

Reactions to the big debate last week were about what one could have expected, especially from the people interviewed shortly afterward. Republicans were positive in the opinion that President Ford did better, Democrats were equally sure that Governor Carter was the winner. That makes it likely that nationwide opinion is about the same, which means lined up accordingly to party membership.

The inevitable conclusion, then, is that the debates are not expected to change many convictions. But they could appeal to the people who are on the fence. If that's the case there could be slight significance in the next day's report that a poll among people who claimed to be neutral favored Ford by a few points.

A sad fact about all this is that too much emphasis is placed on the superficial. Commentators were talking about who had the better appearance, delivery and gestures, etc. . . who put on a better show and who projected the better image. Seemingly the debate was more a matter of personal appeal than presenting the best set of principles for the good of the country.

If this is actually true we need to start pondering on the welfare of our country. If we're going to select our president on the flimsy basis of showmanship rather than ability we can be sure that trouble is not far away.

To our way of thinking the debate is dwarfed in importance by Carter's publicity in Playboy magazine. The gutter talk of that article is considerably more revealing of the man's personality. It admits a dirty mind and then implies that it's not so bad because God forgives him. Such flippancy assumption of Divine forgiveness borders on blasphemy.

It's hard to imagine what was the man's motive in granting the interview to Playboy. Was he trying to appeal to readers of the magazine, to convince them that he shares their evil thoughts? Or was he insinuating that the trashy standards apply to all America, and he's only trying to show he's one of us? If so, he certainly is not complimenting the American people.

We're all aware that profanity and filth are becoming more prominent in print and on the air. The idea apparently is that it is prevalent, and the sophisticated thing is to discuss it openly. But we're also aware that the big majority of people don't approve of the dirt and they don't like to see it in officials whose thinking determines our destiny.

A TV show a few days ago interviewed a number of youths on their preference in the election. A surprising percentage of them, whether telling their choice or not, said their first concern was to elect a good man. The rest of the nation cannot improve on that method of choice. It just seems reasonable that a person who has more respect for the ten commandments would be preferable in any office of government. It's an undeniable fact that this is God's world and people make an awful mess of it when they ignore His rules.

The worldly wise try to shrug off that principle with the claim that a public servant's private life is his own and has no bearing on his service to the country. Aside from the fact that no one on a low level personally is likely to be on a high level publicly, there is the constant danger of being subject to blackmail.

Hornets Take on State's Number 1 Friday at Aledo

After three weeks of outstanding achievement, Coach Don Jones and his Muenster High Hornets are headed for the most prestigious contest of the season . . . and of the school's history . . . Friday night at Aledo. They will take on the team that is rated Number 1 in the Harris Class A listing, an ambitious undertaking with the Hornets listed far down the line in Number 69 on last week's list and advanced to No. 25 this week.

So far Aledo has backed up its illustrious reputation with victories over four Class AA teams. Three of the wins were 7-0 over Decatur, 6-0 over Joshua and 28-3 over Hillsboro.

Matching that fine record, Muenster has a good one of its own in three big margin wins over Class B teams, especially last week's 56-9 triumph over Chico, which was Number 1 on the AP and Number 5 on the Harris ratings.

In that major upset the Hornets did an outstanding job, according to Coach Jones. Fine blocking was a big factor in running up big rushing yardage, passing was improved and the ball was given up only once via turnover. Also defense against the rush was stout, holding the net gain to -12 in the second half.

The two areas of concern were penalties, which spoiled two drives and nullified one touchdown, and troubles in pass defense which allowed the Dragons 183 yards and 1 TD. Both of those departments are receiving attention this week.

Aside from records and ratings the Muenster and Aledo teams seem to stack up as near equals. They are well matched in size and speed. A possible plus factor for Aledo is tradition as a winner and steady performance with very few mistakes. However, Muenster too has made a habit of winning lately and its brand of play is improving steadily.

The Hornets and their coaches, inspired by last week's big win, refuse to be awed by the reputation of their opponent. And their physical condition matches their confidence. They came through the last game without an injury.

The game, starting at 8 on the Aledo field, will be the second meeting of the two teams. The first was the season opener of 1969, and Muenster won 33-12.

Junior Games Change

A change in schedule for Sacred Heart junior teams was announced this week by Coach Eddie Stock. Junior High and Junior Varsity games with Lindsay on Thursday, Oct. 7 are cancelled. However a game has been booked for Junior Varsity that night at Callisburg, starting at 7 p.m.

United Way Drive Starts October 12

With the county's United Way drive off to a good start, plans are shaping up for a kickoff of Muenster's drive on Tuesday, October 12.

Bill Bedrick, community chairman, said he is recruiting helpers after which packets will be prepared for use in making contacts.

Bedrick said the goal is \$3,000, just slightly more than the \$2835.45 given by local people last year. The county wide goal is \$75,000, 10 per cent of which was contributed on the first day of the campaign early this week.

The drive has been strongly endorsed county wide in a proclamation by County Judge Larry Sullivan. Similar support in the community was given in a proclamation by Mayor David Bright.

Bedrick called attention to the drive as a way to help a number of agencies in a single gift rather than give individually to each. Also he pointed out that a big part of the local total comes back to the community in a number of ways.

