## Cross country teams

### Lynxettes have Regional Strategy

The Spearman Lynxettes cross country team will be in Lubbock Saturday, Nov. 3, competing against 16 other teams for a berth in the UIL State Cross Country Meet, to be held Nov. 10.

According to coach Richard North, the Lynxettes will run at 9:20 a.m. at Mae Simmons Park, the site of the Regional Cross Country Track Meet. The Lynxettes earned the right to compete in Regionals by finishing first in the District 1-2A meet held at Boys Ranch Wednesday, Oct. 24.

North stated that he and the team's top seven runners, plus two alternates, will leave Spearman High School at approximately noon Friday for the trip to Lubbock. The seven girls running in the meet are led by Haley Shieldknight. The next three runners are Joy Gaffard, Jill Lusby and Kimbre Townsend. They are followed by Gwen Benson, Mandy Lasater and Mary Cook. The two alternates who will go to the meet, but will only run if something happens to one of the top seven, are Sonya Nitschke and Suzanne Sanders.

North indicated that the runners were chosen based on their overall records at the meets in which the

team competed during their regular season. The system was weighted toward the later meets.

North commented about the Regional meet, saying the competition will be the best in the state. He explained, "Abernathy, Sundown, Seymour and Spearman are all ranked in the top eight of the state." He further stated that

Hamlin has been running well and could be a top finisher in the meet.

He went on to say the key to the Lynxettes finishing ahead of the competition are the 4th, 5th and 6th runners. He stated it is important that these girls stay with the top runners. "They (the team) must run in a pack and finish as close to the top as possible," he elaborated.

### Lady Hounds eye gold

by Bob Bort

The Gruver Lady Hounds cross country team, under the direction of coaches D.D. Bradshaw and Mike Banks, will try for the gold at Mae Simmons Park in Lubbock Saturday, Nov. 3.

It is there at that time that the Region I Class A Cross Country Meet will be held. The event will take place early in the morning, at 8:45 a.m.

Last year, in their first year of competition, the Lady Hounds finished second at Mae Simmons Park to eventual state champion Munday. The top three at Lubbock, Munday-Gruver-Nazareth, were

also the top three at the state meet in Georgetown. There, it was a Munday-Nazareth-Gruver finish.

Eight girls will be travelling to Lubbock this week. They are Cora Meyer, Elda Pando, Brendy Brown, Kasey Davis, Monica Ward, Jennifer Hart, Meredith Runyan and Traci Crawford.

The top three teams in the state rankings this year all are again from region I. They are Gruver-Nazareth-Irion County.

This is the second year for a cross country program in Gruver. With their third place finish last year, nothing short of the state championship trophy will satisfy them this year.

Spearman Junior High School was all smiles after receiving the news that the school was selected by the Texas Education Agency as an Exceptional Achievement School. Representing the faculty and

students are (l-r) Beckee Backer, Jerry Orr, Mandi Lair, Carolyn Savage, Stuart Riggins, Lil Turner, Kortney Henton, Richard Olsen and Zetha Blackburn.

Candidate questions

Where to vote

## General election set Tuesday

On Tuesday, Nov. 6, Hansford County voters will go to the polls and cast their ballots. They will be voting on 18 state offices, two district offices, five local offices and one state constitutional amendment.

The various state and regional office races have been covered and detailed by other regional news sources. Therefore, the bulk of the Reporter-Statesman's coverage will focus on the local races.

On the local part of the ballot

there are five races. Three of these are uncontested, with the incumbent running unopposed. They are the District and County Clerk (Amelia C. Johnson), the County Treasurer (Norma Jean Mackie) and County Commissioner, Precinct No. 4 (Val Winger).

The two contested races are for County Judge and Justice of the Peace. In the County Judge race there are two candidates, Eddie G. Martin, Republican, and Jim Brown, Democrat. In the Justice of the Peace race there are three can-

didates. They are Gary Ellsworth, Republican, Michele Davis, Democrat, and a recent write-in candidate, Omar Sutton.

As part of the Reporter-Statesman's election coverage, a questionnaire was sent to the five candidates in the two contested local races. Their answers to these questions are included in the election coverage area. Along with the candidates' answers, readers will find a sample ballot and a list of the precinct voting places.

## Exchange student visits U.S. again

by Jean Ann Behney

The first time Otto Salguero met Mae Wofford and her family, he spoke not a word of English. "Since they spoke little Spanish, it was very strange!" the former exchange student from Guatemala recalls.

Visiting the Wofford family ten years later, 26-year-old Otto speaks beautiful, virtually unaccented English with the ease of the truly bilingual.

This is his second stay in the Texas Panhandle: he lived in the Hereford area with Dale and Mae Wofford in 1979-80 and attended Hereford High School with their son, Bert, during that time. He was part of the International Fellowship foreign exchange student program. Both he and the Woffords had applied to the program, he to live and go to school in the United States and they to open their home to a foreign student.

"I am like a son of theirs," Otto explains, gesturing to the framed photographs of the Wofford family on the walls at their home. "They treat me like one of the kids and when I am with them, I feel just like I am at home!"

One of Otto's unforgettable memories of his first days living in Texas was his second evening in the United States with the Woffords. In spite of the Spanish-English dictionary he kept nearby, he really could not communicate with Bert and his parents yet, but then Bert brought out a Monopoly game.

"I had played the Spanish version of this game, so we started to play with no problems," he says, grinning. "But then I had to tell Bert to 'Go to Jail.' In Spanish, we pronounce 'j' as 'h's, so I told Bert, 'Go to hall.'"

Bert burst out laughing and when Otto, perplexed, repeated the phrase with his Spanish accent, Bert, still chuckling, went to get his parents so they could enjoy the

joke.

With the use of the dictionary and some complicated hand motions, the Woffords were able to convey the meaning of the joke to Otto. From that moment on, he said he was completely comfortable with his adopted American family and learning English came quickly!

Otto is a native of Esquipulas, Guatemala, a town of 25,000 people in this Central American country located south of Mexico. Esquipulas is famous for its Catholic Church (Basilica) with its unusual carved statue of Christ. Several hundred years old, it is believed by many to bring about miracles. "People come from all over the world to pray at this statue," comments Otto.

When the time came for him to return to Guatemala at the end of the school year in Hereford in 1980, Otto confesses that he cried. "I did not want to leave the United States or the Wofford family, but once I was back in Esquipulas, I realized that I really belonged to Guatemala," he says seriously.

Once returned, he completed high school and Mae traveled to his home to help celebrate Otto's graduation. Then he enrolled at the University of Monterey in Mexico, which he terms "the Texas A&M of South America." Most of his textbooks were in English, in fact, but Otto says he did not really get enough practice speaking English during his college years.

He earned a degree in agricultural engineering and immediately put his book-learning to practical use as he started a chicken farm in his native country in January of 1988. (In a bizarre coincidence, Bert Wofford, back in the Texas Panhandle, also helped operate a chicken farm for a while at about this same time!)

Otto also opened a cafe along the street-side of the hotel his parents own in Esquipulas. The ambitious young entrepreneur opened a store for selling the chickens and began

growing black beans, a staple food commodity in Guatemala. Last year, he planted coffee bean trees on his land.

"It will take three or four years for my first harvest of coffee beans, but they are an important crop because they can be exported, and that means money for Guatemala," Otto explains. Coffee beans account for over a fourth of his country's exports.

He describes his native country as "very poor." Over five million people live there in an area about the size of Tennessee and most of them are "poor farmers." According to Otto, 30 to 40 percent of the population is of Indian descent (Mayan). His own family traces its

roots to Spain. "But that is unimportant," he says. "We are all Guatemalans."

Otto affirms that the single biggest difference between Guatemala and the United States is the opportunities a person of little or no means can find here that are not available in his own native country.

"The poor in Guatemala will stay poor all their lives," he says quietly. "Everything is better here in the States. Americans are very smart and they make their lives so easily because of the good opportunities for success here. In Guatemala, it is hard to get a good

Gruver Elementary School received an Exemplary Performance Award at a special ceremony Oct. 27 in the Texas House chamber. The school was selected as an "exemplary" campus as part of Governor Bill Clements's Educational Excellence Program. Schools were selected to receive the award if student performance on the TEAMS tests was at least 10 percent above the statewide average in the two previous years. Displaying the flag and certificate received by the school is the Campus Improvement Team, which includes (l-r) Donna Knoll, Janie Steele, Camille Miller, Diane Brown, Pat Overbey, Dody Banks and Bob Burgoon, principal. Also part of the team but not present is Carmelita Gage.

## Drilling permits down

AUSTIN - A total of 1,339 drilling permits were issued by the Railroad Commission in September, according to RRC Chairman Kent Hance. In August, the total was 1,359. September 1989's total was 1,236.

The September total included 830 permits to drill new oil and gas tests, 53 to re-enter existing well bores, 30 to deepen existing holes, 146 to plugback existing holes, and 143 for other wells. Operators were also issued 137 amended drilling permits.

Hance said permits issued for new oil and gas holes in September included 26 in the San Antonio area (District 1), 40 in the Refugio area (District 2), 62 in Southeast Texas (District 3), 51 in deep South Texas (District 4), 25 in East Central Texas (District 5), 47 in East Texas (District 6), 102 in West Central Texas (District 7B), 91 in the San Angelo area (District 7C), 157 in the Midland area (District 8), 108 in the Lubbock area (District 8A), 95 in North Texas (District 9) and 26 in the Panhandle (District 10).

In the first 10 months of 1990, the Commission has issued 11,410 drilling permits, an 8 percent increase from the 10,517 issued during the same period of 1989.

The 1,339 permits issued in September included 686 oil permits, 161 gas permits, 379 oil and gas permits, 87 injection permits, 13 disposal permits and 13 other permits.

Texas oil and gas operators reported 149 gas and 336 oil comple-

tions in September, according to Hance. In August the total was 244 gas and 479 oil completions. September 1989's total was 177 gas and 387 oil completions.

Gas completions in September included six in the San Antonio area (District 1), 17 in the Refugio area (District 2), 18 in Southeast Texas (District 3), 39 in deep South Texas (District 4), six in East Central Texas (District 5), 19 in East Texas (District 6), 10 in West Central Texas (District 7B), 15 in the San Angelo area (District 7C), two in the Midland area (District 8), 13 in North Texas (District 9) and four in the Panhandle (District 10), according to Hance.

Oil completions included 48 in the San Antonio area (District 1), three in the Refugio area (District 2), 25 in Southeast Texas (District 3), 14 in deep South Texas (District 4), six in East Central Texas (District 5), 19 in East Texas (District 6), 10 in West Central Texas (District 7B), 15 in the San Angelo area (District 7C), two in the Midland area (District 8), 13 in North Texas (District 9) and four in the Panhandle (District 10), according to Hance.

Local completions reported in September included 336 oil, 149 gas and 26 service completions. In September 1989, operators filed 387 oil, 177 gas and 41 service completion reports.

In the first 10 months of 1990 the Commission has recorded a total of 6,849 well completions, a 9 percent increase from the 6,206 well completions recorded during the same period of 1989.

# Radio show comes to Spearman

Spearman's Ministerial Alliance announces a 30-minute radio talk show, "Focus on the Family," which was scheduled to begin airing on KRDF-FM radio station in Spearman this week. The show is broadcast at 9:30 p.m. and is funded by commercial sponsorship of local businesses and by private donations.

Hosting the show is James C. Dobson, Ph.D., founder and president of Focus on the Family, a California-based organization. Radio host, author and pro-family activist, Dr. Dobson is widely known for his dozen family oriented books, including "Dare to Discipline" and "What Wives Wish Their Husbands Knew About Women." His filmed seminars have been featured by churches in Spearman and seen by millions of people worldwide.

