NUMBER 41

Texas Farm Bureau's weekly bulletin quotes the Wall Street Journal to the effect that federal officials are now predicting that it will be 12 to 15 months before the government starts taking final action to eliminate nitrates from cured meat and other products. Officials are waiting on a Justice Department opinion as to whether the government can proceed with plans to phase out nitrates gradually rather than banning them outright.

Here's another case where the official do-gooders take the attitude that government knows best, so it intends to impose another regulation on us even though it still has no proof that its opinions are correct, even though it may be overlooking some wholesome qualities of nitrates, even though it is violating our right to do as we please regardless of a remote risk that may be involved.

On this latter point we must be aware that we can die from an infinite number of causes, and to protect us against these many risks the government could ban all kinds of transportation as well as hunting, fishing and all the other sports, even eating and drinking. Considering the homes that burn, it could be considered unsafe to live inside. But it would also be risky to live outdoors because of danger from exposure to the weather.

If government busy bodies decide to stretch a point on the basis that it's for our own good, they could ban any of those things. But they know as well as we that it would be ridiculous. How much living would be left in a life if a person avoided every risk? The very thought should convince us that the absolute safe way is absurd, and all of us have a right to live with the remote risks.

Getting back to the issue of banning nitrates, it should be understood that sodium nitrate is a natural chemical substance found in vegetables, water, soil and the air. When used to cure meat it reacts with elements in the meat to preserve the meat. Both nitrate and nitrite usage are allowed under the Federal Meat Inspection Regulations.

Nitrite is essential in curing meats primarily because it prevents botulism, a form of food poisoning that is very painful and often fatal. Since nitrates have been used in the production of meat products there have been no known cases of botulism due to contamination of cured meat.

Nitrates give cured meats their special flavor and appearance. Without them we could not have bacon, most sausages, hams and other meat products as we now know them. Also, nitrates retard oxidation, which otherwise causes an undesirable flavor.

According to those facts, nitrates have a lot going for them in preventing food poisoning and bad flavor in meat, besides making it possible to process some of our favorite meats.

But now comes the report that certain types of tumors have developed in laboratory rats that have been fed bacon fried at high temperature, or the nitrite directly. However, although the nitrite was fed in huge doses only 12.5 per cent of the animals developed cancer. A related fact was that tests included a number of rats which received no nitrates, and 8.4 per cent of them developed cancer. From which it is by no means conclusive that the nitrite caused all of the cancer in the group.

All of which indicates that only a small percentage of the test rats can be said to have received their cancer from the nitrates.

And this is only a minor consideration in the testing. The really important point is the enormous size of dosage fed to the rats. It has been estimated that a normal human being would have to eat 15,000 pounds of bacon to match the doses to which the rats were exposed. Likewise a person would have to consume 345 pounds of the nitrite in chemical form to receive as much exposure.

Considering the feeble case developed against nitrite with regard to cured meats, it is ironic that the do-gooders make no charge against vegetables for their nitrite content. Whereas 2 per cent of human exposure to nitrite is caused

Second Expansion Program Finished At Fischer Store

Personnel and customers at Fischer's Market are gradually re-adjusting to the second major expansion program since Butch and Johnny Fisher took over the ownership and operation on November 6, 1975.

The store, with some 16,000 square feet of floor space is about 40 per cent larger than it was then, and the two expansion programs were about equal in size. The first job involved principally an addition to the slaughter and meat processing departments plus a second floor over the store room.

This time the addition is at the north side of the store. As a result of both, the store plan was changed to provide greater convenience and more selection.

Latest changes involve addition of four gondolas, three of them 12 feet long and the other 16 feet, and each with six shelves. It means the addition of more than 300 feet of shelf space.

In addition a new freezer case and a new dairy counter were installed, and space was re-organized to effect several expansions. Dairy and frozen foods cases were doubled in size, produce and smoked meats spaces were enlarged by one third, and the fresh meat space was doubled.

According to Johnny Fisher, the store's meat department continues to expand. Operating its own feed lot as well as slaughter and processing facilities, it is able to offer quality meats at less than average price.

