark, Mo., and Mrs. Cora Mathews of Quincy, Ill. The Halliburtons returned home from here but Mrs. Mathews went to Fort Worth to visit the Harold Cookes before returning to her home by plane.

The Werner Henschelds left Sunday to return to their home in Hereford after spending a two-week vacation with his father, Wm. Henscheld and other relatives.

Sgts. Robert Bayer and Alfons Koesler of Fort Sill spent the weekend here with family members.

Mr. and Mrs. Francis Wiese were guests of Lt. and Mrs. Ray Geisler in Gainesville Saturday. The Geislers recently returned from Japan where he was on duty two years. They are visiting her mother, Mrs. Stogie Mitchell.

Mr. and Mrs. Herbert Swirczynski and son, Mrs. Virgil Doty and daughter, and their mother, Mrs. Al Swirczynski, all of Dallas, visited here last Wednesday with relatives, Mrs. J. S. Horn and the Joe Swirczynskis. They were dinner guests in Mrs. Horn's home.

Mr. and Mrs. Albert Fetsch of Munday and Mr. and Mrs. Fred Albus and children of Littlefield visited their brother, Paul Fetsch and family here Thursday night and Friday.

Mrs. Claude Cannon joined by Mrs. Wright Smith and Mrs. Ruth Pittman of Wichita Falls visited in Myra Friday with their grandmother and mother, Mrs. C. J. Tuggle.

Miss Emma Lou Gehrig, graduate of St. Paul's Hospital School of Nursing in Dallas, began nursing at M&S Hospital in Gainesville Monday. She is on duty from 11 to 7 p.m.

Mr. and Mrs. Paul Fetsch took Mrs. Jos. Flusche and Mrs. George Spaeth of Lindsay to Pilot Point Thursday to visit Ed Blumberg who is ill, and Urban and Andy Flusche.

**BULCHER HD CLUB MEETS
WITH MRS. JOHNNIE WEST**

The Bulcher Home Demonstration Club held its regular meeting on Thursday, Sept. 4, in the home of Mrs. Johnnie West with 10 members present.

Mrs. August Hyman presided during the business session. Members voted to send sandwiches and cookies to the Red Cross office in Gainesville on Sept. 11 when they conduct a blood plasma drive.

Mrs. Calip Cannon gave a report on the club booth at the Fair. The booth was a blue ribbon winner.

Members decided to continue with the Secret Pal Gift Exchange and drew new names for the coming year.

After adjournment a social hour was held and the hostess served refreshments to Mmes. Alice Cannon, C. V. Crabtree, Frieda Dowd, August Hyman, E. Newby, R. J. Samples, R. H. Sharp, Claude Cannon, and Alec Cannon.

Mrs. R. J. Samples will be hostess for the next meeting on Sept. 18.

**EVER HEAR OF BUSES
—OR STREET-CARS?**

Suddenly getting economy minded, the Federal Security Agency in Washington, D. C., recently did some figuring on how much it was costing its officials and employees to travel around the capital.

They discovered that a ride which cost 60 cents in a taxicab was costing (the taxpayers) \$2.30 in the chauffeur-driven Government cars—of which the FSA, as is the case with about every similar Federal agency, maintains a fleet.

GET MORE POWER AT LESS COST WITH A DODGE TRUCK!

A. KEUNING, Pres.
Puente Ready Mix, Inc.,
Puente, Calif.

**"Dodge power really puts
out the work at low cost!"**

"We use four Dodge 'Job-Rated' trucks in our operation—and Dodge power really puts out the work at low cost! Most of our work is off the highway over mud holes, ditches, and sloppy ground. But that means nothing to a Dodge, because Dodge power pulls us through anything!"

"A Dodge truck doesn't 'two-bits you to death' either. Rarely do we have any maintenance expense and when we do, it's legitimate wear and tear we can reasonably expect. Our Dodge trucks are ready to go 365 days a year!"

There's a Dodge truck—½ through 4-ton—that's "Job-Rated" for your job.

Dependable performance with ample power is assured by features like high-capacity fuel pump, two fuel filters.

