

## Fire Doesn't Faze Kimberly

Are the effort that schoolteachers and volunteers, such as volunteer firemen, make to teach children practical safety rules worthwhile? Mrs. Lolanda Padilla of Rising Star can answer a resounding "YES" to that question.

Mrs. Padilla and her husband, Ignacio, are the parents of 6-year-old Kimberly and 4-year-old Ignacio Jr. On Sunday, January 23, Mrs. Padilla had the two children with her while drying clothes at Roady's Laundromat when the wall above the clothes dryer caught on fire. At the sight of the blaze Kimberly spoke up, "I learned what to do in school, Mom." Seeing her mother's obvious nervousness, Kimberly continued, "Stay calm, Mom; don't panic. You step outside and I'll run call the Fire Department. You and my brother are more important than the clothes."

After seeing that her mother and brother were safely outside, Kimberly ran to a nearby business and called the Fire Department.

While Kimberly was making that important call, Mrs. Padilla's sister, Roxann Mar-

Kimberly Padilla

tinez, arrived and the two attempted to put out the fire by splashing water onto it from a cup. Mrs. Padilla and Miss Martinez both fell during their attempts to put down the blaze and remove their clothing from the dryer.

Volunteer firemen arrived, cut into the wall and extinguished the fire. The clothing was not damaged.

Volunteer firemen had visited Kimberly's first grade class before the Christmas break and had given out both safety rules and fire helmets to the children. Her parents and her teacher, Mrs. Julie Weise, are impressed and pleased with Kimberly remembering and following the rules of "What to do in care of fire."

## Local Man Injured in Oil Field Accident

Dwight Carter, a roughneck for Pyramid Drilling Co., was injured in an accident on the drilling rig January 20, 1983. Driller Dewey Chambers reported that the crew was running casing when a piece of pipe fell and cut off Carter's toes from about the instep out. He was taken to the emergency room at the hospital at Cisco, then was transported by ambulance to Hendrick Medical Center in Abilene where he underwent extensive surgery to reconnect his toes. Carter was accompanied by fellow roughneck Ken Harris who remained at Hendrick during the eight or nine hours surgeons worked on Carter's foot.

Carter lives in Rising Star with his parents, Mr. and Mrs. Otho Carter. Mrs. Carter stated that although Dwight spoke of his foot being sore, the doctors seem

pleased with the color and temperature of the injured foot. Hospital confinement of about 30 days was predicted at the time of the surgery, but Dwight has hopes of being released a little earlier than that if his foot continues to do well.

Dwight is in Room 6710 in Hendrick and is experiencing the boredom of being hospitalized, Mrs. Carter said.

## Sale of J & S Grocery Is Being Transacted

Jim Williams, owner of J & S Grocery, has announced that the store is in the process of being sold to Ralph and Beth Kizer. A final inventory will begin at 8 a.m. February 2, Williams said Tuesday morning. He expected the final transactions of the sale to be made following that inventory.

Williams said his primary reason for selling the store is the difficulties he has encountered in operating two stores, this one and the J & S Grocery in Cross Plains. Williams bought the Rising Star

store in September, 1976, from Ray Agnew who was retiring from the grocery business. He bought the Cross Plains store from the JRB chain in February, 1981, and will continue to operate J & S Grocery in Cross Plains.

In November, 1982, Williams married Celeste Reedy and they plan to continue living in Rising Star in the house they remodeled last fall.

Williams wishes the Kizers well in their new undertaking, and views a family-operated store as an

advantage to them.

The Kizers have announced that the store will be managed by their son-in-law, Rick Pittman, and their daughter, Betty Griffin.

Kizer said the store is expected to remain associated with Affiliated Food Stores and will be called Family Food Store.

They will restock the store as quickly as possible, Kizer stated, and will appreciate the continued patronage of the store's customers and ask for their understanding during this period of transition.

## Lady Cats Back on Road to District

The fans of the Lady Wildcats had two enjoyable evenings Thursday 27th and Friday 28th last week as the team put back-to-back wins together to advance in district play. Thursday night the Lady Cats put down the Cross Plains Buffettes 44-21. Leading scorer for Rising Star was Vickie Walker with 21 points followed by Melanie Ratliff with 15. Kathy Linney pumped in 4 points to help out with the scoring, along with Gretchin Williams & Karen Wilson with 2 points apiece.

Friday the 28th, the entire Lady Cat team got into the act to revenge an earlier 1

point defeat to Carbon by coming out ahead 48-30. This outstanding evening of play showed the kind of teamwork and abilities the Lady Cats are capable of with Vickie Walker scoring 22 points followed by Melanie Ratliff with 9. The team was supported by Kathy Linney and Charlotte Self with 4 points apiece. Debbie Guye, Gretchin Williams, Karla White and Leslie Alford with 2 points apiece and Sherry Fox contributing 1 free throw. Once again terrific rebounding was the key to the success of the Lady Cats with Melanie Ratliff, Gretchin Williams, Debbie

Guye and Karla White capturing 8 rebounds apiece, Kathy Linney & Vickie Walker with 7, Leslie Alford with 4, Karen Wilson, Charlotte Self, Sherry Fox and Rebecca Owen with 2, and Dee Dee Lewis with 1.

Tuesday, February 1, will rematch Rising Star and Moran at Moran starting with a girls JV game at 5:30 and girls varsity at 7:00 p.m. There will be no boys game.

However, Friday, February 4, Eula will host Rising Star in district play. This is one game that the Rising Star Wildcats will need YOUR SUPPORT. See you at Eula 7:00 p.m. Friday night!

## Roxann Martinez Is Pageant Finalist

Miss Roxann Martinez age 16 daughter of Mr. & Mrs. Alfonso Martinez of Rising Star, Texas, has been selected as a finalist in the 12th annual Miss Texas National Teen-Ager Pageant to be held at Texas Christian University, Fort Worth, Texas on June 3rd, 4th, and 5th, 1983. There will be participants from all over the State competing for the title. The winner of the State pageant will receive a \$1,000 cash scholarship, a full Barbizon Modeling Scholarship, other prizes, and an all-expense paid trip to compete in the nationally syndicated televised Miss National Teen-Ager Pageant, where she will be competing for \$20,000 in cash scholarships, a 1983 Mazda

Roxann Martinez

GLC, and other awards.

Each contestant in the State pageant participated in the Volunteer Community Service Program of the National Teen-Ager Pageant. This program encourages

teenagers to participate in school and civic affairs. A Mini-Modeling Charm Course will be given during the Pageant. Contestants will be judged on scholastic achievement; poise-

## Murdock Home Lost To Fire

The devastation of fire has struck another home in the Rising Star area. J. L. and Joan Murdock of the Williams community lost their mobile home and all their possessions Friday night, January 28, but are thankful their son, Dennis, escaped unharmed.

The Murdocks had gone to Monahans to attend a funeral, but Dennis, a senior at May High School, remained at home.

