

## Little Miss Rising Star Pageant Held Monday Night

Little Miss Twinkle-Mignon Don Long, Camille Harris and Little Mr. Twinkle.

Little Miss Star-Stacy Schiltler and Little Mr. Star-Steven Wilson.

Junior Miss Star-Charlene Maynard and Junior Mr. Star-Paul Thornton.

Runners-up: Tod Herring, Cindy Cotton and Jerry Allen.

### Enjoyable Time Had At State FHA

A good time was reported by those attending this meeting in Houston on April 21 and 22, 1977 in Houston. Due to conflicts Kathy Woody, daughter of EVA Woody was not able to attend this meeting as reported in last weeks news and Miss Kathy Reed was

chosed to attend the meetin in her place. Miss Reed is the daughter of Mr. and Mrs. Lester Reed. Accompanying her was Miss Eva Alexander, daughter of Mr. and Mrs. Ray Alexander and sponsor Mrs. Dorthy Diddle Homemaking teacher.

### May Will Send Two Entries To State

The competitors from May will advance to State competition in Austin following a second place spot in the 100 yard dash for Phil Mitchell and also a second place finish for Ted Murphree with a 2:01.8 in the 880 yard dash. Mitchell placed a disappointing third in the pole vault with only a 12-10. Earlier in the season he had notched 14-0.

120 High Hurdles- 1. Tony Allen, Meridian, 15.3; 2. John Michaels, Rochester, 15.7; 3. Johnny Riggins, Goree, 15.75; 4. Mel Maxfield, Gorman, 15.8; 5. Cliff Scanell, Irion County, 16.1; 6. Bart Davis, Alvord, 16.2.

Competing from Rising Star was Nicky Newbury. Newbury tied for fourth place in the pole vault with a 12-4 as did Danny Slaughter of Rochester.

100- Yard Dachs- 1. Eldon Hamilton, Goree, 10.2; 2. Phil Mitchell, May, 10.4; 3. Kevin Fry, Tolar, 10.45; 4. Mike Anderson, Meridian, 10.5; 5. Bill Brown, Star, 10.55; 6. Charles Threet, Rule, 10.8.

Shot Put- 1. Mike Davidson, Meridan, 52- 3; 2. Jery Tumlinson Rule, 51- 5 1/4; 3. Robert Baiza, Rule, 51- 2 1/4; 4. Charles White, Gorman, 50- 11 1/4; 5. David Dillard, Eden 58- 2 3/4; 6. Jimmy Clayton, Newcastle, 47- 1/4.

330 Yard Int. Hurdles- 1. Tony Allen, Meridian, 40.0; 2. Alan Roberson, Valley Mills, 40.2; 3. John Michaels, Rochester, 41.4; 4. Robby Hollingsworth, Rochester, 41.8; 5. C. Davis, Perrin, 43.9; 6. Jay Weathers, Santa Anna, 44.6.

High Jump- 1. Robert Bigson, Mozelle, 6- 2; 2. John Michaels, Rochester, 6- 0; 3. Tied- Daryle Weaver, Cranford, Randy Wilson, Sidell, 6- 0; 5. Curtis Hyde, Valley Mills, 5- 10; 6. Three way tie- Terry Smith, Kopperl, Jay Edwards, May, Jerry Newman, May, 5- 10 (Weaver- Alternate).

220 Yard Dash- 1. Charles Threet, Rule 23.1; 2. West Kittley, Rule 23.2; 3. Richard Johnson, Valley Mills 23.3; 4. Brad Davis, Talps 23.4; 5. Phil Mitchell, May 23.45; 6. Bill Brown, Star 23.7.

Long Jump- 1. Kevin Fray, Tolar 20- 10; 2. Mark Thweatt, Mozelle, 20- 8 1/4; 3. Michael Simmons, Abbott, 20- 8; 4. Steve Michaels, Rochester, 20- 7 1/4; 5. Mike Sellers, Meridian, 20- 1; 6. Phil Mitchell, May 20- 0.

Mile Run- 1. Adolf Minoz, Valley Mills, 4:48.7; 2. Freddy Mynar, Abbott, 4:49.8; 3. Tony Canso, Miles, 4:58.0; 4. Danny Flores, Cherokee, 4:53.1; 5. Hector Pueblo, Rule, 4:54.4; 6. Calvin Burkes, Evant, 4:59.3.

Discus- 1. Merardo Salinas, Rochester, 135- 10 1/2; David Dillard, Eden, 134- 6 1/2; 3. Bryan Andrade, Blackwell, 133- 11; 4. Jery Tumlinson, Rule, 132- 2; 5. Robert McIlroy, Evant, 130- 1 1/2; 6. Mike Davison, Meridian, 128- 3/4.

Team Totals- Meridian, 73; Rule 65; Rochester 63; Valley Mills 39; Goree 36; Mozell 26; May 2 Masoni Homes 13; Abbott 16; Bronte 12; Cranfills Gap 10; Eden 10; Throckmorton 8; Evant 7; Blackeell 6; Milles- 6; Richland Springs 6; Crorafod 5; Slidell 5; Cherokee 4; Mullin 4; Star 4; Talpa 4; Windthorost 4; Alford 3; Rising Star 3; Eula 2; Irion Co. 2; Northhide 2; Perrin 2; Newcastle 1; Rio Vista 1; Santa Anna 1 Kopperl 1- 3.

Pole Vault- 1. Jimmy Compton, CjansfillGap, 13- 4; 2. Mark Thweatt, Mozelle, 13- 4; 3. Phil Mitchell, May, 12- 10; 4. Tie between Danny Slaughter, Rochester, 12- 4; Nicky Newberry, Rising Star, 12- 4; 6. Alen Roberson, Valley Mills, 12- 4.

500- Yard Dash- 1. Wes Kittley, Rule 2:01.3; 2. Ted Murphree, May 2:01.8; 3. Robert Bennett, Masonic Home

## City Council Hears From Visitors

The Rising Star City Council met in full force Monday night May 2nd with Mayor, John Lee presiding and all councilman present.

Two representatives from the Rising Star Jaycees Randy Goldston and Scott Felker were present to discuss the possibility of monetary assistance from the City to help with the utility bill incurred at the Baseball Park during the summer months. The young men stated that when play begins, there is the possibility of 12 teams using the field which would mean in all probability that the lights would be on several nights a week until the end of the season. The council voted to pay \$100.00 per month, up to four months for said utilities.

Also present was H.V. Burk, owner of the Burk well who requested a five year contract with the City with regard to transportation of gas from his well to Odessa Natural. The City of Rising Star owns the pipe used for transportation purposes. J.B. Joyce made a motion to allow Mr. Burk a five year contract with a minimu of \$75.00 a month.

Next item on the agenda was an opening date for the new sanitary land fill located northeast of town. It was agreed to have the opening date to coincide with a Clean-Up Week slated for the near future. Opening date was set for May 16th and clean-up to last the entire week. Residents will be asked to join with the community and help give Rising Star a new look. Certain questions concerning operation and maintenance of the new land-fill are still in the planning stages and H.L. Killion, sanitation commissioner was instructed to look into the matter further and report back to the Mayor and councilman with further recommendations.

Members from the Rising Star volunteer Fire Department were present and asked permission from the council to borrow the front-end loader next Monday night for the purpose of removing the dirt and trash located on the main streets. This will be followed by hosing down the streets with water. Permission was granted.

## Hubert Taylor Addresses Retired Persons Club

Hubert Taylor, pastor of the First United Methodist Church was guest speaker for the regular monthly luncheon sponsored by the Retired Citizens Club. Rev. Taylor and his wife both attended the noon luncheon which was attended by 32 members.

Several meals were carried to shut ins and handicapped people. The Club would like to thank W.G. Reed for the great help and support he has given and also for the cas donations given, along with the table chairs and other items.

Various forms of entertainment were enjoyed by those present including 42, games, quilting crocheting and embroidery. Whatever your hands are able and energetic to do--come put them to work.

Kenneth Morrison presided at the piano and a singing was enjoyed by all. Tuesday April 19th John Lee made a good talk on improving the conditions and situations of our little city. We are happy to have him as our mayor--let's give him our support.

Out of town guests were Mrs. Ruth Castle of Cisco; Eillie Smith of Cisco and Nellie Burks of Cross Plains. If anyone was left out, please let me know.

Mrs. Chick resigned as secretary due to illness in her family. We regret this very much. Ruby Murdoch was unanimously elected secretary for the Club.

The fourth Tuesday of each month is the date scheduled for the luncheon--bring your covered dish and join the fun. Owen Aiken of the Church of Christ will be guest speaker next Tuesday and a Special Singing along with other activities will take place. There is a quilt up now, so bring your needle and timple and quilt a bit. We are open from 10 a.m. to 5 p.m.

Until next time, God bless you. Ruth Castle Director Cisco Ruby Murdoch, Secretary

## Rutherford And Holden Go To Student Council Meeting

Kaycee Rutherford By KC Rutherford

Mike Holden

For weeks we had planned and waited for the 41st annual State Student Council Convention in Austin, but for Mike Holden, Mr. Bob Fortune, and i, the trip was not quite as we had expected but alot more exciting! After departing from Rising Star around 9:00 a.m.thursday, we arrived in the capital city somewhere close to 2:30 p.m. We stayed in the Villa Capri which was right in front of Memorial Stadium and at the base of the University of Texas campus. Mike and I were glad to find the motel had two swimming pools which we of course put to good use!

The convention was held at the Municipal Auditorium. Each school running for office had a political booth in the foyer. The people campaigning gave their platform talks along with alot of other goodies such as pamphlets, buttons, candy, and pencils, displaying their slogans.

That night we dined at the Magic Time Machine, a very unique restaurant and disco-tec. Each waiter or superserver, as they chose to call themselves were dressed as different characters such as Tinker Bell, Superman, and General Custer. Ours was Johnny Carson. I'm sure this is throughly confusing, and so were we at first but its an experience everyone should try!

The second general session began at 9:30 a.m. Friday morning. Each campaigning school gave speeches and skits or a film. All were very impressive and

entertaining. Lunch was served at Lanier High School where entertained by the state winning Lanier High Vikett drill team. Both Mr. Fortune and Mike really enjoyed this show! (needless to say I wasn't clinics were held in different departments of the three story building.

The big event of the convention was the dance held back at the auditorium that night. A disc-jockey played records and although the music was split between rock and western, Mike and I found out that those city slickers didn't quite have the hang of the cotton eye joe!

Around lunch Saturday we set out for home, sorry to be leaving but glad that we had had the chance to come. See Mr. Fortune even thought I did get you lost several times and almost push Mike in the swimming pool, and all the other things I did that you wanted to kill me for....we did make it home after all and well, it did make a good story...

## Little League To Have Organizational Meeting Saturday

Any youngsters interested in participating in summer Little League are asked to be at the Rising Star Baseball Park Saturday morning at 10:00 a.m. for an organizational meeting. Boys as well as their parents are urged to attend this important meeting. The Rising Star Jaycees will sponsor the summer play.

## Last Chance For Rising Star Summer Rodeo Series

The Rising Star Summer Rodeo series is in danger... if enough local support is not aroused, this Rising Star tradition will become a thing of the past. Everyone interested is urged to be present this Friday, May 6th at 8:00 p.m. in the Community Room of the First State Bank and get some people involved in the community.

## Cake Decorating Demonstration

On Wednesday, May 11, 1977 at 2:00 p.m. Mrs. Frazier Clark (Sandy) will give a cake decorating demonstration in the Homemaking Department. All interested persons of any age are invited in this demonstration is being sponsored by the Rising Star homemaking department as a free Community Service project; and Mrs. Diddle, Homemaking teacher.

## Band-O-Rama To Be Presented

"The Band-O-Rama" concert will be presented on Thursday night, May 5th, at 7:30 p.m. in the High School gym. Selected groups of the Rising Star Band and other music groups will be performing. Among these students will be the High School Concert Band, the Junior High Band, sixth and fifth grade bands. Not only will band music be played, but various vocal and string groups will also be present. Admission will be \$1.00 for adults and 50c for students. Everyone is urged to support this effort, and please try to attend because proceeds will go to help the Band Fund.

## Don Schaefer's Talk To Eastern Star

The Rising Star Chapter Order of the Eastern Star met Monday night, May 2nd, in the Masonic Hall. A 6:30 supper was held in the fellowship hall where a variety of salads were served.

At 7:30, a business meeting was held with Mr. and Mrs. Wilson Carleton, Worthy matron and Worthy patron presiding.

The Worthy Matron introduced one visitor, Mrs. Mary Harper and members, Mr. and Mrs. Don Schaefer from Islamabad, Pakistan. Mr. and Mrs. Schaefer gave a resume of different lifestyles, comparing that in Pakistan with our that which have here in the United States.

Mrs. Opal Fleming, Worthy Matron elect, announced installation of new officers to be held June 6th.

Mr. and Mrs. Wilson Carleton presented gifts to the outgoing officers.

The Annual Memorial service was presented by Mrs. Lila Garrett, Mrs. Mary Clark and Mrs. Grace Glenn. Next meeting will be held June 6th.

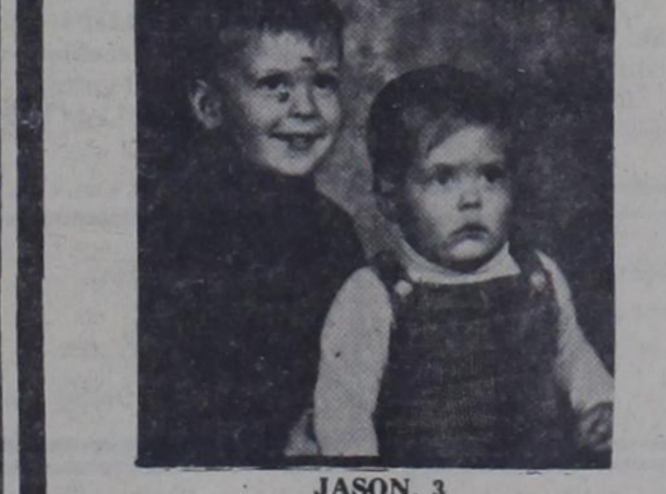

## Vincent Meiron Named To Who's Who

Vincent Meiron of Rising Star has been named to "Who's Who Among Students in American Junior Colleges," according to an announcement by Dean Madison, Dean of Students at Cisco Junior College.

