SIGHTS, FACES SEEN

In a Brand editorial in Sunday's paper, June 30 was listed as the last day to begin G.I. Educational training. That date should have been July 25.

Van Coltharp will leave Amarillo Sunday via TWA airlines for San Diego where he will undergo two weeks training with the U.S. Naval Reserve at a motion picture operator's school. Coltharp is an Electrician's Mate First Class in the Reserve.

The board of the Deaf Smith County Federation of Women's clubs will meet Saturday afternoon at 2:30 in the County Court room, according to Mrs. Elmer Patterson, president. All club presidents and Federation officers and counselors are expected to attend.

Mrs. Ethel Williams of Fort Worth visited recently with her mother, Mrs. E. J. Williams in Hereford. Traveling by plane, Mrs. Ethel Williams is en route to Anchorage, Alaska, where she will take up a two-year position with the government. Her brother, Thomas Williams, lives in Fairbanks, Alaska.

Mrs. Fred E. Winfrey of Hereford is second place winner of one of the sewing machines which was offered as a prize in the unscrupulous contest conducted through advertisements. Mrs. Winfrey clipped the Standard Store ad from the Brand and entered the event.

B. H. Rigler, drivers license examiner for the Texas Department of Safety, will resume testing for driving licenses at the courthouse on Tuesday, June 19.

Mrs. W. G. Gilliland attended the Fourth Annual Texas Conference for Veterinarians at College Station June 7 and 8.

Francis Hardwick says all golfing fans should be interested in a new nine-minute sport short coming to his Star theatre Friday and Saturday, June 15 and 16 on "Slamming Sammy Shead." The release is so new, Hardwick said, that none of the trade magazines have reviewed it as yet.

Bull Barn is Operations Base For Rat Drive

City Sanitarian Hollis Rainey said today that the Bull Barn would be the point for dispensing warfarin poison and instructions for its use in the county-wide rat drive which began Monday.

T. J. Sparks, government fieldman being brought here to supervise the activities during this week, will be there all week long to give assistance.

Rainey contacted merchants here on locating and poisoning rats on their premises.

Dawn - Wildorado F-M Work OK'd

Completion of a hard-surfaced road all the way from Dawn north to Wildorado was assured the county this week through a minute of the Texas Highway Department forwarded to the commissioners court.

The department designated the eight-mile strip between the south end of FM809 and the north end of FM1082 as eligible for inclusion in the Federal Aid Secondary system. Deaf Smith county is to provide the right-of-way for construction—work which is now being carried on. When the county has fulfilled its obligations in regard to the securing of these easements, the highway department will proceed with letting of bids, authorizing construction, and will assume the road for maintenance upon completion.

THIS IS THE AUTO involved in the second collision Monday night at the intersection of Highway 60 and Park Avenue, which resulted in serious injuries to Hereford Chief of Police Floyd Reeves. Miss Billie Jo Perez was driver of this vehicle, which hit the rear of the previously-damaged 1941 Dodge sedan belonging to Salvador Garza and driven by Marion R. Miller, both residents of the Hereford Courts. Brand Staff Photo.

GARAGE MEN WERE just removing the Garza auto from the scene of Monday night's wreck when the above photo was taken. The car, which hit a pickup while attempting to make a left turn off Highway 60, came to rest facing northeast until hit again by the auto in the top picture. After the second collision, the auto was swung around to where it faced southwest from a new position on the northwest corner of the Highway 60-Park Avenue intersection. Brand Staff Photo.

Reeves Condition Fair; Hurt In Crash Investigation Monday

Floyd Reeves, Hereford chief of police, was reported to be in fair condition late Wednesday at the Deaf Smith county hospital where he was taken after being struck down while investigating a traffic accident at the intersection of Park Avenue and Highway 60 at about 9:05 p.m. Monday night. According to his physician, Reeves suffered lacerations on the back of the scalp, a concussion, and bruises on the lower legs. No X-rays have been taken as yet to determine if there were any neck or back injuries. There were no internal injuries.

Chief Reeves was injured when he was struck down by a car previously damaged in a collision after it was hit from behind by a third vehicle driving east on Highway 60. Driver of the third car, a 1949 Ford, was Miss Billy Jo Perez of Hereford.

Mrs. Welty, a passenger in the pick-up, was taken to the Deaf Smith county hospital for emergency treatment and later released. L. C. Swindell, a passenger with Miller, was uninjured. Miller, Swindell, and Salvador Garza, owner of the 1941 Dodge, are all workers on the construction firm at Bradley Grain company and have temporary residence in the Hereford Courts. Damage to the Garza vehicle was confined to the right side and front end and amounted to about \$300, Dumas estimated. Damage to the left front end of the pick-up was about \$150, he said. Chief Reeves and City Patrolman John Gary were called to investigate the accident. The pick-up pulled over to the right side of the highway, Dumas said, while the sedan was still

in the middle of the road headed in a northeasterly direction. Reeves and Garza walked around the front of the sedan to survey the damage. It was while Reeves and Garza were examining the car that the eastbound Ford, driven by Miss Perez, struck the rear of the Dodge, swinging it around to the right, with the Dodge coming to rest headed southerly direction at the northeast corner of the intersection. Dumas said that according to reports furnished him, the Dodge hit Reeves, knocking him to the pavement, and that the vehicle passed over his body, although it cleared his body. Garza suffered lacerations on the forehead. He was treated at Deaf Smith county hospital and later released. Dumas said he estimated the damage to the auto driven by Miss Perez at approximately \$500. He said that at the time of the accident it was not raining but that the pavement was wet and slippery from the rain that fell earlier in the evening.

Mrs. J. D. Carr of Canadian, who is now attending summer session at WTSC, visited over the week end in the home of her daughter, Mrs. Jed Miller. Mr. and Mrs. Byron Durham and Lu left Wednesday on a three-week vacation through the western states. The Durham's plan to go a short distance into Canada, and to highlight the trip with stops at Yellowstone National park and the Grand Canyon. Relatives in Tucson will be visited before their return the first part of July.

Relatives in Tucson will be visited before their return the first part of July.

BEEF SUPPLY DOUBTFUL AS STOCKS DWINDLE

Next week and the weeks thereafter, in this OPS-regulated business world, are a big question mark to the majority of meat dealers in Hereford, according to a survey of local butcher shops conducted by The Brand on Wednesday.

One store that does their own slaughtering expects to have enough beef for their customers, provided that out-of-town shoppers don't begin to flock in.

But the majority of the shops that depend upon other killing sources are not so sure. It seems that even though there are some cattle for the packing houses to buy, they say they can't meet costs by paying the live-weight ceiling.

Castor Bean Farmers Form Cooperative

The Castor Bean Farmer's Cooperative Society was formed in Hereford Friday night with approximately 20 castor bean farmers meeting at Hotel Jim Hill.

Six directors were named. Officers will be chosen at a later date from among the board members.

Named to the board were: Walter Galley, Virgil E. Dodson, Jack Dean, Fred Inman, Walter Paetzold, and C. A. Rettman.

No capital stock is required for the cooperative, which is formed for the purpose of buying seed and machinery and planting and selling their agricultural commodity.

Organizational Meeting Friday For Hwy. Group

An organizational meeting of the local Highway 60 Association will be held Friday at 1 p.m. in the Chamber of Commerce office. A. J. Schroeter, chairman of the CC's highway committee, said today.

