ROY KROPFF, YOUTHFUL AVIATOR, MEETS DEATH WHEN GLIDER CRASHES

Home-Made Ship Towed by Auto Rises 30 Feet in Air; Encounters Unexpected Head Winds, Dives to Earth With Pilot

Roy Kropff, 23-year-old aviator, was fatally injured at 3 o'clock Sunday afternoon at the Hereford landing field, two miles north of the city, when the home-made glider which he was piloting crashed 30 feet to earth, overturned and crushed him against the supports and rigging of the ship. He was rushed at once to the hospital but died ten minutes after reaching there.

In Sunday's flight the glider was being towed by a car driven by Edward King of Amarillo, part owner of the ship, and after traveling about 300 yards had risen 30 feet from the ground. Reaching the brow of a slight rise at the west side of the field, the glider was apparently struck by a rising current of air, the unexpectedness of which is believed to have led Kropff to shove down on the control stick, causing the glider to go into a nose dive and crash to the ground before it could be straightened out.

The glider which brought death to Roy Kropff was constructed a year ago by Roy, his brother, John, and Edward King, 23-year-old youth of Amarillo and several successful flights had been made with it by other pilots. Sunday's attempt was said to have been the first time that a flight had been made by Roy Kropff.

Surviving the crash victim are his parents, Mr. and Mrs. J. J. Kropff, of Hereford; five brothers, Joe and Claude of Amarillo, and John, Carl and Charles Kropff, of this city, and a married sister who resides at Tulsa, Oklahoma.

Funeral services for Roy Kropff were held at 10:30 Tuesday morning at the First Methodist church, Rev. E. B. Bowen, pastor of the church, officiating. Mases of flowers from Amarillo friends of the youth and from his sorrowing friends and relatives here banded the casket. Burial was at the Hereford cemetery.

Santa Fe Says Crossing to Be Put in Shape

President T. E. Seigler, of the Chamber of Commerce, is in receipt of a communication from Superintendent J. B. Briscoe, of the Panhandle & Santa Fe railroad, Amarillo, in which Mr. Briscoe states that the roadmaster of this division has been instructed to look into the matter of grade and street crossings at Hereford.

This letter was in response to one written by the Chamber of Commerce calling attention to the fact that with the coming of the wheat harvest some of the railway crossings in the city were in bad condition.

Mr. Briscoe further stated that it had always been the policy of his company to work with Hereford interests in every movement for the bettering of conditions here, and that the crossings referred to would be promptly handled.

The local organization is also taking the matter of securing sufficient care to handle the large grain crop up with the railroad officials and every effort will be made to furnish Hereford her quota of rolling stock.

New Home Going Up in West Hereford

J. O. Howard, building contractor, is constructing a new five room modern home, with stucco finish, on Libby Street, west of 25-Mile Avenue. The building, which it is expected will be completed within thirty days, will be occupied by Mr. Howard and family.

Baby Loses Life When It Topples Into Tank; Efforts to Revive Fail

Ross Henry London, 18-month-old son of Mr. and Mrs. Walter London, met death Friday morning when, escaping momentarily the watchful eyes of his young companions and his mother, he fell into a stock tank in the yard of the London home, ten miles northwest of the city, and was drowned.

The child who had just accompanied his mother to the hen house to help feed the chickens had joined his young brothers and sisters for play in the yard. After a few moments his absence from the other children was noted by his mother and a frightened search immediately begun. In a few minutes the child was discovered in the water tank which, though the sides were several feet high, he had managed to climb and had accidentally toppled into.

Artificial respiration was immediately resorted to by the father of the child while the mother ran frantically for half a mile to the nearest neighbor to telephone for a doctor. Efforts to revive the child by artificial respiration though continued by the doctor, the parents, and Roy London, a brother of the father of the child, for nearly two hours, were unsuccessful. The body was brought to the E. B. Black undertaking parlors Friday afternoon.

Funeral services for the infant were held at 11 o'clock Saturday morning at the First Christian church here. Rev. J. W. Bountinghouse, pastor of the church, officiated. Burial was at the Hereford cemetery.

Surviving the child are his parents, Mr. and Mrs. Walter London, his grand parents, Mr. and Mrs. B. B. Baster, of Dimmitt, and Mrs. A. E. London of Beeville, Texas; two brothers, Walter, Jr., and Baxter, and two sisters, Gertrude and Lillie.

Hereford Women Go To Eastern Star Meet

The Panhandle district of the Eastern Star held a school of instruction at Canyon Wednesday, June 19. Five grand officers from the State of Texas were there and made interesting talks.

Twelve Hereford ladies attended the school and the nine who took the examination received certificates; the largest number in the history of the Hereford Chapter to be awarded certificates at one time. They were Meses. L. A. Ray, Maude Woods, L. A. Brady, Jack Rose, Vera Witherspoon, Mac Womble, Fletcher Rogers, F. M. Kester and H. D. Read.

Hereford asked that the next annual meeting be held here, but the matter is undecided. Mrs. Sherman, Mrs. Broadwell and Mrs. G. A. F. Parker also attended the meeting.

Manjeot Home Damaged by Fire Saturday Night

Late Saturday night the five room stucco bungalow, located on West Fourth Street, near Gregg Park, owned by Mr. and Mrs. A. L. Manjeot, was badly damaged by fire. While no estimate of the loss was announced, it is understood that it was partially covered by insurance.

Origin of the fire is thought to have been from the wiring of the house because no fire of any sort was in the house, stated Mr. Manjeot, when he and his family left the residence earlier in the evening.

Prompt action of the Hereford volunteer fire department members quickly extinguished the fire in the Manjeot residence and prevented its spread to nearby buildings. Considerable damage to the interior of the building and to the furniture was caused by water.

Creamery Association Elects Herman Schulz To Vice Presidency

By an unanimous vote of the board of directors, Herman Schulz, son of the late A. B. Schulz, was elected vice president of the Farmers Creamery Association, Inc., at a special meeting of the organization held here Saturday. The position voted Mr. Schulz is one made vacant by the death of his father.

At the special meeting of the board of directors a resolution was adopted expressing the sorrow and regret of the organization because of the death of A. B. Schulz, who was recognized as the leader in the establishment here of the farmers co-operative creamery, and through building a suitable structure for lease to the Association made the creamery possible now. A copy of the resolution was ordered given to the family of Mr. Schulz.

Pickwick Stages Have New Line to Denver

Announcement has been made by the Pickwick Stages of the establishment of a new bus route from Amarillo to Denver, Colorado, effective June 15.

Modern equipment consisting of the same type of commodious buses in use on the other main lines of the company will be used on the Denver run. Connections will be made at Denver for Salt Lake City, San Francisco and other Coast cities as well as points north and east.

Officials of the Pickwick Stages have announced that the fare from Amarillo to Denver is \$12.00.

Guernsey Bull Imported For Local Service

O. L. Rutherford, dairyman of this city, announced this week that he has purchased from George P. Groat of Panhandle an one-half interest in "Shuttlewick Strongheart," a son of Iltheen King, said to be one of the greatest Guernsey bulls ever brought to Texas.

Shuttlewick Strongheart was bought by Mr. Groat of Panhandle on June 6 at the annual Ohio State Guernsey sale at Wooster, Ohio, and was brought to the Rutherford dairy farm at the north edge of the city this week, where, states Mr. Rutherford, he will remain for some time.

Mr. Rutherford has a herd of ten Guernsey dairy cows that were shipped here last fall from Wisconsin and is building up a herd of this breed of dairy stock. Mr. Rutherford is at present selling the milk from the herd of Guernseys to the Prairie Dairy which distributes it to customers in the city.

With the adding of Shuttlewick Strongheart to his herd, Mr. Rutherford becomes one of the leading Guernsey breeders in Deaf Smith county.

J. E. Hill Host to New Comers in Ford Section

J. E. Hill of Hill & Ricketts, was host Wednesday night of last week to the residents of the Ford community at a welcome and get acquainted party held at the school house there.

During the past few months many new settlers have come to Ford from Oklahoma and other states, including one settler from Montana, and have purchased land in that vicinity in what was formerly a part of the large ranch owned by Mr. Hill.

The party Wednesday night was given by Mr. Hill as an expression of his appreciation and that of the residents of Ford, of their pleasure in welcoming them to Texas.

Every tradition of true Texas hospitality was verified by the cordial welcome extended to the settlers from other states and from later comments they were convinced that neighbors in Texas has a real and vital meaning. For the entertainment of the guests a program of songs interspersed with several speeches was presented. Among those who obliged with quartets or solos were Mrs. Harold Wilson, of Ford, Mr. and Mrs. Mann, Mr. and Mrs. Will Knox and Roy Arnold of Hereford. T. E. Seigler, president of the Hereford Chamber of Commerce, J. E. Hill, the host, Roy Arnold,

secretary of the Chamber of Commerce, and C. W. Whittington, of the Hammond - Whittington Mortgage Co., of Amarillo, made brief speeches of welcome to the new residents. Approximately 100 people were present at the party.

After the program of songs and brief talks was completed ice cream and cake were served to the guests.

And now the Brunswick Super-Service Balloon fire at RICE'S.

HEREFORD IS VICTIM OF YO-YO

Insidious Toy Takes City By Storm Over Futile Protests of Few.

Spreading with the rapidity of the prairie fires that once swept the Plains, affecting old and young, sedate or boisterous, business man or happy-go-lucky youth, Yo-Yo, the latest fad of the Nation has hit Hereford a solar plexus blow that has seemingly rocked its foundations.

Up and down the main street; in business houses and outside on the walks; in the parked automobiles downtown or on the side streets; in the home or on the front porch; at parties or in the midst of a serious business conference, people are dangling a flattened sphere of wood on the end of a string, throwing it from them only to have it creep back up the string by a groove cut into the side of the sphere, and doing it earnestly with an air of accomplishment.

Drug stores, variety stores and other establishments here have sold hundreds of these toys within the past few days. A supply of 170 Yo-Yos lasted less than two days at one store and a new supply was ordered by wire. Other stores have had their supplies of the toy exhausted and have ordered more.

The Yo-Yo resembles a top that has been flattened out. There is a circular slit running about the Yo-Yo's body and a string is wound into this slit. Throwing the Yo-Yo outward while retaining the end of the string causes the string to unwind. At the end of the unwinding, if the knack of the performance has been mastered, the Yo-Yo clips back up the string under its own power.

A bus boy, Pedro Flores, of Santa Barbara, California, is said to have invented this million dollar craze. The idea has spread rapidly from the Pacific Coast and is sweeping across the continent. Hereford, being in the path of the fad, succumbed enthusiastically and easily.

Singers to Meet in Amarillo in 1930 Convention

Sunday afternoon when 1,500 singers gathered here, marked the peak in attendance at the Eighth Annual Convention of the Plateau Singers which was held here Saturday and Sunday.

Representatives were present from nearby communities, adjoining counties, and a few from other states. Amarillo, with 200 delegates, ranked highest in attendance from points outside of Deaf Smith county and at the voting for the convention city for 1930 was successful in obtaining the gathering.

