THE RISING STAR

Where Three
Good Texas Counties
Get Together

Rising Star, Texas 1987 Eastland County Newspaper Co. Established in 1890 Thursday, April 23, 1987 25 cents plus tax Number 17

Rising Star fifth grade students enjoyed an Easter picnic at the new RV park east of Rising Star last Thursday. Grouping for a photo were, front row, Susan Stone, Christi Bush, Christy Hughes, Mary Weise, Inga Williams and Heather Wright; and, back row, Christyna Johnson, Scott Rutledge, David Bronson, Jimmy Ayres, Gary Robertson, Wid Keeling, Jarod Horton and John Derickson.

Area Meeting Set for Senior Parents

In an effort to find parent representatives from surrounding towns, an organizational meeting for the upcoming area Project Graduation will be held on Monday, April 27, at 7:30 p.m., in downtown Cisco at Olney Savings at 701 Ave. D. Senior Parents interested in helping to organize the graduation party are urged to attend. For further information call Joe or Jan Cooper at 442-3994 or 442-2255.

Rising Star fifth grade students weren't sure catching raw eggs would be much fun but they all joined in the egg toss relay race. Before the end of the first race the excitement and suspense (yes, there were broken eggs) generated by the game had both teams ready for "best two out of three" to determine the winners.

As Wid Keeling catches the raw egg tossed to him John Derickson, in the background, applauds his success.

This will be the beginning of a semi-monthly news article which is intended to inform the Citizens of Rising Star as to what is happening at City Hall.

There will be an employees meeting at 8:00 a.m. the second and fourth Thursday of each month, the first one was held on April 9. Doug and Bruce have been spending some time in the tank, cleaning out and repairing the water storage facility.

As you may have noticed bridge repair has now been completed on three bridges in town. City employees have been busy the last few days conducting an inventory.

Mayor Burk has recently been in contact with Kenneth Windund of Royal Financial in Kerrville, Ben Lacy's office in Austin, State Senator Bob Glasgow's office, and Fred McDonald, architect and structural engineer in San Angelo, concerning the Rising Star Detention Center.

It seems as though we are having warm weather these days so a few customers have decided to turn their gas meters off for the summer months.

It's about that time again, Doug and Bruce will be reading meters Wednesday, April 22 and Thursday, April 23.

'Great Texas Trash Off'

More than 247 people in Eastland County will join 15,000 Texans in cleaning up the state's highways on Saturday, April 25, in the largest one-day clean-up effort in the U.S. Called "The Great Texas Trash Off," the program involves volunteers across the Lone Star State who will clean approximately 2,000 miles of roadways as part of the highway department's aggressive war against litter. "By Saturday night, Texas should be as clean as it's been in the last 50 years," said Jean Sparks, public affairs officer of the Brownwood district. The clean-up effort combines two of the most successful antilitter programs in the nation, Adopt-a-Highway and DON'T MESS WITH TEXAS. Both innovative programs were developed by the State Department of Highways and Public Transportation. "Our goal is not just to

clean up after people who use our roadways as their personal garbage dump. Instead, we want to demonstrate how much trash there is and convince Texans to put it where it belongs," Sparks said. In 1985, Texas taxpayers spent \$24 million removing trash from the state's highways, and the cost had been increasing 17-20% every year since 1970. In 1986, the highways department introduced the tough-talking DON'T MESS WITH TEXAS program. Unlike other antilitter messages, DON'T MESS WITH TEXAS is the first program in the country to talk directly to "habitual litterers." In its first year, this program is credited with a 29% reduction in litter. "We're pleased with the reduction so far, but it is going to take the program several years to significantly and permanently change litterers' behavior."

That's when we'll realize the greatest cost saving for taxpayers," Sparks said. The Adopt-a-Highway program, the first of its kind in the nation, involves volunteer groups who regularly clean up their "adopted" stretch of highway. More than 1,300 groups throughout Texas have joined the program since it was first introduced 12 months ago. Civic, community and business groups that have adopted more than 28 miles in Eastland County are Future Homemakers of America, Eastland County Girl Scouts, Eastland F.F.A., Kiwanis Club of Eastland, Eastland Happy Go Getters 4-H, Northview Development Center, Ranger 4-H Club, Cisco 4-H Country Kids, Eastland Cub Scouts Pack 23, Mangum Baptist Youth Group, George Fee Foundation, Gorman 4-H Club, and Rising Star Boy Scouts.

