## Commissioners Approve Modified Jail Contract

In a called meeting Monday Eastland County Commissioners approved a Jail contract with the cities - subject to some modifications. This Contract deals with the keeping of city prisoners in the county jail.

Officials of Cisco, Eastland, Gorman, Ranger and Rising Star had previously worked out the agreement, assisted by District Attorney Emory Walton. The District Attorney presented the Contract to the Commissioners Court. The amended version will now go back to the various cities, subject to their approval.

The Commissioners voted to omit the following statement from the Contract: "It is further agreed between the parties that the provisions of their contract shall automatically be extended for an additional period of six months beyond the regular expiration date hereof without further action of any party hereto."

There was also some change on a statement as to

how the Contract may be "modified, amended or rescinded," and the term of the Contract is set for a period from date of its execution until Sept. 30, 1990.

During the time covered by the contract the cities would pay the County \$30 per day for housing city prisoners in the County Jail. In case of illness or damage to the Jail there would be other charges.

An area of disagreement between two of the cities and the county was apparently resolved in this current contract. The wording clarifies who is to be considered a city prisoner and who a county prisoner. This item led to the rejection of several other contracts.

The contract presented to the County Commissioners Monday was the seventh such agreement to be considered. It may be the last one, if approved by the cities this week. If so, it will be the first time that local cities each had the same Jail Contract with the County.

## Officers Seize Drug Labs

By Richard Kurklin  
In what may have been the most successful 24 hour operation against illegal drugs in this area ever, the Eastland County Sheriff's Dept. seized three illegal drug labs.

Used for the illegal manufacture of methamphetamines, the three labs have a street value of \$2 million dollars, according to Eastland County Sheriff Dee Hogan. Some individual glass items in the labs are said to sell for \$2,500 each, and are intricately made. And just one jar of the chemicals used may sell for \$175.

At an earlier "war on drugs" meeting at the Courthouse, Sheriff Hogan has made it public that he was aware of large scale illegal drug production in the area. According to Hogan, some of the illegal drugs were being sold locally while the bulk of the local production was going to Ft. Worth.

Initially the drug labs were spotted and their purpose detected by deputies who were patrolling the area, watching for illegal hunting. They were located in mobile homes with the windows usually boarded up or blacked out to hide what was inside. The mobile homes were located on ranch land west of Ranger and the land is heavily wooded with cedar trees, which limit visibility and make activities there hard to spot or observe. While oil production personnel drive roads on the ranch land to check and service wells, ranch owners often live away from the area and are unaware of trespassing on their property.

Sheriff Hogan says that the labs move frequently in an attempt to avoid detection, and that two of the labs were believed to have been cooking off hundreds of thousands of dollars of illegal drugs and that they had just recently relocated there. The third lab was brand new and had yet to be unpacked.

The three labs together would be capable of cooking off weekly batches of illegal methamphetamines with a street value of a half-million dollars each, according to Sheriff Hogan.

After the proper legal procedures were followed, allowing the Sheriff's Dept. to search and seize the illegal labs, a call went out to area law enforcement agencies, asking for any officers they could spare at the time. With \$2 million in equipment staked out, officers wanted to guard against any possible effort by organized crime personnel to take the labs away from officers, possibly with automatic weapons. Plenty of armed officers at the scene tends to discourage any acts of desperation by

drug people which could result in someone being killed.

Many people involved in the production and distribution of illegal drugs are addicts themselves, officers report, and some express a belief that if they can be admitted to a drug treatment facility and are able to "get off" drugs, they can be rehabilitated into useful, law-abiding citizens. They point out that methamphetamines are extremely addictive and that addicts will do most anything to get the drugs.

On the other hand it seems that only stiff and sure punishment is enough to offset the huge profits that can be made by those who insist on continuing to sell illegal drugs to the children and business people of Eastland County and America, making addicts of them.

Three officers from the Ranger Police Dept. and three officers from the Cisco Police Dept. responded to the Sheriff's call for help, help-

ing to guard the scene until officers were able to transport the drug labs to the county jail.

one lab was raided in the area Wednesday night and the other two labs were raided on Thursday.

Lab operators were not at the scene when the labs were raided and seized, but Sheriff Dee Hogan says that their identity is known and that arrests may be made in a matter of time. He also says that the local labs are believed to be a part of a large scale drug syndicate which is supplying drugs to the Metroplex.

"We have hurt their pocketbook with this \$2 million dollar seizure and we plan to keep up the pressure until the illegal drug people decide that it is too dangerous and costly to operate in Eastland County," says Sheriff Hogan. After all, 80 to 90 percent of the crime in the county results from illegal drug, officers continually report.

## Ball Games Provide Activity for 134 Kids

One hundred thirty-four kids participated in the 1989 Rising Star Sportsman Club baseball season.

Building from our start-up program last year, we had four T-Ball teams, two girls softball teams and four hard ball teams. Our first game was played on Tuesday, May 2, and after a few rained out nights, we completed play on Friday, June 9.

Trophies were handed out the final night and ALL-STARs were named to the girls softball and two ALL-STAR teams from the handball division. These are named in the pictures which appear in the paper.

Our concession stand was headed by Peggy Agnew. She was assisted by Pam Thompson, Pam Cook, Brenda Williams, Sandi Wright, Lynda Ford and Shelly Bailey. Thanks to Aline Morris for announcing games and Cindy Wood for keeping the books. They were assisted several nights by Lynda Ford and Betty Westerman.