Delegates commenced arriving in Hereford Saturday morning for the convention and continued in steadily increasing numbers during the day. Saturday evening 700 singers took part in the program. The official program opened Saturday morning with a concert by the Hereford band, followed by group and solo singing by representatives from different communities, which continued throughout the day and until late in the evening. Sunday the program commenced at 8:45 a. m. and continued until 4:00 p. m.

The complete list of officers serving for the past year were re-elected to office for the next 12 months. They are John E. Taylor, president; L. M. Brooks, vice-president; J. P. McGlash, vice-president; J. P. McGlash, secretary and J. S. Garrett, Hereford, assistant secretary.

secretary of the Chamber of Commerce, and C. W. Whittington, of the Hammond - Whittington Mortgage Co., of Amarillo, made brief speeches of welcome to the new residents. Approximately 100 people were present at the party.

After the program of songs and brief talks was completed ice cream and cake were served to the guests.

And now the Brunswick Super-Service Balloon fire at RICE'S.

Wheat Harvest Expects to Be On In Full Blast By First of Next Week

Delivery of 41 combines, representing a total value of more than \$100,000, has been made within the past week by the E. B. R. Implement Co. of this city, through their stores at Hereford, Dimmitt and Friona. Numbers of other orders for combines and tractors will be filled within the next few days.

Other implement dealers in the city report the delivery within the past week of large numbers of combines and a steady flow of orders for more. From the large sales made of combines, say experienced grain men, indications point to the largest crop of wheat and row crops ever harvested in this territory.

Lumber dealers report that more granaries are being built on farms this year than ever before recording amounting, some dealers estimate, to as high as 30 per cent of the farms in the territory.

Preparations to handle wheat shipments from Hereford and nearby stations promptly are being made by the Santa Fe railroad, states J. E. Beyer, agent here for the Santa Fe.

While some wheat is reported being cut with binders, it is not expected that the combines will swing into the harvest until Saturday or Monday. By the latter part of next week, state farmers, the harvest rush will be under full speed ahead.

BAND CONCERT SUNDAY.

Announcement was made Wednesday that the Hereford Band will hold a band concert at 5:00 p. m. Sunday, June 23, on the court house lawn.

Faulty Brakes Said to Have Caused Wreck

Judge C. F. Kerr, senior partner of Kerr-Anthony & Co., local hardware dealers, his son, Will S. Kerr and wife, all of this city, were painfully injured Friday noon when, near Canyon, while enroute to Amarillo, supposedly faulty brakes caused the new car in which they were riding to somersault forward in two complete turns.

Judge Kerr sustained a deep gash on the back of his head, which required a number of stitches to close. Will S. Kerr received two broken ribs and numerous bruises about the body. Mrs. W. S. Kerr was badly bruised and shaken by the accident.

Passing motorists discovered the wreck a few moments after the accident happened and took the injured to Canyon where a physician rendered first aid, after which they were brought to their homes here. Medical examination by physicians revealed no sign of internal injury to any of the victims of the accident and it is believed that their recovery will be rapid.

Faulty brakes were believed to have been the cause of the accident. The front brakes were said to have suddenly locked which threw the car forward in two complete somersaults. Only the fact that the body of the car was of steel prevented a tragedy, declared the occupants. The machine was taken to Canyon for repairs to the bent door, mashed fenders and wrenched frame which resulted from the accident.

Mr. and Mrs. Sam Steele were visitors in Hereford early in the week.

Hereford Bakery Adds Many Improvements

Work is commencing this week on the remodeling and re-arranging of the interior of the Hereford Bakery, recently purchased by Frank Barber and Sons. Since acquiring the property Mr. Barber has made a number of changes in the premises and more are planned. Absolute cleanliness is one of the cardinal principles of the establishment and the housewives of Hereford are cordially invited by Mr. Barber to inspect the bakery at any time.

L. S. Carlton, formerly employed by large bakeries at Plainview and Amarillo, is shop foreman of the Hereford Bakery and is an expert bread maker as well as pastry cook. Layer cakes, small cakes, cookies, jelly and fruit rolls and doughnuts as well as many other bakery products are for sale daily.

PETITION FOR SPECIAL ELECTION ON 15 CENT ROAD TAX CIRCULATED

Chamber of Commerce Seeks to Aid Farmer Secure New Roads for Convenience in Hauling Grain Shipments to Market.

This Chinese Elm Is Out for Record; Rapid Growth Characteristic

Chinese elms do well in Hereford. One such tree here is gaining an average of seven inches in height each month and is increasing its girth half an inch each thirty days. During the past fifteen months this tree, located in the yard of the Deaf Smith county court house, has grown from six feet to fifteen feet in height and its circumference in the same period of time has increased from six and one-half inches to a total of fourteen inches.

On March 5, 1928, W. B. Phillips caretaker at the court house, set out the northwest corner of the yard a Chinese elm which was then two years old. Frequent measurements have been made and a record kept of the growth of the tree.

At the time the elm was set out it measured six feet in height and six and one-half inches in circumference. On July 18, of that year, the girth of the tree had increased to eight and one-half inches and its height to eight feet. On September 20 the girth recorded was 11 inches. In the next two months the circumference increased only seven-eighths of an inch. By that time the height was 11 feet. On June 3, of this year when the most recent measurements were taken the tree registered 14 inches in circumference and 15 feet in height. All records have been carefully made by Mr. Phillips and have been kept on file in Judge Earl Wilson's office.

"No especial care has been given this particular tree," states Mr. Phillips. "I have just given it plenty of water every day. The Chinese elm is naturally adapted to this climate and soil and the borers or other insects don't bother it," he added.

After observing the rapid growth and successful resistance to borers and other pests by this tree, the Commissioners secured a number of Chinese elms which have been set out in the court house yard.

Most of the 24 elms set out were one year old when planted and all are showing a fine growth. With the rows of rose bushes, dahlias and other flowers, many of which are now in bloom, bordering the walks, entrances and sides of the building, the Deaf Smith county court house yard is recognized as one of the beauty spots of Hereford and many complimentary remarks from both citizens and visitors are paid to County Judge Earl W. Wilson, and other members of the Commissioners court for providing the necessary funds for beautifying the yard and to W. B. Phillips for devoting such continual and painstaking effort to the care of the flowers and trees in the yard.

Automobiles to Be Taxed By New Schedule

Joel Murchison, deputy tax collector for Deaf Smith county, has received notice from Gibb Richter, state highway engineer that, effective at once, the amount of registration fees for automobiles and automobile trucks to be paid for the balance of the year shall be calculated upon a monthly basis instead of quarterly, as heretofore. By this ruling, based on an emergency bill passed by the recent session of the state legislature, the payments for registration of cars and trucks are figured in twelve equal payments, and payments made for the number of 1-12 parts remaining in the year when the registration fees are paid.

Joe Strother, organist of the Polk Street Methodist church, Amarillo, will give a recital Friday night, June 28, at the First Methodist church in Hereford under auspices of the Methodist Ladies Missionary Society.

Petitions asking the Commissioners Court of Deaf Smith county to call a special election soon for the purpose of voting on the levy of a special county road tax of 15 cents on the \$100 valuation are being circulated here this week by a committee of the Chamber of Commerce. If the required number of signatures are secured in time, say the committee, the petition will be presented at the next regular meeting of the Commissioners Court to be held here Monday, June 24.

"The fast development of Deaf Smith county; the number of new farms being broken out; the increased acreage planted this season to wheat and row crops by established farmers and the influx of new settlers into the county make the construction of new roads an absolute necessity if the farmer is to be able to get his crops to market without unnecessary delay and expense," declares T. E. Seigler, president of the Hereford Chamber of Commerce and ardent advocate of the proposed special road tax.

"At every meeting of the Commissioners Court," declared Mr. Seigler, "petitions are filed by residents of the rural sections of the county for new roads. The Commissioners Court of Deaf Smith county are doing their best in behalf of the people of the rural districts as well as for those in the more settled districts of the county but for them to comply with the numerous demands of the people for more roads they must have more money from some source. Only 15 per cent of the total amount collected for taxes can be used now for the building and maintenance of roads and bridges," he continued, "and this sum is only about one-half of what is needed to maintain the roads and bridges already built in the county."

Two Ways of Raising Funds.
"Under the laws governing Texas

(Continued On Page Seven)

C. of C. Expects To Provide Help For Farmers

The Chamber of Commerce will endeavor to supply wheat farmers with hands needed during the coming harvest, according to advices from the local office. Many hands are now beginning to inquire about work in the harvest and Secretary Arnold, in a short talk last evening, suggested daily asking about conditions here.

"We do not want to import a lot of extra hands when there is no work for them," said Arnold, "but we do want to do everything within our power to see that the farmers have sufficient hands to handle their crops. All farmers needing hands, or who will need them should come in and leave their name and address so that when we have inquiries from hands we may be able to send them to the right place."

It will be recalled that during the last wheat harvest, and the fall row crop that the Chamber of Commerce secured many hands for those needing them.

School of Aviation for Hereford Announced

Two local aviation enthusiasts O. F. Pinckert and Clifford Cox of the Cox & Huettert garage, have announced the opening here of an aviation school. Mr. Pinckert will act as instructor and a Curtiss training ship recently purchased at Amarillo will be used in practice flights and in training students. The plane will also be used in carrying passengers on short flights, announced Mr. Pinckert.

Mr. and Mrs. W. B. Parker of Crosbyton have been guests in the home of his brother, J. C. Parker, manager of the Star theatre, since Sunday.

"THE WILD PARTY" IDEAL PICTURE FOR CLARA BOW

No more ideal play for the animated talents of Miss Clara Bow has ever been chosen than her latest vehicle, "The Wild Party," which comes to the Star Theatre Monday and Tuesday. "The Wild Party" is a vivacious, fast-moving production based on the story by Warner Fabian, famous author of popular novels of the jazz age. There are several real wild parties in the play and their watchword seems to be "when better whoopee is made, Clara will make it." Girls who are known throughout film-dom for their "it" qualities take part in the production. Dorothy Arzner, director of the picture, spent considerable time selecting the desired types of whoopee-making pop-sisters to fill the roles of members of Clara's "gang" in the play.

RESOLUTION OF THANKS

Be It Resolved: That we, the Plateau Singing Convention, in regular annual session assembled, extend to the citizens of the City of Hereford, the Chamber of Commerce, the Secretary, Mr. Aarnold, the officers of the county unit, to Judge Wilson and the Honorable County Commissioners of Deaf Smith county the most sincere thanks and appreciation for the royal hospitality and co-operation extended to the convention.