Still another change in the new arrangement is the transfer of beer and soft drinks from an open area of the store to a special beverage. Also there have been alterations and expansions of storage coolers and warehouse space.

He's Special to The Bears

Occasionally during the pro football season Muenster's TV viewers have the pleasure of hearing a familiar name in the action, and there's added pleasure in observing that he is doing a good job for his team.

Unfortunately, though, his appearances on the local screen are few and far between, because he's a Chicago Bear rather than a Dallas Cowboy. Nevertheless, there are times when Bears play Cowboys or when they are otherwise on the local channels and local fans see more of him.

He's Lenny Walterscheid of Moab, Utah, whose father Leonard Walterscheid is a former resident, son of Mr. and Mrs. August Walterscheid and a brother of Wilfred Walterscheid, Mrs. Norbert Koessler and Sister Francesca Walterscheid.

Leonard moved from here in 1952 and lived six years at Gainesville before going to Utah for work in the oil field. He is a truck driver.

Though only 24, Lenny has had an action packed and colorful life. He's been an oil-field roughneck, fighter of forest fires, a ski patrolman and a college football star before becoming head man on the Bears special team.

On his oil field job he lost his little finger and the first joint of his ring finger while pulling the drill pipe to change bits. As a cornerback with Southern Utah State, he had been credited with good hands but the accident left him with about 80 per cent of good hands. Though his football future was in doubt he was re-shirtd a year giving the hand time to heal.

The following year he played as a wide receiver and rated as one of the top ten of the NAIA. As time went on he took on additional jobs for the team. He returned punts and kickoffs, played defense in some passing situations and occasionally punted or kicked off.

His outstanding record did not seem to impress the NFL scouts, however. Possibly because of the obscurity of Southern Utah State, he thinks, possibly also because a player of 5-11 and 185 pounds with a handicapped hand is not regarded as one of the more attractive prospects. Just the same he earned a chance

The baby was born on November 3 at Baylor Hospital, weighing 1 lb. 12 oz.

Alvin Hartman Hospitalized

The Enterprise staff has been scrambling this week to produce this streamlined edition of the paper without the help of Publisher Alvin Hartman, who is a patient in Muenster Memorial Hospital. However, some of the strain was relieved by volunteers Bob Hartman and Harvey Schmitt. Alvin underwent surgery for gallstones last Sunday and is making normal recovery.

2 Tiger Runners To Be in National Junior Olympics

Two young cross country runners of Sacred Heart High will compete in the national finals of Junior Olympics at Kansas City, Kans. on December 9.

They are Mike Dangelmayr and Dale Schilling who qualified for the national race last Saturday in a regional cross country run at Dallas. Mike, running 2 miles, was fourth in the 12-13 year class and Dale, running 3 miles, was third in the 16-17 year class. Each race had about 30 entries.

Also competing but failing to qualify were Dick Dangelmayr and Bert Hesse, placing 10th and 12th respectively in the 16-17 year class.

The four were accompanied by Coach Ronnie Hess.

SH Gals Lose on Wrong Goal Shot

Junior Varsity girls of Muenster High beat the Sacred Heart girls 16-1 last Thursday, but the game should have been a tie or even a win for Sacred Heart. That's because one of the SH girls scored a field goal in the wrong basket. As a result MHS was credited with 2 more than it actually made. If the shot had missed the scored would have been tied. If it had gone into the other goal SH would have won.

In spite of that it was a good game with the Tigettes holding a slim lead through three periods and the Hornets nudging ahead by 2 in the last quarter.

Scorers for MHS were Peggy Winn and Jill Walterscheid, each 4 and Rene Reiter, Carla Walterscheid, and Charlotte Fleitman, each 2.

For the Tigettes it was Karen Koch 4, Shelly Walterscheid 3, Gina Hofbauer Donna Hess and Dianne Caplinger each 2, and Christy Felderhoff 1.

Another JV game was less satisfying to the Muenster High girls. They were clobbered 33 to 13 at Whitesboro.