Dr. Dobson is one of the nation's staunchest advocates of what can only be called "traditional family values." To him, those precepts include loyalty and permanence in marriage, raising children with discipline as well as affection, regard for "the worth of every human being" and a spiritual undergirding "that gives meaning

to life and the family," as Dobson said in a Wall Street Journal interview recently.

The Monday-through-Friday talk show is one of the most popular features of Focus on the Family. The program airs on more than 1300 radio stations nationwide, a number second only to Paul Harvey's syndicated news.

## Church hosts meeting

The Church of Christ in Gruver will host a series of Gospel meetings Nov. 4-7.

Visiting evangelist will be Ben Mereness from Dumas. Mereness has been with the Gruver church twice previously in such meeting efforts. He is well respected in the

community and loved by members of the congregation. The public is invited and encouraged to join in these meetings. Sunday services will begin at 9:30 a.m. for Bible study. Worship hours are at 10:20 a.m. and 6:00 p.m. Services Monday-Wednesday will be at 7:30 a.m. and 7:30 p.m.

Topics for the meetings will be: Sunday Bible Class - "A Closer Look At Us"

Sunday morning worship - "What This Church Needs"

Sunday evening - "A Call To Commitment"

Monday morning - "A Common Love For Each Other"

Monday evening - "The Delay Dilemma Spirit"

Tuesday morning - "A Common Gift To The Savior"

Tuesday evening - "When Jesus Loves"

Wednesday morning - "A Common Bond Holding Us To The Lord"

Wednesday evening - "God's Ageless Ultimatum"

Mereness brings an experience of much local work with congregations of the Church of Christ, plus several Gospel Meetings of this type. He is married to a former Panhandle resident, and they have two fine young sons. Jackie and the boys will be able to join him for the Sunday services, but must return to Dumas for the boys to be in school.

The Church of Christ of Gruver is pleased to invite everyone to attend any or all meetings.

Members of Hansford County Heart and Hands hospice support group watch as Spearman Mayor Burl Buchanan signs a proclamation declaring November to be

"National Hospice Month." Members include (l-r) Charlotte Jackson, John Scott, Kim Sherlock and Brenda Wall.

## November National Hospice Month

November has been designated as National Hospice Month by the Congress of the United States and by proclamation by the Mayor of Spearman, Burl Buchanan.

Buchanan signed the city proclamation Tuesday at Spearman City Hall in the presence of members of the hospice volunteer group, Hansford County Hearts and Hands Hospice Support Group. John Scott, vice president of the group, released the story of the national designation.

According to Scott and the mayoral proclamation, hospice is a comprehensive, compassionate program of care for terminally ill patients and their families. It involves counseling, care and sup-

port for both the terminally ill person and for the family and loved ones of the patient. Scott stressed that the care is home-based.

According to Scott, care is given through the joint effort of trained hospice volunteers in the local community working with professional caregivers. This staff of professional caregivers will be provided by Memorial Hospice of Moore County. The staff consists of a full time R.N., a Medical Director, social worker, pharmacist and counselor.

Scott said there are currently 22 volunteers in Hansford County who have either completed training in hospice care or are currently involved in the training. In Gruver,

six volunteers completed a hospice care course offered in Amarillo and six are currently attending a course in Dumas. In Spearman, 10 volunteers are finishing the Dumas course.

Scott concluded by saying this is only a start, and that hospice can only continue with increased community support. He stated, "Hospice can serve our communities in Hansford County only with your gifts of time, (as you volunteer your help), of talent (as you lend advice and ability to special projects) and of treasure (as your financial gifts are used to bring the special services of hospice to the patients and their families).

## Ritter adopts problem

"Problem Child" stars John Ritter as a would-be dad who fails to conceive a child with wife Amy Yasbeck.

Turning to adoption, they wind up with Junior (Michael Oliver), a Jay North lookalike who turns their lives upside-down. Meanwhile, Ritter's dad (Jack Warden) is busy trying to cut his son out of his sporting goods empire by selling to the Japanese, while touting his patriotism via a mayoral campaign.

Despite several attempts to return Junior to the orphanage

following a few felonious mishaps, Dad finally comes to his senses when Junior is kidnapped by a dangerous convict (Michael Richards), whom he pursues with a vengeance.

The performances are first-rate. Ritter is perfectly cast as Ben, as is Warden, who steals every scene he appears in. Richards shines as the demented convict, and Gilbert Gottfried is funny as the head of the adoption agency. Actor Dennis Dugan's directorial debut recalls his work on TV's "Moonlighting." The film is rated PG.

## Cancer screening set

The Breast Cancer Screening Program of The Don & Sybil Harrington Cancer Center and High Plains Baptist Hospital of Amarillo will begin community breast cancer screening clinics for Gruver for early detection of breast cancer.

Funding is available through the Texas Cancer Council for screening mammography for Texas residents qualifying for financial assistance.

Early detection of breast cancer is the major goal of cancer control for each woman seen in the clinic. The clinic provides low cost screening which includes a breast exam by a Registered Nurse trained in breast cancer detection, teaching of breast self examination, and a mammogram.

Currently, the most effective method known to win the battle against breast cancer is early detection. Early detection is best done by following the guidelines recommended by the American Cancer Society for breast cancer screening for women who have no signs or symptoms of breast cancer. The guidelines are:

1. Learn and perform breast self examination every month.
2. Have a physical examination of the breasts every year.
3. Have a mammogram according to the recommendations by age: age 35 to 40, one baseline mammogram; age 40 to 50, a mammogram every 1 to 2 years; and over 50, yearly mammograms.

A clinic will be held on Monday, Nov. 12 from 10:00 a.m. to 2:30

p.m., in Gruver, at the Methodist Church. Exams are done by appointment only. For more information about the clinic or to make an appointment, please call the Harrington Cancer Center at 359-4673 or toll free number, 1-800-274-4673.

Locally for more information, contact Karen Babitzke at 659-2136.

# Delozier wins trip

Golden Spread Boy Scout Council awarded Brad Delozier, son of Terry and Candi Delozier, a trip for three to Sea World - San Antonio. Brad received this trip for selling the most popcorn in the entire council last year. The Golden Spread Council is comprised of the Texas and Oklahoma panhandle

counties. Brad, his father and a friend flew to San Antonio March 31 with tickets awarded through the council. They spent the day at Sea World enjoying eight different shows, featuring walrus to whales. They saw Shamu the whale and enjoyed all the different foods that they could hold. The kids enjoyed the night flights because they got to see the lights of Dallas, San Antonio and Amarillo.

Boy Scouts are again making the rounds of the town selling Trails End popcorn. Scouts have available the three-pound bucket of popping corn, microwave popcorn in a five-pack or the economy pack of 12, and the caramel corn with pecans in the Americana collector tin. These make wonderful gifts for friends and employees.

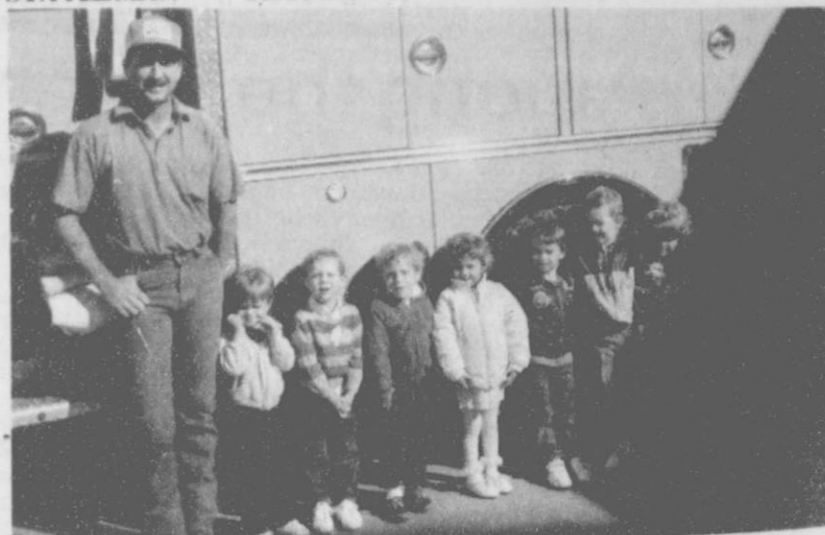

Anyone who has not been contacted by a Scout can call Bob Fair at 659-3589 or Wayne Cummings at 659-2106 to purchase popcorn.

# 7.7 million register

AUSTIN-Secretary of State George Bayoud announced that more than 7.7 million Texans are registered to vote on Nov. 6 - an all-time high for a gubernatorial year general election.

"I am pleased that we've reached an all-time high for a gubernatorial general election," said Bayoud, the state's chief elections officer. "I urge all registered Texans to vote either on election day, or during the extended absentee voting period that is now in progress."

Of the state's currently estimated 12.5 million eligible voters, 7,701,499, or about 62 percent, are registered, Bayoud said. The previous high for a gubernatorial year general election was 1986 when 7,287,173 Texans were registered.

Bayoud said more than 300,000 new voter registration applications have been processed statewide since the March 13, 1990 primary elections. The deadline to register to vote in the Nov. 6 election was

Oct. 7 in person and Oct. 9 by mail.

In August of even-numbered years, usually about 10 percent of the total number of Texas' registered voters are purged, or removed, from the registration rolls because they have moved and failed to notify their local voter registrar of their new address.

This year, the purge process resulted in the removal of more than 900,000 registered voters from statewide registration rolls.

In an effort to register new voters and increase turnout, Bayoud's office last December kicked off VOTE '90, a statewide, non-partisan campaign. More than 5,000 Texas businesses, civic organizations and community groups are participating in VOTE '90 by distributing voter registration applications and other materials.

The "extended" absentee voting period runs through Nov. 2. For information on local absentee voting hours and locations, call the Hansford County Clerk.

## Police Files

Last week's activity by the Spearman Police Department included traffic arrests, vandalism, burglary, a dog bite and a domestic disturbance.

According to incident reports provided by the SPD, traffic arrests were made Oct. 23 and 25. A 63 year old male was arrested Oct. 23 for driving without proof of insurance. Arresting officer was Alex Gonzales. A 32 year old male was arrested Oct. 25 on outstanding DPS warrants. The arresting officer in that incident was David Bowles.

Officer Bowles received a report of vandalism Oct. 23. The tires on a pickup were cut, resulting in

damages totaling \$500.

Officer Bruce Goehring investigated a burglary Oct. 26, when toys were reported to have been taken from a playhouse. Value of the missing items was placed at \$200.

A 6 year old Spearman youth was bitten by a dog Oct. 26. Officer Bowles took the report, and the animal was ordered impounded for 10 days.

Officer Larry James and Sgt. Steve Schmidt-Witcher responded to a domestic disturbance call Oct. 28.

## Elect JIM BROWN HANSFORD CO. JUDGE

Rosemary and I have been married for 33 years and have raised five children. I know what a budget is and I know how to stick with one. It was a must raising our children and it is a must for the county. The legislature in 1983 changed the values, dollar wise, on misdemeanors to relieve some of the burden on district courts. Consequently, the county courts are hearing more cases. The county judge is required by law to preside over criminal and civil trials: both jury and non-jury, D.W.I.'s, worthless checks, mental health programs, alcohol and drug rehabilitation programs, guardianship matters, cases involving juveniles, probates, and estate litigation. I will work closely with the county commissioner's court and all elected officials. The citizens of Hansford County deserve a county court that will be run with efficiency and knowledge of the law. The majority of my career has dealt with family and criminal law. The thirteen years of experience I have in the criminal justice system qualifies me to serve in the position of county judge. I ask you to consider and compare my experience, qualifications and background when you cast your vote on November 6th. I would like to work with you, the people of Hansford County, and continue to make Hansford County "One of the Best" communities in which to work and raise our children.