Gayla Headrick was in charge of T-shirts, caps and trophies and did an excellent job tracking down the best quality at the best price.

The grounds committee was headed by Johnny Cook and assisted by the other coaches and parents. The finance committee was composed of Stella Ware and Evelyn Donham.

Without the help of our umpires, Earl Wright and Stacey Wright, things would never have gotten off the ground or run as smoothly as clock-work. Also called on were Ricky Bailey, Don Horton, Don Longoria and Charlie Moore.

We would like to thank all parents, grandparents, friends and neighbors who supported the kids throughout the season by getting them to practices and games on time and also volunteering wherever needed.

As always, the individuals and businesses of Rising Star were a tremendous help with their cash donations and support in numerous other ways. We would especially like to thank the following: Kenneth Bibb for donating ice all season, the City for keeping the park mowed, L.T. Owen for gravel, D & T Building Sup-

plies for material to mark off the field and Matthew Harmon for fixing our bleachers and playground equipment for the kids. Also Donette Nall for syrup for snow cones and all the other little things she did to make the concession stand run smoothly. And last but not least—Allen Morris, who was our handyman helping out wherever needed.

Cash donations were received from Winfrey Feed & Peanut Co., Rising Star Chamber of Commerce & Agriculture, H.L. Killion, N.L. Leonard, Fred Cooper, Palace Drug Store, Vicars Machine & Mfg. Inc., Pioneer Farmer's Cooperative, Mike's Fina, and Cooper Texaco.

To close out the season, the players and coaches were treated to a skating party at Heartland Mall Skateway in Early.

Thanks again to all the players, coaches, parents, grandparents, aunts and uncles and friends who made this a very successful year. We are looking forward to adding more teams next year and are hoping to start a Pony League program.

## Man Faces Million Dollar Bond After Crime Spree

A crime spree which started in the early hours Tuesday morning kept Eastland police officers, sheriff's officers, D.P. S. officers at least one Cisco police officer and even an airplane, busy searching for a suspect.

Later Tuesday morning the manhunt resulted in Antonio Vargos being arrested and arraigned before 91st District Court Judge Jim Wright. His bond was set at \$200,000 on each of five counts of burglary of a building and aggravated assault, for a bond total of one million dollars.

An employee who was sleeping in a room at Gaeta's Gulf Station first alerted officers with a call at 3:20 a.m. He was awakened when a man with a metal pipe broke a window near his head and reached into the building to take a stereo, Ramona's Cafe and the Quickway Grocery, also located near the station on the north side of I-20 at Hwy. 6 south of Eastland, were also burglarized.

Reported to be running east from the grocery, officers started searching for the suspect, and they found the discarded money bag from the grocery.

A man fitting the description tried to enter a building at the Chaney Gas Co. on the south side of Eastland.

The search intensified after officers learned that a man had entered an Eastland southside home, and had assaulted and robbed the lady in the home before leaving. An officer found a metal pipe, believed to be the one the

suspect was seen carrying earlier, at the home where the assault took place.

When Vargos was arrested, Sheriff Dee Hogan said that he had a shirt in his possession, and that Quickway personnel identified it as one missing from the store. He was wearing shorts and no shirt at the time. He was arrested southeast of Eastland.

A slender but athletic looking young man of Spanish ancestry, Vargos had long hair reaching below his shoulders. He was believed to be the man seen at Tiner's Truck Terminal earlier, talking with another man about going to Mexico. The other man, in a car, was located alone by officers, who said that he had been drinking.

Vargos is in the Eastland County jail and the investigation continues.

## 4-Person Scramble at Lakewood

Lakewood Golf Course, located midway between Rising Star and Cross Plains, will hold a four-person scramble July 22 and 23. Tee-off times are 8:30 a.m. and 1:30 p.m. both Saturday and Sunday.

Entry fee will be \$200 per team and the deadline for entry is Friday, July 21. To enter call (817) 643-7792, or 643-1676 after 5:00 p.m.

Cash prizes will be given. Also, contests will be held for the longest drive and the closest to the pin.

A meal will be served Saturday evening at 7:00 p.m.

**REWARDED FOR EMBLEM**—Daniel E. Wooldridge, left, of Eastland is presented a \$100.00 U.S. Savings Bond by Richard Proctor of Citizens State Bank of Gorman as grand prize for having submitted the winning emblem for Eastland County Crime Stoppers. The bank donated the bond and the winning entry will be adopted with modifications as the official emblem of the new county-wide effort to cut down on crime. Also shown are Crime Stoppers Secretary Cathy Kanady, left, and President Rena May Kirk. There were a total of 11 entries in the contest from throughout the county, and interest and work in the Crime-Stoppers effort is gaining momentum. A special telephone number (629-TIPS) has been established to which citizens can call information and remain anonymous, and a reward program for tips is being established and will be announced soon. The county-wide organization is accepting contributions to help with its program and will be staging fund-raising events through the year to help in the over-all fight against illegal drugs and crime.

## Areawide Fire Meeting

An areawide meeting of the Rising Star Rural Fire Department will be held Friday, July 28, at 8 p.m. at the school gym.

Two members will be elected to serve on the Board of Directors.

## Commissioners Visit Rising Star

At the end of the Called Meeting Monday Eastland County Commissioners drove to Rising Star to sample some good cooking and look over possible new offices for Justice of the Peace "Tex" Evans and Constable Gene Hicks.

The need for these new offices was outlined in Com-

missioners Court recently, when Evans told the Commissioners that present offices were "in an old hull of a building, with rats as big as cats, snakes . . . and water a foot deep when it rains."

