## MSB stock available

Persons wishing to share in the ownership of Muenster State Bank have an opportunity to purchase some of its stock in the near future. Earl Fisher, president, said Tuesday that 34 per cent of the stock will become available in a few weeks, and the balance of it will remain in the hands of twenty individual stockholders.

The sale, he added, offers the dual benefit of investment and community involvement plus a way to

retain local ownership of the bank. With stock spread throughout the community, he said, local ownership should be maintained.

His direct statement was issued as follows.

"In order to have more community involvement and to give the public a better opportunity to share in ownership of Muenster State Bank, 34 percent of the bank stock will be offered for sale within the next few weeks.

"A further benefit to this sale is to help retain local ownership of the bank. With stock spread throughout the community, local ownership should be maintained."

"If any person is interested in stock ownership, a subscription list will be made, after which meetings will be held to outline how the sale will be handled. The president of the bank will handle the sale and transfer after details are worked out and approved by the banking department."

Gold Star 4-H girl and boy of Cooke County for 1982 are Lori Butler of Gainesville and Kevin Knight of Era. They received their awards at the annual 4-H achievement banquet Monday.

## City starts special fund for purchase of new fire truck

A new fire truck is in the plans for Muenster, not immediately, but not too far in the future.

The city council Monday night responded to a reminder that the state fire commission expects a truck to be retired at old age even though it may still be sturdy and useful. As pointed out by Fire Commissioner Ronnie Felderhoff, the regulation applies here. Though in good condition, the truck has been on the job 25 years, and that's too

much. The state's attitude apparently is that it's time to update on fire fighting features as well as to make up for wear and tear.

Cost of the new truck is estimated at \$78,000, considerably more than the city is prepared to raise for the purpose. So it proposes to start a fund and contribute to it when convenient in order to relieve the strain at purchase time. The accumulated fund plus interest earning can be a big help in a few years.

In other action the city approved its semi-annual contribution of \$1,850 to the city library; appointed Sue Endres to the park board, succeeding Edgar Dyer whose term expires; approved a \$1300 repair estimate for the city trash truck; approved installation of street lights on Cherry Lane and at Seventh and Elm; and approved opening an access street to the new public school baseball field. It will be on the street east of Oak extending from Eighth to Ninth.

## Muenster approves ambulance facilities

Getting ambulance service established in Muenster apparently was accomplished at the city council meeting Monday night when the city approved a lease agreement to provide a residence for ambulance operators and shelter for the vehicle.

Area concerned is the Hellman estate property across Oak Street from the KC Hall. The agreement is to improve the property and lease it to the county commissioners, who are in charge of the county wide ambulance operation. Muenster ambulance service will be a unit of the county system.

The city is responsible for improvements upgrading the leased facilities, however it expects to have help in getting the job done. Muenster Chamber of Commerce and Muenster Jaycees have promised to help and the city has hopes that other organizations will join.

The Muenster ambulance unit is intended especially to provide better service to the west part of the county as well as to reduce travel mileage and time of the county system. In emergency the Muenster based vehicle would still be available for other county calls.

## County 4-H honors members

4-H members of Cooke County were honored guests at the annual 4-H achievement banquet sponsored Monday night in the Activities Center of Cooke County College by Cooke County Electric Co-op.

The outstanding event of their program was the presentation of Gold Star awards to Lori Butler of Gainesville and Kevin Knight of Era. In addition there were dozens of other awards in a long list of categories recognizing both adult and student leaders in County 4-H.

Of the 77 member awards given, 27 were to boys and girls of Muenster.

Categories and winners were listed as follows. Agricultural program, Amy Davidson, Angie Oakley, Keith Vogel, Beef, Deano Bayer, Jared Bayer, Darren Cheaney, Douglas Fleitman. Bread, Michelle Huddleston, Sheila Huddleston, Valerie Vogel. Clothing, Dyann Vogel. Conservation of Natural Resources, Samuel Fleitman, David Rohmer, Scott Vogel. Fashion Show, Dana Dankesreiter, Michelle Kleiss, Tammie Reiter. Foods and Nutrition, Amy Bayer, Rose Herr, Bryan Kleiss. Judging, Curt Bayer, Wayne Becker. Leadership, Stephen Becker, Darwin

Sicking, Carl Zimmerer. Wildlife, Andy Burnette, Shawn Vogel.

A club presentation to Muenster was the gold (superior) club charter and seal presented by Cookie Myers. In the same ceremony silver seals were presented to Mountain Springs and Era Jr. Clubs.

Individuals receiving special awards for outstanding service to county 4-H were named as follows. Tommy Davidson, CCC ag teacher; Bob Andrews, Valley View ag teacher; Deanna Nortman and Joe Yarbrough, "I Dare You Award;" Doris Voth and Larry Downe, Leadership award.

The program was headed by Linda Sandmann, '82 Gold Star winner as Mistress

of Ceremonies, and also in introductions and the invocation. Vincent Zimmerer, president of Cooke County Electric Co-op, extended his organization's welcome, and Tom Woodward of Fort Worth National Bank was the speaker.

The following persons participated in presenting awards. County awards by Commissioners Kenneth Alexander and Jerry Lewis; Recognition of state awards winners, Judge Larry Sullivan; Special Awards, Mike Sloan; "I Dare You" Award, Bill King; Farm Bureau Leadership Award, Leonard Hartman; Gold Star Award Judge Jim Robertson; Gold Star Picture Recognition, Allen Fleitman.

## KCs will have busy day Sunday

Preparations are under way for a big day next Sunday, October 10, in the Muenster Knights of Columbus Council. Grand Knight Ben Fleitman pointed out this week that a special program will include a variety of events observing the centennial of the order.

Topping the list is a special Columbus Day address to be heard over Radio Station KGAF 12:30 to 12:45 Sunday, sponsored cooperatively by the Muenster and Gainesville KC councils. The speaker will be Virgil C. Dechant, supreme knight of the Knights of Columbus and executive head of the Catholic fraternal, family and service organization. His subject will be "Take up the Task."

Commenting on the

program, Fleitman said "Four hundred and ninety years ago Christopher Columbus completed one of the most daring and courageous exploratory sea voyages recorded in the annals of mankind...the discovery of the North American Continent. Nearly 1.4 million men of the western hemisphere, all Knights of Columbus members, join together this week in observing the anniversary of this epic voyage."

Other Columbus Day activities are planned in addition to the special radio broadcast. The day begins with group attendance of the membership at the 9 a.m. Mass in Sacred Heart Church. Families of members and deceased members are invited.

Special guests there will be a group of deaf children attended by members of Fort Worth Council 759.

Their appearance is related to Muenster's extensive participation in the state council's program for the deaf. Mrs. Tommy Ferrell will accompany the children as interpreter.

After the Mass the council will have its annual Good Neighbor Award honoring someone of another faith in recognition of a Christian spirit of friendship and harmony between the denominations. The person's identity, unknown at this time, will be revealed after the Mass, and the award will be presented by Grand Knight Fleitman.

Next on schedule is a

breakfast at the K of C hall for members and guests. On that occasion the council will recognize its family of the months for July, August and September. Also at that time the council will present the three local libraries with copies of the order's new centennial publication, "Faith and Fraternalism, a History of the Knights of Columbus, 1882-1982."