PO Lobby May Be Closed by Vandals

Vandalism may cause the closing of Muenster Post Office lobby nights and Sundays. Postmaster Virgil Henscheid said this week that postal authorities advise the shut down unless the mischief is stopped.

To help keep it open, local residents are asked to notice in passing whether loitering or suspicious activity is going on at the lobby, and if so to notify Officer McDonald or Postmaster Henscheid.

Tax Time Is Here Again

Tax statement time is here again, and the pink forms in window envelopes for the local assessment are due to be in the mail on October 1, according to Celine Dittfurth, city secretary.

There will be 665 statements with total assessment of \$40,381.40 on a total valuation of \$5,047,675.64. This valuation for tax purpose is set at 50 per cent of actual value, having been increased this year from 25 per cent of actual value.

At the same time the tax rate was reduced from \$1.50 to .80 cents per \$100 of valuation. The reason was that an increase was needed, but the maximum rate was already being charged. So the valuation rather than rate was increased. The net result is an increase of 2.5 cents per \$100 of actual value.

Almost all local tax is on personal and real estate values. Current oil valuations in the city limits are about \$11,000.

The city tax is only the smaller portion of local tax assessments. Also coming is the bill sent out by the county tax office and combining the charges for state and county tax school district tax, college district tax, and hospital district tax.

The plan is to leave here at 7 a.m. and arrive in time for the game at 2 p.m. And after the game there will be time out for food before leaving for home. Expected time of arrival is about midnight.

The American way: Dawdling away an hour drinking instant coffee.

Tigers Face Big Job Friday with Lynch of Dallas

Sacred Heart Tigers will go to Dallas Friday night on a David and Goliath mission. They'll do battle with the Friars of Bishop Lynch High School, which in UIL classification is equivalent to Class B versus Class AAA.

Furthermore they have a serious intension to carry out their mission all the way. According to Coach Stock, his boys are fired up with the feeling that they can slay the giant. He explains that reference-to size applies to comparative enrollments of the two schools, but he does not expect to find as much difference in weight and ability. The Friars will have some weight advantage with a line of 185-190 and backs of 175-180. But the Tigers will be equal and possibly better in speed and coordination.

The SH coach bases his opinion on the steady improvement of his boys through their four games to date. At Saint Jo last week they did a great job, except the half dozen fumbles. But between fumbles they were outstanding both offensively and defensively.

Jaycees Announce Plans for Another Tennis Tournament

Enthusied with the success of their recent tennis tournament, Muenster Jaycees are working on another, which is scheduled for the weekend of October 15-16.

Chairman Chuck Bartush Jr. announced that it will be for mixed doubles only, and persons of any age can enter. Also trophies will be awarded to the champ, the runner up and the winner of the consolation bracket.

Entry fee is \$5 per couple, and is to be turned in with the registration no later than October 9. If mailed, an October 9 postmark is acceptable. Letters should be addressed to Jaycee Tennis Tournament, P.O. Drawer J, Muenster, Texas 76252. Schedules will be prepared in time for mailing to the entries by October 14.

The tourney begins with preliminary matches to divide teams into champ and consolation brackets. And each match in preliminary or later play will consist of three sets. Also, to avoid long play-offs, a tie at the end of a regular set will be decided by a tie-breaker.

All action will be at the Muenster City Park unless the schedule gets too crowded. In that case as many matches as necessary will be played on the public school courts.

Eats and drinks throughout the tourney will be available at the park pavilion.

Other information may be obtained from Chairman Chuck Bartush Jr., 759-2730.

3 Muenster Boys Win First Place In Zone PP&K

Muenster entries stole the show here Saturday in the Zone competition of Pass, Punt and Kick. They are Gary Dankesreiter, 10, Mike Bedrick, 11, Dan Bezner, 12, each the first place winner in his age group.

The three, along with winners of the 8, 9 and 13 year groups have qualified for district level of the competition, which will be held in Dallas Saturday. After that the contest advances through area and regional stages to the national finals at the Superbowl in January.

Ford Motor Co., in charge of the local contest, had chosen Muenster because of its central location in an area served by 15 dealers. As it developed, however, only nine dealers sponsored local contests and the 54 first place winners of the six age groups, 8 through 13, competed in the Zone competition here. In it Muenster had three winners out of its six entries and the other dealerships had three winners out of their 48 entries.

The three other local boys who participated are Darren Walterscheid, Cory Klement and Jamie Mosler.

Bartush Named Top Defensive Player of Week

A big and pleasing surprise Tuesday was finding Joe Bartush of the Sacred Heart Tigers listed in the Dallas Morning News as the defensive player of the week in school boy football. The citation said he "recovered three fumbles and blocked two punts; setting up a trio of TDs in the Tigers' 42-0 rout of Saint Jo."

The same article gives additional recognition to this area in naming Era halfback, Ronnie Miller, as offensive player of the week. He "rushed for 271 yards and three TDs while leading the Hornets to a 28-0 win over previously undefeated and unscored on Callisburg."

Along with those two is a long list of honorable mentions including Charles Manuel, Gainesville back. But overlooked were a few more Muenster players. Like Mark Sicking, who gained 241 yards and scored four touchdowns against Chico . . . and Bob Grewing, who gained 173 yards, made four TDs and blocked a punt against Saint Jo.

Hornets Dump Dragons 56-9

The Dragons of Chico came to Muenster Friday night with Class B state-wide ratings of No. 1 on the AP list and No. 5 on the Harris list, but went home with the unhappy end of a 56-9 clobbering.

