The Rising Star Free Fall Fair, which closed its 1957 program last Saturday, has drawn more than liberal praise from visitors and other communities. The three-day fair this year as last, was an outstanding success, one that merits the praise it received and certainly should be a matter of pride to this community. It demonstrated in a most effective way what can be accomplished when people put their shoulders together in community enterprise. Instead of complaining and finding fault, they can with a little effort and a little help from the Rising Star's challenge of the long and hard work the community came through flying colors.

It won't be a drouth some conditions will return to normal. You'll see a real fair

of the praise that has way as a result of unity effort are the comments of Bob Abilene Reporter-News a rural writer who covered fair for his newspaper, writing in his column, "Gin' Tongue" says in part: Rising Star's free fall fair is of the few such ventures in that has survived modern progress.

Each event was considered highlight in community affairs during horse and buggy days. But like rural schools and churches, community fairs have become and less common with improved rural roads and fast automobiles.

because of the rarity of such events in modern-day affairs that one of the reasons citizens Rising Star and their neighbors strive mightily to it alive, according to B. A. Butler, newspaper publisher and president of Rising Star Chamber of Commerce.

who got their melons to market early in the season, all right this year, he said. "But those who planted late took a beating on their crop because other producing areas got melons on the market about the same time and the supply exceeded the demand."

"Such conditions have only spurred farmers and businessmen to work together in finding something else to turn to for income. Currently, the Rising Star area is trying sheep and goats as a possible 'new cash crop.' Some farmers have already found that sheep and goats are a profitable venture."

Fall Fair Praised As One Of Best

Rising Star rang down the curtain Saturday on a Free Fall Fair which in the final result eclipsed last year's fine production and in at least one respect exceeded any previous Fair.

The parade opening the three-day event was the longest and most attractive that has ever been held in connection with a fair here, officials said, while the livestock show drew more than twice as many entries as the show of last year drew.

The entertainment features, highlighted by the crowning of Miss Anna Little as Queen of the Fair in a ceremony on an outdoor stage Thursday evening, under the baton of Peggy Tate and a concert of the Wildcat band Friday night, likewise were better handled than last year, while the appearance of a carnival, set up and ready to go from the first day was in contrast with last year's delay and unsatisfactory carnival layout of last year. The shows offered a number of rides and a variety of concessions all of which drew heavy patronage from the crowds.

Other entertainment features consisted of vocal music and string band music by local talent and organ concerts by a Brownwood artist.

The art show, held in the Jobe building, likewise was a marked success, drawing upwards of fifty paintings and examples of ceramic art from Rising Star, Cross Plains and Putnam.

Full of Exhibits. The big City Market Building was full of exhibits by home demonstration clubs, FFA, 4-H and Future Homemaker clubs, hobby clubs, exhibits of needlework, antiques, dolls, etc., and exhibits by commercial organizations.

The parade opening the Fair was, in words of the vernacular, a honey. There were more entries, more beautiful floats and novelties than in any parade of the past, and the march was smoothly organized and carried out without a hitch.

The Wildcat band led the parade and in the course of the march presented its sweetheart, Miss Tressie Chambers, who rode on a decorated car directly behind the band. Miss Sandra Lea Erwin, Wildcat football sweetheart, also rode on a decorated car behind the band and after the two "sweethearts" the Queen of the Fair, Miss Anna Little, and the members of her court were carried upon a beautifully decorated float followed by duchesses representing various organizations, communities and cities in and about Rising Star, and by representatives of the various high school classes and the elementary schools, all of them very attractively presented.

Winning Floats. Floats entered by local businesses were especially beautiful, the Higginbotham Bros. & Co., float drawing the award of the judges for first place. Similarly beautiful floats were entered by the First State Bank, the Elite Cafe and others.

The May P-TA "Kitchen Band" float drew the \$25 first money for novelty floats, with the North Star Club taking second place.

Luis Rios drew first money for the best decorated boy's bicycle and Joyce Gail Button won first for the best decorated girl's bicycle.

