Rain Covers Area; Heavy Planting of Wheat Is Forecast

AROUND TOWN

Sights and Faces Seen

The people of this area have one more thing to be thankful for today—the fine rain during the early part of the week, which put an end to the drought, in the words of the Amarillo News, although it was not one of T. E. Johnson's famous "gully washers." And thankfulness shows plainly on everyone's face. Bright, smiling, quick at humor, they show a decided change and one of the best signs we have seen in months.

Many of the business men of Hereford are truly thankful for the patronage and assistance you have given them in making this a business center and their efforts to serve your needs worthwhile. Naturally they do not find time in the daily whirl to express their gratitude to each and every one, so they take advantage of the occasion to send you personal greetings through the columns of your hometown newspaper. With this in mind, you may gauge the true feelings of those with whom you trade, finding if they are appreciative enough to think of you and send you their message. Look through your paper and learn for yourself those who are generous enough to give you more consideration after you have left their place of business.

Vacations are funny things. We look forward to them all year and then are glad when they are over and we are back in harness. Eva Pitman had her vacation from the city office last week and she was virtually bored to tears, completely lost. She said Monday morning she was plenty glad to be back at work, and Mayor Paddock opined the vacation was worth while if it made her want to work.

Billy Smith and Alva Barber have suddenly become greatly interested in detective work, and we understand they are considering correspondence courses. Hereford may turn out a pair of Sherlock Holmes or perhaps Dick Tracts.

Local barbers may get out a complaint against Harold Close and Robert Thompson. They have been giving too many free shaves lately, and don't have a license.

Gaston-Baer did a double reverse curve or something on the wrong side of the street yesterday, backing over a stop sign. Don't know what kind of driving tactics that is, but it got him faced the way he wanted to go.

J. W. Berry came in and told us he and Mrs. Berry were receiving three copies of the paper when there should be only one sent to Mrs. Berry. He said he enjoyed the paper and liked to get it, but he didn't want something that isn't his.

Mrs. E. J. Williams has some perennial flower roots to give to anyone coming after them.

Seek Record On Unsigned Land

NON-CONTRACT SIGNERS URGED TO COOPERATE WITH PROGRAM

County Agent Dewey Reed is urging everyone who did not sign wheat applications to report the history of their land to his office. This was asked for under the old contracts but many land owners failed to report, and it makes it difficult for them to get contracts now.

No one knows what the future of the wheat program will be. Mr. Reed pointed out, and farmers will be protecting their own contract rights in future years in case there should be such a program by reporting the history now. They not only will protect themselves but will aid the county in securing its full allotment.

There has been a feeling, he stated, that the county is not entitled to the allotment it asked for. This is a result of the incomplete record of all land in the county. Reed urged the cooperation of everyone who is not signing a contract to list their land as non-contract land.

OPTIMISM RETURNS AS SOAKING SHOWERS ADD MOISTURE

Slow-falling rain early this week brought hopes of good crop conditions this winter and prediction of heavy wheat planting throughout the section within a week after the wet spell ended. The moisture started falling early Monday morning and came down almost continuously until noon Tuesday.

The rain was general over the county, averaging about one inch for the period ending Tuesday at noon. The weather gauge at the First National Bank stood virtually on the one-inch mark. Dimmitt reported .85 of an inch at 9 o'clock Tuesday morning. Heavier in Northwest.

All school busses made their rounds Tuesday, although most of them were late reaching their destination. Students said the rains average about the same as over the area, with some estimating that precipitation was heaviest in the west and northwest sections of the county, the area which had suffered most from the lack of moisture.

Government weather gauges placed this week on the soil erosion demonstration tract registered from .96 of an inch to 1.06 inches. The gauge on the G. C. Hartman place registered the lowest amount, with the one on the Grady Wilson farm standing at .98 and the one at Summerfield at 1.06 inches.

Several people stated the moisture came in time to allow heavy wheat planting, and they estimated variously from 50,000 to 100,000 acres will be planted in the county on the strength of the moisture received. The rain also was greatly beneficial to wheat already growing, causing it to spread out and take firmer root. Temperatures during the rainy spell remained above 40 degrees, making the rain even more beneficial since it came before a severe freeze.

The soaking rain covered the entire Panhandle-Plains and Eastern New Mexico, according to press reports, falling in the same manner it came down here and doing an untold amount of good to the entire territory.

Local Breeders Win at Muleshoe

Six local poultry breeders entered 20 birds in the Muleshoe Poultry Show last week and returned with 19 prizes. Only two fell below second place. Jack Wright and Ralph Smith carried the entrants to the show. Bill Kueker and B. H. Hopkins went after them Saturday afternoon and received the awards. Wright, Smith, Kueker, Ruth Callahan, Jasper Vaughn and Stanley White were the exhibitors.

Mr. Wright's White Plymouth Rocks' winnings were: First cockerel, first hen, first pullet, champion pullet and grand champion female of the show. Mr. Smith with his Buff Orpingtons won first, second and third Buff cock, second cockerel, first hen, first and second pullets and champion cock of the show. Ruth Callahan won first cockerel in the Buff Orpington class. Mr. Kueker exhibited the top white Orpington pen and second and third Buff Orpington hens. Mr. Vaughn won fourth prize with his Black Giant pullet. Mr. White, with White drake and first English Caller drake. Quality was exceedingly high in the Muleshoe show, with approximately 300 birds entered.

The Tri-County Show here December 12, 13 and 14 will be held in the Rosson Implement Company building, officials announced yesterday. The change in location was made to provide greater space and more light, as well as additional parking space for visitors. Prentiss Rosson is making the front of the implement company building available for the show.

Interest in the show is mounting higher as the dates draw nearer. It is thought that Mr. Hopkins vocational agriculture class will show about 200 chickens this season. The boys also will have charge of the planning and placing of the coops and will be on the job throughout the show.

There will be no entry fee and no charge for feed and cooping. As usual, the Tri-County is a free show all the way through, even to the leg banding. The West Texas Feed & Seed company will furnish feed for the birds as they have done for a number of years.

Thanksgiving

ENTER into His gates with thanksgiving, and into His courts with praise; and be thankful unto Him and bless His name. For the Lord is good; His mercy is everlasting; and His truth endureth to all generations. Psalm 100, 4-5

C. C. C. Company To Leave

Junior CCC Company 872, which has been stationed at the Hereford State Park for the past month, is making plans to leave Saturday for their new station at Tucumcari, New Mexico. Lt. Paul M. Ivanchich, commanding officer, received the orders to abandon the camp. It is understood that D. E. Colp, park head, is attempting to get a week's extension to

give the boys time to finish odds and ends that were delayed this week because of inclement weather. However, Lt. Ivanchich must work under present orders and is preparing to break camp. The new camp must be in operation next Monday. Lt. Herbert B. Wells, second in command, went to Tucumcari Sunday with a squad of 30 boys and eight truck loads of

equipment and supplies to prepare the camp for occupancy. All Texas experienced men must be transferred out of the company when it prepares to leave the state. Thirteen of them will leave the company, most of them going to the Tyler district. Seven boys probably will be transferred to Perryton, also. The company expects to establish a side camp at Clovis.

