

TEMPORARY JUDGE — County Judge H. C. Williams swears in Mrs. George Turrentine Monday to serve as temporary Justice of the Peace judge while official judge Glenn Nelson is attending school. Nelson was out of town Monday through Wednesday and Mrs. Turrentine handled the office business during that time.

Brand registrations raise county revenue

The state law requiring the registration of cattle brands is going to add several thousand dollars to the county's slumping general fund balance, according to one county official. More than 500 cattle owners have registered their brands since Aug. 30 when the state law became effective. Each of the owners are required to pay a \$2 registration fee which goes into

the county's general fund operating budget. "I think there are going to be a lot more registers, but I don't know how to guess how many," said county clerk B.F. Cain. "I do think, though, that there are going to be a bunch more." Two large brand books already have been filled by owners registering their brands, and have started on a third. The

books, which include all newly registered brands, also include brands back to the turn of the century. "This is going to mean several thousand dollars to the county. It all will go into the general fund then it will be disbursed out to other operations in the county," Cain said. The county clerk said county officials had anticipated several

thousand dollars from the registration of brands, but it was not until after the passage of the law. The money that goes into the general fund is all that money collected from things such as marriage licenses, traffic fines, taxes, and county and district court fines.

The money from the brand registration is expected to help the balance of the general fund which has been low for the past several weeks. The general fund balance is "much lower than at this time last year," according to county treasurer Vesta Mae Nunley. County commissioners have limited their spending from the general fund the past months because of the low balance. County taxes, which start coming in slowly in October then pick up about the middle of November, is one of the main sources where the general fund gets its money. Until that time each year the general fund is low, but the brand registration fees should help that situation some. Although the estimated income from the brand will be little more than a drop in the bucket in the general fund, it is expected to help out some until the taxes start coming in.

The brand registration fees will help the county only every 18 years since brands only have to be re-registered once every decade. **TO TOUR JAPAN** NEW YORK (AP)—Lilli Kraus, concert pianist who spent three years in a Japanese prison camp during World War II, will make a three-week concert tour of Japan and Korea. Miss Kraus will give 12 recitals, two in Tokyo and one each in Okayama, Kobe, Miyazaki, Fukuoka, Hiroshima, Osaka, Kyoto, Tai, Sendai and Seoul. She also will play a Mozart piano concerto with the Japan Philharmonic in Tokyo and will conduct a three-hour master class in Osaka, which will be televised. In migrating, the males of the wing blackbird travel together. Females follow a few weeks later.

Let's cook something

Woman's hobby is career

BY SANDY FIELDS
Staff Writer

Mrs. Norman Lytal has used her culinary talent as an employee of restaurants and cafes of Hereford for the past 20 years, but she still enjoys cooking as a hobby and especially likes to bake.

She has been manager of Piggly Wiggly's delicatessen department two years and the work there suits her best because she not only prepares the food, but comes in direct contact with the people who eat it.

"I hope to be here a long, long time because I love the work and the people I work with and meet here," Wanda Lytal adds. "I think working with people helps keep you young."

With the holiday season coming up, Mrs. Lytal said this recipe may be very helpful since it can be prepared hours or days in advance:

QUICK CRANBERRY SALAD
3 c. whole, fresh or frozen cranberries
¼ c. sugar
2 1-3 c. miniature marshmallows
1 (8½ oz.) can crushed pineapple, drained
½ c. chopped nuts
1 c. whipping cream

Put cranberries through food chopper, using coarse grind. (frozen cranberries grind best). Add sugar, chill two hours. Add marshmallows, pineapple and nuts.

Whip cream and fold into the cranberry mixture. Spoon into bowl, cover and refrigerate; or freeze in eight-inch square baking pan. Serves 8-10 persons.

Another of her favorite recipes is

GERMAN CHOCOLATE REFRIGERATOR PIE
½ lb. marshmallows
¼ c. milk
¼ tsp. salt
1 oz. German sweet chocolate
1 c. heavy cream
1 tsp. vanilla
½ c. nuts, chopped

Heat first four ingredients in double broiler until melted. Cool. Fold in whipped cream, vanilla and nuts. Pour into eight-inch pie shell and chill. Remove from refrigerator 20 minutes before serving and cover with whipped cream and nuts.

Mrs. Lytal suggests persons watching their weight may substitute skim for milk and use Dream Whip instead of cream.

Mrs. Lytal and her husband, who farms near Summerfield, reside at 504 W. Third. They are active members of Central Church of Christ.

Mexican supper served rushees

A rush party in Mexican theme was given by Kappa Iota Chapter of Beta Sigma Phi Tuesday evening in the home of Mrs. Larry Summers, to entertain five guests.

In the games of crazy bridge, Mrs. Joe Reinauer Jr., a guest, made high score and Mrs. Edward Allison, a member, low. A covered dish supper of Mexican dishes was served. Table appointments were in colorful

Mexican motif. Guests included Mmes. Fred Mulkey, David Block, Tim Gearn, Roger Albracht and Wayland Wampler.

Members at the party were Mmes. Terry Caviness, Bobby Jones, Tom LeGate, Joe F. Huckert, Kenneth Ruland, Arvell Williams, Carl Skaggs, Kirk Owsley, Fred Ruland, Tom Buchanan, Gary Gore and Gary Tyler.

Charles Richards Friendly rivals . . .

In many—probably most—places, there is a fierce competitiveness between newspaper and radio station that more often than not reaches the point of hatred.

Each is out to get the other's throat, and neither has a solitary good thing to say about the other.

I don't know if you've noticed, or even if you care, but it's not like that in Hereford. Matter of fact, we work pretty closely together, maybe for mutual benefit.

When someone hears highlights of a story, on radio or television, it whets their appetite to learn more about it, and they pick up a newspaper the next morning to find out more details. Likewise, when somebody reads a big story in the Hereford Brand, they know they can listen to KPAN that day and succeeding days and get new information as the story develops.

Plus the fact that at KPAN are some of the town's most civic-minded and forward-thinking people. And naturally, you like to associate with people like that.

Darrell Rose was a part of the close-knit working relationship between KPAN and the Hereford Brand. As news director of the station, he played a big role in seeing that KPAN's listeners were up to date on what was going on in Hereford. He was superb at following up on the events of the previous day and getting a story on his morning newscast about them.

There have been several times—the most recent, just Sunday afternoon, the day before he died—when Darrell called me at home for information on a club or community project with which I was involved. And I'm sure officers of other clubs in Hereford have the same experience. He loved to broadcast football and baseball games, especially baseball.