CITATION BY PUBLICATION

THE STATE OF TEXAS,

To the Sheriff or Any Contable of Deaf Smith County—Greeting:

You are hereby commanded to summon C. E. Bosley by making publication of this Citation once in each week for four successive weeks previous to the return day hereof in some newspaper published in your County, if there be a newspaper published therein, but if not, then in the nearest County where a newspaper is published, to appear at the next regular term of the District Court of Deaf Smith County, to be holden at the Court House thereof, in Hereford, Texas, on the fifth Monday in July, A. D. 1929, the same being the 29th day of July A. D. 1929, then and there to answer a petition filed in said Court on the 17th day of June A. D. 1929, in a suit, numbered on the docket of said Court No. 1727, wherein Grace Bosley is Plaintiff, and C. E. Bosley is Defendant, and said petition alleging for divorce; plaintiff alleging that she and defendant were married on or about November 25th, 1919, and continued to live together as husband and wife till on or about August 18th,

1923, at which time, and without fault on the part of plaintiff, the defendant intentionally and permanently abandoned her, and has since said time failed or refused and still fails and refuses to live with her or to contribute anything toward her support. That she has resided in Deaf Smith County for more than six months next preceding the date of filing her petition, and in Texas for more than one year before the exhibition of said petition; plaintiff praying that said marriage be dissolved and for all relief, special and general, in law and in equity, she may be entitled to.

Herein fail not but have before said Court, at its aforesaid regular term, this writ with your return thereon, showing how you have executed the same. Given under my hand and the seal of said Court, at office in Hereford, Texas, on this the 17th day of June A. D. 1929.

THE BANG OF BURNED OUT BEARINGS YOUR MOTOR CAN ESCAPE IT

If you've ever listened to the anvil chorus under the hood when a bearing burns out, you realize the damage that poor oil can do to a motor. Replaced bearings cost real money—a great deal more, in fact, than the cost of a year's supply of good oil.

Isn't that reason enough why you should always insist upon a brand of oil which has stood the test—a brand backed up by an organization which has spent years specializing in the lubrication needs of every type of motor?

Such are the brands offered you by the Continental Oil Company. You may be sure that an oil sponsored and sold by this organization is the right oil for your car.

You protect the bearings—and your pocketbook, too—when you ask for these brands at service stations and garages.

HEREFORD
Tune, Marching Through Georgia)
Listen to our music, folks;
We have another song—
We'll sing with a spirit
That will bring the world along.
We'll sing it as we're going to
sing it,
Five hundred thousand strong,
In this grand old Panhandle of
Texas.
Chorus
Hereford! Hereford!
Come live with us always,
Hereford! Hereford!
We're on the map to stay.
With wheat and maize and every
crop,
We're sure to win the day!
In this grand old Panhandle of
Texas.
II
Hear the song birds singing,
Fit to split their little throats,
In God's trees about here,
How they trill out all their notes!
Hear the low of cattle,
Hear the bleat of sheep and goats,
In this grand old Panhandle of
Texas.
(Chorus)
III
Panhandle grass fed to a calf
Will never make a roast—
So the saucy Easterner said,
And 'twas a handsome boast,
Now Hereford Brand's known o'er
the land,
From north and south and west,
Hurrah for the Texas Panhandle!
(Chorus)

T. A. T. Planes Will Pick Up Passengers Here
One reason for the building of a first class hotel in Hereford is that such an hotel will be necessary to accommodate visitors to the town when plane service on the Transcontinental Air Transport company route is initiated, according to L. Baskin, local air enthusiast and realtor.
Mr. Baskin, who is thoroughly familiar with T. A. T. organizations and its plan of operation, points out that many planes will

land at the Hereford Emergency Field even when there are no passengers to pick up. He is conscious of the fact that those people who travel by air are usually wealthy and demand the best hotel accommodations. When a plane lands at the field for repairs, the passengers will of necessity come to Hereford to put up at a hotel.
Even now, Mr. Shelly and Mr. Berry, who are in charge of construction work between Clovis and Waynoka are making their headquarters in Clovis because of the crowded hotel conditions here.
Mr. Baskin says officials of the T. A. T. are practically certain that regular stops for passengers will be made at Hereford after plane service on the route has passed the experimental stage. Then passengers from all over the Lower Panhandle and South Plains will be compelled to come to Hereford if they would travel by air to Wichita, St. Louis or any other Eastern or Middle Western city. The significant position of Hereford as a landing port is obvious.
Hereford certainly must have a hotel to accommodate the people that will flock here to make connections with the T. A. T. plans, Mr. Baskin says. He believes that the location of the emergency landing field here would alone justify the erection of a first class hotel. He thinks that if hotel constructors of the state will not build the hotel then the business men should see that it is built.
The opening of the air transport lines will lessen the import-

SHOW CARDS
"Put On a Good Front"
See Me
108 WEST THIRD

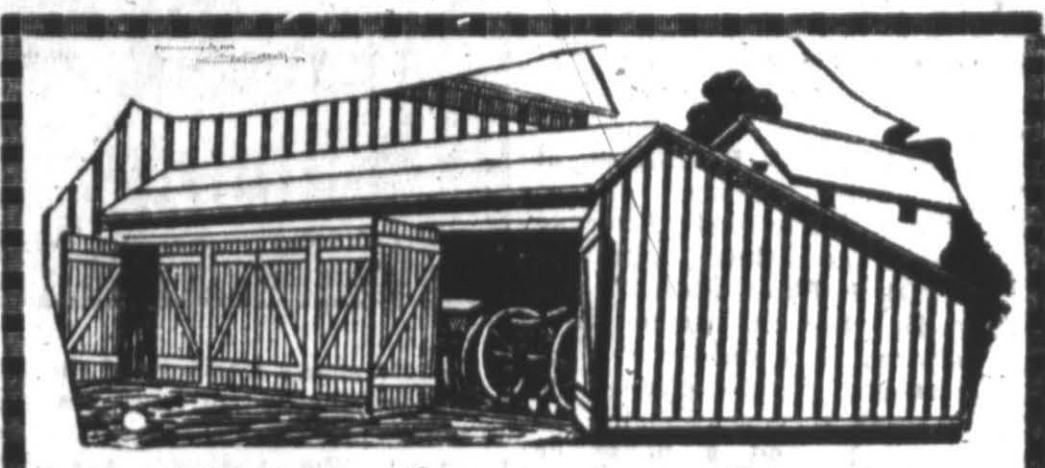

ance of railway division points, he says. Cities of the future will be largely valued for the number of air lines that is routed over them. Passengers in West Texas.
Mr. Baskin is of the firm opinion that Hereford is bound to be the air capital of the South Plains, drawing all transcontinental air passengers to it—the most significant point of departure for air passengers in West Texas. These are some of the reasons why he is convinced that Hereford must have and will have a first class hotel immediately.

TEXAS TECH SUMMER SESSION ENROLLS 1,085

Lubbock.—Summer enrollment at Tech has reached 1,085, a gain of more than 30 per cent over last year. Many classes are swelled to undue proportions and additional sections in many cases had to be arranged for. More than 1100 will be enrolled before the end of the second week.
Several hundred additions are expected to enroll for the second summer term July 13, making a total

attendance for the summer of probably 1400. Enrollment last year was 965. One feature of this summer is the large number who have come to Tech to do graduate work.

TIPS TO MERCHANTS

BY WILLIAM E. MOORE

A number of news items and stories in this and every issue of the Hereford Brand, have hid den in them from \$5 to \$50, per haps more, for those merchants who can discover the trails that lead to buried treasure. The trail is there. Sometimes it is plain. Often it is obscured, but the ability to "read signs" will bring sure and frequent profit to the merchant who understandingly reads his home-town newspaper.

For instance, take the following item.
"Mr. and Mrs. J. K. Hughes, of Wichita Falls, Texas, arrived Thursday to make their home in Hereford, and they will re side at 804 S. Blank Street."

How did they happen to select that location as a residence? Be ing strangers in the city, it is possible that they looked in the newspapers to find a house or apartment for rent. Then, some one who advertised in the paper is now receiving \$30 a month, or more, from Mr. and Mrs. Hughes as rent for the apartment.

Perhaps Mrs. Hughes will not care to do much washing at home but just arriving from a trip and settling in a new home, she will probably have quite a few clothes that she wants washed. Conse

HOOVER CRIME COMMISSION HOLDS FIRST MEETING AT HEADQUARTERS

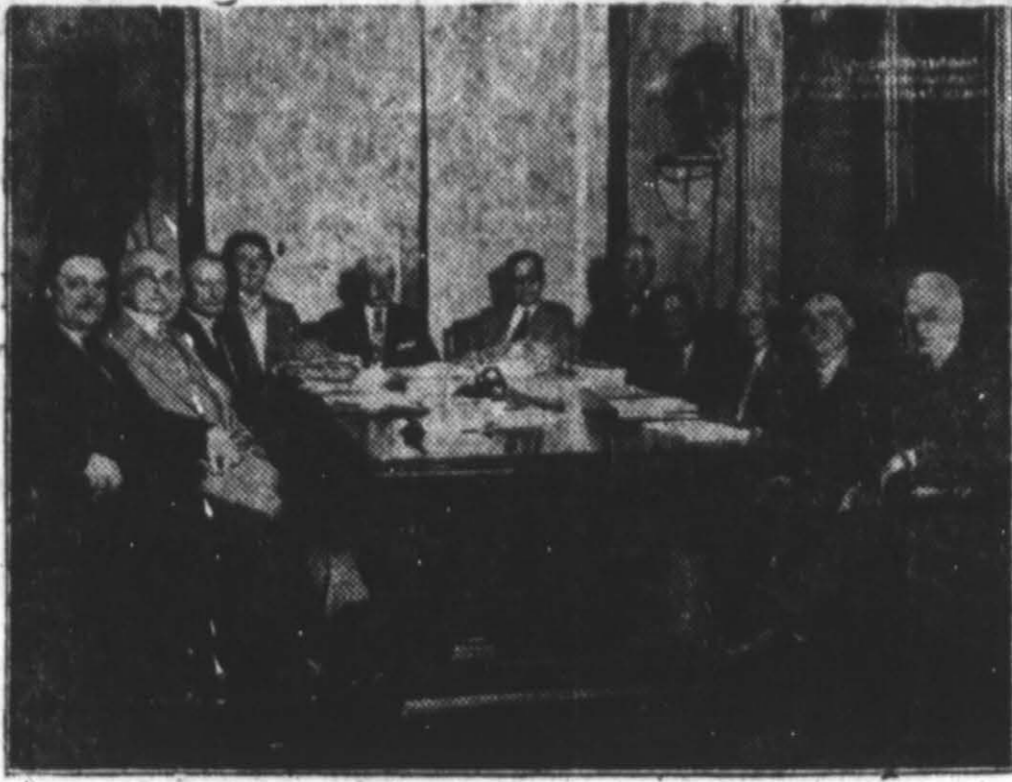

Photo shows members of the Hoover Crime Commission just before they convened in their first meeting in their new headquarters in the Department of Justice. Left to right, Roscoe Pound, Frank J. Loesch, Wm. J. Grubb, Ada M. Comstock, George Wickersham, Chairman; Newton D. Baker, Harry A. Anderson, Monte M. Lemmann, Kenneth R. MacIntosh and Paul J. McCormack and Judge William S. Kenyon.

quently the first laundry that Mrs. Hughes can locate will gain a regular patron who will spend from \$2 to \$3 each week.

