The homecoming festivities were great, the homecoming crowd was out in force, it was a beautiful evening, and the Lynx put on a great show! Life doesn't get much better than this if your a Lynx football fan. Sudan came to town Friday evening with upset on their mind, and they almost got it. They just forgot one thing--the Spearman defense.

On fourth and goal from the Lynx one yard line, the Lynx defense rose to the occasion and stopped the Hornets from scoring with 8:05 left in the game. That proved to be the game winner as the Lynx won 10-6. The defense had their backs to the wall, and they showed a lot of character when they stopped Sudan at the one yard line. The defense has a reputation to uphold, and they definitely upheld it last night!

Sudan won the opening coin toss and elected to receive, so the defense was going to be tested early. Spearman kicked off, and the Hornets started from their own 25 yard line. After only one first down, the Lynx defense held, and the Hornets had to punt. The Lynx started their first possession from their own 35. The Lynx drove down to the 20 yard line. Aaron Winegarner hit Jordan (Bucko) Brock over the middle, and Bucko was brought down at the Sudan 10 yard line. Then two plays later, little brother John Brock, scampered around the right end for Spearman's only touchdown of the night. Teddie Whitefield's PAT split the uprights and with 3:45 left in the first quarter, Spearman led 7-0.

The Lynx kicked off to the

Hornets, and they started on their own 20 yard line. The defense did their job once again as they held Sudan on three plays without a first down, and they had to punt. On Spearman's second possession, they started on their own 26 yard line after a holding call on the punt return. With a 3rd and 7, Dusty Barber had a nice run for a first down as time expired in the first quarter to keep the drive going. But several plays later, Sudan showed they also had a good defense by stopping the Lynx on 3rd down, and Spearman had to punt.

Sudan started their next possession on their own 22 yard line. Several plays later, Sudan had a 3rd and 12, and they threw a screen pass that was set up very well and made a first down. On the next play, they threw another pass that was completed and that took them down to the Spearman 20 yard line. On 3rd and 6 from the 16 yard line, the Lynx got called for pass interference. The penalty moved the ball to the 8 yard line with a first and goal. Then on 4th and 5, Sudan threw to the corner of the end zone for a touchdown. The PAT kick failed and the Lynx led 7-6 with 4:30 left in the 2nd quarter. The Lynx went three and out on their next possession, and that was the end of the first half.

Spearman's first possession of the 2nd half, they went three and out and had to punt back to Sudan. After a punt of 47 yards, the Hornets started on their own 17 yard line. On 3rd and 8, Sudan's quarterback (who by the way was an exceptionally good athlete), threw a long pass down field and John Brock intercepted at the 50

yard line with 8:25 left in the third quarter. Once again the defense came up big! On 2nd and 11 from the Sudan 49, Winegarner (who by the way is an exceptionally good quarterback also), threw an outside screen pass to Bucko. Bucko rumbled down to the Sudan 35 and a first down. Several plays later, the Lynx had a 1st and goal from the 7 yard line, but a tough Sudan defense kept the Lynx out of the end zone. But thanks to the trusty toe of Teddie Whitefield, the Lynx kicked a 25 yard field goal with 3:48 left in the 3rd quarter. Spearman led 10-6.

Both teams went three and out on each of their next possessions. Sudan started their third possession of the second half on their own 47 yard line. Three plays later on 3rd and 5, Sudan picked up a crucial first down, and the Lynx got called for spearing. That took the ball down to the Lynx 28. On the next play, the Lynx got called for pass interference, and that moved the ball down to the 19. Sudan had first and ten with 10:52 left in the 4th quarter. Several plays later, Sudan moved the ball down to the one yard line and had 4th and goal. On fourth down, they tried to run up the middle and the initial hit was put on by Dusty Barber, who was the offensive player of the game and co-defensive player of the game with Jordan Brock. Then the rest of the Lynx defense swarmed the ball carrier and kept him out of the end zone. That was an awesome goal line stand!

Spearman started their next possession from their own one yard line. On 3rd and 15, Barber ran a draw up the middle for a big first down to keep the drive alive. Sudan's defense then held the Lynx on 3rd and 4. The Lynx punted to Sudan, and they took over on their own 37 yard line with 2:57 left in

the game. The Lynx defense had to once again prove what they were made of. On 3rd and 4, Sudan completed a pass out in the flat, and picked up a big first down at the 50 yard line. On 2nd and 10, Sudan went to the well once to often because Barber intercepted the pass at the Lynx 47 and returned it to the Hornet 35 with 1:44 left in the game. That sealed the victory for the Lynx, and they ran out the clock. Final score was Spearman 10 and Sudan 6.

