

STATE CHAMPS

Hansford County Strikes Gold

Hansford County youths excelled in state UIL spring competitions, bringing home an unprecedented five gold medals. State champions and their events are (L-R) Kevin Beedy, SHS sophomore - boys singles tennis; Richard Varnon, SHS senior, - discus; Jason Shoulders, GHS senior, - 110 high hurdles; Kade Carthel, GHS junior, - ready writing; and Rosa Diaz, GHS senior, - girls singles tennis.

Nollner Wins Silver in 400 Meter Dash!

Chelsea Nollner finished her track career in fine fashion as she won the silver medal in the 400 meter dash at the state track meet on Friday, May 11th. She ran her personal best on the last race of her career with a time of 58.82.

When you run your best time of the year and it happens to be at the state track meet, that is all you can ask for. Winning the silver medal is a great way to finish up a career.

Chelsea is the daughter of Kyle and Jennifer Nollner.

Varnon Wins Gold!

Richard Varnon won the gold medal in the discus with a major upset. Varnon upset two-time defending state champion Matt McKinney of Refugio who was favored to walk away with this event.

Varnon set a new school record with a throw of 177' 7" that was previously held by Lance Swan and Matt Tucker. Richard saved his best throw of his life for one of the biggest events of his life. He threw his personal best at regional with a throw of 170', but he rose to the occasion at state with another personal best and school record. Richard is the son of Peggy and Allen Varnon of Spearman. Richard is a senior at SHS and he ended his high school career on a great note as he finishes his career as #1 in the state of Texas!

Nollner Wins 7th in Long Jump

Chelsea Nollner ended up in 7th place in the long jump at the state track meet Friday, May 11th. Her best jump was 16' 8", which was below her best jump of the year, but being 7th in the state of Texas ain't too shabby!

Chelsea also qualified for the Ready Writing competition at the State Academic UIL Meet, but was unable to attend due to illness. She is to be commended on her many accomplishments, academically and physically!

Beedy Wins State Tennis Championship!

Kevin Beedy is the State Champion in Class 2A!

He defeated Rhett Heartsill from Wall 6-3, 6-3 in the finals Tuesday, May 8th. Beedy had previously defeated Heartsill in the finals at regional in Abilene.

Kevin did not lose a set at the state tournament as he defeated Dustin Adams from Winnie East Chambers in the first round by a score of 6-0, 6-1.

In the second round, he beat Serge Glaser from Kennedy 6-3, 6-3. Then he took care of business in the finals by ousting Heartsill 6-3, 6-3.

Beedy only lost one match the entire year. Kevin works very hard playing tennis and this gold medal is well deserved!

Kevin is only a sophomore at Spearman High School, so we can be looking for two more trips to Austin in the future. He is the son of Scott and Becky Beedy.

Simpson Places 5th In Ready Writing

Senior Adrienne Simpson placed 5th in the Academic UIL Ready Writing Competition in Austin on May 4th and 5th.

Adrienne is the daughter of Holly and Lenis Simpson

Pipkin Earns Bronze In Lincoln-Douglas Debate

Senior Angela Pipkin placed 3rd in the Academic UIL Lincoln-Douglas Debate competition in Austin on May 4th and 5th.

Angela is the daughter of Frances and Roy Pipkin.

Carthel Takes State Championship

Kade Carthel, GHS junior, won the gold medal in ready writing and the silver medal in headline writing in UIL State Academic competition in Austin on May 4th and 5th.

Carthel is the son of Dan and Harletta Carthel.

Three Spearman High School students took honors in UIL state meets. They are (L-R) Adrienne Simpson, fifth place in ready writing at the state academic meet, Angela Pipkin third place in Lincoln-Douglas debate at the state academic meet, and Chelsea Nollner second place in 400 meter run, and seventh place in the long jump at the state track meet, and a state qualifier in ready writing in the academic meet.

Diaz Wins State Tennis Title

Rosa Diaz captured GHS's first gold medal in tennis at the state meet in Austin, May 7 and 8.

Diaz capped off a near-perfect season, with the exception of one tournament called for inclement weather. She won the girls' title in every meet she entered and has not lost one match in competition.

Shoulders Wins Gold In Austin

Senior Jason Shoulders, followed suit, capping off his senior year with a gold medal in the 110 meter hurdles at the state track meet in Austin on Saturday, May 12.

The win was a fitting conclusion for Shoulders who has competed in the state meet for three years.

It was also Gruver's first gold medal in track since Buster McLain's triumph in pole vault in 1998.

Thank You

A special thank you to Gary Ellsworth who arranged the Lyric Theatre marquee to salute the Hansford county gold medalists.

Spearman High School Students Claim Top Three Prizes In NPGCD Essay Contest

Sally Pittman (Top Left) was the first place winner in the North Plains Groundwater Conservation District 2001 Water Conservation Essay Contest. Adrienne Simpson (Top Right) placed second, and Chelsea Nollner (Bottom Left) was the third place winner. See related story on page 6.

At A Glance

Gifted & Talented Nominations

We are now accepting nominations for the 2001-2002 school year gifted/talented program. Students in Kindergarten through 12th grade may be nominated. This gifted educational program is designed to challenge students with above average potential in academic and creative-productive thinking skills to accelerate above and beyond the regular school curriculum. Anyone wishing to nominate a student believed to be an intellectually or creatively gifted learner is encouraged to come by the elementary school office and complete the nomination form prior to May 25. Nominated students will go through a screening process to determine eligibility. If you have any questions or need further information, please contact the Counselor's office at 659-2565.

Project Graduation 2001

Parents of the Senior Class of 2001 will sponsor and host a "Project Graduation Party," following commencement services on Friday May 25th. To encourage the seniors to stay the entire night, the last activity is an auction. Prizes, gift certificates, and cash are needed for the auction. Contact Lenis Simpson at 659-2052 or 659-2852 or Ginger and Bill Pittman at 659-2847 or 659-5544.

Police Department Asking For Cell Phones

The Spearman Police Department, the Gruver Police Department and the Sheriff's Department are asking for cell phones for their Operation 911 program to put cell phones in the hands of all Spearman, Gruver and Morse teachers. Turn in handheld cell phones at the Sheriff's Department or call 659-4140 or 733-2901 for pickup.

Provider Appreciation Day

Child Care organizations nationwide joined together to declare Friday May 11, 2001 as Provider Appreciation Day.

It is estimated that of the 21 million children under age 6 in America, 13 million are in child care at least part time. An additional 24 million school-age children are in some form of child care outside of school time.

Child Care Licensing (CCL) a division of the Texas Department of Protective and Regulatory Services (TDRS) encourages parents with children in child care to show their child care provider how much they are appreciated. It takes a special person to work in this field and these individuals are often unrecognized and under appreciated.