Thank You,

*Jim Brown*

Jim Brown

# Among the Neighbors

by Helen Fisher

Guests last weekend of Ruth and Ken Burch were Ronnie and Sandi Burch with their daughter Sonja and friend Keith Reif. They are from Burton, Kan. Sharing the pleasure of their visit were other family members who live here—Terry and Tammi Burch with children Brandi, Natasha, Joseph, Jacob and Jeremy; Elbert and Carmela Dorton with Megan, Bill and Billy Martin and June Potts.

Sybil and W.R. Underwood of Albuquerque were in Spearman one day last week calling on old friends and transacting business. Sybil, the daughter of Mr. and Mrs. Bob Bailey, lived here during her early years.

It's back to the cookbooks and chef's apron for G. Pope Gibner as he welcomes Margaret back home. She has been in Hansford Manor for several weeks recuperating from a broken bone. Margaret is very pleased and relieved to be back in her home although she is grateful for the care and consideration shown her by the staff of the Manor.

Julie Martin returned Thursday from several days with her parents in Caspar, Wyo. She and little Stewart had gone to attend the funeral of her 93 year old grandmother. It was held in Gillette on Tuesday.

Rubyjo Wilbanks spent last weekend in Clovis where she attended the convention of the Church of the Latter Day Saints.

An interesting article and picture of Joanna Jarvis was carried in the Stinnett Adobe Press last week and also two issues of the *Borger Herald*. It described her shop "Southwest Outlet" in the Adobe Creek Plaza in Stinnett. The opening was on Friday and Saturday. The shop carries a line of Western Crafts, jewelry and Stinnett Comanche paraphernalia. Good Luck, Joanna!

It's quiet around the home of Betty and Chalmers Porter now after a week of childish activity and noise and fun. Their grandsons, Joshua, 4, and Isaiah, 6, stayed with them while parents Raymie and Natalie Porter attended a National Agronomy Convention in San An-

tonio. Handsome boys they are, and Chalmers' belief in heredity is reaffirmed! Of course, it is an accepted fact that nothing makes a boy smarter than being a grandson.

Raymie and Natalie came back on Thursday and stayed until Monday. During this time Elsie Porter came over from Canyon and Doug Porter also visited them. Recently Betty and Chalmers visited his brother Frank, who is still in a Midwest City, Okla. hospital where he has been since August 22. They see no change in his condition.

It would be a joy if this column could consist of cheerful, happy items, but there are weeks when sadness and concerns predominate.

Death, as it must to all families, came to several families this week. Many are the heartfelt condolences to Cecil and Ellen Reynolds and other family members on the tragic death of their son, Virgil Lee, 42. Always his friends and former school mates will carry the image of a handsome, smiling boy known to them.

To the family of Larence Dossett and especially to Sara - who began and ended her marriage of 50 years in Spearman with his passing. All would like to ease her loneliness if possible and do extend sincere sympathy.

Words of commiseration on the Shedeck and McWhirter families on the death of Leona's husband, Noble Sikes. He and Leona, who grew up here, have visited in Spearman many times.

Attending the funeral services at Portales on Saturday morning were Richard Shedeck, Dolly and Jack McWhirter, Cynthia Floyd, Mr. and Mrs. Mike Shedeck, Lefors; and Dickie and Bill Wilson of Fritch.

To Ruth Hill on the passing of her sister whose services were held in Canyon on October 25.

To Emma Cervantes of Morse - services for her sister Bernice Padilla Melendes were held in Stinnett on October 24.

To Wanda Archer on the death of her brother Jack B. Vaughn - services were in Pampa on October 23.

To all - sincere sympathy.

The hospitalization of many is a cause of concern to all the neighbors - Among them are:

Faye Holt, who underwent heart surgery on Thursday at High Plains Baptist. She is reported to be recovering and out of I.C.U.

Altha Townsend Kirk, who is now in rehabilitation at St. Anthony's recovering from serious complications after shoulder surgery.

Ira Harbour, who had surgery

Monday week at High Plains Baptist. He was moved to a room this past Monday and the report is that the prognosis is encouraging.

Jerald Scribner, who is reported to be seriously ill at St. Anthony's hospital. He was transferred from Ochiltree General Hospital last week.

Marie (Mrs. Monte) Harbour, who is in High Plains Baptist. Last Wednesday she went in for what was expected to be minor surgery, but complications developed and she has had a rough time. Although she is recovering she expects to be hospitalized for some time.

Audene and Verlin Beck were away over the weekend stopping in Amarillo first and spending the night in the home of her sister Margaret. They were in Lubbock for the Parents Weekend activities as their son Monte is a senior at Tech. Later they drove to Floydada and spent a night with her sister Bill and Leon Ferguson.

To those passers-by who did a double take at the activities in your neighbor's yard last week - all the piles of dirt; the machinery and equipment, the five workmen and the digging activities. No, they were not digging for bodies (though it does remain a mystery as to what happened to those beaus and admirers of long ago).

The fact is that the crew came for what was expected to be a short day's work - but it developed into a dorky deal that took three long days. They figured out why in the Indian language there is no profanity - they have no sewers.

So to Cecil Reynolds, Steve Krug, John Knudson, Steve Witcher-Smith and James Boyles - for their patience during all the questions, comments, advice and observation and a successful conclusion to a bad situation—Thanks, Guys.

## Birth Announcement

Brett and Brenda Whitford of Spearman announce the birth of their second child, a son, born Thursday, Oct. 11.

He weighed 5 pounds, 9/4 ounces at birth and has been named Adam Brett Whitford. He has an older sister, Christen.

Grandparents include David and Jean Hawkins of Dumas, Larry Whitford of Perryton and Linda Whitford of Mineral Wells.

**Drop-In Bridal Shower**  
Honoring Charlotte Brandt, bride-elect of Tim Buscha, Friday, November 2 from 7 to 8 p.m. in First Baptist Church Fellowship Hall.

(photo by JoAnn Morton)

Fire prevention was part of Spearman Elementary School's curriculum Thursday, Oct. 25 when Capt. Eldon Myrick and Lt. Rodney Fulce of the Spearman Volunteer Fire Department visited. During one such "class," the volunteer firefighters

explained fire prevention and safety to Jan Howard's and Shelley Edenborough's kindergarten students. The lesson included a visual aid in the form of a SVFD fire truck.

# PTA Howling for Members

The Spearman PTA recently completed its first membership drive for the current school year. The theme this year has been "Howling for Members."

The membership contest was won by Mrs. Karen Thompson's third grade class having 62.5 percent of their class as members of PTA. They were treated to a coke and nacho party on Friday, Oct. 26, and were entertained by Cowboy Jack. There was lots of laughter and singing in this winning class.

The second place winner was

Verlin Winegarner's fifth grade homeroom with 58.8 percent. The Spearman PTA congratulated these classes and their teachers on this fine effort.

Teresa Kirk, membership chairman, said, "Remember that we want members all through the year. If you care about children, you should belong to the PTA. You don't have to be a parent or teacher

or have children in school to join. Everyone wants to make life better for children and this is a way that you can take part.

PTA is working for children in Spearman, in Hansford County and in Texas. Membership is only a few dollars per year. Aren't our children worth it?" she added.

For information on how to become a member, contact Kirk at 659-2794.

## Flame Fellowship to meet Nov. 2

Carolyn Seymour of Tulsa, Okla. is the scheduled speaker for Flame Fellowship's November meeting, to be held Friday, Nov. 2.

Seymour is an ordained minister of the Gospel with 20 years of full time ministry. She attended Southern Bible College in Houston and is a graduate of Word of Faith College in Dallas. Seymour served 15 years in pastoral ministry, serving churches in Texas and Louisiana.

Since 1988 she has traveled exten-

sively, preaching revivals and seminars, and speaking to women's groups. She is also a recording artist, with two long-playing albums to her credit.

Flame Fellowship invites the public to hear this talented woman's ministry. Flame is a nondenominational group and all are welcome. The group meets at 305 N. Bernice (Homemakers Demonstration Bldg.) at 7:00 p.m. on Friday, November 2.

## Club News

### GLADIOLA FLOWER CLUB

The Gladiola Flower Club met Thursday, Oct. 18 in the home of Dorothy Haner.

President Lorraine Kunselman called the meeting to order and roll call was answered with "Favorite Country." Minutes of the previous meeting were read and approved.

Jo Larson and Estelle Jackson advised club members that they would entertain their husbands with a Thanksgiving Dinner on Nov. 8 at 6:30 p.m., in the fellowship hall of the First Christian Church.

Dorothy Haner won first place in the pot plant division.

Club members were then dismissed to go to the Hansford County Museum and the program was presented by Virginia Head.

The following Mesdames were present: Marcus Larson, Don Kunselman, Bill K. Jackson, Garland Head, Ed Haner, Kenneth Evans, Irvin Davis, Gordon Cummings, John Brown and Billy Baker.

### RAINBOWS & RANGLERS

Five squares danced to the calls of Tom McGee of Booker Saturday night in the county barn.

Visitors were: from Perryton, Ed and Lois Merydith, Howard and Nancy Barkley, Gordon Holly, Landrum Osborne, Jolene Miller, June

Kindy, Ginnie Pilcher, Wayne and Glenda Bryant, Ray and Brenda Griffin, Don and Darless Bishop, Raymond and Susan Hessel and James and Norma Burris.

Members were: Jim and Martha McWilliam, Jim and Kathy Morley, Alvin Byers, Becky Lusby, Rusty and Judy Tindell, Sonny and Marlane Nollner, DuWayne and Martha Thurman, Charles Bartz, Ronnie and Vicky Bullard, Gwen Shuler, Benny and Joyce Byers, Bonnie Ball, Danny and Debbie Herrington, Delbert and Louise Timmons, and Johnny and Virginia White.

The next dance will be a Plus Dance on Nov. 8 with Murry Beasley calling.

### LAUREATE GAMMA GAMMA

Laureate Gamma Gamma had its Halloween costume party Thursday, Oct. 25 in the Lewis Schnell home. Games were played and a dinner of stew, corn bread and pies was served to the following:

Mr. and Mrs. Ed Dear, Mr. and Mrs. Sonny Windom, Mr. and Mrs. Kent Guthrie, Mr. and Mrs. Bob Hohertz, Mr. and Mrs. Perry Dixon, Mr. and Mrs. R.L. McClellan, Mr. and Mrs. Bill Strawn, Mr. and Mrs. Tom Latta, Darlene Howell, Maudine Patterson, Rosa Lee Butt and Lewis Schnell.

### THANK YOU

Words can not begin to describe how the family of Larence Dossett feels for everything that was done to make our burden easier!

To Dr. Ridge, and the nurses and hospital staff, who did everything possible for him, we give them thanks!

To the many friends for the calls, food and other acts of kindness, and the beautiful flowers, thanks!

And for the services at the First Christian Church, to our Pastor LaVern Draper, the choir and especially to Sammie for the song, thanks!

How fortunate we are to live in this community.

Again, Thanks,

Sara, Bernard, Buddy Diana & grandchildren

### THANK YOU

We would like to express our sincere thanks to the 9-1-1 "crew" for their promptness and good work.

To the wonderful and helpful nurses - "A Special Thanks."

To Dr. Ridge for his personal attention, also to our friends for their thoughtfulness, Many Thanks!

E.C. (Ab), Beulah and Sam Abston

For participating in the 1990 Texans' War On Drugs Red Ribbon Campaign!

You are cordially invited to attend a reception in honor of

J.T. Pond

on his 80th birthday

Hosted by his children

Sunday, Nov. 11th, 1990

2 to 4 p.m.