First place trophy in the Riding Club division went to the Eastland Posse Anns who appeared as a separate club with the Eastland County Sheriff's Posse. Second place trophy was awarded the Callahan County Sheriff's Posse.

Bands. The Cross Plains High School Buffalo Band and the May High School Tiger Band also marched in the parade, which was viewed by a crowd of between 2,500 and 3,000 people.

Judges of the parade floats and bicycles were Mrs. C. A. Claiborn, J. M. Crump and Mrs. Ed Jackson, all of Rising Star, Jack McCarty, Cross Plains Review publisher, Mrs. O. B. Edmonson of Cross Plains and Mrs. Sara Bradley of Rising Star were the riding club judges.

Coronation. The main event of the evening program was the coronation of Miss Anna Little, daughter of Mr. and Mrs. Denman Burns of Rising Star and a High School senior, as Queen of the Fair. The coronation took place on an outdoor stage erected at the rear of the Exhibit Building and facing the parade route there. Preston

Wildcats Open Title Play Friday

May 4-H Club Names Officers For New Year

The Rising Star Wildcats, their spirits high despite a narrow, last-minute loss to the Early High School Tigers at Early two weeks ago, come home Friday night, to open their 1957 conference season against the Santa Anna Mountaineers at 8 o'clock.

The team only slightly affected by colds, will be in good shape for the game, despite the loss of two starting regulars from the defensive squad—Doug, las Walker, who is out for the season with a head injury, and Claudie Fox.

The regular offensive lineup, including shifts which Coach Ray Nunnally made for the Early game, will take the field intact for the contest. To replace the defensive lineup losses, Nunnally plans to shift Gary Maynard to tackle and Pat Agnew to end.

The changes in the offensive lineup which sent Robert Needham to quarter and moved Jack Callaway from guard to halfback, produced good results. These boys, with Mack Elliott at full and Gary Scott at the other half, will take the field against Santa Anna just as they did against Early.

The rest of the team is in good condition, barring a touch of colds suffered by Billy Rucker and Maynard which are not expected to affect team efficiency to any extent.

Coach Nunnally was well pleased with the play of the boys against the Early Longhorns and had praise for the spirit of the Wildcats.

Santa Anna which has dropped only one game this season—their opener to Clyde—is expected to furnish stiff competition, but the Wildcats believe that, with a reasonable amount of luck, they can "take them."

The game will be played at Wildcat Field beginning at 8 o'clock Friday night.

SUPPLIES FOR PASTOR In the absence of the pastor, Ed Jackson, of the First Baptist Church, the pulpit was supplied by Dr. Todd of Howard Payne College. Dr. W. A. Todd was accompanied by Mrs. Todd for the evening service.

Miss Mary Ida Jackson and brother, Bill, enjoyed meeting friends and relatives during the Fair. Mary Ida is teaching in Odessa High School.

Farm Woman Kills Four-Foot Alligator In Battle in Garden Northwest of Here

You wouldn't ordinarily think of this section of West Texas as the scene of a battle with an alligator, but Mrs. George Stephenson wasn't pondering the anomaly of a swamp-country saurian inhabiting what has been a drouth-stricken area when she came upon the wicked-looking creature in the garden of their farm six miles northwest of Rising Star last Thursday. She had plenty of something else to think about.

By all the traditional standards of her sex she should have gone screaming out of there when the hideous four-foot animal, infuriated by her pistol bullets which bounced harmlessly off his scaly hide, charged at her hissing, rearing and snapping his foot-long jaws. But she stood her ground, pumping bullets at it.

Her dog, by courageously rushing in and seizing the alligator at the base of the flapping tail, kept the creature diverted from Mrs. Stephenson until she was able at length to get a shot into a vital spot.

to have grown from a baby alligator placed in the tank as a sort of lark some years ago when a local business house gave away a number of the small creatures as an advertising stunt.