Vincent will have his name and biographical sketches in the Who's Who Among Students in American Junior Colleges book which is being published this month in Tuscaloosa, Alabama.

Dean Madison commented that "the thirty-five students of Cisco Junior College who have been named to Who's Who represent some of our very finest here on the campus, as they are representative of some 1300 young people going to school here. It is quite an honor to be listed in this prestigious book."

2 bedroom, 1 bath Mobil home on nice lot in Ranger.  
3 bedroom, 1 bath home with approximately 1 acre. Located in Olden.

# Cisco Fire Department Taking Sealed Bids On '50 Rescue Unit

The Cisco Fire Department is now accepting sealed bids on its 1950 Rescue Unit. The bids will be opened at 7 p.m. on May 17 and the car, minus the special lights, siren and radios, will go to the highest bidder. The fire department reserves the right to refuse any or all bids.

The Rescue Unit for sale is a 1950 Chevrolet Panel Wagon which has only 21,750 actual miles on it and is completely highway safe. The unit was purchased brand new in 1950 by Cisco firemen who have since retired. The present firemen have made arrangements for the proceeds from this unit to be used strictly for continuing service started by those earlier firemen.

The proceeds from the sale of the car will go toward the purchase of rescue equipment for the new unit which was donated to the fire department by Brad Kimbrough of Holly-Rhyme Funeral Home last year. The type of equipment purchased will depend on how much is received for the old unit. Two items of large interest to the department are hydraulic jaws and a power metal rescue saw. These items can be used in all types of emergencies but would be of special use in bad automobile accidents. Both of these items cost between four and five

The present Rescue Unit and the 1950 rescue unit of the Cisco Fire Department are shown above. The old unit is being sold in order to purchase rescue equipment for the new unit. (Staff Photo)

hundred dollars each. The money received from the unit will benefit the citizens of Eastland County will be especially beneficial to those who live in Cisco. There are seven licensed emergency care attendants in the Cisco fire department who are on call for disasters of any kind. According to Cisco Fire Chief

C.W. Guthrie, the department hopes to get their new unit into first-class emergency shape, and they will then have the best equipped emergency vehicle, outside of ambulance service in the area. Chief Guthrie emphasized that their is a rescue unit and not an ambulance for hire. The unit may be seen at the

Cisco Fire Department and sealed bids may be given to the attendant on duty inside the building. Bids may also be sent through the mail addressed to Cisco Fire Department, 109 West 6th, Cisco, Texas 76437. Be sure and write the word BID on the outside of the envelope so it will not be accidentally opened before May 17th.

## FOOD MARKETING ALERT

USDA Agricultural Marketing Service

As of mid-April, the supply situation in May is expected to look like this...

### RED MEATS

**Beef**... plentiful. Production to approximate record levels of a year earlier and average about 10% above 1974-76. Smaller output of nonfed beef offset by a slight increase in fed beef.

**Pork**... plentiful. Production to continue seasonally large, 18-20% above low levels of 1976 and 11% above 1974-76 May average.

### POULTRY & EGGS

**Broiler-fryers**... adequate. Marketings about 5% more than last year and nearly 7% higher than May 1974-76 average.

**Eggs**... adequate. Output slightly above a year earlier but 1% below the May 1974-76 average.

**Turkeys**... adequate. Seasonally light marketings in May to be 1% more than a year earlier and 7% higher than the most recent 3-year average. May 1 cold storage holdings near last year's level but could be 1/3 less than the 3-year average. Total May supply almost unchanged from May 1976 levels.

### MILK & DAIRY PRODUCTS

**Milk and dairy products**... plentiful. May milk production near its seasonal peak and well above both the May 1976 and the May 1974-76 average. Milk production in March was highest for the month in over a decade. Preliminary figures for March, 1977 indicate butter production was 9% higher than in March 1976. American cheese production was 10% higher. Nonfat dry milk production in Feb. 1977 was 2% above last year.

Commercial stocks of butter on March 1 more than 2-1/2 times higher than the previous year and 53% above the 1974-76 March average. Commercial

Terminology used: PLENTIFUL — More than enough for requirements. ADEQUATE — Enough to meet needs. LIGHT — Less than adequate; not enough for normal needs.

FMA 7-77 April, 1977

heavy crop losses. Dried prunes... adequate. California 1976 production some 3% less than last year but 3% above 1974.

**Processed vegetables**... adequate with a few items plentiful. **Canned sweet corn and green peas**... plentiful. On Feb. 1, canners' inventory of green peas was 45% above 1974-76 average, and sweet corn was up 29%. **Frozen sweet corn**... plentiful with the March 1 inventory of corn-on-cob 41% above March 1974-76 average, and cut-corn up 6%.

**Fresh storage potatoes**... plentiful with the April 1 stocks at record high and 12% above April 1, 1976. **Frozen potato** supplies are record high with Feb. 28 supplies 8% above 1974-76 average.

**Peanuts**... plentiful. Commercial stocks on Feb. 28 were 8% lower than a year earlier; 1976 production totalled 3% less than the record 1975 crop. **Almonds**... plentiful. California 1976 crop record high, some 44% above the 1975 crop. **Walnuts**... plentiful. 1976 production around 7% less than 1975's record crop.

**GRAINS & LEGUMES**  
**Rice**... plentiful. 1976 crop of 117 million cwt. was 9% less than 1975's record and 5% above 1973-75 average. Acreage was reduced by 11% in 1976.

**Wheat**... plentiful. Production for 1976 a record 2,147 million bushels, slightly more than the 1975 crop and 14% above the 1973-75 average. A large carryin boosted this year's supply.

**Corn**... plentiful. The 1976 crop at 6,216 million bushels surpassed 1975's record by 7% and the 1973-75 average by 16%.

**Dry beans**... plentiful in most classes. 1976 production 17.2 million cwt., 1% less than 1975 and 5% below the 1973-75 average. **Dry peas**... adequate. Production at 2.2 million cwt. was 21% under 1975 crop and 15% under the 1973-75 average. Supply reduced as a result of a 34% cut in acreage harvested in 1976.

**Raisins**... light. 1976 production much lower than the 1975 production as rains affected drying of raisins and caused

## R for your child's safety

"Although it's obvious that many of the 'fun things' we see in playgrounds can be hazardous to children, many parents neglect to properly caution their youngsters against these dangers," says Dr. Albert H. Domm, child safety specialist and former medical director of the Prudential Insurance Company.

He cites the following as some of the chief dangers of the playground. (1) Swings: Be sure the child is secure and balanced when sitting on a swing. Also teach him to watch for flying swings when he is not on them. Many children receive serious head injuries when struck by swings. (2) Sliding boards: They are no place for horse-play. Toddlers should not be allowed to ride them under any circumstances. (3) Merry-go-rounds: If a child slips off, serious injury is quite likely. When they are old enough, youngsters should be taught to sit upright, grasping the handrail with both hands. (4) Monkeybars: Accidents will happen on these, since even the most coordinated child can slip. The careful parent should caution against all showboating and encourage the budding gymnast to practice in a place where he has access to mats.

"If the youngster is aware of these and other basic safety precautions," concludes Dr. Domm, "the playground can be a very profitable place to spend the summer."

The viola is about one-fifth larger than the violin.

# May News

By Viola Haney

### MAY NEWS BY VIOLA HANEY

Marshall Campbell has just returned from Dallas and he now has a nice selection of sewing notions new toys, etc.

We welcome Mr. and Mrs. Raymond Turner and three girls to live in our Community we all hope they will enjoy living in May.

Mr. and Mrs. Bill Manchin are visiting with Mr. and Mrs. Wayne Bruton and Mr. and Mrs. Verdell Haney. They are from Clovis New Mexico.

Mr. and Mrs. James Willett are proud grandparents of a new granddaughter Julie Ann Carson, born to their daughter and husband Mr. and Mrs. Bill Carson of Fort Worth. The baby girl was born April 28 at Harris Hospital in Ft. Worth. Great grandparents are Mr. and Mrs. Md. Willett.

The Church of Christ will meet at 10:00 a.m. every Sunday in May and the first Sunday in June. So who wishes can attend different Memorial Services around the communities.

Mr. and Mrs. Alvin Mabry, Becky, Mistie, and Dennis of Fort Worth. Mr. and Mrs. Claude Wheat and Chris and Ada Seaton of Brownwood and Mr. and Mrs. Jack Freeland of Conroe Texas were guest in the home of Mr. and Mrs. Mike Mabry.

The Tabernacle is up now we need the platform with the end closed for a storage room. Donations for this project are still needed. Mrs. Ann Kelton, Mrs. Lillian Michall and Mrs. Nell Lancaster can take donations.

Marion McDaniel, chairman of the May Day Celebration which will be held May 14th is constructing framework which will eventually become a "Jimmy Carter peanut", on the corner of the Jimmy Carter Park. Volunteers are needed to work inside putting up sheet-rock. Further details for the day's activities will be announced next week.

## CJC Barrel Racing School Set For June 12-17

Cisco Junior College's Third Annual Barrel Racing School has been set for June 12-17, and enrollments are now being accepted. Dean Madison, camp director, has announced. Madison, who is Dean of Students at CJC, said that a limited number of young ladies would be accepted for the camp, a maximum of 30. Mr. Madison said that the school would provide young ladies with instruction and training in barrel racing from "a to z" with special emphasis on individualized instruction. The girls will be taught many aspects of western horsemanship and arena events, such as: selecting and judging horses; fitting and showing; western pleasure; pole bending; reining; and the use and care of equipment. Three of Texas' best-known barrel instructors will conduct the six-day workshop - Frances and Janet Hanson and Donna Saul. Frances, who will be the head instructor, has

Mrs. Virginia Moore, and Mrs. Louise Bailey rushed to Brownwood Community hospital. Think they have improved since being hospitalized. "We are happy to report Mrs. Lavor Smith is home doing better."

Mr. and Mrs. Ray Williams and Mr. and Mrs. J. H. Dewhre of Brownwood were guests in the home of Mrs. Grace King.

Mrs. Floyd Jackson of Andrews visited with Mrs. Vera Jackson.

Mrs. Minnie Dickerson spent Sat. night in Brownwood with her son and family.

Mr. and Mrs. Ethan Allen of Brownwood spent thurs. night with the Henry Allens.

Mr. and Mrs. Ray Lancaster, Leann and Mabel Ingram enjoyed a singing at Rock Bluff Sunday.

Mr. and Mrs. Ned Allen and father Mr. Allen of New Mexico spent a few days with Mr. and Mrs. Henry Allen. The Elder Mr. Allen is Henry's father. They all went to Athens Texas for a couple days visit with 2 more brothers. Ted and John Allen's family.

Fredrick Ashworth and daughters Callye of Dallas; Niesje and Kerry Ashworth of Austin spent the week end with Fredrick's parents Mr. and Mrs. Fred Ashworth.

Decoration Day at Wolf Valley was attended by a large crowd Sun. May 1, 1977. Bro. R. C. Tennyson formerly of May preached the 11:00 o'clock sermon. Dinner on the ground was served by the ladies, singing in the afternoon.

Pleasant Valley Decoration will be Mothers Day May 8, 1977 at the Pleasant Valley Church. Preaching at 11:00 o'clock with dinner and singing in the afternoon. Everyone is invited.

## Beef Research Meeting Set

Two county meetings concerning the proposed Beef Research and Information Act has been called by Luther Fambro, chairman of the Eastland County Beef Development Task Force. The first meeting will be Tuesday night, May 10 at 7:30 p.m. in the auditorium at Ranger Junior College. The second meeting will be Thursday night, May 12 at 7:30 p.m. in the Agriculture building at Cisco Jr. College. Details about the upcoming beef referendum will be explained, the chairman announced.

The educational program which is designed for all beef and dairy cattle owners of the county, will include two slide presentations about the Beef Research and Information Act - one prepared by the Texas Agricultural Extension service - and the second by the Beef Development Task Force. There will be a period for questions and comments from producers. Additionally the BDT chairman County Extension Agent DeMarquis Gordon, and an Extension specialist, will provide more detailed information about the forthcoming beef referendum. The Beef Research and Information Act serves as enabling legislation and authorized the secretary of Agriculture to conduct a referendum among beef producers to determine whether they want a beef development plan, developed by an industry wide committee. "The beef development plan is a proposed national checkoff program that would be financed by assistance as spelled out in the beef marketing order. If approved, the plan would be \$30 to \$40 million per year for beef research, consumer and producer information, promotion and market development," explains Fambro.

Expenditures, he added, would be directed by a 68 member board of cattlemen and representatives of livestock organizations. To be eligible to participate in the beef referendum, beef and dairy cattle owners need to make two trips to their county Agricultural Stabilization and Conservation Offices: the first trip to register and the second to vote. All beef cattle producers and dairyman are urged to attend one of these two meetings.

## The Light Touch

BY CLINT BRAY  
Often, the best thing about a popular song is that it can't last.

Nothing makes you feel quite so insecure as noticing that your psychiatrist bites his fingernails.

Middle age is when you want to see how long the car will last instead of how fast it will go.

Inflation is when a counterfeit buys ink, paper, and a printing press, runs off 50,000, and loses money.

One thing about college: it enables you to blame your poor judgements on educated guesses.

We'll teach you what a new outfit will do for your morale at Bray's in Eastland and Ranger.

I will lease your land for oil or gas! Wanted to buy: Shut in gas wells or gas production.