This was a very hard fought game. Sudan has a very good football team, and we wish them well the rest of the season. Spearman also has a great team, and you guys did a terrific job. You played as a team and had your backs against the wall, and you proved that you are winners! Great game and congratulations on a job well done!

Be sure and travel to Wheeler next Friday night as the Lynx take on number one ranked Wheeler. Come show these young men how much we appreciate their hard work and how much we support them. (If you just absolutely can't make the game, then catch all the action on 98.3 KRDF-FM.) How 'bout them LYNX!!

Biblical Direction While On The Road

by George R. Plagenz

If Saturday night is the loneliest night of the week, being a traveling salesman is probably the loneliest job in the world - and a hotel room the loneliest place to be.

John Nicholson and Samuel Hill, two traveling salesmen, could vouch for that, and because of them those lonely times and hours in a hotel room far from home have been shortened considerably for millions today.

It was Nicholson and Hill who originated the Gideon Bible.

The idea of putting Bibles in hotel rooms had its birth, appropriately enough, in a hotel room in Wisconsin in 1898 where Nicholson and Hill met by chance.

Nicholson, an aluminumware salesman, had entered the Central Hotel in the town of Boscobel to get a room for the night. But there was a lumbermen's convention in progress and all the rooms were occupied.

The accommodating hotel clerk offered to introduce Nicholson to another traveling salesman named Hill who was seated in the lobby. Hill had a double room. Maybe he would share it with Nicholson.

This was fine with Hill. That night, before retiring, Nicholson said, "You will excuse me, MR. Hill, but before going to bed I always read out of God's word and have a little talk with him."

Hill replied, "Please read aloud. I, too, am a Christian man."

The paths of the two salesmen crossed again several times in the next year as they covered their sales territories in Wisconsin. Eventually, they decided to form a men's group "devoted to carrying out the Lord's work."

They named their brotherhood the Gideons after the farmer-turned-warrior in the Old Testament book of Judges who was called by God to lead a small band of Israelites against their Midianite enemies. Gideon's troops prevailed although outnumbered 450 to 1.

Impressed that "a few selected men could accomplish an impossi-

ble task," these latter-day Gideons decided to take on an impossible task of their own. They would provide weary travelers - footsore, lonely and far from home - with the comfort of God's word in their hotel room.

In the front of each Gideon Bible would be a handy reference guide to passages which would help readers with any problems facing them, whether it be loneliness, discouragement, sickness or trouble of any kind.

Since the first order for 25 Bibles was delivered to a hotel in Iron Mountain, Montana, in 1908, the Gideons have distributed over 600 million Bibles in 172 countries. And the orders keep coming in.

Tomorrow there will be 100,000 more Gideon Bibles in circulation than there are today. Every 10 days the number jumps by one million.

Besides being in nearly every hotel room around the world, Gideon Bibles go to hospitals and prisons as well as to the armed forces.

Do these Bibles get read? It appears they do. The Gideons check back with the hotels twice a year to replace lost, worn or stolen Bibles. (The charitable Gideons prefer to say the missing Bibles were "taken" rather than stolen. "Although we don't encourage taking Bibles, we don't complain when it happens," says one Gideon.)

In any case, the average life of a Gideon Bible is six years. This short life span pleases the Gideons. It means the Bibles are not hidden away, unread, in a hotel room drawer.

The Gideons also have an eye for decor. Hotels may request Bible covers in red, green or black. Las Vegas hotels usually request gold-covered Bibles.

A member of the Gideons will be speaking at the First Christian Church on Sunday, September 26, 1999 during the 10:50 a.m. worship service. Anyone interested is encouraged to attend.

Approximately 80 students at the Spearman Jr. High and High School participated in the See You At The Pole event on Wednesday, September 15th. SYATP is a student-led event where students gather to pray for their school, community and country. Since 1991, SYATP has grown to God-sized proportions. Within only a couple of years, students were praying in several countries around the world. Now, more than 3 million students from all 50 states participate in SYATP. Students around the world are responding to God and taking seriously the challenge to pray.

FUMC Chancel Choir Tour

(L-R) Mark Schoenhals, Lynann Maize, Sheryl Meek, Trudy Schneider, and Kent Guthrie

Over 300 people were in attendance at the First United Methodist Church, Pampa on Sunday mornign to hear *God For Us*, a worship experience led by the music presentation of the Spearman FUMC Chancel Choir.

