Ben Conklin has moved to Big Spring to work with Rockwell Brothers and Company.

Now that it's all over, any of you who missed the lively exchange of words in the Classified Ad columns recently really missed a sideshow to the usual run of newspapers. Seems like Alec Thompson was advertising for a hat lost in a windstorm, someone was sending Easter greetings to someone in Europe, and Robert Thompson was advertising about a woman who had found a hat in Oklahoma City.

Incidentally Mrs. E. D. Hopson is in charge of handling the classified ads for the Brand now, and they've really jumped in the past couple of weeks.

Fox Man's Shop is undergoing extensive interior re-modeling.

Mrs. Paul Corbett is pinching as secretary of First Christian Church until Doris Jean Smith, West Texas freshman, gets out of school next month to take over for the summer.

Rev. Don Davidson spoke to the Lions Club Wednesday on "Fear." He explained that it is only natural and as a matter of fact considerable progress has been made because of fear. J. Roy Crutchfield also played a couple of numbers on his accordion and piano.

All Scout leaders and troop committeemen are reminded of the Scout Leader's Roundtable Friday night at 8 o'clock at the Scout Hut.

Buckalew was quoted as saying, "too close for comfort" or "to that effect after allowing the fire engine Wednesday morning when he made a grab for it as it raced down Main. Yep, they were making bets on whether he'd make it or not.

Mrs. Miriam Volz, of Close Drug is planning to attend a training session for Cosmetic Advisors at the Richard Hudnut Cosmetic School in Amarillo Tuesday.

4-H girls will participate in the Style Show Friday afternoon at 3 o'clock in the High School auditorium. They will model for Simplicity Pattern company representative, Miss Ada Mae Marshall.

Frank Ford entered short horns in the Plainview Dairy Show.

John E. Hutchinson, horticulturist from Texas A&M was in town Tuesday and for a short while Wednesday morning.

May 20 has been designated Armed Forces Day by the president.

Saturday's wrestling card for the Lion's Bull Barn sponsored events include Southwestern States Junior Light Heavy champ Wayne Martin against Alex Kasaboski in the first half of the double main event. Martin is seeking action for the second time since his nose was broken about two months ago. Pat O'Dowdy will go against George Overhuls in the other attraction. Both bouts are best two out of three falls with an hour time limit.

Due to the dust and wind, 200 or less spectators turned out Sunday to see the rodeo sponsored by the Hereford Riding Club. Mrs. O. G. Hill said riders could hardly throw their ropes because the wind was so strong.

The executive board of the Deaf Smith County Federation of Women's Clubs will meet Saturday afternoon, April 15, in the Courthouse at 2:30 p. m. All club officers and representatives are urged to attend the meeting as plans will be completed for the luncheon meeting, to be held at the Washburn on Tuesday, April 17, in the Seventh District, TFW. Mrs. James A. Allen of Hereford will instill new ideas.

\$285,000 Loan To Deaf Smith REA

The Deaf Smith County Electric Co-Operative was notified Monday that it had received a \$285,000 loan from the Rural Electrification Administration to be used to expand electric service in the rural areas.

Leo Forrest said Wednesday the loan will be used to build "S Section" which will run around 191 miles of line mostly in northwest Deaf Smith County. It will serve 144 single-phase consumers and 13 irrigation wells. Some 3-phase consumers will be served and some yet to be tabulated re-phasing will come under the plan.

Forrest said 155 miles of line will be in northwest Deaf Smith County and 21 miles in Parmer County and 11 miles will be in Castro County.

The loan also made way for the construction of a new one-story headquarters office building east of Hereford, for the Deaf Smith branch. Forrest said \$94,500 will be spent on the new structure which will be both summer and winter air-conditioned and which will cover 6,500 square feet of floor space.

The building will house offices, supply rooms and garages and will be modern throughout.

Forrest said construction will commence sometime late this summer or early next fall. Considerable paper work on the loan and the awarding of the contract will produce some short delay in this direction, Forrest explained.

Red Cross Meeting Is Held In Mineral Wells

Executive Red Cross secretary Dyaltha Bradley Wednesday left for a 2-day home consultant service meeting in Mineral Wells Thursday and Friday.

Highlight of the meeting will be a lecture by Dr. Rees, noted psychiatrist from England, who will use mental hygiene for his topic. There will also be home service lectures for the expected 100 who will attend.

Tuesday, Mrs. Bradley attended an all-day Home Service Meeting of Panhandle representatives in Amarillo. It is a regular 3-month occurrence.

QUESTION of the WEEK

WHAT do you think of the credit course just finished in Hereford?

H. E. Miller: I was only there two nights. I think it was most worthwhile as I learned quite a bit about handling credit customers. In Hereford we don't have any system about handling credit. If we put to practice what we learned during that week of school I don't think the time was wasted. But most of us won't put what we learned to work.

Dorothy Ross: I think it was most beneficial. I would have liked to have seen more of our merchants there, however. They have a lot to learn about credit but I don't want to tell any merchant how to run his business. I firmly believe in adult education because I think almost all adults need it. I know I need it.

Deward Robinson: Although I only attended four nights, I think my time was well spent. If we followed that system projected by the course we could cut our losses from bad credit and hot checks a whole lot. We have got to quit being so blamed lenient on checks and credit. It was really alright and it wouldn't hurt to have such a course every year.

Wayne Phillips: I thought it was a wonderful course. It was well received here and a lot of people turned out. There is considerable hot check and credit loss in Hereford now and I think if the merchants cooperate, this loss will be saved. Although many merchants turned out, I think more should have been there because Mr. Speak is well qualified to teach the course.

John Jacobsen: From the looks of the wheat crop, the people who attended that meeting learned some things they will be needing to know shortly when the credit business increases. I thought it was very interesting because Mr. Speak certainly was well informed on credit statistics. Anyone would learn something from that meeting who is a credit manager or small business man. It was interesting as well as informing.

Collins Howard Enters Big Race

Collins Howard, former Childress County attorney and judge, has announced his candidacy for United States representative from the 18th Congressional District in the May 6th special election.

Howard is a native of Texas, former machinist at the Fort Worth and Denver railroad shops in Childress and a veteran of World War Two. He has been a resident of the Panhandle district since childhood.

"In these critical times," Howard said, "I feel the nation needs men of mature judgment and with experience in public affairs in places of leadership. I believe my experience as a laborer, as an attorney and public official, and as an overseas veteran in the recent war, qualifies me to represent the people of this district in the United States Congress."

"I have no promises to make," Howard said, "but I will use my training, experience and ability to the best advantage possible in representing all of the people of the Panhandle district. I think preservation of the peace is the most vital question facing the world today; and, of course, I will do anything within my power to prevent another war. Equally important, I think, is maintenance of our democratic way of life. I shall always favor sane legislative action to protect that way of life from enemies, whether they are in this country or in foreign countries."

"I am opposed to all 'isms' except Americanism; and I do not favor nor am I supported by any group, clique or organization."

"I sincerely ask the support of the voters of the district in this brief campaign."

Howard was born Oct. 6, 1899 in Gollard, Texas. His father, W. B. Howard, was supt. of public schools in Amarillo in 1898. His uncle, Elbert Howard, home-steaded in Childress County in 1888, being one of the first settlers. Howard was educated in the Childress public schools, the Fort Worth and Denver Railway Shops, in the law offices of the lawyers of the 100th judicial district and in the Childress County Courthouse.

Served four years as a machinist. (Continued on Page 6)

SELF CONTROL—The facial expression of "Tiger" owned by Wendell Hansen of Atlanta, Ga., is that of a cat who didn't eat a canary. Tiger exercises almost perfect will power as Hansen's three pet canaries stroll by under his nose. He wouldn't touch one of them for the world, but can't quite resist licking his chops.

Seven In Congressional Race File Loyalty Oaths

Candidates for United States House, C. L. McBroom; Eleven—Central School Building, J. J. Clark.

The seven who have filed are Blake Timmons, Potter; Ben Gill, Gray; Walter Rogers, Gray; Collins Howard, Childress; Altavene Clark, Potter; E. T. Burk, Potter, and LeRoy McMaster, Ochiltree.

The deadline date for filing was decided upon by a meeting of 27 of the 28 county judges of the 18th Congressional District last week in the Potter County courthouse.

Foster said the loyalty oath is necessary if the candidate is placed on the ballot. When all the candidates are filed or after the deadline has passed, the filed candidates' names are placed in a box and drawn out to determine their order of appearance on the ballot. This is done under the supervision of the County Judge, County Clerk and County Sheriff.

The 18th Congressional District includes practically the entire Panhandle. Polls will be set up in 11 Deaf Smith precincts for the election, which takes place May 6. Presiding judges are: Precinct One—County Courthouse, R. G. Lewis; Two—County Courthouse, Walter Dunlap; Three—Old J. A. Roe Residence, P. B. Sowell; Four—Cord Hammock Residence, J. C. Fortenberry; Five—Fairview School House, E. T. Allred; Six—Ford School House, George Larsen; Seven—Dawn School House, H. H. Miller; Eight—Garca Community House, Lewis Smith; Nine—Bippus Community House, C. F. Rickels; Ten—Daniel School

Ten Sections Of Hill Ranch Is Burned Off

O. G. Hill, Hereford cattleman, was one of the losers of the damaging prairie fire Sunday near Borger. He is at the "Box 7" ranch now in an effort to estimate both stock and pasture losses.

Mrs. Hill said Tuesday about 10 sections of her land located 13 miles northwest of Higgins was burned out by the blaze. She hadn't heard of any stock losses as yet. She said a neighboring ranch suffered a complete loss of pasture land from the fire. She added that the pasture land was in good shape because of the good rains that section has received this year.

Plow Wheat Under Throughout County

Deaf Smith county wheat, which is rapidly becoming a thing of the past as far as the 1950 crop is concerned, is being turned under for irrigated pasture, corn, sugar beets, grain and sweet sorghums, according to County Agent Hugh Clearman and anyone else desiring to ride in the country to see for themselves.

The few acres of oats and barley scattered over the county are also believed to be almost killed or in bad shape.

As a matter of fact Wednesday weather forecasts of scattered thunder showers brought forth

the observation that plowing would be easier after a rain. In other words the greatest percentage of the 337,000 acres of wheat in the county has been given up for lost, regardless of the amount of moisture received in the future, the yield would be very poor.

Dust Storms About Over One bright note this week after hearing the Department of Agriculture predict the worst wheat crop in 14 years, was the notice from Regional SCS director Louis Merrill that the dust storms will probably decline in frequency and intensity after April 15.

He also said many farmers are reluctant to plant grain sorghums because the sorghum crop will mean they won't be able to plant wheat next fall. However, sorghum stubble properly managed would offer excellent protection for the land.

Clearman said irrigated fields have escaped the clover mite, but only to be more thickly covered with green bugs.

Bids Due Monday On Paving From City To Airport

The remainder of the money in the lateral road fund was transferred to each of the four county commissioner's precincts Monday, in equal shares, following completion of right-of-way business and fence moving relative to Harrison Highway.

The move, which came about in the Commissioners Court meeting, involved approximately \$6,000 according to County Judge L. H. Foster. This was the approximate amount left over after the clearing for the highway was finished.

O. B. Southern was released by the County Court from bond and contract to move fences along the proposed Harrison Highway.

Other road business was relative to the strip of proposed paving from the City Limits of Hereford to Clover Airport. The contracting firm of Lubbock brought in specifications for the road which were approved by the court. Bids for the construction will be received next Monday.

A Deaf Smith County Wind Erosion Committee appeared before the court and asked that they be retained to act on WED as well as Soil Conservation/Service work.

The present board of directors on the WED are W. M. Stewart, T. W. Roberson, Carl Wimberly, Frank Rickels and Phillip Miller. Their request was approved.

Toastmasters Elect First Club Officers

Eighteen members were present for the organizational meeting of the new Hereford Toastmasters Club Tuesday night in the County Courthouse.

Robert Thompson was elected president to serve the first six month term. Other officers are Bob Wear, Deputy Governor, Vice-president W. J. Reeves, Secretary John Scott, Treasurer Jerry Stoltz, Sgt.-At-Arms Paul Conaway and Education Director Bob Brummell.

The Hereford club plans to meet on the first and third Tuesday nights of the month, probably in the Courthouse. Membership must be built to 20 before a charter in the International Organization may be applied for. A maximum limit of 30 members governs the number in a club.

Plans were also made to meet Tuesday night for a dinner meeting in conjunction with the Amarillo Toastmasters club. Robert Thompson extended an invitation to anyone interested in the organization to attend.

He said the official report reads "heavy infestation of green bugs and clover mites, coupled with dry weather and sand laden winds, are rapidly whittling wheat prospects in Deaf Smith county and the Panhandle as a whole."

New Mexico Is Worse Wheat prospects are probably worse in New Mexico, where not only green bugs but cut worms, and several severe cold spells, with dry weather and high winds have cut the outlook to considerably below normal.

Eastern Colorado has suffered and Oklahoma is said to have probably lost 1,000,000 acres of wheat as the result of dry weather and insects, with every day of continuing drought reducing yields on the approximately 5,000,000 acres left for harvest.

Kansas, while in bad shape in parts, has not had green bugs throughout the state, and some parts have received moisture. Apparently the high winds are hurting as much as anything else. Despite everything, if they get moisture, there is a good chance for a comeback.

In general, probably the most profound statement heard here is that "Winter wheat prospects in the Southwest have shown only one trend since the first of the year and that is downward."

Firemen Make Runs For Two Fires During Week

Firemen had two grass fires as the result of out-of-control trash fires Monday and Wednesday.

Monday, grass in a vacant lot in the 100-block of F Street caught fire after a trash fire went out of control. No damage was reported.

Wednesday, the back yard of Taft McGeer's home on D Avenue blazed after a trash fire became too big for the tenders. No damage was reported here either, according to answering firemen.

Former Hereford Resident Is Buried In Illinois

Walter G. Slagle died March 1 at Municipal Hospital in McAllen following an operation. Burial was in Dakota, Illinois.

A resident of McAllen for several years, Mr. Slagle formerly lived in Hereford.

He is survived by a sister, Mrs. C. N. Bowers, of Grand Junction, Colorado and several nieces and nephews.

The Weather

Temperature readings for Sunday through Wednesday taken at 8 o'clock each morning.

Sunday—High 84, low 42. Monday—High 85, low 42. Tuesday—High 70, low 34. Wednesday—High 67, low 35. Total moisture for 1950—85.

How Do You Keep Shoppers Buying At Home

Ever since 1905 Hereford has been actively trying to get its people to stay at home and spend their money.

Proof that the issue hasn't cooled off yet came up Tuesday night in the Jaycee meeting. And there were some violent opinions spent.