The last event of the day will be a bingo party at 7 p.m. Sunday in the KC hall. Other activity of the patron's month is a Columbus Day dance, Saturday Oct. 23, in the KC hall with music by Hard Times. Tickets at \$15 per couple are available from chairman Bob Knauf or Grand Knight Ben Fleitman.

## Vandal knocks out cable TV service

A shotgun blast was the cause of the sudden breakdown of cable TV service here last Saturday.

As explained by Alvin Fuhrman of the Cable TV, the shotgun blast about 7:30 a.m. damaged two main coaxial cables serving Muenster subscribers. One cable brings the television from the tower east of Muenster and the other carries the signal from the satellite earth station downtown. The damage was done at a point before the two cables are combined on one coaxial cable about 500 feet east of North Main Street on the gravel road.

The result is that progress on all TV sets served by the cable suddenly turned to a mixed color "snow pattern", and several hours were needed to locate the problem and replace damaged sections.

Muenster Cable TV offers one month of free television or equivalent for information leading to arrest of the vandal.

Also applicable to this incident is a standing reward by the Chamber of Commerce of up to \$500 for information leading to the arrest and conviction of the guilty person.

## Good News

Judith 4: 9-13  
The men of Israel prayed earnestly to God and fasted. They put on sackcloth-they and their wives, their children, their livestock, and every resident foreigner, every slave and hired laborer. They also covered the altar with sackcloth. Then all the men, women, and children in Jerusalem lay face down on the ground in front of the Temple; they lay there in the Lord's presence, all in sackcloth, their heads covered with ashes.

They joined together in earnest prayer to the God of Israel, begging him not to let their children be captured, their wives carried off, or their home towns destroyed. They pleaded with him not to give the Gentiles the satisfaction of destroying the Temple and dishonoring it.

The Lord heard their prayers and saw their distress.

## Bartush, Klement, outstanding men '82

The board of advisors for the Outstanding Young Men of America has announced that two young men of Muenster have been selected for inclusion in the 1982 edition of Outstanding Young Men of America. They are Charles Bartush, Jr. and Claude Klement, both members of the Muenster Jaycee chapter.

Criteria for selection in the distinguished group include voluntary service to the community, personal achievement and participation in civic and political activity, along with endorsement of prominent individuals and organizations.

The men listed and other Outstanding Young Men of the nation will be included in the organization's annual awards publication.

## Summer hangs on

Fall is here, according to the calendar, but not according to the thermometer. According to Steve Moster's record more than half of last week's high readings were in the 90s and others were the high 80s. Low and high temperatures were recorded as follows.

Sept. 30. .... 68 and 89	Oct. 4 ..... 68 and 96
Oct. 1 ..... 63 and 88	Oct. 5 ..... 67 and 92
Oct. 2 ..... 68 and 95	Oct. 6 ..... 69 and 94
Oct. 3 ..... 66 and 88	

plus .35 inch of rain  
September moisture measured .64 inch. The year's total to now is 29.38 inches.

# COMMENT

## The Owner's Manual

By Larry Tisdale DVM

After studying last week what our response to suffering should be, I would like to continue our study this week on what suffering can do for us. Although we do not always know the cause of suffering, when we have the proper response to suffering, it can be very meaningful to us.

It gives us an opportunity to show others what kind of God we have and what kind of a person we are. Philippians 1:29 states, "For it has been granted to you on behalf of Christ not only to believe on Him but also to suffer for His sake." In Acts 9:16, the Lord told Ananias after Paul had been converted, "I will show him how much he must suffer for my name." Through suffering we can become more worldly or more God-like, we can have the proper attitude or become angry, we can show others that the power of Christ operating in us can make us handle suffering in a way that this world knows nothing about because we realize that this is not all there is to life.

Suffering is a preparation for glory. II Timothy 2:11 states, "If we suffer with Him, we shall also reign with Him." II Corinthians 4:16-18 states, "Therefore we do not lose heart, for outwardly we are wasting away, yet inwardly we are becoming renewed day by day. For our light and momentary troubles are achieving for us an eternal glory that far outweighs them all." Romans 8:18 says, "I consider that our present sufferings are not worthy to be compared with the glory that will be revealed in us." Now there's a verse to memorize and think about next time you are feeling low!

Dr. J. Robertson McQuilkin, President of Columbia Bible College, was once asked by an elderly lady facing trials, "Dr.

McQuilkin, why does God let us get old and weak? Why must we suffer so?" He replied, "I think God has planned the strength and beauty of youth to be physical, but the strength and beauty of age is spiritual. We gradually lose the strength and beauty that is temporary so we'll be sure to concentrate on the strength and beauty which is forever. And so, we will be eager to leave the temporary deteriorating part of us and be truly homesick for our eternal home. If we stayed young, and strong, and beautiful, we would never want to leave." Our suffering down here is in contrast to the glorious joy and fulfillment we will have up

there. Christian suffering also gives us an opportunity to minister to each other. When another Christian suffers, we have an opportunity to minister to that part of the body, to love, to share, to encourage and care.

Although we many times think of how wonderful it would be to live in this world without suffering, it is abundantly clear that we don't, and since I have reason to believe, nevertheless, that God is love, I must conclude that God intends for us to use suffering as an opportunity to witness for Him and to prepare us for the glory that is to be revealed to us at a later date.

## Senator Tower accepts service academy applications

Senator John Tower (R-Texas) today announced he is accepting applications from Texas students who wish to compete for his nomination to nation's four service academies.

Potential candidates must be between the ages of 17 and 22, unmarried, and a United States citizen. High school seniors should specify whether they wish to attend the Air Force Academy at Colorado Springs, Colorado; the Merchant Marine Academy at Kings Point, New York; the Military Academy at West Point, New York; or the Naval Academy at Annapolis, Maryland.

"The four service academies offer cadets and midshipmen outstanding educational opportunities," Tower said in making the

announcement. "In return, these young men and women commit themselves to serving as leaders in guaranteeing our national security."

Applications may be obtained from Tower's Dallas office at 1100 Commerce, Dallas, Texas 75242. Academy applicants need to provide a completed application form, a high school transcript (complete through the student's junior year), SAT or ACT scores, rank in class and three candidate evaluation forms. (The evaluation forms will be sent to the student upon return of the application. Additional letters of recommendation are not required.) The deadline for completing the academy application is December 15.

## Senator Glasgow on proposed amendments

For the next several weeks, I will be discussing with you the Six proposed Constitutional Amendments that will appear on the November 2, 1982 ballot. From this information, it is hoped you will have enough facts to decide how you wish to vote on the issue.

The first reference is how the proposed amendment will be stated on the ballot, and the rest is a discussion thereof.

Amendment No. 1  
"The constitutional amendment repealing the state property tax."

This proposed amendment repeals the State property tax. This tax is pledged for funding construction at 17 named State universities. These 17 universities do not participate in the Permanent University Fund. North Texas State University and Texas Woman's University are the colleges from this Senatorial District that received funding for construction from this tax.

This property tax is the only remaining state property tax that is set at a value of 10 cents per \$100 evaluation. In 1979 the Legislature attempted to effectively repeal the tax by reducing the tax rate to .001 cents per \$100, (thus making the tax revenue so minute that the amount would not even justify collection). Legal scholars and subsequently the Legislature agreed that this "back door repeal" of a part of the Texas Constitution could not be done by statute but must be done by submission of voters for a repeal. This tax has not been collected since 1979.

