Gayle Sicking in Finals for 1970 State FB Queen

Miss Gayle Sicking of Cooke County will represent District 4 in the state finals for the 1970 Texas Farm Bureau queen contest Nov. 9 in Fort Worth.

At the state contest, which will be held in conjunction with the 37th annual convention for the Texas Farm Bureau, Miss Sicking will compete with 12 other district winners for the state title.

Miss Sicking, a Sacred Heart High School junior, is active in volleyball, basketball, Girl's Choir, and Speech and Drama Club and 4-H. Gayle is also serving as secretary-treasurer of her school's National Thespian Society and is in the International Forensic League.

On first thought we would say we are a Christian nation, we have proper respect for God, we ought to be on the right track. But are we really living up to our beliefs?

If we are really aware of God and His nature we can't accept any part of a system which denies Him. This does not mean we should persecute or banish the atheist, but it does mean that his theories are not acceptable in our education or government.

Hornets Humbled 43-14 by P' Point

Muenster High's hope of remaining in the 12-A title race was shattered by a score of 43-14 at Pilot Point last Friday night.

The Bearcats, with losses to Frisco and Nocona in their first two games, seemed determined to show that they do not belong at the bottom of the district standing.

Sanger took the lead by dumping Nocona while Nocona remains in second place and Lake Dallas is third.

A combination of speed and power in the backfield gave the Hornets their troubles. David DeJernett and James Johnson ran like antelopes, Franklin Jones and Bobby Holler ran like buffaloes.

The home towners got their start early in the first quarter after recovering Muenster's fumble on the 31. A pass from DeJernett to Johnson made 10 and Jones crashed through three plays later for the last 15.

An interception three plays after kickoff started the next drive. Eight plays made it from the 45 with Jones going over again from the 1.

Near the end of the period the Hornets finally got cranked up on a 70 yard scoring drive. They used 10 plays the big gainers being passes from Jim Endres to Earl Koelzer for 17 and 18 and runs by Henry Knabe for 8 and 10. Knabe scored on a dive from the 1.

Drugs in Our Community

Much has been printed about the drug abuse problem in Texas. It is felt by many experts that to combat this problem a program of Drug Education should be placed in the school curriculum.

On October 12 through 15, 1970, Mr. James C. Snyder, a consultant in Drug Education for Region XI of the Texas Education Agency, was in charge of a 4-day workshop at the Birdville Coliseum in Haltom City.

To assist the local schools, Mr. Snyder has been invited to Muenster on Tuesday, November 17, by Sacred Heart and Muenster Public Schools for an all-day conference.

Odds Appear Even As Tigers Await Cistercian Prep.

After being overpowered for five consecutive games the Sacred Heart Tigers will get back to their kind of football Saturday night when they meet Cistercian Prep of Irving at 8 o'clock on the Tiger field.

The visitors are slightly ahead of Sacred Heart in TISC standing. Their record is 2-3 whereas Sacred Heart's is 1-3. They barely won over Trinity Valley and Fort Worth Christian, lost 13-6 to Fort Worth Day School and by big scores to Greenhill and Dallas Christian.

As Coach Tom Joy reads the record the two teams rate about even and the game should be a toss-up. Size will favor Cistercian — the Tigers are the undisputed lightweightweights of TISC. However the Tigers will have the home field benefit plus a keen desire to break their losing streak.

Big D Chargers Jolt Tigers 43-20

The Sacred Heart Tigers lost 43-20 to the mighty Dallas Christian Chargers in Big D last Friday night, but they prefer to think about the part of the game in which they led 20-6.

The Chargers' coaches were gracious hosts. When they ran up a safe margin of victory they sent in their youngsters and allowed the teams to continue on more even terms. From then on the Tigers dominated the action.

Dallas Christian, picked as the best prospect for the TISC title, lost no time in showing its muscle. A good return following Sacred Heart's kick reached the Tiger 33 and two passes by Mullins were enough. The point maker went to Savage for 11 yards. Packer added a point with his kick.

A pass interception about midway in the period set up the second TD. Three plays made it from the 39, the scoring play being a 29 yard ramble by Anderson.