The choir was received warmly by the congregation, and the choir members from the Pampa church provided a great lunch for our members following the service. The choir then continued on to Amarillo to hold another worship service at the Craig Methodist Retirement Community. There, approximately 80 residents enjoyed the musical presentation. The members of the retirement community include several members of this congregation, and the choir members enjoyed visiting friends after the service.

The purpose of the Chancel Choir is to lead in the worship of God, to equip and encourage its members in the faith to present the Good News beyond our walls, and to serve others with the gift of music.

Choir Tour is a time when all of the components of the purpose come together for thism usic ministry. The choir is focused on reaching out to peopel through the music andthorugh our personal contact with people. The tour also gives the members an opportunity to study our reason for existing, to share ideas and fellowship, and to develop our ministry direction. Membetrs come hone exhausted, but exhilarated, and more determined than ever to go again.

Thirty-five members of the Chancel Choir gathered to leave Spearman at 7 a.m. on Sunday morning and finished unloading the church trailer at 10:30 p.m.; it was a long, but fulfilling day.

LAUGH AND LIVE

by Gary C. Smith

Friend Christy Meador, a fifth-grade teacher in Eldorado, Texas, sent me the following bits of wisdom. Christy sent ten bits of wisdom, but I am only passing on nine. If you would like to know what the tenth one is, when you see me on the street, ask. Hope you enjoy.

Bits of Wisdom

Before you criticize someone, you should walk a mile in his shoes. That way, when you criticize him, you are a mile away from him and you have his shoes.

A bus station is where a bus stops. A train station is where a train stops. On my desk I have a work station....

I believe five out of four people have trouble with fractions.

If quitters never win, and winners never quit, what fool came up with, "Quit while you're ahead?"

Do Lipton Tea employees take coffee breaks?

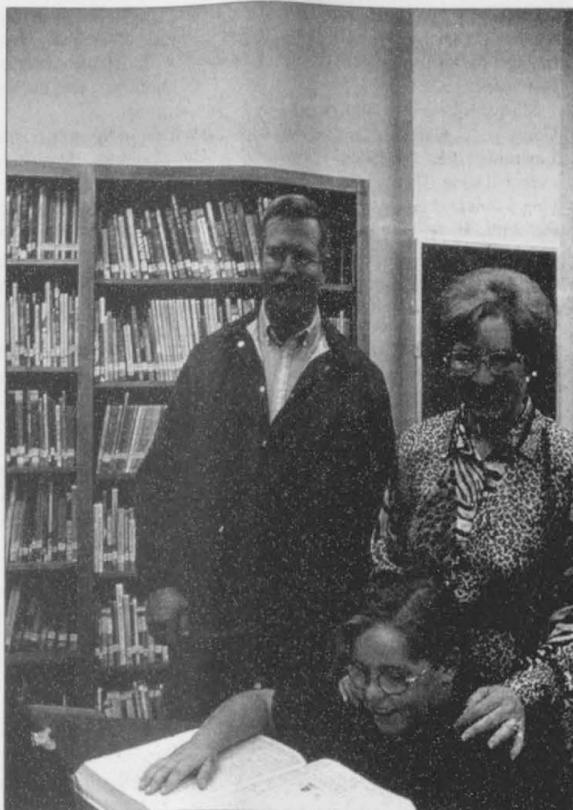

What hair color do they put on the driver's licenses of bald men?

I was thinking that women should put pictures of missing husbands on beer cans.

I was thinking about how people seem to read the Bible a whole lot more as they get older. Then it dawned on me—they were cramming for their finals.

Employment application blanks always ask who is to be notified in case of emergency. I think you should write "A very good doctor."

Until Next Time,
May God Bless.

Among The Neighbors

by Helen Fisher

Ed and Cindy Butler of San Angelo, week before last, came to Spearman and his mother, Raye, joined them for a trip to Denver. Their son, Jon, lives there, and they spent five pleasant days there.

Jon is in electronics, a career which keeps him very busy, but he was able to accompany them on some interesting side trips.

They drove over to San Isabel and out to the lake and to the area used for Boy Scout camping. Many boyhood memories were brought back to Ed as this was the area where he camped as a Boy Scout.

They returned to Spearman last Tuesday. Ed has been with GTE for 30 years-starting when he was 20.

Kim Venneman, who is an interior designer, is spending five weeks in New York City on an assignment.

