

AROUND TOWN SIGHTS, FACES SEEN

Both Hereford banks will be closed all day Saturday for Election Day. Don't forget to do your banking Friday . . . and your voting Saturday.

Francis Hardwick, owner of the Star and Texas Theatres, has taken over active management of the two local shows, and will move his family to Hereford . . . from Clovis, N. M. . . . about the first of October. Hereford's outstanding computer has decided to move in from the suburbs.

Miles Roberson, who has been in the Deaf Smith County Hospital for several weeks, is very much improved this morning, according to brother Wiley, who dropped in to report.

City Marshal Bruce Wooddell is offering to conduct a 5-minute demonstration, for any club or group that wants it, on how to get the most out of the parking meters, and what's more important, how to keep from being gyped by the little bandits. There are a few simple rules for operating the gadgets that can save parking patrons a lot of trouble and maybe a few pennies . . . and the City is interested in seeing that people get what they pay for. Wooddell and his model meter are available by appointment almost any time.

Don't know how long it will last, but Hereford kids are still fascinated enough by the parking meters to get a big kick out of dropping pennies into 'em . . . just to hear the meters buzz. Sharp-eyed shoppers can cash in on some free-parking time by following the youngsters around town.

Pioneer Deaf Smith Sheriff Dies at Lubbock

Funeral services for J. T. Inmon, 86, of Lubbock, pioneer Deaf Smith County sheriff, were held last Friday afternoon, August 15, at the First Methodist Church in Lubbock.

Rev. E. H. Crandall, associate pastor, officiated; assisted by Dr. J. O. Haymes, district superintendent; and Rev. Cecil R. Matthews, director of the Methodist Student Center in Lubbock.

Burial was in the Lubbock cemetery, with the IOOF directing graveside rites.

Mr. Inmon died at his home at 2216 Seventh Avenue in Lubbock at 3:30 o'clock last Thursday afternoon, after a three-week illness, due to heart trouble. It was the second time in his long life, relatives reported, that the pioneer West Texan had been ill enough to stay in bed. The other time was 45 years ago.

Mr. Inmon was born in Arkansas, and moved with his parents to Fort Worth when he was a small child. He had lived in Texas since.

He was married to Miss Lucy Bratton at Brownwood in 1885. (Continued on Page 5)

Revival Meeting Is In Progress At Westway

Rev. Montie A. Davis, evangelist from the First Baptist Church at Moss Point, Mississippi, opened a revival meeting at Westway church Sunday.

Oran Smith of Wayland College is assisting in the meeting and leading the singing. Services will continue through next Sunday night. Services are being held each evening at 8:30 o'clock. Prayer meeting begins at 8 p. m. Morning services Sunday will begin at 10:30 o'clock.

Hospital Bond Election Set September 9

A hospital bond issue, for additions and improvements to the Deaf Smith County Hospital, will be submitted to the voters of the county again on September 9, in a special election ordered last Friday by the Commissioners' Court.

The proposed bond issue will be in the amount of \$150,000.

The election has been ordered just one year and two days after a \$250,000 Hospital Bond issue was defeated in a special election on September, 1946.

Deaf Smith County Commissioners, in session last Friday, received a petition signed by 350 qualified voters in the county, asking that an election be called to vote bonds in the amount of \$150,000 to finance improvements and additions to the present hospital building.

Commissioners acted immediately to order the special election for September 9.

The proposition which will be presented to the voters was set forth as follows: "Shall the Commissioners Court of Deaf Smith County be authorized to issue the bonds of said county in the amount of \$150,000, to become due and payable serially in not exceeding 40 years, bearing interest at a rate not exceeding 3% per annum x x x x for the purpose of providing funds for enlarging and equipping the existing county hospital; and shall the Commissioners Court be au-

Three Sentenced In Burglary Rap; Glasscock Freed

James Richardson, Billy Dendy, and Robert Lincoln Jones, all of Amarillo, charged in District Court here with burglary, entered pleas of "guilty" Tuesday and were each sentenced to serve two years in the penitentiary, the sentences being set to run "in addition to any and all other sentences previously rendered."

The trio had already received sentences totalling four years in other Panhandle counties on burglary convictions, and still face trials on similar charges in at least one other county.

The three had refused pleas of guilty at the last term of district court here, and demanded jury trials. Subsequently convicted in courts at Claude and Panhandle they accepted advice of counsel here this week and entered "guilty" pleas.

They were charged here with burglaries committed last January at Kemp Lumber Company, Benefield Motor Company, and Kester Jewelry Store.

R. A. Deefe of Amarillo was defense counsel for all three.

Mrs. Mildred Glasscock was brought to trial Monday afternoon on a charge of forgery, was released following an instructed verdict of "Not Guilty." Mrs. Glasscock was turned over to officers from Randall County, where she was wanted on a check charge.

Judge Harry Schultz granted a motion by the defense for an instructed verdict after the jury had heard the testimony of only one witness, S. L. Harman, proprietor of the Hereford Store appeared as witness and testified that Mrs. Glasscock had asked him to accept a check on her mother-in-law and invited him to call the mother-in-law for confirmation. The defense motion for an instructed verdict followed immediately, and motion was upheld.

Defense attorneys were James W. Witherspoon of Hereford and McCarthy & Collins of Amarillo.

Trial of Devon Floyd of Bovina, indicted by the Grand Jury on charges of "murder without malice" in connection with the death of a Portales woman after an automobile accident near Summerfield on April 18, was continued on motion of the District Attorney. The case had been set for trial Monday, Floyd is still in Deaf Smith County jail serving a 6-month sentence for drunk driving as a result of the accident.

CANNED FOOD FOR BOY'S RANCH STARTS ROLLING FROM IMPROVISED CANNING PLANT AT SCHOOL CAFETERIA

Commission Adopts Traffic Ordinance; Puts Teeth in Parking Meter Regulations

Hereford's City Commission, meeting Tuesday night, formally passed an ordinance legalizing the operation of parking meters installed by the city two weeks ago, and putting teeth into the parking ordinances by providing for the collection of stiff fines for violations.

Text of the ordinance appears in this issue of The Brand (see page 2, Section 1).

No fines have been imposed on violators to date. All first-offenders have received summonses, but on appearing in traffic court, (Continued on Page 5)

"How to Get Most Out of Parking 'Meters' Subject of Wooddell Talk

"How to get the most out of your parking meters" will be the subject of 5-minute lectures which City Marshal Bruce Wooddell plans to deliver all civic and social clubs in Hereford who want to offer him a brief spot on their programs.

Armed with a sawed off parking meter and a handful of coins, Wooddell is launching a brief ed-

ucational program on the operation of parking meters.

"There are a few little tricks which will save shoppers pennies, time, and the loss of temper if they'll take a minute to get acquainted with the operation of these meters," Wooddell said.

TUESDAY, SEPTEMBER 2 WILL BE DOLLAR DAY

Hereford's next Dollar Day will be on "First Tuesday" instead of "First Monday" as in the past.

Since Monday September 1, is Labor Day and will be observed as a holiday here, the Chamber of Commerce Merchants Committee has decided to hold next month's Dollar Day event on Tuesday, September 2, instead, Paul Harvey, chairman of the committee, has announced.

Watch for Dollar Day specials in next week's edition of The Brand.

Desperate Need For Help Today At Cafeteria

Canning of vegetables for Boys' Ranch, a county-wide project started by the Deaf Smith County Home Demonstration Clubs in cooperation with the Hereford Lions Club, was in full swing here this week, with plenty of fresh vegetables pouring in from local farms but a shortage of help at the improvised "cannery" at Central School Cafeteria reported.

Under the direction of Mrs. Tom Draper, county home demonstration agent, a handful of club women went to work Tuesday morning and had canned 126 quarts of peas and beans by the end of the first day.

The entire program, however, is threatening to bog down for lack of help at the cafeteria, Mrs. Draper reports. Volunteers to help with shelling of peas and beans, and with the canning operations, are needed desperately and at once!

Thirty boys from Boys' Ranch were brought to Hereford Wednesday by bus to pick over an 8-acre field of peas donated to the drive by Dick Hagar. A veritable mountain of peas and beans waiting to be shelled and canned is on hand at the cafeteria today.

Any women . . . or men . . . who can help at the cafeteria for any length of time are urged to contact Mrs. Bill Smith (telephone 745) and arrange a schedule, or simply report to the cafeteria (Continued on Page 4)

Father of Harold Close Dies In California

H. A. Close is in California this week for the funeral of his father, Earl H. Close, who died Monday night of a heart attack. Close was in a hospital at LaJolla, California, at the time of his death.

Funeral services were held this morning at 10 o'clock at Encinitas, California, the home of the Closes. Burial is to be at Greenwood Memorial, San Diego.

Mr. Close had been ill for some time and had undergone a serious operation two weeks ago. His son had returned home last Friday from California, where he had been with his father for nine days.

Survivors beside H. A. Close are the widow, Mrs. Eva Close, and two grandchildren, Harold Close, Austin, and Freddie Close, Hereford.

Methodists Plan \$100,000 Building Program For New Sanctuary Adjoining Present Church

A \$100,000 building program to construct a new sanctuary adjoining the present church building and to convert the present building into an educational building has been launched by the First Methodist Church of Hereford, Rev. O. B. Herring, pastor, has announced.

Plans include the building of a new sanctuary and tower on the west of the present building, facing south on Fifth street.

The sanctuary is to be 48x120 feet with a seating capacity of 600 people. The tower, to be approximately 40 feet in height will house the pastor's study, church offices, tower chimes and amplifier.

Partner Is Held In Jail Here Today

Douglas Bray of Wichita Falls is near death in the Deaf Smith County Hospital today, and Bill Hawkins, also of Wichita Falls, is being held in the Deaf Smith County jail, after Bray was run over by a tractor in an isolated field in the northwest part of the county on Tuesday afternoon.

Sheriff J. C. Reese said this morning that no charges had been filed against Hawkins yet, pending outcome of Bray's injuries.

A fantastic story was unfolded at the sheriff's office yesterday when the incident was first reported.

Conflicting stories by the two persons involved in the incident, and by a third person who was working nearby, have officers up in the air.

