

TUESDAYS—TWICE-A-WEEK—FRIDAYS

HEREFORD, DEAF SMITH COUNTY, TEXAS, FRIDAY, NOV. 11, 1921.

21st YEAR, NO. 70.

NOVEMBER 20 IS RED CROSS SUNDAY HERE

UNION SERVICE WILL BE OFFERED BY CHURCHES

NOT A CAMPAIGN Merely Annual Opportunity To Renew Membership In Great Work

While the President's proclamation calls for November 13 as National Red Cross Sunday, local conditions in Hereford make it inadvisable to conduct such services on that day, and the various ministers of the city have tentatively agreed to hold some kind of union service on November 20 instead. Details will be announced next week.

Sunday, November 14th, has been designated National Red Cross Sunday by a proclamation of President Harding. In a communication sent out from Washington to the clergy of America, the President says:

To The Reverend Clergy: The President of the United States has designated Sunday, November thirteenth, as RED-CROSS SUNDAY. It is hoped that on that day ministers of religion, throughout the length and breadth of the land, will make some mention to their congregations of the work of the American Red Cross, and will make an appeal to them that they enroll themselves in its membership.

The Roll Call is not a campaign. It is merely the yearly opportunity for men and women to pay their annual dues and renew their membership in the Red Cross. The annual dues are One Dollar. Of this amount Fifty Cents is sent to National Headquarters and the Chapter enrolling the membership retains Fifty Cents for local Red Cross activities. Aside from special contributions this provides the working funds for the American Red Cross for the ensuing year.

The American Red Cross is unique in that it is at once a voluntary organization charged with certain duties and liable to certain obligations.

The object of the American Red Cross has been briefly set forth, thus: The Union of all who Love In the Service of all who Suffer. Under its Congressional charter, issued by Act of Congress, January fifth, 1905, its duties are not voluntary, but it is stated that the purposes of this organization are and shall be:

1. To furnish volunteer aid to the sick and wounded of armies in time of war and in accordance with the Conventions of Geneva;
2. To act in matters of voluntary relief and in accord with the military and naval authorities as a medium of communication between the American people and their Army and Navy;
3. To continue and carry on a system of national and international relief in time of peace, and to apply the same in mitigating the suffering caused by pestilence, famine, fire, floods, and other great national calamities; and
4. To devise and carry on measures for preventing same.

Nothing is more significant of the condition of things, both at home and abroad, than is the insistent call for the continued activity of the American Red Cross.

A year ago we thought that the end of the work of the American Red Cross overseas was in sight. A year ago we thought that our program at home would be along lines similar to those of the years before the war.

It is something of a surprise, therefore, today, to find how broad and far-reaching are the tasks that the American Red Cross feels called upon to undertake, in response to the demands daily made upon it, and in fulfillment of the provisions of its Charter.

The Fifth Membership Roll Call, which will occur simultaneously all over the United States, will be emphasized on Red Cross Sunday. The Red Cross work for the disabled ex-service men to whom this nation owes such a tremendous obligation, relief of the starving and suffering children overseas, public health nursing in the cities, towns and rural communities of our own country which is building a sturdier and healthier next generation, community work among the children through the Junior Red Cross, nutrition classes to overcome the appalling high rate of malnourishment found among American children of rich and poor alike, first-aid and life-saving work to prevent the terrible death toll due to accidents annually in the United States, and the disaster relief work,

EARTH PLOWS THROUGH WRECKED COMET THIS MONTH

Scientists are very much interested in a little experience Mother Earth is going to have the last of this month. On November 27 she is expected to plow through a whole swarm of meteors that a banged-up comet has lost. The comet is Biela's comet, which was well known to the ancients. In 1832 our earth really collided with its head, missing it by only a few thousand miles. When it returned in 1845 it was found to have broken into two heads. The astronomers ascribed this to the pull of the sun, the comet having approached too near to old Sol. Biela's comet never came back again, but on Nov. 27, 1872, the earth passed through a tremendous shower of shooting stars. Science believes that between 1845 and 1872 the comet simply went to pieces and that these shooting stars was its debris. Now, 49 years later, they predict that we will go through the debris again. The picture, which we print by special arrangement with Popular Science Monthly, shows the earth's rush through the swarm. Nobody need fear injury on Nov. 27. When "shooting stars" hit our thick atmosphere, some 300 miles up, they begin to burn and the friction reduces them to nothing by the time they reach our vicinity. Popular Science says that one hundred and forty-six billions of these fragments enter our atmosphere every year, and you never hear of one of them hitting a human being—thanks be!