High-efficiency fuel systems on all 8 Dodge engines save gas. Heavier models offer twin carburetion and exhaust systems.

For smooth power, you can get gyrol Fluid Drive on ½-, ¾-, 1-ton, and Route-Van models.

See us today for a demonstration—and an extra-good deal!

Power with economy! Powerful Dodge engines have compression ratios as high as 7 to 1. Dodge features, like lightweight aluminum-alloy pistons and pressure lubrication, keep operating costs low.

Power with low upkeep! Dodge engines save on maintenance... keep your truck on the job. You get such Dodge advantages as exhaust valve seat inserts, chrome-plated top piston rings.

Power with long life! The Dodge truck you choose will be right for your job. Deep frames, shot-peened rear axle shafts, high-capacity alloy steel springs, welded steel cabs and many long-life features.

See us today for the best buy in low-cost transportation...

Local News BRIEFS

Mr. and Mrs. R. H. Sharp of Bulcher left Monday for Houston to visit their son and family, the Dale Sharps, and will then visit relatives in Oklahoma. They plan to be away about a month.

Weekend guests in the L. E. Branch home at Bulcher were the F. T. Snows and family of Breckenridge, the Murt Snows of Kamay and the C. P. Wilsons of Gainesville.

The Lee Voths, Miss Ina Frances Hinzman, Robert Winder and Jessie and Jack Gheen of Sanger visited friends here Friday evening.

Mr. and Mrs. H. L. Herron visited her uncle and aunt, the Ben Derichswillers in Denison Friday after he had been to Katy Hospital for a check-up.

Mrs. B. G. Lyons of Marysville and Mrs. W. C. Stiles and daughters, Shirley and Velora, and J. W. Murphree of Gainesville spent the weekend visiting relatives and friends in Austin.

Guests in the Dick Cain home during the weekend were Mrs. John Hogan and children of Lubbock and Mrs. J. S. Hogan of Burleson. Sunday Mrs. Cain and children and her mother, Mrs. J. S. Hogan, drove to Bowie to visit their sister and daughter, Mrs. T. C. Rhone and family, and Monday Mrs. Cain and Cris Michael took Mrs. Hogan back to Burleson.

Misses Anselma Kathman and Jeanette Walter who entered nurses training at St. Paul's in Dallas on Sept. 2, were at home for a weekend visit with their parents, the John Kathmans and Al Walters.

Mr. and Mrs. J. M. Shields of Bulcher began a three-week vacation Monday. They are visiting their son, Gene Shields and family in San Angelo and will go from there to places of interest to tourists.

Mr. and Mrs. F. A. Kathman and children visited in Henrietta during the weekend with the Doyle Hoods.

Misses Emma and Celine Felderhoff of Dallas visited their mother, Mrs. John Felderhoff at Gainesville Sanitarium, and family members here during the weekend.

Mr. and Mrs. Earl Fisher attended the Democratic convention in Amarillo this week. Earl was Muenster's representative on the Cooke County delegation at the convention Tuesday.

The Gene Hoedebecks and children, Linda Kay and Paul, spent Saturday and Sunday in Oklahoma with relatives. At Alva they were guests of her parents, Mr. and Mrs. Joe Sanchez, in Enid they visited her niece, and in Oklahoma City they visited his sister, Mrs. Alfred Spurgeon and family. Gene's father accompanied them on the trip and when they returned home his mother joined them. She had been visiting her daughter and family in Oklahoma City. Little Richard Spurgeon is still confined to the hospital after suffering serious burns more than a month ago.

Mrs. Ray Evans and Miss Marilyn Gremminger left Oklahoma City Saturday by plane for Detroit, Mich., where they are guests of the former's sister, Mrs. Howard Couch, this week.

The Leonard Hartmans, Miss Dorothy Hartman and Virgil Walter returned Sunday from a vacation trip to Monterey, Mexico, Corpus Christi and Three Rivers. In the latter city they visited the Leo Hartman family.