All those interested in promoting more traffic on Highway 60 are invited to attend. A report will be given of the national association's meeting held May 18 and 19 in Riverside, Cal., by Schroeter, who is a member of the national association.

Schroeter said a local association may do many things to create goodwill and consequently promote business.

Whisenand Named To Position at Santa Barbara

Norman Whisenand, State Public Welfare director, announced his acceptance of the position of educational director for a boy's school near Santa Barbara, Calif.

The Whisenand's plan to leave in about a week. Mr. Whisenand is to report to the school July 1.

Thirty Men Called for Pre-Induction Exams

Thirty men were notified this week to report for pre-induction physical examinations on Tuesday, June 19, by the local selective service board. Notices were sent to the following:

Isaias V. Gomez, Grady W. Morton, Frederic T. Nixon, Charles T. Busby, Robert A. Anderson, John E. Axe, and Earl Bridges, all of Hereford.

Martin G. Jensen, Albert M. Fischbacker, Lenneth L. Gillen, and James P. Mayo, all of Amarillo. Homer F. Harvey and Roy E. Henderson, Canyon; John Sylvester Birkenfeld, Tulsa; Harold E. Bryan, Richmond J. Payne, and George L. Barrett, of Happy.

Tax Re-Allocation Election Ordered

A special election on the re-allocation of Deaf Smith county tax levies was ordered for Tuesday, July 17 by the commissioner's court at its regular meeting Monday, June 11.

Purpose of the election — which can be held once each six years — is to re-apportion tax levies under the 80c per \$100 legal limit so one fund may be adjusted either up or down by raising or lowering the levies.

Under the proposed rates submitted by the commissioner's court, the county fund (general fund) would be raised from 40c per \$100 valuation to not more than 42c per \$100 valuation.

The supplement to the county jury fund would be lowered from 5c per \$100 to 3c per \$100 to compensate for the raise in the levy for the general fund.

All other funds will remain the same: roads and bridges, not to exceed 15c per \$100; and not exceeding 20c per \$100 for erection of public buildings and other permanent improvements. Those were the rates approved by the voters at the last re-allocation election in Deaf Smith county held on August 25, 1945.

Re-allocation of tax was approved by the legislator in 1944. It is designed, in this case, to

Storm Postpones Initial First Aid Session

Due to Monday's storm, there wasn't a large enough attendance at the Red Cross first aid course at Shirley school to warrant giving the first lesson, according to Mrs. Dyalitha Bradley, executive secretary.

The standard first aid course — which is open to all those interested — will begin Thursday night at 8 p.m. at the Shirley school auditorium.

T. J. Clay Named Jaycee President

T. J. Clay was elected president of the Hereford Junior Chamber of Commerce at the regular meeting of the group Tuesday in Hotel Jim Hill.

Otis Hall was named vice-president of the group. Dick Lucas, outgoing president, will serve as vice-president and state director during the coming year.

Members of the board of directors are: Harold Loerwald, Bill Howard, Wayne Thomas, Roy Peet, Bob Blount, Earl Prather, and John Aiken.

Dick Barrett, Noland Grady, Frank Miller, Edgar Skypala, and Jim Terry are hold-over directors.

The secretary and treasurer of the group will be selected from the board of directors. Officers for the coming year will be installed at an installation banquet June 22 at Hotel Jim Hill. John Aikin, Paul Conaway, and Jay Sullivan are in charge of the arrangements for the installation.

Three Enlist In Air Force

Three men enlisted in the Army Air Force during the last week, according to Sgt. Hicklin Harrell, local Army and Air Force recruiter.

Charles Truman Busby, son of Mr. and Mrs. M. E. Busby of Hereford, left Saturday night for Amarillo to take his physical. He was sent to Lackland AFB, San Antonio Monday morning for his basic training.

John Earl Axe and Horace Vern Nazworth left Hereford Monday morning for Amarillo and were sent to Lackland on Tuesday for their basic training.

Axe is the son of Mr. and Mrs. H. L. Axe, of Route 3, Hereford. Nazworth is the son of Mr. and Mrs. W. J. Nazworth of Route 2, Friona. All three enlistments were for a four-year period.

bring more operating funds into the general fund. Balloting places and presiding officers for the various precincts are: 1—courthouse, Troy Moore; 2—courthouse, Tom Alderson; 3—Old Roe residence, P. B. Howell; 4—Sims community house, J. G. Fortenberry; 5—Fairview school house, R. L. Campbell; 6—Ford school house, George Larson; 7—Dawn school house, H. H. Miller; 8—Garcia community house, Lewis Smith; 9—Bippus community house, C. F. Rickels; 10—Daniel school house, C. L. McBroom; and 11—Central school building, J. T. Clark.

Labor Camp Nursing Program Starts Fri.

A visiting nursing program has again been approved for the labor camp south of town, according to Mrs. Dyalitha Bradley, Red Cross executive secretary. It will start Friday, June 15.

Mrs. Frank Wilhelm and her daughter, Miss Florence Wilhelm, R.N., will be in charge of the program. Both will conduct the program in addition to their duties at the Deaf Smith county hospital.

Cost of the nursing program, which will run until September 1 and possibly until September 15, will be approximately \$375 per month. As in the previous two years the program has been carried on, it will be supported by the city and labor camp officers.

Mrs. Bradley said the fact that the death rate at the camp was reduced during the past year was directly attributable to the nursing program with regular check-ups and the nurses seeing to it that the sick were taken to hospitals.

The nursing program will be a visiting and inspection routine. The entire camp will be canvassed and classified by a visit of each residence. Then the regular checks will be made of each residence periodically. Mrs. Wilhelm and her daughter will also supervise a care-

ful program of spraying and other health practices as directed by Dr. L. B. Barnett, county health officer.

The visiting nurses will spend about six hours each day in the entire community.

The nursing program was first introduced here by a group of citizens including: Dr. L. B. Barnett, J. T. Glibreath Sr., Judge L. H. Foster, Miss Pearl West, Palmer Norton, J. K. Baker, W. N. Hodges, E. L. Adams, Dyalitha Bradley, and Mayor W. E. Dameron.

J. B. Noland Elected Master Of Masons Here

J. B. Noland was elected master of the local Masonic lodge Monday night at the lodge's regular meeting.

Other officers selected were the following: Robert Wagner, senior warden; Bill Phipps, junior warden; Bill Bradley, tiler; Robert Thompson, secretary; and Troy Stambaugh, treasurer.

The officers will be installed at the next regular meeting, July 9.

Palmer Norton Regular Member Of PMA Board

Palmer Norton, first alternate on the Deaf Smith county Production and Marketing Administration committee, was elected as a regular member of that group this week.

Norton replaces E. L. Adams who has sold his farm and moved to near Bentonville, Ark. Adams was a member of the county committee for 2 1/2 years.

Norton was chosen first alternate by Deaf Smith county farmers in PMA elections held last fall.

Mr. and Mrs. Guy Smith, Judy, and Sue, of Tulsa, were week end visitors of their son, Loy Smith, and sons, and in the home of their daughter, Mrs. E. W. Curtisinger.

Jimmy Yancey, 20-year-old son of Mr. and Mrs. C. W. Yancey, will attend a six-week ROTC camp at Ft. Hood beginning Saturday, June 16.

