**WalterFuneral Home**

The funeral home is here every day, in town, in the morning, in the afternoon, in the evening, and on the Sabbath. We have been there and saw the vegetables and the fruits. They are very good quality and the market is in the middle of the town. The houses are big shade trees, beautiful lawns year around. The weather is never cold in Hawaii and we have never seen a day where it rained. We have been in Hawaii and we have never seen a day where it rained. A big fire broke out in the neighborhood of Honolulu. We were told that we would have to put floats in the rivers and put away the boats. It rained and we had to put away the boats.
