Five injured in two vehicle accident

by Angela Jones
Copy Editor

It was 4:30 a.m. on Sunday morning, Sept. 6. Two vehicles were traveling east of Spearman on a County Road when one of the vehicles started to pass. As Scott Swan was attempting to pass Ramon Lozano the two vehicles reportedly collided. Lozano's vehicle went off the right side of the road and Swan's vehicle went off the left side of the road and then both vehicles rolled before coming to rest, according to DPS Officer Ed Longoria.

Lozano was the only person in his vehicle, but the vehicle driven by Swan had three passengers. They were Ty Martin and two minors. Longoria stated that all five of the individuals involved in the accident were injured.

They were taken to Hansford

County Hospital where they were all treated. According to Longoria some of the individuals were admitted to Hansford County Hospital for observation and one was transferred to Northwest Texas Hospital in Amarillo with serious injuries.

According to the nurse on duty at Northwest Texas Hospital on Tuesday, Sept. 8, at 3 p.m. the minor transported there was in ICU in stable condition. At the Hansford County Hospital the nurse on duty on Tuesday, Sept. 8, at 3 p.m. said that their patients had been released.

Longoria said that the incident is still under investigation pending possible charges being filed. He added that alcohol was involved. When asked about seat belts, he said, "All but one was (wearing their seat belt) according to them."

Gruver Hound Carey Kauffman (56-white) holds on to a Wheeler ball carrier, waiting for help from another Hound, to stop the play for no gain.

Underdog hounds... rise to occasion

by Bob Bort

The Gruver Greyhounds came into their contest with the Wheeler Mustangs at Nicholson Field in Wheeler this past Friday night, Sept. 4, as 12-point underdogs, according to the Harris rating system. But someone forgot to tell the Hounds they were suppose to lose. The result was a 22-14 victory on enemy turf, and some much deserved respect for the Gruver football program.

"It was just a tremendous team effort, both offensively and defensively," said an elated coach Doug Frick after the game. Jace Dawson had replaced an injured Matt Etheredge at quarterback for this game, and coach Frick had praise for him. "For a sophomore, he did very well," said Frick.

But if you ask coach Frick, everyone played well, not just in the skilled positions, like Dawson, Aaron Fricks, Victor Lopez, Kevin Spivey. "Our offensive line-Ira Gross, Heath Gaines, Carey Kauffman, Hart Derington and

Robert Whitaker played well. Spivey had some key receptions on offense. Defensively, Jeffrey Price had two interceptions but Aaron and Cody Barkley made some key plays also. Chris Stork, Dawson and Whitaker played well defensively."

A key defensive series took place on Wheeler's first possession in the first quarter. With a 1st and goal from the 2, the Hounds stuffed the Stangs twice for only 1 yard gain, then they incurred a 5-yard delay of game penalty, moving the ball back to the 6 yard line. The Hounds stopped the Mustangs twice from that point and took over. It was a beautiful goal line stand and a big momentum killer. Credit the Hounds bid "D"!!!

Dawson hit Frick down the right sideline, and Frick bobbed the ball for a moment before grasping it, and then he had clear sailing down the sideline, as the bobble probably

Pool claims another rodeo title

by Angela Jones
Copy Editor

Gruver's Brady Pool claimed another all-around title after completing his competition at the West Texas High School Tri-State Rodeo held in Stinnett on Monday, Sept. 7.

In the bareback riding Pool scored 66 points. This score was high enough to tie him for first place with Ryon Perschbacher of Adrian.

He continued his second place streak scoring a 50 in the saddle bronc riding which placing him under Stratford's Lance Gaillard, who score 64 points.

Then in the team roping event Sage Britain and Pool roped their steer in a time of 7.991 seconds. This time was fast enough to place them third. Jim Locke of Canadian and Ben Blue of Dumas placed first with a time of 7.342. And second place went to Blue and Jered Noris with a time of 7.566 seconds.

Pool's placings in these events was enough to earn him 20 points and the all-around title for the rodeo, his second in two weeks.

Other cowboys competing from Hansford County were Matt Archer and Steve Cochran.

Archer, who competes for the Spearman/Stinnett rodeo team, placed eighth in the calf roping event with a time of 18.958 seconds.

Gruver's Cochran completed the ribbon roping event in 15.309 seconds. This was fast enough to place him third in the event.

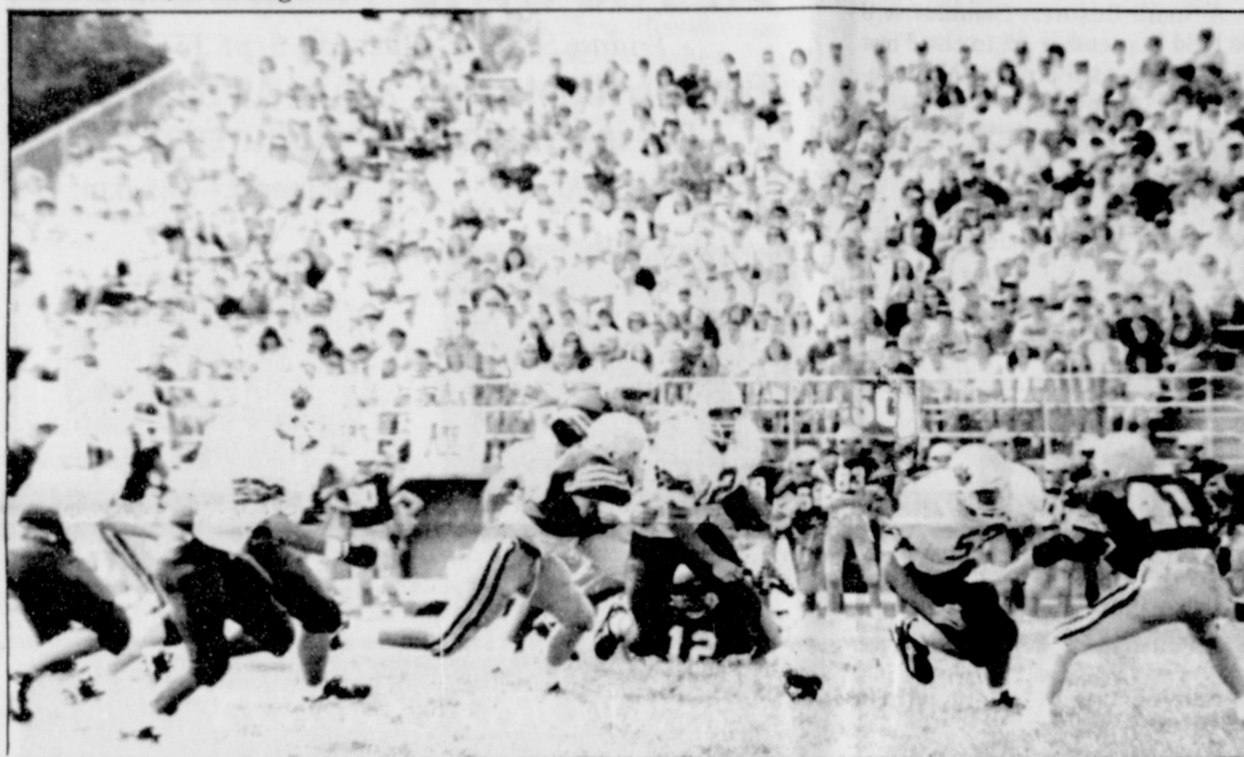

Lynxettes begin season, Sat.

The Lynxette cross country team will have six varsity runners for their first race of the season at Lake Fryer Saturday, Sept. 12.

According to Richard North, Lynxette coach, at press time Ashly Shieldknight, Mary Cook, Holly Jarvis, Kelly Shieldknight, Lacie Baker and Amanda Nobles will start for the Lynxettes. North was unsure as to who among the junior high runners would be the designated junior varsity runners.

