Employee Insurance Plan Passed By City Commission

A purchase of \$105,000 worth of term life insurance was unanimously approved by the Hereford City Commission meeting in regular session Monday night.

The insurance which will be purchased at the cost of \$93 cents per \$1000 will cover 42 city full-time employees.

Nine Sentenced In District Court Held Monday

Sentences ranging from two to four years probation and up to eight years in prison were handed down Monday in the 69th District Court, Judge Harry Schultz presiding.

The opinion at the Monday night meeting that it was necessary to insure its employees. The action taken calls for the expenditure of \$1140 a year for the plan and will be included in the budget for the next fiscal year.

In other action, the commissioners again went over the budget for the fiscal year beginning May 1 and ending April 30, 1963.

Major spending provisions of the budget call for increasing the capital investments of the city and the establishing of an operating reserve fund.

Sale! Freedom Shares Only 2c Per Day - Hurry!

Is it worth 2c a day to live in the United States? That is about what it would cost to purchase one share of American freedom.

In Texas, law demands that citizens buy a poll tax before being allowed to vote. Total cost of the poll tax in this county is \$1.75. This figure is out to 2.085 cents per day.

By Tuesday afternoon, the County Tax office reported that 1156 poll taxes had been sold. This is only about one-third of the estimated qualified voters in the county.

MISS SHARI PROWELL is the winner of the 1962 Betty Crocker Search for the American Homemaker of Tomorrow.

Around Town

Residents of the 96th Legislative District of Texas will be looking for a new State Representative this year.

Mrs. Art Manjeot, one of Hereford's leading flower authorities and a member of the beautification committee of the Chamber, came by to tell us that the flowers in the boxes on Main Street are going to die if they aren't watered soon.

Central School PTA will meet at 7:30 p.m. Thursday, Jan. 18, in the school gym.

The Chamber of Commerce reports 13 tickets for the merchant-sponsored charm school have been sold.

Among the large group of cattlemen and businessmen who are touring cattle feeding operations in Arizona are a pair from Hereford, Jim Bob Allison and Dr. E. B. Barnett.

Amarillo Man Urges More Adults In Scout Program

More than 150 persons attended the annual Tierra Blanca District Scout banquet in the high school cafeteria Tuesday evening.

Guest speaker was Bob Bayle of Amarillo, a volunteer Scout leader for the past six years.

Theft Nets \$80 In Clothing From Parked Vehicle

Clothing with the estimated value of \$80 was stolen Saturday from a car belonging to Jerry Don Whitaker, 402 Blewins. The car was parked in the 100 block of North Main.

tension committee, presented "Round Up" awards to leaders of units which had achieved their membership goals.

Receiving the awards were leaders of Troop 56 and Post 56 of Friona; Pack 53 of Vega; and Troop 50, Pack 51, Pack 52, Troop 52, Troop 151 and Troop 152, all of Hereford.

Bayle, who has served as Scoutmaster and now is an Explorer Scout Post advisor, challenged the audience to enroll more boys in Scouting.

Herd Stays In Contention With 84-41 Romp Over Cats

A revitalized Hereford squad ripped through the Littlefield Wildcats like soft butter Tuesday night, taking an 84-41 district tilt.

The victory kept Hereford's hopes alive in a muddled loop race. The Whitefaces will be idle Friday night before starting four road games with a tilt at Dumas next Tuesday.

While the Herd was winning, Dumas also showed its expected form by coasting to a 52-28 win over the Blackhawks at Phillips. Levelland continued to show power on its home court by defeating the Lamesa Tornados.

At Whiteface gym, it was apparent from the start that Hereford should have no trouble with the small, young Wildcats, who are in the first year of a cage rebuilding program.

Too much height, teamwork and experience added up to a runaway, although reserves played much of the second and fourth periods.

An unusual offense surprised Hereford fans, when the taller Whitefaces started bringing the ball down court early in the first period. It must have surprised the Wildcats, too, for they never could adjust their defenses to the fast-moving Herd.

Hereford opened up from a 7-5 lead early in the first quarter for a scoring spree that never did quit.

The Whitefaces roared on to a 29-9 margin before Littlefield managed to hit a free throw. At one point in the second quarter, Hereford had a 41-14 lead before Littlefield tacked up four points during the last 75 seconds.

With a 41-18 lead at the half, Hereford changed its patterns again, experimenting and trying new offensive plays.

At the end of the first eight minutes, Hereford had a commanding 22-9 lead and no intention of letting up.

Officers whose terms ended with the election included Bill Decker, president; Owen Bybee, vice president; and Russell Carver, secretary - treasurer.

Boys and girls from four counties began readying their lambs, barrows and calves today for the 16th Annual Junior Livestock Show to be held here at the Bull Barn and Little Bull Barn on Thursday, Friday and Saturday.

The members of 4-H clubs and Future Farmers of America chapters are hoping to win some of the many ribbons and trophies to be presented as well as take home top prices for animals sold during the auction Saturday.

Lions - Kiwanis Doubleheader Set For Gym Tonight

A basketball double header is slated Thursday, Jan. 18, beginning at 7 p.m. at the Hereford High School gym as the Hereford Lions and Kiwanis and the faculty and coaches of the junior and senior high tangle for their annual cage tilts.

The games this year are being sponsored by the Whiteface Booster Club with Albert Maxwell as chairman.

Proceeds from the two games pitting the Lions against the Kiwanis and the coaches and faculty of the junior high against the senior high will be donated to the Athletic fund.

It is anticipated that the money will be used to send the school's coaches to the coaching clinic to be held this year at Lubbock.

Money raised from the games played last year was donated to the Hereford High School to purchase a glass backboard for the gym.

Randy Dowell, Dwight McGee and Jim Haney worked the backboards and took away nearly all the rebounds. They also looked good in blocking shots that Littlefield put up.

Midway through the third quarter, Hereford ran up a tremendous 59-20 lead and maintained about that margin for the contest, leading 67-26 at the end of the third stanza.

With a 29-9 margin before Littlefield managed to hit a free throw. At one point in the second quarter, Hereford had a 41-14 lead before Littlefield tacked up four points during the last 75 seconds.

With a 41-18 lead at the half, Hereford changed its patterns again, experimenting and trying new offensive plays. Against the undermanned Wildcats, almost everything worked. Hereford's taller players, Curtsinger,

sponsor of the show, have been contacting prospective buyers for the show. Final figures on the number of buyers signed up were not available Wednesday morning.

A guaranteed price of at least 40 cents a pound for the top 30 steers in the show has been set. Price guaranteed for the 21 top lambs is 35 cents a pound or above and 25 cents for the 48 top barrows.

A new ruling in the sale this year makes it mandatory for a boy or girl selling any livestock to indicate whether or not he wishes to keep the animal to show again later.

If the exhibitor wants to keep the animal, he may buy it back at the floor price. The floor price will be announced Saturday morning.

With the end of registration for the show on Jan. 5, a total of 372 entries had been received. This is slightly less than the record number for the 1961 show.

A total of 86 lambs, 190 barrows and 96 steers have been entered in the three divisions of the show this year.

Entered from Deaf Smith County are seven lambs, 42 barrows and 34 steers. The county with the greatest number of entries is Packer County with 38 lambs, 65 barrows, and 44 calves.

From Castro County, there are 15 lambs, 54 barrows and 10 steers on the list. Oldham County entries total 26 lambs, 29 barrows and eight steers.

On the opening day of the show, all entries in the hog and lamb divisions are scheduled to be in place by 5 p.m. Entries in the steer division are slated to be in place by 10 a.m. Friday.

Judging of the animals will begin with the lamb division at 8 a.m. Friday. No grand champion of the show will be named, but awards will be given for each champion in the four classes.

Entries in the steer division are slated to be judged beginning at 2 p.m. Friday. Calves will be divided into three classes and the first and second

Minks Calf Wins Junior Champion Of Denver Show

Larry Minks won yet another honor Saturday in Denver as his Hereford steer was named junior grand champion at the National Western Livestock Show.

By showing the steer, Minks, the son of Mr. and Mrs. Norman Minks, Walcott, has won top honors in four major shows. He has won grand championships at the Amarillo and Odega shows as well as the annual show here.

In October of last year, one of Minks steers, another Hereford, bred at the Dameron Hereford Ranch, was named the grand champion of the Pan American Livestock Exposition.

The show is held each year in conjunction with the State Fair of Texas in Dallas.

The freshman at Stanton Junior High School is an active member of the Deaf Smith County 4-H Club and was awarded the 4-H Gold Star Award for 1961.

Shotgun Blast Injures Youth Here Saturday

"Gary is probably one of the luckiest boys alive," said Mrs. O. A. Smith, 402 Irving, as her son returned to school Tuesday.

The 17-year-old youth was hospitalized Saturday after his 12-gauge shotgun discharged hitting him in the shoulder. He was released from Deaf Smith County Hospital on Monday afternoon.

Gary was to go hunting with a friend, but the boys decided against it. When he returned home, he took the gun out of the back seat of his car by the muzzle.

At the same time, he reached for his boots. The muzzle of the shotgun was up against his left shoulder when the gun fired.

Gary was rushed to the Deaf Smith County Hospital by his mother, who was in front of the home when the shooting occurred.