Her mother, Linda Venneman, and sister, Holly Gifford, visited her last week. They attended the Today Show which featured Willie Nelson. They had to rise at 3 a.m. to be there. They sent their greetings to Grandmother Fannie and sister Mary, as witnessed by Spearman viewers.

Mrs. Faye Cunningham and Susie Blackmon enjoyed participating in the Western Lone Star Senior Ladies golf tournament last week. It was from Monday through Thursday and held at the Phillips Country Club in Borger. The territory comprising the organization is the entire western half of Texas so players came from many areas and provided much competition.

She won her first two rounds in the first flight, but lost the third. She was awarded second place. Susie also won her first two rounds in the seventh flight and lost the third, so she also won a second.

Texie Ann Fisher of Memphis was the out-going president. The tournament is held annually.

Word from Ruby McCullough is that she is slowly and painfully recovering from the freakish home accident that left her with three fractures in the pelvic area and two

in the lower back.

She send her thanks for the cards, thoughts, prayers and encouragement from her Spearman and Gruver friends.

The book *Pioneer Homesteads and Historic Sites of the Holt Community from 1899 to 1999* is now available, after much careful research and attention to detail by Marvin and Ruth Ann Jones.

The authors mention in the introduction that it is not a history of the families, rather an account of the first homes.

Certainly, not only the Holt Community, but future generations will be indebted to the authors for this authentic chapter in the history of the Panhandle.

The plain facts in the book and the photographs are crowded out by emotions - admiration for the men, of their surviving the trials caused by the weather, markets, primitive equipment - but this is over-shadowed by the women's angle.

Their lives were spent in those walls. However moving out of the dirt dug-outs above ground was a victory - a welcome shelter - to be able to look out windows.

Think of the women's daily lives-water having to be hauled for miles and used so sparingly, of preserving food for a long time-rearing the children; laundry, keeping warm in the winter.

Most of the women came here from places with trees, sloping hills, flowers. On these treeless prairies, there was no water for flowers.

Think of the tragedies, accidents, sickness, childbirth, and consuming homesickness that the walls of these houses absorbed.

Surely there were some pleasant experiences in their lives - perhaps a little social life.

Thanks to Ruth Ann and Marvin, this book, covering this 100 years, will still be enlightening generations through the next 100 - until 2100.

Mrs. Margaret Harnish is looking forward to a busy week as was the last one. Her daughter, Lyda Littleton, flew in from Island Falls, Maine last Tuesday.

All week there was visiting old

friends and taking Margaret for various doctor appointments, and taking time to enjoy "Zulu Days" festivities.

Margaret's sons, Gilbert and Gerry Harnish, from Lawrenceville, Georgia are expected soon. The family is planning a family reunion of Saturday, the 25th. It will be held at the Smokehouse in Perryton as Bill Harnish and family live there.

The cool, cloudy weather on Saturday morning was welcome to those 'Muscles that were raising two more windmills at the park. Amid much camaraderie, the raising went smoothly.

An unexpected and refreshing lift was provided by Judy Tindell - who arrived not with a pair of post hole diggers - but with fresh, hot coffee and delicious homemade rolls - sure was appreciated.

Dr. Latta mentions that the vets at the clinic have been exceptionally busy recently due to a surge in snake bites. The early fall usually brings an increase but it is higher than normal. Animals - beware!!

Roscoe Nelson is now in Hansford Hospital for rehabilitation following surgery for five heart by-passes. He was taken by ambulance to Baptist St. Anthony's where the operation was on the 9th. He was expected to remain there for 30 days of rehabilitation, but preferred to return to Spearman. He will return to Amarillo this week for a check-up.

Their daughter, Rhonda Burress, was visiting Roscoe and Marguerite Nelson, her parents, when the attack occurred. Rhonda's husband, Jeff, came for several days but has since returned to their home in Ft. Gibson, Oklahoma.

Charles Eaton, who was working at Red River, also returned to be with the family.

Christi Sheppard is making a drastic change in her life by leaving Hansford County for Suffolk, Virginia. Khristi grew up in

Gruver and graduated from high school there. She has been employed by the Hansford Manor and will continue her nursing career in Virginia.

She has lived in Spearman since 1990. Her daughter, Mariah, is accompanying her on the drive and will enter the second grade there.

All her friends and associates garish her the best of luck and hope that she will not lose touch with them.

Lottie Smith Houser and husband, Don Houser, were guests for several days in the home of her son and daughter-in-law, Gary and Cathy Smith. They left Monday.