MHS Varsity Girls Win 1 and Lose 1

Muenster High girls have a win and a loss in their pair of games to date, but they also have a problem. Robin Walterscheid received a sprained ankle in the game with Whitesboro and Kathie Fisher sustained a hand injury, possibly a fracture. Both are likely to be out of action for a while.

In their game with the Tigettes the Hornets were being pushed by counts of 9-6 and 22-16 in the first two periods then gradually pulled away by 33 to 23 in the third and ran away 45-29 in the fourth.

Tigette point makers were Sharon Grewing 10, Toni Hoebeck 5, Janel Hellman 4, Laurie Walterscheid 3, Virginia Bartush 3 and Shelly Walterscheid 2.

The MHS scorers were Robin Walterscheid 22, Lou Dyer 7, Brenda Walterscheid 4, Kathy Davidson 3, Toni Dittfurth 3, Wanda Schneider 3, Judy Walterscheid 2, Debbie Zimmerman 1.

Playing Whitesboro Monday night, the Hornets were annihilated 51-19. Besides being soundly outclassed they were seriously handicapped early in the game by Robin Walterscheid's ankle injury.

Tiger Exes Will Clash in Football

Members of several former Tiger football teams will bump heads just for fun Friday night, November 24, at 7:30 p.m. on the Sacred Heart field.

Players of '77 and '78 will take on those of '75, '74, '73 and '72, and older fellows who still have a yen to get into the action. Rosters for both teams are still short, and late entries will be very welcome. Pads will be issued Friday at 5:30.

Fans are urged to come and see the old timers in action. Proceeds will benefit the Sacred Heart School.

More information can be obtained by calling Mark Hess, 759-4245 or John Bartush, 759-2730.

Schneider, Lippe Are Co-Chairmen Of Jaycee Parade

Interest in the Santa Claus parade on December 9 has been pleasing to date, but there still are no signs that it will be the best ever, so John Schneider and Mark Lippe, co-chairmen are out looking for more entries.

Their goal is to get a good representation from local organizations and business firms in fancy floats as well as dressed up vehicles, both new and antique. They are also extending invitations to out-of-towners who have something interesting to show, and calling attention to the prizes of \$75, \$50 and \$25 for the best three.

For more particulars Schneider and Lippe can be contacted at 4253 and 4439 respectively.

Also related to the parade is the appearance of Santa and his helper. After being featured as VIPs they will visit with the kids and give candy.

Two businesses were overlooked last week in the Enterprise list of participants in the drawing. Tuggle Motor Co. giving \$25 in cash and Wilde Chevrolet is giving \$25 in merchandise.

Annual Dance of Hospital Auxiliary Coming December 2

The Muenster Hospital Auxiliary is putting final touches on plans for the annual dance. This year's theme is "Visions of Sugar Plums." The organization met last week Thursday for the regular November meeting. The dance committee and members have promised that this will be the most exciting dance of the year. It will be held Saturday, December 2, 9 p.m. to 1 a.m.

Dance music by the very popular "Five Easy Pieces Combo" will be a special treat. Their repertoire lists over 160 selections from Polkas to Disco Fever Music. "They are sure to please ages 18 to 80," says the dance committee. This Combo has played in several states including Texas, Louisiana and Oklahoma for private parties, Country Clubs, conventions, night clubs and more.

The Hospital Auxiliary committee feels privileged and honored to have acquired this Combo for this very special dance.

Tickets are available at Fischer Market, The Charm Shop, Modern Floors, Shirley's Kut and Kurl, First Texas Savings and from Monica Hess, 759-4254, who is in charge of reservations. She has stated that a limited number of tables is still available, but making reservations immediately is essential.

Celina-Holiday Play Bi-District

Bridgeport has been selected as the site for the bi-district game Friday night at 8 p.m. between Celina and Holiday, champions respectively of District 14-A and 13-A.

Each of the teams has a 9-1 record. Celina has a season score of 265-57 and Holiday a score of 321-45.

Flags Presented

The VFW and its Ladies Auxiliary presented new U.S. and Texas Flags to the city of Muenster for the recently remodeled City Hall. The Auxiliary president, Mrs. Lynn Knabe made the presentation recently on behalf of both organizations.

