NUMBER 7

It is not surprising that the people of Taiwan are demonstrating about this country's establishment of diplomatic relations with Communist China and its present pussy-footing to soften the blow of breaking our relations with the Free Chinese of the island republic. To make the situation worse, our program includes plans to withdraw our troops from Taiwan. This is equivalent to exposing the little country to military take over by the Reds and wiping out one of the few remaining havens of peace and prosperity in the Orient.

One cannot blame the Free Chinese for feeling bitter and betrayed, because this country should feel a moral obligation to assure their continued existence as a nation. US was responsible in the first place for the evacuation of Free Chinese from their homeland while hundreds of millions of their countrymen were reduced to slavery. We, who treasure freedom, were too little and too late in responding to their plea for help. Passage of the few decades since then has not reduced our moral responsibility to them. It does not justify our turning the wolves loose on them. Furthermore it certainly does not improve our image in the rest of the world, which by now is about convinced that countries can no longer depend on US to stand by its allies.

Considering those things, we should not be surprised that demonstrators over there are stomping on heaps of peanuts while shouting "This is Carter", nor that Americans over there, through no fault of their own, have suddenly become very unpopular. Even if the recognition of Red China were limited to relations with that country only, there would be ample reason for reservation about the deal. Despite the jargon about helping avoid a take-over of the country by Russia, and the eventual emergence of a global monster, there was no excuse for demanding the betrayal of several million persons who deserve our help. When the Chinese made that demand we should have called off the deal.

Lots of our people who would have made a great howl about this thing only a few years ago seem to have softened their attitude and are willing to go along with the president. In keeping with State Department policy and loads of slanted publicity in the media, they are ready to regard Red China as just another country, so US should be realistic and deal with them like with any other country.

Well, it isn't really that way. The important point is that the Chinese are Communists, and history ever since the Russians started double crossing us more than 60 years ago repeats time after time that Communists cannot be trusted. Again, they can be expected to honor the present agreement only so long as it serves their purpose.

Another point worthy of thought: Can our government feel certain that the alleged friction between China and Russia is real? Or is it a faked hostility to bait this country into helping the global Red program, and sell out another free country, and further degrade our own image in the bargain?

In connection with the big deal with Peking, Dr. George Benson in his "Looking Ahead" column relates the story told by General Eisenhower concerning his meeting with Joe Stalin shortly after the end of World War II. While US forces were still in Europe Ike was asked by the president to meet with Stalin and determine what conditions could be expected in Europe.

Eisenhower said that the meeting was most agreeable. Stalin gave him the red carpet treatment, was friendly and cooperative on all issues, in fact overly agreeable. Eisenhower gave the president a favorable report and said he did not anticipate any serious problem.

But years later the general admitted he had been a victim of Red lies. "I was never more deceived in my life. Never, after we brought home our armed forces were we ever able to talk again to Stalin. In like manner we have not been able to get on agreeably

Cheese Plant Has Production Boom During Holidays

The annual big rush for the Christmas-New Year holidays is tapering off at the Muenster cheese factory after some 18 to 20 days during which production was about twice its normal volume.

Vernon Sparkman, manager of Associated Milk Producers, Inc., said that the plant had been handling an average of some 900,000 pounds of milk daily and its daily production was about 90,000 pounds of cheese and 100,000 pounds of powdered whey.

Principal reason for the increase has been the school holidays. When the many thousands of servings in school lunch rooms are cut off, AMPI suddenly accumulates a surplus, and that surplus from a wide area is sent to Muenster for processing into dairy products.

Viewing the situation Tuesday, Sparkman said that it is hard to guess what will result from the extension of holidays because of severe weather. The continued halt of milk consumption in the schools could result in continued surplus at the factory. However, another factor is involved. Severe weather which is closing the schools also causes a drop in milk production. One condition could offset the other, and it is hard to guess what will happen the next few days.

The local AMPI plant serves a dual purpose. It is a distribution center for Grade A milk and also processor of the surplus milk which accumulates. Usually that surplus amounts to a half million pounds or less, and the volume drops in severely hot or cold weather. On the other hand it rises sharply in the spring when cattle freshen and when school lunch rooms close for vacation. From mid-April into July, the milk plant is almost as busy as at Christmas.

