83EditionOf County Fair Opens This Week

There will be a Country Music Jamboree at Petersburg, Texas in the High School Auditorium on Saturday, September 17 at 7:30 p.m. Also concession and door prizes. Features country, gospel and bluegrass music. For more information cal Earlene Isbell at 667-2225. ****

The new mini-Mule T-shirts are here! They will be on sale Monday, September 19 at the PTA meeting. Following that, they will be on sale from Shirley Hicks or Tony Eagle at DeShazo Shcool. The PTA meeting will be at the DeShazo cafeteria at 7 p.m. on Monday.

Athletic Boosters will meet on Tuesday evening, September 20, at 8 p.m. in the high school cafeteria. Mule Mania scarves are now on sale by the Boosters and may be purchased at the football games, Ann's T-Shirts and Latrell's at the football at \$3 each. All interested persons are asked to attend the booster meeting.

The Lazbuddie FFA

Federal Land **Bank Elects** New Directors

James B. Glaze, chairman of the board of the Federal Land Bank Association of Muleshoe, announces the election of Donald Christian, of Parmer County, to the board of directors. Christian was elected to fill the unexpired term of Arlin L. Hartzog, who is no longer able to serve because of ill health. Hartzog had served on the board since July 17, 1961.

Christian farms in the Oklahoma Lane area. He and his wife, Doris, have two children.

Other board members include Gorden Duncan of Muleshoe; Jim Claunch of Bula and William Gromowsky of Bovina.

The Federal Land Bank Association of Muleshoe makes long-term real estate loans on farm and ranch and rural residence property in Bailey and Parmer

SAFETY WEEK PROCLAIMED ... County Judge Gordon H. Green has proclaimed September 18-24, 1983 as Farm and Ranch Safety Week in Bailey County, at the request of J. Lewis Dale, Bailey County Farm Bureau President. The Judge stated: "I call upon parents especially to teach their children good safety practices... which will serve them throughout their lives."

MULES MAKING THE YARDAGE...The Muleshoe Mules blew by the Floydada Whirlwinds Friday night 48-14 in Floydada with a 485 yard rushing game. Trent Hysinger pushes over here for some yardage. Milton Norman was the leading rusher with 187 yards: Hysinger was second with 121. And the Mules continue to roll.

Five Area Joins Forces On Telephone Access Proposal

The Five Area Telephone Cooperative, along with thirty-four other Indepentives and Companies operating in the state, have filed comments and plan to testify before the Texas Public Utility Commission (P.U.C.) in Docket 5113 of the P.U.C. to determine Access Charges to apply within the State of Texas. Hearings will start on the Access Charge Docket on September 12, 1983, in Austin, Texas. These Independent Telephone Cooperatives and Companies are participating in these hear-

ings through the State Association, the Texas Statewide Telephone Cooperative, Inc. (TSTCI), reported Jimmy R. White, chairman of the committee appointed by TSTCI to participate in this hearing. White stated that TSTCI was opposing the position being taken in these hearings by AT&T, Southwestern Bell, General Telephone, Continental Telephone, as well as most other major telephone companies in the state. The major companies are proposing that the P.U.C. adopt the same plan in the State that the Federal Com-

SchoolBoardHears MathmaticsReport proposed and implemented

this year.

The Muleshoe Board of Trustees met on Monday, August 12, 1983 at 8 p.m. with several school officials and visitors present.

Elizabeth Watson, Assistant Superintendent for Instruction gave the board a report on the recent evaluation of the mathematics program. She also present-

Dale Jones, County Tax Appraisor, gave the local board information pertaining to the up-coming election of members to the Board of Directors for the Bailey County Appraisal District. October 15, 1983 is the deadline for nominations to be submitted. Mr. Jones also pointed out to the board that consideration is being given to taxing water leases when the water is being sold as a commodity. It was pointed out that where the City of Lubbock or any other government agency has bought water rights, a non-taxable situation exists. However, when an individual sells water to a neighboring city there seems to be a taxable lia-

An administration policy regarding insurance sales was presented to the local

An enrollment report was presented indicated the district has 1,596 students enrolled on September 9 compared to 1646 at the same time last year. However, it was noted that the prediction for the enrollment this year was only 1555.

Tom Jinks, Assistant Superintendent for Finance, gave a financial report. He reviewed bank balances in each school fund and reviewed expenditures each function of the school budget. Approval of the Cont. Page 6, Col. 6

The F.C.C. Access Charge Decision will add

(F.C.C.) adopted in Febru-

\$2.00 to residences' and \$6.00 to businesses' monthly charges for telephone service. This will be effective on January 1, 1984. This charge is for the customer's ability to access the interstate long distance network, that is the ability to make or complete a long distance call between Texas and any other state. The F.C.C. plan would increase these charges each year until 1990, to an approximate range of \$4.00 for residences and \$6.00 for businesses in urban areas, and would increase to an average of \$7.00 per month for rural telephone customers, reported White. Mr. White added that under the F.C.C. plan, these charges would apply regardless if the customer made an interstate long distance call,

If the P.U.C. were to impose the F.C.C. Plan in the State, it could, in effect, approximately double those Con't Page 6, Col. 4

Ag Hedging Seminar Set Tuesday

County Agent Spencer Tanksley has announced a change in speakers for the agricultural hedging seminar which is scheduled for Tuesday, September 20 at 7:30 p.m. in the Bailey County Coliseum.

"Dr. Roland Smith of Texas A and M University, who is the supervisor in that department of the university, will be on hand to explain the basic information a producer would need to consider in making hedge," Tanksley said. Condra of Dr. Gary Lubbock has been schedul-

ed to hold the seminar. This is an educational meeting, Tanksley pointed out, and should be very beneficial to farmer in the

The seminar is being sponsored by the Muleshoe Area Financial Institutions and the county Extension Field Crop Committee. The meeting is open and free.