The Lynxette junior varsity will be the first to run at Lake Fryer. Their race will start at 10 a.m. The Lynxette varsity will be next at 10:30 a.m.

The race is being hosted by Perryton.

Lynx running back, Roman Arnold (12-white) breaks into the Scott City secondary, going for extra yards. Blocking ahead for him is Matt Archer (52). Later during this possession Arnold will catch a pass from Jason Varnon for the Lynx's only score.

Lynxs start strong at Scott City, Kan.

The Lynx traveled to Scott City, Kan. Saturday, Sept. 5, where they won the first quarter of the football game but lost the game 35 - 7.

Both teams got off to shaky starts as the kickoff had to be done three times. Scott City was off sides first, then Spearman. Third time was the charm and the game got under way.

Brandon Vanderberg took the kickoff and gave the Lynx the ball on the 50 yard line. From there the Lynx offense moved the ball to the Scott City 20-yard line before a series of penalties slowed the drive.

In order to gain back yards lost to penalties, Lynx quarterback Jason Varnon, under pressure from

the Scott City pass rush, put up an ill timed pass that was intercepted.

The Lynx got the ball back on the very first Scott City offensive play. Lynx linebacker and running back Lonny Gallegos knocked the ball loose from the Scott City runner. The ball was recovered by Arnold on the Scott City 32-yard line.

From there the Lynx offense moved the ball to the 27-yard line. They got there thanks to a 10-yard penalty against Scott City. At this point the Lynx faced fourth down with 13 yards to go for a first down. Varnon went to the air again

See Lynx page 6

Local equities positive despite losses

In spite of the report at the 73rd annual meeting of the stockholders of Perryton Equity Exchange that the Equity posted a \$5,883,482 loss for the fiscal year ending March 31, 1992, Hansford County sources say

Lady Hounds... run Sat.

by Bob Bort

The Gruver Lady Hounds cross country team competed in their first meet this past Saturday, Sept. 5, at Borger and did very well. The notable competition all year, according to head coach Steve Myatt, will be between Stratford and Gruver, as one of them will likely win the state championship. In this first meet, Stratford finished 3rd, and Gruver 4th.

Competing for the varsity were Cora Meyer, Wendy Rodriguez, Julie Meyer, Tisha Ralston, Holly Venneman, and two freshmen, Myrium Alvarez and Joni Hart.

Competing for the junior varsity were Gay Lee Mahaffey, Tara Shapley, Kiki Carthel, Molly McLain, Janyth Hart, Robbi Mathews, Amber Murrell and Josie Pool.

Competing for the varsity boys were four individuals - Cody Barkley, Scott McCloy, Jason Bartimus, and Kevin McNett. Several more may compete this year - they need five to have a team.

The varsity girls finished as follows: Cora Meyer, 16; Julie Meyer, 25; Tisha Ralston, 26; Joni Hart, 33; Myrium Alvarez, 34; Wendy Rodriguez, 37; and Holly

See CC page 6

that things are right on track and they are improving.

According to Spearman Branch Manager David Witt, "It (the loss) is not a surprise to anyone. We've known it and it is something that we are trying to change." He added that it is not going to put us out of business. "It sounds worse than it is." And continued, "We've set projections and we're right on track as to getting back were we need to be. Things are getting better." Witt concluded by saying that the Spearman elevator actually made money. "This was one of the leading branches."

Witt is not the only one in Hansford County that thinks that things are getting better. According to the head of the Morse Branch, Jackie Hughes, "It's a heck of a lot better than when I started here (about four years ago). The attitude of the farmers and the employees is a lot better." Hughes added "Everyone is working together to serve the farmer. That's our goal anyway is to better serve the farmer." Hughes also said that he thinks that they are right on track.

More details about the Equity's financial situation were reported in the Sept. 6, 1992 issue of *The Perryton Herald*. That story on the Equity stockholders meeting of Thursday, Sept. 3, is reprinted here by permission of *The Perryton Herald*.

During the 73rd annual meeting of the stockholders of the Perryton Equity Exchange Thursday night, Edgar Womble, comptroller, announced that the cooperative had a net loss for the year ending March 31, 1992 of \$5,883,482.

"The 1991 wheat crop was down," Womble said, "and less supplies

were purchased. We have reduced the number of employees, the number of hours worked and sold assets."

"Member stock will be written down by 60 to 70 percent," said Don Dumler, general manager. "If you have \$1,000 of stock, it will be worth \$300 to \$400."

"We (Equity) have been on a downhill roller coaster since the CCC (Commodity Credit Corporation) got out of the grain storage business. This is not unique in the grain and supply business," said Nolan Holt, retiring Equity board chairman. He also said that the biggest problem facing the cooperative was interest payments on debt.

"We could only reduce inventories and expenses so much," Holt said. "We had to sell assets."

In the last year Equity sold elevators, warehouses, fertilizer plants and offices in Claude and Stratford; Dermot, Moscow and Hugoton, Kan. and Knowles, Okla. "This last four or five years have been heart wrenching for the directors," Holt said. "If the Equity is to survive, it needs the support of all of you, our members. I feel very positive about Equity's future. We have turned the corner."

Dumler explained that the cooperative has been in a transition for the past few years.

"We have gone from a grain storage company to grain marketing, supplies and other agricultural inputs," Dumler said.

In that transition Dumler explained expenses had to be reduced. "Total expenses have dropped from \$15 million in 1989 to \$10 million budgeted for this year (1992-93)." He also said that the number of

Equity employees has fallen from over 200 to about 130 today.

Besides the facility sales mentioned, Dumler said that Equity was looking for a purchase for its Amarillo operations. "We then want to lease back the facility," said Dumler.

Equity attempted to sell its facilities at Beaver and Forgan, Okla., but a potential buyer could not meet the purchase terms. "We have de-

ecided to continue operating those facilities," Dumler explained.

For the year Equity had total income of \$8.1 million. That is a 36% drop from income in 1991 of \$12.6 million. The largest decrease came in the area of grain handling and storage. Storage income dropped 53% to \$1.4 million and handling income fell 49% to \$70,000. Grain sales were also off for the

See Equity page 5

Stationmaster's House Museum... makes improvements

by Clementine Renner,
Member of the Museum Board

If curiosity is getting the best of you by looking at the two extra buildings on the Stationmaster's House Museum grounds, let me explain: The little square building directly north of the museum is the original one-room school house located on the former J.I. Steele ranch near the now Palo Duro Dam. It was named the Palo Duro School. Matilda Reimer Entiken was the last teacher. The Twentieth Century Club secured the school building from Mr. and Mrs. Drake of Waka. The Study Club wanted to do something different this year so they donated it to the Museum. Clarence Mitchell with his trailer and Don Reed with his wench truck and Don Dunaway and his helper moved the building from Waka. These four men gave freely of their machinery, time and talent with no charge to anyone. We, the Museum Committee, are most grateful to the Study Club and those moving

the building. Before long, the school building will be equipped to resemble the old school house.

The new building now under construction will be a replica of Old Ft. Zulu located south of Gruver and southwest of Spearman on the former Perry Hawkins ranch on the Palo Duro Creek. Half logs instead of poles will be used on the sides of the building. A metal roof will extend over the porches. The original building had tree limbs covered with sod. As it deteriorated, a sheet iron roof replaced it. Instead of a dirt floor, concrete will be used. We want it to look as much like the old fort as possible and at the same time make it more durable. This much of the building as described, mainly the outside will cost \$31,000. The Museum Committee has waited a long time to procure this much money. We cannot afford to finish it on the inside. So—we will wait and hope the citizens of the County will make it possible to finish it completely. Elec-

See Museum page 8

Henderson and Butts to wed - Mr. George Harkins of Stratford and Mrs. Delta Boothly of Texhoma and Mr. Lewis and Joy Henderson of Gruver announce the approaching marriage of their children, Vicky Butts and Dennis Henderson. Their vows will be exchanged September 19th at 5 p.m. in the gazebo at the Gruver City Park. They will make their home in Gruver.