60 Make Honor Roll For Term At High School

SIX WIN HIGH HONORS; FIFTH GRADE HAS 17 PUPILS ON ROLL

Nearly 60 pupils were listed on the high honor roll and honor roll at the high school for the second six weeks. Seven pupils were placed on the high honor roll. They were Mary Turrentine, tenth grade; Joan Carswell, seventh grade; Elma Shuggart and Doris Elaine Dillehay, sixth grade; Mattie Louise Lawhon and Billie Louise Barber, fifth grade, and Jack Nix, ninth grade.

The fifth grade set the high point for honor roll students with 17 who qualified for the period. They were Gloria T. Cress, Mabel Henderson, Peggy Reed, Mary Ann Acker, Billie Jean Angelo, Harold Cole, Lois Agnes Glibreath, Corinne Hamilton, Rachel Ireland, Richard Ireland, Margaret Ruth Kueker, Rena Rae Renfro, Ira Ruth Gibbs, Ruth Temple Hastings, Rue Wilson, Eleanor Wilson and Cleon Cawthon.

The eighth grade was second with 10: Grant Fuller, Marvin Kerns, E. B. Posey, Jr., Floyd Ross, John Willett, Raymond Witherspoon, Hertha Baer, Betty Cockerell, Juanita Ray and Lottie Tyson. The sixth grade followed with nine: Raylan Evans, Billie Louise Davis, June Dameron, Kathryn Henderson, Margaret Higgins, Theresa Smith, Dorothy Watts, Calvin Brumley and Bobbie Davis.

Other honor roll students were: fourth grade—Margaret Olson, Billy Dameron, Vera Rea, Mary Helen Cross, David Neal Beavers, Virginia Ann Dillehay. Tenth grade, Virian J. Fuller, Imogene Roberson, Billie Jo Roberts, Nellie Jo Shreves. Eleventh grade, George Conklin, Ruth Bowsler. Sub-freshmen, George McLean, Polly Anna Crawford. Ninth grade, Viola Beryl Phillips.

Cotton Checks Received.

Twenty-seven cotton checks totaling \$380.06 were received this week at the county agent's office. They represented second rental payments on 1935 cotton contracts.

Mrs. J. A. Pitman and children were Amarillo visitors Saturday.

With every starter ready to go and fairly spoiling for a good fight, the Hereford Whitefaces invade Dalhart Thursday to battle the powerful Wolves for the gridiron championship of District 1, Class B.

Steadily by the knowledge that they are slight underdogs in the clash, the Herd is keyed to take the fight to the host club from the start, and ere t he crown has been placed on the brow of one club one of the toughest fights of

SPECIAL TRAIN IS ASSURED TO GAME

A special train will carry the football team and dozens of fans from Hereford to Dalhart for the District 1 championship game Thursday. Plans for the special were completed last night.

The train will leave here at 7:45 o'clock Thursday morning, arriving in Dalhart at 11 a. m. The return trip will be started immediately after the game, reaching home at about 8:30 p. m.

The round trip fare is \$2.25. Tickets may be purchased and receipts exchanged for tickets at the Close Drug Store until Thursday morning.

Whiteface history probably will have been witnessed by hundreds of fans from both cities. Evenly Matched.

According to advance dope, the two clubs are about as evenly matched as two teams could be, without taking into consideration the field upon which the game will be played. But that field may make a lot of difference. Accustomed to a fast grass sod, the Whitefaces will be forced to battle on a dirt field, and if it's like it was a few years back, it'll be about ankle deep in sand.

The starting line-ups average slightly more than 160 pounds to the man. Dalhart's starters tip the scales to 162 points. According to weights made early in the season, the Whiteface starters average 164. However, there could easily be a fluctuation of two pounds to the man either way by either club. Dalhart has no starters as small as Barber or Hastings and none as large as Willett, which indicates the club is even more well balanced than is the local eleven.

Electric Power Is Sought For Rural Section of County

CHEAP ELECTRICITY FOR RURAL USE IS AIM OF REA PROJECT

H. V. Hennen, secretary of the chamber of commerce, this week publicly announced the efforts of the commerce body to secure a rural electrification project for Deaf Smith county. Data is being gathered prior to the filing of application with the Rural Electrification Authority, which has a billion dollars at its disposal for this purpose.

W. L. Pearson, engineer for the Texas Utilities Company, at Lubbock, was in Hereford Saturday night meeting with Mr. Hennen and C. R. Smith, two members of the rates committee. He is compiling information concerning the rate at which the utilities company may supply electricity to the cooperative. This information is expected to be available within a short time.

The present plan of those sponsoring the project is to form a cooperative of all persons receiving power from the lines. This will be a non-profit making organization. It will borrow money from the REA to build power lines over the shallow water belt at a rate by which irrigation pumps and rural electrification may be operated profitably.

The plan now calls for 65 miles of line, which will serve about 70 rural homes and 50 irrigation wells. It will be so formed as to allow for the extension of lines at any time the demand is sufficient. Mr. Hennen pointed out that these are tentative plans and may be changed and recharged before the project is completed.

Numerous rural electrification projects already have been approved and started over the country, most of them centering around the Tennessee Valley Authority project. However, the REA makes the program available to communities that have community power plants or can secure suitable rates from the utilities company serving the area. The organization would be managed like any other cooperative society, but conforming to the regulations of the Rural Electrification Authority.

First Payment On Split Taxes Is Due Nov. 30

REMAINDER JUNE 30; IF NOT PAID NOW ALL IS DUE JANUARY 31

Attention is being called to the fact that the first half payment of county-state taxes is due on or before Saturday, November 30. Payment of half the taxes at this time will enable the taxpayer to wait until June 30, 1936, to pay the second half. Deaf Smith county taxpayers are urged to give consideration to the payment of taxes this week-end if they wish to take advantage of the split payment plan.

If taxes are not paid on the split plan, all 1935 county-state taxes will be due on or before January 31, 1936, to avoid interest or penalty. Since the Supreme Court declared the three, two and one per cent discount law unconstitutional, taxpayers have their choice only of the split payment in two installments or the one to pay by January 31, 1936.

The same plan also applies to city taxes, which are collected at the city office. Mayor Charles J. Paddock said that the response has been good, but greater response is expected this week-end. He urges all taxpayers to take advantage of the split payment plan.

Mrs. Effa Rutherford returned Tuesday morning from a week's trip to points in Oklahoma and in Dallas. She accompanied Mr. and Mrs. John Allen of Amarillo.

Thanksgiving Proclamation

By virtue of the power vested in me as Mayor of the City of Hereford, Texas, and following a time-honored custom established and observed by our forefathers, I hereby call upon our citizens to observe Thursday, November 28, 1935, as a day of Thanks Given and Prayer.

Today we have not been slighted with the advantages and pleasures that are inherently ours, and the future holds much promise for the people of this area. Our nation is at peace with all nations, and the foundations of this Democracy established by our forefathers remains yet unshaken. CHARLES J. PADDOCK, Mayor. City of Hereford.

City to Pause For Period of Thanksgiving

PLANS ARE COMPLETED FOR RUSH OF HOLIDAY SEASON

Even as they are preparing to observe the Thanksgiving holiday, local merchants are getting ready for Christmas—stores are being stocked with the latest gift merchandise and several toylands have sprung into being. Numerous repair and paint jobs are under way or just completed as the city is being dressed up for the occasion, and red and green, Christmas colors, are the vogue as decorations go into place within the establishments.