Do You Really Use Your Microwave?

Are you using your microwave to its fullest, or do you use it only to reheat and defrost? A microwave oven can do so much more. The WTU Electric Living Consultants from Abilene will be demonstrating a variety of recipes including complete meals on new Amnara Radaranges. Save yourself time and energy when cook-

ing and cleaning by learning new techniques using the most convenient kitchen appliance, the microwave oven. Microwaves not only save electrical energy, but help you have a cooler kitchen during those air-conditioning months. Come join WTU for free instruction and tasting of the microwaved foods. Everyone atten-

ding will receive a microwave brochure full of information and a free gift. A drawing for door prizes will highlight the evening. Call your WTU local office at 643-3321 to make your reservations. We hope to see you at the Microwave Cooking School on Tuesday, April 28 at 7:00 p.m. in the Elementary School Cafeteria in Rising Star.

Subscriber Line Fee Increase Proposed

A joint advisory board of federal and state regulators has endorsed by 7-0 vote a plan to raise the local telephone subscriber line charge to \$2.60 cents per month in June. Currently, all telephone subscribers pay a monthly fee of \$2. The plan is a compromise by state regulators and federal regulators, who have been under pressure from Congress to freeze the monthly charge at its current \$2. Final approval by the Federal Communications

Commission (FCC) is virtually assured since the advisory board included three of the FCC's five commissioners. The increased charge moves more of the fixed costs of telephone lines from long-distance rates to local telephone subscribers. The plan calls for another 60-cent increase in September 1988, and a final 30-cent increase in April of 1989, capping the total monthly subscriber line charge at \$3.50. The gradually increased charge is expected

to reduce long-distance rates at least 15 percent over the next six years, according to the FCC. A portion of the plan called "Linkup America" would subsidize telephone costs for the poor. Linkup America would pay half the cost of telephone installation, or a maximum of \$30, and would exempt low-income residents from the charge. Long-distance rates have dropped about 30 percent since the subscriber line charge was first set at \$1 in June 1985.

Nursing Center News

Peggy Goodman Activity Director

This weeks activities include a Bingo Party on Thursday afternoon at 2:30 and a wheelchair walk at 2:00 on Friday afternoon (if the weather allows). Our monthly birthday party is scheduled for next week, April 28, at 2:30. Birthday honorees for this month are Vera Forbes, Robbie Henderson, and Effie Williams. We had a super easter holiday at the nursing center. It started Tuesday with a visit from the First Baptist Church G.A. club. The girls had made candy filled eggs for all the residents and after singing for us, visited and passed goodies in each room. On Thursday afternoon the Child Development class and Future Homemakers of America from Rising Star High School sponsored an Easter egg hunt at the nursing home. Our residents gathered on the patio, as well as the high school students, while the little ones (about a dozen) hunted for eggs on the lawn. Refreshments, made by the school students, were served to everyone and residents enjoyed looking on while the little ones played games, led by the FHA and Child Development classes. This is the second year Mrs. Webb and her classes have done the Easter egg hunt for us and we want to thank all of them for another special Easter holiday. On Saturday afternoon the nursing center sponsored an Easter egg hunt for our staff and resident families. Residents and staff members has as much fun hiding the eggs as the little

ones did finding them. Thanks to all who furnished eggs and helped serve refreshments. Easter Sunday services were held by Rev. Don Longoria and members of the May First Baptist Church. Next Sunday's services will be led by Rev. Oran Rhodes and the Church of Christ. Many people sent flowers and arrangements to be enjoyed over the holiday and we thank all of you who remembered us—Lee and Wanda, The Rising Star Flower Shop, and Yvonne Williams—Thank you. Thanks to Margie Earp for taking time out to play the piano for us last week, also to Lois Richardson for leading Bible Study last week and to Dorothy Reynolds and Cliffogene Witt for leading the music. Devotional was held Monday evening by Rev. Linnstaedt and members of the United Methodist Church. Thanks to all of you. Members of the First Baptist Womens Missionary Union (WMU) had a coffee for residents on Monday morning. Coffee, juice, and cookies were served outdoors on the patio. Several residents commented on how much they enjoyed visiting and welcome you back. Thanks to all of you.

