### Scouting for Food

On April 26th, beginning at 10 a.m., Spearman Boy Scouts, Cub Scouts, and Girl Scouts will be collecting canned food, which will be used to restock the food supply kept at the Hansford County Courthouse. If you wish to donate, but will not be home on the 26th, please leave your donation on your front porch, and it will be picked up.

### Hospice Garage Sale

If you have good, used clothing, kitchen things, books, toys, furniture, exercise equipment, etc., that you would like to donate to the Hospice Garage Sale, please bring these items to Kay's Cafe building on Main Street on April 17th, from 1:30 - 4:00 p.m. If you have items, and need someone to pick them up, please call Doyle Jackson at 659-2384.

### Multiple Project Management

In this hectic world where we live, it is imperative to be able to manage several projects at once. Tuesday, April 15th, at the O'Loughlin Center, from 12:00-1:00 p.m., Ronda Mikles of Mikles' Marketing & Management in Elk City, will speak on managing multiple projects. Learn how to organize, manage your time and set priorities. Discover ways to juggle projects, people and pressure while promoting teamwork and commanding respect. Call Peggy Winegarner, County Extension Agent, for more information (659-4130 or 733-2901). Light lunch served.

### Teens Learn to Earn

Want to get a job and keep it? Come to the O'Loughlin Center, Monday, April 14th at 7:00 p.m. Ronda Mikles of Mikles' Marketing & Management in Elk City will address teens on "A New Way to Spell Success." Learn how to make a good first impression and become creative as you begin job interviews. Discover a unique way to look at success that helps you get started on the path to your career. (Sponsored by the Hansford County Extension Service and the Community Resource Program.) Call Peggy Winegarner, County Extension Agent (659-4130), or Cindy Blackman, Community Resource Coordinator (659-3233), for more information.

## CRP Sign-Up Highly Successful

Agriculture Secretary Dan Glickman recently announced the successful conclusion of the sign-up period for the new Conservation Reserve Program (CRP).

"Preliminary figures from the field show that we got approximately 301,650 offers for almost 26 million acres," said Glickman. "Of these, nearly 8 million are new and offered for the first time, and the remaining 18 million or so are currently enrolled in contracts due to expire in September."

Glickman cautioned the public that these figures are preliminary estimates only. Final numbers may vary somewhat.

According to Glickman, this large pool of offers will allow the USDA to enroll those acres yielding the highest environmental benefits. "That helps us get the biggest bang for the taxpayers' buck," he added.

The CRP is based on voluntary partnerships between government and members of the public. Agriculture producers receive annual rental payments and cost-share assistance for establishing various kinds of protective cover on suitable farm property to protect and improve air, water, soil quality, and habitat for wildlife. Rents are based on local market rates, and acres are chosen

so as to yield the greatest resulting environmental benefit.

All land that is enrolled in the program must compete for acceptance based on an environmental benefits index that ensures fair and equal consideration for all types of land. Producers will be notified by mid-June as to which acres have been accepted into the CRP.

The states of Texas, North Dakota, and Montana finished the sign-up period with the highest numbers of acres offered. Producers offered about 3.4 million acres in Texas, 2.5 million in North Dakota, and 2.3 million in Montana.

Individual sign-up statistics for Texas follow. These figures are taken from preliminary returns from FSA field offices. Final sign-up figures will be released later:

Number of Offers Received - 19,620; Total Acres Offered for Enrollment - 3,428,659.70; Acres Offered Currently Enrolled in CRP - 2,519,646.30; Acres Offered Not Currently Enrolled in CRP - 909,013.40;

Sign-up statistics for Hansford County are as follows: Number of Acres to Expire 9/30/97 - 29,739.5; Number of Contracts to Expire 9/30/97 - 117; Total Acres Registering - 33,854.5; Eligible Acres - 20,425.4; Prior CRP Acres (acres of prior contracts which were resubmitted) - 28,611.3; EBI Range (Environmental Benefit Index - Range 0-400 points) - 57-207; 28 new pieces of land for 5631 acres were submitted.

The top 50 counties of the Texas Panhandle/South Plains contained 2,974,022 acres signed-up, almost 12% of the nation.

Sign-up statistics for Ochiltree are: Contracts Expiring - 180; Total Acres Registering - 53,920; Eligible Acres - 36,293.

Sign-up statistics for Hutchinson are: Contracts Expiring - 22; Total Acres Registering - 3,688; Eligible Acres - 3,688.

Sign-up statistics for Sherman are: Contracts Expiring - 171; Total Acres Registering - 88,330; Eligible Acres - 86,330.

## FBC Sanctuary Choir To Present Concert Worship Series

The Spearman First Baptist Church sanctuary choir will be doing a three-concert worship series on Saturday and Sunday, April 12th and 13th.

Saturday, the 12th the choir will sing at the Clements Unit prison in Amarillo. Sunday morning, the service will be presented at 11:00 A.M. at the home church. The choir will return to Amarillo Sunday afternoon to sing for the Shepherd of the Plains Community Church, a mission of Canyon First Baptist Church. The Shepherd of the Plains congregation is meeting at the Westover Junior High School, Hollywood Road and Coulter, and that service will be at 4:00 P.M.