Carol Hays, 5-year-old daughter of Mr. and Mrs. Charlie Hays of Dimmitt, is visiting her cousin, Ruth Ann Allison, daughter of Mr. and Mrs. Jim Bob Allison.

Vegetable Harvest Labor Supply OK

The Deaf Smith county vegetable harvest will not be affected by labor shortages this harvest season, Tom Bourland, farm placement representative for the Texas State Employment commission told the County Mobilization committee Monday, June 11.

Bourland told the group that the day labor shortage is not acute, but regular labor has

been short for some time. According to information available to Bourland, Deaf Smith county vegetable growers will have plenty of help available for their crops.

The good labor supply will be especially evident during the potato harvest when regularly contracted crews will come in to handle the crop.

## Star Theatre Selected for "Ft. Worth" Area Premiere

**Romantic Triangle** — Randolph Scott (left), David Brian and pert Phyllis Thaxter are involved in a three-cornered problem in "Fort Worth," Warner Bros. dramatic film story of the old Southwest, produced in color by Technicolor.

The Star Theater in Hereford is one of a limited number of movie houses in the Southwest to be included in a premiere showing of the new Warner Brothers Technicolor movie, "Ft. Worth."

"Ft. Worth", starring Randolph Scott, David Brian, and Phyllis Baxter, will come to the screen of the Star for a three-day engagement on Sunday, Monday, and Tuesday, June 17, 18, and 19.

The world premiere of "Ft. Worth" was held Wednesday night in Ft. Worth and was attended by Scott and other stars in the picture.

The supporting cast assembled for the new Warner Bros. Technicolor production is one of the most versatile to go before the cameras in many years. In addition to such well-known Western favorites as Bob Steele and Kermit Maynard, who play "heavy" roles in "Fort Worth", the roster of performers includes Emerson Treacy, once a reporter for the Philadelphia Record and press representative for American Red Cross chairman Basil O'Connor during

World War II, Paul Picerni, who, when not appearing in Warner Bros. productions is public address announcer for the Los Angeles Rams football team, and Dick Jones, erstwhile child movie performer, who at the age of 23 is concentrating on straight dramatic acting after an earlier career as a juvenile trick rodeo performer. Young Jones' father, incidentally, is a newspaperman in Overton, Texas. Jones plays a cub newspaperman in "Fort Worth."

Another performer in the "Fort Worth" cast is Zon Murray, a veteran actor who holds a unique sort of film record as a specialist in unsuccessful violence. In his fifty-three pictures, Murray has come to a bad end no less than 35 times.

"Fort Worth" went into production just as Randolph Scott was voted one of the ten top Hollywood stars by the motion picture exhibitors of the nation. The new picture gives the popular Scott the role of a hard-fighting pioneer editor,

handy with his guns as well as his printing press.

### In Service

Bruce D. Wiggins, seaman, USN, son of Mr. and Mrs. L. L. Wiggins of 1641 West Second St., Hereford, is serving aboard the destroyer USS Rooks, after helping remove her from "moth balls" at the U.S. Naval Station, San Diego, Calif.

Wiggins, who entered the service Feb. 9, 1948, was formerly employed by Fraser Milling Co. He attended Hereford High School.

Mr. and Mrs. Donald Robbins and daughter Lynn of Nashville are visiting in the home of Mr. and Mrs. Dick Culpepper. Mrs. Robbins is the former Robina Culpepper, daughter of Mr. and Mrs. Culpepper.

An ancient custom of India called for the widow to cremate herself on the funeral pyre of her husband.

## Local 4-H Girl in State Dress Revue

Miss Betty Lou McGaughey will represent Deaf Smith county 4-H clubs in the State Dress Revue to be held at College Station June 26, according to Doris Mahaffey, assistant County Home Demonstration agent.

Mary Routh and Nena Roberson, clothing specialists for the Extension service of Texas A&M, say 145 garments have been entered for judging in the final revue.

The revue is the achievement event for all 4-H club girls in Texas who have worked on the

clothing demonstration this year. The specialists say that 9596 girls entered garments they made in the county revues.

Home demonstration agents and adult leaders in more than 145 counties have trained girls in color and pattern selection, choosing fabrics, finishes, and accessories, and proper grooming. The girls have learned through these lessons, through demonstrations, from seeing colored slides, and by actual sewing in the home.

In the Sunday Brand, June

3, Wilma June Wilcox was reported as being on the poultry judging team that is to go to the State Poultry Judging contest June 25. Miss Mahaffey reported Wednesday that Miss Wilcox will be replaced by Mary Cayton, of the Jolly Girls club. Mrs. N. D. Bartlett is going as an adult leader to the contest.

While other Presidents have died in office, William Henry Harrison and Zachary Taylor are the only ones whose deaths occurred in the White House.

President Hoover originated the practice of having a private phone on his desk.

The United States and the British Empire are the only major countries without universal military training.

# Hereford One-Hits to Win Over Tulia Tuesday, 10-2

Hereford won over the Tulia D.A.V. baseball team at Veteran's Memorial park Tuesday night by a wide 10-2 margin.

The locals scored heavily on the unearned run side as their silent bats banged out only one safety off the slants of two Tulia twirlers.

Tulia, meanwhile, picked up six bingles off Winkler and

Gomez.

Love, slender moundsman for the visitors, paid heavily for his wildness as he issued five free passes and hit two batsmen to give Hereford the advantage early in the game.

Beck came on in the fourth inning to retire the locals in pretty much apple-pie order as his mates picked up only two runs at that late stage of the game.

Winkler pitched good six-hit ball, spreading his six hits well along the route. He gave way to Gomez in the top of the seventh with the score 10-0. Gomez yielded two runs and one hit during the remainder of the game.

Hereford had a big fourth

inning when 10 men strode to the plate, pushing along seven runs on one hit.

The Tulia cause was torpedoed also by four costly errors. Hereford committed three but they were not as disastrous.

The contest was a slow, drawn-out affair, lasting nearly until midnight.

## Relative of Schmidts Killed by Lightning Near Clinton, Okla.

By Mrs. Owen Andrews  
The revival at the Frio Baptist church had its final service, Sunday night. Rev. A. C. Hardin of Cisco, spent the last week here preaching. He and the E. L. Shannons spent the days visiting in various homes in the community. Rev. Hardin stayed at night with the Shannons. All services were well attended. Date of baptismal services will be announced later. One hundred eight persons were present for Sunday school with several others attending

preaching service, Sunday morning. Those presenting special songs during the week were: Misses Lamerlas and Sue Berryman, Betty Robbins, Frances and Veradell Andrews, Winnie Jo Irwin, Oma Ruth and Gladys Thompson, and Bobbie Don Irwin, Lester and Tommie Irwin, Wade Thompson and Mrs. Olin Parris. Wade Thompson led song service and Miss Lavada Shannon led the Booster group in singing each night. Mr. and Mrs. Herbert Schmidt

and children and Leonard Schmidt left Tuesday morning for near Clinton, Okla., to be with their relatives and to attend funeral services for a cousin. The cousin was Eddie Megart, who was killed Friday evening by lightning at Besse, Okla., as he was plowing with a tractor. The Schmidts have other relatives living in the vicinity of the towns of Corn and Colony, which were stricken by storms that evening. No one was injured at either place, although several buildings were destroyed. James Dobbs accompanied the Schmidts on the trip.