He was devoted to his job. Besides the dedication he put into his work, he was good at it. I identified him with KPAN, to the extent that whenever I heard him on the radio, I was thinking,

"That's KPAN," and not, "That's Darrell Rose." His voice was KPAN.

Tied in with it all, he was a likeable person. A very likeable person.

Donald Hicks, a county commissioner, voiced the feelings of many the other day after commissioners had just learned of Darrell's passing.

"Why, anybody that couldn't get along with him couldn't get along with anybody."

The community will miss Darrell Rose.

Mrs. Mary Williamson tuned in to my thinking in her letter to the editor in this issue of the Brand, concerning the proposed name change for the hospital.

"We have an opportunity here to honor a person or persons have been important to the life of Deaf Smith County. The first name that comes to my mind is Henry Sears. How about Henry Sears Memorial Hospital or . . . Henry Sears General Hospital?" she asks.

That just sounds real good, and appropriate, to me. I hope the Hospital Board will weigh heavily Mrs. Williamson's suggestion.

As you may have read elsewhere the Jaycees will be going house-to-house tonight, selling fire extinguishers in aerosol cans, about the size of a can of hair spray.

The proceeds go to provide a-

bout \$400 in equipment needed to get the Golden Gloves boxing program for youth going in Hereford. Boys are meeting nightly in the Little Bull Barn and getting the fundamentals, but there's no equipment to work with.

John Thames put in a plug for the extinguishers Tuesday morning at the weekly Lions Club board meeting, when the Lions adopted a supporting role behind the Jaycees concerning the boxing club.

His wife was cooking some kind of dish in the garage—"so she wouldn't smoke up the house," John said—when a grease or something caught fire and big flames started leaping up from the grill.

"I guess the garage and the whole house would have caught fire," John said. Except that she had bought a Jaycee fire extinguisher. She ran to the kitchen cabinet, got the extinguisher, and spurt, spurt, the fire was out. The can shoots out a distance of about eight to 10 feet.

When Jaycees and Jayceettes ask you tonight to buy one of the fire extinguishers for \$3 and help the youth boxing program, they'll be offering you something that might save you money later.

TFWC workshop and board meet slated Monday

Mrs. Kermit Lawson of Panhandle, president of Top of Texas District, Texas Federation of Women's Clubs, announces the district will hold its fall board meeting and workshop Monday in the First United Methodist Church at Panhandle.

Registration and coffee will begin at 8:45 a.m. and the meeting at 9:30.

Theme for this year's meeting is Challenge-Fun Total Enrichment. All departments will conduct workshops followed by a luncheon honoring pioneer club women of the district.

MURDERS INCREASE
NEW YORK (AP)—More people are being murdered in New York City than ever before and fewer of the killers are being caught.

In the first seven months of this year police report 786 persons were slain. The figures include the deaths of 62 murder or robbery suspects.

In 1970 a record 1,117 homicides were reported. Of the 1971 murders, 463 arrests were made.

of fact, Texas didn't even use their "top gun" and still won 22-4.

—HB—

And the boys from A&M had their problems too. But they made a pretty good showing considering they were playing the No. 1 team in the nation. We doubt that they really expected to beat Nebraska, but they played heads-up football anyway. These kids are not likely to win any conference championships this year, but we're betting they won't be in the cellar either. They're going to win some games.

BY MELVIN YOUNG

Guy Lawrence, owner of Phillips & Lawrence Texaco Service, has just returned from a trip to New York City where he attended the national convention of the American Automobile Association. Lawrence has been active with the Panhandle chapter for many years and was a delegate to the national convention.

This year, the group's meeting was invaded. . . or at least an attempt was made to crash the meeting. . . by Ralph Nadar's so-called Raiders. Guy would rather refer to them as "hippies." Anyway, the Nadar people are trying to investigate AAA and sent a group of staff members to New York in an effort to get into the meeting.

Nadar, of course, has been giving the automobile manufacturers fits for several years and is now apparently turning his attention to the insurance industry. His efforts may soon be non-productive, but probably will be interesting.

—HB—

While in New York, Guy took the train to Bronxville and visited the old Hotel Gramatan and the Hereford House Restaurant. Some of our readers will remember of course, that a delegation of Hereford citizens traveled to New York some 21 years ago and attended the big opening event of the Hereford House Restaurant. They chartered a plane and took along a Hereford call for the big event. Pete Cowart was manager of the local Chamber of Commerce at the time and he engineered the deal, inviting a number of people from Hereford, Dimmitt and Amarillo to make the trip. It was quite an affair, we understand.

—HB—

Ed McKay, Legislative Director for the Texas Farm Bureau will be in Hereford tonight and will be on the program during the annual meeting of the local organization. The meeting will be held in the Flame Room, Pioneer Natural Gas Company building, beginning at 8 p.m. All members are urged to attend.

AAUW branch launched here

With 35 prospective members present at a dinner in the Calson House, a Hereford branch of the American Association of University Women was organized and committees to nominate of-

ficers and frame by-laws were set up.

Mrs. Jerry R. Land was named chairman of the by-laws committee and Ann Prichard of the nominating committee. The fourth Tuesday of each month was chosen as a meeting date.

A membership tea was scheduled for 2 p.m. Oct. 17 in the Flame Room of Pioneer Gas Co.; Mrs. William C. Pool of San Marcos, state AAUW president, will be here then to assist the new group in launching its program.

Mrs. B.H. Shelby of Waka, a district consultant and state topic chairman, was at the dinner. She spoke of purposes of the AAUW, a national organization of women holding college degrees, emphasizing that it is not a teachers' organization, but for all college women.

A poll of the women present showed a balance between teachers, businesswomen and homemakers. Eight were former members of AAUW branches in other cities. Membership is open to other eligible women of Hereford and surrounding cities.

Flo Dickenson served as acting chairman to preside for the dinner.

DAR BUYS STATE HOME — At the recent meeting of Los Ciboleros Chapter, Daughters of American Revolution, Mrs. Jess Robinson announced that the Texas DAR Society has bought a historic house at Jefferson, the Freeman plantation home, as state headquarters of the organization. Records will be kept there and projects displayed. The house, which has been awarded the Historic American Buildings Survey and Texas Historical Society markers, will continue to be opened to the public in the yearly pilgrimage of historic homes near Jefferson each May. Built in 1850 when Jefferson was an important river port in East Texas, the house still holds much of its original furniture.

Concert drive reports slated

Reports from workers in Hereford Community Concert Association's membership drive are to be made by noon Friday at the Hereford State Bank, Mrs. J. H. McCrary, drive chairman, has announced.

All captains and workers are asked to give a report to date of memberships secured and money collected.

The current phase of the drive is a preliminary to official membership campaign week, Oct. 11-18, when emphasis will be on enrolling new members for the 1971-72 season.