Bray was run over by a tractor two or three times in a field on the G. E. Horton farm in the northwest section of the county Tuesday afternoon. His chest is crushed, and local doctors marveled this morning that the man was still alive.

Hawkins, according to his own statement and statements by Bray and by Jim Prince, a fellow farm worker, drove the lethal tractor.

Bray was brought to the hospital in Hereford yesterday morning, many hours after he was injured, and was still living this morning.

Seventy Phones; New Switchboard Posts Installed

Expansion of switchboard facilities and telephone connections at the Hereford exchange of the Southwestern Associated Bell Telephone Company was announced this week by Manager C. A. Myers of Plainview.

Seventy telephones have been installed in Hereford in the past ten days, Myers reported yesterday, bringing the number of subscribers here to approximately 1100.

Another 150 telephones could be installed immediately, Myers estimated, if the necessary equipment were available. The list of applicants for telephone service is still long.

In addition to the new telephones installed, the company has just completed installation of two new switchboard positions, one long distance and one local.

"Local subscribers should get better and faster service now," Myers said, "and long distance service should be improved as well."

A new long distance trunk line from Hereford to Plainview is being installed this week. The local exchange now has three local and five long distance positions on the switchboard. All positions are filled during the busy hours, Myers said.

Shortage of cable, wire and other necessary connections is still holding up installation of more telephones in the city, he said.

Last Rites For Father of Mrs. Bill Smith Held

F. E. Walters of Brownfield, father of Mrs. W. J. (Bill) Smith of Hereford, died Tuesday afternoon at a hospital in Tahoka after a brief illness.

Funeral rites are being held this afternoon (Thursday) in Brownfield, Mr. and Mrs. Smith, Mr. and Mrs. Howard Turner, and Mr. and Mrs. Bill Smith Jr., left yesterday afternoon for Brownfield to attend the funeral.

Mr. and Mrs. Walters had celebrated their 37th wedding anniversary at Brownfield last Sunday.

Mr. Walters is survived by his wife and ten children.

Baptists Appoint Committee Heads For Fund Drive

Head committee chairmen for the First Baptist church building fund drive were named Sunday morning, August 17, by Wayne Evans, general chairman for the campaign.

Assistant to Evans is G. T. Slaughter. In charge of the publicity is D. C. Kinsey; of statistical information, Avon Vick, church secretary, and of special gifts, J. R. Allison.

Under the leadership of Jimmie Allred, the every-member campaign to begin August 24, will be divided into two phases, city and rural. Working with the city division will be E. W. Young and Frank Watson; in the rural districts, Owen Stagner and Dean Robinson.

Fund drives through the Sunday School, Women's Missionary Union, Men's Brotherhood and Training Union are to be headed by Jack Kirksey, Mrs. George Graham, George Graham and Otis Dickey, respectively.

Block chairmen in charge of soliciting are scheduled to meet tomorrow evening at 8 o'clock at the Baptist Church. Those assisting with the every-member canvass met Monday night at the church to discuss plans for the drive.

The improvement program has a three-fold purpose including the building of a new pastor's home, erecting an educational building and repairing and re-decorating the present building.

LEGAL NOTICE

ORDINANCE NUMBER 324
AN ORDINANCE RELATING TO TRAFFIC, THE REGULATION THEREOF, AND THE USE OF STREETS AND HIGHWAYS IN THE CITY OF HEREFORD, TEXAS, REGULATION AND CONTROL OF THE USE OF PARKING METERS, ESTABLISHING PARKING METER ZONES; DEFINING PARKING METER ZONES; IMPROVING THE INSTALLATION OF PARKING METERS AND PROVIDING FOR THE METHOD OF PAYMENT THEREOF FROM THEIR OPERATION; PROVIDING FOR THE ENFORCEMENT OF THIS ORDINANCE AND PRESCRIBING A PENALTY FOR VIOLATION THEREOF, MAKING THE SAME A MISDEMEANOR AND PRESCRIBING FINES AND PENALTIES FOR SUCH VIOLATION AND PROVIDING THAT INVALIDITY OF PART OF THIS ORDINANCE SHALL NOT AFFECT THE VALIDITY OF THE REMAINDER.

BE IT ORDAINED BY THE CITY COMMISSION OF THE CITY OF HEREFORD, TEXAS:

SECTION 1. The word "vehicle" as used herein shall mean any vehicle by which any person or property may be transported upon a street, alley or highway, except those operated upon rails or tracks.

SECTION 2. That all of the following described streets in the city of Hereford, Texas, are hereby designated as parking meter zones, to-wit: All of those streets and parts of streets where parking meters have been installed, or may hereafter be installed under the direction of the City Commission, wherein limited parking is provided for with parking limits and restrictions as herein specified, and as provided for on the parking meters are designated as parking zones.

SECTION 3. The City Commission has heretofore provided for the installation of parking meters including street marking lines. Parking meters have been placed upon the curb or sidewalks next to and in front of individual parking places and are so constructed as to display a signal showing legal parking upon deposit therein of a legal coin, or coins, of the United States of America as indicated by the instructions on said meter, and for a period of time conforming to the parking limits of the City of Hereford, Texas, as specified on the parking meters, said signal to remain in evidence until the expiration of said parking period so designated, at which time a change of signal shall indicate the expiration of such parking period. The instructions, directions, time limits and holiday exemptions as stated on the parking meters are herein incorporated and made a part of this ordinance.

SECTION 4. The parking meters shall be paid for exclusively from the proceeds obtained from their operation.

SECTION 5. When any vehicle shall be parked next to a parking meter, the owner or operator of said vehicle shall park within the area designated by the street marking lines for parallel parking, or diagonal parking and upon entering said parking space shall immediately deposit in said meter one or more five cent coins of the United States, and/or one or more one cent coins of the United States as indicated by the instructions on said meter. It

shall be unlawful for any person to fail to park within said designated area, or fail or neglect to deposit the proper coin, or coins. Such parking space may then be used by such vehicle for the legal parking limit provided for on the meters and for which coin deposit in the meter has been made; said vehicle will be unlawfully parked if it remains in said space beyond the period of time paid for and/or when said parking meter displays a red signal "expired." It shall be unlawful for any person to cause or permit any vehicle registered in his name to be unlawfully parked as set out in this section.

SECTION 6. It shall be unlawful for any person to deposit or cause to be deposited in any parking meter any slug, device or any metallic or other substitute for the legal coins of the United States.

SECTION 7. It shall be unlawful for any person to tamper with, open, deface, break or destroy any parking meter, or put any substance, material or matter into or on any parking meter, except the coins as specified herein.

SECTION 8. It shall be the duty of the traffic officers so instructed to take the parking meter number and the State vehicle license number of all cars and persons violating the provisions of this ordinance and leave a parking violation notice on or in said car so unlawfully parked with a summons to appear in municipal court within the time specified in said summons.

SECTION 9. It shall be unlawful for any person, operator or owner of such vehicle so designated as being in violation in said notice and summons to appear in municipal court, to fail or refuse to appear in municipal court within the time specified in said summons.

SECTION 10. Any person, firm or corporation who shall violate or permit or allow anyone to violate Section Five (5) or Section Nine (9) of this ordinance shall upon conviction thereof be fined not more than FIFTY (\$50) DOLLARS.

SECTION 11. Any person who shall violate, or assist in the violation of Section Six (6) or Seven (7) of this ordinance shall upon

conviction thereof be fined not more than ONE HUNDRED (\$100.00) DOLLARS and costs.

SECTION 12. The fee required to be deposited in said meters is hereby levied as a police regulation and inspection fee to cover the costs of providing parking spaces, parking meters and installation and maintenance thereof, the cost of regulation and inspection, operation, control and use of parking meter spaces and zones created herein; for the regulation and control of traffic moving in and out of, and parking in, said parking spaces and zones so created and for the cost of any resultant traffic administration expense.

SECTION 13. If any section, provision or part thereof of this ordinance shall be adjudged invalid or unconstitutional by a court of competent jurisdiction such invalidity shall not affect the validity of the remaining sections, or portion of sections thereof. This ordinance shall take effect and be in force from and after final passage and legal publication as required by law.

PASSED AND APPROVED this 19th day of August A. D. 1947.

Streu's Diary

August 21, 1947.

DEAR DIARY:

Was a time when August was a month set aside primarily as a month of rest and recreation—when everyone took a vacation—or cleaned up the premises—or straightened stock for the fall run of business. But now it is different—there are spuds to be harvested, row crops to be irrigated, food to be canned or frozen for winter consumption and the business has to go on as usual. Not that we are complaining—far from it—just observing.

Since canning is in season, we find these items to be of interest to the housewife—tin packer cans, fruit jars, cold pack canners, pressure cookers, can and jar lids, fruit jar wrenches and lifters, jelly glasses, food choppers, paring-knives, and a host of associated items. We have most of them and the rest will be in soon.

Speaking of canning—it is a hot job—we still have a few good air conditioning units left—the difference between exhausting heat and comfortable washed air coolness. There might even be a slight reduction in price due to the lateness of the season. And while we are at it—why not buy a small table model RCA radio so you can listen to your favorite radio programs while you work in the kitchen?

If you are among the fortunate few who have time to go vacationing, we still have a good stock of fishing tackle, thermos jugs, water bags, flash lites, and lots of other odds and ends necessary to comfortable camping. Oh, yes, an RCA portable radio brings music and news to the most remote fishing camp or cottage. We have them.

Since we have neither tennis courts or golf links in Hereford, it has become necessary to look elsewhere for recreation—so I took up sailing—a fascinating pastime with plenty of excitement—in the past three weeks we have capsize in the middle of Buffalo Lake, beached the boat, and had the mast, sail and all drop in our laps. Nothing like that ever happened to us playing tennis or golf. Buffalo Lake water is extremely wet.

However, there are so few who can either afford the money or time to sail—why can we not have tennis courts, a golf course, volley ball courts, and a few other recreational facilities in Hereford? No criticism intended—just curious.

