"Tales with a Twist", an occasional feature of "Update," monthly commentary sponsored by the National Association of Manufacturers recently had the following article on government regulation. Entitled "The Collapsible Camels" by Joseph C. Kelly, it is quoted here for your pleasure.

A wizard once invented a mechanical camel that could do the work of many. It toiled without being beaten, it worked without cease, and it needed only a little care to keep its wheels and gears running smoothly.

So much did this camel accomplish that the wizard acquired enough wealth to create others, and many benefited from them. People were hired to load and unload them, merchandise and passengers moved freely on the backs of the beasts, and much money was gained from this commerce.

However, the sultan, the caliphs, the grand viziers and others who ruled the realm felt that they should share in the wealth being created, so they laid taxes on the money the wizard earned and on each of his wondrous camels.

More Rules
To pay these taxes, the wizard had to demand greater payment from those whose goods were carried, and the camels were also forced to carry heavier burdens.

Then the wily sultan thought of another way in which he and his court could benefit from the wizard's camels. From among his favorites he appointed many overseers to direct the affairs of the wizard, and the overseers in turn hired many lawyers, scribes, judges and professors to draw up rules. These learned men knew naught of mechanical camels and the hauling of goods, but they set down many mandates in language so enigmatic that it successfully concealed their own ignorance.

All these people had to be paid, and paid well, through fees and levies, and the wizard had to lay still heavier burdens on his mechanical beasts till they creaked and groaned.

This in turn created other problems. Officials hearing these noises charged him with abusing his animals and he was hauled before the magistrates. A pedant who went about under the name of The All Wise One petitioned the sultan himself, saying the camels had inherent defects, and if these were not rebuilt to his liking great disasters would befall.

The sultan, being a gullible man, paid heed to this nonsense and ordered to wizard to make his camels over. The cost of doing so was enormous and to pay it, even greater burdens had to be loaded on the camels.

Meanwhile, the sultan never tired of calling for more taxes as did his subordinates in all parts of the realm, so that the wizard was distraught.

One day, as a heavily overloaded camel was starting on his journey, smoke poured from one of his leg bearings. The member collapsed, the beast foundered, and its frame broke apart, exposing badly worn and scored parts. Not long afterwards the same thing happened to another.

Work Begins on Myra Fire Station

Work is progressing on the new Fire Station for Myra. The slab foundation was poured on Wednesday, September 6. Location of the building is the spot where the First Guaranty State Bank of Myra was built in 1910.

The cooperation of all the Myra community, and help and encouragement of many friends of the community in the surrounding area and in nearby towns is reflected in the project.

Bill Fisher Will Visit Here Monday

Bill Fisher, Republican candidate for Congress in District 17, will come to Muenster next Monday about 2 p.m. in the interest of his campaign. He will be available for comment at his campaign van or at any of several places he expects to visit. Interested people are invited to come and ask his views on the current issues.

At about 5:30 Fisher will be available at the party headquarters in Gainesville, 114 N. Commerce St.

Plans Shaping up For Homecoming At Muenster High

With only a week remaining before their 1978 Homecoming the Muenster Public School ex-students are mostly ready. The program for the formalities and party, under chairmanship of Diane Walterscheid, is scheduled next week Friday in connection with the Muenster-Era football game.

Selected as nominees for the honor of homecoming queen are Kathie Fisher, Rita Sicking, Lisa Trubenbach and Robin Walterscheid. They were named by the senior class and the queen will be determined by vote of the football team. Others will become princesses, along with selections by the three lower classes, as the queens attendants at the royal coronation. Those princesses are Elaine Grewing, freshman; Jo Ann Gibson, sophomore; and Kim Walterscheid, junior. The ceremony will be held at half time of the football game, and the list of other participants remains to be completed.

Next event of the homecoming is a reunion dance after the game in the Sacred Heart Community Center. To be specially honored there are the classes of '58 and '68, all of whom are urged to make extra efforts to attend. Dance music will be provided by Cherry Rhone.

SH Homecoming Dated October 7

The date for the Homecoming celebration at Sacred Heart High School was set during a recent SHH Alumni meeting. The event will be held on Saturday, October 7, and the football game will be Tigers vs. Anna. Honor graduates are the classes of 1948, '58 and '68.

All SHH graduates are invited to join honored guests at a reception, 5 to 7:30 p.m. in the Sacred Heart Community Center for a buffet meal. The football game will begin at 7:30 and will be followed by a dance in the Community Center, with music by Hay Fever.

Tommy Hesse conducted the Alumni meeting.

PTO Meeting
The Muenster Public School PTO will meet Monday, September 18 at 7:30 p.m. in the school auditorium.

Tigers 13, Trinity Valley 19

The Sacred Heart Tigers, with memories of runner-up in last year's state TCIL playoff and visions of another big season, sustained a 19-13 setback last Friday in their season opener with the Trojans of Trinity Valley, Fort Worth.

A blocked kick ending in a touchdown was the measure of their loss. Otherwise the game was very close in total yards (206 to 209), but the Tigers had the better record in first downs (18-12) also had one turnover whereas the visitors had two. Another possible factor was penalties of 65 yards, some coming when it hurt, whereas Trinity Valley was penalized only 25.

The visitors cranked up a scoring drive on their first possession. After a 10 yard kickoff return they started on their 35 and promptly gained to the 30 on a 35 yard pass. Eight plays from there produced the touchdown, the payoff being a sprint around left end for 6 yards. A try for bonus points failed.

The Tigers responded with a drive of their own starting with Mark Nasche's 42 yard kickoff return to the Trojan 45. The next two tries lost 5 yards, then Phil Walterscheid made a nice 24 yard gain to the 28. Next a holding penalty cost 15 yards and was more than offset two plays later by Kenny Hartman's 30 yard pass to Angelo Nasche reaching the 12. Three more tries plus 4 yards free on a penalty got to the 3 and Joe Bartush went in from there. Kenny Hartman's kick gave the Tigers a lead of 7-6 with 4:09 left on the clock in the first period.

On the next kickoff the Tigers got a great set up as Monte Endres recovered a Trojan fumble on the 23, but they wasted it on a complete-

Jaycees Will Have Coaching Session For PP&K Entries

An instruction session to help the kids who will participate in Punt, Pass and Kick competition will be held on the Muenster High football field Saturday, September 23, at 1 p.m.

It will be sponsored and conducted by Muenster Jaycees, with Willie Wimmer as chairman, to help the youngsters in their contest a week later. All kids who intend to participate are invited to be there and learn about rules, etc., along with coaching tips to help their scores.

The contest itself will be held a week later, the 30th, on the MHS field under direction of the Jaycees. Sign-ups will be accepted at Endres Motor Co. through the 29th, but entrants are encouraged to register early and come to the Jaycee instruction session.

Children aged 8 through 13 are eligible and each will compete only in his own age group. Winner of each group advances to the next stage of competition, last step of which is national championship.

Volunteers Wanted For Kids Program

Friends of the Library are requesting volunteer help for the pre-school children's program they sponsor during the school year. There will be a meeting for mothers interested in helping, at the Library next Monday at 10 a.m.