## Twilite Acre News

Eva Ashworth  
By the Residents

We want to extend Sincere Sympathy to the family of Anamay Burnam who passed away at 3:30 p.m. May 1, 1977 at the Cisco hospital. Anamay will be missed by all.

We want to welcome Robert (Buck) Kelton of May and Blanche Fortune of Cross Plains and Lee Byrd to Twilite Acre Nursing Home.

Lanham Burkhalter is home now and doing fine after spending several weeks in the hospitals at Temple and Eastland. He had hip surgery.

Mrs. Beulah Bryant, Big Springs, Tex., Mr. and Mrs. M.E. Boatman of Monahans, and essie Shelton visited with Hattie Boatman and Alice Griffin.

Mr. and Mrs. T'Van Barnes, Paul and Connie Sellene of Salem Utah, and Mary Clark, visited with Edna Barnes, and Mattie Knight. Connie is a granddaughter of Mrs. Barnes.

Leroy and Calvin Woody brought Bessie Smith a lovely bouquet of Roses. Warren Bailey dropped in to see Bessie also.

Howard and Laverne Barnes of Ft. Worth came down to see his mother Ethel Barnes Saturday.

Etta Whitlock had a Birthday April 26th. We had already celebrated her birthday, but Mrs. Ronald S. Holmes and Veronica Lynn Holmans came to see her on her birthday.

Grace Fortune dropped by to see her Mother-in-law, Blanche Fortune. Martha Irby returned from Cisco Hospital last Wednesday. We are glad to have you back Martha. We get so used to seeing each person, and when they are gone they really are missed.

Mrs. Leroy Thomas of Arlington Tex. and Mrs. Olin Darland, Morton, Tex. Lila Gaines Webb of Cross Plains, Mrs. Harry Hall, Carbon, Mrs. Dee Hall Claborn of Mineral

Wells, Tex. Lela Clark and Esle Criswell visited with Josie Hammonds and Dolly Clark last week.

Mr. and Mrs. Altom Claborn of Mineral Wells, Tex. Mrs. Clyde Hall of Carbon, Freda and Wayne Criswell and Maxine Morgan were guests of Bertie Medford and Susie Sels.

Lena Smith of Eastland Tex. and Corbett Vance and Matthew McDaniel spent time visiting with Bryant Houston an E.A. McDaniel.

We want to express Sympathy to Hank Wilson due to the death of his son Calvin of Imperial, Texas. Mr. and Mrs. Clayton Wilson and Billye Faye Shelton visited their father's evening. Mr. Wilson spent Sun. in the home of Mr. and Mrs. Clinton Wilson.

Mary Alice Newman of Hereford, Tex. and Mr. and Mrs. O. J. White of Amarillo, Tex. spent Sun. with Ora Jane White. Ora Jane spent one day last week with her daughter, Mr. and Mrs. C.O. Young in May. Her granddaughter Roylene Edwards took her over.

Mr. and Mrs. A. Claborn of Mineral Wells and Mr. and Mrs. John Yocham visited with Mary Hammett.

Earl and Clara Epley dropped in to see his Father, Lorenzo Epley

Ted Barton of Sipe Springs dropped in on Bett Millwee.

Berna Lee Chick, and Charity White of Ft. Worth, Tex. came by to see Annie Gotcher, last week. Annie spent the weekend with her daughter Onie White and watched a ball game at the Ball Park.

Marjorie West, Pearl Schlepper, Charity White of Ft. Worth, Texas; Marion West, and Mrs. Lela Clark visited with Emma West.

Rev. and Mrs. Owen Aikin, U.Z. Aaron visited with each resident at Twilite Acre Nursing Home.

## your National Parks Right Around Home

by Ben Moffett

There are two ways to see Guadalupe Mountains National Park. You can put on your hiking boots and go through it, or you can enjoy it at a distance as you drive by. More and more U.S. 62-180 travelers are electing to stop at this relatively new national park in West Texas, where they can enjoy either a rugged backcountry hike or a casual walk over a pretty nature trail.

The park which butts, up against the New Mexico state line near Carlsbad Caverns National Park, drew 34,000 visitor in 1974, 50,000 in 1975, and 81,000 in 1976.

Guadalupe Mountains is a rugged primitive area largely lacking in visitor-use facilities, but it offers great opportunities for active outdoor adventure.

Trails penetrate nearly all of the park, but most are rocky, narrow and faded - dating back to ranch use days - and are not maintained.

Start your visit at Frijoles Information Station where you can get information, assistance and back country permits. The

station, located on the highway a mile east of Pine Springs, Tex. is open daily until 4:30 p.m.

Besides overnight backpacking along 55 miles of rocky, steep, but scenic backcountry trails, there are some muscle-testing one-day treks that you might enjoy:

-- A four mile trail into McKittick Canyon, noted for its scenery and scientific importance. This section is a day use area and you must be out by late afternoon.

-- The Devil's Hallway Hike, a rocky but relatively level five-mile round trip up the floor of Pine Canyon to a narrow scenic spot. There is no trail but it's easy to find your way.

-- The Guadalupe Peak Hike, a strenuous eight-mile over a steep, primitive route to the highest point in Texas.

For the more casual hiker, there is the Pine Canyon Self-Guiding Nature Trail, a half-mile loop with numbered sites and pamphlets to explain what you see.

The Butterfield Stage Station Historic Site is a mile

from the information station. And William's Ranch Historic Site is a mile from the information station. And William's Ranch Historic Site is accessible by 4-wheel drive vehicle from 8 a.m. to 2 p.m. Allow three hours for the trip to get a key to the site's gate from the information station.

If you don't have time to stop, drive by leisurely and enjoy the rugged terrain that preserves a unique remnant of forest plants and animals which have struggled for survival since the end of the ice ages about 20,000 years ago.

The nearest overnight accommodations are in White's City, 40 miles northeast, Carlsbad, 55 miles northeast of Van Horn, 58 miles south. Limited camping facilities are available in the park at the Pine Canyon Campground - 10 tables and 20 sites for self-contained recreational vehicles.

If you are planning a park vacation, write the National Park Service, P.O. Box 728, Room N-18, Santa Fe, N.M. 87501, for a SUPER 77 trip planner which lists NPS areas within an easy drive of your home.

## Field Service Unit Of DAV To Be In Brownwood

Free assistance for veterans and their families will be available locally when a Field Service Unit of the Disabled American Veterans DAV visits Brownwood on May 11 enclosed schedule for dates. This is the fourth consecutive year that one of these 26 foot mobile offices has toured the state, providing free counseling and claims service to veterans and their families. The DAV Field Service Unit will be located at the Brownwood Coliseum, 550 E. Baker St. from 10:00 a.m. until 6:00 p.m.

The traveling veterans service facility will be manned by DAV National Service Officers who are fully qualified to assist veterans or their families in filing claims for Federal and State benefits to which they are entitled by law -- disability compensation, pension, employment, job training, education, hospitalization and medical care, social security, death claims and other matters.

During the first three years of the DAV's nationwide tour with its fleet of 9 Field Service Units, 150,000 veterans and dependents contacted the mobile offices for assistance. As a result of these visits, DAV National Service Officers filed 7,600 new claims and re-opened another 46,000 claims for veterans benefits. A veteran need not be a DAV

In cities from coast to coast, veterans and their families are taking advantage of the free counseling and claims service provided by the Disabled American Veterans (DAV) field service unit program. One of these mobile offices, manned by trained DAV National Service Officers, will be located at Brownwood Coliseum, 550 E. Baker St. on May 11 from 10:00 a.m. until 6:00 p.m.

DAV NATIONAL PUBLIC RELATIONS  
P.O. Box 14301  
Cincinnati, Ohio 45214  
(606) 441-7300

Thursday, May 5, 1977

member to take advantage of this free service.

The project is an extension of the DAV's 50 year old national service program which provides a wide variety of assistance at no cost to veterans and their families. During the period from July 1, 1975, to June 30, 1976, the DAV was successful in filing favorable claims which resulted in 228,000 individual awards totaling \$495-million in federal benefits.

The DAV employs 280 full time National Service Officers--80 percent of whom are disabled Vietnam ERA veterans--at Veterans Administration installations throughout the country. "However, the location of some VA facilities makes it difficult for many veterans, as well as their widows and dependents, to personally visit a DAV National Service Office," said DAV

National Commander Frank Randazzo. "The Dav's Field Service Unit program carries assistance right to the veteran's doorstep."

Dav officials urge veterans of all wars, particularly disabled veterans to visit the organizations mobile service unit to discuss any problems they have concerning benefits. "Special emphasis is placed on Vietnam Era veterans because large numbers of these young men are not taking advantage of the benefits which they have earned, specially in the areas of education and vocational rehabilitation," said Commander Randazzo.

Local DAV members are cooperating with the national headquarters of the Disabled American Veterans in bringing the Field Service Unit program into this area.

## County Residents Selected As 'Outstanding Young Men'

Two men who have been chosen from our area are Charles Adams of Eastland and Lynn Hagan of Carbon.

Charles Adams is employed with the Soil Conservation Service in Eastland County. His office is in Eastland.

He and his wife, Doris and their two sons, Richard and Reginald live in Eastland. He has been active in professional organizations and past president of the Rolling Plains Chapter, Soil Conservation Society of America.

He is a native of Logansport, Louisiana and a graduate of Southern University at Baton Rouge, Louisiana in 1969.

Adams is a Vietnam Veteran and has received two Meritorious Service Medals from the Air Force.

Recently Adams was recognized by the Middle Clear Fork Soil and Water Conservation District for Distinguished Service to their organization.

He is a 4-H club Adult leader and also a member of First Baptist Church in Eastland.

Mr. Adams is recognized in Eastland as an outstanding citizen who contributes much to

the entire community. Lynn Hagan is a native of Eastland County. He is the son of Mr. and Mrs. Jess Hagan of the Pleasant Hill Community and was raised on a farm and so he has much experience in the farming profession.

His ambition was to be a farmer and so he is a good one. He also does Custom Farming. Lynn attended Cisco Junior College and graduated from Texas Tech with a degree in Agronomy.

He is married to the former Rosetta Ingram of Cisco. They have two children, Denise, 11 and a fifth grader Dennis, 8, a third grader. The Hagans make their home in Carbon where he has served as Mayor.

The Hagans are members of First Baptist Church, Carbon where he is a deacon.

He is also a member of the Carbon School Board, Carbon City Council, and served on the Carbon Youth Committee.

He is a member of the Farmers Union Co-Op of Dublin. Lynn Hagan is recognized as one of Eastland County's outstanding citizens. He is recognized by the youth especially as a good friend and helper.

We are all indeed very proud of these two young men. We realize their contribution to our county are immeasurable by their efforts, their achievements, their goals, their ideals, their parts in making Eastland County and in turn America the good land it is in which to live.

Charles Adams, Lynn Hagan, Eastland County is proud of you!

## New PTO Officers Elected

1977-78 school year were elected last Tuesday, April 26th in the High school library. Those chosen were Mrs. Frank Gray, President; Mrs. Tony Long, Vice President; Mrs. Sam Justice, Secretary; Mrs. Ronnie Green, Treasurer and Mrs. Danny White, Reporter.

The officers will conduct a planning session on Friday,

May 6 at 3:00 p.m. in the library.

J.L. Newbury, Superintendent of Rising Star High School presided at the Parent Teacher Organization meeting Tuesday Mrs. Polly Newbury gave the opening prayer. Rev. R.D. Williams of the First Baptist Church led the installation of new officers, and closed with the benediction.

H.V. O'BRIEN, Publisher.  
MRS. MIKE DONHAM, Editor  
Second Class Postage paid at Rising Star, Texas, Published Weekly

SUBSCRIPTION RATES: In Rising Star and adjoining counties, \$4.00 per year; in Texas, \$5.00 per year; elsewhere in the U.S. and foreign countries, \$8.00 per year.

## Red Measles Booster To Be Given

The State Board of Health has informed the Rising Star Schools that in various areas of the state, outbreaks of "Old fashioned" RED MEASLES have been discovered. To prevent a state-wide epidemic, the Health Board is highly recommending booster shots for children that come under the following categories:

I. Any child who received the vaccine from 1963 to 1967.

II. Any child vaccinated before the age of one year old.

III. Any child who had the illness, but was not diagnosed by a doctor.

A clinic will be held to administer these boosters on Monday, May 9th at 1:00 p.m. at the Jr. High building. If you wish your child to have this booster. These boosters are given free of charge.

## Achievement Day

MAY CLUB HAS ACHIEVEMENT DAY

The May Demonstration Club met Wednesday, April 27th in the club house for an all day meeting and salad luncheon.

The meeting, presided over by Mrs. Alta Alexander, opened with a sing song led by Mrs. Alexander accompanied at the piano by Mrs. Etta Altum.

Club members displayed arts, crafts, and hobbies in preparation for the annual THDA Achievement Day to be held in the Adam's Street Community Center on May 4th.

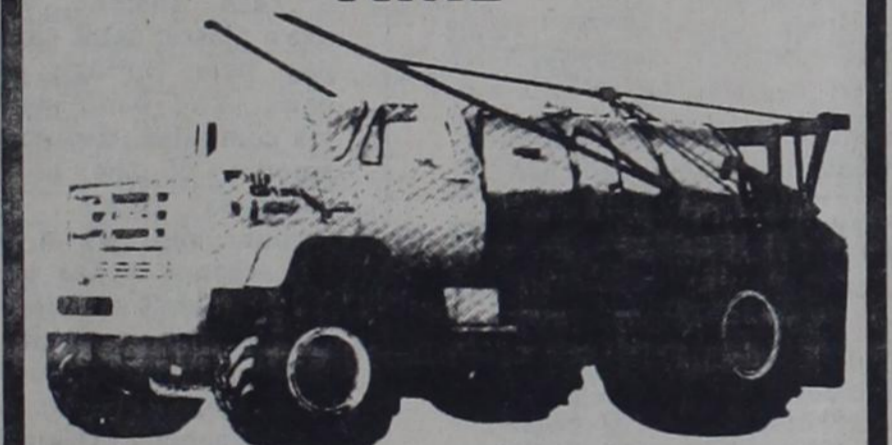

Mrs. Rosa Lee Glenn took each member's blood pressure in preparation for the next meeting program. Mrs. Glenn will bring the program on First Aid and Cardiac Pulmonary Arrest on May 25th.