The Housers are residents of Wilmington, North Carolina, one of the cities hard-hit by the hurricane, Floyd. The couple, recently married, had been in Tennessee and were in Oklahoma City when the storm struck. Mrs. Houser has been in touch with friends and was relieved to learn that her home sustained very little damage.

From Dwayne Smith's weather records for the week of September 13 to 20th, the highest temperature was on the 18th at 85; the lowest on the 20th at 51. Total moisture for the week was .55 and the total so far this month is .66.

JV Trounces Fritch
 The GHS junior varsity Hounds began a new winning streak with a 34 - 6 victory over the Fritch Eagles on Thursday, September 16.

The Hounds first score came on their second possession of the game when a 40 yard pass from quarterback Hunter Bevill to Manuel Luciano resulted in a 10 yard touchdown run by Steven Salazar. Ishmael Pessoa snagged a Bevill pass for the two point PAT.

In the second quarter, two good runs by Gabriel Lopez resulted in Salazar's second touchdown of the night on a five yard run. A David Hernandez scamper added the two point bonus.
 Completing the first half scoring was a 15 yard pass from Bevill to Pessoa. After a failed PAT, the

score at halftime was 22-0.
 Gabriel Lopez ushered in the third quarter with a 60 yard paydirt run, and Salazar threw a 5 yard scoring pass to Eric Munoz to give the Hounds a 34 - 6 victory over the Eagles.
 The JV Hounds take on Memphis following the junior high game Thursday, September 23.

Junior High Spar with Shamrock
 by Ben Williams

The seventh grade Hounds were first on the field and first on the scoreboard, when Brock Irwin ran for a touchdown. The second half began with the Greyhounds leading 6-0, when the Fighting Irish scored followed by a two-point run. The Hounds fought back, and Cass Cooper ran to the end zone for six points, to make the score 14-8. Mark TeBeest caught a two point conversion pass from Lance Williams. Shamrock wouldn't stop, though, and in the 4th quarter scored another touchdown to tie. The 7th grade Hounds held the Irish, not allowing a two point run and kept the score final at 14-14.

The eighth graders, on the other hand, stomped the Fighting Irish 28-0. The first half scoring began when David Puebla ran in for two touchdowns followed by Colby Weldon's two point conversion. The eighth grade defense would not allow the Irish to score. In the second half, Jose Rodriguez scored a touchdown and two point conversion. The hounds defense continued to hold the Shamrock Irish from the end zone. To finish the Greyhounds scoring for the night, Hutch Reid ran in for an additional 6 points. This finalized the game with a great victory of 28-0.

Both the seventh and eighth graders play excellent games, and once again, made Gruver proud.

 Lake Depth -- September 20, 1999 -- 57.42 feet
 The shelter was used by the Spearman Class of '89 on Saturday noon for a group picnic. Sunday noon and afternoon the Spearman Church of Christ reserved it.

Last Tuesday Mr. and Mrs. Skeeze Riley and Mr. and Mrs. Ross Walker, all of Gruver, parked their RVs at the hookups on the north side of the dam and had almost a week of relaxation and fun without having to drive many miles. When not fishing from Skeeze's pontoon boat, these couples were playing bridge.

On the office side there were two trailers from Dumas. They, too, fished from a pontoon boat. The fishing was only fair for both groups. However, it was a different story for Chris and Shelley Gibson of Dalhart who camped on the Gibner side Wednesday and Thursday nights. They came up with a 14 pound blue catfish and a cooler full of 1.5 to 2 pound catfish.

One set of campers went up on the Viewing Point overlooking the Palo Duro valley Sunday morning and were able to count 20 deer. Jim and Mandy, late Friday night, saw two mule deer bucks on the highway that seemed reluctant to jump the barb wire fence, but they finally did.
 Jim went fishing Saturday morning near the intake tower. He

had a lot of fun watching a blue heron and a belted kingfisher, who were also fishing. The kingfisher perch in a tree or something high and make quick dives to bring up a fish, whereas the heron wades or watches and spears his fish without moving much. At one point the kingfisher dove in and caught a fish right by the heron.

Sam Gruver has given me a good report on the Eurasian collared doves. He has been seeing them for three years. He thinks a pair nested in the cedars bordering the north side of the Gruver City Park. At least one pair has two juveniles.

We have a new member of "I've Seen the Mountain Lion" Club. Amy Harris, our 15-year-old granddaughter, saw one in the night Saturday. Waking up cold, she got up to shut the window and saw the large cat. Upon hearing a noise, it came closer to investigate, and she got a pretty good look.