Some things that you can do to thank your caregivers for their hard work include: writing notes about specific good things that your caregivers do for your children; help your child make gifts or cards for their caregiver; and be involved in activities for the children that are planned by your caregivers. For more ideas and information, visit their website at www.tdrs.state.tx.us.

Licensed and registered child-care providers in our area include: The Little Red Caboose, 307 Womble, Gruver; Rosalyn McClenagan, 305 Chase, Gruver; Kid's Korner, 14 S. Haney, Spearman; and Little School, 111 E. Fifth, Spearman.

Comptroller Rylander Reminds Parents To Enroll Kids In Texas Tomorrow Fund By May 25

Texas Comptroller Carole Keeton Rylander would like to remind Texas families that the current Texas Tomorrow Fund enrollment period ends May 25, and they must enroll their children in the program by the deadline to take advantage of current contract prices.

Comptroller Rylander said the most convenient way to meet the May 25 Texas Tomorrow Fund enrollment deadline is to take advantage of the new online enrollment option. About 25 percent of the enrollment applications received so far during the current enrollment period have been submitted online.

"Parents and grandparents can go to the Texas Tomorrow Fund Website and get answers to their questions about the program, and now they can also fill out an online application and use their Visa, Mastercard, Discover or American Express card to pay the \$50 application fee," Comptroller Rylander said.

"Parents traditionally wait until the final days of Texas Tomorrow Fund enrollment periods to send in their applications, and this enrollment period is no exception," Comptroller Rylander said. "The

Texas Tomorrow Fund will be flooded with applications during the next two weeks. Enrolling online will help ensure that your application arrives on time."

The Texas Tomorrow Fund is the state's prepaid college tuition program.

"For just a little bit of money each month, the Texas Tomorrow Fund locks down your child's college tuition and fees at today's prices, and the State of Texas guarantees those expenses will be paid when your child is ready for college, no matter how much costs soar in the future," Comptroller Rylander said. "Main Street Texans don't have to worry about Wall Street volatility."

"Tuition and required fees at Texas colleges and universities are rising about eight percent per year," Comptroller Rylander said. "Texas Tomorrow Fund contract prices must also increase to keep pace. There will never be a better time than now to enroll your child in the Texas Tomorrow Fund, lock down tuition fees, and get peace of mind from knowing those expenses are guaranteed to be covered when your child is ready for college."

For details about the Texas

Tomorrow Fund, including contract prices and payment options, or to enroll online, visit the Texas Tomorrow Fund Website at

www.texas tomorrow fund.org
Information is also available by calling 1-800-445-GRAD (4723).

This past weekend I attended the college graduation of my youngest brother, Casey Ritchie, from the University of Texas at the Permian Basin. The president of the college, in his address, read the message that was given by the Dalai Lama at the beginning of the New Millennium. I would like to share his message with you, and dedicate it to all of those graduating this year.

Many people seem to be excited about the new millennium, but the new millennium in itself will be nothing special. As we enter into the new millennium things will be the same; there will be nothing unusual. However, if we really want the next millennium to be happier, more peaceful and more harmonious for humankind we will have to make the effort to make it so. This is in our hands, but especially in the hands of the younger generation.

We have had many experiences during this century - constructive as well as extremely destructive ones. We must learn from these experiences. We need to approach the next millennium more holistically, with more openness and far-sightedness. If we are going to make the right kind of efforts to make the future of the world better, I believe the following matters are of great importance.

1. While engaging in material progress and taking care of physical well-being we need to pay equal attention to developing peace of mind and thus taking care of the internal aspect of our being.

2. Along with education, which generally deals only with academic accomplishments, we need to develop more altruism and a sense of caring and responsibility for others in the minds of the younger generation studying in various educational institutions. This can be done without necessarily involving religion. One could therefore call this 'secular ethics', as it in fact consists of basic human qualities such as kindness, compassion, sincerity and honesty.

3. This past century in some ways has been a century of war and bloodshed. It has seen a year by year increase in defense spending by most countries in the world. If we are to change this trend we must seriously consider the concept of non-violence, which is a physical expression of compassion. In order to make non-violence a reality we must first work on internal disarmament and then proceed to work on external disarmament. By internal disarmament I mean ridding ourselves of all the negative emotions that result in violence. External disarmament will also have to be done gradually, step by step. We must first work on the total abolishment of nuclear weapons and gradually work up to total demilitarization throughout the world. In the process of doing this we also need to work towards stopping the arms trade, which is still very widely practiced because it is so lucrative. When we do all these things, we can then hope to see in the next millennium a year by year decrease in the military expenditure of the various nations and a gradual working towards demilitarization.

Human problems will, of course, always remain, but the way to resolve them should be through dialogue and discussion. The next century should be a century of dialogue and discussion rather than one of war and bloodshed.

4. We need to address the issue of the gap between the rich and the poor, both globally and nationally. This inequality, with some sections of the human community having abundance and others on the same planet going hungry or even dying of starvation, is not only morally wrong, but practically also a source of problems. Equally important is the issue of freedom. As long as there is no freedom in many parts of the world there can be no real peace and in a sense no real freedom for the rest of the world.

5. For the sake of our future generations, we need to take care of our earth and of our environment. Environmental damage is often gradual and not easily apparent and by the time we become aware of it, it is generally too late. Since most of the major rivers flowing into many parts of south-east Asia originate from the Tibetan plateau, it will not be out of place to mention here the crucial importance of taking care of the environment in that area.

6. Lastly, one of the greatest challenges today is the population explosion. Unless we are able to tackle this issue effectively we will be confronted with the problem of the natural resources being inadequate for all the human beings on this earth.

We need to seriously look into these matters that concern us all if we are to look forward to the future with some hope.

May God bless and keep you; May He make his face to shine upon you, and be gracious to you; May the Lord lift up his countenance upon you, and give you peace.

Numbers 6:24-26

Our Deepest Sympathy

Patsy Yvonne Evans

Patsy "Pat" Yvonne Evans, 64, died Saturday, May 5, 2001, in Seward County.

Services were held at 10 a.m. Wednesday, May 9, 2001 in the United Methodist Church at Satanta, KS with the Rev. Larry Myers presiding. Burial was in the Dudley Township at Satanta. Arrangements were by Haskell County Funeral Home of Sublette.

Mrs. Evans was born Feb. 27, 1937, at Muleshoe, Texas, the daughter of Henry R. and Juanita L. Jackson Scarborough. She moved from Gruver, Texas, to Satanta in 1967.