The merchants, evidently, are split on their opinions of keeping money at home, some say "yes" and some say "no." Both sides have an argument.

The consumers have their opinions, too. Some complain about prices, inadequate stock and service. Some women say their feet just can't be fitted with the shoes Hereford shoe stores carry. When they can get it, the style doesn't conform

to the only alternative is to go someplace where they can be fitted.

It Happens Everywhere A local shoe man says that is true but only just as true as any other place. There will always be women who can't be sold. He believes, eventually, Hereford shoe stores will be able to carry a little more complete line of shoes with more styles if the demand shows for that sort of thing.

A merchant who says Hereford is not losing any more than the normal amount of business to other cities says Dallas is losing business to New York. He reminds us that Dallas is one of the most style-conscious and price-conscious cities in the

country, New York, in turn, loses business to Paris. He says it is a cycle and Hereford isn't losing any more than the normal amount. He doesn't believe there is anything to worry about.

Still another, who says the loss is more than normal, is of the opinion that Hereford is large enough to establish its own trade territory. Hereford should spruce up its stores and service and enter into price competition. This merchant thinks we can lure shoppers from three counties if we have the right approach. This would automatically take care of Hereford's own internal shopping problem and bring on more business from the outside.

Establishing Hereford as the

trade territory center is truly a problem. Hereford population, you will remember, in 1940 was around 3,000. Hereford stores were built on the scale and capable of handling the trade of a town of about 3,000. Now the town has grown to almost 8,000 and is still growing.

But, as one merchant says, the facilities haven't grown with it, and most of the buildings on Main Street in Hereford are the same buildings used 25 or 30 years ago.

Then there is that little matter of custom. Hereford people have been accustomed to doing some of their shopping in Amarillo and other places for many years. This custom came about because Hereford has not always

been the size town it is now. It is in the position to become a trade center right now but they say it will take some education along those lines by an expert.

One business man had this opinion. "Hereford is in better shape than any other Texas town of the same size. There may be some things they lose on, but this town simply isn't big enough to get all the business in all the lines. Hereford merchants can up their business by being on their toes and carrying a little more complete line of stock."

They can also increase their business by more courteous service on the part of the employees. This means a lot toward whether a customer "comes back."

WINDMOBILE—A homemade "Windmobile," 1950 version of the prairie schooner, attracts a curious onlooker at the end of its 68-mile "cruise" from Friona to Amarillo. Owned by Ray Landrum of Friona, the "Windmobile" reached speeds of 30 to 35 miles per hour during its trial run. Landrum was accompanied by Ralph Smith and Raymond Euler, both of Friona. The dried "yacht" was fashioned from automobile wheels, oil drums, iron pipe and cotton sails. (AP Photo)

Rev. Hale Delivers Message Easter Sun.

By Brand Correspondent
There were 76 present for Sunday School Sunday. Visitors included Bennie Fulkerson, Wanda and Jimmy Fulkerson, Jo Richardson and Charles Spivey, all of Roswell; Bobbie Boyd of Amarillo, E. J. Duncan of Pampa and Mr. and Mrs. Jack Weaver and daughters.

Mrs. Elmer Combs gave her birthday offering. Everyone enjoyed having the new piano and especially the Organ which was lent to the church for the day. The beautiful Easter Lily was given to Mr. and Mrs. Kelly Gray by the Missionary Society.

A basket dinner served at 1 o'clock in the cafeteria was followed by a message on Easter given by Rev. J. R. Hale of Cordell, Oklahoma and singing was led by Preach Merritt. The children of the Sunday School and their teachers had Easter egg hunts.

Those present for the afternoon service included the Northcutt and Wilson Wylie families of Garcia. Rev. Hale and Harry Stahl and Kate Burrow of Amarillo. Mrs. Grace Little, Mrs. Carl Schroeder and Anna Mae of Hereford.

Mrs. C. A. Sauley and Mrs. Clifton Combs were hostesses Monday night at a party at the schoolhouse honoring the birthdays of Mrs. Joe Wagoner and Mrs. Elmer Combs. Games of "42" and Canasta were played after which the honor guests opened an array of gifts.

The prettily decorated two-tiered cake with a few candles was baked and decorated by Mrs. W. B. Nunley.

Those present included the families of Joe Wagoner, C. A. Sauley, Vance Adams, Robert Boyd, Johnny Townsend, Paul Rudd, Harold Rudd, Joe Landers, Clifton Combs, Roy Landers, S. A. Duckworth, W. B. Nunley, Elmer Combs, B. B. Northcutt, Merlin Kaul, and Mr. and Mrs. Fahsholtz, and Lynn Oung and Mrs. G. C. Merritt and G. C. Jr.

Mesdames B. F. Cain, Elmer Combs, Joe Wagoner and Clarence Sauley were hostesses, recently at a pink and blue shower honoring Mrs. Johnny Townsend at the home of Mrs. Cain.

Appropriate contests and games were used to introduce the shower after which refreshments were served to Mesdames Joe Landers, Clifton Combs, Vance Adams and E. E. Allen of Adrian, Mack Jackson, Abraham Drager, Robert Boyd, Paul Rudd, Lyle Rickman, Leo Williams, H. M. Thomas and the hostesses.

Gifts were sent by Mesdames A. A. Head, Harold Head, B. B. Northcutt, Merlin Kaul, C. Diller, W. B. Nunley, Naté Thomas, Carl Schroeder, S. A. Duckworth, G. C. Merritt, W. C. Quattlebaum, Kenneth Rudd, Harold Rudd and J. C. Morrison.

A family dinner held Sunday in the Robert Boyd home was attended by Mr. and Mrs. Bennie Fulkerson, Wanda and Jimmy, Miss Jo Richardson and Charles Spivey, all of Roswell, Mr. and Mrs. E. J. Duncan of Pampa, Mr. and Mrs. A. Low of Hereford and Mrs. E. H. Luck of Hereford and Bobbie Boyd of Amarillo.

Miss Bobbie Boyd, accompanied by Betty Castle of Amarillo, were visitors a couple of days last week in the home of Bobbie's parents, Mr. and Mrs. Robert Boyd.

Mr. and Mrs. Lyle Rickman were hostesses last week at a "42" and Canasta party at the schoolhouse. Prior to the games Mrs. Nate Thomas gave a Stanley demonstration.

The Men's Quartette sang several numbers after which refreshments were served to Messrs. and Mesdames N. G. Thomas, Joe Landers and Ross Joe, Merlin Kaul, Larry and Walter, Ernest Hardman and family, M. G. Caldwell and family, Robert Boyd

and family, Paul Rudd, Johnny Townsend and girls, J. I. Finley, B. B. Northcutt and family, Elmer Combs and boys, Vance Adams and boys, R. W. Mitchell, J. E. McCathern, Sr., Lyle Rickman, Mrs. James Ray Coleman, Mrs. Bill Roberts, Mr. and Mrs. Clifton Combs, and from Hereford, Mr. and Mrs. G. C. Merritt and G. C. Mr. and Mrs. T. W. Powell and Patricia.

Helene Jo Wilson, student at WTSC at Canyon and Homer Rudd of Texas Tech at Lubbock spent the Easter vacation with their families here.

The Abraham Drager family and her brother and family from Clovis, N.M. had a picnic Sunday at Palo Duro State Park. "Guests for dinner Sunday in the Paul Rudd home were her sisters, Mrs. Johnny Weeks and Mr. Weeks and Mrs. Curt Griffin and her husband and daughter, Billie, all of Amarillo; Homer Rudd of Lubbock, J. B. Little, Mr. and Mrs. Kenneth Rudd and Mr. and Mrs. Harold Rudd, of Hereford.

Miss Kate Burrow and Harry Stahl of Amarillo and Rev. J. R. Hale of Cordell, Oklahoma were visitors Sunday evening in the Merlin Kaul home.

Flying Farmers Tour Panhandle

Texas Flying Farmers will land in Hereford Saturday morning, May 6, about 11:20 o'clock, according to plans released this week from W. K. Hulsey, second vice-president, of Tulsa.

The Flying Convention starts May 4th with registration and a C. A. A. Radio school that night. Conventioneers will have their annual business meeting Friday along with a trip to the rubber plant in Borger and a banquet and dance that night.

The Panhandle Air Tour starts with breakfast at Tradewind Airport in Amarillo at 7:30 a. m. Saturday. Then they will fly to Tulsa, Plainview, Hereford, Boys Ranch, Dumas, Pampa and back to Amarillo.

The Air Tour will be conducted as a progressive dinner affair. Hereford will serve the appetizer, Boys Ranch, Bar-B-Que, Dumas, desert and the others are Coke and coffee stops.

They are expecting 150 people and close to 50 airplanes on the tour.

Hereford Girl Helps Manage Open House At Tech April 21-22

Charlotte Ritch, Junior foods and nutrition student from Hereford, has been chosen as assistant manager of the Home Economics Fourteenth Annual Open House, stated Miss Margaret W. Weeks, Dean of the H. E. Division at Technological College. This affair will be held April 21 and 22 in conjunction with the Engineering Show and the Interscholastic League Meet for Region I. Miss Billie Harvey, senior of Kaufman, is manager for the 1950 Open House. This event is given by students to acquaint the public with the home economics division and to show high school and college students the opportunities offered by this division.

Miss Ritch, daughter of Mr. and Mrs. Hugh E. Ritch, Route 3, is active on the campus as well as in her division. She recently was initiated into Alpha Alpha Chapter of Alpha Chi, national honorary scholastic fraternity. She is a member of Phi Upsilon Omicron, national honorary and professional home economics fraternity, and a member of Home Economics Club. Charlotte is one of twenty outstanding junior women who compose the Junior Council, and she is on the council for the Association of Women students.

Mrs. Fluitt Is Re-Elected President Of Garden Club

New officers were elected when the Hereford Garden Club met Friday afternoon in the home of Mrs. Jim Black. Mrs. Lyle Blanton, vice-president, presided.

The new officers include: Mrs. W. S. Fluitt, president (re-elected); Mrs. Lyle Blanton, 1st vice-president, (re-elected); Mrs. Leroy Aven, 2nd vice-president; Mrs. Dennis Barnard, 3rd vice-president; Mrs. J. P. Slaton, recording secretary; Mrs. E. Ramsey, corresponding secretary;

Mrs. O. G. Hill, treasurer; Mrs. Jim Higgins, parliamentarian; Mrs. A. O. Thompson, federation councilor and Mrs. A. L. Manjeot, reporter.

The flower arrangement featured was done by Mrs. E. E. Fridley who used jonquills, yellow daisies and carnations for an Easter bouquet.

Mrs. E. W. Harrison read a paper on "Speciman Shrubs for the High Plains Area" written by Mrs. Will S. Kerr. Some of the

ideas set forth in the paper were "There are certain characteristics of a specimen shrub that should always be taken into consideration. It must be fairly uniform in growth or particularly picturesque in its habits. It should be unusually beautiful at one season, but presentable at all seasons and 3-It should be immune to almost anything that might damage its beauty."

Shrubs listed for this area included: Burning Bush, The Holly's and other broad-leaved evergreens, Tree Lilacs, Flowering Crab and the Purple Leaf Plum.

Listed as suitable for small places were the Flowering Crab

Apple Hawthorn and a variety of small fruit trees.

Members of the club present were Mesdames Leroy Aven, Lyle Blanton, E. E. Fridley, C. C. Ferguson, A. L. Manjeot, O. G. Hill, E. W. Harrison, Jim Higgins, Jim Black, John Jacobsen, Jr., Marion Rutter, A. O. Thompson and Sanford Smith.

ATTEND PTA SESSION

Mesdames George Graham, Carroll Whiteside, H. H. Caraway and Elmer Patterson left Tuesday morning for Dumas to attend the annual District 8 Texas Congress of Teachers and Parents.

Bud-To-Blossom Club Meets In Aven Home

Mrs. Hilrey Aven was hostess for the Bud-To-Blossom Club Friday afternoon in her home.

Guest speaker for the afternoon was Mrs. A. L. Manjeot who gave pointers for the forthcoming Iris Show which will be sponsored by all city garden clubs on May 11. She made three arrangements to demonstrate her talk, using tulips and daffodils to carry out an Easter theme.

Mrs. J. D. Neill, president of the club, presided over the business session when Mrs. Ed Skypala, Mrs. Glenn Williams and

Mrs. Wood were welcomed as new members.

Mrs. Ben Childers, chairman for the Garden Beautiful Club in the Iris Show, told of the plans for the show and committees were appointed to work with committees from the other clubs.

Those attending were Mesdames Ben Childers, R. A. Daniel, Jr., J. D. Neill, C. W. Parker, the hostess and the three new members.

Mrs. Jack Lester spent several days here this week after attending the Bill Dameron wedding in Fort Worth. She returned with other members of the family who live here. She is from Pueblo, Colorado.

Garden Beautiful Plan Annual Tour

Garden Beautiful Club held a business meeting in the home of the president, Mrs. O. M. Dickey, Friday afternoon. In observance of the Easter season, Mrs. Carroll Whiteside read a poem "The Message of the Lily" before the business session and the arrangement for the day was suggestive of Easter-time. The arrangement, a centerpiece for the dining table, was planned by Mrs. Joe Reinauer and made by the Western Flower Shop. It featured a large straw hat with turned-up brim filled with pink roses, violets and white iris and tied with purple streamers.

Reports on all club projects were heard including the annual New-Homes Tour which will be sponsored by the club on April 21. Reports were to the effect that the hospital project is progressing satisfactorily, the flower beds are ready and grass will be sown soon. Members voted to add twelve more rose bushes to those already planted along the

Women's Council Has Meeting At Church

The Woman's Council of the Presbyterian Church met recently with Mrs. Henry Hastings, president, opening the session with a prayer and conducting the business.

The annual Presbyterial meeting which will be held in Canadian on April 20-21, was announced and the ecumenical register of Protestant women was given by Mrs. R. N. Miller who also gave the report on the New Life Movement in Presbyterian Churches for the past two years. Purpose of the movement, she explained, is to share the abundant life with a goal of 50 million new members.

Mrs. O. P. Cowart led the devotional lesson and conducted a panel program on the work of the United Nations. Those taking part in the discussions were: Mesdames Mary Carter, the world health organization; Herbert Boardman, farming and agriculture; Vern Witherspoon, Unesco; Sam Nelson, the council; C. C. Ferguson, the people's section.

After the closing Missal, the hostesses, Mrs. Henry Behrends and Mrs. Bruce Wooddell, served refreshments to twenty-one members.

fence at the Whiteface Football Field.

Mrs. Tom Carter announced the Iris Show which, sponsored by all three garden clubs of the city, will be held on May 11.