First State Bank Building

No gifts please

Happy Birthday

Stephanie

You have a lot to smile about... a wonderful husband and 4 great kids and still lookin' great at 40!

Winners of the adult costume judging at the Gruver Halloween carnival were (l-r) Tiffanie Crane, third place; Kathy Taylor, second place; and Christy Johnson, first place.

Winners of the junior division costume judging at the Gruver Halloween carnival were Amber and Autumn Roberts, dressed as a washer and dryer.

## Students wear ribbons

By Gretchen Lowder  
Students at Gruver High School recently participated in the 1990 Texas Red Ribbon Campaign in the hope of making one more small step towards discouraging drugs, which have become one of the nation's most serious problems. Although the Red Ribbon Campaign is a nationwide effort sponsored by the National Federation of Parents, it is also a statewide campaign sponsored in Texas by the Texans' War on Drugs. Throughout the week, the student body showed its support of the campaign by wearing red ribbons which said, "Join Me I'm Drug Free." Students in grades kindergarten through sixth saw a puppet show provided by the Tex-

ans' War on Drugs, and seventh through twelfth grade students saw a videodrama called "Has Anybody Seen Phil?" After the video, students discussed ways to combat the problem of drugs and stress by learning to cope with social pressure. Keith Gibson, mayor of Gruver, showed his support of the campaign by signing the Texans' War on Drugs Proclamation Wednesday, Oct. 17, designating the week of Oct. 21-28, 1990 as Red Ribbon Week in Gruver. This was a proclamation supporting the elimination of drugs in our schools and communities in Texas and all over the United States.

"It's not just the school," said Cathy Potts, school counselor and coordinator of the Red Ribbon activities, "it's community, business and media. The whole society is focusing on it at that period of time." Potts says that by getting everyone involved in the effort at the same time, people will take it more seriously. "It lets the world know how you stand on the drug issue," said one GHS student. Many of the high school students liked the idea of wearing ribbons to show their stand on drugs. They hope that their negative actions against drugs will directly influence the younger children when the time comes for them to "Just Say No."

## Club News

### ALPHA MU PSI

Alpha Mu Psi hosted an "Over 70's" dinner in the Methodist Church Fellowship Hall Oct. 16, with "Hoe-Down" as the theme. Door prizes donated by local merchants were given away, and entertainment was provided by Joe T. Venneman, Benny Wilson, Brenda Dahl and Betty Chisum. Alpha Mu Psi collected \$2,200.53 in donations during its "Trick or Treat for Mobile Meals" effort Oct. 16.

## GHS students to go to Superconference

By Gretchen Lowder

Students at GHS who are involved in U.I.L., or University Interscholastic League, are planning to attend the U.I.L. Student Activities Conference Saturday, Nov. 10 at Texas Tech University in Lubbock.

The Activities Conference, or "Superconference" as it is also called, enables students to learn techniques and general information from some of the best teachers and sponsors in the state.

Instructional sessions begin in the morning and often last throughout the day. Students attend only the classes that deal with the U.I.L. events they are involved in, and therefore receive special information in specific areas. This kind of focus on specifics can make a considerable difference to those students who are preparing for the spring meet in March.

"I think it helps kids get more excited about U.I.L. events," said Russ Chisum, GHS speech instructor. The students are taking the conference very seriously and

although many have attended before, they are all hoping to benefit from the knowledge and guidance of the instructors. "I've been to two of them, and they've both been excellent," said Benny McClenagan, student at GHS.

Students, however, are not the only ones who benefit from the Student Activities Conference. Teachers have the chance to learn valuable lessons in curriculum and instruction while students are attending classes. They can learn techniques from some of the best instructors in the state.

One of the reasons the conference is said to be beneficial is that it includes sessions dealing with all U.I.L. events. On a broad scale these events are made up largely of math, science, current events, journalism, speech and debate and the theater.

Students involved in U.I.L. are awaiting the Superconference, and hoping that with the guidance and knowledge of the conference teachers and sponsors, they will learn to be the best in their U.I.L. event.

## GHS commended by state board

Gruver High School was commended by the State Board of Education for outstanding performance on the 1989-90 TEAMS test.

GHS Principal Barry Haensch received a congratulatory letter from Monte Hasie, chairman of the state board, stating, "It is with great pleasure that I offer congratulations to you on behalf of the State Board of Education. The outstanding performance by your students on the 1989-90 TEAMS test is to be commended. Their performance is indicative of strong instructional leadership, quality

teaching, and support from parents and community.

"The Board is proud of the academic success enjoyed by your campus. Please extend our congratulations to your staff, students, and parents for their continued commitment to educational excellence."

## Panhandle Events

### COMMUNITY CONCERT BORGER

The Crescent City Jazz Band from New Orleans, La. will present a concert Sunday, Nov. 4 at 3 p.m. in the Borger High School auditorium.

This Community Concert of Dixieland jazz is sponsored by the Tri-City Community Concert Association.

## On The Go With Joy

by Joy Henderson

Seems that there is a lot of negotiation, compromising, etc. going on with the upcoming elections getting closer and closer. There is so much mudslinging and name-calling, and the most it is doing is clouding the issues so we don't know who to vote for. I'll tell you right now that I am so disgusted with candidates that I'm about ready to go fishing or hunting or something on election day.

Negotiations and compromises are such a way of our life that too much time, energy, and money are wasted because of this. But I guess some of it needs to be done in order that we keep the "dead-beats" out. So let's get rid of some of them on election day—however, who will that leave to run the states and nations?

Congratulations are in order to the Gruver Elementary students, teachers and principal. Bob Burgoon and Tom Cathey, school superintendent, traveled to Austin Saturday to receive the Governor's Award for Exemplary Performance. This is based on the past three years achievement record. Just one other instance to prove that Gruver has outstanding schools with personnel that can bring out the best in our students scholastically.

While Bob Burgoon was gone Saturday, wife Connie took advantage of his absence by going down to help daughter Amy get settled in a new apartment.

Oscar and Violet Lee recently had a visit from his nephew and wife from Topeka, Kan. Walt and Jerry Seedig made the over-night stop in Gruver with El Paso as their destination. The Seedigs also have relatives in the Spearman area and were residents in that area several years ago. The Lees also enjoyed a short visit from granddaughters Chanda and Tiffanie Lee and their mother Helen Red of the Ft. Worth

area. Helen and the children will be spending a couple of months in the New Jersey area while James Red is being transferred by his company for a short time.

Good news!! Gary and Diane Doty are back! I understand they were able to attend church services at FBC in Gruver. Gary was critically injured and has been hospitalized for treatment and therapy since last March. We will have more details later as to what will be a part of his daily life and routine.

Barry and Kerri Barkley have their new son at home now. The baby had surgery to treat a clogged aorta a few days after birth.

Known visitors in Gruver recently were Chris and Lisa Dorman and three children from El Paso, guests in home of parents the James Dormans; Jake Coats, guest of Virginia Taylor from Spearman; also Jodi Fowler of Spearman, guest of Ona McClenagan; and Jim Deweese of Plainview.

Don and Pat Morley were able to travel to Hobart, Okla. where they visited with the Ken Bakers. While there, they had a chance to see J.W. Doake who ministered here with The Christian Church. He reported that his wife Margaret would be released from an Altus hospital after having knee surgery. Joining up with them and enjoying a foliage tour were Ray and Louise Etter. An enjoyable weekend for all. Add to the list of "Gad-Abouts" Jennifer Morris and children Colby and Katie Beth, who visited Jennifer's parents after celebrating her birthday here.

Tony and Lanetta Shapley made a quick trip to Lubbock to visit kids and grandkids even though Tony is busy with harvest. Maybe they thought they would have an extra hour, but for some reason the time change threw them for a loop and Lanetta wondered where that extra hour went to.

## For The Short Of It

by Bob Bort

According to head coach David Steele, it may be the first time a Greyhound player has been honored by the Associated Press in its weekly honor roll. At least it is the first in Coach Steele's memory. I am speaking, of course, of Dan McCloy and his performance against the Memphis Cyclones.

McCloy rushed 42 times for 166 yards. He had a pass interception and a fumble recovery. He batted down a Cyclone pass. He had three solo tackles, four first-hit tackles and four assists. He even returned one kickoff 28 yards. For that performance, McCloy was selected as the Panhandle Class A Player of the Week by the Amarillo newspaper, and then two days later he was selected by the Associated Press on its weekly state of Texas honor roll for all classifications. Congratulations, Dan!!!

Two weeks ago, I wrote a little piece about a network television series that had become very popular, but that series, Twin Peaks, has disappointed me (and others) thus far this season, and the writers may have boxed

themselves into a corner. A press release was just issued, to answer some of the criticism, that the killer of Laura Palmer will finally be identified in the Nov. 10 episode. They waited too long and it dragged on, and the ratings have dropped thus far this new season. It may not last.

\*\*\*\*\*  
Catch me when I fall,  
In Time's path, tossed  
and blue;  
Hear me when I call-  
Destiny's wrath, lost  
without you.  
\*\*\*\*\*

Here are my predictions for this week:

Friday, Nov. 2: Gruver at Claude (Hounds 21-7)

Gruver still has a shot at a playoff spot, and it is my feeling that the last game of the season, with Booker at Greyhound Stadium, will be a very important game.

Saturday, Nov. 3: Texas at Texas Tech (Longhorns, 42-31)

The Cotton Bowl Committee would love the idea of Texas playing a nationally ranked team in

Dallas on January 1, and so would the Longhorns. The alternative, Texas Christian, is not very appealing at all.

Sunday, Nov. 4: Dallas at New York Jets (Cowboys, 20-0)

Playoff talk??? The Cowboys are having an "up" season after last year's debacle, but they get the 49ers, Rams, Redskins and Saints the next four weeks. The Cowboys will have a lot of momentum and young enthusiasm going into the game against the two-time defending world champions, 7-0 on the season, and it will be a sellout at Irving. But more about that next week!

For the season, I am 13-11 for a percentage of .542.

I don't want to be careless and leave out the accomplishments of P.D. Swink and Chris Spivey in the Memphis game. They opened a lot of holes for Dan McCloy on the right side of the line, and Dan would be the first to give them some credit for his performance. P.D. and Chris were named "Honorable Mention" to the Amarillo newspaper's player of the week competition. Chris had 13 tackles and one quarterback sack.

And now here is the report on the 7th and 8th grade games Thursday, Oct. 25 at Stinnett, courtesy of Gruver coach John Duncan. The 7th grade lost 8-0 to the only team that has scored against the Hounds this year, that being West Texas. The one score came after a Gruver turnover had given the Comanches the ball on about the 20-yard line. Other than that short score, it would have been 0-0. The 7th grade has a 3-2-1 record this year, and has four shutouts.

According to Coach Duncan the game was a defensive battle all the way, and the WT defense wouldn't

let Gruver throw the ball. The Hounds had a few offensive spurts, but were not able to score.

The 8th grade improved their record to 3-3 this year with a 14-6 victory over the Comanches. Aaron Frick scored all 14 points, with two touchdowns and a 2-point conversion. Again, according to Coach Duncan, Frick had over 200 yards rushing, and carried the ball on all except for about five occasions.

We scored in the third quarter to go up 6-0, on about a 30 yard run by Frick, but WT came back early in the 4th quarter to tie the game at 6-6. Then with 45 seconds left in the game, Frick scored from about 35 yards out and ran for the conversion, to make the final 14-6.

Gruver Junior High cheerleaders are (l-r) Lacy Barkley, Kim Venneman, Tara Shapley, Molly McLain, Tisha Ralston and Julie Mayer.

## Irish defeat Hounds 28-13

by Bob Bort

The Gruver Greyhounds travelled to Shamrock on Friday, Oct. 26 to do battle with the Irish, and it was Shamrock who won the big ball game by the score of 28-13.