JV hounds... stun West Texas, 2-0

by Bob Bort

The Gruver Greyhounds Junior Varsity football team took a giant step in bringing the Gruver football program some respect in class AA this past Thursday, Sept. 3, as they stunned the West Texas Comanches JV 2-0 in a fierce defensive battle at Stinnett.

Sammy Renteria came in on a mad rush from his linebacker position to tackle Comanches quarterback Cooper Mitchell in the end zone with only 0:33 left in the fourth quarter for the victory.

Head JV coach John Duncan was thrilled with the victory. "Defen-

sively, J.D. Christian should be mentioned as having played a super ball game," said Duncan. He continued, "All our linebackers did a great job, our secondary also played well. Offensively, Fabian Salazar played really well, and the punting of Rosalio Arreola kept us in the ball game."

Salazar had 6 carries for 35 yards, and Arreola punted six times for an average of 40.7 yards per kick. Gruver held the Comanches without a first down the entire second half. The first half had been marred by 13 penalties.

If you get a chance, make sure to see this team this year - it's a gutsy team.

Stats:
Gruver 0 0 0 2 - 2
West Texas 0 0 0 0 - 0
Gruver 2, West Texas 0 Copper Mitchell tackled in the end zone by Sammy Renteria.

REPORTER-STATESMAN CLASSIFIEDS WORK!

These cold, cloudy, rainy mornings are the kind I like most. They remind me that our summer is about over and we can begin to think of our Christmas projects. I noticed that the Christmas fabrics are showing up in our stores and the little arts and crafts shows are being advertised. Also, I noticed that our county is in the process of offering numerous quilt and craft classes. So, it is time to get with it and be ready beginning with our own county fair at the end of this month. In addition to that, I imagine there will be the Spearman craft show in late September or early October and our Gruver Craft show has been scheduled for November 14 & 15. Watch for advertisements regarding dates and locations.

I have been planning on having some crafts done, but I am still having to make trips back and forth visiting our sick folks. I continue to ask for prayers on our behalf.

Well, enough of that. September is also the time of year there is lots of activity with people moving in and out of Gruver in order to get their children settled in school for the new year. People have had their last summer fling and are ready to get involved in football or whatever. Isn't it great to begin our year winning?

Some of those getting some last minute visits with family were Bob and Connie Burgoon who traveled to Clovis. There, they have a chance to check up on daughter Amy and John. In addition, Connie's sister Paula and her husband and family get some quality time also.

One of the nicest things to happen is that local teacher Sherry Johnson took a van full of young people to visit with Stacey Williams who continues with rehab therapy in the Denver area. I do not have a list of those who went, but others going separately were

On The Go With Joy

by Joy Henderson

Mike Setliff and Clint Bell. Jerry Williams and wife Rita were also recent visitors.

Say! Did you hear all the chattering among Verna Finley and her sisters? In addition to Opal Daughtry and Fay Hudson of Ft. Worth, another sister Lois Loven and her daughter Deanna of Hurst was here. I enjoyed getting reacquainted with Lois as she and her husband Dee were residents of Gruver when Lewis and I married in 1948. She doesn't look as if she has aged quite as much as I have. Also, Mendy Evans and daughter Kelsey flew up here from Ft. Worth to give grandma Reatta Gammon and great-grandma Verna a mighty enjoyable week-end.

It was good to see Joyce Chisum once again. She is Elene Green's sister and Madeline Harland's daughter from Dalhart.

Terry Diaz from Spain is currently living with Neal and Julie Williams and attending school here in Gruver. Maybe we can get an interview and learn more about her. It seems Benjamin and Emily are enjoying having a big sister.

Bret Hobbs from Sunray and his friend Connie Fullwood of Lubbock gave his mother Kay Hobbs and his grandmother Pauline Winger a special treat by taking them to Red River for the holiday. I imagine that at this time of year, it was a little cool, but the foliage must be beautiful.

David and Kim Swink are the proud parents of a new son. Big sister Kayla is also rejoicing with

grandparents Jerry and Norma Swink. Other kin are Jeannie and the Tony Swink family.

Those who have been ill or in the hospital lately. Pam Cassidy, elementary secretary spent several days in the Perryton Hospital after school began, but she is back in her office and we hope on the mend. Shannon Acker has had eye surgery resulting from an injury she sustained earlier. Louise Heddins

had neck surgery September 2. We are happy to report that Julie Deakin is now home after her scary experience of an allergic reaction to medication.

Last minute news of visits home by college students from Texas Tech were Clay Gillespie, Trent Seagler and Matthew Hoel. Guests of Oscar and Violet Lee were son Kenneth, Carol and their daughter Tammy, all of Irving.

The children and grand - children of Fanny Venneman invite all former students and friends to an eightieth birthday reception given in her honor on Saturday, Sept. 12 at the First National Bank Hospitality Room, Spearman, Texas. The reception will start at 2:30 p.m. and last till 5 p.m. In lieu of gifts, a card with a written memory of her would mean so much.

David and Kim Swink are the proud parents of a new son. Big sister Kayla is also rejoicing with

School menu

Wednesday: Cereal, toast, orange juice, milk

Thursday: Donuts, cheese toast, apple juice, milk

Friday: Biscuits, sausage, orange juice, milk

Public Notice

Southwestern Bell Telephone Company has asked the Public Utility Commission of Texas (PUC) for approval to offer new optional call management services called Caller Identification Service (Caller ID) and Anonymous Call Rejection (ACR).

Caller ID is a new optional phone service which allows subscribers to see the phone number and/or name of most local calls before they answer the phone. Caller ID also allows the recording of the date, time, name and/or phone number of calls. Currently, Caller ID would work only on most local calls, not long distance calls. It would also require that a separate display unit be connected to the telephone. These units that attach to the telephone will be available from various retail vendors, including Southwestern Bell, at a cost starting at approximately \$50.

Southwestern Bell is also proposing that all customers be able to "block," or stop their name/number from being transmitted and displayed on a Caller ID device, free of charge. You would have this option of "blocking" your name/number on each call free of charge. There would be no need to subscribe to this service. All customers would have this capability when Caller ID is introduced in their area.

If you want to block your name or number, you need only press *67 on your touch-tone pad (or dial 1167 from a rotary phone) before dialing the telephone number. The person you're calling would see displayed a message such as "private" or "anonymous" on their Caller ID display unit.

Southwestern Bell also proposes that qualified domestic violence and law enforcement groups have the option of free per-line blocking, or free per-call blocking.

Anonymous Call Rejection (ACR or "block the blocker") allows subscribers to automatically reject all calls that have been marked anonymous, or "blocked" by the person calling. It is not necessary to subscribe to Caller ID Name/Number to subscribe to ACR. With ACR, your telephone will not ring if the person calling you has "blocked" his/her name or number. The person calling whose identification is blocked will receive a message to hang up and call back with caller identification unblocked. Following are the proposed monthly rates for Caller ID and ACR.

Proposed Rates (monthly)*	Residence	Business
Calling Number only	\$6.50	\$ 8.50
Calling Name only	\$6.50	\$ 8.50
Calling Name & Number	\$8.00	\$12.00
Anonymous Call Rejection	\$3/\$1**	\$3/\$1**

* These rates are in addition to the initial installation charges and monthly basic service rate. For residence customers, installation charges are \$2.70 per feature, with a maximum charge of \$5.40. For business customers, the charges are \$5.40 per feature, with a maximum charge of \$10.75.

** Anonymous Call Rejection is \$3 per month if purchased without Caller ID and is \$1 per month when purchased with Caller ID Name or Number.

This proceeding has been designated Docket No. 11362, and a hearing on the merits has been scheduled for November 16, 1992. The PUC has jurisdiction to consider this matter pursuant to Sections 16, 18, 37 and 38 of the Public Utility Regulatory Act (PURA). This application was filed pursuant to the provisions of the PUC's Substantive Rule 23.24. Among the issues that will be addressed in this proceeding is the legality of the Caller ID device and service under Texas wiretap laws.

