To Probe Streets
The street committee structed to investigate the proposed projection of Depot street through from Fisk avenue to Center avenue. The city sometime ago bought the property where the First Christian hurch now is with the intention of building the street through to Center avenue, as soon as the church was torn down. In the meantime the county, which owned the property adjacent to the post office, which is necessary for the opening of the street, sold the land to three ocal men, after the city did not of-

er to purchase it.

The church is to be torn down oon and Mayor McCulley instructed he committee to see if the proerty by the Post Office could be could be

bought at a reasonable price.

The reports of the city attorney,
R. E. Lee, and the city recorder, O. C. Pouns, for March, were sub-mitted and accepted.

Mr. Lee, in his report, stated that

\$493.59 had been collected, and that his regular ten per cent commission amounted to \$49.35. He also stated fees in criminal cases \$313. A remitted fine reduced this to \$308. His fees thus totaled \$355.35 for the month.

recently which ordered the wood Gas company was void, be-cause due notice had not been given

company octore the ordinance was passed, notice was not formally given, and thus the ordinance is void. Immediately after adjournment, Judge Lee suggested that the council publicly condemn The Bulletin for its alleged part in the city election. No action was taken,

, sir, do you happen to policeman anywhere

There will be no track meets in Brownwood this week, but two im-portant meets are scheduled for Friday and Saturday of next week. The City Council Tuesday night passed an ordinance defining the traffic signal light law and naming a penalty for its violation. The ordinance was passed with an emergency clause and will go into effect as soon as publication is completed, which will be Saturday, April 16.

The codinance was it shall be and Saturday of next week. April 15 and 16. Friday. April 15 and 1

regard to the buying of larvaecide regard to the buying of larvaecide revens sanitary dry closet cans for e purpose of doing away with the menace.

Abliene last week.

On Saturday, April 16, the district meet of the interscholastic league will be staged in the Howard Payne park under the auspices of J. Horace Shelton, district athof J. Horace Shelton, district athletic director for this district. Class A and Class B champions from about 8 or 10 counties will be here on that day fighting for the right to go to the state meet in Austin to be held in May. Coach Dewey Youngblood of the local high school track team is pointing his men to this all important meet and he expects to win several first places and he insecticide is for use on the city pects to win several first places and send a number of his athletes to the

## Mexican Lad is Married Although Refused License

Refused a license in Brown county by County Clerk Stark, a Mexica lad, who was under age, journeys to a neighboring county and was married after securing th needed license

It all came about in this way. Mr Stark was telephoned after office hours the other day, by the Mayor, who said that a Mexican youth was at the city hall with his bride-to-be and was trying to find out just what as far as the law was concerned. Mr. Stars asked if the boy and girl Glasscock

court house and issue the license. water (united to make a menace to kinson, who was ready to marry the couple and was surrounded by a growd of dusky persons of both sex-

"Hmm-mm. When were you Jeff Davis

matter was referred to the street without the consent of your parents," Karnes said Mr. Stark. "Are your parents Knox The boy declared that his father Kaufman was dead and that his mother was Lee living in Taylor county. Mr. Stark Lime told him he must secure her per- Loving

mission and the boy, sadly crestfal- Liberty len, left the office.

But later in the week, Judge Per-Loving kinson saw the boy and asked him Lampasas if he had been married yet.

"I wish he'd got both legs broken!" She paused. "And his trigger finger shot off and a sword cut across his cheek that would leave a nice scar! Then he'd have to bewhat do you call it?—invalided back home. That would have been glory enough for me"!

Molite was shocked. "The way you girls taik"! she exclaimed. "Isn't Jim hurt enough?"

But, the twins argued, they didn't want him to be discharged from the hospital only to go back again and run the risk of being injured all over again, and maybe killed.

Nevertheless, when Prof and Mollie had left the girls alone. Rusty and Betty had a good cry over Jim's wounds.

Inasmuch as the twins-viewpoints regarding the fortunes of war already have been explained, it will be seen why the information contained in Jim Elwell's next letter which reached the house on Sept. 10th, was digested by Betty and Rusty with some worry but a worry well seasoned with the essence of

Jim Elwell grinned. "Did you save But something had happened back the shrappel? I'd like to keep it as in France in between their last letbegan pouring bullets into a bunch ter and the armistice that they knew of underbrush down the river bank