AN ALCOVE porch is featured in this house at 122 North Texas, belonging to O. G. Hill Jr.—Brand Staff Photo.

Visiting in the home of her aunt, Mrs. D. Johnson, last week were Jerry Ray Kunkle of McLean and Ruby Wallace of Pampa. They attended revival services here with the Johnsons.

Mr. J. E. Warrick was stricken ill suddenly on Wednesday afternoon. He was sufficiently improved on Monday to be able to be out of the house.

Miss Lyla Robbins left Monday morning with her aunt, Mrs. Rhea Robbins of Canyon to spend a month touring and visiting in Oregon and California and at other points enroute. They will also be accompanied by Mrs. Robbins' grandson, of Belin, N. M. They are traveling by bus. Mrs. Robbins has been to that part of the country many times, but it is Lyla's first trip and she was looking forward to a very interesting and enjoyable time.

Taking Sunday dinner with the Earl Coles were Mr. and Mrs. Obe Roberson of Summerfield and the Harold Shearharts.

Recent visitors in the W. H. Andrews home was the family of Mrs. Andrews sister, Mrs. Jess Lamb, of Lawton, Okla. Their son, Theo, stayed with the Andrews to help with the field work. Nelda Lamb, and Delores Andrews went to Texico last week to visit an aunt of Delores', Mrs. Roscoe Burris, and Mr. Burris. This was their first experience traveling

alone on the bus. Ray and Floyd Quinn, of Fort Worth, visited Sunday morning with their uncle, C. N. McClure. They were here on business. They fly a plane and do crop dusting.

Mr. and Mrs. McClure went Sunday afternoon to visit her father, Mr. Masten in Sudan. He was celebrating his 91st birthday Sunday.

Mr. and Mrs. Joe Davenport and Jo Frances went to Mineral Wells Friday, to attend a homecoming of the Davenport families. They returned home on Sunday afternoon.

Mrs. Henry Dobbs was able to come home from the hospital the first of last week end, and was doing fine. She was able to attend revival service on Sunday night. Her sister, Mrs. Ella Mae Bain of Sparta, Tenn., and small son, Stevie, have been with the Dobbs since Mrs. Dobbs operation over two weeks ago. They are planning to return home the last of this week. Stevie developed the measles Sunday, but it is the three-day kind and Mrs. Bain still planned the return trip on schedule.

Mr. and Mrs. John Simpson were enjoying a visit with Mr. and Mrs. Turner Simpson of Oklahoma City. The two families are no relation but were neighbors when their children were small when they lived near Wellington. Mrs. Turner

Simpson is confined to a wheelchair. The two women have corresponded these many years and this trip is a long-planned and very special occasion for the two families, as they visit and relive pleasant memories.

Dinner guests of the Mobleys Sunday were Mrs. E. B. Berryman, Lamerlas and Sue Berryman and Betty Robbins. Mr. Berryman came in the afternoon.

Mr. and Mrs. Floyd Cole and children were visiting from Thursday until the first of this week with Floyd's relatives in the vicinity of Duncan, Okla.

The Olin Parris family moved into their new house, the last of the week. The Simpsons have also moved into their new house. These two families have been working long and hard finishing their homes. They have both been doing most of their own inside finishing work, after carpenters finished the main construction work.

Taking Sunday dinner in the Henry Dobbs home were Mr. and Mrs. Olin Parris, Leonard Schmidt and Tommy Irwin.

Mr. and Mrs. Floyd Montgomery of Bovina attend revival service Saturday night, and visited with the Shannons, and Rev. Hardin at the Shannon home, after the service. Mr. Montgomery is school superintendent at Bovina.

Mr. and Mrs. E. F. Vogler and sons spent the week end visiting Mr. Vogler's relatives, near Lamesa. They went on Friday and their son, Leon, underwent a tonsillectomy while they were there. He was doing fine on Monday.

Mr. and Mrs. Charles King and Jerry spent the week end in the J. E. Andrews home. Neices Patsy and Marilyn Jones, Ronnie Sparkman and nephew Tommy Sparkman all went home with the Kings to spend a few days.

Mr. and Mrs. Henry Andrews and Doris Jean went to Littlefield to visit the father-in-law of Mrs. Andrews' sister. He has been seriously ill, having suffered a heart attack. The sister and brother-in-law live in Idaho.

About one-half inch of rain fell Monday night, at least in the northern and western sections of the community. This was the first measurable amount to fall in more than two weeks, south of the Deaf Smith county line. Quite a lot of fine hail fell also with the rain.

Lots of cotton is coming through the ground now, and some of it is already to a pretty stand and looks good. The hail Monday didn't seem to damage it much so far as your correspondent has learned.

Attendees at the Associational Inspirational Meeting at the First Baptist church at Hereford on Monday night were: Leonard Irwin, Lester, Velma, Tommie Irwin; Mr. and Mrs. W. H. Thompson, Oma Ruth Thompson, Tawana, Wade, Leona Thompson; Mrs. E. R. Berryman, Lamerlas and Sue Berryman; Mr. and Mrs. H. D. Robbins, Betty and Glenda Robbins; Mr. and Mrs. E. H. Little and Peggy; Mr. and Mrs. Owen Andrews, Clark and Glen Andrews, Veradell and Veradell Andrews, Joe Ed Andrews; Mr. and Mrs. Olin Parris; Yancy Jones; Mr. and Mrs. J. E. Andrews; Miss Alma Andrews; Rev. and Mrs. R. L. Shannon, Miss Lavada Shannon and Mrs. H. M. Mobley, Don Mobley.

Mr. and Mrs. Bill Spruill and daughter Billie Ruth, Mrs. Alma Spruill and Dean came Tuesday to visit in the home of Mrs. Alm Spruill's brother, J. E. Andrews. Bill Spruill and Miss Jean are her children. Owen Andrews and W. H. Andrews went to Littlefield Tuesday, on business.

Mr. and Mrs. William Benson and children of near San Diego, Calif. were here Monday and Tuesday visiting his uncle and aunt, the R. W. and D. D. Bensons and Mrs. J. P. Andrews and family. Henry Benson at Hereford and Joe Benson at Dimmitt.

Dr. and Mrs. Edwin Goodall of Galveston returned to their home Sunday after visiting in the home of Mr. and Mrs. Roy Conaway and Mr. and Mrs. Paul Conaway.

THESE folks are enjoying something that's being pioneered by Buick. It's freedom from the blinding glare of bright summer sunlight.

It's freedom from hot laps—caused by the sun's rays beating down through the broad expanse of windshield.

These freedoms trace to a new feature you may have noticed in '51 Buicks—a new kind of glass with a cool, soft, blue-green tint, in every glass area of the car, front, side and back.

Buick engineers tell us that this "Buick first" reduces glare 18% over conventional glass—cuts sun heat as much as 45%—and Buick engineers are very conservative fellows.

This glare-and-heat-reducing Easy-eye glass is factory-installed at moderate extra charge. It gives you a built-in transparent "sun visor" right in the windshield—and it also dulls the dazzle of oncoming headlights at night.

As we've said, this is something Buick owners were the first to enjoy. It takes

its place with such exclusives as the valve-in-head Fireball Engine—coil springs on all four wheels—the firm power linkage of torque-tube drive—and the magic of Dynaflow.\*

As we've also said—rather modestly—"Smart buy's Buick."