For additional information, persons should contact the County Agent at the Bailey County Extension

ed your mind, the Bailey County West Plains Fair is scheduled to get underway here in Muleshoe this coming Thursday at the Bailey County Civic Center September 22. It will run through the 24th, with the Bailey County Extension Office and the Muleshoe Rotary Club co-sponsoring. Fair officials have at

least 23 commercial and club entries this year in concession and various other type booths. How-ever, Jeff Smith who is working as a Rotary coordinator says that spaces are still available and will be assigned on a first come, first serve basis. Commercial booths can be had for \$50 for a 8' x 10', \$75 for a 10 x 10 and \$100 for a 12 x 12 booth. Those who desire to obtain one may contact Max King, Jeff Smith or Doran Reynolds.

This year, cash prize drawings will be held on both Friday and Saturday, with the funds coming from the rental money on the booths. On Saturday there will be cash prize drawings at 10 a.m. and 12 p.m. of \$50 each and then at 2 and 4 p.m. the prize will be upped to \$100. Cash drawings on Friday will be at 4 and 6 p.m. for \$50 each and at 8 p.m. for \$100. Be sure and get your name in the hopper - you might be

Fair entries will be taken all day Thursday according to County Agent Spencer Tanksley. "Exhibitors may bring in and set up their entries from 9 a.m. until 9

p.m. on Thursday," said. Judging will be held during the morning hours on Friday and then at 12 noon, exhibits will be open to the public. The doors will close at 8 p.m. on Friday, due to the Mule football game here with

Saturday's fair will open at 9 a.m. and will continue until 4 p.m. with all booths and exhibits open. Activities will end at 4 p.m. and all items should be picked up and out of the Bailey County Civic Center by 5

Tanksley stated Friday that Fair officials hoped to have an even better and larger fair this year than before. Last year (1982) the fair had a record number of exhibits and many commercial booths as well.

Fair catalogues are available at the County Extension Office in the Court House. According to the County Agent, premiums for the fair will be awarded in accordance with the merits of the article exhibited, and the judges' decisions will be final.

All divisions will divided into age categories listed as: 1. adults, age 18 and over; 2. under years; and 3. a special 4-H Con't Page 6, Col. 4

Mules roared by a worn-out Floydada Whirlwind squad on Friday night in Floydada to the tune of 48-14, in a game that kept Muleshoe football fans on their feet almost throughout the playing time. The Mules blasted in, taking the opening kickoff.

Norman put the ball up to the 36 yard line of the Winds and in the second play, 19 seconds into the game, Mark Moton took a handoff from Hamilton and shot away scooping up 36 yards for the first touchdown. Vinson was hitting perfect with his kicking game and the Mules added the PAT and stood 7-0.

Floydada took over the ball on their on 19 yard line after the punt, but couldn't hold on and had to start their drive from there. Mark Hatley, south-paw quarterback for the Winds tried some passing in this series and did complete some but the Floydada team was unable to get past their own 40 yard line and had to punt the ball away to the Mule 30 where it was downed by a Mule.

The Mules had three good plays in the next series with Hysinger picking up some good yardage, as well as Norman, moving the ball to the 28 yard line. Jeff Hamilton, senior quarterback for the Mules let go with a pass here which was intercepted by Floydadas Derrick Jenkins. The

Feathers Friday 34-8 In the fourth quarter, the Stegall boys went to work

The Three Way Eagles met the Silverton Owls at Three Way Friday night to post a 34-8 score over them, proving that Eagles fly high.

Touchdown plays for the eagles started out with Steve Roberts taking the ball over from the 3 yard line to score, giving the Eagles six points. the PAT failed and the Owls came back with a safety on the Eagles. The first quarter ended with a 6-2 score and the Eagles in front.

In the second quarter, Bret Stegall hit Brad Stegall for a 35 yard touch down pass with 28 seconds left on the clock before halftime. Roberts put the PAT over and the Eagles pulled ahead further 14-2 over the Owls.

Coming back into the third quarter, Stegall and Stegall, Inc. again went to work and Bret hit Brad for a 30 yard touchdown pass. This time though the PAT was not good. Steve Roberts ran a 35 yard TD pass over for the Eagles putting them on up the rungs of the ladder. Roberts also kicked the PAT which was

FFA Barbeque Set Monday

The Muleshoe Chapter of the Future Farmers of America will hold a combined family night and open house on Monday, September 19 beginning at 7:30 p.m. in the High School Ag Department.

Boosters and members of the Chapter will serve guests a meal consisting of Barbeque, calf fries, lamb burgers and all the 'fixxings".

Ceremonies installing Chapter Farmers and Greenhands will take place at the open house along with a short FFA Booster Cont. Page 9, Col. 3

held in the DeShazo Cafeteria at 7:30 p.m. and urges all boys and their Eagles Ruffle Owl's parents to attend and get the story of scouting. Lutz said, "Any boy who is 7 years old may become

a Tiger Cub. This is a family team program. A Tiger Cub and his "Tiger" adult partner - spend a year of adventure and fun together.'

Cub scouts are boys 8 to 9 or 10 years of age. The Cub Scout program is home-centered and teaches a boy to deal with becoming a young man.

Boy Scouts are young men who are at least eleven years old. These youngsters learn about outdoor adventure, physical fitness and character development. Scout Master for Muleshoe is Elmer Scar-

Lutz also suggested that boys attending the night out should bring their annual registration fee of \$3 and \$5.40 for the Boy's Life magazine, or a total of 8.40 to cover the charges for the first year.

For further information, Cont. Page 6, Col. 8

own 28. They gathered some yardage and lost some also, with the Mules giving good coverage on the quarterback. Just at the end of this drive, Hatley let fly with a long pass to Jenkins and right before our eyes, Jenkins stepped out of bounds and never had possession of the ball. The official ruling however

was a completed pass. The Mules came back in the next play and knocked the ball loose, recovering the funble and putting the ball in their own hands.

