Winnie Woodrow (Woody) Jackson, son of Mr. and Mrs. S. L. Jackson of Muleshoe will receive the Master of Religious Education degree during commencement exercises at Southwestern Baptist Theological Seminary, 9:30 a.m., May 8, 1970, in Truett Auditorium.

Robert Hooten of Muleshoe Motor Company will join some 1,000 other delegates to the 53rd annual Texas Automobile Dealers Association convention in San Antonio, April 25 through 28.

Mr. and Mrs. Jess Pendergrass have returned to their home after visiting their new grandson, Richard Todd Minckler, in Long Beach, Calif. Richard Todd is the new son of Ricky and Susan Minckler. Mrs. Pendergrass reported that both mother and baby are 'doing fine.'

While returning from Long Beach, the Pendergrasses visited in Wilcox, Ariz. with the T. R. Smallwoods and talked on the telephone to the Harold Wilsons and Buddy Hales, all former Muleshoe residents.

Presently visiting in the Jess Pendergrass home are Mr. and Mrs. Robert Pendergrass of Kingsland (Tex.) and Mr. and Mrs. Roy Pendergrass of Burkburnett.

Carol Dean Seaborn of Muleshoe, is one of approximately 260 Texas Tech students who became members of Phi Kappa Phi, national honorary society, at the annual installation banquet Friday in the Tech Student Union.

She is a junior at Tech in the college of Home Economics.

According to Bill Gunter, Texas Agricultural Extension Agent stationed at Lubbock, a survey of the Parmer County damage from last Friday's tornado shows a loss of \$168,250. This represents heavy damage to farm equipment and machinery; three houses destroyed in Lazbuddie; three houses heavily damaged, with trucks, cars, and furniture also lost.

Tickets for the Thursday, April 30, banquet of the Boy Scouts of America are available at this time for \$2 each from Jerry Hutton at the Chamber of Commerce or Tommy Black at Cobbs. The banquet will be held at the Corral Restaurant.

Donna Lee Beversdorf and Jimmy Gayle Watson are two of 230 students who will receive degrees or certificates from South Plains College on Friday, May 15.

A reception for parents and friends will be held immediately following the graduation exercises.

Rubella, commonly called German Measles, is a dread disease which hits in cycles, usually reaching epidemic stages before it abates.

Health officials say the danger of Rubella is in the defects it may cause to an unborn child if the mother catches Rubella during early pregnancy. Some of the defects are cataracts, heart disease, deafness, blindness, cerebral palsy and mental retardation. The last major epidemic occurred in 1964 causing 30,000 miscarriages or stillbirths, and 20,000 infants born with severe defects. It is estimated that the care and education of these 20,000 defective children, to age 18, will surpass three billion dollars figures on present day cost.

As the number of cases peak every six to nine years, another epidemic is expected between 1970 and 1973.

Dr. Elias Abrutyn of the National Communicable Disease Center said provided information regarding the Rubella epidemic of 1963-1965 left 3,850 children deaf-blind as a result of the epidemic.

Six clinics will be held in the Muleshoe area on Wednesday, May 13. Mrs. Mickey Sowder will be in charge of the Three Way clinic from 8:30-9:45 a.m.; Mrs. Zed Robinson at Bula, 10:15-11:15 a.m.; Mrs. Creston Favor, Mary DeSazo, 11:45-12:45; Mrs. Haney Poynor, Richland Hills, 2:00-3:00 p.m.; Mrs. John Agee, Lazbuddie, 2:00-3:00 p.m. and Larry Henry, Goodwill Center, 5:30-6:00 p.m. and 8:00 p.m. if necessary.

From 8:30 a.m. to 6:00 p.m. on the clinic day, Mrs. Jimmie Black, Mrs. Clarence Christian and Mrs. Duane Seay will maintain a clearing center in the community room of the Muleshoe State Bank.

Doctors, nurses and trained personnel will administer the vaccine with Mrs. Imogene Tiller being in charge of the training program.

WELCOME FOR SWEEPSTAKES WINNING BAND--Mayor Irvin St. Clair, at left center, walks to his car for a caravan into Muleshoe after the Muleshoe High School 'M' Band captured a sweepstakes title in competition at Lubbock on Thursday. Competing with eight other bands, the Muleshoe

band rated the only sweepstakes presented. The caravan, led by Chief of Police Harold White and Fire Chief Earl Ladd, preceded the buses into town and down Main Street before the youngsters embarked at Muleshoe High School.

## Cihak Manager Yarborough Campaign

Senator Ralph Yarborough today named Don W. Cihak of Muleshoe as his campaign manager in Bailey County.

"I am very pleased to have the endorsement and campaign leadership of such a leading Democrat as Don Cihak in this important area of the state," Senator Yarborough said. Yarborough, Texas' Senior Senator and Chairman of the Senate Labor and Public Welfare Committee, is seeking reelection to a third term as a candidate in the May 2 Democratic primary.

Cihak commented, "I am

## Tornado Warning System Outlined

Brought home to many persons last Friday night was the question "What do I do and where do I go if a tornado strikes in my vicinity?"

Tornado season is not approaching, it is here, as evidenced by the devastating tornadoes which struck widely and often on the South Plains and the Texas Panhandle last Friday evening and Friday night.

Tornadoes last year killed 66 persons in the United States and that was considered a calm year. Tornadoes recorded in 1969 were below the 10 year average. The 607 reported were a good 50 below the usual number reported during one year in the United States.

A tornado is "more powerful than a locomotive, faster than a speeding bullet, able to leap, even destroy, tall buildings in a single bound -- only a Texas tornado can show Man how insignificant his strength really is," according to Jim Brigrance, AP writer. "The devilish whirlwinds have been known to hurl 80-ton railroad cars filled with people through the air and drive wood splinters into fire hydrants.

"A tornado is the melding of warm, moist air with over-riding more frigid air. When the two bodies of opposing air clash they often spawn destruction below. "Tornadoes have lashed the ground at speeds up to an estimated 900 mph. They have killed hundreds of persons at a time. They frequently rake the earth for periods less than 30 seconds, leaving in their wake sometimes millions of dollars in property damage. Truly, the tornado can be the most vicious natural calamity in a brief time that man faces. "The roaring, wrenching grind of their fury has been described as sounding like a squadron of airplanes or a dozen

freight trains approaching. "Their might is undeniable and their fury is unmistakable. They are sometimes called "a rope in the sky," "scorpion tail" or "elephant truck." They spin counterclockwise and their path is usually less than a dozen miles long. Generally they are less than a quarter mile wide."

## Time Change Began Today; Until October

Believe it or not, there are still just 24 hours in a day. . . even if you feel that you lost an hour sometime in the night Saturday and got up earlier. . . You did!!! Following the 'Spring Forward-Fall Back' motif, clocks were moved forward in the night Saturday to officially open six months of daylight savings time. Clocks will move back one hour on the last Sunday in October to catch up again.

Daylight savings time was enacted in 1965 in order to gain an extra hour of daylight. Most people, once they are adjusted to getting up an hour earlier, enjoy the extra hour each day. Garden, yard and sports buffs especially enjoy the extra hour of daylight as it allows them more time for their favorite sport or to work in the yard or garden. Dissidents say such events as the drive-in movies are delayed until too late, but, wake up sleepyhead, it's time to rise, even if it is one hour earlier than you are accustomed to.

## Drive Begins For Former Local Resident

A fund drive has begun, with Connie Conwell, 17, a former resident of Muleshoe, to be recipient.

The high school student has been found to have Bright's Disease, according to a friend Mrs. Walter Sain, Mrs. Sain said in a conversation with Connie's mother, Mrs. Gene Conwell, Mrs. Conwell commented that Connie must have a kidney transplant in order to save her life.

The Conwells, who formerly lived in the Muleshoe area, have lived in Canyon since moving from Muleshoe in 1965, and now live in Amarillo.

The transplant is scheduled to take place as soon as possible in the Parkland Hospital in Dallas, and Mrs. Conwell said the operation will cost from \$18,000 to \$50,000. Mrs. Conwell will be the kidney donor. She said the doctor could not admit her daughter to the hospital for the surgery without an \$18,000 down payment.

The Conwells have five other children and Conwell is employed by an Amarillo Milk company. Local contributions may be made to Radio Station KMUL or to the First National Bank in Canyon.