Shortly before the end of the period they were threatening from the 17. After two incomplete passes and a 1 yard gain Packer booted a field goal raising the count to 16.

After that Charger reserves came in and Tigers looked better. Starting from their own 24 and with Fred Fuhrmann and Kevin Swirczynski as carriers they moved steadily to their first TD. Ten plays

Fishers Receive City OK to Build Slaughter House

Issue of a permit allowing Fishers Market to build a slaughter house adjoining its store was approved Monday night in a regular meeting of the Muenster City Council.

Action on Fisher's application had previously been postponed because of a petition objecting to construction of a slaughter house in the city because of noises, odors and sanitation problems. However inquiry revealed that State Health Department standards would assure conditions that are acceptable here.

Construction of the new facility is necessary because the present slaughter house, outside of the city and in use for many years, does not meet new requirements. Building next to the store will simplify labor and transportation.

Patty Felderhoff Is FFA Sweetheart

Patty Felderhoff, daughter of Mr. and Mrs. Frank Felderhoff, has been elected by the Muenster members of Future Farmers of America as their sweetheart of this school year.

As chapter sweetheart she will participate in district and area FFA events and will be the chapter's nominee in the district sweetheart contest to be held in February.

Hornet Dads Night Planned for Game With Frisco High

Friday night is Dad's night at Muenster High. Preceding the Hornets' game with the Frisco Coons at 8 o'clock, each father will be introduced as his Hornet son comes on the field and they will meet before the grandstand.

The game will determine which of the two teams will get out of the 12-A cellar. Both of them, along with Pilot Point, now have standings of 1-2-0. Sanger leads with 2-0-1, Nocona has 2-1-0 and Lake Dallas 1-1-1.

A tough game awaits the Hornets, in the opinion of Coach Glenn Richardson. MHS will meet the team that beat Pilot Point, not the one that lost to Lake Dallas. The Hornet coach explains that the Coons have two outstanding backs who have been out for two weeks and are reported to be ready for this game.

On the other hand Richardson is confident that the Hornets will be considerably better than last week. It was their bad night, he said, and a hot team like the Bearcats made them look worse. They have had lots of spirit and hustle in practice and all except one are in good physical condition.

Woodcarving Studio Finishes Big Sculpture Project for Seminary

The biggest project undertaken to date in Muenster's Bavarian Woodcarving Studio was finished and delivered this week. It is a group wooden sculpture twenty feet high and fourteen feet wide with a cross and figures symbolizing the Holy Trinity and the Blessed Mother.

Ludwig Kieninger, owner and operator of the studio, said he spent four months on the group sculpture, which is being mounted in the chapel of Holy Trinity Seminary at Irving.

FFA Teams Win First and Second In District Contest

The Muenster FFA chapter's farm skills teams won first place and second place last week Tuesday in a district leadership contest at Grayson County Junior College.

Thereby both qualified to compete in the Area 5 contest to be held at East Texas State University on November 14. First and second place district winners advance to Area.

Muenster's first place winner was the Greenhand farm skills team including Curtis Klement, Lyle Klement and Dan Sicking.

The second place winner, nudged out of first by a single point, was the Chapter Farmer farm skills team including Lonnie Hellman, Phillip Russell and Steve Sicking.

Bentsen, Smith Are Election Winners

Muenster voters disagreed with those of the county and the state in their choice of candidates in the two top races of Tuesday's general election.

They favored George Bush over Lloyd Bentsen, 348 to 249 in the contest for U. S. Senator to succeed Ralph Yarborough. And they favored Paul Eggers over Preston

Deposits, Loans At Muenster Bank Continue Increase

Deposits and loans at Muenster State Bank again showed increases for the past year and the past quarter in last week's report submitted to the state banking commissioner.

Total deposits on that date were \$4,287,973.38, as increase of \$123,720.08 since last year's third quarter report on October 21, and an increase of \$168,575.15 since this year's second quarter report on June 30.

Total loans were reported at \$2,247,796.71, up \$30,558.04 for the year and up \$17, 878.62 for the 3-months period.