7-Months Pigs Weigh Almost 300 Pounds Each

C. P. Galley and Ray Hershey each purchased a Duroc Jersey boar at Canyon recently and the pigs were delivered the first of the week. They were furnished by H. C. Roffey of Canyon. They weigh nearly 300 pounds each at seven months of age.

Sow 31 Months Old Mother Of 34 Husky Pigs

Robert and Roy Boyd, sons of L. D. Boyd, have an improved Chester White sow, 31 months old, that presented the boys with a litter of fourteen pigs Wednesday. Twelve of the pigs lived and are thrifty. This makes 34 pigs this sow has brought in the 31 months of her life. More pigs, more dairy cows, more poultry, more "living at home"!

Armistice Day in Hereford Probably Rather Quiet

The American Legion buddies are planning celebrations at Amarillo, Canyon, and elsewhere in this territory and, from indications Thursday, most of Hereford's population was planning to attend one or the other of these out-of-town functions.

Both local football teams play away from home Friday. The husky Town Team, headed by coach C. C. Rockwell, were scheduled to go to Vega and tie up with the strong Outlaw team at that point. Last year these teams played a couple of hard tie games. This year Vega is said to have practically the same team as in the fall of 1920, while the Hereford boys have probably as good a machine, although with a largely altered lineup. The Vega game Friday ought to be worth going miles to see from all advance dope available.

The High School lads are also billed for a struggle with the High squad at Clovis Friday. Clovis defeated the locals here earlier in the season, but they will face a far different team Friday in spirit and experience and determination, and the local boys are planning to show that early season comparative scores don't mean anything.

It is understood that most of the stores in town will close Friday, although no general agreement to that effect has been entered into.

GOODLET, TEXAS BROTHERS AIM TO IMPROVE PROPERTY

E. H. and A. A. Hare, both of Goodlet, Texas, reached Hereford Thursday morning on a trip of inspection. These gentlemen, nephews of Robert Hare, a former ranchman of Deaf Smith county, own four sections of land in the northwest portion of the county. They are arranging to move here and improve their holdings the coming year,

QUAIL SEASON IS OPEN DECEMBER 1 AND CLOSING JAN. 31

For the benefit of local nimrods who are busy outfitting the old fowling piece it might be well to state that the quail season does not open until December 1 and closes January 31. Restless hunters who crowd these dates are liable to fines, according to county Game Warden Andy Godwin.

Mr. Godwin Thursday asked the Brand to call attention of hunters to the fact that hunters licenses are on sale now at Garrison Bros. Hardware store. He earnestly requests local hunters to assist him in preserving the game of the future by equipping themselves with licenses and in observance of the legal quail hunting dates.

WHITE DEER FOLKS ARE HERE ON VISIT TO RELATIVES

Mr. and Mrs. J. N. Pipes and son, Floyd, of White Deer, Texas, arrived in Hereford Tuesday morning and are visiting in the homes of Mr. and Mrs. J. D. Curtsinger and Mrs. W. M. Cocconagher. Mrs. Pipes is a sister to Mr. Curtsinger and Mrs. Cocconagher.

LAKE BED IS SUITABLE TO PLANT LIFE

DRAINAGE OF COURSE NECESSARY FOR SUCCESS

SOIL IS TESTED

State Chemist Examines the Samples and Says Soil Will Do

In studying the development of the plan of beautification for the lake bed near the Christian Church Mayor Knight has had considerable correspondence with the State Chemist, and recently sent that official samples of the soil from the lake in order to ascertain whether or not the city could grow trees, plants and shrubs in the natural soil of the lake bed. Dr. Fraps' reply may be of interest to others than the city officials and members of the park board, and is as follows:

"I enclose herewith analyses of the two samples of soil that you sent me some time ago. These soils contain a small amount of alkali, but not enough to interfere with the growth of ordinary plants. They are not acid, and contain fair amounts of phosphoric acid and nitrogen.