Underlying arguments for and against the repeal are as follows:

For  
1. Property taxes are the primary means of support for local governments, which are generally hard-pressed for revenue. The State, which has other means of support, should not compete with local governments for taxes by continuing to tax already overburdened property owners.

2. The need for dedicated construction funding for universities is not as great as it once was. The Constitutional provision that is being repealed was passed in 1947, at a time when college enrollments were booming because of the GI Bill and other reasons. In the 1980's the colleges are not expan-

ding nearly as rapidly as they once were.

3. Constitutionally dedicated funds unnecessarily limit legislative discretion to appropriate funds where the most need is shown. Also, in the appropriations process the needs of the colleges can be compared and weighed along beside the needs of the State.

Against

1. The constitutional provision providing for source of funding construction at non-PUF colleges provides the most rational and cost effective method of providing construction monies for these universities. Construction requires an orderly, planned process and is most efficiently achieved through the issuance of bonds to carry out the plans. Constitutionally dedicated funds, allocated according to an equitable formula provide for orderly, planned growth based on anticipated and actual need. The few universities that have political "muscle" of those that will be competing will receive a disproportionate share of the funds allocated through the appropriations process.

2. Although a 10-cent state property tax levied against 100 percent of market value might generate more money than actually needed, repeal of the tax is not the proper answer to that problem. Proposals such as reducing the tax to 3 cents could generate the amount needed without imposing a burden on property owners or threatening local government revenues. A 3-cent tax on a \$50,000 home would result in a tax liability of only \$15 a year, disregarding any applicable exemptions. The State itself faces potential revenue problems, and repealing the tax will increase the drain on general revenue.

3. Article VII, Section 17, is part of a tradition in this state. Beginning in 1945, each Texas constitution has provided some form of dedicated funding for elementary or secondary education. If education is to retain its status as a top priority, all forms of dedicated funding for that purpose should be preserved. The repeal of Article VII, Section 17, would result in an inequitable situation in which only a few preferred universities in The University of Texas System or The Texas A&M University System have dedicated construction funding.

## Congressman Collins honored

Rep. James M. Collins has earned the "Guardian of Small Business" Award from the National Federation of Independent Business (NFIB) for his outstanding voting record on small-business issues.

The nation's largest small-business group presented Collins with the award because he voted with a majority of NFIB members 89 percent of the time.

On announcing the award, NFIB President Wilson S. Johnson said, "The voting record of Rep. Collins in this Congress demonstrates that he is responsive to the needs of his state, because small businesses create the majority of new jobs and if left to flourish, will be a major factor in restoring economic growth."

House members were rated on 22 recorded votes during this session of Congress. Issues ranged from cutting the budget to raising unemployment taxes and forcing the government to pay its bills on time. Those members of Congress who did not have recorded votes on at least 70 percent of the issues included in the ratings were not eligible for the award.

NFIB is a non-profit, non-partisan organization representing 45,622 small-business owners in Texas and more than a half-million independent businesses across the country.

**PROCLAMATION**

Christopher Columbus' great voyage to the New World in 1492 required vision, courage and determination. His discovery changed the course of world events. His name is deservedly honored in history.

Columbus ventured into uncharted seas, disregarding the advice of supposedly learned men, because he had faith in God, faith in his own convictions, and faith in his capabilities as a navigator. His spirit was unconquerable. He persevered in the face of overwhelming difficulties.

It is fitting that America annually renders tribute to the memory of the famed Genoese explorer on the anniversary of his historic voyage.

I hereby designate in accordance with this tradition, Sunday, October 10, 1982 as Knights of Columbus Centennial Sunday.

I hereby also designate in accordance with this tradition, Tuesday, October 12, 1982 as Columbus Day.

I urge our citizens to observe these days in a manner that will dramatize and restate the fundamental principles of faith, wisdom and courage which guided the footsteps of the Great Discoverer.

**MHS hosts FFA district meeting**

Officers from twenty chapters of Future Farmers of America in District 1 of Area 5 FFA were guests of Muenster Public School last Friday for an officer training school. Chapters represented were from Cooke and Montague Counties and from parts of Denton and Wise Counties.

As explained by Edgar Dyer, advisor of the Muenster FFA, the purpose was to familiarize each local officer with the aims of FFA, its traditions and methods and the duties of all chapter leaders. The officer list included presidents, vice presidents, secretaries, treasurers, reporters and

sentinels. Area 5 officers conducted the training. Meanwhile ag teachers of the 20 chapters were involved in a project of their own. They were planning district leadership contests to be held in Decatur on November 15.

**City gets \$5,037 sales tax check**

The City of Muenster has received a check from State Comptroller Bob Bullock in the amount of \$5,037.85, as a rebate for city sales taxes collected by local business during the period ending Sept. 8, 1982. With this amount the city has received total payments of \$70,117 as compared with \$63,440 a

year ago, a gain of 10.53%. This check was one of 967 to Texas cities for a total of \$49.2 million, a gain of 20% over a year ago.

City sales tax is collected along with state sales tax by local business and forwarded to the state comptroller, who deducts a 2% handling charge and remits to the cities of origin.

Other rebates of the area, along with amount of tax collected for the year to date and the percentage of change, were reported as

follows by the comptroller's office.

Gainesville, \$56,714, to date \$694,754 up 12.54%. Lindsay, \$3,795, to date \$40,765, up 5.21%. Valley View, \$000, to date \$5,017, up 17.04%. Pilot Point, \$4,643, to date \$42,463, up 17.5%. ## Janet Zimmerer and Joseph Bayer say vows

Janet Patricia Zimmerer became the bride of Christopher Joseph Bayer on October 2 in a Nuptial Mass with double ring ceremony in St. Peter's Church in Lindsay. Father Cletus Post, pastor, officiated. Assisting with the special liturgy were Brian Hellman, lector and cousin of the bride; and Clara Hermes, lay minister and aunt of the bride.

The bride is the daughter of Mr. and Mrs. William J. Zimmerer of Rt. 2, Gainesville and the groom is the son of Mr. and Mrs. James L. Bayer of Rt. 1, Gainesville.

Presented at the altar by her father, the bride was wearing a formal white wedding gown designed with a V-shaped overlay of re-embroidered lace on the bodice, appliques of lace traced on the sheer upper sleeves and a puffed insert matching the dress, at the elbows, above the deep fitted lace cuffs. The A-line skirt swept into an aisle wide chapel length train completely edged with a wide lace band. The three tiers of her illusion veil were edged with matching lace, and attached to a half-cap of lace and pearls.

Her cascading bridal bouquet was made of silk roses, daisies, valley lilies, and violets and was entwined with her mother's blue wedding rosary. "Something old" was a lace handkerchief formerly belonging to her late aunt, Mrs. Bernard Zimmerer.

### Attendants

Nancy Zimmerer of Lindsay and Barbara Nortman of Alvin, Texas both sisters of the bride were maid of honor and matron of honor, respectively.

Sandra Richeson of Watauga, sister of the groom and Alethea Brawner, cousin of the bride were bridesmaids. Their identical gowns were made by Marie Zimmerer, bride's aunt, in fresh violet matte taffeta, designed with deep ruffled skirts, elbow length puffed sleeves and a detail of taffeta roses at the neckline. They carried

nosegays of violet and white carnations, roses and daisies.