Come in soon and find out what an understatement that really is.

\*Optional at extra cost—available on most models. (Not presently available in California and Massachusetts.)

## Frankie Murdock Aims at Mat Title

Frankie Hill Murdock's "sleeper hold" put him one step nearer a shot at Funk's junior heavyweight wrestling title as he put George Overhuls to sleep Saturday night in a rough and tough scrap at the Bull barn.

Jack O'Reilly also lifted himself up another step in the elimination process by the use of his favorite hold, the "Octopus", which cost Rolando Vera his first loss since he has been grappling in America. O'Reilly turned the trick after Vera had a one fall advantage. The brilliant Mexican wrestler was definitely hurt by O'Reilly's and could not come back for the third and final fall, so the husky New Zealander was awarded the verdict.

Back to the last bout of the evening, one might say Murdock took the third and final fall from the popular Amarillo strongman over the prostrate form of Referee George Curtis, for Curtis himself was on the mat when the Waxahachie badman ended the bout in thrilling fashion.

Overhuls was sprawling Murdock all around the ring with shoulder blocks off the ropes. Murdock pulled Curtis in front of him as Overhuls came steaming in for another one and the Amarillo grappler hit Curtis square in the stomach, knocking him out momentarily and felling him to the canvas. Murdock escaped untouched from this exchange and threw himself on the fallen Overhuls, applying the dreaded "sleeper hold."

When Curtis came to, he counted Overhuls out and raised Murdock's hand in victory.

Fall-by-fall, the match went like this: Murdock gained the first fall over Overhuls in 18 minutes with a one-legged crab. The former Golden Sandie griddle came back to even things up with the Waxahachie warrior in six minutes with a

standing surf-board. When the two combatants returned to the ring after the second fall, Murdock came loaded for bear. A tough enough customer to handle in just plain clean wrestling, Murdock took to illegal tactics as he began to work on Overhuls eyes. The bearded grappler hid a foreign substance in his trunks, and when he had his back to Curtis, began giving Overhuls trouble. After working on Overhuls, Murdock would hide the substance under his arm while Curtis, bowing to the protests of the fans, dutifully checked the waist of Murdock's trunks.

After having his fun, Murdock hid the stuff in Overhuls' trunks and complained to Curtis that Overhuls was using dirty tactics. After Murdock had successfully planted the stuff on Overhuls, Curtis had no trouble in detecting its whereabouts. Murdock, despite his rough and illegal tactics, showed local fans that he is a tough cookie and is one of the leading—if not the top—contender for the Southwestern States Junior Heavyweight title, a crown which he once wore.

A Murdock-Funk go here on June 30 for the title seems like the most logical outcome of the elimination tourney now being carried on. Providing, that is, that the title doesn't change hands before that time. In the opener Saturday night, tricky Rolando Vera was pitted against New Zealander Jack O'Reilly in an hour-long event, best two falls. Vera gave away a lot of weight in that bout to the New Zealander, but was clearly out-wrestling O'Reilly until the last fall, which O'Reilly won with his devastating "Octopus" hold.

Vera took the first fall in 14 minutes with a combination leg split and top body press following a series of drop kicks.

After 10 minutes of wrestling and brawling for the second fall, O'Reilly got Vera into the "octopus" and really hurt the newcomer from Monterey. Vera had to be helped from the ring and couldn't return for the third fall. This was Vera's first loss in the United States.

### Disabled Vet Auto Assistance Bill Ends June 30

"Disabled veterans of World War II who may be entitled to government financial aid in acquiring an automobile or other conveyance were reminded by Veterans Administration today that the deadline for applications under existing law is June 30, 1951.

The law provides that VA shall pay up to \$1800 toward the purchase price of a car, truck, tractor or other automotive conveyance for a World War II veteran who lost the use of one or both legs at or

above the ankle due to service. VA said every effort would be made to adjudicate prior to expiration of the law all claims received on or before June 30 but advised eligible veterans to get their applications in as early as possible to be on the safe side.

Applications should be directed to the nearest VA regional office.

John T. Lisenbe was fined \$1 and costs of \$28.30 in county court June 11 after he pled guilty to swindling with a worthless check. Charges were filed June 11 on Lisenbe after he passed a \$33.10 check to Western Battery and Electric.

The starters have been missing some of the last few games because of the planting season. Now that they are back, Stagner expects the locals to settle down and play ball.

The local mound corps has been doing a swell job, especially in the last couple of games, but their mates have been off at the plate and afield.

With the wrinkles being ironed out a rapid rate, Stagner is looking forward to a good season for the remainder of the year. Starting, he hopes, with the Spring Lake tilt tonight.

Sunday will meet the locals here on June 22 with game time set at 8:15 p.m. A tentative date for a return of the Amarillo Sports has been set for June 29. Stagner said: Spring Lake has also agreed to a tentative date the first week in July for a return game here.

Another contest scheduled for the first week in July in Hereford is with the Turkey nine, which trounced Hereford 6-0 in its first meeting, letting the

### Property Owners Seek Aid With Poor Drainage

Property owners in the western part of the county have appealed to the county commissioners and the state highway department for aid in solving their drainage problems.

CONG. WALTER ROGERS SAYS:

# "Do-Nothing" Tag on 82nd Congress Not Justifiable

The 82nd Congress: Much has been said in the newspapers lately to the effect that the President may call this another "do nothing" Congress; also that this Congress has been slow and inactive in passing major legislation. These are general terms and do not give a clear picture of what is going on.

Only yesterday the majority whip, Congressman Percy Priest of Tennessee, made the announcement on the floor that the house was keeping up with the rules committee and that there was no backlog whatever of legislation that had come to the house floor that had not been attended to.

Before legislation can come to the house floor, it must come through the rules committee. As fast as the rules committee is moving legislation to the floor, the house is attending to business, and is presently waiting for measures that have cleared other committees to be voted out by the rules committee.

All of the committees are working exhaustively on legislative matter in an effort to work out the problems that could cause extended and costly debate on the floor of the house. This is especially true of the appropriations committee and the appropriations subcommittees. These committees have been holding extended hearings on all appropriation matters in an effort to cut out every expenditure possible. When these bills come to the floor, they are below budget estimates and show what a great amount of exhaustive work has been done by the committees.

If this kind of work is what is being called "do nothing," I say we need more of it. The statement that this congress has been slow in passing major legislation is certainly true if the FEPC, the civil rights, the socialized medicine, and other socialistic legislation. This con-

gress is not only going to be "slow" in passing this so-called major legislation, it is just not going to pass it. Furthermore this Congress is not going to pass legislation that would give more and extended controls to bureaucrats. It is going to require a lot of time and a lot of work to stop that kind of legislation, and I say that the time and work spent in stopping that kind of legislation is certainly well spent on behalf of the American citizen and the American taxpayer.

One of the big troubles with this country now is that there are so many Federal laws that the average citizen cannot so much as read them, much less understand them. When you add the Federal laws to the many and complex State and local laws, the average business man must be a law expert to keep from being a law violator. More work is needed toward simplifying the laws and regulations. Too much time has been devoted by so-called intellectuals toward creating complexities that the average man in ordinary business pursuits cannot understand nor comply with.