Combined deposits and loans for the four Cooke County banks also reflect increases. Total deposits on October 28 were \$34,654,849.02, an increase of \$3,373,202.77 for the year. Loans were \$18,422,359.23, an increase of \$3,536,023.46.

Banquet to Honor District Winners Of 4-H Gold Star

This community's two 4-H Gold Star Winners, Tommy Felderhoff and Peggy Endres, will receive special honors on November 10 at a banquet in Dallas recognizing the year's gold star members of District 4. The event will be held at 6:30 p.m. in Umphrey Lee Student Union Building of SMU.

At that time 19 boys and 19 girls from the 19 counties included in the district will each receive a certificate of recognition from Clyde Wells of Granbury, chairman of the board of directors of the Texas A&M System.

The youths will be accompanied by their parents and their county home demonstration and agricultural agents.

Presentations are sponsored annually on a rotation basis by Lone Star Gas Co. and Texas Power & Light Co.

Montague County selections for the honor are Riley Simpson, son of Mr. and Mrs. B. B. Simpson, and Mary Jo Reynolds, daughter of Mr. and Mrs. K. J. Reynolds of Forestburg.

Smith 368 to 235 in the contest for Governor.

Those were the only contests, however, in which the Republican nominees led in the local boxes. In the other races Muenster joined the county and the state in giving a sweeping victory to the Democratic party.

Muenster preferred Purcell over Staley 402-192 for Congressman of District 13 and it preferred Parker over Durham 435-123 for State Representative of Cooke and Denton Counties. In other contested state offices it gave the Democrats substantial leads over the Republicans. In several state offices the Democratic nominees were unopposed.

Voters here also disagreed with county and state voters on the amendments. In the leading issue, on opening saloons, Muenster approved by a state vote for it.

Muenster agreed with the state and county in supporting Amendment 1 and opposing Amendment 3. On Amendments 4, 5, 6, and 7 Muenster opposed and the State approved. The County also opposed 4, 5 and 7 but joined the State in favoring 6.

Balloting for the county offices was routine. The Democratic nominee for each was unopposed and coasted into office. The newly elected county officials are Anna Mae Shorter, district clerk; Larry Sullivan, county judge; Frank Scoggins, county clerk; Ruby Davis, county treasurer; Kit Carson, county superintendent; Robert Bayer, commissioner of Precinct 4.

Voter response at Muenster was about equal to the county and the state. There were 510 in the North Box and 101 in the South Box, a total of 611 out of the possible 1055 registered for the two boxes for a percentage of almost 60.

Local voting in the contested races went as follows in the (Continued on page 8)

Two Worlds

Anyone who wishes to remove themselves from our late Twentieth Century, mass-production, industrial society can do so with comparative ease. Instead of struggling for years to slowdown or abolish the American system, environmental and political extremists can migrate to a country like Czechoslovakia. There the people enjoy the blessings of living behind the Iron Curtain where the state makes the final decision on what consumers may or may not have. Take autos for instance. According to a late press release, about 300,000 Czechoslovaks are on waiting lists for cars sold

through official channels. The waiting period is two to three years, and prices range from the equivalent of about \$7,000 for a small Soviet-built Moskvich to \$28,000 for a deluxe Tatra.

We may have our environmental and social problems in the United States — problems that spring, at least in part, from productive abundance and freedom of opportunity. But, it is reasonable to presume that most Americans would prefer this kind of problem to the kind of economic and class barriers that still prevail under old-world statism.

A Day of Purpose

Observance of Veterans Day, on November 11 in the year 1970, marks the ending of World War I more than 50 years ago.

History reveals that 50 years ago, just as 200 years ago, or even in the days of World War II, only a little more than a generation ago, there was an overwhelming dedication and belief in the United States. Patriotism was not something to be ashamed of or submerged in cynicism — nor were liberty, the principles of self-government or the American economic and political system. Strong convictions commanded respect, and no one doubted our destiny as a nation.

Now, as we approach another Armistice Day — or Veterans Day — the in-thing, among many of the discontented, is to shun convictions or allegiance to any cause or principle. Pursuit of such a philosophy to its logical conclusion would be the abandonment of observation of all milestones in the history of the nation or in the history of mankind, for that matter. If nothing matters, there is nothing to observe; and, if there is nothing to observe or believe in, what is left but a vacuum where once there was a great nation and a great people.

