

Senator Formby Favors Farm To Market Roads

Senator Marshall Formby of this district said this week that he favored taking the surplus in the bond fund, after servicing all eligible bond and building farm to market roads for the farmers of Texas.

"Farmers of Texas pay more than 25 per cent of the gasoline tax," he said, "and do not get much benefit from

their money spent because much of their traveling is done on rural roads. Considering the fact that we need more all weather roads for school buses to travel, I think it only fair that this surplus be spent to build some good lateral roads for the Texas farmer."

Senator Formby said he would like to see the bill

changed so as to make it possible to take in the new bonds which West Texas counties have used to build roads now a part of the State Highway System. The Senate Thursday night passed a bond bill which will provide for the building of farm to market roads by the State Highway Department. If the House adopts this bill,

the Legislature should get through within the next few days. The Senate passed the Bill in three days.

Formby recently moved to Plainview where he is publisher of the Plainview Tribune. He said he believed his connection with the Plainview newspaper would fit in well with his Senatorial work and would give him

considerable time to visit over the 24 Counties of this Senatorial District from time to time. He was formerly publisher of the Aspermont Star, and worked on several dailies before he was elected County Judge of Dickens Co. in 1936. He owns a farm near McAdoo, in Dickens County.

Locals Defeated By Abernathy

To Journey To Southland Today

The Meadow Broncho footballers went out on the gridiron Friday afternoon with a strong determination to outscore Abernathy, but this determination was not enough; it was not sufficient to overbalance the great weight and experience handicap which the visitors held over them.

Even while taking a 7 to 0 defeat, the boys seemed to show up very nicely. Their defense was good, more especially the way they tackled the big Abernathy lads, who claimed an average of 170 pounds per man. Their offensive play, at many times seemed to bog down, both literally and otherwise.

The local eleven seemed to be in pretty good condition, none of them receiving injuries in the conflict.

The concensus of opinion of local fans was that Coach

"Stop that killin'" is the plea of Bette Field to her Ozard lover, played by John Wayne in Harold Bell Wright novel, "The Shepherd of the Hills," coming to the Rialto Theatre.

Stephenson is doing some fine work with his squad of boys, and with a little more time some body's team is going to do some hustling to beat 'em.

The coach has been giving them some pretty stiff work outs this week (the boys say) in preparation for the game today in Southland.

KFYO Entertainers To Furnish Music

Tom Biggs and his musical boys who appear regularly on KFYO, will present a musical on the streets of Meadow tonight beginning at 8 o'clock. A large truck will be placed in the center of the street from which the music will emanate.

In connection with this program will be an amateur contest. All local persons who have musical talent and would like to get on the radio this is your chance.

The program is sponsored by Meadow businessmen.

It's all free. Tonight in Meadow.

Panhandle - South Plains Fair To Sponsor Big Rodeo Each Night As Grandstand Attraction. \$3,000.00 In Prize Money Offered

Offering \$2,700 to \$3,000 in cash prizes for contestants and one of the most ambitious programs in history for the spectator a rodeo which will be a nightly grandstand feature at the 28th annual Panhandle South Plains Fair here October 6 to 11 will bring close to 200 of the nation's roughest and toughest animals and some of the top notch cowboy performers for entertainment anticipated record attendance.

Fair officials this week announced approval of contracts for the animals, more

than 100 head of which will come from the famous Beutler Bros. ranch at Elk City, Okla. origin of much of the livestock used in rodeos at the Madison Square Garden shows at New York. The announcement has been received with widespread approval by prospective contestants and the public in general.

All contests will be judged under rules of the Cowboy Turtle Association, and events will be open to members of the association and to all amateurs in good standing.

Blackball "Turtles" will be barred from competition under a specific rule. Contest entries must be on file before 5 p. m. on October 5, day preceding opening of the fair, and these must be accompanied by entry fees, which are \$10 for calf roping and \$7.50 for each of the other events.

Guaranteed prize money in each event will be \$400 with all entry fees added. These fees are estimated to total probably \$1,100.

Special acts by outstanding individual performers will

be included on each of the nightly programs. Regular events include calf roping, bronc riding, steer riding, and bulldogging, with Brahma calves and steers for riding, and Mexican steers for roping and bulldogging.

Among outstanding animals named in the contract will be "Old Twenty One," a fiery steer that is credited with having been ridden only three times in the past four years; and such bucking broncs as "Amos" and "Andy," a pair of high flying Paint outlaws, "Corkscrew,"

"Hell Sinki," "Yehuti," "Lee Rider," "Red Snapper," and "Joe Louis," each famous in his own right over the rodeo circuits. Many others, some probably just as rough and tough, but not quite so widely known, also will appear.

The show will be staged under floodlights before the large steel grandstand each night during the six day exposition.

Mrs. L. C. Fowler of Dublin is visiting her daughter Mrs. T. J. Fulford and also her brother V. V. Fowler.

Carroll to Bring Comics and Beauties