City Hits Jackpot in Sales Tax Rebate

The City of Muenster hit jackpot in its latest check from the State Comptroller as rebate for city sales taxes re-imposed by local people to the state.

The amount was \$30,229.97 instead of the usual 2 to 4 thousand dollars sent by the comptroller's office.

When the check arrived City Secretary Celine Dittfurth called the office of Comptroller Bob Bullock asking whether this is for real or has a computer gone haywire? She was assured that it is real and is explained principally by an account that has been overlooked for a long time.

The windfall suddenly raises the year's payments to \$74,192.47 as compared with \$43,288.16 at this time last year, which amounts to 71 per cent increase instead of about

SH Cross Country Runners Try for TCIL State Title

The cross country runners of Sacred Heart High, with one of their members, Dale Schilling, looked for the national finals of Junior Olympics, will compete for the TCIL cross country state championship in Dallas on December 2. According to Coach Ronnie Hess, it will be a 2 mile race of high school boys.

Tigers entered are Dale Schilling, Dick Dangelmayr, Bert Hesse, Bert Miller, Gary Henschel and Jesse Walterscheid.

Tigers Nudge Knights 8-3

Sour memories of a string of disappointments were brushed aside Friday night at Wichita Falls as the Sacred Heart Tigers ended their 1978 season in a thrilling 8-3 victory over their old time rivals, the Notre Dame Knights.

The ending was the kind that they write about in story books, and its success was all the sweeter because the ND team over the years has become Sacred Heart's No. 1 opponent as well as the chief spoiler in the Tigers' contention for TCIL championship.

In the 75 and 76 seasons the Knights shattered the Tigers' title dreams, but last year SH was the winner by a 20-10 count and advanced to the TCIL state final. This time both teams had been eliminated from the race, but spirit was no less intense as each battled for the satisfaction of defeating the other.

Until the final few minutes, the game was a defensive stand-off with teams very evenly matched in the statistics and each doing a superb defensive job when the chips were down. Then, with another drive apparently halted and only two minutes left on the clock, the Knights finally broke the deadlock with a 19 yard field goal.

What followed was an epic of delight to the screaming Tiger fans, getting more exciting with every gain of the desperation effort.

After ND's kickoff and Kenny Hartman's return to the Tiger 31, Sacred Heart performed like the pros in going 69 yards in seven plays using only a minute and 14 seconds. First two were an incomplete pass and a crash into the line for no gain. Then Hartman connected with Mel Walterscheid for 10 and with Mark Nasche for 7, and a pass interference ruling gave 10 free yards to the Knight 42.

Next one was the gem of the drive, a pass and run play Hartman to Brian Bednorz for 33 yards to the ND 9, where an incomplete pass was followed by a touchdown pass to Bednorz.

With Sacred Heart partisans still cheering deliriously, Joe Barush put icing on the cake with a slam at the line for the two bonus points. Sacred Heart had an 8-3 lead with only 37 seconds remaining on the score clock.

To begin the game each team failed to gain on its first possession and had to punt. On second possession the Knights picked up 15 in two carries and fumbled on the next play, Greg Gieb recovering for the Tigers on the SH 38. From there the Tigers made a good drive of 41 yards

to the 21, including 14 by Bednorz and 10 by Bartush. But the next series stalled and after four tries the Tigers had to give up possession on the 24.

That point marked the beginning of a defensive stand-off with punt on first series by ND and SH again by ND before the Tigers made a first down only to be stopped by an interception one play later.

Again the teams exchanged punts on first series after which they exchanged fumbles. Knights let the ball get loose on an attempted pitch-out and Mark Nasche recovered it, giving his team a set-up with only 16 yards to go. However the opportunity fizzle three plays later in a Tiger fumble recovered on the 7.

From there the Knights moved the other way 26 yards to their 33 where Tiger defense braced up and forced a punt, which turned out to be a great break for the Knights. Sacred Heart fumbled the kick and ND recovered it on the Tiger 28. Two plays from there reached the 11 and three more gave the Knights first down on the 1 yard line.