"Sing for Joy" includes music by the choir and guest artists Vicki Gibbs and Jeff Berry. Vicki is well known in our community. Her husband, Russ, pastored First Baptist Church for 8 years. Vicki sang at the church and in the community and taught choral music in the junior high and high school. They have just moved to Amarillo from Abilene, Texas, where they moved from Spearman in 1992. Russ pastored Beltway Park Baptist Church, and Vicki went on staff at that church as minister of music and worship in the fall of 1992.

Jeff Berry is a Christian artist currently living in Abilene. He entered full-time ministry in the fall of 1994, and is now one of the most sought after worship leaders

in the country today. He has appeared with artists such as Twila Paris, PETRA, and Geoff Moore & The Distance. In May, Jeff will be opening for Michael W. Smith in Dallas. Jeff has been asked to serve as the worship leader for the Youth Evangelism Conference at Reunion Arena in Dallas in June, a gathering of over 20,000 students. He leads worship for Grace, a college Bible study in Abilene that is attended weekly by over 1200 college students.

Jeff has recorded a worship album, *The Wind of Grace*, which was released by CrossWind Music Group in May, 1996. The title song is being played by a number of Christian radio stations. The theme of the album is God's grace, and Jeff speaks of grace as the theme of his ministry. "Having discovered God's grace in my life within the last several years, it is my heart's desire to communicate that effectively to this world that needs to hear those wonderful words 'my grace is sufficient for you!' My life changed as a result of that truth, and my prayer is that this music can be an encouragement to others who need to hear the good news."

First Baptist Church is indeed fortunate to be able to have two such talented artists coming to minister with the choir. The public is warmly invited to worship with us at the Sunday morning service. The service will begin promptly at 11:00 A.M. There will be a nursery for children 3 years of age and under.

Coach Marcia Shieldknight was recently named Coach of the Year in the Amarillo Globe-News Super Team Roster. Spearman finished second in district, upset Clarendon 60-58 in Bi-District and beat New Deal 61-41 in the area round to earn its first regional playoff berth since 1980. The Lynxettes then shocked the state by upsetting two-time defending state champion Ozona 36-35 in the Regional 1-2A semifinals before falling to state finalist Shallowater 53-52 in the regional finals. They finished 19-15 overall. "I thought we had a great group of kids," Shieldknight said. Spearman assistant coaches were Debbie Stopper and Amy Largent.

A ribbon cutting was held for Interstate Bank, sb on Tuesday, March 18, 1997 to celebrate their new charter and name change. Pictured above are: Ryan Detherage, Branch Manager and Vice-President; Angie Wright, Branch Supervisor; Theresa Barkley, Tax and Insurance Department; Lisa Payne, Teller; Ellis Sammons, Director; Nina Beth Hargrove, Chief Operating Office and Executive Vice-President; Bill Mack Tregellar, Director; and Margaret Lair, Retired Past Vice-President.

## Miss Hansford County Pageant

The annual Miss Hansford County Pageant will be held again this year during Spearman Heritage Days. Entry forms are available for all ages beginning Monday, April 14, 1997, with a deadline for entry on the 16th of May. The theme for this year is Beauty and the Beast.

The pageant will be held Tuesday, June 10, 1997, at 7:00 p.m. in the Spearman High School Auditorium.

Entry forms may be picked up at: Kid's Stuff, Lady Fair, Michele's, The Bunkhouse, and the Spearman Chamber of Commerce.

Categories for the pageant are:

Little Miss Hansford (Ages 4-6), Junior Miss (7-9), Miss Pre-Teen (10-12), Miss Teen (13-16), and Miss Hansford (17-21). Ages are as of June 1, 1997.

Entry fees are: Little Miss, Junior Miss, and Miss Pre-Teen - \$35.00; Miss Teen, and Miss Hansford - \$50.00.

For more information, please contact Cindy Avila, Committee Chairman, or committee members Kathy Boyd, Davonna Daharsh, Jodie Hight, Maria Ochoa, Gina Davis, Tonya Close, or Donna McCubbin. This event is sponsored by the Women's Division of the Spearman Chamber of Commerce.

## Annual Texas Aggie Muster

Former students and friends of Texas A&M University will assemble in Spearman, April 21st, for the annual Texas Aggie Muster.

The Muster activities will begin at 6:30 p.m. at the pavilion at Palo Duro Lake northwest of Spearman. A burger burn will be held with the muster program to follow. All students, former students, and friends of Texas A&M University are invited to attend. For more information or reservations, please call Bret Burgin (806-659-3399) or Kyle Keim (806-659-3725).

The Aggie Muster dates back to

1880 and has been held annually since that time. During wars, the Aggies mustered in foxholes, on the battlefield, aboard ships and in airplanes and hospitals. In World War II, a Muster was held on Corregidor Island shortly before the Japanese captured the Island.

Every Muster ceremony throughout the world is the same. The Aggies pay their respect to their University, to the nation and the state, and honor those who are absent, because of death, since the last Muster was held. Over 640 Musters will be held this April 21st.

## With Deepest Sympathy

### Lucille Cook

Lucille Cook, 72, died Friday, April 4, 1997. Services were held Monday, April 7, at 2:00 p.m. at First Baptist Church in Morse, Texas, with the Reverend Mike Martin. Burial was in Lieb Cemetery by Brown Funeral Directors of Borger.