"It was a tough loss, following that big victory over Memphis," Hounds Head Coach David Steele said Saturday. "We came out flat, and played unemotional football the first half, and quickly found ourselves down three touchdowns, two at halftime. We were too far behind, but I was proud of our second half performance."

Coach Steele added, "We tried to keep our injuries a secret from Shamrock, as we didn't want them to know how banged up we were.

Matt Etheredge is out for the season, and we had Dan McCloy who couldn't finish the ball game due to a sprained ankle, Crockett Tidwell with a sprained ankle, and Billy Crawford with a shoulder injury. They were all injured in the Memphis ball game. We really need this week to heal."

Gruver fell behind 21-0 in the first half, and it was 21-7 at halftime. The Hounds were outscored 7-6 in the second half. Shamrock stuck to the ground game, grinding out 398 yards rushing to 232 total yards for the Hounds. Here are the stats:

Gru	Sha
15	17
95	398
137	0

Total Yards	398
Completions	0
Attempts	1
Interceptions	0
Punts-Average	4-26
Fumbles-Lost	3-2
Penalties-Yards	10-81
Gru	00 7 0 6 - 13
Sha	14 7 7 0 - 28

S-Billy Heinshon 61 run (Victor Villareal kick)  
S-Shea Davis 1 run (Villareal kick)  
S-Lynn Mills 94 run (Villareal kick)

## Hounds travel to Claude

by Bob Bort

The Gruver Greyhounds, licking their wounds from the Shamrock ball game, will be travelling to Claude to do battle with the Mustangs on Friday, Nov. 2 at 7:30 p.m.

The Hounds, with a 1-2 record in district competition, still are in the running for the second playoff spot but need to beat Claude and Booker in their final two games. That

would probably create a three-way tie among the Irish, Kiowas and Hounds for that second spot.

Claude started the season on fire, winning three of their first four games in non-district competition. But once they started competition against 1-A foes, they have fallen flat with an 0-3 mark. Their most recent loss was to Memphis, a team that the Hounds beat by 19 points, 20-7.

The overall series between

Claude and Gruver since 1958 stands 8-2 in favor of the Hounds.

Claude has a new coach this year, Stan Caffey. Caffey is in his 13th year in coaching. He graduated from Seminole High School and Sul Ross State College.

Caffey appears to have instilled a winning attitude in his players, at least in the first half of the season. His top players include Scott Green, a tackle, Kevin Rider, a punter, Zach Robason, a punter-kicker, and two backs, Jason Baker and Mike Campbell. It will not be an easy victory for the injury-riddled Hounds.

## Electrical safety... something an employee shouldn't learn on the job

On-the-job training is a dangerous and expensive way to teach employees about electrical safety.

Employers can avoid serious accidents by teaching employees before their jobs begin that they should never contact underground or overhead power lines with anything.

This advice is especially important for employees who operate backhoes, winches or other equipment that could come into contact with power lines. For more information, contact your local TNP office today.

## THE GOOD NEWS IS YOU HAVE HIGH BLOOD PRESSURE.

Finding out you've got high blood pressure is half the battle. With a plan for exercise, weight control, salt reduction and medication, the rest is easy.

If you have high blood pressure, get on a good program and stick with it. And do what your doctor says. Then there probably won't be any bad news.

It was high fives and hugs on the Lynx go-ahead touchdown at Boys Ranch. Sidelines when Brian Beck scored the final

## Lynx gridders take 25-15 win

With the help of two fourth quarter TDs the Lynx varsity football team beat the Boys Ranch Roughriders 25-15 at Boys Ranch. With this win the Lynx are in a position to play Stratford Nov. 9 for a share of the district title and a playoff spot.

When the Lynx traveled to Boys Ranch for their game last Friday night they knew they had a chance at a playoff spot. As things stood, Stratford was on top of the district with no district losses. Next came West Texas with their loss to Stratford and behind them was Spearman with their only district loss being to West Texas.

By the end of the night Spearman had beaten Boys Ranch, West Texas had the night off and Stratford lost to Sunray 13-0. This left three teams, each with one district loss and Spearman playing Stratford for their last game.

The Boys Ranch win was not an easy one for the Lynx. They had to hold off a surprisingly good Boys Ranch team and overcome several mental errors of their own to win. The Lynx accomplished the feat with a selective but good passing game and an opportunistic running game. The offense seemed to work in spurts.

The first spurt came with their first ball possession. Even though Spearman lost the toss, the Roughriders declined the choice and kicked off to the Lynx. A 47 yard runback by Joel Shields gave the Lynx the ball on their own 47 yard line.

The Lynx offense moved the ball the rest of the 53 yards in six plays for their first TD. In those six plays Tim Dooley had two 10-yard or better runs, the second being a 14 yard run for the TD. Also in the series was a drive saving 24 yard pass play from Khris Kelp to Edgar Nava. Spearman's PAT run failed which left the score 6-0 in favor of the Lynx.

The score stayed that way for the rest of the first quarter. The Lynx defense managed to hold the Roughriders in check and the Roughrider defense did the same.

But late in the quarter the Roughriders' offense began to put it together and had crossed the 50 yard line into Lynx territory as the quarter ended.

At the beginning of the second quarter the Roughriders continued the drive they started in the first. They scored a TD with 8:43 left to play in the quarter. They kicked the PAT and led the Lynx 6-7.

Later on in the quarter the Lynx scored a TD on a 43 yard fake punt play, but it was called back because of an illegal player downfield penalty. In the play Brian Beck caught a pass from the up back in the punt formation and ran 35 yards up the right sideline for the TD. With the missed Lynx opportunity the half ended with the score standing 6-7 in favor of the Roughriders.

The second half started like the first. Spearman scored a TD on their first possession. The Lynx defense forced the Roughriders to punt from the Lynx 48 yard line. They then took the ball 80 yards in 12 plays for the TD. Those 12 plays started with a 32 yard run by Dooley and included a drive saving 15 yard screen pass play to Shields from Kelp. Again the Lynx failed to convert a running PAT and the score stood at 12-7.

After the Spearman TD the Boys Ranch offense got in gear. In six straight running plays the Roughrider offense gained 82 yards for their second TD, with 1:54 left in the quarter. Their PAT running play succeeded and the Roughriders took the lead back, 12-15.

The score stayed that way through the rest of the quarter. As the quarter ended the Lynx were at the Roughriders' 35 and threatening to score.

As the fourth quarter started the Lynx seemed to lose momentum. Two quarterback sacks by the Roughriders forced the Lynx to punt the ball from the Roughrider 43 yard line. The Lynx defense did the same to the Roughrider offense, forcing them to punt. Then on the Lynx' first play from scrimmage

the Roughriders intercepted a Kelp pass on the Roughrider 48 yard line. The Roughrider defensive back returned the interception 15 yards and a face mask penalty was tacked on to give the Roughriders the ball on the Lynx 32 yard line.

The Roughriders then moved 10 yards closer to the Lynx goal thanks to another face mask penalty. On their second play from scrimmage the Roughrider quarterback tried to throw a pass into the end zone but it was picked off by Lynx defensive back Chad Riggins. Riggins immediately downed the ball three yards into the end zone and Spearman had the ball back on their own 20 yard line.

In six plays the Lynx offense moved the 80 yards for their last go-ahead TD. The scoring play of the drive was a 58 yard halfback pass to Beck. The ball was thrown 20 yards by Dooley, and Beck ran the rest of the 38 yards for the TD. Spearman's PAT was blocked, leaving the score 18-15 in favor of the Lynx.

Spearman put the game on ice with a TD on their very next possession. The drive started and ended with Dooley running. He started the drive on the Lynx 42 with a 20 yard run and capped the drive with a two yard plunge for the TD. His successful PAT put the game out of the Roughriders' reach by raising the score to 25-15.

That was the final score of the game. The game ended with Kelp intercepting a Roughrider pass.

The Lynx now have an extra week to rest up and get healthy for their playoff determining game against Stratford. If the Lynx win they are assured of a tie for district honors and a spot in the state playoffs.

### JV Lynx Score

Lynx 6 Boys Ranch 30

## Lynx 8th team runs into bad luck

The Spearman 8th grade Lynx team ran into some bad luck Thursday, Oct. 18 when they played the Sunray Bobcats.

The team played well but the Bobcats had size on their side. This has been the 8th grade team's only defeat this year.

Thursday, Oct. 25, the Lynx

bounced back and beat Boys Ranch 40-20.

The Lynx team played good ball and helped each other all night. Radar Garcia and Shawn Moore had a particularly good night.

Members of the 8th grade team are: Justin Arnold, David Baca, Ashley Baker, Jason Beck, Brad Brown, Scott Davis, Jesus Garcia.

Radar Garcia, Alvin Harbour, Josh Howard, Alan Hutchison, Chris Jenkins;

Cameron Kunselman, Valentia Macias, Shawn Moore, Tony Ortiz, Trey Porter, Stuart Riggins, Ronnie Ring, Oscar Rojas, Schane Schneider, Joel Stark, Jeremy Sutterfield, Chad Wilkerson and Josh Winegarner.

## Lynx 7th blanks Boys Ranch 30-0

The 7th grade Spearman Lynx blanked Boys Ranch Thursday, Oct. 25 with a convincing 30-0 win.

Scoring included 16 first-quarter points by the Lynx 7th graders, with 14 more points tacked on in the second quarter for the final score. The second half of the game was scoreless.

Team members came into the game with winning on their mind, and that was just what they did. After the two losses to WT and Sunray, they were ready to get back on a winning track.

In both previous games, the boys played with a lot of heart, according to observers. Having two touchdowns called back in the first quarter is hard to overcome, and that took place at WT.

They came into the Sunray game with only one practice under their belts, due to TAAS testing. But there was some good ball playing with Jeremy Blam scoring a touchdown in the first quarter. Martin Sanders had a couple of good passes to Brent Collins. Clay Neff recovered a fumble and Cory Butler intercepted a pass.

Blam scored a second TD but it was called back on a holding penalty. In the third quarter Blam recovered a fumble and Sanders completed passes to Collins and

Greg Elliott. In the end, the 7th Lynx just ran out of time, losing 6-12.

The game against Boys Ranch proved the team's hard work all week paid off.

First quarter highlights included a kickoff return for a TD by Jeremy Blam to start the game. Phillip Sanders took in the two-point conversion and Martin Sanders caused Boys Ranch to fumble and was able to recover the ball. A second TD was scored by Phillip Sanders, with Blam contributing another two-point conversion.

In the second quarter, Blam scored a touchdown, Bill Jack Pittman intercepted a pass, Phillip Sanders added another TD and a pass to Gregg Elliott from Martin Sanders resulted in a two-point conversion. Brent Collins was credited with a fumble recovery.

The third quarter was highlighted by excellent ball playing, including outstanding running by Shan Oquin and Coyt Tigrett.

There was again no scoring in the final stanza but good defense was exhibited by the 7th Lynx, with Clay Neff and Matt Gafford each recovering a fumble.

The entire team played well and

deserves credit. Outstanding performances were turned in by the offense, including Derrick Burnett, Jason Garrett, Matt Gafford, Mark Allen Parker and Jeremy Freeman; and on defense the playmakers included Brent Collins, Joe Jenkins, Coyt Tigrett and Phillip Sanders.

Lynxette CC district runners celebrate their number one finish after the race. They are (l-r) Sonya Nitschke, Michelle Garnett, Gwen Benson, Kimbre Townsen, Amanda Nobles, Jill Lusby, Mary Cook, Haley Shieldknight, Mendy Lasater and Suzanne Sanders.

**Spearman CC team takes district win**

The Spearman Lynxette cross country team defended its number 1 state ranking by winning the District 1-2A meet at Boys Ranch Wednesday, Oct. 24.