With 4:48 left in the first quarter, the Mules took over the 49 yard line where Hamilton handed off to Moton and he picked up 20 yards on the first play. Hysinger picked up 12 on the next and Hamilton pulled a quarterback draw on the third play in the series and gained 4 yards and a first down.

The Mules could smell blood about this point and continued gathering the yardage, but began picking up some penalties along the way. However on a third and fourth situation and goal to go, Hysinger slugged his way over for the Mules second touchdown in the first quarter. Once again Vinson was at his best and the PAT was good, leaving the Mules with 14-Whirlwinds ZIP.

With a minute and 31 seconds to play in the first quarter the Mules kicked off, and the Winds started moving the ball from their 31 yard line, picking up some good yardage in the picked up a number of first downs on this series and Hatley kept lofting the ball as he got the chance. The play spilled over into the second quarter with the Floydada team still in possession, and after a grueling drive, Mark Hatley took the ball across the goal for a Whirlwind touchdown. Alvin Cooper, sophmore kicker, put the PAT over and the Winds began to get up some momentum, The score at this point was Mules 14- Winds 7.

After the Mules next possession, they had to punt from their 34 yard Cont. Page 6 Col. 1

City To Levy Taxes This Week

There will be a regular meeting of the Muleshoe City Council on Tuesday, September 20, at 8:30 a.m. in the City Hall.

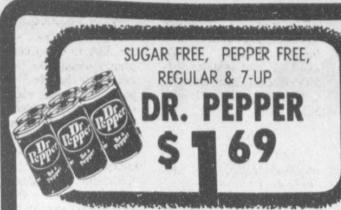

Council will consider an ordinance by the council amending the budget for the fiscal year of 1982-83.

Also up for consideration will be an ordinance approving the adopting of a bud-get for the fiscal year beginning October 1, 1983 and ending September 30,

DIEZ Y SEIS... Escorted by flag bearers, the 1983-84 Diez Y Seis Queen, Rosa Irma Alarcon, makes her first official walk. She will reign during the coming year. Escorting the newly crowned queen are left, Fernando Ramos, carrying the American Flag and Alfonso Posados on the right carrying the Mexican Flag. The ceremonies were a part of the fiesta at the Bailey County Coliseum Friday night commemorating Mexican Independence Day.

Creative Woman

By Sheryl Borden

Topics to be presented on "The Creative Woman" show on September 20 and 24 include tailoring techniques for making a blazer in just eight hours. The first guest will be Ann Meyer, Education Representative with the Pellon Corp. in New York. Ms. Meyer will explain that speed tailoring is a combination of construction techniques used by apparel manufacturers and the secret of speed tailoring is fusible interfacing. She'll discuss how to choose patterns and fabrics as well as different interfacings.

Then to conclude the show, women from the Roosevelt County area will

model blazers they made themselves using the speed tailoring techniques demonstrated by Ms. Meyer. Joy Best, Extension Home Economist will point out specific items of interest about each blazer.

September 22, viewers will learn about kitchen planning and storage ideas and intersting toppings for oatmeal.

Linda Newberry is home economist and kitchen designer for T-Bird Home Centers in Artesia and she will discuss why kitchens are usually ignored in building or redecorating plans. she'll descuss the work triangle and how to incorporate

kitchen, and will also discuss storage ideas for bathrooms, dens and bedrooms as well as ideas for the kitchen.

Informing consumers of ways to use oats in one important job of Nina Swan, Director of Consi,er Relations with the National Oats Co. in Cedar Rapids, Iowa.

Ms. Swan will share with viewers different toppings for oats for breakfast. One idea will be especially interesting to children.

"The Creative Woman" show is produced and hosted by Sheryl Borden. The show airs at 12 noon on Tuesday and Thursday and at 2:00 pm on Saturday on KENW-TV Beginning Sunday, October 9, "The Creative Woman" will air at 7:00 pm each Sunday evening.

Viewers can request copies of printed materials offered on the show by calling on KENW - TV's telephone toll - free numbers. The numbers are: 1-800-Mexico: 432-2361, out-of-state: 1-800-545-2359 and Portales and Roosevelt County: 562-2112.

Formal Ceremony Unites Miss Spencer, McCurry

bride of Danny McCurry, Aug. 26 at the First United Methodist Church in Littlefield, Texas. The doublering, candlelight ceremony was officiated by Rev. Wesley Daniel, pastor.

Parents of the couple are Mr. and Mrs. Travis Spencer and Mr. and Mrs. Dallas C. McCurry. The groom is the grandson of Mrs. Minnie Redwine of Muleshoe.

The alter was decorated by a brass arch candelabrum flanked by two brass spiral candelabras holding 30 yellow candles entwined with greenery and yellow bows. The unity candle, made by Mrs. Elzy Hobbs, was centered communion table with an open Bible on a brass stand flanked on either side by two candles in brass holders.

Musical selections The Twelfth of Never" and "The Wedding Prayer" were sung by Michelle Jones, soloist, with Mrs. Wesley Daniel as accompanist on the piano.

Presented in marriage by

her father, the bride was

attired in a gown of white chantilly lace and silk organza over satin. bodice was styled with a high neckline which was bordered by a row of lace overlaid with seed pearls. The yoke was of point d'espirit and organza, with rows of chantilly lace and seed pearls. The back of the bodice, also in point d'espirit and organza, fea-tured a row of lace outlining the yoke and covered buttons extending from the neckline to below the waist. The empire waistline was overlaid with lace and seed pearls. The full sheer sleeves were enhanced by appliques of the re-embroidered lace, and gathered to fitted cuffs. The full skirt of silk organza featured two rows of lace which began at the waistline and swept down the front and to the sides where the lace adorned the front and back of the dress. A wide row of lace was at the bottom of the skirt where it encircled the dress and became a part of the flowing chapel train. Her chapel-length veil of imported illusion was edged all around with re-embroidered lace, attached by two combs and falling to a chapel train. She carried a tapered bouquet of yellow roses, white phalacnopsis orchids and yellow alstroemeria lillies with brown tips, accented with yellow and white lace ribbon and placed atop a

In cold weather, the add-on heat pump works with heat your home

Replacing your air conditioner could actually save you money.