Mrs. Cook was a former beautician, and spent most of her years as a minister's wife. She was a native of Rockwall, Texas and had lived in Morse for 32 years.

Survivors include: her husband, Lyndle L. Cook of Morse, Texas; a son, Mickey Cook of Spearman; 2 daughters, Carolyn Taylor of Levelland, Texas and Lynda Badeaux of Bossier City, Louisiana; two sisters, Virginia Rhodes of Midkiff, Texas and Hazel Snyder of Harlingen, Texas; three grandchildren and four great-grandchildren.

### Thank You

We would like to take a few minutes once again to thank all of the people of Spearman for volunteering their time to help run our track meet this past weekend. It was, once again, a major success. This would not have been possible without the help of the volunteers.

We would also like to thank all of the student volunteers for giving up part of their weekend to help us out. I feel that a lot of the success of the meet is due to all of these volunteers.

The coaches and High school athletes would like for each one of you to know that we deeply appreciate all of your help and the support that you provided for us.

We hope to see all of you at the District track this coming weekend here in Spearman.

Once again, thank you.  
Sincerely  
Lynx & Lynxette Track Teams

### Thank You

I just wanted the whole county to know that I feel it has been a great privilege to grow up in Hansford County. Regardless of the activity in which I have been involved, I have always experienced a tremendous amount of support and encouragement. As I go to college, I will miss being in contact with such fine people who helped instill in me values which will stay with me for the rest of my life. Thank you again for the many ways you have shown me your support and the many times you all have encouraged me to give my best.

Sincerely,  
Josh Mayhew

### Thank You

I would like to thank everyone who sent flowers, food, cards, called, and prayed for me. The final results are a miracle. All cancer signs are gone. I feel wonderful.

Thanks Again Spearman.

### Thank You

There are no words that can express our gratitude for the outpouring of love and concern that is being shown to our family since the loss of our loved one. Your love was extended to us through so many ways during his long battle with Parkinson disease. The many prayers, the comforting words, the gifts given in his memory, the visits, the beautiful flowers, the wonderful food, so kindly prepared and served to supply our physical needs, the lovely cards and phone calls that say *You Care*, the hugs, and other acts shown, we receive with grateful hearts. Our many thanks to Dr. Iqbal and Dr. Tamayo and the nursing staff at Hansford Manor and Hansford Hospice who made his stay as comfortable as possible, you offered us love and support when we needed it most. If love could have saved him he would not have died. It broke our hearts to lose him but he did not go alone, for part of us went with him the day God called him home. We need prayer for God's guidance to carry on from day to day and let the healing of our hearts begin. Continue to remember us in your prayers. Our prayer is that God will richly bless each and everyone of you and in special ways as you all have touched and blessed our lives with your love.

This is our Thank You to everyone. God Bless You.

Joe Copeland, Joe Lynn and Bob Leland and Lori; Kim and Thelma Copeland and Kit; Addie Mae Juarez and family.

## In Appreciation

Words seem so inadequate to express our appreciation to the friends of our late husband and father, Don E. Hendricks.

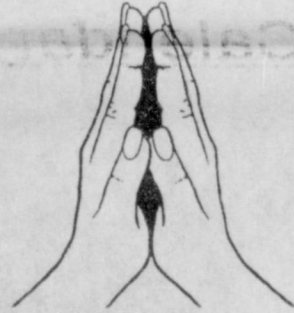

Your expression of sympathy and love has been proof of the fact that Spearman is a great place to live.

Your support in prayers, in giving, in cards, in visiting, in flowers, and in words of encouragement have helped each of us to walk through this time of loss.

From our hearts, we say "thank you." May God richly bless your lives as your expressions of love have blessed ours.

Sincerely,

### Focus On The Family

**QUESTION:** My marriage seems beyond repair to me. My husband is running around with other women and threatening to divorce me. Is there really any hope for us?

**DR. DOBSON:** It's difficult to say without knowing the details, but I can tell you this. I've seen dozens of families who were in your fix, but now they are happy and whole.

I once counseled a group for young married couples for a number of years, and infidelity was a surprisingly common event. There was one period of time during which I dealt with 19 different couples where extramarital affairs had either occurred or were seriously threatening. These families are still known to me, and nine of them are apparently happily married today.

Though this percentage may seem low, remember that these were families on the verge of meeting in divorce court. Their marriages, for the most part, have now survived 10 years or longer. Tough love played a vital role in their recovery. So yes, hope springs eternal, as well it should.

Let me give you another word of encouragement. Nothing can seem so fixed but change so rapidly as human emotions. When it comes to romantic endeavors, feelings can turn upside down in a day or two. I've seen husbands or wives who expressed hatred for their spouses—"I never want to see you again" is a typical epithet—fall weeping in the other person's arms some hours later.

# The Gruver Grapevine

by Harletta Carthel

The thoughts and prayers of our community this week have been with four-year-old Jack Karlin who was hurt in an accident at his rural home on March 31. Since Jack was air lifted to Amarillo, he has had surgery to stop spinal fluid from leaking. Following his surgery, Jack developed pneumonia, but is responding well to treatment. Jack is making progress and growing stronger each day.