Salad luncheon, tea and coffee was served to 16 members: Mrs. Alexander, Lois Hardy, Clyde Allen, Margaret Livingston, Estelle Orr, Susan Smithee, Doroty Harris, May Underwood, Cle Gilmore, Rosa Lee Glenn, Ruby Hurst, Etta Altum, Grace Keng, Beverly Ellis, Carol Nelson, and Effie McGregor.

## What Consumers Can Do

Clothing experts have pinpointed -- and answering-- major questions posed by consumers about the now-banned TRIS finish Flame Retardant Fabric Finish according to Mrs. Janet Thomas County Extension Agent.

Since the April 7 ban of TRIS from the U.S. Market by the Consumer Products Safety Commission, consumers are asking how to make garments safe that were purchased before that date, the agent said.

Consumers can follow a specific procedure to wash the excess TRIS finish from fabric surfaces -- or they can return unused merchandise still in original packages and receive a refund, she said. Also, if they choose, they may discard these garments without fear of environmental damage, she explained.

Many consumers ask if they can remove the finish with soap and chlorine bleach -- and the answer is "NO," THE AGENT CAUTIONED.

To make a garment safe according to the Commission-- consumers should wash the

garment three or more times according to the recommended care instructions on the label, using DETERGENT -- NOT SOAP.

This removes such of the chemical from the fabric surface -- and it removes the risk of ill ness, but it still allows the flame-retardant protection to remain. Commission experts say.

Also, consumers ask how they will know if a garment is finished with TRIS.

TRIS is something used on 100 percent polyester and always on acetate, triacetate and blends of these fibers. Consumers may find out about polyester garments by asking at the store in which they purchased the garment -- because only the manufacturer of a polyester garment knows if it is TRIS finished.

Many other consumers want to know if it is "okay" to buy new sleepwear for children at this time -- and the answer is "yes," if they purchase flame-retardant garments of 100 percent cotton or nylon or certain polyesters or inherently flame-retardant fabrics, such as

### SPRING FIESTA SALAD

- 3 Florida oranges, peeled and sliced
- 2 red onions, sliced
- 1 cucumber, sliced

Arrange orange slices, onion and cucumber slices in individual salad dishes. Serve with Orange French Dressing.\*

YIELD: 4 salads

### \*Orange French Dressing

- 1 can (6 ounces) Florida frozen concentrated orange juice, thawed, undiluted
- 1/2 cup salad oil
- 1/2 cup cider vinegar
- 2 tablespoons sugar
- 1/2 teaspoon dry mustard
- 1/4 teaspoon salt
- 1/4 teaspoon pepper

Mix concentrated orange juice, salad oil, vinegar, sugar, dry mustard, salt and pepper in jar, bowl or bottle. Shake or beat until blended. Dressing may be stored covered in refrigerator. Shake well before using. YIELD: 1 1/2 cups dressing.

## THE HOME GAME

BY VIRGINIA TRUAX

**SAUCE SAVVY:** Ever had the problem of thick-looking spaghetti sauce turning watery once it goes over the spaghetti? Next time, cook your sauce without a lid and let all the steam escape during the cooking process. You'll have a thicker sauce!

**HOUSEHOLD PUZZLE** --- What one inexpensive product will loosen food that sticks to pots and pans, make your crystal and glassware sparkle, scour enamel, porcelain and tile, and polish silver and stainless steel? Give up? Baking soda! To loosen food, sprinkle with baking soda and add a little cold water. For scouring and polishing, make a paste and rub with soft, damp cloth.

**GOOD AS NEW** --- While closet cleaning, give those out-of-date shoes a hard look. Many times a good shoe repairman can remodel them into fashionable footwear by changing heels, adding straps, opening toes or giving them new color!

**MUFFIN TIP:** For lighter muffins, grease your muffin tins and set in a heated oven for a few minutes. Pouring the batter into hot pans seems to make a difference.

**SUPER GOOD** --- Superfine sugar is your best bet for foolproof meringues because it dissolves faster than granulated sugar.

**STAIN ERASER** --- An old remedy for removing coffee stains is to brush the spot with pure glycerine, rinse in lukewarm water and press on the wrong side.

**BOTANICAL TIPS** --- All plants should be on a regular watering and misting schedule. Some experts say misting should be done in the afternoon and no later than 6 p.m.

**SWITCHEROO** --- If your recipe calls for a 9- or 10-inch tube pan and you don't have one, you can substitute a flat 13x9x2-inch pan and get the same volume. But you'll have to sacrifice the hole!

**BABY YOURSELF** --- Q-tips are great little beauty aids. You'll find them handy for applying eye shadow. And dipped in baby oil they're perfect for removing makeup mistakes.

## CRISWELL PREDICTS

**TIME OUT FOR HAPPINESS** -- I predict that peaches, plums, cherries, pears and apples will have a bumper crop this year, and this will bring us a wave of contentment . . . I predict that President Carter will bring back the one-cent post card and the 7 per cent mortgage money he promised during this summer. We will all celebrate! I predict there will be a building boom -- private homes, apartments and parks will cater to the senior citizen . . . You can expect to see a price war on kitchen ware including stainless steel flatware sets of 24 pieces for less than \$5 from Germany . . . I predict that an "earthquake clock" now on the market will be proved worthless and fraudulent and will be removed from the market. This mail-order item will not have produced what it advertised . . . I regret to predict that many trade and industrial schools will be closed by our Federal government as useless as they train for jobs which no longer exist.

## CALORIE COUNTDOWN

BY SUSAN DUFF MASTRO

**TUNA CALORIES**  
As warm weather approaches, those of us who have to keep calories in mind when we prepare meals are looking for simple no-cook recipes which are nutritious, tasty and nonfattening.

Using canned tuna fish as a high-protein, low-cost, low-calorie base, you can come up with lots of delicious meals that will help start to get you in the trimmest swimsuit shape for the summer months.

Starting with the basics, a can of tuna, the calorie counts can vary quite a bit. For example, the average calories in a standard brand six and a half ounce can of white meat tuna canned in oil are 307. Six and a half ounces white meat tuna, chunk-pack, canned in oil, has about 306 calories.

Solid pack white tuna canned in oil comes in seven-ounce cans and averages out to 310. A seven-ounce can of white tuna meat, solid-pack, canned in water, however, will save you almost 100 calories at 213 per can. All these counts are for the tuna meat itself, drained of most of the liquid, either oil or water.

If you want to put together a low-cal salad, use a can of water-packed tuna. Three tablespoons dressing are enough to mix with the seven-ounce can. If you use real may-

onnaise, though, it is 100 calories per tablespoon. Miracle- Whip mayonnaise type dressing is less expensive and saves you calories as well -- just 65 calories per tablespoon. And low-calorie brands mayonnaise are even better at about 20 calories per tablespoon. Half a cup of finely diced carrot tossed in will add just 23 calories, diced celery for crunch has just 8 calories per half cup, and a quarter of a medium-sized onion, diced, adds zing for just 10 calories. If you use water-packed tuna, three tablespoons diet mayonnaise and all the raw vegetables, you'll get two nice-sized luncheon salads at 157 calories per serving.

**TUNA TROPICANA**  
(Chill all ingredients for about an hour in the refrigerator before preparing.)

Core and dice 1 medium-sized apple and toss it in a salad bowl with 2 tablespoons lemon juice. Mix into bowl 2 cans water-packed tuna, drained and flaked. Add half a lettuce head cut or torn into bite-sized pieces. Drain one 8-3/4-ounce can of pineapple tidbits and add fruit pieces to bowl with 1/2 teaspoon celery seed. Pour 3/4 cup low-calorie French dressing over mixture and toss lightly to coat before serving. Serves six at only 163 calories per serving.

## Fashion 'n Fabrics

By FANNIE GLEESON

**GATHERS ARE FEATURED IN FASHION**  
Gathers are a favorite design element this year, giving a flourish and flounce to sleeves, bodice and skirt, as in the illustrated V-shaped yoke top with full sleeves over a gaily patterned gathered skirt.

There's a secret to evenly placed gathers. First of all, use a lightweight fabric, which falls softly into folds. And, cut pattern sections on the lengthwise grain of the fabric, which enhances the drape still further.

To sew, loosen the upper tension of the machine slightly. Set the dial for approximately eight stitches per inch and sew one line of stitches on the seamline. Make another line one-quarter inch away within the seam allowance. Start each line one inch from the left seamline and terminate it one inch from the right seamline. Resume on the other side of right seam.

Tuck yoke section down into skirt so that seam allowances have right sides facing. Pin gathered section to the ungathered yoke matching seams and notches and with pins perpendicular to the seamline.

Pin at center of gathered section and again at six-inch intervals. At the end of each section, draw both threads to the underside. Secure both threads at one end of each section by wrapping around a pin in a figure eight. From the other end, gently draw up the bobbin threads. When the two sections of fabric are even, secure the gathering threads.

With large needle or bodkin, evenly distribute fullness of gathers. Hand-baste along seamline. Press gathers flat using the long edge of the iron and staying within the seam allowance.

Adjust machine to regulation length stitch. With gathered section topmost, stitch connecting seam. Stitching should be just a hair's breadth below the first gathering line that you placed.

Stitch evenly and slowly so that you can adjust the gathers as you sew and avoid those pesky little pleats. Baste preshrunk woven seam binding along seam allowance, one edge next to the seamline. Stitch as close to both edges of the seam binding as possible.

Press seam allowance toward ungathered section. Press again from outside, keeping iron just short of gathers. Touch up fullness of gathers by working the tip of the iron into them.

ILLUSTRATION: McCall's No. 5431 -- Misses top and skirt. Sizes 6 through 16.

## LAUGH OUT

"The female giant married the india-rubber man yesterday."  
"Is that so? I thought she'd do something like that."  
"Why?"  
"She always wanted somebody she could twist around her fingers."

## Feelin' Good

By M.A. PETTI, M.D.  
After you've recovered from a heart attack, you are ready for sexual activity when you are able to climb one or two flights of stairs or walk briskly on the street.

## NO ENGLISH!

In 1935, the Illinois State Legislature passed a bill expressly forbidding speaking English. The official language was American.

It is wise to begin taking a child to the dentist every six months, beginning when he is 3-years-old.

## MAGICWORD

HOW TO PLAY: Read the list of words. Look at the puzzle. You'll find these words in all directions -- horizontally, vertically, diagonally, backwards. Draw a circle around each letter of a word found in the puzzle then strike it off list. Circling it will show a letter has been used but will leave it visible should it also form part of another word. Find the big words first. When letters of all listed words are circled, you'll have the given number of letters left over. They'll spell out your MAGICWORD.

## WOULD YOU BELIEVE...

The fattest man ever lived, Robert Earl Hughes, weighed 1,069.  
The first commercially made ice cream in the U.S. was sold in New York City in 1786.  
The Carthaginians of the sixth century gave Spain its romantic name, Spania, meaning "land of rabbits."

## WHO WAS THAT LADY?

Although she was well known for many charitable contributions to society, perhaps her most important was modernizing social work. She hammered out a code of practice for investigating hardship cases, organizing her theories into an educational program that could be passed on to her students at Russell Sage College. By the turn of the century, her book, "Social Diagnosis," had been published and she had brought women actively into the field of sociology. Who was that lady? Mary Richmond.

## SPORTS from the pressbox

By RED LAKELAND

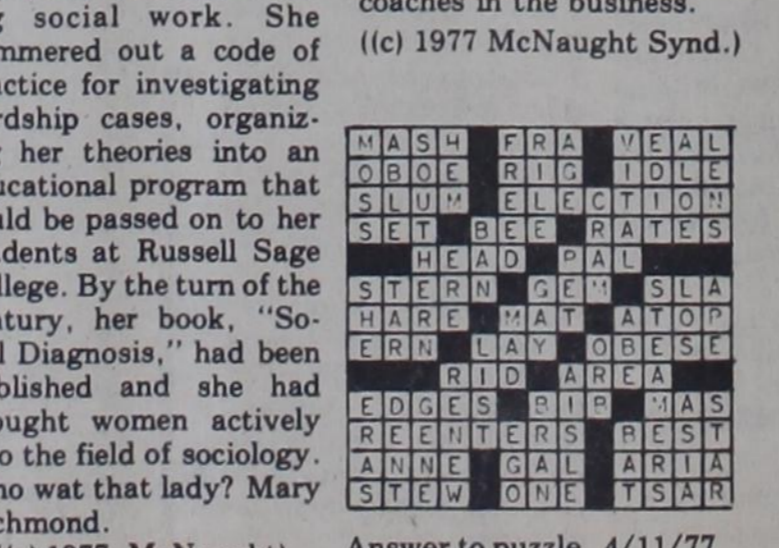

**HOTLINE ON SPORTS**  
Marjie Wallace has staked out her territory. It's Jimmy Connors. And she won't stand for any claim jumpers and that includes Chris Evert, the top woman tennis player and Connors' former fiancée. "Jimmy is my man and I'll never let him go," the former Miss World told me. And it is possible she will eventually protect her interest with a marriage license. "We talk about it a lot and I'm sure we will when we decide it's time for a family, but not yet," said Marjie, whose list of former boyfriends reads like a Who's Who of sportsmen and jet-setters. Although no date has yet been set, Marjie has apparently been giving a wedding some thought. "I think the simplest thing is to just go off to a preacher and do it," she said. "But then we'd have an awful lot of friends who'd be mad at us. I've already promised some friends they wouldn't be excluded from the ceremony. And I like to keep promises."