If your air conditioner breaks down, you have several choices. Repair. Replace. Buy a whole new system. All major investments.

Southwestern Public Service

Company would like you to know about another option, a more efficient alternative: the electric add-on heat pump. The add-on heat pump is a very special air conditioner. It cools in the summer and helps heat in the winter for less than you'd spend on a new heating and cooling system.

It works with whatever kind of furnace you have, to improve the performance of your furnace by keeping it off completely during a good portion of the winter. It will satisfy your home's heating requirements more economically while temperatures are above 30° That's about 80% of our area's normal heating season.

As one of the most efficient ways to heat and cool, the add-on heat pump can really make a difference. Helping you use electricity efficiently is another way we're working to justify your trust.

Call us to see what your savings could be.

Green Thumb Job Placement

For 55, Over

Jacoba "Jake" Varela of Muleshoe for the past eight months has been particpating in the Green Thumb Program as maintenance assistant under the sponsorship of the Muleshoe Nursing Home.

Wendy Brown, Green Thumb, Inc. area supervisor said "After proving himslef to be a reliable and concientious worker the nursing home has been able to employ Varela, taking him off the Green Thumb Program and onto their payroll.'

Green Thumb is an older worker employment and placement program funded by the Department of Labor and sponsored by National Farmers Union. The program is designed to provide job appointments for people age 55 and older.

While under the program the worker is placed with a non-profit or community service agencies which provide work and supervision of the worker. After the worker has become job ready Green Thumb encourages the sponsoring agency to hire the worker.

Through Green Thumb older workers are proving

themselves every day to be reliable and efficient workers who take pride in thier work. Such as Varela does Ms. Brown stated.

Other Green Thumb workers in Muleshoe are Adele Tompkins, clerk, under the sponsorship of the Health Department; Mary Austin, Home Care Services, under the sponsorship of the County; and Lena Ruthardt, patient aide at the Muleshoe Nursing Home.

PUBLIC NOTICE

BRIEF EXPLANATORY STATEMENTS OF PROPOSED

CONSTITUTIONAL AMENDMENTS SPECIAL ELECTION **NOVEMBER 8, 1983**

PROPOSITION NO. 1 ON THE BALLOT

House Joint Resolution 91 proposes a constitutional amendment which requires a county with a population of 30,000 or more to be divided into not less than four nor more than eight justice of the peace precincts. A county with a population of 18,000 or more but less than than 30,000 shall be divided into not less than two nor more than five justice of the peace precincts. A county with a population of less than 18,000 shall be designated as a single justice of the peace precinct or, upon a finding of necessity by the commissioners court, shall be divided into more than one justice of the peace precinct but not more than four. The amendment provides further, that in any precinct in which there is a city with a population of 18,000 or more, two justices of the peace shall be elected. The amendment allows a justice of the peace, constable or commissioner to continue in office until the expiration of his term, although a change in precinct boundaries results in the officer no longer being a resident of the precinct for which he was elected or appointed and allows a justice of the peace or constable to continue in office until the expiration of his term even though a change in precinct boundaries results in the abolishment of the precinct or more than one justice of the peace or constable serving the precinct. Vacancies in the office of justice of the peace or constable that result from a precinct boundary change shall be filled by the commissioners court until the next general election. The amendment would take effect on January 1, 1984, and counties with populations of less than 30,000 and with more than four justice of the peace constable precincts

> 1, 1987 to comply with the amendment. The proposed amendment will appear on the ballot as follows: "The constitutional amendment authorizing fewer justice of the peace and constable precincts in counties with a population of less than 30,000 and providing for continuous service by justices of the peace, constables, and county commissioners when precinct boundaries are changed."

would have until January

PROPOSITION NO. 2 ON THE BALLOT

House Joint Resolution 105 proposes a constituional amendment which would limit a homestead in a city, town or village to a lot or lots amounting to not more than one acre of land, together with any improvements on the land. The constitutional requirement that, at the time of

designation, an urban homestead not exceed ten thousand dollars in value without reference to the value of any improvements on the land would be eliminated.

The proposed amendment will appear on the ballot as follows: "The constitutional amendment replacing the limitation on the value of an urban homestead with a

PROPOSITION NO. 3 ON THE BALLOT Senate Joint Resolution 1 proposes a constitutional amendment that authorizes the Legislature to enact legislation that permits representative associations of agricultural producers to collect refundable assessments on their product sales to be used solely to finance programs of marketing, promotion, research and education relating to those products. It provides, further, that adoption of the proposed constitutional amendment will bring into effect Senate Bill 607, Acts of the 68th Legislature, Regular Session, 1983, with rejection of the amendment resulting in Senate Bill 607 having no effect. The proposed constitu-

tional amendment will appear on the ballot as follows: "The constitutional amendment providing for the advancement of food and fiber production and marketing in this state through research, education, and promotion financed by the producers of agricultural products.'

PROPOSITION NO. 4 ON THE BALLOT

House Joint Resolution

30 proposes a constitutional amendment which authorizes the Legislature to enact laws to provide for the succession of members of the Legislature in the event of enemy attack and allows the suspension of procedural rules imposed by the Constitution in the event of, or immediate threat of, enemy attack. The amendment empowers the Governor, after consultation with the Speak er of the House and the Lieutenant Governor, to suspend the constitutional requirement that the Legislature hold its sessions in Austin and allows the suspension of procedural rules by the Governor issuing a proclamation in which the House of Representatives and Senate concur by resolution approved by a majority of the members present. Suspension of the constitutional rules may not exceed a period of two years under a single proclamation; however, the Governor may renew the suspension by issuing a proclamation concurred in by the House of

Representatives and the

Senate through a resolu-

tion approved by a major-

ity of the members pres-

The amendment will appear on the ballot as follows: "The constitutional amendment authorizing statutory provisions for succession of public office during disasters caused by enemy attack, and authorizing the suspension of certain constitutional rules relating to legislative procedure during those disasters or during immediate threat of enemy attack."