Just as on other days that are important in the record of the United States, U. S. citizens turn out in tribute to Veterans Day, because they wish to reaffirm those beliefs that make a nation great and for which many of their fellowmen have given up their lives. November 11, in short, is a day of purpose.

THAT NONE MAY BE FORGOTTEN!

Veterans Day

More than 1,500 Americans are either prisoners of war or missing in action. The North Vietnamese, the National Liberation Front of South Vietnam and the Pathet Lao in Laos have refused to provide any information on these men.

President Nixon has made a "no-strings-attached" offer for an exchange of prisoners. The National League of Families of American Prisoners and Missing in Southeast Asia is attempting to persuade North Vietnam to adhere to the Geneva Convention.

Veterans Day 1970 is more than an opportunity to salute the former soldiers who have fought for our country. It is also an opportunity to pray for speedy release of the prisoners and a just peace.

No Useful Purpose

It is possible to assume that many members and supporters of the Southern Christian Leadership Conference — the SCLC — may once have desired that the organization would serve in some constructive way to improve race relations in America. Certainly this would be a legitimate aim of any organization calling itself "Christian."

But whatever the true purposes of the group in the past, the course of action adopted by the present leaders of the SCLC can serve only to cause more hatred, more division, less understanding.

For example, the Atlanta Journal reported that at the annual meeting of the SCLC held in Atlanta in August, SCLC President Ralph Abernathy "scathingly denounced" our nation as a "liar . . . fraud . . . robber . . . murderer . . . invader, whoremonger and a prostitute."

Rather than being rebuked by the SCLC conventioners, the Atlanta Journal reported, "Abernathy's speech, which some observers described as his strongest outpouring of contempt for current U.S. political and social trends, drew immediate praise from more militant factions of the SCLC."

The Journal went on to describe Hosea Williams, vice president of the SCLC as one "whose fiery tongued assaults have at times upstaged Abernathy's presentations."

Such smear attacks against this country not only serve no useful purpose, but are in themselves false. Racial discrimination and intolerance has been the unhappy lot of mankind since the beginning of time, and the United States has suffered its share. But it can surly be said that no nation in the world has done more to overcome racial problems, nor is there any nation in the world today where all "minorities," whether racial or religious, enjoy a better life than in the United States of America. Nowhere do the

blacks have a higher standard of living, or better education, or better housing, or better jobs. Nor has any nation in the world invested more thousands of man hours or more millions of dollars toward making this a better country for all.

Surely a more responsible course of action would be to boast the great achievements and accomplishments of many outstanding blacks in our country, and to encourage others to emulate their success. But to merely indulge in spreading a broad smear against the United States as a whole is a cheap device used by those who themselves have nothing to contribute to a better America.

High-Climbing Litterbugs

A new high in littering has been reached by the litterbug. Mount Whitney in California — the highest peak in the nation with the exception of Mount McKinley in Alaska — has joined the ranks of the scenic areas that are being despoiled by a careless public.

According to the Daily Times Leader of West Point, Mississippi, the noble summit of Mount Whitney ". . . is littered with paper, bottles, cans and the like. . . Each summer the National Parks Service hauls tons of the stuff from the peak using pack animals to get it down the steep trails. The situation is so serious that the Park Service is considering building a heliport on the summit to expedite trash removal. . . a lot of the people are, to put it bluntly, behaving like slob." It takes a lot of energy to deposit garbage on top of the nation's second highest peak. If a little of this energy could be turned into brainpower to help keep the country clean and beautiful, we would have a land of unsurpassed beauty.

If you think you've caught a large black bass, consider the known world's record of 22 pounds 4 oz. caught in 1932.

Drugs are Dangerous

Very few days pass without a news item that somewhere another victim has died from either the overdose or misuse of drugs. Leaving aside, for the moment, moral and legal implications, a very good rule for the intelligent person to follow is: "All drugs are dangerous; and some drugs are much more dangerous than others."