Anticipating one of the busiest holiday seasons in several years, the gift lines, from toys and small remembrances to expensive gifts of furniture, radios, automobiles, fine clothing, jewelry, perfumes, and the like, are more complete this year than during the last few seasons. People of the Hereford area are going to find more selections, better values and wider varieties of gifts to select from and merchants are going to be equipped with larger sales forces and better means of caring for the increased trade.

The theme song is going to be "shop early and avoid the rush." Postal authorities are planning for heavier mailing than in the past five years and already are laying plans to care for this business, but also are insisting upon early mailing for satisfactory delivery before Christmas Day.

But right now, the city will pause in its preparation for the Christmas period to give thanks to the God who has bestowed numerous blessings upon this area and the nation. Most of Hereford will be closed Thursday, as business men and others make the day one of rest, feasting and enjoyment of whatever pleasures happen to fit their fancies. The largest single drawing card probably will be the Whiteface-Wolf football battle at Dalhart for District 1 honors, which will be played during the afternoon. Despite the distance, many backers of the Herd are expected to make the trek.

Duck hunting will attract its share of pleasure seekers, and other football games probably will attract a few from this area. Many others will spend the day in their homes, enjoying the family contact and day of relaxation. But however the day is spent, to a great majority of the people, Thursday looms as a real day of thanks giving, fittingly observed.

Expect Corn-Hog Program To Get Under Way Dec. 2

TOSS-UP PREDICTED AS CLUBS STRUGGLE FOR DISTRICT 1 CROWN

Corn-hog compliance probably will start December 2. Dewey Reed stated yesterday. At this time each contract signer will have to report the number of pigs farrowed from December 1, 1934, through November 30, this year. If he has sold any of these, the date of sale, name of purchaser and weight of pigs must be shown on the compliance papers, as well as the number on hand as of November 30.

If he has purchased any hogs he also must furnish a statement as to whom they were purchased from and the weight of the hogs purchased, and if resold, the date of sale, weight of hog and name of purchaser. Contract signers will be notified when to report. Having this information ready will facilitate handling of papers and insure quicker payment of last corn-hog checks. Reed stated.

First half payment of 1935 county-state taxes is due on or before November 30. Payment of the first half will enable you to pay the second half on or before June 30, 1936.

Deaf Smith County taxpayers are urged to give consideration to payment of taxes now, if they wish to take advantage of the split payment plan.

Otherwise, 1935 county-state taxes will be due on or before January 31, 1936, in full, to avoid interest or penalty.

SPECIAL NOTICE—The Supreme Court has declared the three, two and one per cent discount law unconstitutional. You have your choice only of the split payment payable in two installments, or the one to pay by January 31, 1936.

When Mr. Dillehay put the civics test on the board, he decided to conclude it with the geometry sign of finish. Students were amazed to see QUET at the end of the last question. Incidentally, he was probably astonished, too, because he hastily erased the U when it was called to his attention.

LOOKING AHEAD

Last year when the seniors of HHS were graduated there were some who just dropped their heads and said, "Well, what now? Where do we go from here?" By the expression on their faces one could tell that they had not looked ahead.

If seniors would only look into the future and work for a certain goal, graduating would be a grand event of their life. As it is now most of them, look at it merely as a stopping point. If, all through their school career, they would plan to do something great, to accomplish something that no other person could, then there would be an increase of intelligent people in the world.

Looking ahead is valuable to man as well as to his acquaint-

ances. It helps him to have better opportunities in later life. It helps him morally, physically and socially.

The men who try to do something and fail are infinitely better than those who try to do nothing and succeed.—Floyd Jones.

By the time this is in print, the students, teachers and patrons of the community will be enjoying Thanksgiving Day. Some people probably think that they have nothing to be thankful for or to consider, they will know that we of modern times will have much more than did the people who first celebrated Thanksgiving Day. Let's make the most of our advantage and opportunities.

PEP CLUB GETS UP

Twice in the last two weeks the pep club girls have been stirring in their warm beds at 7:30 and getting to school at 7:45. It has been cold these mornings, too, but every girl was there and almost everyone was on time. It really takes grit to get up so early these cold mornings and walk around outside for an hour until one's fingers are numb and one's toes are rattling around in your shoes.

Why did the girls come up here so early? They were practicing a stunt for the Canyon-Hereford game. Those who went to the game Friday at Canyon saw what the band and pep girls have been doing the last two weeks.

DEBATE

A regular weekly meeting of the Debate Club was held November 20. The club made a study of refutation. The discussion was led by Gaytha Wilson, president. Debates were then assigned for December 4, since there will be no meeting November 27.

HI-Y

The club met November 18. Two songs were given by the members. Basil McKinley led in prayer. Then Bud Brady gave a fine talk. "What this community is doing to help the needy and the town." Bob Baird gave a talk on, "What the United States is doing to help the country." Ted Clancy talked on "How the orphans homes help to bring up good citizens." Donald Hicks was elected vice president when Roy Hastings offered his resignation. Eugene Harman and Billy Smith are to receive invitations to join the club. Meredith Montgomery and Dean Dunlap have joined the club. A quartet consisting of Bill Stanford, Clyde Posey, Henry Turner and Ted Clancy has been organized. A Father and Son program was held at the Methodist church on Tuesday evening, November 19, with Pat Henry as principal speaker. This program was sponsored by the Hi-Y, Lions Club, Cowhands and Boy Scouts.

STUDENT COUNCIL

At activity period, November 18, the Student Council met in the physics laboratory for the regular meeting. The Council discussed a program to arouse public opinion against pilfering lockers and destruction of library books. Misses Frances Borden and Vira Wederbrook submitted skits for this program. These were voted on, accepted and will be given in assembly soon.

HOME ECONOMICS CLUB

The home economics club met November 17 at activity period for a regular meeting. After the meeting was called to order, the constitution was read and part of it was voted upon.

The club wishes to express appreciation to every individual who has had a part in helping sponsor "Shipmates Forever." Especially does the club wish to thank Mr. Hardwick who made it possible.

The Sophomore class received credit for selling the most tickets, while Genece Standifer and Minnie Dea Smith sold the highest number. Money made will be used to send delegates to the home economics rally in the spring.

"DINNER WILL BE SERVED"

Second year home economics girls, after having finished studying a unit on dinners, planned, prepared and served three dinners last week. The first, given November 12, was for the school board, with Miss Joyce Davis as hostess. The second, on November 13, was given seven presidents of the various women's clubs of Hereford, with Miss Francis Borden as hostess. The third, given Thursday evening, was for men of Hereford public school faculty, with Miss Genece Standifer as hostess.

These dinners were well planned, prepared and served.

A DISTINGUISHED VISITOR

Miss Esther Sorenson, home economics supervisor for this district, visited the home economics department November 20. She was here to visit the department, offer suggestions for improvement and report the work being done. Miss Sorenson is district supervisor of 31 counties, and her headquarters are in Lubbock. She is cordially invited to visit the department again at any time.

EXCHANGE

The Whiteface Roundup received a paper from Panhandle again this week. This paper is printed at the school and is four pages long. The name of it is The Panther Scream.

This is a very nice newspaper for a school, because it carries much school news and not only deals with high school classes, but has articles from the grade schools also. There is only one default about the paper as a whole, and that is that the printing is not clear enough in places.

Local Chuckwagon

FRESHMEN

The high school auditorium was the scene of much excitement and noise as the freshmen gave their class yell Tuesday morning for Hereford's football team.