PROPOSITION NO. 5 ON THE BALLOT

Senate Joint Resolution

12 proposes a constitutional amendment that authorizes the Legislature to enact legislation providing for the use of the permaschool fund and in come from the permanent school fund to guarantee bonds issued by school districts. The amendment provides, further, that the Legislature may appropriate part of the available school fund for administration of the permanent school fund or of a bond guarantee program established pursuant to the amendment.

The constitutional amendment will appear on the ballot as follows: "The constitutional amendment authorizing use of the permanent school fund to guarantee bonds issued by school districts."

PROPOSITION NO. 6 ON THE BALLOT

House Joint Resolution 1 proposes a constitutional amendment which would permit the Legislature to provide for the garnishment of wages to enforce court-ordered child support payments. The garnishment remedy would not be available for other purposes. The proposed amend-

ment will appear on the ballot as follows: "The constitutional amendment allowing the Legislature to provide for additional remedies to enforce court-ordered child support pay-ments."

PROPOSITION NO. 7

ON THE BALLOT Senate Joint Resolution 14 proposes a constitutional amendment that authorizes the Veterans' Land Board to provide for, issue, and sell general obligation bonds of the State of Texas in an amount not to exceed \$800 million to provide financing to veterans of the state. The amendment requires that three hundred million dollars of the state bonds be dedicated to the Veterans' Land Fund. The Fund is to be used to purchase land to be sold to veterans under such terms, rules and regulations as may be authorized by law. The amendment creates the Veterans' Housing Assistance Fund and requires that \$500 million of the state bonds authorized by the amendment be dedicated to the Fund. The Veterans' Housing Assistance Fund will be utilized by the Veterans' Land Board for the purpose of making home mortgage loans to veterans for housing within the state and

the administrative

costs of administering the fund and issuing the bonds. The amendment provides, further, that if there is not money in either the Veterans' Land Fund or the Veterans' Housing Assistance Fund available for payment of principal and interest on the general ob-ligation bonds issued pursuant to the amendment, then money coming into the Treasury in each fiscal year is appropriated in an amount sufficient for payment of principal and interest due in that fiscal

The proposed constitutional amendment will appear on the ballot as follows: "The constitutional amendment for financial assistance to veterans and to authorize the issuance of \$800 million in bonds of the state to "inance the Veterans' Land Program and the Veterans' Housing Assistance Pro-

PROPOSITION NO. 8 ON THE BALLOT

1 proposes a constitutional

amendment that authorizes

political subdivisions to ex-

empt veterans' organiza-

tions from ad valorem tax-

Senate Joint Resolution

ation on their property. The amendment requires that the veterans' organizations be chartered by the United States Congress, be composed of members or former members of the United States Armed Forces, and be organized for patriotic and public service purposes. amendment provides, further, that political subdivisions may exempt fraternal organizations from ad valorem taxation on their property. The amendment requires that the fraternal organizations be organized to perform and be primarily engaged in charitable or benevolent functions. The Legislature would be authorized to enact laws that prescribe eligibility requirements for fraternal organizations to benefit from the exemption and to pass legislation limiting the types or amount of property owned by a fraternal organiza-

The proposed constitutional amendment will appear on the ballot as follows: "The constitutional amendment to authorize taxing units to exempt from taxation property of certain veterans' and fraternal organizations.'

tion which may be exempt-

ed from ad valorem taxa-

PROPOSITION NO. 9 ON THE BALLOT

House Joint Resolution 70 proposes a constitutional amendment to authorize the Legislature to provide, by local or general law, a method by which judges of statutory courts with probate jurisdiction may be assigned to any other statutory court with probate jurisdiction and to any constitutional county court in any county in the state.

The proposed amendment will appear on the ballot as follows: "The constitutional amendment providing for assignment of judges of statutory probate courts to other statutory county courts with probate

jurisdiction and to county courts."

PROPOSITION NO. 10 ON THE BALLOT

Senate Joint Resolution 17 proposes a constitutional amendment that authorizes the Legislature to enact laws which would allow a city or town to expend public funds to relocate or replace sanitation sewage laterals on private property if done in conjunction with the replacement or relocation of sanitation sewer mains serving the property. The amendment requires that the law authorize the city or town to affix a lien on the private property, with the consent of the owner, to cover the costs of the replacement or relocation of the sewer laterals on the property. The lien may not be enforced until five years have expired since the date the lien was affixed. The amendment provides, further, that the law require that the costs of the replacement or relocation of the sewer laterals on the private property be assessed against the property with repayment to be amortized over a period not to exceed five years and at an interest

rate provided by law. The proposed amendment will appear on the ballot as follows: "The constitutional amendment to permit a city or town to expend public funds and levy assessments for the relocation or replacement of sanitation sewer laterals on private property."

PROPOSITION NO. 11 ON THE BALLOT

Senate Joint Resolution 13 proposes a constitutional amendment that would change the Board of Pardons and Paroles from a constitutional agency to a statutory agency and would eliminate the Governor's power to revoke paroles. The Legislature would be authorized to establish the Board of Pardons and Paroles and to require it to maintain records of its actions and the reasons for its actions. The amendment would empower the Legislature to enact parole laws. Constitutional language specifying the qualifications and terms of office for members of the Board of Pardons and Paroles is eliminated. The constitutional language governing the composition of the Board of Pardons and Paroles and the manner of filling vacancies on the Board is eliminated.

The proposed amendment will appear on the ballot as follows: "The constitutional amendment to change the Board of Pardons and Paroles from a constitutional agency to a statutory agency and to give the board power to revoke paroles."

Estos son los informes explanatorios sobre las enmiendas propuestas a la constitución que apare-cerán en la boleta el día 8 de noviembre de 1983. Si usted no ha recibido una copia de los informes en español, podrá obtener una gratis por llamar al 1/800/ 252/9602 o por escribir al Secretario de Estado, P.O. Box 12887, Austin, Texas 78711.