Dennis returned home about midnight Friday and went to bed. He was awakened by the dog barking sometime after 1 a.m. Dennis made his way

through the thick smoke toward the living room, but the extreme heat forced him to turn back and make his exit through the rear entrance, which was near his bedroom. As Dennis left to seek aid, he could see flames shooting out of the kitchen window and the living room was a red glow.

Dennis went to the Kenneth Murdoch home and awakened Ann at about 2 a.m., she reported. The Rising Star Volunteer Fire Department responded to the call, but the mobile home was totally involved in flames when they arrived and consequently burned to

ashes.

The J. L. Murdock family is presently staying with Kenneth and Ann Murdoch. They plan to replace their home and continue to live in the Williams community, but are now fearful of mobile homes after learning how quickly theirs had been totally consumed by fire.

Joan feels her recent purchase of the miniature snazer which awakened Dennis and surely saved his life was a timely one.

The J. L. Murdock family moved to this area from South Bend last July. J. L. and Kenneth are cousins.

## Doris Griffin Enters Mayoral Race

Doris Griffin placed her name as a candidate for mayor of Rising Star this last Monday. She is the wife of Clyde D. Griffin. They live at 504 West Pioneer, moving here from Odessa in June, 1976. The Griffins started their first interest in this area in 1971 when they purchased acreage in the Sipe Springs community, later a place four miles out on the Cisco highway. Then, a year before retiring to Rising Star, they purchased the five acres where their home is located.

Mrs. Griffin has spent five years in newspaper work on the Goldthwaite Eagle, Goldthwaite, Texas, where she was born, reared and graduated from high school. After she and Clyde married, they moved to Jal, N. M., then Monahans and Odessa.

In Monahans she was employed for five years as a doctor's receptionist and office nurse. There she served two years as vice president of the PTA. In Odessa she was employed as secretary of Northside Baptist

Church while she attended Odessa Junior College. She completed her bachelor of science degree at Sul Ross University, Alpine, where she graduated in the top twenty of her class. During her last year of teaching in Odessa she was credit manager at Penneys after school hours.

The Griffins have two children. Bill Gholson is an engineer for Harley, Inc., Odessa. Their daughter Marilyn Davis, is art production manager for Hap-

## W-2 Forms Should Have Been Received

Employees who have not received a W-2, Wage and Tax Statement, by February 1 should contact their employer to be sure they have the correct address, the Internal Revenue Service says. Even if an employee is unable to get a W-2 before the tax filing deadline, the return must be filed by April 15. The IRS reminds taxpayers that they must have a W-2 form from every employer they worked for during the year. If it is impossible to obtain a W-2 from an employer, the employee should either request a Form 4852, Substitute Wage and Withholding Statement, from the IRS or attach a signed and dated statement explaining the tax computations for the missing wage and tax information to replace the W-2 and file it with the tax return, according to the IRS.

Baked potato skins brown better if they're covered with vegetable oil before being baked.

## Wildcat Gas Well Completed Near Cisco

A potent new wildcat gas well has been completed three miles northeast of Cisco by SRG Oil Corp. of Abilene.

The operator's No. 1 Walcott flowed 3,462,000 CF natural gas per day and was rated at 4,015,000 CFD on absolute open flow. Initial potential was tested on a .75-in. choke.

Location is in an 80-acre unit in Eastland County's H&TCRR Survey Sect. 76 Blk. 4. The well probed to 4,225-ft. bottom and will produce from a perforated interval 3,748 to 3,752 feet into the hole.

Two new producers have been brought on line in the Eastland Regular Field by Harvest Operating Co. of Cisco.

The wells are designated as the No. 5 and No. 6 White, located six miles north of Eastland. Locations are in a 160-acre drilling unit in the H&TCRR Survey.

The No. 5 well flowed 128,000 CF gas per day on a 12/64 choke. It was rated at 1,206,000 CFD on absolute open flow. The No. 6 showed potential to yield 20 barrels of oil per day on a two-inch choke.

The No. 5 bottomed at 3,820 feet and will produce from perforations 3,755 to 3,761 feet. The No. 6 went to total depth of 3,870 feet and will produce from two sets of perforations, 3,780 to 3,790 and 3,466 to 3,472 feet.

With combined potential to yield 162 barrels of oil per

day, three new oilers have been completed in the V.P. Simpson Lease of Eastland County's Hawk Eye Field by Mercury Exploration Co. of Fort Worth.

The wells are in a 243-acre lease in Eastland County's H&TCRR Survey Section 58 Block 3.

Pumping 49 barrels of oil daily on open choke, the No. 13 V.P. Simpson bottomed at 1,183 feet and will produce from perforations 1,111 to 1,114 feet into the wellbore. The well is 10 miles south of Cisco.

Mercury's No. 9 Simpson

showed ability to make 62 barrels of oil per day, plus 55,000 CF gas, on open choke. It will produce from perforations 1,097 to 1,100 feet. Drillsite was two miles northwest of Romney.

The third new Mercury well is the No. 11 Simpson, pumping 51 barrels of oil daily along with 46,000 CF casinghead gas. It is located two miles northwest of Romney. Bottomhole was at 1,500 feet. The production interval will be 1,122 to 1,125 feet into the wellbore.

The No. 3 J.C. Carr has

been completed in Eastland County's Lake Kleiner Field by Bruce Wilbanks of Midland. Located four miles north of Cisco, the well flowed 305,000 CF gas per day on a .375-in. choke. Absolute open flow came in at 850,000 CFD.

Wilbanks bottomed the hole at 3,986 feet. The production interval will be perforations 3,558 to 3,568 feet into the hole.

Drillsite was in a 320-acre lease in Eastland County's SPRR Survey A-465.

Flowing 457,000 CF gas per

day on a .5-in. choke, the No. 2 N.C. Gailey "A" has been brought on line in Eastland County's Allen Field, nine miles southeast of Ranger. The well received a 500,000 CFD rating on absolute open flow.

Location is in a 645-acre lease in the Copes and DeLaney Surveys, nine miles southeast of Ranger. Sun Exploration and Production Co. of Oklahoma City is the operator.

Sun took the well to total depth of 2,314 feet. It will produce from Strawn Formation perforations 1,999 to

2,060 feet into the wellbore.

Eastland County's Hawk Eye Field gained two new producers when Ridgeway Oil Exploration Inc. of Houston completed the No. 14 Tarver "A" and the No. 23 Tarver "A" one mile west of the Romney townsite.

Location is in a 120-acre lease in the H&TCRR Survey.

The No. 14 well indicated ability to pump 30 barrels of oil per day on open choke. It was drilled to 1,140-ft. bottom and will produce from perforations 1071 to 1081 feet into the wellbore. The No. 23 bottomed at 1,180 feet. It will produce 35 BOPD from 1,113 to 1,123 feet. Both production intervals are in the Adams Branch Formation.