No one had any idea that the harmless little lizard-like animal could exist in the dry climate here, much less grow to such size, but no other explanation for the presence of the gator can be suggested. It evidently found shelter in the mud and water of a tank and grew to its formidable size unnoticed until Mrs. Stephenson came upon it last week and got her pistol.

Sandra Lea Erwin Football Sweetheart

Sandra Lea Erwin, daughter of Mr. and Mrs. Hulien Erwin, member of the Sophomore Class of Rising Star High School, is the sweetheart of the Rising Star Wildcat Football team.

Miss Erwin will be presented in a ceremony during the between halves activities of the Rising Star-Cross Plains football game at Cross Plains.

County Budget Of \$412,841 for 1958 Is Approved

EASTLAND.—A budget calling for expenditures of \$412,841.98 during 1958 has been approved for Eastland County by the Commissioners' Court. The new budget provides for \$57,337.88 more expenditures than that for 1957.

Anticipated receipts for the year were listed at \$319,418.94—some \$93,400 less than expected. O'Brien, who prepared the budget, said he had estimated expenses a little higher than expected and had been conservative in listing anticipated revenue. For instance, he pointed out, he listed tax collections at 80% of the roll whereas the records show collections at the rate of about 90% or more. The county assesses taxes on valuations of about \$21,000,000.

The county will begin the year with a balance of \$316,646.37. This year's rate will be 80c per \$100 valuation, the same as in the past two years. Mr. O'Brien said only 19 Texas counties have a tax rate as low as Eastland County.

Balances. Balances in county funds include \$15,307.18 in the jury fund, \$192,429.22 in the road and bridge fund, \$16,303.14 in the road and bridge sinking fund, and \$29,589.08 in the permanent improvement fund. The general fund will have a balance of only \$7,013.42 when the new year begins.

The county still owes \$45,000 on the courthouse, which will be paid for in 1961. Other debts include \$40,000 in 1922 road bonds.

Income during 1958 will include \$121,836.44 from ad valorem taxes, \$110,000 from auto registration fees, \$7,000 from fines, \$9,607 from lateral road surpluses, \$9,870 from the gasoline tax, \$1,400 from the county farm, \$52,150 from office fees, \$1,000 from poll taxes, \$6,000 from court trials, and other miscellaneous income.

Expenditures are expected to include \$8,943 for juries, \$183 for road and bridge work, \$137 for the general fund, \$9,000 on permanent improvements, \$977 for the officers salary fund, \$9,607 for the road and bridge bonds, \$13,867 for court bonds, and \$15,952 for other road and bridge bonds.

Attends Funeral for Uncle at Abilene

Russell Dill attended services at Abilene morning of last week for uncle, Dallas Scarborough, pioneer West Texas attorney who died of a heart attack late Thursday afternoon, September 26. Burial was in IOOF cemetery, Abilene.

Mr. Scarborough, 75 years of age, was born at Pioneer, Texas, on March 14, 1882. He was for many years an outstanding attorney and civic leader in Abilene.

He is survived by his wife and two sons. He was a brother of the late Mrs. J. R. Dill, who died in May, 1954.

Rising Star People To Nimrod Barbecue

The Neighbors Progressive Club at Nimrod served a barbecue dinner at their clubhouse on Monday evening. Several people from Rising Star went and enjoyed good barbecue and fellowship.

That community is to be congratulated on their spirit of operation and achievements.

Music was furnished by the Bostick twins. Attending from Rising Star were Mr. and Mrs. Charles Rutherford, Dr. and Mrs. Ben Bradley, Mr. and Mrs. E. L. and M.

professional of the Queen's court. The Queen was escorted by Jack Callaway and B. A. Butler, Chamber of Commerce president, placed the crown on her head.

Members of her court were Martha Walker and Jodie Wallace, Pat Howard and Joe Frank Crisp, Jane Ann Key and Robert Needham, Mary Reed and Carl Weathers, all Rising Star High School seniors, and her train bearers were Mickey Chambers and Collene White.