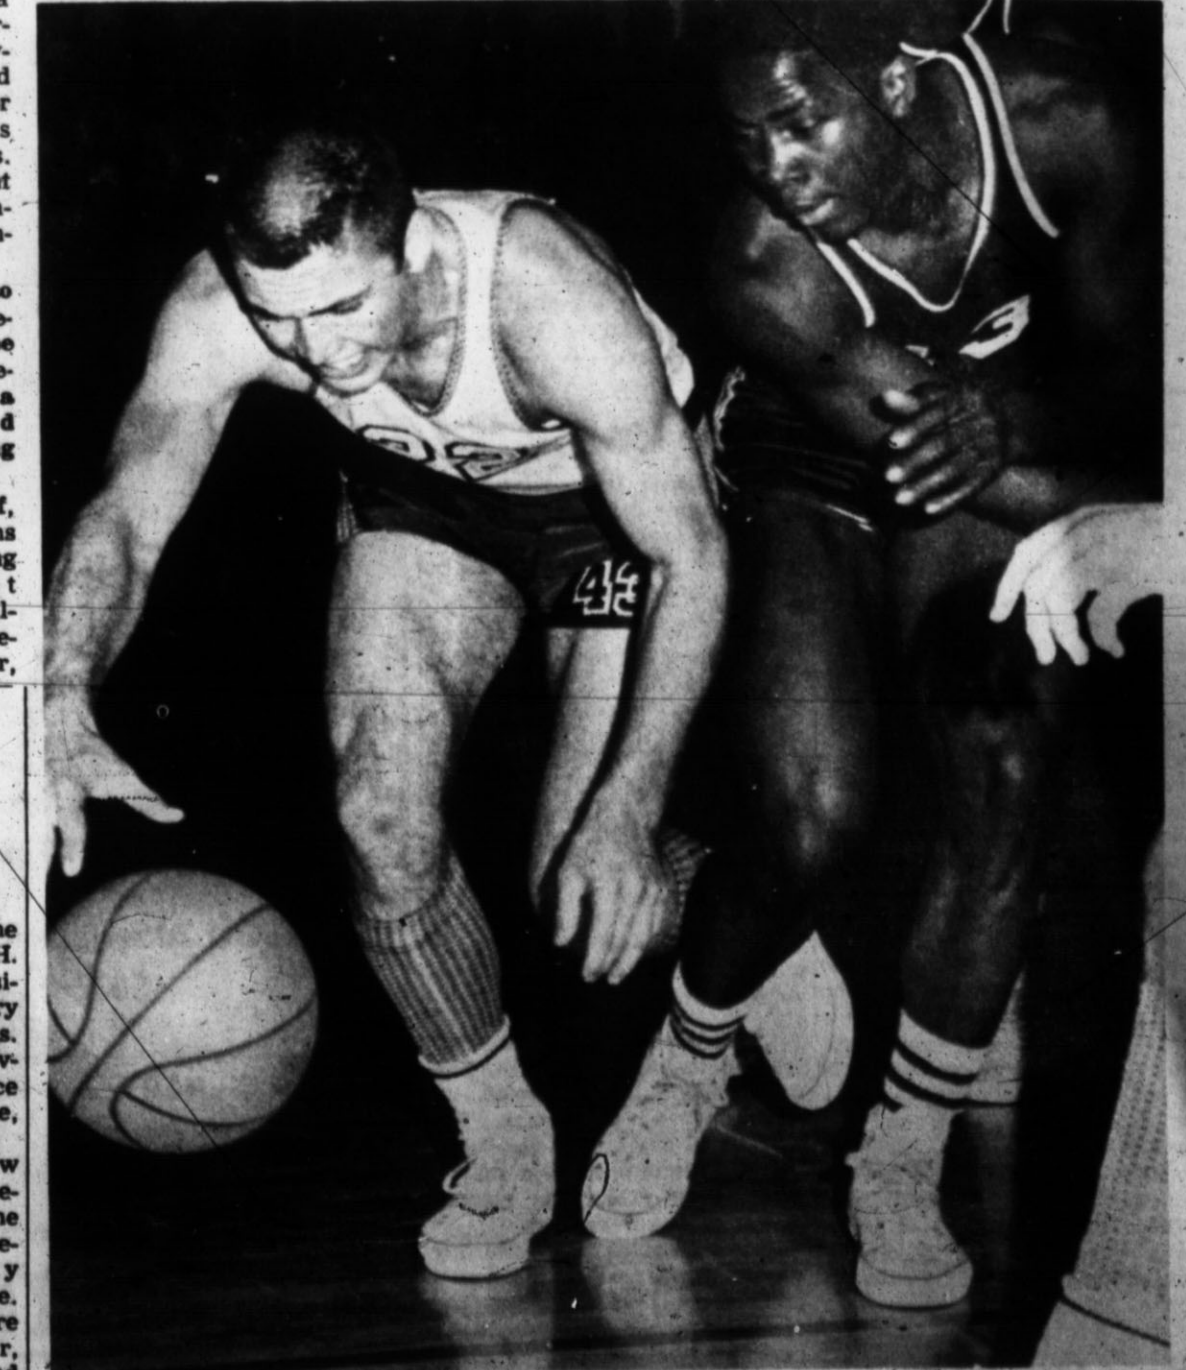

Fortunately the gun muzzle pointed in the wrong direction.

Elect Cavness 1962 Country Club President

In an annual meeting of the members Tuesday night, Dr. H. A. Cavness was elected president of the Hereford Country Club for the next 12 months.

Serving as officers with Cavness are J. W. Robinson, vice president, and Dr. Bruce Beene, secretary - treasurer.

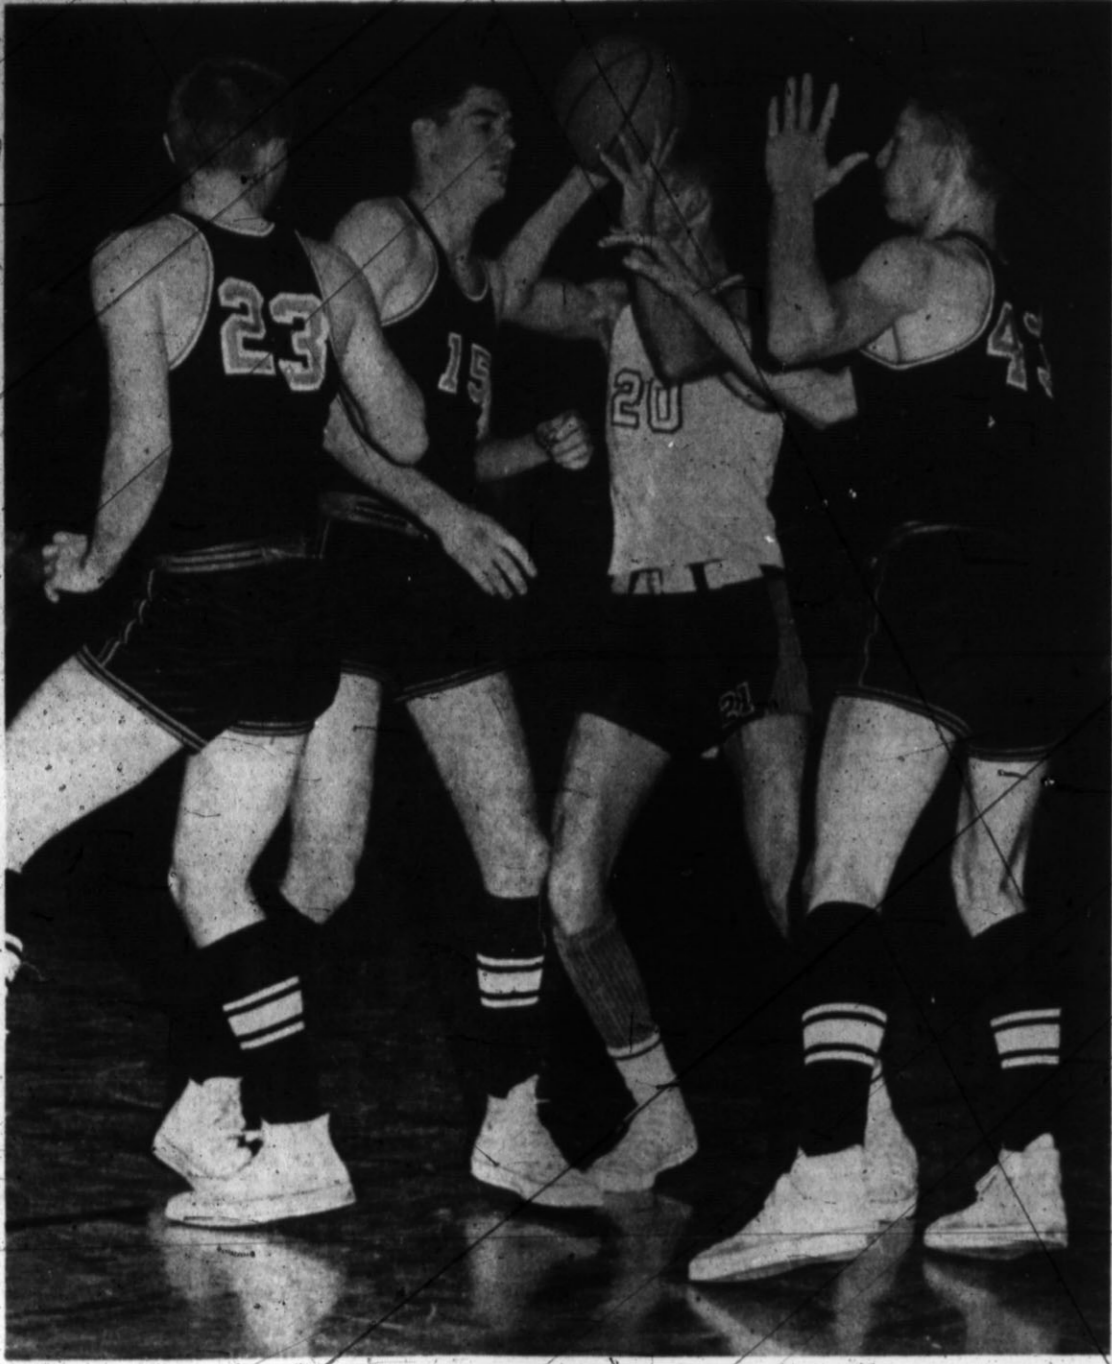

Also elected were five new directors, who will serve three-year terms. Named to the board were J. W. Robinson, Leroy Aveni, Charlie Seeds, Ray Cowsert and Dr. Bruce Beene.

HARD, AGGRESSIVE BASKETBALL, as exemplified by Mack Coniser in his move to get a loose ball, paid off handsomely for Hereford here Friday night. The Whitefaces slammed

Littlefield 84-41 to stay in district contention. Trying to stop Coniser on this play was Ducky Johnson, Wildcat center.

# Frosh Win Tournament; Lose Two On The Road

In a busy weekend for the Stanton Freshmen, they won their own tourney here Saturday but lost two games on the road. The Dogies fell in a conference bout at Coronado in

Plainview Thursday night, won over Dimmitt and Canyon to take first honors in a meet here Saturday, and then returned to lose at Canyon Monday night.