Gupton Gas of Fort Worth has filed for permit to drill a pair of 2,700-ft. Parker County wildcats about one mile southwest of the Buckner townsite. The wells are designated as the No. 1 Addison and the No. 1 Martin. They are in a 129-acre lease in the Simon Cockrell Survey and a 176-acre lease in the Simon Cockrell Survey, respectively.

Locations has been staked for the No. 2-A Lesikar, a 4,400-ft. developmental probe in the Lesikar Field, three miles southwest of Poolville. L.W. Lesikar of Fort Worth is the operator. The operation will be in an 80-acre drilling unit in the T&PRR Survey, Parker County.

Many Good And Sincere Individuals

...give little thought to the question of values when we should measure them in terms of personal worth in everything he buys, enjoys or does. For example, some folks will buy real estate without any kind of evidence of title disregarding the fact that the principal value of the purchase is in the title, not in the land itself or the improvements thereon. This kind of thinking costs property owners thousands of dollars annually which could be saved and a part of the savings wisely spent for an abstract of title or title insurance.

# Young-Graham Exchange Vows

Glenda Beth Young and William Graham were united in marriage in the First Baptist Church in Victoria, on December 4, 1982, at 3:00 p. m. with Rev. Dr. David Slover, church pastor officiating the double ring ceremony.

The bride is the daughter of Mr. & Mrs. Charles William, Sr. of Victoria. She is the maternal granddaughter of Mrs. T. C. (Mary) Crisp of Rising Star. Paternal grandparents are Mr. & Mrs. C. O. Young, of May. The groom is the son of Mr. & Mrs. William E. Graham, Sr. of Round Rock and Mrs. Edward Miller of Hutto.

Organist, Mrs. Larry Kinghorn, of Victoria furnished the music for the occasion, consisting of "Revue," "Contabile," "Prulude in G Minor," "Oh Perfect Love," "To a Wild Rose," and "Through Cathedral," she also accompanied Rev. & Mrs. Gary Sides who sang "Friends in Love," "The Wedding Song," and "Whither Thou Goeth."

Given in marriage by her parents the bride was escorted to the alter on the arm of her father. The bride chose a formal floor length gown of ivory organza over taffetta. The fitted bodice was highlighted with a wedding band collar of chantilly lace accented

with seed pearls. The sheer bishop sleeves were embellished with motif of re-embroidered chantilly lace.

The full skirt fell from a slightly raised waist-line that was traced with lace to a flounce of organza that flowed into a chapel length train. Her Juliet caplet encrusted with pearls and crystal held her lace edge veil of silk illusion. She wore an opal pendant and gold earrings.

The brides bouquet was a cascade of large silk roses and orange blossoms, accented with mauve baby's breath and ivy, tied with ivory satin ribbon forming a soft bow and long streamers.

Susan Hufstедler attended the bride as matron of honor; maid of honor was Judy Mager. Brides maids included Judy Dunn, Donna Young and Marlene Gillespie. All the bride's attendants wore identical gowns of mauve antique crochet over luster knit of matching colors. They all carried nosegays of mauve and burgandy roses accented with baby's breath. All wore amuve and burgandy sashes.

Serving the groom as best man was Jimmy Behrens; groomsmen included, Ed Miller, Mark Almajen, Bill Young and Jay Young. All wore burgandy silk

rose bud boutonnieres. The groom wore a white tuxedo, with a white shirt with wing collar and ascot tie, with a white orchid boutonniere.

Allison Miller, neice of the groom, attended as flower girl, she carried a wicker basket of flower petals. Sammy Young, cousin of the bride, was ring bearer, he carried a hand made square pillow mauve and ivory, lavishly adorned with pett-point embroidery in the brides chosen colors.

The brides father wore a dark grey tuxedo with white tucked shirt with an ascot tie. Her grandfather wore a light grey tuxedo with white shirt and ascot tie, all the male participants wore burgandy color silk rose bud boutonnieres.

The alter was decorated with large potted white poinsettias, that formed the background for the ceremony. Two tall brass candelabras with five tall white wedding tapers on each was entwined with greenery with large white satin ribbon bows graced each side of the alter. Small green bushes lavishly marked the steps to the alter. Family pews were marked with large white satin bows. The unity candles were lit by the mother of the bride and groom.

Following the vows the bride and groom lit the solitary unity candle using the light of the candles the mothers had lighted.

Ushers were Pat Braden and Bill Trojcek, their burgandy color silk rose bud boutonniere, exactly like the other attendants.

After the ceremony, Rev. Dr. Slover dismissed the occasion by singing the "Lords Prayer."

A reception followed held in the church activity building with approximately three hundred present. The brides table was draped with Ivory Lace over mauve polyester cloth, appointments were silver and crystal. The grooms table was draped to match.

The large three tiers were separated with white Roman columns. The entire cake was decorated with white divinity and adorned with candy flowers in chosen colors, white wedding bells and a miniature bride and groom graced the top layer. The grooms table was draped to match the brides. His cake was a large sheet chocolate, iced with chocolate fudge. Napkins were white inscribed with silver, "Glenda and William."

Serving at the tables were; Mmes. James Maynard, Jack Sauer,

Mrs. William Graham nee' Glenda Beth Young

Durwood Gregory, Hulan Howell, Larry Kinghorn, Perry Baughman, Weldon Schmitt, Jim Frost, Blake Wilson, J. B

Short, John Hnatak, Emo Riddell, Kyle Hardesty, Bill Powell, Erwin Mowery and George Slawson. Guests were

registered in the white wedding book by Diana Graham and Kathy Galden.

After a short wedding trip the couple will live in Victoria.

## Baptist Men's Day Observed

Baptist Men's Day was observed Sunday, January 30th, by the Rising Star First Baptist Church.

The observance began with a breakfast for the men of the church at 8:00 a.m. Clyde Griffin, Willie Vandivere, Ron Jones, Bill Medley, Curt

Smith, Red Chamberlain and Sanford Horton prepared the breakfast and served 35 attendees.

Following the breakfast the morning worship service was conducted by the men of the church attending to the various aspects of the service. The

highlight of the service was the all men's choir singing the special music presentation of "Are You Washed In The Blood."

The Baptist men will meet for their regular monthly meeting Thursday the 3rd of February at 7:30 p.m. Danny Dowdy, the

## Improvements Announced in Corn Insurance

In opportunity to obtain higher yield guarantee, payment for replanting expenses, larger indemnities for total losses and increased protection against quality damage are among the improvements recently announced for Federal Crop Insurance policy on corn. This crop is insured in Eastland County. According to Ardell M. Kalmbach, District Director of the Federal Crop Insurance Corporation, the changes were made following extension discussions with farmers and producer organizations and become effective for policies covering 1983 crops.