Mobley-Cole Nuptials Sunday

On Saturday morning, August 16 at ten o'clock, Miss Marguerite Mobley, daughter of Mr. and Mrs. H. M. Mobley, became the bride of Floyd Cole, son of Mr. and Mrs. Earl Cole, all of the Frio Community. Vows in the double-ring ceremony were read by Rev. Louie Dendy of Brownwood as the couple and their attendants stood before an improvised arrangement of pink and white asters and gladioluses and white tapers in the home of the bride's

parents. Mrs. George Cameron lighted the tapers. The bride chose a brown and white street length dress for her wedding using brown accessories and wearing a pink carnation corsage. Miss Dorothy Mobley attended her sister as bridesmaid. She wore a white dress with brown and white accessories and a corsage of red carnations. Glenn Short of Hereford was best man.

After the ceremony, punch and wedding cake were served from a table covered with a lace cloth and centered with an arrangement of purple and yellow dahlias. Lanelle Mobley, sister of the bride, served the cake and Mrs. Louie Dendy of Brownwood presided at the punch bowl. Mrs. Cole graduated from Dimmitt High School and attended Wayland College, Plainview, for two years. For the past three years she has been employed as third grade teacher in the Dimmitt Public Schools.

Mr. Cole graduated from high school at Walters, Okla. He served two years in the Navy during the war.

After a wedding trip to New Mexico and Colorado, the couple will make their home in the Frio Community where he is engaged in farming.

Out-of-town guests at the wedding included Mr. and Mrs. Harold Shearhart and son of Pawhuska, Okla., Ralph Cole, Kankakee, Ill., and Rev. and Mrs. Louie Dendy of Brownwood.

Engagement Is Announced

Mr. and Mrs. Fren Henry announce the engagement and approaching marriage of their daughter, Geraldine, to Elwood V. Skypala, son of Mr. and Mrs. V. Skypala. The wedding is scheduled to take place in Hereford on Monday, September 8.

Miss Christine Smith, Oklahoma City, has been visiting with friends in Los Angeles, Calif. Enroute back to Oklahoma, she stopped in Hereford to visit her parents, Mr. and Mrs. F. S. Smith.

MARRIES HERE ON MONDAY MORNING

Miss Lanelle Scheihagen (above) became the bride of Bob L. Gray of DeLeon in wedding rites at the First Methodist Church here Monday morning.

Scheihagen-Gray Vows Are Said In Methodist Church Monday Morning

At ten o'clock in the morning on Monday, August 18, Miss Lanelle Scheihagen, daughter of Mr. and Mrs. W. R. Scheihagen, became the bride of Mr. Bob L. Gray, son of Mr. and Mrs. J. D. Gray of DeLeon, at the First Methodist Church.

It was an all-white wedding with baskets of white gladioli at either side of tall white Cathedral tapers in seven-branched candelabra against an altar background of greenery. Mrs. Glenn Snyder presided at the organ, playing a medley of pre-nuptial music and accompanying Mrs. Ernest Scheihagen of Houston as she sang "Because." Mrs. Snyder played the traditional wedding marches and softly gave "The Rosary," as vows were exchanged. Rev. O. B. Herring, pastor, officiated at the double-ring ceremony which was witnessed by close friends and relatives.

Mrs. Birdie Dee Fellers was her sister's honor matron. Mrs. W. R. Scheihagen Jr., of Chocon, N. M., a sister-in-law of the bride, was bridesmaid and Miss Marilyn Fitzgerald of Pampa was junior bridesmaid. All wore bouffant gowns of white net over taffeta with matching net halos and long net mitts. Each carried a colonial nosegay of pink roses.

Rex V. Carnes of Sherman, was best man and the ushers were Bob Jack Low of Monahans and Gerald Smith.

The bride, given in marriage by her father, wore white slipper satin made with tight-fitting basque, ending in scallops where it was attached to the long full

skirt which fell into a short train in the back. Her only ornament, a strand of pearls, accented the deep net yoke and the long pointed sleeves were trimmed in self covered buttons. Fingertip veil of imported illusion was held by a band of fresh flowers. She carried a white Bible topped by a single white orchid surrounded with stephanotis and tied with white satin streamers.

The bride's mother wore navy blue sweetheart crepe with pink trim and gray accessories. Mrs. Gray wore black romaine crepe and both wore corsages of white gardenias.

Reception at Clubhouse. Daisies and other white flowers were used in the reception rooms at the club house when the bride's parents entertained, following the ceremony. The bridal party received the guests and refreshments were served from a decorated table which held the bride's cake. Mrs. D. R. Weston of Pampa, served the cake and Mrs. J. M. Fitzgerald, also of Pampa, poured punch. Miss Virginia Vaughan of Amarillo, registered the guests.

The bride's going away ensemble was black and white crepe with black accessories and black off-the-face hat. She had the orchid from the wedding bouquet pinned to her shoulder.

Heiselman Club Met Thursday At Tom Fields Home

Heiselman Home Demonstration club members were guests in the home of Mrs. Tom Fields Thursday, August 14, when Mrs. Argen Draper, county home demonstration agent, demonstrated the making of a salad.

Mrs. Draper stressed the importance of having salad ingredients cold, dry, and well marinated; and discussed the use of a variety of dressings.

Mrs. V. E. Lemke presided at the business session. Members answered roll call by naming a favorite salad.

The refreshment course featuring a fruit salad, punch and cookies, was served to Mesdames A. B. Carter, Bill Brown, Walter Lemke, V. E. Lemke, Paul Metcalf, Lorin Creitz, the hostess and Mrs. Draper.

Mrs. R. W. Perry will be hostess to the club on September 11, when the demonstration will be "platter meal from canned food."

London Bridge Club Meets For Games

Mrs. W. A. Teter was hostess for the London Bridge Club on Wednesday August 13. Special guests invited to play with members were Mrs. Troy Moore and Mrs. Jack Bradley. High scores were made by Mrs. Henry Sears and Mrs. Kellar Muse.

Members attending the club affair were Mesdames J. T. Gilbreath Jr., N. E. Milburn, Grant Fuller, Clyde Cave, Kellar Muse, Henry Sears and the hostess.

Patty Frye is home again after having her tonsils removed in a Dimmitt hospital Tuesday.

After a trip to New Mexico and Colorado, the couple will live in Burnet, where he is head of the high school music department.

Lanelle is a graduate of Hereford High School and of West Texas State College, Canyon. She was chosen as the outstanding senior girl at W-T, member of Alpha Chi, honorary society, the college band and a glee club and was president of the YWCA. For the past three years she has been head of the music department at Pampa High School.

Mr. Gray attended North Texas State Teachers College and graduated from WTSC, Canyon. He was a member of Phi Mu Alpha, Professional Music Fraternity, and Alpha Chi.

Out-of-town guests at the wedding included Mr. and Mrs. Lee J. Dial of Mangum, Okla., Mrs. J. D. Gray, the bridegroom's mother, of DeLeon; Mr. and Mrs. Wayne L. Kantz, Glendale, Cal.; Miss Louise Willis, Wellington; Miss Virginia Vaughan, Miss Louise Hamm and Mr. and Mrs. Sam Jolly, all of Amarillo; Mrs. W. A. Scribner, Billy Hutchinson, Joan Sawyer, Miss Pat Miller, Mrs. Joe Hodges, Jack Dunham, Bob Keller, Randall Clay, June Cummins, Mr. and Mrs. E. E. Seitz and Tison Terrell, all of Pampa; Mr. and Mrs. Ernest Scheihagen, Houston; Mr. and Mrs. W. R. Scheihagen, New Mexico, and those in the bridal party.

Hangover Thirst Leads to Arrest Of Liquor Thieves

An early morning thirst after a Saturday night binge, plus the alertness of city policeman W. E. Pittman, was responsible for solving an 8-month old liquor robbery for Hobbs, N. M., officers here last week, Hereford City Marshal Bruce Woodell reports.

As a result, Sidney T. Bohanan and Doris Jenkins, both of Ada, Oklahoma, are now in the custody of Hobbs officers awaiting trial on grand larceny charges for the theft of some 50 cases of whiskey from a Hobbs night club last December.

Officer Pittman started the ball rolling early Sunday morning, August 10, when he arrested Carl James Landon, itinerant harvest worker, near the Miller Hotel on south Main street. Landon had a hangover, eight quarts of whiskey, and a loose tongue.

He told Pittman that he had bought some whiskey from two men in Hereford the night before, and noted the car from which they produced it. Waking up Sunday morning with a craving for another drink, he had located the car and helped himself to the eight quarts . . . a stiff chaser for even the granddaddy of all hangovers.

Pittman called City Marshal Woodell, and together they shook down the car in question, finding a cache of 28 quarts of whiskey; then following Landon's guiding finger, arrested Bohanan and Jenkins in their room at the hotel.

His suspicions aroused by the brand of whiskey discovered Woodell started investigating, found Hobbs officers only too willing to identify the loot and take the pair into custody.

The whiskey, Hobbs police said, was part of a 50-odd case haul stolen from La Mirador nightclub in Hobbs in December of 1946. Charges of grand larceny would be filed they indicated.

Landon pleaded guilt in City Court to drunkenness, and was fined \$25 and costs. Thankful for his aid in breaking the bigger case, local officers did not press other charges.

Mrs. R. T. Adams and grandson, David, of Hereford, and Mr. and Mrs. Noble Hoppe, Borger, daughter of Mrs. Adams, returned recently from a two-weeks vacation in Oklahoma and Arkansas. They visited folks in Seminole, Okla., and Oklahoma City before going to Hot Springs, Ark., where they spent a week with Master Sergeant and Mrs. Harold Avery. Avery is now stationed at Army and Navy General Hospital in Hot Springs.

At a joint meeting of American Legion, VFW, and their auxiliaries at the Clubhouse last Thursday night, members voted to re-name the recently acquired Hereford State Park, which will be known officially hereafter as Veterans Memorial Park.

The park board, meeting last night (Wednesday) voted to post the park against all hunting and fishing for an indefinite period. Pools have been stocked with bass, channel cat, and crappie, and no fishing will be permitted for a period of possibly two years, to give the fish an opportunity to grow to frying size.