## GET YOUR \$ WORTH

By SALLY and JIM ADAMS

**CASHLESS SOCIETY**  
The cashless, checkless society, we are told, is on the way. With the new Electronic Funds Transfer system (EFT), you wouldn't pay your grocer, doctor or appliance dealer by check or cash. Instead, you'd use a plastic debit card to pay bills through your bank. The bank would, via computer, deduct the amount of the bill or purchase from your account and pay it into the account of the store. You wouldn't see a bill or have to write a check. Sounds great, doesn't it? A lot of banks and other financial firms think so, and are moving rapidly toward setting up a nationwide EFT system. Many bankers like the idea because they foresee a big saving. It costs a bank somewhere between 13 and 35 cents to process each check (it costs the federal government about \$100 million to process and deliver all the checks it writes.) Further, say the bankers, EFT would drastically reduce the mass of paperwork, which is threatening to become unmanageable, by simplifying the movement of dollars from one account to another. Here's how the system would work. At the super market, for example, instead of writing a check for your purchases, you hand the clerk your debit card, which contains your identification number. The clerk puts the card into an electronic terminal connected by telephone to the bank's computer, and presto! the cost of the groceries is instantly taken out of your account, put in the store's account. You wouldn't have to carry a lot of cash around which would be bad news for muggers. But there're pitfalls. See next week's column for more on EFT.  
(c) 1977 McNaught Synd.

# FROM OUR CHURCHES

## Church Of Christ

This Sunday, we honor our mothers, and the following piece is most appropriate. "A LITTLE PARABLE FOR MOTHERS"

**BY TEMPLE BAILEY**  
The young mother set her foot on the path of life. "Is the way long?" she asked.

And her guide said: "Yes, and the way is hard. And you will be old before you reach the end of it. But the end will be better than the beginning."

But the young mother was happy, and she would not believe that anything could be better than these years. So she played with her children, and gathered flowers for them along the way, and bathed with them in the clear streams; and the sun shone on them and life was good, and the young mother cried, "Nothing will be lovelier than this."

Then night came, and storm, and the path was dark, and the children shook with fear and cold, and the mother drew them close and covered them with her mantle, and the children said, "Oh Mother, we are not afraid, for you are near and no harm can come," and the mother said, "This is better than the brightness of day, for I have taught my children courage."

And then morning came, and there was a hill ahead and the children grew weary, and the mother was weary, but at all times she said to the children, "A little patience and we are here." So the children climbed, and when they reached the top they said, "We could not have done it without you Mother." And the Mother, when she lay down that night looked up at the stars and said, "This is a better day than the last, for my children have learned fortitude in the face of hardness. Yesterday I gave them courage. Today I have given them strength."

And the next day came strange clouds which darkened the earth: clouds of war and hate and evil, and the children groped and stumbled, and the mother said, "Look up. Lift your eyes to the light." And the children looked and saw above the clouds an Everlasting Glory, and it guided them and brought them beyond the darkness. And that night the mother said, "This is the best day of all, for I have shown my children God."

And the days went on, and the weeks and months and the years, and the mother grew old and she was little and bent. But her children were tall and strong, and walked with courage. And when the way was hard, they helped their Mother, and when the way was rough, they helped their Mother, and when the way was rough, they lifted her, for she was as light as a feather; and at last they came to a hill, and beyond the hill they could see a shining road and golden gates flung wide.

And the mother said, "I have reached the end of my journey. And now I know that the ends is better than the beginning, for my children can walk alone, and their children after them."

And the children said, "You will always walk with us, Mother, even when you have gone through the gates." And they stood and watched her as she went on alone, and the gates closed after her. And they said:

"We cannot see her, but she is with us still. A Mother like ours is more than a memory. She is a Living Presence."

Behind the greatest effectiveness of a mother (and father) lies the Bible and thorough training in its contents. Join us for Bible Study each Sunday at 9:30 a.m., on Wednesday at 7 p.m. and in the Assemblies on Sunday at 10:30 a.m. and 6 p.m.

Kate Cooper had serious surgery in Abilene last Thursday, but is recovering nicely in Room C715, at Hendricks Hospital. Pam Hill had back surgery at the Ft. Worth Children's Hospital (Room 112) and is doing well. Mrs. Georgia Crossnoe had hoped to be home last week, but a set-back will force her to remain in Lubbock another two weeks. Snova Walker is at her daughters in Odessa, while regaining her strength. Mrs. Harvey is back home. Mrs. Nora Carroll is making progress after surgery in Brownwood Hospital (Room 317). Mrs. Bessie Bowers is mending after an auto accident. She is in Brownwood Hospital room 515. It is good to have Effie Williams back home again. Rena McClanahan was in the All Saints Episcopal Hospital in Fort Worth last week, for eye treatment.

Dr. Ed Coates, a Professor at Abilene Christian University, is slated to speak Sunday May 15, at our 10:30 a.m. Assembly, under the auspices of the Texas Alcoholic and Drug Education Commission. Everyone is invited.

We sincerely hope you have a good week. Call us if we can serve you in any way.  
Owen Aikin

## Full Gospel Assembly

### CALVARY FULL GOSPEL ASSEMBLY

How good it is to be a Christian. Just to know Jesus walks with us and goes before us, day by day-moment by moment.

He is our keeper Our Leader our victory. It becomes clearer each day that Christ, and only Christ, is the hope of the world.

Our nation was established on God's word. Our fore fathers believed in Jesus Christ and His atoning blood. They taught it in the Schools and Churches, and sang about it in the brush arbor and Camp meetings. Our nation is supposed to be a Christian nation, and if people today would turn back to God and stand upon His word and forsake their evil doings, then God will keep us in the Hollow of His hand.

II Chronicles 7:14: "If My People which are called by my name, shall humble themselves, and seek my face, and turn from their wicked ways; then will I hear from Heaven and will forgive their Sins and He will forgive their Sins and He will forgive their Sins and He will forgive their Sins."

Surely righteousness exalteth a nation, but Sin is a reproach to any people. "Psalms 11:3: If the foundations be destroyed, what can the righteous do?" Our beloved land was founded upon God. Let's keep it that way!

Surely the Lord has been blessing in our church. We are being reminded everyday that Jesus still saves, fills, heals, keeps and satisfies! Perhaps it might be noticed that we have changed our church name to "Calvary Full Gospel Assembly". Thru various reasons we decided to change the name, but our church is still

the same. We welcome everyone to come and visit us and enjoy God's blessings with us.

If we can help you in any way, please feel free to call. We will be in a Revival this coming wk. Services will begin each night at 7:30 p.m. There will be special singing each night. The pastor will be doing the preaching. Tho we may have a visiting preacher a few nights. Come and be with us. We do not preach Doctrine. We preach only God's word. May God Bless You.  
Pastor Vernon McGinn

## First United Methodist Church

The Bible tells us of certain women who distinguished themselves. We re all them to mind because of their consecration, their fidelity, their devotion to their Lord, and the fulfilling of a responsible role in society. Among those which we recall to mind are Hannah, Ruth, and the mother of Jesus, Mary.

Many of us looking back in history, as unto our childhood are reminded also of the devotion of our mothers. Their spirits were continually bathed with love as they gave themselves fulfilling a responsibility to each and every member of their families. Even her punishments of us were wrapped up in the mantle of love.

Yes, "Blessed are the mothers of yesterday, for their memories shall be called beautiful and beneficent." And, "Blessed will be the mothers of tomorrow, if they but remember each of us are producing; a biography." Such will not always be in written form, recorded in a book, perhaps, but will be nevertheless in the lives of our children, and those whom our lives have touched.

An unknown author truly expresses a truth when he says:

"The partnership with God is Motherhood, What strength, what purity, what self-control, What love, what wisdom shall belong to her Who helps God fashion in immortal soul."

We would encourage all to honor their mothers in this coming Sunday by being in the House of Our Lord.

As of this reporting we know of none of our members to be in hospitals. Mrs. Carl Irby has returned to the Nursing Home, and Lee Byrd has been transferred from the Cisco Hospital to Our Nursing Home here in Rising Star. It is reported that Mrs. Byrd is slowly improving with her back problems and is getting around a bit with the help of her sister.

Let us know if and when we can be of assistance to you and yours, we would be most happy to share with you in your times of need. Have a good week, pray for one another, and we hope to see you in Church this coming Sunday, as every Sunday  
Hubert Taylor

## Commentary By Myrtle Owen

Rev. 4:3) The rainbow is a sign of Mercy. In Gen. 9:12, 13 & 14). And God said unto Noah. This is the token of the covenant which I make between me and you and every living creature that is with you for perpetual generations: Comm. (Did you notice the beautiful rainbow a week or so ago?) It brought a memory to mind, of the covenant God made with Noah after the flood. And God said Verse 13 I do set my bow in the cloud, and it shall be for a token of a covenant between me and the earth. (v14) and it shall come to pass. When I bring a cloud over the earth, that the bow shall be seen in the cloud; v:15 And I will remember my covenant which is between me and you and every living creature of all flesh; and the waters shall no more become a flood to destroy the earth.  
Rev. 7:9 14) The scriptures clearly reveal that there will be many people saved in the great tribulations. John saw such a number. But Oh! what a time of suffering they will experience by failing to be ready for the

rapture. When the Bride is caught up then the offensive warfare of the Church will cease.  
Myrtle Owen

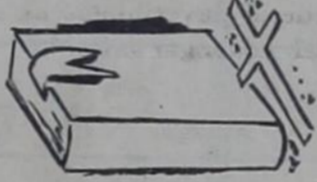

## Christian Fellowship Church

### CHRISTIAN FELLOWSHIP CHURCH

The principle of pressure is found in every aspect of natural life, for it holds the secret power. Coal produced by pressure upon an accumulation of dead leaves and vegetation operates huge factories. Raging torrents wear crevasses and form beautiful waterfalls. Stored reservoirs of water generate mighty dynamos. Life itself depends on pressure. A butterfly can only gain strength to fly when it is allowed to push itself through the walls of its cocoon. Even the minutest seed must burst to bring forth new life. Pressure applied at the right spot can stop the flow of blood from an arterial cut and save a life.

Strength is developed through pressure. You not receive any water from the faucet or sufficient gas to warm your home or cook a meal if they were not for pressure. Underground pressure can cause a mighty artesian stream of life-giving water to gush forth!

The thought of pressure applies also in spiritual matters. If extreme pressure is needed to form a diamond, can we wonder that God allows the heat to be turned on when He desires to develop Jewel like qualities in us? Pressure can either make us break us! Recognizing and appropriating God's strength not our own in the time of pressure will win the battle. Each one of us must learn the battle is the Lord's and not ours.  
Host Ministers, Don Bruce G.D. Justice

Notice of Board of Equalization meeting Rising Star Independent School District. In obedience to an order of the Board of Equalization regularly convened and sitting, notice is hereby given that said Board of Equalization will be in session at its regular meeting place in the City of Rising Star, Texas, Eastland, Brown and Comanche County Texas, at 4:00 p.m. beginning on Wednesday, the 18th day of May 1977 and from day to day thereafter for the purpose of determining, fixing and equalizing the value of any and all taxable property situated in said Rising Star Independent School District until values have finally been determined for taxable purposes for the year 1977 and any and all persons interested or having business with said board are hereby notified to be present.

## Representative Of Bob Bullock To Be In Eastland

AUSTIN--Comptroller Bob Bullock announced he is sending a representative from his Abilene Office to Eastland on Tuesday, May 10 to assist local taxpayers and answer questions about state taxes.

Bullock said Enforcement Officer Jimmie Folkner will meet with local taxpayers at the Eastland County Courthouse, Commissioner's Court Room, 2nd Floor from 9:00 a.m. until 12:00 noon.

"If Eastland-area merchants, or anyone else for that matter, have any questions about state taxes or need help in preparing tax forms, Mr. Folkner will be there to assist them," Bullock said.

"We're trying to cut the red tape in this office and we believe these face-to-face sessions with taxpayers help do just that," Bullock added.

Bullock reminded those taxpayers who are unable to meet with his representative on May 10th that they can still get their questions answered quickly by calling his TOLL-FREE tax information number in Austin. That number is 1-800-252-5555.

The Abilene office headed by James W. Martin serves Taylor, Brown, Callahan, Coleman, Comanche, Eastland, Fisher, Haskell, Jones, Mitchell, Mills, Nolan, Scurry, Shackelford, Stephens and Stonewall Counties.

### ENCYCLOPEDIA

THE GREAT PYRAMID OF KHUFU, BUILT ABOUT 2700 B.C., IS SO ACCURATELY SQUARE AND PERFECTLY ORIENTED TO THE COMPASS THAT IT'S OBVIOUS THE ANCIENT EGYPTIANS USED MODERN SURVEYING TECHNIQUES TO CONTROL CONSTRUCTION.

SURVEYING IS A SKILL THAT LASTS THROUGH THE YEARS. ONE PLACE TO LEARN THE TRICKS OF THE TRADE AND GET A START IN THE CAREER FIELD IS AS AN ARTILLERY SURVEYOR IN THE U.S. ARMY!

When in doubt, tell the truth."  
Mark Twain

WHO NEEDS MORE ROOM? Your family or your car? Come see this 3 bedroom, 2 bath, 1300 sq. ft. new home in Cisco today. An unbiavable buy at \$27,050 FHA 8 percent loan. \$1000 down. \$192.15 P.I.

FINALLY...AT LAST IT'S REALLY BEGUN. If you'll be ready to move this summer, now is the time to select your "druthers" on this new home in Crestwood Sub division Eastland! Call for more information.

THINKING ABOUT A NEW HOME? Your lot or ours? Come in and talk to us about your dream.  
Ward Homes, Inc. 820 W. Main, Eastland  
Richard Ward

### Scripture Thought Of The Day

He that uttereth truth showeth forth righteousness; But a false witness, deceit. There is that speaketh rashly like the piercing of a sword; But the tongue of the wise is health. The lip of truth shall be established for ever; But a lying tongue is but for a moment. (Proverbs 12:17- 19)

## People in the News

Mr. and Mrs. Elgie Crisp, Nina Grisham, and Mrs. Eula Grisham attended funeral services for Melvin Duffield in Eastland last week. Mr. Duffield was a brother of Mrs. Eddie Grisham of Eastland.