Mrs. Hughes may have a dress or two and possibly a coat, to be

cleaned. Perhaps one of Mr. Hughes suits needs cleaning and pressing. Some dry cleaning establishment which is always watchful to see that its name is easily found by those desiring its services will get from \$3 to \$5 worth of work now and more patronage from time to time.

As Mr. and Mrs. Hughes will undoubtedly eat at home most of the time, Mrs. Hughes will patronize quite regularly some grocer. That account of \$15 to \$25 a week will be a welcome addition to the regular trade of the grocer selected.

With fresh meat as much a necessity of the menu as groceries, Mrs. Hughes will spend from \$2 to \$5 at some butcher shop each week.

Of course milk and cream will be needed each day for cereals and cooking. Some dairy that is on the constant look-out for more business will serve a new customer and receive from \$3 to \$5 each month.

If Mr. and Mrs. Hughes have their own car they will need a quantity of gasoline and oil for it. The enterprising and friendly manager of some filling station will gather in from \$2 to \$5 from them each week.

There are still more hidden dol

lars here, but let us total up those we have already discovered:
Rent \$ 7.50 per week
Laundry \$ 1.50 per week
Groceries \$15.00 per week
Meat \$ 2.00 per week
Milk \$ 1.00 per week
Gasoline and Oil \$ 3.00 per week
making a total of \$30 a week and an extra \$2 or \$3 to the dry cleaner once in a while.

Quite a few dollars to be hidden away in one small item, isn't it? Yet some one is getting those dol lars right now just as surely as you are reading this.

The chances are that it is those merchants who advertise in the Hereford Brand, because Mr. and Mrs. Hughes, being strangers in the city, would naturally turn first to the home-town newspaper to locate reliable merchants, or service. Tomorrow or next day there will probably be another family moving to this community to make their home. Will it mean any money in your pocket?

Westway Items

Mrs. Turrentine barely escaped injury in a skirmish with an enraged bull which broke loose. She has a badly strained back as a result of the encounter.

Mr. and Mrs. O. Wilder and Miss Mildren left Tuesday for East and Southern Texas for a several weeks visit with friends and relatives.

Mmes. Houser, Hartman and girls visited Mrs. Tom Vaughn Monday.

Miss Doris Masney visited in the Hartman home last week.

Mrs. Hartman and Myra visited Mrs. Frank Carl in Hereford Sunday.

Oleta Hartman is confined to her

room with a very painful foot caused by sticking a nail in it.

Mr. and Mrs. G. C. Hartman enjoyed a visit from Mr. Hartman's sisters, Mmes. Cowart of Looney and Thomas of Canyon, last Sunday.

Minnie D. Smith is visiting in the Tom Vaughn home this week.

Mr. and Mrs. L. Nicks and children of Dallas are visiting in the A. W. Nicks home.

Mr. and Mrs. R. B. Gunn of Hollene, New Mexico, visited their uncle, R. M. Gunn, and family Sunday.

Mr. and Mrs. Musick and children of Crosbyton visited last week in the home of their sister, Mrs. G. W. Wilson.

CARD OF THANKS

We desire to thank our many friends and good neighbors for their kind assistance and loving

sympathy during the illness and death of our beloved mother. Words cannot convey our gratitude for the many kind deeds, consoling words and the beautiful flowers. May God bless you all, is our prayer.

MR. AND MRS. J. E. HILL.

Booker's largest business house under construction at present is the fifty foot brick being construct-

ed by A. W. Robinson which will be occupied by an automobile concern. A number of residences are being put up.

Big Spring's Read building is nearing completion. The building contains seven store building departments on the ground floor and a 25 room hotel on the second floor.

Ward News Notes

There was no Sunday school Sunday because of singing at Hereford, most of our people attending.

Mrs. Herbold of Sayre, Oklahoma, is here visiting in the home of her son, Bob Herbold.

Gladys Lewis visited Alline Caraway Tuesday afternoon.

Miss Beatrice Hutson spent most of last week visiting Mrs. Patton in Hereford.

Lisle Woodford spent Tuesday night in the Robertson home.

Mrs. John Hutson entertained Mr. and Mrs. Mrs. Bob Mooney, Floyd and Marie of Hereford and Mr. and Mrs. D. O. Williams and Bobbie Lee last Sunday.

Mr. and Mrs. Jim Higgins and children went to Lockney Saturday to visit relatives.

Mr. and Mrs. B. F. Snow of Bridgeport, Oklahoma, were in our community last week looking after farm interests.

Mr. and Mrs. Fleming of Amarillo took supper with Mr. and Mrs. Jack Hutson Saturday night.

Mr. and Mrs. W. V. Gerhardt and son of Lamesa and Mr. and Mrs. A. G. Donald of St. Petersburg, Florida, spent the week-end in the Wiley Robertson home.

Mrs. Chas. Vernon called on Mrs. Jack Hutson Thursday afternoon.

Mrs. Jim Lipscomb visited her mother, Mrs. G. M. Suggs, Monday.

Allene Caraway spent Saturday night with Gladys Lewis.

Mr. and Mrs. Fred Saultzman are driving a new car.

Mrs. Bill Hutson was able to leave the hospital Saturday afternoon and is with her mother, Mrs. Dennis of Hereford.

Wheat is ripening fast and the farmers are making preparation for harvest soon.

Mrs. T. C. Boswell and son, G. L. Boswell and family, are visiting in the home of her daughter, Mrs. J. E. Spengle.

Mr. and Mrs. Joe Warner of Santa Ana, California, former residents of Hereford, are guests of friends here this week.

CITATION BY PUBLICATION.

THE STATE OF TEXAS, To the Sheriff or Any Constable of Deaf Smith County—Greeting: You are hereby commanded to publish this Citation once in each week for four successive weeks previous to the return day hereof, in some newspaper published in your County, if there be a newspaper published therein, but if not then in the nearest County, where a newspaper is published, to appear at the next regular term of the district court of Deaf Smith County, to be holden at the Court House thereof, in Hereford, Texas, on the third Monday after the second Monday in July A. D. 1929, the same being the 29th day of July A. D. 1929, then and there to answer a petition filed in said Court on the 22nd day of September A. D. 1928, in a suit, numbered on the docket of said Court No. 1694, wherein H. A. Gudge is Plaintiff, and J. M. Selts and T. J. Carter are Defendants, and said petition alleging that plaintiff was on January 8th, 1928, lawfully seized and possessed of the South-east quarter of section No. 24,

township 5 North, range 3 East in Deaf Smith County, Texas; that on said day J. M. Selts unlawfully entered said premises, ejected plaintiff and unlawfully withheld possession of same to plaintiff's damage; that the annual rental value of said premises is \$480, that said T. J. Carter claims some interest unknown to plaintiff but that it is subordinate and inferior to plaintiff's title, and plaintiff prays for title and possession of said land.

Plaintiff pleads and sues in the alternative on ten vendor's lien notes for \$144.00 each, dated January 8, 1928, due in one to ten years respectively signed by said J. M. Selts, payable to plaintiff, bearing 6 per cent interest per annum, payable annually, providing for 10 per cent attorney's fees and providing the failure to pay any note or the interest thereon when due, matures all the notes; said notes secured by vendor's lien on the above described land retained in the deed, executed by plaintiff to the said defendant on January 8, 1928, plaintiff having heretofore declared all said notes due because of the failure to pay the first and second notes when due and the interest on all notes when due. Plaintiff sues for the principal, interest and attorney's fees on said notes and for foreclosure of the vendor's lien and for costs of suit.

Herein fall not, but have before said Court, at its aforesaid regular term, this writ with your return thereon, showing how you have executed the same.

Given under my hand and the seal of said Court, at office in Hereford, Texas, on this the 18th day of June A. D. 1929.

(SEAL) L. H. FOSTER, Clerk, District Court, Deaf Smith County, Texas.

CITATION BY PUBLICATION

THE STATE OF TEXAS.

To the Sheriff or Any Constable of Deaf Smith County—Greeting: You are hereby commanded to summon Jacob R. Allen, the unknown heirs of Jacob R. Allen, deceased, Dr. M. B. Campbell, the unknown heirs of Dr. M. B. Campbell, deceased, Merritt B. Campbell, the unknown heirs of Merritt B. Campbell, deceased, Robert A. Campbell, the unknown heirs of Robert A. Campbell, deceased, Elizabeth R. Campbell, the unknown heirs of Elizabeth R. Campbell, deceased, Alma T. Campbell, the unknown heirs of Alma T. Campbell, deceased, Mary P. Campbell, the unknown heirs of Mary P. Campbell, deceased, Cora B. (Campbell) McCall and — — McCall, her husband, and the unknown heirs of Cora B. (Campbell) McCall by making publication of this Citation once in each week for four successive weeks previous to the return day hereof in some newspaper published in your County, if there be a newspaper published therein, but if not, then in any newspaper published in the nearest County where a newspaper is published, to appear at the next regular term of the District Court of Deaf Smith County, to be holden at the Court House thereof, in Hereford, Texas, on the third Monday after the second Monday in July A. D. 1929, the same being the 29th day of July A. D. 1929, then and there to answer a petition filed in said Court on the 17th day of June A.

Mr. and Mrs. O. M. Conny of Amarillo were Sunday guests in the home of Mrs. Conny's sister, Mrs. E. H. Connell.

D. 1929, in a suit, numbered on the docket of said Court No. 1728, wherein Anna R. Snelling is plaintiff and Jacob E. Allen, the unknown heirs of Jacob R. Allen, deceased, Dr. M. B. Campbell, the unknown heirs of Dr. M. B. Campbell, deceased, Merritt B. Campbell, the unknown heirs of Merritt B. Campbell, deceased, Robert A. Campbell, the unknown heirs of Robert A. Campbell, deceased, Elizabeth R. Campbell, the unknown heirs of Elizabeth R. Campbell, deceased, Alma T. Campbell, the unknown heirs of Alma T. Campbell, deceased, Mary P. Campbell, the unknown heirs of Mary P. Campbell, deceased, Cora B. (Campbell) McCall and — — McCall, her husband, and the unknown heirs of Cora B. (Campbell) McCall, are Defendants, and said petition alleging that on about January 1st, 1929, plaintiff was lawfully seized and possessed of Section No. 79, certificate No. 4-581, original grantee G. C. & S. F. Ry. Co., in Block K-11 in Deaf Smith County, Texas, holding and claiming the same in fee simple; that defendants unlawfully entered said premises, ejected plaintiff and are holding possession of same to plaintiff's damages; that the annual rental is \$500.00; and that plaintiff derived title by patent by the State of Texas, to Jacob R. Allen; by deed from J. R. Allen and wife, to Dr. M. B. Campbell, by deed from the heirs of Hanna Elizabeth Campbell to Merritt B. Campbell; by deed from Dr. W. B. Campbell to Henry Farmer; by deed from Henry Farmer and wife to T. Binford, and by deed from T. Binford and wife to the plaintiff, Anna R. Snelling; Plaintiff further shows in the alternative

that all of the above deeds have been recorded in the office of the County Clerk of Deaf Smith County, Texas, for more than ten years and that Plaintiff has had the peaceable and adverse possession of said land under title and color title using and enjoying the same and paying the tax thereon, for more than ten years.

