NUMBER 51

Now that the American people have made their selection of leaders for the next terms in office, most of us feel inclined to settle down and forget about politics for two more years. And as we do so we wonder how many of us will feel that their votes were important toward electing the better man, or how many will feel regret for having failed to vote.

When votes are cast by the millions, or even in the thousands, it is easy to assume that one's vote isn't important and would not be missed if it were not cast. Normally the difference is that big. But there are times when the race is close and the single vote can change the course of history. Our nation has had a number of elections which were determined by one vote, and in which the choice involved an important difference in political and economic policies.

Instances in our history go back to Colonial days when the Continental Congress considered a system in which the colonies would become a dominion with a British type of parliament and a British governor. The program was defeated by a single vote. We can imagine without end how the course of our history, and world history, would have run if our forefathers had chosen that way instead of independence, which was declared two years later.

Other important one-vote elections can be found in the early days of US history. In 1800 Thomas Jefferson was elected president over Aaron Burr by a single vote in the House of Representatives following a tie in the electoral college.

In 1824 another one-vote decision in the house elected John Quincy Adams as president. And in 1876 Rutherford B. Hayes was elected president in an 8-7 vote, by a special electoral commission.

These incidents and many more have been told many times and were repeated again recently in the newsletter of Senator Lloyd Bentsen.

He reminds us that our proud state of Texas was annexed to the US in 1845 by a single vote margin in the Senate. Also Elizabeth II is queen of England today because the British House of Commons 250 years ago by a 96-95 vote, chose the House of Hanover as the nation's royal family. And in 1649 King Charles I of England was beheaded after he lost by one in the vote for his life.

In 1863 the US Senate failed twice by a single vote to convict President Andrew Jackson in his impeachment trial. Exactly 100 years later a candidate for the council of a Cincinnati suburb was unable to go to the polls because of an emergency appendectomy, and was defeated by a single vote.

A story with a specially disappointing note and a favorite among politicians is that of a California Congressman and his opponent who were tied at 10,429 each in the count of ballots. In accordance with their state's constitution they agreed to decide the election by drawing lots in the presence of the secretary of state. The incumbent lost the draw and the other man was officially declared the winner. From there the former congressman drifted into political oblivion and all because, the story ends, his secretary was too busy working at campaign headquarters to cast her vote on election day.

Elm-Red District Receives Award

The Upper Elm Red Soil and Water Conservation District, winner of the Goodyear Conservation Award several times in past years, was the second place winner in 1977.

A plaque for the honor was presented to J. H. Bayer, chairman of the district board, during the 38th annual meeting of soil and water conservation districts, October 17-19 in Corpus Christi.

Purpose of the meeting was to review developments affecting conservation programs and to plan future conservation activities.

Others attending the meeting with Bayer were his wife and Ray Vaccina, district conservationist with the Gainesville office of the Soil Conservation Service.

Sister Agnes Voth Observes 60th Anniversary as a Nun

The 60th anniversary of Sister M. Agnes Voth's Religious Profession was observed in her home parish Sunday November 5. A Mass of Thanksgiving was celebrated at 2 p.m. in Sacred Heart Church by Very Rev. Father John Francis O'Donnell, Father Jerry Mosman and Father Denis Soerries.

Participating in the entrance procession were the Mass servers; Kenneth J. Thurman a grand-nephew, carrying the Christ Candle, followed by Sister Mary John, Sister Theresina and Sister Alberta; and members of the Voth families: Marie Kappas, Christine Voth, Bernard P. and Gertrude Voth, Albert and Catherine Kubis, Joe and Alvina Voth, Leo and Brooksie Voth, Gertrude Clare Lawing, Theodore and Emilia

KCs to Sponsor Annual Free Throw Contest Dec. 2

Boys and girls of the area, ages 11 through 14, are reminded to start practice for the basketball free throw competition sponsored by the Knights of Columbus. It is a statewide program progressing through council, district and region to the state final.

Dan Hamric, chairman for the Muenster council said that the local contest will be held Saturday, December 2 at 10 a.m., and the next three levels of competition will be in January, February and March. Competition will be held in boys and girls divisions, each in the four age groups, 11 through 14.

Entry forms are available at both schools.

Warning Given On Illegal Turns

According to the law it's a no-no to cross over a traffic lane in order to park at the opposite side of the street, or to make a U-turn between intersections. For instance, when a north-bound driver spots a parking space at the west curb and turns left across the south-bound lane to take the space.

Lately the violation is becoming too prevalent to overlook and needs to be corrected, according to David Province, police chief. That kind of turn is an obvious traffic hazard he said, and is subject to a fine. U-turns are allowed only at intersections, he said.

Era Nudges Tigers 26-22

Calamity continued its grip on the Sacred Heart Tigers last week as they lost a 26-22 squeaker to the Hornets of Era. The loss was another heart-breaker for Coach Stock's boys who had a long awaited victory in sight only to see their lead snatched away by Don Bewley's sensational 36 yard romp to glory in the final period.

The Tigers now have an unhappy record of 1-7-1 and only one more chance to improve it as they take on Notre Dame of Wichita Falls in the closeout of the season and the TCIL race.

Two factors were prominent in the success of the visiting Hornets. Don Bewley was on a rushing rampage, stepping off 134 of his team's 179 yards, and the passing game was superb as Mike Nash connected on 9 of 13 attempts for 166 yards.

The Tigers got off to a bad start on the opening kickoff when Kenny Hartman received and passed to Mark Nasche who made a nice run to the Era 44 but fumbled when tackled.

The Hornets got their offense organized at that point and made the 59 yards in nine plays, the pay off being a pass from Nash to Scott Selby for 21 yards. Bentley's PAT kick added 1 as the clock read 8:01.

Following the kickoff Sacred Heart was handicapped by a penalty and a busted play on first series and had to kick, after which Era offense cranked up again. With 38 yards to go, they advanced to the 25 in five plays where the former combination, Nash to Selby, put over the second touchdown. Bewly booted true for the bonus point, giving his

Voth, Raymond and Lucille Voth. Presenting books, the Office, the Holy Rule, the Bible, Translations by Sister Agnes and a book she authored "Green Olive Branch" and a number of articles she wrote for magazines — were nieces, Jeanine Voth, Sharon Voth, Susan Koessler, Barbara Koessler, Mary Lynn Koessler, Sandra Voth and Catherine Knabe.

Also in the entrance procession were Readers for the Mass David Voth, James Voth and Brenda Voth.

Then followed John Voth, Sister Agnes and Lena Zimmerman and the clergy, Father John O'Donnell, Jerry Mosman, Denis Soerries and Meinrad Marbaugh.

During the entrance procession the Choral Group sang "I Heard the Lord Call My Name," and during Mass "Lord, Have Mercy," "Father We Adore You," "Spirit of the Living God," and "Consider the Lilies."

Frank Luke sang the "Gloria" and Dr. Martin Kralic sang "Ave Maria." Offertory gifts were presented by Mr. and Mrs. Ben P. Voth and the lighted candle by Sister Agnes.

The Homily was delivered by Father John O'Donnell of St. Joseph's Parish, Pine Bluff, Arkansas. Father Jerome Mosman, another celebrant of the Anniversary Mass was a former student of Sister Agnes when he was a seventh grader at Sacred Heart School.

After Mass a reception for relatives, friends, former students and parishioners, was planned by Sister Mary John Seyler, and was held in the Community Center.

Family gatherings held to honor Sister Agnes included a dinner on Saturday, hosted by Mr. and Mrs. Tommy Knabe and family and attended by Father O'Donnell, Father Denis Soerries and other guests.

PTO Will Sponsor Style Show Nov. 20

The Muenster Public School PTO will sponsor a Style Show on Monday, November 20 at 7:30 p.m. in the MHS auditorium, featuring "Holiday Shopping in Muenster." Children in grades Kindergarten through twelve will participate. Fashions will be shown through courtesy of The Hut and The Charm Shop.

A business meeting will follow the style show.

Kick-off Meeting Booked Friday for United Way Drive

The 1978 United Way drive in Muenster will get under way Friday, Nov. 10, at noon with a kick-off luncheon meeting in the game room of the Dairy Inn. Special guests there will be Bob Welch and Sport Mowell of Gainesville of the county campaign organization.

The drive will be under direction of four co-chairmen: Kenneth Selby, J. D. Meurer, Virgil Henschel and Johnny Pagel. Each has contacted four other workers, completing a crew of 20 who will solicit the contributions. All of them are asked to be at the meeting and pick up their campaign packets.

Pagel said the community quota for this year has not been set, however a mark to try for is last year's total of about \$3,000. The county goal is \$90,000, which is based on amounts budgeted to the participating organizations. One of those is the Muenster Youth Council, which is due to receive \$1400. In addition, the community is expected to share in the funds for Red Cross, Boy Scouts, Campfire Girls and 4-H and FFA.