One major change enables policyholders to obtain production guarantees based on 10 years of above average yields even through they may have yield records for a few as three years. Growers who produce corn to feed to their own livestock may be able to qualify with complete records for only one year. Information concerning the program, known as Individual Yield Coverage will be available from the ASCS Office in Eastland.

Starting in 1983, farmers whose insured crops are damaged or destroyed while there is still time to replant will be paid an indemnity to cover up to the full cost of replanting. In the past, replanting has been at the policyholder's own expense.

Another change in the policy for corn has the effect of significantly increasing the amount of the indemnity payment to farmers who suffer the total loss of an insured crop. Previously, indemnities were reduced to reflect the fact that policyholders who experienced a total loss had no harvesting expense. Still another improvement is the ad-

dition of a provision that permits kernel damage to be taken into account in determining the amount of loss covered by insurance. Federal Crop Insurance policies provide protection against all unavoidable causes of loss and are sold and serviced by private insurance agents who have met the requirements for FCIC Certification. According to Kalmbach, the Federal Government pay up to 30 percent of the premium cost, with the exact amount of the subsidy dependent on the level of coverage the policyholder selects. A list of local agents is available by calling 1-800-447-4700.

THURSDAY,  
FEBRUARY 3, 1983

## Recipes Worth Collecting

Our recipe this week is an original recipe by Shirley Allen. Shirley and her husband, L. E. both graduated from Rising Star High School in 1947. They returned in 1981 when L. E. retired after 34 years of service with El Paso Natural Gas Co. During all those years they lived many interesting places, but Rising Star was always "home" to them and they are very happy to be back here for good.

They have three children and five grandchildren. Wayne is owner & operator of Wayne's Pharmacy & Grocery in Roscoe, David is business manager for the MM-J&B Gin at Roscoe, and Jo Beth is bookkeeper for her husband's business, Tonne Welding Service at San Angelo.

Shirley's parents are Bill & Elza Witt of Rising Star, L. E.'s parents, Luther & Willie Allen are deceased. They have built a lovely new brick home on the Allen home place where L. E. was born and grew up. Shirley is a great cook so I know you will enjoy her recipe.

**HONEY BRAN ROLLS**  
2 Tbls. spoons dry

yeast  
½ cup very warm water  
1¼ cup warm water  
3 Tbls. sugar  
3 Tbls. honey  
1 Tbls. salt  
2 Tbls. oil  
1 ½ cup Cracklin Bran Cereal  
About 5 cups flour  
Sprinkle yeast over the very warm water in large bowl. Soften Cracklin Bran cereal in the warm water. Add to the dissolved yeast and water in the large bowl. Then add the sugar, honey, salt and oil. Add one cup of the flour and beat with mixer for about 2 minutes. Dump onto floured surface and knead the remaining flour in with your hands. Knead for about 10 min. Place dough in greased bowl, turn over to grease top of dough. Cover with plastic wrap and let rise until double in size. Punch down in bowl for about 10 min. Pinch off balls of dough about the size of walnuts. Place 2 balls in each cap of greased muffin pans. Let rise until double in sized, then bake at 400 degrees for 15 minutes.

## Rising Star Area Covered in MH/MR Home Bound Program

The Child Development Center of Central Texas Mental Health Mental Retardation Center of Brownwood has a Home Bound Program covering Brown, Coleman, Comanche, Eastland, Mills, McCulloch and San Saba Counties for children ages zero to five.

A screening is set for every three months in each of the counties. The screening which takes about 20 minutes to complete evaluates a child personal/social skills, (eating, dressing, etc.), language, (speaking, listening, following directions), fine motor skills, (ability to manipulate small objects - blocks, pencils) and large motor skills, (running, jumping).

The purpose of the screening is to identify and correct as many problems as possible for young children.

The following chart gives an idea about the developmental scale of children, ages zero to five. Use it to evaluate your child, grandchild, or neighbor. If you feel there could be a delay, please call Nancy Burnett at 915-646-9574, ext. 29 for a screen.

## FIND YOUR CHILD'S DEVELOPMENTAL AGE

INSTRUCTIONS: Read each question in your child's age group and check YES or NO. Add the total and see below.

Check one	YES	NO	QUESTIONS	TOTAL
	<input type="checkbox"/>	<input type="checkbox"/>	<b>BIRTH TO ONE YEAR OLD</b> Does your child coo and gurgle/laugh and smile? Does your child awaken at loud sounds? ## Senior Center News

After having missed the meeting at the center for a time or two, how very good it was to be back with all our good friends, last Thursday. It seemed to me the fellowship was even warmer than before.

I did attend the January birthday party on Tuesday night—one of our very best parties. Bowl after bowl of chili con carne, plus delicious soup, were dished up for everyone. Clyde and Doris Griffin were hosts and they prepared this fine repast. Side dishes of beans, salads and desserts were furnished by those in attendance. The building was warm and attractive, the food very good, and the friendship warm. A special word of appreciation is given to the Griffins for this party and for their fine work as hosts for the month of January.

A previous engagement prevented Charlie and me from going to the Starbrite performance at the Cross Plains Nursing Home on Friday night. We got all good reports from the group who did go. As always, they were received with pleasure; they certainly enjoyed their visit with some of our wonderful neighbors at Cross Plains. We gratefully acknowledge the wonderful donation made to the Band by that fine group of friends. Thank you, so very much. It is always good to know that our efforts are appreciated.

February 8th, the Starbrites will be on the road again. We have an engagement to perform for the

Brownwood Care Center. Be ready to depart on the bus at 12:45 noon, Starbrites.

Many of our friends who have been out with colds with 'flu' are back with us. For this we are grateful! I understand Annie Mae Seals has returned to her home after an extended spell of illness and a stay in a Dallas Hospital. Welcome home, Annie Mae! We love you.

We have missed Edith Bostic so very much, recently. We send best wishes to her and her family. We really look forward to the day you can be with us again, Edith. It's just not right when you are away!

That's the news for this time. Vaya con Dios, Amigos. Elizabeth.

## Rising Star Nursing Center

Darlene Harris  
- Activity Director

Monday-Bingo-Buster Rixford was calling numbers. This weeks big winner was Ada Foster winning three games out of the twelve. Second we had Martha Srby and Buster Rixford winning two and the others winning one each was, Mary Crisp, Ester Cowley, Mary Hord, Lena Eason and Mamie Wells.

Tuesday-Playing 42 was Martha Irby and Mary Crisp against Estelle Bolding and Bryant Houston. On another table playing dominoes were Mamie Wells and Lena Eason against Ada Foster and Roy Don Emfinger. Ada got tired and H. L. Gray was kind enough to play partners with Roy Don. We really want to thank him for taking his time and making someone else's time fun. Thank you so much for playing dominoes with us, Mr. Gray.

Wednesday-We made and cut out Valentines to put on the doors and hang up. The ones that helped were Mamie Wells, Estelle Bolding, Maggie Christian, Martha Irby, Mary Crisp, Ada Foster.