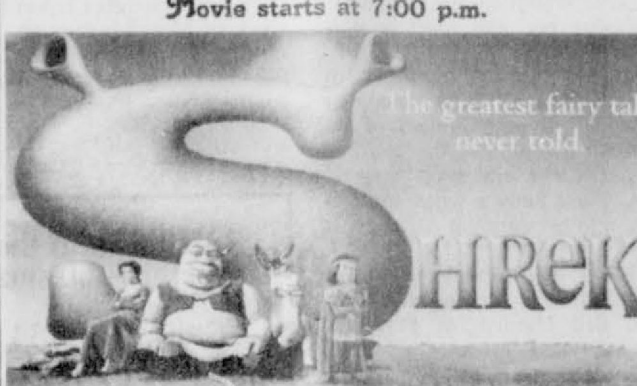

Survivors include her husband, Bill Evans; three sons, Gary Evans of Moscow; Shorty Evans and Steve Evans, both of Satanta; one daughter, Kay Evans of Spearman, Texas; her mother, Juanita Scarborough of Muleshoe; three brothers, Jim Scarborough of Florida, Robbie Scarborough of Washington, D.C., and Dick Scarborough of Fort Worth, Texas; two sisters, Joyce Williams of Muleshoe and Janet Hays of Lubbock, Texas; 12 grandchildren and five great-grandchildren.

Thank You

The families of Pat Evans would like to say thank you for your prayers, calls and cards. Your thoughtfulness was really appreciated. Bill Evans; Kay Evans & Family; Gary & Family; Shorty & Family; Steve & Family

Education Scholarship Available For Gruver Grad
 The Gruver Classroom Teachers' Association is offering a scholarship for a Gruver High School graduate who has completed at least 60 hours of accredited college course work. The student must have a GPA of 3.0 or higher and be a declared education major. Applications can be picked up in the Superintendent's office. An official transcript must be submitted with the application by July 1 to Gruver ISD, Attn. Gruver CTA, Box 650, Gruver, Texas 79040. For more information call the Superintendent's office at 733-2001.

Spearman Breast Screening Clinic
 The Women's Center of the Don and Sybil Harrington Cancer Center and Baptist St. Anthony's Health System in conjunction with Hansford County Hospital will conduct a Breast Screening Clinic at 712 S. Roland in Spearman on May 25 and 29, 2001. All exams are done by appointment only. Call (806)356-1905 or toll free (800)377-4673 for more information

BIG MOUTH
 The BIG MOUTH program offered by the Hansford County Sheriff's Department is undergoing some renovations. There have been some complications, which are being corrected. The system will be turned on earlier in an effort to notify subscribers earlier. The Sheriff's Department is also seeking a better program that will work faster in an effort to allow those in danger to be notified more quickly.

SHS To Offer Videoconference Classes At FPC
 Spearman High School will host videoconference classes through Frank Phillips College. The summer schedule is as follows:

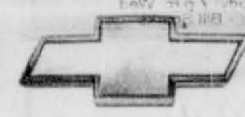

May 29 - July 3, 2001 - PSYC 2314 CHILD and LIFE SPAN; Instructor D'Ann Boyd, Mon, Tues & Wed., 8 a.m. - 10:40 a.m.; GOVT 2305 AMERICAN GOVERNMENT FEDERAL; Instructor Cameron Tucker, Mon., Wed., 6 - 10 p.m.; ECON 2301 ECONOMIC PRINCIPLES (MACRO); Instructor Bill Mesa, Tues. & Thurs., 6 - 10 p.m.

Gem, Mineral & Jewelry Show & Sale
 The Golden Spread Gem & Mineral Society will present it's annual Gem, Mineral & Jewelry Show and Sale May 19th & 20th at the Amarillo Civic Center. There will be jewelry manufacturers and dealers from across America exhibiting minerals, jewelry, wirewrapping, faceting, fossils and gem stones. There will be working demonstrations of lapidary equipment, silversmithing and rock polishing skills. There will also be a Wheel of Fortune where the kids can win fun prizes. Local enthusiasts will be exhibiting interesting displays. Door prizes will be given away hourly and Grand Prize (Citrine Cathedral) will be drawn at 5:00 p.m. Sunday. Show hours are 10 a.m.-6 p.m. on Saturday, and 10 a.m.-5 p.m. on Sunday. Donation admission is \$2.00.

Power Wheelchairs Available
 Miracle on Wheels makes available Power (Electric) Wheelchairs to non-ambulatory Senior Citizens (66 years old & up) usually at no out of pocket expense if they qualify. No deposit required. The electric wheelchairs are provided to those who cannot walk and cannot self propel a manual wheelchair in their home or independent living quarters and who meet the additional qualifications of the program. This service may also be available to the permanently disabled of any age. Please call 1-400-749-8778 or visit our web site at www.durablemedical.com for more information on the details of this program.

Driving Safety Course Offered On Internet
 Anyone with a computer connection to the Internet can now take a driving safety course. TxDriving. Com has been approved by the Texas Education Agency to provide driving safety courses on line. To take the Internet course, students must have a computer, and Internet connection and some standard browsing and viewing software. Completion of the course makes students eligible for ticket dismissal under the Texas Transportation Code. The ten percent insurance discount also applies. Students may complete the course at their own pace and are allowed to log on and off the program with the computer keeping track of the student's progress. The course will take a minimum of six hours to complete. Since the course can be accessed at home, persons with disabilities may now take the course when attendance at traditional classes were impractical. For more information you may access course information at <http://TxDriving.Com> or call 888/595-1911.

Among The Neighbors

by Helen Fisher

The North Plains Agriculture, May issue, carries a front page write-up about Spearman's windmills with pictures and interviews of Gina Gillispie and Roger Buchanan. Other items of interest about Spearman are on the inside of the publication.

Featured in the same issue are the winners of the 2001 North Plains Groundwater Conservation District Essay Contest Winners. Three judges, in a very difficult decision, selected the three best out of 29 excellent essays. All three were from Spearman High School, and all three were girls.

First place winner, and recipient of a four-year \$4000 scholarship was Sally J. Pittman, daughter of Bill and Ginger Pittman.

Second place winner, and recipient of a four-year \$3000 scholarship, was Adrienne Simpson, daughter of Lenis and Holly Simpson.

Third place winner, and recipient of a four-year \$2000 scholarship, was Chelsea Nollner, daughter of Kyle and Jennifer Nollner.

The essay written by Sally was carried in full in the issue. Claudine Clark, Spearman's "jack of all trades" - beautician, extension speaker, civic and church volunteer, home economic teacher, monogrammer, traveler - shared some of her recipes of culinary delights in the same issue.

Sympathy is expressed to Kay Evans and family on the tragic passing of her mother. It made a sad Mother's Day for them.

Virgin Rosson, formerly of the Holt Community is visiting old friends here. Among them are Rue Sanders, Billy and Sybil Miller, and Olive Pendergraft. He lives in Lindale, near Tyler.