Goal of the workers is to enroll members to the seating capacity of Hereford High School auditorium, where concerts are held. There is no advance in the

cost of a membership this year; the amount remains at \$10, as it has been since the association was formed here in the summer of 1967.

At least three concerts by artists of national reputation are assured for the season. Already booked is the appearance next April of Stan Kenton and his noted orchestra.

Others will be scheduled at the end of the drive, when the number of members will be known so the board will know exactly the amount of money available to engage artists for the year. Because this is the policy

of Community Concerts, no memberships are sold after the drive and no individual admissions to concerts are permitted.

Although a membership card is required for admission, use of the card is transferable so a holder may permit a family member or friend to use his card for any program.

In past years, Hereford members have heard such performers as pianist Don Shirley, who was here last March, and the Norman Luboff Choir, appearing in 1969.

Mrs. McDougal to take office in district CWU

Mrs. Claude McDougal of Hereford will be installed as president of District Church Women United, for the coming year in one phase of the program Friday at a district convention in First Presbyterian Church of Plainview.

Open to all church women of the area, the district meeting will feature dramatized high-

lights of a recent international ecumenical assembly at Wichita, Kan. Luncheon will be served at the host church, 2101 Utica, Plainview. Registration begins at 9:30 a.m.

Mrs. McDougal is the current president of CWU of Hereford. Other members of the local group are expected to attend the Plainview meeting.

Rice's first five football games this fall will be at night.

Vice President Agnew plays golf to a 20-stroke handicap.

What makes a cowboy?

(Editor's Note: The following was brought in by E.W. Young, who read it recently in the Gainesville, Tex., Daily Register. The article also appeared within the past several weeks in other Texas newspapers.)

Leon Hale, adroit columnist for The Houston Post, recently noted the good-natured barbs directed at the host of parttime Texas cattlemen.

The columnist said there are so many of them now they've even started kidding each other. To illustrate his point, Hale cited two different lists which are now being circulated around the feed stores, barber shops and bank lobbies. One is titled "Ten Minimum Requirements for Ranching" and the other, "What it Takes To Be a Cattleman."

Hale combined the two lists came up with the following qualifications for the parttime Texas cowman:

- (1) — A wide-brimmed hat, one pair tight pants, and some \$20 boots from a discount house.
- (2) — At least two head of livestock, preferably cattle; one male, one female.
- (3) — A new, air-conditioned pickup truck, with automatic transmission, power steering, a trailer hitch, and a punch-button radio for listening to football games.
- (4) — A gun rack, for the rear

window of the pickup, big enough to hold a walking stick and a rope.

- (5) — Two leopard dogs to ride in the bed of the truck.
- (6) — A \$40 horse and a \$100 saddle.
- (7) — A gooseneck trailer, small enough to park in front of the cafe.
- (8) — A place to keep the cows; a little land too poor to grow crops.
- (9) — A spool of barbed wire, three cedar posts, and a bale of prairie hay to haul around in the truck all the time.
- (10) — Credit at the bank.
- (11) — Credit at the feed store.
- (12) — Credit from your father-in-law.
- (13) — A good neighbor, to feed the leopard dogs and the cows while you're gone to Colorado.
- (14) — A pair of silver spurs to wear to barbecues.
- (15) — A rubber cushion to sit on for four hours at the auction ring every Tuesday.
- (16) — A secondhand car, for going out to feed the cows when your son borrows the new pickup for a date.
- (17) — A good pocketknife, suitable for whittling, to pass time while at auction ring.
- (18) — A wife who won't get upset when you walk across the living room carpet with manure on your boots.
- (19) — A wife who will believe you when you come in at 11 p.m. and say, "I've been fixin' fence."
- (20) — A wife with a good, full-time job at the courthouse.

Off-types in grain sorghum should be controlled

Tall, unsightly off-type sorghum plants have made their appearance again in grain sorghum fields over the area. These off-types produce abundant seed that can volunteer readily, causing problems to crop production in succeeding years. Crop rotation and roguing can eliminate this situation. Off-types develop from seed present in the soil from previous years, or from seed present in

planting seed, say Darrell Rosenow, grain sorghum breeder at the Texas A & M University Agricultural Research and Extension Center at Lubbock. Such plants are also called outcrosses since they arise when foreign pollen from undesirable plants pollinates male-sterile plants in seed production fields.

According to Rosenow, off-types can be placed in five groups: (1) Tall mutants. These

occur spontaneously in all grain sorghum hybrids, are similar to the hybrid, but are one to two feet taller. (2) Off-type or off-color heads. (3) Forage types. These are tall, vigorous plants with coarse stems. (4) Rhizomatous grassy types. These are johnsongrass or sorghum aluminum hybrids with grain sorghum. They are loose headed, grassy types that have rhizomes of varying degrees. They are

quite sterile and produce little or no seed because of an unbalanced chromosome number. (5) Non-rhizomatous grassy types. These are tall, somewhat grassy types which usually tiller freely and produce abundant amounts of glume covered seed on a loose, open head.

The plants in group 5 are by far the most objectionable and troublesome because of their volunteering potential and

should definitely be controlled, says Rosenow. The rhizomatous types are not as serious a problem since they produce little or no seed, and their rhizomes are usually not as extensive or vigorous as those of johnsongrass. However, they should be controlled. Off-types in the other three groups may be unsightly but usually do not pose any serious volunteer problem in succeeding years.

It is also important to determine the source of off-type plants, adds the scientist. If they come from planted seed, the individual plants will be uniformly distributed over the entire field in the seed furrow with the grain sorghum. If the off-types are volunteers, they will be in circular patches and will be concentrated in certain areas of the field where smaller patches were located in previous

years. Continuous efforts by farmers are essential to prevent some of these objectionable off-types from becoming a serious weed problem, contends Rosenow. Crop rotation helps control volunteer plants from seed already in the soil. Rotating sorghum with small grains or alfalfa is one of the best methods of control. Rotations with a broad-leaved crop such as cotton or soybeans are also good since herbicides also control volunteer sorghum. Rotations with corn may be somewhat effective by using higher than normal rates of certain herbicides even

though the corn may be slightly damaged.

Roguing of undesirable off-types is especially useful in fields not badly infested and in preventing the establishment of weedy types in clean fields. For roguing to be effective, heads must be removed before viable seed is produced. This is as little as 10 days after flowering. Later, roguing requires the complete removal of heads from the field.

Roguing rhizomatous types requires that the entire plant be dug and removed from the field, explains Rosenow. This should be done as soon as they are recognized to prevent establishment of rhizomes.