## What Will Happen In An Emergency?

Can Muleshoe and the Muleshoe area really afford to be without a hospital? If the present doctors left Muleshoe and additional doctors could not be secured to serve at the present hospital what would happen in the event of heart attacks, strokes, farm and auto accidents, school children accidents and home accidents? These emergencies, which sometimes call for immediate and skillful attention should be considered before the May 16 hospital district, hospital bond election, emphatically stated the board of trustees of the Bailey County Hospital District.

The board of trustees also added that the tax which would be levied for the new hospital would be nominal yearly. For instance, using a \$32,000,000 valuation, if the value of a property is \$4,000 and assessed at \$500, the yearly tax would only be \$5; for a property valued at \$8,000 and assessed at \$1,000, tax for a year would be \$10; on a \$12,000 valued home,

with an assessed valuation of \$1,500, the tax would be \$15.00; for \$16,000, and assessed at \$2,000 the tax would be \$20; on a \$20,000 home, assessed at \$2,500 the tax would only be \$25 and on a \$24,000 home, assessed at \$3,000 the tax would be \$30 per year.

In the farming area, a top 160 acre dry land farm would be \$16 per year and a top 160 acre irrigated farm which is well improved would carry a tax of \$48 a year and 160 acres of grassland pasture would have a tax of \$12 per year.

If Bailey County voters approve the hospital district and the bond election on Saturday May 16, proposed for the county is a 50 bed hospital which would be complete and ultramodern, capable of handling all emergency operations and activities.

Included would be a surgical suite, including four beds, with a two bed recovery room operating room, doctor's lounge, surgical nurse's office and anesthetist. A four bed intensive care ward would be included in the hospital complex, one that is needed for cardiac victims and other critical patients who require specialized attention. The present structure has no intensive care rooms, nor surgical recovery rooms.

Sixteen private rooms and fifteen semi-private rooms would be constructed and the emergency room updated and

## Stereo Album To Be Recorded By Church

According to an announcement by Mack M. Moore, associate pastor of the First Baptist Church, Muleshoe, the Tri-C's and the Brass Ensemble of the church will soon record a stereo album.

The proceeds from the albums will be used to finance a mission tour of the two groups during the summer in Wisconsin. Moore also said the First Baptist Church Players, their dramatic organization will be presenting performances during the tour.

At \$4 per album, all orders for the album must be placed in advance of the recording, he commented. This is to eliminate having surplus recordings. Orders are being accepted from this time to May 5 at the First Baptist Church, the First Baptist Church Chapel Choir, Tri-C or the Brass Ensemble.

## Bamert President Following Election

Coming under lengthy discussion at the Monday night meeting of the school board of the Muleshoe Independent School District were funds used by both the band and the athletic departments of Muleshoe High School and Muleshoe Junior High School. The report covered all band and athletic activities of grades six through 12.

The sixth grade has 55 band members, seventh, 64 and eighth, 42 for a total of 161 band students in Muleshoe Junior High School. A total of 83 students in Muleshoe High School participate in band according to the report for a total of 244 students in both schools.

Budgeted for the band activities was \$7,535 for the year 1969-70. This is a breakdown of an average of \$31 per student for the year and does not include Fine Arts Boosters contributions, band fees, or student fund raising projects.

A whopping total of 382 students from the seventh grade through 12 participate in the various athletic activities in Muleshoe Junior High and High School.

Some of the students double over in two or three individual sports, to make a total of 708 students actively participating in sports. In football, there are 194 students in the two schools; both boys and girls basketball lists a total of 284 students; tennis and golf, 10; track, 147 and the off season weight training program has 73 students.

Of the \$15,684 budgeted for all sports activities during the 1969-70 school year, \$9,157 of the funds were gate receipts from football and basketball.

Actually, this leaves only \$6,527 in budgeted tax money used by the athletic department, and the budgeted fund does not include contributions of the Athletic Booster Club. This breaks down to the 382 students being budgeted a total of slightly more than \$41 each or, the 708 being budgeted just over \$22 each.

Superintendent Dillman ex-

plained that although one boy may participate in as many as three separate sports, un-

## Girls Baseball Organizational Meeting Slated

All Muleshoe girls between the ages of nine and 13 years of age are being solicited for a new softball league which will begin soon in Muleshoe.

The girls' softball league will be patterned after boy's little league and will provide summer participation for girls who are interested. The program is slated to coincide with the boys program and the sponsors and coaches will abide by the National Girls' Softball Regulations, according to Mrs. Charles Green. Practices will be held each weekday at 5:30 p.m. at fields to be designated at a later date.

For interested individuals and parents, sign-up will be from 10 a.m. to 12 noon on Thursday, April 30 at the Girl Scout Little House on West Second Street. At 4 p.m., interested girls may go by the Girl Scout Little House to discuss the program.

Sponsoring the league will be a group of interested mothers and sponsors including, Mrs.

forms, equipment, traveling expenses and other items must have the athletic department consider the participating students separately, as different uniforms and equipment are utilized for each sport.

He commented that no accurate comparison can be made between the two activities, band and sports, because of so many more students being involved in sports.

School board members canvassed the election return from the school board of trustee election on April 4 and declared officially that Joe Embry and Dr. Charles Lewis were re-elected. They signed the oath of office for their new terms.

Elected president for the coming year was Carl Bamert; John Gunter, vice president; and secretary Eugene Black.

Two teacher retirements were announced: Mrs. Radie Burleson, first grade teacher at Mary DeShazo and Miss Grete Paul, math teacher at high school. Two resignations were accepted, Mrs. Janis Phillips, third grade teacher at Mary DeShazo, resigned to move with her family to Brownfield. They will move at the end of the school term and W. B. Slayden resigned on April 6 for health reasons. Mrs. Roald Johnson was hired to teach the rest of the school term replacing Slayden at junior high.

Mrs. Lula Vinson, third grade teacher, Richland Hills; Mrs. Lena Hawkins, fifth grade teacher, Richland Hills and Mrs. Addie Mae Spence, EMR teacher, Mary DeShazo were re-employed.

In their action Monday night, the school board heard the current financial report and approved payment of current bills; heard the current tax collection report where it was reported that 93.82 percent of current taxes have been collected; ap-

proved the transfer of \$2,000 from maintenance fund to the athletic fund and heard current enrollment.

It was reported that 36 more students are presently enrolled in Muleshoe schools than at the same time last year.

Also considered was participation of the Muleshoe Schools in the Region 17 Service Center, Media Services for the 1970-71 school year, and approved participation; and read and studied the comments in the April issue of Texas School Board Newsletter, concerning the proposed Constitutional Amendment S.J.R. No. 15, which will give legislature a free hand in exempting ranch, farm and forest lands from Ad-Valorem Taxation.

Maintenance reports were given and Aubrey Heathington was named to present diplomas at High School commencement on May 29 and approved the annual textbook requisition.

Textbooks in Muleshoe schools are valued at \$71,110.80, with 27,772 state textbooks being utilized in grades one-twelve in the schools.

Next school board meeting will be May 18.

## Hawaiian Setting Spotlights Banquet

Red crepe paper with gold stars glittering from the ceiling and extending to a circle in the center of the room and surrounding the throne greeted the fifth, sixth and seventh grade athletes from Bula School last Saturday.

"Hawaii" was the theme for the annual junior high school banquet when the eighth grade students entertained the fifth, sixth and seventh graders. As each guest arrived, they were draped with leis which they wore throughout the evening.

Hawaiian scenes highlighted the walls and tables were decorated with palm trees made from candles melted and shaped in the form of palm trees.

Edward Clawson acted as master of ceremonies for the evening. Superintendent Marion McDaniel gave the invocation, welcome was by Jerry Sowder, and Liesa Risinger gave the response, with Principal Willis Hedges pronouncing benediction.

Russell Dameron, Church of Christ minister from Morton, was introduced by Superintendent McDaniel as speaker for the evening. He used for his topic, "You Can Be Anything You Want To Be--If You Desire." He said, "Work toward the desire to be the best person you can; desire to help someone else; desire to find out the truth, the Bible being the guide everyone can depend on."

Banquet entertainment included brief and humorous stories using the letters in "Hawaii" and were given by members of the eighth grade class. Cathy Snitker gave "Hawaiian Koma Hair," A-Liesia Risinger "An Island Mahalo," W-Craig McDaniel, "Whispering Palms," A'-Gwyn Pollard,

all vaccine for school children, but pay only \$1.40 of the cost of vaccine for children who are pre-schoolers. This means some \$1,500 will have to be raised locally to complete payment of the vaccine which costs about \$3 a dose.