Several free passes were given to freshmen home economics girls for their success in selling tickets for "Shipmates Forever" at the Star Theatre. The girls worked hard selling tickets and were rewarded for their work. The freshmen lacked only a few tickets, which were unsold, from winning passes for the entire class. The sophomore class had sold a few more tickets than the freshmen, so they received passes for the entire class to see "Freckles," show at the Star Theatre.

SOPHOMORE CLASS

The sophomore home economics girls sold more tickets to "Shipmates Forever" than any other class. The manager of the Star gave the class a party to see "Freckles" Friday, and the class wishes to thank Mr. Hardwick and the girls for giving this party.

SENIOR CLASS

In class meeting November 16, the seniors discussed the cost of an annual, and it was evident the expense would be too great to consider this year.

Ralph Jennings, a former member of the class, recently sent best wishes to the Seniors, and the members were glad to hear from their former classmate.

Beginning with this month the class members will have dues of a dime a month to pay miscellaneous expenses. In the past it has been hard to collect small charges, and for this reason the class has been divided into groups with a captain for each who is supposed to collect in his groups. It will be much more satisfactory if all dues are paid on time.

FIRE DRILL

HHS had its first fire drill Wednesday morning during first period. All students took part and much was accomplished in the way of safeguarding students in case of fire or other disaster.

Every student in the building was perfectly quiet for a brief second when the gong was heard, and then each rose and marched in an orderly manner from the building.

The school has elected and appointed many officers for the occasion. The fire chief is responsible for the entire proceedings. He collects from floor captains the room numbers that they have received from the various room captains. In this way each room is hurriedly and orderly accounted for.

In the future these drills will be improved, but for the first drill the student body did well.

TEACHERS ATTEND TSTA

The annual meeting of the Texas State Teachers' Association will be held in San Antonio November 28-30. There will be several special meetings preceding this.

Hereford teachers who are to attend include Superintendent C. H. Dillehay, Miss Irene Crawford, speech teacher, and Miss Harris, writing and drawing teacher.

Corinne lay still and did not speak. Fear filled Silver's heart as she fixed her eyes upon Corinne and wondered, with something like despair, what was passing in the mind of this girl who was Roddy Willard's wife. Once or twice she felt that she must say something to warn her against Gerald Lucas and the bright disaster that awaited any woman who gave him her love. But the words would not come. At last, with an inner trembling, she got up and spoke softly.

"I hope you feel better."

Corinne turned over and yawned. "Lots better. Thanks so much, Silver."

Silver patted the coverlet on Corinne's shoulder. "Try to sleep now. And I'll come up in the morning right after breakfast, to take you on our hike."

"Perhaps it would be better to postpone it till the afternoon—or maybe another day," Corinne suggested. "I'm expecting a telephone call tomorrow."

Silver regarded her for a moment in silence. "Well, go to sleep now, anyhow," she said, and stole quietly out of the room.

Alone again under the cold starlight, Silver found that her ministering to Roddy's wife had had a profound effect upon herself. All that lawless feeling for Roddy that had battled within her for weeks retreated now before a burning pity for Corinne and a feverish resolve to do everything in her power to save Roddy's wife from herself and her false sense of values.

CHAPTER IX

In March, after a prolonged spell of bitter cold and very little snow, a sudden thaw set in. The back of the winter, as Sophronia said, was broken.

But everywhere the talk was of the gloomy outlook for the farmer. "A man doesn't know whether to pray for rain or drouth. If there's a bumper crop prices will go still lower—and if you don't plant at all, you get nothing."

Roddy reflected. What if he had to sell his last year's grain at practically no profit to himself. He

was no worse off than countless farmers whose obligations were staggering compared with his own. He could still give Corinne enough money to buy herself some spring clothes, though she probably would never know how much it meant to him. Well, perhaps things would be better now that suring was here.

For that matter, things were better. Corinne had been more like herself during the past few weeks. He was well aware that Silver Grenoble had had much to do with the change in Corinne's state of mind. He had seen very little of Silver, but she and Corinne had become very friendly.

He slowed down as he saw a horse and rider. It was Silver Grenoble.

"Where do you think you're going, all by yourself?" he laughed.

"If you really must know," she replied, "I'm going down to get some dogwood near the lake."

"Why don't you come up to the house some evening, when I'm around? Gosh, I haven't seen anything of you since Christmas!"

"I've been busy," Silver retorted simply.

Roddy smiled. "Busy giving lessons in good cheer to my adorable wife, eh? Well, you've made a good job of it."

The sudden flags of color flew in Silver's cheeks, and Roddy suffered an acute pang of distress.

"Run along and get your dogwood, then," he said hurriedly, and started his car.

As he continued on his way, Roddy found that he could not dismiss from his mind that swift, baffling blush his sally had won from her. Her face had had the delicate flushed courage of a spring flower. She was not of the land in the same sense that Paula Gebel was. Paula was like a field of ripe wheat. But Silver Grenoble had an earthy quality all her own; she was like young grass in a pale spring sun, or sheet lightning in a summer dusk, or the shadow of a bird's wing over water. Roddy was glad that he could regard her so disinterestedly now, for her own fine values.

loneliness. Here were two, at least, who were going forward with their lives unaware of the defeat and helplessness that were stalking about them.

After supper one the evening before the wedding day, Roddy and Jason were at work in the sitting room of the stone house on a wooden lattice which when decked with chokeberry and plum blossoms would form a house about the bride and groom for the ceremony.

Paula was watching the progress of Roddy's and Jason's work when Corinne entered in her green tweed riding habit.

"You're back early!" Roddy said.

"Didn't the Richters' give you a nice dinner party?"

She seated herself. "Oh, it was all right. They had a lot of dull people up from town—rather tiresome."

Corinne pulled off her gauntlets. "I'm going to miss Paula terribly," she said, and made a sweet, delecting little mouth at the big German girl, who was still standing with her hands pressed nervously against the back of a chair.

A few moments later Roddy and Corinne left for the big house. As soon as they were outside Corinne took his arm and drew herself close to him.

"I want you to do something for me, darling," she said in her sweet-

Humble, County Judge of Deaf Smith County, Texas, do hereby order that on the 30th day of December, 1935, at the school house at West Way, in said subdivision, an election shall be held for the purpose of enabling the freeholders of such subdivision to determine whether horses, mules, jacks, jennets and cattle shall be permitted to run at large in such subdivision, to-wit: said subdivision being in Deaf Smith County, Texas, and bounded as follows: Beginning at the north east corner of Section No. 4, Block K-8, in said County, and running thence west with the section lines to the north west corner of the J. That polls shall be open for such election at the West Way school house at West Way in such subdivision; G. C. Hartman, P. H. Gilliland and R. M. Gunn, being proper persons for such purpose and freeholders and qualified voters of such county and such subdivision, are hereby appointed as

All votes of such election shall be by ballot and voters desiring to prevent the animals designated herein from running at large in said subdivision shall place upon their ballots the words, "For The Stock Law," and those in favor of allowing such animals to run at large, "Against The Stock Law."

On or before the tenth day after

Public notice of this shall be given for at least thirty days before the date of such election by publication thereof in the Hereford Brand, a newspaper published in said county.