## Herd...

(Continued from page 1)  
It was even more of the same during the last eight minutes of play. Hereford charged into a lead of 80-33 at one point as reserves piled up playing time to run out the rest of the game.  
Hitting 19 points in the first half, Dennis Hodges again paced the Hereford scoring attack as he ended up with 26 points. But the little playmaker had a lot of help as Jerry Curtsinger piled in 17 points. Mack Cansler had 13 and Randy Dowell added 10.  
Two youngsters headed the meager Littlefield scoring. Freshmen Grover Pigrum and Junior Hodge had 12 and 10 respectively.  
Only bad spot for Hereford was at the free throw line, as the team hit just eight of 16 attempts. However, the squad's 38 field goals more than made up the difference.  
Littlefield hit 17 of 22 charity attempts, but got only 12 field goals.

It was another one-sided contest when the B teams collided. Hereford scored almost as much in the first period as Littlefield got in the entire game.  
The young Whitefaces zoomed to a 21-3 lead in the first quarter and went on to win 68-25. Earl Jackson was high for the Hereford B squad, backed up by Ronnie Welty's 13 and Eugene Green's 12. High for the Littlefield team was Wayne Cooper with 10.

Although Hereford will be idle Friday night, other district teams will be quite busy. Leveland will be at Phillips in the only conference game, while Sudan will be at Littlefield and Dumas will play in Dimmitt.

## Around...

(Continued from page 1)  
All persons interested in joining a square dance club that is being formed are asked to attend a meeting in the Community Center on Thursday, Jan. 18.

Formal installation of officers of the Chamber of Commerce is slated for Thursday evening, Jan. 18, at the Hereford Country Club. Outgoing and incoming directors and their wives will be present as Clint Formby is installed as president. Marcus Latham also will be presented his prize for heading a team which brought in the most new members to the Chamber. Installing the officers will be Don Heilman, manager of the Amarillo Chamber.

After writing about the district basketball results and schedules earlier Wednesday, we became confused. We have two schedules for Dumas. One says the Demons play Friday at Dimmitt. The other says the game is at Dumas. Honestly, we don't know now where it will be played.

The doubleheader basketball games Thursday night should be great. The same teams clashed last year in a real crowd-pleaser — and some surprisingly good basketball. One game matches the Lions Club and the Kiwanis Club. The other pits coaches from junior high against those from high school.

It goes without saying that Hereford played its best game of the season against Littlefield. Of course, the record and the score both show that the Wildcats are a young, weak club. But Hereford showed a spirit and sense of timing and teamwork that haven't been apparent through most of the season.

Airlift for March of Dimes will be held all day Sunday, Jan. 21, at Hereford Airport. Alternate date is the following Sunday, Jan. 28. About 12 planes and lots of pilots have been volunteered for the day. There will be a ride over town for all donors of \$2 or more. This is being sponsored by the aviation committee of the Deaf Smith County Chamber of Commerce.

Our Congressman chooses not to run. Leaving us looking for someone to take his place. By the filing date, however, we might have as many as eight.

quired by the city to meet the increased expenditures, according to the city manager. Nine persons appeared at the meeting to protest the rezoning of the property belonging to J. R. Lipscomb on the northwest corner of Plains and 25 Mile Avenues.  
In previous action, the commission turned down the request to change the property from "B" residential to "D" commercial in support of the zoning Commission. However, at the last meeting of the zoning group, the petition was submitted again and approved.  
The spokesman for the group told the commissioners that the residents of the area felt the same about the rezoning of the lots as before.  
However, the main contention over the rezoning issue centers around the type of business proposed for the lots. The owner has told the group that he intends to build a drive-in at that location.  
The group protesting the action has previously pointed out that they think the drive-in would clutter the area with blowing trash.  
They also feel that the area would be turned into a "drag strip" and that "it would not be safe for their children."  
In a discussion following the hearing, the commissioners decided to take no action because a full Commission was not present. A motion was made and approved to table action on the request since one of the members was absent.  
Bids were accepted at the meeting from four local automobile and truck dealers on the purchase of a one-half ton pickup for the Water Department.

slogan to heart, particularly in introducing some boy to Scouting. "Boys want something that will help them grow," he stated, "And we will look, some day, to them for leadership."  
He emphasized volunteer work in Scouting, since the leaders always get more out of what they receive from the program and the boys than what they put into the program.

In conclusion, Bayle showed a short film he had taken while attending the 1960 World Scout Jamboree in Colorado Springs. The film showed a number of Hereford scouts, plus their Jamboree leaders, Orpha Click and Dr. Roy Grubbs.  
A special guest at the banquet was Monty Stokes of Amarillo, new Scout executive for the Llano Estacado Council.

place winners of each will compete for grand champion and reserve grand champion of the show.  
Judging of the barrow entries by Homer Brumley is also set to begin at 2 p.m. The barrows are to be divided into five classes according to breed with two divisions for each class. The first and second place winners in each of the classes will compete for champion and reserve champion of the breed.  
After the champion and reserve champion of each breed is named, the 10 top barrows will compete for grand and reserve champion of the show.

The sale of livestock is scheduled to begin at 1 p.m. Saturday with Jack Howell of Dimmitt as auctioneer. The sale will begin with the champion lamb of each class followed by the grand and reserve champion barrow.  
Also scheduled for Saturday at 9 a.m. is a livestock judging contest for Future Farmers of America and 4-H Club members. All livestock will be available for the contest except grand and reserve champions and those going to other shows.  
Richard Barnad, president of the Rotary Club, is show superintendent.

was close enough to the youth's shoulder to keep the shot from spreading out. The wound was described as only a flesh wound.

but came back in the third quarter to clinch the win, by taking a 37-27 lead.  
After taking a 20-point win over the Eagles only two days earlier, the Dogies traveled to Canyon to be surprised with a 38-37 loss in a game which went into overtime Monday night.  
After a close battle all the way, the Dogies faltered slightly in the fourth round and allowed the Eagles to tie things up at 35 - all after the regulation game.  
Lynn Cook was the only Dogie allowed to score in the brief overtime, as a free throw for the Eagles spelled defeat for Hereford.  
Johnny Dowd popped the net for 18 points, the only Dogie able to range in the dual columns. Frank Cain got nine, Lynn Cook seven, Terry Hill two, and Robert Strange one against Canyon.

## Shari Prowell Is Named Homemaker of Tomorrow

Miss Shari Prowell, 17, daughter of Mr. and Mrs. Frank Prowell, 223 Star Street, is the winner in Hereford High School, of the 1962 Betty Crocker Search for the American Homemaker of Tomorrow. She achieved the highest score in the examination on homemaking knowledge and attitudes taken by senior girls on Dec. 5. She becomes eligible, along with winners in other state high schools, for the title of State Homemaker of Tomorrow.

Shari is a senior in Hereford High School, a member of the American Red Cross, Tri-Hi-Y, Theatopian Club and Future Nurses of America. Her hobbies are horseback riding and cooking. She has lived in Hereford for 10 years, having come to Hereford from Clovis, N. M., in 1952 with her parents. Her father is a farmer and her mother is the homemaking teacher at Hereford High School. Miss Prowell gives credit to her mother for teaching her what she needed to know to pass the test. She stated, "It was a surprise and I am real happy."

The girl named State Homemaker of Tomorrow is provided with a \$1,500 scholarship by General Mills, sponsor of the program. The state runner-up will receive a \$500 scholarship. In addition, the State Homemaker of Tomorrow and her school advisor will join with other state winners in an expense-paid educational tour of New York City, Washington, D. C., and colonial Williamsburg, Va. At the latter, the 1962 All-American Homemaker of Tomorrow will be named.

The national winner will have her scholarship raised to \$5,000 with second, third and fourth place winners being granted scholarships of \$4,000, \$3,000 and \$2,000 respectively.

The knowledge and attitude test, prepared and scored by Science Research Associates, Chicago, is the basis for selection of local and state winners with personal observation and interviews serving as factors.

**Lodges Slate Installation For Saturday**

A joint public installation of the new officers of the Hereford Odd Fellows and Rebekah Lodges has been set for Saturday at 7:30 p.m., it was announced Tuesday.

To be installed as officers of the Odd Fellows are J. R. Patterson, noble grand; Jake King, vice grand; Mark Waddill, recording secretary; Robert Boyd, financial secretary, and A. N. Hopson, treasurer.

New officers of the Rebekah Lodge are Mrs. W. Q. Duggan, noble grand; Mrs. Addie Stallings, vice grand; Mrs. Roy Sheppard, recording secretary; Mrs. Avis Brown, financial secretary, and Mrs. Ocie Altmann, treasurer.

Officers of the two lodges are to be installed by Sam Williams, district deputy grand master, and members of his staff from the lodges in Friona.

The public is invited to attend the banquet and the installation at the Lodge Hall, said Patterson.

## The Hereford Brand TEXAS PRESS ASSOCIATION

Member 1962  
Our Slogan:

**BY JIMMIE GILLETTE**

Most people seem to enjoy cussing the politicians. I guess it is a hangover out of the army, which seems to be one of the few places where participants will admit that they honestly enjoy complaining. Most of our politicians, on the other hand, find things a bit rough at times. I was talking the other day with District Judge Harry Schultz and DA Bill Hunter, and was surprised to learn that a candidate cannot deduct his campaign expenses from his income tax. Even the filing fee, which is quite an item in many places, is not deductible, according to the judge. This does not seem at all fair to me. I think that actual expenses should be allowed.

Another thing, the politicians pretty well make the laws — and if they can't do any better than that for themselves, we cannot expect them to do too much for us. Come to think of it, they seldom do. I guess that's why it is so popular to cuss them.

I was down in the Wellington country this week on business, and everywhere people were talking about how tough things are in the area. Most everyone will tell you that the town is going downhill. On the other hand, I noticed where the county produced the largest cotton crop in its entire history, and the banks are sitting there with an all-time high on deposits. All in all, it presents a sort of riddle. Memphis, Childress, Clarendon and a lot of other towns below the Caprock have pretty much the same story. Mostly, it traces to the fact that they have suffered severe population drops due, in the main, to government programs and mechanized farming methods which have shifted a great portion of their population into other channels.