"There is nothing in this analysis to show that this soil would not grow grass or shrubs. I understand that this land occupies a depression, where water drains in time of rain, and that the water may stand several weeks. Of course this water standing on the plants would kill almost any kind of grass or shrub.

"The chemical analysis does not show what kind of plants or shrubs would do well on this land, neither can we make any kind of analysis that will give this information. In selecting plants of this kind, it is necessary to be guided by experience which shows the kind of plants best suited to your climatic condition.

"There is nothing in the analysis to show that this soil, if well drained, will not grow the ordinary grasses and shrubs of your locality.

"Hoping that these suggestions will be of service,

Yours very truly,
G. S. FRAPS, State Chemist.

R. T. Evans Asks President's Aid In World Court

The Brand is in receipt of a carbon copy of a letter written to President Harding by R. T. Evans, claimed by Hereford, but temporarily sojourning at Wichita Falls. Mr. Evans writes the President a strong appeal for a World Court to forever banish war. The letter is inspired by the coming Disarmament Conference and Mr. Evans outlines in detail his ideas of how a World Court could be established and maintained. The document is most interesting and worthy the thought of any man of peace, but too lengthy for reproduction here.

There is no better Texas citizen than R. T. Evans. He is the type of man who has made a success of his own affairs, pitches his citizenship upon a lofty plane, and matches his ideals with his daily deeds. Men of the stripe of R. T. Evans are the men who are today leaders of the best thought of the greatest nation in the world.

WEST'S MOTHER IS IMPROVED AFTER SERIOUS ILLNESS

W. F. West, local architect and contractor, returned Wednesday from St. John, Kansas, where he had been called by the serious illness of his mother.

Mr. West stated that upon arriving he found his mother unconscious and that she did not know him for some time, but finally rallied and at present is bearing up well and apparently recuperating to some extent.

Judge Browning's Death Cause for Genuine Sorrow

Although busily engaged in the examination of a special venire of jurors in the Burns murder case Friday morning, Judge Reese Tatum adjourned court for fifteen minutes as a mark of homage and respect to the memory of J. N. Browning, pioneer Texas statesman and jurist. It is understood that the local bar will adopt suitable resolutions at once.

Friday's daily papers carried the news to hundreds of sorrowing friends and acquaintances over the Panhandle of the death of J. N. Browning of Amarillo, perhaps the best known pioneer of this section. The Amarillo Tribune had the following report, in part:

"James N. Browning, 71, former Lieutenant-Governor of Texas, pioneer Amarilloan, and universally loved Texas statesman, was found dead in his bed Wednesday morning at his room, 806 Taylor Street. Death was attributed to probable heart failure as he was in apparently good health and cheerful during the day Tuesday and when he retired at 11 o'clock Tuesday night. Funeral services will be at Polk Street Methodist Church, Sunday afternoon at 2 o'clock.

Governor Browning was found about 8:30 o'clock Wednesday morning. He is said to have been in the habit of arising about 5 o'clock every morning and falling to follow his custom, Mrs. Benson, at whose home he was living, went to inquire about him.

Indications led to the conclusion of the officials and Dr. E. A. Johnston that death occurred during the latter part of the night. Dr. Johnston declared that when he viewed the body Wednesday morning, there was some warmth, and that Governor Browning's hands were clenched in such a manner that would indicate that he suffered some pain.

He leaves four sons and three daughters: J. N. Browning, Jr., 1907 Taylor Street; J. B. Browning, San Diego, Calif.; Morris Browning, Greasy Creek, Ky.; Robert Browning, Phoenix, Ariz.; Mrs. F. E. Stevenson, El Paso; Mrs. W. C. Hawkins, 1802 Fillmore Street; Mrs. Will Keller, San Diego.

Governor Browning, known throughout Texas as "Honest Jim," came to Amarillo in 1896 and has practiced law here since that time, taking an especially active part in Texas politics. He served as Lieutenant-Governor of the State under Governor Joseph D. Sayers, 1899 to 1903.

He took active part in all affairs concerning Amarillo and the Panhandle. He was a member of the Amarillo Bar Association and served that organization for a term as its president. He was especially interested in the formation of Llano Cemetery Association and as its temporary president. Tuesday, signed the charter and application papers to be forwarded to Austin.