Julia Fleitman of Muenster, bride's cousin was flower girl; and John Hoening of Lindsay groom's cousin was ring bearer.

Jim Bayer of Lindsay, Oklahoma was his brother's best man and Michael Zimmerer and Greg Zimmerer, bride's brothers of Lindsay, Texas and Jimmy Neu of Gainesville were groomsmen.

David Nortman of Alvin, bride's brother-in-law, Jeff Richeson of Watauga, groom's brother-in-law and Steve Neu of Gainesville were ushers.

Mass servers were cousins of the bride, Samuel Fleitman and Jerry Brawner both of Muenster and Leroy Hermes of Lindsay. Mr. and Mrs. Randy Bayer of Grapevine, god-parents of

the groom presented Offertory gifts at the altar.

Wedding music was presented by Pat Hennigan, Jr. organist of Gainesville who played the traditional processional and recessional, Kenny Bezner and Martha Fuhrmann, guitarists, and vocalists Karen, Denise, and Laura Fuhrmann, Dolores, Mary Ann and Linda Sandman and Deana Nortman, vocalist groups.

The church altar was decorated with arrangements of violet and white gladioli and spider mums and candelabra holding lighted candles.

### Reception

A reception, dinner and dance hosted by the bride's parents for 500 guests, followed in the Knights of Columbus Hall in Gainesville.

Securing guest signatures in the bride's book were Sharon Neu of Gainesville and Danita Neu of Lindsay.

Reception assistants were Donna Zimmerer, Carol Sandmann, Diane Neu, Gina Hellman and Carol Hermes all of Lindsay.

Tables were decorated with hurricane lamps holding lighted candles, large ceramic doves holding violet flowers, ceramic dove shaped candle holders, and paper flowers made by the bride's grandmother, Mrs. Julius Hermes, Sr. and also rice bags in the bride's chosen color.

The three tiered wedding cake, standing over a lighted fountain was made by Betty Rose Walterscheid and with additional heart shaped cakes on each side. The chocolate groom's cake was made by the bride.

Dinner was catered by Rohmer's Restaurant and dance music was provided by the Doug Martin Band.

When the couple returns from a wedding trip to Tennessee, they will be at home in Valley View.

The rehearsal dinner hosted by the groom's parents on October 1 was held at The Colonial in Gainesville for 30 guests, when the couple presented gifts to their attendants.

The bride is a graduate of Lindsay High School and Cooke County College. She is employed by the First State Bank of Gainesville. The groom is a graduate of Lindsay High School and employed by Camac and Santa Fe.

### Frank Bindel families hold reunion Sunday

Fifty descendants of the late Frank and Marie Bindel held a family reunion Sunday, Sept. 26 in the pavilion of Muenster City Park, beginning with a covered dish dinner at noon.

Taking pictures, visiting and playing games were events of the afternoon.

Joining their Muenster relatives were Mr. and Mrs. Archie Livingston of Myra; Mr. and Mrs. William Koerner and granddaughters Amy and Candy Koerner of Pilot Point; the Larry Stucklys, the Floyd Koerners and Gary Koerners and families also of Pilot Point; the Gilbert Bindels of Gainesville and grandson Zachary Haverkamp of Lewisville; the Jimmy Bindels of Carrollton, the Leonard Bindels of Goldthwaite; the Sid Newtons of Fort Worth; the Mac Dennis family and Lionel Garcia family of The Colony; and the Guy Bindels of Wichita Falls. Gerald, Carolyn and Courtney Bindel of Wichita Falls were unable to attend.

### Bridal Brunch honors Janet Zimmerer

Janet Zimmerer, bride-elect of Chri Bayer, was the honoree at a champagne brunch on Saturday, September 11 in the home of the J.D. Fleitmans. Patsy and Julia Fleitman were hostesses, who presented a corsage of violet flowers, her chosen color, to the honoree. Guests were mothers of the bride and groom, and the grandmothers and the bridal attendants.

### Two from Muenster on Hawaiian tour

Monica Hartman and Sandy Voth spent seven fabulous days sightseeing on an Hawaiian vacation recently. They visited three islands, Maui, Kauai and Oahu.

In a rented car they traveled on Maui, visited the small town of Hana where memorable sights were a spectacular waterfall and lush greenery. They felt surrounded by beautiful scenery. On one side of the island was the ocean, on the other side was the famous natural landscape of countless specimens of greenery, flowers, ferns, and native plants. On Maui they toured Lahaina, saw the Sugar Cane Train and Pioneer Inn, also the oldest and largest Banyan tree and the steep Ioa Needle in Ioa Valley.

Their travels on Kauai, by guided tours, were to the Fern Grotto and the Coca Palms and royal torchlighting ceremony.

On Oahu, both, guided tours and driving in a rented car, took them for vast sightseeing to Pearl Harbor, the Blowhole, the Polynesian Cultural Center, Pali Lookout, Sea Life Park, and Diamond Head.

The vacation visit also included a Luau; and sailing, when they enjoyed watching schools of porpoises playing around their boat.

### At conference of small hospitals

Mr. and Mrs. David Bright returned late Sunday after a long weekend in Waco, Austin and Houston. On Thursday and Friday he attended a conference of the Texas Small Hospitals Association.

Enroute, they stopped at Baylor University to visit their daughter, Julia. In Houston they were guests of their son, Sam Bright, who is employed at the Bank of the Southwest; and with an aunt, Margaret Rasch; and Hans and Ann Rasche and their children.

### How to stop black spot on your roses by Ted Brice

Roses—like people—are susceptible to ordinary diseases. For people it's the common cold. For roses, it's black spot.

Black spot is the most important rose malady throughout the world. And although we haven't come up with a cure for the common cold, an effective spray program can end black spot in your rose garden.

Black spot is a fungus which attacks the leaves and stems of the plant. Only in arid regions where there is little or no summer rainfall is black spot not a serious handicap to rose growing.

Black spot first appears in early summer. Check your roses carefully. Look for a black spot on the upper surface of the leaf. Remove and burn any infected leaves. If left untreated, the surrounding leaf tissue will turn yellow. Spots will continue to enlarge and the first year canes will develop reddish-purple blotches. The disease will get progressively worse. Canes will be stunted in growth. Flowers will become pale due to foliage loss or damage, and plants may be weakened to the extent that they winterkill.

Today, work is being done to produce a rose resistant to black spot. But until further testing is completed, a regular spray program with fungicides will effectively control the disease.

Try combining either maneb or folpet fungicides with benomyl using each at reduced quantity. This will also aid in mildew control.

Apply enough spray to provide good coverage of all foliage until it reaches the clipping stage. Continue your spray program until frost or freezing weather begins. This should prevent an early season infection the following spring. A good fungicide spray program can prevent common black spot in your rose garden, and you'll find that healthy plant foliage promotes healthy plant growth and beautiful blooms all season.

In case you already have Black Spot on your roses you can spray them with PM Acti Dione. This will act as an eradicator. Black Spot will spread from one rose bush to an entire rose garden like "Wild Fire." Keep a close watch for Black Spot.

### Hoedown top pie recipes

These were the prize winners in the pie baking contest sponsored by Beta Kappa, for Harvest Hoedown. In the pie auction that followed, as a benefit project for diabetic children at Camp Sweeney, twenty three pies added \$416.00 to the fund.