Sponsors hope to expand the program with film strips and new materials if enough help is available. All help is welcome. Grandmothers are also invited to volunteer. More information is available from Emily Klement, phone 759-4554.

Fall Seems Near

According to the calendar, Fall is about a week away and recent temperatures have been in agreement. High temperature readings of the past week have ranged from 84 to 97 and the lows have been from 69 to 78.

Readings on Steve Moster's low high thermometer have been as follows: Sept. 7, 69 & 93; Sept. 8, 70 & 86; Sept. 9, 72 & 84; Sept. 10, 72 & 91; Sept. 11, 72 & 87; Sept. 12, 73 & 94; Sept. 13, 78 & 97.

The only moisture was .02 inch on the 9th and .82 on the 10th. It brings the month's total measure to 1.48 inch and the year's total to 21.80.

The seminar, a series of three sessions, is scheduled each Tuesday night beginning September 19. All sessions will be held in Cooke County Electric Co-op beginning at 7:30 p.m. Conducting the workshop will be Dr. Fred Cross, a resource development specialist for the Texas Agricultural Extension Service.

The workshop will deal with the following areas: The first session, September 19, will explore how to be more effective as an individual in a committee. The second session, September 26, concerns planning and conducting productive committee meetings. The last session, October 3, deals with how to plan and conduct successful club and community projects. Those persons completing all three sessions will be presented a certificate.

The job of a good leader is a very important and challenging responsibility. If you would like more information, please contact your county extension agents Evelyn Yeatts and Neil Tibbets at 665-4931 or Gene Davenport at Cooke County Electric Co-op, 759-2211.

C. A. Stelzers Have Yard of the Month

Mr. and Mrs. Charles Stelzer are the owners of the September "Yard of the Month." According to an announcement at the Monday meeting of the Muenster Garden Club, the Stelzer yard was selected for daily meticulous care and for degree of improvement since the lawn was first established. A suitable sign has been put in place. The Stelzers live at 409 N. Walnut.

Maybe we should examine our priorities. We have rugs that don't show the dirt and movies that do.

Approved Paint Show

An approved Paint Show will be held Sunday, September 24 at 9 a.m. at the Gainesville Riding Club. Wilfred Sicking will be manager. It is open to anyone wishing to show a registered horse. Visitors are welcome and there will be no admittance fee. The concession stand will be open all day. Any questions? Call Wilfred Sicking 759-2563.

Alvin Fuhman Will Be Chairman Of '79 Germanfest

Germanfest and Christmas parade were the principal topics at Tuesday's regular meeting of the Muenster Chamber of Commerce.

President Johnny Pagel was especially pleased to announce that Alvin Fuhman has volunteered for chairmanship of the festival and is starting at this early date to make plans and contacts. Looking for ideas, he'll be the chamber's representative to the Oktoberfest in New Braunfels.

Also a concern of the chairman is a repair job on the city park's tennis court, which will probably be the site of the big tent again. Being considered are end posts for tennis nets that can be removed without damaging the surface, also work on backstops and seal coat for the playing surface. Other work planned are a few permanent booths which can be a park asset the year around. The chamber has funds remaining for such work after paying all of this year's bills, including the new rest rooms.

Concerning the Christmas parade-drawing, members endorsed the idea of contacting Jaycees for the purpose of working together and making an earlier start with hopes of increasing participation.

In the matter of community recognition, Pagel said that materials and arrangements are complete for a bill board five miles south of town. It should be finished in a few weeks. And Muenster will be included in the next brochure published by the West Texas Chamber of Commerce.

3-Part Workshop Is Scheduled by Extension Office

by Neil Tibbets
What is leadership? How can I be more effective as an individual in a committee? How can I structure a meeting to make it more productive? These are only a few of the questions that will be answered in the community development workshop for interested Cooke County citizens.

The workshop will provide training and experience for local people to help them better perform their role of working with and involving people.

Extension Office Sets Meeting on Christmas Ideas

by Evelyn Yeatts
For over 15 years a community project "Christmas in November" has been held in Gainesville. If you have attended before you will remember that it is a showing of many ideas for Christmas decorations and gifts that are made at home.

A meeting of club representatives and interested individuals will be held on Friday, September 15, to set the date and make plans for this year's "Christmas in November." It will be at 1:30 p.m. in the County Extension Office in the southeast corner of the courthouse basement.

Garden Club Reactivates after Summer Recess

To reactivate the garden club year, after a summer recess, when only committees and officers remained active, members of the Muenster Garden Club reconvened Monday evening in the Cooke County Electric Co-op Building.

Members were given a 3-month review of summer business that included a discussion of Mini-Park maintenance, Yard of the Month awards, a donation to the District II Scholarship Fund, selection of a Memorial Book to be given to Muenster Library honoring the late Mrs. R. R. Endres and routine committee reports.

Mrs. King Koch presided. Mrs. Arthur Endres was hostess and served home-made cookies and coffee to members and guests. Mrs. Jim Roark reported that eleven guests attended the Sherry Party at her home with members. Mrs. W. J. Luke, program chairman reported on programs scheduled for 1978-79. A wide-variety outline includes studies on preparing gardens for winter; holiday design and decor; a workshop on original Christmas designs; a study of houseplants; lighting for indoor and outdoor plants; shrubs and trees; spring bulbs; and a poolside installation dinner.

Speakers will include Mrs. August Felderhoff, a club member; Mrs. Shirley Horn of Aughtly's Flowers, Kenneth Kaden of Kaden, the Florest; Mrs. Marcie Hamer Schmitz, TP&L Home Economist; Chris Kaden of Kaden Landscape Company; a horticulture workshop; and a poolside installation dinner with husbands as special guests.

Mrs. Pat Stelzer and Mrs. Paul Endres reported that the Charles Stelzer home was play, Todd Richey booted the PAT with only 8 seconds gone on the clock.

The Dragons, following the next kickoff, could not go and got off a poor kick to end the series. Then Duane Knabe, Randy Serna and Todd Richey pounded the line for 36 yards in 6 plays. Knabe went over from the 7 and Richey missed the try for extra point.

The third TD was another quickie. After kickoff return to the 30, Chico gained only 3 in three tries and had the misfortune to foul up the punt attempt by a bad pass from center. So the Hornets were only 16 yards from pay dirt. A 13 yard scoot by Serna on the third play gave Muenster its third TD as 3:41 remained in the quarter. Richey's kick added a point and the score was 20-0.

Moments later the Hornets got still another big fat break. Chico fumbled and Dave Ferber recovered for MHS on the

Teams Will Travel to Kennedale, Alvord

The Muenster Hornets, having just romped to an easy 35-8 win over Chico will come face to face with some hard facts of life when they encounter Kennedale Friday night at Kennedale. Kickoff time will be 8 p.m.

According to reports reaching Coach Jerry Stinson the odds are stacked high against the Hornets. First of all Kennedale is in Class AA, from which it may be assumed that the roster was selected from lots of fellows with lots of size and talent. They have a definite advantage over Muenster, which barely meets the minimum requirement for A classification.