Playing bridge is a recreation to most people, but it spells big business for others. There are an estimated 40 million bridge players the sea days, and Mr. Goren, the expert, says taxes on some \$300,000, which he earns each year through associated bridge activities. Hereford always has been a big bridge playing town, and seems to be expanding its interest right along with the growing avocation.

Another thing of which we can be proud are our postal employees. Around the country you hear many complaints along this line, but all of our postal people are friendly, courteous and nice to work with. Perhaps it is because we have a huge crop of young people in the corps; enough old timers to furnish experience, but a large portion of our postal people are under 40. All of them, old and young, seem to do their best to operate the place like an average retail store and, along with the ever-growing number of letters and packages, they pass out thousands of smiles, kind words, and bits of assistance. They are really nice folks.

I don't know of anyone who would want to quit the dial telephones and regress to the old system, but I do occasionally miss the operators who were usually the same calibre as our post office. Not too long ago, I called from Dallas to Rome, Texas, to talk with my wife's

grandmother and was reminded of the "extra service" we used to get. The Rome (pop. 300) operator said:

"I'll ring it for you, but she ain't there. I just saw her going over to Miss Annie's to get a gallon of buttermilk."

Meanwhile, the real estate boys tell me that listings are pretty scarce. There are hosts of buyers, but many of them do not have enough down payment due, mostly, to high land prices. These days \$10,000 just don't go too far toward buying a topnotch farm whereas, to most of us, it seems like a pretty good stake.

Deaf Smith County youngsters are really coming to the front these days. Every time you pick up a paper, it seems as if one of them has set a record. Bill Cole hardly finished winning the top state honors in milo production before Larry Minks hung up another purple ribbon on his livestock achievements. A few weeks ago, Caroline Brumley, and Dick Plank stepped forth and topped out 4-H honors in Texas. No doubt but we have some of the most talented youngsters in Texas, and I feel sure that some of these accomplishments can be attributed to Lefty Thomas, who, as county agent, has encouraged the youngsters and helped them in numerous ways. To say the least, it is the first time we have had such a batch of topnotch winners in such a short period, and everyone is mighty proud of them.

What things cost is sometimes beside the point. Far more coffee is drunk at 10 cents a cup in downtown Hereford today than was ever consumed at the old time price of five cents. Mouse traps, on the other hand, generally sell under 10 cents each — but they just aren't moving like they once did. Dog food is one of the biggest canned goods sellers in the country, and Hereford is no exception.

A lot of people are talking about the weather these days, but not so many as you find talking about taxes and final quarterly returns. The ones who have heavy final estimates are unhappy because they have to pay out money they seldom have, and those who have little or no taxes due on their final estimates are unhappy because they didn't make any money this year. It's one of those deals where you just can't win and, like the weather, there isn't much you can do about it.

Which reminds me, January still has 13 more days to go — and plenty of time to get in that second bad spell I was predicting. Be sure and lay in plenty of fire wood, have your underwear handy, and avoid contact with all well diggers. February is another story, and will likely provide some more of the same.

# Musettes Host Family Night

The Dawn Musettes held a "family night" party on Friday evening, Jan. 12, in the Fellowship Room of the Dawn Baptist Church.

Special guests were Gillian McArthur of Edinburgh, Scotland and Peter Lantz of Stockholm, Sweden, exchange students at Hereford High School this year. The guests played recordings of music from each of their countries and showed slides and moving pictures.

Miss McArthur showed slides of the beautiful Highlands of Scotland, ancient castles, ruins of churches dating from the days of Oliver Cromwell, pictures of the home of Sir Walter Scott and many other historical places. She told of her home city of Edinburgh, and gave interesting news of the schools, occupations and favorite recreations of the people.

Peter Lantz showed movies of trips his family had taken to Paris, France and Milan, Italy. He presented items of interest about the life of the Swedish people.

Other special guests at the party were Mr. and Mrs. A. B. Higgins and Janis, American parents and sister of Gillian McArthur. Those present were Mesdames, Walter Lemons, Jack Ward Jr., W. H. Gentry, Edgar Lemons, C. C. Stewart, Mr. and Mrs. Orval Galley, Mr. and Mrs. Carl Wimberley, the Rev. Charles Davenport, Buddie Stewart, Janice Galley, Ann Gentry, Robert Galley, Linda Lemons, Gary Richardson, Phyllis Richardson, Paul Galley, Peggy Jean Lemons, Sandra Lemons, Bob Gentry, Beverly Lemons, Gary Lemons, Judy Ward, Kay Ward and Ricky Ward.

Hostesses were Mesdames Walter Lemons, Jack Ward Jr., and W. H. Gentry.

**MOVE TO FARM**  
TULSA, Okla. (AP) — Two Oklahoma girls with a yen for open spaces are proving that a city working girl doesn't have to be bound to an apartment.

After two years as roommates in Tulsa, Donna Kuhlman, 25, and Joan Gregory, 31, moved to a farm.

"We just got tired of people yelling and tires squealing," they explained. "And most of all, we were getting a little wide in the wrong places sitting around with nothing to do."

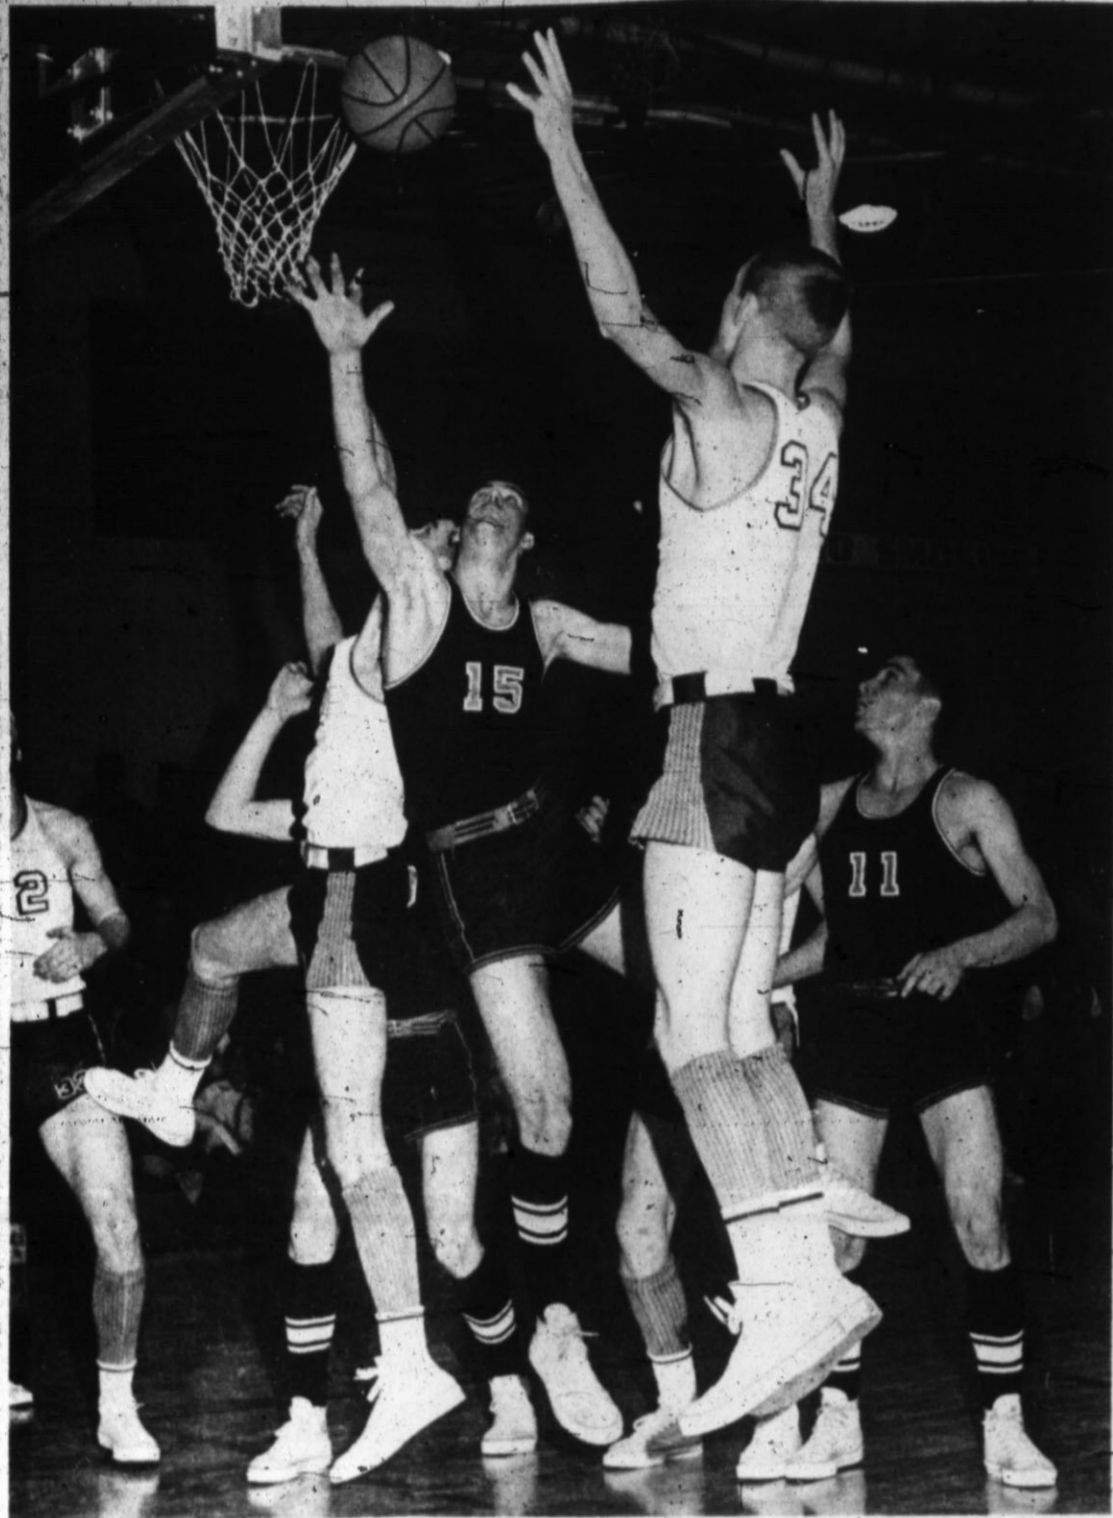

That was before last June, when they moved to a six-acre farm on the fringe of the city, only five minutes by expressway from their jobs in Tulsa.