Almost \$600 of the needed amount has been raised by contributions by businesses, clubs and professional organizations. Donations have been received from Texas State Teachers Association, Bailey County Farm Bureau, Young Farmers, Young Homemakers, Muleshoe Art Association, Jaycees, DeShazo P-TA, Bailey County Commissioners Court, Muleshoe Study Club, Muleshoe Hobby Club, Jess Osborn, Women's Christian Fellowship, Muleshoe Friendship Club, Richland Hills P-TA and Oddfellows Lodge.

Boxes for contributions will be placed at each clinic. Those persons coordinating the clinics remind that all preschool children should have the vaccine which will be administered at no charge.

### Tornado...

Cont'd from Page 1

he concluded. Mindful of the ever present danger from potential tornadoes, Bailey County officials, including the fire department and law enforcement agencies, aided by private citizens and businesses with two-way radio equipment, scan the skies for hours at a time during severe weather.

Generally, a tornado or severe weather watch is issued by the United States Weather Bureau to alert communities to the possibility of a tornado. A tornado warning is issued after a tornado has been sighted in the area or detected on radar.

Chief Civil Defense Officer in Bailey County, Fire Chief Earl Ladd commented, "Turn on your radio and television when there is threatening weather. Frequent weather bulletins are issued, and the local radio station KMUL, remains on the air when there is the possibility of severe weather in the area."

"Do NOT call your local police department, radio station, civil defense, fire department or the weather bureau unless a tornado is sighted. People at these agencies have all they can do at the time handling radios and emergencies," he continued.

"In most cases, you will be advised by your radio or television station when there is any immediate danger in your own area."

There are a few simple rules for safety if and when a tornado does strike in your area. Listed below are safety rules to follow:

If you are in open country: Move at right angles to the tornadoes path. Tornadoes usually move ahead at about 25 to 40 miles per hour. If there is no time to escape, lie flat in the nearest depression such as a ditch or ravine.

If in a city or town: Seek inside shelter, preferably in a strongly reinforced building. Stay away from windows. In homes: The corner of the basement toward the tornado usually offers greatest safety, particularly in frame houses.

People in houses without basements can sometimes be protected by taking cover under heavy furniture against walls. Doors and windows on the sides of the houses away from the tornado may be opened to help reduce damage to the building. Standing against the inside wall on a lower floor of an office building offers some protection.

Keep calm. It will not help to get excited. People have been killed by running out into streets and by turning back into the path of a tornado. Even

though a warning is issued, chances of a tornado striking one's home or location are very slight. Tornadoes cover such a small zone, as a rule, that relatively only a few places in a warned area are directly affected. You should know about tornadoes though, "just in case."

## WTPA Scholarship Due By Newspapers

BALLINGER -- West Texas Press Association is looking for another winner in its \$800 newspaper scholarship contest. Applications in the 1970 contest will be received from high school seniors until May 8, Richard H. Perry, chairman of the scholarship committee, has announced.

Applications should be sent to Richard H. Perry, The Ballinger Ledger, Box 111, Ballinger, Texas 76821. Announcement of the winner will be made by May 20.

West Texas Press Association, which started the newspaper scholarship in 1956, has four students in college this year. One will graduate this spring.

Rules for the scholarship contest have been mailed to high school principals and to newspaper editors or publishers of the West Texas Press Association area towns, who will be glad to help with the necessary application details.

Interested students should talk with their principal or editor and start immediately to prepare the application.

All applicants must be in the upper 25 per cent of their class, must have demonstrated ability in newspaper journalism and a desire for newspaper career.

The winner will receive \$200 per year (\$100 per semester) for each of the four years of college, providing satisfactory academic requirements are met.

Eleven West Texas colleges and universities have been designated for scholarship winners by WTPA. These are Abilene Christian College, Angelo State College, Hardin-Simmons University, Howard Payne College,

Midwestern University, Sul Ross College, Texas Tech University of Texas at El Paso, Texas Christian University, Wayland College and West Texas State University.

changed to more effectively work on emergency patients. All other mechanical departments of the hospital would be slightly enlarged and changed for more effective utilization of available space.

One hospital official noted that due to the heavy loads on large city facilities, the local physicians have been warned that referrals will be limited in the near future, so that poses a question they say . . . . Where will Muleshoe and Bailey County's extremely ill persons go? What will happen to emergency cases that are referred to the large city hospitals for surgery and treatment?

If the \$950,000 bond election is approved by local voters, application will be made to Hill-Burton, a government agency, for matching funds of \$900,000 which would be a grant, and not have to be repaid. As Hill-Burton applications can only be made one time a year, during the month of May, time is of the essence according to the present board of trustees of the Bailey County Hospital District. If application should not be received from Muleshoe prior to May 31, the area would have to wait for another year to apply.

Hill-Burton funds may be used only for the construction and equipment of a new facility, not one penny may be granted for use of an existing hospital. If voters approve the bond issue and hospital district, once the new hospital would be built, the present facility would be closed as a hospital. The structure would revert to a nursing home, expanding present facilities of the Muleshoe Nursing Home.

The hospital district officials add, "More important than other things, we cannot operate our own businesses, schools, and industry, without hospital facilities--adequate hospital facilities.

The door prizes were drawn. Leon Kessler dismissed the meeting with prayer, and the stock holders received their dividend checks.

Mrs. W.R. Adams was able to return to her home Saturday from the Methodist hospital, and is doing fine.

Mr. and Mrs. W.B. Peterson was in Plainview, Sunday to visit their daughter, Mrs. Harold Abney.

The Associational Library workers meeting was held at the Enochs Baptist Church at 2:00 p.m., Tuesday.

Mr. and Mrs. Vergil Thomas and children were dinner guests in the home of his parents, Mr. and Mrs. T.A. Thomas Sunday. Vergil flew home from Ponca City, Okla. to visit his folks, and his father-in-law, T. T. Smith who had surgery recently at the Methodist Hospital.

Mr. and Mrs. Harold Dean Nichols of Anton, visited his mother, Mrs. L. E. Nichols Sunday night.

SINGLETON FUNERAL HOME 24 Hour Ambulance Service Ph. 272-4574 Muleshoe

Look what we're asking our Bailey County Doctors to do WITHOUT in the County's only hospital. NO INTENSIVE CARE UNIT NO SURGERY RECOVERY ROOM. NO HEART ATTACK CARE UNIT OR CARDIOGRAPHIC TELEPHONE CONSULTING SERVICE WHEN LIFE HANGS IN THE BALANCE AND MINUTES COUNT. NO ADEQUATE LABORATORY. NOT NEARLY ENOUGH X-RAY AND DIAGNOSTIC FACILITIES. NOT ENOUGH SKILLED PEOPLE TO ASSIST THE DOCTORS (WE DESPERATELY NEED A RELIEF ANESTHETIST AND A GENERAL SURGEON). NO OTHER HOPE FOR IMPROVEMENT IN THE SITUATION WITHOUT VOTER APPROVAL OF THE MAY 16 HOSPITAL DISTRICT AND BOND ELECTION. TO SAVE YOUR LIFE THERE'S NOTHING BETTER YOU CAN DO FOR BAILEY COUNTY THAN VOTE FOR ON BOTH HOSPITAL DISTRICT PROPOSITIONS. Pd. Pol. Adv.

LET'S TAKE A TOUR--And the tour brought 10 students from Muleshoe Junior High School, their teacher, Mrs. John Skogland and Mrs. Harold Allison, to the Journal offices Thursday afternoon. The students enjoyed an afternoon learning the newspaper process from the front desks to the back shop. Here Mrs. Jerrell Otwell shows the youths the operation of one of the machines.

By Raymond Schroeder  
Lewis Morris qualified as runner-up medalist in the South Zone of District 1-AAA with a total score of 233. Leading the South Zone was Marsh Pitman of Hereford with a 231. In the three district meets held, Lewis shot a 78 on the local course, a 77 at the Hereford meet, and a 78 at the Tulla meet. This qualified Lewis to play in the District Playoff at the Farwell Country Club for district medalist.

The district playoff was held at Farwell on April 17, 1970. On a cool, windy, and rain-soaked afternoon Lewis shot an 82 to qualify him as runner-up medalist in District 1-AAA. Marsh Pitman of Hereford won district medalist with a score of 80.

Lewis will now compete in the regional AAA meet which will be held at Andrews, Texas on April 23 and 24. This will be a 36 hole meet with only the leading medalist advancing to the State meet. Congratulations to Lewis and the Best of Luck at Regional.