Persons who wish to intervene or otherwise participate in these proceedings should notify the PUC as soon as possible. The deadline to intervene is October 26, 1992. A request to intervene, participate, or for further information should be mailed to the Public Utility Commission of Texas, 7800 Shoal Creek Boulevard, Suite 400N, Austin, Texas 78757. Further information may also be obtained by calling the PUC Public Information Office at (512) 458-0256 or (512) 458-0221 teletypewriter for the deaf.

Hansford Happenings

Defensive Driving September 15 and 16, Tuesday and Wednesday, at the Hansford County Library from 6 to 10 p.m.

Spearman Study Club will be having their 12th Annual Arts and Craft Show Saturday, Oct. 17, 1992. This will be a one day show and the hours will be 10 a.m. to 5 p.m. Any arts and crafts dealer is welcome to this show for a small boothrent. For more information contact Trudie Schneider, Box 673, Spearman, TX 79081 or call 806/659-3691 after 5 p.m.

The Hansford County Historical Commission is sponsoring an **Essay Contest** on Columbus for students in Hansford County Schools. This is the Quintcentennial of Columbus arriving in American on October 12, 1492. A \$50 U.S. Savings Bond will be given to the winner from each of the three schools - Gruver, Spearman and Pringle-Morse. Second place at each school will receive \$10. The deadline for entering the contest is **September 20, 1992**. Return your entries to Jennie Blankenship at Box 98, Morse, TX 79062 or the Station Masters House Museum, 30 S. Townsend, Spearman, TX 79081 or Helen Boyd, Box 100, Gruver, TX 79040.

COME JOIN 4-H IN HANSFORD COUNTY! You must be 9 years old or in 3rd grade up to 19-years-old. Everyone currently enrolled must re-enroll for the 1992-93 year. First meeting for Gruver will be Tuesday, Sept. 8, at 7 p.m. in the Gruver county barn. In Spearman, the meeting will be on Monday, Sept. 14, at 7 p.m. in the Extension Homemakers Club Room at 309 N. Bernice. Call 733-2901 or 659-2030/2136 for more information through the Extension office.

A **free antique tractor restoration clinic** will be held September 19, at the Golden Spread Antique Machinery Show located 10 miles east and 5 miles south of Perryton, Texas. Contact Donald Sell at 806/435-5872 for more information.

An account has been set up for **Avo Tope Gray** at First State Bank. The account # is 19-028-4 for those of you who would like to make donations. Mrs. Gray recently had quit work under her doctors advise.

The **Spearman Ministerial Alliance is sponsoring a Crop Walk** to help stop the hunger. It is scheduled for 2 p.m. Sunday, Oct. 4, at the Hansford County Courthouse. For more information contact David Furlow at 659-5557.

Yard of the Week announced

Every week this summer a yard of the week was chosen from the four different zones in Spearman. The yards of the week for Aug. 27 were as follows: Fred Van Burkirk at 322 Roland, James Riley at 205 12th, Gerald Beck at 703 2nd and L.L. Anthony at 419 Glover Place.

Many of the yards that won these awards throughout the summer were worked on by young adults wanting to earn extra money.

One of these individuals is Jeremy Pearson. He is the son of Mr. David and Cindy Pearson. Jeremy has been taking care of Anita Anthony's yard this summer. Jeremy and Anita won yard of the week on August 27.

If you know of another youngster that worked on a yard and you feel he/she deserves recognition please contact the newspaper at 659-3434.

Busy, busy month! I want to encourage all clubs and organizations to support the Hansford County Fair. The Spearman Chamber of Commerce is sponsoring the dance, Sept. 26. It will be at Harlan Gerardy's hanger at the Gruver Airport and will feature Entertainment Plus - Video Dance. The video dance is really lots of fun! Entertainment Plus is the only DJ service good enough for Z93 and KMLL. They bring a 10 ft. screen to the dance and show all the music on video. It is the closest thing to the original bands performing right there in front of the audience.

There has been a fund set up at First State Bank for Lisa Lillard, daughter of Randy and Donna Hendrickson. Remember this family, Randy and Donna do a lot of things for Spearman that lots of people don't know about. It's pay back time!

November 7th there is going to

Merchants have meeting

Members of the Retail Merchants met September 2 in the Chamber office with Eulalia Blankenship presiding.

Christmas Promotions were discussed.

A Small Business Seminar will be held September 22 in the First State Bank at 6 p.m. on Management and Planning.

29: Meetings: Lions Club, Noonlighting, Booster Club

At the movies . . .

Beginning Friday, Sept. 11, and running through Tuesday, Sept. 15, at the Lyric Theatre in Spearman is "Diggstown" on screen 1 at 8 p.m. and "Prelude to a Kiss" on screen 2 at 7:45 p.m.

"Diggstown" stars Louis Gossett Jr., James Woods, Oliver Platt, Heather Graham and Bruce Dern.

This comedy-drama film is about a con-man and a 48-year-old retired boxer who use their skills to wrestle control of a small town from a corrupt businessman.

Con artist James Woods arrives in Diggstown, Ga., and sets up an

ambitious hustle. It commits his old buddy (Gossett) to fight 10 matches in a single day. Each of these bouts is with a different opponent. A leading review magazine has this to say about the boxing, "The boxing scenes...are effectively staged."

Come see your favorite stars and enjoy both the comedy and drama of this film.

"Diggstown" is rated R. "Prelude to a Kiss" stars Alec Baldwin and Meg Ryan.

Here is what a leading review magazine has to say, "Baldwin and Ryan make an appealing romantic duo in this bright movie adaptation

of Craig Lucas' metaphysical Broadway comedy." And "Early in the film, Baldwin's character likens his romantic misadventure to a rollercoaster ride where 'anything can happen.'"

In this film publishing company manager Peter Hoskins (Baldwin), meets bartender Rita Boyle (Ryan) at a party. A whirlwind courtship is set in motion. As the couple gets closer they share more than physical intimacies. After just six weeks they decide to marry.

Their wedding day is more eventful than they expect. A strange old man wanders into the reception and asks to kiss the bride. This is where it all begins.

This film seems to ask "What is the true essence of love?"

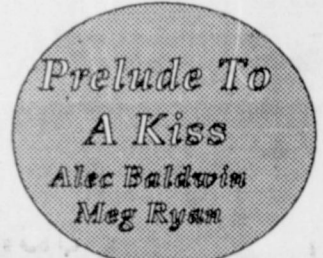

"Baldwin reasserts his claim as one of the movies' most promising and charismatic leading men, and displays a winning sensitivity to Lucas' material. Ryan brings a goofy humor to Rita's neuroses, and never overstates her sudden personality change," stated the review.

This movie is funny and romantic.

"Prelude to a Kiss" is rated PG-13.

Johnson's photos to be shown in Perryton

The Perry Memorial Library in Perryton will be showing photographs during the month of September. These photos are the works of Charlie Johnson and his parents, Bill and Joyce Johnson.

Charlie graduated from Gruver High School in 1960, attended college, and earned his pilot's license while in the Gruver area. He taught fixed wing military students at Del Rio for awhile. He then went to Mineral Wells, where he learned to fly helicopters, teaching military students there. While in Mineral Wells, the opportunity came for him to go to Alaska to fly. He flew helicopters for Era Helicopters for a couple of years. Then he began working for Evergreen Helicopters and flew helicopters for them for

about fifteen years. These ventures took him over most of Alaska, the Arctic Ocean north of Alaska, western Canada, many of the western states of the U.S. and also spent fifteen months flying helicopters in the jungles of Peru, South America.

While working for Evergreen, he made several trips to the Far East to give check rides to the pilots who were working there.

Charlie's constant companion on these trips were his cameras, taking many color slides everywhere he travelled.