A fund to help pay medical expenses has been established in his name, at the Gruver State Bank, for those wishing to donate.

Both Jack and his family would enjoy cards and letters from his hometown. His address is: Jack Karlin, Room 521, Pediatric ICU, Northwest Texas Hospital, 1501 S. Coulter, Amarillo, Texas 79106.

Melyn Johnson of the Oslo community was honored recently for her work as a coordinator for 16 years with the inbound high school student exchange program. She was chosen the Most Valuable Local Coordinator from a pool of over 600 local coordinators across the United States.

The Gruver High School seniors will be honored with a dinner on Monday, April 14, at 7:00 at the First Baptist Church.

Cara Hathaway and her former teammate, Kaysha Cluck, now of Canyon, were reunited on the basketball court this past week as both young ladies were part of the North Girls Team in the Golden Spread All-star Games in Amarillo. One statistic not noted in Cara's write-up last week was the 38 blocked shots she is credited with during her senior season this year. She and Wesley Maupin led their team with the same number of blocked shots.

I met a new citizen of Gruver this week. The smiling face of Rhonda McNett, wife of Kevin McNett, is now greeting customers in the Gruver Allsup's store.

Buster McLain, despite running into a strong, gusty wind, set a new pole vault record this week by clearing 13'6" in the Spearman Track Meet Saturday. The old record of 13' was held by Buster's cousin, Shannon Pool. Shannon was the son of Angie (Cator) and Teddy Pool and was an outstanding athlete in many sports at Gruver High.

I failed to mention last week that Kade Carthel set a new school record in the seventh grade high jump. His jump of 5'6" bested Keith Bradley's record of 5'3". We are currently checking to see if Reid Wilson set a record in the 800

or 1200 meter races this year. John Duncan ran a great time in the 200 meters this past week, falling short of the school record by only fractions of a second.

Brianna Erdmier, 9, of Freeport, Illinois, is spending her spring break in the home of Mike and Lee Wilhelm. Brianna is an avid horse enthusiast and has enjoyed seeing a real rodeo and riding horses while in Gruver. Evidently the spring wind has not dampened her plans to return to Gruver this summer.

Janice (Chisum) Huffman of Arlington recently had foot surgery and is now mending at home.

Ray Etter is scheduled for surgery April 17. He is currently undergoing oxygen treatments in Amarillo in preparation for his surgery.

Sammie Stavlo sustained a sprained ankle in the Spearman Track Meet Saturday during the prelims and was not able to compete in the finals later that day.

Kimberly Boyd is still on the "wait and see" list to determine if she will need further treatment for a knee injury she suffered several weeks ago.

Have you missed the two old elm trees in the front of the junior high building? The trees did not make it through the winter and had to be removed.

Kevin and Candy (Thoreson) Golden braved the winds Saturday to see their niece Miranda Thoreson compete in the track meet.

Duane and Ruth Capps of Vernon were also on hand to see grandson Kade Carthel's events.

In keeping in touch with our extended family, Stan Fletcher is currently a full-time minister at the Church at Palisades, a Baptist Church, in Federal Way, Washington. He also does volunteer prison work in the McNeil Island Unit. His wife, Stacy, a Henrietta native, is a homemaker, a helper in Stan's ministerial work, and a contract artist working in private homes in the area painting murals and other art projects.

A Crime Prevention Program will be held April 23, 1997 at 2:00 p.m. in the Gruver High School

auditorium.

As of press time, two GHS tennis doubles are still in competition for regional qualifiers. Results of the matches of the teams of Josh Mayhew and Matt Watlington and Jill Odom and Lexy Spivey will be given next week.

West Texas A&M University students Angela Overbey and Sara Jones were honored as the top scholastic big sister/little sister duo of Chi Omega social sorority.

The FFA Livestock Judging Team consisting of T.J. McClure, Jeff McClure, and Casey Smith placed 12th in the Clarendon College Judging Contest.

The fifth, sixth, and seventh grade bands will present their concert contest pieces to the Gruver Music Club on Tuesday, April 15, at 2 p.m. in the school auditorium.

The Gruver Junior High Track Team was quite disappointed that the field events in the Spearman Meet were canceled on Friday. Since the junior high will not be able to compete in the district track meet this Friday, as they usually do, the young athletes had practiced diligently the week before last in hopes of doing well in their last meet of the year, which was Spearman. Hopefully, a district meet for the junior high will be scheduled next year.

GHS track team members will have a busy day Friday, April 11, when they compete in the district track meet at Randall High in Amarillo. The field events, prelims, and finals will all be held on that date.

In the make-you-feel-older category, Kelly Blackshear, daughter of former GHS boys basketball coach, Royce Blackshear, is in high school and won the 800 meter run in the Amarillo Relays Division II.

I made an impromptu stop at Opal Wallin's home on Monday. Opal was busy preparing lunch for the young Gruver guys and dolls she keeps during the week. For fear of leaving someone out, I will not mention names, but Gruver is very fortunate for the loving, caring ladies in our town who keep young children. There's no doubt, the world would be a better place if other towns were so blessed.