Control Cancer by Treating It Early

Fear of cancer cannot help its victim and unreasonable fear should be replaced by intelligent action concerning this disease, is the opinion of Dr. Geo. W. Cox, State Health Officer.

The doctor said in a statement this week that cancer can usually be cured in its early stages. This has been demonstrated by the fact that many persons have been treated successfully by surgery, radium, or x-ray and are living now, many years after a diagnosis of early cancer was made. Many people postpone diagnosis when they suspect cancer either because they dread to head the truth or because they believe that cure is impossible. "In the treatment of cancer, time is the most important factor," Dr. Cox said. "To produce satisfactory results, treatment must begin early in the course of the disease while the cancer is still confined to a small area. Persons suspecting cancer should consult their physician as soon as they notice an unexplainable lump, unusual discharge, a persistent sore on any part of the body, or any change in the appearance of a mole or wart. It is often disastrous to wait for pain since this is a late symptom that usually doesn't occur until the malignant growth has made considerable advance."

The value of early diagnosis cannot be stressed too strongly according to Dr. Cox and that is one reason why regular periodic examinations are recommended particularly for those of middle or old age.

Number of Texas Farms Declining

What has become of the "40 acres and a mule"?

Where are those small farms which were passed from father to son and worked by all members of the family? Why is the younger generation forsaking the land to seek a livelihood in large cities?

The modern trend towards a larger metropolitan population and a corresponding decrease in rural residents is being viewed with alarm by many persons. The question foremost in their minds is: "Will the declining rural population in Texas hurt the state's future agricultural productivity?"

A parallel situation arose about 150 years ago when Thomas Robert Malthus a brilliant but rather short-sighted English economist forecast starvation for the human race. The world population, warned the Englishman, is fast outstripping agricultural production.

But Malthus underestimated the farmer's ingenuity in constantly improving his crop raising methods. Because of this ability, and the advantages of mechanization, the present day farmer produces enough food for himself and 13 other persons, plus a vast quantity of goods for foreign export. In Malthus' day, however, it took three men on the farm to feed one man in the city.

The rural population may be declining in Texas but the land is not being abandoned. Instead, more land is being farmed by fewer people. While there has been a decrease of some 4,500 farms in the state since 1919, the total cultivated land has increased 31,368 acres.

Farm tenancy was 37 per cent in the state in 1945. Five short years later, the figure was reduced to 30 per cent by population shifts. Yet, during that same time, Texas farm crop acreage increased 4 million acres.

Mechanized farming is largely responsible. The tractor began replacing the mule more than 30 years ago. In 1920, there were 9,048 tractors on Texas farms. This year, the figure is around 250,000. The mule is becoming a part of the past.

We in Texas have nothing to fear in the present trend as long as the farmer continues to increase his per-acre yields, improve his soil conservation practices and work for better plant and animal breeding.

It's too bad that some of the speakers who speak "straight from the shoulder," can't speak from a little higher up.

BEAUTY
Some of us have pretty features, Some of us homely, I note; (All of us, tho', are God's creatures (All in the very same boat.)")

Fret not if cuties deride you (Prettiness stops with the skin); Homely? Well, that is outside you— Beauty is what lies within!

The government spent \$2,907,257 building a warehouse in Louisiana, sold it for \$205,000, paid \$412,000 to rent storage space in the building, and now is trying to buy it back for \$1,000,000, says Sen. Williams of Delaware.

One angry skunk to another: "So do you!"

A drunk demanded why he had been arrested. "You were brought in for drinking," announced the sergeant. "Fine," shouted the drunk, "let's get started!"

In other words, we raise taxes to send money to Washington, then we raise some more taxes to match the amount we have already sent to Washington, in order to get back the amount we originally sent. This is what is known as Federal Aid.

The young man asked: "Would you marry a sap just for money?" Demanded his girl friend: "Are you gathering statistics or proposing?"

Flattery's like perfume—to be smelled, not swallowed.

Ask the Man Who Has Tried Other Markets

While cattle prices were unsteady some of our customers tried their luck at other markets . . . and they're coming back.