Changes Revealed To Employers on SS and IRS Reports

Gus Jones, District Manager of the Sherman Social Security Office, stated today that several changes in wage and tax reporting beginning in 1978 should be brought to the attention of employers. Employers who have in past years filed form 941 should note that beginning January 1, 1978, the Schedule A of the Form 941 will no longer be required.

Form 941 will still be sent quarterly to the Internal Revenue Service. However, Schedule A, or Continuation Sheet, will no longer be used to report the social security wages for an employee.

Instead, the W-2 Form, submitted at the end of 1978 will be used by both the Social Security Administration to credit the employee's social security wages, and by the Internal Revenue Service for income tax purposes.

Beginning with 1978, all W-2 Forms should be mailed to the Social Security Administration. These changes are explained in the 1977 Circular E Supplement, Employer's Tax Guide, issued by the Internal Revenue Service.

For further information concerning these changes, you may contact your Sherman Social Security Office at 810 North Travis. The phone number is 665-0770. This is a direct line to the Sherman office. Office hours are from 8:30 a.m. to 4:45 p.m., Monday through Friday, except national holidays.

A representative may be contacted in Gainesville each Tuesday and Thursday from 9:30 a.m. to 12 noon and 12:45 p.m. to 2:00 p.m. at the Federal Building.

Jaycees Plan for January 27 Dance

Muenster Jaycees have started preparations for their next social event, a dance to be held in the Community Center on January 27, with music by Billy Joe Shine and the Night Cap.

Ross Felderhoff is the chairman in charge. Tickets will cost \$5 per person in advance and \$6 at the door.

Clifford Endres Gets PhD Degree

The Doctor of Philosophy degree in Comparative Literature was conferred on Clifford Endres by the University of Texas at Austin in December, 1978.

He is a son of Mr. and Mrs. Paul Endres and is on the faculty of the University of Texas.

Endres is a graduate of Subiaco Academy and attended St. Mary's University in San Antonio, before transferring to the University of Texas, from which he graduated with a B.A. in English and Philosophy.

He attended Emory University in Atlanta, Georgia, where he received his Master's Degree in Comparative Literature. Clifford and his wife, Donna have a four year old son, Nicholas.

Changes Made in County Personnel

With the coming of the new year a number of changes became effective in personnel of the Cooke County Courthouse. Three retirees were honored last Friday during a brief ceremony in which County Judge Greg Underwood presented plaques to District Clerk Anna Mae Shorter, Commissioner G. M. Boydston and Peace Justice Don Card. Shorter and Boydston retired voluntarily and Card failed in his try for re-election.

New officials succeeding the three are Bobbie Calhoun as district clerk, Kenneth Alexander as Commissioner of Precinct 2 and Royce Martin as J.P. Other new JPs are Richard Grewing in Precinct 5 and Bill Freeman in Precinct 1. Also, Delbert West has taken the formerly vacated job as county surveyor.

Kit Carson is a retiring official without a successor. His office of county superintendent faded away in 1977 when the state legislature voted to discontinue funding it at the end of 1978. Officially the job continues, but the county, too, has declined to pay the salary.

Carson, who held the job for 14 years was a loser in last year's race for Precinct 2 commissioner.

Boydston has been an employee of the county 31½ years including 22 as commissioner.

Miss Shorter started work in the district clerk office as a deputy in 1954 and has held the office since 1967.

Card was Justice of the Peace of Precinct 6, at Valley View, for 14 years on a part time basis. He was also employed at Texas Instruments.

Call SS Office About SS Questions

When you have a question about social security or one of your related programs, call your nearest social security office. It is listed in the phone book under Social Security Administration. Don't rely on information given to you by relatives, friends or others who may not know more about it than you do. They may have good intentions by giving you advice and information, but if it is erroneous, it could cause you a good deal of trouble and possibly cause your benefits to be suspended or stopped.