Bill and Joyce have made four trips to Alaska, part of them were flying in a helicopter with Charlie. They also took many color slides. A few of their photos are on exhibit.

by Dan Carter, Pastor Trinity Community Church SAFE SEX

For several years there has been a push to educate people as to the benefits of practicing safe sex. With Magic Johnson, the L.A. Lakers basketball star, testing HIV positive, there has been a great increase in touting condoms for the purpose of enjoying safe sex. The idea is that you can be as sexually promiscuous as you like if you use a prophylactic (from the Greek word meaning "to be on guard"). That is ridiculous when you consider that promiscuity means simply to have unplanned and indiscriminate intercourse.

The Bible, God's final Word on the matter, teaches that the only safe sex is planned, discriminate intimacy with a faithful, life-long

Spiritually Speaking

marriage partner. To practice intercourse in any other manner is not right or safe, and opens a person to a trap of their own making. Thousands, with past histories of engaging in promiscuous behavior, are now flocking to have blood tests to determine if their practice has caused them to become infected with HIV. Unfortunately, those tests are inconclusive.

This column is really not about physical promiscuity. It's just that it offers a very striking parallel to the subject at hand: faithfulness to Christ. Paul, the apostle, refers to the church as the bride of Christ. As such he writes, "For I am jealous for you with a godly jealousy; for I betrothed you to one husband, that to Christ I might present you as a pure virgin. But I am afraid, lest as the serpent deceived Eve by

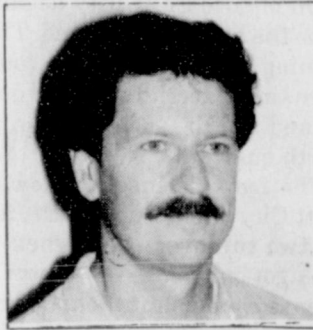

his craftiness, your minds should be led astray from the simplicity and purity of devotion to Christ," (II Cor. 11:2,3).

As in an earthly marriage, so in this marriage to Christ. It is a commitment to monogamy that undergirds safe sex, and in the spiritual realm insures growing intimacy with Christ. An intimacy, by the way that will impregnate the church with fruitfulness and converts for God's Kingdom. Promiscuity, sleeping with this age and its gods, breeds disease known as "works of the flesh" and such are terminal--just like full-blown AIDS (see Gal. 5:19-21 and James 1:14,15).

I am thoroughly convinced that real, devoted love is evidenced outwardly. Men who love their wives

take them on walks, dates and tell them of their love. Women who love their husbands make a comfortable home for them and respect their authority. Christ has evidenced His love for the church by dying for her. For us to love Him shows in practical ways. We commit ourselves to those things He loves. He loves the poor, blind, weak and downcast. He loves His church and is always present when she gathers.

If you are part of the bride of Christ, you need the prophylactic of church family and its practices and traditions, to prevent infection and/or impregnation from the spirit of this age. Don't be indiscriminate in commitments and time allotment. Give Jesus His due as your betrothed, if you have accepted His proposal. Not only will it keep you safe, but you'll bear fruit for eternal life.

RADICAL LIVING

By Dan Carter, Pastor
Trinity Community Church

WHAT ARE YOU HUNGRY FOR?

I came of age in the 1960's. The music scene was being revolutionized by bands from England. One of those groups is still around a quarter century later. The ROLLING STONES aren't youthful, but they still rock 'n roll.

In 1965 they sang an anthem that is really the theme of a great number of people, now and in ages past. The song is titled "Satisfaction." Funny it's named that. The most repeated line is "I can't get no...satisfaction." Lots of people can't seem to get any satisfaction. It's because they're not looking in the right place. Only one thing in life ultimately satisfies, a real relationship with God.

Jesus spoke of that satisfaction in the Sermon on the Mount. His word for the satisfaction of knowing God is righteousness. The whole sermon is built around the theme of righteousness: what it is, how to get it and what it looks like.

Jesus begins with how it is attained. It must be desired. In fact He says if you don't "hunger and thirst for righteousness" you won't be satisfied. If you don't have a voracious appetite to know God, you'll never even get seated at the table.

Next Jesus says that "if your righteousness does not exceed that" of the most religious people you can shake a stick at, you'll have no portion of His Kingdom. Jesus definitely has a way of shaking up the status quo. The ROLLING STONES have nothing on Him in that regard.

Finally, Jesus says that righteousness is to be the primary goal for the child of God. Don't search for meaning in life via possessions, pleasures, etc., but "seek first My Kingdom and My righteousness," He says.

Jesus has much more to say about the shape this search takes. It always emphasizes relationships: vertical, with God and horizontal, with people. That is why so many people "can't get no, satisfaction." They aren't making relationships priority in life. And life is relationships. First with God. Then with people, including ourselves.

What are you hungry for? Only a diet of righteousness will really satisfy.

Antique show offers free clinic

A free antique tractor restoration clinic will be held September 19 at the Golden Spread Antique Machinery Show located 10 miles east and 5 miles south of Perryton, Texas. Contact Donald Sell at 806 435-5872 for more information.

Anyone who has ever wanted to

revive an antique tractor or improve existing restoration technics can get some free schooling under the tutelage of master tractor restorers. Teaching the classes will be Carroll and Jeff Gravert of Central City, Nebraska. The Graverts were featured in the Ageless Iron

Restoration Guide published last year by Successful Farming magazine. The Ageless Iron restoration clinics will start each morning with a 3 to 4 hour presentation. This part of the program will consist of live demonstrations on how to restore antique tractor engines, drive trains, fuel and electric systems, and sheet metal. The Graverts will use actual tractor parts in their presentation which will also include demonstrations of wire (MIG) welding and spray painting.

CLASSIFIED ADS PAY OFF!

Equity from page 1

year by 24%, falling to \$50.9 million.

Expenses were also slashed by Equity. Payrolls were trimmed by 18% to \$4.1 million and overhead was reduced by 23% to \$5.4 million. Overall expenses fell by 19% to \$11.3 million.

Despite the cutbacks, Equity lost \$3.2 million on operations during the year. Patronage dividends softened that loss by adding \$317,147 to the coffers.

The largest lost item was on the sale of assets. The properties sold were carried on the Equity books at a value of \$5 million, but they brought only \$2 million when sold. That was a net loss for the company of \$3 million. That property transaction loss, added to the operating loss, gave the cooperative a total loss for the year of \$5.9 million.

When those transactions are carried to the balance sheet, the asset value of Equity has dropped from \$43.5 million last year to \$33.6 million this year. That is a 23% reduction in value.

Though total liabilities for the cooperative have fallen from \$25.5 million to \$21.7 million, member equity in the cooperative has been reduced from \$18 million to \$11.9

million. That is a reduction of \$6.1 million or 34%.

This year's loss is the highest in the history of the cooperative. It is the third consecutive year that Equity has had a loss. The cooperative lost \$3.6 million in 1990 and \$812,000 in 1991.

Public Notice

Southwestern Bell Telephone Company, in accordance with the rules of the Public Utility Commission of Texas (PUC), hereby gives notice of the Company's intent to implement a new schedule of telephone rates in Texas for optional Custom Calling Services and Touch-tone service, effective March 15, 1993, unless otherwise determined by the PUC.

These proposed rates will not increase or decrease the Company's overall revenues; the net effect will be neutral to the Company's annual revenues.

The Company proposes to decrease the rates for Touch-tone service for residential customers from \$1.00 to 68 cents, and also to reduce the Touch-tone rates for business customers from \$1.75 to \$1.70. In addition, the Touch-tone rates for business PBX trunks will be reduced from \$3.15 to \$2.18.

This proposal to decrease the rates for Touch-tone service does not change the commitment that the Company made in the Docket No. 8585 Stipulation to reduce the rates for Touch-tone service in 1993.