YARC Sets Nov. 11 For First Meeting

The first meeting of the Youth Association for Retarded Citizens (YARC) will be held on Saturday, November 11 at 2 p.m. in the Cooke County Development Center. This is a group of concerned people helping other people enjoy a well-rounded, productive life in today's society, through social recreational and educational activities for mentally retarded youth of the community.

All kinds of people are needed for volunteers with different abilities, who give any amount of time they wish. Anyone can participate, even though voting members must be between the ages of 12 and 25.

YARC is a division of the Texas Association for Retarded Citizens. More information may be obtained from the Child Development Center, 668-7142, or by phoning 665-0192 or 665-1330 or 665-6244.

St. Anne's Sponsors Store at Picnic

St. Anne's Society will sponsor the Country Store booth at the Parish Thanksgiving Day picnic. Members are appealing for items suitable for sale in the booth. At their regular meeting Sunday night, members were also urged to sell or create items as soon as possible to bring to the Country Store.

Suggested items include home-baked goods, home-canned foods, hand-made wearables, hobby items, art work, needlework, novelties, books, plants.

Sponsors urge donors to cover or protect items where possible, and to mark suggested prices or value.

Donated items may be left at the home of Mrs. Ronnie Hoagland, if persons are unable to deliver them Thanksgiving morning.

Golf Tournament Scheduled Sunday

Members of the Muenster Golf Association have scheduled another tournament for next Sunday at the Nocona Hills Country Club.

Larry Wilmer, chairman, says that tee-off time is 9 o'clock and entrants are asked to be there at 8:30, allowing time for assignments to teams.

With four players to a team, it will be a scramble tournament, in which all members of a team use the position of the best shot for their next shot.

Entry fee in addition to the green-fee, will be \$2.00 per person, which will be used to provide balls for prizes. Carts will be available.

SHS School Board Meeting

The SHS School Board will meet Tuesday, November 14 at 8 p.m. in the Reading Lab of the Grade School, which is entered through the south door. "Goals for SHS" and other topics will be discussed. The meeting is open to the public.

Program on Metrics Scheduled Monday At Public School

A program on home metrics sponsored by the Region II Service Center of Texas Education Agency and hosted by Muenster Public School will be held here next Monday, November 13, 7 to 9 p.m. in the MHS auditorium.

Principal Alford Winn said that schools of several North Texas counties have been notified and asked to tell the people of their area. Students, educators and the public will be welcome.

The meeting's purpose is to review progress to date in the conversion to metrics and to discuss the effects that can be expected in the home relative to weights, measures, temperatures, and simple ways of converting recipes from the present to the metric system.

According to TEA, metric is coming regardless of public inertia, because of the desirability of world wide uniformity, and also because it is the only system that can be programmed into computers. Since people will be stuck with it they are advised to become better acquainted with it.

Forestburg Bazaar Scheduled Nov. 18

The annual Fall Bazaar held by the Forestburg United Methodist Church will be on Saturday, November 18 at the Forestburg Community Center.

Serving the dinner with a bountiful menu will begin at 11:30 a.m. and continue for a couple of hours. Tickets are \$2.50 for adults and \$1.50 for children for "All you can eat."

Bazaar events, including a bake sale, arts and crafts sale, white elephant sale, book sale, rummage sale, and plant sale, beginning when doors open at 10 a.m., will include also acceptance of sealed bids on a beautiful quilt.

Special attention is called to the noon meal and Forestburg residents have issued an invitation to everyone over a wide area to come early and stay late!

Hornets, Knights Tangle Friday in Season Closeouts

1978 football for the MHS Hornets will come to an end Friday in the annual confrontation with their old time rivals, the Lindsay Knights. The game will be played at Lindsay, starting at 7:30.

According to the records, the game should be a real dandy. Lindsay has a standing of 5-4 for the season and 2-4 in the district whereas Muenster's respective figures are 6-3 and 3-3. By that comparison Muenster has a slight edge, but the situation may have changed sharply with Randy Serna's injury in last week's game.

At first Serna was counted out for the season, and now that he's cleared for action the question is whether he will be up to par. It's an important factor because Serna has been the team's leading rusher. If he is only on limited duty the Hornets will have problems.

On the other hand Lindsay's aerial game, which has been going great all season, will be a constant threat. The end effect is Muenster will be handicapped and Lindsay will not.

Otherwise the Hornets are fine, according to Coach Stinson. They have no other injuries and they are mentally ready as well. It's different from last week when the team was afflicted with a let-down following their rugged contest of the week before. By now they've recovered their composure and should be ready.

Another factor to help the morale is the old time keener rivalry with Lindsay.

On the other hand there's the fact that the Knights are inspired by the same rivalry.

Clements and Tower Win Big in Muenster

Muenster voters went along with the state, only more emphatically, in the rough and tumble historic election which made Bill Clements the first Republican governor in Texas since 1870, and only the second in the history of the state. Clements won by a slim margin statewide whereas he led comfortably (2910 to 2413) in the county and by the huge majority of 547 to 154 in the two Muenster boxes.

The story was the same in John Tower's race for re-election to the US Senate. He shares with Clements the distinction of being the only Republicans to win state wide offices and his race parallels Clements in relation to results here and in the county and state. He was barely ahead of his challenger Bob Krueger statewide but had a big lead (2875 to 2472) in the county, and a much stronger lead (508 to 189) in Muenster.

In the other feature contest of the local ballot the Republican candidate did not fare as well. Bill Fisher was defeated about 2 to 1 by Charles Stenholm for the congressional seat of District 17 which had been vacated by Omar Burleson. He was also a loser

Muenster Voters Okay Extension of City's Wet Area

By a count of 167 to 112 Muenster voters last Saturday favored extension of the city's wet status to areas which were annexed since the city first voted itself wet in 1959.

As specified on the election ballot, they approved the "sale of all alcoholic beverages except mixed beverages."

However, the actual sale of the drinks will be delayed for several weeks. Charles Bayer, who circulated the petition asking for the election, was at Monday night's city council meeting asking for extension of the area in which the sales are legal. He learned that the matter could not be considered then because it was not on the agenda. But it was placed on the agenda for next month's meeting.

City ordinance requires that the retail outlets for alcoholic drinks be located in the fire zone, in which masonry construction is specified and which applies only to Main Street and the highway. The requirement serves the double purpose of preventing sales in residential areas and also requiring buildings that are lesser fire hazards.

Charles Bayer said that he expects to start selling beer at his drive-in grocery shortly after the December council meeting.

Aubrey Wallops MHS 35-6

Coach Glen Richardson's Aubrey Chaparrals, who have been sleeping giants in 14-A, came to life in a big way last week, and the Hornets were their victims by a humiliating score of 35-6.

Muenster's loss was costly as well. An injury received early in the fourth quarter by ace rusher Randy Serna ended the season for him. Before going out he carried the ball 24 times for a total of 94 yards, which was somewhat below his average, for which the tough Aubrey defense can claim credit.

The game's leading rusher was 196 pound John Looper, who gained 220 yards and made four of the team's five touchdowns. Other members of the hard running backfield were Mark Richardson, Tracy Yarbrough and Lonnie Green.

Along with a number of nice gains, Green was sensational as a kicker. His punts always put the Hornets back a long way, and his place kicks added a point after every Chap TD. Another big team asset for Aubrey is the slick ball handling of Quarterback Richardson.

A contributing factor to Aubrey's run-away score was Muenster's tragic turnovers... especially the fumble on first play after kickoff. The Road Runners recovered on the 22 and scored five plays later on

in the county (2629 to 2194), but had a hefty lead of 377 to 221 in the two Muenster boxes.

In races for lieutenant governor and attorney general the Republican candidates received strong support in Muenster but were strong losers in the county and state.

As over most of the country, the voting was comparatively light here: 566 in the north box and 143 in the south box. Many voted the straight Republican ticket, which explains totals of about 700, while leaving the column of unopposed Democrats untouched. Their totals ranged mostly in the 300s and 400s.

They were more generous to the county candidates, especially Chuck Bartush with 521 votes for county attorney. And 69 took the trouble to write in Richard Grewing for Justice of the Peace, Precinct 5.

New Version of Sales Ordinance Passed by Council

Members of the Muenster City Council in session Monday night passed a new ordinance which was drawn up after its confrontation with the religious sect identified as the Moonies.

It is an anti-soliciting ordinance requiring the majority of itinerant sales persons to get a permit before selling their goods in residential areas of town. The ordinance is aimed primarily at peddlers who make a nuisance of themselves.

However, as the city discovered in its experience with the Moonies, the permit is not needed by religious organizations, because, by modern interpretation of the constitution, it violates their right to religious freedom.