Thursday-We finished the valentine hearts by putting glitter and Happy Valentine on them. Then at 4:00 p.m. Dorthy Reynold came over from Baird and sang for us.

Friday-Mrs. Odom and her team from May came and held bible study.

THURSDAY,  
FEBRUARY 3, 1983

## 4-H Project Workshop Held

Twelve Rising Star 4H'ers met in the home of Mrs. Carol Goode Thursday, January 20, after school to begin their clothing projects.

The purpose of this meeting was to discover how many 4H'ers are interested in having clothing projects this year and to help them plan projects and project goals. After a snack of cheese spreads and crackers, Carol Helped the girls learn how to crochet ponytail ties. She also passed out copies of crochet abbreviations and instructions for basic crochet stitches.

Other learning experiences planned for the 4H'ers are 3 ways to sew in a zipper and making a very pretty heart-shaped pillow for Valentine.

4H'ers attending the

workshop were Kimberly Wilson, Shelly Wells, Stacey Wright, Amy West, Kim Schuab, Stephanie Long, Camille Harris, Gena Spencer, Karmen Hall, Wendi Green, Michelle Kyle and Tabitha Hutton.

A special thanks to Sandy Hutton and Belinda West for their helping hands!

## John Blair Explains Judging

The Rising Star 4H Club met Monday January 10 at 3:15 p.m. in the Ag Room. Secretary Stephanie Long called the roll and there were 25 members attending.

John Blair, assistant county extension agent spoke to the 4H'ers about opportunities for judging teams. In addition to 4H livestock

judging teams there are meat identification and judging teams, dairy judging and horse judging teams.

Mr. Blair explained how judging contests are scored and emphasized being able to give good reasons in addition to correct placings. He also gave a slide presentation on livestock judging.

It was decided Mr. Blair would return in February and coach 4H'ers on judging after the 4H meeting.

## Countywide 4-H Workshop

Measure Your Sew-How" was the theme

for the Eastland County 4H Clothing Program Tuesday, January 25, 1983. The meeting was held from 6:30 to 9 p.m. in the Eastland National Bank Community Room

Jami Long, President of the Eastland County 4H Council welcomed the 4H'ers and guests and spoke of her 4H clothing experiences.

Attending from the Rising Star 4H Club were Jami and Trudi Long, Sandy and Tabitha Hutton, Amy and Belinda West, Karmen Hall, Michelle Kyle and Stephanie and Barbara Long.

Fashion Forecast by Christy Fuqua, Seminole Patchwork by the Prairie Star

Quilt Shop and Pattern and Fabric Coordination by Sue's Fabrics were some of the demonstrations presented to the 4H'ers.

## ORDER OF

## THE EASTERN STAR

Eleven members of Rising Star Chapter 277 Order of the Eastern Star attended the District 3 Section 4 School of Instructions in Eastland, January 18, 1983. The meeting was under the planning direction of Deputy Grand Matron Eloise Zuspenn.

Rising Star Chapter #277 was represented by Grace Glenn, organist for the day school; Opal Dean served as Martha and Sue Gardner as Electa. Doris Griffin was page for Eloise Zuspenn, and solist for both the day and evening session.

During the evening session Golda Lancaster served as

secretary and Opal Dean as chaplain.

Those giving instruction during the school were Mrs. Lois Bell worthy grand matron, Doris Eford grand examiner and Mrs. Joyce Martin district deputy grand matron.

Opal Dean, Sue Gardner and Doris Griffin attended the covered dish salad supper in Ranger on Tuesday evening.

Others attending the school from the local chapter were: Doyle Lancaster, Grace Morrison, Elizabeth Robertson, Bertha Mae White, Pearl Anderson, Mary Eakins and Helen Mitchell.

# Commentary

by Myrtle Owen

What immediate effects can be observed as God is forsaken? Iniquity abounds according to Christ's prediction in Matthew 24:12. Today, Alcoholism has nine million in its deadly grip. Drug addiction enslaves another ten million or more, murder, abortion, blasphemy, bribery, graft and every conceivable sin pollute our nation. Statistics show that a large share of the population indulges in an orgy of self pampering. We are plagued with loafers, spongers, splurgers, cheaters, shoplifters and looters and including constant strife and demonstration leave our country reeling in divisiveness and in what could very well be a crisis in civilization. As frightening as all this may be, what is even more disturbing is its acceptance by what was once a responsible society. Vices that were once

intolerable are now excused away, sometimes sympathized with, and even encouraged! In this new age of "enlightenment," contemporary society ignores the laws, begins to repeal them and declares it a victory. Because of mass violations, judges are unable to enforce our laws against many of these vices. The scene of American immorality of all sorts can be found on the steps of Capitol Hill itself. Every vice is now on display in the halls of government. Members of Congress take bribes and then shift the spotlight not on themselves but on those who offer the temptation. They put immoral people on the public payroll and after the heat simmers down they run for public office again. Politics should be as honorable as any other career, yet legislators

who do not commit misdeeds demean themselves by closing their eyes to the corruption that flourishes all around them. If this wickedness continues, what can America expect? The sins that are now saturating America are the identical sins that crushed and crumbled the mighty Roman Empire. Rome as never brought to the dust by opposing armies but by debauchery and filthiness. Beware, America--YOU may soon reap what you are now sowing! If we fail to warn you our fellow Americans as to where current events may lead, God will hold us accountable. We must obey God, who said in Ezekiel 3:17-19: "Son of man, I have made the a watchman unto (thine) house--therefore hear the word at my mouth, and give the warning from me.

When I say unto the wicked, thou shalt surely die; and thou givest him not warning, nor speakest to warn the wicked from his wicked way, to

save his life; the same wicked man shall die in his iniquity; but his blood will I require at thine hand. Yet if thou warn the wicked and he turn not from his wickedness, nor from his wicked way, he shall die in his iniquity; but thou hast delivered thy soul. This is what we are attempting to do. You might say: how could judgment come to America? Through a communist takeover, remember the boastful words of Nikita Krushchev? "We will bury you," he stated. Many laughed as he banged his shoe on the United Nations' table. Today the laughing has ceased why? The fulfillment of his statement could soon become a reality! A careful look at communist activity around the world shows that its almost encirclement of the free world is in the final stages, Christians awaken! The time is short as the following news media excerpts prove: U.S. News and world reported, March 10, 1980: A MARXIST CLOUD OVER CENTRAL AMERICA: the nations of Central America-El Salvador, Guatemala, Nicaragua, Honduras and Costa Rica are falling under the shadow and this is 1983....

## H & R BLOCK FEES UNDER \$50.00

H & R Block fights inflation. Again this year, short form 1040EZ prices are starting at only \$7.50, which includes the full Block guarantee. In addition the 1040A form will be instantly processed, so you will only have one visit to H & R Block. All you will need to do is sign and mail it to get your refund.