Duchesses and their escorts who rode in the parade and took part in the coronation ceremony included Dorothy Lindley and Jimmy Mullis of Amity, Ina Mae Willett and S. M. Moore of May, Marcia Gillis and Will Roy Long of Brownwood, Charlotte Collins and Bruce Land of Cisco, Jolene Richardson and Leslie Fisher, Cisco Junior College, Dorothy Kennedy and Morgan Fleming of Nimrod, Sue Howard and David Gilger of Howard Payne College, Brownwood, Carolyn Cawley and Don Hicks of Okra, Judy Alford and Edward Burns of North Star, Nelda Irby and Billy Johnson of De Leon, Neoma Anderson and Kenneth Watson of Gorman.

Entertainment.

Following the coronation there

was entertainment by local talent, including vocal numbers by Charles Steel, Janis Jones and Julie Watkins with Mrs. La Veda Hubbard at the piano for Miss Jones and Miss Jones accompanying for Charles and Julie; Freddie Fisher of May, who did rock and roll numbers with his own guitar accompaniment; the McKinney quartet and the Rising Star String Band directed by Bill Crawford.

The Livestock Show was held in the rear of the Jobe Building and on the lot adjoining. It drew a full complement of dairy and beef cattle, sheep and goats, swine and Shetland ponies. Judging was done Saturday morning.

In a statement to the organizations which arranged and directed the various components of the Fair J. D. (Skeet) Clark, general superintendent, expressed his thanks for what he said was a splendid job, well done.

Praises Workers.

"Every member of the organization did his or her job in a wonderful fashion, and the result was a Fair that will compare with any that has been held, despite the handicap of dry weather which reduced the possibility of exhibits," said Mr. Clark. "I want every one of them to know that his efforts are appreciated."

"It was a wonderful fair; it reflected credit upon our community and Rising Star is proud

of what these workers have accomplished. Just let us have a season of good crops and these people will put on a show to make the county stand up and take notice. I am grateful for the cooperation that made the fair possible.

Members of the committees in charge of various departments and functions included, Mrs. Louise Weber, Mrs. Barney Cargile, and Mrs. C. A. Claborn in charge of the women's division; Mrs. Denman Burns in charge of the coronation; Walter Smith, in charge of the booths and preparation of the exhibit buildings; Mrs. Wm. E. Tyler and Mrs. Bob Shults in charge of the art exhibit; Charles Rutherford and Cecil Shults, in charge of the livestock division; A. D. Jenkins, in charge of the entertainment; Mr. and Mrs. Jack Jackson and Art Fisher, in charge of the parade; Robert Butler, sale of booths for exhibits; Bill Button and Pete Starks, decorations. Other members of the central committee who assisted in details of the planning and conduct of the fair, were Jay Koonce and George Steel, H. L. Geye, agriculture teacher who directed the FFA and 4-H club exhibits and secured judges for the livestock show who were Randy Steffen, Cisco artist and horse fancier who judged the Shetland pony division, and O. B. Edmonson of Cross Plains and Tommy Toland of Cisco, who judged the remainder of the livestock. Both are Ag teachers in their respective schools.

manche County and just over the Eastland County line, and Nimrod in Eastland County.

"Several years ago the members of the Amity community organized and began a coopera-

tive agriculture and livestock program that has won state-wide recognition. But more important than that, it has improved the income of members of the community.

"The Nimrod community program has been in operation a much shorter time but the cooperative efforts of its people have already produced some sharp results.

"There are many reasons why the Rising Star free fall fair is one of the A-1 attractions each year in West Central Texas. Possibly the main reason why it is considered so successful stems from the cooperative efforts of both business men and farmers in staging the annual affair."