Mrs. Carroll Whiteside read the revised constitution and by-laws of the club and Mrs. J. R. Overstreet was welcomed as a new member.

Dainty refreshments carrying out the Easter theme were served to Mesdames Ernest Medkief, E. W. Solomon, George Graham, Tom Carter, J. W. Kirby, E. W. Hobson, Mary Seliger, Frances Houston, Forrest Minton, J. W. Thomas, E. O. Jordan, E. L. Adams, Helen Pipkin, W. J. Stanford, Carroll Whiteside, J. R. Overstreet, O. L. Easley, Joe Poindexter and the hostess.

Mr. and Mrs. Bill Smith of Roswell, N. M., spent the Easter week end here in the home of his brother, Ralph Smith. They are former Hereford residents.

STAPP

Chiropractic Clinic

Corner 3rd & Main Phone 128

While the wide scope of Chiropractic is amazing to the uninitiated, we do NOT recommend Chiropractic as a CURE-ALL. Chiropractic is effective in those cases only where the cause is found to be defective in organic organization due to spinal misalignment (subluxation). Most all of our cases are those that had previously resisted ordinary methods of healing. Our examination is designed to eliminate those we cannot help.

NOTICE
Case histories published here are from the files of Dr. Le Mond Clinic in Austin. They are displayed here to show the extent and scope of Chiropractic.

SCIATIC RHEUMATISM
CASE NO. 2392: A man, age 55, came to the clinic complaining of pain in left leg, gas in stomach, a drowsy, dizzy-headed feeling, dull headaches, backaches, nervous shaking in left side, and low blood pressure. A spinal analysis and spinal X-rays revealed a nerve interference. Adjustments were begun and in time he reported all symptoms gone and that he was feeling fine.

NEURITIS
CASE NO. 1216: A lady of 39 years complained of irregular periods, right side pains, bad cramps for two days a month, severe headaches before and after, dizzy spells, low back pains, bladder pains, neuritis in shoulders, and sinus inflammation. She came to the Chiropractic Clinic for her headaches because a patient had recommended it for that complaint.

ASTHMA
CASE NO. 481: A lady, aged 31, weight 87 lbs., suffered with Asthma for six months following a severe attack of influenza also complaining of chills, aching in body, hay fever, nervousness, female trouble, pressure feeling in lower abdomen, and pains in right ovary extending up to ribs, in bed several days a month, frequent colds, dizzy spells, rapid heart, low pressure, under continuous care of family physician and getting gradually worse all the time. Although advised against chiropractic she feared she would die unless she did something different, so she came to the Chiropractic Clinic for a spinal analysis and spinal X-rays.

LOWER BACK PAINS
CASE NO. 136—Man, 32, complaining of back hurting for several months, could not do his work as a mechanic. Was advised to go to hospital for an operation. The Spinograph Analysis showed the cause. The Chiropractic Health Service removed the cause. Patient has been well since November 10, 1948.

spinal analysis and spinal X-rays indicated defective energizations of the pelvic area and subluxations (misaligned) vertebrae in the neck causing spinal cord interference. After a few months she was amazed to discover her female trouble and other complaints had vanished with the treatment. An operation had been recommended. It is not necessary now, for she feels perfect in all respects.

She began her fight back to health under our care. She now keeps her home, cares for her children, holds a job in business, weighs 120 lbs. and is free of symptoms. She continues periodic check-ups to remain well for she never wants to lose again that glorious feeling of being healthy and full of life.

SINUS TROUBLE
CASE NO. 1186: This case is a lady, age 49, who had a history of 6 years of sinus trouble and hay fever, pains in right side of neck and shoulders, rheumatic pains in knees, tired back, pressure feeling in stomach, dizziness and nervousness. After going the rounds of doctors, and remedies, she finally came to the Chiropractic clinic for spinal examination. After the spinal analysis and spinal X-rays located the cause of her trouble, spinal corrective adjustments were begun to realign and remove interference in nerve wave frequencies which restored normal function to the entire ill-functioned body. Upon discharge, this patient reported no symptoms of any kind remained. The body contains everything necessary for health if its forces are free to work efficiently.

LOW BLOOD PRESSURE
CASE NO. 2013: A young mother, age 32, after being treated three times a week for a year without results, came to the Chiropractic clinic complaining of a pressure feeling inside her head. "Feels like the top will blow out," she said, "then it will itch and tingle, and then my entire back tingles painfully. Nose stops up all the time. Eyes burn and feel sore above them, and the back of my head and my neck feels sore. I feel tired all the time and have weak spells. Have frequent colds, dizzy spells, indigestion, gas bloating, constipation, and low blood pressure. Generally speaking," she said, "I've been sick most of my life." The spinal examination and spinal X-ray located a spinal subluxation. It was corrected by adjustments. When the patient was discharged she said she felt perfectly well, full of life and vigor, and not a single complaint remained.

IRREGULAR PERIODS
CASE NO. 879: A lady of 28 years had not felt well for three years suffered with back pains, catarrhal dripping in throat, irregular periods and bad cramps, and would grind teeth at night. She came to the Chiropractic clinic where spinal nerve analysis and spinal X-rays disclosed an old neck injury causing nerve interference and defective energization of several areas of body. Corrective adjustments began to restore alignment, removing nerve flow interference and patient was prompt to report a feeling of general good health.

Illins
Continued from Page 1)
apprentice in the railway
In 1928 was promoted to
foreman. Continued as
until the depression hit in
1932. Then began in earnest
studying law in spare time in
father's and other law offices
the 100th judicial district.
Was admitted to the bar in
1935. In 1936 went to Pampa and
to work for Cabot Shops,
as machine shop foreman.
Stayed there for six months,
then announced for the office
county attorney of Childress

County. Was elected for a two-
year term and re-elected for two
more.
He then ran for county judge
and was elected for a two year
term and later re-elected for a
second year term. During the
second term in 1942 volunteered
for services with the Burlington
Railway Operating Battalion as a
roundhouse foreman. In April,
1943 was called to active duty.
After basic training in Fort
Clemens, New York, six weeks in the
Adjutant General's School in Ft.
Washington, Maryland and a
few months training in New Or-
leans was sent to England with

the headquarters of the Second
Military Railway service.
Helped plan the details of the
invasion and was admitted to the
War Room before "D" day for
briefing on the invasion and was
shown on the map where the
landing would be made. Landed
on Omaha Beach on D plus 30
and from there proceeded to and
took part in five campaigns, the
best known of which is the Bat-
tle of the Bulge.
Was injured in a plane crash
while reconnoitering over Ger-
many. After getting out of the
hospital transferred to the Judge
Advocate General's Corps, and

after a short tour of duty in
Weissbaden, Germany in War
Crimes work went to Rheims,
France and served as a defense
counsel in the trial of Ameri-
can soldiers.
Came back to the United
States at the first opportunity,
passed through Washington and
made application for the posi-
tion of counsel in the trial of
Japanese war criminals. After a
month after arriving home got
word to rush to Washington and
get ready to fly to Tokyo.
Was assigned the defense of
Helfaro Kimura, who was being
tried in a common trail with
Tojo and 24 others.
Howard's wife was one of the
first American wives to go to Ja-
pan after the cessation of hostil-
ities. Later one of the Ameri-
can attorneys had to leave the
trial so his client Naoki Hoshino
asked Howard to represent him,
which he did. Kimura, a Japa-
nese general and vice minister of
war, was hanged. Hoshino was
sentenced to 20 years imprison-
ment.
Howard arrived home in Jan-
uary 1949 since which time he
has practiced law in Childress
and worked for the Air Force as
legal examiner.
Howard is married and has
two children and two grandchil-
dren.

The Law-You

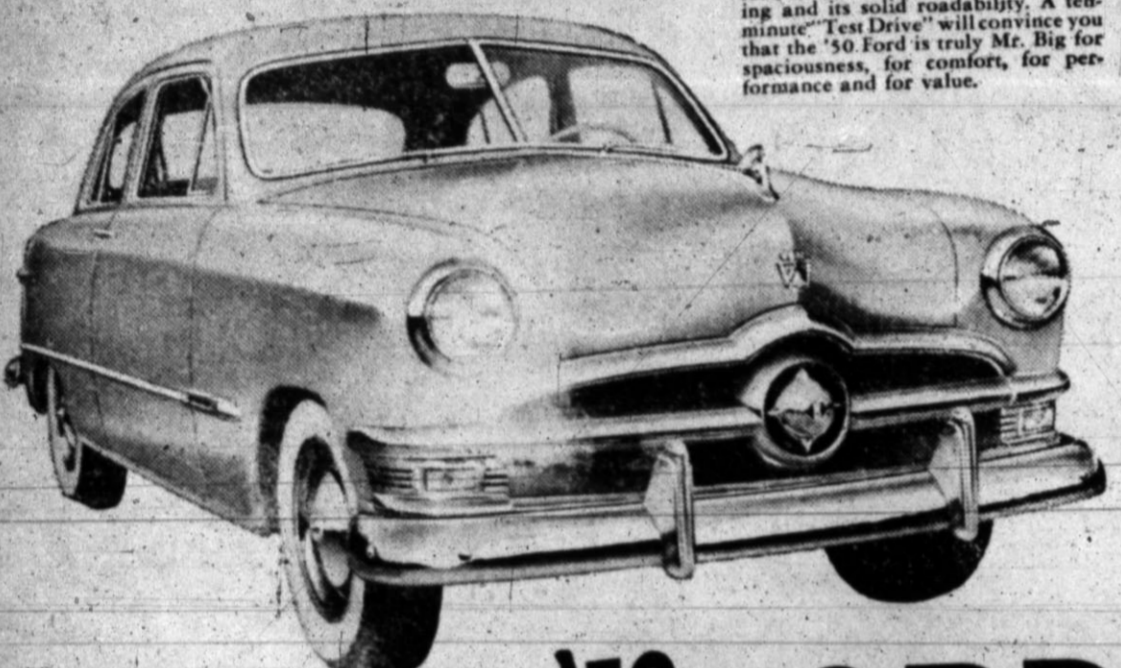

By BOB KIRK
DO YOU KNOW that you
may be a trespasser on land
you own?
Where the owner of land leases
to a tenant for a definite period
of time, the tenant has the com-
plete and exclusive right of pos-
session of the land for that peri-
od of time, and the owner does
not have any more right to enter
upon the premises than any other
person, so long as the tenant is
not violating the terms of the
lease, unless by the terms of the
lease the owner is given the right
to go upon the land.
DO YOU KNOW how long
an oral lease of land is good?
Under the statutes of Texas,
an oral contract for the lease of
land cannot be enforced for a
period of more than a year. How-
ever, there are certain conditions
and situations which may arise,
which will permit exceptions to
this rule.

It's MISS AMERICA for beauty

Just one look will tell you why the '50 Ford is
a style show all by itself... why it's the only car
to receive distinction twice receive the Fashion
Academy's Gold Medal Award as "Fashion Car
of the Year" (and two years in a row, at that)

It's MR. BIG for size

No other car in Ford's field offers so
much hip and shoulder room. The '50
Ford is big and feels big. The minute
you take this great car out on the road
you'll feel its luxurious big car com-
fort, its effortless "finger-tip" steer-
ing and its solid roadability. A ten-
minute "Test Drive" will convince you
that the '50 Ford is truly Mr. Big for
spaciousness, for comfort, for per-
formance and for value.

And **'50 FORD**
Champion of its Class
for ECONOMY

Here's real evidence of Ford's extraordinary gas economy. In
the official AAA supervised Mobilgas Grand Canyon Economy
Run, a '50 Ford Six equipped with Overdrive won in its class
—the three full-size cars in the low-price field. Low first cost,
low operating cost and high resale value mark Ford—V-8 or
"Six"—as the "Big Economy Package" in its field. "Test Drive"
it at your Ford Dealer's today. (Available at extra cost.)

Hereford Motor Co.

Altavene Clark

(Continued from Page 1)
Bryant and Stratton Business
College in Chicago, she instructed
there and then worked a year
as Director for Ellison-White
Chautauqua and Lyceum Com-
pany.
In 1926 Mrs. Clark moved to
Amarillo where she was employ-
ed as Purchasing Agent for the
Panhandle Lumber Co. until 1933.
She is a widow and has one son,
John, now 24, whom she reared
and educated in Amarillo and
Washington. He is now married
and working with the Hawaiian
Airlines in Honolulu. Mrs. Clark
is a member of the First Pres-
byterian Church in Amarillo.
Now on leave of absence with-
out pay from her position as
Executive Officer, House Agri-
culture Committee, Candidate
Clark is covering the 18th Dis-
trict renewing acquaintances
and meeting people of the Pan-
handle whom she has served so
long.

"I feel that I know them all
personally," she says, "since I've
been working for them for 17
years. I've corresponded with
many of them and helped them
with their personal problems—as
well as assisted in finding the
answers to the numerous ques-
tions a congressman must answer
relative to the necessary legis-

**Mrs. Thomas Is Hostess
To Farm And Ranch**

Mrs. Ed Thomas was hostess
for the Farm and Ranch lunch-
eon meeting Thursday, April 6.
The Easter bunny, Easter eggs
and nests emphasized the East-
er theme in table decorations.
Mrs. P. B. Sowell, club presi-
dent, presided over the program
and business session which fol-
lowed the luncheon. Plans were
made for a night party honor-
ing husbands and taking part in
the County Federation Club
luncheon-meeting to be held on
April 18, was discussed.
Mrs. Waldron Melton had
charge of the program on "Beau-
ty Through Simplicity" stressing
the beauty in modern furniture
when used in harmonizing sur-
roundings. She also gave inter-
esting ideas on curtains, pictures
and other home decorations in
relation to individual personal-
ity. Mrs. Garland Solomon won
the floating prize.
Those present were Mesdames
Waldron Melton, Henry Melton,
Phillip Miller, P. B. Sowell, Tom
Cotton, Frank Rickels, Jack
Weaver, Woodrow Perrin, Gar-
land Solomon and the hostess.

Mrs. W. A. Teter of Woodward,
Oklahoma, was a guest of her
sister-in-law, Mrs. Leona Blood,
over the Easter week end.
lation to serve the best interests
of a district."

Hereford Bull

By "MIMIE GILLENLINE"

Have you placed your estimate on the population of Hereford and Deaf Smith County? Remember, Saturday is the last day. Your guess has to be left at The Brand office or postmarked not later than Saturday, April 15.