Block has never charged on the basis of income or the size of the refund, but solely upon the return's complexity. THE AVERAGE CHARGE last year for all returns in this area was less than \$40.00.

Skilled preparers conduct personal interviews to be certain that every legal deduction to which the customer is entitled will be uncovered. Often taxpayers are short changed when they simply file the

form they received in the mail from the government.

All types of tax returns are done by H & R Block. This includes the Federal 1040A, 1040 state returns, complex corporations and foreign tax income and preparation.

H & R Block has 2 conveniently located offices to serve you. Call today, appointment available.

## IRS Introduces a New Form-1040EZ

The Internal Revenue Service had developed a new simplified tax form for single taxpayers, called Form 1040EZ. The IRS says that, as the name implies, the 1040EZ is a brief, simple-to-complete tax form.

The IRS estimates that over 20 million taxpayers will be eligible to use the new form. For example, most college students who file federal individual income tax returns will be eligible to use the 1040EZ even if they are claimed as dependents on another taxpayer's return.

To use the 1040EZ, a taxpayer must be single, claim only one personal exemption, and claim no exemption for children or other dependents. All income must come

from wages, salaries, tips, and no more than \$400 in interest. Taxable income must be less than \$50,000.

The form contains only 11 items, the IRS says, which is half the lines on the Form 1040A for 1982. The 1040EZ is divided into steps that guide the taxpayer through the form.

Most of the instructions needed to complete Form 1040EZ are on the back of the form. However, the IRS advises that this year's 1040EZ filers will need to use the 1040A instructions for the tax table and for the special worksheet used to figure the allowable deduction for charitable contributions on the new form.

The 1040EZ has been included in the 1982 Form 1040A tax package. It is also available separately at many local IRS offices and through form distribution centers in many banks and post offices.

### WORD of GOD

Those Those Who Are Backsliders

Thine own wickedness shall correct thee, and thy backslidings shall prove thee: know therefore and see that it is an evil thing and bitter, that thou hast forsaken the Lord thy God, and that my fear is not in thee, saith the Lord God of hosts.

Jeremiah 2:19

# Griffin Enters Mayoral Race

py Hands, Publishing Co., Fort Worth for the magazines: "It's Me," "Needle & Thread," and "Needlecraft."

**DORIS GRIFFIN'S POLITICAL STATEMENT IS AS FOLLOWS:**

I have been asked by a number of the citizens of Rising Star to announce for the office of mayor. I realize this is a first for Rising Star—a lady running for an office of public service. I know we have problems—this everyone is aware. I must say I have no miracle or cure-all. I don't see an over-night cure, not even within a year.

I do see and hear wonderful concerned local citizens. I see and hear people wanting a stable, secure little city—one that all of us have chosen to make our home. We all want to hear and read about the good projects and lives that are in Rising Star.

Yes, we do have financial problems. We all know this. I wish I could say all problems will disappear when you see fit to elect me to the office of mayor. I can not make that promise. I have not seen the city books, therefore, I cannot quote you numbers. I cannot promise paved roads. I cannot promise we will be out of debt quickly. I really wish I could.

What I can promise is: honesty, truthfulness and an exact accounting of what is going on in your office of your city. I plan to publish in our local paper summaries of monies coming in from each department and what money is going out of each department and for what it is spent. This will be a monthly part of my work as your mayor with the co-operation of Mrs. Ratliff, editor of The Rising Star.

Another promise will be to listen to you, the Rising Star Citizens. As a retired teacher, I will be able to be in the City Hall as much as needed. I will have the time to be on duty much of the time.

No, I cannot give you a cure-all plan for our ills, but I am willing to take the time to devote leadership and with your help attempt to make our city a lovely, wonderful place to make our homes.

As most of you know, my husband and I are active in the First Baptist Church, Order of the Eastern Star, Masonic Lodge and Senior Citizens. We are proud we chose Rising Star as our home and to have great friends and acquaintances we have made here.

I ask the help of each of you and your support is a step toward better local management.

## Army's First Atomic Weapons Guards Reunion

Thirty years after induction into the U.S. Army, the 9th Ordnance Battalion Security Guards will gather at the Ramada Inn in Irving, Tx., February 4 and 5, 1983.

The group trained at Ft. Hood, Ft. Sam Houston and Ft. Sill, before formation of the unit at Ft. Bliss, and later moving in 1954 to Pirmasens, Germany.

Atomic weapons had previously been under the U.S. Atomic Energy Commission. Gerald Davis from Cisco, Texas was a member of the 9th, during the first year of formation. Any person being associated with the group is invited to attend.

For more information call 442-3981.

## REACT

On February 12, 1983, the ambulance service will hold a bake sale for the maintenance and supplies on the ambulance. All donations are tax deductible and if you want a receipt will be given.

A total of \$86.00 was given in January. Those who contributed were: Myrtle Killion, Lida Mae Howard, Bea Kurger, Charlie Tyler and Helen Jackson. If anyone's name was left off please contact me, 643-4692, ask for Debra. We of REACT AMBULANCE SERVICE appreciate all donations because they help us help you.

# "Load & go Ambulance" a Thing of the Past

by Carolyn Wilson EMT-Paramedic

For many years the term "ambulance" has brought to mind hastily loading a critically ill or injured person into some type of vehicle and rushing off, often at dangerously high speeds to the nearest medical facility. If the victim was lucky, he survived the ordeal, although he may have suffered additional needless injury during loading and transport. This "load and go" technique not only failed to save lives that could have been saved, but also cost lives and caused complications of injuries that could have been prevented had competent, well trained personnel and a well equipped ambulance been available.

Fortunately, "load

and go" is becoming a thing of the past. This has been brought about through the development of educational programs on emergency care such as:

1. E.C.A. (Emergency Care Attendant) training - 40 hours didactic.
2. E.M.L. (Emergency Medical Technician) training-100 didactic, 20 hours clinical and 3 ambulance runs.
3. E.M.L.-P (Emergency Medical Technician-Paramedic) training-360 hours didactic, 180 hours clinical, 100 hours Mobil Intensive Care Unit (ambulance) and 24 hours rescue.

With the proper training and the use of vital life saving equipment the survival and recovery rate of patients requiring ambulance service has vastly improved over

the past few years. And with the development of new field care techniques and continued education of ambulance personnel it will continue to do so.

A 40 hour Emergency Care Attendant Class will be taught in Cross Plains beginning February 14, and continuing through March 21. Enrollment will be limited.

Anyone interested in enrolling in the course, please phone Paula Helley E.M.T.-P at 725-6242 or Carolyn Wilson E.M.T.-P at 725-6120.

# PAT MAYNARD REAL ESTATE

629-8568 EASTLAND INT. 20 E. NORTH SIDE 442-1880 CISCO

## Homes: Eastland, Ranger and Carbon

In Eastland, one of our better locations: This large 3 bedroom older home on oversized lot. 2 car detached garage, storm cellar, and lots of trees. \$38,000.