## Gruver UIL Results

by Harletta Carthel

Gruver High School and Gruver Junior High School placed first in their respective District University Interscholastic Literary (UIL) Academic meets while Gruver Elementary took second place honors.

## Among The Neighbors

by Helen Fisher

The Hansford County Sheriff's office is investigating the theft of irrigation pipe. Last week there were reports of two thefts which were miles apart. Deputy Evans states that both piles were stacked near the wells and neither visible from roads.

Southeast of Spearman, two miles from the highway, 30 joints of 30 foot pipe were stolen. The Gruver location was a half mile off a county road. Apparently the thief had prior knowledge.

Previous experience of the sheriff's office indicates the pipe would be sold for scrap - the value is estimated at \$1500.

Deputy Evans suggests that farmers take any possible precaution to prevent such thefts.

Ladd and Lee Ann Sheets of Kilgore announce the arrival of Madison Leann on April 2, 1997. She weighed 5 pounds 6 ounces and is still in the hospital as her early arrival requires a longer stay than usual.

Leann joins a sister, Alexia. Her grandparents are JoNelle and Claude Sheets, Jr. of Spearman and Margaret and Ed Fry of Oak Harbor, Washington.

Virginia Head spent several days in Carlsbad visiting her son Ronnie and Della Head. She had met them in Lubbock where she and Ronnie attended the Texas Tech baseball game, and Della and friends shopped.

Virginia went on to Carlsbad with them for four days. They are building a new home, so Virginia gave it a good inspection and found nothing to be improved.

Glendella Karl from Oceanside, California visited this past week in the home of her aunt, Ila Mae and J.B. Buchanan. While here, she also spent some time with long time friends, Faye and Bart McDonald.

At the Tri State High School Rodeo, held at Canyon last weekend, the following were winners: Quentin Harper - 4th, Calf Roping; Clint Talcott - Gruver, 3rd, Saddle Bronc; Quentin Harper - Gruver, 1st, Steer Wrestling; Randy Maness - Gruver, B.J. Koch - Canadian, 1st, team roping; Travis Holland - Gruver - Derrick Elliott - Dalhart, 4th, team roping; Derrick Elliot - Dumas, Monty Eakin - Amarillo, 8th, team roping; Shawn Mitchell - Gruver, 8th, Goat tying; Jennifer Reimer - Gruver, 8th, barrel racing.

There was more lively action than usual at the home of Ruth Hill last week-end. Her granddaughter, Jennifer Parks, and two small children, Reggie

and Jessica, visited with her. They are from Mesquite. Jennifer is the daughter of the former Jean Hill.

Following are some items of interest to Hansford County folk taken from other newspapers.

From a previous Sunday Amarillo Globe-News listing their Super Team: In the superlatives section "Marcia Shieldknight, Spearman, in her third season as Spearman's head coach, is the Super Team girls' coach of the year". It details Spearman's record win through the regional playoff - the first since 1980. In quoting Marcia, she, as usual, was complimentary of the members of her team. Her assistant coaches were Debbie Stopper and Amy Largent.

The same article picked the Gruver Lady Hounds as the surprise team of the year. They also reached the regional semi-finals. Coach Steve Myatt was quoted about their success. They won 14 in a row, finished as the undefeated District 2-A champion and were 26-8 overall.

Another edition of the Daily News reports that Krista Kirkland Gerlich recently was named as assistant coach at the University of Texas in San Antonio. She was an all-state high school player at Spearman and Sudan and an all-conference player at Texas Tech. The item was most complimentary about her, and stated that Krista will no doubt do well in the college ranks as she was a talented player and has the ability to understand the game as it should be played.

For those who may not know, Krista was a native of Spearman and graduated from high school here.

Still another sports item regarding a member of the Gruver Lady Hounds was Cara Hathaway, who was selected to play on the north team in the 27th Golden Spread All-Star Basketball Tournament at Cal Farley Coliseum. She would be an opponent of her former teammate Kaysha Cluck, now of Canyon, and selected to play on the West team.

In a later edition there was a picture of Cara during a game on Saturday. She is a daughter of Debbie Hathaway, and Kaysha is the daughter of Monte Cluck, both of Gruver.

The Generation Y section of Friday's edition quotes Gruver sophomore Lucas Johnson, and Cami Winegarner, Spearman sophomore, who answered the question of the week. Lucas is the son of Chris and Melyn Johnson and Cami is the daughter of Norlan and Linda Winegarner.

The section also included a

poem, "Sonnet 2" by Sandra Villa, of Gruver. She is the daughter of Leonor Villa.

A picture of Tanner Hand, 10, appeared in the section detailing the spelling bee. He is a fifth grader from Gus Birdwell Elementary School in Spearman, and was the winner of the bee for his age group and will participate in the regional spelling bee. He is the son of Mr. and Mrs. Jeff Hand. Adrianna Mendoza was an alternate, and she is also from the elementary school. She is the daughter of Mr. and Mrs. Manuel and Nellie Mendoza.

Congratulations to these fine students.

An Oklahoma newspaper carries a picture of the pretty Bridget Schiffner who was selected as the Queen of the Cheyenne and Arapaho Centennial. The Queen must be a direct descendant of someone who made the Oklahoma Run into the Cheyenne-Arapaho County on April 19, 1892.