Governor Browning has been a life-long member of the Methodist church, and for a number of years has served as a member of the Board of Stewards of Polk Street Church, and at the time of his death was an active church and Sunday School worker. He was a member of the Masonic lodge, and branches of Masonry known as the York Rite and of Khiva Shrine Temple. He has served in various capacities in the lodge work. He was District Deputy Grand Master of the Masonic Lodge in 1872 and in June 1892 represented the grand master at the laying of the cornerstone of the Hall County Courthouse at Memphis. Governor Browning was also a member of the Independent Order of Odd Fellows and of Amarillo Lodge B. P. O. E.

The body will be held in state at the Blackburn & Malone funeral parlors, 709 Polk Street until Saturday morning at 10 o'clock and will then be removed to the home of J. N. Browning, Jr., 1907 Taylor Street, where it may be

Special Program Plan for Lunch On Next Monday

There will be a specially prepared program at next Monday's luncheon of the Chamber of Commerce at the Stockmen's Cafe. W. E. Cameron is preparing a special talk on a special matter close to his heart for the good of this community, and every business man in town is urged to hear it. The hour is twelve noon, sharp.

HEAVY FROST AND SHOWER OF LEAVES THURSDAY MORNING

Early risers Thursday morning discovered the hardest frost of the season so far. The morning sunlight glided from the frosty surfaces of roofs, sidewalks and smooth, shady places.

A phenomenon following the frost was the falling of the autumn leaves. In spots where trees were thick the steady drip of the brown and gold leaves resembled a slow snow fall. The trees will be bare in a few days at the rate they were shedding Thursday.

The air was cold and bristling with snap and vim, too, Thursday morning. Drinking troughs were frozen over and a few residents reported frozen yard hydrants. Thursday is bright and clear, with bright sun and cloudless skies. Hereford has never experienced a more beautiful autumn, although lack of moisture is beginning to cause some worry.

SEATTLE, WASH., PEOPLE VISITING DIMMITT FRIENDS

Mrs. Tom Miller II, together with her son, Tom Miller III, reached Dimmitt Saturday from their home at Seattle, Washington, for a short visit in the home of Dr. and Mrs. Mayes Miller.

Mrs. Tom Miller is a sister-in-law of Dr. Miller. Tom Miller III is a nephew of Dr. Miller and was a recent student in Culver Military Academy at Culver, Indiana, one of the prominent military schools of the country.

Mrs. Miller and son expect to spend a couple of months in Los Angeles, California, before returning home.

Dr. Miller's sister, Mrs. George B. Doubleday and daughter, DeAlva, and son, George B., of Amarillo, and Mrs. Harding, of Rising Star, Texas, also visited at the Miller home Saturday and Sunday.

TAYLOR BROS. ARE NOW CITIZENS OF EL PASO, TEXAS

Taylor Brothers, who have conducted a saddlery shop in Hereford for the past fifteen months, went out of business November 1 and have gone to El Paso, Texas.

Society

Mothers' Club

The Mothers' Club held their social meeting Tuesday afternoon with Mrs. W. M. Farmer, who, as on former occasions, proved a genial hostess. Her home was decorated in keeping with the spirit of the afternoon.

Topic—"Thanksgiving". At roll call each member responded with quotations from current literature, almost the entire membership being present. Only two subjects were discussed, "Are we as thankful as we should be," and "Can we name our blessings one by one." After an interesting discussion of these subjects, a short business session was held after which a social hour was very pleasantly spent in a unique contest.

The hostess was assisted in serving a delicious salad course by Misses Nellie Farmer and Mayme Landrum.

SPRING LAKE

Farmers are getting in real earnest about some moisture, but we think it will come in due time.

Mr. and Mrs. Asa Wilson went to Plainview Monday.

Allen Pillow will spend a few days with his mother near Hereford.

Mr. and Mrs. Tucker and Mr. Ferguson spent the day Sunday with Mrs. Wilson.

We are expecting a fine time Thanksgiving Day. We will have free dinner and after noon will have the Bazaar, in which we have many nice things to sell. Everyone who reads this will consider it a special invitation to attend. The proceeds go to pay for the new piano.