Because much of social security transactions are electronic, it is sometimes very difficult to correct our records if erroneous information is furnished us. This costs money and more important — it might cause a delay in your payments.

So remember — the only really reliable place to get social security information or to get advice is from your nearest social security office. Call them, they will furnish you with reliable information.

The Sherman Social Security Office is located at 810 North Travis. The phone number is 665-0770. This is a direct line to the Sherman office. Office hours are from 8:30 a.m. to 4:45 p.m., Monday through Friday, except national holidays.

A representative may be contacted in Gainesville each Tuesday and Thursday from 9:30 a.m. to 12 noon and 12:45 p.m. to 2:00 p.m. at the Federal Building.

The dime isn't really worthless. It still makes a fairly good screwdriver.

Community Gives \$4275 in County United Way Drive

The Muenster community went over the top in a big way in last year's United Way campaign. John Pagel, co-chairman with J. D. Meurer, Kenneth Selby and Virgil Henscheid, disclosed this week that the final figure is \$4,275.50.

This is a handsome increase of \$975.50 over the previous year's total of \$3,300, which was set as the goal of 1978. This is the third consecutive drive in which Muenster exceeded its goal.

For the generous campaign, the co-chairman thank every donor as well as the 13 workers who did a super job of making contacts.

The workers were Joe Hellman, Dan Hamric, Dennis Hess, Tom Hesse, Henry Weinzapfel, Alvin Fuhrman, Tom Herr, Roger Taylor, Chuck Bartush Jr., Larry Hennigan, Butch Fisher, Rumpy Hess and Johnny Fisher.

Earning Limit Increased for Students on SS

The new earnings limit for students has been changed by the 1978 Amendments to the Social Security Act. In 1977 the earnings limit was \$3,000. For 1978 the limit on earnings for a student is \$3,240. If the student earns \$3,240 or less during the year he can get all of his social security benefits. Should he earn more than \$3,240 his benefits will be reduced by \$1.00 for each \$2.00 he makes above \$3,240.

Students are also entitled to a one monthly test where they may receive full benefits for all months in which they did not earn more than \$270, even though their total earnings for 1978 are in excess of \$3,240.

Students who do not plan to continue to be a full time student should notify the local social security office as quickly as possible so that benefits can be stopped thus preventing an overpayment.

A student's benefit stops if the student gets married. When a student receiving checks get married he should promptly report his marriage to the nearest social security office.

Should you have any questions about students please call your local social security office and they will be happy to answer your questions.

The Sherman Social Security Office is located at 810 North Travis. The phone number is 665-0770. This is a direct line to the Sherman office. Office hours are from 8:30 a.m. to 4:45 p.m., Monday through Friday, except national holidays.

A representative may be contacted in Gainesville each Tuesday and Thursday from 9:30 a.m. to 12 noon and 12:45 p.m. to 2:00 p.m. at the Federal Building.

Nursing Program Receives \$4668

Congressman Charles Stenholm announces that Cooke County College has been awarded its second loan allotment in the amount of \$4,668 by the Public Health Service, Department of Health, Education and Welfare.

This allotment is made to schools participating in the nursing student loan program and the nursing student scholarship program.

The previous loan allotment in the amount of \$2,630 was awarded in July 1978. Those allotments are authorized under the Further Continuing Appropriations Act for 1979, Public Law 95-482.

Richard Grewing Declines JP Office

Richard Grewing, who was elected Justice of the Peace of Precinct 5 in the past election as a write-in candidate, announced this week that he declines to serve because the heavy work schedule in his other interests does not allow time to give the attention that the office deserves.

Nevertheless, he says, he is very grateful to all who supported him in the election.

4th Installment Due January 15 on Estimated '78 Tax

Taxpayers making estimated tax payments on their 1978 income must pay the fourth installment by Monday, January 15. The tax installment should be paid using declaration voucher 4 from the Form 1040-ES package, the Internal Revenue Service said.

Taxpayers whose anticipated income during 1978 has changed may have to file an amended declaration. Space appears in the estimated tax package to compute an amended estimate, the IRS said.