"But, Lord! How Am I Going to Explain It to the Folks?"

est manner. "I simply can't be at the wedding tomorrow. And I want you to explain it to the family. I know it sounds terrible to you, darling," she went on. "But Evelyn Richter told me tonight that Harrison's are having a big sale tomorrow in the city—just for one day. It's an awfully exclusive shop, you know, and I'll be saving money if I take advantage of the sale. I can stay over night at the Lombard's and it won't mean any extra expense."

"It'll cost you six dollars in gas to go there and back in the car—and more if you take the bus," Roddy said.

"Evelyn is going down first thing in the morning and she has promised to call for me and bring me back."

"But, Lord! How am I going to explain it to the folks? Paula will feel hurt no matter what I say to—"

"I'll speak to Paula tonight. I might fib a little if necessary, and tell her I have to go to mother."

"Why not tell her the truth—if you have to tell her anything?"

"After all, Roddy, there's no need of hurting the girl's feelings any more than necessary."

"It seems to me you aren't giving much consideration to her feelings as it is."

Corinne drew away from him. "I have done far more for her than lots of women would do for their maids. You seem to forget that I've suffered no end of embarrassment ever since I knew that Jason was going to marry her. Having a maid working for you every day—and knowing that she is going to marry one of the family—I've never said anything about it, but—"

"What's wrong with it?" Roddy demanded.

Corinne shrugged her shoulders. "Well—I don't expect you to see it from my point of view, of course. After all, it's none of my business. What I think—or feel—doesn't seem to matter much anyhow."

Anger flamed suddenly within Roddy. He checked the retort that sprang to his lips. They had arrived before the door of the big house. He turned away abruptly and started for the barnyard.

"Aren't you coming in?" Corinne asked in surprise.

"I have some work to do first," he told her.

BAY VIEW CLUB STUDIES RUSSIA

Continuing its study of Russia, three vividly interesting numbers for the Bay View Club pictured her from the respective angles of literature, drama and music.

Mrs. Slaton, in her discussion of Russian literature, showed how the age-old oppression of her people had found a voice of protest in her literature and a voice of hope for a brighter day as well. That Russian literature contains the elements of true greatness, she based on the opinion of outstanding world critics.

Mrs. McCollum pointed out the innate drama that is Russian life is manifest in the old and new product of thought presented by her dramatics. She revealed the legitimate stage and the movie as perhaps the nation's strongest influence in their utilitarian importance in putting her principles before the world.

Finishing in Russian music the soul-cry of a people expressed permanently in a great art form, Mrs. G. A. F. Parker told of Russian music and musicians in the closing number. Certain familiarity with, and understanding of the musical history of Russia, added strength and vitality to her presentation.

"POUNDING" HONORS REV. AND MRS. WILLET

Rev. T. C. Willett, pastor of the Methodist church, and Mrs. Willett were honored Friday evening with the most successful surprise "pounding" from members of their congregation.

From the J. F. Ward and C. B. Williams homes, the guests proceeded in a body to the parsonage, every one looking the part of a veritable Santa Claus, for all brought gifts. The collection included a generous supply of almost everything that a well-stocked pantry contains.

An informal reception had been arranged, an impromptu program consisting of talks by E. C. Eubanks, Rev. Paul Collins and Miss Mattie Mae Swisher with reflections from the recently closed Methodist conference by Rev. Willett. Fruit punch and wafers were served.

About 75 guests were in attendance.

MRS. HETTIE COCHELL HOSTESS TO LADIES

Mrs. Hettie Cochell was hostess Wednesday to a group of ladies who spent the afternoon hemming dish towels for the use of the First Christian church kitchen. A box of clothing for the Juliette Fowler children's home at Dallas was also prepared. A lovely social hour was enjoyed.

Sharing Mrs. Cochell's hospitality were Mmes. Kester, Ramsey, Coombs, Elliston, Beams, Cunningham, Cockrell, Stambaugh, Dameron, Askren, McKee and Lantz.

AMATEUR CONTEST DECLARED SUCCESS

The amateur contest sponsored by the Junior Band Mothers and staged in the high school auditorium Thursday evening is declared by those who had it in charge to have been an unqualified success.

There were entrants from over a wide local territory, Vega, Walcott, Messenger, Summerfield and other communities being represented.

First prize, \$7.50, was won by Miss Viva Mae Thomas of Summerfield with a chalk talk. Miss Thomas gave several descriptive talks, illustrating each with a crayon sketch which took form with the development of her story. Second prize, \$5, was won by a boys trio made up of Chilton Foster, Karl Wilson Shirley and Dean Dunlap, who sang comics in costume. Miss Mary Jane Wiseman of Vega won third place and an award of \$2.50 with a reading.

The judges were Mmes. J. C. McCracken and H. D. Reed, Messrs. Ralph Smith, F. W. Dodson of Westway schools, and Marlin Gilliland. They have stated that judging was difficult owing to the general excellence of all the numbers, there being only a slight margin among them. Contestants were graded on stage appearance, attitude of audience, articulation or rhythm, selection of material used and method of presentation.

The attendance provided money for the prizes, paid all expenses and left a neat sum in the Band Mothers' treasury. Another contest to be held about the last of January is planned. Proceeds of the contests is to be applied on a Centennial fund which it is hoped will be sufficient to furnish a trip to the Centennial for the band next summer. The band played several numbers before the opening curtain and while the judges were making their decision.

DISCUSSION GROUP LED BY MRS. O. G. HILL

A comprehensive outline of the objective mind was presented for consideration of the Discussion Group Friday by Mrs. O. G. Hill. The discussion was general and served to bring out much of informative value.

In addition to her outline, Mrs. Hill presented a number of questions relative to the discussion topic that she had received during the week. The innovation was so well received that the group decided upon a regular question box. This has been placed in the library.

Owing to Thanksgiving holidays, no meeting will be held Friday of this week. The following week D. W. Hawkins will lead the discussion on "Happiness—What It Is and How to Find It."

BACK TO THE FOOTBALL PROBLEM

Roy B. Henderson, athletic director of the University of Texas Interscholastic League, is at work on the disputed 18-year rule for high school athletics, which is scheduled to go into effect next year, and unless we miss our guess or the high school officials get busy, he is going to put it over. We are in receipt of a questionnaire in which he strives to point out that unless the 18-year rule is adopted Texas high schools will openly admit "the school is for football" and it is the desire of the school "to honor and glorify the abnormal pupils." At first he claimed the purpose of the rule was to put the smaller school on a more even footing with the larger institution, but the small schools have objected the loudest, finding they will be handicapped more severely, so he has completely dropped this argument.

Highpowered speakers are going to laud the rule at the league breakfast in San Antonio Friday morning before a very small representation of schools, and the rule is going to be approved by a minority. At least, that appears to be the coup planned by those who support the rule. They refuse to adopt a democratic plan and submit the question to popular vote.

There are those who feel the University of Texas is the "host" to high schools in the league and we should act according to our host's desires. But we are repelled by any such attitude. The University of Texas may force West Texas to withdraw from the league and thereby split the largest high school athletic loop in the world, but in the end it probably would prove better for the clubs in West Texas. Through the sponsorship of West Texas Teachers College or Texas Tech, a West Texas Interscholastic League could be formed, and both Class A and Class B titles for the entire loop determined. More conference competition, upon which the fans thrive, would be provided and the season could be ended on or shortly after Thanksgiving, which is the proper closing date for the football season. The organization would be democratic in nature.