New Speed Queen Models Presented By Higginbotham's

Doc Claborn, manager of the hardware department of Higginbotham's in Rising Star was among representatives of the company's stores from all over this area who gathered at Comanche Friday, September 13, to plan introduction of the ultra new line of 1958 Speed Queen Washers and Dryers. Other stores represented were Dublin, Stephenville, De Leon, Gorman, Cross Plains, Ballinger and Gustine. The meeting was conducted by H. A. McGee, district sales engineer of the Ripon, Wisconsin Factory, and he carefully pointed out the many superior advantages and the vast improvement in the new 1958 models, including the features of the washer which has made it one of America's top lines. Speed Queen has consistently kept abreast of the fabric markets in producing machines that are adaptable to new materials as well as common wash problems and among the many outstanding features is the new drip and dry process involved in the laundry of nylon and orlon. Those in attendance included Grady Ripley of Comanche, west of Dublin, Garland Loudermilk of Stephenville, Lee Holdridge of De Leon, Norris of Gorman, Doc Claborn of Rising Star, Elvis Scott of Cross Plains, Marcy Roberson of Ballinger, and Mac Applewhite and Wylie Walker of Gustine. The sales of these new washers has just begun with a carload of factory fresh machines just received. Units of the new machines are now on display in the hardware department of Higginbotham's in Rising Star.

HOME MAKERS Views and News

Beginning with this edition, the home demonstration agents of Eastland County will present a weekly article of value to you as a homemaker. We will also feature Home Demonstration and 4-H Club news. Suggestions and questions from you would help us to make this column more meaningful.

The opening of school means a "fresh start" for most family members in one way or another. It's also the time when eating habits are re-established for the school and work days ahead. Extension foods and nutrition specialists say it's a fine time to establish good breakfast habits for every member of the family. Eating a good breakfast pays off in efficiency, alertness and better health. There's lots of proof for that statement. Research has shown that breakfast-skippers rob themselves of potential alertness and efficiency during late morning hours, and that dieters are wrong if they think missing breakfast is a practical way to lose weight. Aim for a good adequate breakfast. That means one that will provide one-fourth to one-third of the day's total food requirements in calories and nutrients. It should include these basic foods—fruit or fruit juices, cereal or eggs and meat, or both, whole or enriched bread, butter or margarine, milk and coffee. Be a better breakfast booster. Start with yourself and other family members to help improve breakfast eating habits of all age groups.

Now is the time to stock the freezer with a fresh supply of doves and other game birds. It's a simple process. Draw birds as soon as possible after they have been shot. If there isn't time to do a thorough job of cleaning and dressing, remove the craw and intestines. Chill promptly. Plucking the birds is preferable to skinning them. Skinning causes dryness and some loss of flavor. Wash birds thoroughly before packaging. Wrap individually in moisture-vapor-proof material. Cellophane, aluminum foil, ploidim, and different kinds of laminated wrapping papers are satisfactory. Seal with freezer tape. Label with name and date. To maintain top quality, store birds at 0 degree F. or below. From six to nine months is recommended storage period. Thaw birds before cooking.

Imaginative homemakers find cheese one of their best friends for adding taste, appeal, color and extra nutrition to vegetable dishes. A cheese sauce, for example, can be used to top boiled potatoes, cabbage, onions, peppers, eggplants, tomatoes or other vegetables now in plentiful supply. Leftover dishes disappear faster, too, when converted into cheese, scalloped dishes. Simply pour the cheese sauce over the vegetable and cover with bread crumbs. Bake in a shallow dish until the crumbs are brown and the vegetables heated through. Here's an easy recipe for making cheese sauce for vegetable dishes. Assemble these ingredients; 1½ tablespoons butter or margarine, 1½ tablespoons flour, 1 cup milk, salt to taste, ¾ cup grated cheese (or 3 ounces sliced cheese). Melt the butter or margarine and blend in the flour. Add the milk, then stir and cook until the sauce is thick and smooth. Cook about a minute longer. Add salt and cheese and remove from heat. Stir until cheese is melted. Don't let your subscription to the Record expire.