The Custom Calling Services affected by the Company's application are optional telephone service arrangements that provide the following features: Call Waiting, Call Forwarding, Three Way Calling, Speed Calling-8 and Speed Calling-30. Following are the feature combinations and their current and proposed rates.

One Feature per line	Residence		Business	
	Current Rate	Proposed Rate	Current Rate	Proposed Rate
Call Waiting	\$2.10	\$2.85	\$2.65	\$3.25
Call Forwarding	2.10	2.10	2.65	3.50
3-Way Calling	2.10	2.10	2.65	2.50
Speed Call-8	2.10	2.10	2.65	2.50
Two Features per line				
Call Waiting, Call Forwarding	3.75	4.25	4.75	6.00
Call Waiting, 3-Way Calling	3.70	4.25	4.75	4.75
Call Waiting, Speed Calling-8	3.70	4.25	4.75	4.75
Call Forwarding, 3-Way Calling	3.70	3.50	4.80	5.00
Call Forwarding, Speed Calling-8	3.70	3.50	4.75	5.00
3-Way Calling, Speed Calling-8	3.70	3.50	4.75	4.00
Three Features per line				
Call Waiting, Call Forwarding and 3-Way Calling	5.30	5.65	6.90	7.50
Call Waiting, Call Forwarding and Speed Calling-8	5.30	5.65	6.90	7.50
Call Waiting, 3-Way Calling and Speed Calling-8	5.30	5.65	6.90	6.25
Call Forwarding, 3-Way Calling and Speed Calling-8	5.30	4.90	6.90	6.50
Four Features per line				
Call Waiting, Call Forwarding, 3-Way Calling, Speed Calling-8	6.90	7.05	9.00	9.00
Speed Calling - 30 code capacity	3.20	3.20	4.25	3.20

Most of the Company's residence and business customers who subscribe to Custom Calling Features and Touch-tone service will be affected by the proposed rate restructuring.

It is expected that the restructuring of Custom Calling Features will result in a rate increase for approximately 2.9 million residence customers and 280,000 business customers. The reduction in rates for certain Custom Calling Services and Touch-tone Service will affect approximately 4.3 million residence customers and 1.7 million business customers.

This rate restructuring is expected to have a "revenue-neutral" effect on the Company's annual revenues. The proposed rate restructuring of Custom Calling Services will increase the Company's annual revenues by \$19.8 million; while the reduction in Touch-tone rates will decrease the Company's annual revenues by \$19.8 million.

This proceeding has been designated Docket No. 11382. Persons who wish to intervene or otherwise participate in this proceeding should notify the PUC as soon as possible. The deadline to intervene is October 30, 1992. A request to intervene, participate or for further information should be mailed to the Public Utility Commission of Texas, 7800 Shoal Creek Boulevard, Suite 400N, Austin, Texas 78757. Further information may also be obtained by calling the PUC Public Information Office at (512) 458-0256 or (512) 458-0221, teletypewriter for the deaf.

Harvest Your Safety Thoughts

Buckle Up!

Texas Coalition for Safety Belts

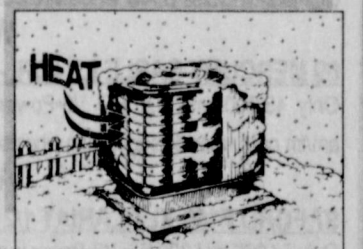

THE WARMTH OF THE EARTH

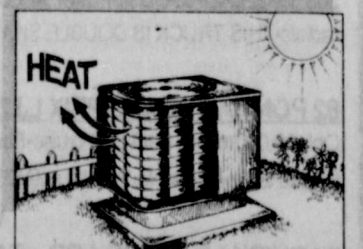

The heat pump captures it to heat and cool your home naturally.

The Dual Fuel Heat Pump uses existing heat to keep your home comfortable...naturally. Because it doesn't have to create heat, it's very efficient. For each unit of energy it uses, the Dual Fuel Heat Pump creates two or three units of heat.

Dual Fuel Heat Pump owners say it costs them less to operate than other systems. And, because it's electric, the Dual Fuel Heat Pump is cleaner.

There is heat in the air on the coldest days. The heat pump captures it to warm your home.

In summer, it becomes a high efficiency air conditioner. During hot weather, the heat pump captures the heat inside the home and takes it outside.

Contact your heat pump dealer or Southwestern Public Service Company for more information.

Dual Fuel Heat Pump

© 1992 SPS

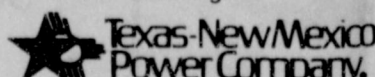

Arm your home against energy waste with caulking and weatherstripping

Wipe out air leaks around windows and doors, and you can declare a victory in the battle against energy waste. Caulking and weatherstripping are your best weapons in this fight against leaks... leaks that can waste from 15 to 30 percent of the air you pay to heat and cool.

Caulking and weatherstripping are highly effective, but they're relatively inexpensive -- and easy. You can probably caulk and weatherstrip your home in a weekend.

For more information about fighting energy waste, call or visit your local Texas-New Mexico Power Company office and ask for the free brochures, "Straight Talk about Weatherstripping" and "Straight Talk about Caulking."

Birth announcement

Mr. Henry and Lisa Lewis of Dumas are pleased to announce the birth of their son Harrison Dylan. He was born Aug. 27 at 10:30 p.m. at Dumas Memorial Hospital. Harrison weighed 6 lb. 3 oz. and was 19 inches long at birth.

He has two sisters, 12-year-old Leslie and 9-year-old Rachel.

Maternal grandparents are Claude and JoNell Sheets of Spearman.

Paternal grandparents are Wanda and Delbert Lewis of Dumas and great-grandparent is Edna Mae Smith of Amarillo.

Abundance of knowledge does not teach men to be wise.

—Heraclitus

Mary Ooley and Adalyn Barnes received word of the passing of their brother this week. Mabry Daughtery, 80, of Rocklin, Calif. died suddenly and they were unable to attend the services. The Daughtery family lived in Spearman when he entered military service with a number of Spearman men just prior to the outbreak of World War II. He made the military his career and survived much deadly action.

To those who have made inquiry the new address for David and Jane Nuckles is now 307 Ave C, N.W., Box 492, Childress, Tx. 79201.

Mr. Nuckles, former pastor of the Assembly of God Church here, completed his apprenticeship at Tulia, and is now a duly qualified and licensed mortician. He is employed at the Johnson Funeral

Home in Childress.

Their daughter, Trena, and Tim Patterson are still in Tulia where he also is a mortician.

Mansel and Dianne Bryan spent the weekend here with his mother, Ruth Bryan. Mansel is now associated with the Texas Department of Corrections and works with a number of colleges where instruction is being given to prison officials in training. He also supervises the orientation of the newly hired officials.

The Bryans live in Huntsville.

Isn't it peculiar that every time a major catastrophe occurs, the three main T.V. networks maneuver to the point they can attach blame to the government or to a corporation - either for being responsible before it happens, during the time or some failure immediately after?

Juanita and Jerry Gibner of Albuquerque were here over the weekend to help old friends, Mary and Don Allen, to celebrate Mary's birthday.

They report that Jerry's mother, Margaret Gibner is fairly well settled now. The first nursing home where she went, was not adequate and she was hospitalized for a time. She is now in another and has adapted better. Her granddaughter Barbara is building some living quarters for Margaret at her home and it is hoped it will be completed by Thanksgiving. Margaret sends greetings, but regrets she cannot answer cards or letters as she is unable to write.

In the disastrous plunge of the Texas Rangers toward the cellar probably the only person who is pleased is Bobby Valentine.

Floydgan Gatlin returned Monday from several days in San Angelo

visiting her son Jeffery and Becca Gatlin and their children. She returned by Lubbock and spent some time with her daughter, Suzy Gatlin. Her trip was made by bus.

It was an interesting write-up about Spearman in the Monday Amarillo newspaper. Makes one appreciate our little village. Thanks to all who contributed to the article.