The Commissioners agreed that a change in location was in order, therefore the trip to look over another site.

## Infant's Illness Puts Family in Need

Tony Justice, infant son of Butch and Pamela Justice of Rising Star, is four months old and weighs only 10 pounds. The newest member of the Justice family has an inability to retain food on his stomach and his parents have been advised that if he doesn't gain weight soon, surgery will be necessary.

Little Tony is in Children's Hospital in Fort Worth undergoing tests to determine the extent of his problem. Doctors have already informed the Justices that he will need medication the rest of his life. Tony is expected to remain in the hospital for the next five or six weeks.

The baby had been hospitalized in Odessa for a short time and seemed to be gaining before his family moved to Rising Star where Butch had lived from time to time during his childhood. Tony has two sisters, Terry is four and Pam is two years

old. Butch Justice had been self employed, doing mechanic work, hay hauling and other jobs, which had slacked off and was looking for full time employment when it became necessary to take Tony to the hospital in Fort Worth. The lack of work and medical expenses have depleted the family's resources.

The children's grandmother, Judy Justice Uselton, works a night shift and is helping look after the two little girls in the daytime. Mrs. Uselton is seeking public assistance for the Justices, who have run out of funds and don't know which way to turn.

## LIBRARY HOURS

The summer hours for the Library are from 9:00 to 11:00 a.m. every Thursday. New books arrive regularly.

## Thanks for Helping With the Picnic

The Board of Director of the Rising Star Chamber of Commerce & Agriculture appreciates the help given to make the July Fourth picnic such a success.

Every year L.T. Owen, Eastland County Commissioner of Precinct 3, has seen to it that the bleachers are moved from wherever they were to the picnic site, then removed to where they are needed next. This year he saw to this big job again and also provided a trailer for the use of the judges and emcee at the parade and ran errands that helped with the production of the parade.

Also helping with the parade were emcee, the Rev. Darrell Dossey; judges, Ann Murdoch, Win-

nie Armstrong and Shannon Dudley; and list maker and errand runner, Donnett Nall. Rising Star ISD provided the public address system, Kenny Rutledge provided the electricity and Johnny Owen helped unhitch and hitch the trailer. The other directors join parade chairman Gene Hicks in expressing thanks for all the help with the parade to all who entered.

Grounds committee chairman Frank Agnew and the other directors are grateful for the help in erecting the tent, table shade and entertainers platform, moving the tables and chairs and putting all those items back where they belong afterwards. In addition to L.T. and the crew

## Grant and Training Helpful Against Crime

Two advances have been made in Eastland County in the "war on crime" this past week in addition to the usual arrests and drug raids.

A grant has been approved for the Eastland County Crimestoppers, and the local organization should receive the money in about two weeks. A Crimestoppers telephone number, 629-TIPS, is already in use.

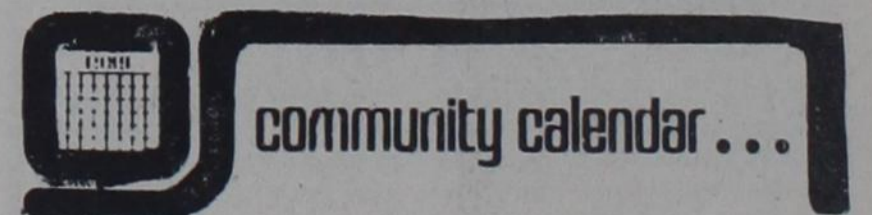

There will also be a school

for crimestopper board members in Corpus Christi, and members can be reimbursed for this expense.

The other achievement is that four local officers have graduated from Basic Fingerprint School.

Clay Ladd of the Ranger Police, Don Walls of the Eastland Police, and Sheriff's Deputies Don Griffith and Kathy Trout graduated from the latent print school.

# And A Cast Of Thousands

by Jackie Kincheloe

\* If you were to happen upon a rehearsal for the upcoming Hilton Dinner Theatre's production of OLIVER, you might think there were a cast of thousands. In actuality about 30 people complete the cast alone, half of this number being children. OLIVER will be one of the most spectacular shows produced to date. Most of the songs involve dancing or some sort of activity that requires choreography and staging. Though the

set has not been assembled yet due to the current play in progress, there are to be a pair of "revolves" that will be stair-stepped, creating various levels on the stage. These "revolves" will do just that - rotate to create the different sets. If it sounds fairly hi-tech, it is.

Dr. Tom Soare from Sam Houston State shares his skills as he directs this lavish undertaking. He is assisted by Dan Huff, Scott Taylor re-

veals the extent of his genius as musical director and will be providing the music during the show. By the way, Dan Huff will be helping out on the drums, you will see some new faces in OLIVER. Doug Bromley will be Bill Sikes. For those of you who know Doug, you won't want to miss him portraying this villainous character. Darise Erroras Nancy creates a saucy wench who will capture your sympathy. Dalin Error(yes

folks, it's a brother-sister team) brings the sneaky, shady, lecherous and all-together lovable Fagin to life. Zach Thomas is a natural as the young Oliver and will steal your heart while the Artful Dodger steals your pocket! Lillian Lewis is the sticky-fingered waif who befriends Oliver. These are but a few of the talented people involved. Make plans now to attend the PRODUCTION OF THE SUMMER. For information and reservations call 442-2589. OLIVER runs from August 4th through the 12th. You WON'T want to miss this one.

# More Wins For The Weeks Family

If you need some good news these days, consider this up-date from the fiddle-playing Robert D. Weeks family.