For more detailed information, taxpayers can obtain IRS Publication 505, "Tax Withholding and Declaration of Estimated Tax," available free from local IRS offices. Supplies of the Form 1040-ES package are also available from these offices.

Orphaned as a child, he lived for some time with the parents of the late Henry Henscheid. At about 16 he went to South America. John Furbach was hospitalized early in December for treatment of a heart ailment and returned home before Christmas. His wife was hospitalized on December 26 and was unable to attend the funeral. Muenster cousins were also unable to attend the funeral, because of severe weather conditions.

New Year Brings Worst Cold Wave

This winter's most severe weather to date arrived with the new year, covering the area with a blanket of ice and sleet and plunging the mercury down to 7 degrees.

It is a part of the ice storm that hit most of the state and caused specially heavy damage at Dallas where hundreds of trees broke under the weight of the ice and knocked out some 20 per cent of the electric service. Because of it more than half of the seats for the Notre Dame-Houston Cotton Bowl classic remained empty even though all seats were sold.

Muenster and the rest of North Texas were more fortunate. The minimal amount of freezing rain did no damage to trees or power lines. However the build-up of about one inch of ice and sleet covered the streets and caused hazardous driving conditions.

In spite of skidding the community apparently escaped serious damage and injury. A small number of calls for wrecker service involved skid-

ding into ditches, but no collisions. Reasons given are that traffic on the worst day were scarce while most people were watching the bowl games. Also, abundant experience on the ice last year has possibly improved driving habits and skills.

The weather caused an extension of the holidays for local students. Both schools remained closed Tuesday, Wednesday and Thursday.

A sharp drop in temperature accompanied the ice storm. According to Steve Mosler's record the low and high readings of the week were as follows: December 28, 39 and 57; 29th, 47 and 57; 30th, 25 and 29; 31st, 21 and 28; Jan. 1, 12 and 27; 2nd, 7 and 34; 3rd, 17 and 34.

Through all of it the local moisture conditions got practically no help. The coating of ice and sleet, which was measured at about 1 inch, melted down to .54 in moisture. Combined with .05 and .04 inches earlier, it brought the month's total to .63 inch and the year's total to 29.61 inches.

Center Re-Opens After Completing Remodeling Job

The Center is back in business with a new name and a new look and under new ownership and management.

It opened Thursday following an extensive program of remodeling and redecorating which has been under way since early November, when the business was purchased from Mr. and Mrs. Adam Wolf who operated it for 13 years.

The new name is The Center Restaurant and Tavern, the restaurant area now combining the space formerly used by cafe and bar and the tavern occupying the former lounge with a slight addition from the former storage space.

Along with the structure changes, the building has been favored with an extensive renovating program in both areas. It has new wall paneling, ceilings, curtains and carpets plus new lighting arrangement and fixtures and new chairs.

The Center's staff is headed by two of its five owners, Stan Endres as manager and his brother Phil as assistant. The other co-owners are J. T. Pagel and Dwayne Pagel and Ronnie Hess. The restaurant will open daily, except Mondays, at 6:30 a.m. It will be closed on Mondays.

Farm Defined by The Bureaucrats

The bureaucrats of Washington have come up with a definition of a farm. It is an agricultural unit with annual sales totaling at least \$1000. Apparently the production figure is all that counts because the required area is not specified.

Proponents of the new definition say it is more realistic and eliminates many previously defined "farms" that were nothing more than rural residents.

For many years the USDA and the Bureau of census have defined a farm as a unit of 10 acres or more with annual sales of \$50 or more. Also under the old definition a unit of less than 10 acres qualified as a farm if it sold at least \$250 worth of products a year.

In changing from the old to the new definition the nation loses some 300,000 in its official count of farms. On January 1, by the old definition, there 2.67 million farms whereas by the new definition there are 2.37.

The change of definitions likewise involves a change in the average size of a farm. On Jan. 1, 77, by the old definition, the size was 40 acres, as compared with 397 a year earlier. But based on the \$1,000 definition the size a year ago would have been 44 acres and the present average size is 450 acres. No matter what definition is used, farms get fewer and the average size bigger every year.

According to the Census Bureau, it will use the \$1,000 definition when it begins its farm census next week.