Plaintiff prays for judgment for title and possession of the land, damages, and rents and cost of suit.

Herein fall not, but have before said Court at its aforesaid next regular term, this writ with your return thereon, showing how you have executed the same.

Given under my hand and the seal of said Court, at office in Hereford, Texas, this, the 17th day of June A. D. 1929.

(SEAL) L. H. FOSTER, Clerk, District Court, Deaf Smith County.

Cletrac

The Tractor That Says "Come On, Let's Go!"

A CLETRAC on your farm is a standing invitation to get work done! Any day—every day—it is an inspiration for your work—a willing partner that says "Come on, let's do it,"—and then does it for you.

On the plowing job, for instance. Climb into Cletrac's wide, easy seat. Start down the field and note the deep, clean furrows rolling off the shares. How solid your Cletrac feels under you and how easily and surely it moves along. At the end of the field you turn it sharply around and start back. Isn't it great not to have one side of the tractor way down in the furrow! * You sit perfectly level all the time.

How quickly the furrows multiply. There are no delays because Cletracs do not overheat—and to oil them you merely push a plunger. † Every job is an easier job—with Cletrac. From plowing to harvesting—through discing, harrowing, seeding and gathering the crops with combine or picker—Cletrac says, "Let's go!"

Find Out Today What Cletrac Offers You

Let us place the entire Cletrac story before you—tell you why Cletrac's power delivery per horse power rating is so high—how its broad crawler tracks permit plowing and field work regardless of mud or weather—how low operating costs and greater speed save you time, money and labor. Write or mail the coupon for literature.

THE CLEVELAND TRACTOR CO.
19275 Euclid Ave. Cleveland, Ohio

* On the plowing job Cletrac rides level—both tracks on the furrow.
† Cletracs are equipped with instant, "One-Stop" lubrication—no extra Cletrac features.

With more than a million Frigidaires in use we announce a second National "Cold Control" Demonstration

See the "Cold Control" in actual operation. See how delicious frozen desserts are in. Taste them. Get the free souvenir book containing recipes. See the "Million Model" Frigidaire now on special display for the first time in this city. Will you be our guest?

Starting Tuesday for 8 days only

PEOPLE everywhere are talking about the sensational Frigidaire "Cold Control." People everywhere want to see it. They want to know more about it. They want to find out what it does. Never in the history of electric refrigeration has any single improvement created such widespread enthusiasm. It has helped make possible the sale of the millionth Frigidaire.

So again we are giving a special 8-day demonstration. We are showing how the "Cold Control" gives faster freezing of ice cubes, salads and desserts. We are showing how it gives you Frigidaire-frozen delicacies that could never be made before. We are showing how it adds to the pleasure and convenience of automatic refrigeration.

Spend at least a few minutes in our display room sometime this week. We will be open evenings until 10 o'clock.

SPECIAL OFFER to all who buy Frigidaires before 10 p. m. July 3

We want you to have your Frigidaire during the summer. It is to our mutual advantage to have you place your order now. And so we have arranged to make a special offer to all who buy Frigidaires before 10 p. m., Wednesday, July 3rd. Let us tell you about this offer.

J. C. CUMMINS
HEREFORD, TEXAS

In both the household and commercial fields Frigidaire leads in sales to customers.

Fine Jerseys Brought Here From Missouri

Representing an investment of more than \$5,000, a total of 31 young heifers and bulls from what are said to be the finest herds of Jersey dairy cows in Missouri arrived here Monday for distribution to dairy farmers of Deaf Smith, Lamb and Swisher counties.

County Agent R. O. Dunkle of Hereford; Karl Marsh, Amarillo, official tester for the Deaf Smith-Randall County Herd Improvement Association, and G. T. Adams, county agent of Lamb county, went to St. Joseph, Missouri, June 7, and personally selected these animals from the herds of Earl Thomas of St. Joseph, and Mrs. Mary Culver of King City, Mo. Karl Marsh accompanied the stock to Hereford while Messrs. Dunkle and Adams returned overland by automobile, arriving Tuesday morning.

"We visited 15 different dairy herds in Oklahoma, Kansas and Missouri on this trip," stated County Agent Dunkle, "and the Earl Thomas and Mary Culver herds from which we purchased the animals brought to Hereford show more type and more production than any of the herds that we visited."

"The Thomas herd," asserted Mr. Dunkle, "has three of the only six Gold Medal cows in the state of Missouri, and five of the heifers bought for Deaf Smith county dairy farmers are granddaughters of two of these Gold Medal cows, Gold Boy's Betsy, which has an official record of producing 711 pounds of butter fat in 365 days, and Combination Lucy's May, with an official record of 705 pounds of butter fat for the year. The other animals selected for distribution here have pedigrees of unusual merit."

Among those receiving one of the heifers or bulls from this shipment are G. W. Brumley, one heifer; W. E. Scheibhagen, Black, two heifers; Ky Lawrence, Summerfield, one heifer; Clec Meharg, Summerfield, one bull; T. E. Selgler, president Hereford Chamber of Commerce, one bull; S. O. Wilson, one heifer, and Ray Chapman, 16-year-old member of the 4-H club at Simms, 35 miles northwest of Hereford, one heifer; Lester Galley, Hereford, one heifer.

Most of the owners of the newly arrived dairy stock were at the Hereford Sales Pavilion early Tuesday morning to claim their purchases. Ray Chapman, who because of illness, was unable to come to Hereford, sent his sister, Elizabeth Chapman, another 4-H club member, and his father to get the heifer he had purchased.

The heifer purchased for Ray Chapman, stated County Agent Dunkle, was sired by Bustle Idy's Raleigh, a Silver Medal bull who has already sired seven daughters who have qualified for register of merit by producing more than 600 pounds of butter fat in 365 days, ranging in production from 622 pounds to 680 pounds of butter fat for the year.

"Vickson's Sybil Victor," the bull purchased by T. E. Selgler was sired by Sybil's Lorraine Majesty, a bull imported from the Jersey Islands, states Mr. Dunkle, and the dams and grand-dams of the calf have production records of more than 800 pounds of butter fat in 365 days.

"Queen's Dairylike Dan," purchased by Mr. Meharg, is a son of "Majesty's Western King," nine of whose daughters, states Mr.

Hereford People Hurt In Wreck Near Roswell

A pleasure trip narrowly escaped a tragic ending when, early Tuesday morning, the Hudson sedan in which Mrs. Seth Holman, Mrs. Homer Fox and E. D. Fox of Hereford, accompanied by Mr. and Mrs. Henry Gooch of Amarillo, and Mrs. M. L. West of San Diego, California, were riding, was sideswiped by a Ford truck alleged to have been carrying only one light, resulting in the wrecking of the car and the injuring of Mrs. Holman and Mrs. West, who received painful cuts from flying pieces of glass. The other members of the party escaped injury.

The accident occurred about 15 miles north of Roswell, New Mexico, as the party, driving at night to escape the heat, were returning from Carlsbad Caverns. Within five minutes after the accident the injured and their companions were brought by the Sunset stage to Roswell where they received first aid treatment, after which the return was made to Hereford by train.

The automobile was left at Roswell to await repairs to the broken front wheel, bent fenders, broken windows and wrenched frame.

Dunkle, have qualified for register of merit.

Including the cost of transportation, the average price paid for the shipment of heifers and bulls was \$170, states Mr. Dunkle. All of the stock purchased for distribution here is of the richest Gamboge Knight line and which, declares County Agent Dunkle, is of especial value in this territory because of the Gamboge Knight line breeding which has already been commenced by members of the bull circles in Deaf Smith county and adjoining territory.

Of the remaining stock not distributed in Deaf Smith county, 11 of the bulls and four heifers were taken to Lamb county by G. T. Adams, county agent, and seven heifers were sent to Swisher county.

JONES & McLEAN

Mrs. West after treatment here for the cuts about her eye, went to Amarillo Tuesday where she is under treatment by an eye specialist. While painful, none of the injuries received by the party were believed to be serious.

Resolutions

At a special meeting of the board of directors of the Farmers Creamery Association, Inc., held here Saturday, the body adopted a resolution expressing their regret and sorrow because of the death of A. B. Schulz, former vice president of the organization. S. O. Wilson, Lester Galley and N. O. Bendickson acted as a committee in preparing the resolution, which was as follows:

"Whereas, A. B. Schulz, vice president and director of the Farmers Creamery Association, Inc., has departed this life;

Be it resolved: That we extend our deepest sympathy to his family;

As a leader in the movement for securing a co-operative creamery for the farmers of Deaf Smith County, Mr. Schulz, by his unfail-

ing faith and effort in the promotion of dairy development in this section and by the construction of a suitable building for lease to the Creamery Association, made the co-operative creamery a reality which shall stand as a monument to his memory.

This body, which has appreciated the privilege of association with Mr. Schulz in the betterment of conditions for his fellow man, mourns the loss of a fellow worker, a loyal supporter, a fine citizen, a real friend.

Adrian-Sims Notes

Mr. and Mrs. Tom Cook are out at their farm preparing to harvest their wheat.

Mr. and Mrs. Saunders of Missouri are visiting their daughter, Mrs. Iman and family.

Mrs. Jones and three children of San Francisco, a sister of Mrs.

Iman, is visiting in the Iman home. Miss Elizabeth Chapman had as her guests over the week-end Misses Betty Spanda, Jewell Scott, Ruth Long and Mildred Lempe of Adrian.

George McLan has recently returned from Jones county.

Elmer Jacobsen was in Adrian Tuesday afternoon.

J. M. Posey Sets New Record On Golf Course

J. M. Posey broke all local golfing records Wednesday, June 12, when he shot a brilliant 33 over the Hereford course of nine holes. Par for the course is 36. Keefe Carter, famous Oklahoma amateur, now a candidate for the National amateur tournament, shot a 34 over this course several years ago, as did a professional shortly afterwards. But Posey's 33 stands without challenge as the lowest records ever made here. Included in the record are two

Hotel Man To Hereford Soon, Says Telegram

A wire from Wyatt C. Hedrick of Fort Worth states that he was unavoidably detained in reaching Hereford last week, but would

eagles, two birdies and three pars. He was over par on only two holes. Mr. Posey's starting score was made while playing with his brother, Abb Posey, and other golfers. The detailed score for the round reads:

Hole No.	Par	Posey's Score
1	3	3 (Par)
2	5	3 (Eagle)
3	5	3 (Eagle)
4	4	6
5	3	4
6	3	3 (Par)
7	4	3 (Birdie)
8	4	3 (Birdie)
9	5	5 (Par)
	36	33

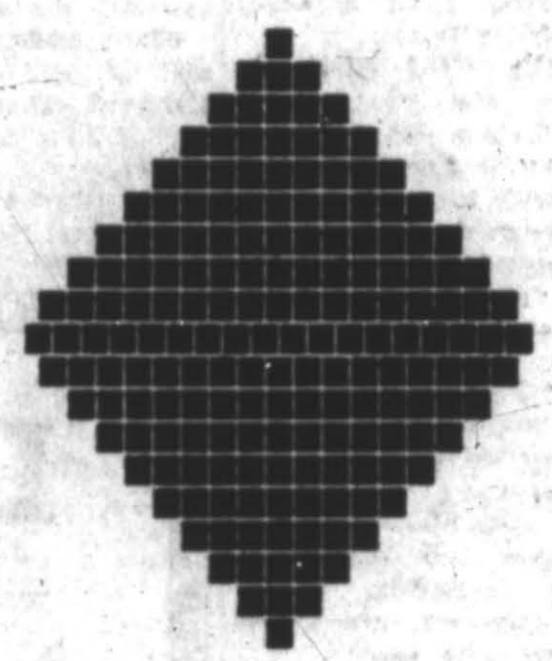

visit this city within the next few days, at which time he will go into conference with the hotel committee and with other locally interested citizens.