Bridget is the great-great granddaughter of J.J. Wilson who made the Run. The land he filed on is still being farmed by his family - now David and Marilyn Wilson, his grandson. They are Bridget's grandparents and former residents of Waka. Bridget's mother, Gwena Schiffner is a graduate of Spearman High School. She and Lyndel Schiffner live in Liberal.

Bridget is a graduate of Liberal High School and is now attending Seward County Community College in Liberal. She is active in vocal groups in college as well as the First Baptist Church where she teaches in Sunday School.

Bridget is the second member of the Wilson family to be chosen Queen; a cousin was the Queen in 1952. All the Queen's attendants are descendants of others who were in the Run.

Bridget has numerous relatives in Spearman.

Smiles were plentiful in the county last Thursday after the

welcome rain drenched the dry country.

Some representative amounts were: Danny McLaughlin - 2.90, three miles southeast of Spearman; Virginia Head - 2.90, nine miles southwest; L.M. Patterson - 3.05, 14 miles south; Bert Sheppard - 2.50, 7 miles west at Hansford; Ira Harbour - 2.75, 15 miles southwest; Rue Sanders - 2.25, about 6 miles north; Spearman Cattle Feeders - 2.50, about 3 miles northeast; Ken Harris - 2.10, 12 miles southwest of Gruver; A.D. Reed - 3.25, 16 miles east.

A.D. Reed is apparently the top "rain-getter," BUT as of this writing (Monday) more rain is being predicted, so he could get shot out of the saddle by the time this is published.

Julie Adams and her mother, Ann Sanders, returned Monday from Amarillo where Julie was taken for her last radiation treatment following surgery on a bone in her right leg. The surgery was two weeks ago, and she has been having the treatments since. She will now start the chemotherapy treatments.

Recently this column carried an item about the wedding of David Hale, grandson of Pauline Hale, in Dallas and listed some of those present. Later information is that Joanna Reynolds Myers and a husband, Stacy Myers, also attended. Joanna and David were friends when both were attending A&M.

Gruver grandparents, Ramona and Gene Reynolds went to Amarillo and enjoyed little Randa during their absence.

Joanna and Stacy recently moved from Albuquerque to Amarillo where he is employed by Valen Safety Equipment Company.

## Out At The Lake

by Dorothy Hudson

Lake Depth--April 7, 1997--38 feet 10 in.--51 degrees

Jim reports that the Lake rose 2 inches from the rain--about the same amount as they had in rain. His picture this week is of 10 year old Chelsea Reid, daughter of Rex and Vanna Reid of Gruver. Van and Lee Bradford are one set of grandparents.

The white pelicans are back intermittently. At least part of the turkey buzzards have arrived to spend the summer.

Of the 5 birds that gain points on returning land to the CRP, I have written about prairie chickens and ferruginous hawks. The Baird's Sparrow, the Mountain Plover, and the Loggerhead Shrike are left. The

one with the peculiar name and peculiar manners is the one I have chosen for today.

A Loggerhead Shrike was seen at the Park by Kenneth Seyffert of Amarillo on April 26, 1996. This masked songbird, that acts like a hawk, resembles a mockingbird closely enough that it is at times called a French Mockingbird. Distinguishing points are that the Shrike has a hawk-like bill, a mask that covers both eyes and above the beak, and a fatter head and thicker neck. Both birds are darker gray above and very light gray below with white patches on dark wings and white edging on dark tails.

As Shrikes (Loggerhead and Northern) are the only predatory songbirds, they are often called butcher birds. As well as insects, they eat mice, small birds, lizards, and small snakes. They often save their prey for a later day by impaling it on thorns, barbs on a barb wire fence, yucca spines, or in notches of a bush or tree. They never seem to forget where they have stored their goodies, coming back to get it as long as 8 months after capture.

Shrikes, like hawks, like to perch on a vantage point and swoop down on their prey. The little animals are killed by repeated strikes to the neck with the hook-tipped bill.

These birds are not on the endangered species list, but they are candidates for the list.

Friday, March 29, the Spearman Chamber of Commerce and the Retail Merchants Association sponsored the annual Easter Egg Hunt at the Swimming Pool Park. Ages 6 and under hunted their eggs at 10:00 a.m., with ages 7 and over hunting at 10:30 a.m. In spite of the wind, all the kids enjoyed finding the eggs donated by the local businesses. The Spearman Chamber of Commerce would like to thank all those businesses who so generously support this community!!

# Morse Morsels

by Mildred Lewis

Our Pringle/Morse students came back from Spring Break ready to go.

One of our teachers, Mrs. Wilkerson, was hurt in her class room the Thursday before they were to get out for Spring Break on Friday. She just fell right down. She is supposed to get her rite of her crutches tomorrow. This was her right knee spring. Her husband, Grady, and son waited on her all last week while she was supposed to be on spring break.

April 7th, the 8th graders are to visit the area high schools to see where they want to attend next year. They are Kayce Howe, Desiree Wattier, Amy Vasquez, Robert Gilmore, Felix Dela Cruz, Hugo Hernandez, Jason Shoulders, Alan Thomas, Donnie Davis.

This Thursday, the GT students will attend the children's theater in Amarillo.