"We don't have much time to get bored any more," Donna said. "Taking care of the yard nearly worked us to death last summer."

Next summer they plan to put in a garden, install some chickens and reseed the pasture. They may add a calf to the six-acre estate which already includes seven cats and two horses.

Julius, duke of Brunswick-Luneburg, who owned the rich Harz Mountains silver mines in northern Germany, issued large silver coins weighing up to 10 ounces. One carried his coat of arms, which depicts the famed wildman of Brunswick grasping an uprooted tree.

**HIGH-LEVEL HELP**  
AKRON, Ohio (AP) — Selling students on the importance of English grammar is not too difficult when you get help from Vice President Lyndon B. Johnson, novelist Pearl Buck, columnist John Crosby and other such notables.

Mrs. Flo Rosenfeld, ninth grade English teacher at Akron's Roswell Kent Junior High School, suggested her students select a famous person and write to him asking how English benefits a career.

Nearly every student received a reply.

Vice President Johnson said, "If we are to learn anything from the lessons of history, literature and the arts and sciences, we must be able to read and correctly interpret what is written."

Grayson Kirk, president of Columbia University, wrote, "Accuracy in expression is more than a reflection of careful thought; it encourages and fosters careful thought. The mind that expresses itself well will function well. Clumsy speech and writing and clumsy thinking go together."

In ancient times Bizerte, Tunisia, then known as Hippo Zarytus, waged continuous war with Carthage. Both cities fell before Roman legions in the 2nd Century B. C. and were absorbed into the Roman Empire.

In Italy the industrial furb is concentrated in the Milan-Genoa-Turin triangle.

### US RANKS FOURTH IN POPULATION

WASHINGTON (AP) — The Soviet Union and United States are the third and fourth most populous nations on earth, according to the Population Reference Bureau.

The U. S. S. R. had 209 million people at its last census in 1959 and the United States had 176 million in 1959, 179 million in 1960.

China's population is 700 million and India, the second most populous nation, has 440 million people.

Brasilia, Brazil, is in the state of Mato Grosso. The state's name means "big woods," but less than half of it is jungle. Much of it is grassland.

### HUNGARIAN FOOD GOT ITALIAN GARLIC

BUDAPEST, Hungary (AP) — Take the culinary arts of Hungary and Italy, blend them together and the result is highly edible.

Hungary's Renaissance King Matthias started it when he married an Italian princess.

To appease her homesickness he imported cheeses, spices, condiments and other foodstuffs

from Italy. Bonfini, King Matthias's court chronicler, wrote that the queen sent a message to her sister in Ferrara, thanking her for onions

and garlic received. "If they had been made of pearls, the King and I could have been no happier," she wrote.

When the King expected guests for dinner, he would personally supervise the cooking, according to Bonfini.

## Basketball Coach Has Trying Times And Many Rewards

Whether explaining a new play during practice, giving a last-minute pep-talk during the game, or shouting instructions during the game, coach, W. H. (Cuby) Kitchens has many trying moments, and also many rewarding ones. Many anxious ones are present when the Whitefaces take to the court, as these photos show.

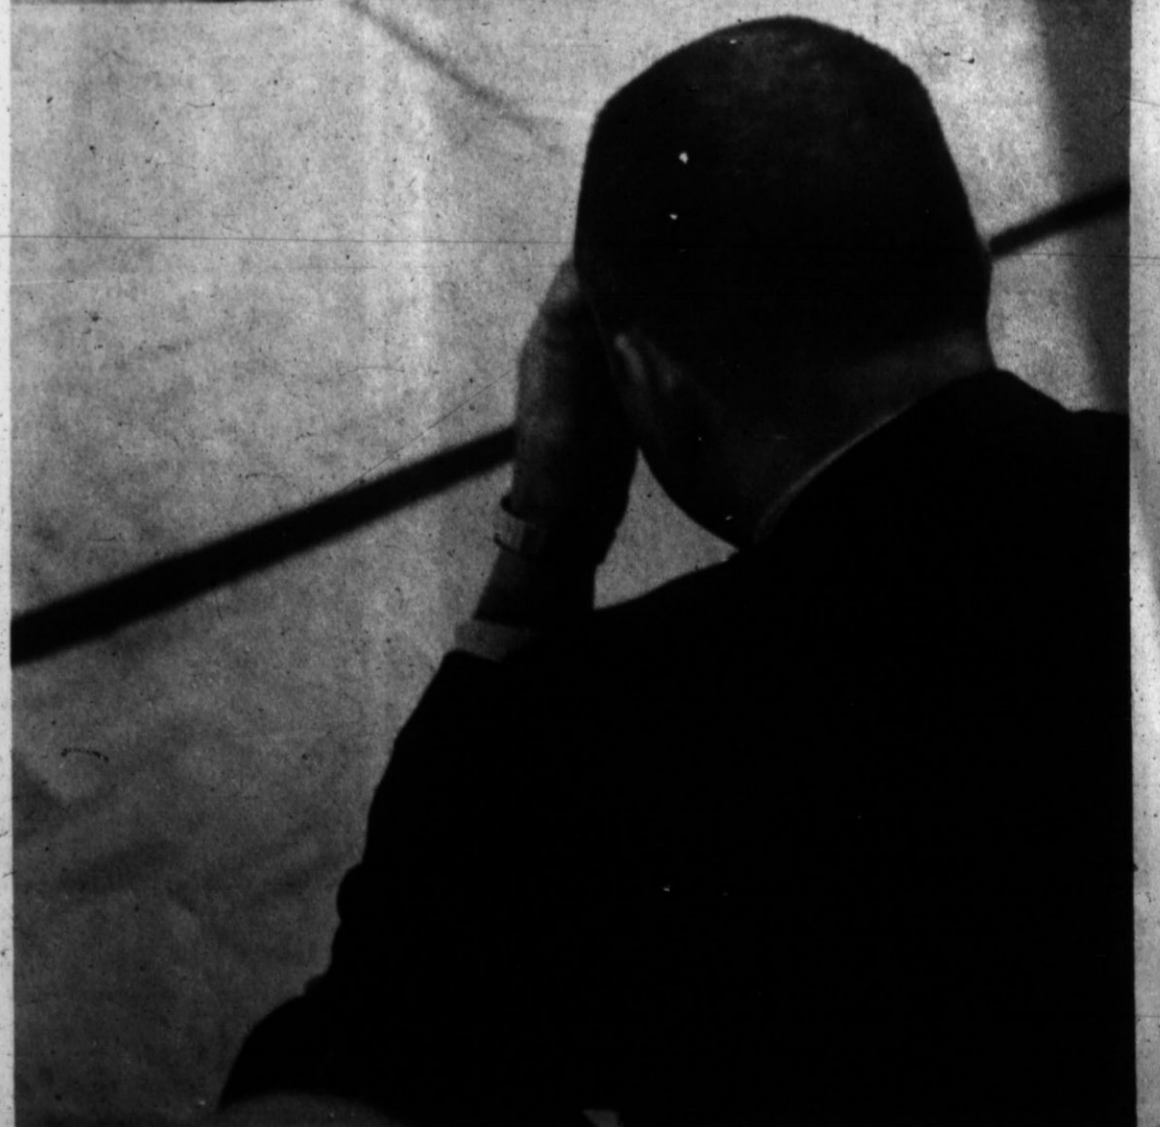

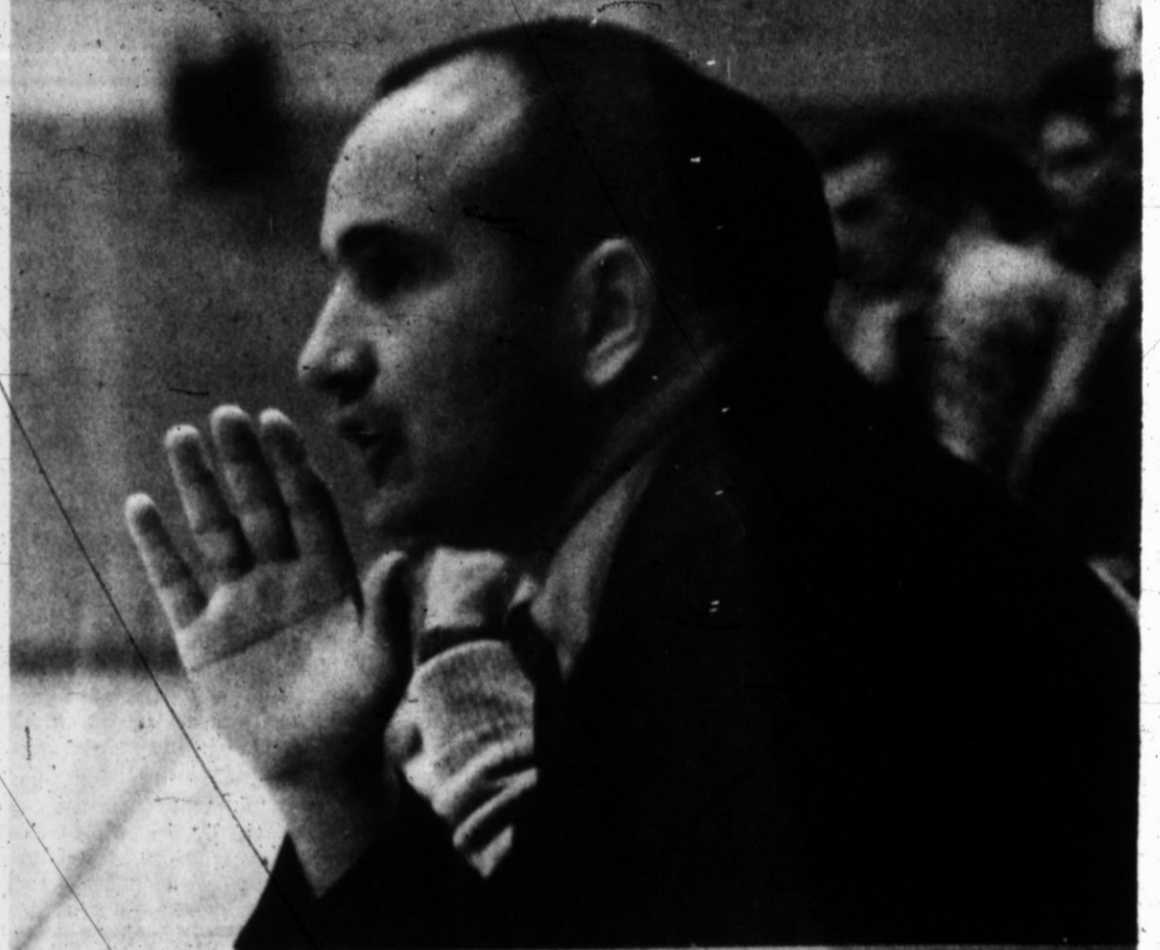

If one of the cagers misses a rebound or bobbles a shot, he is the first to tell him about it - it's his job. If a Whiteface player does a good job, he will again be the first to comment. Whether behind or ahead, the Whitefaces know what is expected of them. During the brief time-outs, the coach issues a speedy pep talk, packed with tips on how to guard a certain player or find a clear shot.