Those who played bingo this week were Pauline Hill, Buster Rixford, Mary Shields, Martha Irby, Robbie Henderson, Irene Arnold, Ethel Moore, Annie Selman, Alma Armstrong, Joe Fox, Mary Crisp, Vera Forbes, and Grace Goss.

Saturday Club

The Saturday Club was held at 2 p.m. April 15, in the Public Library. Coordinators for the program were Irene Mayfield, Bill Gray and Joan Hubbard. The room was decorated with flowers arranged in baskets, a hand crocheted table cloth covered the table, which was centered with a crocheted doily shaped into a spring bonnet and decorated with spring flowers. Some of the articles were furnished by Jo's Gift and Art Shop. Members answered the roll call with an account of one of their happy moments, a most interesting and some times touching recital. Irene Mayfield introduced

ed Mrs. Rex Bessent of Brownwood, a gracious and talented artist, who presented memorable selections from the past. The selections included The Charleston, Sweet Georgia Brown, and The Entertainer and Solaces by the well known artist, Scott Joplin. She concluded her presentation with The Pineapple Rag. Mrs. Bessent is a gifted and enjoyable entertainer. A short business meeting was conducted by president Bea Kruger. Reports were given by various committee chairmen. There were 30 members present.

WHAT ABOUT RELIGIOUS DIVISION

There are many ways in which the Bible can be made of none effect by the actions of those who are spoken to. Let us briefly look at only two of these ways, for it is ever so important to our lives and our eternal destiny that the Bible does have its proper effect upon us.

1. Religious division makes the Bible of none effect, yet it prevails as the commonly accepted practice of our day. "Neither pray I for these alone, but for them also which shall believe on me through their word; That they all may be one; as thou Father, art in me, and I in thee, that they also may be one in us; that the world may believe that thou hast sent me" (John 17:20,21).

2. Man-made tradition, man-written creed books, and man-made doctrines set aside the value and effectiveness of the word of God. "Thus hypocrites, well did Jesus prophesy of you, saying, This people draweth nigh unto me with their mouth, and honoureth me with their lips, but their heart is far from me. But in vain they do worship me,

teaching for doctrines the commandments of men" (Matthew 15:6-9).

Though there are other ways in which God's word is made of none effect, these two go hand in hand in condemning the evil of division and man-made tradition, which is known as denominationalism. There is no need of any man being a part of a denomination, for denominationalism is unscriptural. The church belonging to Christ is no denomination, has no earthly headquarters or hierarchy and has no man-made creeds or church manuals. The Lord's church strives to speak where the Bible speaks and to be silent where the Bible is silent, with the Bible as its only rule of faith and practice. Is that not what many of you have always desired—just to follow the Bible, nothing more or less?

Wherefore come out from among men, and be ye separate, saith the Lord, and touch not the unclean thing; and I will receive you. And will be a Father unto you, and ye shall be my sons and daughters, saith the Lord Almighty" (II Corinthians 6:17,18).

Commentary

Myrtle Owen

God said, For every beast of the forest is mine, and the cattle upon a thousand hills (Psalms 50:10). I know all the fowls of the mountains; and the wild beasts of the field are mine. If I were hungry, I would not tell thee; for the world is mine, and the fullness thereof (Deut. 10:14). says, behold the heaven and the heaven of heavens is the Lord's thy God, the earth also, with all that therein is. And Job 41:11 says, Who has prevented me, that I should repay him? Romans 11:34,35,36, the Almighty God, For who hath known the mind of the Lord? Or who hath been his counselor? Or who hath first given to Him, and to Him, are all things: to whom be glory forever. Amen. Romans 12:1,2. I beseech you therefore, brethren, by the mercies of God, that ye present your bodies a living sacrifice, holy acceptable unto God, which is your reasonable service. And be not conformed to this world:

but be ye transformed by the renewing of your mind, that ye may prove what is good, and acceptable, and perfect, will of God. Ephesians 4:23, and be renewed in the spirit of your mind; (Made new), verses 24,25,26,27, And that ye put on the new man, which after God is created in righteousness and true holiness. Wherefore putting away lying, speak every man truth with his neighbor: for we are members one of another. Be ye angry and sin not: let not the sun go down upon your wrath: neither give place to the devil, v. 28. Let him that stole steal no more; but rather let him labor, working with his hands the thing which is good, that he may have to give to him that needeth.