SH defense did a great job there. Two plays were stopped cold, another resulted in an offside penalty, and a pass was incomplete. So, on a fourth and 6 situation ND kicked for a field goal and missed as the clock read :03.

After intermission SH fumbled on its second play and the Knight recovered on Sacred Heart's 35. Four plays later the Knights fumbled and Greg Gieb made his second recovery of the evening.

However Tiger progress was limited to only 1 first down. Following the SH kick on the second series, the Knights made a first down and also had to kick on second series, and SH had to kick on first series.

Then, starting from their 24 the Knights made a good drive of 54 yards to the Tiger 22 where a delay penalty plus Tiger defense were the big factors in bringing the ND to a halt. After four plays ND lost possession on its 34.

Tigers had to kick on first series and regained possession three plays later when Jesse Walterscheid intercepted on the Tiger 35.

Sacred Heart advanced to its 46 and three plays later ND almost busted the game wide open with an interception followed by a sprint down the sideline. Kenny Hartman's shoestring tackle stopped it on the 23. The next

payments to date and percentage of increase for other cities of the area were reported as follows. Gainesville \$424,324, up 16%; Lindsay \$33,895, up 13%; Nocona \$80,180, up 11%; Pilot Point \$26,203, up 25%; Saint Jo \$15,776, up 34%; Sanger \$20,681, up 15%; Whitesboro, \$63,646, up 26%.

To date Houston has received \$73.3 million; Dallas \$40.9 million; San Antonio \$20.1 million; Fort Worth \$14.5 million and Austin \$11.7 million.

With the addition of .64 inch of rain during the past week, the local moisture condition is fine, awaiting a few days of drying weather to permit work in the fields. The week's rainfall, recorded on four days, increases the month's total to 4.51 inches and the year's total to 28.04.

Meanwhile mild winter temperatures have prevailed. As recorded by Steve Moster, they are as follows. Nov. 16, 39 and 44; 17th, 34 and 63; 18th, 40 and 71; 19th, 51 and 58; 20th, 47 and 54; 21st, 40 and 52.

57 Students Attend Casa Manana Show

Fifty seven students and four Junior High teachers of Sacred Heart School have happy memories of their trip to Casa Manana Playhouse in Fort Worth last Friday. They attended the stage production of Washington Irving's immortal classic "The Legend of Sleepy Hollow." Most enjoyed by all the students was the character of Ichabod Crane. They found the music delightful, theater-in-the-round very interesting, and the building very beautiful.

Lunch was served to the group when they returned. Drivers were Mrs. Wanda Flusche, Dorothy Bengfort and Tony Horsley.

Garden Club Hears Talk by Florist

Mrs. Shirley Horn, owner and designer of Aughtry's Flowers of Gainesville, was the guest speaker for the November meeting of the Muenster Garden Club. She showed a number of pieces she had made in fresh flowers, dried materials, silk flowers, or permanent items.

Some were suitable for table centerpieces, others for door or mantel decorations, all with a holiday theme. Mrs. Horn distributed booklets to all attending and offered a door prize, a poinsettia, won by Mrs. Bill Luke. Mrs. Ed Knauf was hostess in the Cooke County Electric Co-op Building. Sixteen members and two guests, Sister Romana Rohmer and Mrs.

Robert Knauf attended. Mrs. King Kock, president, conducted the meeting. Roll call was answered by members telling of birds sighted recently in their gardens. Mrs. August Felderhoff reported on progress in the organization of Junior Garden Clubs among the Bluebirds. Their yearbooks will be judged next week. Their members plan to construct bird

feeders to place on the outside of windows at Saint Richard's Villa. Mrs. Arthur Endres reported on attendance at the District Meet in Cleburne and the State Flower Show. Mrs. Paul Endres, a past president, was presented an outstanding yearbook prepared by Sister Mary John and Mrs. August Felderhoff. Three members, Mmes. A.

Endres, Dick Ferber and Ray Wilde volunteered to assist in landscaping plans at the City Hall. Mmes. Ferber, Koch, David Flusche, John Mosman and Sister Mary John Seyler volunteered to plan a Garden Therapy project for Saint Richard's Villa. Mrs. Herbie Miller reported the Gainesville Council of Garden Club's meeting held in the Koch home.