Also, the record so far indicates that Kennedale measures up to its classification. It did not play last week but a good sign may be the close loss in scrimmage to the AA powerhouse of Northwest, which took Aledo in the opener last week.

On the other hand Stinson is enthusiastic about the Hornets in their tussle with Chico. He liked the explosive start with fine running by Serna, Knabe, Richey and Klement, plus clutch passes by David Felderhoff, all of which produced four touchdowns in barely more than one quarter. Likewise he's high on the defense featuring Mark Klement, Ferber and the two Pagels who allowed only a few scattered first downs and little yardage in three quarters. And he was not worried about second and third quarter letdowns after Muenster had the gameiced away.

It all adds to a good rating for the Hornets, and the big question is will they have enough for Kennedale?

Joe Bright Gets Helicopter Wings

2nd Lt. Joseph Bright of the Air Force recently completed an officer rotary wing aviator course and received the silver wings of an Army aviator at the U.S. Army Aviation School, Fort Rucker, Ala. The helicopter training includes manual and instrument flying maintenance, navigation and radio procedures.

Bright, a son of Mr. and Mrs. David Bright, received his commission through the ROTC program. He is a graduate of Muenster High and Virginia Military Institute.

Hornets Wallop Chico 35-8

In a furious first quarter, Muenster's Hornets slew the Dragon of Chico last Friday night and then played on more or less even terms until the final count of 35-8.

The MHS boys scored their fourth touchdown on the first play of the second quarter, after which they matched the visitors in first downs and led 103 to 91 in yardage. The second quarter hampered by a drizzle proved to be a handicap to both sides and left the grass wet for the rest of the tussle. The ball was dried off before every play.

Action started with a bang as Chico fumbled on kickoff return after Duane Knabe's tackle. Randy Serna recovered it on the 35 and romped to a score from there on the first play. Todd Richey booted the PAT with only 8 seconds gone on the clock.

Tigers to Take on Veteran Bulldogs

For the second consecutive week, the Sacred Heart Tigers are taking on a big job. They will go to Alvord for a clash with the Bulldogs, who showed considerable muscle last week in a loss of only 14-6 to Boyd, the team that gave Muenster a good scrimmage two weeks before.

The Tigers' main problem is experience, says coach Eddie Stock. It showed last week in their game with Trinity Christian, when they led the statistics but wasted too many efforts on mistakes. That's understandable, he said, when they have only one offensive starter and three defensive starters from last year. Since the former team was mostly seniors, the juniors and sophs saw little action.

However, the Tigers have talent, as indicated by a number of good gains. As they get more experience and wear off the rough spots they'll be more able to keep their drives going. Stock is confident that they'll put their game together soon and get into the TCIL playoffs again.

For the present, however, their concern is Alvord, which happens to have lots of experience. The team is made up mostly of seniors, whose performances so far deserve serious consideration.

Still another difficulty looms before the SH boys. Joe Bartush, their number one ball totter and linebacker is on the doubtful list after a knee injury last week.

Otherwise all Tigers are healthy and working hard to correct the faults that were the big factors in their disappointment last week.

How to Get There

For Muenster fans attending the game, the following suggested route may be helpful. From I-35 some 5 miles north of Fort Worth, turn east on Loop 820 and follow to Mansfield business exit, No. 287. Follow to first stop sign and turn right to 287 South and continue about 2 miles. Stadium is at the left.

An alternate way continues on I-35 through Fort Worth to Loop 820. Exit left and follow to Mansfield business exit. Turn right on 287 and go about 2 miles to the stadium.

Persons who intend to go to the football game at Kennedale Friday night are reminded that it will pay to buy tickets here, as for other contests of the season. By doing so, an adult can save 50 cents and a student \$1.50.

As a member of a AA district Kennedale charges \$2.50 at the gate for both students and adults. But the tickets are available until 4 p.m. Friday in Principal Winn's office at reduced prices of \$1.00 per student and \$2.00 per adult.

Mr. Winn announced this week that the advanced ticket sales will continue throughout the season. They will be available in his office Monday through Friday to 4 p.m. whether the game is at home or away. Also the other adult tickets will cost less than Kennedale's. They are priced at \$1.50, and student tickets are priced at \$1.00. Price at the gate will be \$2.00 for student or adult.

Starla Janicki of San Antonio Weds

The Main Chapel at Fort Sam Houston, Texas, was the scene of the marriage of Starla Michelle Janicki and Monte Eric Smith on September 2 at 11 a.m.

The bride is the daughter of Lt. Col. (Ret.) and Mrs. John P. Janicki of San Antonio and the granddaughter of the late Mr. and Mrs. Jacob Pagel of Muenster.

The groom is the son of Mr. and Mrs. William B. Smith of Bernice, Louisiana.

Father Woodrow Elias of San Antonio was the celebrant of the Nuptial Mass with double ring vows.

As the bride approached the altar on the arm of her father, she paused to present a long stemmed red rosebud to her mother.

The altar was decorated with tiered candelabra, large palms and baskets of white gladioli, white roses and fern.

The bride's traditional gown was fashioned of white French silk organza over heavy moire taffeta. Bands of heavy French lace adorned the bodice, long sleeves caught to lace cuffs, and encircled the full skirt. The veil was completely banded with lace, and was

attached to a French lace bonnet, and fell into a sweeping chapel length train. The bridal bouquet was a cascade of white silk rosebuds, lily of the valley and fern. The bride carried a crystal and sterling rosary that her mother carried at her wedding.

Miss Cecile Renee Janicki, sister of the bride, was maid of honor. Her dress was a floor length peacock blue knit fashioned with a cowl cape covering her shoulders. She carried a nosegay of white silk roses, stephanotis, fern and blue satin streamers.

Gregg Van Deloo of San Antonio was best man. Ushers were Donald L. Elmer and Bruce Gatti of San Antonio.

As the couple left the Sanctuary, the bride presented a long stemmed red rosebud to the groom's mother.

Traditional wedding music was played on the pipe organ by Mrs. L. Avey of San Antonio.

Reception

The Maya Ballroom of Fort Sam Houston Officers Club was the setting for the reception. The refreshment table was covered with white linen, and centered by a tall silver

epergne of white roses, white carnations and fern flanked by a pair of tall silver, tiered, seven arm candelabra.

Mrs. W. W. Wakefield, sister of the bride, and Mrs. LeRoy Jahn cut and served the three tiered white wedding cake which was baked and decorated by the bride's father.

The bride and groom toasted their guests by drinking champagne from a silver wedding cup brought back from Germany by the Janicki family.

A champagne fountain held a vantage point on an adjoining table. Mrs. David Bennett, the groom's sister of Spearsville, Louisiana served fruit punch from a cut crystal punch bowl. Mrs. Donnie Lee, the groom's sister of Bernice, Louisiana and Mrs. Forest Archer of San Antonio registered guests.

The bride is a graduate of Theodore Roosevelt High School of San Antonio, attended Southwest Texas State University in San Marcos and has been employed by the Department of Justice in the United States District Attorney's Office in San Antonio.