Although they are free to roam the city at will they are not immune to regulations on trespassing. The ordinance requires them to observe no-trespassing signs or in the absence of such signs, to leave when told they are not wanted. Failure to comply in either case makes the person liable for prosecution as a trespasser.

Other action in the short meeting approved annexation of the Valeron location west of town, re-painting stripes on the city streets, and warning the public against making unauthorized U-turns.

Looper's power dive. Green kick added the PAT. Score was 7-0 at 9:36.

After that each team made a first down and kicked on the second series, after which Muenster got a drive under way. Serna did the main thing and Duane Knabe and Kevin Klement helped in advancing 47 yards to the Chap 33 before they bogged down and lost possession.

Then Aubrey stormed up the field again, 67 yards in six plays. Looper zipped through the right side and sailed 34 yards on the scoring run. Green's kick made the score 14-0 at 8:19 in the second period.

The third score was not long in coming. Forcing MHS to kick on first series after kickoff, Aubrey started again with 40 yards to go. Five

Standing in 14-A

Approaching the last game of the 14-A season, Celina still has a perfect record with 6-0. Pilot Point is next with 5-1. Other standings are Sanger 4-2, Muenster 3-3, Lindsay 2-4, Aubrey 2-4, Callisburg 1-5, Pottsboro 1-5. Last week's scores were Aubrey 35, Muenster 6; Sanger 30, Lindsay 15; Celina 29, Callisburg 0; Pilot Point 49, Pottsboro 0.

the autumn theme. Following dinner gifts were opened and displayed, guests enjoyed visiting and reminiscing with friends and relatives they had not seen in ever so long. And Mr. and Mrs. Sickings recalled that on Tuesday, October 25, 1938 at 8 a.m. Bernard Sickings and the former Adeline Yosten were married in Sacred Heart Church by the late Father Frowin Koerd. The Sickings are the parents of ten children, all attending with all of the grandchildren.

These included Lorraine and Willie Joe Matthews and their children John, David and Charlotte of Gainesville, Betty Jean and Bill Schneck and children Shelley and Lisa of Lewisville; Jim and Gloria Sicking and Shawn and Jamie of Tulsa; Judy and Raymond Merritt of Little Rock, Ark. Melvin and Sheila Sicking and Carrie, Jenny, Mitzie and Jody of Woodbine; Wayne and Amy Sicking and Jeffrey, Tonya and Tammy of Arlington; Herbert and Jo Ann Sicking of Rosston; Donna and Don Schad and Shannon, Cory, and Amanda Kay of Lindsay; and Allen Sicking and Denise Sicking of the home.

Other relatives attending were Mr. and Mrs. Leo Hoedebeck of Gainesville, Mr. and Mrs. Joe Horn, Mrs. Bonnie Hess, Mrs. Gen Pels, Mrs. Marie Reiter, and Messrs. and Mmes. Ray Klement, Alois Rohmer, Leo Sicking, Joe Sicking, Louis Sicking, and Tony Felderhoff all of Muenster, Ollie Sicking of Gainesville, Paul Sicking of Myra, also Mr. and Mrs. Raymond Merritt, Sr. of Little Rock, Mr. and Mrs. Al Barter of De Land, Florida and Mr. and Mrs. Ed Schad of Lindsay.

Birthdays Observed At SH Elementary

26 students and two teachers at Sacred Heart Elementary School celebrated birthdays during October. Birthdays are special days for the children and teachers as they receive greeting and good wishes from the faculty and fellow students, a small gift from the principal, and get to "dress up" rather than having to wear their uniforms that day.

On Tuesday, October 31, ten minutes were added to the morning recess, at which time the honorees served treats to their classmates and the faculty.

Celebrating in October were: Mike Adair, John Anderle, Charla Bayer, Cheryl Bayer, Chris Dangelmayr, Tejay Fleitman, Donna Fuhrmann, Vernon Forrester, Keith Hennigan, Brad Henscheid, Curtis Henscheid, Penni Hess, Duane Haverkamp, and Steven Knabe.

Also: Kelly Lamkin, Kenny Prescher, Joe Pagel, Jean Pagel, Philip Reiter, Christi Rohmer, Sally Stoffels, Sandra Taylor, Scott Taylor, Dyann Vogel, Lloyd Walterscheid, Rita Walterscheid, Mrs. Wanda Flusche, and Mrs. Becky Felderhoff.

Muenster Juniors Lose 2 to Aubrey

Aubrey juniors last Thursday started what was to become a three game sweep over Muenster Public School. The junior high score was 32-22 and the junior varsity score 15-6. And still to come the next night was the 35-6 triumph over MHS.

In both of the junior games the Muenster lads were at an obvious disadvantage in size and experience, and in both their coaches were happy with their performance against the strong odds.

The visitors simply took over in the first half of the junior high game, scoring two touchdowns in the first quarter and one in the second. About the only bright spot for Muenster in the half was a pass from Kevin Felderhoff to Garland Tate for a 50 yard gain.

In the third period the visitors got two more TDs but the Monsters were getting warmer. They made a 70 yard drive ending with a 20 yard scamper by David Dittfurth and Felderhoff's run for bonus points.

Early in the fourth Felderhoff's pass to Bill Grewing for 15 and Dittfurth's TD from the 20 were the big plays, and Carl Sicking made two bonus points.

Just before the end a pass and run play, Felderhoff to Bill Grewing, put Muenster's last run on the board.

Junior Varsity

The visiting Chaparral Chicks got on the board on their second possession. A 33 yard run did it and a kick for extra point was good.

The remainder of the half was mostly defense with a few bright spots for the Hornets. Rusty Serna recovered an Aubrey fumble on the 11, however Muenster fumbled the ball back on the next play. Four plays later Gary Klement returned Aubrey's kick 30 yards to the 21. Three plays later Serna's pass to Klement yielded the only Muenster TD.

The second half was a defensive show including a tough break when a punted ball bounced against a Hornet and was recovered by a Chaparral, also the interception of a Muenster pass. Aubrey also fumbled, the ball being claimed by Serna.

Aubrey's second and final touchdown was set up by a quarterback sneak that gained 31 big yards to the 4. Two more sneaks yielded the final 4 yards.

Deb Schneider Is Honoree at Shower

Deb Schneider, bride-elect of Claude Klement, was the honoree at a miscellaneous bridal shower Sunday, November 5 at 3 p.m. in the home of Mrs. Wayne Klement. Sharing hostess duties with her were Mrs. Billy Don Wolf, Mrs. John Schneider, Mrs. Jimmy McDonald, Le Ann Hodo and Cheryl Mollenkopf.

After Deb opened and displayed her gifts, the twenty five guests were served refreshments of punch and a decorated, bell-shaped cake and then spent the afternoon visiting and reminiscing.

SH Second Grade Has Spook Party

On Halloween Day when Mrs. Sharon Michaels' second graders unsuspectingly walked into their classroom, they found the blinds drawn, the lights off and a huge skeleton to meet them. He was suspended from the ceiling in the back of the room and was a reminder of the evening to come. Meanwhile, the second graders were busy planning some Halloween tricks of their own.

At noon, 23 haunting bag creatures walked into the cafeteria sending shivers of surprise to first graders, the cafeteria workers and even Sister Georgia! However, the aroma of a good lunch coaxed them to reveal themselves as second graders, and they re-

moved their costumes to eat! The second graders had a wonderful Halloween Day and they expressed their thanks to city of Muenster for the donation of garbage bags used for the costumes, and to the parents who supplied the ghostly-good treats.

Good, old fashioned heating with a **FISHER** Wood Heater

PAPA BEAR

Cost vs Weight

Costs should be compared with weight. The more weight the better. The stove you buy should be a large mass of iron to collect and radiate the heat efficiently.

Airtight Firebox

Your stove should have an airtight firebox and an adjustable draft that enables the wood to burn slowly. Avoid stoves that are not airtight or have loose fitting doors.

When you invest in a Fisher you guarantee your own comfort and security.

Easy to Install

Your Fisher can be attached to existing chimneys, fireplace chimneys, or used with pre-fabricated chimneys installed through ceiling or wall.

Stores Heat

The heating chamber is designed to transfer heat to the stove's surface rather than letting it go up the chimney.

Massive steel construction makes it heavy and long lasting, mandatory for superior heat radiation.

Your Fisher stove won't warp, bend, buckle or stretch. It won't break, burn out, wear out or rust out.

Attend Dedication

Of Health Center

Mr. and Mrs. Norbert Koelzer and Mr. and Mrs. Rudy Koelzer, all of Muenster and Sister Francesca Walterscheid of Fort Worth attended the formal open house and dedication ceremonies of the new Family Health Center at John Peter Smith Hospital in Fort Worth on Sunday, October 29. Mrs. Larry Kostyniak, the Norbert Koelzers' daughter Gretchen, is the nursing supervisor over the clinic.

After the program, they all visited their mother and grandmother, Mrs. August (Anna) Walterscheid at OLV Convent in Fort Worth.