They've learned from experience that they gain in two ways when they sell here. Our prices are better. Their commission and hauling expenses and shrinkage losses are lower.

September Special for Farmall Owners

IH pistons and sleeves are made of chrome alloyed iron which is carefully heat-treated to assure uniform grain structure and necessary hardness. Exceptional care is taken to make sure the thickness of the sleeve walls is uniform to achieve uniform cooling, even contraction and expansion, and to help prevent compression loss and crankcase dilution. IH sleeves pass through 3 finishing operations that convert the entire inside to a mirror-like finish. IH pistons go through 20 operations to assure accuracy, uniformity and precision-fit. Pistons are then matched in sets by weight and size for assurance of a balanced engine.

For a limited time we offer the following prices on GENUINE IH Sleeves and Pistons for Farmall tractors:

Models "A" and "B"	Reg. \$33.40	Spec. \$30.00
Model "H"	Reg. 41.45	Spec. 37.30
Model "M"	Reg. 48.60	Spec. 43.75

During the month of SEPTEMBER we will include all necessary gaskets FREE with each set of sleeves and pistons sold. During the month of SEPTEMBER we will pick up and deliver (anywhere in Cooke County) FREE OF CHARGE any FARM-ALL tractor on which we do a major overhaul (\$50.00 or more) in our shop.

We are making these special offers at this time to help increase parts and service business in a normally slow month, and to promote the use of GENUINE IH sleeves and pistons, which we know will give longer, more dependable service.

Lindsay News

Marine Cpl. Joseph Schmidkofer, arrived home Saturday to visit his parents, the J. C. Schmidkofers, after serving in Korea. Sunday, members of the family gathered for a reunion party. Among those attending were Joseph's grandfather, August Schmidkofer.

Cpl. and Mrs. C. W. Hermes of Fort Smith, Ark., are on leave visiting his parents, Mr. and Mrs. Julius Hermes here and her parents, the Clem Hofbauers at Muenster. Cpl. Hermes is stationed at Camp Chaffee and is on leave until the 14th.

Mrs. John Zimmerer is regaining her strength nicely at her home following surgery at M&S Hospital.

Mr. and Mrs. Charles Tate and family of Gainesville will move to Lindsay to make their home on the 15th of this month. They will occupy the former Fred Mosman residence.

Mrs. James Bezner and sons, Brian and Sammy, and Mrs. Rufus Bezner and sons, Jeffrey and Ricky, were guests of their parents, the J. B. Wildes in Muenster Sunday. Mrs. Rufus Bezner and sons remained overnight while Rufus was on a business trip to Corsicana.

Mr. and Mrs. Matt Neu returned home Friday from a week's visit with their daughter and son-in-law, the Arnold Henschelds, in Bushland.

Mrs. Leo Neusch is up and around improving nicely after injuring her back recently.

Charles and Elroy Neu have returned from a ten day vacation trip to places on inrest in Colorado and visits with relatives and friends in Kansas, Nebraska and Iowa.

Miss Betty Rose Zimmerer, daughter of the H. J. Zimmerers, and Miss Louise Ann Fuhrmann, daughter of the Matt Fuhrmanns, have entered nurses training at St. Anthony's hospital at Amarillo.

Miss Viola Bezner, student nurse at St. Joseph's Hospital in Fort Worth, spent the weekend with her parents, the Jake Bezners. Miss Marion Berend, also a student nurse at the hospital, spent the weekend with her parents, the Ewald Berends at Gainesville.

128 Pupils Enroll At Lindsay School

Lindsay school opened Monday, Sept. 8, for the new scholastic year with 128 pupils enrolled. Forty-five are in high school and 83 in the elementary grades. Six teachers staff the school.

Faculty members for 1952-53 are Sister Padua, principal and instructor of social sciences and foreign languages; Sister Corsortia, teacher of mathematics, science and English; Sister Rose Frances, typing and 7th and 8th grades; Sister Ann Pauline, choral singing and music and 5th and 6th grades; Sister Blanche, 3rd and 4th grades; Sister Theresa Henry, 1st and 2nd grades.