Britt Jarvis underwent rotator cuff surgery on his shoulder on May 9th at Northwest Texas Hospital. After a few days hospitalization, he is recuperating at home under the watchful eye and tender care of wife Linda.

Hoyt Biles is now at home after undergoing surgery at Zale-Lipshy Hospital in Dallas. The procedure went well and was successful. He was sent to Dallas by his Amarillo surgeon as this new technique is not yet performed in Amarillo.

Frances Biles, and their daughter Leann Carson, were with him and brought him home.

Such a delightful visit with Dell Cornelius Rumley on Saturday when she and her father, Henry, came by.

Dell, an inspector for the Texas Department of Health, lives in Abilene. Her son lives in Dalhart and her two daughters live in Vernon and Arlington.

Dell has not lost her interest in schoolmates and friends, and was brought up to date on them. She visited in Spearman several days over the Mother's Day weekend.

Spearman and Gruver athletes have been headlined repeatedly in the Amarillo Globe-News. While this column is not a mouthpiece for that publication, those readers who do not get the Amarillo paper are interested in the local people.

A picture and headline of Richard Varon quotes him in detail, referring to him as the unheralded Spearman senior who pulled off a major upset Friday at Austin when he won the gold in Boys Discus. Richard is the son of Peggy and Allen Varon.

Jason Shoulders, Gruver Senior, won the gold medal in the 110 Meter Hurdles. His parents are the Russell Shoulders of Gruver.

Chelsea Nollner won the silver medal in the 400 Meter Run, and 7th in the Long Jump. Her parents are Jennifer and Kyle Nollner.

Kevin Beedy won the gold in Boys Tennis. He is the son of Scott and Becky Beedy.

Also pictured in the Amarillo paper on Sunday, but not related to sports, was Skyler Sumner, 9, as he waits his turn to test drive in a race car simulator. It was in connection with the HeartBall 500 benefiting the American Heart Association at the Tri-State Fairgrounds.

Another picture at the benefit is of his mother, Missie Bates.

The Waka Youth Group toured the Hansford County Museum on April 28th. The tour included the Little School, Museum, Zulu Stockade, Chuckwagon Barn, and the Caboose. Those in attendance were: Bernarda and David Olivarez, Teresa and Stetson Mendoza, Amy Barns, Helen Blan, all of Waka, and Aaron Jones of Liberal.

Mother's Day Notes:

Helen Sanders enjoyed every minute of the weekend as her daughter, Glynnia Gower, flew in from Tucson, AZ.

Judy and Rusty Tindell's weekend guests were their son, James and Carman Tindell from Belton. They came also to attend the graduation ceremony at Panhandle State University in Goodwell, OK.

Sonya, daughter of the Tindells, received a Bachelor Degree in Elementary Education at the pres-

entation.

Cody Pipkin of Ingleside, TX was here during the weekend visiting his father, Vernon, and Anne Pipkin and his grandmother, Mary Schumann.

Cody and his wife Abby will be moving to Sunray where he is being transferred by Diamond-Shamrock. He is a chemical engineer. Abby is teaching at Ingleside and will come in a few weeks.

Janet Whitefield's children were here for the Mother's Day weekend, though for an unexpected reason.

On last Thursday night around 11 o'clock, Janet returned home and in one of the interior doors she had a dog gate, and in attempting to step over it, tripped and fell. She saw that she had a broke bone above her ankle, and called relatives. They took her to Hansford Hospital where she was x-rayed. Surgery was needed, so she was taken to Northwest Texas Hospital in Amarillo. The bone above her ankle was broken, as well as two bones in her ankle. She was put in a cast from toe to hip.

After her hospitalization she was returned to her home, where she will remain in the cast for several weeks.

Larue Whitefield has been looking after her, and Janet is most grateful to her.

Janet's son, Mike Parks of Elizabethtown, KY, and her daughter, Regina Pollard of Ft. Knox, came on Saturday and will be here for several days.

It is not known when she can return to her duties at Alco.

Guests in the home of Lillian Whitford were her daughter, Jodie and Bill Harnish of Perryton, Bernard and Teresa Dossett of Amarillo, Jane and Larry Whitford and John Allen of

Guymon, and Margaret Harnish and Sara Dossett of Spearman.

Mary Schumann, Vernon and Anne Pipkin had a busy weekend with all the family. Mika Gumfory, Vernon's daughter and Marys granddaughter, with little Sam had been visiting for a week, and her husband Garrett joined them. They live at Madison, WI, where he is working on his Masters Degree in Agriculture.

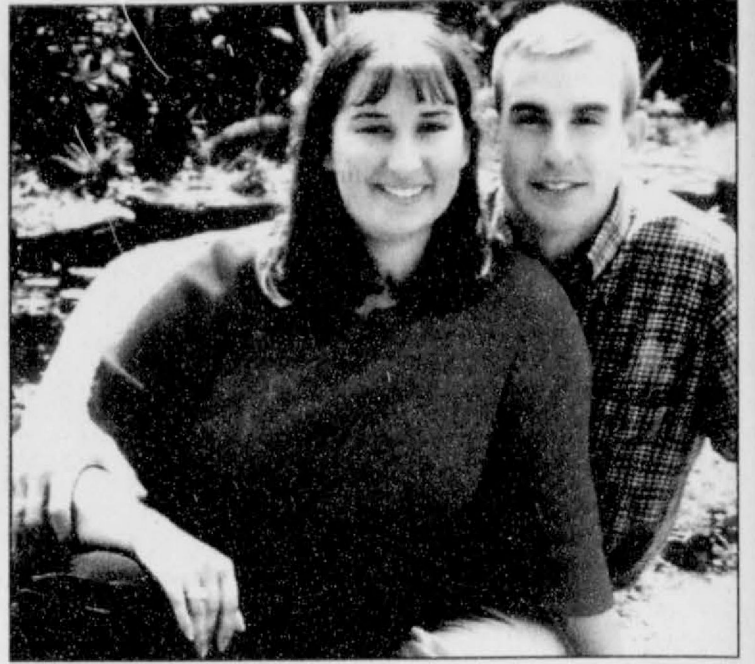

On Saturday evening the entire family gathered for a cookout at the Pipkins.

Vernon's daughter, Holly, a student at A&M, was here also.

Other than family members, guests were Derrick Burnett of San Marcos, Jill Clements of Amarillo, and Joe and Debbie Clements of Spearman.

Gary, Cathy and Clayton Smith went to Midland to spend the weekend with her family. They attended the graduation of her youngest brother, Casey. He graduated from the University of Texas in the Permian Basin with a Bachelor of Science Degree in Computer Science. They also celebrated her other brother's (Corey) birthday, as well as Mother's Day.