A politician had taken a course in veterinary medicine but never practiced. During a bitter campaign, his opponent referred to him as a vet, and finally asked him, during a public debate, if he really

Family Observes
88th Birthday of
Mrs. A. Koelser

Mrs. Alfons Koelser Sr. was the honored one last Saturday evening, October 28, when her children and grandchildren gathered to observe her 88th birthday.

A special surprise was the arrival Friday evening of two daughters, Sister Corrine and Sister Mary Lin of San Antonio. They were met at the airport and brought to Muenster by Bob Caplinger.

There was an informal family gathering Friday evening, preceding the birthday. Saturday evening a Home Mass was celebrated by a nephew, Father Nicholas Fuhrmann in the home of Mrs. Koelser. Also attending was Mrs. Willie Fuhrmann, mother of Father Nicholas.

Readings for the Mass were given by Rosemary Dankesreiter and daughter Dana. Guitarists were Christi Clement and Mary Kay Caplinger.

Dinner followed and a decorated birthday cake was served. During the evening the 40 guests enjoyed singing and visiting.

Father Leo Koelser, son of the honoree, was unable to join the family gathering, but phoned his good wishes from Subiaeo.

GHS Choruses Sing
At Muenster High

The Gainesville High School Choruses, under direction of Glenn Wilson, presented a concert for students of Muenster Public School on Tuesday, October 31 at 10:30 a.m.

The Freshman Choir sang "I Hear America Singing," "Sing a Song of Love," "Candle on the Water" and "Sing Your Own Song." "It's a Good Day," "You Are Beautiful," and "Make Tomorrow's Memories Now," were selections by the Girls Choir.

The Mixed Choir sang "Gonna Sing," "I Believe in Miracles," "Your Cheatin' Heart," "I'll Never Say No," "It Was Almost Like a Song," featured soloist: Charles Jackson, and "Sweet, Sweet, Smile." During the concert Mr. Wilson demonstrated the effects of the different voices of the choir by having the bass section sing a passage alone, then the tenor section singing the same passage alone, then combining the two, adding the soprano, and finally combining all four voices for the total effect of a four part mixed chorus.

A delightful and unexpected bonus occurred after the conclusion of the concert, when the combined choruses broke into spontaneous song while the students filed out of the auditorium to return to classes.

Ceremony and Reception Observe 40th Anniversary of Bruno Fleitmans

A Mass of Thanksgiving at 6 p.m. in Sacred Heart Church on Saturday, October 28, preceded the celebration of the 40th wedding anniversary of Mr. and Mrs. Bruno Fleitman. Most Rev. Bishop A. Dangelmayr, retired Bishop of the Dallas diocese and a brother of Mrs. Fleitman, was celebrant of the Mass. As Chancellor of the Dallas diocese 40 years ago, he also officiated at their marriage. At that time he was assisted by Father Frowin Koerd, Father Francis Zimmerer, Father Wiewell and Father Schaffee.

Bruno and Bertha were married on the 42nd wedding anniversary of her parents, Joseph and Theresa Dangelmayr. For the anniversary Mass, the altar held arrangements of red gladioli and lighted candles. To the organ procession "Trumpet Tune in D" by Purcell, the honored couple and their attendants of 40 years ago entered the church, followed by the Fleitmans' children and spouses, Mr. and Mrs. Don Lester (daughter Sara) of Era, Mr. and Mrs.

John David Fleitman, Jerry Fleitman, all of Muenster, Mr. and Mrs. Dan McCrimmon (daughter Teresa) of Denver, Colo., Mr. and Mrs. Frankie Cox (daughter Janie) of Houston, also following were the grandchildren Douglas, Sam, Jon and Julia Fleitman and Kelly and Kevin Cox of Houston. Attendants at the wedding 40 years ago, Mrs. Irene Fleitman Laux of Lindsay and Herman Dangelmayr also participated in the anniversary observance. The oldest grandson, Douglas Fleitman read the petitions and carried the anniversary candle, a gift from Mrs. Fleitman's godchild, Della Voth. The candle was lit by the honored couple during the Mass.

The Offertory gifts were presented by grandchildren Kelly Cox and Sam and Jon Fleitman. Mass servers were Greg Walterscheid, Tommy Dangelmayr and Ronny Dangelmayr. Ushers were Alvin Hartman and Eddie Fleitman, nephews. Music for the anniversary Mass was presented by Frank Luke, organist, son of Anthony Luke, who played the organ for the wedding 40 years ago. Vocal selections, also by Frank Luke were "How Great Thou Art," at Offertory; Schubert's "Ave Maria," at Communion; and for the closing the guests joined in singing "Grosser Gott," or "Holy God" one verse in German, the second in English. The recessional song was "How Blessed Are They."

Following the Mass, a reception was hosted by the honored couple's children. Sam Fleitman and Kelly Cox registered 150 guests. The registration table held a floral arrangement, a gift of the Alvin Hartman children, Monica,

Robert and Kenny. Also displayed was a newspaper clipping, of the wedding and the Fleitmans' portrait. The buffet table held several arrangements of 40 American Beauty roses, and red votive candles in silver candelabra. The meal was catered by Emil Rohmer.

Mrs. Fleitman's wedding dress was displayed beside an arrangement of photographs that included their wedding portrait; pictures of their six grandchildren; pictures of the wedding of their parents, the late Mr. and Mrs. Joe Dangelmayr and the late Mr. and Mrs. Henry Fleitman; also group pictures of the Dangelmayr and Fleitman families; even a picture of the couple's first home and first car.

Guests tables were decorated with ivy and candles, also ruby mint and nut dishes. The cake table was covered with a lace cloth from Germany, used at the wedding of the couple's daughter, Sara. The three tiered anniversary cake was decorated with figurines used on the original wedding cake, and was cut by a niece, Mrs. Henry Spaeth and served by Mrs. Henry Voth, Jr. and Doug and Sam Fleitman and Kelly Cox.

Following dinner, guests danced to music by Bill Tanner's group, who played at the wedding 40 years ago. A special selection was "For You" also played at the wedding dance. The family of Mr. and Mrs. Bruno Fleitman gathered Friday evening in the family home for a champagne dinner with anniversary cake dessert. They were also together on Sunday for an all day family gathering. The honored couple lives on the farm where he was born and has lived all his life.

Mrs. McCrimmon has extended her visit with her parents for several weeks. Mrs. Cox returned to Houston the Sunday after the reunion, but two year old Kevin Cox remained with his grandparents until November 4, when the Bruno Fleitmans took him to D-FW. There he was met by his father and his sister on their return flight from a visit in London with the paternal grandparents, Mr. and Mrs. Frank Cox, Sr.

Forestburg News

By Myrt Denham

Many years ago a feller who was a patient in the Gainesville Hospital told his children how to save on their gas bill. The children had come to visit him and brought the monthly gas bill for him to pay. The bill was somewhere around \$2.00 or \$3.00 which upset the man. As the children were leaving to go home the father stuck his head out of his room and called after them. "Tell your mother to go to bed at night and lover up."

Mrs. Alice Shears has been spending alot of time visiting with her brother Oscar Whiteside who is a patient in the Westgate Hospital in Denton since Sunday, Oct. 22.

Chatted with Ben Perryman the other day and he said he had been sick and spent several days in a hospital recently. Ben is feeling some better these days.

Mr. and Mrs. Dale Schweter of Lewisville spent Fri., Oct. 27th and Sat., Oct. 28th, visiting with her parents — the Howard Sockwells. (Continued on Page 9)

The Smoke Alarm--Fire's Early Warning Signal

A Service Of Underwriters Laboratories Inc.

It doesn't take the scene of utter desolation such as the aftermath of a forest fire for people to realize the destruction that fire can cause.

The mere thought of the damage an unchecked fire in your own home could do to human life and property is usually enough to make even a strong person quake.

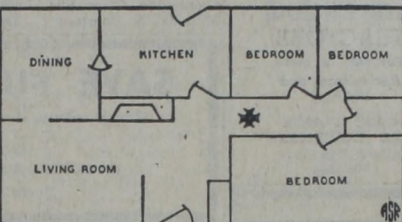

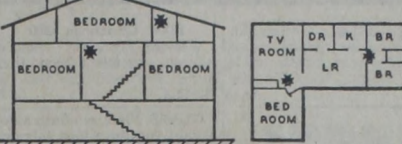

Although fire prevention is the best way to protect your family from the terror of fire, fires still occur. Therefore, early detection is the key.

Underwriters Laboratories Inc. (UL), an independent, not-for-profit organization testing for public safety since 1894 believes that the installation of fire detectors in the home is a good investment to protect your family.

A smoke detector is particularly effective in detecting fires in their early stages. Smoke detectors, as their name implies, are designed to detect the presence of smoke particles in the atmosphere. In the early stages of fires, smoke often develops before there is any appreciable increase in temperature, and smoke inhalation is a major cause of fire deaths.