This is taken to mean that Hedrick, who is one of the largest builders in the state, is very much interested in financing the Hereford Hotel, for which plans have been drawn and virtually accepted by the committee.

Information has also been received at the Brand office that the local committee is planning other conferences with hotel builders, chief among which is a large Amarillo concern which has stated to a number of the committee that their firm is ready to build a hotel of no less than seventy-five rooms.

The committee states that with the present loosening up of the money situation in the East the prospects for the early beginning of the hotel is more bright and definite announcements are hoped for in the near future.

Keep Mind on the Present

ELECTION

(Continued from Page One)

Mr. Seigler, "there are two ways of raising additional funds for the building of new roads. One of these is for the Commissioners Court to raise the situation on all the property, real estate or personal, in the county, when taxes are paid on the other valuation of property, more money would be received, but—approximately one-half of all the tax money received would have to be sent out of the county as the state's share of taxes. Consequently in order to secure 15 cents for road tax it would be necessary to raise the valuation on the property to a figure that would bring 30 cents on the \$100 valuation because one half of the amount raised would have to be sent to Austin as state taxes."

Special Road Tax.
The other plan authorized by Mr. Seigler, "is to raise a certain number of the qualified property owner voters of the county to petition the Commissioners Court to call a special election to vote for a special county road tax. If the election is decided in favor of the tax the Commissioners Court are then authorized by law to levy a special tax, not to exceed 15 cents per \$100 valuation, for use in the construction and maintenance of county roads."

All Used in County.
"Every cent of the money raised for such a special road tax," asserted Mr. Seigler, "must be spent for the construction and upkeep of county roads only. Not a penny of the money can be used for construction or maintenance of a paved State or Federal highway. These are the two ways by which more money can be secured for building new roads in the county," explained Mr. Seigler. The Commissioners Court can, by law, raise the valuation of all property in the county, but it would be poor economy to pay out 30 cents for the privilege of sending 15 cents of the amount over to the state as its share of the tax money.

"If the residents of the rural districts of the county want new roads—and they need and are entitled to them—the logical and most economical way to get them is to vote for a special county road tax," stated Mr. Seigler, "but if people want the roads they must ask for them. The Commissioners Court has no authority under the law to call, and will not

Ninth Inning Rally Wins Ball Game Sunday

"Never give up" could well be adopted as the official motto of the Hereford baseball team, state those who witnessed Sunday's game played here when the home team after seeing their opponents from Flagg pile up a score of four points to their one lonesome score, came from behind in the

call a special election to vote for a special county road tax unless the taxpayers file the required petition asking them to do so. Such a petition in this county must bear the signatures of 200 qualified property owner voters. After the filing of the petition by the citizens of the county, the Commissioners Court has the authority to call the special election and allow the people of the county to vote upon the question of levying the special tax of 15 cents on each \$100 valuation. By voting for the special county road tax," concluded Mr. Seigler, "the taxpayers can provide that every cent of the funds raised by the special tax shall be spent only on county roads."

Handicapped by Lack of Funds.
In discussing the proposed special county road tax, Judge Earl W. Wilson, presiding officer of the Deaf Smith County Commissioners Court, said: "The Commissioners Court has never yet refused a request for more roads, but because of the many new roads being established, the cost of maintaining the county road system is steadily increasing and there is only a certain amount of money available from the present taxes that can be used for that purpose. If no extra funds are provided there will eventually come a limit to the territory which the present funds can cover. The commissioners would favor a special 15 cent county road tax if they were certain that the people want it. Such a tax would make possible the construction and maintenance of a number of roads that are needed throughout the county. If the tax is voted the commissioners will make every dollar produce its full value in roads and maintenance. Every cent of such a special tax would be levied, collected and spent in the county and on county roads only. Not a penny of such funds could be used on any paved state or federal road."

ninth inning and by bunching their hits ran in four tallies and winning the game by a score of 5 to 4. Next Sunday the Amarillo Cats will play the home team here. As there is already intense rivalry between the two teams because of a previous session which Hereford lost, the game next Sunday is expected to be hotly contested.

The box score for last Sunday's game is as follows:
Hereford AB R H PO A E
J Russell 2 5 1 1 2 2 0

Skelton Sells Three Tractors On One Farm

A. A. Smith and Jack Miller who have 2,400 acres of land 20 miles south of Hereford planted to wheat which is nearly ready to harvest purchased on Wednesday three 26-40 Case tractors and one combine from C. A. Skelton for use in harvesting the grain and preparing for next season's crop. The land is owned by T. A. Miller of Wichita Falls, father of Jack Miller, and leased by him to his son and Mr. Smith. A modern eight room bungalow has been built on the property; a lighting system and a water supply system installed. Commodious barns, sheds and chicken houses have been erected, and the farm is recognized as one of the show places of this section.

As soon as the grain is ready for harvest, one of the tractors will be used to pull combines and the other tractors pulling one-way plows will follow behind the combines and plow the ground in readiness for next year's crop. The entire 2400-acre tract will be replanted to wheat, stated Mr. Smith when here purchasing the tractors and combines.

Mr. Smith estimates that the field will cut an average of 25 bushels to the acre, which, at a price of only 80 cents per bushel here, will bring a return of \$20 per acre. Land similar to this tract, before it was cultivated, can be purchased, state residents of that section, at around \$25 an acre cash or a slightly higher price on

terms or crop payments. The sale of tractors and combines made to Mr. Smith, represented a transaction amounting to more than \$6,800.

Mr. Skelton, local Case dealer reports delivery of 45 combines. Wink is building for the future and assuming more substantial proportions. Some of the latest accomplishments of the group of young men who have formed a chamber of commerce is securing

a new Vitaphone theatre and construction of a \$225,000 high school building with an auditorium seating capacity of 650. Wheeler has employed Grady O. Watson as secretary of their chamber of commerce. Agricultural development will be stressed in the first years program. Street paving and an adequate water and fire protection system are among projects that will receive attention in civic development work.

CHANEY HAS BIZARRE ROLE IN JUNGLE FILM

Grappling with wild tigers and gorillas and the still more dangerous human emotions, Lon Chaney gives the screen one of his most bizarre, thrilling and powerful dramatic portrayals in "Where

East is East," Metro-Goldwyn-Mayer's grim drama of an Oriental jungle at the Star Theatre Wednesday and Thursday, June 26-27. Chaney—in the role of "Tiger"—Haynes, jungle animal trapper, rides at the head of herds of elephants, battles with a ferocious tiger and actually traps one of the

great beasts. His death struggle with a gorilla is a sensational highlight. Underlying the thrills is a gorgeous love romance. Tod Browning, responsible for many Chaney hits, directed Chaney's portrayal as grippingly convincing and his make up a new and remarkable instance of his up-

cast. Lloyd Hughes scores a triumph as the romantic lead. The great river scene and the jungle episodes, including the trapping of the tiger, are spectacular backgrounds for the swift-moving action.

canary skill at disguise. Lazo Velez, as his native daughter, is a fiery little creature in a vivid role, and Estelle Taylor as the exotic Oriental vampire is compellingly beautiful. Louis Stern as the priest and Mrs. Wong Wing as the Chinese grandmother are cleverly cast. Lloyd Hughes scores a triumph as the romantic lead.

A Sunday evening visitor of Miss Nancy Anne Garrett. A. J. Sanderford will make a business trip to Amarillo Wednesday. Those who were absent from the ice cream party Wednesday night were greatly missed.

Mrs. Deway Larson will bring her mother, who is very ill, to her home here so that she may see after her. Clyde Mann spent Saturday night with Floyd Simpson. Miss Pauline Ray who is attending summer school at Canyon visited in Hereford over the weekend with her father, W. H. Ray.

LIST OF LANDS AND LOTS DELINQUENT ON MARCH 31, 1929, FOR TAXES OF 1928, IN HEREFORD INDEPENDENT SCHOOL DISTRICT, DEAF SMITH COUNTY.

REPORTED IN COMPLIANCE WITH PROVISIONS OF CHAPTER TEN, REVISED CIVIL STATUTES OF 1925.

THE STATE OF TEXAS, HEREFORD INDEPENDENT SCHOOL DISTRICT, COUNTY OF DEAF SMITH.

I, J. B. Miller, Tax Collector of said Independent School District, do hereby certify that the land and lots listed on the following four pages and assessed on the tax rolls of said district for the year 1928, are delinquent for the taxes of 1928, and that there was no personal property for "seizure and sale" as required by Article 7536, Revised Civil Statutes 1925, and therefore I am entitled to credit for the taxes shown and herein reported delinquent.

J. B. MILLER, Tax Collector.

CERTIFICATE OF HEREFORD INDEPENDENT SCHOOL DISTRICT TRUSTEES.

THE STATE OF TEXAS, HEREFORD INDEPENDENT SCHOOL DISTRICT, COUNTY OF DEAF SMITH.

In the Meeting of Board of Trustees:

WE CERTIFY that we have examined the following four pages of Collector's report of lands and town lots assessed on the Tax Rolls of Hereford Independent School District, Deaf Smith County, for the year 1928, which are delinquent for the taxes of 1928, and find the same correct, and that J. B. Miller, Tax Collector, is entitled to credit for the taxes shown thereon, as follows, to-wit:

Hereford Independent School District Tax	\$2,751.55
Penalty	276.15
Total Taxes	\$2,751.55

Given in meeting of Board, the 7th day of June, A. D. 1929.
 A. H. STREU, President of School Board.
 J. T. CRONIN
 H. G. CONKWRIGHT
 C. O. LEE, Members of said Board of School Trustees.

Ford Doings

The Ford community wishes to express its sympathy for Mr. and Mrs. J. E. Hill of Hereford, whose mother died Saturday morning, June 15. Mrs. Jones had been one of Ford's members for some time and will be greatly missed.

The people of Ford seem greatly decreased since Mr. and Mrs. Fielding Johnson and children have moved away. We wish them a long and prosperous life and hope they find as many new friends as they have left at Ford.

The social entertainment for the new comers was well attended, despite the little shower that looked so threatening. Everyone reported a fine time and greatly enjoyed the ice cream furnished by J. E. Hill.

Mr. and Mrs. Roy Mann of Los Angeles arrived at the D. B. Mann home Friday and will work there during the summer.