Mules vs. 'Winds

Con't From p.1

line in a 4-10 situation. Hamilton put a foot into a 56 yard punt deep in Wind territory and the Winds took over on their own 10 yard line. Hatley really began to let fly to Foley and Jenkins about this time and picked up some yardage. Mule penalties helped them along at this point. However, the Mules didn't let it continue for very long because on a 1-10 play on the 34 yard line Michael DelToro went for the jugular and came up with the quarterback. Hatley threw the ball away and it was

ruled incomplete. The Winds seemed to pick up just the yardage needed and got to the 49 yard line where Hatley got his own first down. With 4:32 left in the second quarter Hatley threw a 41 yard touchdown pass to Jenkins for the Wind's second scratch of the night. They then tried for a 2 point conversion, but had to kick the thrid time for their PAT. It was good and tied up the ball game 14-14

with 3:26 left in the half. From the first bounce out, the Mules were the ones in the first quarter. but the Winds came back in the second and took the momentum. It was a grueling battle and one the Wind's will feel for several days to come. The next couple or three series were back and forth - tit for tat and the first half ended with the game tied. Statistics for the first half did not present the over all pic-

The second half started with a Mule kick off by Vinson where Foley took it on his own 28 yard line. The Winds tried to come back with the same tactics that they had been using prior to the half, but they no longer worked. Windy Williams had done a little half time coaching, and the Mules began to put the quarterback away and shut down the passing game of the Whirlwinds by coverage

on the receivers. The Wind turned the ball over to the Mules on the 49 yard line and after pickups by Moton and Hysinger, Hysinger took the ball on the 20 yard line and away he went for the Mule TD. Vinson's PAT was good and the Mules were back on top 21-14.

Things really began to roll about this time and on the next play, after a kickoff picked up by Cooper on the Floydada squad moved to the 20 yard line, "Scrap Iron", Jerry Gleason intercepted a Hatley pass from the 24 yard line giving the Mules possession again.

The Mules took control of the game, as well as the ball and after two yardage pickups by Moton and Norman, Hysinger took the ball from Hamilton on the five yard line and over again - for a Mule touchdown. The PAT was good and the Mules pulled further ahead 28-14. Muleshoe's offense was really out in force.

With the next kick-off. Foley caught but couldn't stay up with the ball and the Mules pinned them to their 24 yard line. Hatley was pretty well roped in by the Mules and could not get his passes off. They gave up the ball on 4th and

NOTICE OF CALCULATION OF EFFECTIVE TAX RATE

AND PUBLICATION OF ESTIMATED UNENCUMBERED

FUND BALANCES

Corrected Copy

I, Ronald E. Procter, Assessor, Collector for Lazbuddie ISD, in accordance with the provisions of Sec. 26.04, Property Tax Code, have calculated the tax rate which may not be

exceeded by more than three percent by the governing body of the Lazbuddie I.S.D without holding a public hearing as required by the code. That rate is as follows: \$1.055

The estimated unencumbered fund balance for Maintenance & Operation fund:\$125,000.

7th with a punt to Mule 38 yard line. With 6:16 left in

third quarter, the Mules took over again and in this drive, Milton Norman had a big 38 yard run, along with some yardage by Moton and Hysinger, getting the ball back to the Winds 5 yard line. Hamilton handed off to Hysinger and over the hill he went for another Mule touchdown. The PAT was good and the score stood 35-14. The Mules were hitting super hard and really putting the Winds on their backs. The Whirlwinds could not seem to be able to return a Mule kick.

The next series started with the Winds at their own five yard line, after, Foley fumble. They just couldn't seem to pull out of the hold and gave up the ball finally on their 39 yard line to the Mules.

The Mules again started a march back across Wind territory with Norman, Moton, Hysinger, and Gleason carrying. On a second and six, Milton Norman took the ball from Hamilton to go over the goal for a Mule Touchdown. Vinson was a little wide and the wind had gotton up, causing the PAT to fail. But the Mules stood 41-14 against the Winds. This series ended the third quarter of play.

The fourth quarter was an All-Mule quarter with everything going for them. The Winds again could not move the ball against them and they took over with 8:06 left. A short drive from their own 44 yard line with Norman, Moton, Hysinger and Orozco carrying set up the next score. On 2-4 and the 13 yard line Milton Norman took the

ball over for a Mule touchdown. The PAT was good and the score soared 48-14 for the Mules.

The Mules didn't quit at this point, but the ball-game, for all intents and purposes was over.

After a Mule Kick off to the Winds which was fumbled by Foley and an incomplete pass by Hatley, the second try was intercepted by Gleason. This put the ball back in the hands of the Mules with 5:52 left. Some new faces began to appear for the Mules and Gleason, Ward, and Norman began to pick up some yardage. However, a Mule fumble gave the ball to the Winds on the 41 yard line. This was to no avail, since the Mules relentlessly sacked and stopped Hatley every way imaginable. The Wind punt put the ball on the Mules 37 yard line and the Mules just played out the remaining time for the next four plays, ending the ball game with 485 total yards rushing - and a total of 485

yards in the game. Leading rusher for the Mules was Milton Norman carrying 13 times for 187 yards. Hysinger had 16 carries for 121 yards and Moton 16 for 116. Ward had 3 for 18, Gleason 1 for 3 and Orozco 1 for 6.

Three Way ...

Con't From p.1 and quickness from Zapata and Hernandez," Fountain

In the Friday night game, Roberts had 120 yards rushing, Elbert Zapata had 62 rushing giving the Eagles a total of 180 yards rushing. Stegall had 171 yards passing for 9 out of 21 and Oscar Guillen had 1 for 5.

Brad Stegall rustled up 180 yards in receptions. Three Way fumbled twice and lost both of them. while Silverton had 3 fumbles and lost 1. The Owls had 171 yards rushing and 107 passing (41 for 10 with 6 interceptions.)