Other practices are also useful in controlling off-types. Buying planting seed from a reputable seed company is important. Care should be exercised in all phases of handling sudangrass or sorghum-sudan hybrids. They should not be allowed to go to seed. Failure to rotate crops or rogue weedy sorghum off-types may result in fields that require one or more years of intensive clean cultivation to restore them to usefulness. Certainly the prevention of a serious weedy-type sorghum volunteer problem is much cheaper than curing such a problem, says Rosenow.

ART SHOW-SALE PLANNED — Two Hereford painters, Joyce Hickman and Eunice Peterson, have volunteered to stage a two-man show and sale of their work at the Cinema in Western Plaza, Amarillo, to benefit the Texas State Center for Mental

Health and Retardation there, and its Satellite Center in Hereford. Typical work of the two is shown in this photo. Framed oils and watercolors will be on display for sale, with a donation from each sale going to the Center.

Painters slate benefit sales

Two Hereford painters, Eunice Petersen and Joyce Hickman, are to stage a two-artist show and sale in the Cinema theater at Western Plaza, Amarillo, beginning Oct. 1 to benefit the Texas State Center for Mental Health and Mental Retardation and its Hereford Satellite Center.

Each artist will have on display original oil and watercolor paintings offered at moderate prices so the average homemaker can afford them, and will donate \$25 from each sale to the Center.

Space for showing about 25 large framed paintings at a time is being donated by the Cinema manager.

Texas State Center at Amarillo offers the mentally retarded diagnosis, counseling, preschool and post-school training, vocational training, day care for the severely handicapped; speech, hearing and language services; music and art education.

Satellite classes are held in Hereford and 10 other Panhandle cities. Agatha Cardinal is the present teacher here and is

in several Texas cities; Sterenbergs at Canyon has shown a display of recent watercolors this month. Her agent is the Country Store Gallery in Austin.

Mrs. Petersen is well known as a teacher and a painter of local scenes and a number of her paintings have been sold to residents of Hereford, Amarillo and Lubbock. One of the old Escarabdo Headquarters of the XIT Ranch which stood in the far west part of Deaf Smith County, hangs in the County Historical Museum here.

Several are on display now at The Gallery in Amarillo and Petersen real estate office in the Bryan Building of that city. Although she has not entered competition recently, her students are frequent award winners.

Iva McWilliams of Canyon placed first in the Best of 40 Show this year and her winning painting is now on tour. Marion Goodin and Joan Grady of Hereford are other pupils of Mrs. Petersen who are recent award winners.

Mrs. Peterson studied with Dord Fitz, Leona Turner and Bill Brandt at Amarillo as well as with Dr. Elizabeth Robinson, Ollie Bugbee and others at WTSU.

She won a first place for painting in mixed media at the Tri-State Fair this fall. One of her paintings has been selected for the home of C.C. Nolen, president of North Texas State University, and Mrs. Nolen at Denton; another was mailed recently to the president of Pittsburgh Paint Company for his offices.

Her paintings hang in homes

Delegates report state, national H.D. conventions at luncheons

National as well as state Home Demonstration Association conventions were reported by Deaf Smith County delegates at a salad luncheon of the County H.D. Council Monday in Community Center. They attended the two conventions in Dallas last week.

Mrs. Paul Corbett, THDA chairman for this county, told of the national meeting which brought women from over the other 49 states to be guests of other Texans. Mmes. Leroy Johnson, J.G. Gandy and Charlie Burk were delegates elected from this county to the state session, who gave reports of its actions.

They were highlighted by the fact that a Hereford woman, Mrs. A. E. Hodges, officiated as

state president, Argen Draper, county H.D. agent who represented agents of this district in Dallas, also gave her report. Mrs. Viola Williams went from this county as a visitor.

Mrs. Jimmie Bradley conducted the county council business session after lunch, when committee reports were heard. They included the report of club projects for a new year, some repeating successful projects of the past.

North Hereford Club will again sponsor a girl residing at Girlstown; Ford Club will maintain the community building in that neighborhood; Westway Club will collect scraps of fabric and trimmings for craft work by patients in Wichita Falls State Hospital and Dawn

Club will send Christmas gifts to that hospital.

Mrs. E.C. Hewitt Jr. of Wyche Club gave the opening inspirational talk.

Others present were Mrs. Orval Galley, Dawn; Mrs. Allen Evers, Young Homemakers; Mmes. Joe Gonzalez and L.W. Norvell, Ford; Mmes. W.J. Lueb and Roger Williams, North Hereford; Mmes. E.M. Cox and John Jacobson Sr. and Miss Mary Brady, West Hereford.

Also Mmes. Wayne Jones, Homer Holden, Leo Hellman and C.F. Newsom of Wyche; Mmes. Kenneth Humfeld and Wayne Sifford of Bippus, Mmes. N.A. Brown and Gene Bradley of Messenger, Mmes. T.J. Parsons and H.L. Hershey of Progressive and Mrs. Tom Morgan, a visitor.

Matt Snell of the New York Jets has gained 4,285 yards and scored 24 touchdowns in seven seasons as a pro.

AN ACT

Relating to the recording and re-recording of livestock brands and marks; and declaring an emergency.

BE IT ENACTED BY THE LEGISLATURE OF THE STATE OF TEXAS:

Section 1. (a) This Act shall apply to every county in this State. In all the counties each owner of any livestock mentioned in Chapter 1 of Title 121 of the Revised Civil Statutes of 1925 shall within six months after this Act takes effect have his mark and brand for such stock recorded in the office of the county clerk of the county. These owners shall record the marks and brands whether the brands and marks have been previously recorded or not.

(b) The owner shall have the right to have his mark and brand recorded in his name who according to the present records of the county first recorded the brand and mark in the county, or in event it can not be ascertained from the records who first recorded the brand and mark in the county, then the person who has been using such mark and brand the longest shall have the right to have the brand and mark recorded in his name.

(c) After the expiration of six months from the taking effect of this Act all records of marks and brands now in existence in the county shall no longer have any force or effect and after the expiration of six months only the records made after this Act takes effect shall be examined or considered in recording marks and brands in the county.

FUSSY WITH GUNS DALLAS (AP)—Deputies here must complete 200 hours of classroom instruction before

they are permitted a gun. The instruction is provided at the Dallas County Sheriff's Academy.

Rabbit raisers name directors and delegate

A representative to the Texas Commercial Rabbit Raisers As-

sociation was elected by Tierra Blanca Chapter at a recent meeting in Fishers Rabbitry. Richard Kindrick was named to represent the area chapter.

Bud Fisher was chosen at the same time as a nominee for a place on the ballot in the election of state directors.