The groom is a graduate of Louisiana State University, majoring in accounting, and has received his license as a Certified Public Accountant.

After a wedding trip to Mexico, the couple will make their home in New York City, where he is employed by the Federal Bureau of Investigation.

Out of town guests at the wedding and reception were Mr. and Mrs. William B. Smith and Mrs. Donny Lee of Bernice, Louisiana, Mrs. David Bennett of Spearsville, Louisiana and Mr. and Mrs. William Rutledge of Richwood, Texas.

Bartush Baptism

William Robert Bartush, infant son of Mr. and Mrs. Bill Bartush, was baptized Saturday, September 9 at 3 p.m. in Sacred Heart Church, with Father Stephen Eckart officiating.

Baptismal sponsors were Charles Bartush, Jr. and Mrs. Fred Fuhrmann.

The baby wore a long christening gown with matching cap and full length coat, hand made by his mother, with lace and elaborate embroidery.

Attending were Mr. and Mrs. Don Rice and children of Gainesville, Fred Fuhrmann of Moss Lake and Mr. and Mrs. Steve Matt of Denver.

Following the church service, the paternal grandparents, Mr. and Mrs. Charles Bartush, Sr. and their children hosted a christening party and buffet in their home about 4 p.m.

Attending were guests of the baptism and the great-grandparents, Mr. and Mrs. Frank Herr and Mr. and Mrs. Adolph Walterscheid; the maternal grandparents, Mr. and Mrs. Denis Walterscheid and sons, and the hosts and their children including Cindy Bartush and a guest from the University of Dallas and the Steve Matts of Denver. Mrs. Matt is the former Ann Bartush.

Family portraits were made at both events.

"My husband is to be named Man-of-the-Year."
 "Well, that shows you what a lousy year we have had."

One of man's greatest enemies is the illusion that there will be more time tomorrow than there is today.

BIRTHS

Mr. and Mrs. John Schneider announce the birth of a daughter, Jenny Lynn, at Muenster Memorial Hospital on Sunday, September 10 at 1:28 p.m. weighing 8 lb. 8 oz. Her grandparents are Mr. and Mrs. Ed Schneider of Muenster, Mrs. Francis Gillmore of Perry, Iowa and Stanley Weiser of Panora, Iowa. The great-grandparents are Mrs. Catherine Walterscheid of Muenster, Mr. and Mrs. Paul Purviance of Minburn, Iowa and Mr. and Mrs. Stanley Weiser Sr. of Adel, Iowa.

Local News BRIEFS

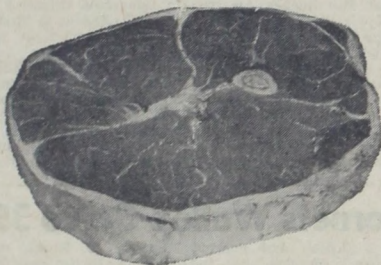

Sister Theresina is back in Muenster following a summer vacation in Switzerland with her sister and brother and nieces and nephews. She and a nun-companion arrived at Holy Angels Convent in Jonesboro, Arkansas, on September 4 and Sister Theresina returned to Muenster early this week.

Mrs. J. P. Kidd of Gainesville was impressed with the kindness of a clerk at the Muenster Post Office Saturday morning and made special mention of it in a note to the Enterprise.

to 89 yards. The big gains were 9 by Bartush, 35 on a pass, Hartman to Mel Walterscheid, 22 by Bartush and 13 on a pass to Angelo Nasche. A busted play lost 5, then Jeff Hess scored on a 10 yard pass. The kick for PAT was short. SH led 13-12 as the clock showed 29 seconds.

Trinity went ahead to stay early in the second half. After the Tiger punt ending first series, the visitors used seven plays to go 57 yards and overcame 10 yards of penalty along the way. Actual distance was 67 yards. Big plays were passes for 36, 12 and 14, and the payoff was a 1 yard plunge by Alexander. The kick failed and the score was 19-13.

SH responded with a fine drive starting at its 33 and going 52 yards to the Trojans 15 in 9 plays. Best gains were 12 on a pass to Bartush and 12 each on runs by Kenny Hartman and Phil Walterscheid. But the effort went

down the drain as Trinity intercepted on the next play.

After that the visitors had to kick on first series and SH missed another opportunity. From midfield Bartush gained 6, 4 and 14 and Phil Walterscheid gained 8. Tigers were at the 18 and bogged down on the next series. The four tries yielded only 3 yards.

Midway in the period another short Tiger drive ended with big losses in the third series as Hartman was blitzed twice. And a final opportunity failed to jell in the closing minutes. Following a fumble recovery in midfield and a penalty of 5 and loss of 16, Hartman completed a 33 yard heave to Mel Walterscheid at the 40. And again the next series was a failure.

Mrs. Roark Hosts Garden Club Meet

Mrs. Jim Roark was hostess in her home for a Sherry party on Tuesday, September 5, honoring Garden Club members and their guests.

The buffet table was centered with an arrangement of anthuriums, made by Mrs. Arthur Endres.

Sixteen members attended. Guests were Mmes. Beatrice Young, Jodie French, Angela Antonetti, Maxine Sparkman, Irene Klement, Anna Marie Bayer, Laverne Nasche, Toni Hess, Ruth Felderhoff, Emily Klement and Sharon Michael.

Compromise Urged In Extended AMPI Antitrust Lawsuit

Associated Milk Producers, Inc., has been embroiled for the last several years in an antitrust lawsuit with the National Farmers Organization in Judge John Oliver's Federal District Court, Kansas City, Missouri. Pretrial procedures consumed the first 6½ years. The actual trial of this case began November 28, 1977, and is not yet half finished.

Associated Milk Producers, Inc., sincerely feels that it will ultimately win this lawsuit but realizes that all dairy farmers in the Midwest, and particularly the dairy farmers of the opposing organizations, are paying too high a price in legal fees and expenses involved in the continuation of this legal battle.

For this reason, Associated Milk Producers, Inc., has just made a most reasonable offer to NFO that both sides withdraw from this lawsuit, that each organization pay no damages to the other, and that each side pay its own legal expenses. Associated Milk Producers, Inc., regrets that the National Farmers Organization has turned down this offer of compromise, especially in light of the fact that attorneys are the only people who stand to profit from the tremendous legal costs which are borne by the dairy farmers on each side.

NFO's refusal indicates to AMPI that some factions within NFO desire to prolong the litigation, which NFO knows will last for at least two more years, and more if possible appeals are taken into account. That certain persons within NFO should be able to frustrate the settlement and prolong the needless and costly battle is indeed unfortunate for all dairy farmers. But more important, the battle between dairy farmers is weakening the cause of all dairy farmers. Dairy farmers should be joining together to improve their collective state in society, not engaging in needless, costly battles which will weaken all dairy farmers' interests.