Mrs. John Mosman announced that Bert Miller was first place winner of the Youth Communication Speech contest held at the Botanic Gardens Center in Fort Worth on November 11. He represented the Muenster Garden Club. Christy Felderhoff was second place winner, representing the Gainesville Council. Lisa Hennigan won 3rd place. All are SHHS students.

Bert will present his speech at the District Meet in March and will advance to competition at state level. Mrs. Mosman reported compiling 900 Horticulture points for the club and forwarding the report to state headquarters. The continuing Grape Myrtle project was discussed, to create interest among community residents to plant grape myrtle shrubs in Muenster. Orders may be placed with Mrs. King Koch. Previously placed bulb orders were delivered to members. The club planted King Alfred daffodils and mixed crocus at the Mini-park. The December meeting will be held in the home of Mrs. Bill Luke. Members will contribute to a gift for the Cooke County Child Development Center and will also bring a rooted plant to the December meeting for a plant exchange. The hostess, Mrs. Ed Knauf, served assorted cookie bars and hot spiced tea at the conclusion of Mrs. Horn's program.

Important! All Senior 4-Hers 14 and over who want to attend the "Big Event" on Saturday, December 9, must make reservations by December 6. The "Big Event" is a disco dance held at the Lindsay Parish Hall from eight until midnight. The dress is casual and the cost is \$1.50 for singles and \$2.50 for couples. The cost will take care of a disc jockey who will be there from nine until midnight. You may bring dates that are not 4-Hers.

Remember! The County Food Show is December 2 at Whaley Methodist Church. If you need a Food Show Rules Sheet, call or come by the County Extension Office 665-4931. We must have your Design for Discovery form, recipe card and menu card in by Monday, November 27.

Just a reminder concerning all livestock with the exception of breeding stock, the entries are due December 1, 1978 for the County Junior Livestock Show. The deadline for most major shows is December 10, 1978 if you are planning to take livestock to Fort Worth, San Antonio, Houston. Also we will have entries in the office for steers and beef heifers to show at the Amarillo Fat Stock Show and Rodeo. Please contact the office at 665-4931 or come by.

We hope everyone has a Happy Thanksgiving. Don't forget "Share The Fun" entry forms are due by November 24th. Please put them in the mail by then.

YOU CAN BANK ON IT!

In the last 30 years the purchasing power of the dollar has declined almost 40 percent. Products and services for which you paid \$100 in 1948 cost \$257 today.

But there are several signs that the fight against inflation is going to be won. For one thing, a widespread tax revolt is showing politicians it is smart to cut government spending. And Western leaders have begun doing something to restore stability to the international monetary exchange markets. Another healthy trend is Western Europe's emerging aversion to the notion that heavy government spending is the key to prosperity.

These moves are not going to help reduce next month's inflation numbers, but hopefully they are laying the foundation for lower rates in the future.

We Have the Farm Boss and It's a Stihl

IT STARTS EASIER because of a hotter spark, better carburetion, and a flood-free design. IT'S MORE RELIABLE because it has longer wearing moving parts that won't break down. IT'S MORE POWERFUL because it has the biggest power-to-weight ratio of any popular saw. IT'S QUIETER because its large baffled muffler is more than just a tin box. IT COSTS LESS. Because a saw that will last about twice as long will cost only about half as much. IT COMES WITH A BONUS. Over \$30 worth of free accessories including a spare cutting chain really make the Farm Boss a Stihl.

Debra Schneider, Claude Klement Exchange Vows in 2 Ring Ceremony

Miss Debra Marie Schneider became the bride of Claude John Klement Saturday, November 18 in a late afternoon Nuptial Mass in Sacred Heart Church. Father Stephen Eckart officiated for their vows and celebrated the wedding Mass with a double ring ceremony.

Parents of the couple are Mr. and Mrs. Edward A. Schneider and Mr. and Mrs. Walter Klement. Entering the church with the bride were her parents, who accompanied her to the altar. The groom's parents also approached the altar with their son.