When smoke is sensed, a UL Listed smoke detector will emit a loud audible alarm. The alarm becomes of increased importance when it is realized that a significant percentage of residential fire victims are asleep when fires originate.

For effective protection, smoke detectors should be installed outside each separate sleeping area, and on

In a single level home (bottom), a smoke detector (cross) should be located outside the sleeping area. A smoke detector should be provided to protect each sleeping area in multi-level homes (top) or homes where the sleeping areas are separated. In addition, a detector should be placed at the head of the basement stairs.

Installation of detectors is not the total answer. An emergency evacuation plan for all occupants should also be established and practiced for use in the event that an alarm sounds.

Look for the UL Listed Mark when purchasing a smoke detector. It means that design of the product has met nationally recognized standards.

SH Kids Roll Over Chico Kids 48-20

Sacred Heart's junior high Cubs went on a scoring rampage last week and rolled up a grand total of 48 to 20 over Chico's future Dragons before the clock eventually stopped them.

Greg Walterscheid started the show by covering a blocked Chico punt on the 13, after which Ricky Hennigan carried twice to get the ball over and Darrell Herr's run added 2 points.

Next score came even more quickly. Following a punt, Sacred Heart was 45 yards away and Herr's pass to Jim Bartush went all of the way.

Third score started the same way. After the Dragon punt the Cubs had 48 yards to go. Two tries gained 9 and Hennigan broke loose on the next play for the remaining 39. A pass from Curtis Henscheid to Gene Haverkamp added extra points. The score was 22-0 at the first quarter.

On next possession the Cubs got the ball on their 32 after Chico's second series. A pass for 14, Curtis Henscheid to Bert Knabe, on a fourth and 3 situation kept the drive alive to the Chico 47, and on the next fourth down situation Hennigan broke away for 43 yards to pay dirt.

Finally Chico got organized. After a kickoff return to mid-field the Dragons scored in five plays, the pay off being a 29 yard dash around left end. Score at the half was 28-6.

And directly after intermission the Dragons moved again, after stopping the Cubs first series. They made the 73 yard drive in seven plays, the pay off being a 46 yard ramble around left end followed by a run for bonus points.

Three fumble recoveries then followed, first by SH, then by Chico and again by SH. So the Cubs started from mid-field. Along with five in-complete passes there were runs of 12 by Henscheid, 15 by Herr, and Henscheid's 23

yard run to pay dirt behind good blocking. The score at the 3rd quarter 34-14.

Four plays for 44 yards produced the next Cub TD. The big one was Herr to Dwayne Haverkamp for 23, and the scoring play was Henscheid to Haverkamp for 8. Henscheid's run added 2.

The last Cub TD started with Doug Fleitman's fumble recovery on the Tiger 23. Three plays later a pass from Neil Hesse to Karl Trubenbach went 62 yards to the end zone.

Still another play was in store. It was a 56 yard gallop for Chico's last TD. Final count: 48-20.

THANKS

Many thanks to everyone who was so kind to me while I was in the hospital. Special thanks to Dr. Antonetti and the hospital staff, to Bishop Danglemyr, Father Denis, Father Stephen, Sister Agnes, Sister Theresina and all who came to visit. I am grateful also for flowers and cards and especially prayers. God love you all. — Evelyn Schmitt

My sincerest gratitude goes out to the Pastors, priests who attended my anniversary celebration, the Sisters, and all my brothers and sisters and their families, my relatives and friends and benefactors for all their generous gifts. I shall offer a Novena of Masses, Holy Communions and Rosaries for all who participated in the celebration. I also thank the third grade pupils and their teacher, Mrs. Eileen Fisher for their darling congratulatory cards. — Sister Agnes Voth

I wish to take this opportunity to thank the priests, sisters and parishioners of Sacred Heart Parish who offered prayers and Masses for me while I was hospitalized. I also wish to thank Father Philip O'Regan and the monks of Corpus Christi Abbey for their prayers and Masses.

plays made the distance and again Looper made the TD, this time on a 23 yard romp.

Though scoring only once, the Hornets did it with a flourish. First a pass of 61 yards from David Felderhoff to Kevin Klement, then a 13 yard sweep to the goal line by Serna. Only the two plays Todd Richey's kick for the extra point was wide.

Promptly after that Looper and Company started working on their next touchdown. Starting from their 30 they had to overcome 20 yards in penalty along the way, making a total of 90 yards. Looper carried for 64 of the distance including the 15 yard scoot to pay dirt. The Chaps led 28-6 at half time.

Beginning the second half it seemed like more of the same as Aubrey drove 65 yards to the Hornet 9 in nine plays. However the next series bogged down and Green's field goal try was wide.

Then came a pair of turnovers. Muenster made a first down and Aubrey intercepted on the next play. Four plays later Dave Ferber recovered a Chaparral fumble.

At that point Felderhoff's pass to Klement gained 24 to the Aubrey 49, and four more passes were incomplete. But Aubrey, on next play, fumbled again and Floyd Felderhoff recovered giving MHS another opportunity at the Chap 48.

Five runs by Serna, one by Knabe for 4 and a pass to Richey for 4 reached the 19. Serna catapulted for a gain of 5 on the next play and was tackled in midair causing the injury which will keep him out for the rest of the season.

On third play after that Muenster gained to the 5 but lost possession in the tackle.

From there Aubrey made its final drive in two installments. On third series it had to kick and four plays later it got the ball back after Muenster failed on a fourth down try. Aubrey used seven plays in going the 45 yards and Green made the last 4.

With 3:12 remaining the Hornets made a first down and fizzled on the next series.

Bob Michaels Is New Scoutmaster

Bob Michaels is the new Scoutmaster for Muenster's Troop 664. A devoted outdoorsman, he was a member of a scout troop for five years and has had extensive leadership training and experience and was an assistant scoutmaster in Wichita Falls while he was in the Air Force at Sheppard Field for 3 1/2 years.

He is a native of Bradford, Pennsylvania, and is now employed by National Building Center of Muenster. His wife, Sharon, from Denver, Colorado and a graduate of TWU, is a second grade teacher at Sacred Heart School.

Both Mr. and Mrs. Michaels are attending a leadership course in Denton, sponsored by the Longhorn Council of Boy Scouts of America.

Last weekend 27 scouts of Troop 664 participated in a campout in the Red River area, accompanied by the scoutmaster and two adult leaders. Carl Endres accompanied them to make pictures of scout activities.

To date, total enlistment in the troop is 41. Since reorganization, the meetings have been changed to Thursday evenings. During the last two meetings the District Scout Executive, Rob Carle was a special guest. A current project is collection of filled Good Will bags on November 20.

Assisting Michaels in Troop 664 are James Bright assistant scoutmaster; Mike Bartush scribe; Duane Walterscheid, assistant scribe; Craig Stoffels quartermaster; and Bill Grewing, Curtis Henschel, Troy Hess and Kevin Felderhoff, patrol leaders.

Hospital Auxiliary Working on Dance

Preparations are underway by the Muenster Hospital Auxiliary, for their "Visions of Sugar Plums Dance," billed as "the most exciting dance of the year." Beautiful decorations will feature shades of pink, purple and silver.

Guests will dance to music by the very popular "Five Easy Pieces" of Denton. Their extensive repertoire is sure to please everyone.

There will be an assortment of finger foods served during the dance, and beer, set-ups and soft drinks will also be available.

The date for all the festivities is Saturday, December 2, 9 p.m. to 1 a.m. The place is the Community Center and the price per couple is \$10 in advance or \$12.50 at the door.

Reservations and additional information may be obtained from Monica Hess, 759-4254 or Janis Hesse, 759-4893. They urge marking the calendar for December 2, buying tickets now and making reservations for a wonderful time at the "Vision of Sugar Plums" Christmas Dance.

Tickets for the dance are available at First Savings in Muenster, Charm Shop, Fischer's Modern Floors and Shirley's Kut and Kurl.

Muenster Garden Club Meet

The Muenster Garden Club will meet Monday, November 13 at 8 p.m. in the auditorium of the Cooke County Electric Co-op Building. Mrs. Ed Knauf will be hostess and Mrs. Shirley Horn, owner and designer of Aughtry's Florist of Gainesville will present the program on "Holiday Designs and Decor." Members will answer roll by naming a bird they have noticed in their yards frequently this fall.

Children's Activity Program

The Children's Activity Program will be held Friday, November 17 at the Library at 10 a.m. Children should bring crayons. Activities will be in the Thanksgiving theme.

Fiber Arts Class Scheduled Nov. 13

Everybody can have fun with Fiber Arts at a workshop planned for November 13. Participants will learn how to actually make one of the projects at the Workshop which is being offered by the Extension Service Family Living Committee.