Mr. Germany Ferguson and Misses Mary and Mable Kiser, the Sunnyside school teachers, spent the day Sunday with Mrs. Phipps.

The most enjoyable time we have had since we were all "new comers," was on Wednesday night, when the Phipps, Jones, Whites, Wilsons, Browns, and the two Abbot families took a lovely supper, in honor of the return of Hazel and Roy Greenlee and Ora White, Mrs.

AND WHEREAS, the City of Hereford on the 27th day of October, 1921, entered into a written contract with W. A. Carroll, by the terms of which the said W. A. Carroll has agreed to construct said sidewalks for the price of 20c per square foot, and to construct said combination concrete curbs and gutters for the price of \$1.15 per linear foot.

AND WHEREAS, the City Commission has caused a statement to be prepared showing the names of the persons owning property abutting on the proposed improvements, and describing each parcel of property by lot and block number, and showing the number of front feet of each piece of abutting property, and also showing the amount assessed per front foot against abutting property and owner thereof, the total cost per front foot, the total amount assessed against abutting property and owner thereof and, the total cost, which is substantially as follows:

BE IT FURTHER RESOLVED, that a hearing shall be given to the owners of the property above described, their agents or attorneys, and others interested in said matter, in the City Office, in the Court House, in Hereford, Texas, on the 17th day of November, 1921, at 10 o'clock a. m., at which time all of said owners, their agents, or attorneys, and others interested are notified to appear and to be heard concerning said assessments against each parcel of property and the owner thereof, and the benefits to accrue thereto, by the reason of said improvements, and concerning any other matter or thing in connection therewith.

Greenlee's brother with whom they will spend the winter. It made us feel like "old times."
A delightful time was enjoyed Monday night when Mrs. Ola Kimble entertained with a Halloween party. The house was lighted with pumpkin faces with candles inside. Games of all kinds were played. George Abbot, Mr. Tucker and Germany Ferguson played the ghosts, but the girls didn't scare worth a cent—the ghosts were too gentle.
Wallace Phipps and George Abbot made a flying trip to Amarillo Monday.
Willis White and family visited in Plainview Saturday and Sunday.
Edd Ramey went to Olton to spend

SNOW THEREFORE, resolved by the City Commission of the City of Hereford that the total cost of constructing the sidewalks and curbs and three-fourths the cost of constructing the gutters along side of the property above described shall be borne by and assessed against the abutting property and the owners thereof. And that the cost for constructing said sidewalks and curbs and three-fourths the cost for constructing said gutters shall be payable on or before July 1st, 1922, with interest thereon at 8 per cent from the date of acceptance of said work.

The City Clerk is hereby directed to give notice of said hearing by publishing a copy thereof three times in the Hereford Brand, the first publication of which shall be made at least fifteen days before said hearing, and shall state time and place designated for the hearing. A copy of said notice shall also be mailed to each owner of the property above described.
Approved October 28, 1921.
WM. M. KNIGHT, Mayor.
GRACE SKELTON, City Clerk.

OLD AS METHUSALEH WAS HE MIGHT HAVE BEEN RICH

Joseph S. McCoy, a government actuary in Washington, has performed another stunt in mathematical wizardry to show how dollars will earn dollars if placed out at interest. McCoy took Methuselah as an example.

If Methuselah had invested \$1 at 6 per cent per annum, compounded annually, when he was 21 years of age, his wealth would have amounted to \$977,157,960,000,000,000,000, at the age of 969, when he died. Mr. McCoy said the interest on such a fortune would have paid all the world's war debts.

The actuary's calculation was for the benefit of certain Treasury officials, who questioned the accuracy of a recent banking publication's statement discussing what Methuselah would have rolled up in cash if he had adopted the saving habit.—Sheridan Post.

JUST AS SIMPLE

There is a Dutch doctor over in Germany who says that love is really reflex action whose central phase is sex force. Now we know what's the matter. When a famous doctor explains things so clearly we know what to do with it. Dr. Mangus Hirschfeld, going farther with his explanation, says: "Life without love is a mere existence, the central phase of 'love expression' is the inner love or sex force—the centrifugal, outmoving, outwardly acting transformation of the passive into the acting, living power of love." We never thought that love was such a complicated affair. It is easy to catch and many are bothered with it. Dr. Hirschfeld is the greatest authority in the domain of sexual love. He further states that there are no greater contrasts or enemies than war and love. "Love is potentialized life."—Panhandle Herald.