THREE FROM SCHOOL LEAVE FOR STATE TEACHERS MEET

Superintendent C. H. Dillehay and two teachers from the local high school, Miss Belle Harris, art and penmanship, and Miss Irene Crawford, English and music, left Tuesday afternoon by car for San Antonio for the state teachers meeting this week end. They were joined at Canyon by Mr. Harris Cook, of the teachers college, and at Amarillo by Miss Lorene Christian, teacher in the Amarillo schools.

A LONG TIME AGO IN HEREFORD

(From The Hereford Brand, December 2, 1904.)

Ira Aten had written a long letter to Judge L. Gough describing his new life and surroundings in California.

School note: Horace Baird had been badly hurt while playing football.

Free mail delivery had been inaugurated in Amarillo, with two regular and one substitute carrier.

J. M. Gist had topped the Fort Worth hog market, receiving \$4.90 per cwt.

Rev. Mr. Brendle and family had arrived in Hereford from the Indian Territory, and he was to be in charge of missionary interests of the

Baptist church in this territory.

The first bale of cotton ever gathered in Deaf Smith county had been brought to the gin the previous Friday by L. E. Cobb, who lived just south of town.

(From The Hereford Brand, December 4, 1914.)

Light rain, followed by snow was reported general over the Panhandle.

Backlash of a car he was attempting to crank cracked one bone in the right arm of Bryan Edwards.

A wagon driven by Fred Utesch was struck by a passenger train at the 25-Mile Avenue crossing. The wagon

was turned over, and Mr. Utesch received a broken leg.

The home of Frank Axe in Parrot community caught fire but prompt attention prevented heavy damage.

W. M. Cogdell had found a long handled pitchfork and was seeking the owner through a Brand want ad.

Miss Lula Wood had returned from a stay in Colorado.

Gustav Kroenscheen and Miss Anna Kripe had journeyed all the way from Iowa to Dalhart to get married, the long trip being necessary before they found a state in which cousins could be legally married.

Whitefaces Invade

back formation with at least two backs handling the ball on nearly every play. The Wolves offer a versatile attack that, after a poor start early in the season, piled up some mighty impressive victories and made the Wolves one of the most feared Class B eleven in the Panhandle. With Captain Bryant Hall definitely out of the game because of several cracked ribs, Leland Harter, 160-pound left halfback, will be the core of the Wolf club. He specializes in center and off-tackle smashes and sweeping end runs—probably another job for Clayton and Benge as defensive wingmen. Big "Kayo" Koch, 170-pound end, will do the punting and passing, while Eddie McCracken, 156-pound tackle, will do the place-kicking, if any.

JUNIOR BAY VIEW CLUB GUESTS OF MISS KIRBY

Katherine Kirby was hostess to the Junior Bay View Club last Thursday evening, with Fern Carlisle conducting the lesson study.

Josephine Johnson's Pulitzer prize novel, "Now in November," furnished the fascinating material out of which Gwendolyn Spradley gave a most interesting lesson. The simple unadorned sordings of Miss Johnson's story was realistically portrayed with all of its beautiful undercurrent of truth and strength, to make an impressive lesson.

A refreshment course of pie and coffee was served.

SUMMERFIELD YWA TO PRESENT ONE-ACT PLAY

The YWA of the Summerfield Baptist church will present a one-act play, The Gift, by Marie Foley, at the church Sunday evening, December 1, at 7:30. The play is a story of the healing of a little lame boy and a blind stranger. Its setting is a Judean village in 30 A. D. The following cast will be used:

Joel, a little lame boy, Ruby Thompson; Huldah, the woman of the house, Opal Roberson; Malachi, Huldah's father, Kathleen Wade; A. Stranger who is blind, Mildred Walser; Gabriel and Martha, neighbor's children, Leatrus Clark and Jessie Schulz.

There will be no admission charge but the Lottie Moon Christmas offering will be taken.

D. H. Alexander returned Tuesday from a trip to Wichita Falls, where he visited his father, and to Dallas where he attended to business.

SOUTHERN FOLK-LORE SUMMERFIELD CLUB'S PROGRAM THEME

Mrs. B. E. Roberson was hostess to the Summerfield Study Club Thursday afternoon when an interesting program introduced Southern folk-lore as an important adjunct to the literature of the South.

Tall Tales From the Timberland was a series of charmingly-told folk stories gathered from Montague's "Up Eel River," and delightfully given by Mrs. Guy Walser.

A History of the Negro Spirituals was made graphic and forceful in Mrs. Troy Welty's presentation. Mrs. Welty illustrated with the piano the development of the spirituals from the simple score to the more complicated melodies and pointed out the real beauty in this primitive musical expression.

A reading charmingly given by little Miss Billie Ray Johnson was followed by several illustrative spirituals sung by the Lane Duck quartet.

Pumpkin pie with whipped cream and coffee was served.

B. & P. W. HOSTESSES AT THANKSGIVING PARTY

Members of the Business and Professional Women's Club were hostesses Monday evening of an elaborate and charmingly arranged Thanksgiving dinner party and entertainment given at the American Legion Hall. The room was appropriately decorated with bundles of fodder, life-like pheasants and turkeys adding to the naturalness of the picturesque setting. The tables were in white with white candles and were centered with miniature rustic cabins, typical homes of the very realistic Pilgrims placed near them.

The festivities were originally planned for te entertainment of the Plainview B. & P. W., but that unusual Plains phenomenon—rain—prevented their coming and a number of Hereford friends had the good fortune to take their places at the lovely board. The menu included turkey, dressing, giblet gravy, candied yams, wax beans, hot rolls with butter, cranberry salad, celery curls, cheese pie and coffee.

A program consisted of club songs, violin solo by Hertha Baer and vocal solo by Calla Mountz, both accompanied by Ruth Marie Mountz, a reading by Marlin Gilliland, and a very effective dramatic pantomime by Cecil Williams, Emily Minter and Fay Dodson. More than 40 members and friends enjoyed the delightful function.

MRS. G. A. F. PARKER PRESENTS PUPILS

A group of the piano pupils of Mrs. G. A. F. Parker gave a very real pleasure Saturday afternoon, when they appeared in recital before a company of patrons and friends at the home of Mrs. Parker.

The program was varied and thoroughly delightful, including as it did solos, duets and trios, and closing with a musical playlet given in costume. In the latter number the youthful musicians played selections from many of the classic composers, the simple melodies having the charm that belongs so definitely to the works of great musicians. Home-made candy was served at the conclusion of the program.

This was the first of a series of recitals to be given during the year. Those taking part were Joan Smith, Marie Williams, Margaret Barber, Helen, Kathryn and Mary Ann Acker; Virginia Ann and Doris Elaine Dillehay, Maxine Beach, Margaret Higgins, Margaret and Vivian Olson and Marthanelle Ewton.

Mr. and Mrs. W. C. Pitman spent Saturday in Borger and Pampa.

HELEN ANN PITMAN OBSERVES BIRTHDAY

A happy occasion was the lovely party which on Tuesday celebrated the seventh birthday of Helen Ann Pitman at the home of her parents, Mr. and Mrs. J. A. Pitman. The afternoon was filled to overflowing with all the delightful games that children love, the large number playing adding their measure of new joy. The climax came with the thrill of seeing the gayly decorated table and the splendid pink birthday cake with its seven glowing candles.