Dwayne's weather report for the week of May 7th through 7 a.m. on May 14th: high - May 10th at 91; low - May 8th at 46; moisture for the week - .95.

Engagement Announcement

Richard and Lisa Pipkin of Spearman are pleased to announce the engagement of their daughter, Candice Pipkin, to Jeremy Sutterfield of Spearman. Jeremy is the son of Toby and Sally Thomas of Spearman.

Candice is a 1997 graduate of Spearman High School, and graduated with a Bachelor of Business Administration in Management Information Systems from Texas A&M University in May of 2001. She is employed by USAA Insurance in San Antonio as an Information Technology Systems Analyst.

Jeremy is a 1995 graduate of Allison, Texas, and a May 2001 graduate of Texas A&M University with a Bachelor of Science in Meteorology. He is a member of the U.S. Marine Corps Reserves.

The couple plans to wed on September 1, 2001 at the First Baptist Church of Spearman. A reception will follow at The O'Loughlin Center. The couple will reside in San Antonio.

The Gruver Grapevine

by Harletta Carthel

Shoulders, Diaz Win Gold
Rosa Diaz captured GHS's first gold medal in tennis at the state meet in Austin, May 7 and 8. Senior Jason Shoulder, followed suit, capping off his senior year with a gold medal in the 110 meter hurdles at the state track meet in Austin on Saturday, May 12. The win was a fitting conclusion for Shoulders who has competed in the state meet for three years. It was also Gruver's first gold medal in track since Buster McLain's triumph in pole vault in 1998.

Lopez Honored
John Lopez was honored at the 2001 FFA Achievement Banquet with honorary membership in the organization. Selected by the Gruver FFA chapter, Lopez was cited for his help in FFA shop projects and his driving FFA groups to competitions and area meeting.

Get Well Wishes
J.C. Harris underwent hip replacement surgery in Dallas on Wednesday, May 9.

Chad Cliff is recovering from shoulder surgery which was performed Thursday, May 10, in Amarillo.

Lauren Pingel, the three-year-old daughter of former resident Brad Pingel, has been upgraded from critical to serious condition at Northwest Texas Hospital.

Lauren sustained head injuries when the car in which she was riding on December 15, was struck by a pickup in Amarillo. The child was properly strapped in her car seat at the time of the mishap.

Due to health conditions, Linda Walters was not able to have back surgery last week.

L. A. Williams is recuperating from pneumonia in Hansford Manor.

Bevill Elected District Officer
Gruver sophomore Hunter Bevill has been elected to serve as sentinel of the FFA Top of Texas District. Bevill's term will run during the 2001-2002 school year.

Jarvis Honored at A&M
Scott Jarvis, a December graduate of Texas A&M University, was honored as a member of Who's Who among American Colleges and Universities in a reception at the university. Jarvis' parents Jon and Johny were present for the honor as well as other Parents' Weekend activities which included a reception for all Aggie Parents of the Year, an award the couple received in 1999-2000. Jarvis is currently working on

his Master's Degree at the university and will work this summer at Kanakuk Kamp, a Christian sports camp near Branson, Missouri.

Students "Kidnapped"
New inductees to the GHS National Honor Society were taken at dawn from their homes and "kidnapped" to a breakfast in their honor at the high school on Thursday, May 10.

GISD Trustees Meet
The Gruver ISD Board of Trustees met in regular session May 8, 2001 at 12:17 p.m.

Members present were David Bergin, Jody Irwin, Terry Sherrill, Paul Stavlo, Benny Wilson, Davin Winger, Mike Yanke, and Superintendent Laura Blassingame.

Visitors present were Randy Reid, Ann Moore, Steve Myatt, Lloyd Looper, and Troy Seagler.

After the acceptance of the absentee balloting and the election of May 5, 2001, David Bergin and Davin Winger were declared new members of the board, and Paul Stavlo, returning member of the board.

Officers elected by the board were Terry Sherrill, president, Mike Yanke, vice-president, and Benny Wilson, secretary.

Items approved by a 7-0 vote, were the out-of-district transfers, approval of extra-curricular absences for students, the seventh grade trip to Liberal, Kansas, and the substitute teacher list. In other action, the board approved the substitute administrative salary rate of \$200.00 per day and accepted bids from Gruver Fuel, Ace Hardware, Mack's Company, and Hank Holt Insurance.

The motion to pay bills in the amount of \$108,339.24 were approved by Bergin, Irwin, Stavlo, and Winger with Sherrill, Wilson, and Yanke abstaining.

Discussion items included the first reading of 2001-2002 school year calendar approved by the District Educational Improvement

Committee, the second reading of the Northwest Texas Special Education Coop manual contract, and the second reading of the TASB Employee Notification Policy beginning the 2001-2002 school year.

The superintendent's report included enrollment figures; tax values; the role of the athletic director, the boys coordinator, the girls coordinator, and tennis programs. Report was also given of the valedictorian and salutatorian

of junior high and high school, the assistant boys basketball coach, the receipt of class size reduction program monies to employ Eva Spivey, Jeff Rowland's letter of resignation, and the basketball game reports of 2000-2001.

Items in the superintendent's financial report included election results, bids for school services, expenditure/revenue reports, and digital signature for financial systems.

The meeting ended at 5:17 p.m.

by Dorothy Hudson

Lake Depth--May 14, 2001--43.46 feet

The little showers (the largest .36) again kept the level from dropping much--just over 2 inches.

Jim asked me to mention that many people are hoping someone will put in a bait shop. Lowe's Grocery Store in Spearman sells, shrimp, liver, and worms, but the local fishermen miss the minnows, shad, and waterdogs that a bait shop keeps.

The newspaper article in the Amarillo Globe-News is still bringing in people from a distance. We have had tent campers and 10 RVs at various times in the week.

Fishing is for bass, crappie, and catfish. A man from Hooker, a regular at the Lake, caught a 15# blue catfish last week that we missed in last week's column.

Rita Reed of Spearman rented the shelter for all day last Sunday for a family reunion. The Spearman Church of Christ has reserved it for all day next Sunday, May 20.

The Ezra Boys Club of Gruver had a fun day Saturday on the north side of the Lake. Among their activities was a fishing tournament at the Kids' Pond.