Located close to downtown, a 2 bedroom, 1 bath home with fenced yard and attached garage. Priced at only \$28,500.

Just been remodeled on inside. A 2 bedroom, 1 bath, home within walking distance to town and doctors. \$24,000.

Just like new, this very nice 3 bed, 1 1/2 bath brick home. Located near all schools. Carpeted, built-ins, central heat and air. New loan or assume old one. \$59,900.

A large 2 bed, 1 bath home that is carpeted. Large double carport and also garage. Owner will carry second or down-payment \$29,500.

Close in! A 3 bed, 2 bath older home that has been remodeled. Fully carpeted, ceiling fan, fenced bacy yard. \$29,500.

Located in Carbon! A 2 bedroom home on one acre. Just like living in the country and only \$16,000.

Magnificent can only begin to describe the den area in this 3 bedroom, 2 bath home. Excellent location. 2400 sq. ft. of living area, and many other features. \$85,000.

## Small Acreage With Homes

Located in RANGER! A 4 bedroom, 1 bath frame home on 5 acres. There is an old motel on this property that could be possibly restored. Home is in good condition with plenty of highway frontage. All this for only \$55,000.

40 acres approximately 3 miles south of Cisco with a 3 bedroom frame home. 4 tanks, city water, and mostly cleared. Tractor and equipment will stay. \$51,000.

30 acres near Cisco with I-20 frontage. A very versatile place—would be a good location for a business or home. \$45,000.

A very nice 3 bedroom, 1 1/4 bath stone and brick home on 4.38 acres. Carpeted, central heat and air, fireplace, bookshelves, screened porch, and many other extras in this 2150 sq. ft. home. \$88,500.

A 3 bedroom, 1 1/2 bath home on 2 acres. Carpeted, some paneling. Has approximately 28 pecan and 12 fruit trees. Located in Olden. \$45,000 Terms can be arranged.

A 3 bedroom, 1 bath home on 40 acres located near Gorman. Has a 24 x 40 building, plus barn and other sheds. The land is all cleared and has been in cultivation. \$53,000 and owner will carry the note.

Located near Cisco, a nice 2 or 3 bed stone home on 1.15 acres. Fully carpeted, built-ins, extra large master bedroom. Workshop, storage buildings and fruit orchard. Only \$42,500.

Located near DeLeon, 72 acres, 40 acres coastal, 2 spring fed tanks, 2 water wells, with a 3 bedroom, 2 bath, 2100 sq. ft. home. \$87,500.

3 acres is the added attraction of this 3 bedroom, 2 1/2 bath home with swimming pool and many extras. Included also is an airplane hanger and runway to airport. All this for only \$139,000.

## Commercial

rights. Not leased, but does have two old oil wells on it. Also a camping cabin included. \$98,000. Make an offer!

Looking for that special scenic hideaway? This is the spot! 53 acres near Olden with beautiful live oak trees or rolling hills overlooking a winding streambed. Owner will finance 15% down and 10% interest. Don't miss this one. Only \$53,000.

102 acres near Scranton. Barn, pens, good fences. 1/4 minerals with leasing rights. \$500 per acre.

74 acres located on highway. 2526 out of Carbon. 35 acres of cultivation and 1/4 minerals. \$53,500.

Near Lake Leon, a 20 acre tract of land. Some cultivation and good hunting area. \$30,000. Owner will finance.

62 acres near Union Center. Approximately 25 acres in cultivation. Good fences, 1/2 minerals. \$700 per acre.

52 acres located north of Eastland on Wayland highway. All in cultivation, three tanks, 2 water wells, barn and pens, and good fences.

320 acres located between Carbon and Gorman. Some cultivation, but mostly wooded. Good fences and hunting, some minerals included. \$500 per acre. Owner financed at 9% interest.

5 acres near Eastland. I-20 frontage. \$5000 per acre. Terms can be arranged.

Located south of Cisco, 50 acres with approximately 35 acres of pecan trees. Owner will consider terms. \$47,200.

248 acres on old Abilene highway out of Cisco. Good fences, mostly cleared, 1/2 minerals with leasing rights. \$530 per ac.

## Congressman Charles W. Stenholm

17th Congressional District of Texas

Washington, D. C. -- Congressman Charles Stenholm was named today to five subcommittees of the House Agriculture Committee, including the powerful Conservation, Credit and Rural Development subcommittees.

"A seat on the conservation and credit subcommittee was one of the first goals I set for the 98th Congress," Stenholm said. "I'm excited about this new assignment because so many of the most crucial problems of agriculture fall under the jurisdiction of this subcommittee."

Stenholm cited the Farmers Home Administration, the Federal Crop Insurance Corporation and the Farm Credit System as agencies which the conservation and credit subcommittee oversees. Now in his third term as a member of Congress from the 17th Congressional District, Stenholm said he would have the chance to address many of the issues which have been top concerns to his constituents in his new assignment.

The House Agriculture Committee finalized subcommittee assignments

Wednesday, January 26. Besides the conservation subcommittee, Stenholm will continue as a member of the subcommittees on Cotton, Rice and Sugar; Livestock, Dairy and Poultry; and Tobacco and Peanuts.

Stenholm said the House Agriculture Committee will deal with many important questions during the early months of the new Congress. The details of the Payment in Kind (PIK) program, the credit crunch affecting many producers, the dairy program and the need for a fairer international trade system are only some of the topics likely to occupy the 41 members of the committee.

Stenholm has also been named by Chairman Kika de la Garza to serve on an ad hoc subcommittee on grain elevator bankruptcies. The group will explore ways to protect farmers against the losses they sometimes experience when elevators declare bankruptcy and crops stored there are seized by the courts.

"There has seldom been as critical a time in agriculture as the present," Stenholm said in assessing the

committee's 1983 outlook. "Under Chairman di la Garza's leadership, it will be important to move forward boldly. Inaction is the one thing we cannot afford."

## Seeds From The Sower

Michael A. Guido

Two boys called on a dentist. One said boldly, "Got a tooth to be pulled. Don't bother about pain-killer. Just yank it out!" "Where's the tooth?" asked the dentist.

Turning to his friend, he said, "Billy, show him your tooth!"

We are brave about the pains and problems of others, but not of our own. We have always been afraid of the unknown.

If you are afraid of what is going to happen, you have a case of neophobia, the fear of something new.

If you are afraid of growing old, then you are afflicted with chronophobia, the fear of time.

If you are afraid of your new job or school, your have hypenophyobia, the fear of responsibility.

If you are afraid of death, you have thanatophobia. This fear bothers most people.

But deliverance from all these fears is found in the Lord Jesus Christ. He is 'he Lord of life and death. Hear Him as He says, 'Fear thou not; for I am with thee. Be not dismayed; for I am thy God. I will strengthen thee; yea, I will help thee.'