Thank You
 The parents and staff of the Sacred Heart Child Development Center (Kid's Korner) would like to thank the members of the Sacred Heart Catholic Church for the use of their building over the past year. Your generosity has been greatly appreciated.

JV Lynx Whip WT

by Jeff Beedy

The Lynx JV defense was put to the test several times Thursday evening against the West Texas Comanches, and they came up big every time. Then the offense got clicking as they shut out WT 18-0. Both defenses came up big at times, but it was Spearman's defense and offense that prevailed in the end. This was the best defensive game the JV has had so far this year. They made big plays all night long and when they needed a stop, they came through like champions. As the saying goes, "The best offense is a good defense." That was the case tonight because when the defense would stop WT, then the offense would come through with a big play that would usually lead to a touchdown. It was definitely a defensive struggle most of the night for both teams.

Spearman won the toss and elected to receive. They took the opening drive and drove it down the field and pretty much had their way with West Texas. Miguel Ceballos and Edward Vasquez had several nice runs during the drive before Kevin Beedy sneaked it over for a touchdown on the 1 yard line with 4:25 left in the first quarter. The PAT run failed. Spearman then kicked off to the Comanches, and they started on their own 25 and they went 3 downs and had to punt. The Lynx started their second possession on the WT 47 yard line. The first play of the second quarter, Vasquez ran off tackle and had a great run down to the 15.

The drive came to an end when Spearman fumbled on the 12 yard line, and the Comanches recovered. On WT's second possession, Lance Baker, who had great coverage on the play, intercepted a WT pass on 3rd and 18. The Lynx took over on the 15 yard line, but the Spearman drive was stopped several plays later on 4th and 5. On West Texas' next possession, they started on their own 18. They had a good drive going when they decided to throw on 1st and 10. Tanner (Rudy) Beedy played his man perfectly as he intercepted the pass, and the Lynx took over at the WT 49 yard line. The WT defense held the Lynx, and they went 3 and out. Spearman punted to West Texas, but the receiver fumbled the catch on the punt and Spearman recovered at the WT 15 with only 12 seconds left in the half. On 2nd down, Kevin Beedy threw to Ceballos at the 8 yard line, and he ran it in for the touchdown as time expired in the first half. The PAT pass failed and the Lynx led at halftime 12-0.

Spearman kicked off to the Comanches to start the second half. WT started on their own 39 and drove at will down to the Lynx 19 yard line. Then on 4th and 7 from the 15, WT completed a pass at the 9 but the Lynx defense stopped WT short of the first down, and the Lynx took over at the 9. The defense had their backs to the wall and they rose to the occasion! Spearman had a nice drive going at their own 45 before the WT defense held them on 3rd

down. Spearman fumbled on 4th and West Texas took over at the Lynx 41 yard line. On the last play of the 3rd quarter, Rudy tackled the WT running back for a big loss. Then on 4th and 5 from the 25, Baker and Rudy made the stop and the Lynx took over on their own 23. Spearman, on their next possession, had a 3rd and long, but WT got called for a personal foul and that gave Spearman a first down and kept the drive alive on their own 44. After several plays, the Lynx had 1st and goal from the 9 yard line, and Ceballos ran it in with 2:49 left in the game. The PAT failed, but the Lynx led 18-0. WT's last possession came to an end, when Kevin Beedy intercepted another pass, and Spearman took over at their own 45 with 2:30 left in the game. The Lynx drove down to the WT 20 yard line as time expired. The final score was Spearman 18, West Texas 0. Way to go Spearman! You did a great job, and we are very proud of you! Keep up the good work!

Cross Country Improves at White Deer

submitted

The Lynx and Lynxette Cross Country teams traveled to White Deer Saturday to compete in the second cross country meet this season. The weather was cool, and the teams were much improved from last week.

Coach Short was pleased with the improvement over last week. He said, "We had a good week of workouts, and our times and places were better. If the work will continue during the week, we will see more improvement." Short went on to say, "Ashley and Colton medaled which was great! The Junior High girls' 4th place was more of what we want to see each week. We did make a dent in the Canadian and Sunray stronghold when Chelsea Nollner ran down the 5th Canadian runner. We just have to get our times lower to get a few more runners ahead of the other district teams top five runners."

Good job Lynx and Lynxette Cross Country! Keep up the good work and keep improving those times!