Jim said the wildflowers are out. He mentioned the purple loco as being spectacular. I haven't been out to check on the winecups

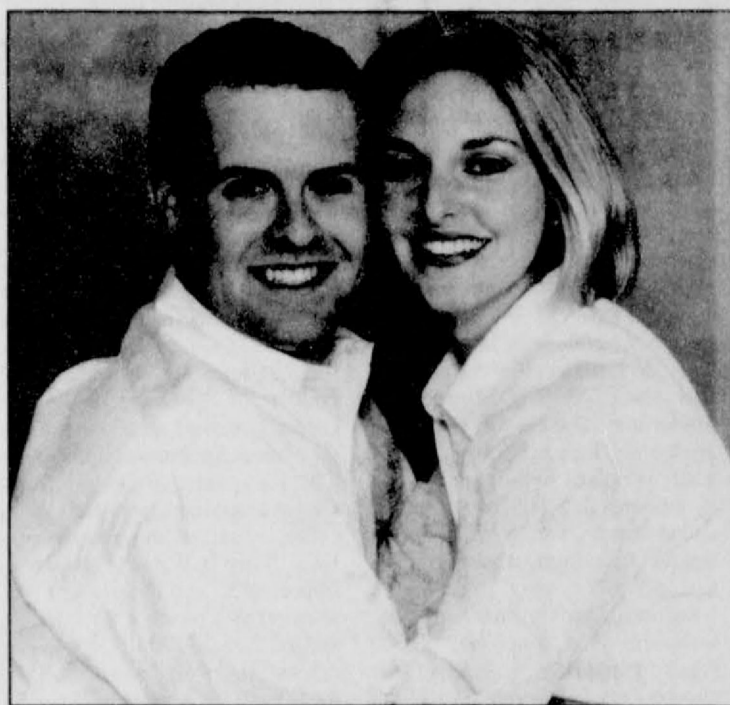

which are usually such a beautiful sight in Dedication Park on the north side.

Most of the migrant birds that spend the summer with us have arrived. One of our most elegant birds is the Scissor-Tailed Flycatcher. Once you see it you will not forget it or mix its identity with another bird. Fifty years ago the Oklahoma legislature designated it as their state bird, and still no other state has it as its state bird.

From April to October these birds are seen in the Panhandle on the farms and ranches. They like somewhat open country and thus avoid towns. Despite its beauty, the scissor-tail is a pugnacious bird that fiercely defends its territory from passing hawks or crows.

Although I have known this bird since childhood, I have never seen it in its most unusual courtship display. When a male sees a female it wants to impress, it rises high in the air on fluttering wings to reveal their salmon-colored linings. After stalling at the top, it performs two complete backward loops, and then goes into a sweeping dive, pulling out just above the ground.

The white pelicans are still hanging around on the shallow flats west of the bridge.

Engagement Announcement

Mr. and Mrs. Jay Holland of Austin are pleased to announce the engagement of their daughter, Audra Beth Holland, to David Luckett Marye, son of Mr. and Mrs. Henry "Kit" Marye of Baton Rouge, LA. Audra is a 1999 graduate of Texas A&M University with a degree in public health. She is currently employed as a special events coordinator for the Leukemia and Lymphoma Society in Houston, TX. She is the granddaughter of Art and Norma Holland, Daniel and the late A.F. "Porky" Holland, and Mr. and Mrs. C.J. Renner of Spearman. David is a 1999 graduate of Louisiana State University with a degree in finance. He is currently employed as a financial analyst at Enron Corp. in Houston. A July 7, 2001 wedding is planned at the First United Methodist Church in Austin.

SHS Students Claim Top Three Prizes In NPGCD Essay Contest

The staff and Board of Directors of the North Plains Groundwater Conservation District are pleased to announce the winners of its 2001 Water Conservation Essay Contest.

First-place winner and the recipient of a four-year \$4000 scholarship to the college of her choice is Sally J. Pittman, the daughter of Bill and Ginger Pittman of Spearman. She is a senior at Spearman High School. Sally currently is ranked first in her class of 57 students at S.H.S. and plans to attend the University of Texas in Austin after high school graduation.

Second-place winner and the recipient of a four-year, \$3000 scholarship to the college of her choice is Elizabeth Adrienne Simpson, the daughter of Lenix and Holly Simpson of Spearman.

She, too, is a senior at Spearman High School. Adrienne is currently ranked third in her class and has plans to attend Southern Methodist University in the fall.

Third-place winner and the recipient of a four-year, \$2000 scholarship to the college of her choice is Chelsea Nollner. She is the daughter of Kyle and Jennifer Nollner of Spearman, and she is currently ranked second in her senior class at Spearman High School. Chelsea plans to attend Texas Christian University in the fall.

The subject of the essay contest was: "Why Is Water Conservation Important?" and the winners were selected by a panel of three judges. Judges faced difficult decisions in determining the winners since there were twenty-nine (29) excellent applications submitted this year. "Sixty percent of the stu-

dents' scores were based on the essays. Judging criteria included accuracy of information, originality, grammar, spelling, organization, and neatness. Forty percent of the students' scores were based on their academic records, extracurricular activities, community involvement, and future plans.

Prizes are awarded for first (\$1000 per year for 4 years), second (\$750 per year for 4 years), and third place (\$500 per year for 4 years). The scholarship amounts are renewable as long as a minimum GPA of 2.75 and 12 course hours per semester are maintained. All high school students residing within the North Plains Water District were eligible to participate in the contest. The deadline for entering the essay contest was April 1, 2001.

OU Sooner Flight Academy Offered In Guymon

Students entering grades three through six during the Fall 2001 school term are eligible to participate in the OU Sooner Flight Academy in Guymon July 10-13.

"This is the first time they have brought the academy to Guymon," explains Guymon Airport Administrator Gregg Downing, "and we're excited to have it available to area students. If your child has shown an interest in airplanes, science, math, or mechanics, this is a wonderful opportunity for them.

If they haven't shown an interest, it's a good time to spark one."

Now in its fifth year, the OU Sooner Flight Academy Day Camps give a chance for students to learn the history of aviation and space as they explore the local airport. Newton's Laws become reality as the cadets build and launch model rockets. They learn how physics applies to flight as they experience the principles of aerodynamics.

The cadets work in small groups,

experience hands-on training in the latest aviation technology, make new friends, and participate in unique team-building activities. Each cadet receives individual attention from an enthusiastic staff while expanding their knowledge of aviation, aerospace, engineering, math, and science. They will meet local pilots and see how airports operate. A camp t-shirt, photograph and all class materials are provided. The cadets will need to bring a sack lunch with a drink each day.

Tuition is \$175 for the camp. Registration forms can be obtained by calling Gregg Downing at 580-338-0481. You can also get more information or register online at <http://flightcamp.ou.edu> or call OU at 405-325-1635.

FOCUS ON CHARACTER

Responsibility

by Peggy Winegarner, Hansford County Extension Agent

Becoming responsible is part of growing up and becoming a person of character. To have good character, we must do more than just say we are responsible. We must take action. Responsible people care for themselves as well as others and can always be depended on to do the right thing, even when the right thing is the hard thing to do!