The courses will be "Thread Count Basics" being taught by Barbara Weaver, "Bargello Needlepoint" with Harriet Horton as the instructor, and "Off-Loom Weaving" taught by Evelyn Yeatts.

A small project will be worked on at the workshop and completed there or at later scheduled date. Although all of the projects can be done

without much previous experience, the Off-Loom Weaving is an excellent project for beginners. It is also a good use of leftover yarn from other projects.

The workshop is being held at First Christian Church in Gainesville. It will begin with registration and coffee at 9 a.m. with the program beginning at 9:30. The workshops will be from 10 to 12:30. To cover expense for supplies, there will be a small charge. These are \$1 for Thread Count Basics and Off-Loom Weaving, and \$2.25 for Bargello Needlepoint.

In order that supplies can be purchased, pre-registration is preferred. To find out more information or to register, call Evelyn Yeatts, County Extension Agent, at 665-4931.

We Have the Farm Boss and It's a Stihl

IT STARTS EASIER because of a hotter spark, better carburetion, and a flood-free design.

IT'S MORE RELIABLE because it has longer wearing moving parts that won't break down.

IT'S MORE POWERFUL because it has the biggest power-to-weight ratio of any popular saw.

IT'S QUIETER because its large baffled muffler is more than just a tin box.

IT COSTS LESS. Because a saw that will last about twice as long will cost only about half as much.

IT COMES WITH A BONUS. Over \$30 worth of free accessories including a spare cutting chain really make the Farm Boss a Stihl.

STIHL, the world's largest selling chain saw.

Golfers Promote Another Tourney

With a tournament just completed, the Muenster Golf Association is getting set for another on November 11 and 12. The rush is explained partly by the intention to play before bad weather sets in, but more so by the desire to get another contest going.

Forty one members of the association were at Nocona Hills Country Club Sunday for the scrambles tourney. They were divided into 10 teams 4 of which won balls as prizes. The intention was to have prizes for three winners but the plan was changed by a tie for third and fourth.

Emerging as No. 1 were Jim Endres U. J. Endres, Bud Graham and Mattie Endres, with a score of 7 under par.

Next were Tom Flusche, Dorothy Endres, Adam Wolf, Ola Roberg and Alan Miller. They scored 5 under.

The teams tied for third, with 4 under, were John Schneider, Paul Walterscheid, Bob Hamric and David Reed, also Dale Klement, Arthur Endres, Claude Klement and Mike Frost.

While a good representation of the membership was together, it chose to elect officers for 1978-79. Results were

as follows: Jim Endres, president; Dolphy Hellman, vice president; Fay Hamric, secretary; Wayne Klement, treasurer.

Last year's officers were Willie Walterscheid, president; Dan Hamric, vice president; Dorothy Endres, secretary; Dolphy Hellman, treasurer.

They also elected a tournament committee of Larry Wimmer, Ola Roberg, Dan Hamric and Dale Klement. Former members were Eddie Stock, Della Hellman and Tom Flusche.

Membership last year was reported at 94, and the number for this year, following the tournament, was 43. Others wishing to renew or join at \$2.00 per person per year may remit in person or by mail, to Wayne Klement or Fay Hamric.

The Sacred Heart 4-H Club held election of officers during their November 3 meeting. Leading the club for '78-'79 will be Rose Felderhoff, president; Joe Bartush, vice president; Karen Koch, secretary; Susie Felderhoff, council delegate; Mike Bayer, alternate council delegate; Angela Bartush, reporter.

Seventeen members, two adult leaders and six club officers attended.

During the program they saw a movie on space research and on the space shuttle.

In other business, members received dates of the Horse Club meetings and also a calendar of events.

By Linda Moody

4-H'ers, do you realize the opportunities you have if you become involved in a special 4-H project? You may win a trip to National 4-H Congress in Chicago or a scholarship in an amount from \$250.00 to \$1000.00. Start now to develop your project for your record book. We have the forms you need, a list of the awards and scholarships offered and samples, projects of previous 4-H winners. Leaflets in our office are on these subjects: Dog care and training, horse, photography, public speaking, dairy foods, dairy, swine, sheep, beef, veterinary science,

agriculture, petroleum power, forestry, commodity marketing, electric energy, consumer education, automotive, safety, food-nutrition, bread, food preservation, achievement, leadership, dress revue, fashion revue, clothing, home environment, wood science, wildlife conservation, gardening, citizenship, and bike.

Do not underestimate yourself. You all are "go-getters." So go get a project and start developing it now. Juniors and seniors, call the County Extension Agents 665-4931 and let us know what project areas you are interested in and we will mail you the forms and materials. Although only one record book may be entered (due in July) you can work on several projects and use one of them for the following year.

Let the Enterprise tell your students far away at college, or your servicemen at distant duty stations, or your out-of-town relatives and friends about home-town ac-

tivities, family gatherings, school news, vacation trips, etc. They look forward to reading your news. Phone 7595-4311.

Kindergarten

Terry Felderhoff's 6th birthday was celebrated with his Kindergarten classmates on Thursday, October 26, a day before his real birthday. His mother, Mrs. Frank Felderhoff brought refreshments of punch and decorated chocolate cupcakes. Extra treats were little sacks of suckers, candy, balloons and gum for each child. Special guests were Mrs. Robert McDaniel, Tony Perryman and Shane Huchton.

Kindergarten

Halloween parties were held for both classes in the Kindergarten on Tuesday, October 31. At 10 a.m. the morning class was entertained by a mothers' committee who provided the party. Mrs. Danny Bayer was chairman and was assisted by Mrs. Johnny Anderle and Mrs. Paul Rennels. The pupils sang their Halloween songs for the mothers and wore costumes for the party. Refreshments of Hawaiian punch and decorated Rice Krispies squares were served. Each child received a Trick or Treat bag with suckers, bubble gum and spider ring.

The afternoon class had a party at 2:30, with similar entertainment, songs and costumes. The mothers' committee included Mrs. David Bayer, chairman and assisted by Mrs. Kenneth Klement and Mrs. Clyde Fleeman. Refreshments of apple juice and Rice Krispies squares were served. The Trick or Treat bags included assorted candy, gum, Halloween Treats Box, Sugar Babies, M&Ms and Milk Duds.

Did you hear about the pioneer in Texas in the 1840's whose horse came to a sudden stop? Injun trouble.

Forestburg News -

Ben Jones is still a patient in the Muenster Hospital as of this writing. Many folks from here have stopped by to visit him for just a short time.

Harry B. Perryman was rushed to the Bethania Hospital in Wichita Falls the afternoon of Tues., Oct. 24. He is still there and will most likely be there for several more days.

Mrs. Ida Kuykendall is on the sick list and was a patient in the Bedford Hospital as of Sunday, Oct. 29th.

Noticed that Roe and Alice Sledge are getting their house all "spruced up" on the outside.

Recent visitors in the home of Mr. and Mrs. Bennett Reynolds were Mr. and Mrs. Richard North and family of Boyd.

Mrs. Charles (Gayle) Edwards was honored with a surprise birthday party on Wednesday Nite, Oct. 18th. The surprise party was "figged up" by her husband, her parents - Mr. and Mrs. J. P. Embry of Saint Jo and by

Mr. and Mrs. Clifford Edwards of Bowie in whose home the party took place.

Mrs. Decie Ellzey celebrated her birthday Sun., Oct. 22nd. Her daughter Mrs. Garonell Wright and daughter Cheryl of Temple spent that weekend with her. On Sunday the 22nd a granddaughter and family. The Tim Nations of Crescent came up for the day.

Mrs. Diana (Jones) Crump spent Saturday Nite, Oct. 21st, with her grandmother Mrs. T. Cook.

Mr. and Mrs. Israel Salinas and family of Haltom City and Mr. and Mrs. Carl Barnett of Sunset were recent visitors in the Joe Hunt home in New Harp.

Mr. and Mrs. Ted Jackson headed for Miami, Texas, Fri. Oct. 27th, to visit with the Johnny Bragdon family. Mrs. Bragdon is the former Shirley Jackson. The Jacksons returned home late Sunday afternoon.

Mr. and Mrs. John C. Blankenship of Lindsay, Okla., visited with Mrs. Louise Shults and Mrs. Regina Blankenship and Luther the week of Oct. 28th.

Mr. and Mrs. David Brewer and children of Ponder were recent visitors of his mother Mrs. Frances Brewer.

Mr. and Mrs. M. D. Gresham of Denton visited with Mr. and Mrs. Roe Sledge and Mr. and Mrs. Cecil Foster, Sunday, Oct. 29th.

Mrs. Billy Owens of Hurst visited her parents the Cecil Fosters, Saturday, Oct. 28th.

Mr. and Mrs. Leon Guthrie of Arlington were guests of Mr. and Mrs. Junior Monroe and family, Saturday, Oct. 28th.