According to coach Richard North, the Lynxettes won by running a consistent race and finishing in a tight group. "They (Lynxettes) ran a real well paced race," he stated. "They ran strong the whole race."

According to North, seven of the 16 Lynxette runners finished in the top 10 at the meet. They were led by Haley Shieldknight and Jill Lusby, who finished 2 and 3 with times of 13:35 and 13:38. Finishing within a second of them were Joy Gafford (5), Kimbre Townsen(6), Gwen

Benson (8), Mary Cook (9) and Sonya Nitschke (10).

Other Lynxettes and their finishing times are:  
Ashley Shieldknight 15:04  
Suzanne Sanders 15:07  
Michelle Garnett 15:13  
Mendy Lasater 15:51  
Amanda Nobles 16:00  
Kelly Shieldknight 16:13  
Lacie Baker 16:47  
Kara Townsen 17:56  
Summer Riggins 19:50

The Lynxettes' victory was over the two other district teams. Spearman was first with 24 meet points. Sunray was second with 48 points and West Texas finished last with 54 points.

**Salguero from page 1**

start unless you already have money."

The most rewarding aspect of his farming and restaurant enterprises for Otto is that he is able to hire Guatemalans who might otherwise be unemployed. "The economy is real bad there right now," Otto explains.

He believes part of the problem is a political one in spite of the fact that his country's military dictator was toppled several years ago and replaced by a democratic government. New Presidential elections are slated for November of this year, but Otto says "It's already a violent situation."

After two and a half years of working non-stop, he was ready for a change of pace so he applied for a six-month visa and, to the delight of the Woffords, came to visit the United States. With his family managing his businesses, Otto flew to Texas in June and has done some traveling over the past several

weeks.

He has spent time in Hereford, Amarillo, Abilene and Lubbock and also can boast he has seen seven states between this stay and his stay 10 years ago. These include Texas, Arizona, California, New Mexico, Kansas, Oklahoma and Colorado.

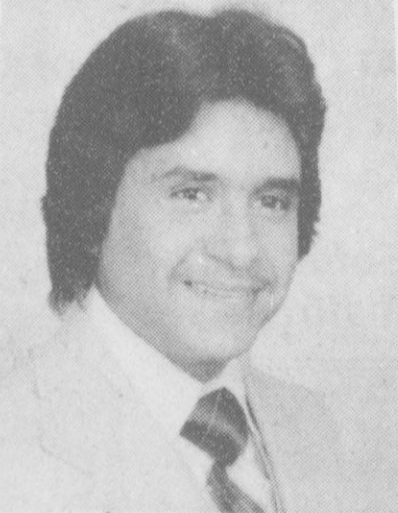

"I think Colorado Springs is the most beautiful place in the United States that I have been," he says with a smile. "I really enjoy the snow because we don't have it in Guatemala." (Guatemala's temperatures range between 40 and 85 degrees year round because of its location near the equator.)

The very first time Otto saw snow was when he was a Hereford high school student. That year's first flakes fell during the school day and he went to the principal to ask permission to go outside and "feel the snow." He reports today that the teachers and students got a big kick out of seeing him out there, frolicking in the white stuff!

Snow or no snow, Otto would like to come back and see more of the United States soon. As it is, he must return to Guatemala next week. Although he looks American from head to toe with his t-shirt, jeans and athletic shoes, Otto cares deeply about his native Guatemala and hopes to move on to a business position upon his return.

He views his fluency in English and university degree as important assets and says he would like to work in an international business setting. Otto fairly radiates ambition when he speaks of his future!

For vacations, he will always enjoy coming to the United States, however, and the Woffords will undoubtedly be prominently and permanently featured on his travel itinerary!

Otto Salguero

## Fighting The Weight Battle

by Roy Harris  
Superintendent  
Pringle-Morse CISD

Sitting at a luncheon, I watched as men enjoyed Bar-B-Que ribs, potato salad, cole slaw and Texas toast. Their fingers were sticky and their cheeks bulged like chipmunks. Americans have an addiction for salty, fried food. They also crave foods loaded with sugar. Because of the abundance of food, most Americans eat much more food than they need.

Recent studies show that heart disease begins with young children because of their diet and lack of exercise. The results of the damage is not noticed until adulthood.

I was a victim of the American addiction until last April. It was at this time that my life became so unbearable that I had to make a change. My job had become very stressful and my response to the situation was to eat. My weight had reached two hundred and thirty-five pounds, causing me embarrassment. However, appearance was not the reason I sought professional help.

Every morning, I woke up with a tremendous headache. It became so bad that I would become nauseous and throw up most every morning. The headaches would last all day and impair my concentration. Life was not worth living. I finally decided to seek a doctor's help.

After a physical exam, my doctor recommended a weight loss program. The program was called "Medifast." It was expensive, time consuming, and required a lot of will power. It also worked! I feel better and no longer take blood pressure medicine. I am not simply giving a testimony for this program but want to share with my readers my experience.

The "fast" in "Medifast" means just that - no food. One lives on a powdered mix that is combined with diet drinks to make a malt-like drink. Surprisingly, I never got hungry, though I wanted to eat food.

The other component of the program is exercise. I believe this part of the program is as important as the diet part. When I started, I could barely walk a quarter of a mile. I walked at a rapid pace for as long as possible. Gradually, I

found I could walk longer and longer distances; up to two and a half miles. As the weight began to come off, I began trying to jog a short distance within the walk. By the time I reached my target weight of 170 pounds, I could jog two and a half miles. Now, I am jogging three miles without undue effort.

Presently, I am back on regular food. The struggle continues, for the desire to overeat is ever present. Exercising is still necessary and I have to make myself do it. One thing that helps is the support of my family, particularly my wife, Rhema Dell. When I do not eat right or fail to exercise, the old symptoms show up and motivate me.

I write this to encourage readers with weight problems to see a doctor and ask about such a program. It just might work for you. Please remember, there are two components, diet and exercise. You will have to discipline yourself to stay on both. On-again, off-again will not work! You will have to accept a new way of life for the rest of your life. You can not repent and then go back to sinning. I can promise that the rewards are worth the sacrifices you make.

## Honor choirs Sixth grade places six

Six students from the Spearman Junior High Sixth Grade Choir have been selected to sing in the Region I Sixth Grade Honor Choir on November 3, in Amarillo.

Selections of students was based on commitment, dedication and hard work, as well as singing ability. Many other students have worked hard for this honor but only six can go.

Those students chosen are Van

Baumgardner, Blake Beedy, Kelly Goodman, Ashley Dooley, Michelle Elliott and Kimberly Perez.

This concert will be performed in conjunction with the TMEA Region I Jr. High Choir Concert at Randall High School on November 3, at 7:30 p.m.

All are invited to attend. For further information, contact Roy or Molly Benson at 659-2351.

## Two named to All Region

On Saturday, Oct. 13, fifteen members of the Junior High Choir auditioned for the Junior High All Region Choir. More than 500 students were there to audition for 180 positions.

Spearman students placed well in their sections with six students placing in the top fifty percent.

Two students made the top 35 of their sections, and will be performing in the All Region Concert on November 3. Josh Winegarner placed 13th chair in 1st Soprano, after auditioning with 107 other

students. Amy Schoenhals placed 38th chair in 2nd Soprano, out of 122 students. She is 3rd alternate, which means that if other students become ill or ineligible due to grades, she may also be performing with the All Region Choir. And, Carol Alvarado placed 2nd chair in the Alto section, out of 143 students.

All of the students worked very hard, but due to the large number of students auditioning, the competition was very tough. All students deserve congratulations.

Rabbits are rarely found deep in forests. They prefer places where bushes or clumps of tall grass are available for hiding.

## Pringle-Morse Menu

November 5 - 9  
Monday-Meat loaf casserole, green beans, vegetable tray, nachos, oatmeal cookies, milk

### VOTER CERTIFICATION STATEMENT

Subpart W of Part 2054 of Title 7, Code of Federal Regulations requires that all eligible voters for FmHA county or area committee elections meet the following eligibility requirements: (a) be farmers or spouses of farmers; and (b) have their principal farming operation within the county or area for which the election is being held.

By submitting this ballot, I attest that I meet the criteria to vote.

# Turkey walks set

Michele Davis of Spearman and Teresa Barkley of Gruver announced this week that the Hansford County American Heart Association will sponsor a "Turkey Walk" in both Spearman and Gruver.

The events will start at 9 a.m. Saturday, Nov. 3. The Spearman walk will begin at the chamber of commerce office, while the Gruver walk will start at the La Casita Room of the State Bank.

According to Davis the event is called a turkey walk because a turkey is given to every person who raises \$50 or more for the American Heart Association. She went on to say that every participant will get a t-shirt regardless of how much money they raise. Also available to the participants will be free snacks and drinks.

According to Davis people can participate in the walks by picking up pledge sheets from the banks and grocery stores in Hansford County, or by contacting her at 659-3411. They then get other people to sponsor them in the walk. The sponsor agrees to donate an amount of money when the partici-

pant completes the course.

Davis said the courses are approximately three miles in length, winding up and down the streets of Spearman and Gruver, and that police supervision will be available along the routes. She pointed out that participants can use two modes of transportation to get around the course. They can use their feet to walk or jog the courses, and can also seek assistance from a human-powered machine such as a bicycle to assist them in getting around the courses.

Whatever means a participant chooses for getting around the three miles, Davis wants to stress their efforts mean monies donated to a worthy cause, the American Heart Association. She went on to say that the Association's work in preventing heart disease is especially important as heart disease is the number one killer in the nation, Texas, and Hansford County. She quoted the statistic that 21 people died of heart attacks or related disorders in Hansford County last year.

# Band auditions set

by Alma Martinez  
Band Reporter

Spearman High School band students will audition for the 13th annual Five States Honor Band in Goodwell, Okla. Saturday, Nov. 10. Students from Texas, Kansas, Oklahoma, Colorado and New Mexico will attend.

The auditions will be held on the campus of Panhandle State Univer-

sity. Those who are selected for the Five States Honor Band will meet again Dec. 8 for a clinic. The Honor Band's performance will follow.

Spearman students who will audition include Paul Pacheco, Robert Needham, Beverly Burton, Alma Martinez, Junior Treccero, Jeremy Willingham, Tony Ortiz, Oscar Rojas, Alvin Harbour, Brad Delozier, Rosi Reyes, David Baca and Valentin Macias.

# Hansford Happenings

Booth space is now available for the Spearman PTA's Fall Festival. This event is the organization's annual fundraiser and will take place Saturday, Nov. 10 at the Spearman county barn from 7 to 10 p.m. Interested persons can arrange for a booth by telephoning Fall Festival Chairperson Marlene Miller at 659-2647. Booth fee is \$15.

The "No Junk" Pig Sale will be at the Gruver county barn Sunday, Nov. 4 at 2 p.m. Consignors from the surrounding area will bring top quality animals. A partial list of consignors includes: Cramblet Farms, T & S Yorks, Carl Meyers, Monty Black, Walsler Farms, Hawthorn Farms, Jim Tucker, Slough Crossbreds, Henderson Farms, Craig Solomon, Clint Bell, Hembree Farms and Danny Underwood. Showing for sale order will begin at 8:30 a.m. Sunday, Nov. 4. This is an excellent opportunity for local youth to purchase their animals.

Skate Night winners for Oct. 27 have been announced. Limbo winners in the first round were Alexa Kuehl and Amber Elliott. Second round Limbo winners were Alexa Kuehl and Scott Sauer. Winners for skating the farthest on one foot were Micheal Gallegos and Blake Beedy. Each winner received a personal pan pizza from the Spearman Pizza Hut.