Two factors figured in the big upset. The Hornets played a great game and the Dragons definitely were not up to the standard that had earned them their high rating. They were 3-1 losers in the turnover department, 20-9 losers in first downs and 470-226 losers in yardage. Their only TD came on the game's biggest play, a pass for 81 yards.

The Hornets got started on their first possession, a gain of 10 by Mark Sicking, a 15 yard setback on a penalty then a 19 yard pass from Tim Wolf to Jim Koelzer at the 32. At that point Sicking broke through and sprinted 68 yards to pay dirt as the game was less than 2 minutes gone.

The run was the beginning of a great evening for Sicking who stepped off a total of 241 yards and four touchdowns.

Nick Walterscheid also was on the beam in his tries for point after touchdown. Six kicks were good, another missed closely after the Hornets had been penalized 15 yards, and still another attempt was spoiled by a bad snap from center. It was beyond the reach of the holder, Tim Wolf, so Walterscheid caught it and ran for two points.

The second score also came quickly. Chico had to kick ending its first series and the Hornets started on Chico's 44. Great work in the line helped the Sicking brothers, Mark and Bryan, plus Mark Mollenkopf cover the distance in

the second score. Ken Felderhoff kicked an extra point as the clock read 4:46.

On first series after that the Panthers fumbled and Joe Bartush recovered. Next Sangster gained 20 to the 14. A busted play and a penalty spoiled the series so Ken Felderhoff tried a field goal, which Saint Jo blocked.

Second quarter was more of the same with the ball changing sides seven times on fumbles and kicks: Don West and Bob Hennigan recovered for the Panthers, Bob Hartman for the Tigers. Shortly before the end the third Tiger TD was set up by a blocked punt on the 14. Two plays from there reached the 5 and Hartman scored on a keeper play. Sangster's run added 2. The score was 21-0 with 2:04 showing on the clock. As time was running out Joe Sicking intercepted and returned 22 yards to Saint Jo's 18.

Sacred Heart opened the second half with a 61 yard drive in eight plays ending abruptly in a fumble recovered by West on the 21 but in the next series Roger Haverkamp got the ball back for

Tigers Take Panthers 42-0

Sacred Heart Tigers continued their hot record Friday night by mauling Saint Jo's Panther's 42-0.

It was a game featured by an even dozen turnovers divided evenly between the two teams. Sacred Heart lost six fumbles and Saint Jo four fumbles and two interceptions . . . plus additional calamity of three blocked punts.

Between the miscues Sacred Heart ran up a total yardage of 337 with 14 first downs whereas the hosting Panthers managed for 124 yards and 7 first downs.

Bob Grewing had a great night in stepping off 173 yards and scoring four touchdowns besides blocking a punt. Next high as a gainer was Craig Sangster with 137 yards and runs for 4 points after TD. And second high in scoring was Bob Hartman who went over twice.

The mess of miscues started early. Ending first series the Panthers had to punt and Dan Stock blocked it. But two plays later SH fumbled and Saint Jo was back in possession on its 20. Again it had to kick on fourth. Grewing broke through and blocked that one and recovered it for a TD across the line.

After the second kickoff the Panthers ended the first series with a kick and got the ball back on a fumble recovery the next play. And another play later Glenn Walterscheid recovered a Saint Jo fumble on the Tiger 44. Second play after that Grewing broke through the left side and galloped 52 big yards for

31 Inch Rain

A welcome though small addition to the community's moisture record was Monday night's shower which measured .31 on Steve Mosler's Weather Service gauge. It ups the month's measure to 4.50 inches and the year's total to 28.25.

Douglas Martin and Phyllis Abbot Exchange Vows in 2-Ring Ceremony

Mr. and Mrs. Douglas John Martin are at home in Myra since their marriage Saturday, September 18 and their wedding trip to Oklahoma City.

The bride is the former Phyllis Dianne Abbott of Myra. Parents of the couple are Mr. and Mrs. P. O. Eakin of Borger and Mr. and Mrs. Lawrence Martin of Muenster.

Father Placidus Eckart officiated for the Nuptial Mass and double ring ceremony in Sacred Heart Church at 5 p.m. The altar held two arrangements of white and blue gladioli, carnations and lighted candles.

Presented at the altar by her son Russell Abbott of Myra, the bride wore a formal gown of candlelight, designed with a fitted bodice, scooped neckline, high standing ruffled collar, long fitted sleeves with sheer puffed inset at the upper arm, and tiny pearl buttons, elbow to wrist. An inset band marked the empire waist and the slim skirt was finished with a deep, full ruffle.

The bride also wore a can-

delight picture hat to which was attached a matching illusion veil, triple sheer and fingertip length. Her bridal jewelry was a gold cross and chain, borrowed from the groom's mother, who wore it at her wedding 29 years ago. She had the traditional blue garter and carried a bridal bouquet of white gladioli, carnations and baby's breath, circled with white lace and tied with a shower of blue and white ribbon.

Attendants

Miss Jackie Boaz of Houston was maid of honor, wearing a blue chiffon formal and she carried a bouquet of long stemmed blue carnations tied with blue ribbon.

Herbert Richardson of Rosston was best man. Ushers were Ernie Martin, brother of the groom and Pat Fisher.