Our students will really be busy this week-end. They will have a track meet over at Booker this Friday and Saturday - 7 a.m. to 6 p.m.

Some of them will participate in the U.I.L. meet on Friday at Follett, and then go to the track meet.

Mildred Lewis left last Friday for her high school reunion. We had a big dinner at the Live Shack in Memphis, Texas. Friday night, my friend Norma Martin and I attended the 1953 clan get-together. They are a wee bit younger than us, but we have been going for a long time. My brother, Joe Booth, is in this clan. We enjoyed this.

Early Saturday morning we went out to Lakeview High School to have an all day reunion. My friend and I helped

with registration on Saturday. About 250 people attended. My daughter, Linda Lou Lewis, met me at Lakeview. (This is the school that some boys burned down in 1992. They have a new high school, but they don't have a big enrollment this year.) The school has a new gym, also. That's where the dance was held on Saturday night. I saw many of my friends that I went to school with. Rich Melton, Reginal Robertson and all of their family (from Spearman) attende the reunion. Also, Joe Barnett and wife, were graduates of Lakeview High School in Hale County.

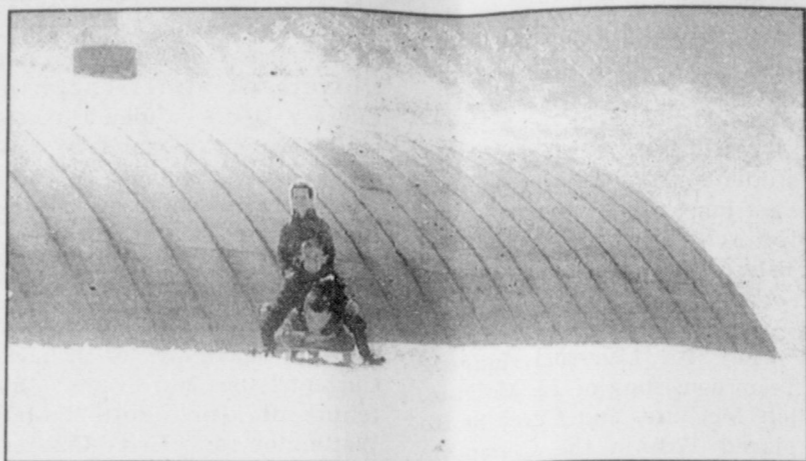

My husband, Frank Lewis, taught school there for four years before going to Hereford for one year and then to Morse and Spearman High School for 30 years.

Congratulations to Dustin Parks! He was awarded best actor and Cristan Greene, from Stinnett, got best actress in the one act play. Stephanie Delacruz, and Cress Womble were also in the play. They won district at West Texas High of Stinnett.

Shelby Reiswig went to Amarillo to visit his cousins, John and Mack Papay, over spring break.

Elizabeth Papay, from Amarillo, spent some of her spring break with Mikala Reiswig in Morse.

Debbie and Lupe Trejo and family, of Morse, had out of state visitors the week of March 25 through 28th. Debbie's sister Brenda Garfio and children came during their spring break from Ft. Morgan, Colorado. They were all hoping to be here for the arrival of a new baby; Debbie and Lupe are expecting any day, but, as of March 31, still had no new baby.

Mike, Lynn, and Marilyn, children of James and Ada Joyce Stedje, of the Oslo community, play in a drift by a quonset barn on their property during the Blizzard of '57.

by Harletta Carthel

The forecast by Dan True for March 23, 1957, predicted a fast moving "norther" to whisk through the Texas Panhandle with the possibility of light snow.

That Friday seemed to be a typical early spring day as Don H. Smith, postmaster, waited on patrons at the Spearman office. Mr. and Mrs. Si McCloy, in the Morse community, were planning to attend a revival meeting at the Morse Methodist Church that evening, and later meet the Morse postmistress to pick up an order of baby chicks. Sue Smith, Gruver homemaker, was tending her infant daughter, Jessie while Helen Fisher was at work at the sheriff's office. Sam and Faye Cluck were waiting the arrival of their daughter, Patsy, and two Baylor classmates, as teacher Skeet Ellison was readying her third, fourth, and fifth graders to go home at the Oslo School.

Little did any of these area residents know that in only a few short hours, their lives and plans would be drastically altered, and they would share a common goal with the beasts of the field - to survive! One of the worst blizzards to ever hit the Texas Panhandle was on its way.

Maxine Banister and her family, who lived on a ranch north of Spearman, saw ominous clouds begin to fill the sky before the storm hit. Then Maxine watched as a wind-driven milk can was propelled against the barn door. Only moments later, a hundred young heifers rampaged over the same path. Possibly, this

# Blizzard of '57

than others, however, who were not able to reach their destinations. Hundreds of cars were marooned or buried in the swirling snow.

Helen Fisher's son, Zack, was assigned the job of keeping the path passable to his grandmother's home, which was next door. His first duty each morning and his last each night was to check on his grandmother.

Unusual circumstances can have unique solutions. Caring for the guests of the Gruver Hotel (located above the present-day El Vaquero), was the concern of hotel owner Pauline Winger and her daughter, Kay. The restaurant, located in the lobby of the hotel, had been securely locked by its manager on Friday evening. By Saturday morning, the blizzard had become so savage that the manager was not able to return to the building to serve the hotel guests. After several agonizing hours, one gentleman guest offered to make the 4-5 block journey to retrieve the kitchen's key. A grateful and hungry group greeted him on his return.