A similar rule followed by hunters, sportsmen and shooting hobbyists has, over the years, saved an untold number of lives. That rule is: "Every gun is a loaded gun." By treating every gun as a loaded gun, nobody gets shot and killed. It's the "empty" gun that takes lives.

By the same token, by treating every drug as a dangerous drug, lives can be saved. Common, every-day sugar and common salt are more harmful to more people than aspirin — unquestionably one of the safest, most widely used and most beneficial drugs available. But if you look on the back of each little Bayer box, you will find careful instructions as to dosage, followed by the words: "WARNING: Keep this and all medicines out of children's reach; in case of accidental overdose, contact a physician immediately;" which is simply to say that too much of a good thing can be harmful.

On the other hand, some drugs are very dangerous, and should never be taken for any reason. One such drug is LSD. Last summer a Philadelphia medical student, age 24, worked with mental patients under the influence of LSD. Presumably he knew something about the drug, and limits of human tolerance. But one Saturday he took one of the LSD pills as an experiment, to test his own reactions. Sunday morning he was taken to the hospital, violently ill. He died Sunday night. His cause of death is known, because his wife knew what happened. But no one knows how many other victims have been killed by LSD, because there is no medical test to detect the presence of the drug in a corpse. At last report, coroners were still unable to say, for sure, what killed singer Janis Joplin; guesses included heroin, marijuana, or LSD, or a combination of them. Such drugs are not only dangerous, but deadly.

Film Program for 4-H Horse Club

Members of Cooke County 4-H Horse Club had a film program at their recent meeting in the Farm Bureau building. The film was entitled "On the Fifth Day."

Mike Graves presided and Allen Fleitman led the 4-H motto. Darrell Sutton, reporter, counted 24 members present, along with several adult leaders. The Eddie Fleitman family served refreshments.

The next meeting will be on November 10.

Of all small game, the squirrel ranks second only to the rabbit in hunter popularity. And it is well to remember that most any kind of a dog will develop into a good squirrel hunter.

Mr. and Mrs. John Fleitman had a week's vacation in Baton Rouge, La., with her brother-in-law and sister, Mr. and Mrs. Lavel Kinestley and daughter Sheila. Together they enjoyed fishing and sight-seeing and drove to Lake Charles to visit the Kinestleys' daughter. On their return Saturday the Fleitmans had as houseguests her sister and husband, the Ewald Berends of Hereford. They also visited Lindsay and Gainesville relatives before returning home Monday.

Mrs. Earl Lehnertz of Bossier City, La., spent the weekend with her niece and family, the Marty Klements here, also visited her sister Mrs. Joe Haverkamp and husband at Gainesville and attended All Saints' Day services at Lindsay Sunday afternoon.

Back from California

Mr. and Mrs. Leo Hoedebeck of Gainesville have returned from a flying trip to San Diego, Calif., where they visited his brother and wife, the Joe Hoedebecks. Accompanying the couple were their daughters Miss Kathy Hoedebeck of Gainesville and Mrs. Shirley Klement of Garland and grandson Keith Hoedebeck. The Leo Hoedebeck's son, Sgt. Dan Hoedebeck came from March Air Force Base to visit his family and son Keith. All enjoyed sight-seeing trips including the Harbor Excursion, Point Loma, La Jolla Beach and Tijuana. Kathy and Mrs. Klement returned to their homes earlier and the others remained for a longer visit with Sergeant Hoedebeck who will be leaving soon for his second tour of duty in Thailand.

Bluebirds Enjoy Halloween Party

Sixteen members and three guests enjoyed playing "Pin the Nose on the Witch," "Knock Down the Ghost," and "Ring the Cat's Tail." Marlene Swirczynski dismissed with the magic wand, after hostesses served Halloween refreshments.

Decorations for the party were made at the previous meeting by members and their leaders when Renee Wilde was hostess assisted by her mother Mrs. Ray Wilde.

CYO Has Meeting

Members of Muenster CYO and their spiritual advisor Father Leonard Wangler met Wednesday night for their October meeting in SHH lounge. Principal discussion concerned a regional CYO convention to be held in Dallas November 20-22 which members plan to attend in the Statler-Hilton Hotel. "Reach Out, Find Yourself in People" will be the convention theme.