The park has been posted against hunting in the past, but a more rigid enforcement of the regulation has been ordered by the Veterans Park Board. No firearms will be permitted inside the park property. A few of the pheasant with which the park was stocked several years ago remain, and every effort will be made to keep them alive.

The west entrance to the park (on South Main Street) will be closed immediately, the Board announced, and only the main entrance near the clubhouse is to be used. The crossing into the picnic grounds below the clubhouse will be repaired as soon as the necessary equipment can be obtained.

The park is open to the public at all times.

At the joint meeting last Thursday night, Legion and VFW presented a set of luggage and an Elgin watch to Owen Bybee, in recognition of his legal services during the past few months.

A covered dish luncheon was served by the Auxiliaries of the two organizations.

Bridal Shower Given To Honor Norma Hunter

Honoring Miss Norma Hunter, who is scheduled to become the bride of Frank B. Markham on September 1, a shower tea was given Tuesday afternoon in the home of Mrs. C. G. Maples in Dimmitt.

Guests were received by the honoree, her mother, Mrs. Finis Hunter, Mrs. B. F. Markham, mother of the bridegroom-elect, and Mrs. W. A. Hunter of Hereford, grandmother of the bride-elect. Miss Wanda Gollehon provided musical entertainment during the calling hours.

The Maples home was decorated throughout with seasonal blossoms and in the dining room a romantic theme done in the bride-elect's chosen colors, was featured.

The refreshments at table, laid with a hand-embroidered linen cloth, held a heart-shaped centerpiece of asters and Stephanotis with pin candles at either side. Two large pink hearts were placed at each end of the table with the linking bands of white satin ribbon caught in a lovers bow-knot. Inscribed on the ribbon was "Norma to Frank, September 1."

Small pink hearts inscribed with the names and date, were plate favors and other refreshments dainties carried out the pink and white theme.

The wedding will be held in the Baptist Church of Dimmitt with

Mr. and Mrs. Ralph Sutton of Riverside, California stopped here Monday enroute to Minnesota to visit relatives. They were accompanied by her brother, Richard Herrine. They visited with Mr. and Mrs. Glenn Weir and other friends.

Mr. and Mrs. M. C. King, Panhandle, Ernest Williams, Fairbanks, Alaska, and Mary and Lela Wilmeth of Fort Sumner, New Mexico, were week-end visitors in the home of their mother and grandmother, Mrs. E. J. Williams.

Farm Hand ...

(Continued from Page 1)

The story, as it was unfolded to Sheriff Reese yesterday is purely fantastic.

Bray and Hawkins were plowing in the Horton field. Tuesday morning they left the job, took a truck to Glen Rio, N. M., where they apparently got drunk, then returned to the job.

According to statements made to the Sheriff they then took the tractor loose from the plow to change the hook-up. Hawkins was driving the tractor, and Bray was un-hooking the plow, he said. Hawkins he said, then backed the tractor over Bray, and then put it in forward gear and ran over him a second time.

That was Bray's story. Hawkins denied the whole thing, Reese said, claiming that he was drunk and passed out in the truck and didn't know anything about it.

Jim Prince, a fellow worker who was in a nearby field and discovered Bray's body in the field, told officers, in a signed statement, that he went to the field where Hawkins and Bray were plowing at 4 p. m. Tuesday afternoon, and found Hawkins passed out drunk in the truck. Bray on the ground near the tractor.

Prince thought Bray was drunk too, he told officers, and went over and shook him. Bray said, "Don't touch me, I'm hurt," Prince recounted.

Prince said he then roused Hawkins and Hawkins helped him get Bray in the truck and they took him to the house.

Prince said Hawkins told him that he had "run over Bray three times with the tractor," and "tried to kill him but couldn't," but said he thought both men were drunk and discounted the story.

When Bray appeared to be in serious condition still the next morning (Wednesday) Prince put him in the truck and brought him to the hospital in Hereford, where X-rays revealed a crushed chest. Doctors said it was a miracle that he had survived the trip.

Questioned at the hospital, Bray himself told officers that Hawkins had run over him with the tractor, but said that he "didn't think Hawkins was trying to kill him."

Sheriff Reese said, however, that last night Bray appeared more doubtful about his partner's motives.

Hawkins was arrested and lodged in Deaf Smith County jail, but no charges had been filed this morning. Officers were waiting to see whether or not Bray would live. Doctors were exceedingly doubtful.

Officers were balked in trying to re-construct the incident at the field, since Prince, after taking Bray and Hawkins to the house Tuesday afternoon, had returned to the field and resumed plowing, destroying all tire marks. He explained to Sheriff Reese that at that time he still thought the two men were drunk and that nothing had happened to Bray.

Bray has a family in Wichita Falls, Sheriff Reese reported.

will be converted into the Methodist educational building which will be equipped to care for a maximum Sunday School attendance of 800.

The new addition is to be constructed of brick to match that of the present building. One feature of the new sanctuary will be a large circular art glass window near the top of the south front.

Head of the planning committee which is in charge of the fund raising is John McLean.

Visitors in the John Albracht home over the week-end included Mr. and Mrs. John Schaefer, Okarche, Okla.; Mr. and Mrs. Walter Albracht, Mr. and Mrs. A. F. Albracht and Clarence Albracht, Lindsay, Neb.; and Jerome Brickman and Marion Hoelting, Nazareth.

thorized to levy, assess and collect annually while said bonds or any of them are outstanding a tax upon all taxable property in said County sufficient to pay the interest on said bonds and provide a sinking fund for their redemption at maturity.

Notice of the election appears in this issue of The Brand.

The \$250,000 hospital bond issue submitted last year was defeated by a two-to-one majority. The vote was 402 against the proposal, 185 for, with an estimated one-third of the eligible voters in the county casting ballots.

A majority vote is necessary to carry the election.

The present hospital building, constructed in 1924, has been seriously overcrowded in recent years, members of the hospital's board of directors pointed out, citing this as the reason for asking funds for enlarging the present facilities.

Added facilities would include a new wing for the present building, and remodeling of the old.

Any qualified property tax payer is eligible to vote in the election. As established in the last bond election, the voter does not have to own real estate to be eligible to vote. Any person who has rendered property, real or personal, for taxation in the county during the past year, and who has paid a poll tax, is eligible to vote.

Public Meeting Is Called By Hospital Board

A public meeting to discuss with members of the board of directors of the Deaf Smith County Hospital plans for future development of the hospital will be held tomorrow night (Friday) at 8:30 o'clock at the District Courtroom.

Special invitations have been extended to presidents and other officers of all Hereford civic and social clubs and other organizations, and to any members who are interested, to attend the session.

The public is invited, Chamber of Commerce Secretary Pete Cowart said this week.

The meeting was planned at a session of the board of directors of the hospital last Friday night.

Brought to the attention of the board at that session was a question which board members feared might affect the outcome of the forthcoming hospital bond election. That was the question of the new Hereford Medical and Surgical Clinic building which is now under construction at the corner of Fourth and Miles.

There have been questions brought up, board members were told, regarding an increase in hospital facilities with completion of the clinic which might relieve present overcrowded conditions at the county hospital.

Revival Meeting At Avenue Baptist Church Sunday

A revival meeting will open Sunday, August 24, at the Avenue Baptist Church in Hereford. Rev. R. S. Sparkman, pastor, will do the preaching, and Rev. Edd Byers of Dawn will be in charge of the singing and special music.

Services will continue through Sunday, August 31. The public is invited.

Roping Contest Is Scheduled Here Sunday, August 31

The Hereford Rodeo Club will challenge the Clovis roping club in a Roping Contest to be held at the local rodeo grounds Sunday, August 31.

Only members of the Hereford organization are to compete with Clovis ropers. This will be the first time for Hereford to meet Clovis in competition of this kind.

President of the local Rodeo club is Dean Robbs.

The clinic will be, in no sense, a hospital, board members said, and no hospital beds for patients will be provided there. The new clinic, which is being built for Drs. R. R. Willis, M. W. Nobles, and L. B. Barnett, strictly for examination and treatment and will not provide for overnight patients.

As We Close, We Say --

THANK YOU!

We wish to express our appreciation to our friends for their patronage during the many years we have been in business in Hereford. We are closing out this week. It has been a pleasure to serve you.

Gift Party Is Given

A gift party complimenting Mrs. Delbert Ruland was held at the home of Mrs. Clint Laundry Friday afternoon. Hostesses with Mrs. Laundry were Mrs. J. W. McIver, Misses Florence and Doris Goldston and Ruth Tucker.

Appropriate games and party fun marked the entertainment and gifts were presented.

Refreshments were served to Mesdames H. D. Goldston, T. H.

Teague, Gus Ruland, J. L. McIver, J. W. McIver, J. C. Mays, Nona Reed, Harold Clark, Miss Minnie Alice Wells, the honoree and the hostesses.

Those sending gifts were Mesdames Wallace Cox, C. C. Neu, J. E. Larrick, Ruby N. Virden and Miss Mary Lou Ruland.

Mr. and Mrs. O. M. Hicks have returned from a trip to Tucumcari, N. M., where they visited their daughter, Mrs. Russell Thomas and family.

Simple Service Unites Couple Here

Miss Doris Campbell and J. W. Dickerson Jr., who were married Sunday afternoon at 4 o'clock at the First Methodist Church, will live in a new home in the northeast part of Hereford, after a short wedding trip to points in New Mexico.

Rev. O. B. Herring, pastor, read the ceremony as the couple and their attendants stood before the fower be-decked altar which was illuminated by tall white tapers in seven-branched candelabra.

Mrs. John Jacobsen Jr., organist, played pre-nuptial music, and accompanied by Miss Mary Helen McGilvary who sang "I Love You Truly" she also played the wedding marches.

Miss Helen Tucker was the bride's honor-attendant. She wore a pastel print made with round neck and bustle effect in the back. Her accessories were in black and she wore a corsage of pink roses. Reuben McGilvary was best man and Virgil Morion and Dennis Lomas served as ushers.

The bride wore a simple white crepe frock fashioned with cap sleeves and pleated skirt. She chose black accessories and an off-the-face black hat and her only ornament was an heirloom pearl necklace. Her corsage was of Tallman roses.