By Coach Morgan  
Don Heathington was the big gun for the Muleshoe High track team with a third and fourth place finish in the discus and shot events at the 1-AAA District track meet. Don has been one of our more enthusiastic workers this year and it paid off for the big sophomore last Saturday. Don put the shot 42 feet four inches and threw the discus 130 feet 10 1/2 inches for a high place finish in each of his respective events.

High winds kept many of the times from being faster at Canyon where the meet was held.

DISTRICT 1-AAA  
Discus--1. Tony Gorman, Hereford, 147-9 1/2; 2. Ricky Foutch, Tulla, 132-6 1/2; 3. Don Heathington, Muleshoe, 130-10 1/2.

Team Totals--Dumas 145, Perryton 105, Hereford 84, Canyon 76, Tulla 60, Muleshoe 12.

**Dear Editor**  
Dear Editor:  
Have you heard?  
Lee Pool and Wilbur LeVeque were in De Kalb last week to check on Wilbur's farm. Lee found a beautiful pond and soon had a good bass ready for the pan. When we met them at Lake of Pines for a fishing and camping weekend, we heard how delicious it was. All were anxious to get out on the lake for more. High winds and radio news of the tornado in your area soon brought the fishermen in, but not without another good catch. A search for the cornmeal (that Jewel must have packed) soon revealed why the first catch was so tasty -- they had been rolled in powdered milk!

BY APPOINTMENT  
The big business man had died and gone to--well, not to heaven. But hardly had he settled down for a nice long smoke when a hearty hand slapped him on the back, and into his ear a big voice of a persistent salesman who had pestered him on earth.  
"Well, Mr. Smith," chortled the salesman. "I'm here for the appointment."  
"What appointment?"  
"Why, don't you remember?" the salesman went on. "Every time I entered your office on earth you told me you'd see me here!"

*Spanish Dishes Treat Circle*

Fried beans, Spanish Rice, chicken en mole, guacamole salad and tortillas brought the Progress Circle of W.S.C.S. together with the members of the Spanish Mission, Monday afternoon, April 20. Concerned with religious study and church matters, the preparation of food for the body, Spanish style, engaged their attention, as well. After a short business meeting, a devotional on "Give Thanks unto the Lord", was given by Mrs. Albert Davis. She said, "The trend is to ask and we so often forget to say, 'Thank You', and it can be said in so many ways." Mrs. Byron Gwyn read an article by Vincent Peal.

The circle and guests went to the Mission kitchen and a session on how to prepare some Spanish dishes was underway. After the Mission members had demonstrated their methods of cooking the food, it served as refreshments for the group. Mrs. C. L. Taylor was a guest, and these regular members attended: Mrs. Byron Gwyn, Mrs. James Wedel, Mrs. Albert Davis, Mrs. David Pedrosa, Mrs. Steve Lara, Mrs. Tony Gonzales, Mrs. Aurilio Gallegos, and Mrs. Luis Guzman.

**Golfers  
Tee Off**

The City Golf Tournament staged by the Womens Country Club Association started off swimmingly. One flight of match players had trouble deciding whether they were fish or fowl, Wednesday afternoon. Five balls driven into the water hazard facing hole one sent the embarrassed golfer splashing into the pool in hot pursuit. With a 10 stroke penalty before she even got off the tee box, this determined player felt something had to be salvaged from the disaster.

Squishing along with her opponent, she left a watery trail. Air-minded opponent proved to be a tree lover. With balls bounding back from direct tree hits, the match took on the aspect of baseball batting practice, and both became adept at dodging.

Philosophically, accepting their bents, one took to the waterways, the other to the trees, and this generated ruel rapport.

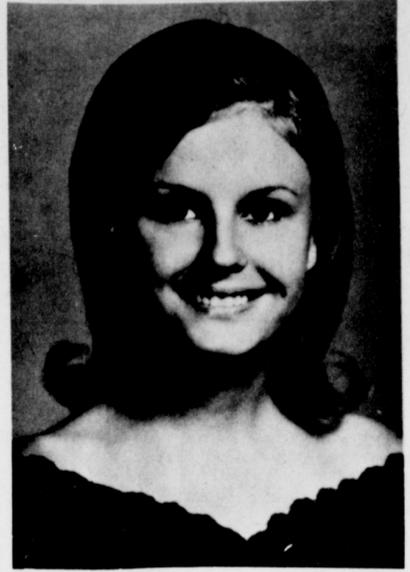

The history of golf scores is not notable for truth. Belief in the "Big Lie" technique was seriously flawed, after that flight returned to the clubhouse via pond and elm. The swimmer had reported an "average" of about 200 strokes, for 18 holes. She noted doubt on the registrar's face. On final addition of all the whacks aimed at the balls, his expression was something else, when he stared at the fat 150, neatly totted down. Birdwoman did much better, and flew off to contend again, in dryer condition.

Sixteen women competing in the championship flight are: Ed Evans, Mrs. Woodie Lambert, Mrs. Clyde Holt, Mrs. Carl Bamert, Mrs. M.D. Gunstream, Mrs. Mary Sweatmon, Mrs. Glenn Watkins and Mrs. Bill Jim St. Clair.

First Flight competition includes Mrs. Red Johnson, Mrs. Jane Morgan, Mrs. Howard Elliott, Mrs. George Chapman, Mrs. Leon Wilson, Mrs. Clay Fagan, Mrs. Tommy Haley and Mrs. Jerry Mobley.

**McLelland Birth

*Mrs. Edmiston Crowned  
TOPS Weekly Queen*

By: Mrs. Edd Edmiston

Jenny Tops, met Thursday, 7:30 p.m., in the community room of the Bailey County Electric Cooperative building. Leader Mabel Wolfe presided. Members recited the pledge, and Mrs. Raleigh Mason led the club song. Mrs. Selma Redwine called the roll with 28 members weighing in.

Candy Gable introduced her guest, Miss Sherrel Burton. Mrs. Bob Solomon has returned as a club member after the birth of a son, Robert Michael Solomon.

Side one has 187 points; side two has 181 points, and side three has 196 points in the new weight losing contest. Mrs. Claude Don Holmes received a bracelet for reaching her goal. The officers are Leader, Mrs. Mabel Wolfe; Co-Leader, Mrs. Jerrel Otwell; Treasurer, Mrs. Victor Foss; Secretary, Mrs. Walter Sain; Weight Recorder, Mrs. Selma Redwine and Assistant Weight Recorder, Mrs. D. Clements, each, received a charm.

Mrs. Tom Berry gave a pep talk using the alphabet for helping loose weight. She also read a poem "Mostly Mother". Mrs. Bob Solomon and Mrs. Edd Edmiston had birthdays this week. Each received a birthday gift, and put a penny for each year in the Con-vention jar.

Queen for the week was Mrs. Edd Edmiston; first runner-up was Mrs. Claude Don Holmes, and second runner-up was Mrs. D. Clements. Mrs. Tom Berry had charge of the program. She presented a pantomime skit, "Growing up of Boy and Girl". The boy was played by Mrs. Jeff Peeler, and the girl was played by Mrs. H. G. DeLoach. First scene was boy discovering girl. The girl was playing jacks, the boy with knife and pocket of frogs. Second scene was day in country; they were teenagers on a picnic. The third scene was a few years later. They Married. The fourth scene depicted a very happy, joyful time with the new baby. The fifth scene: the baby had grown up, and there was Grandma, in her long dress and pretty bonnet with Grandpa, in his best, Sunday suit and derby hat, trying to amuse their sweet grandchild.

The meeting was closed by members singing the goodnight song. Tops is open to new members, and meets in the community room at Bailey County Electric Cooperative on Thursdays at 7:30 p.m. Mrs. D. Clements and Mrs. Edd Edmiston are on the membership committee. Tops now has three teen-agers.

## Sunday Tea For Mr. and Mrs. A.W. Copley

Mr. and Mrs. A. W. Copley were guests at a tea given for them, today, Sunday, April 26, during the afternoon hours between 3 and 4:30, in the parlor of the First United Methodist Church. They are moving to San Antonio.

The Copleys came to Muleshoe on June 24, 1932, from Roosevelt, Oklahoma. Copley was manager of Burrow and Company Gin until 1958, when he bought land and began farming. They joined the Methodist Church on July 10, 1932.

As part of their family, Mr. and Mrs. Copley reared her younger brother, Graham Chandler, now of Clarksville, Va., and her sister, Malda, who married Roy Elrod. Elrod grew up in Muleshoe.