The last report told of Bob's win of Second Place at the National Fiddler's Championship Contest in Weiser, Idaho June 19-24.

Since then Bob has attended five other Contests, and has won every one of them in the Senior Division.

His boys, Robert Jr. (age 12) and Brandy (9) have entered four Contests and have won a number of top places. Daughter Rebecca (age 6) won a place at Gallup, New Mexico.

This Gallup Competition - the North American Championship - was held June 30 -

July 1. Robert D. Sr. competed with 15 fiddlers in his Division. He played two rounds with a total of six tunes to win the top place. Robert D. feels he edged to the front with "Kelly Waltz", which especially pleased the judges.

At Gallup Robert Jr. won First in the 10-18 Division, and Brandy Second in the age 6-10 yrs. Rebecca won Fourth in the Age 6 down.

Guitar players with the Weeks at Gallup were Mike Henderson of Big Spring and "Wild Bill" Lyles of Gatesville.

On July 4 at Stamford Robert D. Sr. won First in the Old Time Fiddler's Contest. Chester Derrick was awarded Second and Bonnie Workman

Third in the same Contest. The Weeks boys entertained the crowd, but there was no Contest for their age.

On the next weekend the family was in Parker County at the Peach Festival in Weatherford. Robert D. Sr. won First, with Robert Jr. First and Brandy Second in the ages 12 down.

The following day, Sunday, July 9 found the Weeks in Lampassas at the Spring-Ho Festival. Robert D. Sr. received First there, with Robert Jr. First and Brandy Fourth in the ages 15 down.

Now came another big contest - at the Town Center Robert D. Sr. won First in Fort Worth on July 14-15. Some may remember that one year ago Robert D. Sr. had a serious heart attack during this Contest. Not before he had won First in it and entertained the crowd a bit, however.

He was feeling so great this year that he was determined to go back to that spot and win First again. Reports are that his wife Bonnie wasn't quite as interested in his going back there, but everything worked out fine. Bob Sr. won First in this Division, and Brandy First in ages 9 down. Robert Jr. won Fourth in ages 9-18.

Bob says one of the best parts of the Contest this year was that he felt so well. Last year he felt so bad during the competition that he doesn't even remember what he played and he sure doesn't remember coming off that

## Denton - Maple Family Reunion

The annual Denton and Maple family reunion will be held Saturday and Sunday, July 22-23, at LaMancha Ranch, Lake Leon.

high stage after the performance.

It was nice this year to greet some of the folks who helped him at Town Center Mall, and let them know that things can turn out all right. This good feeling should carry through a bunch of other Contests - and there are some more big ones ahead this summer.

# Ranger Junior Rodeo To Be Held July 20 - 22

Defensive Driving Instructor

**Safe Driving Tips from Rhonda**  
To defend yourself from the high beam of oncoming vehicles, avoid looking directly into their lights by looking across the hood of your vehicle, slightly to the right, toward the white line on the side of the road. Signal to the oncoming driver to use his low beams. If he doesn't respond, be wary, he may be intoxicated or asleep at the wheel.

## Claborn Reunion

The Claborn family held its 37th reunion on Saturday and Sunday, July 8-9, at Lake Cisco Christian Camp.

Norman Claborn of Rising Star presented the message at the church service on Sunday morning with Don Claborn of Rising Star as the song leader.

Among those attending were Brad and Stella Carroll, Canyon; Charles and Kathy Carroll, Tolar; Pearl Claborn, Kilgore; C.D. and Lois Claborn, Lufkin; Bob and Lois Claborn, Hobbs, N.M.; Billy and Betty Claborn, Eastland; Wade Claborn, Tomball; Richard, Pam and Dani Shine, Car-

rollton; Danny, Annette and Tommy Claborn, Cisco; Don, Joe Marie and Andy Baker, Christoval; R.J., Barbara Dodson and Ashley, Longview; and Mitch, Cynthia and Megan Mitchell, Eastland.

Those attending from Rising Star were Mutt and LaVerne Carroll, Murlene Somerford, C.A. Claborn, Herman and Jimmie Claborn, Opal Hill, Norman and Lolene Claborn, Weldon and Arla Hill, James, Pam and Weldon Thompson, Steve and Shelly Hill and Don, Linda, Maci and Lance Claborn.

## White Reunion

Seventy-one descendants of Ephraim Mack and Sarah Matilda White met Father's Day weekend for the annual family reunion at Byrds Store on Pecan Bayou, Lake Brownwood.

Mack and Pansy White, their daughter, Peggy Hopper, and their son, Roy, furnished, cooked and served fresh catfish and crappie Saturday night. Underwood's restaurant catered bar-b-q and chicken fried steaks Sunday.

With some members arriving early Friday, there was more time for visiting, fishing, boating, domino games and picture taking. After the business meeting Sunday morning a white elephant auction was conducted by Roy White, president. The money raised was to be used for updating our family history book.

Loneta "Bid" Hamlett had the honor of being the oldest member present and Christina Smith, eight and a half months old, was the youngest. The Roy White family from Indian Rocks Beach, Fla. traveled the farthest and received a prize.