BAND NEWS

The fair began and ended with a bang, didn't it! Leading the parade, which officially opened the fair, was none other than the Rising Star Wildcat Band and its sweetheart, Miss Tressie Chambers. The majorettes had beautiful new uniforms, and the band really looked snappy with those new white spats. At the red light, the band paused and played while Janis Jones sang "Let Me Call You Sweetheart", also taking part in the parade were the bands from May and Cross Plains.

The band gave a concert Friday night, September 27, on the outdoor stage erected behind the market building. The program included a variety of numbers.

The band is behind you all the way, so come on Cats, beat Santa Anna!

NEW FACES

On October 9, 1943, an earth shattering event took place. The sight of this event was Sealy, Texas. What was this great event? Did a rocket from Mars land? No, it was only James. That day Mr. and Mrs. C. C. Stovall became the proud parents of a bouncing baby boy.

James, now a freshman in Rising Star High School, has one

brother and one sister. He has brown hair, hazel eyes, and is about four feet, eight inches tall. James is not exactly a new student here, having attended school at Rising Star before. He has also attended school in Brownwood, Cisco, Houston, Arabia, and the East Indies.

James's favorite books are mystery books. His favorite color is blue.

We wish to welcome James here and hope he will continue to stay here.

READY FOR THE MOUNTAINEERS?

The Fair is over and it was a great success. The parade was simply beautiful! The Seniors car was Robert Needham's. It was decorated in our class colors of red and white. The Queen, Anna Little, and the four Senior duchesses, Patsy Howard, Jane Key, Martha Walker, Mary Reed, would like to thank Weldon Roach for the use of his cars during the parade. Congratulations to Jeanette Hubbard and Jaynel Edmiston for being such good cooks. They won first at the Fair on their cake.

Jerry Aaron won the watch in the magazine sales with \$241.25 and Bill Rutherford came in second for the clock radio with \$119.42. Thanks to everyone! Last week, we chose our class motto which is "United are we, now and forever. Our class colors are red and white and our flower is the carnation. This is the Seniors signing off saying "The Seniors Are Good Leaders."

Beat those Mountaineers!

FISH TALK

Hi, Cats!
How'd you like our fair last week? What about those crazy swings? Anyone get sick. Ha. The parade was very pretty and colorful. Don't forget the game Thursday night. Go Wildcats!
Say, Jack, whose shoe was that? You know, the one that was running around loose!
All the kids that could, piled into the Harris station wagon for the parade. Johnnie and Gary rode the fender. It was decorated in pink and white.
The Wildcat staff had a party Monday night at the Home Ec cottage with Mrs. Nowlin as our

few of us see very often—a victory in defeat.
The ones who attended the game will tell you personally how proud they were of their team, the Rising Star Wildcats. (We are all proud of you, Cats!) They saw a team filled with spirit and the will to win!
Santa Anna is next, team; let's give them our best, too. Defeat won't be yours if you have as much courage and sportsmanship as you showed in the Early High game. Remember: "When the one Great Scorer comes to write against your name, he writes not that you won or lost; but how you played the game."
And now to you, the people in Rising Star, Santa Anna is the first conference game. Come guest. It was a wonderful spaghetti dinner—baked beans, potato salad, French (garlic-buttered) bread, pickles, pie, and iced team; thus, some of our efforts are being rewarded!
Guess I'd better close now, so don't forget. Let's Back Those Wildcats."

Wanda Smith Enrolls At MH-B College

BELTON.—Miss Wanda Smith of Rising Star has enrolled at Mary Hardin-Baylor College for the fall semester. She is the daughter of Mr. and Mrs. C. E. Smith of Rising Star.

Miss Beth Tanner and her room-mate, Miss Margie White who are students in Mary Hardin-Baylor at Belton were guests of Mr. and Mrs. Roy Holly over the week end.

Mr. and Mrs. Ernest Thompson of Corpus Christi, are here to visit his mother, Mrs. H. Thompson, his sisters, Mrs. Adrienne Jenkins and Mrs. Johnnie and other relatives. Mrs. Thompson is remembered here as Lavonne Lewis, who graduated from Rising Star High School in 1931.