Anthony Luke was organist and Mrs. Joyce Richardson was soloist. Selections included "We've Only Just Begun," "Twelfth of Never" and "Let It Be Me". When the couple placed a white carnation on the Blessed Virgin's altar Mrs. Richardson sang "Mother, at Thy Feet".

Reception

A reception with dinner and a dance followed in the Sacred Heart Community Center. Seated at the guest book were Mrs. Ernie Martin, groom's sister-in-law and Miss Estelle Martin, his sister. The registration table was covered with a lace tablecloth.

The bride's table held the three tiered wedding cake, decorated with blue flowers, wedding bells, a bride and groom figurine between tiers and a white dove arrangement on top. Place cards for the bride's table were hand written by Mrs. Agnes Lehnertz.

Following dinner, guests danced to music by The Rustlers. The groom played several selections with his band.

For the wedding, the groom's mother wore a blue full length gown with a flowered jacket and a corsage of white carnations.

Parents of the bride, Mr. and Mrs. P. O. Eakin of Borger were unable to attend the wedding, prevented by illness. Friends and relatives attended from Dallas, Fort Worth, Denton, and Cooke County.

The bride is employed by Black Gold Cafe. The groom, a graduate of Sacred Heart, attended Cooke County College, and is employed at Boyd Ware Cement and Gravel Company.

An informal buffet was held in the Lawrence Martin home following the rehearsal. A lingerie shower on September 10 honored the bride-elect in the home of Mrs. C. C. Richardson of Rosston with Mrs. Herbie Sicking, Mrs. Herbert Richardson and Miss Estelle Martin as co-hostesses.

Lynch JV Crushes Young Tigers 30-6

Sacred Heart's Junior Varsity was overpowered 30-6 Saturday afternoon by an aggregation of huskies from Bishop Lynch High of Dallas. With a constant pressure on the junior Tigers, the visitors scored in every period.

Meanwhile the SH boys were stopped cold except for the few minutes when they managed to put most of their good plays together in their only successful drive.

That happened early in the fourth when back to back penalties gave them two first downs to the Lynch 42. Nasche stepped off 14 to the 28 and Luttmir gained 20 to the 6. Next play lost 5 then Ken Hartman passed across the line to Mel Walterscheid for a touchdown.

For the rest of the game SH had only one first down and an occasional gain, but actually more yardage in losses. The few bright spots were fumble recoveries by Lloyd Reiter, Jesse Walterscheid and Gene Luttmir.

Lynch's first TD was from the 2 after being set up by a 20 yard pass. The second was on a 21 yard pass, the third a 5 yard dive ending a 60 yard drive. Number four was a double reverse for 25 yards and the last one a quarterback sneak at the end of a 55 yrd drive.

New Choral Group

Newly organized at Sacred Heart High is a weekly chorus class, taught each Thursday morning. The director is Frank Luke. Sixteen students have enrolled. Its purpose is to provide music education and to prepare for programs.

By-Laws Changes Feature Start of Garden Club Year

The Muenster Garden Club opened its '76-'77 club year with a meeting held Monday September 13 at 8 p.m. in the home of Mrs. H. H. Houtchens.

Mrs. Paul Endres, president, conducted the business meeting. Mrs. B. J. Swirczynski gave a detailed report on progress made in the Myrick Play Center and Minipark and thanked organizations and individuals for their help.

The president, assisted by Mrs. Arthur Endres, read amendments to the Constitution and By-laws and presented them individually for ratification, following discussion, by the membership. All amendments were unanimously accepted.

New yearbooks were distributed by Mrs. Houtchens and Mrs. King Koch. Included in the year's schedule are programs on basic flower arranging, basic landscaping, soil preparation, insect identification, planning of plantings, a workshop for holiday arrangements and a Christmas party.

Mrs. Arthur Endres presented an outline "Introduction to Garden Clubbing", explaining that garden clubs are non-profit organizations on the local, county council, state and national levels. Its

SH Cubs Lose to Era and Saint Jo

Sacred Heart's Tiger Cubs were two time losers during the past week . . . by a score of 38-6 to the Era lads and 14-0 to Saint Jo's junior high.

Era was definitely in charge of its game and completed the drive almost every time it got possession.

Sacred Heart's score came in the fourth quarter as Monty Endres gained about 12 to pay dirt on a sweep around right end to complete a 65 yard drive.

A big problem for the Cubs was the injury of two of their players. Kirk Mollenkopf has a knee fracture which takes him out of action for the remainder of this season. And Wayne Richards has a bruised knee that sidelines him about two weeks.

The absence of both also figured very definitely in the Cub's 14-0 loss at Saint Jo. The boys got some drives going, once as far as the 15, but were not able to reach pay dirt. On an average their offense was as good as Saint Jo's, the difference in score being the result of two big plays.

In the first period the hosts got a quick score when one of the kids caught a blocked punt in the air and breezed some 30 yards to a TD. A successful pass for bonus points made it 8-0. The other score came in the final period on a drive through left guard and clear sailing to the goal.

Top performers for the Cubs were Monty Endres, Ted Walterscheid, Brian Herr, Brian Grewing and Ted Koerschner.

Fisher Baptism

Coy Michael Fisher, infant son of Mr. and Mrs. William Fisher was baptized Sunday September 19 in Sacred Heart Church with a great uncle Father Harry Fisher of Pilot Point officiating.