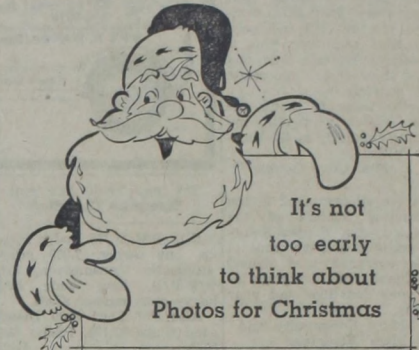

Roewe Family Reunion
Descendants of Bernard and Elizabeth Roewe will hold an all-day reunion on the Pavilion of the Muenster Park on Sunday, September 17, with covered dish meals for dinner and supper. Mr. and Mrs. Roewe were former Muenster residents before moving to Pilot Point many years ago.

Veronica Rollman is a surgical patient at Westgate Hospital in Denton since Friday, September 8. She is in room 414-A and will appreciate hearing from friends. She will probably be hospitalized about two weeks.

WE HAVE THE FARM BOSS AND IT IS A STIHL

\$338

It Starts Easier

Because of a hotter spark, better carburetion and a flood-free design.

It's More Reliable

Because it has longer-wearing moving parts that won't break down.

It's More Powerful

Because it has the biggest power-to-weight ratio of any popular saw.

It's Quieter

Because its large, baffled muffler is more than just a tin box.

It Costs Less

Because a saw that'll last about twice as long will only cost about half as much.

It Comes with a Bonus

Over \$30 worth of free accessories including a spare cutting chain... really make the Farm Boss a Stihl.

THANKS

This morning I was so pleased to notice the neat and clean appearance of my yard after the city truck crew picked up a huge pile of limbs, shrub prunings, and thorny vines. They did a wonderful job and left my lawn in a good condition. This is my way of thanking them and telling them that I appreciate their courtesy.

I also want to thank the many friends who visit my husband regularly at St. Richard's Villa.

Mrs. Clive Gobble

We are all overjoyed at the outstanding success of the Myra Barbecue Supper Saturday evening, and we want to thank everyone who helped us. "Thank you" for your labor, your donations and your support.

Myra Community and Myra Volunteer Fire Department

With grateful hearts we acknowledge many kindnesses at the death of our wife and mother, Mrs. Ruby Morris. We thank Doctors Antonetti and Juarez and the hospital nurses for their most considerate care, the Münster High Hornets and Hornettes for their touching remembrance, also Kathy Koch and other friends for visits, food, flowers, cards and any other kindness. May God bless all of you.

The family of R. D. Morris

Program of Young Homemakers Told

The State Association of Young Homemakers of Texas is a chartered organization for young adults interested in homemaking.

The organization is formed exclusively for educational purposes with reference to homemaking. The overall goal of Young Homemakers of Texas is to provide creative opportunities for young adults in maintaining effective personal, family and community life. Members learn new skills and gain information contributing to home and family living and community membership.

Active membership is open to young adults not enrolled in high school and who are not over 35 years of age. Eligible members may be single or married. Individuals over 35 may become associate members upon payment of dues with the rights and privileges of active members, except that of holding office and voting.

The State Association of Young Homemakers is composed of chapters in the 10 supervisory areas of Home-making Education. Chapters form area organizations and have representation on both area and state executive committees and at state and area conventions.

Each chapter develops a program of work, including projects which help achieve the purposes of the Association. Local plans are based on a state program developed from suggestions submitted by local members and adopted at state conventions.

State and area recognition awards are given to outstanding chapters, outstanding new chapters, and to the Future Homemakers of America recommended by local Young Homemaker chapters as outstanding in their work in the home, school, and community. Winners are honored at area and state conventions.

Young Homemaker Week is being observed September 17-23. Invitation is extended to any interested eligible young homemaker to join and become active in this growing organization.

The emphasis project for 1978-79 is "From Self to Others."

They say every dog thinks his master is the Almighty — hence the popularity of dogs.

Muenster High JVs Blast Chico 30-12 In Season Opener

Thursday was a great day for the junior varsity youngsters of Muenster Hi, who suffered through a miserable football season in 1977. This time they really started with a thrilling 30-12 win over the Chico JVs, and ended the game with an enthusiasm they are determined to carry into other contests.

Besides they compiled some impressive statistics, like a lead of 20-5 in first downs, and total rushing of 267, of which Rusty Serna stepped off 176 and Dale Swirczynski 66, and passed for 100 yards. In turnovers the teams broke even, each losing one interception and four fumbles. Monte Wimmer made the interception, John Walterscheid, Matt Sicking, David Flusche and Dale Swirczynski recovered the fumbles.

After a slow start the Hornets got organized on a 50 yard drive in the second quarter and Rusty Serna finished the job with an 8 yard crash off tackle.

Early in the third period the visitors tied the count with a 70 yard punt return. And shortly after that, an interception with 20 yard return put them in front 14-6. Next Muenster tied it again with 60 big yards on a pass and carry from Wimmer to Gary Klement. Randy Serna then crashed into the line for double points on the PAT, and the Hornets led 14-12 as the third period ended.

Dale Swirczynski sweetened the lead early in the fourth with a 4 yard crash ending a drive from midfield. And finally John Walterscheid recovered a fumble on the 20 and advanced to pay dirt in four tries. Dale Swirczynski carried over for points following both TDs.

The scoring does not reflect all of the Hornet action, however. Tim Schneider made it to the goal line on a fine pass play and fumbled at the line. Officials had a close call in deciding whether it was touchdown or touchback, and ended by awarding the oval to Chico at the 20.

Young Homemakers Of Texas Install Officers and Dine

Formal installation of officers in the Young Homemakers of Texas on September 6 was followed by a business meeting and catered salad buffet.

The installation included a candlelighting ceremony in which officers participated and were each presented a long stemmed red carnation, symbol of the Young Homemaker organization.

The business meeting was conducted by the new officers. Members discussed attendance at the Area Convention in Plano on September 16. Any members interested in attending may phone Joni Sturm or Sue Trachta.

Members made plans to conduct a fund-raising drive as a benefit project for tiny Alicia Knabe. They will offer a variety of "Current, Inc." products including place mats, cards, stationery, calendars, children's color books, cookbooks and a number of other items. Any member may be contacted for sales or information.

Also reporting was the yearbook committee, Charlene Schilling chairman and Mary Bayer, Janet Felderhoff, Pam Dangelmayr and Sue Trachta. The catered salad buffet was served to thirty one members and guests.

The next meeting of Young Homemakers will be on October 4.

Retiring officers who served for a year during 1977-78 are Pam Dangelmayr president, Jolene Richey vice-president, Glenda Russell secretary, Donna Simmons treasurer, and Kathy Sicking reporter.

Local News BRIEFS

Lt. Joseph A. Bright arrived Sunday from Fort Rucker, Alabama, to spend two days with his parents, Mr. and Mrs. David Bright and left to participate in a two week survival training session at Fairchild Air Force Base near Spokane, Washington.

Kevin Sicking has returned to Houston after a week's vacation with his parents, the Leo Sicking's. Other family members here for a weekend visit were Dan Sicking of Tyler and Karen and Brett Wiggins of Dallas.