TO THE WILDCATS, STUDENT BODY, AND CITIZENS OF RISING STAR:

Two weeks ago this Thursday a wonderful thing happened. It wasn't world-shaking or revolutionary, but it was inspiring! A football squad called the Rising Star Wildcats and two loyal, devoted coaches made history at the Longhorn Stadium near Brownwood. When they played that football game, they gave their best for you, and others like you. They fought like true Wildcats until the last whistle blew. Even when the game was over—through the sweat, the dirt, and the tears—they were patting their opponents on the back and telling them how much they enjoyed playing them. Sure it hurt—they had wanted to win so very much; but they were that kind of wonderful sports! Although the scoreboard showed they lost physically, the game made clear they had won mentally. They had the spirit which it and be on the bleachers cheering them on. You don't know and can't realize how good it makes them feel for you to be present. Show them you're interested and that they're not changing their best for nothing! See you at the game!

JUNIOR CHATTER
Here we are back again this week to chat with you; everything is running real smooth this week. Book reports were due

last Friday. They were the first ones of the year.

The Juniors were very proud of their car that they decorated for the parade. The car was a black and white '57 Ford. It had purple and yellow decorations. Our class favorites, Judy Alford and Gary Scott, rode on the front. We would like to thank Mr. Weldon Roach for loaning us his car; we appreciate his trustfulness.

The Junior class is sponsoring a program on Oct. 3 and asking all to support it.

JC of RSHS signing off for this week.
Reporter
P. S. JC means Junior Class.

GET BEHIND THE WILDCATS!

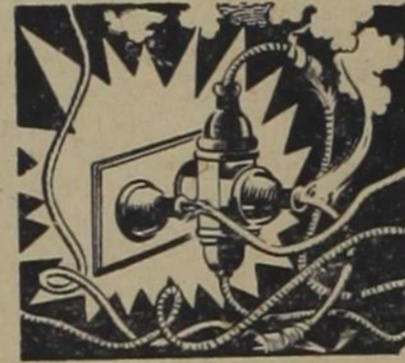

With Santa Anna coming up Friday we are getting ready in haste we think, or I should say we know that we can beat them, but everybody has to help. The football boys can get out and work to get ready physically but the school body and town have to help in getting that "school spirit"; in fact, there hasn't been any real school spirit here in a long time so let's all work toward building the spirit of the school and the team and we'll set Santa Anna on their ears when game time gets here Friday.

Beat Santa Anna!

Bride of Rising Star Man

MRS. ROBERT JENKINS

Cameron Girl Is Bride September 21 Of Robert Jenkins

Miss Nancy Lou Grabein became the bride of Robert Henry Jenkins Saturday evening, September 21, in the First Baptist Church, Cameron, Texas. Miss Grabein is the daughter of Mr. and Mrs. R. G. Grabein. The bridegroom is the son of Mr. and Mrs. A. D. Jenkins of Rising Star. Reverend A. F. Russell read nuptial vows before an altar banked with baskets of white mums and large comodor palms. The couple knelt on a white wrought iron Pre Diew with white satin pillows.

Mr. Lionel Rowland of Lake Jackson, organist, played nuptial music prior to the wedding ceremony and accompanied Miss Sondra Woodland, of Marlin, who sang the Lord's Prayer. Both are cousins of the bride.

The bride, given in marriage by her father, wore a formal wedding gown fashioned of hand run Alencon lace and taffeta. The yoke of the Empire bodice was made of Alencon lace embroidered in seed pearls with a scalloped pattern of the lace bordering the square cut neckline. The same lace extended through the top of the long pointed sleeves. Accenting the lace yoke were folds of taffeta, extending to the back in a soft bow. The full princess skirt of taffeta was caught at the waistline with Alencon lace medallions. The back of the skirt extended into a chapel length train.

Her fingertip veil of imported silk illusion was caught to an Elizabethan hat of lace and scattered with seed pearls. She carried a showered bouquet of white orchids and phalenopsis orchids and stephanotis.