Beta Kappa Has Pledge Ceremony

Several important activities have helped make a busy month for members of Beta Kappa. Highlight of a recent business meeting was the new pledge ceremony in which Kathy Fette, Mary Lou Hess and Marcy Wilde participated. President Jan Cain was assisted by Vice-President Martha Koessler during the solemn ritual.

Also discussed was the proposed amendment to the by-laws of Beta Kappa concerning the Scholarship Fund. It was pointed out that the objective of the Beta Kappa Scholarship Fund is to aid the education and/or training of a student graduating from Muenster Public School and Sacred Heart School.

Mrs. Martha Koessler was hostess to the club in her home. She also presented the program, carrying out the club's project of including a biographical sketch of each member on her own life history. Mrs. Koessler used the theme "Reach Out and Touch, by Giving of Yourself." She was introduced by Program Chairman Betsy Fleitman.

In another activity, Beta Kappa sponsored the Miss Muenster Float in the annual Christmas Parade this year. The theme for the float was "Reflect E.S.A.'s Visions Through Youth." Members had work nights on December 3 and 7 to build the float.

Because Cindy Sangster, 1978 Miss Muenster, was unable to attend, Monica Gehrig, first runner-up presided on the float. Riding with her were Sheila Qualls and Julia Bright, 2nd and 3rd runners-up.

A third special activity for the month was the Christmas party hosted by chapter members for their husbands. On December 16 they enjoyed dinner at the Mill in Gainesville, followed by a gift exchange and revelation of names of secret sisters. The social included dancing in the Lounge.

The next Beta Kappa meeting will be held on January 17, with Loretha Cash as hostess.

Let the Muenster Enterprise tell your friends and out-of-town relatives about your Christmas family reunions, holiday guests, parties, holiday trips, school news, students home from college, holiday vacations, community, church and school activities, etc. "Almost as good as a long letter from home." Thursday nite, Dec. 21st, Mrs. Betty Reynolds was hostess in her home for the annual United Methodist Women's Group Christmas Party. It was a delightful evening filled with songs, games, visiting, gift exchange and much good food. Attending were: Mmes. Lucille Littell, Marion Sockwell, Decie Ellzey, Vera

Mae McGee, Alice Shears, Merle Hudspeth, Cleo Lanier and Myrt Denham. President of the group Mrs. Lucille Littell presented Mrs. Betty Reynolds with a life-membership friendship pin, and Mrs. Vera Mae McGee was the group's "Special Person" and was presented with gifts by the whole group.

Forestburg News

By Myrt Denham

On Monday afternoon, Dec. 18th, the ladies of the United Methodist Women's Organizations of the Forestburg United Methodist Church entertained the residents of the Yes-ter-year Home in Saint Jo with a short Christmas program and songs after which they served residents cookies and punch. Helping with the party were: Mmes. Alice Shears, Lucille

Littell, Esther Shears, Vero Mae McGee, Betty Scott, Betty Reynolds, and Myrt Denham. Then Monday night, Dec. 18th, the local Home Demonstration Club had its Christmas Party at the Community Center. Just a small group was in attendance but all had a very good time. The building and tables had been beautifully decorated by Mmes. Ruby Sledge and Marion Sockwell. Besides these two ladies others attending were Mmes. Lonnie Freeman, Cleta Reynolds, Millie Reynolds, Betty Reynolds, Cleo Lanier, Juanita Bailey, and Myrt Denham.

The children of the late Mr. and Mrs. Ed White had their Christmas Dinner Party in the home of Mrs. A. A. Fanning. Present were Mr. and Mrs. Hal Walling and son of Wichita Falls, Mr. and Mrs. Steve White and family of Dallas, Mr. and Mrs. Wayne Miller and family of Hurst, and Mr. and Mrs. Ross Littell of Forestburg.

Mrs. Cora Richey of Chico and Mrs. Claud Barclay of Alvord visited with Mrs. Gladys Barclay and Mr. and Mrs. Willie Kuykendall Monday, December 18th.