Zapata was on the other end of those interceptions and picked up two. Guillen had two. While Stegall (Brad) had one and Victor Hernandez had one.

Three Way will play Midland Christian in Midland next Friday, going in-to that game with a 2-0 record for the season. District play will start on Sept-ember 30 against Whitharrell. GO EAGLES.

charges, that are already approved for interstate, by charging a similar charge for the customer to access the intrastate long distance network, that is the ability to make or receive a long distance call from within the state. These charges would be in addition to charges presently being made to the customers for local and long distance services. No assurances have been made to date that this arrangement would actually reduce long distance rates to any significance, White commented. The position being supported by the TSTCI is that these charges should not be applied to the customers on a monthly basis, rather should be charged to the long distance carrier, who is AT&T cision on higher local and others such as MCI, U.S. Telephone, etc. The cost in question is monthly charges for the wires or cable from the customer's house or business to the switching office of the telephone company, referred to as a local loop. This local loop is used to make or complete all local. interstate and intrastate long distance calls by the customer. White further stated, the local loop is used for all three services local, interstate and intrastate. It is fair that each of these services contribute to the monthly charges of this loop. Therefore, the long distance companies should pay the cost of this loop when used for long distance, and the customer should only be charged for the local use of this loop, as is now being paid by local service charges.

White continued, the major companies fear the present arrangement would endanger the telephone companies by being bypassed by the larger long distance customers. The TSTCI companies realize that bypass is not as great of a danger in the rural areas or small towns as it

Back To School Celebration Held For FTA

The Future Teachers of America had a party at the new city park on Monday night, September 12th. There were refreshments to eat, as well as to wear! Some members volleyball, while others initiated the freshmen. The freshmen were initiated utilizing the refreshments and various other goodies including clams, caviar, oatmeal, syrup, shoe polish, shaving cream, rice, dips, hot sauce, cokes, and Bar-B-Q sauce. A few of the fish initiates got awfully mad, and the varsity cheerleaders hid in their cars while everyone else had fun! The party quickly came to an end when it started to rain. Everyone? had a good time, and then there were those lucky ones who went home needing a

The Vocational Industrial Club of America met on Thursday, September 8 to elect officers for 1983-84 school year. Officers installed were President-Preston Langford, Secretary-Connie Gomez, Treasurer-Scott Calvert, Reporter-Isreal Infante, Sgt. at Arms-Ramon Valdez and Parliamentarian - Danny Mendoza.

The officers will meet again on September 15th for further disscussion of officers duties. On Thursday, September 22, the VICA Club will meet at 3:35 and from then on they will meet every two weeks on the designated day.

As one of its first activities of the year, the VICA Club will attend a convention at Levelland on September 25.

CROSSWORD

Murray. He commented, "Levelland was a big and strong football team, and our quickness and conditioning was a major factor in the victory. We have ironed out a lot of mistakes, but still have a few to take care of. We have as good a defense as anyone around, and many ways to move the ball on offense, as Levelland learned. We even have the potential to score on defense." According to

Murray, "Number 68 (Mr. Isaaks) for Levelland was probably as good a linebacker as we will face, yet the offense still moved up the field, and Levelland was a very well-coached team. It was a sweet victory, and we look forward to the rest of the season one game at a time!"

forcement agencies in the County have had a relativequiet past two weeks. giving personnel a rest from several previous busy

On September 6, a criminal mischief incident was reported by Janie Garcia, who informed police that someone had cut a bicycle tire belonging to her. The tire's value was estimated at \$10. No suspects were named. Catano Miguel Catano was arrested on September 4 for alleged Driving While Intoxicated. He was taken to the County Jail and booked pending bond. Earl Keith Parish, Jr. was arrested on September 3 on alleged DWI after he failed to perform sobriety tests. He was taken to the county jail and

booked pending bond. On September 1, Ray Chavez was arrested in the City Park after police were dispatched to investigate a disturbance call. Chavez was arrested for alleged possession of marijuana. Three other persons were arrested on alleged violation of open container ordinance. They were booked, pending bond.

Bennie Gomez was arrested on August 31 for alleged driving with license suspended and violation of the city's open container ordinance. He was taken to the county jail and booked pending bond.

On August 30, a report from a local citizen to the Muleshoe Police Department indicated that a semi-truck had hit a cross guard of the Santa Fe Railway's and was south bound on Highway 214. Damage to the cross guard was estimated to be about \$500. Intermation was obtained on the driver of the vehicle through the license plate of the truck and then turned over to a special investigator for the Railroad. No further police action was

taken in the matter. On August 29, Oleta Hamblen reported a criminal mischief incident involving the breakage of a storm door glass. The \$107.42. No suspects were named. On August 29, Ronnie J. Puckett reported to local police by telephone the theft of a pistol from under the front seat of his pickup as it was parked at the Muleshoe Country Club. The weapon was a .357 magnum with a 4 inch barrel. Also, 50 rounds of ammunition were taken. The gun was valued at

On August 24, the Baptist Mission reported a criminal mischief occurrence when a white van belonging to the Mission was streaked down the side with black paint. No suspects were named.

Reports from the Bailey

County Sheriff's office indicated several arrests and bonds over the past two weeks. On August 30 Cheryl Williams was arrested on a charge of alleged assault. She was later released on \$300 bond. Jessie Ortez was arrested on August 31 for alleged public intoxication. He pled guilty in JP court and was fined \$106. On august 31 Bennie Gomez was arrested for driving while license suspended and was released on personal bond. Chavez was arrersted on September 1 for alleged possession of marijuana. He was released after posting \$500 bond. Bond was set at \$500 for Earl Keith Parish, Jr. who was arrested on September 3 on alleged DWI charges.

ing the posting of bond. On September 3 Debra Ann Waliaven was arrested for alleged possession of marijuana and possession of drug paraphernalia. Bond was set at \$500 on the first count and \$200 on the next. She was released after posting bond.