An informal reception was held at the home of the bride's parents Mr. and Mrs. F. M. Campbell after the ceremony. The lace-laid table was decorated with white daisies in a silver bowl flanked by white tapers in silver holders. The wedding cake, topped by a miniature bridal couple, was cut by the bride and served by Mrs. Bill Knox and Mrs. Elmer Reynolds. Mrs. Elmer Patterson and Mrs. Ray

Miss Doris Campbell (above) became the bride of J. W. Dickerson Jr., here Sunday afternoon.

Campbell served punch. Mrs. Glenn Campbell registered the guests.

When the couple left on a short trip the bride was dressed in a desert-tan woolen suit with black button trim and black felt hat.

Mrs. Dickerson attended Hereford High School and will continue as bookkeeper for the Southwestern Bell Telephone Company where she is employed.

Mr. Dickerson, son of Mr. and Mrs. J. W. Dickerson, who reside on a farm near Hereford, will continue farming with his father. He is a graduate of Hereford High School and spent four years in the engineering department of the Army Air Corps during the war.

Griffitt-Harvey Wedding Is Held

Miss Rae Delle Griffitt and Harold L. Harvey were married Sunday in the home of the bride's parents in the Progressive Community with Rev. James Aiken of Arlington Heights, officiating.

The bride is the daughter of Mr. and Mrs. H. L. Griffitt and

the bridegroom is the son of Mr. and Mrs. Lewis Harvey.

At the wedding Mrs. R. L. Gill of Cheyenne, Wyo., was her sister's matron of honor. The best man was the bridegroom's brother, Homer Harvey. The bride was given in marriage by her father.

The bride was attractive in a white crepe dress featuring a red rosebud corsage. Only the two families attended the wedding and following the ceremony the couple left for a trip to Yellowstone Park.

Out-of-town guests at the wedding included Mr. and Mrs. M. H. Bryan and Mr. and Mrs. R. L. Gill of Cheyenne, Wyoming. Mrs. Gill and Mrs. Bryan are sisters of the bride. Also Mr. and Mrs. Ansel Griffitt of Lyons, Kansas. He is a brother of the bride.

Both Mr. and Mrs. Harvey are graduates of Hereford High School and he served with the army on Okinawa for two and a half years. Upon their return from the wedding trip they will be at home in Canyon, where he is a sophomore student at West Texas State College.

Shower Given For LaNelle Scheihagen

An informal gift-party for Miss LaNelle Scheihagen, whose marriage to Bob L. Gray of DeLeon, took place Monday, was given at the home of Mrs. C. B. Williams, Thursday.

Only intimate friends of the bride attended the party which was hosted by Mesdames O. M. Hicks, Edd Cox, Archie Scott, J. E. Beyers, A. C. Thompson, Ernest Wade, J. F. Ward, Frank Terrell, E. E. Fridley, John Jacobsen Jr. and Mrs. Williams. Blue and white flowers carried out the bride's colors and the shower was introduced as the bride-elect followed a trail to an array of gift packages.

Barbara Burney, Marie Williams, Patsy Slagle and Marilyn Barkley provided musical entertainment and Mrs. John Jacobsen Jr., gave a toast to the bride.

Birthday Is Celebrated

Doris Jean Hastings celebrated her 16th birthday Saturday at a party given by her mother, Mrs. Henry Hastings.

The guests enjoyed recordings and later a watermelon feast in the backyard.

Those entertained were Janice Boston, Louise Green, Bettye Smith, Mary Jo Mathies, Margaret Sowell, Marian Longbottom, Jacqueline Newell and the honoree.

ATTEND BIRTHDAY CELEBRATION

Mr. and Mrs. Noah Ewton and daughter Miss Martha Nelle Ewton of Denver, Colo., and their son, Wiley, Mr. and Mrs. Homer Ewton and Merle, were in Canyon Sunday to attend a birthday celebration for his mother, Mrs. Sina Scott, 77.

All Mrs. Scott's children were present which included a daughter, Mrs. Lewis Clement, and Mr. Clement of Amarillo.

Hereford Veterans Win First Play-off Round In West Texas-New Mexico Baseball League

Hereford's still-victorious VFW nine, having taken the first win in the West Texas-New Mexico Baseball League play-offs from the Clovis Blue-Jays 15 to 14 here Sunday, will meet the Clovis squad in the second game of the three-game play-off at Clovis next Sunday afternoon.

The Shaughnessy play-offs; and the two winners are slated to meet for the league championship. The Hereford entry, which held the league lead through the regular playing season with only one loss, is heavily favored to take the crown. Following is an inning-by-

inning account of Sunday's game here by the Old Maestro of the Hereford dug-outs:
By Homer Fox
Last Sunday the Clovis Blue Jays locked horns with the local VFW club in the first game in the Round-Robin play off in the Western Panhandle League.

After two hours fifty-nine minutes and two fifth seconds, everybody was out, including two old blind Toms that had been calling them wrong from behind the plate, and what a field day for the WOLVES. It was a whiz dinger of a thriller and a typical West Texas-New Mex League game with Hereford winning by one run, just as the bell rang in the last round 15 to 14.

Anderson started for Hereford on the mound and got in a cramp right off by walking the first two men up. With two men out Lewis singled and scored two runs.

Hereford came right back in their half and knotted the score, with three doubles by Sargee, Barrett and Sjagner. Anderson was hot as a tumbling weed fire in the second and struck out three in a row.

Then Hereford took the lead in their half of the second, Loerwald was out to center. Bill Stengel on an error by short, Anderson whiffed Stratton, pitching for Clovis, lost the place and walked Sargee and Carroll. Barrett was safe on F. C. and Stengel scored. Sjagner singled with the bases loaded and scored two more runs. Lueb was out but we had 3 more runs.

Three up and three down in the third. On one walk, a double by Bill Stengel and a single by Anderson and two more runs across. Stratton turned the chucker job to Carson and he ended the rally but the score was 7 to 4 Hereford.

In the fourth, Hay was hit by a pitched ball. Lewis tripled, Wilson tripled, and Fields doubled—all left handed hitters and the flat heads were hitting to left field and Carroll was calling for a bicycle. Drewbaugh whiffed. Carson, the new pitcher, hitting from the wrong side slammed another double into left field. Williams struck out and Randall hit a long fly into left field and Carroll hid behind the light pole and grabbed it for the third out.

Four runs across and we just had them down-one run, 7 to 6. Barrett, first man up in the fourth walked, stole second, stole third and came home on a fielders choice — 8 to 6, Hereford. Glover, first man up for Clovis in the 5th singled, stole second.

Hay hit a short fly to left and Carroll fired it to second and doubled Glover. Lewis was an easy out, second to first. In their half Hereford did everything. Bill Stengel hit the first one for a country mile and a home run. Anderson was out, pitcher to first. Sargee popped to first. Carroll singled. Barrett was hit by pitcher. Stagner singled and Lueb was hit by pitcher. Bud Stengel was safe on a bobble by short and Loerwald was out second to first but we had four more eyes, Hereford 12, Clovis 6.

Anderson set 'em down one two three in the sixth. We takes a couple more on one walk no hits and a sack full of errors. Winkler started the elbowing for Hereford in the seventh and Clovis scored one on one hit, a stolen base, and one error.

For the first inning we didn't score in the seventh. Winkler got into a bunch of trouble in the eighth. After one out two men walked in a row. Fields singled to center and Robinson let it get away for a home run and three runs.

We made one more in the eighth on two licks and an error, but we didn't care, we had 'em down 16 to 10 and one to go. But that Clovis bunch just hadn't started yet. Williams the first man up for Clovis in the ninth, was safe on an error by short, went to second on another bobble by first. Randell whiffed. Glover tripled. Hay singled. Lewis tripled again. Wilson walked and was thrown out at second trying to steal. Lewis scoring. Fields walked. Drewbaugh walked. The score stood Clovis 14, Hereford 15, with two men out and two men on. Hereford got out their horseshoes and started looking for four leaf clovers, praying for rabbit feet and all they could find was goat heads, but it didn't bother this Johnnie Winkler one bit. He just struck out Carson and ended the whole thing.

Muny League Play-offs Underway With Dawn And Legion, Summerfield and Firemen Paired

Monday night. Summerfield took on Dawn and smashed out a 19-7 victory to stay in the running. In the nightcap, of the double-header, the VFW ran afoul of the seventh-place Lions and went down fighting, 16-6.

The play-offs opened Tuesday night with Summerfield meeting the Firemen, and Dawn playing the American Legion entry. The Firemen eked out a 3-1 victory behind Brock's 4-hit pitching, although J. Clark, on the mound for Summerfield, held the smoke-eaters to six bingles.

The big event was the nightcap, however, with Johnny Winkler, hurling for the Legionnaires, tossing a two-hit shutout against the big guns from Dawn to give his teammates a 5-0 victory.

The tables were turned last night, however, in the second round of the play-offs when Dawn came back fast to smash Winkler and his Legionnaires 12 to 2. This time it was Pitcher Marvin May who had everything under control, allowing only 3 hits, while his teammates nipped Winkler for 14.

In the nightcap, Summerfield clipped the Firemen 7 to 6 to stay in the running. J. Clark was the winning pitcher, allowing 8 hits, with Brock on the mound for the Firemen giving up an equal number.

With all contenders paired at one-all, the championship flight will be settled tonight. Dawn will meet the Legionnaires in the opener, and the Firemen will play Summerfield in the second game of the double-header.

The winners will open a five-game series next Monday night to settle the League championship. No double-headers will be played next week.

The final League Standings:

Team	W	L	Pct.
Firemen	12	2	.856
Dawn	10	4	.714
Legion	9	5	.643
Summerfield	7	7	.500
VFW	6	8	.428
Sunday School	3	9	.250
Lions	4	9	.308

Bouquets are due some Main Street business men, too, for some minor civic improving that might be overlooked. There are probably others, but Tom Alderson and Paul Harvey's boys at Anthony's caught the reporter's eye this week with an early-morning street-sweeping job in front of their respective places of business. They've been sweeping the dirt off the white lines marking the parking spaces in front of their stores. Bruce says that these and other Main Streeters are doing the same thing . . . regularly. That's what we call putting civic pride into practice.