Mrs. Juanita Greenead of Cleburne visited her parents Mr. and Mrs. Vint Freeman and her sister and family - Mr. and Mrs. Herschal Holzbog and family the weekend of Oct. 27th.

Miss Leona Smith, Mrs. Alaveree Mossie, Jody Mays and Mr. and Mrs. Geady Reed all of Eulees were visitors of Mrs. Lenora Moore Sunday, Oct. 29th.

Everyone is enjoying our beautiful autumn weather - and it really has been beautiful. However, we all would really love a bunch of rain about more right now.

Mr. and Mrs. Hal Hays and Leann visited Mrs. Hays' parents the Freeman Bakers of Ardmore, Oklahoma.

Mrs. Tommy Houston, Jay and Cass all of Denton visited with Mr. and Mrs. Gary Johnson the weekend of Oct. 28th.

Betty and Bennet Reynolds had dinner out in Muenster Sunday, Oct. 29th, and afterwards visited Mrs. Bess Orrell and Mrs. Eula Moore at Saint Richard's Villa. Bennett also visited with Ben Jones.

From the looks of a lot of pastures in these part there are sure are gonna be mighty lean cattle in the spring unless their owners dig deep in their pocket-books this winter for hay and feed. The bar ditches around the country are running out of grass so that "route" is out also.

Very early Sunday a.m. Oct. 22nd "the mister" and I headed our car for North Central, Arkansas. We drove up thru eastern Oklahoma entering Arkansas at Siloom Springs, spent the night at Huntsville and the next day headed for Shirley, Ark. We also toured the Greers Ferry

and Heber Springs area. Visited the Ozark Folk Center at Mountain View. Returning home late Thurs. p.m., Oct. 28th. The fall foliage was absolutely beautiful everywhere we went - the Ozark Mountains are simply beautiful as is all of Arkansas.

Mrs. Cleo Lanier had a Halloween Party in her home Tuesday Night, Oct. 31st. Guests were: Mmes. Betty Reynolds, Dorothy Richardson, Mabel Covington, Decie Ellzey, Juanita Bailey, Esther Shears, Alice Shears, Velma Freeman, Merle Hudspeth, Ruby Sledge, and Frances Brewer.

Perryman Denham visited with his mother Mrs. Joe Denham of Bowie Monday, Oct. 30th and on Tuesday, Oct. 31 he visited his uncle Harry B. Perryman in the Bethania Hospital in Wichita Falls.

Wed. a.m. Nov. 1st, found Gladys Barclay and yours truly pounding the Gainesville sidewalks and doing a little "pinching and feeling" in the stores - and ended up doing a little purchasing. Met up with Cleo Lanier, Veda Brogdon and Sheree Wylie.

4-H Horse Club Elects Officers

Election of officers featured the October 24 meeting of the Cooke County 4-H Horse Club at 8 p.m. Assistant County Extension Agent Phil Whetstone conducted the meeting.

Officers are as follows: Trey Yarbrough president; Larry Fleitman vice president; Charlotte Fleitman secretary-treasurer; Nancy Sicking reporter.

Meetings will be scheduled once a month, with extra shows on work nights to be announced as the club progresses. All interested parents and children are welcome to attend.

Following the business meeting members and adult leaders went into the Arena to practice Western Pleasure.

Secretary on phone: "He's out to lunch now but he won't be gone very long. Nobody took him."

Billy Fette, son of Mr. and Mrs. Herb Fette, enjoyed celebrating his 3rd birthday twice this year, on October 22 when a family gathering was held in the Myra home of his parents, and again on October 28 in the home of an uncle and aunt, Mr. and Mrs. Sam Sparks in Pilot Point. Billy's grandfather, Roy Sparks, was a special guest.

On VMI Who's Who

Cadet R. Thomas Bright is one of 27 seniors of Virginia Military Institute who have been named to "Who's Who Among Students in American Universities and Colleges."

Cadets are selected by a faculty-student committee on the basis of academic and extracurricular records and general contribution to VMI.

Cadet Bright, a dean's list student, is a civil engineer major and distinguished student. He is secretary of the Rat Discipline Committee, a member of the VMI chapters of the American Society of Civil Engineers and the Society of American Military Engineers.

He is a graduate of Muenster High School, a son of Mr. and Mrs. David Bright.

"Food prices are ridiculous," the city dweller told a farmer. "Never have farm products cost so much."

"You're right," agreed the farmer, "but understand: when a farmer is supposed to know the botanical names of what he's raising, and the entomological name of the insect that eats it, and the pharmaceutical name of chemical that kills it, somebody's got to pay for that education."

"TRUCKS LIKE THIS ARE ONE OF THE REASONS THE COST OF ELECTRICITY HAS GONE UP."

They also are one of the reasons your electric service is so dependable. TP&L's "hole-digger" trucks do a job in minutes which used to require long and often difficult hand labor. Skilled employees utilizing these trucks can rapidly extend power lines to new homes or businesses and restore storm-damaged lines. In 1975, a "hole-digger" truck cost \$42,000... today, more than \$75,000.

TP&L must spend hundreds of thousands of dollars each year to purchase, operate and maintain the many special-purpose vehicles which are essential to providing electric service. We're doing everything possible to hold the line on these costs. Texas Power & Light... dependable electric service throughout North, Central and East Texas for more than sixty-six years.

YOU CAN BANK ON IT!

Only rarely is success a matter of luck. More often it is the product of careful planning, individual talents, and hard work. If you want to be successful in your business, whether it is a small mercantile or service operation, or farming and ranching, we probably can help.

Of course, we can't furnish the talents you need or the hard work you should do, but we have talent of our own and a will to work hard at our job. These help us assist you in meeting the third requirement for your success . . . careful planning. We can offer not only financial advice and know-how but also market advice and, perhaps, suggest supply sources. When we work with you and wish you "good luck," it's more than a wish; it's a "helping hand."

If you're considering a new enterprise or expansion of a present business, talk to any of our officers, when they advise you on business finance . . . you can BANK on it!

A conscientious wife tried very hard to please her ultra-critical husband but she failed regularly. Scene of most flops was breakfast. If the eggs were scrambled, he wanted them poached, if they were poached, they should have been scrambled.

One morning, cleverly, she poached one egg and scrambled the other and placed his tray before him.

Anxiously she awaited what surely this time would be his whole-hearted approval. He peered down at the tray, then snorted: "Can't you do anything right? You've scrambled the wrong one!"

Discouragement: watching your secretary yawn while typing one of your most amusing letters.

Birden Kids Are 1 and 2 in Tourney

Andy and Jon Birden, 15 and 13 years of age, respectively, were winners in Lewisville's first backgammon tournament.

The Birden boys were among 50 participants in the tournament and after all other players were eliminated, the two wound up playing against each other for first and second place. Andy won the championship and both won gift certificates.

Andy and Jon are sons of Mr. and Mrs. William L. Birden of Lewisville and grandsons of Mr. and Mrs. J. M. Weinzapfel. Mrs. Birden is the former Marye Weinzapfel.

The tournament was sponsored by the Lewisville chap-

ter of the American Cancer Society as a special fund raising event in their '78-'79 crusade.

Birthday Party Honors Terri Cagle

Mr. and Mrs. Gene Hoedebeck were in Irving Sunday to help their daughter Terri, Mrs. Chris Cagle, observe her birthday! Also attending were Fred Hoedebeck, Mr. and Mrs. Wayne Grewing and Stephanie, Mr. and Mrs. Gilbert Knabe and Ronnie, Brian, Cory and Mary all of Muenster and Mr. and Mrs. Paul Hoedebeck and Jeff of Gainesville. Mrs. Wayne Grewing baked and decorated the birthday cake. The party was held in the home of Mr. and Mrs. Chris Cagle.

LET'S TALK ABOUT MEAT

Most food shoppers talk about meat prices. And why not? Meat is the center of the meal. It is a good-tasting, vital part of our daily diet. Meat is the only protein source which contains all of the essential amino acids our bodies need. Because meat is so important to our diet and because it is almost invariably a "cash and carry" item, consumers understandably become very concerned when meat prices increase.

However, even though meat prices, especially beef, rose rapidly during the first half of 1978, for the past two years they actually have been lower than they were in 1975. Beef and veal prices now are only 15 percent higher than they were in July 1975. This increase is less than the 20 percent rise in the Consumer Price Index from July 1975 to June 1978.

During this same period, the cost of home ownership rose 22 percent, fuel and utilities were up 28 percent and medical care rose 29 percent. The main difference between meat prices and the prices of most other non-food items is that meat prices actually went down in 1975. Prices of other items continued to increase.