Word was received here recently that Pete Cox of Wichita Falls had fallen out of a pecan tree at his home and suffered severe injuries and was in intensive care at Wichita General Hospital. Pete is a brother to Mrs. Loveta Bewley.

It is always with much sadness that we report the death of one of our area folks — and when it is so close to Christmas it makes it extra sad. Thus with deep regret we must report the departure from our midst of V. G. Greenwood who died Monday, December 18th, in the Bowie Hospital. Funeral services were held Wednesday, Dec. 20, at 3 p.m. in the Forestburg Church of Christ and burial in the Perryman Cemetery.

Mr. and Mrs. Sam Wright and daughter of Temple were visitors of her mother Mrs. Decie Ellzey for Christmas. Decie returned to Temple with them for a few days visit.

Christmas being a family time season — we know that most everyone had company for the holidays — children,

grandchildren, sisters, brothers, etc. I would like to report all the visitors but that would take up much space and time, therefore, we hope everyone had alot of nice company and a most wonderful Christmas.

Following Christmas is "Boxer Day" on the 26th. That is the celebration of boxing up your gifts — the ones that don't fit, the ones we can't use and the ones "we just couldn't do without" and returning them to the stores they were purchased from and exchanging. Have a feeling this is a pretty big event.

We all want to say a big "Thank You" to the Jack and Larry Dill families for the Christmas Street lights in the Forestburg this year — they had them up as their Christmas Cards to all their friends and customers in the area.

Show me a man that has been in the cattle business for forty years or so and never builds or repairs a fence — and I will show you a man with a bunch of disgusted neighbors.

Mrs. Mabel Covington and son Robby and Mrs. Dorothy Richardson, departed from D/FW Airport Sun. a.m., Dec. 24th for North Carolina to spend Christmas with Mrs. Covington's parents, her sister and brothers and their families. They returned home Thurs., Dec. 29th. After having a wonderful trip and time.

The "Party-Season" hit this part of the world with gusto about the middle of the month of December and the "oohs and aahs" over gifts could be heard in almost every direction. Now I'm sure not against parties but why have them all at this particular time and rarely have them during the rest of the year. I, for one, would sorta like to "kick up" these old, heels of mine every now and then.

Mr. and Mrs. Jack C. Dill and Vaton, Mr. and Mrs. Charles Dill and sons, Mr. and Mrs. Larry Dill and Mr. and Mrs. Doyle Gates and son all of Forestburg attended a Christmas get-together at the home of Mr. and Mrs. Ray Dill of Era on Sunday, Dec. 17th. All of the Ray Dill's children, grandchildren and great-grandchildren were present except their daughter and husband — Mr. and Mrs. Guy Gates of California.

The Forestburg United Methodist Church had its annual Salad Supper and Christmas party Wed. Night, Dec. 13th. After a delicious meal Christmas Carols were sung, games were played led under the direction of Cleo Lanier, and then gifts were exchanged. A good attendance was reported with everyone having a most enjoyable evening. Thursday a.m., Dec. 14th found Mrs. Betty Reynolds and yours truly in Decatur attending the regular meeting of the Relief Society of the LDS Church

**YOU CAN
BANK
ON IT!**

Whose bank is this? This provocative question was raised, commented on, and discussed a few months ago at a meeting of the American Bankers Association Governing Council. A lot of answers were projected - most of them right. We can't answer for other banks, but we know whose bank this one is. It's yours!

Ownership, of course, is in the hands of its stockholders. And its practices are controlled by law. Hours of operation and other decisions which will assure orderly operations are made by its officers and board of directors. But the bank is the customer's. It is here to serve you and to help meet your financial needs, whether they are for a place of safekeeping for your funds, a convenient method of paying your bills, or a place you can go when you need assistance with an investment.

If you haven't been by your bank lately, stop in. You'll find a warm welcome . . . you can BANK on it!

Tigerettes Divide With Gainesville

Varsity and junior varsity girls of Sacred Heart broke even with the Kettes of Gainesville in a pair of games last Thursday. The JV Tigerettes won theirs 24-19 after which the first string was clobbered 54-36.