#### King Kamehameha Pie

- 1-12 oz. can pineapple juice
- 1 cup sugar
- 7 cups tart apples peeled, cored and cut into pieces
- 3 Tablespoons cornstarch
- 1 Tablespoon butter or margarine
- 1/2 teaspoon vanilla
- 1/4 teaspoon salt
- 1 baked 9 inch pie shell

Combine 1 and 1/4 cup pineapple juice and the sugar in a saucepan. Bring to boiling, add apples, simmer covered till tender but not soft, 4 to 5 min. Lift apples from syrup, set aside to drain. Combine cornstarch, and remaining 1/4 cup pineapple juice. Add to syrup in saucepan. Cook until thick and bubbly, cook 1 min. longer. Remove from heat, add butter, vanilla and salt. Cool 10 min. without stirring. Pour half the syrup over apples mix lightly and arrange in pie shell. Spoon remaining syrup over apples. Cover and chill. Top with whipped cream and sprinkle with toasted coconut before serving.

This pie was named for the last king of Hawaii.

#### German Sweet Chocolate Pie

- 1/2 cup butter or margarine
- 1/2 cup brown sugar, packed
- 1/2 cup chopped pecans
- 1/2 cup flaked coconut
- 1 5 oz. pkg. vanilla pudding & pie filling
- 1 4 oz. pkg. German sweet chocolate, cut up
- 2 1/2 cup milk
- 1 9" bake pie shell

Sweetened whipped cream, flaked coconut  
Combine butter, brown sugar, pecans and coconut in small saucepan. Cook over medium heat until mixture come to a boil, stirring frequently. Remove from heat. Cool slightly. Spread in bottom of baked pie shell. Bake in 450 degree oven 5 minutes to set filling. Cool well on rack. Combine pudding mix, sweet chocolate and milk in 2 qt. saucepan. Cook according to package directions for pie filling. Remove from heat; cool 5 minutes. Pour into pie shell. Cover with plastic wrap. Refrigerate 4 hours or until set. Decorate with puffs of whipped cream and coconut. Makes 6 to 8 servings.

#### Southern Pecan Pie

- 3 eggs
- 3/4 cup sugar
- 1 cup dark corn syrup
- 1/2 cup melted butter or oleo
- 1 cup pecan halves
- 1 9" unbaked pastry shell

Beat eggs thoroughly with sugar, dash salt, corn syrup, and melted butter. Add pecans. Pour into unbaked pastry shell. Bake in moderate oven (350) 50 minutes or till knife inserted halfway between outside and center of filling comes out clean. Cool.

## 4-H Club holds family night

Family Night for the Muenster 4-H Club was an enjoyable event on Saturday, Sept. 25 for members and their parents and all family members. It was held in the meeting room of the Cooke County Electric Co-op Building.

Members brought their families and two dishes of prepared foods; and enjoyed a bountiful meal, an evening of fellowship and took time for planning activities for the coming year.

Carl Zimmerer, president, conducted the business session. Handbooks were distributed, which cover events in '82-83. Those attending completed dates, times, program choices and refreshments for each meeting.

Plans were completed for a benefit project and members decided on a Bake Sale to be held at Fischers and Hofbauers on Saturday, October 9 beginning at 9 a.m. 4-Hers are asked to bring in their baked foods by 9 a.m.

Cookie Myers, Assistant Extension Agent attended the meeting and spoke to the group on the importance of a 4-H Family when members

and their parents are involved and working together to reach or achieve goals.

Margie Burnette explained the 4-H Charter and announced that the Muenster 4-H Club will receive the Gold Seal for superior achievement at the 4-H Achievement Banquet at CCC.

Stephen Becker, past president presented awards of recognition to members for their past year's achievements. 4-Hers also received their membership cards.

Linda Becker and Margie Burnette spoke to the group expressing appreciation to parents whose willing cooperation was so vital to the year's success. They stressed that the highest honor of "Gold Seal" would not have been achieved by children alone. "Surely," they said "God will bless each of you."

## Heritage program honors Nelson farm

The Texas Family Land Heritage Program will honor the Nelson Grove farm in Cooke County this year for maintaining continuous agricultural production for a century or more.

Agriculture Commissioner Reagan V. Brown will invite the current owners to an awards ceremony to be held in the Capitol Rotunda November 10 at 1 p.m. with a reception to follow.

The current owners of

the property are J.R. and Eunice Nelson of Gainesville. The farm was founded in 1861 by Robert Carroll Nelson.

"Instituted in 1974, the Texas Department of Agriculture has now registered 1,556 farms and ranches. Seventeen from Cooke County have been honored so far.

"A short history of the farm or ranch and family pictures are printed in an annual family Land Heritage Registry," Brown said. "The books have proved to be very useful to genealogists and historians. They are in high school, public, and college libraries in the counties which have honorees."

County judges and county historical commission chairpersons have been very help-

ful in registering families. Brown said.

Persons interested in applying for the honor next year may write to Agriculture Commissioner Reagan V. Brown, Texas Department of Agriculture, P.O. Box 12847, Austin, Texas 78711

## October is Co-op month

Coop month October is Cooperative Month in Texas and across the nation as proclaimed by most of the country's governors. Governor Bill Clements, in his official proclamation, urged the people of Texas to "give special recognition to the constructive and responsible roles of agricultural cooperatives in the economic progress of our State."

"Texas has more than 400 agricultural cooperatives operating and serving over 133,000 members", according to Billy Conner, Executive Vice-President of the Texas Federation of Cooperatives. "These cooperatives are doing business volumes of more than two billion dollars annually", he said.

Cooperatives in Texas range from farmer-owned gins, elevators and compresses to marketing, supply and credit organizations. Health, housing, insurance, electric, telephone and other service cooperatives are becoming more and more important to all Texas citizens.

"Cooperative Month", said Conner, "is a good way to remind the people of Texas just how important cooperatives are to our well-being."

## AMPI against assessment plan as proposed by Sec. Block

"Make no mistake about it. Secretary Block must assume full responsibility for his action. Congress gave him discretionary authority, but he decided to exercise it."

This is how Irvin Elkin, President of Associated Milk Producers, Inc., reacted to the September 17 announcement that Agriculture Secretary John Block was going to collect an arbitrary 50 cents/hundredweight assessment on all milk marketed effective December 1, 1982. AMPI ranks as the nation's leading dairy farmer cooperative with 33,000 dairy farmer members from 20 states located throughout the midwest, south and southwest, who produce about 12 percent of the nation's milk supply.

"As dairy farmers we want to divorce ourselves completely from this program," explained Elkin, a dairy farmer from Amery, Wisconsin. "We feel it's going to cause a lot more harm than good. In the short-run, it will only serve to aggravate current surplus milk conditions by forcing many producers—particularly those who are younger and more heavily leveraged—to increase

production to meet severe cash-flow pressures. Over the long-run, it runs the risk of driving dairy farm families out of business, jeopardizing America's milk producing capacity for the future."

Secretary Block announced, September 17, his decision to implement discretionary authority to collect a 50 cents/hundredweight deduction on all milk marketed provided by the dairy provisions included in the Omnibus Budget Reconciliation Act. Proposed regulations for collecting this assessment will be published by USDA in the Federal Register later this week. Final regulations will be formalized after a 45-day public comment period on how the program should be administered.