There is no mystery about the recent increase in beef prices. Part of the increase can be attributed to the law of supply and demand. Beef supplies this year are down

from the record high levels of 1976 and 1977. Per capita supplies of beef in the second quarter of 1978 were about 7 percent less than a year ago. Pork production has not increased at the rate that previously was expected, so total red meat production will continue to be down throughout 1978. When supplies are low and demand remains high, prices automatically rise.

Higher costs of producing and distributing meat also have played a significant part in the recent meat price increase. Only 5 percent of the U.S. population is actually involved in farming, so our small number of ranchers and farmers must be especially efficient to produce all we need. We must also have elaborate distribution systems to get meat from "range to market."

Consumers are apt to blame the production and distribution of meat for higher prices. Actually, the profits of both meat packers and retailers combined account for less than 2 cents out of each food dollar.

Everyone wants to keep meat and all food prices as reasonable as possible. At the same time, we want to be sure that Americans will continue to enjoy a plentiful supply of nutritious, wholesome meat that is readily available at convenient neighborhood retail stores.

6 De Bordes Take Trip to Nashville

Nig DeBorde of Muenster accompanied his brother, Wilbur DeBorde and wife of Era, and three sisters Mrs. Edith Richardson of Gainesville, Mrs. Wilma Thurman of Forestburg, Mrs. Dorothy Riley of Sanger, and two nieces, Mrs. Imogene Gooch of McKinney and Mrs. Helen Salzer of Grand Prairie on a five day vacation trip to Nashville, Tennessee. They visited a nephew and family, the Dale Berrys.

The entire group made a

nostalgic visit to Lenoir City, Tenn., where their mother, Mrs. Maude DeBorde was born and also to the cemetery where Mrs. DeBorde's father, John A. Duff was buried in 1878.

Included during their visit were tours to The Hermitage, home of President Andrew Jackson; the Tulip Grove Mansion; the Old Hermitage Church; the 1823 Meeting House, Uncle Alfred's Cabin; and the Old Barn and Carriage House from Hunter's Hill.

Later, there was a tour of Homes of Stars and a Country and Western Roundup tour. At the Country Music Hall of Fame and the Museum, they saw Elvis Presley's gold Cadillac.

They traveled more than 1875 miles, most of it through spectacular scenery and much of it in mountain driving. Everywhere leaves were turning to autumn colors and the group was delighted by the beautiful sights.

Another sister, Mrs. Hallie Berry returned to Texas with them, after she completed a longer visit with her son and family, the Dale Berrys.

Pat Parker, 73, of Gainesville Dies

Funeral service for H. A. "Pat" Parker, 73, of Gainesville, will be held at 4 p.m. Thursday in Geo. J. Carroll & Son Chapel with the Reverend Dr. Harry Roark officiating, and burial will be in Fairview Cemetery.

A native of Cooke County, Parker was born Sept. 7, 1905, a son of the late Mr. and Mrs. J. L. Parker. He was married

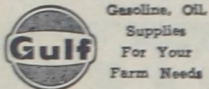

to Doris Germany on March 4, 1928.

He was a member of the Air Force Engineers for three years during World War II, serving in China, Burma and India.

He was a past president of the Cooke County Heart Assn., charter member and past president of the Optimist Club, life member and past commander of the VFW post, also past commander of VFW District 1, and a Mason.

He was owner-operator of Parker Electric since 1932, and in 1969 received the Boss of the Year award at the Jaycee Bosses' Night dinner.

Parker is survived by his wife, one sister, two brothers, a niece and several nephews.

to the 7 then had their share of trouble, a holding penalty, then an interception by Kirk Mollenkopf on the 3 and returned to the 14.

So the Tigers started again. Bartush gained to the 28 then Mark Nasche, with the help of nice blocks, got around left end and sailed 72 yards for the catch up touchdown. The run for PAT failed and the score remained tied at 14-14.

With 4:45 remaining the Hornets advanced to the Tiger 40 and stalled on their next series, Tigers taking possession on their 37. Three plays later Bartush passed to Bednorz for 41 yards to the Era 16, then tried another pass which was intercepted in the end zone just before the half ended.

Starting the second half Era bogged down on first series and kicked. The Tigers came in strong in their first series gaining 20 and also overcoming a 15 yard loss on a penalty, but they did not do as well on the next series. They failed to overcome a holding penalty and lost possession.

But luck was with them. Three plays later Mike Hesse intercepted an Era pass and returned it to the Hornet 34, then got 15 for free on a personal foul. The Tigers were only 19 yards away.

Runs by Hartman and Bartush gained to a first down on the 8, from where Bartush crashed the line for 7 and scooted around left end for the payoff yard. Kenny Hartman's run added 2. SH led 22-14 at 2:38 in the third.

Then Era got in high gear again . . . a 70 yard drive starting with a 22 yard pass to Selby then a 13 yard run by Nash, and again a 17 yard pass to Kirchenbauer. That reached the 18 from where the Hornets finished their drive in 5 plays, Nash scoring from the 1. Bartush stopped the run for extra points. Sacred Heart was happy with a 22-20 lead after the first play of the fourth quarter.

But the lead was not destined to remain. Tigers had to kick on first series after kickoff, and Era lost the ball

Mr. and Mrs. Bruno Fleitman were honored Saturday, October 28 in observance of their 40th wedding anniversary, when a Mass of Thanksgiving was celebrated in Sacred Heart Church by her brother, Most Rev. A. Dangelmayr, retired Bishop of the Dallas Diocese, and a reception, dinner and dance were hosted by their children and grandchildren in the Community Center.

Bishop Dangelmayr officiated at their wedding Mass 40 years ago, assisted by the late Father Frowin Koerd. Also assisting were Father Francis Zimmerer now of Decatur and two visiting priests.

Bruno and Bertha Fleitman are parents of five children, Sara, John Dave, Jerry, Teresa Jo, and Janie, and there are six grandchildren, Douglas, Sam, Jon and Julia Fleitman and Kelly and Kevin Cox. (Story on page 4)

on a fumble on its second series. Paul Bartush recovered it. The next Tiger series went the wrong way and after the kick Era was 36 yards away. Bewley made that distance in a triumphant gallop around left end with 5:52 remaining.

Starting from the 49 after kickoff the Tigers fumbled at their 49 sparking another Era drive which reached the 10 before going in reverse and ending in a short kick to the Tiger 17.

On the next play Era intercepted a Tiger pass on the 10 and lost yardage on the last 3 plays.

Era House Named Historic Landmark

The historic Thomason-Scott House of Era has been recently designated a Recorded Texas Landmark, according to an announcement by Cecil Burney, chairman of the Texas Historical Commission.

As a result of meeting state requirements for this official designation, a Texas Historical Building marker, with interpretative plate giving a capsule history of the structure will be installed on the house

at a dedication ceremony Saturday, Nov. 11, 3 p.m.

The inscription reads as follows: "Thomason-Scott House. Erected in 1894, this structure was the home and office of Dr. Benjamin Richard Thomason (d. 1909), one of Era's first physicians. Dr. Thomason's son, Robert Ewing (1879-1973), hauled lumber from Gainesville for the construction. Later he had a long public career, serving as a US congressman and federal district judge. The frame house has a Victorian porch detailing and elegant interior woodwork. In 1948 the residence was acquired by the L. A. Scott family."

is, Sister Alberta, Sister Agnes and Mr. and Mrs. Ben P. Voith.

There was a pot luck lunch for family members at noon Sunday planned by Mrs. Ben Voith and attended by the clergy, the honoree and Sister Theresina.

Dinner Sunday evening was hosted by Mr. and Mrs. T. Voith and family and attended by the clergy and Mr. and Mrs. John Voith, Mr. and Mrs. Ben P. Voith, and Sister Agnes.

Monday morning a breakfast was hosted by Mr. and Mrs. Tony Trubench, Jr. attended by Father O'Donnell, Sister Theresina and Sister M. Agnes.

On Tuesday morning Sister Agnes received another very cherished gift. Third grade pupils of Mrs. Eileen Fisher delivered an armload of good wishes in congratulatory cards they themselves had made in school. It was a nostalgic reminder to Sister Agnes of the many years she spent in the classroom. The General Accounting Of-

where in this paper about a program on the Metric system in the MHS auditorium next Monday. It's interesting and informative to attend the session, but not a bit urgent. Wall Street Journal reported on October 23 that confusion over metric conversion has led to some unneeded changes by businesses in the U.S.

He said the conversions are undertaken because the public mistakenly believes that Congress has passed a law making the changeover mandatory. The agency also said it could find no evidence that conversion would boost exports. From which it seems that it's a good idea to get informed on the subject, but also to avoid being a change-over pioneer. There's no need to struggle with that stuff while the majority is comfortable with the old way. But be ready to join metric when the old way becomes a problem.

Leo Hesse is reported to be progressing well after surgery at Doctors' Hospital, Dallas. Cards to cheer him may be addressed to Doctors' Hospital, 9440 Poppy Drive, Dallas, Tex. 75200.