Those visiting with Mr. and Mrs. Everette Harris were Mr. Roy Lee of Big Spring, who visited Friday morning and Myrtle Higgins of Carbon, who came over Thursday. Everette and Alice also visited in Comanche Saturday afternoon and in Carbon Sunday.

The Lester Reed children spent the weekend visiting Six Flags in Fort Worth.

Pam Hill, who underwent back surgery Friday in Fort Worth's Childrens Hospital (Room 112) is reportedly doing fine.

Mr. and Mrs. Weld on Lee visited their daughter, Mr. and Mrs. Joe Carothers and family over the weekend. They live in Alta Loma.

Visiting in the home of Mr. and Mrs. Kenneth Willett and family over the weekend were their daughter, Denise and friend, Mike Rivezzo, who are both students at Texas State Tech in Waco.

Rising Star Cemetery Association.

We would like to thank the following for donations:  
Permanent Fund  
Mrs. Perry Spenny - \$5.00.

Mr. and Mrs. Sam L. Henderson of Darrouzett and Foster Henderson of Baton Rouge, La. were weekend guests of Robbie Henderson and also visited her while she was in the Eastland hospital.

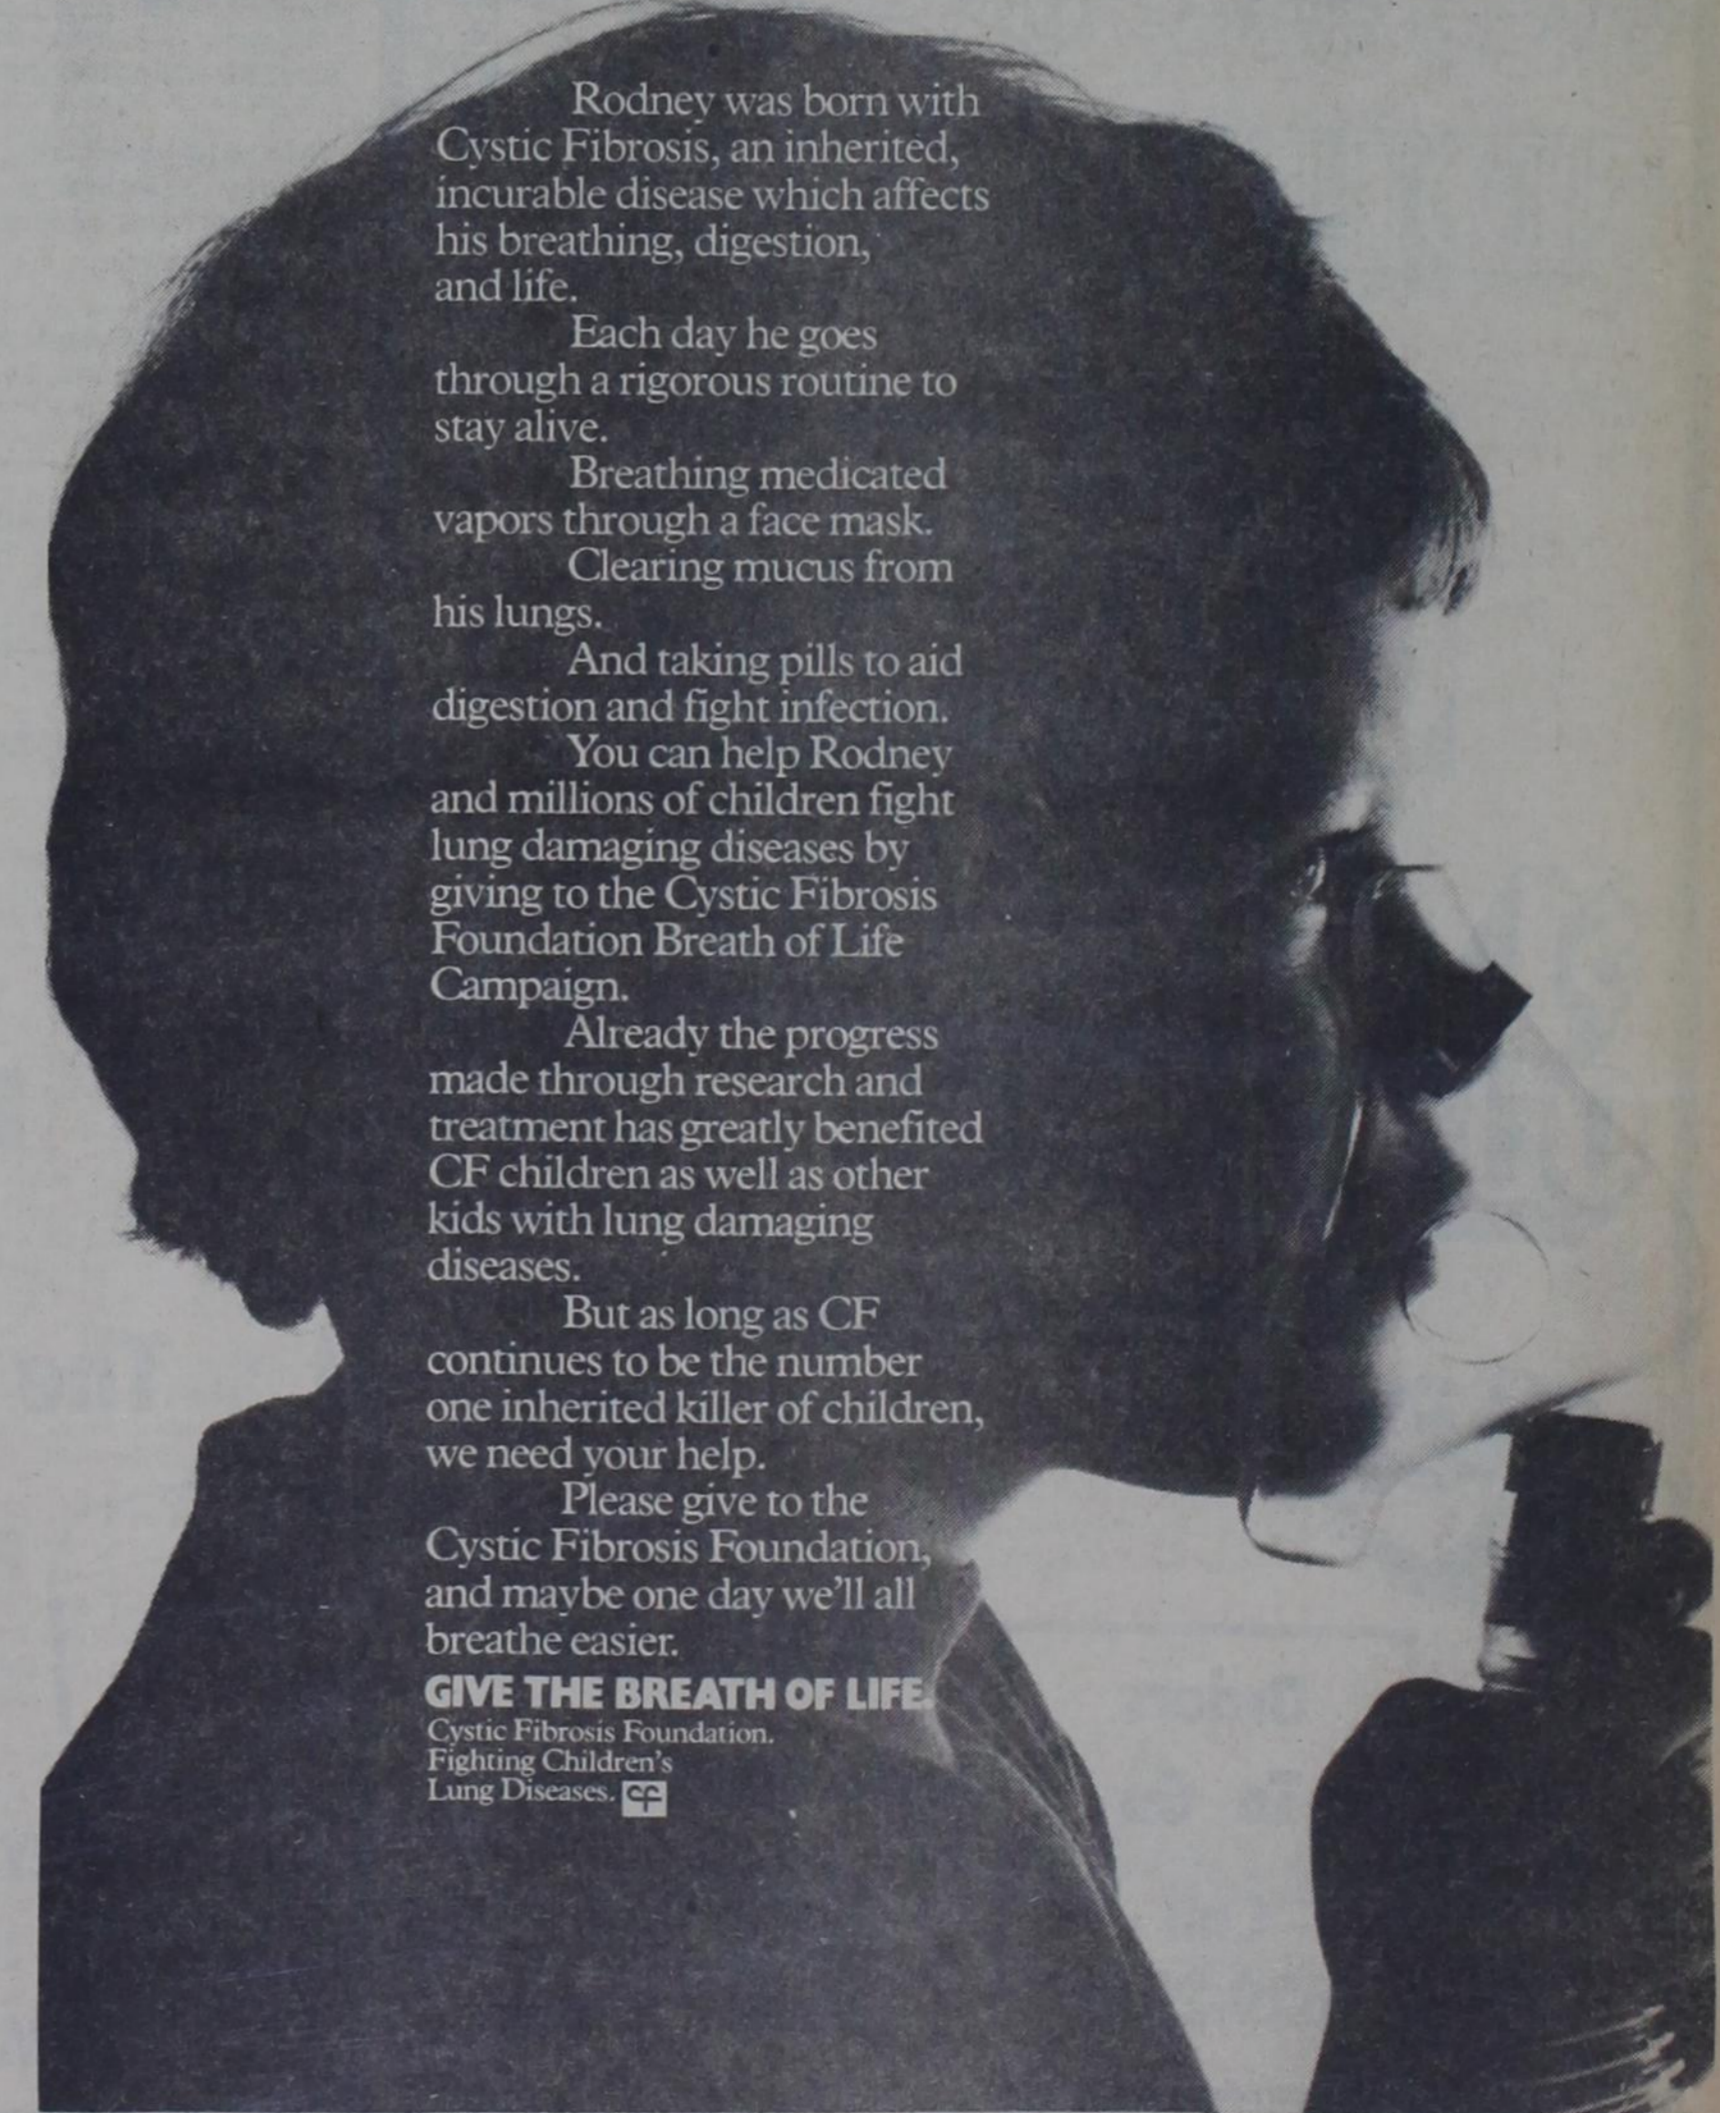

Mr. and Mrs. Floyd Joyce visited in Fort Worth over the weekend with their children, Mr. and Mrs. Gerald Tina McLeod and also their great granddaughter, Tiffany McLeod. The Joyce's helped the little miss celebrate her second birthday. While in Fort Worth they also visited Mr. John Joyce and Mrs. Vera Joyce.

## SAFETY CORNER

**SAFE HAY HARVEST**  
Hay harvest may involve use of several machines. Operate them with skill and care to avoid haymaking mishaps. Run and maintain hay harvest equipment as directed in your instruction manuals. Keep shields in place and keep children and non-workers away.

## FOR RODNEY, LIFE IS ONE BREATH TAKING EXPERIENCE AFTER ANOTHER.

Rodney was born with Cystic Fibrosis, an inherited, incurable disease which affects his breathing, digestion, and life.

Each day he goes through a rigorous routine to stay alive.

Breathing medicated vapors through a face mask.

Clearing mucus from his lungs.