The couple pledged their vows in a setting of candlelight, with arrangements of Picardy gladioli tied with peach-pink ribbons. Following the ceremony, they lit their Unity candle with tapers touched to the altar candles.

The bride wore a gown designed and created by her mother of white bridal satin with Satalustre organza overlay, on empire lines with scoop neckline, long bouffant sleeves and a line skirt sweeping to an attached chapel train. The bodice was trimmed with French imported Chantilly lace applied in a radiant design and edging the

neckline and cuffs. Her bridal veil was a fingertip length single mantilla, edged in matching lace and attached to a matching lace headpiece.

Her bridal flowers were carried in a cascade of Peace roses and white forget me nots, cream colored baby's breath and green leaves and ribbons in lovers knots. She wore a sixpence in her shoe and carried an heirloom handkerchief. She borrowed a diamond and pearl necklace from her grandmother, Mrs. Catherine Walterscheid and, in keeping with tradition, she wore a blue garter. Also worn was a white silk garter, a gift from Mrs. H. H. Homsley and a gold bracelet, a gift of Mrs. Willie Walterscheid.

Attendants
The formal wedding included six attendants all attired identically in gowns designed and created by the bride's mother, of seafoam bonded crepe with matching chiffon blouson bodices, ruffled necklines, full gathered sleeves, circular biased skirts finished with a ruffled hemline. Each carried a matching umbrella edged with chiffon ruffles; and a cluster of apricot daisies, apple blossoms,

peach-pink poppies and baby's breath tied on the handle. For dancing the flowers were worn as wrist corsages.

Honor attendants were Mrs. John Schneider of Muenster, the bride's sister-in-law, Joy and Mrs. Jimmy McDonald, the bride's sister Pam, of Dallas.

Bridesmaids were Mrs. Wayne Klement the groom's sister-in-law Doris, and Mrs. Billy Don Wolf, the groom's sister Sharon, and Miss Debbie Knabe and Miss Cheryl Mollenkopf both friends of the bride.

The best man was John Schneider, the bride's brother. Groomsman were Jim Endres, the bride's cousin; Wayne Klement, and Doyle Klement both brothers of the groom, Terry Walterscheid, bride's cousin and Mark Lippe, a friend of the couple.

Ushers were the bride's brother, Don Schneider, who also carried the Unity candle preceding the bridal march, and Mark Klement, groom's brother; Jimmy McDonald, Jr., bride's brother-in-law and Tim Schneider bride's brother. Mass servers were Kevin Wolf, groom's nephew and Lonny Henschel, a friend of the couple.

The wedding music included the processional and recessional on the organ by Laura Kralicke. Vocal selec-

Guests tables were each centered by a decorative umbrella and lighted glassed brella and lighted glassed candles.

Following dinner, guests danced to music by "Hay Fever."

When the couple left on their wedding trip, the bride was wearing a black vested pant suit. When they return they will be at home in Muenster.

Pre-Nuptial Parties
The rehearsal dinner was held in the home of the groom's parents on Thursday, November 18. A shower was given by the bridesmaids on November 4 in the home of Mrs. Wayne Klement.

Out-of-town guests attending the wedding were from Gainesville, Dallas, Lindsay, Subiaco, Arkansas, Fort Smith, Arkansas; Missouri; Fort Worth, Sherman, Garland, Irving, Wichita Falls, Saint Jo, Hereford, Denton, Lubbock, Bryan, Texas, and Kitzingen, Germany and Muenster and other areas of Cooke County.

Paper routes, lawn mowing, and odd job money was saved at First Texas. Small amounts saved grew larger. Interest compounded daily added even more. And before he knew it, there was enough to buy that ten speed bicycle he's always wanted. Today, he's the envy on the block and his savings account begins building up again. Maybe it will be a new car when he's old enough... or that first year in college. Why don't you help your child get his new 10 speed and at the same time teach him some vital lessons of life.

tions were "Our Love," "An-Willie Schneider of Subiaco, Arkansas. Following Mass, the couple placed a Sonia rose floral tribute on the Blessed Virgin's altar and the bride presented a long stemmed Sonia rose to her mother and her husband's mother.