Mrs. Monroe Fuchs, of Harlingen, attended the bride as matron of honor. The bridesmaids were Miss Jean Bradbury, Miss Sarah Goodrick, and Miss Betty Beniteau, all of San Antonio. They wore identical gowns of bittersweet taffeta. Following the lines of the Empire bodice was a band of velvet ribbon

forming a soft row in the back. They wore hats of bittersweet tulle and ribbon accented with tiny seed pearls and carried all white cascade bouquets of mums and tulle.

Attending his brother as best man was Don Jenkins of Houston. Groomsmen were Lieutenant Monroe Fuchs of Harlingen, Mr. Glenn Winfrey, and Mr. Bill Connor of Rising Star.

The bride's mother wore a street length dress of dusty rose pois d'ange with matching accessories.

The reception was held in the reception room of the church. The bride's bouquet served as a centerpiece for her table which stood against a background of comodor palms and white mums. The guests were registered by Miss Nan Hubert. Mrs. Joe Row-

land was at the punch service and Miss Nita Nabours served the wedding cake. Miss Joyce Wallace assisted at the bride's table. Other members of the house party were Mrs. W. H. Taylor of Marshall and Miss Diane Rowland of Lake Jackson.

For the wedding trip the bride chose a brown suit with matching accessories. For her corsage the bride wore an orchid from her bouquet. After returning from their trip, the couple will live in Indianapolis, Indiana, where the groom will attend school at Fort Benjamin Harri-

son. The bride is a former student of Baylor University where she was a member of Pi Alpha Lambda. She also attended Texas Tech. Mr. Jenkins is a graduate of Rising Star High School.

To Have Charge of Kizer Accounting

Andy M. Bankhead, accountant, has moved to Rising Star from Hobart, Okla., and will have charge of accounting for the Kizer Telephone Company. His family of a wife and a 16-year-old son, will join him about the first of next month. Mr. Bankhead will also be available for bookkeeping work with other firms and individuals.

Edward Bradley Fish Class Vice-President

Edward Whiteside Bradley, son of Dr. and Mrs. Ben H. Bradley, Rising Star, Texas, has been se-

lected by his classmates to serve as Vice President of the freshman class at Webb School, Bell Buckle, Tennessee.

Mrs. John Vermillion has received news of the death of a relative, Mrs. Pat Gary, of O'Donnell in an automobile accident there Sunday about 6:30 p.m. Mr. Gary was injured. Two sons, Joe Pat and David, are in High School.

Mr. and Mrs. Bruce Erwin have traded their farm here for a motel at Temple and plan to operate the motel there. Their son, Clifford, is a student at Hardin, Simmons University where he is a sophomore.

E. E. Winfrey is quite ill at his home. He is confined to his bed most of the time.

WMU Has Business Session September 30

The WMU of the First Baptist Church met for business session on Monday, Sept. 30, 1957, with Mrs. W. W. Faulkenberry serving as installation officer. After the business meeting the members made visits to the sick. A number of the WMU members plan to go to the Leader's Conference at Cisco on Thursday of this week.

Mr. and Mrs. Jack Gibson, Jackie Malcolm of Fort Worth spent the week end with Jack's father, M. D. Gibson, here. Other guests of Mr. Gibson were Mrs. Maude Braly and Mrs. May Harrison of Eastland, sisters-in-law.

SECOND HAND PEANUT BAGS
 Have you not had enough Peanut graders; Acreage controls; marketing penalties, and now telling you the kind of peanut bags you must use?
 We have 50,000 Second hand burlap bags suitable for sacking farmers stock peanuts at 6c each. We will buy your peanuts based upon today's shelled peanut market, and our inspection. You must agree, that we shellers will pay you all your peanuts are worth, as we have been paying from \$3.00 to \$50.00 per ton above support prices, for the past four or five years. But, remember, a busted peanut sheller is not worth much to your community. We will also buy your pecans.
 See us for your peanut bags. Also bring us your cotton to gin.