The Child Study Club will meet in the home of the president, Mrs. Cawthon Bryant, in a special called meeting on Thursday August 28. All members are asked to be present.

ODD FELLOWS ATTENTION! An important meeting of Hereford Lodge No. 476, IOOF, is scheduled for the next regular meeting night Monday, August 25, at 8:30 p. m. According to Ben H. Conklin, Noble Grand, some important matters are to be brought up and a large attendance is wanted.

Newest business entry in Hereford is Reid Cochran, who hails from Raymondville, and is opening a Fruit Stand on Highway 60, across from Benefield Motor Company. Cochran reports that he's leased the lots from Gus Peddie, and plans to be open for business Monday. Construction on the stand is to get underway right away.

Want to buy a new car? A 1946 Pontiac sedan coupe is going to be sold Tuesday, August 26, at the Courthouse door . . . It's a little job confiscated recently by the Sheriff's office in the course of a liquor raid, and from the reports of officers who had to chase it for 20-odd miles in a cross-country race, it's a "hot-rod."

How To Get . . . (Continued from Page 1) nickels and pennies in the meters. Dimes simply won't work, and once you've dropped them in the slot, there's no way to get your money back. Nearly ten dollars in dimes was collected from the meters during the first week of operation, Woodell said.

Second: If the red flag is up on the meter, and you want more than one hour's time, and less than two hours, drop the nickel first, then follow with the pennies. If the pennies are dropped in ahead of the nickel, you'll still get only one hour's parking . . . unless, of course, you've dropped in five pennies. It's tough . . . but that's the way they work. If the pennies follow the nickel, you'll get 12 minutes time in addition to the hour for each penny dropped; but if the nickel follows the pennies, you get an hour and that's all.

Third: When there's time left on the meter, take advantage of it. Drop in pennies until you've built it up to the first hour, then if you want a second hour of time, drop in the nickel. If your meter shows 30 minutes remaining, and you drop in a nickel, you'll get only one hour's parking, and you've wasted the 30 minutes. Drop in three pennies instead and bring the reading up to one hour . . . then if you want another hour, put in the nickel.

The meters, Woodell explained, are set to work on 12-minute intervals. There's no way to save fractions of 12-minutes . . . for example, if the meter shows 30 minutes time remaining, you can only take advantage of 24 minutes of that if you want to build up more time by adding more coins. It will take three pennies to build it up to the first hour. But if you use a nickel instead of pennies, you lose the extra 24-minutes which were left on the meter.

It's a little involved, but after you've wasted a few coins, you'll catch on quickly.

Fourth bit of advice offered by the City Marshal: If for any reason your meter doesn't work, look at the number on it and call the City Clerk, telephone 222, and report. Someone will be around to check up within fifteen minutes, and you might save yourself a ticket for overparking.

Mr. and Mrs. Lewis Owens, Galesburg, Ill., have been visiting in the home of her brother, J. B. Storey.

City Commission.

(Continued from Page 1) have been given only instructions on traffic regulations and a friendly warning. Repeated violations however, will bring penalties, Mayor Dameron reported. Cooperation with the new system has been excellent, however, Dameron reported. Since the first day of operation (Saturday, August 9) when more than 150 summons were issued, there have been very few violations. Even persons summoned to traffic court for violations, Dameron said, have been almost unanimous in their approval of the new system.

The ordinance passed by the City Commission Tuesday night, sets up a maximum fine of \$50 for violation of parking regulations or failure to appear in court to answer summons; and imposes a maximum fine of \$100 for violations of sections of the ordinance prohibiting the use of slugs or tampering with defacing or breaking any meter.

The ordinance also specified that the cost of the parking meters shall be paid for exclusively from the proceeds obtained from their operation.

Deaf Smith County Is Second

Ochiltree county again looks like the leading wheat producer in the Panhandle . . . and probably in the U. S. . . with Deaf Smith running second in yield from the 1947 crop.

According to statistics on the crop compiled by the Amarillo Chamber of Commerce, Ochiltree county led in production, with a record-breaking 9,180,000 bushels of wheat, with Deaf Smith coming in a poor second with 7,300,000 bushels.

Hansford county was third with an estimated seven million bushels, and Floyd county ranked fourth with six million.

Ochiltree led all counties in average yield, with a county-wide average estimated at 27 bushels per acre on 340,000 acres of land.

Deaf Smith had the largest acreage in wheat of any county in the area, with an estimated 430,000 acres planted, and the yield was set at 17 bushels per acre by the Amarillo tabulation.

Total yield for the 32 Texas wheat-producing counties in the Panhandle-South Plains area, was a staggering 91,991,400 bushels, valued at an estimated \$183,182,800 . . . about \$650 for every person in the region.

Inquiring Reporter Learns History Of Curious Main Street Visitor

By Ruth Tucker

A trip from Illinois to Texas near the turn of the century, long use as an express wagon in Amarillo and, finally, service as a curiosity and publicity agent are all parts of the life history of the 1904 Reo which chugged up and down Main Street Thursday and Friday of last week.

The Reo corporation put the first commercial vehicle on the market in this country. The one used here for advertising the donkey softball game last week, was manufactured the first year of production at Lansing, Mich., according to J. C. Burkett, Henrietta, present owner.

For the most part, the old auto remains today, as it came from the factory nearly half a century ago. It boasts its original rings, and the head was off and the valves ground for the first time last week.

It has a one-cylinder, eight horse motor. Chain driven, the vehicle has a radiator but no pump, depending solely upon the heat from the motor.

The starter is a crank which is operated from the right hand side of the auto just beneath the front seat. The Reo has two speeds forward, one reverse, according to Burkett. Maximum speed for it is 20 miles per hour.

All four tires are the same ones put on at the factory in 1904, the two rear ones having been made by Goodyear. Tires on the front,

"Purrs like a kitten, doesn't it?"

one of which has been bolted to the wheel, were manufactured by the late Mott Tire Co.

Except for the low gear band replaced in Hereford, the only addition made to this forerunner of the panel truck has been the installation of grease cups in place of the original grease cups.

The vehicle has rear wheel and emergency brakes and is equipped with kerosene headlights and taillight. As for the radiator, Burkett insists it never leaked until it was involved in a collision last summer.

When the truck was new, an Illinois farmer loaded his fami-

Ford School Consolidates With Vega

Patrons of the Ford School District voted 13 to 0 for consolidation with the Vega Independent School District in a special election held last Thursday.

At Vega the vote was 45 to 1 favoring the consolidation.

The election was ordered by County Judge Leonard Foster on petition from residents of the Ford school district. C. G. Richardson was election judge, and polls were at the Ford schoolhouse.

Ford school district was, officially, Common School District No. 12, formed this summer when a portion of the former Common School District 7, which was included in the Hereford Rural High School district, was permitted to withdraw from the Rural High district.

Students from Ford school had been attending Vega schools in previous years by arrangement with the Vega Board of Trustees.

The election last Thursday effected permanent consolidation with the Vega Independent district.

Mr. and Mrs. Bob Wilson returned Sunday night from Monahan where they visited relatives. Marian Jo and Dickie returned home with them after spending the previous week in Monahan.

Hill Makes Plea for Amendment Passage

West Texas Prexy Speaks To Hereford Rotarians Friday

A stirring plea for passage of the "College Building Amendment," which will be submitted to Texas voters Saturday, was made before the Hereford Rotary Club here last Friday by Dr. J. A. Hill, president of West Texas State College of Canyon.

"People of Texas will take a long step forward in the field of higher education . . . or will condemn Texas to a position of mediocrity in higher education . . . depending on how they vote in the election on Saturday," Dr. Hill told Rotarians.

"There isn't a college in Texas, not excepting the University, with adequate facilities to take care of the students who want to attend," Dr. Hill charged. "Texas has built a sufficient number of colleges, but not a sufficient quality."

Hill explained the terms of the amendment, which would permit the 16 state-supported colleges in Texas to issue bonds against anticipated revenue from a proposed 5-cent ad valorem tax for immediate building needs.

The amendment allots 5 cents of the presently assessed 7-cent Confederate veterans pension fund to the state colleges, and at the same time reduces by 5 cents the current maximum ad valorem tax which the State may levy.

There are only 13 living Confederate veterans in Texas, and not more than 1300 to 1400 widows and dependents still living, and the Confederate pension fund has been accumulating huge surpluses, he explained, pointing out that the amendment will take nothing at all away from the Confederate veterans.

J. A. HILL

Funds from the tax would be allocated to the colleges on the basis of enrollment for the 5 years preceding the war, with re-allocation scheduled every ten years during the 30-year life of the amendment.

"I'll grant you that the fund isn't adequate," Dr. Hill told the Rotarians, "but it's ten times better than we have had from the Legislature in the last 20 years."

Since 1927, he pointed out, West Texas State has received a (Continued on Page 8)

Four Antelope Hunts Slated In Texas

Four controlled antelope hunts have been scheduled for October by the Game, Fish and Oyster Commission. The first hunt is

slated for Brewster, Jeff Davis, Pecos and Reeves Counties on October 2, 3 and 4. The second hunt is set for October 6, 7, and 8, in Presidio County, south of the Southern Pacific Railroad tracks. Jeff Davis County gets the third hunt on October 9, 10 and 11. The final hunt will be in Hudspeth and Culberson Counties on October 13, 14 and 15.

Present plans call for the issuance of 600 antelope hunting permits. This number may be increased or decreased after a

count of the antelope is made in August.

Application forms for antelope hunting permits may be obtained from the Austin office of the Game, Fish and Oyster Commission. The hunting permits will cost \$5. If more than 600 applications for antelope hunting permits are received, the lucky 600 hunters will be determined through a drawing.

Under the rules promulgated by the Game Commission at its meeting last week, 1946 hunt alternates and those who withdrew from the hunt after obtaining a hunting permit will be given priority this year. Next in line for the special permits will be those who did not participate in the 1946 hunt. And if there are any permits left they will be rationed out to those who did participate in last year's hunt but who want to hunt antelope again this year.