A board of directors for Tierra Blanca Chapter was elected, with Fisher as three-year member, C. J. Lance two-year member, Jane Cameau and E. L. Stevens members for one-year terms.

Nelson Kendall was a visitor present with 12 members who took part in open discussion relating to the business of raising rabbits for market.

AZAR COACHES A LINE PHILADELPHIA (AP)—George Azar, who won three letters as a Michigan State guard through 1962, is offensive line coach for Penn's football team.

LAST STRAW — Eugene Suttle (42) and Wynn Short (55) combine to bring down a Clovis ballcarrier during Clovis, 16-6 victory over Hereford Friday night. Ralph Waits (84) is in background. The

tackle sent hay flying. Fourteen bundles of hay were put on the field before the game to help soak up the moisture left by several days of rain. — (Photo by Tommy Koelzer)

Dunbar will win by 9, high school poll predicts

The Hereford Whitefaces will find themselves a nine-point underdog when they arrive at Lubbock's Lowrey Field Friday night to battle the Lubbock Dunbar Panthers.

Dunbar picked up a 21-12 victory last year, and the Harris Rating System for Texas high school football teams says you can expect about the same outcome this year.

The Whitefaces dropped 14 places in the ranking of Class AAAA teams with their mediocre showing and 16-6 loss last week to Clovis. Hereford, rated 174th in the state last week, now is ranked No. 188, out of 223 AAAA teams in Texas.

On the other hand, Dunbar made a sizeable jump in the Class AAA charts, all the way from No. 56 to No. 37, with the Panthers' 7-7 deadlock last week with Vernon, ranked among Class AAA's top 20 teams.

Also, Dunbar posted a 13-8 victory over Clovis, the team that dropped Hereford to an 0-3 mark for the season.

A consolation to Larry Dippel's Whitefaces is that none of the other teams in District 4-AAAA are making much headway in the victory column. In three weeks, the five district teams have a total of three victories and 12 losses, with Plainview, Monterey and Lubbock each standing 1-2 and Hereford and Coronado each 0-3.

Planchette, Seminole over Levelland, Muleshoe over Boys Ranch.

District 1-AA: Dalhart over Tucumcari, Spearman over Stratford, Stinnett over Childress.

District 3-AA: Floydada over Dimmitt, Littlefield over Lockney, Friona over Otton, Abernathy over Morton.

District 4-AA: Tahoka over Frenship, Denver City over Slaton, Ralls over Post, Roosevelt over Idalou.

District 1-A: White Deer over McLean, Canadian over Wheeler, Sunray over Keyes, Gruver over Booker.

District 2-A: Petersburg over Silverton, Memphis over Wellington.

District 3-A: Farwell over Hart, Kress over Vega, Springlake over Sudan, Bovina over Happy.

District 4-A: Cooper over Hale Center, New Deal over Ropesville, Spur over Aspermont, Lorenzo over Wilson, Seagraves over Crosbyton.

In the Brand's football contest for this week, here are the predictions by the Harris Poll: Tascosa 5 over Monterey, Amarillo 1 over Plainview, Estacado 14 over Coronado, Cooper 5 over San Angelo, Kress 1 over Vega, Denver City 3 over Slaton, Floydada 1 over Dimmitt, Friona 8 over Otton, Springlake 12 over Sudan, Jacksboro 1 over Stamford.

WT netters compete in Numex tourney

CANYON—West Texas State University's tennis team left Wednesday for Albuquerque to compete in the Southwestern Sectional Tennis Tournament.

The Buffaloes meet the host University of New Mexico in a team match and will play in the individual tourney, which opens today and runs through Sunday.

New Mexico has a strong tennis club, falling only 3 1/2-3 1/2 to the Buffaloes last spring. The Buffaloes went on to win the Missouri Valley Conference championship and finished in a tie for 21st in the National Collegiate Athletic Association tourney in South Bend, Ind.

The Buffaloes lost their top player—Leo Estopore—by graduation, but returned the remainder of the squad.

Paul Tobin from St. Louis has moved from number two to the number one singles position. Other veterans are Mike Bolton from Vancouver, B.C., John Phillips from Snyder, Tex., and Dale Corbin from Wichita Falls, Tex., and Joe Carrick of El Paso, Tex. Freshman are Mark Nabers of San Antonio, Tex., and Steve Bailey from Weatherford, Okla.

Buffaloes face major test with pass-conscious Tulsa

West Texas State University's Buffaloes haven't been tested completely with the pass yet this year, but that little fact will end Saturday night when they host Missouri Valley Conference rival Tulsa.

Memphis State used a crushing ground game to down the Buffaloes in the season opener, 30-0. Lamar University was forced to play a converted halfback at quarterback against the Buffaloes two weeks ago and the result was a 14-6 Buffalo victory.

Tulsa's Todd Starks is plenty healthy and able to throw the football. He cranked up his arm 43 times last week against the nation's number seven-ranked team, Arkansas, and threw for a 21-20 victory. He hit on 24 of three passes for 257 yards. Three of his completions were for fourth quarter touchdowns.

"I watched two different games," said Buffalo scout Jerry Behrens. "Arkansas appeared to be in control of the game until that fourth quarter. After that it was all Tulsa. The Golden Hurricane are certainly explosive and capable of beating anyone."

Coach Gene Mayfield's Buffaloes took last week off to continue work on an inexperienced of-

fense and defense prior to the Tulsa clash at 8 p.m. Saturday in Cluett Bowl.

Mayfield feels his offensive unit has made some progress, but promises that a great deal more work must be completed before it will be up to his usual standards.

The new Buffalo coach, who won 156 games in 17 years as a high school coach, likes for his teams to control the ball on offense, moving along the ground.

"Our offense has been inconsistent up to this point. We will run one good play and then follow it up with several poor ones," he said.

Quarterback Ed Holwig, who threw last fall for 1,997 yards, has been inconsistent with his throwing thus far this fall. The 6-4, 215-pounder from Highspere, Pa., has hit on only eight of 26 passes for 134 yards and no touchdowns.

Sophomore runningback Billy

Pritchett exploded for 219 yards against Lamar, to add to his 86 total yards against Memphis. That gives him 305 yards in two games and it is good enough to lead all MVC backs in rushing offense.

The Buffalo secondary, which will have a great deal of duty in attempting to halt the throwing of Tulsa, is led by senior Mike Hencir, who is the only one of the four secondary players who lettered last fall on defense. Cornerback Ron Willingham was a flanker for two years at West Texas before being switched to defense last spring.

Other starters are senior squadman David Jones at cornerback and sophomore Daryl Carr at the other safety.

"That inexperienced safety will get more than its share of testing Saturday night," said Mayfield.