In Spearman, Don H. Smith was informed that the "push" doors on the front of the post office (the present site of L&L Coffee Service), which always remained open to accommodate postal box holders, had been blown open by the fierce wind, and allowed the lobby to be filled with snow. Braving the storm at its height, Smith made his way to the post office, and scooped out enough

snow to enable him to close and lock the front doors.

For a young farm boy like D.A. Cator, the storm required that everyone must help in the effort to save livestock. D.A. was assigned the job of keeping an air hole open to an animal barn that had been completely covered with the white suffocating snow. D.A. did his job well. When the family was finally able to dig through to open the barn door, all the animals were alive with the exception of a milk cow, which was in the center of the structure.

Rochell Smith had quite a different problem. His concern for the survival of his fighting game cocks led him to a solution which was not entirely welcomed by his wife, Sue. Not only did Smith bring his prized poultry into the house, but he also used every box and basket available to separate the aggressive birds.

A reminder of the deadly nature of the storm was witnessed by Flavil Ayers, when he observed two men with handkerchiefs over their faces make their way to the sheriff's home nearby. When Ayers inquired of the sheriff the nature of the men's mission, the officer informed Ayers that the men had found a man dead in another part of town. The sheriff, knowing nothing could be done in the storm, instructed the men to return to their homes.

Note: This story will be continued in next week's issue of The Hansford County Reporter-Statesman.

**Decorating for kid's rooms**  
 Are you having a baby? Or are you moving? Has your child started kindergarten or high school this year? Well it may be time to think about decorating or redecorating their rooms! Kids have definite ideas of what they would like- ask them first and work from there. Below are some guidelines & ideas for changing that spare bedroom into a nursery or changing your nursery into a kindergartener's room.

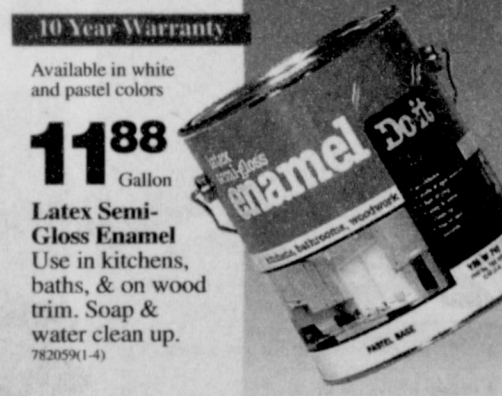

Themes are a good working foundation for the room. Choose an activity your child enjoys like ballet, baseball, or a favorite movie. Choose bedding & curtains & pull colors from these items. Then decorate the walls with the theme in mind.

**Painting Technique Ideas**

- Create a cloud like atmosphere with a touch of pattern encircling the room. Sponge paint the walls with three colors chosen from a wall covering border (see the HWI technique brochure for more details).
- Transform your child's room into a playful circus tent. Mask off stripes throughout the room either full length or up to a chair rail height (you can then add a border) & then sponge or rag the multiple colors.
- Let your child help decorate their way... with a hand print border. Or cut shapes such as stars or moons from a household sponge. Just dip the object (hand or sponge) in the paint, blot extra & stamp!
- Can't choose just one color... use them all! Color block the room by painting each wall a different color- (be sure to let each wall dry thoroughly & mask off the corners).

**Painting Tips to Save You Time**

- 1. Start at the top with the dormers, and work your way down beginning with the siding.
- 2. Next, paint the detail work using trim tools if necessary.
- 3. Continue by painting the siding on the rest of the house.

- 4. Then paint the overhangs, gutters and downspouts.

- 5. After that, continue with the windows, shutters, and doors.

- 6. Paint stairs, railings, and the foundation if necessary.

- 7. When painting the front door, draw attention to it by choosing a contrasting color.

- 8. Finish with staining or waterproofing your deck.

Before painting, mask the windows and cover shrubs and other items that need protection.

NOTICE REGARDING POSSIBLE CHANGES IN AVAILABILITY OF ADVERTISED GOODS AND IN QUOTED PRICES Because this piece is not prepared by this retail dealer, but by its wholesaler (HWI), which has warehouses at Cape Girardeau, Missouri; Lexington, South Carolina; Dixon, Illinois; Medina, Ohio; Woodburn, Oregon and Waco, Texas and because this piece is prepared several months in advance of the actual sale period, some items may not be immediately available on demand at this store due either to sales above reasonable demands, or other circumstances beyond this retailer's control. Therefore, this store will gladly issue a "raincheck" for any advertised item not available on demand, which will be good for purchase of the particular item at the advertised price when additional inventories of the item are received. Due to unforeseen circumstances certain items may not be available at all, or a substitution will be suggested. This store and the HWI warehouses endeavor to avoid any such changes whenever possible, but sometimes they have no control over manufacturers and their problems. Each HWI store sets its own prices. The prices quoted herein are subject to change due to possible printing errors or circumstances unforeseeable at the time of printing. The right to limit quantities is reserved by this retailer. Early shoppers will find the best selection.