Mr. and Mrs. Elrod live in Triangle, Va., where he is a general contractor. Mr. Elrod served in the U.S. Air Force throughout World War II.

Three children were born and reared in Muleshoe, Doris Jean, and twins, Don and LaVon Copley. Recently widowed, Mrs.

Doris Jean Priest lives in San Antonio. Mr. and Mrs. Don W. Copley reside in Minneapolis, Minn., with their two children, Daniel and DeeAnn. They arrived in Muleshoe last Saturday, by plane, to visit their parents. Copley has been with the Northwest Air Lines for two years, having served previously, seven years in the U.S. Air Force. LaVon married Robert Calkins, and their home is Triangle, Va. The Calkins have two children Suzanne and Dan.

Mrs. Doris Jean Priest attended John Brown College, Siloam Springs, Arkansas, and later graduated as a LVN in Lubbock. Mrs. Calkins graduated with a degree in music from North Texas University at Denton. Don Copley is a graduate of Texas A & M, College Station.

The A. W. Copleys have been very active in church and civic affairs. Copley served as Superintendent of Sunday School for many years, sang in the choir since 1932, was on the school board, among the many other endeavors. He is a Mason, and with Mrs. Copley, was active in P-TA.

Mrs. Copley taught seventh, and eighth grade English courses and later, the third grade in the public school system. For a number of years after, she served as a substitute teacher. She was a member of the first Home Demonstration Club in Bailey County, as well as the Muleshoe Study Club. An Eastern Star, she is a Past Worthy Matron.

A signal honor was conferred upon her in 1968. A plaque, "for being the most courteous saleslady in Muleshoe" was presented to her by the Chamber

of Commerce. She worked as cashier and saleslady, for 11 years at Damron Drug.

Mr. and Mrs. Copley have bought a home, and in the near future will reside at 5442 Lakewood, San Antonio, Texas, 78220.

Mrs. Sam McKinstry said, "This Farewell Tea is the community's way of saying - we will miss the Copleys." Although they have sold their holdings, here, Mrs. Copley said, "I am not burning any bridges. Muleshoe will always be home."

LONDON BASED.....Miss Imogene Sloan is visiting her mother, Mrs. Nell Sloan, and sister, Mrs. Clarence Copeland, in the Copeland home at 1810 West Avenue D. A foreign service careerwoman with the U.S. State Department, she arrived in Muleshoe in time to witness the landing of Apollo 13, just before this picture was taken. On mandatory two months' leave, required of all in foreign service, Miss Sloan will spend her vacation visiting her family, here, and friends in the Plainview area.

## Aloha Held at Landers

Mr. and Mrs. Boyd Landers home was the gathering place for a neighborhood farewell party, Thursday evening, for the Copley family.

An informal affair, Mr. and Mrs. Boyd Landers, Mr. and Mrs. Willis Wood, Mr. and Mrs. A. D. Stancell, Mr. and Mrs. Dale Dudley, Mrs. Teddy Eason, Mr. and Mrs. H. G. DeLoach and Mrs. Joe Shipman were the hosts.

Mr. and Mrs. DeLoach, Mr. and Mrs. Dale Dudley, Mrs. Teddy Eason, Mr. and Mrs. Leroy Cole, and Mrs. A. P. Lance were unable to attend, but participated in a remembrance gift of a candle and candle holder to the Copleys, along with a bouquet of Chenille flowers.

Refreshments served were punch and cookies. Attending were: Mr. and Mrs. Copley, Mrs. Doris Jean Priest, Mr.

and Mrs. J. T. Shofner, and Mrs. H. M. Shofner, Mrs. Joe Shipman, Mr. and Mrs. A. D. Stancell, Mr. and Mrs. Willis Wood, Mrs. Myrtle Anders, and Mr. and Mrs. Boyd Landers.

THE PROGRAM WAS CONSUMED.....after Spanish Mission members taught Progress Circle of WSCS how to prepare the dishes, during a joint meeting. Hostesses and guests are: Mrs. David Pedrosa, Mrs. Tony Gonzales, Mrs. Aurilio Gallegos, Mrs. Steve Lara, Mrs. C. L. Taylor, Bailey County Home Demonstration Agent, Mrs. Byron Gwyn, Mrs. James Wedel, and Mrs. Luis Guzman, Mrs. Albert Davis of Progress Circle is not pictured.

Mr. and Mrs. Arthur Askew

## Askews Reflect on Years Together

Mr. and Mrs. Arthur Askew celebrated their 50th Wedding Anniversary, Sunday, April 19, at the Muleshoe State Bank reception room.

The reception was given by their daughters Viva Lewis of Medford, Oregon, and Mrs. Howard (Irene) Splawn of Muleshoe.

The table was set with a center piece of large gold roses in a gold stand. A three tiered white cake, decorated with doves, roses and columns of gold, topped with the gold numeral, '50'. Golden punch was served from a punch bowl of cut glass. Imprinted gold napkins with 'Mamie and Arthur Askew, 1920-1970' were used. The setting was on a beautiful lace table cloth of dark ecru.

Their grandson's wife, Mrs. Kenneth (Sandra) Splawn, registered guests, Mrs. Askew's nieces, Mrs. Jim (Willie) Majors and Mrs. Ronnie (Kay) Eudy, presided at the serving table.

Of much interest were pictures Viva and Irene had arranged in two 22 by 28 picture frames, of the family, dating back to the early days in Turkey, Tex. With latest pictures of Mr. and Mrs. Askew, their grandchildren and great grandchildren in their own frames, sitting on the table.

"Gifts were brought and arranged on tables as Mr. and Mrs. Askew opened them. Many lovely gifts were received, all in colors of gold, of course," said Mrs. Splawn.

Those attending were Mr. and Mrs. Kenneth Splawn, grandson from Ralls, Texas. Mr. and Mrs. W. B. Mullin, Mr. and Mrs. Burl Pierce, Willie Grace Majors, Leo Bert Mullins, Mr. and Mrs. Ronnie Eudy, all Mrs. Askew's relatives from Turkey, Texas, and a brother, Noah Askew, from Huntsville, Arkansas.

Ether Magby and Ethel Askew, sister and sister-in-law were in attendance from Muleshoe.

Other out of town guests were; Raldo and Pauline Meacham, Lubbock, Don and Mary Schuman, Michale and Victor from Spearman, Eunice Crume, Texaco, New Mexico, Mr. and Mrs. G. Trigg, Friona, Mr. and Mrs. A. P. Latham, Earth.

Local friends in attendance from Muleshoe were; Melva and Cecil Davis, Red and Ardath Glasscock, Hazel and Francis Gilbreath, Clinton and Juanita Busby, Mrs. Eugene Black and Marilyn, Nelda Merriott, Mr. and Mrs. Davis Guilely, W. O. Williams, Effie Splawn, Mr. and Mrs. Elmer Cornelson, Mr. and Mrs. L. D. Cannon, Mr. and Mrs. Joe Harbin, Mr. and Mrs. Verne Taylor, Allan Harris, Mrs. Horton Griffin, Mr. and Mrs. W. B. Pointer, Callie McCool, Mrs. Ray Edwards, and Modine Elmore.

Their only granddaughter, Mrs. Bill (Pam) Calvert and son, Scott from Birmingham, Alabama, came April 3, but were unable to stay for the anniversary reception. Their

## Whitesides Sets Meet In Farwell

Mrs. Emily Whitesides, associate director of the Texas Fine Arts Commission, will be at a meeting Monday, May 4, at 7:30 p.m., to discuss and help organize a representative council, consisting of two members from each community within a 50 mile radius of Muleshoe, Farwell, Earth, Friona and Bovina. The Farwell meeting is another initial step towards federal, state and local cooperation to enhance the cultural life in this area. It is open to all who are interested in attending.

# Your son could end up playing at the All-Star Game this year!

And Phillips 66 will take you and his mother there to watch him

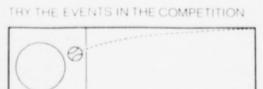

This year, Phillips 66 will send eight boys and their parents to the All-Star Game as finalists in the first annual nationwide Major League Baseball Pitch Hit & Throw Competition sponsored by Phillips 66. All you have to do is take him to the nearest participating Phillips 66 station to register, between now and May 16. No purchase required.

He'll have a great time testing his baseball skills as he progresses through local, district and divisional competitions. The competition is open to boys age nine through twelve, and he'll compete only against boys his own age.