The Buffaloes, in two previous meetings with Tulsa, have yet to score a victory. They fell 32-0 in 1945 and 26-13 in 1947.

The victory by Tulsa last week is one of the more important victories to be scored by a Missouri Valley Conference team in a non-conference game.

Plainview boy pleases UT coaching staff

AUSTIN, Tex.—A few years back when Jerry Sisemore was in the eighth grade at Plainview, he was a little guy. He weighed about 100 and was about as tall as the other kids.

But a year later, in the ninth grade, he stood 6-4 and was pushing 185 pounds.

Now, as an all-American offensive tackle at The University of Texas, Sisemore stands 6-4 and weighs 244 pounds, and is called—as a junior—as one of the best Longhorn linemen ever.

"I just sort of grew up over night in the ninth grade," Sisemore recalls.

Growing up in Plainview for Sisemore meant a lot of sandlot baseball and basketball but, surprisingly, not all that much football.

"Oh, we played pass-touch some, but not as much as you might expect."

Jerry was one of the fortunate ones, always a first stringer.

"I've always been lucky. I guess I have been an interior lineman since my junior year in high school. I was a linebacker my sophomore year," he

Texas coaches have called Sisemore one of the quickest and fastest to play for the Longhorns. His size and strength make him about as complete as a ball player could be.

"I feel as though I've learned a lot over the last year," Sisemore says, adding, "I don't really see any difference in last year's line and this—I have been pleased with the development this season."

Last year, as a sophomore, Sisemore was the only rookie along a front line loaded with seniors. Now, as a junior, he's the veteran-joined by redshirt junior Travis Roach at guard and junior Jeff Zapalac at center as the only two-year men around.

Sisemore has already been named to several pre-season all-American teams, and if he keeps developing, he should be a prime professional prospect next season. Right now, however, that's a long way away.

"Oh, I think about it some," he says, "but nobody's talked to me about it. Right now I just want to do my best here."

Buff cross country team hosts meet

West Texas State University's cross country team will host its own invitational meet at 11 a.m. Saturday in Amarillo's Thompson Park.

Other teams entered are Texas Tech, Wayland and Southwestern State of Weatherford, Okla.

The Buffaloes of coach Bob Kitchens earlier won the Wayland Invitational by beating both Wayland and Tech.

Last weekend, however, the Buffaloes fell by a wide margin to Eastern New Mexico University in a meet at Portales, N.M. The Buffaloes totaled 50 points to the winning total of 16 by ENMU. The winners took the first four places. Jim Hogan was the first West Texas runner across the finish line and he took fifth.

Wartes leads WT frosh to season-opening triumph

A pair of Mike Wartes to Kenneth Sellers passes scored one touchdown and set up another as the West Texas State freshmen opened their football season with a 23-7 victory over Wichita State Saturday afternoon before 2,500 fans in Buffalo Bowl.

The game was the first public showing for the first recruits of new varsity coach Gene Mayfield.

Wartes, the son of former Hereford High School coach Larry Wartes, hit Sellers with a 76-

yard scoring pass in the fourth quarter. His 46-yard pass earlier in the game to the same split end set up the second touchdown for the young Buffaloes.

The game also featured a Buffalo Bowl Stadium record field goal by Juan Garza, younger brother of varsity kicker Matias. Juan boomed a 52-yard field goal true with 54 seconds remaining in the first half. Matias has the Buffalo varsity record of 56 yards, but that was kicked away from home at Bowling

Green.

"I was pleased with the way the players got excited to play," said head coach Mayfield.

Head freshman coach Ronnie Mankin was pleased with the effort of the players, but said they must improve before playing Tulsa at Tulsa Oct. 4. "We made some mistakes which must be corrected."

Mankin was pleased by the running of halfbacks Johnny Jackson and Jimmy Lisle and the blocking and running of full-

back Ronnie Fangman from Vega. He also praised defensive linebackers Bruce Davis and David Herber and defensive end Kenny Donathan, a high school teammate of Fangman.

Leldon Hensley, varsity secondary coach, was pleased with the efforts of safety men Robert Edwards and Arcadio Rivera. "Both of the safeties played well, as did cornerback Garza and Canyon's Frank Belcher," said Hensley.

Defense gains ground in 4A-4 stats race

By virtue of its stingy play against Clovis last week, the Hereford Whiteface defense has pushed itself out of the District 4-AAAA cellar and into fourth place in that category.

Going into the Clovis game averaging 317 yards per game total offense, a big-play defense led by Win Short and Steve Clark stopped the Wildcats for a total of 148 yards, dropping the per-game average to 260.7.

Lubbock skidded all the way from first to last, as the West-erners' 345-yard total in two games soared to 894 yards in three games.

Short, playing the best game of his short career, pulled down 16 tackles against Clovis to raise his league-leading total to 51. He's now 14 tackles ahead of his nearest rival, Coronado's Larry Hart, who was only five tackles behind the Whiteface linebacker

a week ago.

Keith Kitchens, Hereford quarterback, stayed in a tie for first in number of pass completions but dropped from second to fifth in accuracy, as Whiteface receivers had trouble holding onto the ball against Clovis.

Kitchens now has 17 completions in 49 attempts for 207 yards, one touchdown and one interception, a completion average of .347. Last week, he had 10 of 26, 123 yards and .384 accuracy.

He stayed in third place in total offense, with an average of 76.3 yards per game, slightly higher than his 76.0 going into last week.

Kitchens is third in punting average. His 34.6 average on 13 kicks is behind the 37.0 average of Plainview's Mark Foote on seven punts and the 35.1 average of Monterey's Ricky Wheeler on

14 punts.

Short is one of three players in the league who have two fumbles.

Three other Whitefaces join Short in the top tackle category. Rosie Gonzales has 34 tackles to rank fourth, Steve Clark has 32 tackles for seventh place and Richard Sierra has 30 tackles for ninth.

Alan Cornelius remained third place in pass receptions. He caught one against Clovis to give him a total of seven after three games. Duane Sarten of Lubbock has caught 10 for 135 yards, Tom Ellis of Monterey has seven for 126 yards, Cornelius has six for 53 yards, Donnie Edwards of Lubbock has five for 88 yards and Arthur Gutierrez of Lubbock has five for 78 yards.

In team figures, Lubbock has averaged 240.3 yards per game, Monterey 233.0, Plainview 224.0, Hereford 189.3 and Coronado 111.7.

Scott Hallman of Plainview is the league's leading rusher with 186 yards in 44 carries, followed by Coronado's Rip Amason with 179 yards in 53 carries, Monterey's Kent Gamble with 168 yards in 53 carries and Hereford's Larry McNutt with 147 yards in 24 carries.