Parish was released follow-

Also arrested on September 3 was Brian Steichen for alleged possession of of drug paraphernalia. Bond was set at \$500 and \$300 and posted prior to his release.

On September 4, Catino

Daniel Venegas was arrested on alleged public intoxication. He was released after posting \$75 bond. Catino, Catino Miguel was arrested on September 4 on charges of alleged DWI. He was released after posting \$500 cash bond. Hector Posadas was arrested on September 5 for alleged public intoxication. He was released following the posting of a \$75 cash bond. On September 5, Roberto

Robles was arrested for alleged public intoxication and was released posting \$75 cash bond.

Paul Wayne Payne was arrested on alleged charges of public intoxication. He was released after posting

Local Woman Attends Texas

A Muleshoe June Saylor, National Women Involved In Farm Economics (WIFE) president spoke Saturday, September 10th to Texas WIFE members gathered in Brownwood, Texas for seventh annual convention of that organization. The meeting was held September 9, 10, 11 at the Holiday

Inn in Brownwood. Ms. Saylor encouraged WIFE members to goals and a time to accomplish them. She has represented WIFE in Washington, D.C. and a number of other states in the past two years and will be traveling to ElSalvador soon, representing American Agriculture. The WIFE president has been instrumental in organizing the Texas Farm Forum and the National Farm Forum during the past year and currently serves as moderator of the

arrested on September 5 for alleged driving while intoxicated. He was released following the posting of \$750 bond. Also on September 5, Louis Rochel was

Session

Other speakers at the meeting included Texas President, Elva Reeves of Dalhart; Leland Beatty of TDA in Austin, & Roddy Peeples, director of the Voice of the Southwest Agriculture Radio Network of San Angelo, who gave a talk on publicity.

A banquet was held on Saturday night and Bess Patterson, humorist from San Saba was guest speaker. Entertainment was also provided, on Sunday morning members attended a devotional prior to the final business session.

At the final session, a resolution was passed in which Texas WIFE agreed to support legislation to exonerate accumulated interest on SBA, FMHA Economic and Emergency loans, as well as natural

disasgter loans. A new slate of officers were elected for the 1984 year and are as follows: President, Elva Reeves; 1st VP Phillis Taylor of Richland Springs; 2nd VP Dujka of East Virginia Bernard; Secretary Mary Thornton. East Bernard; Treasurer JoAnn Johansen of Woldarado and Ester Ruth historian

Henson of Brownfield. A nominating committee was also elected for 1984 and included Eileen Prazak, Jo Ann Stroope, Donna James, Wilma Allred and Jeanette Thorn of Mule-

Local Muleshoe women who attended the meeting were Jeanette Thorn, June Saylor, Shug Killough, Naomi Austin, Debra Redwine and Tona Simnacher and daughter.

In justice Court, Justice of the Peace Jack Bates filed 51 cases for the period between August 30 and September 6, and disposed of 25 cases. Those filed for that period included 21 for speeding five for running stop signs, eight for hunting dove from three for expired MVI and three for operating an unregistered vehicle. cases were filed for no liability insurance and one case each for the following violations: over allowed gross weight, no operators license, public intoxication, littering, failure to drive in single land, exhibition of right of way, expired drivers license and no tail

Disposals of cases docketed for the August 30 to September 6 period of time included eleven for speeding, six for hunting dove from vehicle, four for expired MVIs and one for the following: failure to drive in single land, no operators license, over allowed gross weight, public intoxication and one for no tail lamp.

Also in Justice Court for the period from September 6 to September 12. cases were filed and disposals made. speeding cases numbered 46. Other cases filed included four for hunting dove from vehicle, three for over allowed gross weight, expired MVI, violation of drivers license restrictions, no drivers license, and two each for the following: possession of drug paraphernalia, unregistered in Texas, running stop sign, and two for discharging firearms from a public road. One case each was filed for the following

cases: expired drivers license, expired plates, no liability, defective turn signal, failure to drive in single lane, defective mud flaps, defective stop lamps, no motor carrier authority.

Cases disposed of for the 9/6 to 9/12 period included 29 for speeding, four for over allowed gross weight, four for expired MVI, and two for running stop signs and two for hunting dove from a vehicle. One case each was disposed of on the following: violation of drivers license restrictions, no drivers license, operating unregistered in Texas, fail to yield right of way, disregarding passing zone, failure to drive in a single lane, no motor carrier authority and discharging of fire arms from a public

matter back in ancient days. In fact, some of the early common coins were named for their weights - such as Anglo-Saxon mark, which later became known

Firefighters Report

The business meeting of Sept. 7, 1983 was called to order by the president Wayne Wauson. The minutes of the previous meeting were read and approved without alterations. An appreciation letter

and a check for \$300.00 was received from T.R. White and Jerie Wagnon for the departments efforts against the threatening fire at Cashway Grocery. The letter received along with the check said in "we want to thank each of you for the time you give, the training that is undertaken for the benefit and protection of our community - and you do this service knowing that anytime you answer the call of 'fire" you are quite possibly putting your life on the line for your neighbors, friends and strangers. How do you say thanks to a committment of nature?"

Alton Parker, Johnny Ziegenfuss and Wayne Peterson have met the requirements as provided by the Texas Volunteer Fire fighters certification gram. Motion was made and seconded that meeting adjourned.

At the Wed. 14th meeting Mrs. Jewell Griffiths, Germania Farm Insurance representitive here in Muleshoe presented the department with a check for \$100.00. This was in appreciation on a fire call Aug. 26, 1983 involving property insured by Germania owned by David A. Faver.

Scott Churchman been attending a few meetings lately. He is interested in joining the department. We hope he finds us as a productive part of the community and does infact join. Scott is employed by Curry Freight and comes to Muleshoe from Sudan.

Training for 9-14-83 was provided by J.O. Parker, training officer. pumper operations, up one to another was tried as demonstrated at AM Fire School.