The guests brought their sewing, knitting or crocheting and worked to the accompaniment of happy voice, later being served a plate lunch of sandwiches, salad, potato chips, pickles and cocoa. Twenty guests enjoyed the pleasant hospitality.

MRS. LILLIE E. SMITH HONORED ON BIRTHDAY

A lovely surprise birthday dinner honored the 75th birthday Tuesday of Mrs. Lillie E. Smith, the occasion being celebrated at the home of her daughter, Mrs. C. F. Cockrell. Beautiful in its spirit of close friendship and sincere regard as well as in its material appointments, the day was a happy one for both the honoree and for those who had planned for her this delightful expression of appreciation.

The noonday dinner, served from an exquisitely laid table, featured a delicious Thanksgiving menu, place of honor being given to the birthday cake, a mammoth angel food delicately iced in pink with a dainty ornamentation of green leaves and with pink candles. This was the work and gift of Miss Ruth Elliston.

The guests were a group of neighborhood friends, all of whom are expert quilters and with Mrs. Smith spend many pleasant hours in the enjoyment of their favored pastime—quilting. Their gift was a lovely soft wool quilt pieced in harmonizing materials, quilted, and with the name of the honoree embroidered in its center. Each corner contained the name of one of the donors, who were Mmes. John Cunningham, A. H. Elliston, George Stambaugh and H. H. Hawkins. Mrs. Burl France, another daughter of Mrs. Smith, was also of the party.

Mrs. Smith received many other gifts from friends and relatives, making the day one long to be remembered.

PLEASURE HOUR BRIDGE CLUB ENTERTAINED

Members of the Pleasure Hour Bridge Club were guests of a delightful dinner bridge party Wednesday evening when they were entertained by their husbands at the home of Mr. and Mrs. Roy Jowell. The occasion was unique in that the elaborate dinner, so perfectly prepared and arranged down to the minutest detail of table decoration, was planned, cooked and served by these up-sal husbands, a group hitherto unknown in the field of culinary art.

The table appointments were attractive, the Thanksgiving motif being used here and throughout the rooms. The menu consisted of turkey, cranberries, celery, pickles, olives, salads, vegetables, a delicious dessert, and coffee. Quartet tables and buffet service was used. The dinner hour was 7:30.

In the games, high score prize went to Mrs. James Wilson, second to Mrs. Harry Lomas, and traveling prize to Mrs. Buford Farmer. Seated were Messrs. and Mmes. Mace Whitman, James Wilson, Bill Smith, Ralph Smith, Criss Renfro, Boyd London, Buford Farmer, Harry Lomas, Owen Stagner, Dick Dixon, Elmer Mathies and Roy Jowell.

ELECTRIC ENERGY COSTS IN THE LOW PRICE FIELD

The average budget during the last few months has met with any number of adjustments... The low figure of electric energy costs has been outstanding among the numerous items which appear in the average budget... More people are realizing daily that the trend of electric rates has been steadily downward for several years—even prior to the last few months... Better and improved methods of electric generation as well as the increasing number of useful means to which electric energy may be put have both contributed largely to this downward trend.

In line with a well established policy of this company in the way of adequate facilities and reasonable rates every customer has benefited materially through the use of electric service. The most recent contribution in making the service more available has found an increasing number of homes taking advantage of the company's ultimate rate for residential consumption. We are confident that you will find it to your interest to become better acquainted with how you may be benefitted.

Whitefaces Trample Canyon In Gridiron Classic, 33 to 7

BATTER DOWN STRONG RESISTANCE OFFERED BY LIGHT TEAM

Hereford's stampeding Whitefaces tramped into the sectional title room last Friday afternoon at Buffalo Stadium in Canyon, but not until they had worn down the stubborn defense and inspired attack of the Eagles were they able to pile up a 33 to 7 victory in the annual gridiron classic of the district.

Not more than 1,000 fans, most of them from Hereford, saw the Eagles offer determined resistance and heads-up charges during the first half, attempting to overcome great odds and hold the Herd in check. But the best their efforts could offer was to limit the Whitefaces to two touchdowns during the opening periods and push across a score of their own, of which the Eagles were as proud as were the visitors of their championship.

Run U Wide Margin. Tommie McCollum's lads came

back in the last half to shove the Eagles out of the way and romp along to a substantial margin, but the feathered tribe had spent its strength and its resistance grew weaker, albeit the home club never ceased putting out all it had. Dobbs, Johnson and Taylor led the Eagle attempts, while such linemen as Harris, Burrus, Arent and Bewley smothered many Hereford attempts during that first half. The little Canyon backs also stopped the touted Hereford aerial attack, which in itself was an accomplishment.

Daniel, although he fumbled often, was one of the mainstays of the Whiteface attack, running low and driving hard to pick up many yards and one touchdown after he was seemingly stopped. Patton played commendable ball and accounted for two of the touchdowns, both on short drives over the line. Led by Barber, who returned to his guard position after several weeks absence to smear his usual number of plays before they got started, and by Clayton and Bengé, shifted to de-

ensive end positions to halt Canyon's wide runs, the Hereford forwards almost completely rubbed out the Eagle's offensive threat, except on trick plays that caught them off balance on several occasions. The Eagles were limited to four first downs, 49 yards gained from scrimmage and two completed passes for a total of 40 yards and a touchdown, while the Herd romped 240 yards, completed four passes for 79 yards and garnered 15 first downs.

Score in First Period. Hereford drew blood just before the first period ended, with Clayton plunging over from the three after an Eagle lineman drew a 15-yard penalty for slugging. Right after the second period opened, Daniel broke loose for 40 yards and another counter. Clayton missed the second attempt to convert, after having made the first. A few minutes later Clayton attempted a field goal "just for fun" from the 30-yard line, but it was knocked out of line by a haunting Canyon forward.

The Eagles scored late in the period following a disputed play, but they deserved some consideration for their work anyway. Dobbs punted a low ball down the field that bounced against Loerwald's knee and jumped into the arms of Lisle, who raced from Hereford's 40 to the 10-yard stripe before he was brought down. The argument concerned his right to tote the ball after intercepting the fumbled punt. A minute later Dobbs passed over the goal to Johnson for the touch, and Taylor kicked goal.

Hereford widened the margin late in the third, when Patton plunged to a first down on the one-foot stripe and Daniel scored over left guard. Two more counters were added in the final period, with Patton accounting for both of them on short plunges. Clayton kicked one extra point, missed another and passed to Bengé for the third. Daniel scored one that wasn't counted. It came in the third period when Clayton picked up 10 yards through center, turned and tossed the ball to the half-back who pranced 12 yards to the goal line. The official ruled that the ball had been passed forward instead of laterally and annulled the play.

First Quarter. Johnson kicked off for Canyon to Hastings on the Hereford 10. Hastings handed the ball to Clayton, and he raced back to the 42. After Harris nabbed Daniel for no gain, Clayton shot a long pass to Jowell, but it was knocked down by Dobbs. Clayton fumbled and Harris of Canyon recovered on the Hereford 45. Johnson picked up 2 at right guard, and Taylor plowed straight through for 5 more. Lisle plunged to a first down on the Whiteface 33. After Taylor was smothered at the line, Johnson fumbled and Bengé recovered

on his 32. Hastings was stopped at the right side, and then Hereford was penalized 15 after Daniel made 5. Canyon's line poured through 10 stop Bengé, but the Eagles were offside. After Daniel hit a wall that refused to give, Clayton kicked to Dobbs on the Canyon 41, with the fullback going out of bounds as he took the boot.