Honest compliance with simple straightforward and easily understood basic laws is much more important to the preservation of this country than the promulgation and enforcement of long, involved and complex statutes containing ambiguous and technical words and phrases behind which can be hidden ulterior purposes.

The truth still rings out in the phrase "the best governed are the least governed."

Here is more information about some of the progress this congress is making against bureaucracy. You will remember in an earlier news letter my statements regarding HR-1, the bill providing for \$10,000 life insurance for veterans while on active duty. This bill was approved by the committee on veterans affairs of which I am a member. I told you at the time that it would reduce the administrative costs and save the taxpayer many dollars. The truth of that statement is now

proven. Notices terminating employment have gone out to more than 800 employees who were employed to process applications and other matters connected with the Government life insurance program. This will save taxpayers approximately two and a half million dollars and will reduce the federal payroll by the 800 employees referred to. Had this bill finally passed both houses as it passed the house of representatives, the savings to the taxpayers would have been approximately four million dollars and the reduction in employees would have been near 1200. This is the kind of "do nothing" work that this congress is doing, and will continue to do.

More on the Beef Price Rollbacks: A group of cattle people called on the president the other day seeking to compromise the beef price rollback program. These people did not represent the thoughts of most of the cattle people that have discussed the problem with me, and it is my firm opinion that compromise in this matter is like appeasement—it just won't work. The action of the OPS in rolling back these prices is either right or wrong. In my opinion it is wrong and can only be righted by retracting the order. Under the present order, the only people who can stand to profit are the BIG-packers, and the people will find this out later on down the line.

I was on a radio program the other day with Senator Sparkman of Alabama, Congressman Toby Morris of Oklahoma, and Mrs. Chase Going Woodhouse, a former Congresswoman who is now serving in a liaison capacity with the OPS. She made the unqualified statement that the cattle feeders and consumers would be benefited by the rollback. I showed her in simple arithmetic that that statement could not possibly be true. She thereupon undertook to justify her position by going off into the realm of speculation. I hope that some of you folks hear that program. It doesn't take a government official or a college graduate to understand

that no man can afford to feed cattle at a cost of 85 cents a day when he can only recover 63 cents for the meat that is put on the animal. I could understand that when I was in the second grade. Mrs. Woodhouse also made the statement that the OPS had received numerous letters from cattle feeders to the effect that they were satisfied with the order.

After the program was over I asked Mrs. Woodhouse if she would furnish me with copies of the letters she had received from Texas cattle feeders. Her answer was that the OPS had received no such letters from Texas cattle feeders. There is entirely too much theory in these controls and not enough practical common sense. The result is that this congress is going to be very reluctant to extend many of these controls after June 30. You can watch for a good fight on this measure.

Visitors: Folks who have visited with me recently include Mr. and Mrs. R. E. Reid, and Mrs. Herman Whatley and daughter Vickie of Pampa; daughter Vickie of Pampa; by girl of Turkey; Mr. and Mrs. Marvin Carille and sons Jeff and Winford of Tulla, accompanied by Miss Nancy Howell of Corpus Christi.

## Campfire Girls See Yellowstone Park Covered With Snow

Mrs. Earl Plank reports that she and the Ta-Wan-Ka Camp Fire girls are enjoying their trip to Yellowstone.

Wednesday, June 6, at noon, the girls arrived at the south entrance of Yellowstone National Park and found the

ground covered with two to three feet of snow. The air was fairly warm, however, and the sight of the landscape was well worth the inconvenience brought by the snow. Mrs. Plank said.

Thursday night, June 7, the group stayed in west Yellow-

stone and experienced a 6-inch snow in the middle of the summer. In the mountains on the preceding day, the report is that the snow was higher than the bus. The group has seen numerous bear, elk, buffalo, and other animals in the Park.

**"It's Jetfire for me!"**

SAYS Sam Snead OF HIS NEW Nash Ambassador

America's colorful golfer, "Slammin'" Sam Snead, says: "I know—because I've driven the other new fine cars—tried the new engines, and I have yet to see the equal of the new Jetfire-powered Nash Ambassador for brilliant performance."

SAM SNEAD is another famous headline personality who has seen them all—driven them—and changed to Nash. Drive a Jetfire-powered Nash Ambassador yourself. Make your own tests, your own comparisons. See what amazing benefits—in safety, comfort and ruggedness—come from Airflyte Construction. You will find no other car—at any price—gives you so much in all-around performance—and so much pleasure to own. Yet a Nash Ambassador, completely custom equipped—and with Hydra-Matic Drive—costs hundreds of dollars less than America's other finest cars! Yes, before you decide—take an Airflyte ride—in the world's most modern car!

"I travel thousands of miles a year in Tournaments," says Sam Snead—"and that Airliner Reclining Seat is really swell. Coil-springing on all four wheels is wonderful, too!"

"I like room—and I often carry a foursome's golf bags and luggage in back. That Weather Eye System means always fresh air, heated if necessary, without dust or drafts."

"Twin Beds are worth the price alone for anyone who drives a lot. I'm looking forward to a lot of week-end fishing trips with my Nash Ambassador. It's really a car you can live in!"

Priced for everyone to own! Sixteen new Nash Airflytes are at your Nash dealer's now ... those daring, dashing Rambler All-Purpose Sedans and Convertible ... the distinguished Ambassador models ... and the popular Statesman models.

# Crop Insurance: Our Next Great Forward Step!

More and more this seems clear to us: Crop insurance is the next great forward step needed to put Southern agriculture on a sounder business basis.

Farmers pay millions of dollars in interest and finance charges each year. Charges are indeed high and the main reason is the serious risks involved. In the long run, crop insurance will mean much lower interest rates and much lower costs for financing crop production.

No lender would think of making a loan on a house unless it could be covered by fire insurance. Nobody would finance the purchase of an automobile unless it was covered by insurance. Yet most loans for crop production have been made without insurance protection even though the danger of crop failures is always serious.

Crop insurance gives liquid collateral in case of crop failure. That means it turns the crop loss into cash dollars. It pays off all or part of the crop loan. It makes it unnecessary for the lender to "carry" the farmer another year. It prevents the unscrupulous lender from selling out the farmer's implements or land to satisfy a debt. Crop insurance lessens risks to both borrower and lender alike. And as risks are lowered, interest rates and loan charges will drop accordingly.

Let's consider four types of lenders on farms crops and just how crop insurance lessens risks for each one and that as the risk is lowered, the farmer is in a better bargaining position for a low-cost loan:

- 1. LANDLORD**—Without insurance the landlord stand to lose both his interest in a crop and his advances. If both he and the tenant have insurance, he gets protection from both hazards.
- 2. BANKS**—Many banks require an endorser or cosigner for loans. But if general crop disaster hits a section, the endorser may not be able to pay the note. An insurance policy backed by the Government is better security.
- 3. PCA and FHA**—These agencies take liens on crops, work stock, and implements as security. But in case of crop failure they must either "carry" the farmer another year or take away from him the very tools he needs to make another crop. These agencies now require crop insurance in disaster areas and urge it in others.
- 4. BIG BANKS**—County banks usually borrow their money from large banks in the city. The interest rate they pay depends on the soundness of their security. Crop insurance lowers both risk and interest rates.

More insurance is needed by probably nine-tenths of our farmers—more life insurance, more health and hospital insurance, and more crop insurance.