Tindle,
I want to thank you for all the support and love you gave me through a very difficult time in my life. You have always been like a big brother. You always had sound advice to give and you were always there with a listening ear. I know you have become the kind of youth coach that would impress me (ha, ha!). Thanks for always being supportive and a good friend. I know I can always count on you for anything because that is the kind of person you are. I wish I could be there to help celebrate your 40th birthday. Since I can't, I send a big hug and lots of love.
Love,
Cindy Clyburn

Dearest Tindle,
It is impossible to tell you how much your father and I love you. But I can write about two important things you did to enrich our lives. The first was when you were born. And though you had no choice or conscience effort in the matter, you gave us all the happy years in your childhood as your son. The second was when you brought our beloved Kristi into our family, and then our wonderful grandchildren - Amber, Nicole and Ryan.
Love,
Mom and Dad

Tindle has touched our lives in many ways. He used to come out with Jayne and the kids to the farm when they were in school in Goodwell. They would ride horses (three on one horse) - Cathy, Tindle and Jennifer. If we were working cattle, Tindle would try his luck at throwing the baby calves. Tindle has always been a joy to be around. I do wish him a happy 40th birthday.
Sincerely,
Lloyd Tucker

HAPPY BIRTHDAY, TINDLE!

*We think Tindle is really a super guy. When he came all the way to San Jose to attend the wedding of our last unmarried son, James, it was really a fun time. He fit right in with the swinging California boys, and everyone in our family here truly enjoyed his visit. The crack-up time of the trip had to have been after the wedding when I (his aunt by marriage) consented to drive him, his dad and his cousin, Karen, to the coast. When we picked a beach to stop at and go down to experience the ocean "up close and personal," I, inadvertently had stopped at a nude beach. It was hysterical. None of us will ever forget it.
Tindle, we want to wish you a very happy birthday and many, many more.
Love,
Aunt Edeane and Uncle Tenoch Ramon*

*When I first met Tindle I knew he was the type of person I wanted to marry. He is the most talented and caring person I have ever met. He loves his family more than anything. He has coached his children in everything from T-ball, basketball, baseball and football. Not only is he talented, but he is very helpful. He helps clean house, cook, do laundry, and even iron clothes!
Happy Birthday, Tindle!
I love you very much.
Kristi*

*I want to send birthday greetings to my old diaper buddy, Tindle. It's hard to believe that you are over the hill this year. It seems only yesterday when we were only kids living in Goodwell. I remember so many good times we had. Remember the Monopoly marathons, the long bike rides, the Girl Scout trips, basketball games, fund raisers, cowboys and Indians with real horses, collecting salamanders? Wow! What a great childhood we shared. Of course we also had many good times in high school and college. We could always exchange insults or compliments with the best of them. I hope you have a terrific birthday.
Your lifelong friend,
Evelyn Hammers Boatwright*

*Tindle has been a friend of ours for many years. The one characteristic that stands out about Tindle during the time we have known him is his willingness to help a friend. No matter how busy Tindle is, he will always offer to help with whatever project we have to do around the house. We have learned that if Tindle does help us, we need to allow plenty of time to visit because he is really good at that.
Your friends,
Verlin and Brenda*

Tindle,
I found this very difficult to put into words, but I feel to honor such a special person is a true privilege. There are so many words that would adequately describe you and how wonderful you are. These are only a few:
Terrific father, husband, brother, brother-in-law, son, co-worker, friend
Important, intellectual, informative, inspirational
Notable, nice, never giving in, neat, noble
Dynamic, dignitary, diligent, devoted, desirable
Lambent, likeable, loving, leader, level-headed, logical
Enticing, easy going, economical, educational, embracing, essential
I love you and hope you have a wonderful 40th birthday.
Cathy Matney

*A Tribute To Tindle:
(Our dear friend who is having the fortune to turn 40 years old.)
A special friend can help you through your very hardest days Or brighten up the good times with their caring, thoughtful ways. The world's a brighter place because of friends like you Whose warm concern for others show in all they say and do And all of those who've known you surely say it's so That you're one of the nicest people that this world will ever know.
Love and Happy 40th Birthday,
Pat & Mike Cudd*

*To Tindle on your 40th Birthday:
Welcome to maturity. When we first met and started to work on the huge project that is now a thriving bank, I thought you were just a kid. You were, at 25 years old; of course I was much your senior at 36. We accomplished a lot together. Climbed many challenging mountains. I have greatly appreciated your many skills and the way we have worked together. You and your family are great assets to our bank and our community.
Have a very happy birthday!
Don Townsen*