And taking pills to aid digestion and fight infection.

You can help Rodney and millions of children fight lung damaging diseases by giving to the Cystic Fibrosis Foundation Breath of Life Campaign.

Already the progress made through research and treatment has greatly benefited CF children as well as other kids with lung damaging diseases.

But as long as CF continues to be the number one inherited killer of children, we need your help.

Please give to the Cystic Fibrosis Foundation, and maybe one day we'll all breathe easier.

**GIVE THE BREATH OF LIFE**  
Cystic Fibrosis Foundation. Fighting Children's Lung Diseases.

- Mrs. A.C. Halsell

Little Becky Murphree eight month old daughter of Doc and Janet seems to be enjoying a romp in the bluebonnets growing at her great-grandparents home, Mr. and Mrs. W.W. Ezzell of Rising Star. Becky is their seventh great-grandchild and the 17th great-grandchild of Mrs. Beatrice Hellums. Grandparents are Mr. and Mrs. R.T. Ezzell and Mr. and Mrs. W.E. Murphree of May.

### Shopping For A Water Well

Whether you need a water well for your new home or to replace an existing well, the National Water Well Association (NWWA) has some "well shopping" suggestions for you.

First, determine your home's water supply needs. A rule of thumb might be 70-80 gallons per day per person for suburban living; 100-120 gallons per day for farm living. Your county agent, municipal engineer, well drilling contractor or pump dealer can help you determine your precise needs!

Finding a competent drilling contractor is the next step. Besides the yellow pages and newspaper ads, an excellent place to get information is from NWWA Headquarters, Education Department, 500 West Wilson Bridge Road, Suite 135, Worthington, Ohio 43085 (Tel: 614-846-9355). NWWA will be happy to give you the name of one or more reputable contractors in your area; one who enjoys a good reputation, uses good equipment, high quality materials, and modern techniques.

A good local contractor belongs to his state and national associations and learns through them the most modern methods. He understands and appreciates the need for better and safer wells, and has a technical knowledge of the efficient and proper use of ground water.

Regardless of how you pick your contractor, here are a few basic guidelines which will help insure that you receive the best possible water supply for your money:

- (1) Check in advance on best possible water sources.
- (2) Insist on a written contract. Read the contract carefully, and if it is not clear consult your attorney before you sign.
- (3) Insist on full coverage insurance.
- (4) Compare all itemized costs and materials rather than the "per foot" charge.
- (5) Determine what, if any, local, city or state permits for drilling a well are required and who secures the permits.
- (6) Locate the well properly from the standpoint of sanitation and convenience.
- (7) Insist on both a certified log of the well and a statement of work performance and materials used.

For additional information on how to shop for a water well, write to NWWA headquarters, Education Department, and ask for their free pamphlet "When You Need a Water Well."

Mr. and Mrs. A.W. Claborn celebrated their golden wedding anniversary April 24, 1977 at Hubbard Creek Lake, Breckenridge. A luncheon was served at the lake home of their daughter and son-in-law, Mr. and Mrs. James Melton of Kermit.

Altoñ Claborn and Olene Crawford were married April 24, 1927, in Ranger Texas, at the Baptist Chapel by the Pastor W.H. Johnson.

Mr. Claborn was employed by Mobil Oil for 40 years. They lived in Desdemona, Kermit, Odessa, and Iran. When he retired they moved to Rising Star.

The event was hosted by their children, Mr. and Mrs. James Melton, Dr. and Mrs. J.W. Geisler of Monroe La., and Mr. and Mrs. Ozell Claborn of Monahans, Texas.

Also present were the couples grandchildren Jim, Cindy, Leighann, and Marm Geisler, Misty, Brook, Cody Claborn, and great grandchild, Jim Geisler III.

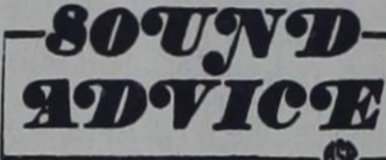

Friends and relatives from Texas, Louisiana, and Mississippi attended.

New Owners of Byrds Store, Billy M. White and son, Patrick with 10 3/4 lb. yellow catfish- caught April 25 in Pecan Bayou.

### Square Dance At The Hay Loft

There will be a "Square Dance" at the Hay Loft located 3/4 mile north of Cottonwood May 7th from 8 p.m. to 11 p.m. The caller for the evening will be Randy Phillips of Abilene and all local and surrounding area square dancers are extended a cordial invitation to attend.

### Programs For May Announced

The Retired Persons of Rising Star are getting organized and the activities for the group are gaining interest among the "Sixty Plusers." The dominos are on the table a quilt is in the frames, and the needles are threaded so everyone is invited to participate. Other areas of interest will be introduced as quickly as possible.

Mrs. Velma Turner, our charming and very capable president, is at the center three days a week. (On Mondays, Tuesday, and Thursdays), from 10:00 a.m. to 4:00 p.m. She is there to help you in anyway she can. There is no phone, but drop by for a chat and cup of coffee. Remember this organization is a service organization. Its purpose is to give aid to retired persons in all phases of their lives. Right now we are just getting

stated but there are benefits other than just social that makes this organization worth while.

We are very pleased with the response so far. We have had up to as many as thirty eight people at our meetings. The main activities take place at 2:00 p.m. Tuesday. Each week there is a program of special interest presented.

The programs for May are:

May 3-musical program under the leadership of Mrs. Nell Maynard.

May 10-Carl Smith will present a program on Indian artifacts and history, with special emphasis on the Indians in this area.

May 17-will offer a very special interest to Retired Persons. It will be a medical program under the leadership of Mrs. Ed Chick.

May 24-is the red letter day of this month. After the

usual covered dish luncheon Mr. Owen Akin, minister of the Church of Christ, will tell of his experience as a missionary in France and Quebec. The Akins spent twenty two years in this exciting work. Mr. Akin has been among us for several years and has endeared himself to us in his service to our community.

May 31-the activity is an Arts and Crafts sale. It is not necessary to be a member to bring things to this sale. The proceeds from the sales will be kept by the maker and he or she will be responsible for the sale and safety of all items offered.

Please keep these dates in mind and make plans to take advantage of them. The coming months will have other special interest programs.

## How To Lose Weight

### HEALTH TIP

From the American Medical Association

#### How to Lose Weight

Do you need to lose weight?

If you do, you're not alone. Millions of Americans are eating more pounds than they should. If you're among this number, the American Medical Association has a pamphlet that tells you how to do it.

The only way to take in your belt or slip into that pantsuit again is to eat less and exercise more. But no matter how much you exercise, you can't escape that ultimate activity -- saying "No" to big portions and second helpings.

How much should you weigh? There's no exact figure. Each of us is different. But there are some averages that will help you arrive at your proper poundage, give or take 5 to 10 pounds.

Height (in inches)	Small Frame		Medium Frame		Large Frame	
	Men	Women	Men	Women	Men	Women
5'0"	135	105	145	115	165	135
5'2"	140	110	150	120	170	140
5'4"	145	115	155	125	175	145
5'6"	150	120	160	130	180	150
5'8"	155	125	165	135	185	155
5'10"	160	130	170	140	190	160
5'12"	165	135	175	145	195	165

Calories are units of energy found in food. If you eat more calories than your body can use in its normal, daily activity, the excess is stored as fat. Most people leading moderately active lives need 15 calories per pound to maintain their desired weight. For instance -- if your desired weight is 150 pounds -- 150 x 15 equals 2,250.

If you're overweight, you'll have to cut down on your caloric intake, but not necessarily on the amount of food. Just eat more low-calorie foods and shun the gravies, creamed dishes, rich desserts, fried entrees and alcoholic drinks.

There are approximately 3,500 calories in each pound of stored fat. To lose one pound per week, consume 500 fewer calories each day than if you already were at your desired weight. For instance -- if your desired weight is 150 pounds and is maintained by consuming 2,250 calories a day, cut down to 1,750. To lose two pounds a week, cut down to 1,250 calories a day. It usually is unwise to try to lose more than two pounds per week.

If you are more than 10 pounds overweight, see your doctor before launching a do-it-yourself diet.

You are more likely to stick to your diet if you balance and vary your menus, selecting from the four broad categories of: Milk Group (milk and cheese); Meat Group (beef, veal, lamb, pork, poultry, eggs and fish); Vegetable-Fruit Group, and Bread-Cereal Group. You also need butter, margarine, fats or oils, but in moderation.

Exercise while dieting helps tone up the muscles and tissues and helps burn stored calories. If you want to go to a salon or gym, go ahead but beware of over-exertion. Or you can exercise at home. Crash diets aren't much use. You can take off pounds, but the diet is usually so bizarre that you cannot stay on it the rest of your life, and those pounds will creep back.

The AMA recommendations for losing weight are contained in a pamphlet prepared by the AMA's Department of Foods and Nutrition.

## Oil News

James R. Cash of Richardson will drill No. 1 Western Klinter as a proposed 4,100 foot wildcat in Eastland County.

Location is seven miles northwest of Cisco on a 222 acre lease.

It spots 1,236 feet from the north and 2,423 feet from the west lines of Section 54, Block 4, H&TC Survey A-1750.

Hamco Exploratin & Development Co. of Dallas Completed No. 1 J.T. Allord in the Penn Ranger Field two miles north of Rising Star. Location is 2,400 feet from the south and 1,850 feet from the east lines of Section A1023.

Daily potential is 123 barrels of 41 gravity oil plus 16 barrels of 41 gravity oil, plus 16 barrels of water. Flow was through a 16-64 inch choke with 726 pounds casing and 325 pounds tubing pressures.

The pay was treated with 100 gallon of acid and fractured with 100 sacks of sand and 668 barrels of water.

Operator set the 4 1/2 inch casing at 3,107 feet total depth. Gas oil ration was 758-1.

A regular field well was completed six miles northeast of Rising Star at Rhodes Drilling Co. of Abilene No. 1 w.R. Morgan.

Site is 2,333 feet from the south and 3,088 feet from the east lines of John F. Sapp Survey 34.

Daily potential was 29 barrels of 41 gravity oil plus 84 barrels of water.

Flow was through a 16-64 inch choke with 519 pounds casing and 142 pounds tubing pressures.

It is producing from perforations at 2,925-45 feet treated with 750 gallons of acid. The pay was fractured with 21,000 gallons of water and

30,000 pounds of sand. Operator set the 4 1/2 inch casing at 3,050 feet, total depth. Gas oil ratio was 3,172-1.

Glover Development Corp. operating from Cisco staked two locations 11 miles south of Cisco in the Foster Marble Falls Field.

Both are located on a 160 acre lease and slated for 3,100 feet. No. 1 Shook will be drilled 1,787 feet from the north and 2,173 feet from the west lines of Section 56, block 3, H&TC Survey A-1473.

Site for No. 2 Shook is 853 feet from the north and 467 feet from the west lines of Section.

Louisiana Crude Oil & Gas Inc. Gas Inc. of New Orleans will drill No. 1 George Steel in the regular field one mile west of Rising Star.

Slated for 4,000 feet, it spots 467 feet from the north and 2,073 feet from the east lines of Section 14, Block 2, ETRR Survey A-1020.

The lease is composed of 40 acres.

Duer Wagner & Co. of San Antonio will deepen to 1,500 feet, wildcat depth in the Brownwood South Marble Falls Field at a Brown County project.

It is No. 1 Wesley Adams located on a 90 acre lease one mile east of Wichell.

Site is 3,400 feet from the south line river and 1,875 feet from the west line of C. Meser Survey 107.

It was formerly Evans Brothers Drilling Co. No. 1 B. J. Adams et. ux.

Geo Dynamics Oil and Gas Inc. of Brownwood spotted No. 1 Kenneth Willett in the regular field six miles northwest of May.

The planned 2,900 foot venture

is located on a 160 acre lease. It spots 1,400 feet from the south and 660 feet from the west lines of Lot 12, H.P. Brewster Survey.

Noble and Bradbury of Brownwood staked three regular field locations three miles northwest of Brookesmith.

All are on the M.H. Stephens 315 acre lease and slated for 315 feet.

No. 32-A Stephens will be drilled 2,344 feet from the north and 211 feet from the east lines of Block 71 D. Hill Survey 40. Site for No. 33-A Stephens is 1,684 feet from the north and 189 feet from the east lines of block 71.

No. 34-A Stephens spots 1,422 feet from the south and 352 feet from the east lines of block 72 B. Morris Survey 208.

Georgis Texas Oil Co of Tyler will drill No. 1 Lela Day Estate as a proposed 4,000 foot wildcat one mile south of Eastland in Eastland County.

Drillsite is 2,153 feet from the north and 711 feet from the west lines of George Haig b(AlIAS J.P. Douglas Survey, A-160).

Another wildcat location was staked seven miles north of Rising Star as Dallas Production Inc. No. 1-A. Shults.

The planned 3,800 foot venture is located on a 219 acre lease. It spots 750 feet from the south and 467 feet from the east lines of Section 2, J.F. Sapp Survey A-435.

Hawkeye Oil and Gas Corp. of Fort Worth will drill No. 1 Weiser in the Foster Marble Falls Field 12 miles south of Cisco.

The planned 3,500 foot try is located on a 74 acre lease.

Site is 1,485 feet from the north and 2,214 feet from the east lines of Lot 8 Antonio Miller Survey, A-384.

George L. Buckles Co. of Monahans No. 1 Caldwell is a planned 2,700 foot venture for the regular field two miles northeast of Pioneer.

Location is 439 feet from the north and 739 feet from the west lines of Section 44, Block 2, ETRR Survey.

The lease is composed of 117 acres.

Stahl Petroleum Co. of Amarillo will drill No. 1 Burkett as a proposed 2,500-foot wildcat in Brown County. Location is five miles southeast of Burkett on a 172-acre lease.

It spots 660 feet from the north and east lines of Section 30, HT&B Survey.

Adobe Oil Co. of Midland will drill No. 1 Ringhoffer in Brown County Regular Field 20 miles north of Brownwood.