Baptismal sponsors were an uncle, David Fisher and an aunt Mrs. Tom Bayer. The baby wore the same baptismal gown worn by his sisters, Melissa and Lanette.

A noon dinner in the home of paternal grandparents, Mr. and Mrs. Paul Fisher preceded the baptism. The family gathering also observed the birthday of Paul Fisher. Attending were Coy Michael's maternal grandparents, Mr. and Mrs. Tony Klement. Also the Jerry Hughes family of Irving, Jeff Fisher of Irving, the Mike Kleiss family of Sanger and the Herbie Fisher family of Muenster.

Following the baptism, Mr. and Mrs. Willie Fisher were hosts in their home for a hamburger supper. Their guests were Messrs. and Mmes. Paul Danglmayr, Ed Otto, Giles Walterscheid, Kenny Walterscheid and Tom Bayer and their families.

purpose is to create beauty in each member's own environment, home, and city, and to share this enjoyment with other members. Garden Club members participate locally in civic programs, cemetery, parks and schools landscaping, clean-up campaigns, the mini-park and they plan to offer aid with landscaping of the new pavilion in Muen-

ster City Park. Mrs. Endres also explained that this year's scheduled programs are primarily "learning programs" and that although no flower show will be held in the spring, several workshops will be offered, preparatory to a flower show the following year.

Two flower arrangements were shown and discussed by Mrs. B. J. Swirczynski and

Mrs. H. H. Houtchens. The former showed a mass arrangement of wild flowers from area field and roadside, and garden flowers in shades of white, purple and lavender displayed in a green bowl, and the latter arrangement was of marigolds and goldenrod in shades of yellow and orange, with accents of lantana, displayed in a tall footed ivory

bowl. On the coffee table were giant red zinnias floating in a shallow dish. An unusual horticultural specimen was a spring lilac, blooming this Fall, shown by Mrs. John Mosman. Members are encouraged to bring horticulture specimens and arrangements to each meeting.

Guests were Mrs. Ed Pels, Mrs. Enrique Juarez and Mrs.

Peter McCoy. Mrs. Juarez and McCoy are new members. The hostess served dessert with punch or coffee before the meeting.

Heading the garden club are new officers: Mrs. Paul Endres president, Mrs. Arthur Endres first vice president and program chairman, Mrs. H. H. Houtchens second vice president and yearbook chairman,

a third vice president and parliamentarian will be named by the executive committee, Mrs. August Felderhoff secretary, Mrs. Leonard Endres treasurer.

The October meeting will be in the home of Mrs. August Felderhoff. Mrs. Clyde Bohls, flower show judge of Gainesville will speak on "Basic Flower Designs."

Tigers ---

SH by an interception. Then, after an exchange of kicks, the Tigers started working on their next TD. From the Tiger 46 Hartman passed to Sicking for 39 yards. A penalty and a short gain reached the 9 and Grewing made it from there.

Following the next kickoff Saint Jo had to punt on first series and Ken Felderhoff returned it to the 23. Sangster gained 22 in three tries and Hartman sneaked over. Sangster's run added extra points.

And the final score was a quickie. Panthers had to kick ending the first series. The snap back was bad and Bartush nailed the kicker before he could boot the ball. Tigers were 38 yards away. Next play cost them 15 for holding then Grewing got loose for a 51 yard sprint to pay dirt. Ken Felderhoff's PAT made it 42-0.

At that time 8:17 remained on the clock and Saint Jo put on its best effort effort of the game. Seven plays and 5 free yards gained 36 to Sacred Heart's 35, but the next four tries were short a yard. Tigers then went the other way to the Panther 33 and fumbled the ball away for the sixth and last time.

BIRTHS

Mr. and Mrs. Ken Stormer are parents of their first child, a son, Matthew Martin, born at Muenster Memorial on Saturday, September 25 at 2:25 a.m. weighing 7 lb. 4 oz. The baby's grandparents are Dr. and Mrs. Martin Kralicke and Mr. and Mrs. Tim Stormer. Great-grandmothers are Mrs. C. J. Fette of Muenster and Mrs. Arthur Gravelle of Lantana, Florida.

Werner Cler Family Gathers

While Mr. and Mrs. Tom Webb and daughter Rhonda of Eglin Air Force Base, Florida were visiting here with her parents, the Werner Cler family members gathered for a reunion in the home of the parents on Saturday evening. Attending were Messrs. and Mrs. Wayne Cler and children, Charles Cler and son and James Dennison and children all of Gainesville. Also Mr. and Mrs. Glenn Cler and daughters of Muenster and Tim and Kevin of the home.

Hornets ---

Hornet 85 and four plays gained 35 to the 30. From there Wolf connected with Neil Walterscheid for a 6-pointer.

Shortly after that three fouled up plays added together to cost the Hornets 37 yards and 2 points. First a 15 yard penalty for holding, next a ten yard loss on a busted pitchout and then a bad snap on the team's first punting attempt. The ball sailed over Wolf's head into the end zone. Wolf got it and conceded the safety as several Dragons were bearing down on him.

MHS quickly got back in line with Koelzer's fumble recovery on the Dragons' next play. With 29 to go they scored in eight plays with Mollenkopf making the last 3. The score was 35-2 at half time.