Hostesses for the weekly game party at St. Richard's Villa Wednesday were Sister Theresina, Sister Agnes, Lu Vogel, Armella Cler and Ger-tie Fisher.

It's easier to keep in touch when out-of-town relatives and friends read the Muenster Enterprise to find news of your family gatherings, reunions, visits from other relatives and friends, vacation trips, anniversary celebrations, school activities, awards for school accomplishments, community events, parish activities, weddings, parties, etc. Almost as good as a long letter from home. Don't Buy Zip Code Book from Peddler

Postmaster Virgil Henscheid cautioned citizens of Muenster to be wary of door-to-door sales of incomplete or out-of-date ZIP Code or post office directories.

"Businesses and households should be on the lookout for persons going door-to-door selling these directories. They are not authorized to do so by the Postal Service," Postmaster Henscheid said.

Frequently, he said, the person doing the selling will be a young person posing as a student who will use the proceeds from the sale to further his or her education.

A ZIP Code directory is of little use unless it contains ZIP Code information for the 480 major cities which have more than one ZIP Code. The directories being sold door-to-door often list complete ZIP Codes only for smaller post offices having one ZIP Code. In addition, the information in them may not reflect changes in ZIP Code assignments which are made periodically to accommodate post office changes and community growth.

Sales of incomplete or outdated directories have been particularly prevalent on the West Coast, in the Great Lakes States and in such cities as Detroit, Philadelphia and Phoenix, in recent weeks.

The postmaster urges residents to report any local incidents of such sales.

The official 1979 National ZIP Code Directory, published by the Postal Service, is available from Government Printing Office stores in 20 major cities, or by mail from the Superintendent of Documents, Washington, D.C. 20402, for \$7.50. It is also sold by several publishers licensed by the Postal Service. None sell them door-to-door. The Postal Service is testing Directory sales in local post offices, but such sales are currently limited.

New Year Started By Community 4-H

The Muenster Community 4-H Club will meet Tuesday, September 19 at 7:30 p.m. in the TP&L Building.

4-H Leaders, Mrs. Eddie Fleitman and Mrs. Charles Davidson have issued an invitation for parents to attend. Invitation is given also to prospective new members.

4-H members and leaders point out that 4-H projects present opportunities for going places, helping others, making new friends, learning to do new things and having fun.

More than 40 projects are available to fit any situation. There are group activities, club meetings, camps, fairs and contests. Leadership talents are developed and good citizenship is practiced. Talents, skills and hobbies are shared.

Special attention is called to the meeting date, September 19. More information may be obtained from Mrs. Eddie Fleitman, 759-2773 or Mrs. Charles Davidson, 759-2542.

The way to get rid of a friend who wants to borrow money is to lend him money; you won't see him again for a long, long time.

Mary Herron Is Birthday Honoree

Mrs. Mary Herron's 74th birthday was observed on Friday, September 1 with her son and daughter-in-law, the Wilfred Sicking. They enjoyed having dinner out at noon joined by Mrs. Herron's great-grandchildren Tiffany and Jason Sicking of Washington. Birthday cake, punch, coffee and family gifts to the honoree followed in the Sicking home.

In the afternoon they drove to Pilot Point to visit another daughter, Mrs. Jerry Pels and family.

They returned to Muenster in time for the evening meal at St. Richard's Villa.

Jason and Tiffany Sicking are now visiting in Fort Worth for a week in the home of Mrs. Jerry Downs and will return to Muenster for several more weeks.

A cocktail party is a place where drinks mix people.

Guests of Al Trubenbachs

Judy Trubenbach of San Antonio spent the last weekend of her vacation with her parents, Mr. and Mrs. Al Trubenbach, after a Caribbean cruise and visit on the Islands of Cancun and Cozumel for two weeks. She was met at D-FW by her sister and family, the Ronald McCorkles of Irving and they accompanied her to Muenster Friday. Her mother and Mrs. Al Schmitt took her back to San Antonio Sunday.

Society Will Host Nuns at Pot Luck Supper October 1

During their regular meeting on September 3 members of St. Anne's Society made plans to serve a pot-luck supper to the Benedictine nuns on Sunday, October 1 at 6 p.m. preceding the regular meeting.

They will also sponsor a two day clothing drive during the first week of November, and will divide the supply between Father Gregory's Sacred Heart Mission in Walls, Mississippi and several other charities.

Münster will host the NCCW meeting on September 21 at 10 a.m. in the Knights of Columbus Hall. Mrs. Paul Fisher requested volunteers to help clean the hall before the meeting. NCCW members were asked to bring a generous salad for the noon meal. Coffee and sweet rolls will also be served.

Mrs. Denis Walterscheid presided for the business meeting. Father Stephen Eckart led the opening prayer and urged prayers of thanksgiving for the election of Pope John Paul I. Lu Vogel presented minutes; Mrs. Leo Henschel gave an itemized treasurer's report and asked members to donate get well cards they have on hand, for future use. Mrs. Joe Fisher discussed the retreat at Monserrat on September 21 and offered to take others who plan to go. Early reservations are necessary. Mrs. Adolph Walterscheid read a card of thanks from Father Gregory of Walls, Miss. St. Anne's members voted to contribute to a fund for the football field lighting system. Mrs. Rosa Driever accepted chairmanship of the "Eyes for the Needy" and will accept old eye glasses for the project. Mrs. John Otto showed a sample quilt block depicting state flowers and using liquid embroidery paint. Several volunteered to help her make more for display at the State Convention, July 14-16, 1979 in High Hill, Texas.

Get-Well cards were mailed to Mrs. Alvin Cler, Mrs. Adolph Walterscheid and Mrs. Matt Muller.

Mrs. T. Vogel won the door prize. Thirty two members were present.

YOU CAN BANK ON IT!

In the early days of banking a "money house" consisted of little more than a teller's cage, a set of ledgers, and a safe. Our bank started with more than a safe and a set of books, but it started small. And it has grown steadily. Today we're big enough to offer the financial services you need and small enough to take a personal interest in your needs. When you open an account with the bank, you get a lot more than an account number. You get a person... a financial specialist. Our officers and employees are specially trained to help you choose the right services to meet your special financial needs — from personalized checks to safe deposit boxes.

Ask any of our officers about the services which make our bank one that can serve everybody. When they tell you how the bank can help you make money... or save money... or stretch what money you have, you can BANK on it!

Computer Program Will Check Ailing Budget Problems

Families with "ailing" budgets will get free advice on how to "cure" them during "Dollar Watch," a new computer program for Cooke County residents.

"Dollar Watch" is set from 9 a.m. to 2 p.m. on September 22 and September 29 at the First State Bank in Gainesville.

During the program, a computer will look at spending habits — and set up a new personalized budget — for families who request one.

"Dollar Watch" is sponsored by the Texas Agricultural Extension Service and First State Bank.

In addition, those attending will receive order blanks for several different types of publications to help them study their budgets and develop stronger spending habits, according to Mrs. Yeatts, Cooke County Extension Agent.