In addition to going to the All-Star Game, the finalists and their parents will be Phillips 66 guests at the Baseball Hall of Fame in Cooperstown, N.Y. So don't wait. Sign him up now and get a little father and son practice in beforehand.

TRY THE EVENTS IN THE COMPETITION

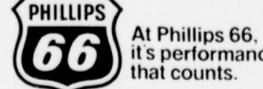

PITCH: From 46 feet, throw baseballs into a 20-inch circle.

HIT: Fungo batting. THROW: For distance along a line, with distance to right or left subtracted.

YOU AND PHILLIPS 66 MAY CREATE A CHAMPION

At Phillips 66, it's performance that counts.

## Politics in High School Highlight Activities

### Political Capability Shown By Youth

#### POLITICS IN M.H.S.

As election day draws nigh, the budding young politicians in Muleshoe High have begun campaign platforms, soft-soap tactics, and the other sights and sounds of a free-election.

As Monday mornign arrives, the halls will be gally strewed with campaign posters, bubble gum wrappers and various trappings which plead for support and the all-important vote.

Most candidates have concentrated their philosophies on better communication between the student body and the adults of the administration and the community. In keeping with this idea, the editors, in order to promote better understanding offered a publication of campaign platforms.

#### VICE PRESIDENT

By Bryan Brady II  
My name is Bryan Brady II and I am a candidate for the office of Vice-President of the 1970-71 Student Council.

I don't want to seem like the new polittion doll that you wind up and it talks but doesn't say anything, but I would like to take this opportunity to tell a little about myself. I am a sophomore this year with a grade average of 92. I am currently serving the Class of '72 as a representative to the Student Council. My extracurricular activities include Speech II, Basketball, and Golf. The office of Vice-President is one of utmost importance, second only to the Presidency. This office entails many responsibilities, which I would like to review, the holder of this office must:

Lend support to President at all times,  
Have full knowledge of parliamenta procedures so that he will be capable of filling in for the President in case of vacancy  
Work efficiently with or on special committees  
Understand aims and objectives of S.C.

Serve as contact between student body and S.C. governing bodies.

As Vice-President I would support the following programs:  
1. Replacing some Southern Assemblies with movies, such as "El Cid" provided by DECA last year.

2. Utilizing orientation period as a study period rather than a "brainwash" period as it is sometimes called.

3. Arranging meetings between school officials and students to discuss complaints.

We would like to thank the editors of the Mules Tale for allowing the candidates to say a few words.

I would like to close with a slogan that could be molded to fit this contest:

"Pity the man who believes in communism-he believes in something that does not believe in him."

Your vote would be deeply appreciated.

#### VICE PRESIDENT

By Gary Lackey  
I am running for Vice President of the Muleshoe High School Student Council. If elected I will support my president, and do my best to fill in for him in time of his absence. When voting on questions I will consider all the student body, instead of any certain group, in my decisions. I will do my best to work for a better M.H.S.

#### VICE PRESIDENTIAL CANDIDATE

By Martha Jane Chapman  
As an officer in the high school's student council this year, I don't even feel it's necessary to point out how we've woefully lacked certain qualities which a successful student council must have. This point has been made and has probably been accentuated during the past few weeks. After a "spirit contest" that fell through, it seems the student council has been in a state of inactivity for the rest of the year. This brings us to this year's elections, and the question must be asked - Will it happen again? As responsible members of this student body, you must admit that your answer will be - No, it musn't happen again. The fact that a student council has been ineffective in the past does not mean that it will be so in the future, and it is the responsibility of the student body to elect who they feel to be most qualified for their student council. I am running for the position of Vice-President this year because I feel it is an important office; one which should not be considered lightly.

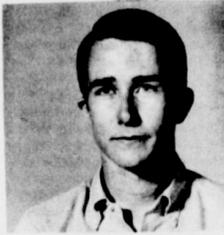

As Vice-President of your student council, I will do my best to carry out the duties assigned to me in the constitution - being to assist the President in his duties and to preside in his absence. But I also plan to take on another duty; being to motivate the President to a year of activity.

The Student Council should indeed be the heart of a high school. Let's get it beating again by electing responsible officers. If you feel I'm qualified and capable of being a responsible Vice-President, I'd appreciate your vote.

#### HISTORIAN

By Monica Griffiths  
I'm running for historian on the M. H. S. Student Council. I would like this office, because I enjoy working on things, such as the M. H. S. Student Council scrapbook. I would also like to hold an office on the Student Council, because I'm interested in trying to help to make M. H. S. a better school. If elected for this office I will try my best to prepare and keep a good record of all the student council activities. I'd appreciate your vote.

JERRY PUTMAN

#### PRESIDENT

By Jerry Putman  
Just recently, I have attended the State Student Council Convention in Austin. While in Austin, I learned many ideas about the student council. I am seeking election of President of the Student Council to put some of these ideas into action for our student body. Some topics discussed at the workshops were purpose of the Student Council, year-around activities, how to unite the student body with the faculty, and representation of the entire student body. If elected, I plan to try to put the ideas I received in Austin into action in Muleshoe High.

There has been much criticism of the past Student Council's and Student Council Presidents. Instead of criticizing the past, I would like to work to improve future Student Councils. It is with this idea in mind that I seek election.

#### REPORTER

By Shirley Lang  
My name is Shirley Lang and I am running for Studen Council Reporter. Although I've never held an office before, I think I am qualified for the office of reporter. I have been an active member of FHA for the past three years and of the Spirit Club the past year. I plan to take journalism next year to improve my writing ability. If I am elected, I will do my best to keep all student council activities in the Mule's Tale and I will do my best to uphold the duties of a Reporter.

I wish to be on the Student Council because I think it would help me to get along with the student body and it will also help bring about leadership. If I am elected as Student Council Reporter, I feel it would help me in my writing career also.

#### REPORTER

By Becky Sain  
I submitted my name as a candidate for reporter on the Student Council with the intentions of helping improve our school.

The reporter is to report all the activities of the student council to the student body as well as the public. In order to keep the student body informed, I think an article should be published each week. The reporter should work hand in hand with the secretary to give an account of the council meetings.

This year I have been reporter for the band. I have enjoyed the office and would like to use my experience gained here to help the student council. I would like to share my ideas with the other officers of the council. I am interested in being reporter and would like to urge the voters that their support is highly appreciable.

#### REPORTER

By Debbie Hancock  
I believe that the students of Muleshoe High School should be kept well informed in the matters of the Student Council. This is my sole purpose in running for the office of Reporter on the Student Council. Muleshoe High should be proudly represented, and a student body who keeps up with things going on in their school can better represent such a fine, outstanding high school. My wish is for more participation of the students in the affairs concerning them; moreover, I feel that this could be accomplished through a well-rounded news media.

CATHY MARDIS

#### PRESIDENT

A NEW LOOK FOR '70!  
By Cathy Mardis  
Muleshoe High School, think of it, it's got a ring to it doesn't it! You know why--- because it's YOUR school. What it is-is what YOU make it. Muleshoe High School is only as good as YOU want it to be. You can either sit back and be a do-nothing or you can stand up and be a part of this great school. THIS is why I am running for the place of President of YOUR Student Council. I want to make this school something it hasn't been for far too many years. I feel that the time has come for those students of good ole MHS to stand up and take a part in their school. The do-nothings have had their say in this school, now it is time for US to DOSOMETHING!

A girl has never served in the presidents' spot in the entire history of MHS. I have never served on the Student Council, therefore I have NEVER been a part of the same old problems of our school. I have merely been a student, like you, who has viewed these problems from a students view. I know how YOU feel because this is how I feel!

Let ME, a student of MHS, represent YOU, the students of this great school!

#### REPORTER

By Jessie Villarreal  
I believe that if a student council has a means of reporting what it does, to the student body, it will be able to have better cooperation from the student body. The student council has many responsibilities. If what is done by the student is reported to the student, they (the students) can be able to have their say about what is going on.

The students, I'm sure, would like to have the activities of the student council reported to them. I'm also sure the public would also be interested. The student council would be a very good student council by having its activities reported.

#### REPORTER

By C. L. Myers  
Too many times, students run for office for no other purpose than the popularity they may receive from the office. Serving an entire high school in any capacity demands plain ole' common horse sense plus determination to do a job and do a job right. I believe it is time for many "silent majority" students to take active roles in student government in relation to other school functions. As reporter on the Muleshoe High School student council, I will try to improve both with my specific job duties and with every fiber of understanding I can possibly undergo to represent Muleshoe High School student body with decisions that I believe to be representative of the entire body. I honestly believe that service in any organization requires dedication and love toward fellow men; I intend to do my job honestly, openly, with a mind not cluttered with desires of minorities, but with ideas representative of the entire student body of Muleshoe High School. I will appreciate your vote next Friday!