Present were Peggy, Brenda and Traci Hopper of Byrds Store; Patrick White, Clearwater, Fla.; Marshall and Clois Harrison, San Angelo; C.M. Forgy, Mt. Vernon; Ron and Faye Vaughn, Eastland; Andy and Ruth Anderson; San Angelo; Ron Anderson,

Plano; Leatrice, Jeremy and Justin White, Lake Brownwood; Roy, Troy and Susan White, Indian Rocks Beach, Fla.; Wayne and Lena Dell Gage, Cisco; Burnet and Oleta Porter, Fort Worth; Ronda, Rachel and Christina Smith, Fort Worth; Billie McBee, Brownwood; Brandy, Ricky and Chris White, Brownwood; Edith, Amy and Clint Snow, New Braunfels; Betty Moore, Fort Worth; David, Andrea, Becky, Christy and Josh Moore, Brownwood; Goldene Ware, Judy Ware and Terry Ware, all of Rising Star; Carl White, Corpus Christi; Cline and Freda Ware, Dallas; Lee Roy and Ruby White, Granbury; Loneta "Bid" Hamlett, Dallas; Beverly Hamlett Perry, Oklahoma City, Okla.; Gaines and Carlidine Garland, McAllen; Nadine White, Baird; Jaymie, Holly, Debo and Jason Langon, Del City, Okla.; Charles and Sue Harrison, San Angelo; Amber Forgy and Goldie West, Mt. Vernon; Gary, Connie and Matt Forbes, Azle; Rene Hopper, Abilene; Andy and Darla Ezzell, Fort Worth; Dedria Emert, VonDene Willett and Darwin Bostick, all of Rising Star; and Ben Ferguson of Lake Brownwood.

It was voted to keep the same officers and the same time and place for the reunion in 1990.

## Sheriff's Dept. News

The new Crime Stoppers telephone number, 629-TIPS, is scheduled to be put into service Monday according to Bell Telephone personnel.

A shop on the Cooper farm two and a half miles east of the Union Center store between Cisco and Rising Star was burglarized the night of July 3 and 4. Someone entered by a hole in the south door and unlocked the north door, taking several items in a pickup. Included were a 1/2 in. set of drive sockets and ratchets, 5 end wrenches (15/16-3/4), one half in. drive ratchet and extension, two tackle boxes with fishing tackle, a Garcia 1500 reel, and a Stevens 20 ga. double barrel shotgun, which was rusty and had a repaired stock. Deputy Don Griffith is investigating.

Deputy Griffith was also the one who figured out who took the money jar from the Carbon Farm Store.

A three wheeler which the Sheriff's Dept. recovered was picked up by the Comanche County Sheriff's Dept. to be returned to its owner.

Officers were pursuing possession of stolen property charges, and were investigating the theft of some stolen items.

A report was received and a deputy found a man and woman arguing by the side of Hwy. 80, 3 miles west of Eastland. They were told to break it up.

Some civil papers were served.

The Sheriff's Dept. put on programs with displays for three senior citizen groups, enabling them to be more aware of any crime or drug problems around them.

A prisoner was brought to Eastland from Odessa and returned to Odessa by a dep-

uty. It was the second time the prisoner had made the round trip for a local court appearance.

A man and a woman, both from New York, are being held in the county jail under \$100,000 bonds each. They were arrested in May for possession of 50 lbs. of marijuana and officers say they belong to an international drug ring.

Sheriff Dee Hogan has been making efforts to reduce the medical costs of prisoners which are billed to the county or cities. By avoiding unnecessary costs, the county medical bill for prisoners has been reduced from \$12,000 for the last three months before Sheriff Hogan took office to a total of \$300 for the first six months of his terms. That total includes \$120 in medical costs for one prisoner, and includes items such as aspirin and women's needs.

Sheriff Hogan also came to agreement with the county police chiefs on a new jail contract between the county and the cities. But it must be approved by Commissioners or councilmen from the cities and the county.

Thursday night the Eastland County Sheriff's Dept. seized an illegal drug lab in a rural location west of Ranger. A patrol checking for illegal hunting in the area enabled officers to locate the drug lab, and surveillance was also used. Sheriff Dee Hogan stated, "we know the identity of the owner of the illegal lab and of the people working with the owner in the production of illegal drugs and their distribution, and it is just a matter of time until they end up in the Eastland County Jail."

## RSISD Communicator

by Dr. Donald E. Bryan

The 1989 graduation exercise will be remembered as being enjoyable and unique. The cool breeze, well manicured football field and very beautifully decorated platform set the stage for recognizing the accomplishments of the 15 graduating seniors.

One highlight worthy of mentioning was the \$4,400 from Rising Star ISD patrons awarded as scholarships to Howard Lawrence, Maxine Perales, Shawnah Harmon, Stacey Wright, Stephanie Long and Troy Willis. Sponsors of these scholarships, including Mary Clark, Rising Star Alumni, Helping Hand Organization, an anonymous contributor and the Saturday Club, are all to be highly commended for contributions making possible these scholarships: John D. "Skeet" Clark, Helping Hand and Anonymous and Meredith Hamblen, Mary Claborn and Horace Geye Memorials.

The 1989 Texas Educational Assessment of Minimum Skills (TEAMS) given here showed improvement over 1988 scores at the third, fifth and 11th grade levels, remained about the same at the seventh grade level and decreased in percent mastery at the ninth grade level. We are especially proud of the 36 percent improvement in Reading and 30 percent improvement in

Writing at the the third grade level as compared to the 1988 scores.

In mapping out the instructional program for the 1989-90 school year, greater mastery in writing skills will be emphasized at the seventh and ninth grade levels.

Overall, RSISD students and teacher made great strides in scoring well above state averages in grades one, three, five, seven (except in Writing) and eleven. I think the principals and teachers have worked really hard to strengthen areas of weaknesses identified in the 1988 TEAMS scores.