Home-School Group Hears About New Report Card Plan

Principal business at the monthly meeting of Sacred Heart Home-School Society was discussion and explanation of a new method of reporting to parents about their child's progress in grade school.

Traditional report cards will not be used this year with the A, B, C, etc. method of grading. Each child will be graded according to ability, effort, use of time, achievement, etc., and teacher's comments will be listed on the pupil's progress, with cards due each quarter. Sister Georgia, grade school principal, was in charge of this discussion and explanation and said parent-teacher conferences will start Nov. 8.

Sister Georgia also demonstrated a small film strip projector used in specialized training for small groups, or individualized training, especially in math. She said the school could use several of these which are not expensive and the organization voted \$250 from the treasury for this project.

Report on the school's health program by Mrs. Martin Kralick, R. N., revealed that 245 children had received diphtheria and tetanus inoculations, good for four years, and that smallpox immunizations will be given the later part of November.

Mrs. Mel Stephens, R. N., school health nurse, spoke about the new health program for grades one through eight and added they learn more than "washing their hands and brushing their teeth."

Sister Alberta told about her remedial reading program and Mr. Joe Felderhoff reported on a drug abuse workshop he attended recently. He also mentioned that a program on drug abuse will be held in the public school auditorium on Nov. 17 and urged members to attend. The meeting will be open to the public.

Denis Walterscheid, vice president, presided, and announced that there will be no meeting on Nov. 23, the Nov. 17 meeting on drug abuse to take the place of the regular meeting.

Father Placidus opened the meeting with prayer, made comments during the program, and hostesses Mmes. Billy Joe Dangelmayr, Gerald Hess, Larry Hennigan and Betty Ann Trubenbach served refreshments at the close to about 135 present.

150 Kiddies Vie In Halloween Costume Contest

Annual Halloween Carnival sponsored by Sacred Heart Home-School Society drew a record crowd of youngsters and parents with about 150 of the kiddies in costumes to compete for prizes in three categories. Pupils from grades one through four were there.

Halloween games and fortune telling entertained the group until contest time and punch and cake were served during the evening. Halloween favors were handed out at the close of the party.

Youngsters paraded on the stage to show their costumes and judges had difficulty in selecting winners from the many pretty and unusual characters.

Winners in the three categories were as follows: TV personalities — Joe Bartush, first as the Straw Man of the Wizard of Oz, Karla Sicking, second as Uncle Fester; Sherri Herr and Laurie Walterscheid, tied for third as Forkels from Laugh In.

Story Book characters — Jon Stephens as Little Black Sambo, first; Curtis Hesse as a Hobo, second; Rene Stelzer, a fairy, third.

Historical — Michael Stephens and Lisa Trubenbach tied for first as Hansel and Gretel; Joanie Miller, second, as Betsy Ross; Terry Rohmer, third, as a spaceman.

Judges were Miss Sylvia Hofbauer, Mrs. Andy Schoech and Mrs. Tony Gremminger. General chairmen for the sponsoring group were Mmes. Mel Stephens, Sylvan Walterscheid and Lloyd Trubenbach.

Mrs. Claude Bayer and her art class, assisted by students from each of the rooms made the decorations. The carnival was held from 7 to 9:30 in the Parish Hall.

That cute little dormouse is not a mouse at all. It is a relative of a the squirrel family.

"So you think you should have a raise?" the boss belted. "I suppose you have often thought what you would do if you had my income, haven't you?"

His faithful clerk smiled wryly.

"No, sir," he replied, "but I have often wondered what you would do if you had mine!"

Tigers - - -

reached the 8 where Charger first stringers came in, but too late. Momentum was with the Tigers and Fuhrmann scooted around left end for the score.

That was followed by two quick Dallas Christian scores. First one used eleven plays to go 66 yards, the pay-off being a 15 yard toss to Savage.

Next one started with a Tiger fumble on the 16. Two penalties moved backward 20 yards after which passes for 11 and 23 reached the 2 and another pass finished the job. Savage's kick added a point after each TD. The half time score was 30-6.

The Chargers started the third period with a long kick-off return to Sacred Heart's 34. Two passes were incomplete, then a pass gained 17 and Willits tore through right tackle for the remaining 17. Another good kick upped the count to 37-6.