JOE DUKE

#### PRESIDENT

PLATFORM  
By Joe Duke

For office of President  
1. A study on the dress policy  
2. The Student Council must really represent the students.  
3. A bulletin, published monthly on the activities of the Student Council.

4. Two representatives and the president or vice-president at every school board meeting.  
5. On major resolutions, the entire student body must pass the said resolution by a two-thirds majority vote.

6. The student council must be willing to represent the students and be willing to work.

7. Something needs to be done about the condition of the boys restroom.

If the Student Council is as apathetic this year as it was last year, it should be abolished in M.H.S.

#### PARLIAMENTARIAN

By Charlie Vela  
Every year thousands of teenagers are chosen for student council offices. This year I hope to be just one out of these many teenagers to be elected for a student council office.

Serving as a student council officer would require me to associate in extra school activities. I want to become more involved in extra activities than I have been in the past. I think this and other reasons is my purpose for running for an office.

I realize that along with extra activities comes extra work from the individual. I am confident that I can serve the student body faithfully. Being elected to an office would mean more to me than just another candidate filling the office for another year. To me the office would be aprivilage and a great honor.

#### PARLIAMENTARIAN

By Vowery Throckmorton  
I am running for parliamentarian because I wish to have an active part in our school activities. I believe the ideals which I have will contribute to the efficiency of the school. I think I can represent our school at many occasions. Also I can help people to learn what a great school Muleshoe is and how Students feel about our school. We try to keep our school in a manner where people will look up to Muleshoe for its school and everyone in it.

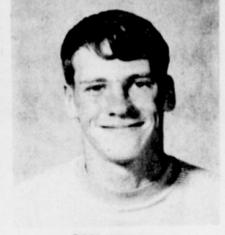

#### PARLIAMENTARIAN

By Mike Slayden  
I'm Mike Slayden and I'm running for Student Council Parliamentarian. I'm running for this office because I think the Student Council is one of the main organizations in High School and I would like to be a part of it. I think being on the Student Council is a privilege and not just anyone should be on it.

As Parliamentarian I would like to represent my class next year on Student Council.

#### ANNOUNCING:

The Choral Departments of Muleshoe Junior and Senior High Schools will be presented in a Spring Concert Monday evening April 27 at 8:00 p.m. in the High School Auditorium. There will be NO admission charge.

JON COLE

#### PRESIDENT

By Jon Cole

I believe there are two things wrong with Muleshoe High School, one is the lack of interest among the students as to what goes on in our high school and two a lack of communication between the students, the student council should set up sessions in which the students can come in and talk about problems in this school and student body. I believe the student council should have more representatives and one representative should be elected from each orientation class by the members of that class only. I believe two members of the council should be allowed to attend the school board meetings because the student body needs to be heard when the board makes school policy. This is a personal belief but I think the dress policy should be changed, Muleshoe High school is for the students to learn to be the leaders and policy makers of tomorrow.

Other than the main duties as an officer, it is every members' duty to fulfill the real purpose of Student Council, which is to better our school. I recently attended the Texas State Student Council Convention, and learned many ways as to how we could improve our school.

I enjoy working on the Student Council, and I would like the chance to serve on it next year as Chaplain, and to share my ideas with the student body. I'd appreciate your vote and your support.

#### CHAPLAIN

By Jennifer Davis

I want to ask each of you a question, "do you really know just how important the task of the Chaplain really is?" I can truthfully say that you probably do not, I didn't until I began trying for the job.

The Chaplain has the responsibility of the spiritual and moral rules and guidelines which are so very important today. If the Chaplain fails in her responsibility, then the SC, indeed the entire student body will find something lacking in their days work.

I think I have something to offer to the post of Chaplain. My background exemplifies this, but even more important, I won't fail YOU, I WILL always be on time, make ALL the meetings and never once will I fail to live up to the Practices which I will represent!

The time is NOW, for a better MHS! And I won't be a part of it!

Thank you.

#### CHAPLAIN

By Raymond Guzman

I will strive to perform the duties of chaplain to the best of my abilities. I will see that there is always a prayer leader at assemblies and morning watch. I think that I am the right man for the job and I would like very much for you to vote for me.

The Student Council is representative of the whole student body. I'm asking to represent that body not on the basis of popularity, but on the grounds of caring and desire to help in the best possible way.

By Betty Chandler

My name is Betty Chandler and I am running for Chaplain of the Student Council. As a junior in high school I am an active member in FHA, Spirit Club, and Junior Class activities. I attend the Primitive Baptist Church of Muleshoe and am an active member, attending singing schools (sponsored by my church) during the summer as well as church associations.

By running for Student Council I plan to live up to all my duties and do my part in helping to lead Muleshoe to be a better school.

Politician (absently)-- "Possibly, but you can't prove it."

FLASH!!! .....The clocks still look a little sick after the long illness that they have had. But, gee, isn't it great to have school time again.

#### CHAPLAIN

By Marilyn Pool

My name is Marilyn Pool, and I'm running for the office of Chaplain on the 1970-71 Student Council. I served as a Sophomore Representative on this year's Council, and I feel like I learned a lot about the work and responsibilities of the Council members.

The main duties of the Chaplain are to arrange for the Morning Watch to be given every morning, and to see that the Pledge of Allegiance and Prayer are given before each assembly. As it stands now, the Morning Watch is given from the Upper Room. If elected, in addition to using the Upper Room, I would like to see some of the devotionals come from the students themselves. I feel like this would add more sincerity and meaning to the Morning Watch.

Other than the main duties as an officer, it is every members' duty to fulfill the real purpose of Student Council, which is to better our school. I recently attended the Texas State Student Council Convention, and learned many ways as to how we could improve our school.

I enjoy working on the Student Council, and I would like the chance to serve on it next year as Chaplain, and to share my ideas with the student body. I'd appreciate your vote and your support.

#### SECRETARY

By Lee Ann Yerby

When I decided to run for Student Council Secretary, I had several ideas in mind. Some of these are as follows, the secretary should:

1. Strengthen the Executive Committee  
2. Promote co-operation within the Council  
3. Further relations and understanding between the Council and the students, and general public.

The secretary should do much more than keep minutes and handle finances. She should be willing to help any member of the Council in any way she could. She should lend support to the President, through the Executive Committee. This would strengthen the committee.

I believe that the secretary is a vital organ in promoting cooperation within the Council. For instance, the secretary could be a great help to the historian in compiling a scrapbook. In keeping with the policy that the Student Council should be representative of all the students, she could work with the reporter to keep the students and general public informed of the activities of the Council. In a similar way she could work with the secretaries of the individual classes, that they might know what, concerning their classes, is taking place within the Council.

I submit as my qualifications, extensive experience as secretary-treasurer of my church youth department, and secretarial work in the Band office at High School. I urge the voters to consider my platform, qualifications, and my determination to serve them.

#### SECRETARY

By Brenda Kimbrough

My name is Brenda Kimbrough and I'm running for the office of Student Council Secretary. My duties are to record minutes of each regular meeting and special meetings, and to read the previous minutes at the next meeting.

I have never served on the Student Council, but I have served as officer in various other clubs such as F.H.A, where I have been an officer for two years.

Besides my duties as a secretary, I believe a member should take part in other things. I have some ideas that I would like to share next year, such as getting a bus to travel to all out of town football and basketball games. A friend and I talked to some parents about this last year, but by then the season was almost over. Next year we might have a good chance.

I would appreciate your support and your vote.

## IN NEED OF Specialized HELP

The car's acting up... sometimes he can repair minor problems himself... but this time it looks like it may require the work of a specialist. To correct this problem he needs a mechanic, someone who has the knowledge and equipment for this particular work.

In spiritual matters, individual worship is necessary and vital to one's life, but God in his wisdom has said that we need to worship with others too. At church we can receive help from those who have dedicated their lives to special service for God.

The Church is God's appointed agency in this world for spreading the knowledge of His love for man and of His demand for man to respond to that love by loving his neighbor. Without this grounding in the love of God, no government or society or way of life will long persevere and the freedoms which we hold so dear will inevitably perish. Therefore, even from a selfish point of view, one should support the Church for the sake of the welfare of himself and his family. Beyond that, however, every person should uphold and participate in the Church because it tells the truth about man's life, death and destiny; the truth which alone will set him free to live as a child of God.