In a previous Communicator I mention that tests have their place. However, we should be careful not to misinterpret test scores and not use test scores as the sole gauge of the district's effectiveness. Philosophically we believe that every child can learn, but at the same time we realize that our children can attain the maximum of their individual abilities through a cooperative effort between the school, home and patrons of RSISD.

As the next school year approaches feel welcome to visit your children or grandchildren's teachers and administrators. Your input for helping RSISD become more successful is always welcome.

## WARNING: Heed Hazards Of Heat

Summer traditionally is a time for fun in the sun. The Texas Medical Association warns that hot, humid weather may pose severe health problems, ranging from the less serious heat fatigue or heat exhaustion to the potentially fatal heat stroke.

To avoid heat-related illness, drink plenty of water and juices, bathe or shower frequently with cool water and use fans and air conditioners liberally. When outside wear lightweight, light colored, loose fitting clothing; cotton is best. Avoid vigorous activity during the hottest part of the day, noon to 4 p.m., and wear a hat or use an umbrella when in the sun.

In hot weather or during strenuous exercise the body cools itself through perspiration. Cooling occurs when perspiration evaporates from the skin. However, when challenged by long periods of intense heat, the body may lose its ability to cool. Hyperthermia is the result. Poor ventilation, improper clothing and the lack of fluids can contribute to this.

Heat fatigue, the least serious of heat-related illnesses, causes weakness. Symptoms include cool, moist skin and a weakened pulse. The person may feel faint or dizzy. Mild hyperthermia can cause heat cramps - muscle spasms in the abdomen, arms or legs after strenuous activity. With both heat stress and heat cramps, body temperature usually remains normal.

Heat exhaustion, caused by the body's loss of water and salt, is a more serious warning that the body is overheating. Symptoms include thirst, giddiness, weakness, profuse sweating,

loss of coordination and appetite, and nausea. Body temperature often is elevated but usually no higher than 101 degrees.

Heat fatigue, cramps and heat exhaustion may be treated in several ways. Victims should lie down in a cool place, preferably air conditioned, and drink water or fruit and vegetable juices. Alcohol and caffeine should be avoided. Victims also should shower, bathe or sponge off with cool water. If left untreated, heat exhaustion can progress to heat stroke.

Heat stroke can be life threatening and immediate medical attention is required. Heat stroke usually is preceded by headache, dizziness, nausea, confusion and even convulsions. The victim may be flushed, but may not be perspiring. The pulse generally is strong and rapid and the body temperature may reach 104 degrees Fahrenheit and keep rising. The person may lose consciousness. In this situation, keep the victim cool but do not attempt to render aid. expert emergency attention is required for suspected heat stroke.

Prevent serious heat-related illnesses by making sure the proper precautions are taken. With sound judgment and an ounce of prevention, the summer can remain a time of fun and leisure for everyone.

## Senior Center News

Martha went to Brownwood Sunday and spent the day. She visited an aunt she hadn't seen in several years. She was Martha's teacher in grade school before becoming her aunt. Martha and Minnie Bishop went to Blanket to clean their family cemetery, then visited nieces and families.

Charlie and Elizabeth Chamberlain had the following visitors recently, their daughter Betty Zigler from Fresno, Ca. and two great granddaughters, Christine and Junea Miller from California. The Chamberlains also have a new great-granddaughter, Wendy Autumn Chamberlain, born in the state of Washington.

Berna Lee Chick spent five days in Stephenville keeping her granddaughter, Jerrilee Ann Hubble, while Paula was in Austin studying advanced computer courses. Paula left her job at the Tribune after 10 years and will begin a new job at the college.

Edith Bostick went to Brownwood Monday to check with her doctor regarding some medical tests made last week.

Vernon Jaggers is home after recent surgery. The Jaggers family is missed by the club members.

Marjorie West has an eye examination appointment Wednesday at Brownwood. She will have eye surgery soon.

Sally Hutchinson will have surgery at Humana Hospital in Abilene Wednesday. The senior citizens hope for her a speedy recovery.

Cliffogone Witt went to Brownwood Monday for an eye checkup.

The birthday luncheon for those who have birthdays in July will be at noon, July 27. Everyone plan to attend. Our club hostesses for the party will be our July hostesses, Evelyn Ward, Berna Lee Chick and Edith Bostick.

I would like to thank those who volunteer to help tidy up the building after each meeting: You are appreciated very much. There is a lot to do to keep everything in neat order.

Burt and Ann Mize from De Leon were our visitors Monday.

C.A. Claborn is a patient in the Brownwood hospital. We hope for him a speedy recovery.

## Social Security News

### HELPING THE DISABLED WORK

A recent report by the Disability Advisory Council recommended that Social Security put more emphasis on helping disabled beneficiaries return to work.

We do not believe that the disability and supplemental security income (SSI) programs for people who are disabled and blind should function as programs of premature retirement or tickets out of the workforce, the advisory group stated.

The council was appointed by Dr. Otis R. Bowen, Secretary of Health and Human Services in July 1986. Its report contains more than 50 recommendations.

The council stated that the work incentives now in the law should be marketed and beneficiaries should be informed as to how they work.

The council understands that the fear of losing benefits may be a key concern among beneficiaries and believes that this fear is in part attributable to a lack of understanding of how entitlement to benefits are protected under current law despite regular and substantial earnings. The council believes that SSA can best approach this problem by improving public information and, where possible, clarifying the rules and regulations.