After that Charger youngsters came back and the Tigers took off on their second scoring drive from their own 8 yard line. Fred Fuhrmann and Kevin Swirczynski shared the carrying job for eleven plays reaching the Charger 40 and David Krahl broke away there for a sprint to pay dirt. Fuhrmann's run added two points.

After holding Dallas Christian on the first series the Tigers moved from mid field to their next score. Two runs plus 15 yards free on a penalty reached the 17 where Krahl did some fancy stepping for the TD.

Then the regulars came in again and went 59 in just two plays. The second one was by Savage going 51 for the TD. That ended the scoring at 43-20 just before the third quarter ended.

During the fourth Sacred Heart started three drives but could not reach the goal. One bogged down after two first downs. One was interrupted by an interception, also after two first downs. Another ran out of time.

Cubs Smeared 20-0 By Alvord Juniors

Sacred Heart's Cubs had one of those games at Alvord Tuesday night. They led the junior Bulldogs in gains but only in midfield where they counted as first downs. Alvord gained at the end of the field where it counted as touchdowns. The end result was that Sacred Heart led 7-4 in first downs, Alvord led 20-0 on the scoreboard.

The home team struck twice in a hurry. Third play was a 34 yard gain to the 21 and the fourth was a score. Then, after holding the Cubs on the first series they did it again. Third play was a pass that went 50 yards for a TD.

The Cubs came back with a good drive of 64 yards but ran out of steam on the 12. Moments later a fumble recovery gave them another chance at the 12, but the next series gained only 4.

During the second half Sacred Heart made four scattered first downs whereas Alvord made just one big play. That was a pass for 41 yards and another TD. A run upped the count to 20-0.

The Cubs will end their season Saturday night, meeting Cistercian Juniors on the SH field preceding the Sacred Heart-Cistercian main event. The Cubs' game time is 5:45.

7th Grade Visits Ft. Worth Museum

Forty three seventh graders of Muenster Public School and Mrs. Charles Cash had an interesting field trip Wednesday to the Fort Worth Museum's hall of science and history of Texas. They were taken there in a school bus by Charley Hellman.

Principal stops on their guided tour were the exhibits on the human body and Indian and pioneer life. The one featured a see-through plastic model of the body with lighting to show body parts as their functions were described in a lecture. A film strip on early life and history was included in the Indian and Pioneer exhibit.

Local Group Goes To Scotland for State League Meet

Muenster's Sacred Heart Parish was represented at the district meeting of the Catholic State League in Scotland October 25 by Father Leonard Wangler and nine members of the parish societies.

Sectional meetings for men, women and youth at 2 p.m. were followed by Benediction and the general meeting in the K of C Hall. George Beeman, district president, presided.

Father Cletus Post, Windthorst pastor, and Johnny Gass, president of CSL of Texas, addressed the assemblage.

Father Cletus encouraged recitation of the rosary not only in October but throughout the year. Mr. Gass spoke on abortion and urged members to write to their congressmen letting their views be known.

Mrs. Ray Lindemann, president of the women's section of the league, announced the title of the essay for the contest sponsored by the National Catholic Women's Council. The title this year is: "The Generation Gap and How God Helps Me to Bridge It."

After the general meeting table tennis and volleyball were available for the youth and refreshments were served. A youth dance was held at night.

Attending from Muenster with Father Leonard were Mr. and Mrs. Denis Walterscheid, Mr. and Mrs. Wilfred Bindel, Mrs. Tony Gremminger, Mrs. Joe Luke, Mrs. Roy R. Endres and Misses Frances Hess and Phyllis Bindel.

Sacred Heart Tiger Cubs looked great Wednesday night in rolling over Immaculate Conception Academy of Grand Prairie 30-18.

The visitors got on the scoreboard first, however.

On first possession they drove 55 yards and scored on a 10 yard end run.

The Cubs came back to tie it on their first chance. It was a 70 yard drive in eight plays with Terry Hess scoring from the 1 and going over again for extra points.