One way to teach responsibility is through household chores. Children can learn to share

in the work load, learn housekeeping skills, contribute to the family and learn to be responsible. To avoid hassles as you use household chores as a teaching opportunity, be sure the chores are appropriate for the child's age, expectations are clear, and that children are allowed choices and flexibility.

Quoting from Michael Korda, "In the final analysis, the one quality that all successful people have...is the ability to take on responsibility."

TRUSTWORTHINESS • RESPECT • RESPONSIBILITY • FAIRNESS • CARING • CITIZENSHIP

Gruver Exchange Student Wins Gold At State Tennis Meet

She can converse in English or Spanish, but in tennis, GHS exchange student Rosa Diaz knows only one word - victory.

Having just won the Class A girls singles tennis championship in Austin, Diaz has capped off a near-perfect season. With the exception of one tournament called for inclement weather, she has won the girls' title in every meet she has entered and has not lost one match in competition.

"I guess I learned to play from my older sisters. At a very early age, my family had membership in a tennis club where we played all the time," Diaz said.

Diaz' older sister, Terre, was a student at GHS in 1995 and was also a talented member of the Lady Hound tennis team. Both sisters have made their home in Hansford County with Neal and Julie Williams and their children Ben, an eighth grader, and Emily, a fifth grader.

Since Diaz knew of Gruver through her sisters, she felt somewhat familiar with the area and the culture before her arrival. But there have been some surprises.

"I had never seen snow before I came to Gruver," Diaz said.

In Spain, Diaz's family lives near the seashore in Puerto Santa Maria where the

climate is "cold in the winter but very hot (45 degrees C) in the summer," Diaz said.

Surprises or not, Diaz has found much to like in her new environment. She loves steak with a passion that would make many area cattleman happy, and Chex Party Mix and brownies are also high on her list, but only second to anything at Taco Bell.

"Earlier this season Mr. Mayhew (GHS tennis coach) said that he might let the one who won the tennis meet pick the place for the team to eat," Diaz said.

But that idea was quickly dismissed by Diaz's teammates for fear Taco Bell would be their regular stop on return trips.

It is in tennis that Diaz has made her closest friends. The long road trips have given ample time for Diaz to amuse teammates with stories of her brief stint as a receiver on the GHS junior varsity football team and other American adventures.

Dubbed affectionately by the varsity boys doubles team as "The Spaniard," for the seemingly invincible warrior in the movie "Gladiator," Diaz smiles and returns the jest with "Wonder Boys," the name she picked for them.

Diaz's tennis talent has come as a nice surprise for Coach Mayhew. "When Rosa

told me she wanted to play tennis, there was a great deal of paper work needed to certify her eligibility. At that time, my only thought was to help her be able to play. It was only after she beat me and two former boys' champs that I realized how good she was."

As Diaz's stay in Gruver will end, and she returns June 10 to Spain, her baggage will be considerably heavier with the medals she has won in tournaments as well as the t-shirts she has collected from every tournament for her dad.

But Diaz hopes her trip home will not be one-way as she has hopes of landing a tennis scholarship and returning to college in Texas.

"People have already talked to me from North Texas State, Abilene Christian, and Baylor universities about playing tennis for them. I would like to do that very much. Julie, my American mother, would like to see me go to Abilene so I would be closer to my home here," Diaz said.

If determination has anything to do with the outcome, Diaz could well find herself a college athlete next year for as the vivacious teen smiles, "I am The Spaniard."

BUILT BETTER.

Our pivots are thicker, heavier and stronger.

Compare and you'll discover our pipe is 15% heavier with over twice the steel at the pivot point. We also offer exclusives like the uni-knuckle connector and formed outlet. And we use more common parts for faster erection and easier maintenance. Performance begins with a solid foundation — and nothing is more solid than Zimmatic®. We even build better financing options. Stop by today and get the best.

Field-Proven Irrigation Innovation You Can Afford

- Cash rebate up to \$1600* on systems delivered by May 31, 2001. *Based on new eight-tower Zimmatic system.
- 6.8% low interest with 0% down. Five-year financing. Seven-year program also available. First payment due in 12 months.
- 0% financing for 12 months. 5.0% effective rate with just 10% down. First payment due in 12 months. (Drivers must be received by April 30, 2001 to qualify)

Obtain restrictions and limitations apply to each of these options. See your Zimmatic dealer for complete details.

Brockman Named Salutatorian For Boys Ranch

Jordan Brockman

He received letters in the following activities: Speech (2000), Debate (2000 and 2001), Band (1998 and 2000) and Theatre (1999, 2000, 2001). He was a Regional Qualifier in Speech in 2000, Debate in 2000 and 2001, and a member of the State One-Act Play that placed 2nd in the State Contest in 1999.

He has received scholarships from the following: LULAC, MESA Academic Excellence Award, WTAMU Housing, WTAMU Tuition, and the Cal Farley's Boys Ranch Scholarship.

Jordan is the son of Ray and Julie Ortega of Boys Ranch, and Dedric and M'Liss Brockman of Amarillo. He is the grandson of Bob and Joan Farr of Spearman, Virginia and Frances Ortega of Spearman, and Bob and Elizabeth Brockman of Amarillo.

This summer, Jordan will work on the crew of Texas. In the fall attend West Texas A&M University, majoring in Wild Life Management and with a minor in Theater Tech.

Jordan Brockman of Boys Ranch will graduate from Boys Ranch High School as Salutatorian of the Class of 2001.

During his high school career, he has been active in theatre, speech, debate, varsity band, varsity choir, Spanish club, and the gifted and talented program.

Private Randy Eric Stafford will graduate from B-82 Chemical School, 4th Battalion, Unit 22, on June 1, 2001 in Ft. Leonardwood, MO.

Randy is a resident and former student of Spearman. He is the son of Randy C. Stafford of Spearman and Debbie Stafford of Oklahoma City, OK. He is the grandson of Pete and Shirley Stafford of Spearman.

Kim Rea will graduate from Woodward High School on Sunday, May 20, 2001.

Kim is a former resident and student of Spearman. She is the daughter of Sherry and Jim Kinsley of Woodward, and the granddaughter of Pete and Shirley Stafford of Spearman.

 Hansford County Scholars, Athletes & Graduates!

4-H Fashion Show Winners

(L-R) Emily Hood, Jessica Schmidt, Hannah Haddock, and Cathlene Kenealy represented Hansford County in the District 1 4-H Fashion Show on May 5th in Panhandle. Emily and Jessica competed in the Construction categories, and Hannah and Cathlene competed in the Buying categories. All learned skills in interviewing and modeling as well as comparison shopping and sewing.