10th Annual Breckenridge Fly-In, Air Show Set May 23, 24

If things sound like Pearl Harbor or the bombing of Berlin in Breckenridge on Sunday, May 24, it is intentional. Saturday, May 23, and Sunday, May 24 are the days for the 10th Annual Breckenridge Fly-In and Air Show.

Warbirds from World War II will come from all over the United States and Canada to participate in the event which has grown to be one of the outstanding Air Shows in the nation since the beginning 10 years ago.

The 1986 Air Show had over 125 Warbirds participating, plus several hundred additional aircraft and thousands of spectators. Weather actually cut the number of participating aircraft from the previous year.

Breckenridge is a year-round home to Warbird Museum and boasts some 20 World War II, Korea and Vietnam era airplanes. All of

these aircraft are owned by individuals in the Breckenridge area. The Breckenridge aircraft are only a small part of the many that will be on hand for the 10th Annual Breckenridge Air Show.

Sponsors of the Annual Air Show include the Big Iron Squadron of the West Texas Wing of the Confederate Air Force, the Breckenridge Aviation Museum and the Breckenridge Chamber of Commerce.

Members of the Confederate Air Force are all volunteers who are dedicated to keeping as many as possible of these vintage airplanes flying. Every member of the of the Confederate Air Force holds the rank of Colonel. They are a rare breed of men and women who share a love of keeping the Warbirds flying.

The Annual Breckenridge Air Show has grown from an

idea of several Breckenridge men to have a "fly-in" on Memorial Day Weekend in Breckenridge just for the fun of getting a few of the old "fly-boys" together.

The 10th Annual Air Show Committee of the Breckenridge Chamber of Commerce which is assisting in the planning and sponsorship of the upcoming Air Show is confident that, depending on weather, as many as 150 warbirds, and possibly more, will be on hand for the 10th Annual Show.

Show Coordinator Eddie Holmes stated, "If this proves to be the case and we do get the 150 vintage Warbirds in our 1987 Show, it will be one of the largest displays of this type aircraft together in one place since soon after the end of World War II."

Stephens County Airport located about two miles

south of Breckenridge on U.S. 183 is the site for the fly-in and show. Saturday, May 23, will feature the Fly-In, static displays of the Warbirds and other aircraft and tours of the Breckenridge Aviation Museum which is located at the airport. Admission gates will open at 10 a.m. Saturday and admission will be \$3.00 per person for all who are over 5 years of age. Admission gates will open at 9 a.m. on Sunday, May 24, for spectators to begin viewing the aircraft, visiting with pilots, tour the museum, purchase souvenirs from the many concession stands, enjoy a variety of food booths and begin to prepare for the Air Show. The Air Show will actually begin at 1 p.m. with fly-overs by current military aircraft. The major event will begin at 2 p.m. with the opening of the reenactment of the air battle depicted in the movie, "Tora, Tora, Tora."

It is recommended that spectators plan to arrive as early as possible in order to avoid waiting in line to get into the parking area. Spectators are also urged to bring lawn chairs and sun protection materials. There will be a variety of food booths and soft drink booths operating.

Sunday admission is \$5.00 for adults and \$3.00 for children up to 12 with children under 5 admitted free. Advance tickets may be purchased by ordering from: Breckenridge Air Show, PO Box 1466, Breckenridge, Texas 76024, or they may be picked up at the Breckenridge Chamber of Commerce at 112 West Walker Street.