According to law, a cooperative marketing or buying association may be formed by five or more persons engaged in the production of agricultural products.

Another Letter to the Editor from . . .

The Bootleg Philosopher

Dear Editor:
Every now and then I have been referred to as lazy, not only by my wife but by folks in town who ain't sharp enough to distinguish between brain work and physical work and think if a man ain't bent over a plow goin' up one row and down another, he's bound to be loafin', and consequently I am pleased to report what the United States government has found out after several years study, which I already knew and could have saved the government money on if they'd asked me in the first place, not that savin' money is any government goal.

But accordin' to a article I read in a copy of the Amarillo News which I found out here at Bootleg, the Bureau of Labor Statistics in Washington has made a long study of how much work people turn out and has discovered a man can produce more work per hour in 40 hours in a week than in 48 hours or 58.

Now I ain't sayin' everybody ought to start workin' only 40 hours a week, and I personally don't make any difference to me how much anybody else works, but I am happy to be able to report that me and the experts is seein' eye to eye on this matter and as far as I'm concerned there ain't no use stoppin' at only 40 hours. Reduce it to 30 hours, or 20, or 10, or take off altogether, which is what I do frequently.

As I see it, it ain't how many hours you put in, it's what you turn out or wind up with, and frankly, I been cured ever since 1921 when I worked the entire year and wound up owin' the bank twice as much as my crops sold for. Ever since then I have devoted more time to thinkin' and less to plowin', and while it may be true I ain't got nothin' in the bank, the bank ain't got nothin' in me, either. If you're gonna wind up at the end of the year broke anyhow, my theory is why not do it comfortably and in the shade?

However, understand I ain't advocatin' this plan for everybody. Just you and me and the legislature and a few others.
Yours faithfully,
J. A.

Those enjoying the party were Mesdames Ben Ezell, Worth Ware, Alton Biggers, Joe Smith, Clyde Cave, M. W. Nobles, Pete Cowart and the hostess.

The U. S. Department of Agriculture forecasts that the final count on the nation's wheat crop will be 1.4 billion bushels, the largest crop on record. That record would be 61 percent above average production, and 24 percent above last year's production.

The volume of production of all U. S. crops this year is expected to be a little over last year's high record, well above the 10-year average, and slightly over the average for U. S. farmers' best years, 1942 to 1946.

A bumper rice crop of 75.5 million bushels is expected from U. S. rice growers this year. Such a crop would exceed last year's record crop by 4 million bushels.

LEGAL NOTICE

NOTICE OF ELECTION
STATE OF TEXAS,
COUNTY OF DEAF SMITH:
To the Resident, Qualified Electors of Deaf Smith County, Texas, who own Taxable Property in said county and who have duly rendered the same for taxation:

TAKE NOTICE that an election will be held in Deaf Smith County, Texas, on the 9th day of September, 1947, on the proposition and at the places more particularly set forth in the election order passed by the Commissioners' Court on August 15th, 1947, which is as follows:

"AN ORDER ordering an election to be held in Deaf Smith County, Texas, on the proposition of the issuance of bonds for the enlarging and equipping of the existing county hospital.

WHEREAS, there was on this day presented to this Court, the petition of O. F. Cowart and 349 other persons asking that this Court provide for the enlarging and equipping of the existing County Hospital, and that an election be ordered upon the question of issuing bonds of Deaf Smith County for the purpose of enlarging and equipping the existing County Hospital within said County; and

WHEREAS, the Commissioners' Court has found, and hereby

Now—you can have Power-Line Voltage WITH THE NEW 110-VOLT D.C. WINCHARGER

And—you can use "standard" appliances! Those "standard," "city-type" appliances that operate on universal current—that is, on either 110 volt A.C. or 110 volt D.C. electricity, such as radios, vacuum cleaners, toasters, food mixers, coffee makers, for example—can be operated on the new 110 volt Winco Power Wincharger.

Also, most motor-driven appliances, such as washing machines, water pumps, milkers, separators, drills, grinders, etc., can be bought for 110 volt D.C. operation. No longer do you have to buy special, "farm-type," appliances, except for hermetically-sealed refrigerators and automatic, thermostatically-controlled heating appliances. And even in the case of these appliances, refrigerators with "open-type" compressors and non-thermostatically-controlled irons are available. Simple provision can be readily made for operation of radio-phonograph combinations.

Furthermore, you can use standard 110 volt house-wiring with the new 110 volt Winco Power Wincharger. Same wire, at the same cost, as in town.

The 110 volt Winco Power Wincharger provides sufficient electricity for a well electrified farming operation—much more electricity than the average R.E.A. customer uses (based on latest R.E.A. annual statistical report).

And—economical—no monthly "electric bills"—power from the free wind.

(1) "Standard" appliances. (2) Standard wiring. (3) Plenty of electricity. (4) Economical. (5) Available now! So—Why wait?

"GET YOUR Butane-Propane System READY FOR WINTER!"

Can your butane or propane tank serve you through the four winter months without refilling? The Texas Butane Dealers Association urges you to take stock now. If not, you may find yourself without heat in the coldest months of the year.

By doing this, your winter supply will be in your tank when you need it most. This situation is not new. The farmer has always stored grain early for winter. Housewives can summer foods for winter use. And by taking less time for your dealer's services, he can supply you and your neighbors more economically at the very time when road conditions are worst.

Hundreds of new industries developed during the war—plastics, synthetics, chemicals, etc.—have placed a tremendous demand for butane and propane all year round. On the other hand, domestic users burn four to seven times more gas in winter than in summer, but your dealer can furnish you very little more gas in cold months than in warm months. In order to balance this situation, heating gas users must plan to buy their winter supply at least four months ahead.

The Texas Butane Dealers Association urges you to drop in and see your local gas dealer as soon as possible. Consult him before you buy any system. He knows butane-propane, and will do everything he can to help you get ready for winter now.

Hereford Teacher Is Married

Miss Ruby Weast, who was commercial teacher in Hereford High School last year, was married at high noon Saturday, August 16, in the home of her parents, Mr. and Mrs. W. N. Weast, in Silverton, to William Porter Smith, son of Mr. and Mrs. E. J. Smith of Tampa, Fla. Earl Cantwell, Church of Christ minister, read the service.

Music for the wedding was furnished by Miss Theima Mercer, accompanied by June Wimberley of Canyon, who sang "I'll Get By," and "Ah Sweet Mystery of Life," and Miss Carlyn Wimberley of Canyon who gave a violin solo.

Vows were exchanged before an improvised altar arranged with pink gladioli, carnations and lighted tapers.

Attending as matron of honor was the bride's twin sister, Mrs. Kenneth Lee Jones of Slaton. She wore pale blue organdy with corsage of pink rosebuds. Cjovis Hill was best man.

The bride, given in marriage by her father, wore a gown of imported organdy designed with tulle yoke, long fitted sleeves and a peplum which extended into a train in the back. Her fingertip veil was of bridal illusion and she carried a white Bible on which rested a white orchid surrounded with orange blossoms and showered with white satin ribbon.

Following the reception the couple left on a trip to El Paso and Mexico. They will be at home at Gainesville, Florida, where he is attending the University of Florida.

Mrs. Smith was graduated from West Texas State College, Canyon, where she was a member of Gamma Phi Sorority, Alpha Psi Omega, national speech fraternity and Alpha Chi, national honor society.

Sunshine Club Meets

The Sunshine Club met with Mrs. C. E. Shepard Thursday afternoon with sewing for the hostess as diversion for the afternoon. Mrs. B. C. Dement was co-hostess.

At the conclusion of the party refreshments were served to Mesdames B. E. Rhoades, J. K. Wederbrook, W. W. Wells, Clint Lundry, Tommy Aaron, Oscar Vaughn, and the special guests, Mrs. O. M. Gentle and Mrs. H. G. Harris, Sanger, and Misses Bonnie Faye and Mary Lee Roberts of Plainview.

The next meeting will be held with Mrs. B. E. Rhoades on August 28.

Mr. and Mrs. Lloyd Alleman, Alleman, Iowa, are house guests this week of Mr. Alleman's aunt and uncle, Mr. and Mrs. E. C. Eubanks.

DETTMAN LUNCHEON

Mrs. Emile Dettman was hostess at an attractively arranged luncheon at her home yesterday. Informality was the keynote of the party with mixed garden flowers in bouquets for the floral accent.

Dr. and Mrs. Norman Harris of Hereford, attended the quarterly meeting of District One Society of Osteopathic Physicians and Surgeons in Amarillo Sunday afternoon and evening. Mrs. Harris gave three violin solos at the program for the District One Auxiliary which held into the afternoon in the Old Tascosa room of the Herring Hotel.

Mr. Smith spent three years in the Army and since his discharge has attended the University of Florida. He is majoring in electrical engineering.

Teaching Your CHILD

(Note—This is the sixth and final article taken from programs presented before the Child Study Club, and the El Nine Study Club during the past club season. The following article was written by Mrs. Cawthon Bryant, for the Child Study Club.)

hand again, it is a wise parent who begins thinking of preparing the child in advance for his new role. It is not too late for a physical check-up in order that minor ailments can be taken care of, and once that is over he should be prepared mentally for the classroom, the teacher, and other children.

The School Child Needs Help Now that school time is at

One of the first essential things that he should be taught

What's the secret of all this popularity?

—SAID ELSIE, THE BORDEN COW

BEULAH: "And it's lighter for little kids to carry."

ELMER: "You mean my popularity? Well, I'll tell you—"

ELMIE: "Don't be silly dear I mean the popularity of Borden's new Single Service Container. Do you suppose it's because the carton is so nice? It's mechanically filled and sealed, you know—never used a second time! Or, is it because the carton saves the wife a lot of bottle washing?"

ELMER: "And saves the old man cutting his hooves on broken bottles!"

ELMIE: "Come, come! At this rate, we might as well just run the whole lot of adjectives and let people choose for themselves!"

Look at the "extras" you get with Borden's Single Service Container!