The person guessing nearest the official census release figure for Hereford will get \$25.00 cash, and the one guessing nearest the correct census figure for Deaf Smith County will get another \$25.00 cash. There were a few estimates in the Sunday Brand and here are a few more, but we need a lot more. I hate to see someone slip us for \$50 without any competition. We like to get a run for our money. Not more than 25 estimates have been submitted all together. Bring or mail them in before Saturday. Here are the ones that came in Monday and Tuesday: Mrs. N. R. Miller, Hereford 10,250; Deaf Smith County 16,000; Cliff Estes, Hereford 6,800; Deaf Smith County 10,000; Mrs. O. G. Hill, Hereford 8,000, county 14,000; Dr. M. C. Adams, Hereford 9,076, county 13,240; Jerry Stoltz, Hereford 7,975; county 13,862; E. Roland, Hereford 7,696, county 15,392; J. B. Poole, Hereford 7,269, county 13,763; Mrs. Hollis Rainey, Hereford 9,350, county 18,080; Tom Howard, Hereford 7,250, county 12,000; Bonnie J. Kelly, Hereford 9,500, county 17,500; Loyd Lovell, Hereford 7,676, county 12,479; Mrs. Loyd Lovell, Hereford 7,291, county 10,931; John Scott, Hereford 8,750, county 15,000.

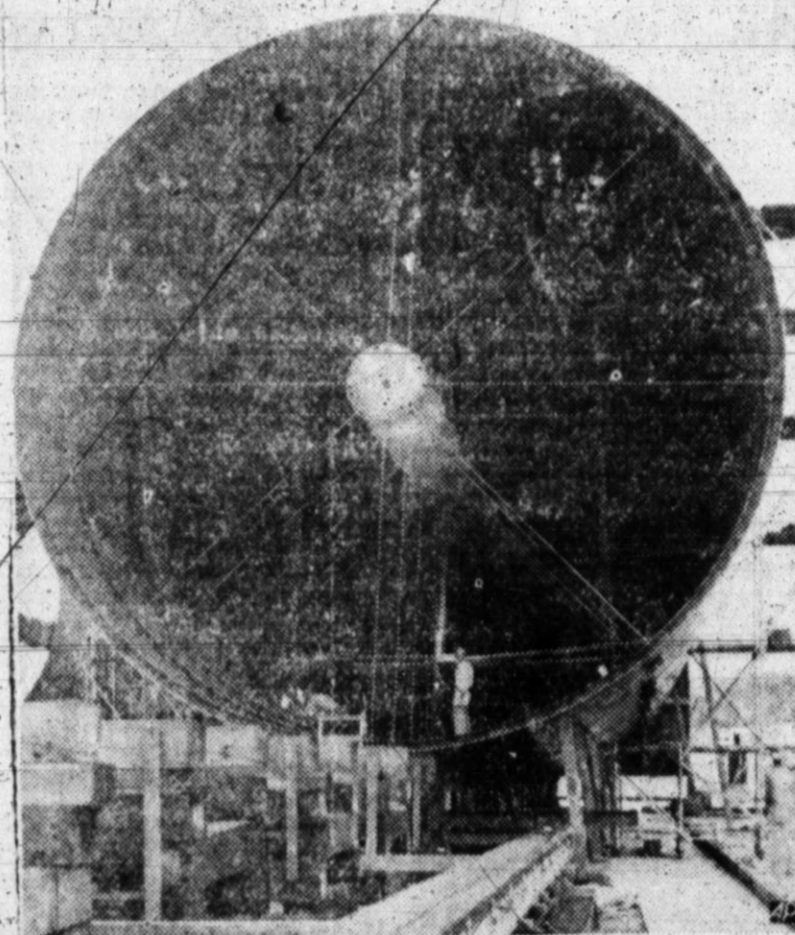

We should have at least a hundred estimates by Saturday night, or I am going to be disappointed. What's the matter? I thought times were getting a little tougher. Don't people need \$50 any more? Even the winners who are always passing about not being able to enter contests, have entered. This one is wide open. Newspaper people are just as eligible as anyone else. Homer Fox is eligible. Even Maxlin "Slats" Gilliland, the wrestler, is eligible.

Last week I had occasion to be in Erath County for the first time in my life. I was most surprised over the fact that Stephenville considers itself part of West Texas. Some of the country looks good and some of it looks terrible. It sure is a lucky, lucky thing that they struck oil around Eastland—or they never could have bragged about anything through their Chamber of Commerce. However, this country down in "West" Texas may afford a solution for the Hereford territory if the drought continues. Rufus Higgs, publisher of the Stephenville newspaper, told me that there were 196 Grade A dairy farms operating in Erath County.

"However, it's really the egg business that keeps this country going strong," declared Rufus. "You have no idea how many eggs come into this little town (Stephenville is about 11,000 population)." Roland Holford, Hico's contribution to journalism, voiced about the same opinion. Everywhere you can notice traces of soil conservation methods. Terracing and contours dot the landscape, which is badly corrugated with erosion ditches. People are also definitely interested in the beef cattle business. They are talking about new strains which will make beef production a big business in that county.

Also spent the week end in Wellington and talked to a few people in Childress and Clarendon. These folks are in a turmoil about the coming Congressional election. They all want to know how this area will go, but I sure couldn't give them much information. I never saw anything as split as this special election race. Lots of people are talking about Rogers of Pampa. He seems to be the newest "dark horse" in the east part of the district. Timmons will also get some votes in Collingsworth, Childress and Hall counties, but I doubt if he will lead the ticket. It looks as if Mrs. Clark will run stronger in Farmer and Deaf Smith than in other sections of the district, but probably not in Castro. Burk is also getting lots of comment over the district.

It is also entirely possible that the 13th Congressional District might elect a Republican Congressman. No kidding, it could happen mighty easy. As you know, this special election provides for no run-off race; high man wins and no holds barred. With the Democratic ranks split all to heck, the Republicans could vote solid and Ben Guill, the Republican candidate, could slide into office. In addition, Guill seems to be picking up quite a few borderline Democrats. This would be a new "first" for the Panhandle. It might happen, too!

VEHICULAR TUNNEL—Workmen are prefabricating one of nine sections of the vehicular tunnel to be built under the ship channel between Houston and Baytown. The section is 34 feet, 10 inches in diameter. Each of the six sections is to be 300 feet long. The other three are to be 250 feet long. The first section is to be bulkheaded and floored down the Intercoastal canal from Orange, where they are being assembled, for delivery May 15. (AP Photo)

Celebrated my 41st birthday Tuesday. You know, 41 doesn't seem near as old as it used to seem 10 years ago. Guess it must be due to the changing conditions over the world. Being prematurely short on hair might also make a difference on my outlook. However, the family seems to have other ideas. They gave me a set of golf clubs and my in-laws sent me a golf bag to go with the outfit. Is this a gentle hint? Do they think I am getting in the Frank Cogdell age group, or maybe they think I will be a natural born golfer like Jerry Stoltz. I never did play golf. Always thought it was a little on the "old age" side. However, I notice some fellows like Wayne Evans, Tom Howard, DeWard Roberson, Harold Cless, Jim Posity, J. W. Chandler, and Grant Fuller get really enthusiastic about the game. Anyway I have everything except a golf ball and may even try an inning or two this summer. Or maybe they play quarters like football. I don't know.

Chorus Competes In Canyon Thurs.

Carl Johnson will direct the Central Grade School Chorus through the Interscholastic League Choral Contests next Thursday held this year on the campus of West Texas State at Canyon. More than 3,000 high school students from 27 Panhandle schools will be competing. Chorus and ensembles will sing for judges on both days with ratings and criticisms being given each entry.

Judges will listen to the choirs in both concert singing and in sight reading. Houston Bright, voice instructor at WTSC, will be in charge of the contests with Donald Morton, John Tarleton College; Frank McKinley, North Texas State; Dr. Archie Jones, Texas University; Dr. Roy Johnson, East Texas State and Carl Jacobs, New Mexico A&M as judges.

Sam Houston Junior High's girls' chorus will start the two-day competition at 10 o'clock Thursday morning in the Administration Auditorium. The appearance of Stinnett's girls' chorus at 6 o'clock will complete the first day. Amarillo High School's sophomore mixed chorus will start competition Friday morning at 9 o'clock and the festival will end with the appearance of Dimmitt High School's girls' chorus at 6 o'clock that evening.

Schools having choirs in the Thursday competition will be Sam Houston, Horace Mann and Elizabeth junior highs of Amarillo, Borger, Pampa, Littlefield, Childress, Perryton, Levelland, Vega, Hereford, Friona, White Deer, Skellytown, Canyon, Stinnett, and Whiteface.

Congratulations to the people of Hereford and Deaf Smith County. I refer to the record vote in the recent city and school elections. I am most, most happy. I was beginning to think that Hitler had something when he used to say that the democracies were becoming decadent. He was referring to the fact that the people would not take the time to vote. Indifference is the one factor that could really destroy the American way of life, but folks around here have started voting. Really and truly, who gets elected is not near as important as having a good, big vote count at the polls. They may make a few mistakes, but unless people go to the polls our democratic government is not functioning. I am mighty proud of our turn-out, and I know that the people elected will fill their offices with pride, because they know, beyond doubt, that they are the honest choice of the people.

Mrs. Glenn Burris Is Hostess To Sims Club
Sims Home Demonstration Club held a meeting recently in the home of Mrs. Glenn Burris. "Clothing on a Budget Plan" was discussed by Mrs. Tom Draper, CHDA, who also talked about spring clothes needs, and told how to adjust patterns to fit the individual.

Reports were given by Mrs. Don Guseman and refreshments were served to Mesdames Roscoe Pinnell, M. W. Blankenship, Don Guseman, Tom Draper, Robert Brooks, Burris, Engle and the hostess.

Mr. and Mrs. C. C. Rockwell were in Hereford Monday and Tuesday visiting his son and family and her sister, Mrs. J. A. Pitman, and other friends here.

One Hundred Thirty-Two Attend Easter Services

By MRS. OWEN ANDREWS
Brand Correspondent

There were 132 present for church services, Sunday, eight of whom were visitors. An egg hunt for the small children was held directly after services. A special devotional service was carried out with each Sunday School class contributing an Easter message. On Sunday night, the Young Peoples class gave a special service, consisting of scripture and song about "The Risen Christ," instead of the usual B.T.U. programs. The pastor brought messages, following the special services.

Home for the Easter holidays were Miss Lila Robbins of WTSC, Wade Thompson of Tech, Leroy Shannon of Tech, Rev. and Mrs. Shannon went to Lubbock after Leroy on Thursday. On Saturday Lonzo Shannon of Meadow, came to spend the week end with his parents. Both the Shannon sons were to return to their respective homes the first of the week.

Mr. and Mrs. I. H. Hathaway and children of Bella, N.M., and her mother, Mrs. Rhea Robbins of Canyon, visited the H. D. Robbins family on Sunday night.

Mr. and Mrs. George Albert Springer are announcing the birth of a daughter, whom they have named Dianna Marie. The baby was born Sunday, April 9. The mother and child are at the Hereford hospital.

Mrs. J. H. Dobbs and Mrs. W. H.

Thompson attended the W.M.S. meeting at Dimmitt on Thursday.

Mr. and Mrs. Luther Dowdy and sons of Tulla visited the Leonard Irwins Sunday afternoon. They were accompanied by Lee Roy Dowdy, who is staying with them now.

The W. H. Thompsons visited the Raymond Odoms, south of Dimmitt Sunday afternoon.

Wade Thompson, Misses Gladys and Oma Ruth Thompson were Sunday dinner guests of the Irwins.

Miss Virginia Brock of Hereford spent Friday night with Misses Veradelle and Frances Andrews.

Mr. and Mrs. T. L. Sparkman, Jr. and children were Sunday dinner guests in the W. A. Springer home. Afternoon visitors were Mr. and Mrs. Elbert Summers and children of Hart, and Mr. and Mrs. Jack Summers of south of Dimmitt.

Mr. and Mrs. H. E. Lindley spent Sunday at the home of their daughter, Mrs. Jack Shirley near Friona. Mrs. Lindley's mother, Mrs. Greeson has been quite ill. She stayed at the Lindley home last week and Mrs. Lindley cared for her. On Saturday, she was taken to the home of another daughter, Mrs. Ted Bush. She is improving and able to be up some of the time.

Mr. and Mrs. Roy Campbell of Summerfield were Sunday night

supper guests of the R. L. Simpsons.

Mr. Lewery was still in the hospital Monday. Mrs. Earl Cole was able to come home Sunday.

Hospital Notes

Patients discharged from hospital: Mrs. J. W. Terry, med.; Mrs. F. L. Pinckert, med.; Dorothy Ann Mercer, med.; Overton Harris, med.; Mrs. Alice Varden, med.; G. T. Vardell, med.; Oscar Williams, med.; Mrs. Roy Campbell, O. B.; Mrs. E. L. Rainey, surg.; Mrs. Truett Johnson, med.; Mrs. W. O. Witherspoon, surg.; Mrs. J. L. Terry, surg.; Mike Higgins, med.; Diane Wilson, med.; Joyce Wilkins, surg.; Ricky Aldridge, med.; Mrs. Jessie Radovich, med.; W. A. Peters, med.

Patients in hospital: Mrs. Dora Smith, surg.; Paul Kern, surg.; Katie B. Conner, surg.; W. C. Lowry, surg.; Mrs. Susan Bartley, med.; Mrs. Ima Hartin, med.; Mrs. George Springer, O. B.; Mrs. Ray Parmer, O. B.; Mrs. Grady Rogers, surg.; C. V. Burges, med.; Mrs. W. A. Dobbins, med.; Mrs. Kathryn Baize, surg.; Jean Roberson, med.; Mrs. Clyde Thomas, O. B.; Larry Glyn Bishop, med.; Mrs. Cecil Payne, O. B.; Mrs. G. B. Miller, surg.; Mrs. M. M. Maler, med.; C. J. Traxell, med.

Mary Ellen Henslee of Amarillo was in Hereford over the Easter holidays to visit her parents, Mr. and Mrs. H. E. Henslee.

Cub Scouts Recieve Awards At Joint Meeting Of Packs

Cub Scouts held a pack meeting at the Scout Hut Friday night with approximately 66 cubs and leaders attending.

After presentation of the Flag by Mrs. Worth Covington's den, Mrs. Lloyd Sharp led in group singing and games in the form of an Easter Egg hunt were directed by Mrs. Ed Cox. The group was divided into two sections and Mrs. Walter Seed's group won the games award. Mrs. Worth Covington read an Easter story and poems and stunts were presented by dens of Mrs. Worth Covington and Mrs. W. D. Jones.

Coy Patton presented Bob Cat Awards to R. C. Welty, Jimmie Fowlkes, Kent Millard and Jim-

my Conkright. Jason Luck presented the Wolf Award to Jackie Britling and arrow points to Edward Axe, Eugene Sneed, Fred Drury and Ronnie Jones. Bear arrow points were presented to Billy Kester and Jerry Luck.