Coming back after intermission the Dragons went to the air with more success. They had rushed for 55 and passed for 7 in the first half. In the second their rushing figured to -12 but passes totaled 176. MHS, with reserves in much of the time made 13 in the air and 188 on the ground whereas it was 67 and 202 before.

The half started with Nick Walterscheid's interception followed by a clip penalty which set the Hornets back to Chico's 44. Three plays were enough from there . . . 19 by Wolf and 5 and 20 by Sicking.

That was followed by Chico's only drive of the game. Starting from the 20 after one of Nick Walterscheid's four kick-offs into the end zone, Chico moved to the Hornets 20 in 9 plays including passes of 21, 25 and 14. But then Wolf intercepted and ran back some 25 yards to the 38.

Eight plays covered the 62 yards and Hernes finished it from the 2.

Starting the fourth quarter Muenster failed for the second time to finish a drive. Ten plays gained 37 to the 10 and a pass to Koelzer apparently finished the job. But a penalty nullified it and set MHS back to the 25. The remaining two plays reached the 12.

Chico gained 7 in the next two plays then Rusty Hand connected with Mike Richey on a bomb that was good for 81 yards and a TD. The PAT kick was good. The score was 49-9 with 5:36 remaining.

Following Chico's kickoff the Hornets headed goalward again but were stopped by an interception. Chico could not advance and kicked to end the series but Wolf crashed through to block it and give Muenster a set-up at the 6. Sicking made it from there on first try. The clock read 1:07 as Walterscheid upped the score to 56-9.

Paging System Is Available Here If Interest is Shown

A paging (recall) system will be installed here by Muenster Telephone Corporation if interest is shown by a sufficient number of people.

As explained by Alvin Fuhrman, phone company manager, the pager is a small instrument, about the size of a deck of cards, whereby a person can be notified that he is wanted either personally or on a phone.

This can be done by dialing the number assigned to the pager, setting up a beep sound in the little instrument. The person hearing the sound will know he is wanted and either go to a specified place or call there by telephone to receive a message.

Installation of the pager is being considered by the hospital to establish quick communication with persons who are subject to emergency calls. Before setting up the system the phone company wants to know whether others want them. If demand justifies the service will be established.

Principal points of information about the pager: The unit costs \$15 per month, including maintenance and a battery charger by which the unit is re-charged over night. Range of the unit is 18 miles if inside a steel building and farther if in the open country. And the system will be set up if 20 units are subscribed. If the number is not reached the hospital plans a system of its own.

More information is available from Muenster Telephone Corp.

Dallas Will Have Annual Double German Day Event

The traditional double header observance of German Day in Texas will be observed in Dallas on Saturday, October 9, and Sunday, October 10.

First event is the annual German Day Pioneer Ball in the Marriott Motor Hotel with the usual packed program beginning with cocktail hour and a catered meal featuring German food while the Dallas Town Hall Concert Band will play.

On the main program are skits by the Skyline High School German language class on 200 years of the German element in Texas and U.S. Between scenes the Dallas Frohsinn and the 52 member German Air Force choir of El Paso will sing. Another attraction is German folk dances by a group from Sheppard Air Force Base.

And the rest of the event is a dance to music of the ever popular Polka Patriots.

Tickets and reservations on Muenster's tables are available at the Muenster Telephone Co. office at \$4.50 per person, not including the meal.

More information is available from Alvin Fuhrman, Muenster's representative on the German Day Council.

The second German Day observance is German Day at the Fair, with headquarters in the Frohsinn hospitality tent near the Automobile Building. Continuous entertainment throughout Sunday

afternoon will include the Irving HS. Oompah Band and Rose Marie Goldammer's "Young Dancers", plus the entertainers who will perform the night before at the Marriott. Fair visitors are invited to come in and enjoy any part of the program.

PTO Meets New Faculty Members At Public School

PTO members of Muenster Public School held a business meeting on Monday, September 20, featuring introduction of new teachers, Coach White, Mrs. Linda Westbury, Miss Ramona Parnell, Mrs. Sandra Klement and aide Miss Sandy Dittfurth.

The PTO executive meeting is held on the second Monday of each month and the general meeting on the third Monday.

Ken Fette presided for the meeting in the auditorium of Muenster High School.

Cancer Insurance Alert
Urgency of paying dues was emphasized by Mrs. Betty Rose, District I President of Lewisville, when she spoke to members of the VFW Auxiliary Monday evening. Of many reasons, she cited as most important that each member's payment includes insurance for treatment of cancer and 10 dreaded diseases. However, to qualify, dues must be paid before December 31. Any member who files a claim may be assured that the information is kept in strictest confidence. A claim must be filed with the Auxiliary treasurer.

Former residents of Marysville when their children attended Muenster Public School, Mr. and Mrs. Herman Richey now of Gainesville, were here to attend the Homecoming, parade and football game and visit with old friends Friday evening.

Terry Black and Mark Krebs Marry

Mr. and Mrs. Mark Krebs were married Saturday, September 18 in Gainesville at Southside Baptist Church and will make their home in Myra. The bride is the former Miss Terry Black. Rev. Wayne Coats of Myra Baptist Church and Father

James Gillespie of St. Mary's of Gainesville officiated for the double ring ceremony at 5 p.m.

Parents of the couple are Mr. and Mrs. David Black of Myra and Mr. and Mrs. Frank Krebs, Jr., of Rt. 4 Gainesville.