1. NO BOTTLES TO WASH—When the container is empty, just throw it away.
2. NO BOTTLES TO RETURN—No deposits to pay.
3. HEALTH PROTECTION—The new paper carton is mechanically formed, filled and sealed... never refilled.
4. EASY TO HANDLE—This carton is square in shape, light in weight... and there's no breakage to worry about. Children carry it in perfect safety.
5. SAVES SPACE—You can store 6 cartons where only 4 old-fashioned round glass bottles will fit.

is how to get along with other children. Often a timid child will slip into the classroom without daring to glance around. He is not prepared for the other children and sometimes he suffers privately because he is confused. On the other hand there is the little bully who, also not prepared for the other children, seeks to bluff his way through.

One good rule for getting around both of these handicaps is "Don't let your child be different." Study the wardrobe of the school child to see that he is dressed like the others. See that he looks neat, clean and inconspicuous. If he is outstandingly pre-coxious, try to keep him humble or if he seems a little slow, build up his morale against an inferior complex. In both instances, if he has acquired habits of generosity he is a long way ahead.

Remember a little egotist can be as unhappy as the uncertain child and much can be done through guided play to correct either situation. Do not deny a child's talents, on the other hand point out the diversity of talents in others in games. Call his attention to games in which he won't come out on top and which demand good sportsmanship. And no matter how proud you are of him, don't boast of his being smart before him.

The second essential a child must learn is how to get along with the teacher. Up to now he has known no authority but that

of his parents. Now a new boss steps in for most of his waking hours, and if you have pampered your child he may have some trouble. Intelligent teachers do not encourage children to be toadies or tattle-tales and if a pre-school child has been taught the rights of others, that the teacher has to consider everyone alike, he will readily understand when the teacher gives all the same consideration.

Put your self in the teacher's place and imagine what qualities of character warm her heart. She cannot help being moved toward the child who is clean and neat, who is courteous, smiling and friendly and energetic. She values too, the qualities of alertness, daring, curiosity, independent thinking.

Talk with your child about frankness and honesty before he starts to school. Teach him to be honest with the teacher as he has been with you, assuring him of her kindness and helpfulness, even citing instances of kindness given other children by teachers. Draw a picture of someone fine and good as the new teacher, and when he sees her she will appear that way to him.

Then before too long, make a visit to the classroom, get acquainted with the teacher. Let the teacher know you stand ready to give her any assistance possible, and let the child know you are right behind him in this school business. When difficulties arise let him know you are loyal to him but that you are going to be fair to the teacher too. Make few complaints on either side.

Sometimes parents overlook the fact that a child needs a place in the home where he can be quiet and think about school—and later on, where he can study. Stay in your child's world with him, building up an interest in his school work as he progresses. Be lavish with your praise and stingy with your criticism. You can help him walk sturdily in the paths of education or you can turn it all over to the teacher, who try as she may, cannot do her part and the parents' too.

Schools of today are different from those of a former generation. Parents should read and

study what the experts in education and psychology have to say if they are interested in the physical, mental and emotional well-being of their children.

It is a bewildered and sad young mother who realizes too late, that she has done nothing whatsoever in advance to prepare her child for his adventure in school and that he must face the months ahead with little or no equipment for a happy and normal development.

The cotton leafworm is not known to survive the winters in the United States. New infestations are started each spring by moths that fly in from the south and lay their eggs on cotton.

Boll weevils pass the winter as adults in weeds, grass, woods, trash or other protected places near cotton fields.

New Advantages
for
FASTER FARMING

We are proud to announce our appointment, effective July 1, 1947, as authorized dealer for the new Ford Tractor and Dearborn Implements.

The new Ford Tractor combines twenty-two important improvements with the former advantages of Ford-built tractors. Come in and get all the interesting details. Also, for parts and service on any Ford-built tractor, be sure to call on us.

Designed by expert implement engineers and tested by practical farmers, Dearborn Implements are especially made to work with the Ford Tractor—either the new or the former model. And implements used with the former model will operate equally well with the new Ford Tractor. Let us tell you about them.

MARKETS

(USDA) — Most farm products sold steady to strong last week, but many weak spots developed in livestock and vegetable markets, according to the Production and Marketing Administration, U. S. Department of Agriculture.

Cotton prices broke sharply following government cotton crop report, but rallied late in the week to close mostly 25 to 75 cents lower. Lowered quality in South Texas caused by recent rains slowed interest of buyers who want higher grades.

Grain markets showed more tendency last week.

Wheat and barley changed very little, while corn and oats made slight gains, and sorghums closed a little higher after some fluctuation. Varying weather conditions in the corn belt affected the daily market on feed grains, and more new crop Texas corn was sold.

Early harvested lots of new crop rough rice sold around \$10.50 to \$11 per barrel last week, and milled rice around \$12.50 per hundred pounds. Alfalfa hay found active demand at higher prices, but prairie hay turned slow and draggy. Farmers' stock peanuts met good demand in South Texas, where picking increased. Wool buyers slowed activities in order to inventory recent heavy purchases.

Northern Colorado potatoes sold about steady last week, but

San Luis Valley peas and cauliflower dropped to lower levels. Watermelons moved in somewhat unsettled markets, as the changing weather conditions affected quality as well as demand. Liberal supplies of ordinary to fair quality tomatoes brought lower prices. Onions and potatoes found rather dull markets. Plentiful peaches held about steady.

Top quality eggs sold a trifle higher on most southwest markets last week, and hens strengthened slightly at Dallas. Heavy hens brought 23 to 25 cents per pound at Dallas, 22 to 24 at Ft. Worth, 24 to 26 at Denver, and 29 to 31 at New Orleans. Best white candled eggs sold around 50 cents a dozen, and mixed at about 45.

Most steers, yearlings and

heifers sold strong to \$1 or more higher at Denver and Oklahoma City last week, but grassers fell as much as 50 cents at the latter market, and yearlings weakened at San Antonio. Cows sold lower at Houston, Denver and San Antonio; while calves and stocker classes went at steady to lower levels at San Antonio, Wichita and Denver. Good cows brought \$14 to \$15 at Houston and San Antonio, and \$15.50 to \$18 at other southwest terminals.

Sheep and lambs moved at strong to sharply higher prices at Fort Worth last week, but spring lambs showed some weakness at Oklahoma City and Denver, and feeder lambs and goats fell at San Antonio. Medium to good spring lambs brought \$18 to \$19.50 at San Antonio, and \$20 to \$23.50 at Fort Worth and

Wichita.

Hog prices dropped \$2 to \$3.50 at Denver last week, while at Oklahoma City slaughter classes lost 50 cents, and pigs fell \$2 to \$3. All classes sold strong at Wichita, and mostly steady to strong at other southwest terminals.

Closing bulk of good and choice medium weight butcher hogs went largely at \$27 to \$27.50.

County H. D. Council Meets At District Courtroom Saturday

Deaf Smith County Home Demonstration Council met Saturday afternoon in the District Court Room. During the session Dorothy Young and Jeanette Scott, president and vice-president of the Sadie Lee Oliver 4-H Club at Westway, were elected as delegates to attend the 4-H Round-Up at College Station the first week in September. Mrs. Grace Little, a member of the 4-H committee, was elected as sponsor to accompany the girls. Mrs. George Epting was elected

alternate. Mrs. Draper, CHDA, explained the plan for canning vegetables for Boys' Ranch. The canning will be done at Central School Cafeteria from August 19th thru August 30th. Pressure cookers and sealers are needed and every club woman is urged to assist in the canning. Clubs responsible to send members to help through August 25-30, include Westway, August 25, Progressive August 26, Sims, August 27, Wyche, August 28, West Hereford, August 29, and South Hereford, August 30. Westway and Bippus Clubs had perfect attendance.

Those present included Mrs. Tom Draper, CHDA, Mrs. Earl DeHart, Mrs. R. E. Barrett, Mrs. R. A. Fullwood, North Hereford; Mrs. Merlin Kaul, Mrs. Joe Landers, Mrs. Grace Little, Mrs. Earl Scott, Westway; Mrs. R. W. Perry, Mrs. Paul W. Metcalf, Heselman; Mrs. Chris Wegner, Mrs. George Epting, Ford; Mrs. J. G. Fortenberry, Mrs. J. V. Perrin, Mrs. Irene Ballard, Bippus; Mrs. F. E. Finney, Mrs. E. W. Shugart, Fairview; Mrs. A. G. Hershey, Mrs. J. M. Carathers, Dawn; Mrs. W. A. Springer, Frio; Mrs. Clarence Hollabaugh, South Hereford; Mrs. Orville Groneman, Sims; Mrs. T. J. Parsons, Mrs. Ira Ricketts, Progressive; Mrs. Vern Witherspoon, Mrs. Carlos Vaughn, West Hereford; Mrs. Paul Wilson and Mrs. Ira Ott of Wyche.

Clubs are requested to bring a list of officers and demonstrators for 1948 to the council meeting in September.

Hill Makes...

total of \$180,000 from the legislature for building purposes. Only one new building on the campus, the new Science Hall constructed two years ago, has been built with State funds. Other construction on the campus has been accomplished with borrowed money which students are re-paying, Dr. Hill explained.

Under the proposed amendment, West Texas State would receive an estimated \$2,436,000 in revenue for building purposes during the next 30 years. Texas Tech at Lubbock would get \$7,425,000. Other state colleges would benefit proportionately.

The amendment has been endorsed by all the state colleges, and by practically every organization in the state. Even the West Texas Chamber of Commerce which fought the college plan in favor of a WTCC plan to divide University funds among the other state colleges, has added its support to the amendment.

Reaching Amarillo, the farmer evidently sold the vehicle, and it was used for many years as an express wagon to and from an Amarillo depot. In later years, Dave Manges, Plainview, traded a Model A car for the Reo. Manges then drove

the 1904 auto and eight or ten passengers to the Dallas Fair from Plainview. Burkett bought the old car from Manges in 1943 at a price of \$300. He estimated the original cost at \$1500. Using it to publicize donkey softball games all over Texas, the owner has driven it between 7,000 and 8,000 miles in the four years he has had it. The Henrietta man also owns several other old model automobiles including a 1900, one-cylinder Cadillac; 1916 model Buick touring car; 1909 touring Buick; 1900 Brush, also one cylinder; and a 1910 friction drive Metz.