# Letter To The Editor

Dear Editor,  
I am once again writing to thank the people of Gruver. You've done it again, Gruver!

Thanks to the Alpha Mu Psi Sorority for going door to door and the generous hearts of Gruver, we have raised \$2,384.53 so far with more coming in every day for Mobile Meals. That should keep the program going for another year. I can't express in words the thanks that everyone deserves.

I want to also thank all the people that deliver. Without you, we couldn't exist. You know who you are, please feel my heartfelt thanks.

And thanks to Lynn Martin and the school system for making the meals and having them ready for the volunteers to pick up, and Gopher's for filling in when school is out.

Without all working together, we couldn't have a program like this, but that is how Gruver is, always ready to give. I am truly thankful to live in a town like this.

Marilyn Been

missioner. Does it not make sense that someone in agriculture should head up the agency that is supposed to help Texas farm families?

His opponent, Jim Hightower, is a professional politician that has no farming experience. He did such a poor job of food safety inspections that the U.S. Department of Agriculture took the program away from him, citing a lack of fiscal controls. Experts say his plans for Texas agriculture would dramatically raise the prices you pay at the store. As for patriotism, Hightower said, "It's stupid for us to make a big fuss about people who burn the American flag."

Every major agriculture group is backing Rick Perry. So join the ones he can help the most, and vote for Rick Perry.

Sincerely,  
Brian C. Thomas

## KIDS AND MONEY

According to a recent article in Money Magazine children receive approximately \$9 billion dollars per year from adults for discretionary spending. But adults should not assume children are born financially mature. Money is often an abstract concept to children and they have difficulty understanding its value. Parents can help by starting to teach money management skills early, when a child is around 3 years old. Parents can help children to learn about the value of money and how to make decisions about spending money.

## HOUSEHOLD PRODUCTS CAN DAMAGE FABRIC COLOR

Consumers use a wide array of products in and around their homes every day. Many of these products contain ingredients that will cause color change or color loss if spilled on fabrics. Several products that are known to affect fabric color are commonly used.

Pesticides used to fight fleas and ticks contain organophosphate. Plant food and fertilizers also contain organophosphate. Red dyes are especially sensitive to this ingredient.

Tile cleaners and mildew

removers contain strong acids or bases and often contain chlorine. Acids and bases alone may remove color and, when combined with chlorine, the color loss is permanent.

Dandruff shampoo that contains sulfur compounds can change colors if spilled on fabrics. It gradually turns blue or green and the spot will darken with age.

Benzoyl peroxide is used in acne medication. It is not easily washed off the skin and wherever the skin touches fabric--pillow cases, upholstery, carpet and garments--it leaves a residue of chemicals. Even very low concentrations of benzoyl peroxide will remove color.

Other household products that may be sources of color removal or change are furniture polishes, oven cleaners, and pool chemicals. Often, spills from household products go unnoticed until age, heat or moisture triggers a color change. By then it is too late.

So remember to use household products carefully and remove any spills as soon as they occur. If necessary, get a professional to clean the fabric before permanent damage is done.

We're Fighting For Your Life.

# Election '90.....

## POLLING PLACES IN HANSFORD COUNTY

- Precinct 1 - County Courthouse
- Precinct 2 - Renner Ranch
- Precinct 3 - Community Bible Church, Gruver
- Precinct 4 - Gruver County Agri. Bldg.
- Precinct 5 - Spearman County Agri. Bldg.
- Precinct 6 - Spearman High School
- Precinct 7 - Oslo Church
- Precinct 8 - Absentee Voting, Courthouse
- Precinct 9 - Morse Community Building

Polls are open 7 a.m. to 7 p.m.

### HANSFORD COUNTY CANDIDATE QUESTIONS

1. With regard to the race for this office, what do you think are the most important concerns of the voters of Hansford County? How do you plan to address these concerns if elected to office?
2. If elected, what changes (if any) would you make in the operation and/or function of this office?
3. Please list three issues dealt with by this office which will most affect the future quality of life in Hansford County. How do you plan to address these issues if elected?
4. Please list three qualities which make you the best candidate for this office.

## Three vie for Justice of the Peace

### Michele Davis

1. I am very interested in seeing small claims court as a positive step in keeping local businesses in business. People are encouraged to shop local, but it is just as important to see that these people are paid for their goods and services. I will also work with people to set up a workable payment plan. I believe in fairness and will be impartial in carrying out the duties of the office.

2. Teen court is an area I would like to see us pursue. In many areas, teen court is used as an alternative program for young people. This program helps them to become familiar with the court process and it helps them to be more responsible for their actions. In areas where teen courts are used, statistics show it works and very few young people appear twice.

3. First, I feel by working with the small claims court we will ensure a continued future for businesses in Hansford County.

Michele Davis

Next, working with our young people in a teen court will help them become more responsible adults. Furthermore, I am willing to devote the time and training necessary to do the job. I will be fair and impartial in carrying out the duties of the office. I will be

there to listen and work with each individual to the best of my ability.

4. (1.) For example, part of my training as a paramedic consists of dealing with crime scenes and investigation, as well as knowledge of traffic laws.

(2.) In addition, should the office become automated, I have had experience in the computer field.

(3.) As a result of my work as a volunteer paramedic I have the medical training necessary to perform the duties of coroner.

Gary Ellsworth

### Gary Ellsworth

1. I believe one of the major concerns of the voters in Hansford County is fair and equal treatment for everyone appearing before the Justice of the Peace. I believe in fair and equal treatment for all, and to address this concern, I plan to view each individual case or situation on its own merits and with an open mind.

2. If elected, I will approach the office of Justice of the Peace with the attitude that it is a full time position.

3.A) Small claims by local business will affect the future quality of life in Hansford County.

By way of addressing this issue, small claims will be taken seriously and acted upon promptly. B) Another important issue is the use of illegal drugs. To address this issue, if elected I will take a stance of Zero Tolerance of the use of any illicit drugs by anyone, and Zero Tolerance of the use of alcohol by anyone under the age of 21. C) Worthless checks have an effect on the quality of life. If I am

See JP page 12

## Two contend for County Judge

### Eddie Martin

1. (a) The economic development of this county can be improved by working with the county organizations that can benefit this economic growth. Organizations such as the Chamber of Commerce, various service organizations and the Industrial Foundation are examples of such possibilities. Hansford County must band together and work as one to improve the economic development. Unity is the key to any successful endeavor.

(b) The taxpayers must be given the benefit of receiving their maximum dollar worth. The citizens of Hansford County are entitled to a voice in, as well as knowledge of, their tax dollar expenditures.

(c) The spending of tax dollars must be cut to a minimum. In order to improve the economic development of Hansford County, the expenditures will have to be closely

monitored.

2. At the present time, I know of no major changes. It is difficult to assess changes that may or may not be needed without hands on experience. Judge McClellan and the Commissioners' Court are to be

Eddie Martin

commended for their wise business decisions concerning Hansford County.

3. As a judicial candidate, I am only permitted by the judicial canon of ethics to say that I will be fair and impartial to all matters brought before the county court.

4. (a) I received a Speech and Business degree from W.T.S.U. With this major, I was required to take classes in business law. I feel my background in this area will be very beneficial in carrying out the duties of Hansford County Judge. Also, after attending the newly elected judges school, I feel I will attain valuable information regarding this position. This school offers courses in continuing education that will be helpful in understanding and controlling this office.

(b) I have had extensive experience in keeping budgets, cash flow and working with and for the people. Each of these qualifications

will offer assistance in dealing with the demands of this office.

(c) Because I am a longtime resident of this county and my roots are here, I care for the welfare of the citizens as well as the county itself. I believe in total equality of all people before the law. I will continually strive to be fair, honest, loyal and dependable to the citizens of Hansford County.

### Jim Brown

1. Increased county taxes: The line will be drawn on expenditures. We have to face the facts, agricultural income, as well as oil and gas revenue, have gone down. Our present tax rate will have to be enough to run the county, even if it means hardships. When a budget is set it will be a must to live within it.

Economic growth: I would like to see a county wide board appointed to explore any and all possibilities

ected, they will be the subject of prompt action and positive results.  
 4. A) I am a third-generation Hansford County resident.  
 B) I have worked with the Texans' War on Drugs for almost four years and have learned creative methods of providing justice for both adults and youth.  
 C) I possess strong human relations qualities.

Omar Sutton

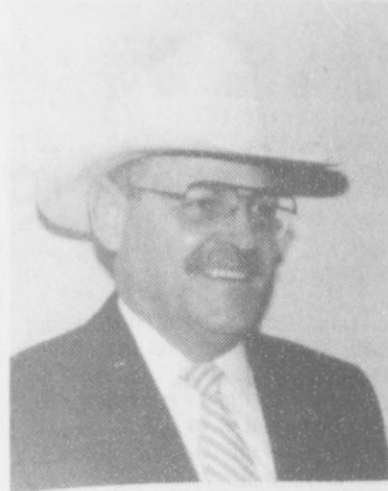

1. I believe the most important concern of the voters as to the Justice of the Peace race is how will the person that they elect affect their daily lives. By that, I mean, will the Justice of the Peace be a hindrance or help as we go about our every day lives, of making a living and doing our work. I would address these concerns by saying that if elected I would do everything possible to make sure that government does not get overly intrusive in the lives of the people.  
 2. Without a more intimate knowledge of the day to day operation of the Justice of the Peace office I would be at a loss to propose

any sweeping changes. I believe that the function of the office is to be an intermediary between the people and law enforcement and to try and strike a balance between those two groups.  
 3. The quality of life in Hansford County will continue to be affected mostly by the economic conditions in the county. Secondly, the quality of life will be affected by the ability of the people to know that their personal rights and freedoms are not invaded, but are protected by the people that they elect to do so. The third concern as to quality of life, in my opinion, is how will government or elected officials handle their duties. I would say that if elected that I would do everything possible to make sure that the Justice of the Peace office would be a place where everyone would be treated as fairly as humanly possible.  
 4. One of my qualities as a candidate, is my experience as a farmer in dealing with government bureaucracies. I believe that experience would enable me to help keep state agencies from too much unwarranted intrusion in the lives of the people of Hansford County. I also have some experience in deal-

ing with teenagers, as I have one married daughter and a son in high school. Therefore, I have knowledge of, and share the concerns of, the parents in the community. Another qualification is the fact that I understand more, as a result of my age, about human frailties and personality traits, and how best to deal with situations that arise when people happen to make a mistake.

Judge from page 11

Jim Brown

of small or large business development in Hansford County. We have a lot to offer, we have the best schools, one of the best health care facilities in the Panhandle. We have room to grow. Last, but not least, we have the talented people here that can make it happen.  
 2. The County Judge is also the

Juvenile Judge. I would like to work closely with the new Justice of the Peace in implementing a good, sound program to deal with the young adults. There is a problem with alcohol.  
 I would appoint a board to study programs that have been successful in other areas. I would work closely with the schools and churches in implementing activities for our young people. Education on alcohol and drug abuse will be our best hope in never having to go to a parent and telling them their child has been killed in an accident caused from the abuse of alcohol or drugs.  
 I will make myself available to you, the residents of Hansford County. I will be coming to you and asking for your help in continuing to make Hansford County the best place to live.  
 I will continue the good working relationship of our present Judge with the County Commissioners, elected and appointed administrators of Hansford County, Spearman, Gruver and Morse.  
 3. The assistance program for the elderly and the very needy. We will

all have to work together to ensure that no one in Hansford County goes without food, clothing, shelter and health care. So far there have been money and commodities to ensure no one does. I will work to always keep it so.  
 Water. We will have to continue to provide an adequate clean water supply for county residents.  
 Fire and emergency - ambulance. I will continue to support these services to all county residences by contributing to their acquisitions and supporting their programs.  
 4.1. Discipline  
 2. Endurance  
 3. Compassion  
 I have 13 years experience in the Criminal Justice System. I know family and criminal law.  
 My 13 years experience in this system has brought me in contact with all kinds of people and I have dealt with them fairly and impartially.  
 I am the father of five children and have dealt with the many problems that arise with raising children.