School trustees for the term are Peter Block, Adolph Fuhrmann and Walter Nortman.

The school term opened with a High Mass in honor of the Holy Ghost with Rev. Conrad Herda as celebrant.

During the summer months the school and sisters' residence were favored with repairs and redecorations. The work was carried on under the direction of the pastor and the school trustees and includes new furniture for the sisters' home and an automatic cold drink dispenser for the school.

Last Sunday open house was held at the school and the sisters' home so patrons could see the results of their contributions to the fund for the improvement program.

Clem Sandman is the owner of a new 1952 Plymouth.

Sgt. Walter Schmitz is on leave at home, visiting his parents, Mr. and Mrs. Joe Schmitz, for 30 days. He came here from Cocoa, Florida, and will go to Camp Stoneman, Calif. He is a member of the army air force.

Since the advent of the automobile, mankind is being divided into two classes: the quick and the dead.

Lindsay Entries Win 15 Ribbons at Fair

Lindsay dairymen and 4-H club members won a total of 15 ribbons including two championships at the annual dairy animal show held in connection with the Cooke County Fair.

Adolph Fuhrman showed the champion cow in the Milking Shorthorn division. The entry was a blue ribbon winner in the senior cow class of the same breed. Fuhrman also showed the blue ribbon winners in the division on his senior bull, and junior cow.

Other winners were Robert Fuhrman, first on Jr. yearling heifer and second on Sr. heifer calf in the Milking Shorthorn group; Julius Hess won a red ribbon on his senior cow, Cecil Hermes a white ribbon on his Jr. yearling heifer, and Henry Hess Jr., a white ribbon on his Sr. heifer calf, all Milking Shorthorns.

In the 4-H division, Milking Shorthorn show, Robert Fuhrman showed the grand champion animal, a heifer in the one year and under 18 months class, after it took top honors in its class.

Alice Voth showed the top heifer, six months and under 12, and Julius Hess showed the top cow in milk. Henry Fleitman Jr. won a red ribbon on his heifer 18 months and under two years, and Henry Hess Jr. won a white ribbon on his entry in the class for heifers six months and under 12. All were Milking Shorthorns.

Confetti - - -

back up his charge. If so we ought to be grateful for his service. If not he deserves every bit of the invective that has been prematurely heaped on him. But from the way things have gone in past cases, it seems the politicians prefer not to find out, or at least not to let the public find out, that one of their favorites has been a willing or unwilling helper in Stalin's cause.

One thing those fellows ought to realize, however, is that the Wisconsin senator has acquired a reputation for making his charges stick. So far not a single investigation has proved that he was wrong, and there were several that proved he was right. It is gratifying to note that regardless of the dirt dished out by his political enemies, Joe McCarthy is enjoying the confidence and respect of the people of Wisconsin. In Tuesday's primary he polled about 70 percent of all votes in the Republican primary for senator. The other 30 percent were divided among six opponents.

The landslide could possibly be regarded as a hint to the government to change its way of dealing with the commies. McCarthy believes in giving 'em hell, and the public believes in McCarthy. That could mean that most of us don't like the pussy-footing that has been going on.

Female voice over telephone: "Is this the Fidelity Insurance Company?" "Yes, ma'am."

"Well, I want to find out about having my husband's fidelity insured."

Band to Give First Program Tuesday

The Muenster band will make its first public appearance Tuesday night of next week at a PTA meeting in the auditorium. Superintendent Weldon Cowan said this week that Director Bill Searcy has promised to have a few numbers ready for that meeting.

In addition to the short concert and a business session the PTA will have a get acquainted party, bringing new teachers and parents together for the first time.

Send the Firemen, Quick!

We hope this misfortune will not happen to you. But if and when it does you'll be thankful there is a fire department and adequate fire fighting equipment to help you save your home.

But did you ever stop to think why these facilities are available in Muenster?

BECAUSE You and your neighbors, including retail merchants, pay city taxes . . . and because a group of unselfish citizens are willing to serve on the volunteer fire department.

BUY AT HOME and help those who help you

REMEMBER: What benefits Muenster benefits you!