Camp Sweeney Offers Diabetics Summer Fun

GAINESVILLE - Every summer, over 300 young people between the ages of six and eighteen attend a very exclusive camp near Gainesville. The entrance requirements are strict: the child must have diabetes.

Too often, regular summer camps turn away a child with diabetes because of their special diet and medical needs. But Camp Sweeney, organized over 35 years ago, is a place for the diabetic to learn while having fun. All of the activities of a regular summer camp are offered: horseback riding, swimming, boating, fishing, arts and crafts, riflery and many more sports, plus movies, dances and carnivals in the evenings. Sandwiched between the fun things are interesting sessions on medical and dietary information to help the campers take care of themselves and learn to live productive lives with their affliction under control.

Diets are formulated according to each individual's needs, giving the diabetic valuable examples of how to exchange foods to include an occasional "treat" so he won't feel left out around his friends at home.

Located on rolling wooded acreage 10 miles northeast of Gainesville, the site is bordered on the south by a

34-acre lake. Three, three-week sessions are held every summer, with the opening session scheduled for June 7. Others begin on June 28 and July 19. A medical staff and experienced counselors are always present and keep a close eye on the campers in a one-to-four ratio, many of them former campers themselves.

The camp is a United Way agency, and scholarships are available for any child whose family is unable to pay the full session's fee. No child is turned away because of race, religion, or national origin.

Established in 1950, Camp

Sweeney was the first educational and recreational training center in the South for children with diabetes mellitus. Thousands of youngsters are living a self-sufficient, healthy life due to their training at Camp Sweeney.

For additional information and application forms, write to Camp Sweeney; Southwestern Diabetic Foundation, Inc.; P.O. Box 918; 101 S. Culberson; Gainesville, Texas 76240 or call 817-665-9502.

1986 Wool, Mohair Payments

WASHINGTON, April 3--Sheep producers will receive about \$109 million in federal incentive payments on wool and lambs sold during 1986, according to Milton Hertz, administrator of the U.S. Department of Agriculture's Agricultural Stabilization and Conservation Service. Mohair payments total \$38 million for the same period.

The 1986 support price for shorn wool is \$1.78 per pound, determined in accordance with the National Wool Act of 1954, as amended. The 1986 national average market price for shorn wool, 66.8 cents per pound, was 111.2 cents less than the support price.

A 1986 payment rate of 166.5 percent for wool results from dividing the support price by the national average price. The payment rate is the amount required to bring the average price received by producers up to the support price. The 1985 payment rate was 160.7 percent.

For mohair, the 1986 average price was \$2.51 and the support price \$4.93, making the payment rate 96.4 percent. The 1985 rate was 28.4 percent.

Hertz said that USDA's Commodity Credit Corporation will not make payments on those parts of a producer's sales proceeds that exceed \$2.67 per pound for wool or \$10.04 per pound for mohair.

Producers will receive \$4.45 per hundredweight in federal payments for unshorn lambs that were sold or slaughtered during 1986. The payment is based on the shorn wool payment rate, the average weight of wool

per hundredweight of lamb, and the price of lambs' wool relative to the national average price for shorn wool.

Boy Scouts Have Active Weekend

A baker's dozen Rising Star Scouts and three Comanche Explorer Scouts spent the weekend at the Bible Place (thanks Mr. Bible) north of town. They were accompanied by Scoutmaster Allen Thomas and his assistant, Steven Mims, both of Comanche.

Camping were Jason Bible, Chad Hill, Donny Alcorn, Brian Bailey, Shannon Bailey, Jimmy Evans, Jimmy Ayers, James Bronson, Scott Rutledge, David Bronson, Brandon Carroll, Alan Havens, Donovan Ayers, and from Comanche, Galen Hall, Jon Draper and Carl Williams.

While at camp, several of the scouts completed their camping, cooking and hiking skill awards, fished and went swimming.

Anticipating the Texas war on "Trash" on April 25, the Scouts pulled a sneak attack and finished their highway cleanup on Saturday. Afterwards they were treated to pizza and coke (thanks to Mrs. Evans). Please help us to keep our highways clean by not littering!

The Scouts have worked long and hard and are now ready for Camporee at Camp Billy Gibbons next weekend.