These work incentives provisions have been a part of the disability program since 1980, although some provisions - the trial work period and vocational rehabilitation assistance - date back even further. In general, they are designed to make it possible for a disabled beneficiary to attempt work-

ing while continuing to receive cash benefits and Medicare or Medicaid coverage until he or she can work on a regular basis.

A person gets up to nine months of trial work, not necessarily consecutive, in which he or she can have unlimited earnings without affecting Social Security benefits. After that an extended 36-month entitlement period is available during which benefits may be paid for any month the person does not perform substantial gainful activity. Medicare coverage is available for at least 39 months after the trial work period.

There are other rules applying strictly to the SSI program. It would be a good idea to call your Social Security office and order the booklet, "Benefits for Disabled People Who Return to Work." If you live outside of Abilene, call toll free 1-800-234-5772.

## Night Courses at TSU Expanded

An expanded program in night courses for the fall 1989 semester has been announced at Tarleton State University. The schedule includes 63 undergraduate offerings and 36 graduate courses, representing a 46 percent increase in the evening schedule.

According to University officials, there has been an increased demand in night courses since many more students are working full-time and going to school part-time. The evening courses better fit their schedules and the wide variety of subject offerings make it easier for them to complete degree programs.

Included in the graduate courses are classes in accounting, finance, farm and ranch management, plant physiology, computer information, and educational program in public school law, foundations of reading, administration of elementary and secondary schools and school and community relations. Other graduate level courses are offered in research, market-

ing, mathematics and social sciences.

The undergraduate curriculum touches on just about every area of Tarleton's academic program. Included are accounting courses, agriculture courses, a variety of computer classes, education and psychology offerings, physical education classes, mathematics and physics courses, history and social work programs.

Registration for the evening courses is Wednesday, August 23 from 6:30 to 8 p.m. in the Clyde H. Wells Fine Arts Center; however, all students must have previously been accepted for admission to the University before they can enroll. The evening courses begin the week of Monday, August 28.

More information on gaining admission to the University or on enrolling in the evening program is available by contacting the University's Registrar or Dean of Admissions at 817-968-9121 or 817-968-9125.

## Literacy Training Set

Laubach Literacy training for tutors will be offered in Stephenville on Friday, July 21, and Saturday, July 22. The workshop will be held at Riverside Baptist Church, 801 Glen Rose Road, Stephenville. Sessions will be Friday, 6-9 p.m. and Saturday, 8:30 a.m. - 5 p.m. Attendance on both days is required to be certified as a Laubach Literacy Tutor. The workshop fee

is \$25. Literacy tutors teach English-speaking adults to read and write. The Laubach program is one of the most widely used. It is used locally in the Eastland Literacy Project at the Centennial Memorial Library in Eastland. To sign up for the workshop in Stephenville, contact the Stephenville Public Library, 120 N. Columbia, Stephenville, or call 817-965-5665 by Wednesday, July 19.

## Tour Open to Blackland Producers

An annual summer tour for farmers and ranchers in Central and North Central Texas will take off on August 15 for the El Paso, Ruidoso and Las Cruces areas of West Texas and New Mexico.

The three-day, two-night trip is organized by Blackland Income Growth (BIG) program and Texas Agricultural Extension Service.

Tour stops include several successful production and processing operations in agriculture and horticulture. One highlight will be the innovative water conservation and crop production systems at the Texas A&M University Agricultural Research and Extension Center in El Paso.

And there will be time to see the White Sands National Monument and to go to the races at Ruidoso Downs.

Air travel for the tour is available from Dallas-Fort Worth and Austin. The tour is open to the first 90 paid registrants.

An itinerary and registration forms are available from county Extension offices in the Blacklands area. The tour costs \$295 which covers air travel, bus fare, lodging and four meals.

The annual Cisco Junior College "Drive-In Band Camp" will be held in the Fine Arts building during the first full week in August. Classes to be offered during the camp are as follows: Rhythm, Theory, Section Rehearsals, Band Rehearsals; along with some recreation each day. A stage band class will be offered if enough students are interested.

The drive-in camp is open to any student with at least one year band experience, and any student through the 12th grade is welcome to attend, whether their band director is on the staff or not.

Classes will begin at 9:00 a.m. each day, and will conclude at 3:45 p.m. Lunch will be furnished at the college cafeteria, and the camp will

conclude with a swimming party and cook-out at the city park on Friday, August 4th.

A fee of only \$40.00 per student will be charged for the camp, and this will include all activities and meals.

Instructors for the camp will be area band directors, and Tim Jones, C.J.C. band director, will also instruct and be in charge of the camp.

The purpose of the "Drive-In Band Camp" is to help students get prepared for the coming school year, and to get to know students from other communities.

Students should meet in the C.J.C. band hall on the second floor of the Fine Arts building at 9:00 a.m. on Monday, July 31st, 1989. Registration will take place at that time, and a full day of instruction will follow.

## Teen Dance Is Friday

The Cisco High School Senior Class in co-operation with Parents For Teens will sponsor an area teen dance to be held from 9 p.m., till 12 midnight, Friday, July 21, at the Corral Room, 404 Conrad Hilton Ave., Cisco.

T.J. will provide the music. Admission to the dance will be \$3.00. Soft drinks will be available.

Definite rules have been established for high school students as follows:

Only high school students will be allowed to attend the dance.

Students may leave the dance at anytime, however, once a student leaves they may not return.

No drugs, alcohol or dipping will be allowed.