Taylor made three after Barber broke through but failed to get him for a loss. Lisle fumbled, but recovered without loss. Clayton tossed Johnson for a 5-yard loss on an attempted end run around his right end. Johnson added 18 yards to the Hereford 42. Clayton made 4 and Daniel added 1. Clayton passed 13 yards to Jowell for a first on the Canyon 41. Clayton passed 20 yards to Daniel, and was then penalized 15 yards to the three for slugging. Clayton plunged straight through to score, and then kicked goal. Clayton kicked off to Lisle on Canyon's 12. He returned to the 34. Hastings intercepted Dobbs' long pass on his 45 and returned 15 yards as the quarter ended. Score, Hereford 7, Canyon 0.

Second Quarter. Clayton passed into the end zone, a long toss that was just out

of Bengé's reach. Daniel broke over left tackle and raced 40 yards to another touchdown on a beautiful run. Clayton missed the try for point. Clayton kicked off to Johnson on the Canyon 11 and he returned to the 32. An attempted lateral was messed up and lost a yard. Taylor hit a wall at center, and Johnson kicked to Hastings, who took the ball on his 40 and returned 6 yards. Clayton circled his right end for 9 yards. On the next play, Cox chased him back 16 yards on an attempted pass and finally nailed him. Clayton passed 10 yards to Bengé, who ran 18 to Canyon's 34. Clayton picked up 6 at left tackle. Daniel fumbled a bad pass from center but recovered without loss. Clayton shot a long pass down near the goal to Jowell, but he was covered by three Canyon men, who knocked it down. Clayton attempted a field goal from the 30, but it was knocked down and went to Taylor on his 16.

Dobbs found a hole at right tackle and raced through for a gain of 15 yards. Barber and Bengé nabbed Taylor on a reverse over left guard, and Johnson was smothered for a yard loss. Dobbs kicked a low ball down the field; it struck Loerwald's knee and bounced into the arms of Lisle, who raced to the Hereford 10 before being brought down. Johnson picked up a yard on two

thrusts, and Dobbs passed to Johnson for a touchdown. Taylor converted from placement. Johnson kicked off to Clayton on the Hereford 25. He brought it back to the 44. Clayton was stopped dead at right guard. A short pass intended for Daniel was knocked down by Rusk. Clayton's long pass to Jowell was knocked down by Dobbs, and the quarterback kicked over the goal. Putting the ball in play on the 20, Taylor failed to penetrate the right side, and Johnson also met a wall at the same place as the half ended. Score, Hereford 13, Canyon 7.

Third Quarter. Clayton kicked off to Taylor on the Canyon 18; he returned to the 39. Lisle hid out on the right sideline, but Dobbs' pass pulled him in toward the center of the field, preventing a complete rout of the Whitefaces. Lisle took the toss and raced 31 yards to Hereford's 30 before he was brought down. Taylor was unable to gain at left guard, but Dobbs found a hole at right guard and picked up five. Loerwald intercepted a pass on his 23 to halt the drive. Daniel fumbled and Patton recovered for a 3-yard loss. Daniel circled his left end for 23 yards before Dobbs brought him down from his safety position. However, Hereford drew a 15-yard penalty from the point of the tackle. Burrus and Cox dropped Daniel without gain, and Clayton garnered only 3 through right tackle. Clayton kicked 68 yards over the Canyon goal.

Johnson, putting the ball in play on the 20, picked up a yard and then Barber nabbed Taylor at the line. Dobbs was rushed by several Hereford linemen on the kick, which was partly blocked and went to Posey on Canyon's 30. He ran it back to the 22. Clayton ran 10 yards through center; turned and passed to Daniel who raced over the goal, but officials ruled it to be a forward pass and it was annulled. A double lateral, Clayton to Patton to Daniel, netted 10 yards. Daniel plowed through center for 8 yards, and Patton plunged to a first down on the one-foot line. Daniel scored over left guard, and Clayton kicked goal. Clayton kicked off to Taylor on his 5, and he returned to the 19. Taylor picked up 3 yards at left guard, but Bengé tossed Dobbs for a 4-yard loss. However, Hereford drew a 15-yard penalty on the play, moving the ball up to the 36. Taylor hit a left side wall; Dobbs, on a reverse over right tackle, made 2, and Johnson slipped through for 3. Johnson kicked to Hereford's 40. Patton was swamped on the first attempt, but the Eagles drew an off-side penalty on the play. Clayton circled his left end for 23 yards, and Daniel broke thru center for 13 to the Canyon 25, as the quarter ended. Score, Hereford 20, Canyon 7.

Fourth Quarter. Bengé plunged through center for 6 yards, and Clayton made a first down on Canyon's 10. Daniel smashed the left side for 5 yards; Clayton drove to the two, and Patton plunged over. Clayton's kick was short, Clayton kicked off to the Canyon 30, with Dobbs returning 5 yards. Johnson's toss was too long for Drummond, but Taylor completed one to Pope for 9 yards. Taylor picked up a first down through right guard. Daniel intercepted a short pass on his 34 and raced up to Canyon's 43. Clayton plunged through center for 8. After a short toss to Posey was incomplete, Daniel smashed left guard for 7 to the Eagle's 27. Clayton's long toss to Jowell was knocked down by Dobbs. Daniel was stopped at

the left side, and then fumbled and recovered, picking up a yard. Clayton passed over the goal but it was out of Bengé's reach, with the ball going to Canyon.

Bengé messed up an attempted lateral, throwing Drummond for a 6-yard loss. Dobbs kicked to Patton on Hereford's 40, the back bringing the ball up to Canyon's 46. Clayton passed 9 yards to Bengé. Drummond nailed the receiver as he took the ball. Clayton fumbled and Bengé recovered for a 6-yard loss. Clayton crashed through left guard for 7 yards and a first down on Canyon's 35. Daniel picked up 2 at left guard; Clayton got 5 over the right side and then added another at left guard. Clayton broke over right guard to race 15 yards to Canyon's 10 before Drummond nailed him. Bengé, on a reverse over left guard picked up 7 yards to the three. Patton scored over left guard. Clayton passed to Bengé for the extra point. Clayton kicked off to the Canyon 15, with Taylor returning to the 30. Stanford intercepted Taylor's pass on the Canyon 40, as the game ended. Score: Hereford, 33; Canyon, 7.

Resettlement Is Given Big Boost

Hopes for obtaining a rural resettlement project in the county were bolstered last week end by the visit of a representative of the Resettlement Administration, H. V. Hennen, chamber of commerce secretary believes. Harold D. Padgett, of the Land Utilization Division of the Resettlement Administration at Washington, was here Friday night looking over the project.

Mr. Padgett was furnished with all the information he desired concerning the project. He apparently was pleased with the proposition as it had been prepared, and Mr. Hennen believes prospects are bright for approval at an early date.

Walcott School News.

Walcott children had a lovely time Friday, November 15, when they made a tour of interesting business places in Hereford. They were taken through the Brand, bakery, ice plant, telephone exchange, creamery, flour mill and green house. After an afternoon spent visiting and learning, they were taken to the park where they roasted weiners and marshmallows and had a picnic. The day was finished with a trip to the picture show. This trip has certainly proved profitable and has been used in many ways in school work. Several patrons visited the school the past week. We wish more would come, and come more often.