Mr. and Mrs. O. D. Frazier visited his uncle at Friona Sunday. Mrs. Lamar and children will leave for points in Arizona Wednesday.

Mr. Simpson and son are in Mountain View, Okla., this week. Mr. and Mrs. O. D. Frazier are going to Mountain View, Okla., for a visit with relatives Friday.

All those attending the staging convention at Hereford reported a fine time.

Mr. and Mrs. Joe Taylor and children and Mr. and Mrs. James Garrett and J. R. T. Bassett visited the D. B. Mann home Sunday.

D. B. Mann was taken to Amarillo Friday for treatment of his arm. He is still improving and expects to be out soon.

A. K. Webster left Friday for a business trip to Claude.

Misses Lucille Lamar and Vinita Simpson called on Lavern Mann Friday afternoon.

D. B. Mann has a new combine ready for harvest time.

Miss Elizabeth Drummond was

Summerfield

Wheat in this locality is ripening rapidly and our men folk are busy overhauling combines and will be prepared to harvest the bumper crop.

The W. M. U. met with Mrs. Alva Wilson last Thursday afternoon with a large number present. Mrs. Wilson led the program which was very instructive. Refreshments were served during the social hour. The next meeting will be held at the home of Mrs. B. C. Roberson.

CLEANLINESS

A Rite or a Pleasure?

KEEP the hot water faucet busy if you wish to greet each morning sun with a vitality that will carry you through a busy day without fatigue of mind or body.

"Hot" faucets that run cold are enemies of comfort and an offence to good home management. Only gas-heated water and its automatic, self-controlled supply can be completely satisfactory. Human minds forget; human hands are called to other tasks, but RUUD-AUTOHOT, mechanically self-contained, performs through the days and nights and years to insure a full, ever-ready flow of hot water whenever you want it.

RUUD-AUTOHOT makes Cleanliness a pleasure instead of an irksome rite. Special reasons to buy now... all explained at our store or in your home.

SUMMERFIELD BOY NAMED ON TEXAS U. HONOR ROLL

Students in the school of busi-ness administration at the Uni-versity of Texas making a schol-astic average of B or above on 12 semester hours or more work were named on the honor roll for the second semester of the past ses-sion. Among the names of stu-dents establishing such record was that of Elton D. Johnson of Sum-merfield, son of Mr. and Mrs. Lawrence Johnson, who are well known around Hereford. Elton Johnson graduated from W. T. high school and enrolled as a college student three years ago. He will receive his B. B. A. degree from the Uni-versity at the end of the summer.

RANCH PARTY

Honoring Miss Dorothy Nichols who is visiting in the Oberthier home, Miss Emma Jeanne Donald gave a ranch party Tuesday af-ternoon, when Misses Dorothy Nichols, Frances Oberthier, Grace Ferguson, Gladys Seligier, Gladys Hicks and Emma Jeanne Donald motored to a ranch thirty miles west. Horseback riding was indul-ged in after which a refreshing sup- per was served.

MOONLIGHT PICNIC

The young peoples organization of the Christian revival went on a moonlight picnic last Tuesday evening, when some twenty young people were chaperoned by Rev. J. W. Boultinghouse, Travis Dam-eron and Earl Sparks drove to the dairy where they spread their supper and passed a pleasant eve-ning playing games.

Tenant Club Organized.

A unique club composed entire-ly of tenant farmers has been or-ganized as the Bloomington Farm-ers' Club in Victoria county by 19 tenants, with their wives as hon-orary members. Its purpose is to improve living conditions on the farm and in the home. All work under the same management on one large farm, the owner of which is lending every encouragement. Each tenant is allowed enough for a garden and for raising necessary feeds to carry out his ideas. Mon-ey prizes are offered by the land- lord for the best kept yards. He has also bought a large canner and sealer to be used in canning products for winter use. The cou-nty and home demonstration agent meet with the club once in each month.

MISS FRANCES OBERTHIER ENTERTAINS

Miss Frances Oberthier enter-tained Monday afternoon in hon- or of her friend, Miss Nichols of Aus-tin, who has been visiting in Here-ford the past week. Charming hos- pitality, a beautifully appointed home, and a delicious frozen salad course warranted a pleasant after- noon to five tables of bridge. Miss Jeanette Rogers received high score prize, and high cut at each table received one of those toys that for some inexplicable reason has crazed the world, a Yo-Yo.

BRIDGE PARTY

Mrs. C. C. Acker and Mrs. Homer K. Fox were gracious hostesses to nine tables of bridge Thurs- day afternoon in the Fox home honoring Mrs. Mamie West of San Diego, California, and Mrs. Joe Warner of Santa Anna, California, both of whom are former residents of Hereford. A most enjoyable afternoon was spent at the bridge table after which a salad course was served. Mrs. C. L. Roberts won high score prize and guest prizes were given the honorees.

PRESBYTERIAN CHURCH

The regular services of the church will be held Sunday: Sunday school 9:45 a. m. Morning worship 11:0 a. m. Evening worship 8:15 p. m. Rev. Elmer P. Gieser, the visit- ing minister, will preach. You are cordially invited to be present.

Mrs. W. F. Orr spent three days this week in Amarillo attending a demonstration of permanent wav- ing.

Mr. and Mrs. Ed East of Here- ford left Wednesday for a trip to Abilene.

Judge and Mrs. L. Gough of Amarillo came to Hereford Tues- day to see their new grandson, born to Mr. and Mrs. Roy Gough June 17.

Lloyd Carlton made a business trip to Plainview last Tuesday.

Miss Mary McDonald of Amar- illo, spent the first of the week Hereford with friends.

Mrs. Bell Jackson and daugh- ter, Mrs. M. C. Mathews of Ada, O- hama, arrived in Hereford Mon- day for a visit with friends.

THE "GLOBE OF DEATH"

Ocean Park, Calif.—A mammoth steel sphere called the “Globe of Death” is built for a daredevil mo- tor-cyclist at Ocean Park. A. W. Jackson of Los Angeles designed and built this giant circular cage for E. E. Phillmore, who is to use it to demonstrate trick riding. It has a circumference of 57 feet and the daring rider travels 45 miles an hour inside it.

Photo shows Mr. Phillmore about to enter the globe with his motor- cycle.

Now—List Three Rows at a Time!

John Deere No. 631 Three-Row Wheatland Listing Plow

If you raise wheat, you are interested in equipment that will lower your production costs. We have the machine you've been looking for—a three-row John Deere lister especially designed for use in this section of the country. It will list more acres in fewer hours—at a big saving in labor.

See it at work in the field. Notice how light it pulls—how easy it is to manage—how steadily it works with all

bottoms at uniform depth. You'll appreciate its sturdy construction—the tractor plow strength of its beams—its strong, stiff bracing. You will like the simplicity and automatic action of the long-lived power lift.

Planting equipment can be furnished if you want it.

Remember, this lister is John Deere quality through- out and is equipped with genuine John Deere bottoms, famous for good work, clean scouring and long wear.

See this new, improved listing plow at your first opportunity.

SUNDAY, JUNE 23

THE HABIT OF THANKFULNESS

Psalm 103:1-13

... If David wrote the psalm may date it about B. C. 1055. It was written after the return from exile, about B. C. 450.

Golden Text: Bless Jehovah, O soul.—Psalm 103:1.

Introduction.

We turn aside today to study one of the most beautiful of all Psalms. It is a glorious poem of praise. It is fitting that we should be reminded of the mercies of God so that we may praise him with all our hearts. There are many of us who go in from day to day without opening our hearts in thanksgiving to him who is our God. Our young people and our old people need to develop the habit of praise. No life can be a life without this praise spirit.

The habit of praise. A thankful heart is not only the greatest virtue, but the parent of all other virtues.—Cicero.

It is interesting to note what the psalmist put first and made prominent among his benefits: "He forgiveth all thine iniquities." He does not begin with material goods, but with the spiritual of his soul in being forgiven and cleansed.

Someone inquired of Archibald Burns: "Wherever can you find an instrument of ten strings with which to praise God?" (Ps. 92:3.)

answered, "Here they are. Two eyes to see God with; two ears to hear God with; two hands with which to work for God; two feet with which to walk with God; one tongue with which to praise God; and one heart with which to love him!"

"Bless Jehovah, O My Soul." Bless Jehovah, O My Soul; and that is within me, bless his name. "Soul" means "myself." "Al that is within me" is said in opposition to outward things and in favor of interior things solely, but the psalmist relies upon himself to serve God with all his powers, both inward and outward, and desire, the emotions of reason and will, and also the outward expression, in speech and deed. "By name" is meant similarly, not merely outward worship, but by the reverent use of God's name in prayer and song, but the name of God stands for all that God is to his children, his holy character and personality; in short the Holy Trinity. David Livingstone was in sore straits and threatened with starvation when Stanley sent him men and supplies; the great missionary explorer in his diary inserted this same verse to embody his gratitude to God. Often we need to rouse ourselves to give thanks, so prone are we to neglect praise and give ourselves to empty fears.

"Forget Not All His Benefits." Bless Jehovah, O my Soul, and forget not all his benefits." So simply in earnest is the psalmist that once he stirs up his soul to praise the Lord. Especially does he warn himself against forgetfulness of benefits received from

God. How many times we have prayed God in great agony for some signal relief, as the recovery of a dear one from dire illness; and when our prayers were answered it has seemed that we could forget that blessing, but all our life would be one hymn of thanksgiving. But, alas! we have soon forgotten the benefit, and life has slumped down into the pit of discontent and faithless worry. "Come, let us read our diaries and see if there be not choice favors recorded there for which we have rendered no grateful return. The name of ingrate is one of the most shameful that a man can wear; surely we cannot be content to run the risk of such a brand."—C. H. Spurgeon.

The Sin of Ingratitude.

"I have read somewhere a fairy story that tells how once a traveler was wandering through a wood when he came upon a clump of little blue flowers that we call forget-me-nots. He bent over them surprised and delighted at their beauty, but wondered more when the little flowers began to speak to him. They told him that if he plucked a handful of them and carried them on through the forest they would disclose to him untold treasure. He eagerly snatched some of the blossoms and went hurriedly on his way. Presently he came to a rocky defile, and there right in front of him opened a door-way that led him to a cave filled with all manner of gold and precious stones. When he saw the wonderful treasure that was within his reach he rushed eagerly forward and threw away the now despised and seemingly worth-

less flowers, but in a moment the doorway closed before his eyes and he had no open wherewith to open it. Thus he was taught the sin of ingratitude and the shame of selfishness."—Prof. G. Curtis Martin.

Why Be Grateful?

"Who forgiveth all thine iniquities." Henry Drummond calls attention to the fact that in this and the following verse "David has given us in a nutshell the whole of the main facts of sin. 'Iniquities' points to the guilt of sin; 'diseases' indicates the stain of sin; 'destruction' shows us the power of sin. Thus also these two verses give us the three facts of salvation; forgiveness for our sins, healing for our diseases, and redemption from the power of sin. When the soul becomes sensible of its sins, its chief and pressing need is for God's forgiveness. Forgiveness is the first and the chief of the benefits for which we are to bless Jehovah. 'Who healeth all thy diseases.' Bodily diseases, so far as is best for us, the Great Physician is sure to heal; but spiritual sickness is the main disease, and that he is sure to cure, if we ask him.