The new dairy provisions enacted by Congress also give the Secretary of Agriculture discretionary authority to collect an additional 50 cents/hundredweight deduction, April 1, 1983, if forecasted CCC purchases exceed 7.5 billion pounds of milk equivalent. To make this additional deduction, the Secretary of Agriculture must establish provisions for a refund to farmers who have reduced

their production. No refund of the initial 50 cents/hundredweight assessment is possible.

Elkin emphasized that the upcoming assessment is unfair because all dairy farmers will be treated the same way whether they increase, decrease or hold milk production steady. "Dairy farm families have no choice...no way to avoid the assessment," Elkin continued. "The Secretary's action really amounts to a tax—a regressive tax that will take a larger percentage from dairy families receiving lower prices for their milk."

Throughout Congressional debate of changes to the milk price support program, AMPI had supported the dairy industry's "Dairy Stabilization Program." A key feature of this "self-help" plan would have given dairy farmers an opportunity to avoid price assessments by reducing their production. This plan was approved by the House of Representatives 268-121 as part of their comprehensive agricultural package, but intense opposition from the Administration resulted in its rejection and adoption of an alternative plan during House-Senate Conference Committee consideration.

# A First Texas 80's Report: On Investments.

## “Knowing how to deal with today's unpredictable interest rates means knowing all your options.”

Will interest rates go up? Or will they fall? These days, nobody knows for sure. But one thing you can be sure of is your options. First Texas has just the right plan, no matter what you think interest rates will do in the future.

### Plan One: New Escalating-Rate Money Maker™ Security. Invest up to 89 days.

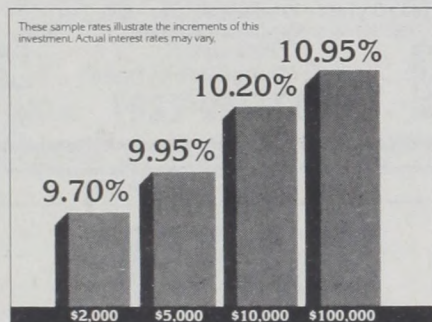

If you think interest rates will climb, First Texas has a great new short-term investment, their Escalating-Rate Money Maker Security. It's escalating, because the more you invest, the higher your interest rate.

The First Texas Escalating-Rate Money Maker Security gives you four optional investment plans. For a minimum deposit of \$2,000, you can buy a Security for 89 days with a daily or fixed rate. Or for a minimum of \$20,000 you can buy a 30- or 60-day fixed-rate Security.

All four options pay competitively high yields. In fact, these Securities have continually outperformed the money market funds, plus they beat inflation by a wide margin.

### The more you invest, the higher your interest.

This new Money Maker Security is escalating. The sample rates in the chart illustrate how the rate changes to your advan-

tage the more you invest. And for amounts of \$100,000 or more, you'll find that the rates are comparable to other investment certificates.

### Safer than money market funds.

The First Texas Escalating-Rate Money Maker Security is a safer investment than most money market funds. That's because both your principal and interest, even on investments over \$100,000, are backed by the strength of First Texas and a trust arrangement.\* With most money market funds, your entire principal is at risk.

Also, at First Texas, you have immediate access to your money with these Securities, and can get a cashier's check on the spot at

any First Texas location statewide. And with their daily-rate Security there's no penalty for early withdrawal.

### Plan Two: New Long-Term Money Market Certificates. Invest for 48 months.

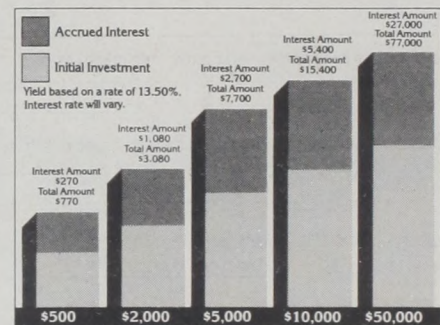

If you think interest rates will fall in the future, First Texas has a new long-term Money Market Certificate—a long-term fixed-rate investment. With the long-term Money Market Certificate, you can safely lock up a high interest rate now.

Also, with this plan, you can have your interest distributed either monthly or quarterly by a check or by a transfer to your First Texas statement savings or checking plan.

### A safe way to lock up your financial future.

You can start with a deposit as small as \$500. Plus, you know your investment is safe, because these Money Market Certificates are insured by the FSLIC.

The term of the Money Market Certificate is now at 48 months. A variable-rate, 42 month plan is also available. Check their example chart to see just how large your initial investment can grow.

Substantial penalty for early withdrawal.

### Long- or short-term? The choice is yours.

So whether you decide long- or short-term is your best option, now's the time to invest and First Texas is the right place to go. First Texas. They can make the most of your money. And that's what beating the 80's is all about.

\*Minimum deposit: \$2,000 (89 days) or \$20,000 (30 or 60 days). Escalating-Rate Money Maker Securities are Repurchase Agreements which are secured debts of First Texas, collateralized by government securities. These Repurchase Agreements (obligations) are not deposits or savings accounts. Although not insured by FSLIC, First Texas has set aside government securities with a trustee in a separate trust account to protect the purchaser against loss.

# Lindsay wallops Prosper 21-6

by Donna Arendt

Lindsay Knights continued their hot record at Prosper last week with a 21-6 win over the Eagles in a game that was more one sided than the score. They rolled up substantial leads of 13 to 8 in first downs and 284 to 141 in total yardage, extending their season record to 4-1 while holding a 2-0 district record.

The Knights got things started by scoring on their first possession of the ball. They began from their own 38-yard line and ended as Stan Dieter went in for the touchdown from 1-yard out. The PAT by Leonard Fuhrmann made the score 7-0 with 5:48 left in the first quarter.

The Eagles made a quick comeback and scored with 1:48 left in the first quarter. From the Knights' kick-off, Prosper went a total of 64 yards to score when quarterback Tim James pitched back to Richard Furr who scored from 14 yards out. The PAT kick by James failed to clear the crossbar leaving Prosper at the short end of 7 to 6.

The Knights opened up the second half with another touchdown drive. From Prosper's kick-off Lindsay gained 72 yards mostly on two plays. The score came after Gary Weems broke

through and ran 43 yards to the Prosper 17-yard line, then John Dieter ran in for the touchdown. The PAT by Fuhrmann was good to make the score 14-6 with 9:29 left in the third quarter.

Lindsay's final scoring drive came after Prosper's quarterback was sacked by Ronnie Fleitman and Gary Dankesreiter for a 5 yard loss. On 4th and 14 at the 8-yard line James punted to the Eagle's 33-yard line. Again to score was John Dieter from 17 yards out. With the PAT by Fuhrmann the final score was 21-6 with 1:26 left in the game.

Next week the knights will host Gunter with kick-off at 7:30.

Too late. Knights Ronnie Fleitman 71, and Mike Hermes 88, rush Prosper's quarterback Tim James but he got off his pass in time.

John Dieter and Kenneth Fuhrmann shared in stopping this Prosper Eagle, No. 25, as Mike Hermes, 88, approaches. Lindsay won 21-6.

### How they stand

After last week's games the standings of area teams are as follows.

Sacred Heart	4-1
Lindsay	4-1 2-0
Muenster	3-2 2-0
Valley View	3-2 1-1
Era	0-5 0-2

Scores of last week's games were Muenster 36 Collinsville 19; Sacred Heart 27, Alvord 6; Lindsay 21, Prosper 6; Bells 37 Era 8; Valley View 21, Gunter 9; Saint Jo 14 Tolar 27.