Says a 'spokesparent' for Parents for Teens, "High school parents should be assured that the dance will be well chaperoned and our definite rules will be followed. Please feel secure in allowing your teenager to attend our dance, and feel free to join us if you can."

For further information call 442-2560.

# County History Book Sets September 15 Deadline

The Eastland County History Book has been a long-time "boring—but it's now almost a reality!"

A pre-holiday delivery date is hoped for but cannot be guaranteed as yet.

A "last chance" pre-publication book rate of \$52.50 is being offered through Sept. 15th.

After that date, all books will sell for \$62.50, or \$70 each after publication, if extra copies are available.

After lots of hard work and cooperation from the people of Eastland County, the final proofs of over 2,100 family stories have been returned to the publishers so that final corrections may be made.

The number of general history pages available is determined directly by the total number of books sold, so this is the time to make final purchases locally, and to let friends and loved ones elsewhere know about the new deadline so that as many books as possible will be sold. This is a once-in-a-lifetime offer and won't be repeated once the book is printed and delivered.

Business and memorial pages are still available and may be secured by contacting Roy Smith at 817 629-2995 or 817 629-2365 after 6 p.m. (Family stories which were not included in the free section could be added on purchased

space it is reported. Books at \$52.50, plus \$3.68 postage each may be ordered from Eastland County Family History Book, P.O. Box 856, Eastland, TX 76448. The book will be a 9x12 inch 800 page classic, believed to be the biggest and best ever produced by Taylor Publishing Co.

You and everyone who has ever lived in Eastland County will want at least one. But now is the time to place orders.

# The Next Best Thing -

...to a clear conscience and a good night's sleep is the feeling of security in owning your own home with a clear title. Peculiar to the real estate field, values are based on land and the improvements thereon, if any. But values on these are based on the title. The title then comes the most important item to be considered when purchase of real property is contemplated. So be careful to buy good title based on an abstract of title or a policy of title insurance.

## Johnsons Celebrate 63rd Anniversary

Bill and Donnie Johnson were honored on their 63rd anniversary July 5 with a reception at Canterbury Villa where they now reside. Surrounded by friends and several of the home staff, the Johnsons shared the story of their courtship and marriage. In 1917 Bill Johnson, 10 years old, moved with his family to Rising Star; Donnie was born in Rising Star. Bill at age 16 met Donnie, then 15, when he arrived for a date with Donnie's sister, Velma. Donna followed them out to the car, wanting to go with them. "That's the prettiest girl I've ever seen," said Bill. "Who is she?" he asked. He decided then he had been barking up the wrong tree! In the next few days, Bill made a date with Donnie and they went together for three years.

"First, I asked her to wear my ring and she agreed to it," Bill said. "A year and a half later, I put the marrying deal to her. She reached over and caught me and hugged and kissed me!"

On July 5, 1926, Bill and Donnie were married at the home of a preacher that Bill knew in Cottonwood. They

made their home in Rising Star and lived there almost all their married life.

Bill Johnson worked for Humble Oil for 17 years and owned and operated an Humble service station for 25 years. He also trained cutting horses all his life.

The Johnsons have two children, a son, Travis, who lives in Fort Worth, and a daughter, Johnnie Ogan, of Stephanville, plus a grandson, Joel Johnson, and two great-granddaughters, Theresa and Stacey Johnson. "Grandchildren are the greatest things in the world," says Mrs. Johnson.

The Johnsons first moved to Canterbury Villa in De Leon in December 1987. After returning home twice, they moved back to stay earlier this year.

## Thanks for Helping

From page one  
moving the bleachers, help was given by M.G. Morton, Kenny Rutledge, Dr. Donald E. Bryan, Buz Wasley, Gene Lyon, the Rev. Darrell Dossey, Reil Barron, Al Jones and Gary McGinn. Meal preparation is another big job and committee chairman Gene Lyon and the other Chamber directors wish to express appreciation to each person who helped with the picnic lunch. Helping Gene with preparing the barbeque were Ernest Weeber and Kenneth Bibb; preparing other food items were Carolyn Weeber, Gail Rutledge, Pat Docken and Susie Bailey. Also helping with the lunch were Brenda Bennett, James Cook, James Armstrong, Barbara Kanady, Don and Jean Bryan, Evelyn Donham, Frank and Peggy Agnew, Buz Wasley and Martha Cook. Thanks to Barbara and Jake White of White's Elite Cafe and Onie White for the use of the barbeque pit; thanks to J.C. Cook for the use of the warmer and to Jeff Howard and Max Ratliff for ice.

Again, thanks to the entertainers, listed in last week's issue of the newspaper, and the committee chairman Geraldine Richter.

Other committee chairmen were Dr. Donald E. Bryan, booths; and Evelyn Donham and Carolyn Ratliff, publicity; and the secretary is Jean Bryan.

All help was appreciated. On behalf of all members of the Chamber of Commerce and everyone who attended and enjoyed the Independence Day celebration, a big thank you to each of the committee chairmen for undertaking this annual event.

## Rebate

AUSTIN - State Comptroller Bob Bullock said that local sales tax rebates across the state continued to climb this month, increasing by 12 percent over last year's July report.

Rebate checks totaling \$68.7 million were sent Monday to 939 cities.

July's checks represent taxes collected by monthly filers in May and reported to the Comptroller's office by June 20, Bullock said.

Rising Star: Net payment this period \$801.80, comparable payment prior year \$993.42, change -19.29%, 1989 payments to date \$9,721.86, 1988 payments to date \$9,794.56, change -0.74%.