Every subscriber—including every renter—lucky enough to live in a crop insurance county and share an insurable crop should contact his county PMA office well before the deadline. Act now and make your family safe from disaster or crop failure.

## Long Time Ago

**45 Years Ago**  
The crop that is bringing the largest dividend to the property owner of this portion of the Panhandle today is the much-talked-of alfalfa.

Clarence Wheeler, who now has 65 acres in this valuable forage crop on his ranch a few miles east of town, is now engaged in marketing the first cutting from thirty acres which has already been spoken for at \$12.50 per ton. Mr. Wheeler only harvested about a half ton per acre this time, but he says he will get three more cuttings which will net as much as the first. In other words, with only a half stand Mr. Wheeler will sell about \$25 worth of alfalfa per acre this season, which is by no means a bad proposition for \$10 or \$15 land.

the Texas Jersey Cattle association with headquarters at Fort Worth, has been secured to judge the Jersey Show at the Deaf Smith County Fair, September 16, 17, and 18, according to County Agent R. O. Dunkle. Superintendent Berry Orr states that plans are under way for one of the best Jersey shows that has ever been held here. Cash prizes have been arranged for every class in this department.

3,000 cots have been ordered by the chamber of commerce at Amarillo to help take care of visitors at the West Texas Chamber of Commerce convention June 21, 22, and 23.

John McLean of the Corner Drug Store, has taken several advanced steps recently in putting his business in the forefront in Hereford. Mr. McLean has added a magnificent eight-hole Frigidaire Cabinet to his mechanical equipment.

Hereford continues to add to her list of enterprises and this week brings to us another in the form of a corn mill, the owner and proprietor being W. H. Laswell, who recently moved his family here from Arkansas.

We wish to announce to Brand readers that we will arrive in Hereford within the next two weeks with the machinery for manufacturing brick and stone, and shall be glad to figure with all desiring to work in our line. There is nothing so pretty as a concrete stone business house or residence. Yours for business, Hill & Robinson.

What came near being a serious runaway occurred in Hereford Monday afternoon. J. S. Jones was driving in the west part of town when his team became frightened and made the road warm for some distance. Finally a collision with a telephone post, gave the driver the advantage and the frightened animals were brought to a standstill with the result of one of them being badly crippled, the new carriage somewhat demolished and the driver slightly bruised.

### GARCIA NEWS

## Several Wheatfields Near Garcia Will Average From 6-8 Bushels

By Mrs. N. A. Brown

It has been some time since Garcia has had any news in The Brand. But it certainly wasn't because Garcia didn't have any news. We've had rain and plenty, and the farmers are busy plowing their land and planting milo. There are tractors in every field. There are several fields of wheat that will probably average six or eight bushels per acre. So at least maybe we will still have seed wheat and a few bushels to sell.

Mrs. Jasie Davis and daughter Roama of Odessa spent the week end in the home of Mr. and Mrs. Roy Pruitt and daughters.

Mrs. S. N. Thwealt's father of Levelland had a stroke recently. Mrs. Thwealt spent all week with him in Levelland, returning home Wednesday. Her niece, Miss Mary Lou Hagan, returned home with Mrs. Thwealt to spend a few days. Mr. Hagan is reported resting better at this writing.

Bob Howard returned home from college Saturday. He has been attending New Mexico A & M at Las Cruces. Bob is the son of Mr. and Mrs. H. D. Howard who have been living in Clovis. They returned to their farm in our community this spring and plan to build a house on the place this summer.

Royce Lee and Merry Kay Pruitt and Cathy Smith have been attending Bible school at the Rosedale Baptist church. They had their commencement

exercises Wednesday night.

Jackie Clark visited Wanda and Jerry Northcutt this week. Mr. and Mrs. Ernest Brown visited Sunday with Brown's mother and father, Mr. and Mrs. Sterling Pulliam.

Mr. and Mrs. Wesley Northcutt and children Jeanie, Jauanita, and Tommy, of Espanola, N. M., visited Mr. and Mrs. Elmer Northcutt the last few days.

Mrs. Johnnie Northcutt has been in the hospital in Hereford since Thursday night but at present is recovering at the home of her mother, Mrs. Leo Price, in Hereford.

Mr. and Mrs. Eldred Brown, and Mr. and Mrs. S. N. Thwealt motored to Hereford Sunday evening to attend the show.

Mrs. Pearl Pruitt, who has been visiting in the home of her son and family, Mr. and Mrs. Roy Pruitt and daughters,

## County Committee in Army Duty Study

New discharge procedure for servicemen was discussed by the county mobilization board at its regular monthly meeting on Monday, June 11.

A plan has been worked out with the army whereby military personnel may request discharge through military channels. The men must make the request to their commanding officer. The request then proceeds through the adjutant general's office, then routed through the AGO to the United States Department of Agriculture, and finally down to the county mobilization committee, which acts on the requests for information by the AGO.

A discussion of the plan was held at the meeting because it is a change of the procedure under the old war board. The county mobilization committee cannot make recommendations for discharges, it can only act

on instructions issued them by the military through the US-DA.

Apparently the program is not in working order, according to PMA Chairman Faust Collier, as some men have been appealing for direct aid through the county agent.

Cpl. Lenard Smith leaves for Ft. Lewis, Wash., today after having spent a 15-day furlough here with his parents, Mr. and Mrs. O. G. Smith. Those present at a dinner Sunday in the Smith home were Mr. and Mrs. Bud Heaton and family of Friona, Mr. and Mrs. H. A. O'dell and niece of Borger, Mrs. George White and daughter, and Mrs. Tom McCain. Miss Delores Sanford visited in the home on Sunday evening.

Mrs. C. M. Brown and sons, Raymon and Sonny, and her daughter and family, Mr. and Mrs. Lester Henderson have returned to their farm for the summer, and are busy redecorating their old home. Mrs. Brown has been living in Tucumcari caring for her father while her sons have been attending college.

Mr. and Mrs. Floyd Brown visited Sunday in the home of Mr. and Mrs. Charles King.

Mr. and Mrs. Elwyn Hartman of Hereford and Mr. and Mrs. Chris Clark of Dimmitt visited in the home of Mr. and Mrs. Jack Clark Sunday.

Mr. and Mrs. Roy Potts and children, Walter and Gayle, were dinner guests Sunday of

Mr. and Mrs. N. A. Brown.

**R. N. Cookes Report Tire Theft; Wolfingtons Report Water Damage**

By Mrs. R. C. Childers

The spare tire was stolen out of the R. N. Cooke car Thursday night. Colleen and Sue Cooke had been to the night session of the vacation Bible school when they ran out of gas just before they were to turn off of Harrison on their road home, so they walked the three miles to their home, leaving the car parked on the side of the road on Harrison. Someone stole the spare while it was parked there.

Mr. and Mrs. Charlie Hodges went to White Deer Thursday, the next day after the twister. Reports are terrible of the damage done there. Many residents of this vicinity had friends and relatives living in and near White Deer.

Mrs. Fred Wolfington went in Saturday morning for their car which has been in the garage since the heavy rains flooded their house. The water ruined the motor in both their pickup and their car. Mrs. Wolfington reports that their house is nearing completion, and that they hope to be able to move in the last of the week or the first of next week. Water is still up to the front of the old house but you can walk in the back door without getting in water, Mrs. Wolfington reports.