The SH girls seemed to have it under control in the varsity game, leading 9-5 and 20-19 in the first two periods. But then the Big G gals hit their stride and outscored SH 35-16 in the third and fourth periods.

Sharon Grewing led Tigerette scoring with 15, Virginia Bartush added 9 and Toni Hoedebeck 6.

In the JV game, SH girls took a half time lead of 16-12. Their third quarter was scoreless but they still held a 1 point lead after Gainesville scored only 3. In the fourth they did slightly better, outscoring their opponents 8-4 and coming away with the 5 point win.

SH scoring honors were shared by Carol and Shellie Walterscheid, each with 8. Donna Hess hit 6 and Gina Hofbauer 2.

SAVING TIPS

on electric heating

1. Keep heating equipment at top operating efficiency. Have it checked seasonally by qualified serviceman.
2. Set thermostat at 68° or lower. Lower to 50°-60° if you'll be away several days.
3. Weatherstrip doors and windows; caulk cracks to prevent drafts and warm air loss.
4. Check the filter every 30 days on forced-air systems. If filter is permanent, clean it by manufacturer's directions; if it's disposable, replace if dirty.
5. Thorough home insulation keeps the warmth in, cuts energy use. Can pay for itself by lowering heating (and cooling) costs.
6. When fireplace is not in use, keep damper closed.
7. On sunny days open draperies, blinds to let in warmth of sun.
8. Open outside doors as little as possible.
9. Keep furniture, draperies away from air outlets and returns so air will flow easily. Clean often.

Sandy Reiter and Chris Felderhoff Exchange Vows in 2 Ring Ceremony

The wedding of Sandy Reiter and Chris Felderhoff was held in Sacred Heart Church before an altar decorated with massed poinsettias and candles and with a background of lighted Christmas trees.

Father Frowin Schoech, a cousin of the bride, celebrated the Nuptial Mass and officiated for their vows on Saturday afternoon, December 30 at 4:30, with a double ring ceremony.

The bride is a daughter of Mr. and Mrs. Wilfred Reiter of Münster and the groom is a son of Mr. and Mrs. Thomas Felderhoff, Sr. of Rt. 4, Gainesville.

Presented at the altar by her father, the bride wore a gown of silk organza and Venise lace, Victorian in concept. The bodice was accented by a bib of lace edged in ruffling which also trimmed the high neckline. Long, slim lace sleeves had ruffled cuffs. The intricate design of seed pearls enhancing the bodice was re-

peated on the sides of the sleeves and in the lace appliques on the princess skirt. A deep lace flounce completely encircled the skirt, flowing into a chapel length train. The full length bridal veil was a drift of illusion traced with tiny seed pearls, and was caught to a Venise lace and pearl embroidered caplet.

The bridal bouquet was a flowing cascade of white stephanotis and pink roses.

The bride wore her Grandmother Sandmann's brooch on her collar and her Grandmother Spaeth's engagement ring. She borrowed her sister, Kim's white earrings and, entwined in her flowers, she carried an ivory rosary obtained from India by her godmother, Mrs. Arthur Felderhoff. In keeping with tradition she had a birthdate penny in her shoe and a sixpence, a gift of her niece, Amy Drozd.

Attendants

The matron of honor was the bride's sister Kim, Mrs. Don Wiese of Godley. The maid of honor was Vickie Loyd of Waxahachie, a friend. Bridesmaids were Susie and Rose Felderhoff groom's sisters. Each was identically dressed in a burgundy Quiana gown with tucked bodice and with a Victorian front inset of ivory lace and stand-up collar. Long sleeves were tucked and gathered to tucked cuffs, accented with lace. Skirts were long and fully gathered.

In their hair they wore ivory baby's breath and pink and burgundy flowers. They carried nosegays of pink roses, burgundy carnations and baby's breath.

The flower girl was 3 year old Amy Drozd, wearing a Victorian styled burgundy dress, mid-calf in length, over white leotards and with black patent slippers. The ring bearer was Gus Felderhoff, cousin of the groom.