Coy Patton made the presentation of Lion Badge awards to Leslie Sharp and Lion silver point to Jimmie Patton. John Hicks, Cub commissioner, presented the Webelo award to Billy Kester which automatically promotes him to Boy Scout rank.

Hicks announced a kite flying contest for Sunday, April 16 beginning at 2:30 at the Scout Hut, and listed the rules for the contest. He also announced that beginning with the next pack meeting on May 5, the den that has the most awards present will receive a prize.

Wetomatchick Group Square Dances Fri.

The Camp Fire Girls of the Wetomatchick Group met Monday afternoon at the Camp Fire Hut with 10 present. Mrs. Dale Tinnin, guardian, and Mrs. J. I. Finley, assistant, met with the group.

The square dance class will be held Friday evening in the Hut. Classes in square dance are held every third Friday.

Mrs. Finley suggested the group should camp out at her farm some Friday night this summer.

Attending the meeting were Norma Jean McMillan, Gayle Potter, Marline Leg, Dorothy Fay Danile, Laura Jane Lane, Betty Woolsley, Eddie LaNell Morrison, Carolyn Kester, Dalene Tinnin and Mary Katherine Huckert.

Laura Jane Lane and Mary Katherine Huckert are to bring refreshments to the next Monday meeting.

week delivery by the Rev. Dan McClellan of Wavland College.

Taking his subject from Matthew 26, he spoke on Christ Crucified then and today. After a song service the time was spent in getting acquainted with the many visitors present.

Club meets with Mrs. Ira Ricketts April 18. The following program has been assigned: Improvements; 1. Baking a cake, Mrs. Ira Ricketts; 2. Baking pies, Mrs. Robert Hickman; 3. Ironing, Mrs. W. H. Gentry; 4. Making beds, Mrs. Clyde Russell; 5.

Wax floors, Mrs. Herman Drake; 6. Dusting, Mrs. Leon Coffin; 7. Polishing mirrors, Miss Augustina Gregory; 8. Renovate closets, Mrs. V. E. Dodson; 9. Laundry, Mrs. E. E. Clark; 10. Shampoo, Mrs. F. J. Walterscheid; 11. Polishing windows, Mrs. Edgar Lemon; 12. Hanging clothes, Mrs. Pete Carmichael; 13. Linen closet, Mrs. C. C. Bowman. Leader, Mrs. O. C. Billingslea.

Donald Tusha, Stratford, visited briefly with his sister, Mrs. Dal Tinnen, in Hereford Monday.

PITMAN HOME VISITORS

Guests spending the Easter vacation in the J. A. Pitman home were Misses Sue Stineman of Beaumont and Ruth Morris of Houston, both students at the University of Texas where Miss Helen Ann Pitman is also a student. They accompanied her home for the visit. Also a guest of the Pitman's was Joe Salisbury of Washington. He accompanied their son, John Douglas, home for the holiday vacation. Both are students at Georgetown University, Washington, D. C.

Diggin' Divots

Scores soared and the wind blew, but still they tried. That's the story on the golf front Sunday. Looks like a guy that really wants to play golf will have to do it on a week day. Work on the new traps is just about complete. In the future approaches to number nine in particular, will be more difficult. And the trap on two should catch its share of shots, too. President John Channer says they are planning on setting out more trees as soon as it is feasible. This time the trees will be somewhat larger than those set out a couple of months ago. The greens are coming out of it fast now.

Ever so often some top flight pro pulls a few holes like Ferrer did in the Masters Sunday to make all of us dubs feel a little better. He could have parred the last six holes and won the tournament by two strokes. Instead he missed 5, 6 and 8 foot putts along the way for three-putt greens and bogged another to go four over par.

However, he sunk one 50-yard putt during the tournament for the most spectacular shot of the 1950 Masters. (That's yards, not feet.)

If at anytime during a match a question arises as to who is right, play out the hole with your original ball and play another ball as a provisional ball. Then refer the answer to the rules committee to find out which ball counted.

Jim Terry has a new polyethylene practice golf ball that definitely adds a new, new wrinkle to indoor and backyard practice. The ball follows the same line of flight as a regulation sphere when hit squarely, hook or slice, but travels about a tenth as far.

A full wood or iron shot will go about 15 or 25 yards. They say that while the ball sounds and feels like a regulation ball when hit, it's slower motion and slower trajectory help disclose errors, such as topping, smothering, etc.

LOOK, NO HANDS—Tony Rocca, one of the grunt-and-groan set's more versatile performers, disdains the use of commonplace headlocks and toeholds, preferring to flatten his opponent with an indelicate flying kick to the jaw. Victim of the unorthodox treatment in this Chicago match is Ali Baba, who would have done better with the aid of his Forty Thieves—he lost the bout.

Second-Guessing

By JERRY STOLTZ

Hank Wedel brought in a clipping his sister, Mrs. Clara Richardson, of Slater, Iowa sent him about the trip the Iowa State Girls' Champions made to Waco to play the Dimmitt Bobbies, and it is rather interesting.

The story is written by a member of the Hawkettes team and if it weren't quite so long it would be worth printing in its entirety, but a few excerpts are:

"We became acquainted with the Dimmitt girls and found them to be a swell, friendly group of gals.

"We took the shellacking of our lives. We felt pretty bad for a while about letting Iowa down so much, but the Dimmitt Bobbies were such good players and sports that we couldn't help but give them (Continued on Page 4)

Shirley Trys To Even Score With St. Anthony Nine Today

By JOHN SCOTT

The softball giants of Hereford clash this afternoon when St. Anthony's and Shirley School square-off at Shirley Grade School field.

The Shirley team doesn't deny a sting from their last meeting. Shirley's old trick of playing a

Referee's Life Is Up And Down

Bob DeMarce isn't sure the wrestlers are the only ones who earn their pay during a match. DeMarce judged the fights Saturday night. He was supposed to have helped but the other referee, Pat O'Dowdy, couldn't make it.

During the main event, a Tag Team Match, "Judge" DeMarce got knocked down exactly six times. He and Whitey Walberg, who had two teeth loosened in the same match, came out the physical losers.

Alex Kasaboski and Tarzan Zimba were disqualified after the fray. Kasaboski took only 14 minutes to Half Crab George Overhuls and take the first fall. Walberg evened the match in another 14 minutes with a Full Nelson over Tarzan Zimba, taking the second fall.

Kasaboski and Zimba, in the final fall, got Overhuls twisted in the ropes and were giving him a good going over when DeMarce intervened. The two then got Walberg in the same fix and, according to Walberg, gave him the worst mauling he's had in Hereford. When DeMarce tried to separate them, Kasaboski, told him "DeMarce" have with a good solid left, flush in the face. DeMarce got up and was up and down again five more times before he had the chance to halt the match.

The match went to Walberg and Overhuls on disqualification. More than 411 persons saw that match.

In the first event, Walberg bested Zimba with a Full Nelson in 15 minutes. George Overhuls and Alex Kasaboski fought 20 minutes to a draw in the second event.

away occasionally. Of the two, Graziano has the power. In their March fight, Tony let the Rock (Continued on Page 7)

good ball game and being out-scored in the final stages beat them that time. This should be the climax game of the season.

There will be no shortage of talent in the pitching department. St. Anthony's Ken Walterscheid hasn't been beaten yet. He is the one who baffled Shirley the last time the two teams played three weeks ago with a twisting delivery. Shirley batters couldn't figure. A walk was about the only way the Shirley batters got on. However, Walterscheid gives plenty of those. But most of the time he has them swinging and popping out. On top of that, he is due today since it has been a week since he worked last.

Southpaw Will Start
Shirley will find a newcomer to face the Catholics. Left-hander G. C. Merritt, Jr. looked perfect against Central last week with the exception of one wild inning—the second—when he walked almost the entire Central team and let nine runs score. Merritt settled down and allowed only two runs the next five innings, Shirley winning 19-12. It was a closer ball game than the score showed. Merritt and Walterscheid have the same delivery but Merritt didn't pitch the last time the two teams played.

Shirley coach Rex Lee has been teaching Merritt a new brand of pitching, especially for this game which Lee says "we're going to win." St. Anthony's beat Shirley in the bottom of the ninth with two runs, 10-8, three weeks ago. Lee says it was due, mainly, to the pitch of Walterscheid's which Shirley batters couldn't hit.

Working On Hitting
But he has been working on that department, too. He said earlier this week that hitting was his team's recognized trouble and he thinks he has solved it.

Ed Bridges will be the other half of the Shirley battery with George Drake, Martin Moore, Don Shaw, Morris Hacker filling in the infield. The outfield will find regulars, LeRoy Morrison, Wayne Walker and Dan Janssen working.

The St. Anthony lineup, although not official, will probably find the usual Diller behind the plate with Albracht, L. Walterscheid, Noggler, and Kershen in the infield; Paetzold, Peters and Erdman will play the outfield if the regulars start.

The time is 1:00 at Shirley School diamond.

SHIP-SHAPELY MISS—Lining up on her title of "Miss Maritime Day," Pauline Baca, 21, peers into the periscope of a submarine at the San Francisco Naval Shipyard. She was chosen to reign over the joint observance of Maritime Day and Armed Forces Day at the shipyard May 21.

Whiteface Track Team Runs In District Meet Saturday

Fourteen of Coach Dalton Criswell's young Hereford High School trackmen will compete in the District 1-A Track and Field meet at West Texas State College in Canyon Saturday.

They will meet teams from Phillips, Dalhart, Dumas and Canyon. Perryton is not entered this year.

Although chances of winning a team title are extremely slim, several of the Whiteface thin-clads have chances at winning ribbons.

Coach Criswell is entering the following men:
120-Yard High Hurdles—Ted Houston, Dwaine Walker, Charles Gresham.
No entries in the 100-yard dash where competition is extremely keen this year.
440-Yard Dash—Bill Kelly, Leonard Walterscheid and Harold Morton.
200-Yard Low Hurdles—Houston, Walker and Rose.
440 Yard team—Walterscheid, Fields, Kelly and Gresham.
880—Gresham, Stanley Slagle, Jack Stanton.
220—Kelly, Fields, Engman.

VFW Opens Baseball Season Against Umbarger April 30

Opening day for VFW baseball is April 30. Manager Glenn Anderson said Saturday Umbarger will come to Hereford the last of this month to officially open the 36-game schedule. A complete schedule is not available now.

Anderson announced 20 positions "wide open" on the squad. A few have been working out in Legion Park and regular workouts started Monday. The squad will be whittled down to the required number of 20 players by opening game day.

"We'll be faster this year because I'm going to stress speed on the bases. They're really go-

ing to get around those bases," Anderson said.

He predicted new faces on the roster this year. He said some of the same players who have been with the club will be back along with some good ball players from other places who have moved here since last season.

He also welcomed anybody to come out and try for a starting berth.

Expected to add fire to the pitching staff is Bill Engman, if he can be had. Engman was an American Legion player last year but has used up his eligibility. Stan Barrett and Johnny Winkler, both tried and proven pitchers, will be back.

Several will vie for catching duties. Bud Stengel, injured in 1948 will be out and Bill Howard, starting his second season will be there. Pat Corbett, another American Legion player will try for the backstop spot, too.

Others who will work out are Earl Stagner, catcher and first base who didn't play last year. Onias Carroll, an outfielder for several years; Bill Stengel, outfielder; L. J. Clark, starting his fourth year in the outfield; Wendell Burdine, in the fourth year of outfield; Raymond Lueb, infield.

Mile—Allman and Axe.
Mile Relay—Walterscheid, Kelly, Houston and Gresham.
No pole vaulter.
Broad Jump—Fields and Engman.
High Jump—Houston, Fields.
Shot Put—Engman, Wendell Morton.
Discus—Wendell Morton.
The meet starts at 10 o'clock Saturday morning.

One-Act Play Team

Mrs. Charles Wilder said Wednesday Hereford High School's one-act play team will enter competition Friday at the Interscholastic League Meet on West Texas State campus in Canyon.

Mrs. Wilder, who is coach of the Hereford High one-act play team, said the name of their contest play is "The Valiant." The 6-member cast includes Maxie McCathern as the girl; Bruce Bybee as the attendant; Eugene Miles, the judge; John Southall, the priest; Gene Walker, the prisoner; Walter Paetzold, the warden.

Enter Tennis Tourney

High School Tennis Coach Bruce Beene announced that Joe Kerr, Jesse Click and Duane Christian probably will represent Hereford High in tennis competition at the District 1-A Interscholastic League Meet Friday on the campus of West Texas State College in Canyon.

Kerr will be the singles entry and Click and Christian, comprise the doubles team.

Schools participating in the contest are Dalhart, Phillips, Perryton, Dumas, Canyon and Hereford. Bruce McClure, instructor at WTS, is director of the Interscholastic League Meet.

Condition Of The World Is Only What Its Men Make It

Reading over some back copies of "Education for Victory" the official bi-weekly of the United States' Office of Education I found a short story that seems to give the best answer to this question. "The young daughter was very boisterous and her father wanted it quiet so he could read. He clipped a large war map from the paper, tore it up into bits like a big saw puzzle, and told his daughter to sit down and put the map together again. This he thought would keep her occupied for several hours. "The little girl was delighted and took the handful of torn paper. In just a little while she was back, the map all neatly arranged and perfectly put together. "See here, Daddy, here it is." she shouted as she ran up to him with the map on a magazine. Her father was much surprised. "Well, how in the world did you do it so quickly," he asked. "Well, you see, she replied, "there's a big picture of a man on the other side; and so, I just put him together and turned it over. You see, Daddy. If the man is right the world comes out all right, too." "Where would be a better laboratory to develop the "right man" than in the high school of today? As students you are equipped with all the necessary tools to promote security, cooperation, and enrichment of living. It is for you to decide if "man is right." You can throw aside your responsibilities to promote high ideals or you can buckle down today to discover the world anew without the fogging of prejudice, hate and selfishness. "If the man is right, the world comes out all right, too."

Jokes

Fourteen-year old Henry who tended my yard last summer, is the world's slowest moving creature. In desperation one day I exclaimed, "Henry, is there anything you can do fast?" "Yes, sah," he drawled. "I gets tired fast."

A third avenue antique dealer picked up in Pennsylvania a handmade cheese press of rock maple, with gears and levers and plungers and wheels. A week or two later a pretty young woman came into his showroom. "What is that?" she asked.

"A Pennsylvania Dutch cheese press," he answered. "I think I'll take it," she said. "May I ask what you are going to do with it?" asked the surprised dealer. "I've just gotten engaged," she explained. "my fiance and I are both very shy people, and sometimes when he comes to call, minutes and minutes pass and nobody says anything. So I thought I'd put that in a corner of the living room, and then he would say, "What is that? And I would say, "That's a cheese press."