### Cubs beat Alvord

Sacred Heart Cubs and Alvord Junior High had a scoreless tie going for all but 36 seconds at Alvord last week before the Cubs got to the end zone with a 3 yard pass from John Mangum to Mike Adair, who was outstanding on offense for the Cubs. It was the end of a 40 yard drive beginning with an interception by Sacred Heart.

Otherwise the game was a draw. Both teams moved the ball well but neither kept going until the closing seconds.

A good run nullified by a penalty. Darrell Herr returned it for a touchdown in the game with Alvord but a teammate was called for clipping. Other Tigers in the action are Floyd Truebenbach 62, and Curtis Henscheid, 84.

# SPORTS

## Tigers clobber Bulldogs 27-6

Sacred Heart's Tigers played another fine game last week for a 27-6 win and a current season record of 4-1. As judged by Coach Virgil Henscheid, it was their best defense to date and held the Bulldogs to just one touchdown in spite of giving up the ball four times in fumbles in the first half. Two of the miscues were in the shadow of the goal, halting good scoring opportunities and being a factor in holding the half time score down to 14-6.

Tigers dominated in both offense and defense. While holding Alvord to 105 total yards they rolled up 388 of their own and led 25 to 6 in first downs. For all of which the SH coaches were well pleased. They rate the boys 100 percent on effort but frowned on the mistakes, mental as well as physical.

Tigers started with a bang on first possession as Darrell Herr broke away for 64 yards before being halted on the Alvord 12. It was a great position but the opportunity was lost on a fumble just 4 yards short of destination.

Two series later Alvord had to kick and Herr returned 45 big yards to the goal but a clip penalty nullified the play and moved the ball back to the Bulldog 34. From there the Tigers ground out their score in 7 tries. Herr went over. Curtis Henscheid booted the extra point. Tigers led 7-0 at 3:31.

An exchange of kicks finished the first quarter and Mike Dangelmayr recovered an Alvord fumble on the first series of the second period. Next play Halford recovered a Tiger fumble, but the Bulldogs bogged down and kicked on the second series.

Then, with 80 yards to go, SH started working on its next score. The drive used 7 plays including passes from Neil Hesse to Mike Dangelmayr for 13 and 39. Hesse scored from the 1. Henscheid's kick upped the count to 14-0 at 3:59.

Then it was Alvord's turn. On the Tigers first possession following the score Stephen Halford recovered a Tiger fumble, and Terry Redman zigged and zagged and broke tackles for 45 yards to pay dirt.

Promptly after kickoff the Tigers were on the move again, starting from 78 yards away. Seven plays, including an 18 yard pass to Rick Hennigan and a 27 yard pass to Dangelmayr, reached the 10 where Pennington recovered a SH fumble just before the period ended.

After intermission the Tigers seemed to be goalward bound again. On second play of the period Wade Walterscheid rambled 27 yards to the Alvord 43, and 6 more tries reached the 13, but the drive stalled and SH had to give up possession on the 10.

Four plays later Alvord had to kick and Sacred Heart was back in business on the 38. Runs of 14 by Hennigan and 18 by Herr were the big gains in 4 plays reaching the 4, and Curtis Henscheid scored from there. That made the count 20-6 at 2:55 in the third.

Again the visitors kicked to end their first series and the Tigers launched another drive. Big plays in the 43 yards were 12 by Wade Walterscheid and 15 by Curtis Henscheid, and the scoring play was 1 yard by Neil Hesse. Henscheid's PAT kick was good. The final score was 27-6 with 10:54 remaining.

During that time the teams broke even with each completing a pair of first downs and Ronnie Dangelmayr making an interception for the Tigers.

# Hornets sink Pirates 36-19

By a score of 36-19 in a game that was loaded with football variety, Muenster High's Hornets scuttled the Collinsville Pirates last Friday night.

The big thrill of the action packed contest was Carl Sicking's interception and 95 yard return as the last play of the first half. As he sailed down the left sideline he had solid blocking for some 60 yards and outran a pursuer the rest of the way.

The contest also included touchdowns by both rushing and passing, plus two field goals and a safety, plus a rash of penalties against the Hornets and a razzle dazzle aerial attack by the Pirates. Also included were sharp contrasts as Collinsville gained almost 200 yards in the air and Muenster topped 300 by rushing.

Besides, Muenster had reason for delight in the performance of Ronnie Fisher, apparently fully recovered from an early season injury. He joined Carl Sicking as a big asset in the Hornet rushing department. Together they accounted for almost all of the running gains.

Pirate passing started with

the first play and was followed by a bomb three plays later. It was a sudden gain of 62 to the 15 but ended suddenly by Ronnie Fisher's fumble recovery. However, an interception four plays later put the Pirates back in business on the 5 yard line and a field goal by Ragsdale four plays put Collinsville ahead 3-0.

MHS lost no time in its comeback. Wayne Carroll's 25 yard kickoff return left the Hornets with 58 to go. Six plays including a 25 yard pass, Kevin Felderhoff to Jeff Fisher, plus a 15 yard penalty made the distance. Felderhoff scored on a quarterback sneak. Muenster took the lead 7-3 at 5:01 in the first quarter.

The remainder of the first period and most of the second was a standoff. MHS made three first downs and failed to keep going each time. Collinsville was stopped once by Jeff Fisher's fumble recovery, the next time it combined two big passes for a TD. First one was a halfback heave to the quarter, Ragsdale, for 53 yards, next one was Ragsdale to Ashton for 16.

A pass for extra points failed. Collinsville had a 9-7 lead at 1:23.

After kickoff Muenster bogged down and lost possession on the second series. Then Collinsville in the closing seconds tried two long passes. Sicking intercepted the second one and scooted goalward as the clock was running out. The TD gave Muenster a half time lead of 13-9.

Offensive gains of the first half favored the Pirates, with 143 in the air and 21 on the ground, whereas the Hornets had 37 in the air and 71 on the ground. However the defensive gain of 95 gives MHS the greater total distance. Next half the record shows Collinsville with 55 in the air and a net loss of 11 on the ground whereas Muenster had 234 in rushing and 13 in passing.

The Hornet attack started with the kickoff. Seven plays went 63 yards including a 42 yard scamper by Fisher. Felderhoff scored from the 7 on a quarterback sneak also booted a bonus point, and MHS was ahead 20-9 at 9:19.

After kickoff the Pirates had to kick on first series and the Hornets started a 55 yard drive. They used 9 plays overcoming a clip penalty along the way, Fisher and Sicking alternating, and Sicking scoring from the 1. MHS led 26-9 at 4-41 in the third.

A Pirate punt gave Muenster its next start at the 9 and the second series bogged down requiring a punt. The snap back for the kick sailed over Felderhoff's head and he recovered possession in the end zone. It counted as a safety for Collinsville. The score was 26-11.

The next several minutes can best be described as penalty disaster for muenster. In possession after Collinsville's first series, Muenster encountered a flutter of flags and had nice gains not only nullified but offset by penalty yardage. Fisher gained 38 yards on two runs but both gains were cancelled and 25 yards of penalty were added for a total loss of 63.

Obviously, Hornets had to get rid of the ball, but when the Pirates got possession the flags continued against Muenster. Thirty yards of penalty aided Collinsville's 42 yard advance to the 27, from where a pass was good for a TD. In hardly more than a minute Muenster was penalized 55 yards.