## Cisco Homes

An assumable 9 1/4% loan on this one! A 3 bedroom, 1 1/2 bath, brick home. Separate den, utility room and large closets.

On corner lot, a 3 bedroom, 1 1/4 bath home. Carpeted, beautiful fireplace in den. This home has 2000 sq. ft. and priced at only \$39,500.

On corner lot, a 3 bedroom, 1 1/4 bath home. Carpeted, beautiful fireplace in den. This home has 2000 sq. ft. and priced at only \$39,500.

A very attractive 2 bedroom, 1 bath home with formal dining room. Central heat and air, carpeted, some wallpaper. \$36,500.

New kitchen cabinets, in this 2 bedroom, 1 bath home. Carpeted, fireplace, dishwasher, stove. A nice place. \$32,500.

We have a very nice 4 bedroom, 3 bath brick home on 3 lots. This home has everything most anyone could ever want in a home. Call for details.

In Ranger, approximately \$1800 down, assumable 11 1/2% loan on this 2 bedroom, 1 bath carpeted home, with fruit and pecan trees. Only \$19,500 total price.

Want a new home? We have large lots available in exclusive area. City water, sewer, and paved streets. This area is restricted to brick homes only. Reasonably priced from \$4500 to \$4800.

4 lots add to the attraction of this 2 or 3 bedroom, 1 1/4 bath frame home. Beautiful garden spot with both fruit and pecan trees makes this home a good buy at \$32,500. Owner will finance.

## Farms & Ranches

Beautiful can only be used to describe this property. 70 acres on I-20 with lots of nice trees, four tanks, 1 spring fed and 1 extra large. Good fences, 1/4 minerals with leasing

# Pest Alert

## Gordon Woolam

### COUNTY EXTENSION AGENT GREENBUGS

Several aphids infest small grains. The greenbug is the major small grain pest. In most years, damaging populations develop throughout the area. However, an individual producer may not need to apply control measures for greenbugs every year. Greenbugs develop in large number under certain conditions and may cause economic losses. In some cases, entire fields of grain are lost. Greenbugs suck plant juices and inject toxins into small grain plants.

During the winter, infested fields may have yellowed spots preceding the appearance of small deadened areas. Later, greenbugs in these spots may increase and spread throughout the field. Greenbugs cause more damage when small grain crops suffer from deficient moisture during midwinter and cool spring.

The greenbug reproduces rapidly at temperatures between 55 and 95 degrees F. Its natural enemies, however, reproduce slowly when temperatures are below 65 degrees F. Thus, in cool weather the greenbug may increase to enormous numbers while its natural enemies multiply slowly. Greenbug damage may be confused with moisture stress and/or nitrogen deficiency.

The need for applying insecticide depends on the number of greenbugs present, size and vigor of plants, temperature, time of year, moisture

condition and stage of growth and presence of parasites and predators.

Treatment may be warranted when at least 100-300 greenbugs are found per linear foot when plants are 3-6 inches in height or when 300-800 greenbugs per linear foot of 6-18 inch plants are found. The appearance of dead plants caused by greenbug feeding in spots within the field may also indicate a need for treatment.

Greenbug control is more effective when temperature is above 50 degrees F. Use higher recommended rates when temperatures are below 65 degrees F. The

chemicals most commonly recommended for greenbug control are Cygon®, DeFend®, D-Syston®, Malathion or Parathion. Be sure to check label for grazing and harvesting restrictions.

The information given herein is for educational purpose only. Reference to commercial products or trade names is made with the understanding that no discrimination is intended and no endorsement by the Extension Service is intended.

For more information regarding this or other topics contact your County Extension Office.

## DeMarquis Gordon

### COUNTY EXTENSION AGENT

New methods and materials available for the control of parasites on cattle will be the topic of the third and final session of the Eastland County Beef Cattle Short Course Monday night, Feb. 7. County Agent DeMarquis Gordon urges cattlemen to attend the program which will be at the Cisco Junior College Agriculture building in Cisco. The program begins at 7:30 p.m.

Dr. Jesse Cocke, Extension Entomologist, will discuss recommended control of flies, ticks, lice, grubs and other parasites of cattle. There are several new insecticides, tags, and devices available for long lasting control which will be discussed.

The short course began Jan. 24 with a program on economics of production, and beef cattle nutrition was the topic Jan. 31. Gordon says to make plans to attend even if you did not attend the first two sessions.

Eastland County cattlemen should take note of the new regulations that encourage vaccination for brucellosis control that are now in effect in Texas. The regulations apply to cattle being shipped into Texas as

well as cattle being moved intrastate.

The two-area program for Texas has become Class B and Class C, effective January 12. The Class B area is comprised of 140 counties in the western half of the state which includes Eastland County. Class C area is composed of 114 counties in the eastern and coastal areas of Texas. These areas were previously known as the Class A control and Class B control areas, respectively.

After July 1, 1983, female breeding cattle four months of age or older must have been vaccinated before entering Texas with these exceptions: (a) Cattle from a certified free herd. (b) Cattle being shown in fair or exhibitions. (c) Cattle from commuter herds. (d) Cattle for slaughter or quarantine feedlots.

Female cattle four months of age or older born after January 1, 1983 must have been vaccinated when moving from one area to another in Texas, while those born before

that date can move within Texas without having been vaccinated.

Cattle born after January 1, 1983 changing ownership within the C area must have two negative tests at least 60 days apart unless they have been officially vaccinated. Officially vaccinated heifers of dairy breeds under 20 months and beef breeds under 24 months which have not calved and are not pregnant are exempt from test.

Non-vaccinated female cattle entering either B or C areas of Texas from a Class C state or area require two negative tests 60 days apart until July 1 of this year, after which all females will need to have been vaccinated.

Vaccination is a cornerstone of the Texas brucellosis program. Vaccination ages for heifers as official vaccines are 4 to 12 months of age for all breeds. Bulls are not vaccinated.

The vaccine is provided free to cattlemen, but must be administered by an ac-

credited veterinarian.

In 1982 only 14.4% of the eligible heifers in Eastland County were vaccinated for brucellosis. This compares to 32.5% for the state average. It will be most important to have 100% of the replacement heifers in Eastland County vaccinated in 1983. Contact your veterinarian and get information on calf hood vaccination.

damage pecans severely unless controlled this time of year.

The pests attack leaves, tender shoots, leaf stems, catkins and nutlets.

Phylloxera can be controlled with dormat oil or the insecticides, malathion or zolone.

Malathion and zolone may be applied at bud-break, about the first of April.

Phylloxera overwinter in the egg stage and can be found in protected areas on pecan tree, such as under bark and in crevices. Overwinter eggs hatch in early spring and migrate to newly developing leaves and twigs.

Have your pecan trees had little green galls on the leaves in early spring? These galls are caused by tiny, soft-bodied insects that look like aphids. They are Phylloxera and can