Thank You

The members of the Class of 2002 would like to express a huge "thank you" to the parents and friends who have been so willing and eager to help with concession stand duties and prom preparations this year. A special thanks goes to:
 First State Bank for allowing us to use their grill for concession stand and prom, and
 D&C Greenhouse for providing live flowers to decorate the prom entrances.

Project Graduation

The parents of the Senior Class of 2001 will sponsor and host a "Project Graduation Party" following commencement services on Friday, May 25, 2001.

To encourage the party-goers to stay the entire night, an auction is held just before breakfast is served. Prizes, gift certificates and cash are needed for the auction.

If you would like to help make this an event to remember with a special prize or donation, please call Lenis Simpson at 659-2052 or 659-2852, or Ginger and Bill Pittman at 659-2847 or 659-5544.

LEGAL NOTICE

00020 INVITATION FOR BIDS
Sealed Proposals addressed to Robert Patrick, City Manager, City of Spearman, PO Box 37, Spearman, Texas 79081-0037 for the construction of a 100,000 gallon elevated water storage tank, yard piping, site work, controls, removal of an elevated storage tank, and associated appurtenances, entitled

ELEVATED WATER STORAGE TANK AND CONNECTING PIPELINE.

will be received by City of Spearman, in the office of the City Manager at City Hall, 30 Southwest Court, Spearman, Texas, until:

JUNE 19, 2001
3:00 p.m.

A cashier's check, certified check or acceptable bidder's bond, payable to the City of Spearman in an amount equal to not less than five percent of the bid submitted, must accompany each bid as guarantee that, if awarded

the contract, the Bidder will, within fifteen days after receipt of Contract Documents, enter into a contract with the City of Spearman and will execute bonds on the forms provided in a Contract Documents. Any bid received after the time and date listed above will be returned unopened and will not be considered.

Attention is called to the fact that not less than the federally determined prevailing (Davis-Bacon and Related Acts) wage rate, as issued by the Texas Department of Housing and Community Affairs and contained in the contract documents, must be paid on this project. In addition, the successful bidder must ensure that employees and applicants for employment are not discriminated against because of race, color, religion, sex, age, or national origin.

Bidders are expected to inspect the site of the work and inform themselves regarding all local conditions.

Contract Documents are on file and may be examined in the office of the City of Spearman, City Hall, 30 Southwest Court, Spearman, Texas 79081-0037, phone (806)-659-3859.

Plans and Specifications may be obtained from the Engineers, Brandt Engineers, Inc., 4537 Canyon Drive, Amarillo, Texas 79110, phone (806) 353-7233 in the following manner:

Cost: Fifty Dollars (\$50.00), non-refundable, for each set of plans and specifications.

Performance and Payment bonds shall be set for the in the Contract Documents.

The Owner reserves the right to reject any or all bids and to waive any informalities in the bidding. In case of ambiguity or lack of clearness, the Owner reserves the right to adopt such interpretations as may be most advantageous or to reject the bid as informal. No bid may be withdrawn until the expiration of 30 days from the bid opening date.

Robert Patrick, City Manager
City of Spearman

Please join Hansford Hospital District in celebrating National Nursing Home Week May 13-19

Nursing Home Week is an opportunity for everyone to reflect on the role of nursing facilities in our society, and to think about the kind of future we want to have as we age.

This is also a time to appreciate what we have in Hansford County. the more I learn about the long term care industry, and visit with staff at other nursing homes, the more I realize what Hansford Manor is truly special. We are blessed.

Panhandle-Plains FLBA Annual Stockholder's Meeting

Panhandle-Plains Federal Land Bank Association held its annual stockholders meeting April 28, 2001 at the Ambassador Hotel in Amarillo. The facility was filled again this year with some 200 borrowers, family members, guests and staff.

Chairman Jerry Oswalt presented the Board's report which highlighted accomplishments for the association in 2000. The year began with a \$1 million patronage payment and a 35 basis point reduction in interest rates. A reduction in stock to the minimum requirement of 2% or \$1,000 per loan was approved in December. This resulted in a \$2.45 million distribution to stockholders to be paid after the first of the year. Another interest rate reduction was approved in December, also to be effective in January 2001. These rate reductions coupled with the recent drop in overall rates brought the 6-month variable below 6%.

Oswalt announced the opening of the new 45th Street office in Amarillo, and invited all members and guests to come by anytime.

CEO Robert R. Williams Jr. provided the association's management report for the year. He reviewed the financial reports and emphasized to the audience that the association was well positioned to weather the rough conditions facing agriculture. Both reports served to underscore the association's theme of Providing Value to Membership through superior service and the lowest possible rate.

Stockholders re-elected Jerry Oswalt of Abernathy to Place 7, Wayne Garrett of Gruver to Place

2, and Walter "Rusty" Henson of Quitaque to Place 9. Entertainment was provided throughout the evening by the Country and Western group, "Blue Prairie," from Lubbock.

Headquartered in Amarillo, Panhandle-Plains FLBA is a member owned lending cooperative providing long-term mortgages in a 17-county region of the Panhandle and northern South Plains. The association has approximately \$167 million in loans outstanding to farmers, ranchers, agribusiness, and rural homeowners. Offices are located in Amarillo, Pampa, Perryton, and Plainview.

Displaying the \$2.45 million stock retirement to Panhandle-Plains FLBA stockholders are Sandra A. Judice, Vice President and Wayne Garrett, Director.

Kids Kamp Wins Community Education Award

Kids Kamp program has been recognized for outstanding achievement in Community Education.

The local program was honored with an award for Outstanding Community Education Activity or Event by the Texas Community Education Association (TCEA) during the 2001 State Conference banquet in San Antonio on April 3, 2001.

Cindy Blackman, Community Resource Coordinator for Spearman ISD, represented the program at the conference ceremony.

"These awards highlight the best of Community Education today," said Blackman. "Everyone can be proud of the quality of programming instructors and activities going on in communities across the state."

USDA Appoints Fuston To Head Texas FSA

The U.S. Department of Agriculture named John T. Fuston as Texas State Executive Director for the Farm Service Agency State Office on April 5, 2001.

Fuston has worked for FSA for 29 years. Prior to his appointment as SED, he was Supervisory Agricultural District Director since 1987. He is co-owner of a farming and ranching operation and has a Bachelor's degree in agriculture from West Texas State University.

Over the years, Fuston has received a number of honors, including being named Agricultural Man of the Year of Deaf Smith County. He is active in his county as a Chamber of Commerce and school board member.

FSA ensures the well-being of American agriculture, the environment and the American public through efficient and equitable administration of farm commodity programs; farm ownership, operating and emergency loans; conservation and environment programs; emergency and disaster assistance; domestic and international food assistance and international export credit programs.