His shouts during the game are familiar to Whiteface cage fans. When the Hereford squad wins, the coach is as happy as any of the boys . . . when the team loses he's the saddest. But win or not, Cuby Kitchens preaches sportsmanship and fair play. Kitchens is a man of many emotions, but win or lose, he is the friend of the players.

During the many hours of practice, each player receives individual attention. Drilling the boys on a new play, giving hints on shooting, or teaching defensive tactics, Kitchens puts forth every effort to produce a winning team for Hereford.

Just as important, the coach spends a lot of time trying to instill the desire to win in the players. Not as easy as it may sound, the cagers must forget everything except the action on the court. His job is to get the team "keyed up" for a game.

When the ball is tossed up and the game is underway, his job has just begun. The anxious moments during the game will come, and pass. Following the game, he will be his same friendly and calm self. His reward is the devotion of the team members, their loyalty to the team and their performance.

## Scotland's Pleasures May Be Seen In A Short Visit

Foreign exchange student Gillian McArthur, speaking at the Monday noon meeting of the Hereford Rotary Club recently outlined some of the differences between Scotland and the United States.

She was introduced by Kendall Williams who told the group that Gillian had come to this country on an American Field Service Scholarship.

During her discussion, she pointed out that Scotland was a small country that a person could "motor across in about three hours."

One of the pleasures of the country as far as tourists are concerned, she said, is that half

of Scotland can be covered from three points.

Scotland is divided into four sections, she told the group. These are the lowlands, the plains, the highlands and the islands off of the north coast.

In telling of the differences in the school system, she pointed out that most of the schools are not coeducational.

Gillian pointed out that most children start to school when they are four or five years old. However, it takes longer to complete school in Scotland than in the United States.

A major difference between schools here and those in Scotland, she said, is that courses here are more concentrated. Scottish schools take longer to cover the same subject material.

"I have worked harder here," Gillian commented, "than I have in the past two years."

The school year in Scotland, she explained, is much shorter, technically, but the many holidays make it much longer than here. School usually begins in September and will end about the first of July.

"I think, actually, I am in favor of the way it is here," Gillian stated in regard to a question on teenaged dating.

In Scotland, she pointed out, drivers licenses are not issued until a person is 18 years old and on dates the teenagers have to walk.

However, the main reason why dating is not started as early is because the students do not have cars, she said.

In her closing remarks, Gillian pointed out that she would lose a year of school.

"I will get a diploma here if I graduate," she remarked, "but it will not mean anything scholastically in Scotland. Personally, it will mean a great deal."

FOREIGN EXCHANGE STUDENT, Gillian McArthur shows Hereford Rotary Club members a copy of "The Sunday Times," one of England's leading newspapers. Gillian spoke informally to the service club recently pointing out some of the main differences between United States and Scotland. (Staff Photo)

## Bureau Policy Heard At Board Meet Thursday

The Board of Directors of the Deaf Smith County Farm Bureau met Thursday night, Jan. 11, at the local Farm Bureau Office.

A report of the 43rd Annual Convention of the American Farm Bureau Federation, held in Chicago last month, was discussed, and the national policy receiving the most attention was the proposed support and adjustment program.

The Farm Bureau's proposal is aimed at returning to the market price system, reducing administrative costs, leaving the farmer greater flexibility, and an increase in exports.

By favoring lower support prices, coupled with a voluntary

The Hereford Brand, Hereford, Texas, Thursday, Jan. 18, 1962

land retirement program and greater acreage freedom, the national AFB has reaffirmed its faith in the future of agriculture in a dynamic and growing economy, it was felt.

A report on membership revealed that, at a time when farm numbers are declining, Farm Bureau membership has increased in the state and national membership as well as in Deaf Smith County. The current membership in this county stands at 550 farm families.

Farm Bureau action in getting favorable Farm-to-Market Road legislation recently in the State Legislature was discussed, and the meeting was adjourned by Frank Barrett, local president, who presided.

### FROZEN FOOD IN ALASKA

WASHINGTON (AP) — Alaskans are enjoying frozen foods these days and they're not storing them out on the back porch, either.

Compiled data from the 1960 Census of Housing shows that of 57,250 housing units surveyed, 14,602 (more than one out of four) had home freezers separate and apart from freezing compartments of refrigerators.

In the continental United States the ratio is only one out of six.

JUMPING TOO SOON is Robert Richardson (15) of the Phillips Blackhawks, as the anticipated shot of Jerry Curt-singer didn't come through as he had planned. Unable to stop in midair, however, Richardson received a personal foul as he came down on the unsuspecting Herdman's back Hereford lost the 62-60 thriller to Phillips Friday night. (Staff Photo)

## Bees Down Phillips In District Opener

Hereford B-teamers won their district opener here Friday night as they trounced the Phillips Blackhawks by 50-34. Eugene Green netted 16 and Austin Hodges 12 to lead the Herd

to victory. The first half was played for naught as the score stood 20-all entering the second portion of the game. But the Hereford Bees came out of the dressing room at halftime with fire in their eyes, and tallied 21 points while holding the visiting 'Hawks to only six in the third quarter.

Green poured in 11 points as Hodges got six to lead the Herd's scoring rampage. Coached by Joe Brooks, the Bees played host to the Littlefield Wildcats Tuesday night, after the sophomores and freshman hosted a double-header here Saturday.

Hereford was slated to tangle in their first game of the tourney Saturday afternoon. Others in the freshman-sophomore meet were Dimmitt and Tulia. Against Phillips Friday night, David Dowell and Mike Ferguson scored, along with Green and Hodges, as the Herd managed a 9-8 lead after the first quarter.

Mike Webb hit for seven Blackhawk markers as they came back to tie things up at 20 before halftime. Hereford kept the cords hot while ripping in 21 points to take a decisive stronghold over Phillips during the third quarter. The Whitefaces led 41-26 entering the final round.

Danny Cates tallied four, Neal Lueb three, and Earl Jackson two, as the Whitefaces coasted in with nine points in the fourth period.

## Atop The World

...and riding high. Nice clothes, a good job, social eminence, a sizable bank account. Yes, and even membership in a church.  
 But just how high does he ride? How secure is life with him? Will it endure or will it be like the chaff which the wind drives away? Examine yourself. Do you worship your possessions or God? Do you glorify yourself or honor Him? Do you take credit for your successes or count them as God's blessings? Unless you possess an abiding faith in God and confess that all good things come from Him... you are riding for the fall of your life. Truly, now, are you "atop the world?"  
 Better stop. Better think. Better make the necessary adjustments.  
 See you in church.

**CARD OF THANKS**  
May we take this method to say to you lovely people in Hereford how very grateful we are for all the lovely things you did for us while we were in your city for a rather extended stay, due to our auto accident there. The doctors and hospital staff were the very nicest. The churches of your city were wonderful. For the lovely flowers, cards, gifts and prayers we are so thankful. To the families Jeskos, Albrachts, Jimmy Alleds and Lyle Blanton, our very special thanks. And: the

## Accident Damage High For County

As the year 1961 closed and the record of traffic accidents on rural roads was tabulated by the Texas Department of Public Safety, it showed that the year had been an expensive one for Deaf Smith County residents. For the entire year of 1961, a total of 87 crashes in the rural areas were tabulated in this county. Four persons were killed, 42 injured, and the estimated damage to property was placed at \$85,764.

In comparison, figures for the year 1960 show that the toll in accidents, injuries and deaths has risen sharply in the county alone.

### Mothers Needle Club Luncheon Held Thursday

Members of the Mothers Needle Club met in the home of Mrs. L. J. Jones Sr., 312 Avenue J, on Thursday, Jan. 11, for a covered dish luncheon and sewing session.

Cup towels were embroidered for the hostess. Members present were Mesdames Haskell Benson, Earl Cole, Wayne Carthel, W. H. Awtry Sr., A. T. Jones, C. N. McClure, H. E. Lindley, A. H. Cook, Hugh Reynolds, H. D. Robbins, Luther Ellis, W. T. Gunstenson and the hostess, Mrs. L. J. Jones Sr.

The next meeting will be on Feb. 8 for an all-day quilting in the home of Mrs. Haskell Benson.

Swahili is rich in proverbs, including such familiar-sounding saws as "Spilt water cannot be gathered up" and "If the cat's away, the mouse will reign."

many lovely people who came by to visit and cheer us, whose names we can't recall: please know, each of you, that we pray God's richest blessings on you, one and all. If any of you come to Houston, look us up please.

Sincerely,  
Mr. and Mrs. George Wheat  
Pasadena, Texas

damage in accidents during the past year places the county in the top five of a 31-county area of the Panhandle. The area includes such heavily populated counties as Potter, Randall, Gray, Hutchison and Moore. Of the five counties mentioned, only two — Potter and Gray counties — surpassed the property damage estimate for Deaf Smith County.

As far as the number killed in accidents during the year, the four deaths on rural roads placed the county in the top ten. In the injury statistics, Deaf Smith county placed as high as ninth with 42 persons injured.

The totals recorded for damage, deaths and injuries occurred in 87 accidents reported during the year on rural roads. Eleven of the accidents were reported during December.