An Orpington hen laid 314 eggs in 236 days, at the Delaware College experiment station. This is said to break the world's record. Four thousand dollars has been offered for the hen, but she is not for sale.

The hen doesn't deserve much credit. It was the brains of the scientists, clever at cross-breeding, that created that record number of eggs. Some day those brains will make every hen produce as much as this \$4,000 Orpington.

Most of our important activity in this generation is experimentation—making valuable discoveries for our descendants.

HENS AND HOGS

Scurry county is making a campaign for 100 hens on every farm and hogs in every pen. Scurry county is on the right track. Hens and hogs will build any community. Hens and hogs are making the Plains country very prosperous. Hens and hogs are mortgage lifters, and revenue producers for the people.—Lockney Beacon.

DIMMITT

Nov. 8, 1921.

B. A. Fuller made a business trip to New Mexico this week.

Doyle Hicks and Mutt Cone came in the latter part of the week from the South Plains, where they have been picking cotton for the last month.

Mrs. John Flanagan entertained a few couples with a dance Halloween.

Uncle John's Josh

DIG YOUR POTATOES EARLY IN THE MORNING BEFORE THEIR EYES ARE OPEN!!

Mrs. I. B. Brooks entertained with a Halloween party Thursday evening.

A Negro Minstrel, home talent play, was enjoyed Saturday evening at the school auditorium, by a large crowd. Mrs. I. B. Brooks and Mrs. John Flanagan deserve the credit for the great event, as they have been coaching the play for some time. The proceeds go for the playground equipment at the school here.

Business is rushing in Dimmitt this week, as Court is in session, and our little town is overflowing with out-of-town people.

Miss Margaret Barger, of Parrot community, spent the week end with Mrs. Mayes Miller.

Mr. and Mrs. Richard Dixon, of Hereford, are in Dimmitt, transacting business the latter part of the week.

Edgar Ramey received a letter Monday, from Edwin Ramey and J. A. Womack, who are away on a hunting trip. They were in Edwards county and were enjoying their trip to the fullest extent, killing wild turkey and deer galore.

Mrs. J. M. McIntire and Mrs. Etta

Brashears were in Hereford shopping the last of the week.

The Negro Minstrel play that was rendered here Saturday night will be played in Happy, Texas, next Saturday night, Nov. 12. Those who haven't seen it, better go, as it is worth your money.

Ray Sheffey and Bryan McDonald went to Kansas City the latter part of the week with a carload of fine cattle.

Mrs. C. E. McLean and Mr. and Mrs. Elliott spent the week-end visiting relatives in Lubbock.

Mr. and Mrs. Ralph Patton attended

THE UNIVERSAL CAR

Sedan \$660
F. O. B. Detroit
With Starter and demountable Rims

Genuine Common Sense

Many Ford owners can afford to own and operate any car they may choose, but they prefer a Ford "because it is a Ford."

For "because it is a Ford" means dependability, ease of operation, efficiency—and it means sure, quick transportation.

And "because it is a Ford" means good taste, pride of ownership and genuine Common Sense.

The Ford Sedan, a closed car of distinction, beauty and convenience, is the ideal all year 'round car, for pleasure or business—for the farm, town or city. It gives you all that any car can give at a much lower cost for operation and maintenance.

Ford Cars of all types are in great demand, so place your order at once if you wish to avoid delay in delivery.

A SAFE TEST
 For those who are in need of a remedy for kidney troubles and back-ache, it is a good plan to try Doan's Kidney Pills. They are strongly recommended by Hereford people. Ask your neighbor!
 Mrs. T. B. Rector, Hereford, says: "Doan's Kidney Pills have been used in my family for some time for weak and disordered kidneys. Some time ago my back was giving me trouble, was sore and ached a good bit right through the small of it. My kidneys also acted too frequently and caused me considerable trouble at night. Whenever I have felt any symptoms coming on I have started using Doan's Kidney Pills and in a short time they have relieved me. Another member of my family has also used Doan's Kidney Pills with good results."