Another long run by the visitors reached the 15, but Cub defense held and took over on the 9. Then they moved again, 91 yards in eight plays by Bob Schmitz, Terry Hess, Karl Koessler and Mark Hess. Mark scored from the 5 and Schmitz got extra points.

Shortly before the half the Cubs rolled 38 yards to their third TD. Mark Hess went over for a half time lead of 22-6.

Sacred Heart missed the next chance, being stopped on the 3. Four plays later Immaculate Conception broke away for an 85 yard score.

Early in the fourth it was the Cubs turn again. They went 30 yards in seven plays, Bob Schmitz making the last 3 and also the bonus points.

Hornets - - -

The score was 12-6 following the second play of the second period.

The Cats responded with another drive, Jones and Johnson making the big yardage in seven plays that went 51 yards to the 8. The next three tries advanced to the 2 where Billy Pels booted a field goal.

Muenster kicked to end its first series and a fine return by Johnson gave the Bearcats good field position on the Hornet 36. Three plays there gained only 2 then, on punt formation, DeJernett passed to Johnson who streaked to the goal. Another pass to Johnson added 2 points.

With 3:05 showing on the clock Muenster came back determined to get on the board. After gains of only 4 on 3 downs a pass to Gerry Cash for 17 kept the drive alive at the Bearcat 39. The next series lost ground and Pilot Point took over on downs.

DeJernett threw a bomb there which was intercepted by Cash on the Muenster 16. With 30 seconds remaining Jim Endres threw four long passes. Koelzer got one for 32 yards. Two were incomplete and Glenn Felderhoff got one on the 19 yard line as time ran out.

Shortly after the second half started Claude Klement's fumble recovery put the Hornets in business 32 yards away. A screen pass to Knabe gained 7. A pass to John Schneider gained 15 to the 10. Hank Trachta made 6, a penalty gave 2 free yards and Knabe crashed over for the last 2. A pass to Felderhoff made the score 23-14.

But the Bearcats struck quickly for another TD. After an interception they had 18 to go and made it in five plays. DeJernett scored from the 5.

As the third period ended the Bearcats started again from their 18. Four runs gained 29 to the 47 then Hollar galloped 53 yards for another TD and Pels kicked for an extra point.

Promptly after that they ground out a 53 yard drive in thirteen plays. Patterson went over on an 11 yard run around left end.

In the remaining 5 minutes Muenster moved two first downs and lost possession on a fumble. Then the Bearcats moved again, 50 yards before losing a fourth down try at the 8.

From there Muenster tried again and gained 30 before an interception stopped them just before the end of the game.

give people their money's worth.

With this election over we can expect an effort to correct some of the more obvious evils, but we wonder how thorough and how correct the effort will be. We may as well admit that we can't make any real progress until we accept as a basic premise that God is real and He gave us the only real method of getting along with Him and each other, and the country can't really make any progress unless its rules harmonize with His.

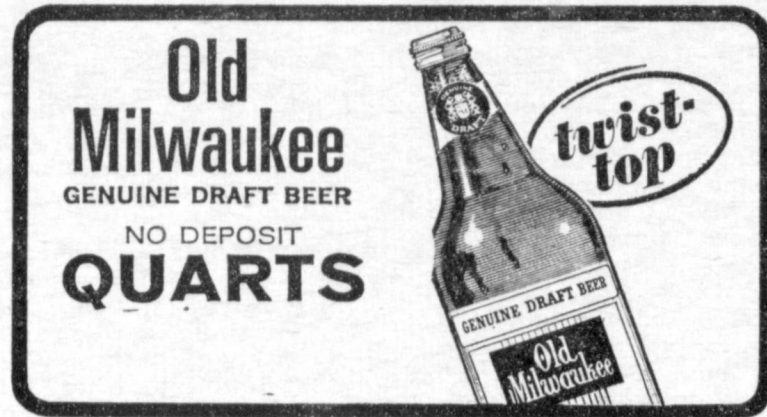

Texas has 115 colleges and universities.

My sincere thanks to the people of Cooke County and the 13th District for returning me to Congress.

It is an honor for me to serve you. I want to represent all the people of the 13th District and I pledge my continued effort to serve you to the best of my ability.