Ray Phelps has always been most considerate of Beth by furnishing her the newest and best tools to do their yard work. Last week in demonstrating the saw attachment on a weed-eater, he suffered a severe cut on his left hand, almost severing his index finger. To add to his discomfort, he had a reaction to some of his medication, but by now he is recovered.

Cathy and David Boyd and children, together with Trudy and Earl Goodheart, enjoyed the long weekend in a family outing. They went to Canton Lake for fishing and skiing and enjoyed both.

A VIP making a first trip to Spearman was Mitzi Bracy, six weeks old. For the first time she met her great-grandparents, Louise and Everett Vanderburg. She accompanied her parents Jean and Ricky and spent the weekend with grandparents, Linda and Jim Davis.

Notes from the ill:

Rae Butler fell at home last Wednesday and struck her head. When she recovered consciousness, she could reach the cordless phone and called 911, and was taken to Hansford Hospital. Later that day she was transferred to St. Anthony's Hospital and after thorough tests, her condition stabilized to the point she could return home on Sunday.

Among the Neighbors

by Helen Fisher

Relatives report that by Monday Chip Martin had improved enough at High Plains Baptist Hospital to give orders that he is ready to come home. He had undergone very painful hip surgery the previous week.

Sarah Shufeldt is still in Guymon Memorial Hospital at this writing. She has been hospitalized for several days with pneumonia.

Welcome guests of Freda Sheets on Monday were friends of more than 50 years. Dora Dobbs and Marie Apple live in Perryton.

Bob and Sherrill Meek with Ray and Carolyn Gressett took the Labor Day Holiday weekend for a pleasant trip to Colorado. They toured the Colorado Springs area and especially enjoyed the hot air balloon exhibition. They also spent time in Pueblo, and returned late Monday evening.

Carolyn Gressett very recently

returned from a most fascinating trip to Hungary. Their son Jeffrey is in the Peace Corp at Eger, Hungary which is the center of the wine producing area. He has been there 14 months and speaks both Hungarian and German, and knows the country well.

Carolyn flew from Dallas to JFK airport in New York City, thence to Amsterdam, then her destination of Budapest. Jeff met her and they took the train to Eger. They toured the country by train and by bus and saw much of interest.

Her three weeks were filled with interesting places, customs and conditions. She will give a more detailed account of it in a later issue of this paper.

On Friday evening, September 4, Carolyn had some friends in for a "Taste of Hungary" evening. They sampled some Hungarian cookies, candies, cold meats and wines which she had brought back with her. She showed a video of her travels. The guests had given her a "bon voyage" party before she left.

WE APPRECIATE YOU

The family of Eva Boyd wishes to express their sincere appreciation for the outpouring of love, concern and prayers during Eva's illness and passing.

Our gratitude is also extended to the wonderful Hospice Unit and the Hansford Hospital nursing staff

GOD BLESS YOU

ADVERTISING PROVISIONS

1. Publisher reserves the right to reject, edit, revise and properly classify any advertisement at his sole discretion.
 2. Advertiser assumes all liability for advertisements printed pursuant to his instruction and shall indemnify and hold the publisher harmless from and against any and all claims and damages, including all costs incurred by publisher in connection therewith. Advertiser represents that all advertising copy is truthful and not misleading. Advertiser shall indemnify and hold publisher harmless from any claim against publisher arising out of or in connection with publication of advertising (except for modifications made by publisher without Advertiser's approval) including, but not limited to, claims for libel, invasion of privacy, commercial appropriation of one's name or likeness, copyright infringement, trademark, trade name or patent infringement, commercial defamation, false advertising, or any other claim whether based in tort or contract, or on account of any state or federal statute, including state and federal deceptive trade practices acts. If advertiser claims copyright ownership in any of the advertising published, advertiser must include proper notice of its copyright claim in the body of the advertisement, otherwise copyright ownership shall remain in the publisher.
 3. Advertiser agrees to check advertisement in the first issue in which it appears and report any error at once as publisher assumes no responsibility for errors after the first insertion. For any error which is the fault of the publisher and of which publisher has been timely notified, publisher will reprint the corrected advertisement for one extra insertion or refund the proportionate cost of the advertisement containing the error. Publisher shall have no responsibility for errors appearing in the copy submitted by advertiser.

Southwest Outdoors

with Mel Phillips

Smallmouth slot limits might help Meredith

If the people who manage the fishing at Lake Meredith did their job as well as the members of the PAMPA BASSMASTERS CLUB, every person who entered the Fritch Tornado Benefit Tournament would have caught a limit of trophy bass, walleye, sandbass, and crappie.

Thanks to the efforts of bass fishermen from Plainview to Perryton, a donation of \$1,600.00 will be given to the victims of the Fritch Tornado. Everything except the quality of fishing was truly outstanding.

The \$1,000 first prize went to STEVE WADE of Vernon who caught a 1.88 lb. bass! In second place was Amarillo's DON MIDGETT with a 1.70 lb. bass. Third place went to RANDY WOSSUM with a 1.57 lb. bass. Fourth place went to RANDY MASSUCCI, while Pampa's DARYL CRAFTON placed fifth.

The only keeper walleye (1.81 lb.) earned TOMMY DOWNS \$300.00. The only legal crappie (1.00 lb.) won \$100 for HEIDI MITCHELL. The biggest of only four legal sandbass that day weighed 1.65 lb., earning BRENT JUDD of Fritch \$100.

EFFECTIVE SEPT. 1 ST NEW SLOT LIMIT AT MEREDITH A NEW limit of three smallmouths that must be shorter than 12 inches or larger than 15 inches will be the latest Lake Meredith management effort.

Canyon's best angler is a title that aptly describes JOY FRIEMEL's 1992 performance at the FUN TOURNAMENTS on Lake Greenbelt. Jay has entered twice and has won both tournaments. The August tournament tallied his three bass limit at 4.63 lbs. and earned him \$280. A super-slow white Sluggo-type bait on ten pound line was Jay's secret weapon. Second place honors went to Amarillo's PERRY HAWKINS with 2.85 lbs. Third place was claimed by RANDY HESTON of Stinnett. Plainview's KEITH FROST won fourth place, while SAM TAYLOR of Canadian finished fifth. Forty anglers from 12 towns participated in this three hour catch-and-release tournament.

Remember that all kids under 17 can fish "free" at the remaining Thursday evening Fun Tournaments when accompanied by an adult contestant.

Next Fun Tournament at Lake Meredith is Thursday evening, September 3rd. Next Fun Tournament on Lake Greenbelt is set for Thursday evening, September 17th. Registration opens at 4:30 p.m., and the bass fishing is from 6 til 9 p.m.

I love the Fall, the cool mornings and I look forward to renewing old friendships around a campfire.

TEXAS

It's Like A Whole Other Country.

Hounds from page 1

froze the defense for a second, and they didn't recover. That exciting first score covered 74 yards, a 3-play, 80-yard drive, and when Frick ran the conversion in, Gruver had an 8-0 lead.

Wheeler scored in the second quarter also, to make it an 8-6 contest. Both of Wheeler's touchdowns came after recovering Gruver fumbles - the Hounds lost three of them.

But Lopez darted up the middle for 45 yards, culminating a 6-play, 72-yard drive for a second touchdown; and, following a key interception and 37-yard return by the unsung hero Price, that set Gruver up at the 38 for the eventual winning touchdown. Spivey had that nice 24-yard TD reception and run to cap the 6-play, 38 yard drive, for two third quarter scores that put the game out of reach - a 22-6 Hounds lead. Wheeler scored again to make it closer, but ran out of luck in the end.

The Hounds had four starters out for this game, while the Mustangs had two. Gruver will be healthier next week with a returning Scott McCloy and Matt Etheredge. Ricky Oliva and Raul Villegas may still be out.