Mrs. J. H. Smith of Hereford was a caller in the home of Mr. and Mrs. R. N. Cooke Saturday morning.

Mrs. J. H. Babcock, J. H. Jr., and Sweetie of Kermit were visitors in the home of her sister, Mrs. R. C. Childers this week. Mrs. Babcock left Wednesday to visit her parents, Mr. and Mrs. Earl Johnson Wednesday at Pampa.

Mr. R. L. Doss, father of Mrs. J. I. Richardson, recently underwent surgery in the local hospital. Mr. Doss has been making his home with his daughter for sometime. He is reported to be making a satisfactory recovery.

Sue Cooke accompanied Doris Mahaffey and members of the judging team to Amarillo Friday.

**Church Notes**

Regular Sunday services in the First Christian church are as follows: church school, 9:45 a.m.; morning worship, 10:50 a.m.; youth groups, 6:30 p.m.; and evening worship, 7:30 p.m. Roy Ford is minister.

Sunday's schedule of services at Immanuel Lutheran church is: Sunday school and Bible class at 10:30 a.m. Hour of worship at 11:30 a.m.

The Lutheran Hour is heard over KAMQ each Sunday evening at 6:30 p.m. The church's weekly broadcast is carried over KPAN each Saturday morning at 8:45 a.m.

Members of the Ladies' Aid Society will hold their June meeting in the church basement on the afternoon of June 20, at 2:30 p.m. Mrs. E. Springer is the president.

Christian Science Services are held in the Star Theatre each Sunday morning at eleven o'clock. The public is invited.

That God constantly maintains that which he created is the theme of the Lesson-Sermon entitled "God the Preserver of Man" to be read in all Christian Science churches on Sunday, June 17. At the out-

set, the Golden Text declares, "The Lord shall deliver me from every evil work, and will preserve me unto his heavenly kingdom" (II Timothy 4:18).

Daily Vacation Bible school in the Methodist church closed last week with the closing exercises held at the church services Sunday evening. Ray Conaway, church school superintendent, presented the certificates to the 114 boys and girls enrolled.

During the absence of the pastor, Rev. Don Davidson, the pulpit will be filled by the following: Sunday morning, Rev. Jim Tidwell, pastor of the Firona Methodist church; Sunday evening, Rev. W. W. Brasher; and Wednesday evening, prayer service, Mrs. E. W. Solomon. The services Wednesday evening will be at 8 o'clock in Ward hall. Youth Choir practice is on Wednesday evening at 7:30, while the Senior Choir practice is at 7:45 p.m. on Thursdays.

Rev. Lee Stanford, pastor of the Methodist church in Dimmitt, will conduct morning devotionals over KPAN daily at 9:15 during the week June 18 through 22.

Regular Sunday and weekday services of the Assembly of God church include the following:

Two Sunday radio programs, at 7:45 a.m. and 1:00 p.m.; Sunday school, 9:45; morning worship, 11:00; young people's meeting, 6:45; evangelistic services, 7:45; Wednesday evening services, 7:45; and Women's Missionary council, Thursdays at 2 p.m.

Due to the fact that the Rev. R. H. Cagle left Monday for the Southern Baptist convention in San Francisco, the entire evening worship service Sunday in the First Baptist church will be used for the Vacation Bible school commencement service.

Saturday night prayer meetings and Youth for Christ service are both scheduled for 8:30 p.m. Sunday school begins at 9:45 Sunday morning, and worship service starts at 11:00.

Training union is at 7 p.m., and evening worship at 8 o'clock. The mid-week prayer service is Wednesday, at 8 p.m.

Mr. and Mrs. V. O. Hennen announced Wednesday that their son and daughter-in-law, Mr. and Mrs. Virgil Hennen, became the parents of a boy; Virgil "Chip" Hennen early Wednesday morning. Virgil Hennen, USN, is stationed in San Diego.

### Retail Service Ceiling Prices Must Be Posted by June 15

All businesses offering retail services to the public—from auto repairs to zither repairs—must file a list of ceiling prices before June 15, the Lubbock district Office of Price Stabilization reminded today. The address is 1202 Texas Avenue, Lubbock, Texas.

On the same date, lists of ceiling prices must be posted where customers can plainly see them, OPS added.

These requirements are called for by Ceiling Price Regulation No. 34.

It applies to all service trades—barbers, dry cleaners, laundries, washateria, shoe repair shops, beauty shops, service stations, parking stations, parking lots, etc.

Operators of such businesses need only to write down a list of the highest prices charged for each service between December 1950, and January 25, 1951. They must mail one copy to the Lubbock district OPS office at 1202 Texas Avenue, Lubbock, Texas, and display another copy in the place of business.

Any questions regarding this regulation should be addressed to the district OPS.

Meanwhile next Monday, June 18, ceiling prices of beef must be posted for all consumers to see in retail meat shops, the district office—at Lubbock reminds all butchers and consumers.

At the same time, cuts must be displayed with the various grades in separate trays and with each tray price tagged. This is the first of three price postings.

On August 1, retailers, as well as wholesalers and slaughterers, will put into effect lower beef prices. On October 1 still lower beef prices will become effective.

Every consumer has the right to see these prices and the right of complaint on any violation.

Price reports required from manufacturers must be sent to the Office of Price Stabilization, Washington, 25, D. C., not to District Offices, OPS has announced.

These reports, made on OPS Public Form No. 8, are now required by July 2 from manufacturers of consumer goods and machinery under ceiling Price Regulations 22 and 30, OPS pointed out.

Registered mailing with return receipt requested is recommended for this form.

OPS pointed out that it is to the advantage of manufacturers to file Form 8 quickly, since any adjustment due to cost changes cannot be made until 15 days after the date of the OPS receipt posted June 18.

# GIANT PREMIERE OF WARNER BROS.' TECHNICOLOR "FORT WORTH"

**"FORT WORTH"**  
color by Technicolor  
Directed by Edwin L. Marin and produced for Warner Bros. by Anthony Veiller.  
THE CAST  
Ned Britt.....Randolph Scott  
Blair Lunsford.....David Brian  
Flora Talbot.....Phyllis Thaxter  
Amy Brooks.....Helena Carter  
THE STORY  
Romantic adventure story of Fort Worth's early struggle to exist as a community in gun-slinging pioneer days.

Ned Britt (Randolph Scott) is a crusading newspaper editor, once a feared gun fighter, who buckles on his guns again to protect law and order in the Texas cattle country.

Blair Lunsford (David Brian) an old friend of Britt's, and Lunsford's fiancée, Flora Talbot (Phyllis Thaxter), urge Britt to settle in Fort Worth, where he discovers that Lunsford is actually involved very deeply in a desperate conspiracy to rule the town for himself.

The arrival of lovely Amy Brooks (Helena Carter), once romantically involved with both Britt and Lunsford, further complicates matters.

Knife intended for Britt finds target in adversary's back during fight. A shot starts a cattle stampede, one of the exciting action sequences in Warner Bros.' new adventure story of Fort Worth's rise as one of the great cities of Texas.

Six gun roar in the thrilling climax when Lunsford, unmasked, and Britt meet in final battle. A shot, fired by a gunman and meant for Britt, kills Lunsford.

Flora, disillusioned in Lunsford, finds happiness in the arms of Britt. With the end of the reign of violence, Fort Worth faces a secure future.