Coronado and Monterey lead in interceptions, with five each, but these two teams also have lost the most fumbles, 10 for Coronado and 8 for Monterey. Hereford and Plainview have each intercepted two passes and have each lost three fumbles. Lubbock hasn't intercepted a pass and has lost seven fumbles.

Hereford has recovered seven fumbles, more than any other team in the league. Coronado

Comfort is...

Fresh, warm air gently circulating from floor to ceiling . . . down-to-earth dependability . . . easy-on-the-budget operating costs. Comfort is gas heating. There's no heat more comfortable.

And there's no heat cleaner than gas. Gas burns clean. It's one energy source that doesn't dirty the air.

Air-circulating gas heating systems also give you the first-half of a built-in gas air conditioning system. Adequate heat ducts can carry cool

air to your whole house too — so you can add-on gas cooling right away or later if you prefer. Together, gas heating and gas cooling are an unbeatable combination for year 'round total comfort.

If you're building a home or planning to replace an out-dated heating system, choose thrifty gas heat. Check with your heating contractor.

The Dunbar Panthers, 17-14 victors over the Whitefaces in 1970, look to be a better team than they were a year ago. Just two games deep into their season, the Panthers have defeated the highly regarded Clovis, N.M. Wildcats and last week tied the Vernon team. Clovis was rated No. 5 in New Mexico and Vernon was rated No. 19 in Class AAA in Texas. The Panthers have 15 lettermen including four offensive and five defensive holdovers back from the 1970 team. And with these men they appear ready to offer the Whitefaces a challenge Friday night.

Former oldtime city resident buried Tuesday

The funeral of Mrs. Minnie L. Tice, 88, of Lubbock, former Hereford resident for 36 years, was conducted Tuesday afternoon in Resthaven-Singleton-Wilson Funeral Chapel at Lubbock, with the Rev. Neil Guy of First Christian Church of that city officiating.

Burial was in Resthaven Memorial Park. Mrs. Tice was a member of First Christian Church.

She lived in Hereford from 1906, when she moved from her native Iowa, until a move to Lubbock in 1944. She resided at Corvallis, Drex., for a number of years but returned to Lubbock in 1970 and her death occurred Sunday in a nursing home there.

She is survived by a daughter, Mrs. M.W. Jenkins of Lubbock; two sons, L.E. Tice of Lubbock and W.L. Tice of Sacramento, Calif.; two sisters, Mrs. Maude Atkinson of Fort Collins, Colo. and Mrs. C.W. York of Redfield, Iowa; three brothers, Leonard and Roy Hodges of Fort Collins and W. R. Hodges of Corvallis; 12 grandchildren and 19 great-grandchildren.

Strange, faith; Pam Smith, recorder and Lyndi Rojeck, treasurer.

Doyle Hastey of Littlefield, a longtime family friend of the new worthy advisor and her parents, Mr. and Mrs. W.P. Hagar, acted as installing officer with Kay Euler. Also assisting in the installing corps were Mrs. Roger Ruland, chaplain; Kathy Shannon, recorder; Kathy Roberts, musician, and Karen Scott, marshal.

Miss Scott, who has just completed her term as worthy ad-

visor, was presented a past advisor's pin by her successor.

Susie Hickman was the soloist who sang Let There Be Peace on Earth, the song chosen by Miss Hagar to fit the theme of her administration, Peace. Mike Gilbert was the pianist. Phillip Banner presented an arm bouquet of her chosen flowers, daisies, to Miss Hagar.

Officers she has appointed, also installed in the ceremony, are Sharon White, chaplain; Linda Collins, drill leader; Beverly Phillips, love; Myrna

Monical, religion; Janet McWhorter, nature. Also Lynnette Cawthon, immortality; Jana Ray, fidelity; Carmella Burgess, patriotism; Leta Nunley, service; Elizabeth Sawyer, confidential observer; Susie Jansen, outer observer; Sue Roberts, musician; Patsy Brownlow, choir director.

Refreshments were served by Debbie Banner and Mrs. Kenneth Hagar. Mrs. Paul A. Hagar was at the registry.

Fresh daisies filled a basket in the center of the table, which

was covered with a lace cloth over yellow to stress Miss Hagar's favored colors, green and yellow. White dove figurines and a Bible opened to the Bible verse she selected, were arranged on the altar for the installation.

Special guests included members of the Rainbow advisory board: Mrs. J.A. McWhorter, mother advisor; Mrs. Bill Hutson, board chairman, Mrs. Deward Roberson, Mr. and Mrs. Charlie Brown, Mrs. Jack Brown, Joe Hysinger and Mrs. A.L. Souter.

Clayton attends symposium on animal waste

State Representative Bill Clayton of Springlake is a delegate to a three-day national symposium on animal waste management ending today in Warrenton, Virginia.

The symposium is co-sponsored by the Council of State Governments, the United States Department of Agriculture, the Environmental Protection Agency and the National Association of

State Universities and Land Grant Colleges.

The symposium will concern itself with the problems livestock and poultry producers are facing with the advent of new laws and regulation to animal waste abatement.

Clayton, Rep. Steve Burgess of Nacogdoches and Rep. George Baker of Fort Stockton are conference delegates from Texas.

During the 61st legislative session (1969), Clayton served as chairman of the House Committee on Livestock. In 1971, he chaired the 62nd Session's House Committee on Counties.

GOLDIE IN FOURTH FILM HOLLYWOOD, Calif. (AP) — Goldie Hawn will star in "Butterflies Are Free," her fourth film for Columbia Pictures.

Miss Hawn won an Academy Award for her first film, "Cactus Flower." This was followed by "There's A Girl in My Soup," and "F." a film to be released later this year.

Hospital charity, name change issues draw comment

Editor
The Hereford Brand
Hereford, Texas
Dear Sir:

We felt that the article in your

last Thursday's issue misconstrued the facts somewhat, and put Parmer County Community Hospital in a bad light. We refer to the story you headed "Word is out: local hospital an easy touch." We particularly wanted to take exception to the statement that the Hereford hospital was doing "all the walk-ins from Hereford, Dimmitt and Friona." According to our records, we

seem to be doing not only our share of the "walk-ins" (a woman who comes in for delivery, without prior care at the hospital) from Friona, but also, a good percentage of these are from Hereford. According to our hospital records, we have listed on our current accounts receivable a total of \$10,962.64 in medical bills for persons with Hereford addresses. There is another \$12,659.27 on the books which has been turned over to a collection agency. In the past five years, our hospital has been obliged to charge off a total of \$13,701.23 in bad debts involving patients from Hereford. This amounted to 13 per cent of our total bad debts. Please bear in mind that Parmer County Community Hospital, unlike Deaf Smith County Hospital, receives absolutely no

tax money to assist in its operation. We are a completely privately financed institution, and rely entirely on our patients for our operating revenue. You also referred to a lady from Bovina who had been "prepped" (shaved) in our hospital, then went to a Hereford doctor. I believe this is the case where the husband was asked for a deposit, and became angry, and the two left via the back door, without hospital personnel knowing what became of them. What you did not point out however, was that after visiting a Hereford doctor, the woman RETURNED to Friona, we delivered her baby and the unpaid account is still on our books. Here is another figure that might interest you: In the first nine months of this year, we have had 131 after hours pa-

tients at the Friona Hospital, from Hereford. Fifteen of these were serious enough to be hospitalized. Why they drove to Friona for medical aid, rather than seeking a doctor in Hereford is puzzling. Let us make one thing clear, however. We have a tremendous number of patients from Hereford who DO pay their bills and we appreciate them very much. You were right about one thing. The percentage of non-pay patients is a big problem for hospitals today. However, to infer that Deaf Smith County Hospital "stands alone" with this affliction, or that they handle all of Parmer County's cases, was, in my opinion, a hasty and erroneous opinion. Sincerely yours, Eida Hart, Acting Administrator, Parmer County Community Hospital

Letter to the Editor:
Please print this letter as it is without changing anything. Concerning the item about the hospital changing names in the issue of Sept. 23, 1971 I have nothing to say in regard to that issue or was that intended as an offense? To Dr. McCrary one of the Board members. I do not mean this for him for I know he is truly a good Doctor very dedicated to his profession. This is referring to Mr. Straffus who objected to the name of Deaf Smith mentioned at all, because as he put it "All the Mexicans knew it by heart." For your information Mr. Straffus I am a Mexican and I object to being referred to in that manner. My husband and I have been patients in that hospital twice each. And what our insurance didn't cover we paid it. Even tho we are Mexicans. If you were referring to bad cases you should have specified so. In your highly educated status or in your books didn't it teach you to specify. Because we are tax paying citizens. We pay for our food and hospital expenses. Yes we have bills but do whites not have them too. As for your Renaming the Hospital, I don't give a Damn what you name it. You Mr. Straffus can name it, Anti-Mexican General Hospital that would suit your purposes well. With all due respect to all others that were involved in this matter. I do not mean this as an offense to you. Because I don't have any degrees in education, but I know enough to specify who and what I mean. For you Mr. Straffus, Owe an apology to the Mexicans that aren't sponging off the community. For my family has not asked for charity from you. We are proud of being Mexican and of paying our way cash or in payments. Thank you. Mrs. Jimmy Diaz (Mary)

Dear Editor:
Concerning a name change for the local hospital, Ed Line had a good idea about having a contest to rename it. Although this suggestion was dropped, I'd still like to get into the game of finding a name not so well known by non-paying patients. Under the circumstances, a name like Good Samaritan Hospital would be out. Heart of Stone wouldn't really express the idea either, since needy county residents will be helped as in the past. Do you really believe the word "memorial" means something free? I don't. It just means what it says—something in memory of a person, event, etc. We have an opportunity here to honor a person or persons who have been important to the life of Deaf Smith County. The first name that comes to my mind is Henry Sears. How about Henry Sears Memorial Hospital or even Henry Sears General Hospital? Another suggestion, in which the pioneer scout, Deaf Smith, would be honored along with others is Pioneer Memorial Hospital or Pioneer General Hospital. I haven't run out of suggestions, but this is all I'll list now since my husband is commenting, "There you go, sticking your nose in things again." Sincerely, Mary E. Williamson, Route 4, Hereford.

The majority of machine tools in use today were invented in Britain between 1770 and 1850, a government report claimed.

In SIX days

In six days God created the earth and everything on it and gave man dominion over it. God was the Creator; Man was to be the Caretaker.

But over the years, Man has slowly destroyed his domain: its water, air and soil; its plant and animal life; and even his fellowman. Unless such destruction in the guise of progress is stopped, future generations may never see a panorama that goes on forever.

They may never watch a bird in flight or hear it sing, catch a fish, smell a flower, walk barefoot or witness the colors of nature.

Man has the ability to both preserve and destroy. The decision is up to you. Which will you do?

El Llano club has anniversary

A 25-year club history was reviewed in El Llano Study Club Saturday when its silver anniversary was celebrated with a coffee in the home of Mrs. Ivan Block.

Members of Hereford Study Club, the "mother club" which sponsored organization of El Llano back in 1946, were invited as special guests.

Chief honoree was Mrs. Ray Coneway, who was the moving spirit in organization of several clubs for young mothers of that time, which have continued as study clubs in Hereford today.

Mrs. Coneway was a member of Hereford Study Club then and is now an honorary member.

Mrs. Merlin Kaul, who was another Hereford Study Club member at the time El Llano was formed and is now an associate member, was also among guests who included the current Hereford Study Club president, Mrs. S.L. Garrison.

Two charter members still active in El Llano, Mrs. Ren Childers and Mrs. Jim Bookout, assisted at the coffee. Mrs. Childers poured coffee and Mrs. Bookout gave a brief history of the club.

It was first named El Nino Club, with study courses focused on the child in the home. The sponsoring group at that time was called the Child Study Club; both names were changed as

members' interests broadened with the years and programs were enlarged to take in varied subjects.

It was 1963 when El Nino became El Llano Club. This year its program topics not only include Educational Trends and Student Guidance and Counseling, but such subjects as Do You Care How You Look?

Mrs. Pete Caviness is president for the 1971-72 season, which began with the coffee. Past presidents, some no longer members, were invited as special guests and notes of regret were read from some living in other cities.

Coffee hostesses with Mrs. Block were other members of the yearbook committee: Mrs. Eler Kimball, Mrs. John Jacobsen Jr. and Mrs. Gerald Mann. They presented year-books for the new season to members.

The table where coffee was served was set against windows in the dining room, and backed with a tall arrangement of flowers with a white and gold streamer on either side, fastened to the top of the flowers and extending to the cloth. One side was lettered El Nino, the other side, El Llano, with dates of the club's formation.

Monte Gripp wins recognition for high grades

STEPHENVILLE—Monte G. Gripp, a Tarleton State College student from Hereford, has been named to the B. Honor Roll and the Distinguished Student List for the Spring Semester, 1971.

In order to make the Distinguished Student List, a student must post a semester grade point average of at least 3.25 on Tarleton's 4.0 system. And, the student can have no grade lower than "C".

The B Honor Roll consists of those students who carry at least 1 semester hours and have no grade below "B."

Gripp is a senior Animal Husbandry major.