As you've read from this source

since prior to summer two-a-days, this Gruver Greyhound team may be the surprise team of the year in 1-AA. This victory over Wheeler in Coach Frick's inaugural game as head coach may be a portent of things to come for Gruver's remaining eight foes this year. Their next opponent will be Boise City at the Oklahoma town on Friday, Sept. 11, at 7:30 p.m. All time since 1951, Gruver is 3-1 vs. the Wildcats, but they haven't played them since 1977. Coach Frick comments, "Their quarterback is good, and he throws short passes. Also, they have a back named Rodriguez, and he's pretty quick." Boise City beat Walsh, Colo. this past week in their opener, 6-3. Make sure you get a chance to see this Hounds team.

Gruver Varsity Football Stats:

	Gru	Whe
First Downs	12	16
Carries/yards rushing	41-176	43-103
Passing comp/att/int	5-9-2	8-19-3
Yards passing	120	79
Total yards gained	296	182
Punts/avg	4-27.0	3-35.3
Fumbles/lost	3-3	2-1
Penalties/yards	7-61	4-30

Gruver running back Aaron Frick (29) tries to turn the corner against Wheeler.

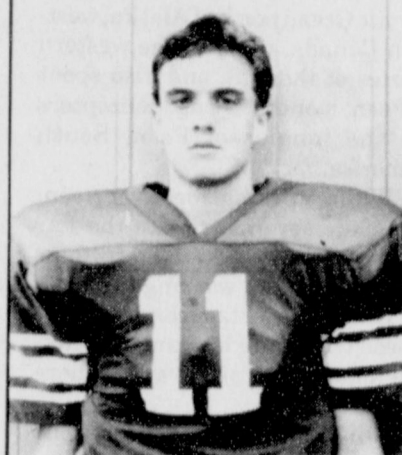

Whoa! Says defensive player of the game, Chad Gardner, as he holds on to a Scott City, Kan. running back (black jersey).

Ric Smith's Players of the Game

OFFENSE

DEFENSE

Jason Varnon

Chad Gardiner

Lynx from page 1

and this time connected with Lynx offensive end Brady Reed. The pass went for 14-yards and a first down.

Vanderberg gained a few yard more on the ground putting the ball on the Scott City 10-yard line. The Scott City defense toughened up and pushed the Lynx offense back two consecutive times for a total of 8 yards lost. The Lynx were looking at fourth down and 16 yards for a first down.

The Lynx went for the first down again. The play was a quarterback option roll out to the right side. Varnon avoided one tackle and turned up the field as to run. Just as he approached the line of scrimmage he let the ball fly.

It came down in the arms of Arnold. Arnold had popped out behind the Scott City defense as they moved up to stop the run. He stepped into the corner of the Scott City end zone for the Lynx's first touch down of the season. Dee Mayfield kicked the PAT to make the score 7-0 in favor of the Lynxs.

That would be the only TD the Lynx would score for the day. On the other side of the ball the Scott City offense and defense began to

put it all together and take control of the game.

On offense Scott City began to move the ball on the ground. Their running attack lead to two touchdowns in the second and third quarter and a fifth touch down in the fourth quarter.

The Lynx defense did slow the Scott City offense up a little, forcing two turnovers. But when the Lynx got on offense the Scott City defense would shut them down or the Lynx would hurt themselves with a penalty or a turn over.

Ric Smith, Lynx head coach, summed up the game this way, "We played well for awhile. We learned about our weakness playing such a strong team. We improved a lot this week. We will improve more next week."

Smith went on to say that next week will be a tough game for the Lynxs as they face 1A State Champs, Memphis at Memphis. "They are better than Scott City, with more speed than anybody we will face," said Smith.

The game will start at 8 p.m. Friday, Sept. 11, at Cyclone Stadium in Memphis.

CC from page 1

Venneman, 44. The boys varsity finished as follows: Cody Barkley, 28; Scott McCloy, 29; Kevin McNett, 53; and Jason Bartimus, 56.

The team standings for the varsity girls were: 1st, Canyon, 15; 2nd, Perryton, 80; 3rd, Stratford, 106; and 4th, Gruver, 134. Other placings were as follows: Narareth, 5th; Sanford-Fritch, 6th; Wheeler, 7th; Claude, 8th; Panhandle, 9th; and White Deer, 10th.

Gruver teams will be competing in the Perryton Meet this Saturday, Sept. 12, at Lake Fryer.

Obituaries

JOHN W. DUNN
PERRYTON - John W. Dunn, 64, died Friday, Sept. 4, 1992. Services were held at 2 p.m. Monday in Calvary Temple with the Rev. Marlon Sparks, pastor, officiating. Burial was in Ochiltree Cemetery by Boxwell Brothers Funeral Home.

Mr. Dunn was born in Roanoke and had been a Perryton area resident since 1958. He married Kayleen Patterson in 1959 at Spearman. He worked as an oil field driller in the Perryton area. Survivors include his wife; six daughters, Lavidia Noeland Jonnie Eller, both of Dallas, Laquidia Rozell of Louisiana, Rhonda Winborne of Pampa, Jo Anne Hill of Jal, N.M., and Dolly Hinshaw of Big Spring; a son, David Maxwell of Arkansas; two brothers, Gene Dunn of Wynnewood, Okla., and

Buster Dunn of Crowley; three sisters, Lorene Pierce of Wynnewood, Peggy White of Elmore City, Okla., and Joan Landrum of Amarillo; 16 grandchildren; and four great-grandchildren.

LEMUEL PHILLIP MOORE
CLARENDON - Lemuel Phillip "Bud" Moore, 69, died Friday, Sept. 4, 1992, in Amarillo.

Services were held Monday, Sept. 7, at 10:30 a.m. in First Baptist Church with the Rev. Dan Snider, a Presbyterian pastor, and the Rev. Truman Ledbetter, pastor, officiating. Burial was in City-

zens Cemetery by Robertson Funeral Directors Inc.

Mr. Moore was born in Blossom and had been a longtime Clarendon resident. He was self-employed as a well driller before retiring in 1984. He was a U.S. Army veteran, serving in World War II. He was a member of Clarendon Masonic Lodge No. 700 and First Baptist Church.

Survivors include a daughter, Teresa Randolph of Fort Worth; two sons, Terry Moore of Spearman and Michael Moore of Clarendon; three sisters, Linda Blair of Lubbock, Murta Jo McCoy of Daly City, Calif. and Jackie Walls of Floydada; five brothers, James Moore of Dallas, Gordon Moore of Adrian, Don Moore of Austin, Wayne Moore of Abilene, and Jack Moore of Houston; and three grandchildren.

The family requests memorials be to the Department of Veterans Affairs Medical Center, 6010 W. Amarillo Blvd., Amarillo, Texas 79106-0000.

Museum from page 1

tricity, plumbing, heating and cooling and sheet rock are the main items needed. We want to use the local people for this work.

This is a non-profit organization so your donation may be deducted from your income tax this winter. That alone, is a good incentive, not to mention the historical value of days gone by.

Ft. Zulu was the first permanent dwelling north of the Canadian River in Hansford County; the first white settlement; the first U.S. Post Office. It was located on the Dodge City-Tascosa Trail. James and Bob Cator were the two men to brave the elements and Indians to accomplish this. A number of their direct descendants still live in Hansford County.

Hansford County Citizens please make it possible to finish the building. Any and all donations—large or small—will be gratefully appreciated and may be given to the Museum with the stipulation it be used for Ft. Zulu.

All Sewn Up

"A stitch in time saves nine." Grandma passed on this old adage at every opportunity, and truly it is sage advice even today...especially today. At the risk of being somewhat trite, do you ever feel that your life is "coming apart at the seams"? Possibly a little something went wrong...then another misfortune...and on and on...until pessimism and fear take hold. **Take control!** Allow God to help you to regain optimism; to experience the peace of mind that comes only from the unconditional trust in His power as it works in your life, even before mishaps occur. Trust God...beginning now, and make regular worship a weekly opportunity, so that life does not become insurmountable. With God's help, your life can be "all sewn up".