In a setting of candlelight, spring flowers and greenery, the bride was presented in marriage by her father. She wore a bridal gown of sheer white organza. Chantilly lace appliques, embroidered with pearls and iridescents, were scattered on the leg-o-mutton sleeves, full flowing skirt and cathedral length train. Matching chantilly lace marked the deep V yoke of the bodice and outlined the empire waist. Her double finger tip veil was lace edged and attached to a lace caplet. Bridal flowers were in a bouquet of carnations matching her dress. The flower girl was Kathy Matthews, bride's cousin of Dallas, and the ring bearer was Danny Black, bride's nephew of Myra.

Attendants
Bridal attendants were maid of honor Miss Faye Black, Bride's sister of Myra, in turquoise, and bridesmaids Kim Krebs, groom's sister in yellow and Alisa Reid, bride's friend of Myra. They were identically gowned in full length dotted swiss dresses and each carried a clutch bouquet of carnations matching her dress. The flower girl was Kathy Matthews, bride's cousin of Dallas, and the ring bearer was Danny Black, bride's nephew of Myra.

Chris Neu, groom's cousin of Rt. 4 Gainesville was best man and groomsmen were Wendell and Mike Black, both

brother of the bride of Myra.

Ushers were Jim Burrows and Bret Kuhn, cousins of the couple, and cardlighters were Kim Boggs, Bride's niece and Greg Krebs, groom's brother.

Wedding music was provided by Sandra House, organist and Betty Stevens, Karen House and Wilbur Matthews, vocalists.

Reception

A reception in the Fellowship Hall followed the ceremony, and a dance reception was held in the Knights of Columbus Hall in Gainesville.

Shelley Boggs was at the bride's book; presiding at the bride's table were Carolyn Matthews and Tina Tolbert and at the groom's table were Donna Kuhn and Susan Neu. Distributing rice bags were Richard Matthews and Amy Kuhn.

For traveling, the bride wore a blue pant suit. She is a graduate of Era High School and is employed at Jr. Elite. The groom is a graduate of Lindsay High School and is employed at Parkview Superette in Lindsay.

The rehearsal dinner was held Sunday, September 12, hosted by the groom's parents in their home.

Teachers Attend Math Conference

Seven teachers from Sacred Heart School attended the Texoma Mathematics Conference Saturday, September 18 at Southeastern Oklahoma State University in Durant.

Sister Patricia Ann, Sister Camille, Sister Georgia, Anna Hernes, Connie Bezner, Dorothy Bengfort and Charles Smith heard guest speaker and noted authority, Dr. Lola J. May. She is mathematics coordinator for the Winnetka Illinois Public Schools and works with both children and teachers, levels Kindergarten through grade 8. Dr. May is a member of the National Council of Teachers of Mathematics, the Illinois Council of Teachers of Mathematics, the Illinois Education Association and the N.E.A. and is a frequent contributor to their publications, and a speaker at meetings of these associations.

Group Continues Tour of Orient

The tour group of which Hilda Self was a member on a trip to the Orient, traveled first to Japan and then flew to Taiwan and later to Hong Kong.

In Japan, the rate of exchange was 290 yen for \$1, U.S. currency; in Taiwan the rate of exchange was NT \$37.90 for \$1, U.S. and in Hong Kong, H.K. \$4.80 for \$1, U.S.

Taiwan, the size of Massachusetts and Connecticut combined, and mostly mountainous, is homeland for 16 million people. Crowds were even greater than in Japan.

The tour guide in Taiwan was from China and spoke English well. Among the many things he told them included that: two crops of long grain rice are grown per year. Man power, buffalo the size of our cows, and a very small plow are used in rice cultivation.

In Taipei he directed the

tour to a martyr's shrine, the Palace Museum, Confucius shrine, Presidential Square and the changing of the guard, a scenic gorge and magnificent waterfalls. Here, they said, was the place to buy Jade, Coral, pottery, brass, marble and china.

Strangely, in an atmosphere of guarded readiness and defense, soldiers were stationed at the ends of tunnels, underpasses and at the airports.

Water in waterfalls looked green because of marble dust. They saw a marble bridge and marble factory; also an excellent show whose performers were aborigines dancers, barefoot on a dirt floor and extremely talented and beautiful.

They went to the wood carving and handicraft center and then were treated to a Mongolian barbecue dinner. They found it nothing like ours but very good. Each guest selected his own meat and vegetables and watched the 2 or 3 minutes of cooking time, so brief because everything was sliced extremely thin.

The tour group visited other Temples that day (Sunday) and later drove a mile into the Hagglers Market and then saw a Chinese opera.

The flight to Hong Kong was good but "then the rain started" — 19 inches in two days. Their guide said it was the hardest rain since 1900. Normal rainfall is 85 inches a year. After missing several days because of land slides and high water, they were taken around the new territories and Kowloon. Many places water reached the license plates of their diesel buses. They also saw the resettlement estates, many large apartments 6 or 8 stories high where refugees from Red China live. A room 10x12 houses 6 people for about \$6.00 per month. Twenty five hundred people live in one building. Each floor has one bath and one kitchen. These are the fortunate ones. Many still live in little shacks for years. The children's playground is on the roof of the apartments.

Fresh water is purchased from Red China because its cheaper.