The planned 3,500-foot Marble Falls test is located on a 271-acre lease.

It spots 520 feet from the north and 1,800 feet from the west lines of Section 3, ETRR Survey.

V. H. Westbrook of Hobbs, N. M. completed No. 6 J. J. Shults in the regular field five miles north of Byrds.

Location is 1,308 feet from the south and 545 feet from the west lines of Section 3, ETRR Survey.

Daily potential was 13 barrels of 44 gravity oil, pumping from perforations at 1,974-83 and 2,022-26 feet. The pay was treated with 1,000 gallons of acid.

Operator set the 4 1/2-inch casing at 2,080 feet, total depth.

GeoDynamics Oil & Gas Inc. of Brownwood completed No. 1-A Ben Moore in the regular field three miles northeast of May.

Location is 660 feet from the north and 425 feet from the west lines of Lot 10, J. Dickinson Survey 10.

Absolute, open flow was 28,000 cubic feet of dry gas daily from perforations at 2,063 to 3,009 feet.

Operator set the 4 1/2-inch casing at 3,025 feet, total depth.

COLEMAN — John W. Barber of Abilene will reenter to 2,485 feet an abandoned wildcat four miles north of Coleman.

It is No. 3 Clyde Dixon Allen located on a 331-acre lease.

Site is 1,000 feet from the south and 5,011 feet from the west lines of J. H. Grimes Survey 710.

Staked in the regular field three miles south of Trickham was Rice & Herring of Santa Anna No. 1 H. C. Byler.

The planned 1,990-foot venture is located on a 254-acre lease.

It spots 1,648 feet from the north and 475 feet from the west lines of Juan Armendaris Survey 4.

Another field location was staked four miles southwest of Santa Anna as W. S. Wise of Brownwood No. 1 J. P. McCord.

Slated for 1,990 feet, it spots

Thursday, May 5, 1977

### NOTICE

Agricultural producers in the Pioneer and Rising Star areas will have an opportunity to complete a training program leading to certification as private applicators at a program scheduled for May 9 at 6:30 p.m. at the Lakewood Recreation Center at Pioneer according to DeMarquis Gordon Eastland County Extension Agent.

The Private Applicator Certification Training Program one of the optional means of qualifying for certifications as a private applicator of restricted use pesticides includes a discussion of laws labels and labeling, pesticide safety, mixing and calibration and pests and pest damage identification. The program prepared by the Texas Agricultural Extension Service includes a review of certain questions relating to the information presented. The program will require approximately 3 1/2 hours.

Those attending and seeking certification as private applicators will have an opportunity to complete a Request for Private Applicator Certification which will be forwarded to the Texas Department of Agriculture (TDA) for issuance of certification.

As an alternative to participation in a training program, an individual may qualify for certification as a private applicator by submitting a completed questionnaire to the Texas Department of Agriculture following a review of self study materials. The self study materials may be obtained at the county Extension office.

1,095 feet from the south and 1,376 feet from the east lines of Block 111, Wade E. Bynum Survey 272.

The lease is composed of 198 acres.

## WASHINGTON

"As it looks from here"

### OMAR BURLESON

Congressman  
17th District

AS IT LOOKS FROM HERE WASHINGTON D.C.--IN RECENT YEARS THERE HAS BEEN A SPATE OF malpractice suits against doctors, hospitals and the producers of pharmaceuticals.

More recently there have been malpractice court actions against lawyers but now a fairly new one has come on the scene.

THE LATEST OF MALPRACTICE ACTIONS has been against school systems. The parents of a 19 year old have brought suit in Long Island, New York against the school district from which their son graduated.

The action is based on the inability of the high school graduate to read. They say he is unemployable because he cannot read and write well enough to fill out a job application; that the piece of certified parchment scroll he received on graduation is worthless. The parents say their son lost a job as a carpenter because he was unable to read figures on estimates.

THE IDEA OF TAKING A SCHOOL SYSTEM TO COURT for malpractice or breach of contract to educate is a novel one which raises questions about professional accountability for the consequences of the educational process.

THE THREAT OF THIS KIND OF ACTION must leave school administrators asking just how much obligation, if any, schools legally have to their students.

The question arises if there is an agreement implied between the educators and the pupils and are the courts the proper place to assess negligence in meeting the specific requirements of that contract.

IN THE CASE OF THE 19-year-old, the attorney for the parents claims the school had no right to give him a diploma in the first place. He said, "My client can only read about the fourth grade level." He points out that, even after the high school graduate had special tutoring in the latter part of his year of graduation, little improvement was made and the tutor suggested that he should not be allowed to graduate. The school let him graduate anyway, even though as the boy now

PROBABLY TAKING NOTICE OF THESE CASES, a school district in Virginia has ordered 60,000 high school students to produce at least one piece of writing which must have flawless grammar, punctuation and spelling by the end of the year. In making his decision, the superintendent said, "At times we don't expect enough of our students. They do whatever we expect of them and if we expect mediocrity, that is what we are going to get."

English is the language of over three-fifths of the world's radio stations.

Repeat after me, "Only you..."

# Senate Bill Embodies Major Peanut Changes

According to Ross Wilson, Southwestern Peanut Grower Association, the Senate Committee on Agriculture, Nutrition and Forestry passed the peanut section of its version of the general farm bill for the years 1978 through 1981.

The bill which will go to the Senate floor later this year embodies a two-price approach with poundage controls. It raises the price support level from that asked for by USDA, but support remains considerably under that sought by the National Peanut Growers Group, American Farm Bureau and the National Farmers Union. Support price is set at a minimum of \$420 per year for each of the four years in the Senate Bill. USDA had previously proposed a price level of \$390 per ton in '78 decreasing annually to \$345 per ton in 1981. Later USDA adjusted their proposed prices to reflect \$420 per ton in 1978 decreasing annually to \$400 per ton in 1981.

A provision added to the bill makes it mandatory that the Secretary consider annually prior to announcing the support level the index of prices paid by farmers, but the Secretary is not required to increase the support rate as a result of considering this factor.

An attempt was made by Senators Henry Bellmon (R-Okl.) and Jesse Helms (R-N.C.) to substitute their bill for the version being considered by the Senate. The Bellmon-Helms bill would have reduced acreage up to 10 percent in 1978 and up to 5 percent per year thereafter except that the national marketing quota and would not be reduced to less than a quantity totaling 15 percent above that needed for domestic-edible and related uses. This bill, unlike the USDA proposal, contained neither poundage quotas nor a two price concept. The proposal would have set support at 70 percent of net parity in 1978 to be adjusted annually by the index of prices paid in 1979, 1980, and 1981.

The Bellmon-Helms amendment was defeated by a vote of 10 For and 8 Against.

The Bellmon-Helms proposal had strong support from growers in the Southwest and Virginia-Carolina areas, but the combined strength of the Senate Agriculture Committee leadership and the administration prevailed in the final outcome.

An amendment was then considered that would have set the support level in the Senate Bill at \$420 (70 percent of announced parity) per ton in 1978 and adjusted that figure by the index of prices paid in 1979, 1980 and 1981. This amendment failed by the same margin as the previous vote.

The Senate Committee bill retains the present 1,610,000 national acreage allotment, switches to poundage controls at the farm level and establishes a two-price system in the market place. It sets a national poundage quota of 1,680,000 tons in 1978. It is estimated that acreage would be reduced in 1978 about 19.5 percent for quota production. The national poundage quota would be reduced over the 4 years of the bill to 1,440,000 tons in 1981 or to an acreage equivalent of about 1,114,000 acres. The non-quota portion of the farm allotment may be planted if the grower chooses to do so with such production being supported near the world oil market price. Non-quota production would be required to move through or under the supervision of the area growers association. Under an area-type pool arrangement, the grower may share in net profits from sales of these peanuts at prices higher than the oil market level. The bill would allow only allotments holders to produce peanuts—quota and non-quota and does not allow for any production above the present 1,610,000 national allotment.

Other provisions of the bill include mandatory sale and lease of allotments within counties, specifies that the support will be net with no deductions for inspection, handling and storage, establishes the right of producers to sell in a subsequent crop year quota peanuts not marketed due to causes beyond the control of growers, allows sale of non-quota peanuts to handlers for edible use at quota price under specific conditions and provides that preservation of the farm allotment is based on farm quota production only.

The House Agriculture Subcommittees on Oilseeds and Rice is scheduled to "mark-up" the Senate Committee version of the peanut bill on May 5th. It is presumed that there will be some differences in the final Senate and House bills. Growers in the Southwest and Virginia-Carolina areas are making determined efforts to achieve an increase in the support level from that set in the Senate bills. Efforts are also continuing to eliminate poundage quotas and the two-price system from the Senate bill.

Growers are advised to consult the April issue of the *Southwestern Peanut Grower News* for complete addresses of all Southwest peanut area Congressmen. Individuals wishing to contact Congressmen should have ample time to do so before a single bill takes final form. It is anticipated that after adoption of the Senate and House versions of the farm bill, a House-Senate Conference Committee will meet to iron out differences. This entire legislative process, assuming passage of the peanut section, should require several weeks.

# Deaths And Funerals

## Linus J. Canafax

Funeral services for Linus J. Canafax, 93, were held at 2:00 p.m. at the boze-Mithcell Funeral Home Chapel in Waxahachie, Texas. Officiating were the Rev. Robert Richmond, pastor of the First United Methodist Church of Waxahachie, and the Rev. Wilson Canafax, pastor of the First United Methodist Church of McKinney. Burial was in Hillcrest Memorial Park at Waxahachie.

Mr. Canafax, who had lived in Waxahachie for 48 years, was a resident of the Teague Nursing Home, Teague Texas at the time of his death. He had lived there since June 1974. He died at noon on Saturday, April 16, at the Teague General Hospital after months of declining health. He was born at Kosse, Texas, on December 22, 1883. He attended Fort Worth Polytechnic college in Fort Worth, and Southwestern University, Georgetown.

A veteran of World War I, Mr. Canafax was in the medical detachment holding the rank of Sergeant First Class. He served overseas in the European Theater of Operations being stationed primarily at an AEF Base Hospital. He later worked as a Field Division accountant with the Internal Revenue Service until his retirement in 1954. He then became an accountant with the Mobil Oil Co. office in Waxahachie until his retirement in 1970. He was a member of the First United Methodist Church in Waxahachie, and had served his church in many activities, including being secretary of the Official Board for many years.

Mr. Canafax was a lifetime member of the Austin Masonic Lodge No. 12 and of the Ben Hur Shrine Temple at Austin. He was preceded in death by his wife in 1973. He is survived by one daughter, Mrs. Laura Criswell of Thornton; two grandchildren, and one great grandchild; two sisters, Mrs. Florence Graves of Rising Star, and Mrs. Nell Sprawls of Fort Towson, Oklahoma, several cousins including Mrs. Mary Padgett Bryan of Groesbeck and many nieces and nephews.

## Calby Wilson

Calby Clifton Wilson, 65 of Imperial Texas passed away April 28th at 1:15 p.m. in the Odessa Medical Center Hospital following a short illness. Services for Mr. Wilson who is a former resident of Rising Star, were held Saturday April 30th at 2 p.m. in the Imperial Community Center. Burial followed in Fort Stockton, Texas.

Survivors include his wife, Polly; two daughters, Polly Sue Hunt of Grandfalls, Texas; and Ruthie Andrews of Imperial two sons, Bruce Wilson of Imperial and J.C. Wilson of Waxahachie, Texas; two brothers, Clinton and Clayton Wilson both of Rising Star; three sisters, Billy Faye Shelton of Brownwood; Sue Rowe of Brownwood and Mary Rose Goodard of Camarillo, California; and two grandchildren.

Those who attended from Rising Star were: Mr. and Mrs. Clinton Wilson and family; Mr. and Mrs. Clayton Wilson and family; Larry and Rita Wilson; Dinky and Judy Hill; Ronnie and Doris Wilson; Gary Wilson and Lee; Charlie and Sharon Moore, Robert Wilson; and Steve and Jaunita Hollis. Others attending were Dale and Kathy Wolf of Abilene; Mr. and Mrs. Bill Shelton and family of Brownwood and Mr. and Mrs. Archie Rowe and children of Brownwood.

## Vestula Goss

Services for Mrs. Vestula Goss 68, of 2503 Vincent, were Thursday held at 2:30 p.m. Thursday at Higginbotham Funeral Home in Rising Star with John Shero, Church of Christ minister, officiating. Burial was in the Rising Star Cemetery. Local arrangements were handled by Morelock Funeral Home in Brownwood. Mrs. Goss died at 6 a.m. Wednesday at her home in Brownwood.

She was born June 13, 1908 in Williams and married Clifford G. Goss May 31, 1933 in Rising Star. He preceded her in death April 1, 1972. She was a homemaker and a member of the Austin Avenue Church of Christ.

A Public Service of This Newspaper & The Advertising Council

Dear Rising Star Businessman:

On Wednesday, May 18 we will have a photographer here to take pictures of business and professional men and women and their wives and husbands.

The pictures will be made into single column photos and used by us at opportune times for articles in The Rising Star. We want you to help us keep our file of photos up to date. We would like very much to have a photo made of you.

Since prints of uniform size are not desirable, we have arranged with Wall Photo Co., Spencer, Oklahoma, specialists in this work, to take the pictures and furnish the prints. You understand, of course, there is no charge to you. The studio will supply extra prints for you if you desire to purchase them, but we emphasize there is no obligation in this connection.

If you care to cooperate, your photograph may be taken from 11 a.m. to 7 p.m. The sitting will not require more than minutes.

For appointment call 643-3240.

Because the prints are for permanent use, it is necessary that men be freshly shaven and wear a coat and tie (while in front of the camera). Therefore, please come prepared for a good portrait.

This is all a part of the process of building a better newspaper, it is in the interest of the community service. We will appreciate your cooperation.

Sincerely,  
Evelyn Donham, Editor