Among the publications is a "Financial Record Book," (MP-1304), available for \$1 from the Department of Agricultural Communications, Texas A&M University, College Station, Texas 77843.

This publication helps families figure out where their money is going — the first step in discovering what is "ailing" the family budget, Mrs. Yeatts explains.

During "Dollar Watch," families will learn how to analyze their current spending habits in detail — by using checkbook records or cash register receipts or the "Fin-

IF YOUR AIR CONDITIONER IS SET TOO LOW, YOU'LL FEEL IT RIGHT HERE...

During the summer months, the cost of operating air conditioning equipment is the biggest factor in the electric bills of most Texas Power & Light customers.

You can enjoy the comfort of air conditioning and hold down the amount of your electric bill by setting the thermostat on 78° or higher. But, you may say, "I like it set at 72°!" Consider the cost of the 6° difference.

If the outside temperature is 95°, every degree you set your thermostat below 78° increases your cooling cost about 12%. This means, of course, that your cooling bill will be about 72% higher if the thermostat is set at 72° than if it is set at 78°. For still more savings on your cooling bill, make sure your home is adequately insulated... check weatherstripping and caulking around windows and doors... close blinds or draperies to keep out direct sunlight... keep the fireplace damper closed... and clean or replace filters at least every 30 days.

PUBLIC NOTICE SUMMARY OF PROPOSED CONSTITUTIONAL AMENDMENTS GENERAL ELECTION NOV. 7, 1978

"The Tax Relief Amendment" (H.J.R. 1)

H.J.R. 1 proposes an amendment to the Texas Constitution allowing the legislature to exempt intangible personal property, requiring the legislature to exempt certain household goods and personal effects, and allowing the legislature to exempt all or part of the personal property homestead from state and local property taxation.

The amendment requires the legislature to provide for the taxation of farm and ranch land on the basis of its productive capacity instead of its market value and allows the legislature to provide for the taxation of timber land on its productive capacity.

The amendment permits local governments to extend the present exemption of not less than \$3,000 of the residence homestead of persons 65 and older to include certain disabled persons.

The amendment grants an exemption from public school property taxes of \$5,000 of the market value of the residence homestead. It authorizes the legislature to grant an additional exemption from public school property taxes of an amount not to exceed \$10,000 of the market value of the residence homesteads of persons 65 years of age or older and certain disabled persons. If a person 65 years of age or older qualifies for this exemption, the total amount of public school taxes imposed on that person's homestead may not be increased.

The amendment prevents local governments from increasing property taxes unless the governing body provides public notice and conducts a public hearing. The amendment requires the legislature to provide by law for each property owner to receive notice of the revaluation of his property and the amount taxes will be increased.

The amendment limits appropriations from state tax revenue to an amount not to exceed Texas' estimated economic growth rate, with the legislature authorized to make exceptions for emergencies.

The amendment prohibits the statewide appraisal of real property for property tax purposes. Enforcement of uniform standards and procedures for appraisal of property for property tax purposes is required to originate in the taxing

NUMBER ONE (S.J.R. 50)

S.J.R. 50 proposes an amendment to the Texas Constitution to delete an archaic reference to the "Deaf and Dumb Asylum." The amendment would allow the State of Texas to purchase products and services done by handicapped individuals in nonprofit rehabilitation facilities without complying with bid requirements applicable to other state contracts. The amendment also would eliminate the formality of the approval of certain state contracts by the Governor, the Secretary of State and the Comptroller of Public Accounts.

NUMBER TWO (S.J.R. 55)

S.J.R. 55 proposes an amendment to the Texas Constitution to permit local governments to issue bonds for the reconstruction or acquisition of facilities (land, equipment and improvements) designed to develop employment opportunities. These

NUMBER THREE (S.J.R. 44)

S.J.R. 44 proposes an amendment to the Texas Constitution which would allow the legislature to authorize cities and towns to issue tax increment bonds to finance the redevelopment of blighted areas. The bonds are to be paid solely from revenue from municipal tax increments. Payment cannot be made from the revenue of municipal taxes, utilities, or other services.

NUMBER FOUR (S.J.R. 53)

S.J.R. 53 proposes an amendment to the Texas Constitution to allow the legislature to exempt from taxation solar or wind-powered energy devices.

NUMBER SIX (S.J.R. 45)

S.J.R. 45 proposes an amendment to the Texas Constitution to allow the legislature to expand the number of judges on any court of civil appeals. Presently courts of civil appeals are limited to a chief justice and two associate justices. The amendment also would allow the courts to sit in sections, with the concurrence of a majority of the judges sitting in the section necessary to decide a case.

NUMBER SEVEN (S.J.R. 48)

S.J.R. 48 proposes an amendment to the Texas Constitution eliminating the State Building Commission and the State Building Fund. The authority of the State Building Commission has been transferred by law to the State Board of Control.

NUMBER EIGHT (H.J.R. 42)

H.J.R. 42 proposes an amendment to the Texas Constitution allowing certain political subdivisions or districts in the state that can presently issue bonds or otherwise indebtedness or otherwise lend its credit to engage in fire-fighting activities and to issue bonds or otherwise lend its credit to support such activities.

NUMBER FIVE (H.J.R. 37)

H.J.R. 37 proposes an amendment to the Texas Constitution to grant exclusive jurisdiction to justices of the peace in civil cases where the amount in controversy does not exceed \$200, except where the legislature gives exclusive jurisdiction to another court.

I'M CONVINCED... THIS IS REALLY GREAT WALL PAINT.

It looks great when you put it on, and it stays that way. The colors match, and they don't fade or yellow. I've scrubbed it with scouring powder, and the paint stays put, while all the dirt marks I added came off.

If you want your next wall painting project to be fast and easy, look great, and stay that way... try Satin-Tone, by Colony Paints.

... you'll like the difference!

Extension Service Sets Seminars on Farm-Ranch Taxes

By Neil Tibbets
The Texas Agricultural Extension Service is cooperating with the Internal Revenue Service in offering 31 Tax Practitioner workshops across the State reports Neil Tibbets, County Extension Agent.
Due to heavy registration in past years, three workshops will be held in the area. The first two workshops are scheduled at the Texas A&M Research and Extension Center at Dallas on November 20 and 21; and November 27 and 28. Also a workshop will be held in Greenville December 4 and 5 at the Wright Park Community Center.

These two day workshops are specifically designed for tax practitioners who work extensively with farmers and ranchers. Topics to be covered include Schedule C & F, Employment and Social Security Taxes, IRA and Keogh Plans among other topics. This year three advanced programs will be offered in Houston and San Antonio stressing tax preparation for small businesses also. For additional information, contact the County Extension Office in the basement of the Courthouse for a brochure explaining more about the program and registration information.

The Hornets

tance by 2 yards. Chico too failed on the series, and a bad snap from center again spoiled a punt attempt. Hornets were in possession only 15 yards away then fumbled the opportunity away.

Chico lost yardage the next three tries and, due to another bad snap failed to get the punt away. It was a safety, raising the Hornet score to 29.