Lookin' Back

5 YEARS AGO...  
 Thursday, Nov. 7, 1985  
 James Sparks won a trophy at the Central Regional Fiddler Contest at Bakersfield, Ca.. James placed 7th in the senior division.

## Larance T. Dossett

Larance T. Dossett, 78, died Tuesday, Oct. 23.

Mr. Dossett was born in Winfield, Kan. He moved to Spearman 57 years ago from Las Vegas, N.M. He married Sara Vigil in 1932 at Las Vegas. He was a retired farmer and a member of the First

## Christian Church of Spearman.

Survivors include his wife; two sons, Bernard Dossett of Amarillo and Buddy Dossett of Harlingen; a daughter, Diana Carter of Lubbock; two sisters, Caro Lee Frantz of Spearman and Fern Otto of Youngtown, Ariz.; a brother, William Dossett of McPherson,

Kan.; six grandchildren; and 10 great-grandchildren.

Funeral services were conducted Friday, Oct. 26 from the First Christian Church with the Rev. LaVern Draper, pastor, officiating. Interment was in Hansford Cemetery.

## Marie G. Richerson

GUYMON, Okla. - Longtime Texas County resident Marie G. Richerson, 87, died Tuesday, Oct. 23 in Dunaway Manor.

The daughter of Eva and Fred Starkey, she was born Jan. 14, 1903 in Humansville, Mo. She married Leroy Richerson Dec. 23, 1920 at Tucumcari, N.M. They moved to Texas County in 1930 from Quay County, N.M. and made their home in Hardesty, moving to Guymon in 1973.

Mrs. Richerson had worked as a telephone operator from 1942 until her retirement. She worked as a Post Office clerk for six years and was a rural mail carrier for 13 years, retiring in 1973.

She was a member of Sunset Lane Baptist Church, where she was active in the Mary Martha Sunday school class and the Betty Dixon Circle of the W.M.U. She was a member of the V.A. Auxiliary, Guymon Homemakers and the Oklahoma Rural Letter Carriers Association.

She was preceded in death by her husband, Leroy, in 1979; one son, C.W. Richerson; one grandson, Clifford Ray Phelps; and one great-granddaughter, Stephanie Taylor.

Survivors include two daughters, Juanita Logsdon of Gruver and Norma Mann of Guymon; a son, Robert Leroy Richerson of Durant, Okla.; one daughter-in-law, Mona Richerson of Liberal, Kan.; eight grandchildren; and 15 great-grandchildren.

Funeral services were conducted Thursday, Oct. 25 from Sunset Lane Baptist Church with the Rev. Lloyd Riddles, pastor, officiating. Interment was in Elmhurst Cemetery under the direction of the

## Henson Funeral Home of Guymon.

A Marie Richerson Memorial has been established for the Sunset Lane Baptist Church. Memorials will be accepted at the Henson Funeral Home or at the church office.

## Noble C. Sikes

PORTALES, N.M. - Noble C. Sikes, 77, died Wednesday, Oct. 24 at Methodist Hospital in Lubbock.

Mr. Sikes was born Oct. 6, 1913 in Rowden, Texas to Emma and N.P. Sikes. He lived in Rowden until 1928 when the family moved to Hereford. He was graduated from Hereford High School in 1931 and attended Texas A&M University for three years before going to California, where he worked in the shipyards.

He served in the U.S. Navy during World War II as a ship fitter on the destroyer USS McKee. After his discharge in 1946 he moved to Portales, where he began farming and also taught a veteran's agricultural course at Dora, N.M. He later became an administrative officer for what is now known as the Agriculture Stabilization and Conservation Service.

He married Leona May Shedeck Dec. 22, 1948 in Lubbock. They made their home in Portales, where he opened Sikes Pipe and Irrigation Supply. He later sold the business and opened Chaparral Irrigation. He continued ranching and farming after selling that business in 1978.

He was inducted into the Cattle Breeder's Hall of Fame in Fort Worth in 1981, and was honored earlier this fall for his efforts in soil conservation. He was a member of the Third and Kilgore Church of Christ and also a supporter of the Church of Christ Student Center at Eastern New Mexico University and the New Mexico Christian Children's Home.

He is survived by his wife, Leona of the home; two sons and a daughter-in-law, Robert Harry Sikes of Portales and Jimmy and Diana Sikes of Lubbock; two daughters and a son-in-law, Lenna and Loyd Rolan of Portales and Belinda Jo Sikes of Lubbock; two grandchildren; five brothers; five sisters; an aunt; and numerous nieces and nephews.

Funeral services were conducted

Saturday, Oct. 27 at the Third and Kilgore Church of Christ with Dan Rouse and Barney Blue officiating. Interment was in the Portales Cemetery. Pallbearers were Dudley Cash, Ted Brock, Curtis Breshears, Bill Purcell, Steve Goff, Jimmie Ellison, Leo Brown and Marshall Durham.

The family requests memorials be to the New Mexico Christian Children's Home or the Church of Christ Student Center at ENMU.

## Robert Roe Strain

HEREFORD - Former Spearman resident Robert Roe Strain, 59, died Sunday, Oct. 28.

Mr. Strain was born in Millsap. He married Sally Womble in 1955 at Hereford. He moved to Hereford in 1957 from Spearman. He was a farmer and a Methodist. He was a veteran of the U.S. Army during the Korean conflict.

Survivors include his wife; a son, Wesley Strain of Midland; a daughter, Sherry S. Strain of Clarks Summit, Pa.; his parents, Mr. and Mrs. Wesley Strain of Millsap; two brothers, Richard Strain of Gordon and Jack Strain of Millsap; and a sister, Mrs. Bill Schick of Houston.

Funeral services were conducted Tuesday, Oct. 30 in the First United Methodist Church with Dr. Steve McElroy, pastor, officiating. Interment was in West Park Cemetery.

## Paul Babitzke

DARROUZETT - Paul Babitzke, 83, died Tuesday, Oct. 30.

Mr. Babitzke, born in Shattuck, Okla., had been a lifetime resident. He married Louise Schneider in 1932 at Arnett, Okla. She preceded him in death Oct. 4, 1990. He was a farmer and rancher. He was a member of St. Paul's Lutheran Church.

Survivors include two sons, Paul Babitzke Jr. of Follett and Roy Babitzke of Booker; a daughter, Deana Luthi of Hooker, Okla.; three brothers, Ben Babitzke of Higgins, Henry Babitzke of Spearman and Chris Babitzke of Canadian; five sisters, Emma Schneider of Arnett, Okla., Dollie Longhofer of Claude, Valentine Schoenhals of Lipscomb, Anita Anthony of Spearman and Erna Gragert of Colorado Springs, Colo.; and six grand-

children.

Funeral services were conducted Thursday, Nov. 1 in St. Paul's Lutheran Church with the Rev. David Stevens, pastor, officiating. Interment was in Darrouzett Cemetery.

The family requests memorials be to St. Paul's Lutheran Church of Darrouzett.

# Letter To The Editor

Dear Editor,

We would like to take this opportunity to thank the residents of Hansford County who have helped us in our efforts to recycle aluminum. We work every day on this project and feel that it is worth all of the time we spend collecting cans. In this year alone, we have collected over 1,200 pounds of aluminum. ALL of the money received from the cans goes to helping others in Hansford County; none of the money is used by the National Honor Society.

If you have damaged aluminum pipe or salvageable aluminum, we will pick it up anywhere. Please continue to help us help others by leaving your cans at either the corner of 7th and Townsend or behind the high school.

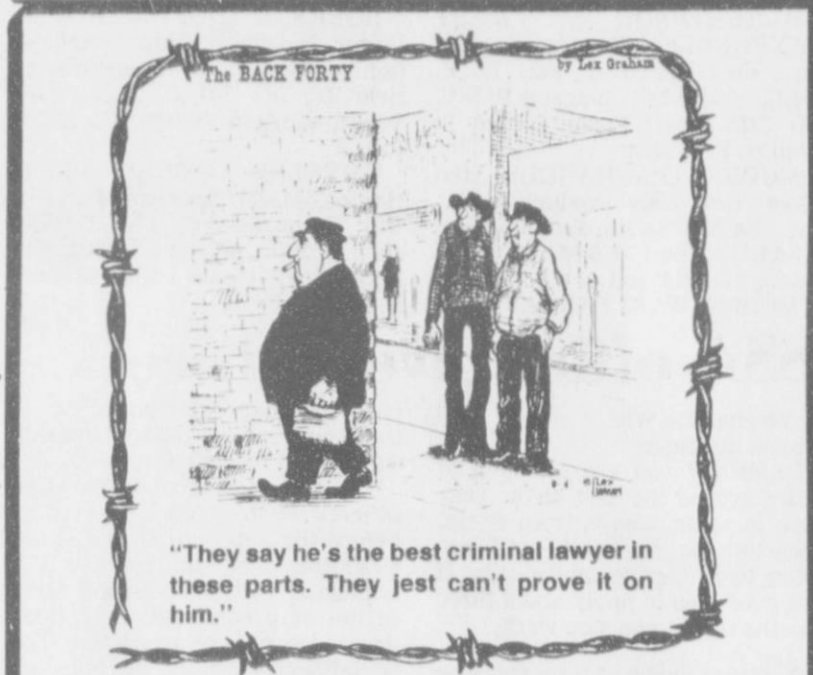

Thank you,  
Cam Butts  
Spearman NHS  
President

# OMAR SUTTON

Write-In CANDIDATE

## Hansford County Justice of the Peace

Dear Hansford County Voter,

This is to announce that **Omar Sutton** has filed with the County Judge as a write-in candidate for the office of **Justice of the Peace in Hansford County.**

Omar attended and graduated from the Spearman public school system and attended West Texas State University in Canyon, Texas. He and his wife Sharon have two children, Kristi and Brandon. Kristi is married to Johnnie Williams of Gruver and

is currently employed by the Gruver public school system. Brandon is a junior at Spearman High School.

Omar is a farmer and rancher in the Spearman area, and Sharon is employed at the First State Bank of Spearman.

We would urge everyone to exercise their most basic freedom and vote, **November 6.** Below are instructions on how to cast a write-in vote.

## How To Do The Write Thing!

### SAMPLE BALLOT

Party vote (that is, all the names of one party) or practice your square vote name. If you cast a straight-party vote for nominees of one party and also cast a vote for an opponent of one of that party's nominees, your opponent will be counted as well as your vote for all the other nominees of the party for which the straight-party vote was cast.

Candidates for:  REPUBLICAN PARTY (Partido Republicano)  DEMOCRATIC PARTY (Partido Democrático)  WRITE-IN (Voto Escrito)

Judge, Court of Criminal Appeals, Place 4, Unexpired Term (Jefe, Corte de Apelaciones Criminales, Lugar Núm. 4, Término no Completado)  David Berchelmann  Charles F. (Charlie) Baird

Judge, Court of Criminal Appeals, Place 5, Unexpired Term (Jefe, Corte de Apelaciones Criminales, Lugar Núm. 5, Término no Completado)  Louis E. Sturms  Morris L. Overstreet

State Representative, District 88 (Representante Estatal, Distrito Núm. 88)  David Swinford  Guy Hazlett

Chief Justice, Seventh Court of Appeals District (Jefe Presidente Corte de Apelaciones, Distrito Núm. 7)  Charles L. Reynolds

County Judge (Jefe del Condado)  Eddie G. Martin  Jim Brown