According to Department of Public Safety figures, two persons were injured and property damage was estimated at \$4,365.

## Members Of Garden Club Studying Conservation

The Hereford Garden Club met in the home of Mrs. Jim Black on Jan. 12 for the regularly scheduled meeting and program titled "The Universality of Conservation."

Mrs. R. L. Wilson, president, was the presiding officer for the business session. Mrs. J. V. Pickens read a card of thanks from the executive secretary at the Texas headquarters, thanking the club for their gift.

Mrs. M. T. Rutter gave a short report of the recent placement show, and expressed appreciation for the excellent cooperation of all the members. Mrs. Roy Calvert was welcomed to the club as a new member.

Mrs. A. L. Manjeot introduced the guest speaker, Hugh Clearman, who brought an informative discussion on "Conservation, What Is It and Why Should We Practice It?" He stated that, "The Creator has

established our world, and placed in it the natural resources needed by man, and that we, as His children, should ever be mindful that all that we have are instruments and should be protected."

He continued, "There was a time, in this country, when even a whole day of life was not taken for granted; much less water, shelter, and food. Now, in this busy every-day life and because of our unusually rich heritage, we take so much for granted and abuse the laws of nature and become careless with the natural resources entrusted to us."

"Our land," he said, "with its productive soil, should be

safeguarded, the water should be used wisely and all other things of nature should be properly conserved." The discussion was concluded with a poem admonishing everyone to conserve all of the things mentioned, but especially to observe the conservation of time.

"Roll call was answered, by each member, giving the name and some of the habits of birds native to the area. Pointers were given on ways to attract birds to gardens by using bird feeders, waterers and bird baths.

Mrs. Jennie Clark brought the arrangement for the day, made of freshly cut materials, using a bird figurine as an ac-

cessory. The interpretation of the arrangement was that the trees, evergreens and berried shrubs give food and shelter to "our feathered friends."

Refreshments were served to the following: Mesdames Jennie Clark, Hugh Clearman, Emmett Hale, O. G. Hill Sr., John N. Jacobson Jr., A. L. Manjeot, R. W. Mitchell, G. W. Newsom, J. V. Pickens, M. T. Rutter, S. S. Williams, R. L. Wilson, A. O. Thompson, Glenn Boardman, Roy Calvert, C. D. Kelton, Ralph McCullough, Jeff Roberson, and the guest speaker, Hugh Clearman. Hostesses were Mesdames Jim Black, W. S. Fluitt and J. T. Gilbreath Sr.

## Jaycees Slate MOD Collection

Collection of donations to the Deaf Smith County March of Dimes was slated by the Junior Chamber of Commerce here both Saturday and Sunday afternoons.

Members of the club plan to take donations for the campaign during Saturday afternoon at the Junior Livestock Show grounds at the Bull Barn and Little Bull Barn.

Donations for the drive will be solicited Sunday from 2-5 p. m. from motorists on both Main St. and Park Ave. by a road-block type of collection system.

In other business, the Hereford Jaycee club is continuing its house-to-house sale of light bulbs in the city. Sale of the bulbs was Tuesday, Wednesday and Thursday nights.

Two teams are competing in the sale with the losing team buying dinner for the winners at an orientation night scheduled for 8 p. m. at the Western Wheel Inn.

The dinner is slated to be the formal initiation of new members recently brought into the club.

Captains of the teams are Fred Ruland and Martin Moore. The trip to the Jaycee Winter Tri-Regional Meeting in Pampa, Jan. 27-28, was also discussed. Thirteen of the club members have indicated they are planning to attend.

**RECOGNIZING THE MUZE**  
OXFORD, England (AP) — A formula for telling a real poet from a false one has been advanced by Robert Graves, author and professor of poetry at Oxford University.

In a lecture at Oxford, he said:

"True poetic trances excite memorable images, strong personal rhythms and a peculiar syntax which together transcend in emotional force the most considered rhetoric.

"False trances imitate these elements, but deceive no reader of sensibility.

"Any honest, dedicated poet, with a nose and an eye, will take up a new volume of verse, riffle the pages through, and decide after two minutes, by a pricking of his finger tips, whether or not the muse has been in attendance."

Ursalee Jacobsen, Sue James, Marie Sears, and Misses Lucille Park, Gladys Setliff, Della Stagner and Erma Walker, members of the club. Misses Beverly Boyer, Glenda Fuhrmann, Jan Reese and Maribeth Gilliland, FHA members working toward special goals in their club accomplishments, helped with the work.

Refreshments of coffee, tea, sandwiches and cookies were served by the hostesses, Mrs. Margaret Ann Durham, Byrdie D. Fellers, Ruby Lee Hickman,

MRS. BYRDIE D. FELLERS, right recording secretary of the Hereford Business and Professional Women's Club, is supervising the addressing of March of Dimes envelopes, an annual project of the club. The FHA girls helping Mrs. Fellers are from left, Beth Gilliland and Glenda Fuhrmann. (Staff Photo)

The members addressed and prepared for mailing all of the envelopes for the current March

of Dimes campaign. This is an annual project of the club.

During the coffee break, Mrs. Sue James, president, conducted the short business meeting. At that time, Mrs. Marie Cline, chairman of the health and safety committee, presented, in behalf of the club, a check for \$100 to Dr. Lena Edwards. The money will be used for construction and furnishing of the licensed hospital being built at the labor camp by the Latin American residents of that community, under the direction and help of Dr. Edwards.

Those attending the meeting were Dr. Lena Edwards, guest, and Mesdames Gwyrene Carter, Marie Cline, C. Ora Cockrell, Margaret Ann Durham, Byrdie D. Fellers, Ruby Lee Hickman,

# Old, New Problems Slated For Action During Session

**TO THE PEOPLE OF THE 18TH DISTRICT:**  
On Jan. 10, 1962, the House of Representatives of the United States Congress convened for the second session of the 87th term of Congress. The session commenced with the usual handshaking and greeting among the members returning to the Nation's Capital for further consideration of the old problems, and attacking the new.

Armed Services. The new Speaker then administered oaths to the new members replacing those who had passed away or resigned. The year 1962 has already claimed another Member of Congress in the passing of my good friend, John Riley of South Carolina. John was a southern gentleman in the best traditions, a man of staunch character and great ability. It will be most difficult for the people of South Carolina to replace him.

Committees of the Congress. Hence, work can be started without delay. The Committee Chairman have already begun to outline the year's work and set meetings of the Subcommittees and the full Committees. It is hoped that by doing this the unfinished work of the last session may be quickly concluded and the new work for this session can be attended with dispatch.

The oath was administered to the new Speaker by the man who has served longest in the House, to-wit, the Honorable Carl Vinson of Georgia, Chairman of the Committee on

Since this is the second session of the 87th Congress, it is not necessary for all of the Members to be sworn again, nor to reconstitute the several

This would make it possible for this session of Congress to adjourn some time in mid-summer, rather than being held over until the fall. The wives and children of the members have

been most anxious that some plan be worked out so that the members could spend some time with their families during the summer vacation periods. For a number of years it has been impossible for the families to make the usual vacation plans while the children were out of school. This situation finally developed into a mild revolt last year by some of the Members' wives. Although this revolt was unsuccessful, the feeling is still prevalent and it may be expected that the issue will be revived until some action is had.

It is my feeling that Congress could adjourn by July 15. If this is done, it will mean that work must be pushed without delay in all of the Committees. There is no doubt but that there will be many heated debates during this session on the several subjects mentioned in the President's State of the Union message. There are also a number of bills left on the calendar from the last session which will prove equally controversial.

On the subject of international matters, you can expect to hear much from the Select Committee which we in the Congress last session formed for the purpose of looking into shipment of goods to Red and Red-Satellite countries. In fact, information will be forthcoming within the next few days as the opening salvos in clearing up this problem and in putting a stop to practices that should not be followed.

There will be opportunity for action on three measures passed by the House last year. One of these, H. R. 4469, bars the employment on waterfront facilities and U. S. merchant vessels of persons who refuse to appear or to answer questions on Communist affiliations or commit perjury before any Federal agency.

Another, H. R. 3247, clarifies the term "organized" as used in the Smith Act to make it apply to continuing as well as original Communist activities. This bill will plug up a legal loophole that the Communists were trying to avail themselves of.

Another is H. R. 8465, which prohibits shipments in interstate or foreign commerce of articles imported to the United States from Cuba. This measure passed the House and it is hoped that it will become law this year.

The Congress should also address itself to continuing and vigorous action to ferret out any possible infiltration of Communists or Communist sympathizers into the Federal government or any organizations doing business with the Federal government. This is a continuing job and one that must be of primary concern at all times.

Several measures which I have introduced can be effective weapons in this battle to

# Hospital Shows Increase In Revenue And Services

One of the busiest places in Hereford is Deaf Smith County Hospital, where thousands of persons received medical care and an average of almost one baby per day was born during 1961. Each year, the board of managers of the hospital prepares a report of its finances and other facts for the previous year for submission to the Deaf Smith County Commission.

Following information is included in the report for 1961, which has just been released. In volume, 1961 was the largest in the history of the hospital. A total of 1871 bed patients received 9334 days of hospital care, an average of slightly more than 4.9 days per patient. An additional 2387 persons received treatment in the hospital's one emergency room.

During the year, there were 353 babies born in the hospital. Total charges to patients for services was \$297,001.81, of which about 11 per cent, or a total of \$21,471.08, was either charity or bad accounts. This reduced net collections from patients to \$265,530.73.

Other revenue, including gifts from the Hereford Medical Aux-

iliary and recovery of previously charged-off accounts raised total collections and income from all sources to \$279,502.06. Total expense was \$249,820.20, of which 58 per cent or \$144,510.78 was for payroll.

By increasing collection percentage by four per cent over the previous year and controlling expenses, the hospital showed a profit of \$29,681.86. This will be reinvested in hospital

equipment and plant facilities. During the year, some painting and redecorating was done and a long-range project started to install ceramic tile in all corridors.

From revenue, the hospital purchased new equipment with a value of \$9,870.84. Included are a new dishwasher, garbage disposal, automatic controls for sterilizers, diathermy and inhalation equipment, plus equipment for the diet department. The bookkeeping department also has been mechanized for more accurate records.