There were more days of rain, flooded roads and high water. When possible the tour group was taken to see a fresh water fish hatchery, a duck farm, a cotton mill where all the cotton was imported, and a beer brewery. Laborers work around the clock, 7 days a week.

Once they climbed a hill and saw Red China in the distance behind barbed wire fences. They were also taken to Castle Peak Village where everyone lives in houseboats.

A trip to Macao, 40 miles by hydrofoil boat, gave them an opportunity to see one of the oldest foreign settlements in Asia. There were multi colored houses, cobble stone streets 360 years old and huge banyon trees. Dog races were

held on Saturday nights, 8 p.m. to midnight, when it was time to go to the Casino, "Macao's Las Vegas", where gambling is big business. Government workers are permitted to gamble two holidays a year.

There they had a Portuguese lunch with Portuguese wine. Later they saw another Chinese Buddha Temple, 300 years old in good condition with no repainting or refinishing of any kind.

They saw one lonely Rickshaw, man drawn. In Japan, they had seen only a few rickshaws, these drawn by bicycle.

The group traveled over 20,000 miles during the tour in the Orient — by plane, car, bus, minibus, subway, bullet train, hydrofoil, plus about one mile by wheelchair from one plane to another through airports and customs by Hilda Self after injuring a knee the last day in Hong Kong.

The trip was planned by Dan Dipert Travel, Inc., of Arlington. Mrs. Nellie Dipert was the tour guide.

Junior Varsity of MHS Mauls Chico

Muenster Junior Varsity was at its season's best at Chico last Thursday night when it annihilated the future Dragons by a score of 38-0.

The youngsters performed like seasoned veterans in blocking and hard running as well as sharp passing. As a result they kept their drives going on almost every possession of the ball.

The same was true of defense which featured big jobs by Fray Webster, Kim Hale and Dwayne Knabe. Chico got only three first downs, none in the first half.

Biggest gainers were passes from David Felderhoff to Todd Richey and Pat Walterscheid both for 45 to 50 yards and both good for touchdowns. Other TDs were by Kevin Klement, Eddie Serna and Greg Wilde.

4-H Club News

National 4-H Week October 3-9 will provide a challenge for youngsters across the United States to fulfill this year's theme, "4-H — Room to Grow."

With a 7.8 per cent increase in membership nationwide, this year's enrollment includes 5.6 million young people between the ages of 9 and 19. Texas' enrollment includes 120,000 youngsters with 586 being Cooke County 4-H members. The 4-H'ers are enrolled in nine community clubs, two schools (10 clubs) and 1 special interest group.

4-H is an informal, practical, learn-by-doing educational program. It helps youth establish real-life goals and become competent, productive citizens. 4-H gives young people an opportunity to take an active part in learning about and solving problems that face them and their communities.

Today's 4-H program is for all youth — rural and urban — from all racial, cultural, and social backgrounds. It reaches girls and boys in a variety of ways: project groups, activities, camps and other educational methods.

For additional information on how a young person between 9 and 19 may become a 4-H'er, contact the County Extension Office at 665-4931.

Hostesses for the game party at Hillcrest Manor last week Wednesday were Mmes. Joe Hermes, John Kupper, Joe Hoenig and Sister M. Theresina.

Tigers vs Lynch - - -

fensively. Blocking, running and passing were fine, and they stopped the Panthers cold. As the coach sees it, they are nearer the peak of their potential than the Friars are.

However they have injury problems. Billy Felderhoff, Gene Yosten, Bernie Fette, Paul Bartush and Angelo Nasche will have to sit this one out.

Comparing records of the teams actually tells little because of the big difference in opponents they have faced. Bishop Lynch has lost 20-3 and 28-6 to 4A teams and has divided a pair of 2A games, a 14-7 loss to Ferris and a 13-0 win over St. Marks. On the other hand Sacred Heart lost 16-6 to Era, which is rated as the No. 6 B team of the state, and has won big over three other Class B opponents.

Tiger fans are reminded that kickoff time is 7:30, a half hour earlier than usual. And a route to the game is described as follows by Coach Stock.

"Take 35 to 635 East — Stay on 635 East for about 20 min. — Then when you come to the Ferguson Rd.-Centerville Exit, you get off on this Exit (Right). At the bottom of the Exit Ramp there is a Light. Turn Right at Light, you are now on Ferguson Rd. Stay on Ferguson Rd. for about 2 miles or six stop lights. The High School will be on the left after the sixth light. The Stadium and High School is on Ferguson."

A movie of the game with Bishop Lynch High will be shown next Wednesday night at 8 in Sacred Heart High School.

MHS Volleyball Girls Lose Opener

Volleyball girls of Muenster High made a bad start in the 13-A title race with a pair of losses at Callisburg. They dropped two straight by scores of 15-3 and 15-8.

Their last chance to stay in the competition is a meeting of the two teams in MHS gym starting at 8 p.m. next Tuesday. That main event will be preceded by junior varsity games at 6:30.

MHS supporters are reminded that admission charges of 50 cents for adults and 25 cents for students will be made at the game. This is district regulation, according to Coach Faye Hamric.

To avoid extra travel the district race this year consists of play offs by Muenster vs Callisburg and Holliday vs Petrolia followed by a play off of the two winners for the title.

"The best place to find a helping hand is at the end of your arm."