"I can't get over how well you and your wife get along. Don't you ever have differences of opinion?" "Oh, yes—very often." "And you get them over so quickly?" "Ah, that's the secret. I never tell her about them."

Husband: "You're terribly extravagant. If I were to die you'd have to beg!" Wife: "That's all right. Look at the experience I've had!"

"Buzz Box"

There has been a general shuffle among the little chickens of H.H.S. with all the new Easter outfits and new boy friends to go with them. Emma Lee McNeese has a new secret boy friend, it seems she was rather angry with him for going out with a chick from Junior High. That good egg, Clayton Gene Rutter, was a darling picture in his hillfold. It is signed "Love," Peg.

Joe Hershey had considerable difficulty after the Band Concert. I wonder if Kathrine Snare could have had anything to do with it. Pat Fry's was hoping her Easter Bunny would be a real Man. She has a new name for him, he is her Reason!

June Heck has an Easter surprise — she had a basketful of company when Mary Alice Price, a student at Denton, came to visit her. That ever-in-hiding Larry Wilson has developed a new crush. She couldn't be a little Junior blonde, could she Larry?

Every good thing must come to an end. Soooo—Long— "Snoopy"

Couple of the week: Mr. and Mrs. Criswell—By special request.

Personality Quiz

Last name is that of candy bar. Song was written using first name. Born 29th day of month of May. Could be called "Cottonhead." Born in "Town Without a Toothache." Has very common last name. Born 7th day of January. Initials same as famous movie star. Is transported to school every morning.

Will be glad for next year to come. Last week Gayle Foster and Bobbie Jane Sisk guessed the personalities who were James Alston and Pat Frye.

Rev. Roy Ford spent Monday and Sunday in Stratford helping out with the Stratford Christian Church which started a Week of Visitation Monday.

I help run a GENERATOR?

That's not so far-fetched as it sounds! Behind every generator — and every other piece of equipment in your Public Service Company — are the investments of our "owners," the stockholders. These are the investments that run our company. You, or someone you know, may be a stockholder. Lots of folks are ... doctors, teachers, housewives, ministers, and many others ... and no one of them owns more than 2% of the total stock.

If you have a savings account at the bank, or life insurance policies, it is likely that some of that money has been re-invested in your Public Service Company. This is the way the company really belongs to the people. It's a case history of free-enterprise ... the system that has made America great and strong.

Report Cards Don't Know What They're Heading For

"Tattle-tale card," they called me. But I didn't mind. That's what the paper mill told me to expect when they made me into a report card. Ah, those were the good days. I was a spry, young dude, then. My white face shined with newness as I gorged ahead into the world, little suspecting what was in store for me. Stine High School where I was quickly put to work on various students. The first six weeks weren't so bad. I admit my face did get a bit smudged when Lacey Adams, my owner, forget to wipe his fingers, after eating some licorice, but on the whole, I came out fairly well. However, this didn't hold true the second six weeks. Lacey failed an American History test, and I, doing my duty, tattled to his mother, which re-

sulted in his getting a "good talking to." And what should he do but take his sanger out on me, a poor defenseless grade card. Crumbling me up, after dropping me into a mud puddle. Lacey shoved me into the darkest, most desolate corner of his notebook, and here I remained for three weeks. Finally, when I was removed, my face was more wrinkled than ever, and my vital information was unreadable. I was then, hastily returned to the teacher and my friends. Here I was told that I was beginning to look rather aged due to my many wrinkles and that I was in dire need of a rest.

I got my rest; but Lacey had to replace me with another card. Now this money with which he paid for the new card, was all that stood between Lacey and an important date with favorite girl. With no money, Lacey was unable to take her to the movies and as a result, she dated someone else. This just about broke Lacey's heart, and all because of a measly report card.

We don't want any broken hearts on our hands, so the next time you become angry at yourself, don't take it out on your report card, just stop and think of Lacey Adams and throw something else.

New Army Reserve Program Is Designed For Readiness

Details of the streamlined new Army Organized Reserve Corps Program were announced today by Major Don Zimmerman, Hereford Reserve Unit Commander.

The new program, designed to improve the efficiency and readiness of the Reserve, is now being put into effect. Implementation of the plan will be accomplished as fast as funds and personnel participation permit, said Major Zimmerman, who emphasized that the new program is dependent on the availability of funds.

Salient features of the new

NOTICE OF MEETINGS

ODD FELLOWS
Each Monday Night
REBEKAHS
Each Tuesday Night

ORC program are establishment of a firm troop basis, provision for progressive and efficient training, establishment of a sound promotion system, provision for adequate training equipment and simplification of the organizational structure.

A total of 3,700,000 square feet of armory and storage space will be required when the new program is fully implemented. The Department of the Army already has announced that \$13,000,000 will be spent on a new Reserve armory construction program in 41 states, including Texas. This, however, will not preclude joint utilization of facilities by all Reserve components, with leasing of adequate facilities where armories are not available. The possibility of utilizing armory space in Hereford will be investigated, he added.

Under the new program, the ORC will have three principal subdivisions: the Active Reserve, the Inactive Reserve and the Honorary Reserve.

The Active Reserve will be divided into two parts: (1) the Organized Reserve, which will include all members assigned to troop basis units plus personnel

DUST STORM AFTERMATH—Albert Brubander digs out a culvert on his father's farm near Shawnee, Kan., after recent dust storms swept over the land. When the winds abated, loose soil like this was deposited like minor snowdrifts over many Midwestern farms, causing damage to crops which is still not fully estimated. Weather Bureau and Department of Agriculture officials admit that nature may be setting the stage for storms which could match the disastrous "Dust Bowl" days of the Thirties.

needed upon mobilization to augment Regular Army units and staff agencies, and (2) the Volunteer Reserve, consisting of individual officers and enlisted personnel needed to increase the Army of the United States in the event of mobilization.

Because of budgetary limitations, a personnel strength ceiling in Reserve duty pay status of 255,000 officers and men has been established for the 1951 fiscal year. This figure is below the planned eventual minimum strength of 367,000 officers and men, which calls for 190 per cent officer strength and a minimum of cadre enlisted strength for required units.

Under the minimum plan, the Organized Reserve portion of the Active Reserve will include mobilization troop units and 25 cadre divisions (17 Infantry, 3 Armored and 5 Airborne); non divisional table of organization and equipment units (those having combat and service support missions), consisting of approximately 4,500 ground and service units; and tables of distribution units, required for mobilization, expansion and augmentation personnel.

In addition to the requirements in units and personnel of the Organized Reserve portion of the program, there is a minimum requirement for the Army of the United States on mobilization day of some 130,000 officers and 200,000 enlisted men. This group will constitute the Volunteer Reserve.

All present units not included

year period, second lieutenants and first lieutenants will be promoted to the next higher grade; captains, majors and lieutenant colonels will be transferred to the Inactive Reserve.

Age-in grade requirements are more liberal in service units than in combat units.

Minimum time-in-grade and attendance requirements, as well as the requirements of position vacancies, have been established for enlisted promotions in the Active Reserve.

Time-in-grade requirements are: recruit to private, 6 months; private to private first class, 6 months; private first class to corporal, 9 months; corporal to sergeant, 12 months; sergeant to sergeant first class, 15 months, and sergeant first class to master sergeant or first sergeant, 21 months.

... the new program as of December 31, 1950, will be tested as training units, or will be discontinued and their personnel transferred. All units of the Organized Reserve will be required to obtain a cadre strength within 9 months from date of inclusion in the new program.

Reserve duty training pay for individuals assigned to other than fully organized units will be made available on an individual participation basis. Personnel in the Volunteer Reserve will not receive Reserve duty training pay.

Promotion of officers has been established on a firm requirement basis, with adequate provision for promotion in both the Organized and Volunteer Reserve.

Qualified officers attaining maximum age-in-grade will be retained in that grade for two years and when there is no vacancy which would enable them to be promoted. After the two-

50,000 Miles - No Wear!

1. Five Years' Driving in 70 Days! Racing over hot Mexican-border highways... 14 hours a day for 10 weeks... six brand-new cars put amazing new Conoco Super Motor Oil to one of the toughest tests ever devised. After 50,000 miles of continuous driving, engines showed no wear of any consequence... in fact, an average of less than one one-thousandth of an inch on cylinders and crankshafts! Original factory finishing marks were still visible on piston rings!

2. New-Car Gasoline Mileage! Amazing result: gasoline mileage for the last 5,000 miles of the run was as good as for the first 5,000 miles... actually there was an average difference for the fleet of only 4/100 of a mile per gallon! This astounding test—equal to 5 years of normal mileage—showed that Conoco Super Motor Oil, with regular care and proper crankcase drain intervals, can keep your new car new!

3. New-Car Power! Quicker Starts! Yes—Conoco Super Motor Oil's extra protection keeps that factory flash... that showroom smoothness... year after year! Only Conoco Super Motor Oil OIL-PLATES metal surfaces to make your engine last longer, perform better, use less gasoline and oil! Conoco Super Motor Oil virtually stops wear before it starts... keeps your engine new and clean! Conoco Super Motor Oil is the great new modern wear-fighter!

STUDEBAKER'S REALLY ROLLING! STUDEBAKER LEADS AGAIN WITH THE 'NEXT LOOK' IN CARS!

Long Time Ago

25 Years Ago
T. D. Moss, former secretary of the Dimmitt public schools, became secretary of the Hereford Chamber of Commerce on a 3-month trial basis with the possibility of a year's employment. New Chamber directors were E. B. Black, J. A. F. Parker, George L. Muse, A. Berst and J. E. Hill. Roy Nunn, son of Mr. and Mrs. B. T. Nunn, was ordained as a minister of the Presbyterian Church.

J. H. "Hez" Williams was appointed manager of the largest cattle ranch in existence operated by Uncle Sam near Agua Nueva, Old Mexico. Maintained by 150 cowboys, the headquarters house of the ranch contained 80 rooms, all modern with electricity and facilities.

Sixty-two-year-old Bernard Engle, father of Pete Engle, died at the family home in Hereford. Hereford business men dropped their cares and attended a 1-day Boy Scout Session in the basement of the courthouse under the direction of Tom Nelson and H. E. James. About 18 got a chance to know just what the Boy Scout work meant to the boys. The men were formally organized into patrols and troops with Scout Masters.

The Hereford High School Glee Club under the leadership of Mattie Swisher, entered the contest at Amarillo's Music Festival and placed second, a half point under first-place Amarillo. Members of the Choir were Lucille Hicks, Ruby Faye Bennett, Gwendolyn Price, Wanda Wilkinson, Frances Guinn, Ida Mae Knox, Gwendolyn Spradley, Frances Oberthier, Margaret Thompson, Louise Jacobsen, Lois Hill, Mary Valentine, Zella Mae Walser, Dyaltha Stovall, Lonnie Witherspoon and Mozelle Hill.

High school honor students, George Beams, Jr., Mozelle Hill and Lucille Hicks were principles of Commencement exercises due May 9, 1925.

Stork specials were to Mr. and

Mrs. Hubert Odell, April 14, a son, Ben Jackson. Mr. and Mrs. E. R. Johnson, a daughter, Grace, April 16. Mr. and Mrs. E. V. Sullivan, April 20, a boy, Charles. Mr. and Mrs. C. C. Hunter, April 21, a son, C. C. Jr. Mr. and Mrs. W. F. Bumpkin, a girl, Patsy, April 23.

During April of 1925, even the sheriff had to advertise to sell bankrupt stocks.

Every year in the spring Hereford usually came up with some monster eggs. This year was no exception. Mrs. R. J. Kibbe held the palm for 1925 with an egg which actually measured eight and a half inches by six and a half.

Providing the dust didn't limit visibility, a battle royal was in store when 15 golfers from Amarillo Hillcrest Club came to engage the Hereford team. The local tourney wasn't complete with one match left to play. In the second round of the local match, E. D. Fox eliminated Harry Seed, L. H. Foster beat Seth B. Holman (19 holes), W. R. Steckman beat W. H. Russell, Henry Wilkinson beat Brack Williams, Allen Bell won from A. A. Foster, Frank Maars defeated Harry Rice, Dow Mercer eliminated George Garrison. Jim Black drew a bye.

Miss Esther V. Erickson, Red Cross Worker in Hereford, wrote a thesis in The Brand telling what a 6-year molar was. It was a tooth. She said "it pays to watch those 6-year molars."

G. W. Baekus, Grand Master of the Grand Lodge, IOOF of Texas issued a proclamation celebrating the 106 Anniversary of the founding of the lodge. Rev. J. E. McClurkin, former Baptist Minister, spoke to a group of Odd Fel-

lows on the history of the organization.

Blonde Bess opined in The Brand that although she wasn't a crossword puzzle addict, still the only 5-letter word she could think of meaning "the latest thing is hair cuts is 'woman'."

2nd. Guess—

(Continued from Page 1)

... Congratulations. Before the game the Dimmitt Chamber of Commerce had given us 10-gallon we had a wonderful time in Waco (all but those few minutes Saturday night) and hated to leave.

The general idea of the whole article is just about expressed in that final quote.

Bruce Smith was high man on the allys last week with 223. Trudie Bauer took top honors for the fair sex with a respectable 153.

Some Whiteface trackmen get in their final licks of the season Saturday at the District 1-A meet. Maybe three or four of the boys will get another chance in the Regional and there's the possibility of one or two of these going to the state.

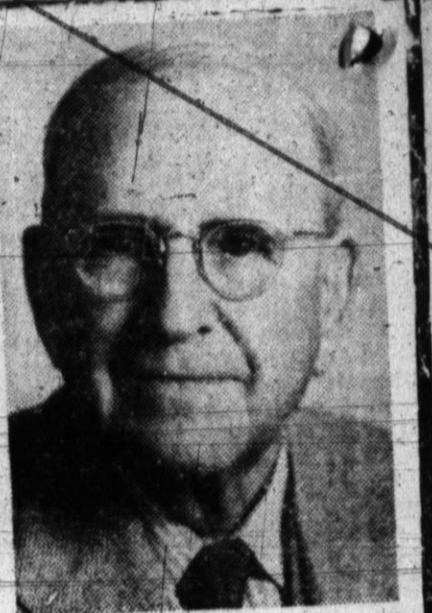

Good luck to all of them....

ANNUAL MEETING

J. K. Baker, Secy.

A-C Carroll F. Newsum, stationed at Goodfellow Air Force Base in San Angelo, was in Hereford over the Easter week end visiting relatives and friends.