Our Sins Far Removed.

"As far as the east is from the west, so far hath he removed our transgressions from us." To the ancients, east and west were the extreme points of known distances. It was in the temperate zone of the northern hemisphere that history began and civilization spread. Accordingly the stretch of ancient geography was wider between east and west than between north and south, and the ancient maps of the world were oblong. At the utmost limits, mountain pillars upheld the world, or the edge of its

oval disc fell sheer into the waters of the nether deep upon which it floated. One can realize the wonder and relief of such a man as this writer, as his conscience follows his imagination across the whole enormous breadth of the world. There, where the mountains of the dawn or the sunset hardly break the skyline with their faint and shadowy ranges—there, over the edges of the flat earth where all things end—there, and no near-

less flowers, but in a moment the doorway closed before his eyes and he had no open wherewith to open it. Thus he was taught the sin of ingratitude and the shame of selfishness."—Prof. G. Curtis Martin.

are his sins."—Rev. John Kelman, D. D.

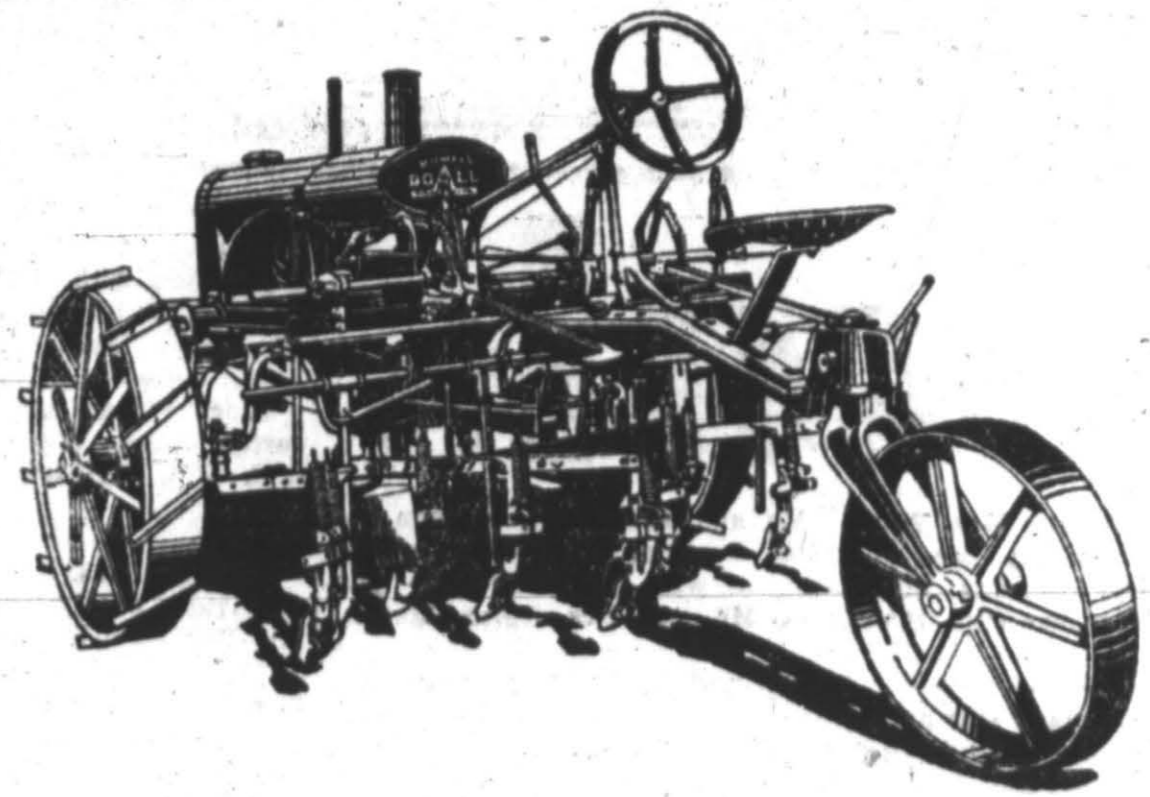

Infinite Mercy

"Of all things far, I love the best. The distance from the east to west. For by that space, and all within, God's mercy parts me from my sin. I love, of deep things undefiled, A Father's pity for his child; For by that depth, so far, so clear, God pities all that faint and fear."

Mrs. J. T. Cronin and daughters, Misses Molly Ray and Kathleen, and Mrs. M. S. Hornbeak are visiting in Waurika, Okla., with Mrs. S. Jackson, Mrs. Cronin's sister.

Mrs. D. L. McDonald and Bill McDonald of Amarillo were in Hereford Tuesday on business. Mrs. W. F. Gabbert will return to Amarillo with them and visit in the McDonald home.

The New—Rumley DoAll

In answer to a widespread demand for a power unit especially designed to meet every power requirement on the row-crop farm, Advance-Rumley now offers the DoAll—a small, compact, powerful, easily handled tractor of dual design—quickly convertible from a conventional four-wheel tractor into a cultivating tractor of exceptional merit, and vice versa.

With the DoAll, the row-crop farmer can now apply mechanical power to every field operation from plowing to harvesting. It will plow, list, disc, harrow, culti-pack, seed, cultivate, harvest, and do a multiplicity of other farm jobs—displacing from four to eight horses on the farm and doing more and better work in much less time, and at only a fraction of the former cost.

Investigate the DoAll Today.

TEXAS UTILITIES COMPANY

3 Acres of Seedbed for the price of One

IT'S NO SECRET to anyone that the way to make more profit in farming is to cut cost of production. And one sure way to do this is to save money and time on the big job of plowing. You can do it just as thousands of wheat growers are—with the Case Wheatland Disk Plow.

It's an actual fact that in many cases you can prepare a better seed bed than with moldboard plowing—and at greatly reduced cost. No more power is needed—no more help. Just hitch your tractor to the Wheatland—do the job in about one-third the time—and put the savings in your pocket.

Don't delay putting this money-saving plow to work for you. Come in and see it—ask for interesting, illustrated literature. We're here to give you the best service possible—make us prove it.

Mrs. Sank Ramey who has been visiting for several days at Plainview, returned home today.

J. R. Lane, Billie Sherrell, Jack Oliver and Billie Lane, all of Vernon, who have been visiting here for some time with Douglas Estes, returned to their home last week.

I buy my Drugs at CLARK'S.

Mrs. Esther A. Fleming, 82, died Monday at the home of her daughter, Mrs. Agnes T. Osborn, who resides 12 miles southeast of the city.

Funeral services for Mrs. Jones were held at 3:00 p. m. Sunday at the Methodist church at Claude. Burial was at the Claude cemetery.

ESTHER A. FLEMING DIES AT HOME OF DAUGHTER

Mrs. Esther A. Fleming, 82, died Monday at the home of her daughter, Mrs. Agnes T. Osborn, who resides 12 miles southeast of the city.

Mrs. Fleming, who was born in New York State, was for many years a resident of Texas. During the past two years she had made her home at Hot Springs, South Dakota, coming here last January for a visit with Mrs. Osborn.

Surviving Mrs. Fleming are one daughter, Mrs. Osborn of Hereford; two sons, Lieu Fleming, of Oral, South Dakota, and Harvey Fleming of San Benito, Texas; two sisters, Mrs. Mary Radley of Myrtle Creek, Oregon, and Mrs. Caroline Goble, of Hastings, Nebraska, and a brother, Owen Cornell, of Paw Paw, Illinois, also survive the deceased.

LEGION OF THIS STATE TO RAISE FUND JULY 1-7

The American Legion posts of this state are called upon to raise an emergency relief fund equaling ten cents per member during the week beginning July 1 in a letter written to the department commander, Rufus Scott, Jr., Paris, by the national commander, Paul V. McNutt.

The letter follows:
"One of the greatest services the American Legion has found to perform has been emergency relief in time of disaster. That the Legion has rendered such service quickly, intelligently and in a manner possible only to men trained in wartime discipline, is attested by the thousands of lives which have been saved and by a general appreciation out of which has come the slogan: 'In time of disaster—the American Legion.'"

"The experiences in the floods of New England, in the disasters in Florida; in the floods of Mississippi; when the dam broke in California, and in scores of other emergencies, have led us to organize emergency relief units in all of our posts. This has not been an effort to take the place of existing relief organizations, but to give relief in the 'gap period' before other relief organizations come on the scene. When such organizations do appear, then the Legion joins hands with them in a common effort to serve and to rehabilitate."

"Our experiences have shown us the urgent need of an emergency relief fund. In the past our posts in the heart of the disaster have depleted their treasuries to purchase food, clothing, medicine and other necessities before the organizer relief organizations could furnish the money from the pocket."

ets of Legionnaires first on the scene.

"This has worked a hardship on individual Legionnaires who not only have furnished the manpower in the emergency, but the funds as well; sometimes to the extent of real and personal financial embarrassment.

"The tenth annual national convention in San Antonio, recognizing this necessity of the Legion raising a national emergency fund issued a mandate that it be done. The national executive committee, at its meeting in May, likewise adopted a resolution directing that contributions be collected from members of the Legion and the Auxiliary; that each department be urged to collect a sum which shall equal at least ten cents per member, and that the sum be turned over to National headquarters."

"In conforming to the convention mandate and the national executive committee resolution, I hereby set the week beginning July 1 for the collections to be made in each department, in the manner deemed best and most expedient by the department commander, and the posts under his jurisdiction. It was the thought of the executive committee that more than one day would be needed and as many of the posts will be holding conferences on ways and means of celebrating July Fourth, it is believed the period between July 1 and 7 will be most opportune."

July 10 to 20 has been set as date for the fourth annual motorcade conducted by the WFOG so as to include two district meetings of the regional organization. These are the Big Bend district meet at Van Horn July 15 and the Pecos Valley-Inter Mountain meet at Roswell July 16.

Aviation School Manager Here Seeking Pupils

Otis L. Williams, manager of the Garland-Clevenger Aviation School at Amarillo, accompanied by "Tip" Schler, flight instructor at the school, was in the city Wednesday interviewing prospective students and inspecting the municipal landing field north of the city. The trip from Amarillo was made in what is said to be the world's safest training plane, the Fleet, formerly known as the Consolidated Husky, which is used as a training plane at aviation school in Amarillo.

Approval was expressed by

Pilot Williams of the large of the local field and of the lighting system installed to make landings possible. After a short visit with Alger Jones, manager of the Brand, an old-time friend of the aviator, Mr. Williams and his companion left for Amarillo.

The Garland-Clevenger School of Aeronautics of Amarillo is associated with the aviation school of the same name located in Tulsa, Oklahoma. Pupils are qualified for licenses as private pilots, commercial pilots and transport pilots. The school is being accepted.

Dow Mercer, representative for the Gulf Refining Co., acted as host to the aviators from Amarillo and escorted them on a tour of the city.