Realizing that community growth and a general trend toward longer life mean an increased hospital load, the board employed an architect to make

long-range expansion plans. First step in these plans will be achieved during 1962 with an addition, estimated to cost about \$60,000. It is expected the hospital and the county will share cost about equally on this project.

In order to provide better trained hospital care, the first class for vocational nurses was started Jan. 1, with 12 persons enrolled. They will receive classroom and practical training 44 hours per week for a full week.

During the past ten years, hospital growth has been rapid. On Jan. 1, 1952, total assets were \$398,819.27. At the end of December, 1961, these had jumped to \$661,034.56, an increase of

\$262,215.29.

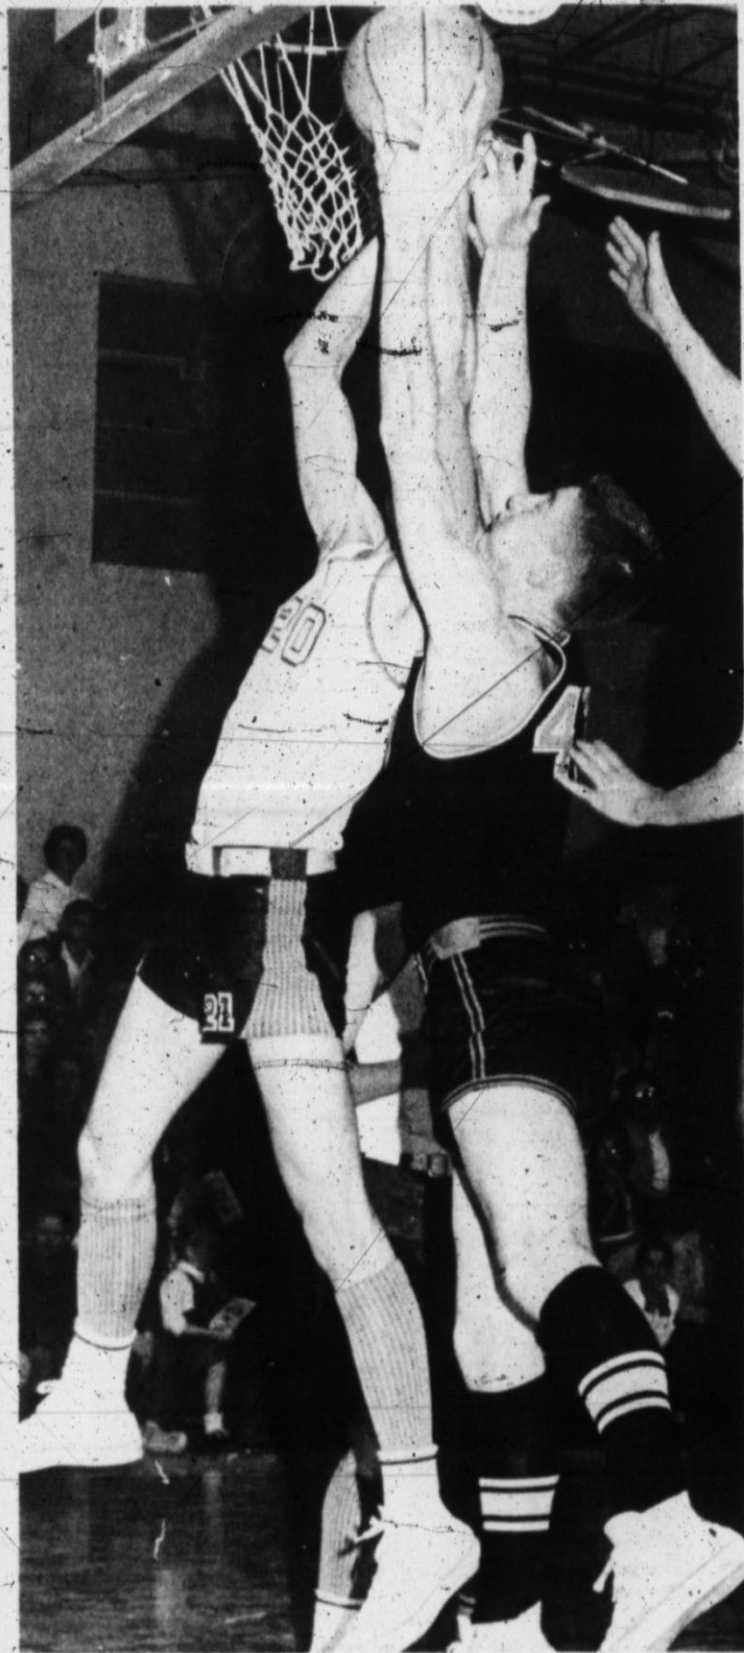

In that ten-year period, the hospital cared for 17,408 bed patients and 3232 babies were born. Staff doctors performed 4994 surgical procedures and 26,003 persons received out-patient treatment. But the hospital doesn't have just a health impact upon the community. During the past ten years, more than two million dollars was returned to the community in the form of payrolls, purchase of supplies and services, and in charity work done at no cost to the taxpayers.

# Substantial Progress Made In Enactment Of Program

**BY VERN SANFORD**  
Substantial progress has been made by the Legislators toward enactment of Gov. Price Daniel's program. Lawmakers seeking re-election this spring are diligently at work. They want to be home by the filing deadline Feb. 5.

Loans: House of Representatives sent a much amended loan regulatory bill to the Senate. Bill would set up tight supervision over those who lend in amounts less than \$1,500. Exceptions are banks, credit unions, savings and loan associations and various kinds of cooperative credit groups.

Those exempt from the regulatory law would be limited to 0 per cent interest per year. All loans over \$1,500 would likewise be held to 10 per cent. House bill allows a 3-per cent per month charge on loans under \$100. . . 2 1/2 per cent on the part of the loan from \$100 to \$200 . . . 2 per cent on \$200 to \$500 . . . and 10 per cent on the part of the loan between \$500 and \$1,500.

When interest allowed on a loan over \$200 is less than 4, the lender can charge \$4 in lieu of interest.

Rural Roads: Senate passed the proposal by Sen. Nevelle Colson of Navasota to cut the spending on farm-to-market road construction to \$17,500,000 a year. This amount will be used for construction of secondary and primary highways.

A House rural bloc on the Agriculture Committee favored a smaller reduction. They preferred a ten year graduated cut . . . to reach the goal set by Governor Daniel, Texas Farm Bureau, the County Judge and Commissioners Association and the Texas Good Roads Association.

Tourism: Large crowds turned out for the Senate and House committee meeting on these bills: (1) to appropriate \$300,000 for advertising for tourists; (2) for expansion of the juvenile parole system; (3) and for repairs to the San Jacinto Monument.

Opposition came largely from advertising people who felt the Highway Department isn't the proper supervisor of an advertising program.

Attorney General's Race Begins: Former Secretary of State Tom Reavley of Austin was the first candidate for Attorney General to pay the \$1,000 filing fee at State Democratic Executive Committee headquarters.

This is Reavley's first statewide race. The former Nacogdoches County Attorney was appointed Secretary of State in 1955. He now practices law in Austin.

Wagoner Carr of Lubbock, two-term Speaker of the House of Representatives, already has announced as a candidate.

Although Carr lost the 1960 race to Will Wilson, he polled a half million votes.

The Lubbock lawyer says his platform has one basic plank, "strengthening our legal framework where needed, and more vigorous enforcement of those laws, once enacted."

Les Procter of Austin, who resigned his office as District Attorney, is expected to make a strong bid for the Attorney General's job.

Procter won prominence as prosecuting attorney during the veterans land scandals.

Rep. Tom James of Dallas, the fourth announced candidate for Attorney General, is busy with legislative duties.

"Tourists' Ready to Travel: Formation of the Texas Tourist Council became official at a luncheon here which honored state representatives. Council urged appropriation of \$300,000 for out-of-state advertising.

Tourist Council elected as its president James Gaines of San Antonio. Vice-presidents are Glenn Alexander of Corpus Christi, Everett Fulgham of Lubbock, Ed Leach of Galveston, Charlie Meeker of Dallas, T. P. Newhall of Greenville, John Ben Sheppard of Odessa and John Simpson of Austin. Ed St. John of Austin was elected se-

cretary. Speaker James A. Turman told the 500 luncheon guests that the old joke "It is easier to pick a tourist than a bale of cotton" is about to go state. He said Texas must let the rest of the nation know what it has to offer.

Texas Called Book Desert: University of Texas Chancellor Dr. Harry Ransom told members of the Texas Commission on Higher Education that the State of Texas is laboring under the label of "the book desert of the United States."

Dr. Ransom made the statement in support of a plea from Dr. F. L. McDonald, President of Lamar State College of Technology, for a more realistic appropriation recommendation for libraries in Texas' 19 state-colleges.

Reappointed to the State Board of Examiners for Teacher Education were: Dr. Glenn Barriett of the University of Texas; Mrs. Kate Bell of Houston Public Schools; Dr. Arvin N. Donner of the University of Houston; Dr. Frank Hubert of Texas A&M; Dr. Herbert Lagrone of Texas Christian University; Dr. Emmett D. Smith of West Texas State College, and Mrs. Florence Vaughn of Tyler Public Schools.

The Board also appointed a 16-member Junior College Study Commission on Budget Procedures and Reporting. This to comply with a bill for appropriations to public junior colleges passed in the summer session of the 57th Legislature.

Short Snorts: Assistant Attorney General Bob Erie Shannon of Brownwood has been appointed Chief of the Attorney General's Insurance, Banking and Securities Division. Atty. Gen. Will Wilson won a judgment recovering more than \$423,000 for the State in a suit alleging fraudulent sale of land in Kinney County to the Veterans Land Board.

Agriculture Commissioner John White predicted that the growth of the European "Common Market" will have a major effect on Texas farm economy. He said Texans will export some 25 per cent of their \$800 million cotton crop this year.

Accreditation standards was a much-discussed topic when 1,200 Texas school administrators met here last week.

LIMITED LOYALTY: NIAGARA FALLS, N. Y. — The Rev. Joseph J. Spahn, a distant cousin of baseball's Warren Spahn, says he's often asked if he is related to the Milwaukee Braves' pitching ace. "Let's put it this way," Rev. Spahn says. "We're related when he wins and we're not related when he loses."