Mrs. Ed Schneider was wearing a formal gown of burnt sand chignon with a blouson top and gathered skirt. Mrs. Walter Klement wore a soft mauve formal gown designed with a ruffled V neckline and long sleeves. Both had corsages of Sonia peach colored roses. The maternal grandmother, Mrs. Catherine Walterscheid wore navy lace and her corsage was of apricot carnations.

Reception assistants, vocalists, and god parents were each presented a corsage or boutonniere of a peach-pink silk poppy.

Reception
Parents of the couple hosted a reception dinner and dance in the Community Center following the church service. The bride's sisters Wanda and Sandy Schneider secured signatures in the guest book. Guests were seated by Queenie and Willie Walterscheid. The four-tiered white bride's cake had a lighted fountain between the tiers and was ornamented with apricot roses and bells. The Skoal shaped groom's cake was chocolate and decorated in white and green. Serving the cakes were Mrs. Mark Lippe (Nancy), Mrs. Jim Endres (Shirley), Mrs. Earl Koelzer (Janet), Mrs. John Monday (Joyce), Mrs. Doyle Hess (Debbie) and Diane Kralicke all of Muenster and Le Ann Hodo of Dallas.

There was also a champagne fountain. The elegant buffet table was centered with topiary trees of parsley and tiny red tomatoes.

Good, old fashioned heating with a **FISHER** Wood Heater

Cost vs Weight

Costs should be compared with weight. The more weight the better. The stove you buy should be a large mass of iron to collect and radiate the heat efficiently.

Airtight Firebox

Your stove should have an airtight firebox and an adjustable draft that enables the wood to burn slowly. Avoid stoves that are not airtight or have loose fitting doors.

When you invest in a Fisher you guarantee your own comfort and security.

Easy to Install

Your Fisher can be attached to existing chimneys, fireplace chimneys, or used with pre-fabricated chimneys installed through ceiling or wall.

Stores Heat

The heating chamber is designed to transfer heat to the stove's surface rather than letting it go up the chimney.

Massive steel construction makes it heavy and long lasting, mandatory for superior heat radiation.

Your Fisher stove won't warp, bend, buckle or stretch. It won't break, burn out, wear out or rust out.

SH Juniors Lose 2 to Callisburg

A combination of inexperience and poor shooting was the reason for a pair of losses by Sacred Heart Junior teams at Callisburg Monday night. Girls lost the opener 37-15 and boys lost the nightcap 20-14.

Coach Tony Horsman was pleased with the floor work in both games but added that shots were too few and too inaccurate.

Scorers were Missy Stoffels 4, Ginger Fleitman 3, Sandy Wimmer 2, Karla Hartman 2, Laura Grewing 2, Connie Stoffels and Anne Felderhoff each 1.

Curtis Henscheid and T. J. Walterscheid led the boys' scoring with 4 each; Darrel Herr, Neil Hesse and Greg Walterscheid made 2 each.

Next action for the teams will be with Valley View's kids next Monday, 6 p.m. on the SH court.

The Thanksgiving party for the afternoon class of kindergartners was held last week Friday, because there will be no afternoon classes for 3 days since school will be dismissed at 12:30 on Monday, Tuesday and Wednesday, for teacher inservice. Mrs. Gene Hoenig was chairman of the planning committee, assisted by Mrs. Roy Reiter, accompanied by daughter, Janelle, and Mrs. Wally Le Fevre, also Mrs. John Luttmer who assisted but was unable to attend. Refreshments of orange ice cream punch, cookies, gingerbread men with chocolate decorations were served. The treat sacks contained gum and candy.

Tigers ---

played gained 10 to the 13 and three more tries reached the 9 where Robert Scott tried his second field goal of the game. It was good giving the Knights a 3 point lead as time was running out.

The Tigers responded in a manner that puts a touch of glory on their disappointing season. They snatched back the game which was apparently lost with a brilliant drive of 69 yards in seven plays.

In the remaining seconds the Knights completed a pass for 21 yards and their next attempt was intercepted by Bednorz.