IMPORTANT PEOPLE WHO IS

E. T. BURK For Congress

IMPORTANT?

E. T. Burk, leading candidate for Congress, says: "Nearly all of us have children. Some of us have grandchildren."

"And how we love them! How we pray for peace, freedom, well-being for them. We are ready to fight for them, and their welfare."

"And we have senior citizens who are important and who have hard-earned rights. Just because a man or woman has a few gray hairs is no reason that he or she should be put on a shelf and marked off the list."

"Nothing else has hurt me more than the knowledge that many of our senior citizens have been kicked around as political footballs. I oppose this. I abhor it. I am the only candidate who has promised to fight the battles of senior citizens, and I will keep that promise. All senior citizens can count on E. T. Burk, Candidate for Congress, Amarillo, Texas."

THERE IS NO DOUBT... That E. T. Burk is the leading candidate. Burk CAN win! Never before have the senior citizens had such a wonderful opportunity to have a true friend in Congress. Pass the word on!

And.... **BACK BURK FOR CONGRESS**

36,000 Telephone People Will Get Raises This Year

Telephone rate increases so far in this state have lagged far behind rising operating costs and have even failed to cover the current cost of wage increases already granted.

This has been a big factor in pulling down the company's rate of earnings to the lowest level in its history.

Obviously, any further increase in wages beyond those already provided in existing contracts, will have to come from pockets of telephone customers.

Under existing contracts, which the company has offered to continue, 36,000, or three out of every four telephone people, will get raises this year. Averaged over all employees, these raises will amount to \$2 a week per employee.

Unlike most industries where an employee must wait for a vacancy to get a higher-paid job, telephone people receive regular, scheduled raises from the day they start until they reach the top rate for their jobs.

Basic wage rate increases have more than kept pace with increased costs of living. Since January, 1941, telephone wages have gone up 94 per cent... while the cost of living has increased only 66 per cent in the same period.

The company's Benefit and Pension Plan, long recognized as one of the best, was improved in November to provide pensions of at least \$100 a month, including social security, at age 65 after 20 years' service. Actually, many employees will get substantially more.

The Plan also includes liberal sickness benefits—up to a year's full pay depending on length of service—plus disability, accident, and death benefits of as much as a year's pay. The plan doesn't cost employees a dime.

Telephone people enjoy one to three weeks' paid vacation. Also, they get seven holidays a year with pay.

HOW DO THESE EARNINGS LOOK TO YOU?

The real test of telephone wages is how they compare with those paid in the same communities for jobs requiring similar skill and experience. Here are average weekly and annual earnings of telephone people.

Fully experienced Plant Craftsmen (Such as Repairmen)	\$75 A Week	\$3,915 A Year
Plant craftsmen with five years' service:	\$61 a week, or \$3,184 a year.	One year's service: \$42 a week, or \$2,192 a year.

Fully experienced Operators	\$45 A Week	\$2,349 A Year
Operators with five years' service:	\$42 a week, or \$2,192 a year.	One year's service: \$38 a week, or \$1,993 a year.

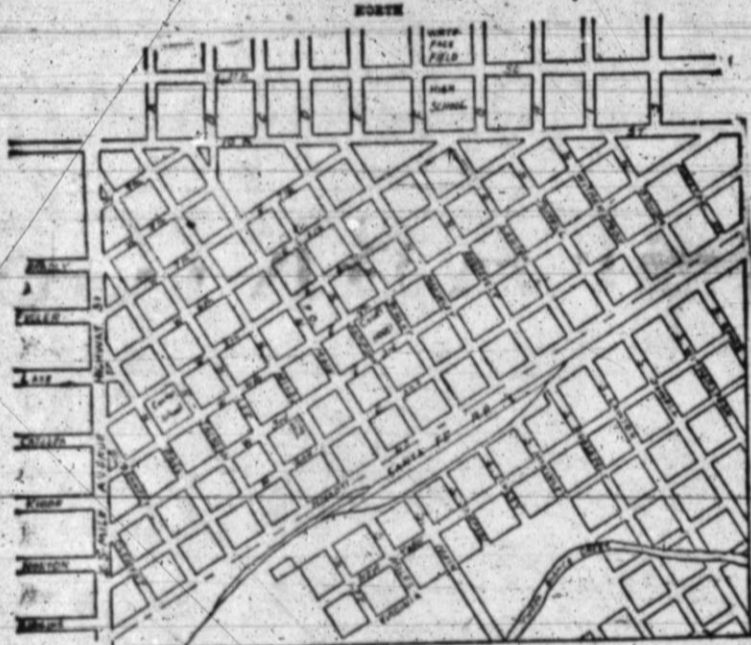

Fully experienced Business Office Women (Service Representatives)	\$47 A Week	\$2,453 A Year
Business Office women with five years' service:	\$44 a week, or \$2,307 a year.	One year's service: \$37 a week, or \$1,931 a year.

The above figures include basic wages for a 40-hour week plus extra pay for overtime, night, Sunday, and holiday work.

New Nash Five-Passenger Convertible Will Be Shown

Detroit—Nash Motors today announced its much rumored completely new "Rambler" automobile. A luxurious 5-passenger custom convertible, first model in a new Nash series, it will compete in the lowest-priced automobile field. It is an addition and does not replace Nash Ambassador or Statesman models. The new car goes on public display in dealer showrooms Friday.

Priced below the lowest of today's 5-passenger convertibles, the new Nash Rambler includes at no extra cost about \$300 worth of such custom appointments as:

an electrically operated top, Weather Eye conditioned air heater, radio, one-piece windshield, direction signals, chrome wheel discs, clock, special upholstery, foam cushions and other custom car features. H. C. Doss, vice-president in charge of sales, said.

According to Doss, "The new car offers up to 30 miles per gallon (more with overdrive), ease of parking, and nimbleness in traffic without sacrificing top performance on open highways. As we see it, Nash Rambler is a new concept of automotive qual-

ity in a compact package," he said.

Introduction of the Nash Rambler marks the start of Nash Motors' 49th year of automobile manufacture. "We take pride in reviving one of the most famous names in automotive history," Doss said. "The first Rambler, built in our present plant in Kenosha, Wisconsin, was introduced in 1902. It was one of America's first mass produced cars."

New standards of safety are claimed for the Nash Rambler convertible. As a foremost feature, the new car combines much of the safety of an all-steel sedan, with the recreational advantages of an open car. New overhead safety protection is accomplished with two heavy steel side rails framing the top of side windows. An integral part of the body, these overhead chrome-trimmed rails also form a strong structural bridge-beam for extra body rigidity. They also carry the built-in tracks for the electrically operated top and serve as attractive frames for the side windows.

The new Rambler's Airflyte-type of unitized-body-and-frame construction results in a lower silhouette and lower center of gravity without loss of front or rear headroom or legroom, Doss said.

Exterior appearance is highlighted with sweeping front to rear fender lines. It is further enhanced by a broad low hood, shorter than other Nash cars, sloping forward offering greater visibility. Body lines flow back from the gracefully rounded front end to the tapered back.

Frontal view of the car points up its road-hugging width and stability. The radiator grille, an oval shaped racing-type air scoop, has heavy horizontal bars

FOR ATHLETES FOOT USE T-4-L BECAUSE IN ONE HOUR

You see results toward healthy, hardy feet. With T-4-L, you feel the healing qualities start to work. Ask any druggist for this sturdy, proven medicine. It penetrates quickly to reach imbedded infection. Now just 40c at Halls Drug Co.

and blends with the massive front bumper, Headlamps, parking lights and direction signals are recessed in the fenders.

The electric driving mechanism of the fabric top operates aircraft-type, nylon-coated-steel cables. These are attached to the top for pushbutton control. The top can be stopped to provide an opening at any "intermediate" position from closed to fully open. The flexible plastic rear window folds without damage and can be removed entirely (zippers) for summer driving with the top up.

The Rambler, basically built like current Nash Statesman and Ambassador models, is the first convertible to utilize the advanced automobile body-building methods pioneered by Nash. The Airflyte construction eliminates unnecessary weight and contributes to the Nash Rambler's ability to give up to 30 miles per gallon.

All driving instruments are located in a compact cluster, directly in front of the driver on a protruding section of the panel which conceals the steering column. Instruments are set at the optimal distance recommended for the average reading. The conventional style oil and battery charge gauges have been replaced by red signal lights. Gear shift and directional signal levers also are mounted on this panel section. To the right, the instrument panel curves forward to provide extra roominess for passengers. A courtesy lamp under the panel automatically lights the interior when either door is opened.

An improved Nash "Weather Eye" heating and conditioned fresh air system is standard equipment of the Rambler custom convertible. With full automatic temperature control, it provides the "more than ample" all-weather utility required for comfort in a convertible, even in severe winter weather. Nash claims. Fresh air under pressure is scooped in at the intake on the cowl "where it is free of dangerous traffic fumes," according to Nash. The air first is swirled to remove rain water, then passes through a dust filter, the heater core and the blower be-

fore entering the car. With the car closed, pressurized fresh air minimizes window fogging and prevents drafts. The Weather Eye system, supplying a constant flow of trapless fresh air heated or unheated, is claimed to provide a complete change of air every two minutes with the top up and all windows closed.

A new type radio is supplied at no extra cost in the Rambler custom convertible. Recessed in the instrument panel, the radio speaker is formed by a "double-deck" series of perforated chrome medallions. Installation at the factory assures standardization of quality.

Rambler custom convertible bodies are treated inside and out before painting with the metal-impregnating bonderizing process for protection against rust, dampness and winter road salts. New super cushion low pressure tires add to riding comfort, it is claimed.

Nash designers have developed Rambler interiors offering refinements including fully enclosed instruments, extra window area, new upholstery fabrics, wide seats, ample leg room, and new treatment of chrome, fabric and plastic trim. Hardware is modern, massive and easy to operate. Exterior door handles are of the new "pill box" type.

The new Rambler has an 82 hp, 6-cylinder, L-head engine with a displacement of 173 cubic inches.

Keep an eye wash in your medicine cabinet during the spring and summer. Sun, wind and glare can be hard on the eyes. To ease eyestrain, place squares of cotton saturated with eye wash over each eye for a few minutes.

Legal Notice

THE STATE OF TEXAS TO: James H. Pate Defendant, Greeting:

You are hereby commanded to appear before the Honorable District Court of Deaf Smith County at the Court House thereof, in Hereford, Texas, at or before 10 o'clock A. M. of the first Monday next after the expiration of forty-two days from the date of the issuance of this citation, same being the 15th day of May A. D. 1950, then and there to answer Plaintiff's Petition filed in said Court, on the 15th day of March A. D. 1950, in this cause, numbered 3237 on the docket of said court and styled Wanda Pate Plaintiff, vs. James H. Pate Defendant.

A brief statement of the nature of this suit is as follows, to-wit:

Church Notes

FIRST BAPTIST Church had the largest crowd in the history of the church last Sunday for Easter services. The balcony and the entire ground floor auditorium was filled. The only time they ever had a crowd that

Villasenor and his wife, both Wayland College students, drive back and forth each night this week to hold services there.

Vada Waldron, foreign missionary from Argentina, spoke to the WMU Luncheon Wednesday on Missions in Argentina.

Preaching services in The First Baptist Church this evening will begin at 8 o'clock as part of the Revival started last Sunday.

FIRST CHRISTIAN has changed the time for the Sunday evening services beginning next Sunday. The times are as follows: Youth Groups—6:30; Evening Worship—7:30. The mid-week service was resumed last night with services at 7:15. Choir practice was at 8 o'clock last night, also.

Another Amarillo speaker will talk to the Laymen's League Meeting tonight as Wes Izzard found it impossible to fulfill his engagement.

The scheduled Business Women's Council meeting has been postponed. The meet date will be announced.

The Easter Sunday School offering went to Unified Promotion for the following causes: Home Missions Institutions, Ministerial Relief, Church Extension Social Welfare, Christian Unity, Evangelism and Church Development, Town and Country Programs, Recruitment of the Ministry and All American Missions.

HOMESICK FOR TEXAS—Little Roseanna Faver, 9, hugs her doll and smiles as she is told that Gov. Allan Shivers of Texas is writing her a letter. Her dad, Homer Faver, who moved to Pasadena, Calif., three months ago from Harlingen, Texas, wired Gov. Shivers that she is sick and wants to hear from someone in Texas. The governor said he wrote hoping she would get well soon and he was asking his friends to write, too. She is in Huntington Memorial Hospital in Pasadena suffering from rheumatic fever. (AP Photo)

Ben Guill, of Pampa, Announces For Congress

Ben Guill, 40 year old Navy Purple Heart veteran and Pampa businessman, has announced his candidacy for Congress in the special election on May 6. Guill is the only Republican in a field containing ten Democrats. The high man at the polls will be elected Congressman without a run-off.

Guill, who has lived in the Texas Panhandle for 31 years, is married to the former Marjorie Buckler, of Pampa. They have a nineteen month old son.

Why a Republican

Guill, a graduate of West Texas State College and a former teacher in the public school system in the Panhandle, said he was running as a Republican because "I am opposed to the Socialistic policies of the present administration and the only honest way I know of fighting the Socialistic theories of the Santa Claus boys is to join the other team."

"I have no intention of telling the people of the Panhandle that the Republican Party is perfect or all virtuous. It is nothing of the sort. I merely think there is more Americanism to the square inch in the Republican party today than among the Socialistic leaders who have cold-bloodedly stolen the party of Jackson, Jefferson, Calhoun and Wilson away from the people."

Was a Democrat

Guill, who was an independent Democrat until now, is strongly in favor of reducing income taxes. He is bitterly opposed to socialized medicine. He wants the government to stop dictating to the farmer about what, and how much, he can raise, and he believes the Panhandle cotton farmer was given a "raw and heartless deal" in the recent setting of quotas.

"I am the son of a farmer," Guill said. "I believe the farmer is the backbone of the national economy. I'm sick and tired of hearing pink little bureaucrats tell the farmer what he should do. It's high time the farmer tells Washington what ought to be done. The farm problem should be settled by the farmer himself and if I am sent to Washington as Congressman from the Panhandle I shall bring with me a farm program which embodies the wishes

and the ideas of the Panhandle farmers themselves."

Chances Good

Guill, who has thousands of friends and former students in the Panhandle, is given an excellent chance of winning the special election. With the votes split among ten Democrats, it is estimated that he will be elected if he receives as many votes as Frank T. O'Brien, the Republican candidate for Congress in 1946 received in his race against Gene Worley. If he gets half as many votes as Jack Porter, the Republican candidate for the Senate in 1948, received in the Panhandle he will be an easy winner.