With the score at 26-19 and 8:59 remaining, Muenster took the kickoff and went 50 yards to the 6 in 8 plays, then ran out of steam on the goal line series. Felderhoff salvaged a field goal from the situation, giving MHS a comfortable 29-19 lead with 3:08 remaining.

Finally Leslye Wells intercepted on the Pirates' second series and Muenster headed goalward. They used seven plays going 55 yards, Fisher making the last 8 on the last play and Felderhoff's kick adding an extra point. Final score was 36-19.

## Golf Association will have tourney Sunday, 9 a.m.

Members of the Muenster Golf Association will hold their regular monthly scrables tournament Sunday, the 10th at the Gainesville municipal course. Tee-off at 9 a.m. will be preceded by an election of officers. More information is available from John Schneider, 759-4253.

## Muenster Juniors drop two games

Junior High teams of Muenster lost both ends of a double header last Thursday on the Hornet field. Seventh graders lost 8-6 to the Gainesville kids and eighth graders were wiped out 28-0 by Collinsville.

The future Hornets were first on the scoreboard in the game with Gainesville as Greg Bell broke away on a 40 yard run. Gainesville got its points later in the same period in an 8 yard run and went over again for extra points.

The game with Collinsville was a runaway featuring a big quarterback and a big tailback who would have been assets to the average high school team. They did as they pleased, however the Muenster kids held their own with the other boys.

## Cub Scouts have field trip to KGAF

Radio Station KGAF listeners may have heard two magic words "Hi, Mom" on Tuesday, Oct. 5 about 5 p.m. when Den 4, Muenster Cub Scouts were conducted on a tour of the station. Accompanying them was Den Leader Lupe Evans.

Theme of the Cub program for October is "Communication." Disc Jockey Kenny Jones showed the boys how commercials are taped and played "on the air."

After the tour, the Cubs went to Braum's for an ice cream cone. On the field trip were Douglas Evans, Terry Felderhoff, Ryan Gehrig, Raymond Stewart, Scott Hudspeth, Brad McDaniel, and Den Chief Murlin Evans and Den Leader Lupe Evans.

The next meeting will be on Tuesday, Oct. 19 at 6 p.m. in the Evans home.

## Couple Drives Antique cars

Mr. and Mrs. Vic Koelzer of Burkburnett took part in the Wichita Falls Centennial Parade Saturday. He drove a 1929 Model A Ford pickup and she drove a 1930 5 window Ford coupe. They are members of an Antique Car Club, which exhibited a number of vintage cars, including about 20 Model As. It was Wichita Falls' largest parade on record and lasted about 4 hours.

## Requirements listed for 4-H clubs to get charters

4-H Clubs are now eligible to receive a Charter, in the form of a certificate which can be displayed. The Charter becomes a permit for use of a 4-H Club name and

emblem. It permits a group to function with all the rights and privileges of 4-H membership. This Charter is issued by the Extension Agent when a club meets the

- following requirements:
1. Five or more members.
  2. One or more teen or adult leaders.
  3. Planned projects for at least 3 months in advance.
  4. Elected officers.
  5. All members enrolled in at least one 4-H project.
  6. An official club name.

After a Charter is obtained, the club is then eligible annually to receive a silver seal for excellent performance or a gold seal for superior achievement. In qualifying for either a silver or gold seal, a club must meet at least 18 of 19 requirements presented by the Extension Service.

The Muenster Community 4-H Club received a gold seal for its charter at the Awards Banquet Monday evening; and the Mountain Springs 4-H Club and era Jr. 4-H Club each received a silver seal.

This interception by Carl Sicking is the starting point of a 95 yard return for Muenster's go ahead touchdown in the last play of the first half at Collinsville. Other Hornets there are Ronnie Fisher 30, and Johnny Eldred 11.

## Hornets play Friday at Bells

Muenster High coaches and their Hornets are cautiously optimistic as they prepare for a confrontation with the Bells Panthers Friday night. Up to now Bells has a district standing of 1-1, having lost to Gunter and beat Era by a lopsided count. On the other hand the Hornets have a slight advantage in the district comparison. They have wins over Prosper and Collinsville. Otherwise Bells is unknown except that it started the season ahead of Muenster in district rating.

Regardless of the statistics Coach Peters has visions of extending his district record to three wins. He was well pleased with Hornet suc-

cess at Collinsville last week, especially in the rushing game. His boys made lots of yardage while holding the Pirates down to near zero. A specially pleasing factor was Ronnie Fisher's return to the lineup after recovering from an early season injury. He and Carl Sicking combined in making lots of yards. Another encouragement was improved blocking.

The worst problem last week was pass defense. Though Pirate gains were many and long, Peters has a feeling that this week's practice has overcome much of the trouble.

Physical condition, too, is satisfying. All players are in good condition.

## Schools celebrate national school lunch week

Students in school cafeterias throughout the United States next week will enjoy a meal of Oriental Chicken, Stir Fried Vegetables, steamed rice, fruit fantasy, milk and almond cookies. The occasion is the celebration of National School Lunch Week October 10-16, 1982.

Kicking off a new five year theme for National School Lunch week - "School Lunch: America's No. 1 Energy Source," the special emphasis for this year is "Eat Well, You Body Can Tell." School lunch is

an excellent example of good nutrition and helps students to establish good health habits.

The 91,000 school cafeterias across the nation have become laboratories for nutrition education. Students and adults are more aware of good nutrition and physical fitness now than at any time in recent years.

Students learn to eat foods from each of the food groups in the United States Department of Agriculture's food grouping system when they purchase a school lun-

ch. The National menu will feature chicken from the meat group, fruits and stir fried vegetables from the vegetable and fruit group, rice from the grain group and milk from the milk group.

Students will enjoy an extra food when they eat the Almond Cookie. What a fun and delicious way to eat foods that meet your daily dietary needs!

## 7-A CCD class has liturgy

CCD students of Class 7-A, taught by Mrs. Imogene Zimmerman and her assistant Mrs. Della Hellman, participated in liturgy for the CCD Mass on Wednesday, Sept. 29.

Jamie Walterscheid gave the first reading and Brian Hess gave the response and gospel acclamation. Stuart Hess gave the special prayer after the singing of the "Lamb of God."

Darla Bindel led the offertory Petitions; and Michelle Monday, Donna Walterscheid, Pat Hellman and David Fleitman brought the Offertory gifts to the altar.

The special liturgy planned by Mrs. Theresa Walterscheid and Mrs. Betty Rose Walterscheid observed the feast day of the Archangels Michael, Gabriel and Raphael.

Perryman Denham made a trip to Sheppard A.F.B. Mon. Oct. 4, he stopped in Bowie on his way home to visit his mother, Mrs. Joe Denham.

Recently Dude Berry was having a discussion with his neighbor, Gordon Griffin, about psychiatrists. Dude wanted to know just what all a psychiatrist did and Gordon told him, "They listen to people talk and then talk to them." Dude studied a minute and then replied, "Well heck, I've been doing that nearly all my life." Well, Dude I just imagine you make alot more sense than most psychiatrists do and help folks more than they do, but they get anywhere from \$50. to \$150 or more per hour, while you do it for free.

With that we leave you for this week, except to add that Mrs. Alice Shears celebrates her birthday Oct. 10.