Captain Howard R. Allan

## Captain Allen Receives DFC For Vietnam

VALPARAISO, Fla.-- U. S. Air Force Captain Howard R. Allan, son of Mrs. Louise D. Allan, 1196 Ridge Road E., Rochester, N.Y., has been decorated with the Distinguished Flying Cross for action in Vietnam.

Captain Allan distinguished himself by extraordinary achievement as a C-123 Provider pilot from August 1968 to August 1969 while assigned at Da Nang Air Base. Despite the constant threat of attack by enemy ground fire, he completed special missions in support of free world forces combating aggression.

The captain was honored at Eglin AFB, Fla., where he now serves with the 319th Special Operations Squadron, a unit of the Tactical Air Command which provides combat units for air support of U.S. ground forces.

A 1957 graduate of Madison High School, he received his B.S. degree in education from the State University of New York at Geneseo in 1962 and is a member of Delta Kappa Tau.

Captain Allan was commissioned in 1967 upon completion of Officer Training School at Lackland AFB, Tex. His father, James D. Allan, resides at 6699 22nd Way S, St. Petersburg, Fla.

The captain's wife, Toni, is the daughter of Mr. and Mrs. Leon Smith, Rt. 1, High Acres, Friona, Texas.

## PIPELINE PEOPLE

## Sentinels along the pipelines

Buried underground near natural gas pipelines is sensitive electronic equipment. Its task: sidetrack metal-corroding currents found in soil and render them harmless to the pipelines.

Testing and maintaining this electronic "screen" is the job of an NGPL Corrosion Technician. He adeptly applies basic electronic principles to the operation of sophisticated equipment. The result is a silent, but vigilant, shield against costly corrosion.

Corrosion Technicians, with their personal knowledge and independent judgment, play a major role in safeguarding our natural gas transmission lines. They are pipeline people—vital links in a giant private industry serving the public interest.

# STATE CAPITAL Highlights AND Sidelights

by Vern Sanford  
TEXAS PRESS ASSOCIATION

AUSTIN, Tex.—Adequacy of planned public school education programs on the dangers of drug abuse drew a challenge last week from Lt. Gov. Ben Barnes as the war on narcotics increased in tempo.

Barnes told newsmen he feels the program can be "redeemed" and straightened out by the beginning of the next school year. He suggested that bona fide authorities on drugs and former addicts should be included among teacher-resource personnel.

Meanwhile, the Lieutenant Governor told a narcotics seminar for law officers and prosecutors that Texas is spending far too little money on drug law enforcement.

Gov. Preston Smith, in the opening address to the conference, said the primary obligation of law enforcement is to rid society of pushers who traffic in narcotics for profit. Smith also said education is the key weapon in fighting drug abuse by addicts and experimenters.

Barnes said the new school course on narcotics should be made as "personal" as possible. Both Smith and Barnes agreed that teaching must be done by those who know what they are talking about.

Lieutenant Governor believes that lowering of penalties for first-offense possession of marijuana to misdemeanors would end the reluctance of juries to convict. He reported heavy response to his suggestion, and said that correspondence is running four-to-one in favor of lighter sentences. Pushers, he emphasized, should get tougher punishment than at present.

Spending for enforcement, the Lieutenant Governor claims, could be increased "200, 300 to 400 per cent" without undue burden on taxpayers -- by "re-evaluation of priorities."

ATTORNEY GENERAL RULES State Board of Health may adopt reasonable rules and regulations relating to minimal equipment for ambulances, Atty. Gen. Crawford Martin has held.

In other recent opinions, Martin concluded that:

\*Members of Chambers-Liberty Counties Navigation District are authorized to receive \$25 a day or "reasonable per diem" for time spent on duty as fixed by county commissioners.

\*Board of trustees for a firemen's relief and retirement fund may not invest in mutual funds.

\*Changes in boundaries of county election precincts may be made only during July and August terms of county commissioners' court and the month of September, 1970. Changes do not become effective until the following voting year. Voters in the new Bailey County precincts must vote in precincts where they are residents.

APPOINTMENTS Governor Smith named Wayland Holt of Snyder, Judge of the 132nd judicial district to succeed Judge Sterling Williams who resigned. Holt had been serving as district attorney, and Governor named Tommie J. Mills, also from Snyder, to replace him in D.A.'s office.

Smith also filled these positions:

Runnels County Water Authority Board of Directors--E. E. King of Ballinger and Harley Hilliard of Norton for six-year terms.

Tri-County Municipal Water District--W. W. Siddons Jr. of Hillsboro.

Judicial Qualifications Commission--F. Howard Walsh of Fort Worth and Vernon Butler of Carthage.

Governor named group of Texas A & M University scientists to advise him and the legislature on safe use of agricultural chemicals. Members include Dr. P.L. Adkisson, Dr. William B. Davis, Dr. John Griffiths, Dr. Morris Merkle, Dr. F.W. Plapp Jr., Dr. Jack Price, Dr. Sammy Ray, Dr. Rudolph Radeleff, Dr. James Teer, Dr. J. Vanoverbeek, Charles Chapman, assistant commissioner of Texas Department of Agriculture, will work with group.

Smith also appointed the twelve-member advisory council for children with learning difficulties.

OIL PRODUCTION Texas Railroad Commission trimmed statewide oil allowable

of Texas oil wells and increases in above-ground stock of crude oil led to the cut-back. May allowable will mean maximum production of 3,505,375 barrels a day, or 147,530 less than April. Estimated actual production will decline only about 43,750, Commission figures.

Nominations by major producers actually totaled 20,922 barrels a day more than April. HOSPITAL GRANTS CLEARED

State Board of Health has approved \$10.1 million in federal grant allocations for 24 hospital-health facility construction or improvement projects. Program pays up to 50

per cent of construction or modernization costs.

Grants of \$1 million each went to El Paso's Hotel Dieu Hospital, Houston's Christian Home for the Aged, Dallas Hospital District and Weatherford Memorial Hospital. Other projects and allocations included:

San Antonio Metropolitan Health District, \$153,000; Brownsville-Cameron County Public Health Center, \$312,500; Crossroads Community Center of Dallas, \$639,350; Fort Worth's Tarrant County Public Health Center, \$262,625; Southwest Texas Methodist Hospital at San Antonio, \$106,000; Children's Rehabilitation Center at

Amarillo, \$228,472; Spohn Hospital at Corpus Christi, \$250,000; San Jacinto Methodist Hospital at Baytown, \$171,100; Youens Memorial Hospital at Weimar, \$206,900; Holy Cross Hospital at Austin, \$750,000; Goodall-Witcher Hospital Foundation, Clifton, \$789,973; Teague Hospital Authority at Teague, \$230,285; M.D. Anderson Hospital and Tumor Institute at Houston, \$660,000; New Braunfels Hospital, \$450,000; Trinity Memorial Hospital, \$218,500; Fayette Memorial Hospital, La Grange, \$200,000; Mercy Hospital, Laredo, \$50,000; Northwest Texas Hospital, Amarillo, \$237,500; Good Shepherd Hospital at 1 review \$75,

000 and San Antonio Cerebral Palsy Treatment Center at San Antonio, \$106,217.

COURTS SPEAK State Supreme Court held that an El Pasoan should be repaid his investment on a car repossessed by a finance company and resold, although the man claimed he was promised more time on payments. High court threw out punitive damages assessed against the finance company in a lower court, finding no proof of malice.

Fifth federal circuit court of appeals ordered Crosby Independent School District to implement a school desegregation pairing plan by June 1. District previously had been given until

September 1. CHOLERA FUNDS PROVIDED Governor Smith has asked the Comptroller to transfer \$50,000 to the nearly depleted Hog Cholera Eradication Program. These transferred funds are to be used to indemnify owners whose swine are exterminated to prevent the spread of the disease.

This program, administered by the Texas Animal Health Commission as part of a nationwide campaign to eradicate the disease, is about to run out of money, Smith said only \$5,000 of the \$200,000 appropriated for the fiscal year ending Aug. 31, 1970, remains for the program. Money will come from un-

budgeted funds of the meat inspection program of the State Department of Health.

Money is needed for the state to maintain its Phase III status in the program, Smith said. Phase III is the top federal classification in eradication of the disease.

## Test to Save Lives

Fifty per cent of Texas fatal traffic accidents involve drunken drivers, say the Texas Safety Association.

Enforcement of the new breath test law could cause a dramatic decrease in the number of traffic fatalities during 1970.