The best man was Joe Geray of Lindsay, a friend of the groom. Groomsman were Bill Felderhoff of Gainesville, Paul Reiter of Huntsville, and Tommy Felderhoff of Münster, brothers of the couple.

Ushers were Ed York of Lewisville, groom's brother-in-law, Joe Koesler of Münster, a friend, Roger and Lloyd Reiter of Münster, bride's brothers. Mass servers were Mark Miller groom's

cousin and Doug Fleitman a friend.

Wedding music was given by Pat Hennigan, Jr., who played the "Wedding March" from Lohengrin on the organ. Guitar accompaniment for vocal selections was given by Tom Kopenhafer and Jerry Kneupper, brother-in-law and cousin of the bride, respectively. The latter also sang "Time in a Bottle," "Speak Softly, Love" and "Ave Maria," as guests assembled. The former sang "Sunrise, Sunset," and "One More Look at You" following the vows; and "Wedding Song" and "Follow Me" at Communion. Mary Endres, Gayle Miller, Laura Kralicke, Lynda Yoster, and Linda Plusche sang "Mother, At Your Feet" when the couple placed a floral tribute on the Blessed Virgin's altar.

Julie DiStefano of Houston, niece of the bride, presented the flowers. Toby Kubis of Houston, bride's nephew read the Prayer of Peace and the Apache Wedding Prayer. Two readings were given by her father of the bride and father of the groom.

Preceding the ceremony, the groom escorted his mother to her place in church and then escorted the bride's mother. Each carried a lighted candle which they placed on the altar, to be used when the couple lit their wedding candle, a gift from the groom's aunt, Mrs. Henry Voth.

Upon leaving the altar after the ceremony, the couple paused at the parents' pews. She presented a rose to his mother and he presented a rose to her mother.

Reception
A candle-light, dinner and dance followed in the Community Center. Kathy Kuta of Norman, Oklahoma and Gina Felderhoff of Lubbock registered 270 guests.

The bride's table held the all white three-tiered wedding cake and a pair of family-heirloom brass candelabra holding red votive lights. Holly and berries were added decor. Mrs. Henry Spaeth baked and served the bride's cake and Mrs. Henry Voth, Jr., baked and served the chocolate horseshoe-shaped groom's cake. Both are aunts of the couple. Sherri Felderhoff, Amy Miller, LeAnn Bayer and Doris Voth, all cousins, served the cakes.

Guest tables held snow-candles with burgundy and pink accents, and evergreen and holly berries on white cloths.

Doug Martin's Band played for dancing.

The bride's mother wore a dusty rose Quiana full length dress and the groom's mother wore a royal blue crepe formal. Their flowers were corsages of pink miniature roses and burgundy carnations.

When the bride and groom left for a skiing trip to Colorado, she was wearing a wine floral print which she designed and made. When they return, they will reside in Denton.

The bride is a graduate of Sacred Heart High, attended Cooke County College and is an honor student at North Texas State University where she is a Home Economics major and a member of AHEA Club of NSTU.

The groom is also a graduate of Sacred Heart, attended Cooke County College and is associated with Felderhoff Brothers.

Rehearsal Dinner
The rehearsal dinner on Friday night was held in the home of the groom's parents for about 40 guests. Decorations carried out the bride's chosen colors.

A surprise shower was given by NTSU friends in Denton and a recipe shower on December 3 was given by Margie York, Susie and Rose Felderhoff and Kim Wiese in the Thomas Felderhoff home.

with the Russian leaders in there 30 years since."

General Ike's mistake in accepting Stalin's word was that he either was not familiar with the Red plan of world conquest as spelled out plainly in their writings, otherwise that he disregarded the writings and assumed that he was dealing with someone of honesty and integrity.

Now, however, our leaders had plenty of opportunity to observe the direction of Red global politics and they no longer have an excuse to be unfamiliar with the Red ideology, which insists that there can be no better world as long as capitalism is permitted to survive anywhere.

Regardless of talking up the treaty as a mutually beneficial arrangement, the long range goal of Communism, whether Chinese or Soviet, is the take-over of this country. And while the hostility of those two countries is given as a reason for the deal it is more likely that they are working together to take us in.