The Dragon's free kickoff following safety was returned to the Chico 46 and two plays later David Felderhoff passed to his brother Floyd for 23 to the 22 yard line. Six plays made it from there, Serna scoring from the 8. The kick was blocked MHS led 35-0 at :06 remaining in the third.

Shortly after that a 19 yard pass to Mark Felderhoff plus reached the 12, however the next series, with two incomplete passes and a busted play fizzled out at the 10.

That is where Chico launched its only drive of the night. Warner and Berryman did most of the leg work in the 90 yard drive and Berryman scored from the 6. A pass North to McNair upped the score to 35-8.

Junior Teams of Sacred Heart Have Short Schedules

Schedules of junior high and junior varsity football games this season at Sacred Heart are limited by the fact that several of the schools playing the SH varsity do not have the junior program, otherwise that the travel distance is too far to justify the junior game.

Only four schools on the SH varsity schedule are also on the SH junior high schedule. And only two on the varsity schedule are also on the junior varsity schedule. Opponents playing the varsity only are Trinity Valley, Alvord, Anna, P.W. Nolan, Christ the King, and Taylor Gorman.

As a result the JVs will have only six games including two games each with Valley View and Chico. And the Junior High Cubs will have seven games, including two with Chico. All games will be on Thursday night except Saint Jo, which will be on Tuesday, the 26th. And all double headers will start at 6 p.m., as will all single games except the JV game with Valley View on Oct. 19. It starts at 7:30.

The schedules read as follows:
Junior Varsity
Sept. 14, Valley View, there
Sept. 21, Lindsay, here
Oct. 5, Chico, there
Oct. 12, Notre Dame, there
Oct. 19, Valley View, here
Nov. 2, Chico, here
Junior High
Sept. 14, Valley View, there
Sept. 21, Lindsay, here
Sept. 26, Saint Jo, here
Oct. 5, Chico, there
Oct. 12, Notre Dame, there
Oct. 19, Era, here
Nov. 2, Chico, here

Schedule Listed for Junior Teams of Muenster High

Again this year, junior varsity and junior high youngsters of Muenster Public School will have a football schedule following the same sequence as the varsity Hornets... with a few exceptions at the beginning of the season.

The rule is that the two younger teams play Thursday night against the same schools that the varsity does on Friday, but at the opposite locations. Also junior high games will start at 6 and junior varsity will follow.

The first exception came last week when JVs played Chico at Chico the day before the meeting of the two varsity teams. But junior high had to sit it out because UIL does not allow their season to begin that early. This week both junior teams are idle because Kennedale does not have the junior program.

Next week the day before the Muenster-Era game, junior high will meet Era, but JV had to book another game because Era has no JV team. The young Hornets go to Sadler Southmayd instead.

After that the two junior teams get on their proper schedule, that is the day before the big game and at the opposite place. Dates are as follows, and each of the double headers starts at 6 p.m.

Sept. 21 - Era (JV, HI) there
Sept. 21 - S&S (JV) there
Sept. 28 - Pilot Point, there
Oct. 5 - Celina, here
Oct. 12 - Callisburg, there
Oct. 19 - Pottsboro, here
Oct. 26 - Sanger, there
Nov. 2 - Aubrey, here
Nov. 9 - Lindsay, here

It's Rush Time at Beta Kappa Chapter

It is Rush time for the Beta Kappa chapter of ESA. Every fall, names of prospective members are submitted to the membership. The prospective members for the 1978 Rush will be invited to a get-acquainted social in early October and a model meeting on October 23.

Beta Kappa has initiated several charitable projects since its beginning in March 1977. The chapter began the Love Fund, which is money to help those in need in our own community. The organization has hosted two swim-a-thons giving proceeds to the Cooke County Child Development Center, and is starting scholarship programs for two worthy graduating seniors each year, one from each of the Muenster schools. The Miss Muenster Pageant, also sponsored by Beta Kappa, added money to the Love Fund.

Members of Beta Kappa are now working on another project. A barbecue and beer dinner will be held on September 30 in the city park at 5 p.m. This project is to benefit the chapter treasury. Tickets for the dinner may be purchased from any Beta Kappa member: Jan Cain, Loretha Cash, Gerri Colwell, Lupe Evans, Barbara Felderhoff, Loretta Felderhoff, Louise Fisher, Betsy Fleitman, Elizabeth Howe, Martha Koesler, Margaret Storer or Queenie Walterscheid. Tickets are \$3.00 for adults and \$2.00 for children.

Hospital Auxiliary Meeting
The Muepster Hospital Auxiliary will meet on Thursday, September 21 at 8 p.m. in the Hospital Meeting Room. Members will discuss the annual dance and variety show. Visitors are always welcome. No invitation is needed. Members say: "Please come! We're happy to have you join us." More information may be obtained by phoning Rita Russell at 759-4155.

Letter to the Editor

Monday begins the "Breath of Life Campaign". I'm sure many people feel this is just another charity drive and with the cost of living as it is, they just don't feel they can afford to give. If you feel this way please reconsider.

We parents who have children with Cystic Fibrosis know that through your giving "just a little" our precious little ones have HOPE.

Our precious daughter, Kelly, has CF and Tuesday she will be celebrating her 4th birthday. Without the research that has been made possible through donations to the Breath of Life Campaign, she would not be with us today.

Kelly must spend approximately 5 hours every day in respiratory therapy, as well as taking daily medications to fight off infections and to aid in the digestion of foods.

Kelly has come a long way these last four years with the help of Dr. Howard Davenport and Doctors Robert Kramer and Claude Prestige of the Cystic Fibrosis Center in Dallas. However, we still have a very long way to go and we can't make it without a great deal more research. YOUR contributions make that research for the cure of CF possible.

If your community has a Breath of Life drive please remember our Kelly and all other children whose daily existence is a "fight for life". If you do not have a Breath of Life Campaign, I will be glad to see that whatever donation you might wish to give is forwarded to the Cystic Fibrosis Foundation if you will mail it to me.

Whether you can give or not do take just a moment of your time and thank God for your healthy children and remember all the "special" children like our Kelly. Danny & Sherian Keeling Route 2 Gainesville, Texas 76240

Crime Prevention Program Presented At SNAP Meeting

Officer Jim Lovell of the Texoma Crime Prevention Office was at the SNAP Center in Muenster Tuesday, September 12 to have lunch with the Senior Citizens and to speak to them following the meal.

He presented an informative talk on Crime Prevention and showed a film on the subject. All information centered around Senior Citizens and how they can learn to protect themselves from purse-snatching, burglary, robbery etc.

Officer Lovell also showed a large collection of locks and keys for all types of doors and windows and described their uses.

He urged marking and numbering of household items for identification and told the senior citizens that anyone wishing to have such articles marked is invited to call on

him for such help. His address is available from the SNAP Center and from SNAP Director Gladys Lutkenhaus.

Officer Lovell emphasized that the program was designed to teach Senior Citizens how they can protect themselves and be protected. And he pointed out many instances when Senior Citizens are victimized or "ripped off."

Seventy nine persons attended the lunch and program.