Guill won the Purple Heart in combat in the Pacific. He went through seven amphibious landings and earned four battle stars. He is a member of St. Matthew's Protestant Episcopal Church in Pampa, is a director of the Pampa Rotary Club, the American Legion and the Veterans of Foreign Wars. He is waging one of the most vigorous campaigns in the history of Panhandle elections.

CHRISTIAN SCIENCE Sermon will be held Sunday morning at eleven o'clock at the Star Theatre. All who are interested are welcome.

"Doctrine of Atonement" is the subject of the Lesson-Sermon which will be read in all Churches of Christ, Scientist, on Sunday, April 16.

The Golden Text is: "If any man sin, we have an advocate with the Father, Jesus Christ the righteous" (1 John 2:1).

Among the citations which comprise the Lesson-Sermon is the following from the Bible: "Purge out therefore the old leaven, that ye may be a new lump, as ye are unleavened. For even Christ our passover is sacrificed for us" (1 Corinthians 5:7).

The Lesson-Sermon also includes the following passage from the Christian Science textbook, "Science and Health with Key to the Scriptures" by Mary Eddy: "To those buried in the belief of sin and lying only for pleasure or the gratification of the senses, he said in substance: Having eyes ye see not, and having ears ye hear not; lest ye should understand and be converted, and I might heal you" (page 38).

Sunday services at Emmanuel Lutheran Church begin at 11:30 o'clock. Pastor Lichtsinn will deliver the message on the first Sunday after Easter based upon the text of John 20:19 to 31.

The Sunday School lesson is based on the Easter Story of the Emmaus Disciples.

Sunday School and Bible classes convene at 10:30 o'clock.

The quarterly voters meeting of the church will be held Sunday after at 2:30 in the church. Arthur Tiesel will preside as chairman. The Ladies Aid meets at 2:30 o'clock Wednesday afternoon next week.

At the **FIRST METHODIST CHURCH** on Sunday morning at 11 o'clock, members of the Order of Rainbow will be honored

guests. The message will feature the principals of this order and friends and relatives of the members are cordially invited to the services.

In the evening service at 7:30, the Pastor begins a series of messages, and the first subject is "What is Worldliness?" If you are interested in preaching that is different, and if you are concerned about today's Christianity, you will want to hear these messages. The evening series is to be featured by the Methodist

Church for the next six weeks. The Board of Stewards is to be responsible for this first in the series for attendance and a welcome in the Sanctuary.

Interest in the present campaign of Evangelism by visitation is good, and results are manifest each Sunday.

Next week the Methodist Choir plan to assist their pastor in the regular 8:45 Devotions over KPAN. Our Choir will practice this evening at 7:30.

it doesn't take a FORTUNE to get security

Envy the man who has an oil field a few thousand feet under his winter wheat? He has one type of security, no doubt about that, and you'd be right to count him as a lucky and enviable individual.

But a full measure of security that is sound and adequate is available to the average man with an income, too, fortune or no fortune.

For a few dollars a month you can enjoy the solid financial security produced by the pooled resources of millions of people like yourself.

It would take an oil field of 2,000,000,000 barrels to give the equivalent of resources that are cooperatively pooled in The Equitable Society. And every member of the Society shares in the protection these resources offer.

The financial protection provided by life insurance and annuities is available to your family and every family with foresight enough to plan their future. It's the kind of security your family should not be without.

THE EQUITABLE LIFE ASSURANCE SOCIETY OF THE UNITED STATES
THOMAS I. PARKINSON - PRESIDENT
393 SEVENTH AVENUE • NEW YORK 1, NEW YORK

REPRESENTED BY: **GUY W. NEWSON** HEREFORD

COMMENT

(Continued from Page 1)

How it on two or three occasions in the first five rounds. But Graziano didn't go down. He sagged once at the seams, but he snapped back.

Tony says he hurt his hand in the first part of the affray and thus had to go easy. The second half was Graziano's, except for the tenth. Graziano had Janiro groggy in two of these rounds, but Janiro has never been Kay-rod, and didn't topple. The Rock must have wondered what it took to flatten poosh-em-up, he didn't flatten easily.

What made the fight excellent was the fact that both boys fought. It wasn't one of the half-hearted fights one sees at the Garden these days. It was the best middleweight fight since Tony Zale came out with blood in his eye for Graziano, and cracked him open in the third. Tony never was more deadly than he was that night. It was his last top-form appearance, and he lost his title to Marcel Cerdan in his next go — which was mild to the Graziano performance. Tony was out cold.

The college fight which has the country talking took place at the Southern Conference boxing finals in Columbia, S. C. Tad Thrash, Louisiana State's national 130-pound collegiate

champion, met a deadly foe in Andy Quatrochi of Maryland. The two had met once earlier in the season. Thrash taking the decision. Quatrochi and his friends had said they would even that up in the conference.

There were good fights at the conference but none like the second Thrash-Quatrochi battle. Both boys are K. O. artists and both were shaken up before it was over. The challenger, Quatrochi opened up in the first round and it looked like Ted was gone. He took everything the Marylander could throw, went down once or twice. In the second though, the national champion came back. He waded into Quatrochi, through a withering barrage at times, just to get in there to slug it out. Both boys were content to slug it out, and they stood the fans on their ears.

Well, in the third, Tad's determination showed, and Quatrochi began to fade. The referee stopped it in the third, after Thrash had the Marylander helpless. But as fights go, you'll never see two killers put one on like that, but once in a decade.

Legal Notice

NOTICE TO BIDDERS

Sealed proposals addressed to the Commissioners' Court of Deaf Smith County, Texas, will be received at the office of the County Judge, until 2:30 p. m., April 17, 1950, for furnishing all necessary materials, machinery, equipment, superintendence, and labor for finishing subgrade, constructing caliche base course, and asphalt surfacing, on the Clover Airport Road, being along the east line of Surveys 62, 63, and 64, Block K-3, Deaf Smith County, Texas; beginning about 2055 feet south of the N. E. corner of Survey 62 and extending

north approximately 1.64 miles. The principal items of construction are:

- Finishing Subgrade—Approx. 21,200 sq. yds.
- 6" Caliche Base—Approx. 21,200 sq. yds.
- Double Asphalt Surface Treatment—Approx. 19,100 sq. yds.

Bidders must submit a Cashier's or Certified Check issued by a bank satisfactory to the Owner, or a Proposal Bond from a reliable Surety Company, payable without recourse to the order of L. H. Foster, County Judge, in an amount not less than five per cent (5%) of the largest possible bid submitted as a guaranty that the Bidder will enter into a contract and execute bond and guaranty in the forms provided within ten (10) days after notice of award of contract to him. Bids without the required Check or Proposal Bond will not be considered.

The Successful Bidder must furnish bond on the form provided, in the amount of 100% of the total contract price from a Surety Company holding a permit from the State of Texas to act as Surety, or other Sureties acceptable to the Owner.

All lump sum and unit prices must be stated in both script and figures. In case of ambiguity or lack of clearness in stating the prices in the bids, the Owner reserves the right to consider the most advantageous construction thereof, or to reject the bid. Unreasonable (or "unbalanced") unit prices will authorize the Owner to reject the bid. The Owner reserves the right to reject any or all bids, to waive formalities, and to accept the bid which seems most advantageous to the County's interest.

Bidders are expected to inspect the site of the work and to inform themselves regarding all local conditions under which the work is to be done.

Attention is called to the provisions of the Acts of the 43rd Legislature of the State of Texas, page 91, Chapter 45, (Article No. 5559A Civil Statutes 1925) concerning the wage scale and payment of prevailing rates of wages as established by the Owner. Said scale of prevailing minimum rates of wages is set forth in the specifications.

Information for bidders, proposal forms, plans and specifications are on file at the office of Judge L. H. Foster, Hereford, Texas, and Parkhill Smith and Cooper, Consulting Engineers, 1414 Avenue J, Lubbock, Texas,

and may be secured upon request.

Commissioners' Court of Deaf Smith County, Texas by L. H. FOSTER, County Judge. T-13-2c

About Your Home

—By FRANCIS DELL

The behaviour of children is usually the result of their home training. Normal, healthy children have a great deal of energy which must be directed along desirable channels or this energy will burst forth in numberless undesirable ways.

For this reason, and to assure happy development, children must be given definite tasks to occupy their energy.

Most children are fascinated by nature and growing things, so why not prepare a garden plot for them to work in? Pursuing such a definite garden plot will provide a stimulating interest for children, as well as providing a constructive outlet for their energy.

Spring and early summer worries over mildewed clothes can be done away with if four or five sticks of white chalk are hung in clothes closets.

Good starch is no problem for women today, however, this has not always been the case.

During the reign of Queen Elizabeth a Flemish woman went to London and established a school to teach the difficult art of starching. Fees were high five English pounds per lesson, with an additional charge for the starch recipe.

The starch was made of wheat flour, bran and roots.

Spring cleaning tips: Cheese-cloth and other lintless cotton cloths are useful for washing windows, mirrors, woodwork, bath and kitchen equipment, and other household furnishings. Old dish-towels or cotton napkins are excellent for scouring and polishing metals.

The only real hug-the-road ride is "The New Step-Down Ride"

... because Hudson has the lowest center of gravity in any car!

There's nothing so delightful in all motoring as "The New Step-Down Ride"!

You instantly see that the beautiful new Hudson, thanks to its recessed floor ("step-down" design), is the lowest-built of them all—right along with full road clearance and more head and seating room than any other car!

As a result of this low build, you know instinctively that Hudson has the lowest center of gravity in any American automobile! You can just look at this remarkable car and tell that it rides smoother, hugs the road tighter than any automobile you've ever driven before!

Wouldn't you like to try this "New Step-Down Ride"?

We cordially invite you to come in, enjoy Hudson's thrilling ride. Try the new no-shift Super-matic Drive*, and the other high-quality features that make "step-down" designed Hudsons leaders in resale value, as shown by Official Used Car Guide Books! *Optional at extra cost.

NOW... 3 GREAT SERIES
Lower-Priced Pacemaker • Famous Super • Custom Commodore

If you're going to buy a car in the low-price field, see the

HUNTER'S RED & WHITE STORE

Homer Fox Says: DID YOU KNOW.....

Looks like this wrestling match between Jim Gillentine and Martin Gilliland will have to be called off. This just suits Jim, he has been trying to get out of it for weeks and last week he said the right thing to stop the whole thing. Abe Martin and Slat Gilliland have been friends and buddies for years, but Slat says he had no idea of using Abe for a substitute. He said if he used a substitute that he would use a

better man than himself (if he could find one). He also said that he pinned Abe's shoulders to the mat many times, back when he was manufacturing "cauliflower ears" for a living. Abe says that Slat is mistaken, that he (Slat) never pinned anything on him but a hair cloth when he (Abe) was trying to teach Slat to be a Barber, anyway Abe says that it was another fellow by the name of Martin that Slat threw and not him. Slat says "Tain't" so that he never forgets a face (anyway one like Abe's) and it was Abe alright.

I talked to Slat a few days ago and he is pretty well worked up. I tried to sorter smooth things over but it didn't work. Slat said, "I know that, and time is afraid to wrestle me, and I know that Abe Martin 'Ain't' afraid of anything and I am leasung a challenge right now. I will wrestle Jim and Abe both at the same time to a finish." I looked at Slat when he said that and I saw the muscles across his forehead and around his hair

THE EGG AND I—Emilie, a Plymouth Rock hen that believes in doing things in a big way, proudly contemplates her crowning achievement—a double-yolk "super" egg which tips the scales at an even-half-pound. Shown beside the one-egg omelet is one she produced when not trying so hard. Her owner, John Mashkov of Elmont, N. Y., is considering presenting her an award for excellence.

line begin to bulge and I knew that this thing had gone far enough. Old "Muscle Head" Gilliland was mad and brother when he gets that way, it is like lighting a fuse for a charge of dynamite. This thing was working out beautifully too, but Jim ruined the whole thing.

P. L. Dishman had already issued a challenge to the winner of this bout, Saw Dish weighed this week and he was just a fraction shy of a hundred pounds soaking wet and with one pair of pliers in his pocket, but he can make the weight okay by sticking another pair of pliers in his pocket. Course Dish will probably tell around that Slat is afraid of him, but don't pay any attention to him, cause Slat is not afraid of anyone.

Too bad it turned out this way, but this thing has got to stop. It could turn into a "fued" that would make this old "Hatfield-McCoy" fued sound like a game of "mumble peg". If it comes to that, I will have to stick with Slat, so it will be the Foxes and Gillilands against the Gillentines and Martins, and I don't want this to happen. I don't know about Jim, but I have heard Abe tell many times about the battle of "San Juan Hill" when Teddy Roosevelt and his Rough Riders pushed their "Pintos" to the top. Abe said that he didn't even use a horse, cause a horse was too slow for him, however, he didn't say whether that was going up the hill or coming back down. Anyway, I know that Martin is a pretty tough "Cookie." But me and Slat are not worried, we are both of the old school, we don't have any part of these new fangled automatic guns. We use the old style 45 with a hammer, we wears our shooting "Arms" low and we wears two of them, and we don't fool. When we drags them guns we bring 'em up to a smokin', and we know how to shoot straight.

Our strategy will be simple—Slat and I will stalk around the corner, or maybe that word should be "stagger," anyway we can see the Martins and the Gillentines approaching from the north. Slat carries one more shell in his gun than I do, this is a "feeler outer shell." When we think we are close enough, Slat lays this one shot up there to see for distance. Then Slat and I turn sideways and start "mowen" 'em down. Gillentine's "Pot" looks like a bale of cotton and you couldn't miss him. Martin forgot his specs and is in a mess... there we are,

with Slat and I standing side ways, and the Martins and Gillentines have nothing to shot at. I just hope old Abe has enough forethought to bring a white hair cloth along so he can surrender before he gets plugged too many times. A few weeks ago Jim Gillentine accused me of being a little on the underhand side, but read his last week's column, he is now offering a Prize of \$25.00 to people that will read his "STUFF" and readily admits that he is going to do his best to win the prize himself, and that doesn't sound like Jim is exactly walking along the "High Road" himself.

The Dale Kellys of the Progressive Community have had the following guests in their home recently. Mrs. R. P. Odum, the former Patsy Kelly, and Betty Bennett, Mr. and Mrs. Dwan Henson, all of Stanton; Mr. and Mrs. A. D. Widner, Odessa, Mr. and Mrs. B. F. Sanders, parents of Mrs. Kelly, Mr. and Mrs. Owen Kelly and children of Stanton and Mr. and Mrs. S. B. Marchant of Slectra.

Mr. and Mrs. C. H. Dillehay, formerly of Hereford and now of Bonham, were guests of Mr. and Mrs. J. E. Beyer and Mrs. J. B. Hammer over the Easter week end.