*My father is one of the hardest workers I know. If my dad had to have three jobs just to provide for his family, he would. I hope that next year when I move away I take my fathers work ethics with me and become as successful as he has.
Happy Birthday, Dad!
Amber*

*My dad has always been there for us when we needed him the most... financially and emotionally. What can I say. He is a hard worker and a loving father.
Love always,
Nicole*

*He takes the time to go to baseball with me. He has taught how to tie a tie, put a rocket together, and how to ride a bike.
I love you, Dad.
Ryan*

Tindle,
Happy Birthday!
It doesn't seem possible that I was your age when we met. Now you understand why I was a fussy mother over my daughter. Over the years you have shown me that you were the one for my baby daughter. You have given her so much happiness and worked so hard to put her through college and give her a lovely home, etc. You have given me three beautiful grandchildren and done such a good job being a father. You have made me very proud of your success in the business world. You never failed to call me before coming to visit to see what tools you need to bring to fix whatever may be broken. I do appreciate that thoughtfulness very much. I hope this birthday is one of only many more for you. Thank you for being one of "my" kids.
Love,
Vickie

*I first met Tindle in 1991 at the Southwestern Graduate School of Banking in Dallas. I quickly learned how great a guy Tindle was, and he later became my roommate and best friend at the school. I wish him well on his 40th, and I know he will touch many more lives as he did mine in the next 40 years.
Happy birthday, Tindle.
Roy Nickles*

*In 1976, I was serving as pastor of a Methodist Church in North Carolina. It was there that I learned about substitutes. Sometimes, when things are missing or broken, we use substitutes to fill in for the real thing. An example of this could be a broken window pane. If the window is broken, then a piece of cardboard could be taped up in its place. Then it would be a substitute. I just wanted everyone to know that my friend, Tindle Ramon, is not a substitute - he is a real pane. He is also the real thing.
Gary Smith*

Superintendent's Corner

by Rodney Sumner, Spearman ISD Superintendent

It seems the last couple of weeks the topic of prayer at football games has been splattered in newspapers across the state of Texas. The reason for all this hype and concern centers around the Court of Appeals for the Fifth Circuit which ruled that organized prayers at sporting events violated the Establishment Clause of the First Amendment.

Along with the ruling from the Court of Appeals, came legal opinions and threats from certain groups that if prayers continued school districts risked legal consequences. Our own school district attorneys and TASB (Texas Associations of School Boards) also strongly advised that we discontinue school-sponsored prayers at football games.

I personally believe that we should have the right to pray at football games! In fact, I feel that the criterion whether or not prayer is offered should be based on local community standards! However, this is not the courts' interpretation.

Should we comply with laws that we don't agree with? I don't mind rolling up my sleeves for a good fight, but in this case what message are we sending to our students? If it is contrary to their own beliefs, it is okay not to do it. I don't think that is the lesson we are trying to teach our kids. I don't think we have to accept laws we feel are wrong, but we can work through the system to change these laws.

To complicate matters more, the potential legal risk to the school district for disobeying this court decision could be staggering in terms of financial loss. Taxes raised would have to divert from benefiting children to defending the district in court. I don't think this is being a good steward of the taxpayer monies and the faith they put in us as educators to provide our children with the best education possible.

Sure we need God in school. Although we may not organize

prayer, God is still there! Last Friday I read a prepared statement before the football game with Sudan, voicing our disapproval with the law; however reminding people that they could offer an individual reflection on what is on their hearts and minds and then asked them (if they so desired) to join us for a moment of silence. You could have heard a pin drop. I'm sure there were many prayers offered that evening. I prayed for the state of our country and for our leaders as they endeavor to make laws. I prayed that we would continue to rely on God as a nation and not turn our backs on him! Making the announcement was one of the hardest things that I think I have had to do. It almost felt like someone placed a dagger in my heart.

The topic of prayer at sporting events is controversial. In most cases you feel very strongly one way or the other. I am sure we will read a lot more about it in the future. I hope people realize that many of us have struggled with this decision. I too have prayed for wisdom and understanding. God

has blessed us with an outstanding school system, beautiful children and caring and compassionate teachers. We can focus on this anniversary or be thankful for living in this country and for our many blessings!

The first six weeks of school is almost over. What about those Lynx! There are a lot of positive things happening at school. In the months ahead, I will strive to bring you reports of the good things happening in our schools and the state of the district as we enter the next millennium.
